EDITORIAL

Dear Reader,

Here we are with another edition of TOP-BUSTERS the magazine that brings YOU the very best BIG BOOB pictures, stories and features. Remember, we are always on the lookout for new BIG BOOB models, so if you'd like to pose for us send a recent snapshot (not necessarily nude) to Topbusters' Pictures Editor, 34 Upton Lane, London E.7.

We at Topbusters' are trying to bring big boobs back into fashion. If you remember the fifties all the sex symbols had big boobs and all the best looking girls weren't skinny like they are today! Its therefore very pleasing that one of Britain's top men's magazines, International Cover Girls, is running TWO large colour photo spreads featuring BIG BOOBS in each issue. International Cover Girls have supported our campaign, we hope as many readers as possible support International Cover Girls by buying it from the newsagent who sold them this magazine. International Cover Girls contains 100 COLOUR packed pages so you know its excellent value, it costs just £1. Alternatively, send £1.20 for the latest issue to International Cover Girls, 34 Upton Lane, London E.7.

Big BOOBS are also making a BIG comeback in the movies. It's nice to see that one film producer (David Sullivan) always has a large sprinkling of busty ladies in his movies. AND we are pleased to say that we have persuaded several of his better looking and bustier models to pose for TOP-BUSTERS, one actress is featured this month and more will be featured in future issues of this magazine. LOOK OUT for David's three movies at your local Cinema, or travel to London to see them. All the films are X CERTIFICATES in every meaning of the word. The films are: THE PLAYBIRDS (now showing at the MOULIN CINEMA, GT. WINDMILL STREET, W.1.). COME PLAY WITH ME and EMANUELLE MEETS THE WIFE SWAPPERS, a GREAT DOUBLE BILL (at the EROS CINEMA, Piccadilly Circus, (01-47 3839). Also look out for 'Confessions from the David Galaxy Affair' due for release in June.

Please help our circulation drive by placing a firm order for next months Topbusters - fill in the coupon on page 74.

THE BIGGEST BOOBS APPEAR IN COVER GIRLS

In this section each month we bring you a few shots of a new model. This month we feature JEAN. All these shots come from the fabulous new magazine COVER GIRL, who regularly features one or two big boob sections each month. Cover Girl contains 100 COLOUR packed pages, yet it costs just £1. So if you're a big boob fan can we suggest you try COVER GIRL, we think you'll like it! Order a copy from your local newsagent, or send £1.20 for a sample copy mail order to: Cover Girl, 34 Upton Lane, London E.7.

TOPLESS WAITRESS

With 45" worth of tit, you can hardly blame me for wanting to exploit it, can you? Three months ago, sick of my boring job as a typist in an Insurance Office in London and keyed-up and encouraged by the male adoration I am always getting at the office and in pubs and at discos over my outsize knockers, I decided to look at the list of things a girl like me, blond, blue-eyed, a good shapely figure plus 45" worth of tits could do to commercialise them. It wasn't a very long list. In fact, it consisted of two jobs only. One, as a Topless Go-Go dancer and Two, as a Topless Waitress.

Although I do well at the disco, I am not exactly apt at stage disco-dancing, so I dismissed the idea of becoming a Go-Go girl. That left the Topless waitress bit. I gave it some thought, sitting alone in my bedsit in front of my dressing table mirror, naked but for knickers, staring at the reflection of my substantial boobs capped with two delightful red nipples surrounded by light brown circles. What sort of diners and eaters-outers went to a Topless restaurant, I wondered. Middle-aged, frustrated gents, no doubt, plus a possible sprinkling of butch lesbians on the lookout for attractive and yielding femme lesbians. I didn't suppose husbands took their wives to such restaurants. Or their girlfriends either! Probably a few callow youths with spotty faces and itching cocks went there to toss-off under tableclothes as they watched the Topless Girls serving the lunch.

I also reflected upon the question of how Topless Waitresses affected the appetites of the male diners. How would roast beef and two veg go with creamy tits like vanilla blanc-manges topped with red cherries? How would diners take to a pint of milk for instance? The association of ideas, I mean. And, if wives did go with some rash husbands to such a place, how would they feel seeing their hubbies eyeing 38 to 45" inch breasts while covering up their own withering 30-inchers?

On the other hand, I reasoned with myself, there were such things as Topless Waitresses and I happened to know of an Employment Agency in the West End of London that was always advertising for attractive girls with the necessary knockers. There must be certain kicks to be got out of such a position. Tips, no doubt, according to the size and the circumference of

one's tits, plus the stiffness of one's nipples. I find that, if I dab my nipples with a stinging astringent from time to time they get very stiff and red and stay that way for some time. Then there's the Topless Waitress standard uniform. A very short black silk flary dress, two or three white cotton petticoats under it, a white linen apron tied wiht a large bow at the back. Black silk stockings held

up with black suspenders, bare thigh-flesh showing between the stocking-tops and the frilled elastic legs of high-up white drawers. A real turn on for the gents with their horny pricks in their laps as they eat! And of course, an excellent turn on for me, as I have excellent legs and thighs that would look super in those black high-heeled shoes the waitresses wear as well. I am very sexy and often come between my legs at a disco when I know the lads are seeing up my short skirts and viewing my drawers and stocking-tops. I could just imagine myself waltzing around a restaurant serving the gents and orgasming every time I saw a fellow looking up my dress as I wrote out a check or took down an order.

After a long think-tank session about it all, I decided to take a half-day off from the office and to call at the Agency. I dressed to kill before I went. I wore a short black dress, two white slips under it, black suspenders and stockings, and white drawers. I dressed like that under a calf length coat so that I could show whoever interviewed me what I could look like in the regulation uniform. Plus I put on a black shirt, over braless breasts, so that I could quickly show off my goodies. I had made an appointment and arrived at the Agency at three in

the afternoon as arranged. The receptionist rang the Bosse's office and, in next to no time, I was standing in front of his desk, my coat off and he was looking me up and down.

"I see you dressed for the part" he observed. He was about forty, Jewish, but nice looking as most of the men are, with dark wavy hair, and strikingly dark eyes.

He asked me to lift up my short skirt in front. I did so, giving him a good exposition of my white drawers, naked thighs, suspenders and stocking-tops plus the froth of white slips under my silk dress. Then he asked me to turn round and to bend down.

"So's I can see what the gents in the restaurant will see when you bend down there," he remarked.

Of course, I understood, I turned round and bent down and gave him a show of my white drawers, the backs of my thighs with the suspenders and stocking tops and the rest.

"Do you get fucked regular?" he asked, when I had turned round to face him again.

"Sure I get fucked," I said. "Its all part of living, I mean."

He nodded. "Now your tits" he said. "Lets see your tits."

I undid my black shirt all the way down and my knockers spilled out.

"Jeeze!" he whistled through his

teeth. "You'll bust down the service hatch with them tits! Sure you can see over them?" he asked. "I mean, carrying a tray full of food in front of you, you want you can see over them in case you spill the lot!"

"I can see over them ok" I assured him.

"Ok" he said. "I'll phone the Alphonso Restaurant as soon as you have gone and tell them you are on the way over right now." He wrote the name and address on a card and gave it to me.

"Why did you ask me if I got fucked regular?" I asked him.

"Because" he smiled, "At the Alphonso Restaurant, Mr Alphonso has some small rooms upstairs, see, and if a gent diner there fancies to fuck with a Topless waitress he fancies, she is allowed to take time off from serving to go with him to one of the rooms. There she gets fucked or does whatever the client wants and she charges usually ten nicker. That ten nicker she keeps for herself. She don't give a penny of it to the management, you understand, so's he can't be had for living on immoral earnings, see? Its a gimmick for the restaurant for clients to know they can feed and fuck all at the same time. One after the other, of course" he grinned.

"Quite a good gimmick" I grinned back. "Well, I get paid a salary, I take

it?"

"Sure you do" he said. "Plus you pick up good tips. Plus if you get fucked twice or three times a week, and charge no less than ten quid, you make an extra thirty nicker, don't you?"

I couldn't do anything but agree with him. I am into fucking and all the rest of the sex games and I knew that in a sexy Topless Waitresses outfit, I'd be a sure fire attraction.

"You get kitted out with two sets of black dresses, slips, aprons, drawers, nylons, garterbelts, high heeled shoes, all for free" added the boss.

"Great" I replied.

Seeing Mr Alphonso in his office at his restaurant was a pleasure. He was about thirty five, took to me instantly after having viewed my knockers, seen up my dress fore and aft. The sight of me up my dress from behind had so excited him that, by the time he told me to straighten up and turn round again he had his trousers round his ankles, his purple slips at his knees, and standing up behind his desk his engorged prick was stiff in his hand and his bollocks were heavy under it.

"Must just wank-off after what I just seen" he smiled. "You sit and watch."

I did my knockers up again under my shirt and sat down and watched him behind his desk as he tossed

off, his naked white thighs shaking like hell as he came all over his blotter. Pulling up his trousers he smiled again and said "Start next Monday evening at seven." Then he detailed the salary and my items off plus tips. And he told me about the fucking rooms over the restaurant and said the service offered attracted men to the place like flies and he hoped I would not object to going to the rooms with clients when asked and that I must always charge ten quid, no less, for the sake of keeping the high-class as he put it. He told me he did not get any cash from any girl and that it all belonged to her, tax free.

Pretty good number what do you think?" he asked.

"Fucking good number" I replied. I put my coat on as he started to mop up his come from the blotter and the intercom.

I started on the Monday evening and from the start I knew it was going to be all very exciting. I had my own little corner and mirror and lights in a dressing room back at the Restaurant and a small cupboard in which to stash my gear and waitresses gear and I was told that each week, of a Wednesday, the stuff I was not wearing was carted away by cleaners to be washed and ironed, I was always to be well-turned out each session from seven to one a.m., the following morning.

By nine the restaurant was two thirds full and with the other three waitresses, I was busy serving young and middle aged men with nice speaking voices, all very classy, and a few girls on their own or with men companions, my knockers were easily much larger than the other girls and, by ten, I knew I was the centre of attraction. By eleven thirty Mr alphonso left his office and indicated a tall slim man by the door on his own and told me he wished to have me in one of the small fucking rooms upstairs. I was handed a silver key to No.3 and told to go up and to wait.

The room was small and neat and very clean. A yellow, divan was in one corner, a bidet in another, a small table with French rubbers and tissues, vaseline, a whip or two and a vibrator. A pinkish glow from concealed lighting lit the room with a mellow sexy glow.

Then the client came in.

"I have been eating here for three weeks now" he smiled as he took off his jacket and white shirt and tight trousers and shoes and stood in a pair of blue silk briefs. "I have not fancied any of the other girls, but your tits struck me all of a heap." He opened a wallet from his jacket and handed me a twenty-pound note. I thought of keeping up the class of the Alphonso Restaurant and put it in

TOPLESS WAITRESS

Continued from page 7.

the pocket of my apron.

He didn't want me to strip off. Instead, I lay on the divan and he, as naked as Nature intended him to be, lay on top of me and sucked away at my red nipples. After that, he lifted up my short black skirt and apron and taking down my drawers, sucked away at my cunt. By that time I had already orgasmed from my tits and was ready to do the same thing with my cunt and clit. He was an expert sucker and I hoped he would later prove to be an expert fucker as well. He did, he had me from behind, while I bent over the divan in my garterbelt, suspenders and stockings. Three-quarters-of-an-hour later, I was back down in the restaurant, my tits afire with his sucking, my cunt still wet and wide open from his fucking and sucking. He apparently left by a side door, for he did not return to the room. I was glad not to be invited upstairs by another client that night. Twenty quid first go was good going. I saw two of the other waitresses go through the door that led to the sex rooms and come back a short time after a bit flushed. The diners who had picked them had been two fat little men, most un-sexy and I was pleased to think I had the best lookign diner there that evening.

Mr Alphonso had me in his office shortly before the place closed and I was in my outdoor clothes.

"We always arrange for a minicab to pick up our girls and to drive them home each early morning," He explained.

That came as a great relief to me for he hadn't told me before and the other three girls hadn't mentioned it either.

"You were obviously very well liked tonight, my dear," he said. He pointed to a small video screen on his desk. "I watched proceedings in this each session," he said, "and it was obvious all eyes were on you. I am pleased you were asked upstairs by that gentleman. He has only been coming here for the last three weeks and you are the first girl he has wanted. He is, in fact, young Lord Hutchins - always in the society columns of the newspapers. I hope he paid you well?"

I told him twenty nicker.

Mr alphonso smiled "Great" he said. "And I'm sure you deserved every penny of it." a bell rang at his desk.

"Your cab is waiting at the front entrance," he said.

I bade him thanks and goodnight and soon was at home in my bedsit, tired out but very pleased with myself. To bed until about three the following afternoon, I thought, then out shopping then back to the restaurant for the second evening.

After a few weeks and, to the envy of the other waitresses, I had had a sexy photo taken of me and blown up and placed on a large stand in the foyer of the restaurant to attract the male clients. A sort of 'stage' name was printed under the photo and I was to be known as Tessa.

On average, I get one client each night. In fact, after a discussion with Mr Alphonso, it was agreed between us that I would only have one client per night as he wanted me to be on full view as much as possible each evening to attract the male clients in. To compensate me for any potential loss of 'fuck earnings', Mr Alphonso upped my salary by thirty quid per week, untaxable and un-recorded so that I would be free to serve dinners and just have one fuck per night. I was very pleased with that arrangement though the other three girls were not.

My tits soon became the talk of that particular part of the Town, Lower Regent Street. I was mentioned as 'Tessa' in quite a few entertainment columns of the London Life type magazines. Daily massage of my knockers by myself and nightly massage and sucking by a client, plus being fucked up and down between them by the more kinky of my clients kept my tits at peak condition as they are now at the time of writing this story.

Some fellows liked to be whipped by me across the thighs and the buttocks as I stood over them in my sexy waitresses' gear. I never undressed at all, for it was quite obvious all the fellows who wanted me were knicker-slaves and suspender-freaks and up-the-skirt-voyeurs. I was often fucked through my drawers and had a special pair in my special fucking room with a neat hole cut in the gusset. I would and still do put them on whenever a client says he wants to fuck up my drawers and its surprising how many do. As for my tits, they are sucked, spunked on, spunked in-between, have spunk rubbed all over them and into them. My nipples are sucked and rubbed. I have that plastic vibrator moved all over them and shoved up my cunt as well before the clients get their stiff pricks up inside of me. I look forward to it all and enjoy it all and I never fail to come at least twice with whatever sort of man I have to entertain. They are all well-bred, well-spoken and have good bread. I feel I am a very high-class, much-desired whore out of the top-drawer!

I have the occasional black man, always very polite and gentlemanly and well spoken. Men who are students and technicians and have good jobs at computer joints and so on. I will record here and now that blackmen's pricks are larger than

English mens or any white mans'.

Of course, I also do my full share of wankign men off and also gambling them. Lots of men like to look up my clothes while I toss them off in various positions. Others love to stare at my tits while I bring them off and others love to fondle them while I make them spunk out.

When I decided to take on this job as a Topless Waitress, I had no idea of the sex perks and the cash perks on the side. But I have asked a few questions about other Topless restaurants and it seems Mr Alphonso is the only restaurant owner to also run a sex service with the cuisine! I have now met a few girls who work as Topless waitresses and they are quite shocked at the idea of not only serving dishes but having to behave as a sex dish as well! Most certainly I did not visualise such a thing when I applied to that Agency for the job, but I was looking for some way in which to commercialise my knockers. Can you think of a better way of doing it? Of course, a third occupation I did not include in my list of possibilities was being a call-girl. I do not consider myself to be a call girl though I have suggested I am a very top-class whore. But the scene is entirely different.

There is of course another way of commercialising my tits and that is by having them and myself photographed in those girlie magazines and possible if this story is being read in a magazine at this very moment by you, then a photographer will have interviewed me and taken some flashes of me to accompany this story. But I would not see doing a full time round as a tit model for mags. Rather unexciting I would be inclined to think. I might get fucked by the photographer but I much prefer being on show six nights out of seven each week in front of a lot of well-bred and well-educated and well-stashed men and women (mostly men) in Mr Alphonso's little number in Lower Regent Street.

About a regular boyfriend. I am twenty two, did I mention that fact? I have had tons of boyfriends since I was sixteen. I was first fucked when I reached my age-of-consent birthday. I had kept my current boyfriend waiting for three months until that day, so that he could fuck me, but good, with a peaceful conscience and know he was not breaking the law. My tits were average then. I find now, its useless my thinking of having a boyfriend. What fellow would put up with me working six nights a week from seven to one the next morning? And what fellow would or could bear the thought of me being fucked once nightly at the restaurant or doing a lot of sexy things to and with men?

Mind you, I am saving one hell of a lot of bread out of my earnings. I am taking driving lessons and will buy a small car when I have passed the test, if they can fix a seat in car that will make it possible for me to hold the steering wheel in the approved manner and not get my knockers in a twist! That will be some design problem, I rather think!

In time, no doubt, I will tire of my nightly performances at Mr. Alphonso's Restaurant and with several thou I hope to have saved up by then in my old tin trunk, not in a bank (no way!) I may then buy a small flat, furnish it and look around for a nice fellow with whom to share it.

Mind you I do certainly get proposed to at the restaurant, and propositioned as well. Yes sir, the propositions range from jobs as a Topless Go-Go dancer to a stint in Saudi-Arabia with some fat, greasy old Arab. I always make a point of never, but never going to my sex room at the restaurant with an Arab. I have asked permission to refuse any Arab bloke and Mr Alphonso has agreed that I can always say no.

In my dressing room, at the Restaurant, before I 'go on', as you might say, I paint my nipples up with light brown and pinkish make up to make the nipples look good and sexy. Plus I powder all over my tits and shoulders and back so I smell like the Garden of Eden and look like a topless Eve. Or was it a fig-leaf she left off? I am always clean shaven under my arms, too. Men try to date me after restaurant hours but Mr Alphonso likes to keep his girls for the joint (if you get what I mean) and asks them not to get familiar with clients apart from doing all that is asked of them (within reason) in the sex rooms. He thinks that once a Topless Girl at his place agrees to get engaged to a client she should elave at once, otherwise the client, if he continues to go back to the restaurant, will get jealous of seeing his financee going upstairs to a sex room. Agreed! The other three girls who work with me prefer the bread from the restaurant to the dough some fellow who dines there and propositions them there would provide. I am of the same mind.

Well, that's my story of my adventures as a Topless Waitress. Hope to see you at the restaurant in Lower Regent Street some fine evening. But bring plenty of cash with you. The tariff is super-pricey. So are the girls. And so am I!

Interview

Breast Development

INTERVIEWER: In your letter, you write of your concern over, or interest in the question of breast development and breast developers and creams and so on, yet, if I may say so you appear to have a very good breast measurement yourself.

NATALIE: Yes, well, thank you for noticing it! I do have measurements of 48", which I am led to believe is good. I am twenty five and it is only in the last few years that I have, in fact, been able to develop breasts that attract attention.

I: It has been an ambition of yours to have large breasts?

N: Oh yes, indeed, very much so. As an adolescent, you see, at school at ages fourteen to sixteen I had poor breasts development and the girls at school made fun of me, for most of them had healthy bosoms in proportion to their ages whereas I looked skinny at the top. I was slim. I am slim now as you see.

I: Indeed yes, most attractively so.

N: Nevertheless, slim as I am now, at least I have a good pair of boobs.

I: Only too apparent!

N: Yes, well at school, I quickly developed an inferiority complex because my slimness was over accentuated by the flat chest I had. Unpleasant girls at my school suggested I should do a bit of smooching, you know, have boys massage my breasts, for me in order to make them larger. Well, I may be reasonably attractive now, in fact, I am not in the least bit

dissatisfied with my looks, but, at school, I was a good deal plainer than I appear to be now. The result was that, in those days while my plumper and better developed chums seemed to have boys paying attention to them at the youth disco and various clubs in our small town and the girls were by no means all raving beauties, I with my slim figure, flat chest and a face that was not really attractive, lost-out with the boys and did not, therefore get an opportunity to try out this personal breast-massage lark.

I: Quite so! Children at schools can be beastly and very cruel to one another, so I understand.

N: I believe they still are today, even more so, what with the occasional girl suicides one reads of in the newspapers. By the time I was sixteen and had left school and had reached the age of consent, I was determined to retain my slim figure that I knew only too well was an object of jealousy among my schoolmates but also at the same time to develop my breasts as far as was possible. I did not start to eat a lot of fatty foods, for I knew that would make me fat, and fat I just did not wish to be. I readily admit that the erotic development of my breasts, the thought of it, that is to say, attracted me more than mechanical or medical or physical means of breast development. Always foremost in my mind was the suggestion by those schoolgirls that personal massage by a

youth's hands or from those of a young man would help me to develop my breasts. I therefore made a point of studying professional make up techniques, went to hairdressers to indulge myself in modern hairstyles and also to boutiques to kit myself out in the trendiest gear I could afford. I had landed a good secretarial post by the time I was just bordering seventeen. Plus that my well-off parents both contributed to my monthly income and encouraged me in my ambitions to make the most of myself. By seventeen, of course, my breasts had grown a bit more. They were larger, but even then, I was not happy about them. However, continuing to go to the youth disco, and then to more adult discos in the town, I very soon found that my old enemies among my schoolmates were beginning to take notice of me, for I had started to look really attractive in a sophisticated sort of way, whereas many of them were either beginning to loose their looks somewhat as they grew older or they were growing too fat round the hips and the bottom and the tops of their thighs. I was still slim. Very soon, I was being asked to disco dance by more fellows than they were. I was very careful to wait for a goodish while before I allowed myself to be invited into the car of one of the best lookign fellows in the disco. to the envy of the other girls, you may be sure!

I: Yes, I'm sure of that!

N: I had broken in my cunt by that time with a vibrator and, naturally, I was on the Pill, so I was prepared to be fucked if asked. And actually I wanted it from this fellow very much by the time I was in his comfortable, roomy saloon car and being driven down leafy, moonlit lanes way out of town. I was wearing a boy's white linen shirt and no bra, a short, black silk skirt, black silk stockings with suspenders and smale yellow drawers. Once we had drawn up close to some trees a long

way out into the country, this lad, Roger, wearing tight blue jeans and a pale blue denim shirt open all down the front, started to put his hand inside my shirt and to touch my nipples. They came up stiff at once and orgasmed me off in a most unexpected manner. Then his hands cupped my breasts and started circular massage movements that were out-of-this-world to me then. This is it, I thought! By dawn, I will have super large breasts! I orgasmed from his handling of my breasts some more and finally it was my black skirt up at my waist, my yellow drawers right off and, on the floor of his car, his jeans off and the two of us on the back seat of his car fucking like mad. The outcome of that night or early morning was a regular bi-weekly date with him in his car, and trips out to that same spot for three months on end. And each time we danced at the disco I knew my breasts were getting larger and rounder, because it was true what the school girls had said, that hand-massage from a male did the trick. As well as that, however, this Roger told me that to spunk out from his prick all over my tits and then to rub it all in with his hands until it disappeared was also a perfect way of making my breasts grow larger. Naturally, some nights I asked him in wank-off over my bare tits in the backseat of his car rather than to fuck me and then to rub his come all over my nipples and breasts. Is it a fact that male spunk does indeed help girls' breasts to develop?

I: Well, no. I do not think medical science supports the theory that the actual sperm content of semen has any effect whatsoever on a girl's breasts when it comes to helping them to develop. But I will say that the massage of breasts with hands well-lubricated by semen, makes for easier, smoother massage and, at the same time, the psychological pleasure of having semen rubbed into the breasts accompanied by the fantasy that the

semen is inducing further breast development, is beneficial to the mind which in turn imparts a delightful feeling of euphoria to a girl and puts her mind in a positive acceptivity state.

N: Then semen has no magical development properties?

I: I must be truthful and say no. But the hand stimulation does, without any doubt, help to tone-up the tissues and the mammary glands, with the result that growth and development follows, more especially with a girl like you who wished very much to have large breasts. It is a classic question of positive suggestion having a positive reaction on the susceptible and very pliable mind.

N: The fact remained, nevertheless, that, after three months of being with Roger, my breasts had gone up from 32" to 38". By that time, of course, the minds of my onetime school mates, friendly and unfriendly, had begun to boggle somewhat! Then, sadly, Roger and I fell out, for he wanted me to go to live with him in his flat in town and actually, I was a bit old-fashioned or I did not love him enough, well I said no and, after a while, we drifted apart. All very sad. But sadder than that, to me, at any rate, was the fact that I observed, after measurements, that my tits had sprung a leak! They had gone down from 38 to 35". In that space of a couple of months after having finished with Roger! I had not cared to get another lover in that time for I was certainly cut-up at the parting. I had stopped going to the disco, stopped massaging my tits myself at night in my bedroom and I suppose I had begun to loose interest in them. But a few rather spiteful remarks from girls at my office to the fact they thought my breasts were sagging, goaded me into some sort of new action that embraced non involvement with boys. I started to buy and to use various breast developing creams and

ointments. I purchased an extra large vibrator and started to smooth it all over my breasts and nipples at nine. I bought uplift bras. There was a quite good and noticeable increase in my breast size and I was pleased to see they had gone up once again to the 38". I had so cherished when I had been going around with Roger. Then I got a new boyfriend at the disco called Harry. Harry was a self-admitted and confessed 'breast-man', as he put it. I was delighted to hear it and told him I was a 'breast-girl'. Naturally, I allowed him to go into double quick action at his flat in

town where I spent many an exciting night with him, being fucked in every position, especially from the rear which allowed him to fuck me and hold and massage my tits round the front as well, at the same time. I still thought the spunk spreading treatment on my tits was ok so I encouraged him to wank each time before or after a fuck and to knead his stuff well into my tits and nipples as I lay on his bed, starkers. He was great at doing it for, not only did it satisfy his breast complex, it also gave him ample opportunity to show off his eight inch prick of which

he was quite obviously very proud! I liked it, too! Then one evening, he produced one of those glass and rubber prick developers, the long glass tube in which he put his stiff prick, pumped away at the red rubber bulb at the end of a rubber tube leading from the glass tube and showed me his prick being sucked up in the vacuum in the tube to quite a good extra inch. It was a sexy sight and his nob would swell up visibly in the tube, getting angry and purple. The extra inch added to his prick length was altogether very, very impressive. But, on taking his cock out of the tube, it went back at once to its eight inches. I mean, it did not, in any way cause his prick to grow longer and to stay longer. Well, I hit on the idea of asking him to plonk the glass tube down on each of my nipples in turn and to pump at the rubber attachment. When he did so, the vacuum in the glass tube sucked up my nipples in turn, making them really large and hard-looking red and round and drew up a portion of my actual breast up into a small pink mound! The sensation was fantastic. It made my come with each breasts and then some. When he pulled the tube away with a plonk from the breast and nipple he was treating, the nipple, like the nob of his prick and his prick as well, went down and assumed its original size which, by then, and at that time, having been with Harry for three months was 40", the best yet! DO you think those prick developers can and do assist breast development?

I: I would say that continual use of the device would, after a lengthy period, add perhaps just a little extra to the nipple expansion at least. I do not think it would add to actual breast development itself. There is a device like a glass-inverted sort of cup that covers an entire breast and nipples and you create a vacuum with a tube in the same way and you can see the entire breasts and nipples

swelling up inside the glass cup. I believe you can also fill them with warm water, or possibly that is yet another so-called breast developer. But the sum-total is that the nipples and the breasts go back to original sizes once the vacuum effect has been broken by removing the cups and letting the air in.

N: Harry used his prick developer on my tits a great deal, but, as I say, I suspected it was because it gave him opportunities to make his prick swell up inside the tube for my edification! I used to instruct him to fuck me the back way as well and to massage my tits as he fucked, in order to give them what I felt sure was the right treatment, so he was most helpful. After we had finished, I met up with lots of other fellows and I was determined to go on keeping my tits at 40" or getting them even larger.

I: Which I see they are at the moment!

N: Yes! Too true! I reckon there are more breast men around these days than there are elegs or bottoms-men! The thing about tits is that a girl can show them. At least, she can show the cleavage and I reckon its the cleavage that counts! I mean, I think the cleavage is symbolic of the labial slit, don't you? When a guy looks at my cleavage, he is fantasising he is looking at my slit. You with me?

I: I'm with you.

N: I've argued this out with lots of fellows. Specially those whose tit-complex runs to fucking between my tits. I've had lots of those since Roger and Harry. Neither of them did it but I suspect it was because the idea of asking me embarrassed them. No, but lots of fellows I've had one-night-stands with and casual affairs have been dead keen on fucking between my tits. I suppose its all something to do with what the Americans call a Momma complex, all to do with memories and impressions of breast-feeding in infancy. A sort of 'return-to-the-tit' fantasy!

I: And what are your reactions to that particular sexual practice?

N: I'll be candid. I like it! Only happened to me the last three years, mind you. But its got a sort of magic all of its own. It brings out the maternal instinct in me for one thing, like it does when a fellow sucks my tits off. That I like very much and I reckon if the day ever comes when I am a mother and have a kid I will just love to have it suckin' away at me. I expect it will make me orgasm, or is that being a bit deviated?

I: No. Many mothers admit to orgasming during breast feeding. Its a sort of non-erotic orgasming. Its all mixed up with the husband or the man who made a woman pregnant, don't forget, so, in that way, its not a deviation.

N: Oh, good, that's a relief to know, in case it ever does happen to me! In the breast fucking exercise which fellows like to perform with me, I like best the times when the fellow fucks me lying over my tits with his prick stuck in my cleavage and facing downwards to my cunt. That way, his thighs are spread over my shoulders and I can watch, with my head on a pillow, the movement of his bottom and see his slit and see his balls flopping up against my tits as he slides his prick in my cleavage. Its good to see the dimple appear in his balls just as he is about to come and while he is coming. Its great to feel his hot wet spunk shooting out down my naked belly towards my pubic hairs. Other men breast fuck me the other way up. I wonder why men have this urge to fuck tits? I know a girl who knows a man who likes to fuck her armpits. I suppose its all a sort of wanking session for the men. Its exhibitionist too, of course. I know a man who says he's into showing-off his prick so much that if he is required to fuck a girl, he just goes down as soon as his cock gets up her. He explains that that is because his prick is hidden and he knows the girl is not

looking at it. But get her to toss him off while she watches the action and he's horny all the time, right through to ejaculating in her hand. He likes it even more when the girl and he are watching her doing it to him in a large mirror. Is that deviated?

I: No, just exhibitionistic on the part of the man, voyeuristic on the part of the girl if she enjoys watching.

N: Good, I often get the willies about being deviated or giving away to male deviations. I have even wondered at times whether my breast pride, as no doubt you call it, is deviated. But I think, well, I men can have penis pride over their pricks, why not me have tit pride over my tits? I must say us girls and women are far better off at giving expression to tit pride than poor men are to giving vent to prick pride! I mean girls can show off tits under see through tops, in peephole bras and in platform bras, in no bras at all. They can show-off deep cleavage

like I do and make a man's prick horn up. But poor bloody men can never go around showing off pricks, limp or stiff can they? Or wear see through jeans and see through briefs, even though lots of men I know do wear see-through slips under their trousers but notings on view until the trousers are down!

I: Yes, men are certainly unfortunate in that way. In Ancient Greece, men could walk around in diaphanous gowns or short togas or skirts with no underwear on and their genitals could be on full view to girls and women all of the time if they so chose.

N: No wonder the Greeks were said to have a word for it!

I: Now that you have achieved a 48" bosom, have you any further ambitions in that direction?

N: No, I think my personal inflation has gone high enough! Anyhow, I have to reckon on the day when I do actually start to lose my slimness and go to seed. I don't want my tits to be grotesque by that

time as well as to develop thick thighs and a thick waist and wide hips and a big bottom. I reckon I look just about ok now as I am.

I: You certainly do look good with your slim figure and your ample bust.

N: Its all the magic appeal of the flesh, isn't it?

I: What is?

N: This stuff about seeing big boobs, and big pricks and balls as well. I mean, it's all what the eye sees, isn't it? And the end-all and the be-all of it all is the orgasm, the man shooting out spunk and the girl coming in her cunt, all to express, in a voiceless language, the fantasies engendered by the sight of so much swollen and stiffened flesh? I mean, a man expresses his pleasure at seeing big tits by kissing and sucking and joggling them in his hands, by shooting off between them with his stiff prick. A girl expresses her pleasure by tossing a man off or sucking his prick or having it fuck her tits and her cunt as well, of course. If a man fails to get his orgasm and ejaculation and if a girl fails

to come off in her cunt or by her clit, then the desire to express appreciation of the flesh is frustrated isn't it? Then there's all the fetish-trimmings of the sexual organs and the tits. Like peephole bras, bras of all sorts. Like drawers and knickers and suspenders and stockings.

I: Yes those fetishes certainly do play a large part in the expression and the appreciation of sexual desires between the sexes. And fixations on the breasts, the thighs, the buttocks and the hips and of course the female genitals themselves are known as partial fetishism. But not the vagina or the labial lips actually, for they are the ultimate parts of the female body that cannot be said to be fetish parts since all the real action takes place on and in and with them. Partial fetish fixations of breasts, buttocks, thighs and so on are more or less substitutes for the female genitals and as such should not be used in lovemaking absolutely as complete substitutes for

actual intercourse. In the same way, a woman's partial fetishism for parts of a man's body such as his chest, armpits, thighs and buttocks should not be sexual objects to the complete exclusion of his penis and testicles. Preferring to masturbate a man rather than to have intercourse with him is a deviation from the norm, a man who cannot have intercourse with a girl but can masturbate in front of her, or be masturbated or fellated by her, is deviated if those methods of ejaculation completely overrule ejaculation in normal intercourse.

N: Like the fellow I told you about who goes limp if required to fuck a girl?

I: Exactly. He is a classic example.

N: I have never allowed my love of my tits to prevent my enjoying intercourse to the full and I have never allowed breast-fucking to override intercourse itself.

I: Good, then you have no problems.

N: I tell you one thing though that possibly you may think is a bit deviated.

I: And what is that?

N: I like going to these pubs where they have topless Go-Go dancers. I get so fascinated by the sight of those naked, bouncing tits on those girls as they dance the erotic disco routines on stage.

N: Do you perhaps fantasise that it is you yourself who is on stage showing off your naked breasts to men in the audience, and girls as well?

N: Is that possible.

I: Of course its possible. It could be wishful thinking on your part. You never would dance topless on-stage yourself, but you like to superimpose yourself on a topless dancer for a moment or so.

N: You don't reckon its showing lesbian tendencies?

I: Do you feel you want to make love to the topless girls?

N: No way!

I: Positive?

N: Positively positive!

I: Then that's ok. No lesbian or bi-sexual ten-

dencies.

N: And I am not kinky developing such large breasts?

I: Not kinky, kinky maybe if you liked wearing leather or rubber bras and briefs or liked having your breasts whipped or spanked. I take it you do not?

N: Oh no. No way, I'm not

into anything like that! Any more than I am into whipping or spanking men while they were leather or rubber briefs and boots.

I: Then I think we can safely say you are a straight, natural, normal, healthy-minded girl with above-average breast pride. But, going back to

your schooldays, its easy to see why you have this personal breast fixation because your school mates were so unkind to you when you were flat chested. Its a natural reaction. In fact, you, in common with all girls and women are fortunate that nature allows for breast-development by various means and women, are fortunate that nature allows for breast development by various means for a girl, so that a flat chested girl can triumph in the end, a youth, for instance, who has a below average penis cannot, by any means really enlarge it. His penis length is determined at birth and none of the so-called extension creams and penis developers can add one inch to what nature has provided for him. No amount of masturbation will lengthen or thicken his penis. No exercises or a massage creams or potency pills or powders or so-called herbal aphrodisiacs will make his penis one fraction of an inch longer than nature decided for him in his mother's womb.

N: You do not think artificial bust developers and creams work?

I: What works is the actual hand massaging and practical breast exercises that a girl can work out for herself. In addition, breast massage from a male lover can also invigorate mammary glands and breasts tissues and aid development. Having a baby, of course, invariably automatically does the trick!

N: Well, thank you! You have put my mind at rest and I hope, when this interview is published, it helps a lot of girls and women of my age who are worried about either having extra large tits or want to know the true ways of developing them.

I: Yes, that is the main object of interviews such as this. To help our thousands of readers to identify with an interviewee and to see their own individual problems analysed and diagnosed for them. Many thanks Natalie!

Saturday Night and Feverish

The Saturday night Disco was brimful as usual. Strobe and impulse lighting flickered and flashed across the shiny, dance floor, vying with the equally flashing coloured spots quivering on-and-off under the frosted glass beneath the dancers feet. On a high stage at the end of the floor perched the D'Jay, a long haired, straggly-bearded, uncouth voiced individual dressed in tight blue jeans, sandals and a shabby, creased blue shirt. His disco sounds flared and blared from two large speakers each side of his double-deck and from other, smaller speakers at vantage points round the low walls of the hall. Looking down on the scene, it was a mass of bobbing heads in perfect, mechanical, cacophonous rhythm, swirling dresses and skirts, the occasional miniskirt pleating up and round long naked legs and thighs. Fellows dressed in open necked shirts, sweaters, T-shirts, jeans or flared trousers spun and swung to and from their girl partners.

In the middle of it all, highly conspicuous in a tight fitting dress was Kitty. Long blond hair flew out round her head like a moving cascade of molten gold, flurrying across her pale, pretty face with its wide black ringed eyes and then away, to reveal her high forehead and arched eyebrows. Her long slender legs were bare from her black leather boots, from her knees upwards, up her thighs to her bright red knickers, seen in often-repeated and sensual flashes as she swung energetically round and round to and fro in the hypnotic frenzy of the disco dance. Highly conspicuous too, were her breasts, tightly enclosed within the confines of the bodice of her white dress but revealed by a deep cleavage that formed a dark, sensual V-shadow where her two large breasts met. Her slim waist was belted broadly with a gold-sequined belt.

Kitty was at the disco every Saturday night without fail. And every Saturday night without fail she left the disco with a fellow. Not the same fellow. A different fellow every time. Boys of eighteen and upwards to young men of twenty five had long since despaired of making Kitty their own property for more than one single night and Sunday morning. It was a totally impossible, titty Kitty, as she was called, was a

hopeless nympho who simply had to find and take home a brand new sex partner. Not only that during the week in the evenings she would go back to boys flats, boys whom she would not have dated at the disco, boys from the large factory where she worked, boys from local pubs she visited.

Kitty, at nineteen, with golden hair, long and straight, classic Nordic features, a tall slim body, large breasts and an impeccable taste in clothes and underwear was the talk of the small industrial town in the Midlands in which she lived and worked.

She kept a large red diary on the table in the lounge of her flat. In this diary, she recounted her Saturday-night-Sunday-morning adventures with the fellows she took home from the disco. She never bothered to make entries about her adventures with other males during the week. The diary was kept exclusively and filled in, in her beautiful handwriting, with accounts of her weekend sexual adventures. She had breasts of 40" at age nineteen, and to go with them, an unsatiable sexual desire that prompted her to seek and to get as many orgasms as possible in as many bizarre and natural ways as possible. Not only were her breasts beautifully large, quivery, topped with scarlet nipples and surrounded by light brown circles, they were also extremely sensitive. With her own fingers she could masturbate herself up to ecstatic orgasms. When a fellow massaged them for her or sucked them for her as she lay naked on the bed in her flat, she shuddered up

into the most violent climaxes. Her breasts and her nipples were as sexually sensitive as were her cunt and her clitoris.

Privileged to read through her sex diary, we are able to publish six accounts of six Saturday-night-and-Sunday mornings with a different fellow from the disco, the entries made in her own hand writing.

SATURDAY 8th. Took Charlie for a drink at the disco bar and after dancing with him for most of the evening, got him back here at midnight. He is tall, gangling, big-boned, handsome, tanned and looks great naked. He is an advertising space salesman for a national newspaper and was passing through this town on his way back to London. As a fuck he was super. As six fucks he was even more super! He wore tight blue jeans and a white silky shirt. When he stripped off here in the bedroom he sported, above all things, a white G-string! Kinky wasn't the word for it! He made a most marvellous breast-fucker to start with, putting his seven-inch thick prick right between the cleavage of my breasts while I pressed them together as I always do, with my hands. He lay on me so that he was facing downwards towards my tummy and I watched all the action as his bum, went up and down as he propelled his prick in-between my breasts and I had my head raised on my pillow to watch his bollocks sliding back and forth between the space in his bottom as he fucked my tits. At the same time, he was sucking away at my cunt and holding my raised-up bum with his hands. I was coming violently all the

time he was breast-fucking me like mad and, when at last I felt his huge prick pulsing between my breasts and felt the hot surge of his spurting spunk all down my bare tummy, I gave up and pulsed out my own orgasm for all the time he went on shooting out all over me!

SATURDAY 15th. Took back a fellow called Christopher tonight. His hair is gold and his face a bit pale, large luminous eyes in a rather effeminate face. When he took his clothes off in my bedroom, after coffee and something to eat, I saw to my surprise but not displeasure he was wearing a small pair of wide legged girl's French knickers! They were pink against his pale skin and his thighs were free of all hair as was his chest. I said "Oh you are a transvestite?" and he nodded and said he hoped I would not mind, for he loved girls and knew how to treat them. Of course, I understood, for I have been with transvestites before and invariably they make exciting lovers. I dressed him up in one of my black suspenderbelts and a pair of my black silk stockings. This pleased him immensely and he looked quite feminine apart from the fact his French drawers were sticking out in front with his long horn! As he lay on my bed, I could see one bollock peeping down inside the wide inside leg of his knickers on one side and on the other and, in-between, sticking right up, was his prick, the knickers wet where his nob was already seeping out pre-come. After I had petted and pampered him for a while, and rubbed and sucked his nipples which were really quite large for a fellow and had seen the shadow-shape of his breasts under his nipple and had tickled up the insides of his thighs close to his balls, he sat up and pulled off his drawers. I knew then the transvestite side of his nature had been satisfied and that he was ready to be sexy with me as a complete male. He was great on sucking tits, I reckon it was because he wished he had a pair for himself! He sucked one while rubbing the other and then changed over. I was in a frenzy of delicious orgasms all the while. Don't ever tell me transvestite boys and men don't know how to make love to girls and don't want to! This was my third experience of being made love to by a transvestite boy. Still wearing my black stockings and suspender belt, he moved down to my open cunt and started to suck me. He knew all the tricks, from drawing out my stiff clitty to poking his tongue up my hole as far as it could go. And then running it up my perineum to my arsehole and down back again to my cunt, making me spurt out come all the time without cease. I offered to wank his great prick off after that but he said no, I want to fuck you

first. Anyhow, there was all the night before us plus all the Sunday, so I enjoyed a smasing rear entry fuck with him while the two of us watched his fuck movements reflected in my large dressing table mirror tilted so as to show the two of us with me bending over the bed and him straddling me, behind and at the same time walloping my heavy tits. Super! He came his boyish stuff into me, he was only seventeen. But being so young, naturally he was very virile and potent and came a tremendous lot up into me. After that first fuck, his transvestite desires seemed to return, for he asked could he try on the short skirt I had on at the disco that evening. I let him, with pleasure. He also put on a bra of mine and a red shirt and a pair of red shoes and actually he looked very nice. All my gear fitted him perfectly. I made up his face and put one of my dark wigs on him. I took several instant camera shots of him and we looked at them and he really looked quite perfect. I allowed him to take away three of them but asked to keep one just as a memento of him. After that he wanted me to give him that wank off I

had promised him. I did it up his skirt while he laid on the bed. It was quite fascinating to see the vivid contrast between the male cock and balls and the stockings and the suspenders. That is the true male transvestite's fantasy, did you know? The Sunday morning, he was perfectly masculine all the time. We fucked a lot, sucked and wanked each other off until it was time for him to go.

SATURDAY 22nd. Brought two young boys of eighteen and nineteen back with me tonight! First time ever I had done such a thing! Bit dangerous, perhaps. I mean two blokes. But I had been feeling so randy at the disco all evening and these two, mates they were, one tall and dark, the other short and fair, had been so nice to me, I felt I wanted to have them both back with me. As it so happens, it was all perfectly safe. Fantastic in fact! Both the boys stripped to briefs and very nice bodies, the dark one quite hairy, the fair one smoothish and downy. Both had average sized pricks, not very long, say about six inches each cock, average like I said, the dark boy's a shade thicker perhaps than the fair boy's. I tried the slightly difficult job

of wanking the two of them off both at the same time! Have you ever tried to do that? Its a question of not forgetting what your left hand is doing while you are doing the same thing with your right hand! Its a question of either rubbing both pricks up and down with the exact same movement on each prick, or rubbing the right one up while you rub the left one down in alternative movements, if you get the scene? Anyhow, I managed ok with a lot of fun and laughter from the boys. I brought the right-hand boy off to spunk-time first and the other boy followed soon after. You really need to be ambidexterous to do the job successfully. Next, the dark boy sucked off my tits while his friend poked me up my hole. I had the most fantastically excruciatingly fabulous comes all over the place, my tits quivering, my nipples sticking red and upright into the boy's mouth and my hole just squirting out love, juice all over the other lad's fingers and hand! After the boys had fully recovered from the wanks I had given both of them and I had rubbed their pricks up to horns again, the fair fellow gave me a frontal fuck with me bent back over the edge of my bed while his friend looked on and rubbed my tits while I was being fucked. It was super-duper! Never had that done to me before. There's a lot to be said for troilism.

SATURDAY 29th. There was a sweet looking girl of about seventeen on the disco floor tonight, and what do you think? I have actually brought her home with me!

NEXT DAY ENTRY. Last night was really way-out! Like I wrote last night, I brought this girl Sylvia back here. She is tall and slim and very pretty. At the disco we had got talking about lesbians. She said she was not a lesbian. Her boyfriend was away that weekend, I told her I was no lesbian either as I just nymphoed my way round fellas' like a queen bee around her workers! But, we did sit together away from the dance floor and talked about what we wondered les girls got up to together. Like the butch, what did she do to her bitch affair and all that jazz? The result was I asked Sylvia back with me for the night instead of a fellow. I showed her the photo of that young transvestite boy and she was fascinated, specially at the sight of his prick all stiff up that short skirt plus the stockings and suspenders! She asked my point-blank would I like to suck her off, just to let her feel what it was like being sucked off by a bird, well Ok then, I replied, I suppose it would be a bit of an experience for me to know what a boy feels when he sucks off a bird's cunt. So she pulled up her short, jade green skirt and took down her

drawers, and I looked direct between her open thighs for the very first time at a girl's wet cunt other than my own that I had often looked at in a mirror in any case. She had a very nice long, wide slit, all wet and I saw her actual hole opening as she lay back on my bed and wondered if she was a real femme lesbian after all, since she seemed so full of desire to be poked by me. I knelt on the bed and put three fingers up into her. At once as I started to massage her wet hole, she started to gasp and heave and whimper and shot white juice out of her hole as I swiftly wanked her there. Then I went for her clitty, red and stiff and really more conspicuous than my own clit. She went bananas as I rubbed it for her and started to wriggle and moan and squirm as she came time after time. Well, later, I, too, was on my back, naked, with my thighs wide open and I was allowing her to see what a girl's wet twat looked like, felt like, tasted like, for she insisted on sucking me off before she poked three fingers up me as well. Naturally, I came a great deal in spite of the fact I knew it was a girl who was doing it to me. Later, she sucked me tits as well and once again I came all over the place as usual. After a sleep, we tried the lesbian tribadistic way of fucking, her on top of me between my open thighs, her wet cunt and stiff clit rubbing up and down over my hole and stiff clit. Of course, I came again like mad! I didn't fantasy I was being fucked by a boy. No I just told myself I was being fucked by a girl and that was that. In any case, I could feel her hot tits, small ones, pressing down on mine and her stiff nipples rubbing against mine. It was a smashing experience actually! She made a great fuss of my large tits and sucked them again after she had fucked me.

SATURDAY 6th. They do say lots of girls like older men. Men, say, in their forties, because they are more experienced, more gentle and understanding with girls and, in any case, cannot come so quickly inside a girl's hole, thereby giving her a far more exciting time and making it last longer which means more orgasms to each fuck! Ok, so this time, I brought back with me to this pad, a man of forty five. Tall, well built, ruddy, tanned face, a good-looking face, plenty of hair greying at the temples, so sexy! He hadn't been dancing at the disco. Just looking on. Said it looked silly for a man of his age to try to dance disco routines. Well, I suppose he'd got something there! Anyway, back here with me after drinks, he took his clothes off in the living room. He looked very good and neat and trim

and in perfect condition, tanned from a recent holiday in Spain, he said. A deep chest, slimmish waist, no paunch and strong muscular thighs with just enough hair on his body to make him look good since he was darkish. He had a super prick which came up eight inches as soon as I took it in my hand and I got his dark, pink nob out and fondled his bollocks up in their fleshy bag to a nice, solid roundness, all firm, hairy and hot! He asked me to wank him off first so I did, massaging a great deal of white spunk out of his prick hole all over my hand and wrist as he lay back on my settee. He squirted like a young man and I was quite surprised and told him so. He said he kept himself fit and ate the right things and led an outdoor life as a surveyor. His prick went down after that and he spent a great deal of time massaging and sucking my huge tits and my stiff red nipples. He sure seemed to understand the tit-syndrome as it goes with girls like me, for he rubbed and sucked me up and off into several fantastic comes. We went to bed after that and, by that time, with playing about with my tits, he was well up in front again, easily able to get up on top of me in the bed and to fuck away at me for half an hour before I felt him coming his stuff, pulsing it away from his prick up into my ever-ready and always eager hole! He was great on sucking as well, for that morning, after a cup of tea, he brought a fab assault on my open cunt and stiff clit with his eager lips and boy did that turn me on and then some! He really was a super sucker in the best meaning of the words! I was sorry to let him go but he was just passing through he told me, on a surveying job at the Town Hall and come Monday, the next day, he would be away to Southampton. He stayed till late Sunday evening anyway, after having fucked me twice rearwise, sucked me off again, put four fingers up me and asked me to wank him off twice again! Such virility! No wonder they say life begins at forty! Probably he was a late starter and had only just about woken up to his sex potential. He was unmarried which surprised me a lot. Not gay either, so there you are!

SATURDAY 13th. Not Friday 13th, glad to say! Tonight at the disco, I wore a brand new starched cotton skirt with wide flared pleats and just to above my knees, plus bare thighs and yellow knee boots and a dead black silk open neck shirt and no bra! Boy, did the fellows ogle and boggle my tits bounding up and down inside my shirt, the nipples practically lolloping out at every energetic step! And did the fellows

ogle and boggle up my skirt as I twisted and turn to expose my bare thighs, almost bare bum and a pair of white frilly linen drawers? I just knew, but knew that that disco dance floor with the bright coloured lights shining up my skirt and my thighs and my drawers was filled with boys and young men with stiff pricks on as they watched me dance with a fellow in jeans and a light blue shirt. In fact, the floor almost cleared so that the horny boys could stand round and watch me and the girls looked on all jealous and making catty remarks about how I was showing off all I had got! At the end, all the couples had left the floor. There was one big round of applause as the disc finished and the boy and me left the floor. After that, it was drinks with the boy and I chose him to take back to my flat. He was tall and slim, all my lads are slim. I hate podgy fellows with paunches. He had dark, wavy hair to his shoulders and was clean shaven and pretty. He was just twenty. A nice age for a boy. At the bar, I saw his prick was on the horn after his dance with me and I put it to him straight, come home with me and let's show one another a good time yes? He nodded 'yes' and, after another dance, we left for my place in his old banger. Now, back here he stripped off and insisted on me standing on my settee so he could look up my skirt. Well, that sort of thing always turns me on, so I let him and when I had gotten down off the settee, his prick was up at least to eight inches and his bollocks were rosy red and with dark hairs. He made a fantastic fuck with that weapon of his! And spurted out so much come up me, it spurted out of me while his prick was still moving up and down in my hole! When I wanked him off a bit later, his come shot out again powerfully up my bare arm. In bed later, he made a great fuss of my bare tits, sucking them off like mad like a baby hungry for its mother's milk. He gave me and himself a great fuck as well with the bedside light on so that since he was facing me up I could watch his purple wet nob pushing out of the cleavage of my breasts as he fucked me between them. He quickly spurted out all over again, the come went on my neck and my chin. I suddenly wanted to suck this lad off. But I had to wait till morning. We were both dead tired after that breast fuck. We slept till eleven on this Sunday morning. The first thing I did after breakfast was to tell him to take off his briefs again and to lie over the bed while I knelt between his open thighs to suck his gam-worthy prick off. He was only too pleased to oblige. I sucked him slowly and very carefully for quite ten minutes to prolong his pleasure. I knew when he spunked, he would

probably come a great deal in my mouth and down my throat. When he warned me he was about to come I took a deep breath. His prick pulsed violently in my mouth and the next second I felt his white hot stuff just flooding into my mouth. I swallowed it as I knew just how to when I am really enjoying gamming a boy. His come flowed out to about twelve spurts until it finally stopped. Marvellous! He took his prick out of my mouth dripping with spunk! At tea time, when he said he had to go, he gave me a frontal fuck before putting on his sexy briefs again, dressing and saying goodbye.

Titty Kitty of the disco saw and danced with the fellows she had had back at her flat just once and it was more or less generally known that she never asked a fellow back to her pad more than once and only entertained a boy once. Since lots of new boys and men went to that disco each Saturday evening, there was never a scarcity of sex partners for her. As far as records and reports go, Kitty still dances on the disco floor over the bright lights every Saturday night, wearing a different gear each time she goes there. Readers would probably like to know just where that magic disco is! Male readers, that is to say! Well, there are many discos scattered around London, in Town itself and outside Town. The best thing to do is to visit them all and make discreet enquiries about the girl known as Titty Kitty. She's bound to be located at some time or the other at the disco she visits each Saturday night! Or she can be recognised by her great tits, her short skirts, her long, straight blonde hair, her pretty face, arched eyebrows and bare thighs, over leather boots and by a show of devastatingly sexy knickers up her short skirts and dresses!

Lots of erotic stories and photo sequences in period costume. Victoriana, young Jany sees what daddy gives the maid and gets the same thing from the stable lad. Jamaica 1850 - The female plantation owner has dozens of black slaves and they have to work all day in the fields too! And there's lots more like it in Park Lane. All our photo sequences feature big cocks and girls who would like them bigger, see close-ups as it happened at single girl sex, duo, group and lesbianism. It's the best you can get.

Each month we choose one girl for our main feature and we say to her "you choose how we expose you in Lovebirds". Alice who is in one of the next few issues, chose 'three men with big cocks because I have not had that before'. The thought of all three taking her at once really turned her on, and the fellers, and me. The result is one of the horniest set of porno pictures ever to be published. Look out for Alice soon, plus lots of pussy shots, duo, group, orgy and lesbian sequences and sexy stories.

EQUALITY

Dear Editor,

Where is all this sex equality everyone is talking about, in one daily paper I read of a woman demanding 500 pounds from a solicitor she had wangled into bed with her, she ended up in prison instead, and yet in the same paper I read of a 13 year old girl earning over a 1,000 pounds a week for dressing up as a schoolgirl, (which she was) and having it off with blokes who like that kind of thing.

This brings me back to my beef, I am young, passably goodlooking, a good physique and have a meat chopper which so far I have had no complaints about, now where does this equality come in, the girls can advertise for a bloke but who ever heard of a bloke advertising his offering, what paper or mag would print the following.

"Young stud, 21, clean and smart-looking, plays tennis, golf, goes to the races regularly, has fast car, no home ties, sex mad, likes girls of every age from 16 to 80, can give a good time to all, a good stayer, 3 to 4 times nightly, has soft, 5 inches, hard anything past 8 inches, small fee charged for travelling expenses, anything considered."

Now if we were really equal I would have no trouble at all in getting this advert into print, as it is I have no chance. There should be a law passed giving us the same privileges as the girls, for we all are after the same thing, the older men like a young bit of cunt whilst the older women like a young bit of cock, but who comes off best, why the girls of course, so would you ask yourselves who has the greatest needs, the old blokes or the old dears, It is not that I fancy an older woman to a younger one, I don't, but a bloke has to live hasn't he, and if it means

putting my meat into a dried out cunt instead of a nice juicy one, and living well, what do you think.

I first found this out with a mother of a friend, she had been a widow of some years and she confessed to me that she thought that she had gone past it, the sight of me in the shower at their house had changed her opinion very quickly, in fact she offered to wash my back by this she meant of course my balls and what went with them and by the time she had seen what her fingers had done to me it was all over but the shouting, or should I say the moaning, I went for the day and ended up staying the week and left at the end of that week 25 pounds in pocket.

Of course that started me off in the manner I have just described, I have had one job apart from that and I found that only spending the night with an old dear I could triple my salary, so why should I work?

I shall be glad when women take over the film industry, I would do well on the casting couch, in fact I am almost sure that I would be a star within a month.

So let us have sexual equality which works both ways, the girls have an asset between their thighs, and so have I. The only snag is that I cannot advertise mine.

A male would be prostitute. Essex

Dear Editor,

I thought some of your readers might be interested in what happened to me when I recently visited Soho. I am a Northerner,

from Sheffield, and although I am 25 years old I've never visited Soho before. However, I had a good time on the whole and I am definately coming again. When I first arrived in Soho I was 'conned' left, right and centre (eg I bought some shrunk wrapped magazines for £5 each that were no stronger than your excellent publication, visited so called cinema clubs only to find that they showed 'soft' films...) However, after much searching I found a place (The Cin Cinema, 32 Old Compton St. Soho) that I strongly suggest your readers visit. This place showed genuine hard-core porn AND at reasonable prices. They have individual porno booths for just 50p, whilst a full two hour show costs just £3, additionally I bought some hard-core films in the shop which is part of the cinema club. I hope my experience may help some of your other readers when they visit London.

Ron W. (Sheffield).

Dear Ron,

Many thanks for your comments, we have received nothing but good reports about the Cin Cinema of 32 Old Compton St. So we decided to publish your letter. I'M A CAB DRIVER

Dear Editor,

I have been driving a minicab now for about three years, and in that time I have fucked a good number of young ladies, some of them tasty pieces out for a bit of spare, others plain dogs which I didn't mind doing because of the darkness which prevented me seeing just how bad they were! When I first started doing night shift though, I had to pick up a fare from Turnham Green. It proved to be a couple in their mid-twenties, who had obviously been drinking most of the evening, and they were arguing between themselves in the back seat, quite oblivious to my presence. I had already noticed that the bird was a tasty silver blonde like Marilyn Monroe, and I must admit I fan-

cied giving her one, if only to shut her up!

Now what they were arguing about was whether or not this young lady had nicer tits than someone called Carol. The young man was insisting that she did, but the girl evidently felt that she had been insulted at some stage in the evening, and all of a sudden she told me to stop the car and look at her knockers! Her young fellow readily agreed to my acting as a second independent opinion, and in a twinkling the bird had unstrapped the front of her off white evening dress and pulled out the sexiest pair of milk jugs I have ever seen in all my born days. They were a fantastic shape too, like a couple of huge pale pears, and the nipples were big and flat and pink at the lowest curve of them. She sat there with one hand under each of these horny globes, cupping their bulk in her palms and tweaking the nipples with her thumbs so that they stood up hard and angry looking as I feasted my eyes...

I would have been scarcely human if I had not at this stage leaned back over my seat and grabbed a handful of tit to feel how silky soft and warm it was, the bloke seemed not to mind my doing this, and when I told the girl in all seriousness that I thought they were the best tits I had ever seen and that I would like to suck them, he seemed very relieved indeed. The girl pushed herself right forward in the parked minicab and thrust the bulk of one bristol into my face so that I could breathe in the warm scent of her flesh before sucking the rubbery little nipple in between my lips. As soon as I started doing this she started moaning softly, and soon I had her in a state of extreme arousal.

Now it was obvious that there was only one way this scene could possibly go, and her companion soon had it sorted out. Kneeling up on the back seat he whipped out a long snake like dangle which he quickly rubbed up hard, and pulled up the evening dress at the back. I heard the sound of undergarments ripping as he tore at the blonde's rear quarters, and I myself knelt up in the front seat and pulled out my cock, which by this time was

threatening to go off over the back of my seat. Within a few seconds both the man and I had got plugged into different ends of this tasty fuck box, who seemed only too delighted to be able to get her boyfriend's cock in the cunt from behind and at the same time suck on my throbbing hard on. Soon the pair of us were fucking away in top gear, and the whole motor was rocking with each co-ordinated thrust, while the girl moaned piteously with her lips around the shaft of my tool.

Then the man was coming his load, jerking all over as he filled her sheath with spunk, and the rapid breathing which she reacted with made me shoot my balls down her throat, so that she had to swallow very hard indeed. Afterwards they paid the full fare plus a tip, and the blonde kissed me on the cheek!

Dear Editor,

It's a real treat to meet young girls on

holiday, and last summer was no exception. In fact I should think I did about a dozen different pussies in the fortnight I spent on the Isle of Wight, and the great thing was that none of them cared that they were sharing me with the others. To start with I restricted myself to those with proper sized tits, because I always have to have a nice pair to squeeze when I am in the saddle, but one girl in particular cured me of this narrow-mindedness.

Her name was Vicky.

LADY CAN'T SAY NO

VIBRATING PENIS

A viciously effective 'whip-hand' stimulator (available in black or white), as favoured by the ladies of the Brazilian aristocracy. Its unique snake-like action mercilessly activates the nerve endings of the vaginal orifice, nerves which are by-passed by the conventional vibrator (which is active only at the tip).

This unique action also stimulates the lubrication duct, and women who thought they knew themselves well report a massive increase in fluid emission, after just a few moments alone with the Vibrating Penis. It is contoured according to the penis of a donkey (which has more pleasure-giving bumps and ridges than the human penis), but is sensibly proportioned at 7 1/2 inches long. Until very recently, the Vibrating Penis was a black market item selling at £10 or more, but we are able to offer this brand new concept in female stimulation at the more reasonable price of £3.99 post free.

SEX BOOST CREAM

To be rubbed on the male penis before intercourse and on the female vagina. This cream lubricates AND intensifies the sexual pleasures of intercourse. **GUARANTEED TO TURN ON ANY WOMAN**, a real passion raiser! Would turn a nun into a nymphomaniac! £3 a jar.

FILM
REVIEW

Confessions from

THE FUNNIEST SEX FILM EVER

A unique combination of kinky sex and the powers of darkness, and the efforts of one highly depraved man to manipulate people's fears and fantasies to his financial advantage! This remarkably explicit X-rated sextravaganza opens in Central London in April at selected cinemas. Film Correspondent WILLIE GALLAGHER has just seen the rushes of this controversy surrounded production. Here is his report:

The Funniest sex film I've Ever Seen, it's very strong, and very sexy but very funny. This is a sex film that'll appeal to men and women alike. A film not to be missed.

DAVID GALAXY is an unashamed cad, a scrounger and womaniser of the worst order. Raised in the Old Kent Road, the son of an impoverished council labourer, David vows at an early age not to go the way of his forbears, and upon leaving school promptly sets himself up as an astrologer - not the most lucrative of professions as such, but unquestionably one in which he is able to exploit his considerable natural charms - and natural physical endowments - to full advantage. Yes, our indomitable Mr Galaxy is definitely hung somewhat on the large side...

During the earlier part of his career, David is content merely to use his alleged command of astrological powers to spirit himself into the beds of his rich, gullible, and often glamorous clients. There is the exquisitely formed blonde, Michelle Gluckman (played by Debbie Delight), teenage wife of a South African diamond mine proprietor.

Before having her stars read, Michelle confides that she thinks she is pregnant, and the cunning Galaxy tells her of a radical new method he has perfected to ascertain the sex of her child. In no time, he has the good lady naked on his well-worn "Astro-couch", waving his considerable magic wand around her exposed genital area: "If you experience orgasm within three minutes, it will be a boy" claims the learned Galaxy. "If you take less than six minutes, it will be female." "But" he goes on "if you take longer than six minutes, then you are not pregnant - by your husband at least..."

Then there is the luscious Lola Santos, played by the delightful Diane Dream. Lola is a wealthy nymphomaniac who consults the perfidious Galaxy to see if she will ever get to experience her life-time goal - orgasm. After first establishing that she is able to meet his exorbitant fee, Galaxy proceeds to cast her astroscope, and there - "where Jupiter is in the Seventh House and Mars aligns with Uranus" - lies an orgasm! "But just exactly when

does Mars align with my anus?" asks the perplexed young beauty. Galaxy rummages through countless sheafs of charts and tables, then glances at his wristwatch. "In approximately three minutes!" he concludes, then lifts Lola's skirt, tears off her panties and proceeds to lick furiously at her clitoris. "This is all very well" sighs the insatiable Lola, "but I don't feel within light years of coming!" Realising that his reputation is at stake, Galaxy reaches in his drawer and pulls forth a dozen or so different vibrators, ticklers and dildoes, and soon, with every orifice crammed, luscious Lola experiences her first-ever climax!

As the film proceeds, so the satyr-like astrologer waylays more and more excruciatingly delectable young ladies, in a singularly uninhibited - and frequently explicit - fashion. Indeed, one could be forgiven for losing the

thread of the plot at times, such is the frequency with which we are bombarded with intimate sexual close-ups!

All is not plain sailing for our care-free young cocksman, however, for one of his ravishing clients turns out to be somewhat less naive than the others. She also happens to be the wife of a prominent Robbery Squad officer, and listens with considerable interest to Galaxy's egotistic rantings, particularly when he boasts of connections with several known felons. Nevertheless, she is genuinely impressed by his phenomenal penile dimensions, and all but wears our anti-hero out with her abnormally enthusiastic taste for kinky sex. But Galaxy is disturbed by her constant allusion to his penis as his "truncheon".

Galaxy's fears prove well founded, for soon he finds his entire operation under twenty-four hour surveillance. But the stars continue to shine sympathetically on David Galaxy, and hope dawns fresh when he receives a visit from Inspector Thize of the Fraud Squad - played by "our very own" Mary Millington. The police, claims Inspector Thize, have long suspected him of operating a fraudulent business. Does he have anything to say in his defence? Because otherwise, Inspector Mary threatens to return with a search warrant.

Mary Millington and Allan Lake.

THE FUNNIEST, SEX FILM OF ALL TIME

Galaxy racks his brains. In his desk are bank deposit account books in several different names, all containing thousands of illicitly-acquired pounds. "I have to confess," says the crafty Galaxy, there IS a reason I am frequented by so many women. "Oh yes?" replies Inspector Mary. "And what is that, pray?"

It's the opportunity Galaxy has been waiting for. He coolly unzips his fly and flops his mighty tool on the desk top. The Inspector's eyes pop in astonishment, and she starts to fidget, nervously. "You promise you won't let this get back to my colleagues in the Force?" she asks. "Promise" replies the smug Galaxy. Slowly, sensually, the young blonde policewoman steps out of her uniform, until she stands before

Galaxy, naked but for suspender belt and stockings. She then sprawls on the desk in front of him, parts her thighs and "spreads" (as only the delectable M.M. knows how!)

So, on the one hand, Inspector Thize is a high-ranking police officer. On the other hand, she is (very much) a woman, and she responds to Galaxy's flagrant flaunting of his twelve solid inches as only a woman can: thus Felon and Fuzz become united on Galaxy's astro-couch, and all thoughts of indicting our terrestrial trickster on fraud charges melt into the stratosphere, as Galaxy humps the exquisite Mary - looking, I should add, better than ever - into orgasm after orgasm. For a petite blonde, Mary sure can cope with a lot of inches...

But, if the police lose interest in the Galaxy case at this stage, the irate husbands of his "unfortunate" victims do not, and they conspire to expose him for the sham he is. A private detective is hired to force entry into Galaxy's apartment whilst he is engrossed in one of his renowned "astro-casts", and to photograph him in the act.

The private dick does a good job, and catches Galaxy right in the middle of one of his notorious sex determination tests. Galaxy, it seems, is finally done for. A series of "astonishingly frank" photographs appear in Sunday's No.1 scandal sheet, and at last his remarkable member is shown to the world, along with full details of his

shameful star-gazing techniques.

David Galaxy, however, is an enterprising lad, conditioned by his rugged East End upbringing to adapt to change. The response to his exposure in the Sunday News is **anything** but catastrophic, he becomes inundated with hundreds of letters from unhappy housewives seeking to cure their sex problems. And overnight, Galaxy founds the "David Galaxy Sexual Problems Centre." Women flock to him from all over the country, willingly paying his extortionate fees, returning to Suburbia "tired but happy."

Yes, the stars shine happily on David Galaxy, and his four co-stars: Diane Dream, Rosemary England, Mary Millington and Debbie Delight, are revealed to perfection by the prying camera. One constantly loses track of the plot as these wiggling, curvaceous bottoms settle nimbly on Galaxy's astonishing spear. No matter if you're into astrology, comedy, intrigue, or just plain S.E.X. **The David Galaxy Affair** is definitely something out of the ordinary. Consult your stars and they will tell you: **GO AND SEE IT!**

The David Galaxy Affair is a very funny film, but it features some lovely and intimate moments, including some exceptional beautiful lesbian sequences. The Stills featured here are from the overseas, uncut version of the film.

SHORT CUT TO SEXUAL PLEASURE!

Two different sex aids for every female, at a very special price.

SEXY LOVE EGGS

The Orient's favourite sex turn-on consists of two light balls with heavier balls inside and joined with twine. Gaiasha girls still insert them in their vagina to become sexually excited before performing their love arts. We call them *love eggs* and their popularity is world wide.

RUBBER VIBRO

Today's advancement in technology and electronics has had its effect, even on sex. The best example of this being the vibrator. The best vibrator is the *soft bendable* type. Comfortable for the female because, unlike the solid version, it gives with the ecstasy of the orgasm.

HOMO TRIANGLE COPENHAGEN HOT (Imported) MALE ACTION

A new series of strong virile male action mags. Large format to highlight the action, superb colour and reproduction - and new models, many of whom are not professionals but have been caught unawares by a friend's camera. **GAY ACTION SPECIAL NO. 1** Packed cover to cover with a variety of men, from 14 - 22, who revel in showing off their grand penises. They have a nob size that will astound and delight. Young boys of 18 with a manhood that must be 14", more active men of 19 who jointly admire their size and play together, and those who have reached 21, consenting together to attain full mutual satisfaction. Erect men, but many who stand proud with their 10" are dwarfed by the true "king" sizes of several of the others. Camera close-ups zoom straight in on every member and none of the action is missed, so that the viewer is involved with a sense of fulfillment. This is truly an advanced publication, yet we are happy to offer it at the special price of £2.50 only. **GAY ACTION SPECIAL NO. 2** This magazine again features in the same candid provocative detail the same age

groups as FRED, but there is all action throughout. Spunky indoor (bedroom) shots, and unsuspecting outdoor glimpses. The main point is the giant sizes of the organs, but when two young men lie together they get turned on looking and playing with each other, and naturally they seek greater fulfillment, contact and relief together. All this is clearly shown, but it shows how happy two men can be together and how completely satisfied they can be. Big boys throughout, and big value for money at the introductory price of £2.50. **DYNAMO NO. 3** Hardcore homo action from the United States showing exactly what united means. Words cannot adequately describe the sensitivity with which these photos were taken, you must have this in your collection. Worth more than double the £3.00 selling price. **THESE THREE BOOKS REALLY GO TOGETHER, HENCE WE ARE OFFERING THEM IN A SPECIAL TRIPLE PACKAGE - £7.00 FOR ALL THREE.** Also 8 other HOMO books £10.00.
