Contrasts in cunt hair: Elektra has a full growth, while Blake is shaved bare. But both ladies fuck on camera!

40SOMETHING #211: COVER-TO-COVER MILF PERFECTION

Dear 40Something,

40Something #211 was the perfect issue. Every woman was hot, a rare feat for any magazine.

Is Blake James porn actress Tabitha Stevens? If she isn't, I'd still like to see Tabitha in your magazine. Also, Lexi Carrington and Sharon Pink. Any

chance of bringing other porn stars out of retirement like you did with Joanna Storm (40Something #196 and 50Plus MILFs #212)? I'd also love to see Gloria Leonard and Angela Baron in 40Something.

Some women I don't want to see in your magazine anymore: Sandra Ann, Misty or any black women. I love that you've started putting Asian women in each issue. Why don't you start an all-Asian magazine?

How about a layout of Elektra (40Something #206) getting a pussy wax? Or Summeran (#203) dressed as a cheerleader with no underwear? Or any model doing the cheerleader/no panties fantasy?

Keep doing a great job and consider

making 40Something monthly or at least alternating months with 50Plus MILFs so we could have a magazine each month.—S.D., address withheld

Dear S.D.: How about almost each month? In 2011, 40Something is being published six times while 50Plus MILFs and 60Plus MILFs are scheduled for two times each for a total of 10 issues. The next issue of 40Something (#219) will go on

sale Aug. 30. The next issue of 50Plus MILFs (#220) goes on sale September 20. The first issue of 60Plus MILFs (#216) went on sale June 28.

As for Blake James, she is not porn star Tabitha Stevens, but she sure does fuck like a porn star, taking it in her ass in her new pictorial on pages 91-97. Sharon Pink, who has appeared in SCORE magazine, is only 37.

BECCA ROSE AND RUTHIE HAYS...THE STARS OF #211

Dear 40Something,

I want to tell you about two women in 40Something #211 who I really enjoyed and would love to see again.

Becca Rose is one hot babe with a great body, nice tits and nipples and a hairy pussy. She looked sexy wearing panty-

hose. I liked her totally-nude photos. She has some sexy legs and feet.

The other is Ruthie Hays, a part-time housewife and full-time slut. She has a sexy body, long legs, a pretty shaved pussy and a nice ass. What a great smile she has! Loved her nice tits and those great nipples. What a great interview you did. I enjoyed it very much.—Craig K., Columbus, Ohio

SOMETHING FOR EVERYONE, EVERYTHING FOR SOMEONE!

Dear 40Something,

The May issue of 40Something (SCORE Special #211) was great because it had all the things I love. I love hairy pussies, and you gave us Becca Rose, who's also an Asian, another thing I love. And she was fucking! Who doesn't love a MILF who fucks on camera?

Then it had Ruthie Hays, who looks like a normal housewife but, as it turns out, is a total slut. I love that, and I love her big, hard nipples, too.

Ruthie (above) is a normal housewife who gets ass-fucked in the upcoming DVD *Fuck My Old Ass 5*. Becca gets her pussy shaved in a future issue.

All of the performers/models, and all of the characters that they portray, were over 18 years of age at the time of the photography. The content is inappropriate for minors, and appropriate care should be taken to ensure that it is not viewed by anyone under 18 years of age.

I also love MILFs with big asses, and Andi has one of the roundest, juiciest butts I've ever seen.

Finally, I love interracial action, and Georgette is my favorite GILF, so seeing her getting pounded by a black cock was one of the highlights of my life. Thank you for a great issue!-M.R., Plattsburgh, New York

LIKE THE LADIES, WE GET BETTER WITH AGE, TOO!

Dear 40Something,

Your magazine, like the ladies you feature, gets better with age. Issue #208 was not among your best but still pro-

Andi, 45, is justifiably proud of her bubble butt. Georgette made her fantasy come true with her first interracial fuck.

Rita's ass loves black cock. Sunny's ass loves any cock. Suz loves to spread.

vided plenty of cock-throbbing action.

Issue #211 was much better. The interview and pictorial of Ruthie Hays was awesome, and the photos that captured her stiff nipples were amazing, matched only by her clit. Her bukkake fantasy and love for having her mouth, pussy and ass filled with cock at the same time puts her near the top of my list of all-time favorite MILFs. We all must admire a woman who will have sex in adult stores and truck stop parking lots and at biker rallies and in the family restroom at the shopping mall. She would be perfect for a *40Something* video gangbang.

Andi's ass should be in *BootyLicious* magazine, and I love how she seems to enjoy showing her gaping asshole.

Jodi West also has a great ass and perfect tits, surpassed only by her beautiful smile.

I welcomed the return of Rita Daniels and hope to see a video of Lucas Stone's big, black cock pounding her asshole and cumming in her asshole and on her face.

The best solo pictorials were of Blake James and Suz. Blake has that "let's fuck" look, and her DD-cups would make a great playground. Add that spread pussy and open asshole and

you have the best of everything.

Suz's pictorial was my favorite. She looks much younger than 50 and seems too innocent to not only own an adult store but to be a swinger as well. The ultimate choice would be deciding whether to first bury my face in her sweet, puffy pussy or that round, shapely ass. I hope her scene with your black stud will be on video soon.

Bella Marino looked great fucking and sucking and even better with cum on her face. Sunny Ray is a full-figured lady with a body made for hard, rough fucking. A day spent fucking her mouth, tits, pussy and asshole would be heavenly.

Finally, what many have waited for: Georgette's interracial debut. The pictorial was sensational.

I want to close with a response to the reader who complained about black and Hispanic men with white women ("Reader Throws Flame, Doesn't Give His Name"). The perfect magazine for him would be "Girls of the Aryan Nation" so he could enjoy all the white-on-white sex he desires. For the rest of us, please continue to deliver hot interracial sex that shows the true rainbow of colors we have in the United States of America.—W.V.,

Durham, North Carolina

Dear W.V.: Suz gets her pussy filled with black cock in the new DVD *Muthas Who Luv Brothas #2* (which isn't exactly "Girls of the Aryan Nation," is it?). You can catch a preview of the DVD on pages 12-17 of this issue and order your copy on page nine. As for Rita Daniels, this 60-year-old slut gets her ass absolutely annihilated by Lucas in a video that's playing now online at 60PlusMILFs.com.

Regarding the unnamed reader who complained about interracial scenes in *40Something*, the fact is that the overwhelming majority of our readers and website members seem to enjoy interracial action, as proven by the success of the *Chocolate-Stuffed MILFs* and *Muthas Who Luv Brothas* DVD series.

COME ON, 40SOMETHING! LUBE UP THOSE OLD CUNTS!

Dear *40Something*,

After several hot issues with lots of good gape, cunt closeups, etc., issue #211 was disappointing.

Becca Rose: Nice penetration shots. Excellent money shot. Very little pink or hole shots.

Ruthie Hays: Rather dry. Only one spread shot for this Internet porn slut.

Suz: Non-spectacular real woman. Only two spread shots. Needs more and closeups. Also very dry.

Jodi West: A model with possibilities but no pink at all. Disappointing.

Sunny Ray: Hot layout. Great shots of her holding her pussy open while being anally penetrated. Very good

Jodi West seems to be asking, "Is this pink enough for you?"

money shot.

Blake James: Nice pro-model type. Good gape shots. Would have liked to have seen more clit.

Georgette: It's hot that she is doing interracial. She should add anal to her act. This lady has a great clit as shown on page 60. Would have liked a close-up of that shot.

Andi Rxxxx: Nice smile. Need more gape and very dry.

Rita Daniels: Here is a woman who knows where her bread is buttered. Shows her holes like a trooper.

Bella Marino: Average set. Looks like she has a large, interesting clit if she wants to show it.

Again, overall a rather disappointing effort after recent efforts.—Chessifan, via email

A SIMPLE REQUEST: "JODI, PLEASE EAT SOME PUSSY!"

Dear 40Something,

The May 2011 issue (#211) is one of the best ever, mainly for its great selection of natural beauties. After giving it much thought while stroking myself, I think my favorites, in order, are Suz, Ruthie Hays, Andi and Jodi. It's a hard choice to make since these beautiful woman all have terrific bodies.

One thing that caught my attention is that Jodi says she love to eat pussy. Could you please oblige us with a photo shoot of Jodi with another woman, preferably one of the other three on my list? I would love to see Jodi sucking tits and licking pussy.

Speaking of licking, I fantasize the most about Suz, wishing that I could tongue her buttohole and her pussy while fondling her nice tits.—T.R., Van Nuys, California

Dear T.R.: Jodi didn't eat any pussy while she was in our studio (maybe next time), but she did have a three-way with her husband and a young stud. You can check out the video action online at 40SomethingMag.com.

SEXY MOMS AND WIVES IN A PUBE-BARING BIKINI SHOW!

fashion show of bikinis they will wear this summer, only this show had a twist.

I later learned the rules they had kept secret for weeks. It was for wives and moms over 30. Complete nudity was out. But after that, it was "be as bare as you dare!" And here was the twist: landing-strip pubic hair with a tuft of hair peeking out the top of your bikini bottom, "trying" to hide your nipples and thongs were fine!

The women, ranging from 30 to 60, were made to order for our favorite magazine. After a few drinks, the girls pushed the limits. They were feeling nasty as they came on stage one-by-one, 17 in all. It was total liberation for the wives and mothers who will show up poolside this summer at family outings wearing these risqué fashions.

The applause grew louder with the more pubic hair that was shown. One mom standing centerstage showing an inch of golden fleece declared, "This is the style girls should be wearing next summer." The place went crazy. Another mom and teacher showing enormous amounts of tit said, "This is fucking great, don't you think?" Again the room went wild.

The rules were bending to the limit as the parade of women continued. The men asked for more. The girls took it to the edge!

There is no pretense about sex and nudity in our neighborhood. Common modesty does not exist. The women hide almost nothing, and the men and boys couldn't be happier. This night was the latest example.—Jan and Scott, Marmora, New Jersey

Cristy

Birthday: September 21
Age: 43
Height: 5'2" **Weight:** 108 lbs.
Lives: Key West, Florida
Status: In open relationship
Occupation: Librarian

There's a lot to love about newcomer Cristy Lynn. There's her body, for one: a tight, right 36D-24-34. There's her favorite sport, roller derby, which indicates that she's a fun lady. And, when asked what kind of guys she likes, she said, "I like hard cocks." But the thing we love most? She's a librarian!

Yes, Cristy, who can already be seen getting her pussy filled with cum and taking cock in her ass at 40SomethingMag.com, is a prim-and-proper librarian by day, a cock-loving swinger by night. "I posed for *40Something* because it's something a librarian isn't expected to do, and I like doing things I'm not expected to do," she said. "Like the time I had all my holes filled while my hands were tied behind me."

We're guessing that the average librarian doesn't have big, fake tits and a pierced pussy. "I don't know for sure," Cristy said, "because I haven't had sex with any female librarians, but I'm guessing that you're right." We're also guessing that the average librarian wears panties under her skirt. "I don't, and when I do, they're very small G-strings." Finally, we're guessing that the average librarian doesn't share Cristy's sexual fantasy: "Feet behind my ears, handcuffed to my nymph girlfriend for the entire night, guys taking turns on our pussies. I love the idea of men taking advantage of me, or *thinking* they're taking advantage of me. I love being handcuffed and spanked. I'm into squirting, too."

Cristy Lynn's favorite TV show is (or was) *Sex And The City*—no surprise there—and her favorite actress is well-known hottie Jennifer Aniston (no surprise there, either). Her hobby is “curling up in bed with my rabbit vibrator” (does this girl do anything that doesn’t involve sex?), she starts each day by masturbating, often spends her entire lunch hour with a dildo in her pussy and says she just might hide this issue of *40Something* in the stacks at the library. “If somebody finds it and tells anyone and I get fired, so be it!” she said. “Right now, I’m living for the moment.” And her moment is now.

cock and
cum!"

INTERVIEW BY DAVE ROSENBAUM

This is the first time 52-year-old Shannon West has ever posed nude, and who or what do we have to thank for this? The crappy housing market, that's who or what. You see, Shannon works in the mortgage industry, which these days, is a good way to go hungry. So, needing a little extra money—and being very horny by nature—Shannon decided to post her photos with an online agent. And we found her. And called her. And she rushed right in.

"The truth is, I love to fuck, and this gave me a good excuse to do something very different and, I think, a lot of fun," Shannon said. "But you know what? I'd do this for free!"

By "this," Shannon not only means getting naked for 40Something magazine. She also means fucking on-camera studs, which you can see her doing online at 50PlusMILFs.com. Like we said, Shannon is horny by nature and naughty by nature. She fantasizes about having sex in public places with people watching and says she enjoys "feeling a man's hard cock inside my swollen pussy after I pee."

What else does this 5'10" blonde enjoy? Masturbating on her balcony. Watching sports (it gets her horny to see men sweating and engaging in physical activity). Having sex in public places.

What doesn't Shannon enjoy? Nothing.
40SOMETHING: Hi, Shannon, and welcome to 40Something.

SHANNON: Hi! How are you?

40SOMETHING: I'm good, but this is a bit

unusual for me. Usually when I interview a model, I know something about her in advance. This time, I'm completely dry except for one thing: I was just looking at a set of hardcore photos you shot with our stud Ivan.

SHANNON: My cutie pie.

40SOMETHING: Shannon, there was some good stuff going on in that set. He was your student. You were his teacher.

SHANNON: He was a naughty boy.

40SOMETHING: What did he do wrong?

SHANNON: He didn't focus. He wasn't focused at all.

40SOMETHING: And what did you help him focus on?

SHANNON: We were learning about the female anatomy. I had to help him out. He needed a little extra help.

40SOMETHING: What did you do?

SHANNON: I fucked him. Actually, first, he fucked my face, naughty boy.

40SOMETHING: What do you think about having your face fucked, this being your first scene and all?

SHANNON: I kinda like it. I like having balls in my face and licking them. I like making a guy's dick nice and hard with my mouth. I like when a guy starts soft and I get him hard.

40SOMETHING: You just used the word "dick" instead of "cock." I've noticed over the years that most men use the word "cock" and most women use "dick." Why is that?

SHANNON: Because cock sounds a little strong for us. It's a harder word, so we soften it up by using the word dick. A cock is like a rooster, and it's just very hard, and a dick is like a person's name, so it softens it up. Even if it's hard. Hard dick sounds soft. But to tell you the truth, I like the word cock better.

40SOMETHING: Why did you use "dick"?

SHANNON: I use both of them depending on the situation.

40SOMETHING: When do you use "dick" and when do you use "cock"?

SHANNON: When I'm really horny, I use "cock."

40SOMETHING: What are you now?

SHANNON: I'm getting horny. I want some cock.

40SOMETHING: So you want to suck my...

SHANNON: Cock. And if you want to be a dick, you'll never get your cock sucked, right?

40SOMETHING: That's how it works,

StoreMags.com - Free Magazines Download in True PDF format

right? Although sometimes it seems as if guys who are dicks get more action than guys who aren't dicks.

SHANNON: No. That's not true. You have to be a sweetheart. If you can't be nice, I don't want to play with you.

40SOMETHING: Well, how can we nice guys get into your panties?

SHANNON: Well, you have to be very sweet and ask nice. [Laughs] Can you ask nice?

40SOMETHING: I guess I can ask nice, but let's go back to face-fucking. When a guy is fucking your face, can he go as hard as he wants?

SHANNON: No. He has to be careful. He wants it to feel good, so he's going to go in as far as he can without choking me. He wants it to feel good, and I want to put my tongue around it, so he's going to have to go a little slower so I can make love to his cock.

40SOMETHING: You said before that you like the balls.

SHANNON: I do. I like to lick balls and put them in my mouth.

40SOMETHING: Why do you like balls?

SHANNON: I just enjoy them, and I enjoy the effect it has on the guy when I'm playing with his balls.

40SOMETHING: You know, there are guys who are afraid to have their balls licked.

SHANNON: Not with me. Most guys like having their balls licked. I haven't run into any guys who are afraid of it, at least with me.

40SOMETHING: Now, I'm detecting a little bit of an accent in your voice. Where are you from?

SHANNON: Williamsburg, Virginia. I've got the Southern accent going on. Originally I'm a Cali girl. Southern California. I was born in Seattle, Washington, but my family lived there for only two months before we moved to Southern California.

40SOMETHING: You acquired your accent mid-life? That's unusual.

SHANNON: [Laughs] Well, I like saying "y'all." It sounds better than "you guys," so I say y'all a lot.

40SOMETHING: You lived in Southern California until you were how old?

SHANNON: Thirty-three.

40SOMETHING: And then you moved to Williamsburg?

SHANNON: Yes. And I'll say "good night"

instead of saying a bad word.

40SOMETHING: A bad word?

SHANNON: Instead of saying shit, I'll say, "Good night." It's a little bit more ladylike to me.

40SOMETHING: Would you say that you're very ladylike?

SHANNON: Yes. I'm very classy and sophisticated. I don't like yelling at people or putting them down or criticizing or anything like that. I'm very sweet to people. If I don't have anything nice to say to people, I'm not going to say anything at all.

40SOMETHING: You're sitting there very ladylike with your legs crossed. Now, I'm going to ask a question that a gentleman would never ask a woman: How old are you?

SHANNON: Twenty-one. [Laughs]

40SOMETHING: Okay, I believe you. But you don't want me to ask that question, do you?

SHANNON: No. [Laughs]

40SOMETHING: If you could, you would have slapped me. I'll ask another question: Have you ever been married?

SHANNON: Yes. One time. I married my high school sweetheart.

40SOMETHING: Was that a mistake?

SHANNON: No. We were married a long time. He joined the Marine Corps and we traveled all over the United States. But now I'm single and available.

40SOMETHING: Any kids?

SHANNON: I have three grown children.

40SOMETHING: And what do you do for a living?

SHANNON: I'm in the mortgage industry. I have been for a long time.

40SOMETHING: No wonder you're here! The mortgage industry isn't doing well, is it?

SHANNON: No, it's not. Not at all.

40SOMETHING: Modeling for us is much more lucrative.

SHANNON: Absolutely.

40SOMETHING: And our guys always close the deal!

SHANNON: Yes, that's very true.

40SOMETHING: And we're going to close another deal very soon, aren't we?

SHANNON: I hope so. I'm getting a little horny sitting here talking to you.

40SOMETHING: Well, back to that scene you just shot. There's face-fucking, there's ball-licking, there's fucking, and best of all, there's creampie.

SeXXXty Something

The naughty adventures of a 60something swinger!

By Georgette Parks

*Don't I look so sweet and innocent?
You'd never guess how wild my life is!*

Hello everyone! It's that time again for me to let you know about my activities during the past two months.

I do seem to stay very busy. Of course, my boyfriend and I spend a lot of time at the nudist resort that's only about 15 minutes away from home. I don't even have to work on my tan. It just comes naturally. I don't have any white lines like non-nudists do! I spend a lot of time in the pool getting cooled off, but I still get plenty of sun. I haven't even been playing a lot of nude tennis lately, but I'm still tan. It's great living in Florida where it's usually warm. Once in a while in January and February we will get a cold spell, but it never lasts very long, thank heavens.

We haven't really been going to a lot of sex parties lately, but when we do, the new things that happen never cease to amaze me. There never seems to be the same type of party twice. They are all different. We were invit-

ed to a non-playing party recently, even though all the people there were swingers or voyeurs. The hostess is actually a dominatrix in Europe.

I had never been to their home before, so, of course, the host had to give us

a tour of their home. They live with-in the gates of one of the nudist resorts. One of the bedrooms

had been made into a dungeon. Assorted whips were hanging on the walls along with chains and cuffs. There was also what I'd call a torture board: two boards shaped like an "X" that you can be chained to and get flogged. It's not my idea of a good time, but I guess there are a lot of people into the S/M thing. They also had a swing in the dungeon. I didn't hop on that because I've had sex on one before. It's a great way to have your pussy eaten or get fucked. Or both! The guy just has to stand there since it's a perfect height for most men. It's also great having the guy sit in the swing and sucking his cock. I was tempted to give the host a thrill but didn't. They also had a red room with a gynecologist's chair: a table with stirrups. Now *that* I can get into! It was perfect for getting my pussy eaten. The host was more than happy to oblige me!

There was still another room with a massage table. I was certainly happy to get on that and get a little massage. I had my guy hop on the table and gave him a happy ending, too. I know I said it wasn't a swing party,

but I had a good time and most of the guests didn't even know what was going on. I guess we were the only ones who had never seen the hosts' home because no one else took the

tour. Too bad or it might

have turned into

a swing party.

We

were

invit-

ed to

another

party that

had a theme: a

hoe-down party.

Everyone had to wear denim. Unfortunately, I didn't get my picture taken before we went to the party or I would have shared it with you. Darn! I put my hair in pigtails like Daisy Mae and wore short denim shorts and a short top that tied in front and exposed most of my boobs. I added

spike heels and a cowboy hat. All the women at the party looked really sexy, but somehow the men were wearing just jeans and shirts. We women are lucky that we can do a lot more dressing up.

One of the couples had brought some homemade white lightning. I had never ever tasted any and was surprised by how smooth it was. He had about three different flavors. I tried two of them and liked sassafras the best.

This started out as a very slow-moving swing party, but after dinner, the hostess and several other ladies cleared the middle island in the kitchen rather quickly. Someone said that the hostess always does this at her parties. After the island was cleared, a tablecloth was put on and the hostess and another gal climbed up naked to get their pussies eaten.

Well, that got the party started alright! One gal was getting eaten by another woman and the hostess had a guy eating her pussy. At that point, I wandered off to a bedroom with the white lightning guy. It always amazes me how lucky I get with the guys I choose to play with. They almost always have good-sized cocks (some a little too big), and the majority eat my pussy really well and I have great climaxes even before they fuck me. This guy was no exception. It also amazes me how much guys like to eat pussy. Of course, I like to suck cock, so I guess it's the same thing. In fact, every now and then, I get disappointed when a guy says he just wants to fuck me. Maybe they are afraid I will make them cum before they get their

cocks inside me. Of course, I don't think there's a guy who doesn't enjoy cumming in a woman's mouth.

Back to the main event. White lightning ate my pussy really well. I was so wet with my juices flowing. Wow! He let me suck his cock, too, and I made him so nice and hard before he slipped his cock inside of me. Once a cock is inside me, I have a problem trying to keep things slow in the beginning. My pussy loves having multiple climaxes, and I love trying different positions. I guess I just love to be fucked, and that night was definitely no exception!

Now that I'm writing this, I'm real-

izing that I have played more than I originally thought I had over the past few months! We had some friends over for dinner not too long ago and played with them as well. We always go to separate bedrooms to play. I think we have a better time that way and are not distracted. That was a great evening, too.

After sex, my boyfriend and I like to talk about what transpired in the separate rooms. My guy loves to hear about my fucks. Don't get me wrong. I love my man and having sex with him, and it's the best sex ever! However, it's always nice to add a little

Where I live, it's okay to go naked pretty much anywhere. The construction site is in one of the nudist communities I like to frequent. I don't think the workers expected to see a naked woman on their site!

Something

You know it's a special issue of *40Something* when you have a librarian (Cristy Lynn) in one pictorial and a 76-year-old granny getting fucked by two guys in another. But that's what makes *40Something* the world's greatest MILF mag: You never know who's going to show up and what they're gonna do. So here's Sandra Ann, our oldest model ever, back in action!

Sandra Ann is an amazing woman. She's into sex in public places. She once fucked a man while he was driving a motor home (she sat on his lap, and he looked over her shoulder as she worked her pussy over his cock). And while her 70something friends are sitting at home on the couch watching TV, Sandra Ann is getting fucked by two studs she met about five minutes earlier. "Two's just getting started for me," Sandra Ann said. "Why do you think I have GANGBANG QUEEN tattooed on my right breast? I got it with my money from 40Something."

This layout attempts to answer the oft-asked question, "Can a 76-year-old woman ever get enough cock?" In Sandra Ann's case, the answer is no. She sucks Lucas's big, black cock while jacking John's white tool, then sucks the other while jacking the first. She sucks hard and jacks hard, then gets on all fours to get fucked from behind by white cock while sucking more black cock. "Oh, fuck that pussy!" she moans. My, granny, what a horny, filthy slut you are!

"I'll definitely pick up a guy I just met and take him back to my place and fuck him," Sandra Ann said. "I might even suck him off on the car ride home. A lot of guys, especially the young ones, are surprised by that behavior. They see this nice little old lady in the grocery store and offer to help her with her groceries, then before they know it, they're sitting in her car with their cock in her mouth and calling their friends to see if they want to join in. I know at my age, I'm supposed to be home knitting. I prefer fucking."

Carrie Romano has a secret, and you're looking at it. Of course, it's no secret that Carrie is a sexy woman. She's 56 and has one of the tightest bodies we've ever seen. But what her co-workers in Miami don't know is that when Carrie recently called in sick she wasn't really sick. She was at our studio. Doing this. Modeling nude for the first time in her life. Fucking on camera for the first time in her life. Doing things that the people at work would be shocked to see her doing. Because they think Carrie is very conservative. Have they got her wrong! "I'm a swinger," she said. "My fantasy is to fuck a girl with a strap-on while a guy is fucking me." Yeah, conservative.

Carrie had no intention of becoming a model when she posted her photos on a popular swingers website. She was looking for some new playmates. But her pretty face and tight body caught the attention of the lucky guy who's fucking her in these photos. "He sent an email to my profile on the swingers site," Carrie said. "Tony wanted to know if I would be interested in posing nude for *40Something*. My husband had always wanted me to do porn, and I'd always wanted to try it, so this seemed like the right time and place." Lucky us. Lucky stud.

I like to tantalize my guy with sexy outfits. Can you believe this is a dress?

spice to our lives. I don't want my man getting bored with me. Several times after going to parties, he's told me I was the prettiest woman there and the sexiest, too. That's always a wonderful thing to hear, and I know he means it by how hard his cock always is!

I guess it's about time to end this column. I do sometimes get carried away. Oh, one more thing. I ran into a fan of mine the other day, and he had one of the magazines I was in and wanted to share it with me. I told him that I had all of the *40Something* magazines with my layouts. He said his source for the magazine was no longer open, and he was quite disappointed by that. I told him to go online to iSexShope.com and buy all the magazines he's missing.

I hope you enjoyed my ramblings as much as I enjoyed living them. I wish all of you much happiness and lots of satisfying sex!—Love, Georgette

Ginny

Birthday: July 6
Age: 41
Height: 5'4" **Weight:** 134 lbs.
Lives: Alberta, Canada
Status: Engaged
Occupation: Nurse

There's nothing like a girl's first time, especially when she's a nurse (yes, we did say "nurse"), and engaged (yes, we did say "engaged," as in to be married). Say hello to Ginny May, a 41-year-old bundle of tits, ass and pussy from Seattle, Washington who's now living in Canada. Ginny found us while surfing the Internet—she was getting off on some porn—and her soon-to-be-hubby encouraged her to send in some photos. "He's very excited about this," she said. "So am I."

StoreMags.com - Free Magazines Download in True PDF format

Ginny is a swinger and an exhibitionist, and although she had never posed nude or had sex on-camera before walking into our studio, her pretty tits, full, fleshy ass and pierced pussy told us that it was only a matter of time. "I'm very horny," she said. "Like I said, that's how I found out about *40Something* in the first place, and fortunately, my fiancé is very willing to share me with others." Good thing or else her marriage would be doomed. "I fantasize about having a cum shower," she said. "I want three to five guys. It would be nice if I had them all at once. A basketball team would be good." Ginny May fluttered her eyes. "I'd have to put an ad on the Internet so they can apply. Or maybe the *40Something* readers can write in and we can set something up." Where would it take place? "Outside would be good. I like having sex outdoors."

Ginny May works at a hospital, and two of her nurse friends knew she was coming here to pose nude and get fucked. "They think it's neat," she said. "They wish they could do it, too. I'm going to tell them all about it when I get home." All about how one of our studs made a creampie out of her

pussy and how another of our studs fucked her tight ass? "Maybe I won't give them *all* the naughty details," she said, "but I'm gonna tell them where to find my pictures and videos. But the other people at the hospital, I hope they never find out. I don't think they'd approve of what I did."

As you prepare to shoot your load on Ginny May's ass or maybe deep inside her pink cunt, you might like to know that she played basketball in high school and enjoys skydiving. Her hobbies include going to gravel pits to "look for cool rocks," and she once had sex in the back pew of a church... after church, of course. Now uncork these cum showers, men!

Babette

Birthday: February 19
Age: 49
Height: 5'7" **Weight:** 138 lbs.
Born: New York City
Status: Married
Occupation: Bartender

"Break out your tools, fellas!" Babette Sunnybrooks joked before getting naked in front of the camera for the first time in her life. Then she lay back on her work bench and playfully spread her legs. "I've got something that needs fixin'!" Actually, nothing looks broken on Babette, a tall, sexy wife and mom.

Born in New York, Babette now lives on Florida's Gulf Coast, which explains her sexy tan lines. "I can't very well go topless, let alone bottomless, with my kids around," Babette said. "Besides, I like to leave something to the imagination." She's leaving nothing to the imagination in these photos, which Babette says she took to "satisfy a lifelong fantasy and to make my husband happy. He says I'm his trophy wife."

"Call me Babs," said Babette, who loves men ("I gotta have cock!") but says she also loves "the feel, taste and touch of another woman." Yes, she's a swinger. Yes, she takes it up the ass. "I once had a three-way with my hubby and a friend of ours. They took turns with me, then they filled my ass and pussy at the same time." Yes, she loves getting fucked from behind while eating pussy. What won't she do? "I haven't found anything yet. But the fun's in finding out!"

Shannon West Interview

SHANNON: Yes. I loved it!

40SOMETHING: Before you came here, did you know what a creampie was?

SHANNON: No.

40SOMETHING: If somebody had said to you before you came here, "Shannon, do you want to do a creampie," then you would have thought what?

SHANNON: A creampie. A real pie. [Laughs] You know, like you bake.

40SOMETHING: How are you in the kitchen, Shannon?

SHANNON: Terrible. I'm beautiful. I don't have to cook. [Laughs]

40SOMETHING: You can be beautiful and cook, can't you?

SHANNON: No. You have to have one talent or the other.

40SOMETHING: It's funny. The creampie in porn is considered so nasty, but in real life, men always cum inside women's pussies. Why do you think that's so hot to guys when they're watching porn?

SHANNON: I think watching cum coming out of my pussy is a turn-on because they like to see things going in and out of my pussy. And it's naughty.

40SOMETHING: If you had your way, and a guy could cum anywhere you wanted, where would you have him cum?

SHANNON: My pussy. I just like to fuck, and I like to feel his cock inside my pussy, and then I like to feel his cum inside my pussy.

40SOMETHING: It's less messy to cum inside a women's pussy, too. There's less cleanup afterwards.

SHANNON: I also like to masturbate afterwards. Because the cum's inside my pussy, my pussy is sopping wet, so I like to masturbate. That's a lot of fun.

40SOMETHING: Okay, so let's say you just had sex with a guy. And you just came quite a few times?

SHANNON: Correct.

40SOMETHING: Are you a clitoral or vaginal cummer?

SHANNON: Either way. I enjoy sex. I enjoy the company of the guy, and I love to be touched and adored and admired and fucked and cum inside.

40SOMETHING: So, he has just cum. What position are you in?

SHANNON: Doggie. That's my favorite.

She's the type of woman who inspired MILF mania back in 1999, when *American Pie* changed the way the mainstream public thought about older women. Blonde and beautiful with a tight body. She looks like she might have been an exotic dancer or a porn star, but no: Julianne Spencer is getting naked on camera for the first time, and we get to watch!

"My friends are always telling me, 'Julianne, you have such a great body. If I looked like you, I'd pose for a men's magazine.' I never took them seriously, but then I was in a store and saw *40Something* magazine. I saw the ad for models on the back cover—you know, the one where all the hot ladies are with sexy studs—and I thought, 'That might be a lot of fun.' But I'll let you in on a little secret. I didn't tell my friends I was coming here."

Julianne doesn't plan to let her friends in on her secret until this magazine comes out. Then, she said, "I'm going to buy five or six copies and invite my friends over for coffee. I'm going to lay out the magazines on my coffee table so when I'm in the

kitchen getting everything ready, they'll see the magazine for the first time. I can't wait to see their reactions." What does she think their reactions will be? "Anywhere from, 'I can't believe you did it!' to 'Julianne, you little slut.' I hope they think I look great."

"Most of my friends are going to be seeing my pussy for the first time," Julianne said. Most of them? "Well, not all of them. I've had sex with a couple of my friends and their husbands. One of my friends, we get together pretty regularly when our guys are out of town. I call her my pussy pal. She calls me her cock substitute because I like to fuck her with a strap-on." And what does Julianne think about her photos? "I think my pussy looks great. Don't you?"

"Why did I get into porn?" Robin Pachino asked rhetorically. "Because I wanted to get fucked my young studs. Because I thought it was the best way to enjoy anal sex. Because my life was boring and I needed some excitement." She's getting lots. "I love the way you guys tried to glam me up for these pictures," she said. "It didn't work. I'm not glamorous. I'm bad!"

Robin was just starting out in fuck films when she debuted in *40Something* in 2006. We brought her back recently because we needed a nasty, dirty MILF to pair with Honey Ray for a wild three-way with hung, black stud Lucas Stone (you can view the scene online at 50PlusMILFs.com). "Me and Honey hit it off right away," Robin said. "We shared everything. I ate Honey's pussy while Lucas fucked my ass, then we ate his cum off of each other's faces."

"I'm lucky that I love anal sex," Robin said. "Men love my ass and always want to fuck it, and I'm not the kind of girl who likes to say no." Robin almost never says no, but it didn't matter here. We didn't even have to ask her to fuck her asshole with a dildo. "I get a lot of pleasure from having my ass played with," she said. "My entire body is a pleasure center. One of my favorite parts of my scene with Honey Ray was when I was on my back getting ass-fucked by Lucas, and Honey Ray was kneeling over me rubbing my clit. Honey Ray didn't take it up the ass this time, but I definitely think I got her intrigued. I told her, 'Honey, you don't know what you're missing.'" These days, Robin isn't missing much. "My ex-husband says I'm a slut. I tell him he's an asshole for losing the best piece of ass he'll ever have. Eat your heart out, baby!"

turbate. I'll get a vibrator. My pussy's so wet and I can play with myself with the vibrator and make myself cum again. I like that, because I like my pussy being soaking wet.

40SOMETHING: What's the guy doing?

SHANNON: Watching me, helping me, playing with me. Playing with my pussy. Don't you like to watch a woman play with herself?

40SOMETHING: Sure! Will you stay on all fours or will you get on your back while you're doing this?

SHANNON: Either position. I masturbate in all different positions. All fours, on my back, on my stomach. My favorite place to masturbate is in the shower. I like to make myself pee, then my pussy's really swollen from peeing, then I like to masturbate. Am I giving you too much to handle?

40SOMETHING: No, I'm enjoying this. Okay, so the guy fucks you. He cums in your pussy. You get some toys out. You play with your pussy. You masturbate until you cum again. He watches you

and helps you. I'm guessing that by the time you finish masturbating and cumming, he's...

SHANNON: His dick is getting hard again, so he gets to have sex again, so then we fuck again, and then he gets to cum again, and so do I.

40SOMETHING: Do you masturbate again?

SHANNON: Sometimes. It could go on for hours! We could go on for three, four hours with fucking and cumming and masturbating and all that good stuff!

40SOMETHING: Do you have a preference between fingers and toys?

SHANNON: Oh, I love to watch a guy's fingers going in and out of my pussy. I love to feel a guy's hand in my pussy. Even more than the toys. And I love to have his face between my legs when I cum.

40SOMETHING: That's not unusual.

SHANNON: I know. [Laughs] A lot of times I'll masturbate and think about a guy's face between my legs.

40SOMETHING: A specific guy?

SHANNON: Sometimes it's a general guy. Sometimes it's a specific guy. It just depends on who I've seen that day. I'll see a guy out on the street and remember him when I'm masturbating, or maybe I saw him on TV.

"I love to watch a guy's fingers going in and out of my pussy."

40SOMETHING: You know, men are different from women in that way. I'll see great tits or a great ass and masturbate to that. You see a face and masturbate.

SHANNON: Yes. I've always been that way, since I was young. I've always enjoyed sex. I enjoy touching you and making your cock hard and fucking and masturbating. Some women, the first time they had sex, it was terrible. Not for me. I loved it. I couldn't get enough of him. His mouth. His cock. 40SOMETHING: Okay, I didn't know we were talking about that.

SHANNON: I'd love to do it, but I can't figure how to do it.

40SOMETHING: But you have had a cock in your pussy and a cock in your ass at the same time.

SHANNON: Yes. But I'd like to have two cocks in my pussy at the same time. I can put a toy in my pussy with a cock. I've done that. But I've never had two cocks in there at the same time.

40SOMETHING: It can get clumsy, but it can be done.

SHANNON: I want to try it.

40SOMETHING: We want to be there when you do it.

Birthday: October 12
Age: 40
Height: 5'6" **Weight:** 127 lbs.
Lives: Scottsdale, Arizona
Status: Divorced
Occupation: Hair stylist

It should come as no surprise to anyone who saw her debut in *40Something* #211—spreading her pink, juicy cunt while staring into the camera—that Blake James is sucking, fucking and even taking cock deep inside her ass this time around. “I know I look like a slut,” she said. “But that’s okay because I am one.”

StoreMags.com - Free Magazines Download in True PDF format

Blake is a divorced mother of two and a hair dresser, and you know what they say about hair dressers. "That they're horny and love to fuck?" Blake said. "That they love to rub their bodies up against their male clients and tease them? Well, I don't tease. I please." That's obvious to everyone who knows her. We asked Blake what her parents would say if they saw her here. "They'd say, 'Yep, that's our girl.'"

In this scene from the upcoming DVD *Fuck My Old Ass #5*, Blake starts out by teasing us in skimpy, sexy lingerie. Then she says, "I'm going to let my friend Shaggy touch me in places not many have gone before." She slaps her ass so we know what she's talking about. "I'm going to show you just how good it is to be bad." When Shaggy shows up, Blake lies back on the bed, spreads her legs and orders, "Eat that pussy. Finger-fuck me." Then she gags on his cock, expertly using her mouth and hands, before mounting his cock for a deep cunt-spear. "Fuck that tight little pussy," she begs as she spreads her cheeks.

After her cougar cunt has been satisfied, Blake asks her stud, "Are you ready for that ass?" Shaggy inserts his dick in her butt hole—it slides right in!—and Blake says, "Do you like that tight ass?"
