THE BEAUTIFUL BUSTY PORNO PEOPLE

CHAPTER TEN

Bruno was to find out that making up a sexy trio for the purposes of shagging was not free from snags. That he had ever thought it might be was because of his arrogance. What he lacked in erection ability he made up for in conceit. True, getting undressed in front of two girls was a horny zesty experience, a kind of bragging which appealed. He strutted around the ornate master bedroom oblivious of the fact that Rita and Elaine were silently hating each other. Being feminine, they had no delusions. It was nice to hate something. A woman knows the beautiful joy of loving and hating. And Rita practically spat when Elaine slowly undressed and got down to briefs and bra.

"Shit!" Rita eyed the other's flesh. She'd expressed her opinion.

She was bigoted, of course. There wasn't a man alive on this planet, whatever race or creed, who wouldn't have thought Elaine's shape was a maddening sight for sore eyes. She was, in other words, a lovely beddable dish, with her red hair and those greenish cat eyes and that plump spread of tit and screwable buttock.

And when Rita slid defiantly out of the new dress that Bruno had paid for, Elaine sneered at everything that Rita Bell had in the way of lush anatomy. But Bruno was oblivious. A dream was coming true. Two birds and one master! Two young lumps of fuckable meat! He wasn't fantasising, was he? It wasn't a dream!

He strode to the bathroom in his natty and scanty underpants so that he could take a hasty glance at his weapon. The damned thing was inclined to sink even with all this female flesh to titillate, but

that, of course, was because the monster was too heavy, too strong. He took a good look at the muscle length and came to the conclusion that this poker could penetrate anything soft, fleshy and available. It was a credit to his manhood. He was a very fit man — better than some of these yahoos. But of course his generation had never been pampered...

Satisfied that the erection would reach a terrifying stiffness when the moment arrived, he returned to the big bedroom. The heat was almost overpowering. He had turned the hot air heating on with the idea that warmth was conducive to sexual frenzy. All these races living in hot lands were cock happy people; there was some connection. But even Bruno began to fear the bedroom smelled like a brothel. when he entered the room, he turned the heat off.

"Bed, girls," he said happily.

He hopped into the snug nylon, felt the water mattress undulate like mad under him, and he beckoned impishly to Rita and Elaine.

Rita was stark naked, insolently so, her dark pubic hair looking like a lovely fringe to the genital entry. Elaine was still inside a pair of tight, sheer briefs which were voluptuously exciting.

"All right," snapped Elaine. "But if you want sex — I'm first. That young cow can watch — and I hope she pees herself with impatience."

"Come on girls," babbled Bruno. "You are both lovely! Jesus, I'm mad with excitement."

"Watch it, old man," mocked Rita. "Too much excitement can be fatal to a hard-on."

"I am not an old man..."

"Gawd!" sighed Rita. "I do get 'em..."

"You are not getting anything until I've had it," snapped Elaine. "You will

be a poor second."

It was strange but she had accepted the position that they would make three in a bed. Elaine wondered momentarily at her madness. She didn't have to indulge in such adventures... she could have any man... well, almost any man... the trouble was none of them had Bruno Cassidy's wealth...

Rita slid into the bed with Bruno first and smiled at him. Eagerly he reached out and took hold of the joggling young boobs and enjoyed a few minutes of tit moulding, sliding his hands erotically over the firm but succulent flesh. Ah, the sheer joy of soft young flesh! His heart was beating rapidly, with his penis jerking painfully to a new degree of stiffness.

Elaine was not going to stand for him pawing so greedily at the wanton Rita, and so she abandoned all pretence that she had more scruples than the other girl. She slipped out of her briefs and jumped into the bed, making it undulate as if there was no support in the mattress. Bruno turned gladly and excitedly to this extra girl. He was whimpering with pleasure, unable to decide which chunk of female to paw at. the room was still hot and he began to sweat. His heart was thumping now and his muscle length was inclined to sag with all these other demands on his energy. Desperately he resorted to some kind of penis control and got the thing to perk up a bit.

So he lay back and shoved an arm around both girls and felt deeply into the flesh, sensing the sheer young living in their shapes. The smooth satin skin was so youthful, so vibrant with the sex energy of creatures who were at the height of their sex power. He felt he could play with this erotic satiny stuff for hours.

But Elaine was watching Rita suspiciously. It was weird... she was angry at having to fight for this pompous old man. God, he was fifty, wasn't he? What did he have apart from money? His penis wasn't so good... not the stiff length that sent a girl into frenzies during an orgasm... it was usefully thick... but that was all...

Still, a man with money was something... and this house was a wonderful place in which to live... Would she ever make it?

Rita sensed that Elaine had strong hopes of moving in fairly permanently with this horny old git. Well, that was something she had no intention of doing. She'd sooner take to the road again.

But she was in bed with him and any kind of sex was fun. She could taunt him, for instance. She realised Elaine wanted to beat her in this sex game. So sod Elaine...

Rita slid a hand down under the Swedish quilt and she was bang on target. She found Bruno's prick and her fingers closed around it as if it was a prize. He squirmed and gasped in pleasurable agony. Elaine saw the contortions of his face and, seeing Rita's hand searching - not that she needed to - she knew what was going on.

"Leave him alone, you cow..." she snapped.

"Why should I?"

"He's mine. You're an interloper. You're straight off the streets... a dirty young cow..."

"And you are a bitchy shit - a typewriting screw - a cheap fuck in the office..."

"Why - you - you" Elaine tried to claw at Rita's face.

Bruno used both hands to push the girls apart. He glared. "You damned cats! This is supposed to be bloody erotic! I'm in bed with two lovely girls. Why can't you behave as if you are really lovely? You are beddable pussy cats... playthings... flesh-pots..."

"She is crap," snapped Elaine.

"You are a fucking cow," returned Rita.

Bruno nearly groaned. "Hey - a trio in bed is supposed to be loving. You are supposed to pet me... make me horny... I am going to screw both of you girls... in due course..."

Rita took her hand from the penis. It had gone soft and felt more like a thick worm, sensual in its physical appeal, because it was cock after all, but a worm all the same.

"You'll be lucky," she told Bruno.

"What do you mean..."

"You've lost your erection..."

"I have not!" He was angry with Rita now. When her hand had fondled his prick he had been delirious with sexual excitement but now he was grimly furious with her.

"Get hold of it yourself then" retorted Rita. "It's your peeny... see if it is hard..."

Bruno threw an appealing glance at

Elaine. "She is lying. I am with a full erection. You'll see..."

"Oh - will I?" Elaine was confused.

This was not her idea of enjoyable sex. She always felt she was giving Bruno a luxury when she allowed him to screw her, and in yielding to this man she felt she was the pettable kept woman. That tickled her erotic fancy. There was something about being a rich man's darling, a role that many girls had played and it was legitimate. But this horrible girl, Rita, was spoiling the image. She didn't feel a bit randy...

"Christ!" howled Bruno suddenly. "I could have more fun with paid cows! Now come on... let's settle down to some lush sexing... you two can do what you like with me - there -"

"How nice," muttered Elaine.

"I'll wank you off," announced Rita brightly.

"You will not!" Elaine shot out a hand at the other girl's face but the blow did not connect. Rita wriggled away and the water-bed moved in slow erotic un-

dulations. Rita thought it would be hotly cocky with the right guy. Lucky Carol, snug with her man.

Bruno decided on some masterly play, a move which was really a great decision for him. He turned fiercely to the naked Elaine and boldly grabbed at her, dragging her lush warm body into his embrace. She went fairly willingly because she wanted to do Rita in the optic, and she had mentally accepted that Bruno would shag her first. So she was mildly flattered when his arms went around her with such masculine strength.

"Oh, Bruno..." she cooed.

The cooed encouragement, the feel of lithe soft female flesh so ardently pressed to his nakedness brought Bruno's penis up to full arrogance again. The length even throbbed. He felt that the masterful role was really him.

While the going was good, he rolled fully on to Elaine's rounded sex shape and began to work the ancient male sex rhythm at once, the penis instinctively finding the sex lips. Elaine had to surrender, her thighs parted, his hands pawing at her soft flesh, the length of male rod going nicely for the sensitive entry to her juicy hole.

Rita sneered. She lay back and watched. The way Bruno was bucking, the whole bed seemed to be alive and it was like riding invisible waves, a kind of warm sea which was not even wet. Rita put her hand on her pussy hairs. She was only mildly randy. She didn't really give a damn if Bruno rode Elaine like an insensate bull. The old devil wanted to screw. But did she have to stay?

Rita considered running along to the room in which Steve and Carol were established for their night of love and cock and quim. She would like to be part of a trio with Steve. Carol wouldn't mind - or would she? There was a possibility that Carol was falling rather madly for the elegant Steve Waterman...

It was Bruno who had decided they should be paired off like this and she could say sod him to his face. All she was getting from this man was a few nights in a posh house and maybe some loose change from the spending money. She wondered where Johnny Mash was at that moment. Ah... Johnny... now there was a guy with a lovely cock length and a way of making a girl feel she was the sexiest creature in the universe.

Bruno was full of a raging sex desire, however, at that moment in his sexy time and he had forgotten Rita in the madness of his urgent sex shove into Elaine. His prick was thickly hot and slimily probing the beautiful flesh, and he was going madly in the old, old sex rhythm. Each bash at the warm space was that Elaine's lovely quim sent shudders of agonising delight right through him, starting at the bulbous end of his sensitive cock.

As for Elaine, the efficient secretary, a full stop had been put to her feminine tantrums. She was writhing under this man, discovering that his penis power was quite nice. A good strong cock can

make most women happy — and Bruno was doing just that, a tribute to his undoubted virility. The stamina had returned with the feel of silky smooth vaginal skins rubbing up and down his prick length and he was going full out for the raging climax, the ejaculation.

He'd spit into this lovely girl. He'd shag her and shoot his lot. The common but sexually stimulating terms crowded his mind. He was doing well in this collision of the genitals.

Rita lay back and felt almost sleepy, her randiness evaporating as the undulations of the bed almost sent her to sleep. She did think that Carol and Steve might not welcome her... they could be shagging... maybe in their combined fourth seminal explosion... or they could be indulging in some freakish experiments with their private parts... she felt lonely... suddenly she realised there was another man in this large house... the silent man... the chauffeur... well, he was male...

Rita opened her eyes at this idea. Bruno was so intent on screwing the hell out of Elaine that he wouldn't notice if she left. Should she leave? Should she go along to this chauffeur's room? He was another old man... God, if only Johnny Mash was on hand she would spike herself gladly on his penis. Poor old Johnny... what was he doing now... probably sleeping in some lousy quayside doss-house... her lovely Johnny... prick Johnny... well, by heck, she'd find him the next day.

She suddenly had a feeling that she and Johnny Mash were two of a kind. They should be together. Even when they were not joined at the genitals there was a feeling that they had some affinity.

But the chauffeur... Arthur Minter, was the name... a reserved kind of man... but he was male... he'd have a cock... and all she could think of right now was cock to sort of compensate for the way Bruno was riding Elaine... He was going at it as if he'd been up a mountain for years, without a sight of a woman. The way the water-bed was undulating, it made her feel slightly seasick.

Rita slipped out of the luxurious bed which surely was designed for the sex happy and grabbing at Bruno's dressing-gown she went to the door and slipped out into the passage. The cooler air hit her. She wrapped the dressing-gown around her — and then began to wonder just exactly where was the chauffeur's bedroom. She wasn't sure.

But although the Cassidy residence was large by some standards, it wasn't exactly an old country mansion. It was a modern purpose-built house. When Rita realised the large garage was under one wing she knew she was near Arthur Minter's bedroom.

She located the man's room when she heard snoring. This was a bit off-putting. A man who snored couldn't be sexy. She was used to horny young bastard gits — her swearing ability returned full force — who could shit-shag all

night and give her hell and never snore.

Rita felt some coolness in the night air at this end of the passage. She pulled the dressing-gown around her and was glad that it was too large, although it nearly tripped her up.

Should she waken Minter? He was male. All males liked to be woken by a nude young girl... she knew it was a fantasy they often played out after a night on the ale... they dreamed of a naked hussy walking into the room and asking to be shagged... she knew because guys had told her... the lovely dirty-minded devils...

Rita swore luridly again, something about genitals and parentage and excretia, and then she tried the door handle. It opened. The man slept with an open door... what could be easier...

She walked into the bedroom. She saw little except the motionless head on the pillow. Well, it would be a nice trick to waken him gently and watch his eyes widen when he saw the juicy, creamy tits quiver only inches from his face!

It seemed all nice fun, sex fun. No man could object to seeing naked titty flesh, red cherry nipples and all. If he looked hard enough, if he wasn't too sleepy, he'd see her pubic box, the dark hairs. This was the stuff to give any male.

Rita wondered fleetingly if she was a bit sex mad. What if this man didn't like girls? But that was crazy - all men had this ballsy mad yearning for the female shape especially when it was in the nude. She'd waken this guy...

She reached out and smiling slightly she shook his shoulder. She noted he wore striped pyjamas, more old-hat stuff. Oh, heck, why couldn't Johnny Mash be on hand with his lovely weapon! Oh, Johnny... she felt like a dreamy female in a love story...

Minter opened his eyes, slowly at first and then with startling ferocity. His first instinct was that this was danger.

"What! What!" He jerked up. He was sure that there was danger - and then he realised that this girl was alone. His next reaction was to her nakedness, the sight of rounded, slightly pendulous tit not too far from him.

"Do you like sex?" cooed Rita.

He sat up and his hands clawed in front of him. His face twisted into a mask. "You damned bitch - you're spying on me!"

"No - just offering a bit of sexual comfort..." Rita's smile faded. She didn't like what she saw.

"Who sent you to my room? Was it Cassidy?" He was confused, not merely by the sight of her nudity, the way the creamy flesh ran down to the rounded space between her legs, but by the fact that was always present - that he would be found out as a spy.

"Don't you like cunt?" she asked frankly, a bit surprised that any man, whatever his age, could recoil from her.

His dislike of sex returned in full blast. The memory of how he had thrown away all his discipline in that

shag hut returned and he blazed with anger.

"You temptress - you! You brazen hussy. You have the nerve to come to my room and taunt me with your shameless body."

"Oh, gawd..." Rita knew she'd made a mistake.

"And you're a spy," he hissed. "That's it, isn't it? They've sent you here to spy on me! But you won't learn anything. I won't be tricked... a shameless capitilistic device to weaken a man - sending a naked hussy to my room..."

"What the hell are you screeching about?" snapped Rita.

"You know. Who sent you? Cassidy? God - he must suspect!"

"You're a bloody nut," yelped the girl. "I don't know what you're talking about. I'm not spying. I'm - I'm - Oh, shit - forget it!"

And with that contemptuous retort she darted for the door. She nearly trip-

ped in her haste, the dressing-gown under her feet. Arthur Minter watched her with blazing eyes, danger signals flashing through his brain. Was she a spy? Or a foolish girl, corrupted by the society she lived in? One thing was sure - this sexual abandonment would be severely punished in the new society when it became established.

But Rita escaped in seconds and he was left to ponder grimly the reasons behind her visit. He decided there was no immediate danger. He would pay another visit to the ship-yard tomorrow when Cassidy asked him to drive and he would get the final and most important secrets from the electronic gear on the two ships which were being fitted out.

Rita ended up in a lonely bedroom, the room in which she had spent the night with Johnny Mash. She felt her warm pussy and wished Johnny was with her. He'd be nice. He'd feed the hot little inner flesh, the clit, the pinkish slit that needed some solace so badly. It was Johnny she wanted - sod this lot. She'd been nuts to go along to that lousy chauffeur's room...

But reflection in a warm bed nearly always leads to drowsiness and within some minutes Rita Bell was sleeping soundly, her pussy tight and demure, the flesh-lips composed.

In another room Carol and Steve had finished the last frenzied sexual writhing of the night. He was utterly knackered, spent of semen, a little bit sick of her flesh, in truth. There is always a post-copulatory mood for a man after he has screwed to satiation.

"Go to sleep..." he muttered.

"Do you love me?" she was utterly female and the old, old question came naturally to her lips.

"Oh - God - love! What the hell can I say to that? You know, women are all alike. They equate sex with this love thing..."

"Sometimes it works... you can't sex without a feeling for the other partner..."

"I know," he groaned. "Sometimes men feel affection even for paid cows. Aw, let us sleep on it, Carol."

She snuggled in, feeling some comfort in the way his limbs wrapped around her and the sex heat lingered between them.

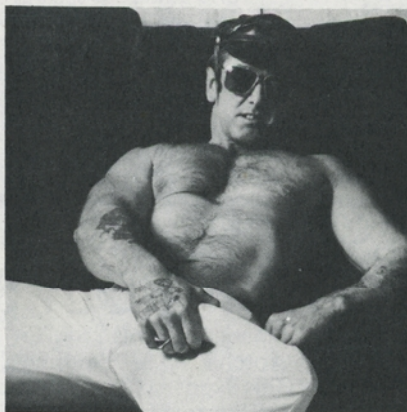

In the master bedroom, Bruno had sagged limply on the soft mould of Elaines stomach, his sexual adour spent. He was vaguely aware that Rita had left the bed. It didn't matter... Elaine was enough for him... the erotic desire to be part of a trio faded...

More than a mile away, under the wan light of the moon, the tents on the camp site lay silent. In one Johnny Mash lay with his arms wrapped around the nude Wendy, his sex steam gone, too. All the fluids of which he was capable of producing for that session were deep inside the lovely Latin-style girl. And in the other half of the tent Nick and the coffee-coloured June were happy and rested.

Sleep fell over all the parties, the

people in the tents and those in Bruno Cassidy's posh home. And in sleep, most worries and rational thought were lost. Only one man was the exception to this and that was Arthur Minter. He was grimly worried, unable to resolve the reasons for the visit of the shameless naked girl to his room. As he didn't understand the joys of free sex, he was a bit puzzled.

The night wore on, as many a classic of literature had depicted, and many people woke to a new day, the sun shining and the birds singing. Problems, ideas, new motivations returned to a lot of folks.

Johnny Mash stretched out, naked to his bollocks, and for some strange reason remembered the queer roll of film in his jacket pocket. If Wendy had been by his side, in all her lovely nakedness, he might not have thought about the film, but she had gone out to wash in the toilet block.

Yeh, the film was odd, the more he thought about it. The only way to learn something about it was to have the damned thing developed. If it showed Minter looking at his knob-end it would prove the guy dabbled in weird photography.

Johnny got out of the blankets and dressed in his old gear, his jeans and jacket. He needed a shave more than ever. He felt a bit grubby and he smelled of semen. He was bloody hungry, too. The crisps were hardly satisfying to a man who had shagged half the blasted night.

He hardly knew why he determined to look up old Steve Waterman again. He knew he'd have to get a move on if he wanted to find him at Cassidy's house. And he'd have to dodge Cassidy...

With a grin and a word to Wendy, he set off, striding along the lane, along to the town and then up the hill to the Cassidy place.

The sight of the long drive reminded him that he'd have to go warily if he did not wish to run into the owner of the place it was still early morning, great to be alive stuff. He hoped Wendy was happy with what he had left her. He crunched up the drive...

As it happened, he encountered Steve checking over his Mazda. "Hi! Your sex-life okay?"

"Fine!" Steve grinned. "I think Rita is pining for you..."

"Mmm..." Johnny nodded. He produced the little roll of film and started his yarn. "Micro... does that mean anything to you?"

"Depends on the context." Steve returned. "But - Minter - a chauffeur - We're going to the ship-yard again today. I tell you what - you hang around out of sight with Rita while we're gone. I'll get the yard photography department to develop this film - then we'll know. Could be some erotic stuff..."

Johnny was nowhere in sight when Minter drove the Rolls out with Steve and Cassidy in the rear seats. Johnny

was making things up with Rita - by rubbing his genitals against her bone and kissing her.

Steve was curious about the film. He stayed until the thing was developed in the lab. A guy came and asked him to look at the pictures projected on to a screen.

"Circuits!" rapped Steve at once. He stared as the numerous shots were shown. "Wiring... radar control... all the bloody secrets... that much I do know..."

"I think you'll have to account for this," said the other man quietly. "All this on micro-film is a bit odd..."

Steve went off to speak to Bruno Cassidy. The man's sex life and his business acumen were two separate things. He, too, watched the projection of the tiny filmed shots. "We're sending for the police. Minter... ah... you know, Waterman, these are on the secret list?"

When the police arrived the Rolls was searched and the camera found. The sets of special keys and spanners were brought out. A letter from a man in London was discovered; it all added up. Minter was lead away, his chauffeuring over.

Steve was fondling Carol some time later - and in another room Johnny Mash was engaged in the same erotic play-games. Even Cassidy had brought Elaine to the house - for no bloody reason - except that sex seemed to be in the air. The sun was shining and sexual zest stirred beautifully in the genitalia.

"I'm finished work at the yard," said Steve. "Want to come back to London with me, Carol?"

"Can we stop and shaft? On the way... in a grassy hollow?"

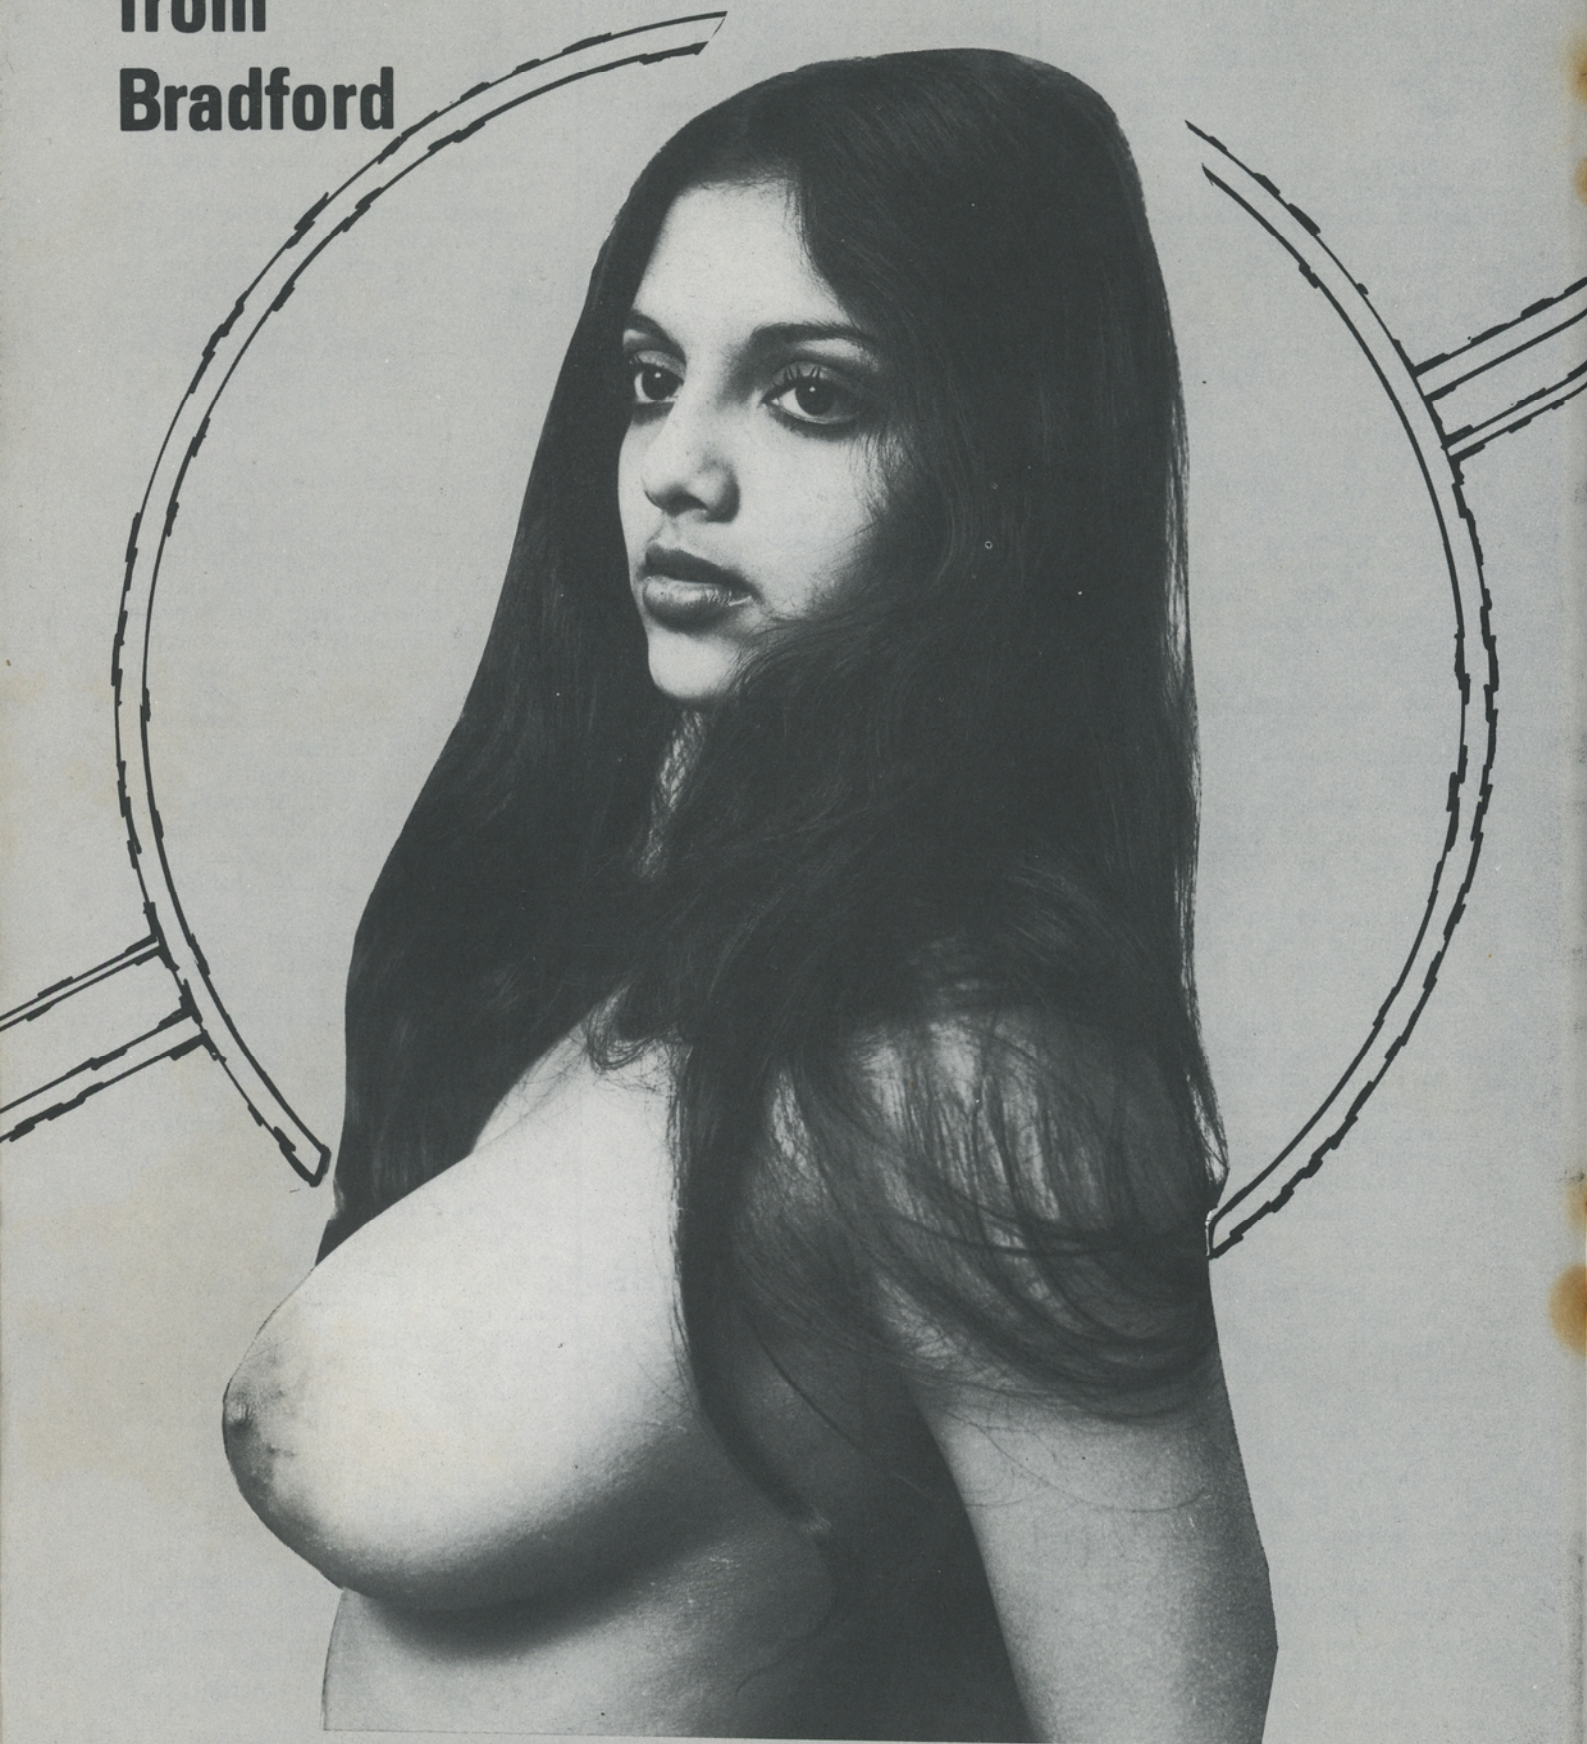

"Yeh - Johnny will want that, too - with Rita."

They left Cassidy to his problems with Emily and Elaine. Maybe the man could make them both happy. A wife and a bit on the side was a common game.

It isn't possible to suggest that everyone lived happily ever after but we can be sure that most of the protagonists sexed happily for a long, long time, maybe changing partners, but sexing all the same. Life and the pleasures of bed and a fleshy companion go on and on... sufficient to say some people found what they wanted... beautiful porno people like themselves...

ADDRESS

LONG TIME... NO SEE...

I had just turned the corner onto Winchester Street, by the Co-Op garage, when I saw her. She was tripping along, rolling her hips as though they had been lubricated in Castrol. I could tell who it was from the rear, even though I hadn't seen her for ten years. Jo had just sort of dropped off the face of the earth, vanished without trace. Rumour had it she had gone to Leicester, run off with a married man, but I wouldn't accept that. Jo had been one of the first girls I had known when I came to Nottingham twelve years ago. She was always a bit of a tom-boy... a mate you could say. Nice body, mind you, a lovely pair of knockers with what I call responsive nipples. They stood out when touched. If you are gathering from this that I was screwing her, then you are mistaken. I never got round to giving her a tumble, the nearest we got to the sexual act was when she tossed

me off in my car... ten years ago. That was when I found out she had responsive nipples, I was feeling them at the time.

She did have the occasional boyfriend, and no doubt got her share of dick, but not from me. She had such a spirit of fun I never gave much thought to fucking her. The night she jerked me off, we both had a few and were ready. I suppose I could have fucked her then, but a mini isn't the best place in the world to have a jump in. I like my women in bed, naked, not grovelling around in the narrow confines of a car.

Now there she was, after all these

years, toddling her way down Winchester Street. I pulled up a few yards in front of her, wound down the window and waited for her to come alongside. She glanced, then gave a double take. "Benny!" she cried, "by all that's wonderful."

I opened the car door and she slid in, giving me a glimpse of her long shapely legs. I looked at my watch, it was only just turned one, they were still open.

"Fancy a drink?" I murmured.

"Never been known to refuse" she laughed.

I drove into Sherwood and into a pub car park.

"It's been a long time since I came in here," she said, as we went inside. "The last time was with you."

Yeah, that was the night she jerked me off, I wondered if she remembered that bit!

I ordered a pint of Bass for myself

and a large gin and tonic for Jo.

The ten years had been very kind to her, there were slight touches of grey in her hair, but they made her more attractive. She still had firm looking tits, slim waist and wide hips. She was more feminine somehow, the years had taken away her tom-boy personality. We had a long chat and she had left Nottingham very suddenly, getting herself involved with a married man, run away with him, to live in a flat in Leicester. For a few years it had worked out reasonably well, then he had up-tailed it and cleared off down to London with a Chinese bird of all people. He probably wanted a different angle on things! She had come back to Nottingham, and lived with her mother and father at Beeston for a bit, but hadn't settled. Her mother was a fussy woman and very motherly, and Jo didn't like that, she wanted to be independant, so had taken a flat in Mapperly Park, and flats are not all that cheap in Mapperly Park. We had a good laugh about old times, ate a couple of cobs, drank more than we should have done at lunch time, and I took her home.

I sat down in front of the gas fire and asked her if she had a regular fella. "I've gone off men" she smiled, digging out a bottle of sherry from the side board. "All they bring is grief. How is your sex life?"

"Up and down" I grinned. "I've been married and divorced since you left for shores unknown. I spend most of my time either boozing or writing, I do an advice column for a sex magazine."

She shrieked with laughter and I felt a little bit deflated.

"And why shouldn't I?" I asked. "I was never all that bad in bed."

"I wouldn't know Benny, I never went to bed with you. I only..." she stopped, and a blush spread over her face.

"Tossed me off..." I finished for her. "It's a miracle we never did hit the sheets together."

She handed me a glass of sherry. "I never thought of you in that way Benny... except that night in your car

when we were both a little drunk. I wouldn't have stopped you going all the way. Why didn't you?"

"We would have got locked together in that little car sweatheart. When I have sex I like comfort. Screwing you in that mini would have been a miserable experience, as it was... well, you have a good wrist action!"

I was getting the old urge between the legs, you know the sort of thing, a tickle, and itch, and aching around the testicles. To be truthful my sex life wasn't all that good, when you are pushing forty there doesn't seem to be the talent around anymore, they are either too young or they are married.

Jo sipped at her sherry, gazing thoughtfully into the glowing gas fire. "I've gone off sex Benny" she said, "so don't get any horny ideas. Johnny, the man I went off with, for the first three years that was all he lived for, little me in bed with my legs open. Then he met this Chinkee bitch and went off me. I admit how surprised I was, how easily I went off sex. You'd think that when you were having it twice a night and three times on Sunday, when it was suddenly withdrawn, you'd get frustrated. Not me, I was quite alright."

I sighed regretfully, that was that then, no chance of a ride!

I stayed another half an hour and took my leave.

That night in the pub I mentioned that I had seen Jo.

"She wasn't a bad kid" murmured the bar man. "I felt a bit sorry for her. She was the best bloody woman dart player that ever came in. She used to wipe the big-heads up with ease."

It would be a couple of months later when I received a batch of

reader's letters from the publisher. During that time I hadn't seen anymore of Jo. I went round to her flat a couple of times, but no one was ever in. I assumed that once again the gal had moved on. The fourth letter I read made me very thoughtful. There was no full name and address, it is rare there is, but to me it was obvious it came from Jo. There was a Nottingham post mark on the envelope, it couldn't be anyone else. The crux of the letter was this.

Jo was getting a very worried young lady, she was spending half the night frigging herself, yet she didn't want to go to bed with a man. The thought of being fucked appalled her. She fantasised about tossing one off, but not being screwed by one. I concocted a reply to her letter and sat and thought about Jo for a long, long time. In the end I decided it was time I looked her up, and had a heart to heart talk with her, or a cock to cunt, whichever was suitable. I felt sorry for her, I wanted to help in any way I could. If a good screwing was what was needed, I would oblige given half a chance.

Damned if I could find the girl at home. The girl in the flat below assured me she still lived there, but she hardly ever saw her. I resisted the temptation to go in the girl's flat and discuss the matter further, and it was a difficult decision to make. She was wearing a nightie at the time.

Then fate, as she often does, took a hand in things. It isn't often I go into the city centre at night, but on this occasion there was a group on at the Imperial and a mate of mine suggested we went along to hear them. I stuck it for as long as I could, but they weren't my style at all, so I lifted myself up from my seat,

finished off my beer and left.

It was a bit late to go back to Sherwood, so went around the corner to the Bell, for a glass of draught cider. Who should be sitting in a corner but Jo. She was with another young woman whom I didn't know at all. I caught her eye and smiled, she smiled back and blushed deeply. The other girl glared at me as though I was poison. When the other girl got up to pay a visit to the loo I went across to Jo.

"I keep calling round at your place, but I never find you in."

"No Benny... I don't use the flat very often."

"Who's your friend?"

"Liz... she works with me in the shop" she blushed again. "She's helping me."

"No doubt she is" I snorted. "I didn't know you were that way Jo? Come on kid, I'm not daft! I want to have a private word with you, what about tomorrow night, your place or mine, I'm not bothered."

"All right Benny, but I'm warning you, don't get any ideas about sex. Come round at eight o'clock."

"I'll put my clean underpants on" I laughed, and went back to the bar before this Liz bird came back.

I'd heard of this sort of thing before, a woman thwarted in love, get's a thing against men in general, and goes on a lesbian kick. Liz had woman lover written all over her. Not that I am against lesbians, because I'm not, I am very broad minded, I have to be in my job, to each his own and all that jazz. But I couldn't quite see Jo being a lesbian.

The following morning I rang a lesbian friend of mine and had a long chat with her.

"I'm not surprised this friend of yours is seeking female sex I have a number of married women who come to me to be fucked! It's you men darling, you can't give a girl sexual satisfaction. There is more in

sex than just a hard dick!"

"I know, I know" I murmured.

"What can I do to help?"

"Well," She said, "I should tell you to keep out of it, but I happen to know Liz. She is not fully lez, she digs it both ways, and she is a riot in bed darling. Never have I known a girl as sexy as she is. She'll be giving your Jo a good time between the sheets. If Jo doesn't respond to your undoubted charm, try Liz, she fucks like a rabbit!"

I couldn't see how screwing Liz through the mattress would help, so cast the suggestion from my mind.

I got round to Jo's just before the appointed time. She was wearing a baggy jumper that killed her tits off, a pair of slacks that fit where they touched and nowhere else. If her hair had been in a mess, and she'd had a fag dangling from her lips, she'd have looked like a wife gone to seed. She was as desirable as a demand note! I guessed what she was up to, she didn't want me to get any ideas about laying her. I'd brought a bottle of gin with me, but there was no tonic in the place, so it would have to be neat gin.

First of all I told her I had read the letter to the sex magazine I worked for.

"I thought you might" she said, softly, not looking at me. "I've changed Benny, I told you I had gone off men. I've met Liz, and she is helping me to get my sexuality back."

"With the aid of a dildo?" I muttered.

"You don't understand Benny, making love with Liz is a beautiful experience. I hardly ever orgasmed with Johnny, even though he was screwing me twice a day. Liz makes me feel like a woman, she only has to touch me and I want her to make love to me."

"She swings both ways you know."

"I know" she murmured. "but she has never been with a man since meeting me. In two weeks time she is moving in."

Have you ever listened to a girl talk on how she makes love with another girl? It is highly erotic, especially if you have a vivid imagination like I have. As Jo relaxed in my company she told me everything that went on between them. The things she and Liz did to each other in the wee small hours of the morning. No wonder many married women take on with lesbians. What man can compete with a nine inch rubber dildo? My cock kept stiffening then subsiding, then stiffening again.

"Don't you ever fancy touching a man?" I asked, quite breathlessly. "Or being touched by a man? You say this Liz gal masturbates you, a man could do the same thing... and you would have flesh and blood to caress, not a bloody piece of rubber!"

She looked at me from the corner of her eye, then glanced down into my lap. My cock was on one of its upwards surges at the time.

"I haven't touched a man since the last time I touched Johnny."

"Then it's time you bloody well

did." I snorted. "You sit there like something from a jumble sale, keeping your distance from me, half expecting me to leap on you and commit rape. Okay, so I have got a hard-on, but the way you look I couldn't fuck you! Perhaps your Liz likes you looking like a rag bag, I certainly don't!"

I got to my feet. Her eyes had opened wide.

"I... I didn't want to tempt you Benny. I don't usually dress like this." She reached out and touched my thigh. "Please Benny, don't go yet."

"Then for god's sake woman, get changed into something else. Let's go for a booze somewhere." She stood up and I put my hands on her shoulders. "Look sweetheart, I think a lot about you, be a lesbian if that is what you want, but don't be a slut."

For a second I thought she was going to smack my face, but she thought better of it and went into her bedroom.

The phone rang, I picked it up.

"Yeah" I muttered.

It was lesbian Liz, ringing up to see how her darling was. I was very curt with her, going to great pains to inform the girl that I was taking Jo out for the evening.

"Oh good" she murmured, "it will do her the world of good. Tell her I may pop around later tonight" she put the phone down.

"Like hell I will" I thought.

When Jo came out of the bedroom she looked a bit more like it, a short dress that did fit her curves, and it was low cut at the neck, so that the ripeness of her tits flowed bewitchingly.

"That's better" I murmured, pecking her cheek. "Now you look more like a lady."

I took her to the Puchbowl, a pleasant pub just outside Not-

tingham. We found a quiet corner and relaxed. The conversation got around to what I did for a living... sex! After an hour she said.

"What's the point of sitting here Benny, paying these prices, you brought a bottle of gin tonight, let's go back and drink that."

Things were looking up!

Once back in her flat I took my jacket off and sprawled on the settee.

"You are good to me Benny" she murmured, sitting by my side. "Not many men would understand."

I gave a short laugh. "I can understand, but I don't agree. You're letting one unfortunate happening change your entire life. I don't think this affair with Liz will last, she's bisexual, she'll meet a guy and you will be out of the window." I put my arm around her shoulder, and for a second she sat stiffly then relaxed against me. I felt my tool twitch, I could see down her dress at her lovely tits. What a shame only another woman was feeling them!

"I just have this thing about men." She whispered.

I kissed her temple lightly, breathing in the scented fragrance of her hair. I was aching to fondle, but dare not. Suddenly, and without any warning she turned in my arms and lifted her face up.

"Kiss me Benny"

I kissed her and let my hand rest on her tit, over her dress of course.

"You... you remember what I did to you all those years ago?" she asked.

I nodded my head, my cock straining at the front of my pants.

"I know you want sex, it is natural I suppose. I'll... I'll rub it for you." I kissed her again and this time my hand went down the front of her dress onto her tit. Massaging gently until the nipple hardened. Her fingers crept into my groin, I heard the zip being pulled down. My cock shot out and she grasped it, her kiss getting warmer as she felt the hot throbbing flesh.

I soon had her dress up around her waist, and my hand down the front of her white knickers, roaming over the hairy mound. We stayed like that for a few minutes, her hand gently tossing me off, and my hand just as gently frigging her wet cunt.

"Let me fuck you" I panted, trying to get over her.

"No Benny, please, let me finish you off quickly, now."

Her hand jerked faster, almost tearing my foreskin off. I dug two fingers deep into her hole, the moisture was running from her, she should want me to fuck her, the channel was wide and hot.

I didn't hear the door open, the first thing I knew was seeing a pair of female legs in front of me. Jo stopped wanking me, and my fingers

stilled deep in her cunt. I looked up at Liz.

"I came at an inopportune moment" she said, calmly. "I thought Jo would be alone."

I was raving, my cock ached, my heart was beating fast in my chest.

"You certainly did come at an inopportune moment" I snapped.

"Don't let me stop you darlings... but what a wast, such a lovely prick being jerked like that. It should be inside you Jo, fucking you like crazy." My jaw dropped. Jo had taken her hand away from my tool and was staring at Liz in amazement.

"Tell you what honey," said the girl. "if Jo won't let you... I WILL!"

I looked at Liz as if in a dream as she slowly removed her dress, then her bra, and slid her knickers down over her hips.

"A three-some is exciting" she murmured. "It's the loveliest way of having sex there is. You'd like it Benny, two girls for you to have, and Jo would like it as well. We could all make love together."

I looked at the golden mass of hair at the vee of Liz's thighs, and when she gently parted her cunt lips, showing me the inner flesh my cock jerked. She smiled. "I can see the idea appeals to you Benny. Let me have Jo in the bedroom alone for five minutes and have a talk to her. Then come in and bring three glasses of gin."

I gave them the full five minutes before going in.

Jo was sprawled on the bed in her underwear, and Liz was rubbing her tits over her groin. She grinned at me. "Come on Benny, clothes off"

I shucked out of my gear and went over to the bed, my cock like a stallion's. Liz reached out and fondled the tip, running a slender finger over the sticky moisture as it dribbled out. Jo looked to be in a dream, her eyes glazed. Liz pulled her knickers down and gently rubbed over her cunt. "Who are you going to screw first Benny, me or her?"

What a question to ask a randy guy, I looked from cunt to cunt, not knowing what to do. Liz sat up and laughed. "Come on Benny, which one of us?"

NAME

ADDRESS

I lay down on the bed, my cock standing stiff and true. "I leave the choice to you!"

Liz was over like a flash, lowering her juicy hole down until I was impaled deep inside her. Jo still had that dreamy expression on her face as she watched her girl-friend fucking smoothly. I reached out and touched between her legs. She opened them wide so I could fingerfuck her, then she wriggled round nearer and kissed my lips, a hot tit pressing my bare shoulder. Liz was bouncing faster now, mewling cries coming from her lips. Her tits were swollen, the nipples hard peaks of lust. She climaxed, crying out loudly and tearing at her naked tits in her ecstasy. The moment she had finished coming I pushed her away, rolled Jo onto her back, spread her legs wide and drove my steaming slippery cock deep into her hairy pussy. Her legs locked around my thighs, her arse rose up to meet me. Liz was cooing with delight, and I felt her hand go underneath to fondle my balls. I kissed Jo hard on the mouth, forcing her lips open, and duelling with her tongue. Her tits were crushed against my manly chest, her arse rose up higher still, she was moaning in her throat. I was going to make her come if it was the last physical act I ever did!

She did come, her fingernails clawing down my back, her groin pasted to mine, and to help it all, Liz squeezed my balls, extracting my juice. I flopped away, breathing heavily, my hand on Jo's naked thigh. Liz buried her face in my lap, licking and chewing at my limp cock and talking to it passionately. I realised then what a dildo could do that I couldn't!

Normally when you have had a good jump, you are inactive for a long time afterwards, but when you have two sexy girls working on you, it doesn't take as long. My cock was soon towering to the sky again, and Liz was crouched down, taking it in her mouth, her hands doing wonderful things to my inner thighs. I looked at Jo as she watched the proceedings, her lips parted and wet.

"Come over me" I croaked, "I want to kiss you."

She straddled my face and I looked up into her wet warm flesh. My tongue darted into the cleft and she groaned with delight as I flicked at her clit. My hands steadied her hips, and I pulled her down until I could kiss and suck to my heart's content. She came to her climax swiftly, then I concentrated on what was happening to me. Liz had taken most of my cock in her mouth, and her bottom stood up in the air as she crouched by my side. Jo went behind her, feeling her hole from the back, and I felt Liz's mouth suction

me deeper. This three-way action was quite something!

When I spunked Liz had every inch of me, she gurgled but did not let go, taking every lustful drop I could muster.

That was me completely shattered, I closed my eyes and fell asleep. It was the bouncing of the bed that awoke me. I opened my eyes and gazed at Liz and Jo. Liz had mounted Jo and was thrusting a dildo in and out of her like an express train. I watched for a few minutes, feeling my excitement mount. I had written about woman sex, but this was the first time I had ever seen it for real.

When the girl had finished she unstrapped the monster and smiled at me.

"Can you do as good?" she asked.

"Just you try me" I muttered.

She lay back on the bed, and pulled her legs back to her tits, her cunt split open and waiting. I got

between her legs, took aim, and pushed my stiff cock in deeply, leaned against the backs of her thighs, my hands going to her tits and massaging them.

"Mmm, that's nice" she breathed.

"You bet it is" I grunted, "this is living!"

I was on my third erection so knew it would take me some time to climax, and I was going to spend that time teasing and tormenting this girl. I brought her to the peak and stopped, my cock just inside her.

"What are you doing?" she panted. "I nearly came then."

I rocked my hips slowly. "I'm gonna fuck you stupid" I said.

A quarter of an hour later I was still at it, and Liz had come twice. I pulled from her, my cock still hard, and looked at Jo.

"Fancy it?"

She knelt down on the bed, showing her white bottom to me. I got behind her and guided my tool into her cunt, leaning forwards across her back so that I could play with her tits and caress her clitoris. I managed to hold my spunking until she had come, then thundered my thick whipped cream into her. It was a damn good job the pair of them were satisfied, I couldn't have managed another jump for a million pounds!

I went to see Jo a couple of days later, and of course we ended up in bed, fucking. After I had done the deed once she told me she and Liz had finished.

"She did me good Benny" she murmured, "but you did me more good."

So I fucked her again for good measure.

Jo is courting now, a nice guy who I think will be okay for her. Liz and I meet now and again, she is a nutter about three-somes, and when she gets a girl who is willing to give it a whirl, she rings me up. There is an art in the three-some, you've got to pace yourself a lot. It's no use jumping straight in and hoping for the best, you have to remember there are two girls to satisfy. If you get too randy to start with, you will end up with two frustrated females by your side!

Big Girl Interview

BOOB-QUIZ

INTERVIEWER: Do you really claim to have nipples that stiffen up and out to a length of half-an-inch?

LAURA: Yes. I suppose that sounds a bit extreme?

I: To put it mildly – yes!

L: Mind you – I also have outside breasts to hang them on!

I: Yes I can see that, under your see-through shirt and a marked absence of a bra!

L: I suppose you think I am pretty blatant?

I: Blatant, yes. Pretty – most decidedly! But I suppose its really quite understandable.

L: Me being pretty – you mean?

I: Well – I actually meant – your being so exhibitionist with your breasts.

L: Oh, yes, well – the Good Lord did say in the Bible – ‘don’t hide your talents under a bushel’ didn’t he?

I: I seem to have read that somewhere certainly!

L: In the Old Testament, and the fellows who wrote the Bible must have known!

I: Oh quite!

L: I reckon the Bible is the biggest pronographic book on sale today – yet you never hear of it being up at the Old Bailey for obscenity – do you?

I: Er, no, not exactly. Now about your nipples.

L: You must admit now, they look pretty good under my see-through white shirt? And they are not really

stiff at this precise moment!

I: You could have fooled me!

L: Yes, so most fellows say! I first guessed I was getting outside nipples when my elder sister took a look at them when I was fourteen and she was sixteen and she said “Christ Sis, what are those two corks doing on top of your tits?” Sis opened up her blouse to compare her nipples with mine and sure enough hers were a quarter of the size of mine. And nowhere near as red as mine.

I: Red?

L: Yes. Peculiar – but they are seldom just pink like I see most other girls nipples are. Not that that means they are sore, mind you. Far from it. Never sore. They can take lots and lots of rubbing and they just get red but never sore.

I: Lucky you! Now, in your letter you say – when you asked to take part in one of our Boob-Quizzes – that you orgasm by your nipples more than you do from your vagina and your clitoris. Is that an actual fact or just fantasy?

L: Not fantasy – I do assure you! Why is it unnatural for a girl to get orgasms from her nipples?

I: Not unnatural by any means. But – to use them almost as substitutes for her genitals as far as gaining orgasmic pleasures are concerned – well, yes, that is rather unusual, to say the least.

L: Don’t get me wrong. I do fuck as well!

I: You do? What a busy sex life you must lead!

L: Oh yes, I do indeed! I have nearly a dozen fellows anxious to see me at least once a week! I could go on the game in a big way if I so chose!

I: And would you choose?

L: No Sir! I like to have my sex with love – or at least with some degree of fondness or affection.

I: How very nice to hear you say so! So many girls appear to just want sex for lust rather than for love. And the fellows too.

L: Oh yes, I know that so well. At least six of my girlfriends talk about how they just fuck for the fun of it. You know – they are ready any time after discos or coming out of pubs to stand up against a tree or a wall or in a dark doorway and to take down their drawers for a fellow’s stiff nob. Some of the girls go without knickers so they can get fucked easier – or poked up in fellow’s cars.

I: And you do nothing like that?

L: Well, I mean, I fuck! Sure I do. And I get sex fun with my tits like I have said, but I like all the fellows I go with and they like me. No one-night-stands for me. And – when I have sex, I prefer it in a civilized bedroom rather than in a doorway or in a field or up against a wall.

I: Good!

L: Yes, those girlfriends I am speaking about just dress up in the evenings to go out to get a fuck or a

poke easy. They wear short skirts, stockings and suspenders. Mind you, I never wear tights either, always stockings and garters or holdup stockings or suspenders. My girlfriends often wear those peephole drawers with handy slits inside of gussets so they can be fingered or fucked dead easy. As far as I am concerned I like sex fun up against walls or trees or in alleyways or wherever, provided its my tits that are being touched. I mean, since I can get about half-a-dozen comes in rapid succession by having my nipples rubbed or sucked by a bloke that makes up for me not being poked or fucked, see? On the other hand, I like getting climaxes from my nipples while being fucked by a fellow from behind, him fingering my nipples with his hands while he is busy behind me sticking his prick in and out of me. That way I come all the time – even after he has finished shootin' sperm up me. Provided he goes on rubbing my nipples of course.

I: Of course.

L: I often wear peephole bras to attract the fellows at discos and that, where a girl isn't allowed in without a bra. Besides that I like to feel my nipples rubbing up against a boy's shirt or on the hairs of his chest if his shirt is open down the front. I get comes that way as well when we dance close together. Oh, and I tell you one way I just love to make myself come with a fellow. But it may shock you – mind!

I: In my job I am completely unshockable – I do assure you.

L: Sure?

I: Sure I'm sure.

L: You won't get horny?

I: I can never guarantee that!

L: No. I suppose not. All the horny things you must hear and have to listen to when interviewing a girl!

I: Too true!

L: Yes, well what I was about to say was that I get a fantastic thrill and

come like mad when a fellow is naked and I use my nipple to poke him. There – doesn't that shock you?

I: Its a bit mind-boggling – I admit. And what effect does it usually have on the fellow?

L: Depends. Some fellows come their lot on the bed with the movement and the motion of their stiff cocks rubbing against the bedclothes as I lie on top of them, I mean, put my tit and nipples over their bums. Others don't do a thing until I have satisfied myself on them, then they get wanked-off by me in return – see? After all, its no different to a fellow fucking a girl between her tits.

I: No. I suppose not – really. And do you have that done to you?

L: I most certainly do! And that turns me on no end. To feel a fellows hot thighs lying on top of each nipple and his flesh moving up and down over them as he fucks his stiff prick in and out of the slit between my breasts just about makes me come all over the place. Of course, I also

love to have my nipples rubbed and sucked by a fellow. The sucking is good. I reckon when I have a kid and breast feed it, I'll be coming then as well!

I: Your breast statistics are?

L: 45 does that surprise you?

I: No. It's the long thick red nipples that surprise me.

L: They surprise every fellow when he first sets eyes on them! Specially when he rubs them up real stiff for the first time with me!

I: And what about girls, and young women?

L—What about girls and young women?

~~R~~—Lesbian adventures?

L—You mean, me and girls going together?

I—Yes.

L: Well, yes, I guess I have had a few adventures in that direction.

I: At school?

L: No, at my first job, in fact. In a small factory. There was this butch girl of twenty, see, when I was nineteen. She took a shine to me and to my tits. We factory girls wore pink overalls in the always-hot factory, the assembly room, television parts it was. This butch girl called Beth had me in the loo one day and several times after that, until she left for a better job. She was great in sucking me off. She would finger my hole with me up against the loo wall while she sucked my naked tits and made me come all over the place. She used to mouth away at me as if she was famished for sex!

I: And you liked it?

L: Sure I liked it! Wouldn't you like to have a girl sucking away at your nipples?

I: Well, the biological reactions would be slightly different, you know!

L: Get away! I know lots of fellows who just love me to suck their nipples for them! One bloke I know comes all up my tummy when I press him close and suck his tits!

I: You were saying

L: Oh yes. The lesbian experience. Well, there was this other girl. She was a cloakroom attendant at a disco I went to. We got chatting one night and since I had no boyfriend with me that night to see me home, I agreed to this girl saying she would drive me home. Of course she was, butch and three years older than me.

I: How old were you then?

L—Twenty-two. She suggested a coffee at her pad before she drove me back to my flat, a matter of a mile or so in the opposite direction. I agreed and we had coffee in her place. After a while, she left the lounge and came back very soon after, wearing knee-high black leather boots – black silk knickers, and a silk bra. She told me she wanted me sexually and I was to do as she told me. Well, I wasn't frightened, for she

was a beautiful girl and I didn't think she would be sadistic with me. She asked me to strip off and watched me take all my gear off - drawers - the lot. Then she made love to me on her sofa for quite an hour kissing and sucking my nipples and making me squirm with comes all over it. Then she had me on my tum on the settee with her fingers between my thighs and right up my cunt and she poked me to death while at the same time she also rubbed my nipples, each in turn. You can just imagine how I loved all that, in spite of the fact it was a girl and not a fellow!

I: Then you reckon you have lesbian tendencies?

L: I reckon I am bi-sexual. But its mainly because I love to show off my large nipples you see and to be made to climax by them. Its just all-round exhibitionism I guess - plus the fact I just cannot have enough orgasms - however I go about getting them. I even masturbate my nipples in bed at night. Do you reckon I am a bit of a nymphomaniac?

I: I won't go so far as to say that. Every healthy girl and young and older woman is entitled to enjoy the pleasures of orgasm. They are tension-releasing and realising and perfectly natural. A nymphomaniac is a girl who just cannot get orgasms at all and continually searches for the sex experience that will at least release her and give her climaxes.

Then there is the other kind of nymphomaniac who can get orgasms very easily and she just cannot have enough of them and will go to any lengths to get release and to have climaxes with any man, however old or with any female - however old.

L: Which am I then?

I: Neither I would suggest! Certainly you are very over sexed and super and hyper-sensitive where your sexual climaxes are concerned, but I think you have the situation well under control. You say you like love or, at least, affection or fondness with the fondness with the fellows with whom you have sex. A nympho of either kind would just desire and get sex without the slightest trace of desire for affection, without being choosy, without bothering about what sort of fellow, or girl, she was going with.

L: Oh, well, I am dead keen on a fellow being attractive and glam, for one thing. Then, he must be absolutely clean and fresh from the slightest suspicion of dirt or venereal disease, of course. Plus he must dress well but in real mod gear. Plus he must have a taste for nice, smart, sexy undies. Plus he must be reasonably well built, not too thin but by no means fat and flabby with a swelling belly and flabby chest muscles. I don't like big muscle-men at all. I don't vey much care for blokes with shaggy beards and long untidy hair - like drop-outs or squat-

ters, or lead guitarists in those silly groups. But I don't tolerate a short-back-and-sides man either! Also, I don't like hairy men who look like apes when they have taken their clothes off. And I can't stand bow-legged fellows or knock-kneed men. As for the stray lesbian, butch, she must be either goodlooking or handsome or real beautiful. Never surly or repulsive or far too mannish and masculine, as so many butch lesbians are. Horrible! She, too, must dress in good mod gear - be clean and look clean.

I: You are very wise to be so particular.

L: So you don't reckon I am a lesbian - bitch or butch for real?

P: Certainly not for real. Bi-sexual, yes.

L: And you don't reckon I am a nympho, of either of the sort you described?

I: And not a nymphomaniac either. You are just a very breast and nipple conscious girl with hyper-sensitive nipples that give you orgasms for two reasons.

L: For what reasons?

I: First because many girls find their breasts and their nipples are erogenuous zones - that is to say - zones of the body that are climax-producing or, at least, which when touched easily stimulate sexual desire. Yur nipples are obviously

extremely sensitive because they are so large. In addition to that, you are intensely conscious of the prominence of your breasts and your nipples. That makes you prone to extra and almost immediate sexual sensation from a phsyic point of view. By that, I mean your mental attitude towards your breasts and your nipples excites and stimulates your mind to such an extent that you more or less will yourself to experience orgasms when the blood swells up into your nipples.

L: Like blood swells up a man's prick?

I: Absolutely just like that.

L: Yes. I know a man of thirty who swells up horn-size, about seven inches as soon as he strips off in front of me and he's dead nuts about his long thick prick and can come by wanking in a couple of seconds, almost premature ejaculation and when I wank him and all. Its almost impossible for him to fuck me as he comes off as soon as he gets stick up my hole.

I: You are also very exhibitionist about your large breasts and prominent nipples.

L: Like exhibitionist fellows who show off at the slightest opportunity and on beaches with tiny, tight swim briefs so all their shape shows to the girls and like men who flash to girls in parks?

I: Like the men on beaches, yes, but you never flash to men in public places, do you?

L: I have no need to. I'm more or less on show all of the time, am I not, with my huge knockers? I suppose I really am exhibitionist in the clothes I wear, I mean see-through tops, peephole bras, no bra at all from time to time? And on the beach on holiday I just see to it I spill out over my sun or swim top! Poor men, with outsize pricks! They can never do anything about them, can they, apart from wearing small, tight undies or swim wear? I mean, a fellow can never allow his prick to bulge out over the top of his briefs in public or allow his balls to show outside the elastic legs of his briefs, can he?

I: No. Tell me, how does real love and marriage fit into your ideas on life at the present time? You are twenty-five.

L: I know. Old - eh?

I: I didn't say that!

L: I've fancied I have been in love lots of times but soon I have discovered it has only been extreme fondness or infatuation and I have felt it all so that I could enjoy sex with a bloke and not feel guilty and just lecherous - you get me?

I: I get you.

L: I suppose I will fall in love for real, one of these days.

I: I think you will find it a question of

thinking less of yourself and your body and more of a fellow.

L: You really mean, being less of a sexual egotist - selfish and vain and over-sexed and over-conscious of my large tits?

I: You sum up my meaning very well!

L: But, how can I forget my sensitive, sexy tits when I have to live with them all the time, be conscious of them coming so easily with them? Have fellows gloat over them everywhere I go?

I: I mean that, when you really fall in love, you will only be interested in the one man, in the man you fall for and it will be his opinion about your body and his eyes alone on your body that will count then. You will no longer be interested in other fellows looking at your breasts and your body. You will probably find yourself starting to feel a bit self-conscious, when fellows stare at you and make passes at you. You will want to keep yourself for the one man you have really fallen in love with.

L: All sounds very romantic!

I: That's really what its all about. Like a man with a large penis who has spent years flashing it around and who suddenly only wants one girl to see it and to handle it.

L: I see. Falling in love tends to isolate one, then?

I: You can put it that way. But it is a kind of splendid isolation. It compensates adequately for lack of dozens of admirers because the eyes of the one man whom you love and who loves you are now quite enough to satisfy you.

L: I see. I suppose one day all that romantic sort of thing will happen to me?

I: With your looks and with your figure, of course it will. In any case, you will fall in love with a man eventually, for that is the law of human nature, you see. There is someone for everyone and your particular someone is alive and fit and well at this very moment, just waiting for fate to take you to him or to bring him to you.

L: Really?

I: But, absolutely. Now Laura, this is the end of our tape and it has been a most pleasant and revealing interview!

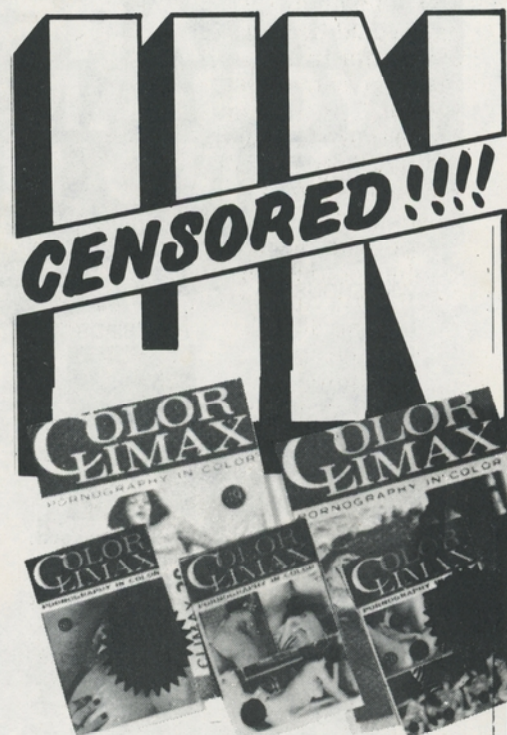

L: Revealing - yes! Sorry about so much tit show under my shirt!

I: Please! Not at all! I have enjoyed every moment of our quiz, both visually and verbally!

L: And I can go now, feeling I am not all sorts of a wanton bitch?

I: But of course! You are a healthy, extremely attractive and very physical girl making the most of your sexual charms and enjoying the extra sexual bonus of climaxes from your breasts and your nipples. Jolly good luck to you!

L: Well - thanks!

THE AMERICAN BOOB COMPLEX

Millions of American men suffer from what is called a "mamma-complex" ... a compulsion which makes them over-conscious of the female breasts. This causes a lot of single and married men to be over-devoted to their mothers, to superimpose the image of their mothers on their girlfriends and their wives. It also causes a great deal of extra-pleasurable sex between such men and girls who are breast-conscious themselves.

Silas B. Rosembaum, a pleasant, goodlooking young man in the textile export business in New York, was on a summer vacation visit to London. He left behind him a tall, narrow young wife with small bust-dimensions and memories of a lately defunct mother whose breast-proportions had been more substantial and which had always made a great impression on Silas B. since he had suckled them in infancy. His numerous men friends had been surprised when he had married a tall, narrow girl with poached eggs for tits – as most of Silas's previous girlfriends had had tits almost as large as those of his late mother. Silas had excused himself on the grounds that Ruth's cunt has been – or rather – was of such magnificent size and shape that he had readily forgiven her her lack of upper-storey flesh. Never-the-less, his closest buddies knew for certain that Silas often took time off from his New York pad and his willowy wife to frolic among the biggest boobs to be found in Town. He had an interesting little red book full of names and addresses of girlfriends and callgirls together with breast statistics ranging from 38" to 45." And even over!

Here, in London, bedding-down in a flat lent him by an English man friend, Silas was in the middle of a tit-search among discos and pubs

and night clubs. He happened to make careful notes of a few girls whom he met and took home to his friend's flat with him. His notes were handed to his man friend on Silas's departure back to New York. The man friend was disloyal (or commercially-minded enough) to sell them to this magazine. Accordingly – a reporter from this publication interviewed four of the girls who had adventured with Silas at the London flat. Their accounts of twenty-five-year-old Silas's sessions with them appear in this feature...

Rosemary. Age twenty. Bosom – 40"

"Yes – Silas Rosenbaum met me at a West End Disco. I never did find out what the 'B' in his name stood for. Probably for 'breasts'!. I have yet to meet a fellow whose entire sex life seemed to revolve around a girl's tits! Silas was very goodlooking in the brash, blond, egotistical style of your average American male. You know – full of being a Yank rather than a Britisher and bustin' with dollar-bills converted into British currency. A mouth invariably full of chewing gum and underwear full of an erected prick. He was a super disco dancer and that, together with his American accent, attracted me and I was only too pleased to allow the other girls and fellows at the disco that night to see I had pulled this guy. He took me to a pad in Knightsbridge he said had been lent him by a New York friend. We got there by taxi. He had already remarked on my size 40" tits that he had seen bouncing up and down inside my T-shirt, braless and free. Mind you I'm not fat. Oh no! Nice and slim, but I have these luxurious tits, you see. The pride of my young life it didn't take me more than two shakes of a stiff prick to realise this fellow Silas was a genuine titsman! Naturally – I like men who go for tits, since they are my big thing – if you get what I mean.

Back at his friend's pad he plied me with drinks and sandwiches but not before he had stripped off down to a small pair of boxer shorts. I flipped for his body ok, for it was tanned and practically hairless and very well-proportioned. I also flipped for the shape of his prick and bollocks nestling invitingly inside his sexy shorts. He had me strip off down to my pink knickers. Naked tits of course.

What this guy didn't know about what to do with a girl's tits is nobody's business! With me lying full length on a low divan in the lounge of this pad, he wobbled and kneaded and massaged my tits and stiffened up my large nipples with his fingers and then, with his lips and his tongue sucked until my tits were rosy pink and my nipples were larger and stiffer than I have actually ever seen them to be! All that time – he kept on his boxer shorts in spite of the fact his prick was by that time – making the front of the shorts look like a tent with an outsize pole inside it! I began to wonder when or if he wanted to fuck me. By that time I was wide open, wet and rarin' for six of his apparent eight-inches of cock up inside of me.

But, this guy wanted to fuck himself off in-between my tits! Well, I have had that done to me many times before by other titmen, so naturally I got the scene! He laid himself down over me on the divan

– facing down to my cunt so that he could finger my hole while he placed his enormous prick – now fully revealed to my eyes after he had taken down his boxer shorts – in the deep tight division between my breasts. Propping up my head with several cushions on the divan I was easily able to see his big bare bum going backwards and forwards as he forced his fat prick in and out of my tit-slit. I could also see his large, full round hairy bollocks sliding to and fro with his energetic movements. At the same time and to my delight, he put his mouth right between my open thighs and made me bend my legs at the knees. He sucked me off – clit plus hole while he went on fucking my swollen tits. What with being sucked and with watching his bum and his balls quivering and trembling up and down, I started to come from the very first plunges and sucks. I would say I had twelve climaxes by the time I felt his prick start to pulse violently – to release a stream of spurting spunk all down over my tummy. It was fantastic!

I don't reckon any Englishman had ever given me such a combined tit-fuck and cunt-fuck. I saw Silas three times after that night before he had to return to New York."

Joan. Age twenty-five. Bosom 45"

"When I was a schoolgirl at sixteen and just about to leave the place my breasts were 38" inches and I was the envy of my Form. I had been into tit-masturbation for some time by then and had realised my nipples were about as sensitive as my clit and as responsive to fingering by me as was my clit and my hole. When I left school and was of course then of the age of consent, I made a point of going with boys in their cars simply for the pleasure of having my large breasts and nipples sucked and massaged to orgasms. I would never let fellows fuck me but, in return for the breast-comes they gave me, I let them expose their stiff cocks to me and I very soon got adept at sucking and swallowing or wanking them off. My first fuck was at a boy's bedsit after he had worked me up naked on his bed by sucking off my nipples. I enjoyed that first fuck since I had broken myself in a year or so previously by wanking off with my fingers and then a vibrator. But I did insist and still do insist that I am always fucked from behind so that a boy can hold my tits in his hands and wallop them off to help make me come more violently. I have yet to meet a boy who doesn't like rear-fucking and tit-walloping!

I came across this fellow Silas – this American business man in a local pub in the West End of London.

I live off Leicester Square, by the way. He took me home to a friend's flat after chatting me up half the evening and plying me with drinks. He was well-built and tanned all over and little golden hairs were on his chest but none on his body. He wore scarlet silk boxer shorts - I think they are called - with short thigh-legs and slits and his cock showed large and silky under the shorts. I told him, in the flat and while lying on a divan naked all over, that I was terribly breast-conscious. Looking down at my naked knockers he grinned and said he guessed with all that flesh up-top, I couldn't possibly be anything else! I could see he was a breast-man himself by the way he kissed and caressed my swollen-up, red nipples and palmed my breasts and quivered them both up and down until I started to buck my hips and pelvis up and down in a series of comes.

He was very good at the suck job, too. Sucking my tits, I mean, although later, he did go down onto my clit and cunt while he straddled his thighs over my breasts in order to be able to fuck between my breasts. I had never had that done to me before by a fellow. I had heard it could be done from girl friends of mine. It was quite something. Then, after a while, he fucked my breasts again but up the other way, his prick

pushing up and down towards my face. I watched, my head propped up, as the red nob thrust in and out of the deep valley between my breasts and finally saw all his white milky spunk shooting out over my throat. Super!

Later - I asked him had he enough energy left to fuck me doggy-fashion and to caress my breasts at the same time? Naturally - this tall, well-built, tanned, healthy, randy Yank had enough energy! He was up me, me bending low over the divan before I knew where I was. Yes, he massaged my breasts and pinched my nipples but good, as he swayed back and forth and up and down into and up my hole. My entire body was aglow and alive with orgasms as he speeded-up his thrusts to the point he once again spurted out more man-milk. I told him no English fellow I knew could rear fuck and breast-wank as good as he could! He told me how, since adolescence - no - late childhood in fact, he had been conscious of breasts since his momma had had a couple of whoppers and his two sisters had been equally as well endowed. Well - my tits had been say about 40" by the time I met Silas. They are 45" inches now and still growing! That experience with Silas made me even more aware of the erogenuous properties of my breasts

and nipples and now I am well into breast sex. I think breasts are to a girl just what pricks and balls are to men. Girls are lucky - of course. They can show-off and expose their breasts to men whereas men cannot show-off and expose their pricks and balls to girls except in private. I mean - I never wear a bra out anywhere and, in the summer, I wear see-through tops. Imagine men in see through trousers and briefs! The mind boggles and the cunt opens!"

Teresa. Age nineteen. Bosom 42".

"I have always had a thing about Yanks ever since, at sixteen, I wanked off an American soldier based at a training camp in Brighton. He was only seventeen and wearing those tight well-fitting Yank Army uniforms and it was a hot summer afternoon and he had driven me out onto the Sussex Downs in an old jeep. My breasts, even at that age, had been large about 39" I think. I was wearing a floral summer dress, and no bra, but pink drawers and no stockings. I felt very sexy and told him I had never yet seen a boy's naked prick. Sitting on the warm grass with him with no-one in sight for miles around, he stood up and peeled off his tight light khaki Army trousers and his small white briefs.

He looked smashing as he stood up over me with this huge prick sort of pulsing up and down and sticking right out in front of him with a couple of clearly-defined balls in the pink bag under the prick! I knelt up in front of him, no, at the side of his long naked legs and thighs and he showed me how to hold his prick and to wank it off. I did as he told me and I was fascinated to see the milky white stuff spurting out all over the grass.

After that, he had me naked on the grass and was kissing and sucking my bare breasts and making my pink nipples stiffen up, I knew my breasts were easy to make me come so of course I encouraged him. I came several times as he knelt, quite naked now, over me, I looked at his hovering prick stiff again as he rubbed off my breasts. Well – that really started me off being a breast-conscious girl! After that, all my sex adventures had to have and still do have a lot of breast-love as well as cunt-loving and prick-pulling and spunking and sucking. Yes – I am into fellatio as well. Plus cunt-sucking! So I eventually met this American character calling him Silas Rosenbaum. I met him at a party of some sort held for a gathering of American visitors to London. I was wearing a white low cut evening gown, as he offered me food from the buffet I saw him looking down my breasts, down the low top of my gown, that is. I went all hot and cold all over and the familiar come-sensations started in my nipples as they always do when I see a man staring at my breasts. I just clung to Silas for the rest of the evening and really hinted I would be prepared to go home with him for the night – wherever he happened to be living or staying. Being a Yank, he naturally caught on pretty quickly and told me he was living at a friend's flat, we left long before the do was over and we taxied back to his place. By the time he had me naked on his lounge divan except for white drawers, my nipples were up and stiff and my breasts had swollen-up as they always seem to do when I am expecting them to be played with. And boy! Did he play with them? I knew at once he was booked on tits. You can see it in a man's eyes like you can see when a man favours bums or thighs – or holes! Yes – this Yankee knew his tit drill! In-between fucking his prick in between my breasts and coming all over my tummy – he told me about his slim wife back in little ole' Noo York who he said had small tits and about his momma and sisters all of whom had big tits. He poked and sucked me and after I had given him a wank for the sake of Anglo-America detente – or entente, or whatever its called – he fucked me American style – up

behind, with his mitts on my tits. Silas and me met several times during his vacation. I took him back to my own pad on one occasion and gave him a colour instant camera to shoot me from all angles, including several up-the-crotch shots, just to give him reminders of the fact I also have a nice large wet red hole! That's how he put it, anyway! Its not very often one meets a man who is so utterly uninhibited as that man, Silas Rosenbaum. Some Englishmen are very inhibited and too, too polite when it comes to letting themselves go with a girl. More American men are more fascinated by a girl's breasts than are Englishmen – I think. Mind you – over in the States, American men are popularly supposed to be ruled by mother-complexes and when they are not in love with girls or their wives they are in love with their mothers! Mind benders and shrinkers say its all to do with suckling at their mother's breasts in infancy. But English babies are breast-fed by their mums as well. I wonder what's so special about American mum's breasts?"

Marigold. Age Eighteen. Bosom 46"

"Like to hear about a guy who converted me from being a femme lesbian and made me realise how better men are for girls than are butch women? Yes – its as easy for a lesbian to convert to heterosexuality as its easy for a heterosexual girl to turn lesbian. I'm attractive, tall, reasonably well-proportioned as far as hips and waist and bottom are concerned. I have long blond hair and look like a very upper-strata tart. So my girlfriends tell me, but I reckon thats just jealousy. The thing is – I have this outsize bust, you see. I mean, at eighteen to have breasts of 46" is

something isn't it? They don't make me look top heavy for, as I have said, I am reasonably well-proportioned elsewhere. I am able to suck my own nipples very easily and this makes me flip for myself as I come several times as I do it. Every girl is her own personal sucker! Its an asset I can tell you! When I left school after age sixteen, I got involved with this butch lesbian of twenty-five and honestly, until I met Silas in a pub – I had never been with a fellow. I got involved with other butch lesbians of various ages after that first one and I honestly thought the gay scene was definitely for me. I kidded myself I did not like the male prick – specially after seeing one naked and erected in a park one Sunday afternoon as this character exposed himself naked from the waist down to me from behind a bush! But, this American man, Silas Rosenbaum, put an end to all that. Yes Sir! As he would have said! I was waiting for my latest butch lesbian date in that pub in the West End of London that evening when in walks this Silas character, looking tall and broad and tanned and blond-haired. He sat on the stool next to mine at the Bar and very soon he had grinned at me – offered me a Camel and drink and we were in conversation. Pretty soon after that a sort of mad, swoony feeling came surging over me. Quickly, I told him I was waiting for a girlfriend to meet me but I had changed my mind and didn't want to see her and could we leave the pub and go elsewhere so that I could avoid her? He was onto it right away and, with a smile and a nod, he took hold of my arm in a protective way and propelled me out of the joint. He hailed a passing cab and whisked me away from that pub several miles away and ended up at another place.

We went inside and over more drinks I told him all about my lesbian life up to that point. He said what a dead loss I was to the straight world and what was I going to do about it? I told him I didn't know but of course I did know. For all of a sudden, I had had a yen in that pub to view this man's prick and balls, to play around wit them and maybe to actually have it up me! Sort of as if my real hetero nature had suddenly started to show through after several years of thinking I was really gay. I told Silas that as well. He grinned and said well, darling, if you want me to try to show you the straight, normal, natural way of life I am only too ready to do so. I took him up on it for staring down at his crotch, I had already seen a tell-tale shaping-up of his cock and the thin tight material of his light grey trousers and pointed and bulgy around his zip. I felt very excited and thrilled as he looked down at my tight red sweater and

saw my large breasts under it in their half-cup bra and told me he was a tits man! On the way back to what he said was a friend's flat in Town, he told me he was also a breast-fucker. I had to get him to explain that strange term to me, he said it meant he enjoyed fucking-off his stiff cock in between a girl's tits and letting his spunk shoot out in the cleft between them. Suddenly, it all sounded most exciting and I started to come into my pale yellow drawers up under my short white pleated skirt. I thought of the tan stockings and white garterbelt I was wearing and wondered would he like the gear? I also thought of that butch bitch who, by now, would have missed me in that pub!

Back at this flat belonging to his friend, Silas very soon put me at my ease by stripping off down to nothing but a small, silky pair of pale blue shorts with high thighs and slits up them. Each side of the gusset join I could see a large ball and sticking up against his flat tummy, I could see a long shape reaching up to the wide waist elastic of the shorts. As I also stripped off quite naked, I hastily thought of all I had heard from lesbians about the size and the thickness of mens' pricks and the colour of their exposed nobs and the texture of the bags in which dangled their bollocks and of the hairs round a prick and of the way a prick pulsed out spurts of come all over the place when a girl rubbed it off with her hand.

When I was naked on my back on the divan he had in the lounge of the flat, he took down his shorts and I saw my first - ever prick and balls I knew I could touch and be fucked with it if I wished. Much bigger than that exposed prick I had seen in the park that time, years back. Silas knelt over me, straddling my sides with

his strong thighs and his prick rubbed over each of my nipples which were able to reach high up to his prick and balls in any case. The feel of his wet, red nob rubbing first one nipple and then the other turned me on for real and I actually felt myself orgasming in my opened hole. Then he bent right down and actually started to suck off each tit in turn. I just swooned with comes and my cunt grew wide open and wet. After the sucking game some real rough handling of my breasts which I actually loved to feel, feeling his hands shaking and worrying them, his fingers pinching and tweaking my nipples. He was as good as his word about fucking my breasts. He did it lying on top of me facing down to my hole and sliding his enormous prick between my breasts until I felt the splodge and the splat of his come spurting out all over my naked stomach. After that he fucked me for real, and honestly, when all this was happening to me, I thought how the hell could I have wasted so much time so far in my life being poked and probed and sucked and mauled about by butch lesbians when there was this delightful thing called Man with his prick.

Well - that's how a Yank called Silas converted me from the gay way of life to the het way of life! I reckon whatever else that man did over here in London during that vacation of his - he did one big good job of work showing me what really to do with my body. What do you reckon?"

Lucky that Silas B. Rosenbaum left the names and addresses of those four lucky girls so that this magazine has been able to publish their stories! Is it a bad thing that so many American men appear to have what they call a "mamma-complex"? It appears to bring a great deal of fun into Silas B's life!

LADY CAN'T SAY NO

VIBRATING PENIS

A viciously effective 'whip-hand' stimulator (available in black or white), as favoured by the ladies of the Brazilian aristocracy. Its unique snake-like action mercilessly activates the nerve endings of the vaginal orifice, nerves which are by-passed by the conventional vibrator (which is active only at the tip).

This unique action also stimulates the lubrication duct, and women who thought they knew themselves well report a massive increase in fluid emission, after just a few moments alone with the Vibrating Penis. It is contoured according to the penis of a donkey (which has more pleasure-giving bumps and ridges than the human penis), but is sensibly proportioned at 7½ inches long. Until very recently, the Vibrating Penis was a black market item selling at £10 or more, but we are able to offer this brand new concept in female stimulation at the more reasonable price of £3.99 post free.

AVAILABLE IN BLACK OR WHITE

SEX BOOST CREAM

To be rubbed on the male penis before intercourse and on the female vagina. This cream lubricates AND intensifies the sexual pleasures of intercourse. GUARANTEED TO TURN ON ANY WOMAN, a real passion raiser! Would turn a nun into a nympho! £3 a jar.

THE PILL PLUS SLIMMING PILLS

Dear Editor,

I am seventeen, a girl by the way (!) and I have this problem. You see, my breasts already measure 39" getting on for 40". Mum is not big-breasted and neither is my younger sister. I am supposed to be a 'throw-back' to my great grand-mother who was supposed to have had what they called in her day, an ample bosom. Mind you, I do agree that my breasts arouse a great deal of interest in the discos I go to and at my youth club and I am whistled at a lot in the streets which I suppose, makes me some sort of a sex symbol. But I am very keen on boys since I am also considered to be very attractive with my long red hair, green eyes and pale skin. The rest of my figure is slim, nice waist of 23" and with hips and bottom and things to match. But sometimes when I look at myself in my mirror, I wonder if I look sort of top heavy. Mind you, I don't feel top-heavy at all. Perfectly ok in that way. And the games my various boyfriends get up to

with my tits, as most of them call them! You have no idea! Freddy loves to suck them and to gently bite my nipples which are also unusually large. I confess to liking him to tweak them from time to time with his finger and thumb. This pains me a bit but it never fails to make me climax several times. My real problem is, that when I am, say, five years older, are my breasts going to be all out-of-proportion? Or does the fact that I am large-breasted now mean that later, I am going to grow fat all over and end up by being a fattie? I would hate that to happen. When my doctor put me on the pill he said it would help to reduce me there but, so far, after six-months, there is no sign of that happening to me at all. I have been advised not to take any slimming pills, as they might conflict with the real birth pill. I am in a bit of a quandary actually. I am now on a strict diet but the thing about that is that it might make me too slim and I perfectly satisfied with my figure at the moment. I also worry about that, if I lose my large breasts, boys will not be so interested in

me but I am also annoyed that they appear to me more interested in my breasts than they are in the rest of my body. Any advice - please?
Margaret F. Reading Surrey.

EDITOR: Take your doctor's advice and do not try slimming pills that might have an adverse effect on the birth pill in your system. In any case, slimming can prove to be most dangerous for many girls and women. Certainly watch the development of your breasts as you grow older. You may well find it is more or less an adolescent condition and that they may grow smaller in proportion to the rest of your body quite soon. I am afraid it is quite normal for boys to be attracted to your breasts and to look at them in the first place, also for them to use them in natural love-play, so do not let that be a problem to you!

MATTER OF PRIDE

Dear Editor,

Just been reading a

newspaper feature about big boobs being 'out' these days where photographic models are concerned, and for girls in general, as a matter of face. I am a chap of twenty-five and my dad tells me when he was my age big tits were the things fellows always liked at in a girl first of all. He said that if a girl wasn't all that pretty to look at, provided she sported a good pair of knockers, she was 'in' with most chaps. I don't really find that easy to believe. After all, men in England, at least, are not victims to the all-American 'mamma-complex' which is centered around the females possession of outside tits.

As a rule, the average Britisher is a legs or bottoms or a thighs man. At least, that appears to be the situation in my generation. The trouble with most girls with big knockers is that they have thick waists and thighs and large hips in proportion. If they have outsize tits on a slim body they tend to look top-heavy. There is the happy medium of course, as Laughing Gas, the Spirit Guide said, when introducing the leader of the local seance.

To me, that means a girl with a 35" bust, a slim waist, hips in proportion to her bust, plus a rounded, not too large bottom. I am going around with just such a bird at the moment as it happens. She has a tit-fetish as I like to call it - you know the sort of thing I mean, she loves me to nibble and to bite her nipples while she wanks her clit off as I kneel over her body doing the mouth and tongue action to each nipple in turn. That turns her on and brings her off no end. She also likes me to gently whip her tits with a small plastic belt! I don't very much care for that scene. After all, who wants to hurt a girl's tits, I ask you? I have been around with a few girls with extra large tits but honest, I see

nothing in them but, well, large tits! They always make me think of expectant mums! I suppose girls, some girls that is, have a 'thing' about their tits like we blokes have a thing about our pricks and balls. But our equipment is at least functional. I mean, it all does something, but what do girls' tits do but provide milk at weaning times? Still, I suppose if us fellows want our birds to take an interest in our cocks and our balls, we must expect them to want us to take an interest in their breasts!

Marmaduke G. Hounditsch.

THE BUCK-RAM STIMULUS KIT

3 soluble aphrodisiacs designed to make the love-juice flow...

1. FIRE DRIPS

Formulated by a doctor subsequently struck-off the medical register, FIRE DRIPS were conceived to 'slip' into any drink, having no colour, taste or smell. 20 drops is sufficient to induce a 'woozy' sensation and to cause primary swelling of the clitoris. Should NOT be administered to any unsuspecting party. £2.50 per bottle.

2. HEAT SUGAR

Resembles ordinary household sugar, but each pack contains .01% of Embucinol, a known mental 'loosener', and 2 grammes of Tikka, a genital irritant made from the crushed wings of the cantharides beetle. The combined effect is to cause intense sexual desire. Therefore this substance should be administered to consenting adults only. £3 per large container.

3. DRIVE PILLS

Containing Embucinol and silver trace elements combined, not just to create sexual desire, but to sustain it. Unlike Fire Drips and Heat Sugar, DRIVE PILLS are medically approved, and a known antidote to impotency. £3 per pack.

SPECIAL OFFER: The complete BUCK-RAM STIMULUS KIT (Drips, Sugar and Pills) just £8.

Three in a Bed!

Playbirds Magazine, the leading colour porn magazine in the UK. Its reputation is founded on several years of bringing subjects that no other magazine dare match. Single girl crotch/masturbation shots, group, duo and les sequences—all in glorious colour, the like of which has yet to be equalled. The expensive paper on which Playbirds is produced is matched only by the explicit shots printed on it. See actual shots of intercourse, oral sex and unusual object vaginal penetration. An awful lot of porn for very little money—95p from your newsagent or £1 mail order. A year's supply—guaranteed—just for you is available at the subscription price of £10. Get it now—it has to be seen to be believed.

It had to come—a full length feature film called **The Playbirds**. Already being judged an all-time classic by people in the business, it is a superbly produced sex film with a climax that has to be seen to be believed.

A truly International cast has been brought together at a cost of over £2 million to produce the biggest blue movie epic of all time. A host of International sex stars litter the screen throughout a film with a powerfully strong storyline. Orgies, lesbianism, bizarre and straight sex, Mary Millington (England) Germany's Elsa "Deep Pussy" Von Krud, Erika "Deep Throat" Bergson (Denmark) and Bibi "Hot Orgy" Forbes from the States show explicit close up details that will thrill you as much as the well thought out and well written script.

The Playbirds is showing now at the Eros Cinema, Piccadilly Circus (01-437 3839), 7 days a week. Continuous performances from 11am—1am. On general release at selected cinemas throughout the country during the Summer and Autumn.

Cover Girl—the recipe for success in the saturated men's magazine market. High class household name models, incredible photography, first class quality printing on the finest paper. 100 colour packed pages contain explicit and very very intimate shots of Europe's most beautiful and vivacious women, articles on sport, motoring, yachting and many other topical subjects—all articles punctuated throughout by those never to be ignored classy ladies.

It's strong, it's good and, as they say, you get what you pay for—and having paid up to £5000 to each of the many ladies posing in Cover Girl we have to charge £1 a copy—a little more than the average but Cover Girl is a lot more than the average men's magazine.

You could of course subscribe and ensure your regular copy of Cover Girl for the coming year. If you subscribe by using the coupon below you get a free W/A action magazine.

OUTSTANDING FILM

Dear Editor,

If readers recall it — the film, the most outstanding X film of last year was *Come Play With Me*, featuring Mary Millington, that sexual romp is still playing to packed houses in its original West End Cinema apart from still going the merry rounds on general release. Now, and most likely to repeat its success and very likely even to surpass it, comes a new film from the same company under the direction of a famous Danish film director. The new film is called "The Playbirds" and features Mary Millington, as it starred her in *Come Play With Me*. Her latest film is a thriller, a comedy thriller, with the double ingredients of blood-curdling murder action, broad sexy comedy and the most erotic sex scenes it has been my pleasure to see in a British made film! There are loads of the most beautiful young girls I have ever seen assembled in one film plus a number of healthy, handsome men who

revel in their screen nudity as much as do the girls who partner them in the most explicit sex scenes and orgy scenes, the like of which I have never before seen in a Continental or an English sex film. This outstanding picture is now showing at the Eros Cinema in London's great cinema and show centre, Piccadilly Circus. Do please go to see it!

SEX-SYMBOLIC BREASTS

Dear Editor,

My boy says the cleft between my tits reminds him of the slit between my buttocks! Am I to take that as a compliment or an insult? I have a 45" breast-development and since, eighteen, (I am now twenty) they have gradually grown bigger and bigger. My boy loves to sit astride me on his bed so that his prick is stiff in between the cleft of my breasts. In that position, he manages very quickly to bring himself off in-between them, spunking up at my throat. He wants to do the same by putting his stiff cock in the cleft of my buttocks and sounding-out

up the small of my back because he says that would make him feel he was fucking my tits and when he is fucking my tits he tells me he is fancying he is fucking the cleft of my buttocks! But please do not get me wrong. He also fucks my cunt regularly, so he is not some sort of a tits-or-bum-freak!

Joan D. Stockton-on-Tees.

EDITOR: Yes, well, most adolescent boys and youths are sold on a girl's breasts if they happen to be outside or shall we say, well, outsized, as yours are at 45". But now you are twenty, surely you go with men of your own age and no longer witt younger fellows? You do not quote the age of your present boy-friend. If he is indeed younger than you and still a teenager, he is certain to be fascinated by going around with a girl who's best measurement must surely be a pride to him to show off to his own friends. He sounds as if indeed he is younger than you. If he is, why not try a

man of say, about twenty-five or so? Though no doubt such a man would still want to use your breasts as sex-objects, for most men are turned on by large breasts. However, an older man might be a bit more delicate and refined in his attitudes and be more sensitive in his approaches to them, and to you! So many girls bemoan the fact they have small breasts and develop real inferiority complexes about them. On the other hand, girls such as yourself with large bust developments such as yours can also get inferior feelings about them. What are you to do about it? We suggest you watch your figure very carefully so as not to allow yourself to grow fat and therefore to develop even larger breasts. Beware of stringent dieting and slimming programmes however. They can be most dangerous. See your doctor for good counselling.

Two different sex aids for every female, at a very special price.

Today's advancement in technology and electronics has had its effect, even on sex. The best example of this being the vibrator. The best vibrator is the *soft bendable* type. Comfortable for the female because, unlike the solid version, it gives with the ecstasy of the orgasm.

THE PLAYBIRDS

Over the last few years *Playbirds* magazine has acquired a reputation as the best value for money "crotch" magazine on the market — explicit shots of the most beautiful birds. *Now they've made their very own full length feature film called 'The Playbirds'*. It's the most explicit sex film ever featuring the world's top porno actresses: Mary Millington (England); Elsa "Deep Pussy" Von Krud (Germany); Erika "Deep Throat" Bergson (Denmark) and Bibi "Hot Orgy" Forbes (USA). In contrast to most sex films which contain a weak or poor story, "*The Playbirds*" is a fast moving thriller in its own right — but with the large sex/nude contents it's a sex thriller which really thrills AND it's the best sex film ever.

But if you'd like to find out more about the film before you see it you can in the uncensored photomontage AND the novel of the film:

i) PLAYBIRDS EROTIC FILM GUIDE NO 2—

This near 100 page magazine is packed with uncensored, uncut colour shots of the most unusual and kinky sex acts which appear in the film — every conceivable type of sex act is covered. All the stills appear with text in the order in which they appear in the film so that you can follow the story in words and pictures. See "flist ducking", group orgies, gang bangs, lesbian screw sessions, "deep throating" ... yes, the lot. This is the sex film and the sex magazine you've been waiting for!

Just 95p from your local newsagent (mail order £1.20)

ii) "THE PLAYBIRDS" Photo Novel

This novel is fully illustrated with uncensored, uncut "harder sequence" stills from the film. This is the strongest, most explicit novel of all time. It has a superb plot so that the story alone will keep you thinking — combine it with the sex content and you have something very special! This novel is as strong as the notorious Whitehouse and *Playbirds* novels and as strong as anything in even the "American" readers which are sold "under the counter" in Soho. Just £1 from your newsagent. (Mail order £1.20).

SPECIAL OFFER—BOTH MAGAZINE + NOVEL on the film "THE PLAYBIRDS"—JUST £2.25

HOW YOU CAN SEE THE FILM

"THE PLAYBIRDS" IS SHOWING NOW AT THE EROS CINEMA, PICCADILLY CIRCUS. Showing 7 days a week, continuous performances, late show every evening at 11.00 pm. Showing from 11.00 am daily AND look out for "The Playbirds" at especially selected cinemas throughout Britain NOW.

EMANUELLE MEETS THE WIFE SWAPPERS

Dear Editor,

I don't suppose many girls in the twenties age group write in to a magazine such as yours to talk about a sex film they have seen, but I am doing just that! I am a reasonably uninhibited girl of twenty two, well-in in London with the prevalent sex scene as it is in these permissive days and I do, from time to time, go to see X films with my best girl friend. I am not a lesbian, I am bisexual as it happens and am therefore, very broadminded on all aspects of sexuality. The film I am writing about is called *Emanuelle Meets The Wife Swappers*. Its about men who swap their wives temporarily at parties and gatherings for the purpose of having sex with other girls. Their wives know all about it and also have sex with other husbands at the same parties. Personally, I think wife swapping is a good scene. I know it helps to mend many marriages rather than to break them. So I accepted that when I went to

see the film.

However, the film was about a girl of 18 called, (her real name) Ingrid Steeger, a college girl writing a thesis about sex that arose from the kind of people who advertise in those funny contact mags one sees in shops. She meets up with a number of the men and women who advertise and also with the sort of men and women who answer the wife swap ads in the mags. Although merely intending to get data and 'copy' for her sex thesis, Ingrid very soon finds herself actually deeply involved in the sex scenes themselves. As a single girl among many young couples swapping

with each other, she quickly gets swept off her feet by men who see something in her far more appealing than in the many young wives out for extra-marital adventures. Pretending to be a bona-fide researcher, Ingrid has to interview young men who are knicker-slaves and she soon finds herself having to show off her own black silk stockings, suspenders and sexy knickers with the inevitable result she gets laid, on almost every occasion, apart from indulging in various aspects of lovemaking for her, the scene soon extends beyond the orgy party scenes between wife swappers and she finds herself being involved in various adventures with men who want to exploit her in private. Both my girl friend and I agree that this picture is about the strongest we have yet seen on the London sex scene cinema circuit. I very much doubt if any cinema management will have the nerve to show it in suburban or provincial cities. So if your readers are interested, they had better get to the Moulin Cinema, Soho, as quickly as possible!

HOMO TRIANGLE COPENHAGEN HOT (Imported) MALE ACTION

A new series of strong virile male action mags. Large for mat to highlight the action, superb colour and reproduction – and new models, many of whom are not professionals but have been caught unawares by a friend's camera. **GAY ACTION SPECIAL NO. 1** Packed cover to cover with a variety of men, from 14 – 22, who revel in showing off their grand penises. They have a nob size that will astound and delight. Young boys of 15 with a manhood that must be 14", more active men of 19 who jointly admire their size and play together, and those who have reached 21, consenting together to attain full mutual satisfaction. Erect men, but many who stand proud with their 10" are dwarfed by the true "king" sizes of several of the others. Camera close-ups zoom straight in on every member and none of the action is missed, so that the viewer is involved with a sense of fulfilment. This is truly an advanced publication, yet we are happy to offer it at the special price of £2.50 only. **GAY ACTION SPECIAL NO. 2** This magazine again features in the same candid provocative detail the same age

groups as FRED, but there is all action throughout. Spunky indoor (bedroom) shots, and unsuspecting outdoor glimpses. The main point is the giant sizes of the organs, but when two young men lie together they get turned on looking and playing with each other, and naturally they seek greater fulfilment, contact and relief together. All this is clearly shown, but it shows how happy two men can be together and how completely satisfied they can be. Big boys throughout, and big value for money at the introductory price of £2.50. **DYNAMO NO. 3** Hardcore homo action from the United States showing exactly what united means. Words cannot adequately describe the sensitivity with which these photos were taken, you must have this in your collection. Worth more than double the £3.00 selling price. **THESE THREE BOOKS REALLY GO TOGETHER, HENCE WE ARE OFFERING THEM IN A SPECIAL TRIPLE PACKAGE – £7.00 FOR ALL THREE. Also 6 other HOMO books £10.00.**
