**I love my big breasts.
They make me feel like so
much more of a woman.
They turn me on. When they
bounce up and down as I
walk, they make me horny.
When they jiggle, I get sexy.**

**I like the feel of my breasts
in my hands. They feel heavy
and full, like a water
balloon, only warm and
soft. They feel sensual and
when I hold them this way,
the nipples become erect.**

When I wash them in the shower or in the bathtub, I take an extra long time soaping up my breasts. It feels so good to run the smooth, white, creamy soap over my huge tits. Once I start, I don't want to stop.
