ANAL AFICIONADO

Dear 40Something,

Nothing is hotter to me than seeing a sexy, mature woman get fucked in the ass. I'm glad so many of your models agree. I just bought *50Plus MILFs* SP261. At last Bea Cummins has joined the anal brigade. Also, I'm looking forward to seeing Lillian Tesh finally getting ass-fucked. How about a *60Plus GILFs* Anal Edition video? You have plenty of candidates with anal experience. You've shown Lin Boyde, Lola Lee and Jewel with fingers in their asses (including Jewel with a butt-plug). Those hot babes obviously need the real thing. You've done an all-hardcore edition of your magazine, why not an all-anal hardcore edition? You should put out 12 issues a year. You could do six *40Somethings*, four *50Plus* and two *60Plus*. That way a month won't go by without a new magazine. I'll be waiting. Also, the more we see of Erica Lauren the better. She is my all-time favorite porn star of any age. I can't get enough of her, especially when she's getting fucked in her well-used asshole. Make her a regular feature, like Georgette was. Anyway, thanks for

your fine productions, and don't forget to keep the anal coming!—R.W., New Brunswick, New Jersey

MORE BLACK BEAUTIES

Dear 40Something,

I'm writing to compliment you on your April '14 SP263 edition. From the opening DVD pick of *60Plus MILFs*, all the way to Diandra's spread, it was masturbatory nirvana.

I've been to Tracy Lick's website. In fact, I've probably spilled a few gallons of semen while jerking off to her exploits. A lot of times with amateur porn I'm taken out of the mood really quickly by poor positioning or camerawork. Generally Tracy's husband is pretty good, but the production value put into your set was great! I loved seeing her under the bright lights, showing off every inch of her slutty, swinging body. Great camerawork, you guys.

Now, what is to be said about Jenna Covelli? Her body is so fucking tight. Seriously, how the hell do you get to be in your 50s with a body like that? Well, I wouldn't mind taking her out to a nice dinner and fucking the hell out of her!

I wasn't really a fan of Renee Black or

We love having cocoa-colored MILFs like Semmie in our mag.

Moreen Helm. I won't disparage either lady, as I'm sure they're lovely people and wonderful lays, but they just weren't my cup of tea. This is a nice segue into my next point. Why can't we have more black women in *40Something*? There are a few ebony hotties on your website, but very few on your pages. I have enjoyed seeing your pictures of hot Latina women, though. Marisa Carlo in the same issue I've been mentioning, as well as Marcella Guerra from Oct. '13 SP254. Shawna Winters would be good, but her boobs are a bit sad. I want to see a bangin' *40something*

Erica Lauren doesn't care which hole you're in, just so long as you give her your cum!

NOTHIN' BUT A NUMBER

Dear 40Something,

I appreciate all of your issues. They've gotten me rock-hard and through some hard times. I only have one question. Why do you so frequently put 60-year-old models in the mag? Scarlet Andrews, for instance. Also, the DVD Pick was *60Plus MILFs*. I'm a young guy who likes to fantasize about my buddy's moms and my teachers. You know the kind of woman I mean—they're old, but not too old. I don't want to jerk off to my grandma, or any else's for that matter. I bought a couple of *50Plus* mags online, just to give them a try, but they're not my thing. Can we just stick to the 40-year-olds, or at least the young-looking 50-year-olds like Jenna Covelli and Milena? Also, more redheads would be appreciated.—R.D., Moscow, Idaho

might stand a chance with a woman actively on the prowl, so I approached her and asked if she needed a drink. She was holding a full one and told me so. I sheepishly started to walk away before she grabbed me. She was laughing at how nervous I was. She slammed her entire martini in one gulp and handed me her empty glass, telling me to get her a refill. Well, that one martini turned into three or four more. We ended up going back to her house, and let me tell you something. Everything you guys have said about MILFs and cougars being way more experienced was absolutely true. This chick was licking my balls and taint almost as much as she was slobbering all over my dick! We must have fucked in eight different positions that night. It was like she was performing for you guys, but with a camera hidden somewhere in the room! She was a dynamo. The best part was she complimented my performance and then escorted me to her door. I didn't even have to spend the night snuggling this old, horny slut! Anyway, I'll still whack-off to your magazine, but now I'll have this memory to fall back on, too.-E.R.F., via email

DOUBLE-FILLED MILFS

Dear 40Something,

Can we get some more D.P. action? I have already bought and jacked off to *Double Dicked MILFs 2*, which was really great because I have a huge crush on Bea Cummins. She's so damn matronly. Her birthday threesome was completely out of control. That's one party I wish I got an invite to! That's also the kind of content I want to see more of. I loved the *Double Dicked MILFs* DVD, but there needs to be several more DVDs in this series and more photos in the magazine. Milena's spread in the February issue was amazing. When her teeth were clenched, her nipples rock hard and both of her fuck holes well-lubed and full with cocks, I realized how horny she must have been. There are no other looks on a woman's face that compare to the look of a lady being fucked savagely and completely in her asshole and pussy. Karen Kougar did DP a while ago too, right? I would love to see an entire issue devoted to these smoking hot MILFs and cougars taking on two dicks. Also, a double creampie would be so hot! I love the idea of all three of them cumming at the same time, that

MOM'S FRIENDS

Dear *40Something*,

I recently purchased your magazine from the Internet. I remember strolling down to the corner store at night to pick up whatever naughty publication I desired, but that was years ago. I've been on an Internet porn binge lately. It's hard to argue with free stuff. But I found that jerking off to a nameless body in a five-minute video wasn't doing it for me. I'm fairly busy in my personal life, so when I masturbate I want it to be an event, not just a quick rubout. I've had roommates that would make fun of me from outside my room. They were astonished that I watched videos all the way through and didn't just jerk off to one scene and press pause to come back later for another go. That's not how I operate.

So, I ordered online and the magazines came really quickly. Thanks for that. I don't remember how long it took before I got them, but it couldn't have been more than a couple of days. Also,

the packaging was discreet. I don't care about that now because I live alone, but back when I was married it could have started World War III if the missus found me ordering porn!

The issues themselves were really good quality, which I enjoy. I don't understand who keeps taking those stacks of free magazines by the doors of strip clubs. I mean, they're ads and they are printed on that newspaper-textured paper which rips apart and gets all soggy if you cum on it. I wouldn't even wash my windshield with that garbage. Seriously, men, let's get it together and demand a little more quality in our jack-off material! So, your mags were really good to jack on.

The content was also very good. I bought a copy of *50Plus*, *60Plus* and *Leg Sex* in addition to *SP257*, which is *40Something*. I was afraid that *40Something* would only have 41- and 42-year-old women in it, but I was pleasantly surprised to see some older broads in there. The *60Plus* was pushing it a bit for me, but I had a nice, long session with it and found that it did the trick. The *50Plus MILFs* is where it's at for me. They're right at the age of all my mom's friends. It's perfect. I can imagine them running around the tennis court in their outfits, trying to look

SIX MILFS GET THEIR TIGHT, OLD ASSES RAILED

They may look like your mom's friends, but these horny sluts want butt plugs, not hugs. Sure, their fine, aged cunts still drip when some massive meat is nearby, but these ladies use that pussy juice to lube up their tight chocolate starfish so they can do anal. These six sluts know how to work their asses on hard cocks so they erupt with jizz. With them, every load of cum is a big one because they earn it. It's no wonder this is the best selling MILF series of all time. And this is the best one yet!

STACIE STARR, 41

You would never expect this classy, stockinged siren to do something as shocking as seduce a young man, give him a bra and pantie show, stick a finger in her ass and swallow his dick whole. That's why you never underestimate a MILF. She might just want you to fuck her ass!

HOLLY CLAUS,
40

Holly Claus obviously loves to have her pussy filled. Those rings are meant to attract men. What those guys don't know is that it's just a lure to get their pricks into her ass! She can never have enough. Betty Blaze is the same way. She's felt her pussy gaping before, and it's old news. Now when she wants a good, thorough stretching, she slides a guy's dick deep into her puckered backdoor.

BETTY BLAZE,

CHARLI SHAY,

SOLEIL, 43

Charli Shay keeps both her holes tight, lubed and hairless so guys can fuck her wherever they want, whenever they want. Soleil has one of the best MILF bodies we've ever seen, and she's showing off every inch for you as she gets her butt jackhammered by one of our studs. Barbi Banks is the oldest slut here, and with that age comes tons of anal sexperience. She's a multi-orgasmic old broad who will let a guy do anything he wants to her body, just as long as he takes care of her first. Each model is mature, sophisticated and has class, but that doesn't mean she doesn't like it hard and fast, deep in her tight, slutty ass.

younger, but failing sexily. Your magazines give me a great opportunity to indulge in my fantasy of seducing a bunch of them.

Which brings me to my request. Do you think you could do a shower scene, like one of those big showers they have at health clubs and gyms? I'd like to see a whole line of old, sweaty MILFs lathering up and sneaking peeks at each other's tits. They could have a contest to see whose boobs held up the nicest and whose are the saggiest. There wouldn't even have to be pussy licking, although that would be nice. Do you think we can make this happen? -L.L., Akron, Ohio

THE RIPER THE BERRY...

Dear 40Something,

I was browsing through your selection of magazines online and noticed that *18eighteen* has a panty giveaway almost every month. Why don't you do that for your other magazines? I for one would love to sniff the ripe g-strings or thongs worn by some of your models. I would love to keep a full-bottomed pair of undies as my cum rag, or a pair of nylons to rub my dick against. It would be so hot to jerk off and cum all over pictures of women in their undergarments while I was wrapping that piece around my shaft.

I understand that most of the women in 40Something are professionals with good-paying jobs, so they probably buy nice underwear. Do they not want to give away their own panties? If that's the case, you could always supply them with nice lingerie and thongs and have them wear those while they're doing the photo shoot. If you decide this is a good idea, these are the models I would like to see do this: Diandra, Soleil, Alexa Rae and Lillian Tesh. I'd love to bury my nose deep into the crotch of a musty undergarment, smelling the juices that spilled while she was modeling for me! It's just an idea, and I'm sure you've thought of it before, but I think it would be hot. -A.B., via email

MILF STRIPPERS RULE

Dear 40Something,

Personally, I love it when you feature MILF strippers. They are my favorites. Whenever I see a woman like Brittney Snow at the titty bar—old, horny and

raunchy—I get a lap dance from her right away. I'd probably even pay for two or three dances if they were from Brittney. Even if she wasn't a stripper, I would still find her very attractive. But the fact that she takes off her clothes and shows her asshole to strangers is the cherry on top. I can just imagine her pulling her panties to the side and exposing her shaved pussy on-stage just the way she does on your pages. Speaking of assholes, great shot of her backdoor pucker on page 81.

When I think about it, I guess what I like about cougar strippers is that they are doing something that is taboo, in general and especially for their age. When a woman is in her 40s she should be settled down and raising kids. But women like Brittney break the mold. They don't give a shit. They're out there shaking their stuff and fucking because they're horny and they know they look good. Fuck society's standards. Thanks again.—E.F., Fort Lauderdale, Florida

DAZED FOR DEE

Dear 40Something,

Out of all the lovely women in your SP263 issue, Dee Delmar was my favorite. What a beauty! Good thing you put her on the cover, because she caught my attention immediately with her pretty face and round tits. Now that's the kind of gal that will sell magazines! She is exactly the kind of MILF that I like. She's very pretty, has a hot body with nice tits and has just a bit of age in her face. I was hoping she would be in the centerfold, but I will still be pleased with her as the first solo pictorial in the issue.

This tall, slender beauty had me jacking for a good 20 minutes. I spent quite a bit of time going back and forth through her pictorial before I closed my eyes and let my imagination take over. Dee sucking my cock, riding it, bending over to take it from behind, then getting on her knees so I could glaze her pretty face. I can't wait to see her in a hardcore video! Other highlights from this issue include the big-titted Brittney and the oh, so sexy Diandra. Thanks again!—R.F., Chicago, Illinois

ANOTHER SCARLET LETTER

Dear 40Something,

I loved Scarlet in SP263! I loved her butt and asshole. I would slide in and out of that thing all day long! She defi-

HAIRY OR BARE?

THE CASE FOR FUR

Dear 40Something,

I assume most of your readership is like me, a middle-aged man with a passion for mature, experienced women. Therefore, I find it interesting that so many of your models have shaved off their wonderful muffs. I belong to a generation which doesn't think a full mound of hair is a kink or a taboo, but the hottest and most natural way for a woman to keep her pussy groomed. I'm not talking Jane of the Jungle, but a trimmed bush is almost always preferable to a shaved pussy any day of the week.

I shave my beard every day. Grooming is important. I don't know any of my friends who would want their wives or girlfriends walking around with bear-fur legs. But almost all of them would agree that they're done with bare pussies and want a little bit of fur on the trap.

Can we get an issue where all the ladies have pubes again? It will remind me of when I was a kid and stole my pop's magazines. This shaving trend needs to end before pubes become a small niche in pornography.—F.L., Cincinnati, Ohio

SHEARED BLISS

Dear 40Something,

My wife watched *Sex and the City* when it was still on TV, and it changed my life for the better. The main character said in one episode that she got a Brazilian wax and it made sex better, so my wife gave it a shot. I was skeptical at first, but found that it does lead to hotter sex. That was the case for us, at least. She went from a trimmed triangle, which I loved, and ended up as bald as a cue ball. She was embarrassed to let me see it at first, but once

I saw it I knew I had to have a taste. I must have licked her to orgasm three or four times that first night. Her pussy was so wet and smooth I felt like I was on my boy's slip-n-slide. She's kept it that way ever since, and I've grown to appreciate it as the only style I want to see or enjoy. That's why I love seeing your models like Charli Shay, Tammi Sue and Samantha Ray. They're my favorites and I love jerking off to their sweet, slippery pussies. Keep up the good work and keep the bare-down-there ladies cummin'!—E.Y., Brookline, Massachusetts

"I love getting gangbanged. Nothing's better than a cock in each hand, one in my mouth and one in my pussy!"

Cheyanne is back! The last time we saw this salt and pepper beauty she was sucking and fucking a dick in the Dec. '13 (SP257) issue. She loved showing off so much, she's started going nude around town! "I've started driving topless. It's such a rush when I pull up to a stoplight and a guy looks down from his rig. I get a lot of honks from horny truckers!"

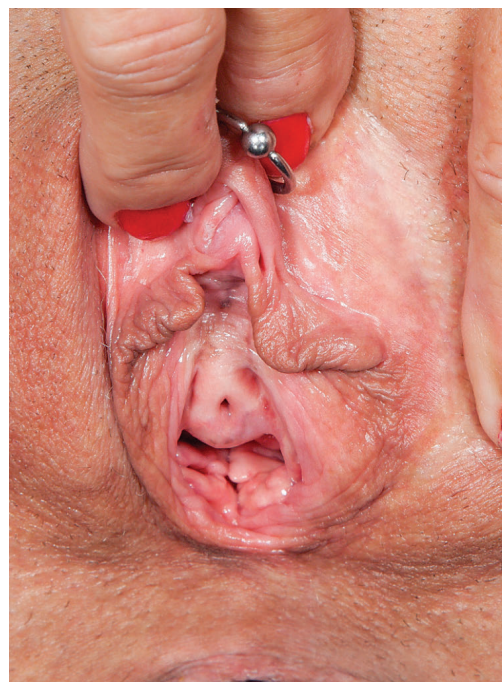

Cheyenne isn't known for teasing, so you'd better believe she doesn't just flash those truckers and leave them with blue balls. "I'd never do that! My husband loves when I fuck strangers, so I'll go and suck off guys at the truck stop. My husband has watched me service whole lines of them. It makes him hard as a rock, and when we get home he fucks me silly."

We have an unwritten rule here at our magazine. If a woman has nipple piercings, she's horny. If she's got a pussy piercing, then she's a total slut! "I love my silver ring. When I'm in missionary position and a guy thumbs my clit, my pussy will start gushing all over his cock."

With such a healthy sex life, all signs point to Cheyanne fucking for many more years to come. "I'm already a horny grandma, but I can't wait until I'm a dirty great-grandma. I want to be getting banged well into my 80s. As long as guys still find me sexy and want me to suck their cocks, I'll be willing and on my knees for them."

The 40something® Interview

Val Kambel

Vallah Kambel, or Val for short, is a sweet Georgia peach with a juicy body. She's a bit shy at first, which she associates with being tied down to a bad relationship for too long. Now she's free of that marriage and on to a new guy who appreciates her newfound sexual attitude. She's also got a new career and is exploring her lifelong curiosity of getting fucked by two guys. She's even started to dabble in DP. Anybody who knows her would be shocked to see her here, but she doesn't care. As Val puts it, she's in the prime of her life and nobody can stop her!

**"I love
three-ways.
They're
double the
pleasure!"**

40SOMETHING: Yeah, that works. Stockings!

The 40something® Interview

Are stockings now considered a little old fashioned? Do you like to wear stockings?

VAL: I wear thigh-highs. I love them.

40SOMETHING: So just like that? No garters?

VAL: Sometimes with garters, sometimes without. When I'm going for that sexy look I'll wear the garters.

40SOMETHING: So, when you wear garters, do your little panties go over the garters or under the garters?

VAL: Over, so they can come off easily!

40SOMETHING: Yes! Good answer! Always over. Why would a woman wear panties under the garters? To

VAL: I suppose. Usually you put on your panties and then whatever else you're wearing over them. It's probably just a habit, but you should always think about if they're coming off in the future.

40SOMETHING: So panties on top so they can come off. And the good thing with that is that you can still have sex with the stockings and the garters on!

VAL: Exactly! It's pre-planned. It's always nice when you know you're going to have sex.

40SOMETHING: Do you ever wake up in the morning saying, you know what? I'm probably going to have sex today, I'm going to dress a certain way.

VAL: Absolutely! I love putting on sexy clothes.

The 40something® Interview

40SOMETHING: So let's say you want to turn your man on. What do you wear for that?

VAL: Short-shorts. Short dress. I show lots of leg. It's probably because I'm 5'7" and a lot taller with heels.

40SOMETHING: Where are you from?

VAL: Originally from Atlanta, but I live in the Tampa area now.

40SOMETHING: But, where's your accent from?

VAL: Georgia! Some people hear it, some people don't. It all depends on what I'm saying at the time. I lived in Georgia until my mid-twenties, so it's definitely there. But I've lived in Tampa for 27 years. Just about half-and-half between the two places.

40SOMETHING: And you are how many years old?

VAL: 53. My birthday is in December.

40SOMETHING: So, was turning 50 a big deal for you?

VAL: Not really. Forty is the one that got me. Fifty didn't bother me at all. Forty got to me because it was like a mile marker for me. I was getting older. I survived it, though! I got divorced in my mid-forties, too.

40SOMETHING: Have any kids?

VAL: Oh yes. But they're grown and out of the house and living on their own. They'd absolutely be shocked to see mom here! Actually, most people would. I'm a very shy person.

40SOMETHING: Let's say you were single. You wouldn't just walk up to a guy and grab him and hug him?

VAL: No, the guy has to make the first move. Always.

40SOMETHING: But what if you were lying in bed with your boyfriend and you're horny. Would you make the first move then?

VAL: Absolutely. I'll go right for his cock and stick it straight in my mouth, especially with morning wood. You don't want it to go to waste! Sometimes it's a lot harder in the morning. I'll stick it in my mouth and start licking and sucking and going to town.

40SOMETHING: How long does it take for him to wake up?

VAL: Just a minute, never longer!

40SOMETHING: You're blushing! You're sitting here, getting ready to be a porn star, and you're blushing!

VAL: It's too funny, isn't it?

40SOMETHING: So, you wake him up with a blow job, and the idea is to get some action. What happens if he cums first?

VAL: That doesn't matter. He can reciprocate by licking my pussy!

40SOMETHING: I like that. So, you're living in Tampa. I don't know if you know this, but a lot of our models come from Tampa. A ton

of them do. Some of our best!

VAL: I did not know that.

40SOMETHING: It's the swinger's capital of America. You didn't know that?

VAL: No. I've tried that before, but my selection of guys wasn't too hot.

40SOMETHING: We've got a better selection here!

VAL: Well, maybe I'll have to give swinging another try then.

40SOMETHING: Are you a nudist, too?

VAL: Yes! I have a pool in the backyard and I'll take everything off when I swim. I'm not really an exhibitionist, but I've had some unintentional wardrobe malfunctions! I once ripped my pants at work, so I went to a girlfriend's house and taped them up. I was working on this construction site and while I was climbing through the site, I was bending over and my pants ripped really wide open. My entire butt was hanging out. The guys were really polite, but they saw everything.

40SOMETHING: How do you tear through jeans?

VAL: It was very easy that day. I was climbing through metal and it had a sharp edge on it. I was lucky it only tore my pants and not my behind.

40SOMETHING: You saved your ass! So, this construction site, how long have you been doing construction?

VAL: 10 years.

40SOMETHING: Wow. So you went from nurse to construction worker?

VAL: That's right. I work on nuclear power sites.

40SOMETHING: So my life is in your hands. Like, if something went wrong in that nuclear power plant, it would reach Miami! Oh my goodness. We've got to keep you in perfect shape here. We can't let anything happen to you. I'll let everyone know, treat her right! That must be dangerous?

VAL: It can be. We climb really high and use really big rigging and move very heavy things. You know, everything's dangerous when you're moving thousands of pounds up 200 feet.

40SOMETHING: Wow, so you're not afraid of heights.

VAL: A little afraid, but I always wanted to do the construction thing. I got into nursing because it was a normal job for a girl to do. But when I turned

"I've been fingering myself and fantasizing about all the guys who are going to jerk off to my pictures."

Elara Elis is a sexy MILF with both romantic and raunchy streaks. "I have very classical ideas of what's romantic. I love French food, drives down the beach and candlelit dinners. I also love going to swingers' clubs and getting fucked by a group of people! Watching people have sex always gets me off. It's very orgasmic."

Elara is one hot mama, and she's not afraid of showing off what she's got. "I am absolutely an exhibitionist. I love being naked because it feels so natural. Plus, most of the time when I have sex I fantasize about being watched by a large group of people. If I pretend like I'm performing for all of them, I will move sexier and be willing to try things that push my boundaries. That's how I found myself in bed with another woman for the first time."

One of the things we love about this 49-year-old is her extremely smooth pussy. "I always keep myself looking good downstairs because you never know when you're going to be having sex. I get waxed frequently and use a moisturizer every day. Men always tell me I have the smoothest, softest and wettest cunt they've ever seen."

Elara's been checking things off her bucket list like crazy lately. She just fucked a guy half her age, and now she's doing porn. "I love having dirty sex, and this seemed like the next logical step. I've always thought that the most satisfying thing about sex is pleasing the guy. Now I can please the thousands of guys who see this and jerk off!"

Rita: "We've known each other for a long time, so we're used to sharing everything—even blow jobs, pussies and big facials."

If we knew yoga instructors got laid like this, we would be helping all the women at the gym perfect their downward-facing dog position. Rita and Sally weren't prepared to see the bulge in their instructor's tight pants. Once they did, their pussies started tingling and they knew they had some lessons for him!

"I love licking Sally's pussy," said Rita. "And I love sucking cock, so I put the two together. I pulled his dick out of her cunt and started sucking. It was so tasty, slurping her juices right off of his pole. When I got a big mouthful of precum and pussy goo, I spit it back in her hole and lubed it up for his dick. I couldn't wait for my turn. Seeing Sally fuck and tasting her juice turned me on!"

"There's nothing off limits for us," said Sally. "Which makes sex so much more fun. If you don't have to worry about how somebody is going to react, you don't think twice about licking the other woman's asshole, or sucking on the guy's balls as he's fucking your friend."

Rita & Sally

Even though Sally and Rita are best friends and love to share cock, that doesn't mean they don't have disagreements from time to time. Like today, for instance. They couldn't decide which one of them was going to get the mouthful of cum first. They were arguing so much

the instructor stepped in and made the decision for them. He pushed them down to their knees and unleashed a monster load on both of their old, slutty faces. They obviously enjoyed it because they couldn't stop kissing and licking the cum off each other's mouths.

“As soon as I saw his BBC, I knew that I couldn’t rest until I felt him inside me and tasted his cum.”

We at 40Something are nothing if not fair. So when Dee Delmar told us she really wanted to fuck a BBC here at the SCORE studios, we promised her we'd try to make it happen. Enter Jason, our resident black stud. His dick is so serious that several of our models have said they'll, "Try to fit it in." Well, we wanted to see what Dee could do with his monster. Let us tell you, she didn't disappoint. From the moment she saw it, she handled it like a pro. She lubed it up with spit and slid it as deep as she could in her mouth. Jason says half the women he's with can't do that.

When it came time to fuck, Dee was ecstatic. She slowly lowered herself onto his monster dick. As her eyes rolled to the back of her head, her mouth parted and she let out a long, loud moan. She was easing onto it, but it wasn't long before Jason started pumping

her pussy like a piston, and that moan became a wail as she started cumming all over his rod. He didn't slow down for a second, even as he flipped her around and started fucking her from behind, which is Dee's favorite position for knee-shaking orgasms.

If Dee looks wiped out or tired in the picture below, it's because she had already cum at least five times by that point. That's right; Dee is multi-orgasmic and can reach the big O as many times as she wants. "I like to blast through at least three orgasms before I get the guy off. Sometimes I'll cum from just the tip entering me."

For Dee, there was never any question as to where her BBC was going to finish. "How could I not take his load on my face? He's a fit looking guy, so I knew his jizz would be tasty. I just opened my mouth and let him spurt every last shot into my mouth, then I slowly let it leak past my lips and down onto my tits. I was right, too. He was delicious." Well, we here at *40Something* never make promises we can't keep. We just wish more models would ask to take on massive BBCs like Dee. Don't you?

HOT BODY CONTEST

*Which one
of these
beauties has
the best bod?
You tell us!*

At 40Something, we get a lot of letters from readers telling us how much they love a certain model's tits, ass, legs, etc. all the time. Well, this got us wondering: which one of our models has the hottest body? Everyone in the office had opinions, and it turned into a big argument. So we decided

to put it to you. We put together a short list of our favorite MILFs. These ladies are the cream of the crop, and it's in your hands to decide who is the hottest. Feel free to analyze every inch of these fine babes, or just vote with your boner. Either way, we want you to decide who's got the best bod.

CONTEST BALLOT

Please pick only one model as your winner for the Hot Body Contest. Send in your ballot to 40Something Hot Body Contest, 1629 NW 84th Ave, Miami, FL 33126. Or send email to letters@40somethingmag.com. Deadline is June 20, 2014.

Holly Claus is the kind of woman we'd trade a nut to have an hour with. She's 5'4", 120 pounds and has 34D-cup tits. Kacee

45
YEARS OLD

Birthday: May 16 **Height:** 5'4"
Weight: 140 lbs. **Lives:** Kansas City, Missouri
Status: Married **Occupation:** Model

"My fantasy is to have two young, fit guys give me a sensual massage that ends up as a DP session in a hot bubble bath."

Kacey Harley and her husband started swinging with a girlfriend back in college, and they loved it so much they decided they would never stop. Some 25 years later and she still loves watching her hubby get off with another chick, and he loves watching her get fucked by young, hung studs. Kacey's life is a pornographic fairy tale, and now she's decided to share her world with you!

We asked Kacee if she had ever been with a much-younger man. Her answer blew us away. "Yes, of course! I love young guys. I have one boyfriend who is about 25. My husband and I met him at a piano bar, and were trying to set up a DP session. I ended up having so much fun with him that we just fucked while my husband videotaped the whole thing. We were exploring many sexual positions and there was so much sucking, licking and fucking. I even let him fuck my face for a gagging blow job, then he had both my pussy and ass. Young guys have great recovery time."

So what makes a hot MILF like Kacee cream in her panties? A confident guy, clean-shaven with a good choice of clothing and cologne. "When I meet a guy who has all those things together and he treats me like a real lady, I let him treat me like a slut in the bedroom. I have two different personalities—one for sex and one for the public."

40 I said, "fuck it!" I changed partners and jobs. It was great!

40SOMETHING: The ex-husband a bit of a dud in the sack?

VAL: That's actually a very good way of putting it.

40SOMETHING: Really? Oh no! We keep having this happen. All these hot women come in with this same story. What are those guys thinking? No morning blow jobs for him! What's the wildest thing you did after your divorce?

VAL: Probably two guys at once.

40SOMETHING: Really? Can you tell us that story?

VAL: My current boyfriend set it up. It was about three years ago.

40SOMETHING: Your boyfriend set up your three-way?

VAL: Okay, it was my idea! I'll own it! Every girl wants two guys. Anyway, I dressed slutty in just a short dress. I love my short dresses. I also wore panties so that they could peel them off. We met the guy at a hotel. I walked in and immediately started to suck both of their cocks. Then I sucked one while the other fucked me. They took turns going both ways.

40SOMETHING: Was there anal sex?

VAL: Not that time.

40SOMETHING: There was a second time you did a three-way?

VAL: [Laughs] Yes!

40SOMETHING: A third time? A fourth time? Don't hold back!

VAL: Yes and yes.

40SOMETHING: Is this relationship still going on?

VAL: Off and on, yes.

40SOMETHING: So there was anal sex going on at least one time.

VAL: Oh yeah!

40SOMETHING: Okay, so you went a little wild, but you're still having three-ways so you're still a little wild. How does coming to our studios to fuck our studs rank in your wild life?

VAL: Pretty highly. I like the idea of people seeing me and getting off.

40SOMETHING: Are you going to go home and watch your scenes?

VAL: Oh yeah! I have to!

40SOMETHING: Well, Val, thank you for coming to our studio all the way from Tampa.

VAL: Thank you.

“My sexual fantasy is getting on my knees and taking care of an entire group of guys at a bachelor party.”

Holly's 34DD-26-36 body, long, flowing blonde hair, incredible ass and pierced pussy are magnificent. That's why we put her in the "Hot Body Contest". But we realized that we had so many great shots of her that we couldn't deny you guys the pleasure of a full set.

Holly is used to guys ogling her implausibly hot 40-year-old body. She's worked as a stripper in Key West for some time now, a town known for its laissez-faire attitude towards sex and nudity. "I get requests all the time to flash guys my tits! The frat guys on Spring Break will go after the young college girls usually, but every once in a while I get one separated from their group and I give him a private show, if you know what I mean! I'll take him back to my place and give him one hell of a story to tell his buddies back at the bar. I'll push him into a chair and suck him off until he frosts my big tits."

The last issue Holly was in was Oct. '13, and she took one of our stud's big dicks balls-deep in her asshole. Now she says she can't get enough of it. "I went out and bought myself a stainless steel butt plug from this boutique sex shop in town. It has a jewel on the end, so it looks really pretty and feminine. When I bring a lucky guy home on a date, it's always fun to do a strip tease and peel off my panties to reveal my hidden treasure. Their eyes bug out really wide!"

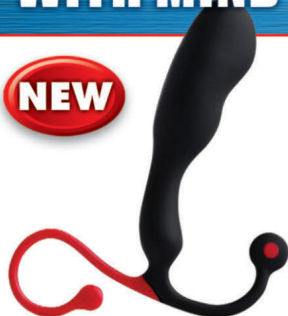

Our eyes would get wide, too. Holly's body is built for wild sex! Between her bejeweled butt plug and her many pussy piercings, you know your cock would have a field day with her holes. Add into the mix her love of tasting cum and you've got yourself a perfect day...and partner.

Dee Delmar is the subject of R.F.'s fantasies...and ours too!

nitely wouldn't be able to walk after I was through with those buns. I also enjoy that she sucks her husband's dick to get him hard enough to fuck another woman. Talk about an enlightened lady. I can barely get women to look at me and her lucky husband is getting sucked and fucked by two! What a dog! I can't do anything but congratulate him, though. I would take advantage of that fine pussy he's got, and I'd use her willingness to swing every opportunity I was given. I would probably live at the swinger's clubs.

I noticed that Scarlet is from Tampa. So many of your women are from Tampa. It must be because of all the clubs and swingers who are there. I heard once that it's the swinger's capital of the United States. I'll bet Miami isn't too bad, either! I've seen the women on South Beach and all I have to say is, wowza! What I wouldn't give to get out of this small town where I'm living and into a nice chick like Scarlet! Maybe I should start looking at rental places in Tampa! I'd love to walk around a town like that, knowing that any filthy GILF I see could be one step away from slobbering all over my dick. That sounds like heaven. I'll bet the weather isn't too bad, either!—R.V., via email

Soleil impressed everyone in the studio when she opened wide and took this stud's dick all the way to the back of her throat. She even opened her eyes and smiled at the camera! That's an expert level of cock sucking that you only get with a woman in her 40s. Then she got on all fours, turned her head around and asked if the guy was going to fuck her. Now that's a woman! She even reached around and started fingering and stretching her own asshole.

We asked why Soleil loves getting her butt fucked so much. "It's the fullness of it. I love having access to my pussy, too. I can finger myself and rub my clit while the guy is deep inside me. I also find the idea of BDSM very arousing. It's something about control. As a woman, I like to lose myself while having sex. I let the guy use my body to make him happy."

Soleil doesn't draw the line at cock, though. "I love having sex with women. They're so soft and their lovemaking style is way subtler. I've been in three-ways before where the woman makes me feel nurtured and the guy makes me feel like a dirty slut. I love that, especially when he's in my ass and she's licking my pussy."
