EDITORIAL

Films of boxing, as well as American TV programs like "Perry Mason," "The FBI," and "Police Story," are all banned in Sweden. But highly explicit films showing intercourse, like Ingmar Bergman's "The Rite," are shown on state television stations. Why? Because the Swedish censorship commission has reported after lengthy study that "no normal adult is harmed by seeing intercourse and nude bodies in a motion picture."

We in America suffer a different ethic. Censors permit extreme violence all the time, but they consider any act of love intolerable. During the Vietnamese war, scenes of mutilation were daily supper fare, and, today, detailed accounts of grisly murders flood our living rooms.

Yet despite this proliferation of violence and the denigration of sex, we profess to be a nation that loves mankind. Psychiatrists, analyzing such a dichotomy in a patient, would say otherwise. They would diagnose a person showing such symptoms (fear of sex and a love of violence) as psychotic—sick—and would instigate immediate remedial procedures.

This is exactly what we should do for our society. We should begin a strong campaign to make love—and sex—acceptable and popular. Magazines and films depicting the human body in all poses (but especially in poses emphasizing the sexual nature of the models) should be popularized and disseminated widely. Violence, and the depiction thereof, should be severely limited.

That's what we should do. But what is actually happening is that we are still fighting for the rights of individuals just to possess—or to buy—erotic. Police who should be helping to quell a rising violence in our society are still being diverted to supervise the "morality" of individuals whose only offense is that they have tastes in sex that differ from those of a small group of established censors.

You can do something to hasten the healing of this sickness in our society. Write your elected representatives and demand that they begin to free all written and pictorial expressions of a sexual nature from the hands of the censors. Demand your right—and the right of adults throughout the country—to procure and enjoy erotic materials. Do it today. Our society has been sick long enough.

LEGS, BOOBS, LINGERIE (January, February, March, 1977) is published four times a year by American Art Enterprises, Inc., 21335 Ronce Blvd., Canoga Park, California, 91304. It is produced and distributed as adult entertainment aimed at illuminating ongoing changes in current patterns of societal behavior with the view that the picturing and displaying of the unclothed human body is deserving of increased acceptance in our contemporary culture. All rights reserved on entire contents of this issue; nothing may be reprinted in whole or in part without written permission from the publisher. Copyright © 1977 by American Art Enterprises, Inc. Manuscripts and illustrations must be accompanied by a stamped, self-addressed envelope; the publisher cannot assume responsibility for the safe return of unsolicited material. We do not release information about, or sell photographs of, any model appearing in this magazine. Any similarity between persons living or dead and the characters named in fiction or semi-fiction is entirely coincidental. All photographs in this magazine, except those of public figures, are posed by professional models, and neither the photographs nor the words accompanying them describe, or are meant to be understood as, the actual personality or conduct of the models.

DISTRIBUTED BY DAVID & SON HOLDINGS LTD., UNIT 15/16, RICH INDUSTRIAL ESTATE, CHENMOTT STREET, E.1.
PRINTED UNDER LICENSE IN U.K. BY LASHBROKE LTD.

BOOBS

Female breasts: those luscious, juicy, round & bouncy-bouncy jugs of pure joy, jutting out in grand style, coming to lovely pink-strawberry peaks, delightful to feel and touch and taste and behold adoringly. Yes, yes, the world we know would be an emptier place were it not for those soft, touchable tits boldly bulging out and inviting the attention of the male. These magnificent globes are never in short supply, for wherever you go—to the beach, to the supermarket, or just down the block—these kissable mammaries, sometimes just beneath a sheer top or sticking out plentifully from the top of a slim bikini, are present awaiting the loving caresses which you can give them. And women with well-proportioned, bosomy figures know how to display their paired treasures to get what they want from the men they meet. So turn the pages, guys, and let your eyes revel in the lush, hilly scenery of the buxom babes you cherish and love!

LEGS

Any all-American, red-blooded, leg-lovin' man will tell you that a woman's gams—her limbs, stilts, pins, or whatever you wish to call them—are what he looks at first when trying to get a 'feel' for the availability of the woman. And if he's got a sharp, experienced eye, he'll be able to tell a lot from how she walks, from how she moves those beautiful, lithe, nylon-bedecked stilts. His eyes will follow and trace those sexy, lovely stems from their provocative insteps and ankles to the comely, sensual thighs—and beyond!—and in observing the way the voluptuous possessor of these love-hungry legs responds to his intent gazes, well, he'll come one heck of a lot closer to understanding her *precise* needs at the moment! But a word of warning to the uninitiated gam-gazers out there: most women are so flattered when you ogle their shapely pins that their defenses and inhibitions just seem to melt away, and that can mean trouble!

LINGERIE

A partially bare woman, attired in silk, lace, linen or nylon—'lingerie', as it is called—is, according to some experts, sexier this way than when sporting her birthday suit. Coming to terms with the reason behind this doesn't take much imagination—ah, but then again it certainly does! For just imagining what sexy goodies are to be found *beneath* sheer lingerie is one of the most potent turn-ons known to man! And imagination is the key. A woman, after all, whose warm, soft, responsive skin—lying just beyond the reach of an amorous man's hands—is partially hidden by the sheer fabric of an evocative nightie is offering something to be stripped away. She's tantalizing her man's wildest imagination, turning him on mentally as well as physically. And as a man removes each and every stitch of clothing—as he unveils her secrets, her warmest intimacies of desire—he is well-advised to move slowly—making the magic moment last!

GREEK "SEX MACHINE" DOLL

APPLICATION FOR MEMBERSHIP IN REGENT HOUSE'S MAGAZINE & BOOK CLUB

We reserve the right to ship magazines as available and of
comparative value to the covers illustrated in this advertisement.

The undersigned hereby applies for membership in REGENT
HOUSE'S Magazine & Book Club, and represents as follows:
1) I am an adult, being _____ years of age. (You must
fill in this blank in your own handwriting.) 2) I desire to re-
ceive by mail sexually oriented advertisements, and to pur-
chase through the mail sexually explicit material, which
material has an educational and entertainment value to me.
3) I understand you are offering sexually oriented material
to a specific and limited class of persons, namely those adults
who, like me, believe that such material has educational
value. 4) I desire said material to satisfy my own private
emotional and educational interests. I will not sell or exhibit
such material to others. 5) I authorize you to mail me sex-
ually oriented advertisements, unless and until you hear from
me to the contrary, in writing, by registered mail. 6) I re-
present that I have not asked the Post Office Dept., or any-
one else, for "protection" against receiving "sexually or-
iented advertisements." I agree to notify you in writing im-
mediately to remove my name from your mailing list if I do
in the future request the Post Office Dept., or anyone else,
for such protection. I prefer not to have the words "sexually
oriented advertisement" appear on the outside envelope.

Signed: _____ (Your Own Handwriting)

FOR YOUR ENJOYMENT HERE'S AN ALL NEW SELECTION OF ADULT BOOKS, MAGAZINES & NOVELTIES SOMETHING TO PLEASE EVERY TASTE!

Remember the days when your favorite comic strip characters led a double life in those...

LITTLE "DIRTY" COMICS

It was an era when guys and gals hid them in that top, left-hand dresser drawer and brought them out to laugh; when laughter was in short supply.

Sometimes the drawings were mildly impossible: huge erections, enormous breasts, deep cleavage and long sexy legs. The sexual fantasy was absolutely outlandish: continuous orgasms, roaring vulgar jokes, screamed obscenities and great wet endings. THIS WAS OUR INTRODUCTION TO PICTORIALIZED EROTICA!

You can now return to that nostalgic era because those same "LITTLE DIRTY BOOKS" are back again, just as they were years ago, complete with those outrageous cartoon frolics and balloon-shaped exclamations!

over 800 illustrations

PENIS ENLARGERS & MASTURBATORS

Here are 3 devices which when used as directed are intended to tone and develop specific genital muscles that contribute to erection of the penis. These are the muscles which control size and firmness of erection, staying power during intercourse, and the strength of ejaculation during climax. While using any of these devices you are also provided with the most NOVEL MASSAGE and a sensation you never believed possible. You control the rhythmic stroking... at the same time watch the action through the transparent sleeve.
