THE TITS OF BEVERLEE HILLS

FEATURING
BEVERLEE HILLS

GOUDREMY EDITIONS

ADULTS ONLY

NON-VIOLENT EROTICA
NVE

While I'm waiting for my boyfriend Tex to show up I guess I'll do a few calisthenics to keep in shape. Okay, that's enough. No point in overdoing it!

THE TITS OF BEVERLEE HILLS

Tex is absolutely
fascinated by my breasts.
Well, who wouldn't be?

He likes to squeeze
and kiss them — but
the most pleasure
comes when he shoves
his prick in the
cleavage for a titfuck!

I like everything we do. If I had to pick one thing that's my favorite, I'd have to say sucking his dick!

No matter what we're
doing, Tex has to have his
hands mauling my tits!

The sight and the feel of
those melons really turns
the guy on. (I like it, too!)

I'm an all-purpose sex object. Most men find me attractive from any angle!

In order for a girl to be
titfucked, she has to have
a good pair of tits!

I think I qualify, don't you?

Have you ever wondered what makes my slopes so creamy? Here's your answer!
