EDITORIAL

Dear Readers,

It's nice to be with you again this month and you will note a slight change in our title. Owing to a dispute over the ownership of the title Blockbusters we have agreed to switch our title to TOPBUSTERS. BUT we can assure you that we still offer the best and biggest boobs around. We hope you like the magazine this month and you place a firm order for next month's issue by filling in the coupon on page 74.

We always try to feature the best looking girls in Topbusters, but only the ones with big boobs, indeed we are more interested in their busts measurement than their faces! However, we know that many of you are more interested in really beautiful birds than merely busts. With these readers in mind we'd like to tell you about COVER GIRL magazine, after a long wait BOTH issues 1 and 2 are in your shops now; it features only the very best looking birds around and consists of 100 pages (nearly all in colour) for just £1. We strongly urge you to try a copy or two from your local newsagent or send £1.25 for a sample copy (subscriptions £12) to: Cover Girl, 34 Upton Lane, London E.7. (Callers Welcome.)

I'd also like to give a plug in my editorial this month to a movie I've just seen, called THE PLAYBIRDS. I was lucky enough to get invited to a pre-release preview and I can tell you that it was something very special, a really fast movie, exciting, sex film. It has a fantastic plot that makes it a good film in its own right, but the sex content combined with this makes it a masterpiece in erotic entertainment. I urge you to see THE PLAYBIRDS when you get the chance, it's the sex thriller which really thrills.

Readers will probably be interested to know that THE PLAYBIRDS opens on Thursday, 6th July at the Eros Cinema, Piccadilly Circus – continuous performances from 11.00am (Late night showing at 11.00pm) – 7 days a week. If you live outside London and the South East, this film will go on specialised release throughout the country in late Autumn. DON'T MISS OUT ON THE FINEST SEX FILM EVER MADE... DON'T MISS OUT ON THE "THE PLAYBIRDS".

THE WILD- BREAST SHOW

Battling Bill Botham's travelling circus and funfair hit London's Commons and open spaces with unfailing regularity year after year, from early Spring to late Autumn. Every time he pitched his caravans and tents and marquees on the old familiar sites, Bill Botham brought along at least one new attraction. Out of season, he would travel Europe and the United States and way down South in search of new and novel circus acts and fairground attractions.

This year it was, of all things, six young women with the most outrageous breasts ever seen anywhere. Bill got the idea from his latest girl friend who, herself possessed knockers of 40 inches. His wife had a pretty substantial pair as well. Bill suddenly haired-off while the circus and funfair was 'resting' in the off season to find six females who sported the most grotesque breasts and nipples possible. His girlfriend was a bit jealous and insisted on accompanying

him on his search while his wife, as usual, stayed at home in the luxury caravan they both occupied in season.

"Big tits indeed!" grumbled Ida, his twenty-five year old girl. Bill was just over forty and found Ida a wonderful sop to his advancing years. She was an excellent fuck, a real little wanker and knew all the tricks of the sexual trade. Bill's wife knew all about her and tolerated her for she felt she kept Bill out of mischief.

"Big tits" repeated Ida scornfully in their Paris hotel bedroom on the first stages of the search. "It'll be pornographic. Old Bill won't like the idea."

"But tits is big business" answered Bill, caressing Ida's naked tits as they lay in bed together. "And" he added, "Big tits is still bigger business. You see tits everywhere today. Its allowed in them porny magazines and on stage and in films. Why, you even see them on telly in the privacy of your own home."

"But big-titted women are freaks" said Ida. "I am 39 but, over that, I think tits get freakish."

"Yeah. That's it!" enthused Bill, taking her up on that point. "Modern freak show, eh? Instead of bearded women and giraffe women and women with three eyes -"

"Three eyes?" said Ida.

"Has been known, you know" replied Bill, titillating Ida's right tit. "Instead of them freaks of olden times, we will have a tit freak show."

Pretty disgusting" grumbled Ida. She was feeling a bit jealous for she knew Bill, with his good looks and long dark hair and good figure was a real charmer with women. Anything could happen, she felt sure, once Bill got to look at and auditioning girls and women and looking at naked tits, anything could happen. Bill was definitely a tit man. She knew that and had known it from the time they had first met and his eyes had alighted on her own quite substantial pair. The first night they had spent together, he had concentrated more on her tits than on her cunt, even to fucking her breasts long before he had even taken a gander at the bush of red hair at the tops of her thighs.

"Not disgusting at all" replied Bill, both his hands on both of Ida's tits as he worried her stiff nipples. "Breasts is beautiful, didn't you know?"

"I know mine is" said Ida, wriggling pleasantly as his fingers on her nipples sent beautiful little thrills up and down to her cunt and back, opening up her lips and making her wet in her widening hole. She spread her thighs out wide under the bedclothes and wondered when his prick would get large and stiff enough for him to want to stick it up her.

"So is lots of other girl's tits beautiful to lots of other men" replied Bill. "But I ain't aiming to present beautiful breasts. Oh no. I want 'em big and large and heavy and pendulant and hanging down

to the knees and sticking up in the air and bulging out of the chest and wrapped right round a girl right under her arms and to shiver and to wobble and to quiver and to shake just like big pink strawberry blancmanges at a kid's party. With red cherries on top for tits."

"you are filthy" giggled Ida. "For fuck's sake, fuck me, you bastard," she said pulling one hand away from one tit. "I'm tired of having my tits pulled."

Bill slid his body down hers and threw back the sheets and burying his face between her tits and nuzzling her breasts, put it in and started to fuck her good. As he came, he nibbled her right tit and this sent exquisite sensations coursing through Ida's young body.

"Promise you won't fall in love with any of the girls with big tits you interview for the show?" she asked, after he had withdrawn his prick and had dripped a few drops of white spunk on her breasts and massaged it all into her soft flesh.

"Since I am going after getting freakish girls or women" answered, Bill, "I'm hardly likely to fall in love with any of them. They are bound to have faces like the backs of cabby horses, anyway."

The morning of their first day in Paris, Bill interviewed six girls in a bleak hall on the outskirts of Paris. His Agent had already lined the girls up for him. Ida and Bill and the Agent sat side by side on wooden chairs as the girls went up on the small stage one by one, took off their tops and displayed their wares.

All of the girls were young, five were moderately pretty. But the sixth girl was just what Bill wanted. She was nearly six feet tall, with wide, mannish shoulders, a mop of unruly unkempt red hair. Vivid black eyes were set in a white face and her naked shoulders and arms were also very white.

Her breasts were very grotesque. Grotesque is the word. It was a wonder, thought Bill, as he gazed at

one wrap around pair, and one pair like a couple of buttocks!"

"Fucking bloody terrible" replied Ida, one hand on his seven inch prick as they both lay naked in their warm hotel bedroom.

"And you keep your eyes and your hands off that one with the 48 inch tits" she said. "You might take a shine to her when she arrives for rehearsals."

"No way" said Bill, knowing full well that the first chance he had would find his stiff prick lost in the sea of creamy twin fleshy globes the girl had strung across her chest. Why, he reckoned to himself, he could pack his balls away in her cleavage as well!

"And what kind of tits do we hope to see in New York next week?" asked Ida, as she brought the spunk shooting up out of Bill's purple prick. "Do we hope to see one pointed one with nipples like the fir-cones? Or do we hope to find a pair of nipples standing out on stalks that waggle up and down?"

"Sarcastic little sod" grinned Bill as he watched his stiff prick gradually sinking

down over his balls after his explosive ejaculation. "No" he went on, the Agent tells me that, over in the States, he has found, not a bearded lady, but a bearded-breast lady."

How beastly can you get?" shuddered Ida.

"I mean, of course" Bill corrected himself, "A hairy-breasted lady."

"Hairs all over her tits, you mean?" asked Ida.

"I mean just that" replied Bill. "A contemporary version of the bearded lady, I am sure you will agree."

"What a repulsive thought" said Ida, snuggling down in the bed while Bill obligingly opened up her thighs and inserted his usual four fingers into her slippery, wet hole. A few wanking movements and Ida was sufficiently on heat to start to orgasm in her usual semi-hysterical manner. Bill sat up beside her, watching the miracle of her opening and shutting lips as the red and pink flesh responded like a person apart to his skilful ministrations. Bill prided himself on what he called his poke power. Ida most certainly appreciated his advanced techniques in that

particular operation. After a while, she indicated she could not take any more and he slowly withdrew his fingers.

"I shall bill it as the greatest breast show on earth" he eulogised as Ida sat up in bed combing her hair.

In New York, Bill immediately booked the hairy-breasted lady, a woman in her early thirties, with a very noble face, an excellent figure. The only thing that marred her beauty was this pair of 38 breasts liberally covered in light auburn hair. The hair spread over each large, globular breast and, out of each hair, covered breast peeped a red nipple of fairly good proportions. Apart from that, the lady was clean-shaven under her arms and on her legs.

"Terrific" breathed Bill as he saw her. "Put in a non-shaving clause in her contract" he ordered his Agent. "One hair less, and out she goes."

The greatest breast show on earth was finally changed to The Great Wild Breast Show on Earth by the astute Bill, the showman, who recalled Buffalo Bill's

Greatest Wild West Show on Earth. "Clever twist, that" he told everybody in his circus and funfair and of course, everyone had to agree. Even Ida. Even his wife.

The show opened on Ealing Common, London, to start its spring tour. He had a special marquee theatre built for the show, with a stage in front of the entrance and steps leading up to it and garish paintings of topless girls running across the top and down the sides, just like the sideshows in Buffalo Bills old show used to look like. Topless dancing girls pranced about on the stage at the entrance before each performance, attracting great crowds of gawping males and their smirking wives and girlfriends.

Inside, once an audience had settled down, the Compere booked for that particular show announced each girl onto the brightly lit, circular, raised stage at the one end of the Marquee. The girls, bathed in extravagantly coloured floods and spots paraded on stage after they had been described and announced on by the Compere. The audience gasped and laughed and tittered and applauded each performer as she came on stage and did a routine dance to taped music, well-rehearsed before hand.

There was only one girl to whom Bill paid real attention, and that was the girl from Brussels with the 45 to 48 inch tits and the beautiful figure. Unknown to Ida or to his wife, Bill called in to this girl's caravan once a week without fail and, for a payment of five pounds on top of her already good salary, Bill fucked her once in the middle of her tits so that his spunk shot out all down her tummy and once up her cunt from rearwards as he squatted over her backside and massaged her breasts with his hands grasping them around her front.

The Press was variously outraged, intrigued, disgusted, surprised or shocked by the additional sideshows to Battling Bill Botham's Circus and Fun Fair. As far as is known, the show is still absolutely the main attraction of the Fair. Bettina, the big-titted girl from Brussels is star of the show, coming on for the grand finale. She is also still hiring out her tits to Bill!

THE LONDON SEX CINEMA SCENE

A SPECIAL MAGAZINE INVESTIGATION

From the correspondence we receive regularly from so many of our readers we know that a lot of you like to see a good sex film, whether it be the X Certificate Variety or the Cinema Club type. However, there are so many bad X Films and bad cinema clubs around that you are a little frightened of being 'conned' and therefore you'd appreciate our comments on the best films to see and the best cinema clubs to visit. With these readers in mind we've produced a small investigation guide this month to the best films to see and the best clubs to visit.

We split our investigation into X Films and Cinema Clubs, as the sort of films now showing in cinemas are far different from those showing in the clubs.

CINEMAS

We don't intend to devote too much space to this category, since quite frankly most of the so called 'sexy' X Films are simply not very sexy. All too often the films are cheaply made foreign produce, which are poorly dubbed or even worse subtitled. There have been one or two exceptions, the first 'Emmanuelle' was quite good (as distinct from the numerous 'rip off' films with the same title that are flooding the market and cashing in on the Emmanuelle title), and probably the best X Film of all time (GLC only) was the superb Swedish film 'Seventeen', which to this date must stand out as the funniest film to grace the cinema screen. It's extremely difficult to combine humour and eroticism and most films which try, fail dismally. The films are either foreign, and so is the humour, or British and produced for the 'tamer' overseas market. For example 'Adventures of a Private Detective' wasn't a bad little film, but it was an 'X' certificate sex comedy WITHOUT a pubic hair! One can only assume that this was the case as it was aimed at lucrative foreign markets (e.g. Eire); but this doesn't help you if you went to see it expecting to see a really HOT SEXY COMEDY! Perhaps, the film which came nearest to combining sex and humour best in the last few years is the Harrison Marks film 'COME PLAY WITH ME', this is not a porn film, but it's as strong as anything we've seen in the X Certificate category. Mark's has produced a really British sex film, a sort of sexy Ealing Comedy and it's packed through with sex (often played for real)

and nudity. There is a superb striptease sequence involving 'ice cream' as good as anything we've seen on the British Screen. The enormous success of this film is illustrated by the fact that it has been running for nearly ten months at the Moulin, Gt Windmill St, Soho, and it is still on general release. If you've not already seen it, we can only suggest you give it a try. It's well worth travelling a few miles to see this film. COME PLAY WITH ME features our very own Mary Millington and each month we list the cinemas where it is showing in the STOP PRESS announcement on page 3 or 8. 'Come Play With Me' combines top British Comedy actors and actresses, like Alfie Bass, Irene Handl, Ronald Fraser, Cardew Robinson, with twenty lovely young sexy models like Mary Millington, a unique and difficult combination of sex and humour. Whilst it is not a one-hundred-per-cent success, we do feel that it goes as close in succeeding as any film since 'Seventeen'.

Whilst mentioning films being shown at ordinary cinemas, and if you live in most parts of the country these are the only sort of sex films you've got a chance of seeing, since there are no cinema clubs in most areas or the ones that there are, show films no stronger than those at the cinema and often a lower class of production and story, we'd like to give a plug for a film that comes out in May or June called 'THE PLAYBIRDS'. This is the most expensive British sex film of all time (reportedly to have cost around £2,000,000) and from what we saw at the preview we attended, undoubtedly the very best sex film ever shown in Britain. Whilst in strength it is slightly softer than the films being shown at the cinema clubs covered later in this article, it makes up for this with more

attractive girls, a better story, lavish settings, locations and generally a superb production. This film rates as a superb thriller in its own right, but combines with this lashings of nudity AND sex. No praise can be high enough to describe this film, it's ten times better than Mary Millington's film debut in 'Come Play With Me'. In 'THE PLAYBIRDS' Mary combines her talents with the world's leading sex actresses like BIBI FORBES (USA), ERIKA VON KRUD (Germany), and ELSA THORSEN (Denmark), these lovely ladies are directed by ace Danish porn director Wilhelm Roestein in a truly masterpiece of eroticism. See this film for yourself and you'll know what we are raving about! Showing from May or June at the Eros Cinema, Piccadilly Circus, (01-437 3839) and/or the Moulin, Gt Windmill St. (01-437 1653), phone the cinemas direct for confirmation of the release dates and performance times. If you live outside London look out for the limited general release of THE PLAYBIRDS in late Summer and Early Autumn.

CINEMA CLUBS

There are now over fifty good cinema clubs around in London, though as a result of recent raids a few have closed and others have 'softened' their programmes. However, it appears that the lawyers for the clubs have now overcome all the legal problems and that they are back in full swing with the best porn around! In the main, clubs around Britain are much softer than the clubs in London, and whilst there are a few exceptions (e.g. Brighton), we have therefore concentrated in mentioning London clubs only. There are many clubs not mentioned here, but we have selected various places for numerous reasons. Here, in our opinion, are the best four clubs in London:

1. FIVE STAR RATING – EXCITING CINEMA CLUB, 18 GREET St. SOHO

This club is right in the heart of the West End and shines out amongst all the 'con' strip and cinema clubs as a superb establishment aiming at providing its members with superb value for money. The Exciting charges an annual membership of £1, and the admission price is £3.50. It shows only the very best porn films around, including the latest and most expensive productions from America. The programme changes every week. The most luxurious cinema club in London, special luxury VIP lounge, free drinks etc.. The fire precautions at this club are EVEN better than those found at ordinary, licensed, cinemas. A fantastically well run club and an example to all other clubs on how they might run their places. The Exciting is open 7 days a week from 11.00am-11.00p.m.

2. FOUR STAR RATING – SOUTH LONDON ADULTS CINEMA CLUB, 216 Tooting High St, London S.W.17

This club only just missed out on our five star rating. We really liked this club as it was both the cheapest and friendliest we visited. The South London charges just £1.95 admission, and this is less than most Central London cinemas charge these days! The service is fantastic and when they are quiet you even get a hot or cold drink from the staff! The club shows a new film starting each Monday – all full length, colour, sound, and hard porn. It is open six days a week 11a.m.-8p.m. The South London is situated on the A24 between Tooting Broadway and Colliers Wood, just a few minutes from either station. An exceptionally smart and safe little cinema, that is well worth joining. If you live in South London it's the sort of place worth visiting every week; and if you live outside this area with such a low admission price it's probably worth travelling a few miles to visit!

JOINT THREE STARS – SOPHISTICATE, 184 Eversholt St, London N.W.1. ADULTS ONLY, 368 Grays Inn Rd. London N.W.1.

Both these clubs are very conveniently situated. The Sophisticate is very near Euston station, whilst the Adults Only is near Kings Cross. The admission price is £3 at the latter and £2 at the former. Both clubs are now under new management and showing far more explicit material than they were a few months ago, although this does tend to vary from week to week.

We've just featured what we regard as the best clubs here, there are plenty of other good ones (mostly in the two star category, and too numerous to mention here), but alas there are also quite a few clubs where the accommodation is poor, films soft, and the prices high, so be warned! Happy film going!

As a reader of this magazine, we feel you may be interested in cut-price pornographic sex books at no more than 10 per cent of the prices charged in the Soho bookshops. Plus uncensored sales leaflets every month, free gifts, sex bonuses and cut-price outings to the sex capitals of Europe.

had a bra.

By the time she was fifteen, Pat was the proud professor of a 38 inch breast display, complete with prodigious pink nipples that stiffened up at a moment's notice, making two beautiful buttons under a shirt or sweater when she didn't wear a bra and two very conspicuous swellings inside each cup when she did wear a bra. At sixteen, her age of consent, Pat had really and truly waited until her sixteenth birthday to have sexy dealings with boys, at sixteen and a half and on her way to her seventeenth birthday, Pat let a young fellow of eighteen whom she met at the local disco really and truly give her her first ever tit-massage. It took place in the back of his small saloon car, with Pat lying back in the steamed-up interior while the eager young fellow opened up her red silk shirt to the slim waist-band of her

them down and had been at the hairy expanse of her lips, investigating her widening young hole. Two fingers up it and Pat had had her first finger-fuck while another hand was still massaging one of her breasts.

That first most erotic sex experience for which Pat had more or less dutifully waited in her adolescence gave her the impression her breasts were as important to her as her clitoris and cunt combined, to say nothing of her beautifully shaped bottom and thigh from then on, her breasts always played an important part in her sexual adventures with boys.

By the time she was twenty, her breasts had blossomed forth to a proud 41, due to constant self-massage and, more importantly, to massage from her many boyfriends who invariably made a bee-line for her tits as soon as they were safely private with her. She had become a kind of amateur call-girl of sorts, never giving her body for actual cash but having small gifts and presents and being given nights out on the town in return for her favours. At twenty-three, she had left her home and the town and had started to live in London, in the Kensington bed-sitter, in the fashionable Church Street of Kensington, surrounded on all sides by very smart people in show biz and the world of arts. An excellent typist, audio and shorthand, Pat had had no difficulty in securing a job as a secretary to a firm of electronic engineers and she was all set by that age to start to live it up.

In fact, Pat actually did become an evening and weekend call girl for she started to cash in on her breasts as

CARAVAN CALL GIRL

Yes, said Pat to herself as in the privacy of her little bedsit in Kensington, London, she surveyed her young naked body in the wall mirror. She took stock of her lissom body, flawless in every way. But her crowning glory was without a doubt her healthy and considerably out sized tits. Pat always thought of them as tits, rarely as breasts. Her nipples were her tits, the entire breasts were her tits! From the age of twelve, they had started to develop very suddenly and very rapidly. So quickly in fact that, at her girls day-school, the teachers and her school friends were pretty soon urging her to wear her first bra as her breasts suddenly started to become very bouncingly visible under tight linen of her white school shirts. Lesbian-minded girls at the school started to make a dive for them and many times Pat was cornered in a loo in the playground for girls to tear open her shirt to have a look and a feel.

Pat was, in fact, rather loth to have her first bra for the looks and the wolf whistles her well-built twelve year old appearance gained her in the streets from the local lads and young men of the town pleased her greatly. However, her mother insisted and her head mistress sent her mother a note about the effect her daughter's breasts were having on the other girls at school. So Pat

skirt, and massaged and rotated her breasts with eager hands while his mind boggled and his eyes goggled at the sight, in the semi-darkness of an autumn evening, of her quivering white mounds and red cherry-red tits. It hadn't been long before his eager mouth had enveloped each nipple and Pat then started to have her first-ever orgasm through her breasts. Well-used to masturbating both her cunt and her clit, she had never realised the erotic zone properties of her breasts and her nipples until that moment when the lad's hands and fingers had alighted on her erect nipples and even more so when his lips closed on them and he started to suck on each nipple like a baby at its mother's breasts. Then, the most fantastic come sensations started to shoot through Pat's body, culminating in a series of violent orgasms in her cunt inside her yellow drawers. So turned on had she been that she had told the boy to lift her skirt up and look at her knickers. One look and he had torn

well as her body. Wanting the experience of the multiple orgasm as much as she could get it, she decided she might just as well make money out of it while, at the same time, enjoying evenings, nights and weekends of almost non-stop sex. She soon became a well known and popular figure in Kensington pubs, clubs and discos and late night nighteries. She wasn't accepted as a call-girl. She was regarded more as a good-time girl, with a few strings attached in terms of gifts.

Then the axe fell at her excellent job in the West End of London. Her firm went bust. Her employers gave her three months salary before they went into liquidation. With enough money already in the bank from her job and from the money she had saved and was continually saving from her call-girl activities, Pat decided to buy a small caravan. She already had an Austin 1100. Her idea was to go on a caravaning tour of Devon and Cornwall, visiting towns such as Exeter and Plymouth and so on, and the various picturesque little fishing villages and towns in that part of England.

In bed the day before she set out on her adventurous holiday, it occurred to her that she might be able to mix business with pleasure while on tour. Why not, she mused in her comfortable bedsitter bed which she would be giving up for good the very next morning, why not become the first ever caravan call-girl? You know, she told herself out loud before she dropped off to sleep, park her caravan in all the accepted caravan sites she had mapped and planned out on her proposed route, and in many other odd places that were not recognised caravan sites and, making herself known in adjacent towns and villages as a call girl, get her clients to either drive her out and back to her caravan, or better still be driven back by herself to her caravan. In the cosy interior, she

could have all sorts of sex and at the same time, make even more money to help towards her holiday?

If, say she stayed on tour for the whole of the May, June, July, August and September, she could tour around the same places, coming back to them at intervals for instance. By the time she returned to the same towns and the same villages she would have become known as the caravan call-girl and her old clients would be eager to see her and to have her again. Plus the fact that doubtless they would have spoken of her to their friends and there would be even more business to be picked up. She kept herself awake for some time mulling over the exciting prospects that could lie before her if she adopted the idea.

The following morning, after completing her packing which included all her clothes and lots of sexy, exciting garments and undies she had purchased for the holiday, she said goodbye to her landlady and set off in her Austin 1100, her red caravan trailing behind the car. By lunchtime, she was well into the country.

A month later, Pat had started a Diary about her adventures on the road and her escapades as a caravan call-girl. Some entries were brief. Others quite lengthy and detailed. They were in fact, used as a basis for a paperback novel she was to write a year or so after her short career as a caravan call-girl. Looking back on them with some amusement, Pat recalled the many men of all ages whom she had met in her travels and the mild sensations she had caused when, for the second time round, she drove into small villages and towns on her tour and was recognised by her red car and her red caravan as the travelling sex girl, the 'cunt-on-wheels', and, in fact by what she liked to call herself,

the caravan call-girl...

FRIDAY: Met a nice lad about twenty who said his village was dead as a dodo and he had been through practically every presentable girl in the place and the un-presentable ones as well and he was getting pretty desperate for a new face, and a new cunt. I reckon you are in luck, I said, for I am looking for trade in shape of a fellow just like you who would love to see a new blonde, hairy cunt with extra large tits to match, but for a small consideration! He did not flinch when I mentioned five quid for an exciting night in bed with me in my caravan. In any case, since the going-rate for about half an hour with a girl in London is five quid, that amount for an entire night is saying something! So, back to my cosy little caravan after a pleasant evening at the pub drinking. He was a wholesome boy in a nice white shirt and tight jeans and dark hair. Undressed in my caravan, he was lean and wiry, athletic, just the way I like them to be. His eyes sprang off their stalks when he viewed my naked tits quivering up at him as he bent over my naked body in the bed in my caravan. He was good for an almighty suck of my tits, each going into his mouth one at a time to be violently sucked and each breast to be walloped and wobbled by his strong lusty hands, long before he started to pay attention to my gold haired hole, ready and gaping for his fingers and later for his prick.

SATURDAY: In the local church hall this evening in this small town of.... and under the very eyes of the Vicar and his wife, I got hold of a callow youth of seventeen. Rather nice having a young and unsophisticated boy from time to time! I love teaching boys of that age all about women! And tits! And cunts and

that! This boy blushed red when I said I had a nice little, cosy little caravan a mile out of town and would he care to let me drive him back to it in my car and for three pounds he could spend the night with me. Three pounds, I thought, would be reasonable to ask him for since no doubt he was probably only a labourer or a farm hand or something. Back in my caravan, after I had got him away from that village hop in the local church hall, followed by the eagle eyes of the Vicar and his wife and the rest of the simple village girls and lads, back in the warm, mellowly lit sexiness of my caravan, he admitted his sex life so far had consisted of watching bulls getting up cows in the farm at which he was employed.

Poor little sod, I smiled. And what did you usually do after having watched a bull putting its enormous stiff prick up a cow, go and fuck the dairymaid? Good Lord no, said this quite well-spoken boy with a rich Devonian accent, I went to bed and tossed off! He said he had never been with a girl and that the thrilliest sex adventure he had had so far was looking up girl's dresses as they stood on top of hayricks in the middle of the summer. Poor boy, I said, as I told him to strip off. He had nice clean limbs, very little hair for his age and I was glad to see that, even though he was a virgin, he was able to get an instant horn on. And a very good country-bred-and-born horn at that! With firm bollocks under it all. Briefly, I sucked and wanked him to spunk-off, made him suck my tits till they were an outraged scarlet and made him wobble my creamy tits till they quivered like twin blancmanges and then suggested he had a first-ever viewing of a girl's wide-open cunt. He blushed a lot but took a look. Soon I had told him how to put three fingers in and to move them in and out to my ultimate and supreme satisfaction. I also showed him how to locate my clit and how to finger

agitate it to multiple comes for me. I think he was a bit scared at first to see my body arching up on the bed and to hear me say **fuck me, fuck me, fuck me**, in a demanding sort of voice. Finally, of course, I gave him the pleasure of putting his four-times re-erected juvenile prick hard up into me and spunking out his white milk I had already drawn out of him, in any case, with my hand and my mouth.

SUNDAY: Being the Day of Rest, sort of thing, I thought, well, having driven half the day away from that village and ended up in this now, small town, I would just content myself by going to the local cinema. But, of course, being the kind of girl I am, I had to get sat down next to by a young man who, spying me alone in a row of seats, plonked himself by my side in a most obvious fashion. I was soon allowing him a hand up my dress, to have a feel of my suspenders and stocking tops and eventually, half-way through the film, of the soft hot flesh above the stocking tops and the tight crease of my white linen drawers being pulled up into my cunt. After the film, to a Wimpy Bar for a feed. Then I popped the question. He was smartly dressed in an old-fashioned suit and white shirt and tie, but I forgave him that for he smelled of money! I ventured to suggest ten pounds for the night with me in my caravan nearby. He agreed like a shot. Within the next half hour we were both naked in my travelling brothel, his prick a good seven inches of stiff solidity, dripping impetuous come from the pink knob, even before he had been wanked. He gave my body a bloody good going over, congratulating me on the size of my tits and sucking them like a man. He expressed an urgent desire to fuck me between my tits, a diversion I often enjoy, more especially when the man does it so that I can look down and see his flaming knob-end pushing up and down the deep cleft between my tits and shooting up at my throat. He performed the job admirably, bringing me off between my thighs, wide open at the time, by the way, as I always get good orgasms when my tits are being used in that excitingly erotic manner. After that, a good fuck after his prick had risen up again and his bollocks had hardened into one big round pink fleshy ball. He was a very healthy young man indeed and I

went out of my way to give him a good ten quid's worth of spunking joys.

MONDAY: Started off driving even further South today, towards Polperro, that famous little fishing village. I wondered what fishing folk, the menfolk, that is, would think about my bright red car and caravan, and of the bright red girl in charge of it all! I should have worried. No sooner was I in one of the few little pubs in the place than I was surrounded by several lusty young and quite handsome and big and burly fishermen in their sexy gear of sweaters and old denims and rubber boots. I was plied with drinks to wash down the lunch I had ordered for myself. I told one young brute that in my red caravan on the fringes of the fishing village I was willing, for a consideration, to give all sorts of tit and cunt sex to any man who might be interested. He looked around him with the air of a conspirator and whispered "Don't tell the others, I'll come with you as soon as you are ready."

To the envy of all his mates and the scornful looks of some of the village girls, this hunky brute or brutish hunk of a man led me by my hand triumphantly out of the pub. I saw the noses of the others in the pub pressed to the windows as they watched him get into the passenger seat by me and I drove off. Back in the caravan, he quickly divested himself of his heavy sweater-rubber boots and small briefs to display an

enormous cock with a knob like a cod's head, I thought, most appropriately! He smelt of fish as his naked hairy body spread itself over me and he massaged and sucked away at my stiff nipples. I charged him seven quid which he made eight by the time it was morning and he had fucked me three times from the rear as I bent over my small caravan bed. The next morning I returned him in my car to the village and spent from eleven in the morning till closing time in the pub with him. By that time, of course, the rest of the boys and men from other pubs had got to know what my red Austin meant in terms of fleshy pleasures and the other pubs were virtually deserted as the men flocked in to see what I looked like in all my blond, slim, tallish, attractive, sophisticated beauty.

I could have made over a hundred quid from those chaps had I been able to accommodate only a few of them. Anyhow, I arranged things on a rota basis sort of thing. I drove one

fellow back after closing time, had him for five quid, drove back to the now closed pub, picked up another fellow and so on until I had got through six. Five quid a time, thirty quid in all. Very good! I made all of them be straight fucks and tit massages but did not fail to come with each one. The next morning, when I drove back to the village a local constable was outside the pub. He told me, in no uncertain manner, that I was not wanted in the village. Of course I was not wanted in the village, not by the womenfolk, that is, who I divined, had complained to the local police station about me. A group of fishermen and some tourists waved me off after having watched my encounter with the embarrassed policeman who no doubt disliked having to tell me to go. I saw women with their faces pressed to the windows of their little cottages staring at me as I drove away down the hilly cobbled streets towards my caravan.

WEDNESDAY: Now in Exeter, a large town, as you know. Teeming with call-girls in fact. They were in the pubs and the discos, obviously plying for trade. I had to try to look as little like a call-girl as possible so as not to antagonise them but, at the same time, to look like a call-girl in order to attract the men! I was very skillful at it anyway, and did nothing to arouse suspicions or to get myself slung out of any pub. That first night in Exeter I got three men back and forth to my caravan parked on a nearby caravan site, got fucked, and tit-massaged and sucked by all three and cleared twenty five pounds between them all. One youngish man wanted to sit on one tit so that, with the cheeks of his arse pulled wide open he could get his asshole right down on top of my stiff tit and sort of rub himself off on it while his horny prick worked itself up all by itself to a very fulsome come. His spunk dropped between his open legs onto my tum and needless to say, with the sensation of my having one tit almost up his asshole, I came a great deal. Another fellow was a rear-fuck character while he held my tits in front, revolving and massaging them as he screwed me. Quite delicious as I always enjoy being fucked and having my tits rubbed at the same time!

SUNDAY: An entire week has been spent here in Exeter, going the rounds of as many pubs as I knew would have likely clients. I am making a great deal of money, all stashed safely away in a metal box stashed safely away in a secret part of my caravan! I have picked up a good few clients at the discos here as well. I find the Exeter blokes pretty kinky. I have had to make welcome use of my kinky gear such

as my peephole bra and peephole drawers, my suspenders and garter belts, my frilly drawers if I have not been wearing the peephole ones. My extra large tits have been praised high and low by the local male talent as they have looked at me naked in my caravan bed.

WEDNESDAY: Now in Plymouth, with the sailors! I find sailors quite exciting with their sexy sailor suits and their lust for women! I enjoyed being fucked by young sailor boys with their tops still on and their trousers and briefs off and their pricks as big as mizzen-masts up me. Quite a few were keen on the breast-fuck method of wanking themselves with me. I had quite a few nice young pretty officers as well and charged them far more, naturally. My caravan was parked in a secluded little spot in a caravan park on the outskirts of the town. I don't very often go in for threesomes but two very nice sailor boys of seventeen and eighteen both pals, asked to go back with me. I

agreed on the understanding there was to be no rough stuff like tying me up or making me helpless. It was all ok. They just wanted to both watch me being fucked by the other, something I enjoyed very much as a matter of fact, for its rare for me to have a chance to be watched by one man while I am being fucked by another man! I also wanked the two of them off by hand at the same time, the prize for the first one to come in my hand being a suck of both my enormous red tits! Of course, I let the loser have a good suck after the winner had taken his prize, as much for my sake as for his. Another sailory boy I had was slightly the other way, having been taken advantage of by his sailor mates, on board ship. He was very asshole conscious and got me to make him come by poking his hole while he was on a large healthy horn. He shot out lots of stuff in front while I poked him up behind. Quite a novel and enjoyable bit of eroticism!

SATURDAY: A few weeks have passed since I last made an entry in this Diary. I have travelled all over the place. In some small villages I have had return visits from clients who had seen my red car and caravan entering a village and who have waited for me to appear in one pub or the other. Repeat orders, as I liked to call them, were the hallmarks of my obvious success and they do say that is the way to build up the goodwill of a business, don't they?

FRIDAY: Well, back in London again! My Diary is full of entries I have not bothered to put into this story. Little incidents like the night I got no clients and went to bed by myself for once, only to be awakened by three boys of seventeen at dawn who were standing on boxes outside my caravan looking in at me where I lay totally naked on

my bed. I gave them all a treat by pretending I had not noticed them and starting to play with my tits, masturbating my nipples stiff until I came. Also opening my thighs up wide and swinging round on my bed so that they could see right up between my legs as I masturbated myself with a long vibrator I had brought along with me. I also treated them all to the sight of my dressing and putting on suspenders and stockings and boots and knickers and bra and skirt. When they saw I was about to step out of the caravan they jumped down from the window of my caravan. I watched them go hide in some nearby bushes. I left the caravan and went to a nearby clump of bushes where I gave them the treat of watching me lift up my skirt, lower my drawers and gave a good long early morning pee into the grass by the light of the rising sun. With my eyes half closed, I saw one of the boys had his trousers down and was wanking off as he watched me. All very nice and normal and natural, I thought, as I looked at him while I was standing up, making a great show of pulling up my knickers and letting my skirt go down to my knees.

MONDAY: Back in my caravan and looking at brochures of flats. I have enough cash now, and all untaxed, to be able to afford to be able to take over a small flat in fashionable Kensington again. A great change from the bedsit I had had before I went on my sex caravan tour. I had a short interview with a sex magazine editor about my tour and recorded it unbeknown to him on a small cassette in my handbag. This is what I recorded and this is just a short extract from the Interview...

EDITOR: You are the first girl, I would think, to go on a sex tour with a caravan with the express purpose of becoming a travelling call-girl?

ME: Yes, I reckon I was the first and I am the first! I really don't think the idea would occur to any other girl, whether she was a professional call-girl or not.

E: I'm very sure it wouldn't. You had no fears being alone with men and youths in that caravan of yours?

M: Well, perhaps, at times, in the still of the night, I did get a little apprehensive of a fellow if he was a bit stroppy, you know. But my desires for orgasms were so great that all those fears were overcome. I only asked fellows back whom I felt I could trust anyway. You don't get raped or sexually-assaulted when the bloke is paying you money, in any case, I always find.

E: And do you propose doing it all over again?

M: Yes, next summer I certainly think I will try it all over again as a sort of working holiday, you know. It was great fun.

E: Apart from that one policeman in Polperro, you had no trouble with Old Bill?

M: No, not at all. I was lucky, I suppose.

E: Do you think the idea of travelling call-girls, in a caravan like yours, would be a good idea?

M: I rather think so. Bringing sex to remote towns and villages all over England. But, of course, the law would very soon clamp down, wouldn't they? I mean if lots of girls in caravans took it into their heads to travel around as call-girls the way I did?

E: Well, for a start, Sunday newspapers would get hold of a story and publish it with their usual hypocritical crusading attitudes against it and the police would get alerted to what the papers would call the 'new call-girl menace' or something like that and you would all be stymied after a while. Every girl in a caravan or trailer all by herself would be suspected of being a travelling call-girl.

M: You don't blame me for making the experiment?

E: But, not at all. I think it was very courageous of you to do it and to lay yourself at risk of being sexually assaulted, even hurt very badly, even being murdered in that caravan of yours. I personally, think I would be pleased to think the law would allow girls such as you to travel around in a neat little caravan bringing sex to lonely men in little towns and villages all over England.

M: Well, thanks, and also thanks for saying you will publish my article on my adventures!

E: Not at all. Make very new and novel reading for all the men and the women who purchase our magazines!

GENUINE COLOUR PORNO

From the Publishers of this Magazine

We hope you enjoy this magazine and the others in our range – you can't buy anything stronger in newsagents. However, we do produce one or two lines that go the whole way – these are for sale to personal callers and mail order only – but they are too strong to sell in local newsagents. These large colour magazines are as strong as any imported material. Look at these two mags:

1. PORNO MODEL

Superb 100 page magazine. Introduces **ACTUAL EXPLICIT** shots of sexual intercourse (first British mag to feature this), plus vibro masturbation shots, flap shots, fist ducking, actual penetration intercourse and actual penetration oral sex shots. This is the strongest magazine ever printed and sold in Britain. Mail order price £1.75.

2. PORNO

As the title suggests non-stop porno stories and colour pictures from end to end. The most explicit sex magazines ever published. Covers every form of pornography and sex. Group, Les, objects, the lot. You've never seen a book like this. Just £3.25 mail order.

OUR PLEDGE

We as the publishers of this magazine **GUARANTEE** that these are the strongest and best books we have ever published – stronger than our normal monthly publications. These magazines are **DEFINITELY NOT** the normal 'rip-off' mail order lines that so many of our competitors appear to specialise in.

BREAST-COMPULSION

Two revealing quiz-talks to girls about their most valued assets.

Dr. talks to Betty, age age thirty five about her compulsion for developing extra large breasts.

Betty is a beautician, dark, very attractive, running quite a number of boyfriends, with whom she enjoys

DOCTOR: You say your bust measurement is forty and under your tight sweater I have no difficulty whatsoever in accepting that fact! But why do you wish to have them even larger?

BETTY: Men like big-breasted girls.

D: And what gives you that idea?

B: Most men are like little boys at heart, even infants. They like to hold and to suck large female breasts.

D: On what premise do you base that particular theory?

B: Male children start life at their mother's breast. The majority do, that is. I think that image lasts them throughout life when it comes to their approaches to girls and women.

D: You mean by that, I take it, that girls and women are potential mother-images to all men?

B: I don't really think I am exaggerating when I suggest that. After all, look how immature most men are, with all due respects to you, of course, Doctor!

D: Do you not think that that attitude of yours, inferring all men are infants is, in fact, a wishful thinking attitude on your part because it allows you to be dominating with men? That attitude is engendered in you by the fact you have a very large bust which, of itself is symbolic of the dominatrix?

B: I admit I like to, well, to dominate men to a certain extent. Most men with whom I have relationships are younger than myself.

D: I am not in the least surprised to hear that! With a younger man you can imagine he is less mature than you, less experienced because he happens to be younger than you are. That at once sets the scene for your role as the dominant woman. And, when you say dominant, in what way do you use the word? In what particular context?

B: Well sexually, for one thing.

D: Oh, undoubtedly! I would well imagine the essence of your desire to dominate men lies in your sexual attitude towards them. In assuming most men are little boys and younger men even more so in your opinion, how do you treat them sexually?

B: I prefer the woman-on top position for intercourse.

D: That follows! And in what other sexual practices do you like to assume the dominant role?

B: In fellatio. The sucking of a man's penis is humiliation for him and it is also a very dominating thing for a woman to do to a man. Masturbating him also is a humiliation.

D: In what ways are they humiliations?

B: It is a symbolic assumption he is either too immature to fuck or he is incapable of doing so or he is afraid to do so.

D: Doesn't that perhaps tend to make a man in your life in that sort of relationship feel impotent? Even make him functionally impotent?

B: Yes, indeed, that is very true.

D: You get enjoyment out of making a man functionally impotent?

B: For occasions in which I like him to be that way, yes. It is a sort of emotional bondage you see.

D: Would I be correct in saying you have not always had such a large bust and that you deliberately developed a bust of your measurements in order to assist you in your quest for men who you could dominate? A large breast is a symbol of the dominatrix as we have already suggested.

B: I agree that, at twenty-five, I was of average size.

D: And very successful with men?

B: I wouldn't say that.

D: No. I don't think you would say that. For you attempted to dominate men at that age and no doubt far younger, but, because of your very attractive face and figure with an average bust measurement at that time, you were more dominated than otherwise. This went against the grain. You then decided to develop a much larger bust and, having succeeded in so doing, you found yourself being far more successful in swaying men, plus the fact you always turned your attentions to men younger than yourself in any case.

B: Yes, I must concede those points.

D: Good, and what about marriage?

B: What about it? What about marriage?

D: Do you care for the idea?

B: No. I don't. When a woman marries she halves her personality.

D: Surely a fair arrangement? When a man marries he halves his income?

B: Money is a material thing. Personality is an emotional thing. It is far more important, I think, that a woman retains her personality and her individuality than it is important a man retains his full income for himself. I am against marriage because I think it constitutes the final domination of women. She becomes tied to the apron strings of domesticity. To children. To the home. To the supermarket and to the housekeeping. And she is also tied to and subject to the sexual nature of her husband which, as far as I can see, could well be a most distressing state of affairs.

D: In what way distressing?

B: In that she would have to reconcile herself to a boring and set routine of sexual behaviour. Her husband would set the pattern. Sex on this or that night. Sex in this or that way. Sex based on this or that fixation or fantasy, for most men, in my experience, have a particular sexual hang-up or fetish or fantasy they pursue throughout their

sexual lives with wives or with women in general.

D: How have you thought you have discovered that fact, if fact it is?

B: I have had relationships with men since I was seventeen. Boys, at first of course, then when I was twenty-two I started to take to men four to five, even six years younger than myself. But they

Betty has been having sexual relations since seventeen - has she developed distinct habits?

all displayed and betrayed a more or less set pattern of sexual behaviourism. I could foresee, in every case, that a girl marrying such a man would have to reconcile herself and adapt herself to a specific set of sexual habits in marriage that would eventually probably drive her up the wall.

D: And has it not occurred to you, Betty, that women can also cultivate set sexual habits? Sex on Friday nights only, for instance? Intercourse in the face-to-face position only. No fellatio or cunnilingus? Mutual masturbation is out? And no fetish, fantasies enjoyed by the man may be exploited as far as she is concerned? Girls can be very frustrating to men at times, you know. And, because, in law, in spite of women's lib and the equality of sexes, women invariably get their own ways in courts-of-law when what is called unreasonable behaviour on the part of husbands constitute grounds for divorce.

B: Women, in their capacity of mothers and potential suppliers of the world's babies and therefore contributors to the population should be allowed a free say in all matters pertaining to the sexual behaviour of their husbands.

D: Not forgetting, of course, that husbands in the first place, implant the

seed of potential babies into their wives' bodies and they are therefore, considered to be just as useful and important contributors to world population as are women.

B: But men do not have to go through all the traumas of pregnancy and labour and weaning and bringing-up children from infancy. That is the responsibility of the mother.

D: The father has to earn money to be spent on a child's upbringing, its home, its schooling if the child does not have to depend on the Welfare State for its education.

B: That is his duty if he is fool enough to get married.

D: In order, then, for men and women, youths and girls as well, to carry on a long relationship, you think living together is a better arrangement?

B: But, most certainly. It is up-to-date and contemporary and of this day and age.

D: Returning to the question of your liking for the role of dominant woman and for your acquisition of a large bust for the purpose of assisting you in your desires to dominate men, do you feel compelled to start relationships with younger men because you know very well you would really fail dismally in any attempts you might make to dominate

a man of your own age or older?

B: No. You may well care to put that interpretation on the situation but I do not read it as correct. When I was younger and had affairs with young men who were, never-the-less older than myself, I was still able to dominate them. And, when I started a determined course of dieting and treatment to get my bust up from 32 to 40, I found I was even more successful.

D: You consider a large bust such as yours to be formidable?

B: Formidable is a good word but I rather prefer to regard a large bust as fatally attractive to a large number of men for the reasons I suggested when we first started this interview. In other words, most if not all men are little boys who have not grown up and who never will and a large bust is symbolic of the dominant sex, the female sex, in other words. I know perfectly well that, once I acquired this bust of mine, men sought me out more eagerly, stayed with me far longer and were much more amenable to my particular sexual tastes.

D: And those sexual tastes are, predominantly,?

B: The woman dominant in intercourse. The woman dominant in the 69 position for fellatio and cunnilingus. The woman dominant in masturbation of the male. When it comes to cunnilingus in a position that is not the 69, but the male is performing it as a separate act on me, it is an act of humiliation on his part. He pays homage to me with his mouth and with his tongue. I command him to do this to me and he does, when I fellate him out of the 69 position, I do so because he is not worthy to enter my vagina. He may enter my mouth. But he may not ejaculate into my mouth. He must withdraw before he comes. If he does not, he is punished as he is punished for any other lapses in his sexual performances.

D: In what way is he punished?

B: Not by bondage or flagellation or any sadistic method of treatment. I am in no way in favour of sadism or sado-masochism. No. He has to perform menial tasks for me. He has to soap and wash me under the shower. I send him to bed early by himself while I stay up late to watch television. And so on. Most of my men love that sort of treatment.

D: Finally, Betty, in a question which like the old one of "which came first" the chicken or the egg, in your case, which came first, your love of dominating the male, or your 40 inch bust?

B: Naturally, the bust came second because of my need to cultivate and to develop it. I had always despised boys at school, youths after school, men in general. I always managed to get the upper hand with all males. Of all ages.

D: I see, well, many thanks, Betty, for your most interesting observations and thought-provoking pronouncements!

TAPE TWO OF THE INTERVIEW

Dr. Talks to Joan, age twenty, about her large bust. Joan works, by absolute choice, in the foundation, garment department of a large store. She is an elegant blond, made even more elegant by a bust of 42 inches.

DOCTOR: How long have you been working in the foundation-garment department of that store?

JOAN: Ever since I left school. It was my first job and now I am head salesgirl and am in the running to be chief buyer when the present one retires.

D: Very excellent progress in just four years. Now, tell me, how it came about you started work in that particular department? Why not in the book department, the household linen department, even the lingerie department?

J: Because I wanted to sell bras mainly along with waspies and so on.

D: And the significance behind a desire to sell those particular articles of female underwear?

J: I was, and had been, since age fifteen, no fourteen, very breast-conscious.

D: Why was that?

J: By the time I was fourteen, I had a very large bust. I was much admired at my mixed school because of my breasts. I wore a bra to school but removed it as soon as I got to school. I put it on again to go home at teatime. The girls as well as the boys admired my large breasts. At fifteen, I was playing in bed with my nipples and got my very first orgasm. It was too wonderful for words. I didn't realise what sensitive things my nipples were until that evening in bed by myself. I rubbed them both vigorously with my hands and fingers and started to come. As I grew older, month by month, so my breasts went on getting larger but, thank goodness, I still remained slim. I had an experience with a boy in the school when I was sixteen and about to leave. He had intercourse with me against a school wall. It broke me in as I stood up against the school wall with my skirt up, round my waist and my school knickers round my ankles. He held my tits naked in his hands inside my open shirt and I realised after he had come into me that the main sensation I had enjoyed after he had

Is Joan's choice of working in a foundation garment shop due to her love of largeness and big breasts?

THE PLAYBIRDS

Over the last few years *Playbirds* magazine has acquired a reputation as the best value for money "crotch" magazine on the market — explicit shots of the most beautiful birds. Now they've made their very own full length feature film called *The Playbirds*. It's the most explicit sex film ever featuring the world's top porno actresses: Mary Millington (England); Elsa "Deep Pussy" Von Krud (Germany); Erika "Deep Throat" Bergson (Denmark) and Bibi "Hot Orgy" Forbes (USA). In contrast to most sex films which contain a weak or poor story, *"The Playbirds"* is a fast moving thriller in its own right — but with the large sex/nude contents it's a sex thriller which really thrills AND it's the best sex film ever.

But if you'd like to find out more about the film before you see it you can in the uncensored photomagazine AND the novel of the film:

i) PLAYBIRDS EROTIC FILM GUIDE NO 2— "THE PLAYBIRDS"

This near 100 page magazine is packed with uncensored, uncut colour shots of the most unusual and kinky sex acts which appear in the film — every conceivable type of sex act is covered. All the stills appear with text in the order in which they appear in the film so that you can follow the story in words and pictures. See "fist ducking", group orgies, gang bangs, lesbian screw sessions, "deep throating" ... yes, the lot. This is the sex film and the sex magazine you've been waiting for!

Just 95p from your local newsagent (mail order £1.20)

ii) "THE PLAYBIRDS" Photo Novel

This novel is fully illustrated with uncensored, uncut "harder sequence" stills from the film. This is the strongest, most explicit novel of all time. It has a superb plot so that the story alone will keep you thinking — combine it with the sex content and you have something very special! This novel is as strong as the notorious Whitehouse and Playbirds novels and as strong as anything in even the "American" readers which are sold "under the counter" in Soho. Just £1 from your newsagent. (Mail order £1.20).

SPECIAL OFFER-BOTH MAGAZINE + NOVEL on the film "THE PLAYBIRDS"—JUST £2.25

Make sure YOU don't miss "THE PLAYBIRDS" at your local cinema "The Playbirds" is showing from Thursday, 6th July at the Eros Cinema, Piccadilly Circus. SEXY DOREEN DOLL OFFER

A life size inflatable doll - complete with artificial vagina for only £14.75 (price includes VAT).

NOW YOU CAN SLEEP WITH DOREEN EVERY NIGHT!

Hi stranger,

I'm the original Doreen the real thing, not the cheap and nasty imitation being offered in my name. I do get angry, but that's life when you're the tops.

Let me tell you something about myself. I'm the playmate with the 'real feel' and all I need is air to turn me into a 36-24-36 accommodating girl. It may sound immodest, but most men think I'm pretty too. What's more, I'm fully functional and never say no.

If you want to spoil me by dressing me in some super sexy fun-wear and get extra kicks I won't complain, but then I never do - and don't forget that super cream - my skin's so sensitive.

Treat me gently and I'm yours for life. I just hate to sound commercial but my price is right too, and I can slip quietly and discreetly into your life through the post in a small plain parcel. So please hurry - I'm just dying to meet you.

See you soon.

With lots of love,

Doreen

WHITEHOUSE SHOP, 1539 London Rd., Norbury SW16

broken my hymen was not orgasm in my fanny but orgasm caused by his holding and squeezing my breasts and nipples. From then on, I became a compulsive breast masturbator in fact, all the things I did after school years were over, with boys and men, was based more on breast-play than any other sort of love play. I soon discovered that, to get a clitoral or a vaginal orgasm, the boy or the man just had to roll or squeeze or suck one of my nipples at a time. And handle my breasts in full at the same time. By then, and at nineteen, I was a 38 breast. I am now 42 but still with a slim figure. Working as I chose to, in the foundation department of the store selling bras of all shapes and sizes and kinds and designs and fabrics, keeps me in an occupational touch with my own breasts as it were and of course, in touch with females of all ages. In other words, I was surrounded by and selling the very object of my masturbation, fantasies, female breasts in the shape of bras. I had affair after affair with men and youths soon after I had started the job. All loves were centred on male breast-worship of me, of my breast. Sometimes I like my breasts to be lightly slapped or smacked with a sharp twig. I am more interested in a pretty bra than I am in a pair of pretty knickers. I will go so far as to say that I can and do turn femme lesbian to a girl or young woman who is butch and is obviously taken with my breasts.

D: Have you had lesbian affairs as a femme?

J: Yes. Quite a few. I am bi-sexual. But I must say I do prefer sex with men to sex with girls or with women. I am afraid I rather baffle and most certainly frustrate men with my liking for sex with my breasts and nipples rather than being masturbated by them.

D: What about intercourse?

J: I prefer it in the rear-entry position and ask the man to hold and to play with my breasts and nipples as he screws me in the rear position. That way, I can achieve multiple orgasms that are transmitted from my nipples and my breasts to my genitals. Invariably, if a man screws me in the rear position but does not at the same time play with my breasts, I cannot and do not come, even once.

D: And in face-to-face intercourse?

J: If the man can suck my nipples while he screws me or play with my nipples while he screws me, then I can come well. Otherwise, it leaves me quite cold for him just to lie on top of me and to screw me. Even if I can feel his chest, hairy or otherwise, pressing down onto my breasts. I have to have finger, hand or mouth or tongue stimulation of my breasts and nipples to be able to orgasm.

D: Does the situation worry you?

J: No. The only worry is telling a new fellow about it so that he just does not go blithely on poking my vagina, rubbing my clit or screwing me and thinking he is bringing me on. He has to be told. As I have remarked, some men do not take kindly to it, for not all men

are breast-men, as of course you know.
D: Yes, that is indeed so.

J: Anyhow, bottoms-men have their fill with me, if you will pardon the slight pun and legs-men, well, they see and handle my thighs. Breast, men, of course, have a field day with me!

D: Do you have any lesbian relationships or mild adventures at least with girls or young women who are gay and who obviously admire your breasts?

J: I certainly get approached by butch lesbians at discos and in certain gay pubs and I will readily admit I have been home with a few and have allowed them to play with my breasts.

D: And with them, you have achieved orgasms?

J: Oh yes. But I really prefer men. Young men. Men of my own age and just a bit older. Some men come to my department at the store to buy a bra for their wives. I enjoy talking breast-measurements with them and sizes and shapes of cups and bras. Quite often I am rather embarrassed to say, I have struck-up a relationship with a man over the question of buying a bra for his wife or his girlfriend. We have met several times and invariably the fellow has been a breast-man and that has been why he has been buying a bra. At my pad, I have several sample bras of all kinds and have sex fun trying them on in front of men like that who have come into the department and with whom I have started an affair. It ends of course. I mean, three weeks is about the duration of an affair with me and a fellow. Then I have to go in to my next. Because I am in a constant state of wanting various nice men to see and to handle and to suck my breasts.

D: It seems you completely enjoy being a female?

J: Oh yes indeed! I would not wish to be anything else! Well, I mean, I could only be a man if I wasn't a female! Mind you, I do admire men very much. I like the average man's body when it has been kept in trim. Is neat and clean and not horribly hairy. Or fat or paunchy. Just slim and lean with small bottoms. And nice looking of course. And with a good head of hair as well.

D: You are very slim and stylish. Your bust is large. Do men ever say what a large bust, what large breasts for a slim girl?

J: Oh yes indeed! But they say it in a nice way. They say it as if they appreciate the act that with a large pair of knockers as some men call them, I have not got bulky, spreading hips or thick

Joan apparently gets a better orgasm from having a cock between her breasts - than legs!

thighs or a too-big bottom or hefty shoulders. So many big busted girls are obese and have large tummies and far too much flesh on them.

D: What is your attitude towards marriage?

J: Doubtless one day, I shall be pleased to marry. My only regrets are that I shall lose my slimness in pregnancy and have those stretch marks on my tummy after having had a baby and I fear I will lose my nice breasts then, the firmness will go, once I have weaned a baby.

D: You can always look after yourself after the birth of a child.

J: Yes I know. But the procreation and birth invariably spells finish for a girl's body. I have seen it happen so often with girlfriends of mine. I wouldn't get married and not have a child. That is a mockery of marriage I think. At least, one baby.

D: And you would explain your breast-fixation to a man who proposed to you?

J: Oh yes. In any case, I always explain it to a man once I know I am starting an affair. I tell him about my orgasms that I get more from breast, play than from genital play. No man has yet failed me on that point. I mean, not understood just what I mean. Or not played ball with me and stimulated my breasts in love-making and in intercourse. Anyhow, as I have already mentioned, I very much hope to be promoted to chief buyer for my department and that will mean travel to the Continent and to the United States from time to time. A husband would be a bit of an encumbrance under such circumstances. As a chief buyer of foundation garments of all sorts, I would rather imagine I would be open to all sorts of opportunities for sex and I would meet breast-conscious men in the trade who would be only too ready to take full advantage of my assets!

D: All-in-all, would you say big-breasted girls attract men more than

average or small-breasted girls?

J: Its difficult to say, really. I mean, you walk down a busy street and men are walking towards you. Some look at your face first, others give a very obvious and deliberate stare at your genital area, you know, just where the vee of your knickers show in front under your skirt or dress as you put one thigh in front of the other as you walk. Others stare at your thighs and at your lower legs. But others do most certainly look direct at your breasts first and foremost.

D: And that of course happens to you?

J: All of the time! It is unavoidable I suppose, since that is the first part of me that is obvious coming along a street. Specially since I rarely wear a bra. Well, that is to say, I have to wear a bra in my job as head salesgirl and it is obviously one of the firm's bras, but in private life, socially, I rarely if ever wear one.

D: Why not?

J: Because I suppose, I am afraid I am a bit of an exhibitionist you see! I am very breast conscious and I simply love to know they are bouncing up and down inside my shirt or blouse or dress. And I am very keen on cleavage, of course.

D: Well Joan, this has been a very frank and revealing and interesting discussion, on the merits and the demerits of having and not having a good pair of breasts! You have made very interesting observations. In your case there doesn't appear to be any subtle reason for your development of large breasts. I mean, it has been and quite obviously still is a perfectly normal desire to possess a beautiful body and the reasons for your breast-complex are very obvious and simple and straight forward. With some girls and women there is very often some sort of sinister motivation behind the acquisition of breasts larger than usual. Your contribution to our short feature on breast-compulsions will be read with great interest, I have no doubt.

J: Thank you very much for inviting me here to interview me.

D: I take it careful dieting and regular exercising helped you to develop so well?

J: Yes. food is very important, diet, in other words. Also the question of what to drink and what not to drink is important too. Most important, I think is the matter of proper scientific and medical exercises designed to produced the best from the mammary glands. Lastly I would add that a positive mental attitude is very important. This helps to overcome prejudice with people who are more or less sort of embarrassed at your wanting to have a larger than usual bosom. Lastly I think I must add that nice, loving and understanding men are most useful in helping a girl to develop good breasts and nipples. A man's hands, and his lips and tongue as well, are very powerful things when it comes to making a girl's wish come true!

Careful diet - watching and regular exercise have aided her gross development

A personal message from Porno Queen

MARY MILLINGTON!

As you are probably aware, I have appeared in, and am at present the editor of, the only two genuinely hardcore pornographic magazines available on open sale in this country – the new FORTNIGHTLY Whitehouse (75p), and Park Lane monthly (75p). And, solely for the benefit of dedicated hardcore fans, I am now publishing six Whitehouse Specials – shrink-wrapped so as not to offend customers who are unaccustomed to Scandinavian-style porn.

HERE ARE MY SPECIAL OFFERS:

1. WHITEHOUSE & PARK LANE

Each containing 100 porno-packed pages, totally frank and explicit in the extreme, dealing with close-up colour shots of intercourse, oral sex (incl. sperm-sucking), vibro sex, fisting, The Bottle... all uncensored. Just 75p

2. THE WHITEHOUSE SPECIALS

Undoubtedly the hardest pornography ever published in Britain. Distressing to some, these books are not for those with a weak stomach, as they specialise in such subjects as bottle stretching and advanced lubrication techniques.

No. I PORNO ACTION

Close-up sperm and stretching techniques close-ups, from a handsome young couple to a group of aphrodisiac-crazed gang-bang freaks. Just £1.

No. IV SWAPPING ORGY

The entire gamut of freaky and perverted sex, too strong and distressing (for some!) to be properly described here. Just £1.

No. II MASTURBATION, DANISH STYLE

All the strongest spunky colour close-ups straight from the pages of the Swedish *Ero*, *Colour Climax*, *Private*, etc. Just £1.

No. V ORAL ORGY

Features couples, threesomes and foursomes sucking and licking, with actual come-in-the-mouth close-ups. And the strongest book in the set. Just £1.

No. III VIBRO GANG-BANG

The gang's all here – trying out all sizes, from the 4-inch "nipper" to the 17-inch "juggernaut". Watch that blonde bitch suck in that jumbo dick! Just £1.

No. VI TEENAGE SEX PARTY

The youngest girls take on the hugest cocks in a specially arranged extravaganza. NOT for the lily-livered. Just £1.

A FINAL WARNING –

as these products come to you EXACTLY as described, for your personal entertainment, they are FRANK. They are EXPLICIT. They are UNRETOUCHED and UNCENSORED. THE PENIS, THE TONGUE, AND EVEN THE FIST IS SEEN PENETRATING THE VAGINA. But it is most definitely NOT our intention to solicit orders from persons easily shocked or offended.

TIT FOR TAT

Tatty was a very pretty young girl. At eighteen, she had put her schoolgirl days behind her, hung up her short red school tunic, her white school shirts and her white school drawers and white knee-socks and had become a young woman. Most attractive, with her shoulder-length auburn hair, dark brown eyes, willowy figure. And her quite outstanding tits.

Tatty Ann-Davies was a bit embarrassed by her name while she was a schoolgirl. It was rather unfeeling and shortsighted of her parents to have had her baptised 'Tatty', since tatty usually means untidy, scruffy and badly-dressed. It followed that, as soon as she started school, she was in no need of a nick-name. She had one all ready made for her. Most of her various male and female school teachers at the two schools she attended from five to sixteen called her Ann in class, to save a laugh going up if she was ever addressed as Tatty.

Luckily for her she was more than extremely pretty. She grew into a young beauty by the time she was twelve and, when she was fifteen and sixteen, she was beautiful and quite the most sought-after girl in the entire school. Sought after, that is, for the school dramatic society, the lecture and discussion group, the school hockey team and finally, in her last year at school, for the Head Prefecture. While at seventeen and eighteen, Tatty had a genuine yen for boys and youths of her own age and for young men a little older than herself, at school, she developed several deep crushes on several butch schoolgirls who couldn't keep their eyes or their hands off her beautiful young body or their lips away from hers. At sixteen, her breasts were the envy of every girl in the school as they jutted proudly under her white school shirts, completely uncovered as she flatly refused to wear a bra. Notes were always being exchanged between the Headmistress and Tatty's mother on the question of her not wearing a bra. She would leave her home with a white bra on, call into a ladies loo on the way to school, discard it and go to school minus it. Finally, since Tatty was a very good scholar, very clever, very well up in all her studies, both the Headmistress and her mother gave up the unequal battle and dropped the subject.

Tatty's tits were the talk of the school. They were large, white, globular

tipped with pretty nipples about the size of small red thimbles, in a constant state of erection. She used to demonstrate how, by rubbing her nipples with her fingers and her thumbs together, she could induce orgasms in her hole and in her clit. She would show a scattering of admiring and love-lorn girls of her school this phenomenon in the playground loos, where, sitting on a loo seat with her shirt undone to her waist, her school drawers round her ankles and her school skirt round her waist, she would erect and massage her nipples and with wide open thighs, show how her cunt kept bulging out and spurting out a species of white 'come' from her hole as soon as she had being masturbating both her nipples for a little while. This phenomenon vastly interested her followers who did their best to emulate her but failed dismally. It seemed Tatty had very, very special tits.

At school, Tatty had been the voluptuous butt of every butch lesbian-minded girl and she had also attracted several school mistresses of varying ages. Tatty had a younger cousin, two years her junior, in fact. At eighteen, when Rose, her cousin, was sixteen and in her own final year at another school, they were both undressing together in the bedroom they still shared in their parent's house when the question of Tatty's extra large breasts and nipples came up yet again, as it had done, on and off, for years. Tatty was standing in the middle of the bedroom admiring her creamy nude globes and rubbing her nipples up into erection.

"Your breasts are marvellous" said an admiring Rose for the umpteenth time as she lay on their double bed also naked. "I wish mine were as large as yours. Do you think they ever will be?"

Tatty gave her cousins average sized breasts a glance. "I don't think you will ever have a pair quite so big as mine" she said. "In the first place, you don't massage them and rub your nipples the way I do mine."

"That makes you come, doesn't it?"

asked Rose, watching Tatty at the job of massaging both erect nipples, growing pink in the face as her orgasm started to well up between her straddled legs and thighs as she stood looking at herself in the dressing table mirror.

"I'm shy to do it" replied Rose.

Tatty became lost for a moment or two in her climaxes. Rose watched as several small spurts of whitish fluid came out of her cousins distended hole and squirted down onto the bedroom carpet.

"You come like a boy comes" observed Rose in admiration. "I can't come like that when I poke myself or rub my clitty. Even George can't make me squirt out the way you do."

"Oh?" said Tatty with interest, stopping her massage and sitting down on the bed with her cousin.

"So young George tosses you off now, does he?"

Rose went pink and smiled at Tatty.

"And how many fingers does he use?" went on Tatty.

"He can get three inside and up me" replied Rose. "He does it to me at his place when his parents are out. He's always asking me to wank him off as well."

"And don't you?" asked Tatty.

Rose blushed prettily. "He has such a big prick, even though he is only six months older than me" she replied. "And when he tosses off while I watch, he lets out simply gallons of spunk."

"Well, wouldn't you like to do that to him yourself?" went on Tatty, looking down at the tops of her cousins thighs which were open on the bed and seeing Rose's lips parting as they talked of these erotic things.

"Oh, I've held his prick in my hand" said Rose. "And I've moved my hand up and down him a bit. And made his pink knob swell up big and shiny, but then, I've sort of not wanted to feel his wet spunk all down my knuckles so I let go of him and tell him to finish himself off while I watch. I like to watch him

and to think of all his white stuff going up into my hole if I was being fucked by him."

"Don't start fucking till you have been on the Pill like I have," warned Tatty. "But at least, you can wank the poor fellow off. Boys expect it, and want it you know."

"I do know" agreed Rose. "Other girls at school are always telling about what they do to their boyfriends, one girl last week brought in a small glass tube filled up with her boy's spunk and showed it off to us. She said she had milked it out of him the evening before and had scooped it up into the small tube from the palm of her hand. I expect one of these days I will get round to wanking George off properly."

She looked at Tatty's tits which were nearly forty inches.

"I bet it feels nice" she smiled, "when you walk around as you do with no bra on and your tits flop up and down inside whatever you are wearing. I like the feeling, even with my two small tits, so what it must feel like to you with your enormous ones, I don't know!"

"sometimes I come into my drawers when I am out walking and do feel the nipples inside my shirt rubbing up and down the material" agreed Tatty. "But I get my best sensations from when a boy has me on my back on the grass, or in his car or I am in his bedsit or whatever and he is walloping my breasts up and down with his hands. Next best thing is him sucking my nipples off and the next exciting thing is when he fucks them with a stiff prick."

"How can a boy fuck your tits, for heaven's sake?" asked Rose wide-eyed.

"Easy" rejoined Tatty. "He lies on top of me with his prick stuck in-between my tits, facing up so that I can look at his knob shooting up and down in the cleavage and he just suddenly comes and shoots it all out all over my throat. Smashing!"

"Marvellous" breathed Rose, her eyes shining.

"Or he lies the other way" went on Tatty, "with his bum in my face and goes in and out of me that way and when he comes it all shoots down onto my tummy and his bottom and his balls are in my face and I can watch all the action from behind him."

"My tits aren't large enough I suppose" answered Rose, "for a boy to be able to do that to me?"

"You would have to hold them together" said Tatty, "So that your tits held his prick in tightly otherwise he wouldn't get any sensation on his knob, see, and he wouldn't be able to come."

"I suppose" went on Rose, "You take it up your cunt don't you?"

"Of course I do" replied Tatty. "Its smashing. You ask mum to get you put on the Pill now that you are sixteen, then you can get fucked as well."

"I'm open" said Rose. "I mean, I've already broken my hymen."

"Good kid" smiled Tatty. "Its far better doing it yourself with your fingers than getting a boy to fuck you and break it for you. I did mine with my fingers when I was fifteen so when I had my first fuck up against a wall, just before I left school, with a boy who had a French-letter on, it was all ok for him to get up inside me without causing me any pain."

"What does it feel like?" asked Rose, "To have a horny prick tight up inside you?"

"Spectacular" said Tatty. "Specially when a boy does it to you from the back and squats over your bum and puts it in and holds your tits round the front and wanks your nipples off as well. Or wanks one nipple and your clit with his other hand."

"You are lucky" sighed Rose. "Having all that sex fun. You are so pretty, so beautiful, any way, I bet every boy who meets you wants to be sexy with you."

"Oh yes" agreed Tatty. "Even little boys of fourteen and fifteen get a horn when I speak to them. I see it in the fronts of their trousers."

Would you like to wank off my nipples?" asked Tatty, "And make me come in my hole? If I kneel up and then squat down in front of you on the bed with my thighs wide open and you put out your hands and rub each nipple for me and look down at my open cunt lips, you will be able to see me squirt as I come."

"Could I?" breathed Rose, flushing up.

"I'd love you to" said Tatty.

Rose knelt up and went back on her haunches in front of her cousin and looked down at Tatty's wide open lips as she started to rub and to tweak her nipples. Sure enough, after a very short while, Tatty began first to dribble from her hole, a sort of transparent liquid like water. Then it turned white like milk and started to pulse out of Tatty's hole which had now become very visible between her open lips.

"Its marvellous" said Rose, as she watched her cousin with bated breath and went on rubbing her breasts and her nipples. "It looks just like George looks when he lets his white stuff come out of his prick."

"Its not all girls can come real come" said Tatty, after Rose had left off masturbating Tatty's nipples. "Its not real come like in a boy of course. Its love juice really, you see. But some girls like me have such a lot to shoot out when they are being wanked or fucked that it all sort of froths up inside them like milk, like a boy's spunk, and gets shot out of her hole rather than just dribbling or flowing out."

"I can't do it" said Rose. "When George pokes me I let out water but it never gets white and never just shoots out like yours did just then."

"It may do as you get a bit older and more experienced and more sexy and more sensitive there" Tatty reassured her cousin. "You have to be a very sensual person, you see. Over-sexed, I suppose I mean. I mean always wanting sex"

"Do you always want sex then?" asked Rose.

"I toss off at night when you are not here" smiled Tatty "And in the bathroom or in the loo first thing in the morning. And often in the loo at my office. And then of course I always come with a fellow when I go out in the evenings and weekends. I suppose I am over-sexed, really. But it always makes me feel good. And that's why, when I get my periods, I don't get much pain. I'm sure that being fucked so much and having my tits wanked and wanking them off myself so much helps to keep

my genital muscles relaxed, you know, the hole in my cervix and the stretching of my cunt hole itself that it makes periods far more easy for me."

Tatty bent down over the now reclining form of her cousin and gently inserted one finger up her hole. Rose blushed, smiled and closed her eyes, arching her back up off the bed. In a second, Tatty was up her with a second finger and starting to masturbate her wildly. She looked down at her cousins blond hair fanned out around her face and at her closed eyelids and at the small smile on her lips. Suddenly Rose started to buck up and down under Tatty's fingers and to come quite violently. She cried out loud as a cycle of multiple orgasms set in under Tatty's skilful touch. Tatty had done this often to girls at her school in the past when she had felt like being butch with them.

"I suppose that was naughty" said Rose when it was over and she was sitting up on the bed again.

"How naughty?" asked Tatty. "Well, I mean, one cousin poking another cousin" replied Rose.

"Our parents might think so" agreed Tatty. "But I bet it goes on a lot in families. I mean, its not like a brother and sister having sex. That's incest, sort of thing. But, well, two cousins, I don't know what they could call that?"

"Sort of Lesbianism?" suggested Rose.

"Sort of" agreed Tatty.

"Anyhow it was jolly nice" smiled Rose.

"Then do it to me" replied Tatty, lying full length down on top of the bed and opening up her thighs and legs. She pulled a pillow down and put it under her bottom.

"Poke me" she said.

A little while later, Rose was watching wide-eyed as Tatty's plentiful supply of love water and white come, like liquid was spurting out of her hole round her fingers as she ran them up and down very swiftly into her cousin's hole. She wondered as she did so, how many stiff and thick and long pricks had been up that hole and how many pairs of balls had knocked heavily against the lower cheeks of Tatty's bottom while she had been in the process of being fucked by boys and young men in her life so far.

"Smashing" she breathed, as Tatty put a restraining hand on her cousin's hand to indicate she couldn't take any more. Rose slowly and gently withdrew her two fingers from Tatty's red hole and watched the hole gradually close up and the lips fold back over the hole. Tatty's auburn hair rose in a cloud on her pelvis and framed the two sides of her slit with coppery wisps of hair.

"So you've seen what my boyfriends watch when they poke me" smiled Tatty.

"Nice for them" replied Rose.

After that hour or so of sexual revelation, the cousins fell asleep. When they were in bed together each night after that, they sexed each other and, under Tatty's skilful touch on Rose's breasts, they were both delighted to see that Rose's tits started to get bigger. Two months later, Rose had put on quite a lot and her breasts had gone up from thirty to thirty four. In the meantime, Rose, growing more venturesome under her cousin's in-

fluence, had been encouraging George to massage her breasts and to tweak and to suck her nipples more and more. One evening, in George's car Rose was flabbergasted to feel orgasmic sensations rising up in her cunt inside her wet knickers as George, with his hand under her sweater, was massaging her breasts.

In bed that night she told Tatty she had started to come into her drawers as George had massaged her tits. And indeed, the gusset of Rose's knickers was soaking wet when she took them off and showed them to Tatty.

"Good for you" smiled Tatty. "You must have some of my sexual nature in your system. I hope you have, for I have a wild time with myself and with you when you rub my tits and when my fellows do it for me."

That night in bed, Tatty wanked Rose's nipples off and, sure enough, Rose started to whimper as she felt her hole opening up and all her wet coming out of her to the accompaniment of a series of beautiful orgasms.

"I guess you've made it darling" smiled Tatty, as she sat back and looked down at her cousin's far bigger and more voluptuous breasts and larger, pinker stiffer nipples.

"George is just crazy about my tits" said Rose to Tatty a month later, as they got ready to go to bed together as usual. "I told him about you and your lovely big tits. I also told him what we do together and how you have helped me to grow bigger and better tits and he was jealous! Just imagine him being jealous of you."

"Men get jealous" replied Tatty

"About almost anyone who has any sort of dealings with their girlfriends. And, when sex of any sort enters the scene, they are liable to get real mad. Its a question of vanity you see. They think that, if anyone else has any sort of sexual dealings with their girls, they are being sort of brushed off. Men get very possessive about possession of a girl."

"Do girls get sexually possessive over their boyfriends?" asked Rose.

"I think they do" replied Tatty. "I readily admit to feeling jealous and possessive over some of my boyfriends. Mind you, I have yet to be told by one of my affairs that he is having it off with his brother like one might suggest you and I are having it off with each other."

"What George doesn't realise of course" said Rose, "Is that you and I aren't exactly having it off with each other. You are helping me to develop physically by massaging my tits for me and teaching me how to develop them into erotic zones as they really should be. I mean, I've heard tell that most girls can get sex feelings from their tits. I want to as well. You have helped me to realise that ability."

"I take it George can now bring you on by massaging your tits?" asked Tatty.

"A little" replied Rose. "No where near as well as you can."

"That's because you tend to hold back" replied Tatty. "I mean, no doubt you feel shy and embarrassed maybe and that, of course, tends to inhibit you and you sort of tighten up between the legs. With me, we are so at one with each other that you accept tit wanking

from me and now come freely when I do it to you. You must try to cultivate that freedom from inhibition with dear George."

"I tend to come more when he sucks my tits" went on Rose. "Its a pretty marvellous sensation having a man's well, a youth's lips on your nipples and to feel his tongue flipping back and forth over them."

"Does George lick your cunt as well?" asked Tatty.

"Yes. He's very good at that" said Rose. "He's been on that lark ever since I first allowed him to be sexy with me. He is a sexy sod, is George! He has a very long dong for his age, nineteen, and his balls as well and when he comes I sometimes wonder when he is going to stop spurting. Oh yes, a very sexy boy!"

"Like I said, get on the Pill" advised Tatty. "And get fucking! There's nothing like it for ending up a love-making session. Its what all the fornication is about really. Its the end product of wanking and poking and licking and sucking, after all, isn't it?"

Three months later, Rose's tits were 40, like Tatty's. The cousins would lie in bed together, side by side and rub their breasts together so that nipples rubbed against nipples and they both started to be able to come at the same time.

"Lesbian cousins!" murmured Rose, as a little later on that month, she had the impulse to start to suck Tatty's nipples. Her cousin's reactions were so violent Rose withdrew her lips from one of Tatty's stiff red ones.

"Please don't stop" said Tatty, pulling Rose's face down to her nipple

again. "Its just wonderful having you do that to me. I was coming, that's all. That's why I get a bit overwrought."

Rose returned to her pleasant task. When Tatty had had enough, she turned her attention to Rose's stiff nipples and, after sucking them a little, Rose also went into a cycle of non-stop orgasms.

"I wonder if it all has to do with the fact that babies suckle their mum's tits?" said Rose, "And I have heard that some mothers do get orgasms from having their babies suck their breasts, especially if it is a boy baby doing it. Do you suppose you and I get orgasms from a sort of potential maternal instinct?"

"That's going into the subject rather too deeply for me" laughed Tatty. "I prefer to think its because we are girls together, not necessarily cousins, and that we might even be superimposing a boy into each other. I mean, when I am sucking you tits, you are superimposing George onto me and fantasising it is George at your tits and not me at all."

"Oh no" exclaimed Rose. "I know it is you, I like it being you. I want it to be you. George is way out of my mind and completely forgotten, believe me. Why do you superimpose a boyfriend of yours onto me when I do it to you?"

"Not one little bit" said Tatty. "I never think of anyone but you at the time."

"The thing is" went on Rose, "I get a helluva better time with you sucking my tits than I do when George sucks them. And that makes me think I am getting a thing about you."

"Well" said Tatty "We are the same blood aren't we after all?"

"You mean, its a sort of sexual sympathy between us?" asked Rose.

Tatty nodded. "That's what I mean"

she agreed. "I see no reason why such a rapport should not manifest itself between two sisters. The blood-tie can work in other ways, like telepathic communication between identical twins, for one thing, so I don't see why a sexual communication should not and could not and does not exist between us."

"Now who's getting deep?" smiled Rose, as she hugged Tatty to her breasts again and once more they began to orgasm each other through close nipple contacts.

George and Rose were lying on his bed in his bedsit. George, tall, slim, blondish and goodlooking, had his fingers up Rose's open cunt and, at the same time as he was poking her he was massaging her nipples. Naked, she was enjoying an orgy of comes while her hands was gently rubbing George's extended prick over the soft silky texture of his slips. She could feel with her fingers the spread of his love juice as it stained his white slips and made his knob very sensitive.

"That's wonderful, George" she murmured as the combined gentle thrusts of his two fingers into the depths of her hot wet cunt and his busy fingers over first one nipple and then the other nipple, made her start to ooze out her girly come over his fingers and out of the tiny gap between the rim of her wide cunt and his knuckles.

"Better than your cousin Tatty does it to you?" asked George, in a slightly jealous tone of voice.

"Far better" lied Rose. "Anyhow" she went on, "Tatty doesn't poke me up my cunt, you know. We aren't that bad."

George bent down and as he tweaked and pulled and rubbed Rose's right nipple, he started to suck her left nipple while at the same time starting to

poke her even further up into her cunt, soft and hot and wet and vulnerable as it was.

A night or two later in bed with Tatty, Rose flushed hot all over and said to her cousin, who was already massaging her tits for her, making her nipples stand out and straight up, "Would you poke me Tatty?"

"You mean, your cunt?" said Tatty.

Rose nodded. "Would that be very naughty?" she asked.

"It would mean we have gone a stage further in our feelings for each other." replied Tatty.

"Will you?" urged Rose. "Please?"

Tatty's fingers went to Rose's cunt as she opened up her thighs. "It's naughty, in a way" said Tatty, as she felt her fingers sinking into her hot hole. She quickly brought Rose to orgasm. Rose sighed with pleasure and before Tatty could demure, she had slid her young body down the bed as they both lay in their nakedness on top of the coverlet. Rose's eyes were exploring her cousin's very wide and mature hole and cuntlips and her fingers were entering them. A few gentle in-and-out movements and Tatty started to spurt out quite dramatically onto the palm of Rose's upturned hand. And under Rose's fingers there flowed a small stream of white come, or so it seemed.

"You look just like a boy coming" exclaimed Rose, as she watched what was coming from her cousin.

Exactly six months later, George had been given the brush-off by Rose and all Tatty's boy and men friends had been given a similar brush-off. Rose and Tatty had found a particular and a peculiar kind of happiness with one another. They were to stay that way well into spinster middle-age, and beyond.

Dear Sirs,

I remember my grandfather, when I was very young, taking me to a circus and telling me about funfairs in his young days when they had Freak Shows. One of the most popular freaks in such shows, he told me, was the Fat Lady. Apparently she was of grotesque dimensions as indeed were scores of Fat Ladies employed in fairs and Freak Shows of his era. In England, at least, Freak Shows no longer exist, because society is more sophisticated and recognise freaks to be people suffering from glandular imbalance of many sorts and therefore they are to be pitied (or treated) rather than be put on show and laughed at by men and women and children. The Bearded Lady, my grandfather told me, was also popular. Well, today, we all know, or most of us have a working idea why women can develop distressing and grotesque fatness and why some women can develop beards and moustaches. The reasons are no longer freakish. They are cases for medical concern and treatment. Six Freak Shows still exist on the Continent of Europe I am told, in which sexual personalities such as true hermaphrodites are on show girls with three breasts and so on. Where sex sensation is concerned, of course, it is considered sophisticated to put on public display unfortunates who, because of quirks of Nature in a mother's womb, have been born with sexual characteristics at variance

with the norm. I honestly believe that english people, anybody fact, who belongs to Great Britain, would shun such freak sex shows if they came over here. I think it is most unkind to revel in other people's discomfiture, more so to commercialise it and to make money out of it. Don't think I am carping or being unpleasant, but all the foregoing remarks are intended to lead me up to the question, why are girls and young women revealed in big-breasts magazines with their unfortunately over-large and obviously medically, incorrect breasts? This is as much a glandular, metabolic, body-chemistry disorder as was that of the Fat Lady and the Bearded Lady of my grandfather's day and age. The position is, of course, that this is the only sexual-freakish condition that we do allow in England. There are such girls and women on exhibition in Continental sex shows. So I am incorrect in one respect when I say we would not use sexual misfortune to be exploited over here.

N.M. Hampstead. N.

Dear Sirs,

Its my candid opinion that a girl who has outsized breasts but an other-wise reasonably normal figure is a bit grotesque. When you see a fattish girl, you expect to see she has large breasts, but when a girl is tallish and fairly slim yet is bulging with tit, lets face it, this does look bizarre? But I won't run a mile from a

slimmish, tall girl with large breasts. No sir. I will run towards her, or to put it more delicately, I will make her acquaintance, like touching my forelock or picking up the knickers I have observed have just dropped down under her skirt and I will say, "I believe you dropped these, love?" and hand them to her. If, by any chance, her knicker-elastic has been strong and she has not dropped her drawers, I will whip out my crumpled packet of fags and offer her one. If she says she doesn't smoke I will strike up a conversation about the known evils of smoking. If she does smoke, I will light her fag up for her and start a conversation about the merits of possessing large tits, such as the ones she has on at that moment. If she appears to be flattered about my remarks, such as "I can see your nipples through your thin top", or, "You have very large tits and I would love to wobble them in my hands" then I will ask her if she would like to go somewhere private, where she can let me have an eyeful, and a handful.

By this time the girl should have realised I'm not trying to con her. I really do like her tits. So she should smile and say "How's about that long wall along there by the canal?"

It should look ideal for tit-holding and tit-watching so we move towards it under a green gaslight so that I can see what I am doing. Mind you, I'm not too keen on pale green tit, the light makes the red nipples look

black, but sometimes you have to take what you can get.

With her back to the wall, I kiss her just to make her feel at home with me. As I kiss her I feel her hands go down to my zip and let it down. Further, her hands go to the clasp of my trousers and undo it and I feel my trousers slipping way down my thighs and legs to my ankles. Further, her hand pulls up the short crewneck sweater I have on. Further, she caresses my bottom over my briefs and pulls and pushes them down as well. The cool, late evening air breezes around my bare bottom and her warm hands are on my balls and my swiftly rising prick.

Meanwhile, I have been undoing every button of her top down to her waist and, luckily, she has no bra. Her pale green breasts, with the black nipples, tumble out into my eager hands and the flip-flap-flap begins. As I flip her up and down and from side to side, her hands go to her hipster knicker-elastic and I feel her drawing her drawers down and they slip down her stockinged thighs to past her knees.

"Fuck me as well" she say. I bend a little, insert my cock and straighten up again. This chick then sighs with joy and as I go on flip-flap-flap-flopping her tits in my naked bare hands and tweaking away at her nipples, I also start a slow piston like movement into her smooth, gushy hole. All is well. She is being fucked as requested. I am wanking her tits off as was my desire. The combined sensations of her tits in my hands and my cock up her twat have the desired effect. She comes. I come. Her hands in the cheeks of my bottom, press me into her as far as I can get.

Two girls arm in arm walk slowly by and I hear one say, "Oh look Martha, there's a fella fuckin a girl up against the canal wall." The other girl I hear say, "Fuck me, and in public too!" They walk on as I feel this girl's hot wet stuff flooding round my prick

as my stream shoots out and up and into her and I feel her nipples under my fingers getting stiff and hard.

After I have drawn myself out of her, makign a noise like a champagne core out of a bottle and she has tucked her tits back into her top and buttoned herself up, I take a look at her stocking-clad legs and thighs. They are hold-ups, hence the ob-scence of a garterbelt against my bare tummy. I watch her as she pulls up her little green drawers, so I reckon they must be white without the green gaslight. Looking up the pathway, I see those girls have stopped and are watching us. I turn round to give them both a flash of my still pretty stiff prick and they giggle and turn and walk away into the gathering

gloom.

"Well, that was nice," the girl says as she lets down her skirt. "By the way wot's your name?"

I tell her Roderick.

"Roderick the Rod" she giggles, as she watches me pull up my scanty yellow briefs, rather blue in the green gaslight, and then my trousers.

"So you like tit, do you?" she goes on, conversationally.

I fetch out my fags and we both light up. she is very pretty in the flickering flame, with deep dark eyes and I feel I would like to have her again, in better light and more comfortable conditions, I tell her so and she laughs and says.

"Well, I don't mind if I do." And asks, "where to, for instance?"

"My digs" I answer grandly, as if I at least owned a penthouse. In fact, I live in one room up a back street behind the canal near that sweet shop where that old man was murdered last year, remember?

We walk slowly back to my digs, my arm round her waist, feeling the rhythm of her hip going up and down as she walks and her hand half down over my bum feeling the rhythm of my cheeks going up and down as I walk.

Nice to lie on your back in bed at night all by yourself and to have such imaginings, isn't it? But I do go for girls with big tits. I don't like fat girls with big tits and with big bottoms. The big tits don't show up as much as they do on thinner better-shaped girls. I am a keen spectator at pubs where they put on those topless Go-Go girls. Some fellows keep their lamps glued onto the girl's face because they are embarrassed to be caught looking at her boobs. Other fellows fix their eyes on the girl's knicker and cunt-line. Me, I set my eyes on the girl's boobs and I'm not ashamed to be seen doing so either. You gotta specialise, see? And I specialise in girl's boobs. There's always something very satisfying I think, in having an eyeful or a handful

If you can't make it to either shop to meet the lovely sisters in person you can still see Mary in her film 'COME PLAY WITH ME', still showing at the Classic Moulin, Gt. Windmill St. London W.1. see page 3 or 8 for stop press details of provincial release dates and towns.

(or both) of a girl's tits. They are very unusual and exciting projection from a female body. Like a man's cock is a very exciting projection from his body. Its always what sticks out that makes all the difference. Its because a girl's cunt goes in instead of sticking out, that makes a girl's boobs so exciting and its because a man's prick stick out that makes his chest so unexciting.

Girls like to have their tits sucked by a fellow because it gives most of them orgasms, lucky bitches, and also because it makes them think of being mothers, you see. When I get my cock sucked by a girl it makes me orgasm alright, but it doesn't make me think of being a father.

I do take home girls with big tits to my digs by the canal. But I have never screwed a girl up against that canal wall like I described a little earlier.

R.O.G. Manchester.

Dear Editor,

I am a member of the Mary Millington Fan Club. A girl, you will guess, though of course, I do not doubt but that millions of youths and men are also members of her Fan Club, and of many clubs throughout Great Britain who make it be busienss to be nuts over her and tt be in love with her from a safe distance. And I bet there are countless lesbians

who worship her and wonder is she, or rather, would she be butch or bitch on the les scene? I am a butch les, so you may as well know it if you decide to publish this letter of mine in your magazine. I think Mary Millington is wonderful and I could take her to bed with me any night and teach her what the scene is all about! However, I bet she is absolutely heterosexual in spite of the fact she often tells us in her magazines she is bi-sexual. I bet

she just says that to satisfy all men and all girls, who are her fans and who look at her sexy photos and read her sexy articles. anyhow, knowing there was a new film starring Mary at the Eros Cinema in Piccadilly, and having seen her very first big film - *Come Play With Me - I* and twelve of my lesbian friends who belong to the Mary Millington Fan Club, went along to the cinema to see her in David Sullivan's newest film, *The Playbirds*. We all expected another expose of the bright and sexy side of her but, instead, we saw a most powerful dramatic aspect of the very same Mary. In other words, the film, *The Playbirds*, is a real down-to-earth drama instead of being a comedy. But it is even more packed with sexual significance than *Come Play With Me*. And the reason for that, me and my friends all agree, was because all the sex sequences that take place on screen with men we all recognise from the cine and on telly, are played for real, without any belly laughs. Get what I mean? A fuck scene is for real whereas, in the other film and in films of that sort, most sex scenes appear to be simulated. Not so, it appeared in *The Playbirds*.

I am perfectly sure that most of the young birds in the film, gathered together from models and beauty queens and movie starlets weren't acting out parts when they appeared to be being screwed by men on screen, and played about with as

well. when the real story broke, and a killer fiend appeared in the story, bent on doing the girls to death as well as doing them, the atmosphere tensed up no end. It was then that our Mary started to show herself as a clever, dramatic actress. Whether she was being done for real or not I can't say, and neither could most of the girls I was with that night. If she was, she looked to be having a fucking fine time and if she wasn't then she was proving herself a good actress! We were all very thrilled with the film. I personally admired David Sullivan very much when it comes to the magazines he used to publish before he turned film producer. I also admired him very much for his production of *Come Play With Me*. What made him think of breaking into real deep screen drama escapes me. But it was quite obviously there for him to do and done it he has!

The girls and I were very interested in the plot, by the way, the question of this pathological killer doing-in those girls from a deep sexual motivation.

That is the one of the things, you know, we lesbians have against the male sex. Their preoccupation with the sadistic aspects of sex with girls. David Sullivan's new film pin-points that but in a realistic and a searching manner. By no means does he play sympathetically on the sadism scene, rather does he try to understand it and through the characters in his

film, to try to analyse it and to give reasons for its presence in the minds of some men. He really does handle the situation most skilfully and, from a purely 'cinema' point of view, he puts the problem over very well. But I

don't think the film will exactly help girls to like or to love men. We lesbians don't mind, of course, since we dislike men in any case, more especially from a sex angle. But we wonder will this film about the brutal attacks of a male on several females make them too aware of the potential sadistic natures in some men? It could, of course, serve as a warning and help to make girls more careful in their dealings with strange men, especially of older men. The message in the film seemed to us to be that the more glamorous and sexy a girl is the more certain type of man will grow to resent and then to hate her, ending up in a desire to kill her.

However, *The Playbirds* has got by the censor with a certificate so it is obvious the authorities see no basic harm in the film and they most probably realise it may well do some good in certain directions. I think it will, anyway.

Ms. Rose. H. Streatham.

LADY CAN'T SAY NO

A viciously effective 'whip-hand' stimulator (available in black or white), as favoured by the ladies of the Brazilian aristocracy. Its unique snake-like action mercilessly activates the nerve endings of the vaginal orifice, nerves which are by-passed by the conventional vibrator (which is active only at the tip). This unique action also stimulates the lubrication duct, and women who 'thought they knew themselves well' report a massive increase in fluid emission, after just a few moments alone with the Vibrating Penis. It is contoured according to the penis of a donkey (which has more pleasure-giving bumps and ridges than the human penis), but is sensibly proportioned at 7 1/2 inches long. Until very recently, the Vibrating Penis was a black market item selling at £10 or more, but we are able to offer this brand new concept in female stimulation at the more reasonable price of £3.99 post free. AVAILABLE IN BLACK OR WHITE.

SEX BOOST CREAM

To be rubbed on the male penis before intercourse and on the female vagina. This cream lubricates AND intensifies the sexual pleasures of intercourse. GUARANTEED TO TURN ON ANY WOMAN, a real passion raiser! Would turn a nun into a nympho! £3 a jar.

A new series of strong virile male action mags. Large format to highlight the action, superb colour and reproduction - and new models, many of whom are not professionals but have been caught unawares by a friend's camera. GAY ACTION SPECIAL NO. 1 Packed cover to cover with a variety of men, from 14 - 22, who revel in showing off their grand penises. They have a nob size that will astound and delight. Young boys of 15 with a manhood that must be 14", more active men of 19 who jointly admire their size and play together, and those who have reached 21, consenting together to attain full mutual satisfaction. Erect men, but many who stand proud with their 10" are dwarfed by the true "king" sizes of several of the others. Camera close-ups zoom straight in on every member and none of the action is missed, so that the viewer is involved with a sense of fulfilment. This is truly an advanced publication, yet we are happy to offer it at the special price of £2.50 only. GAY ACTION SPECIAL NO. 2 This magazine again features in the same candid provocative detail the same age

groups as FRED, but there is all action throughout. Spunky indoor (bedroom) shots, and unsuspecting outdoor glimpses. The main point is the giant sizes of the organs, but when two young men lie together they get turned on looking and playing with each other, and naturally they seek greater fulfilment, contact and relief together. All this is clearly shown, but it shows how happy two men can be together and how completely satisfied they can be. Big boys throughout, and big value for money at the introductory price of £2.50. DYNAMO NO. 3 Hardcore homo action from the United States showing exactly what united means. Words cannot adequately describe the sensitivity with which these photos were taken, you must have this in your collection. Worth more than double the £3.00 selling price.
