Where horny readers talk about the world's horniest women...50Plus MILFs!

Claudia Fox opens up her dripping-pink pussy while getting ass-fucked.

A LATINA MILF PUSSY SO PINK, IT LOOKS LIKE IT'S DRIPPING

Dear 50Plus MILFs,

New MILF Claudia (SP327) is such a stunner in that tiny bikini. I bet she has college-age kids trying to pick her up on the beach all the time. I love Latin MILFs! Claudia has such perky nipples that stand at attention. She has such a nice smile. I love the way she spreads her pussy and asshole. Her pussy is so pink, it looks like it's dripping pink, if you know what I mean.

I want to see Claudia getting fucked in the ass. I want to see her get DP'd. I want to see that little Latina body getting manhandled and spiked on hard cocks. I think she might be the most-beautiful, most-sexy woman you have ever had in the magazine. I love that she has two kids at home and then goes off to get ass-fucked in your studio.—J.G., via email

Dear J.G.: You'll love that Claudia gets ass-fucked in the DVD 50Plus MILFs 9, available on page 99. You'll love how she spreads and plays with her dripping-pink pussy in the DVD Horny 50Plus MILFs

5, also available on page 99. And, yes, we know exactly what you mean by "dripping pink pussy." We think the photo on this page is a perfect example.

VELVET SKYE: EXCUSE US WHILE OUR DICKS KISS THIS SKYE!

Dear 50Plus MILFs,

The latest issue of 50Plus MILFs (SP327) made my dick throb. Another great issue loaded with fabulous older women, leading off with covergirl Velvet Skye. Oh, my, Velvet is the most-sexiest woman in the world! Fucking hot! What a magnificent, high-class looking woman. The sight of her rich, lipsticked lips was superb! What a beauty with a body girls half her age would die for. The possibility of her picking me up in the mall and taking me back to her car for a blow job or fuck makes me want to go shopping every day, and shopping is the thing I hate most in the world.

My first favorite photo was the one on the second page because we get a nice head-to-toe view of her sexy body. I love her long legs and her jeans down

around her knees. I love how she's pulling up her panties to make camel-toe. I love her flat stomach. I want to suck on her belly button.

My second favorite photo is the one on the sixth page. She's looking into the camera and licking her lips while spreading her pussy. I love her manicured fingernails. If you hadn't told us she was divorced, I would have thought that was a wedding ring or an engagement ring on her ring finger. I love how swollen her clitoris is.

My third favorite photo is the one on the last page because she's spreading

Just imagine being Velvet Skye's mall pickup.

her pussy and her asshole and letting me decide which one I want to fuck. If she wants to know, I want to fuck her pussy first and her asshole second and cum all over her pretty face.

I enjoyed the interview, too. She said she once had 11 guys at once. I would have liked to see that. I definitely want to see her fuck very soon.—F.M., Amsterdam, New York

Dear F.M.: Very soon? How about right now! Velvet has sex with a big, black cock starting on page 89 of this issue. You can also see Velvet fucking in two new DVDs: Granny Loves BBC 2 and 50Plus MILFs 9. Both can be ordered on page 99. Or you can see Velvet in hardcore action (plus an interview) at 50PlusMILFs.com.

CASHMERE AND KATIA WERE THE SUPERSTARS OF #327.

Dear 50Plus MILFs,

The two superstars of 50Plus MILFs #327 were Cashmere and Classy Katia. Cashmere is a superstar because she's 58 and lets a kid who looks like he's no more than 18 fuck her in her still-tight ass. She's also a superstar because she stuffs two fingers in her ass while getting her pussy fucked. Cashmere leaves no doubt as to where she wants to get fucked, and that's refreshing.

Katia has been a superstar for a long time because she once took a giant, black cock up her ass and now she's back at 63 years old and letting two young dudes fuck her mouth and pussy. Although she's not a porn star (I

don't believe she has done any XXX scenes for anyone but you), she knows all the porn star tricks, like looking into the camera while she giving a blow job and making her cheeks bulge when she's sucking dick and looking into the camera with cum all over her face.

Cashmere and Katia are very different in looks, but they both get my dick hard in the same way. All of the girls in all of your issues are winners, but Cashmere and Katia are very special ladies for me.—I.K., Napa, California

It's not a porno trick. Katia enjoys making her cheek bulge while sucking.

A BIG-TITTED BRIT WHO MADE THIS V-MAN A 50PLUS MAN

Dear 50Plus MILFs,

I usually read *Voluptuous* and your other big-titty mags but I bought the Winter 2018 issue of 50Plus MILFs (SP327) because I saw Sabrina-Jade was in it. I love her big tits and I wanted to see them again. It was worth it just for the picture of Sabrina sucking her own nipple. She's an old British slut, isn't she, sucking on her own nipples and spreading her pussy and big, fat ass so we can get a good look down her asshole? Great stuff.

I saw Sabrina fucking at SCORE-LAND. She was wearing a low-cut dress and slutty fishnet stockings. She let the guy lick her pussy on the kitchen table then sucked his dick and had him do her doggy style on the kitchen floor. This woman really loves to lick her own nipples. She did it when the guy was eating her cunt.

Then she wrapped her tits around

Cashmere sucks cock for one reason: to get it ready for her butthole.

HE WANTS PUSSIES THAT LOOK LIKE THEY'VE BEEN USED A LOT

Dear 50Plus MILFs,

Gaping Grannies (SP327) are the best. If I wanted to see pussies that looked like they had never been fucked, I would buy a teen mag. I don't, so I don't. I want to see loose pussy lips that look like they've been banged about a thousand times. I want to see cunts that look like tonsils and deep, dark, black holes.

All of the ladies you showed have the kinds of pussies I love. Sindee Dix made great face when she was spread-

ing her old cunt and her asshole (which also looks like it's been fucked a thousand times). Madison Milstar has one of the pinkest, most-gapingest cunts I've ever seen. I love her old asshole, too. Connie McCoy is, plain and simple, an old slut who tries to make believe she's the average woman-next-door but probably suck and fucks every cock she can get her hands on. At least that's what her cunt says to me. She's the "Queen of the Gapers."

Show me a 50Plus MILF who doesn't have a gaping pussy and I'll show you a woman who hasn't gotten enough cock because she either doesn't have the looks or the guts to get it. "Gaping Grannies" was probably the

best thing you've ever done, and I've been reading your rag for a long time.—S.G., Buffalo, New York

OPTIONS FOR A MATURE LOVER WHO WANTS TO HAVE IT ALL

Dear 50Plus MILFs,

I am a big fan of your magazines and websites going all the way back to the beginning when you had 30Something magazine and then only 40Something but not 50Plus MILFs or 60Plus MILFs. Being a lover of MILFs of all ages, I was a little disappointed when you started excluding 30-plus women from your magazine and then when you started segregating the ages among all the magazines. I liked when

Sindee Dix seems to be saying, "Pick a hole, any hole."

THE OFFICIAL SEX TOY OF

60 PLUS MILFS

40Something was my one-stop place for mature women of all ages, although it all turned out for the best because now you have more 50Plus and 60Plus women than ever in your mags.

I've also noticed that your website 40SomethingMag.com doesn't feature new hardcore pictorials and videos of women who are not in their 40s but still has an impressive archive of the girls from back when women of all ages were in it.

I guess there's always a price to pay for progress, but I wish I didn't have to have so many subscriptions to get what I want.—L.R., via email

Dear L.R.: You're right that one of the upsides of having separate magazines for 40s, 50s and 60s is that over the past several years, it has allowed us to feature more 50s and 60s than before. Also, 40Something mag does feature 50s and 60s in every issue (although 50Plus MILFs mag never features women under 50).

From a website perspective, you have two good choices if you want to keep the price down. Our new MILF Bundle allows you to access 16 MILF sites for one price (currently \$59.99 for every three months), and those sites have the best of 40SomethingMag.com, 50PlusMILFs.com and 60PlusMILFs.com plus frequent brand-new postings. Go to MILFBundle.com for more info.

And here's another option: Try a three-day subscription to 40SomethingMag.com for only \$2.99. If you enjoy it, you can get three months of the website for as little as \$19.99 a month. Turn to page 19 for more details.

READER'S TRUE STORY: FUCKING HIS MOTHER'S BEST FRIEND

Dear 50Plus MILFs,

I have to admit it, I fucked my mom's best friend the other day. She's known me ever since I was six and I've been fantasizing about her ever since I was 14. She looks a little like Whinny Spice (SP327) but with bigger tits and a bigger ass. I ran into her under the most unusual circumstances, and that's how we ended up fucking.

I was on my way home one night from meeting up with some friends when I decided to drop into a bar I'd never been to for one more beer. I was just hanging out, watching ESPN on the TV, when I kept noticing some woman at the end of the bar who was teasing two men on either side of her. She was wearing a tight, low-cut dress that her tits were about falling out of with a slit so high, when she crossed her legs, I could see the top of her stockings. She had long, brown hair, lots of makeup and every time I looked over, she was stroking one guy's arm or putting her hand on the other guy's leg like she meant to take them both home and fucking them. It wasn't until I looked up and saw her glance in my direction for a second that I realized, "That's Aunt Joyce!" She's not my aunt, but that's what I called her.

I'm not usually a cock blocker, and I didn't want to ruin these guys' fun, but I couldn't help myself. I walked over to her and asked, "Aunt Joyce?" She looked at me half-embarrassed but also

half-drunk, and said, "Tim?" I'm kind of a big guy, and the two men must have thought I was really her aunt because they quickly cleared out.

"What are you doing here?" she asked me.

"What are *you* doing here?" I asked her back. "I'm here for a nightcap. I was just headed home."

"Well," she said, "don't tell your mother this, she's such a prude, but I'm here because there are always married men here looking for a woman with no strings attached, if you get my drift."

I got her drift, and just in case I hadn't, I suddenly felt her hand brushing against the front of my jeans. I would've thought it was an accident, but her hand stayed there.

I couldn't believe what was happening here. Aunt Joyce was coming on to me, and my dick was rock-hard, as it always was whenever she was around although moreso now because she was dressed to fuck. Maybe she was a little tipsy because she boldly said, "I think I've had enough for one night. Want to go back to my place? Your mother will never find out." Then she opened her legs just a little so I could see that she wasn't wearing any panties. I never knew Aunt Joyce was such a slut. She never showed it.

We went back to her place, and we played out every fantasy I'd ever had about her and then some. She swallowed my dick, sucked my balls and made herself gag on my hard-on. Then she turned over on all fours and said, "You can have whatever you want. You can fuck my pussy. My ass. Both."

Hey, why choose when you can have everything? By the time the sun came up, I had fucked her pussy and her ass a half-dozen times and painted her face with my cum. We didn't roll out of bed until two in the afternoon, by which time I knew her asshole was her orifice of choice and fucked her another three or four times there. My favorite part of the night was when she kept saying, "Fuck your Aunt Joyce in the ass!" and "Fuck Aunt Joyce's old cunt!" When she made me breakfast, she still had cum dripping off her face.

So, yeah, I fucked my mother's best friend. Will I fuck her again? Only time will tell.—W.B., via email

50 PLUS MILFS®

INTERVIEW BY DAVE ROSENBAUM

"I'm completely open to new experiences," said 52-year-old Andi James, a mom and divorcee who's having a new experience right here: showing off her beautiful, naked body for all the world to see. And at 50PlusMILFs.com (and soon in this magazine), she's fucking porn studs on-camera for the first time.

"Some of the people I know would be surprised to see me here," said Andi, who was born in Boston, Massachusetts and now lives in Central Florida. "Not some boyfriends. But everyone else, absolutely."

Of course, that's part of what makes 50Plus MILFs so special: Women who

Meet
52-year-old
Andi James

*She's a MILF with big tits,
and now she's all yours!*

nobody would expect to be here and doing this come here and do this. They're not porn stars. They're not even aspiring porn stars. They're just regular women from all walks of life who are fulfilling their fantasies and ours. With her beautiful face and sexy, curvy body, Andi is going to be fulfilling a lot of our fantasies.

Andi has worked in public relations and marketing. She's been a dancer and has been in the theater. She enjoys yoga and spending time with her family. We asked her what she wants to do that she hasn't done yet, and she said, "Porn, escorting and being a phone-sex operator."

She's now crossed one of those off her list, and she

could easily do the other two. We'd pay to fuck her and to hear her talk dirty. Judging by the ecstatic reactions to her first fuck scenes at 50PlusMILFs.com, lots of guys would.

Andi is a part-time swinger. She likes women. We're already falling in love with Andi.

50Plus MILFs: Hi, Andi, and welcome to 50Plus MILFs.

ANDI: Thank you.

50Plus MILFs: You're sitting there in that outfit, and I'm very impressed. And we're going to let the guys in on a little secret: You celebrated your birthday just the other day.

ANDI: I did. I celebrated by doing my very first porn video. Who would have expected that? Not me!

50Plus MILFs: And you're how old?

ANDI: Fifty-two.

50Plus MILFs: Kind of exciting?

ANDI: Yes, it was very exciting. He was significantly younger, and it was so hot. It was the best way to celebrate my 52nd

birthday. And now I'm going to do it again, and I can't wait.

50Plus MILFs: And your first scene was with JMac, right?

ANDI: Yes, and I think he's in his 30s. And then I'm going to have sex with Jax, who I haven't met, but I think he's in his late 20s.

50Plus MILFs: That's right, he is, and he has a big, black cock, and I should let the readers know that they can see your first scenes at 50PlusMILFs.com or in the new DVD 50Plus MILFs 9. Anyway, how did we find you, or did you find us?

ANDI: I just moved to the area not too long ago, and I was just sorta carousing around the Internet and saw an ad and just thought I would answer it.

50Plus MILFs: Did you know what the ad was for?

ANDI: I didn't really. I had some idea, but I wanted to explore it.

50Plus MILFs: So you thought the modeling job was for what?

ANDI: I thought it might just be a photo shoot in sexy lingerie. Certainly nothing like this. So I called the number and found out what it was about.

50Plus MILFs: And when you found out, your reaction was?

ANDI: "I want to give it a try."

50Plus MILFs: You didn't have any hesitation whatsoever?

ANDI: Well, I wouldn't say there was no hesitation, but I was really ready to do some exploration. I think I've done some sexual exploration throughout the past 15 years or so, so this is new territory, and I thought I'd try this, too. Why not? It's something most women don't do, but it sounded exciting.

50Plus MILFs: Had doing this ever crossed your mind before you saw that ad on the Internet?

ANDI: Honestly, no. I do like to watch porn, but I never thought I would do it, and one of the reasons I thought I would never do it is because of my age. I just figured all porn stars were young, in their 20s or so.

50Plus MILFs: Ahhh...so I'll give the

readers the back story. When we first got your photos, I thought you were 49 because that's what you wrote on your email because you thought you might be too old, so I said, "Let's wait until she turns 50 and then we can shoot her." And you were surprised by that because you thought, "The younger the better." Not true. And then when we pressed you a little further, you told us that you were 51. So it surprises you that the older you are, the more we want you?

ANDI: It does. It absolutely surprised me because I think the audiences want to see younger women. That's what you're always hearing. That's what you always see in ads and on TV.

50Plus MILFs: Young guys never hit on you?

"I do like to watch porn, but I never thought I would do it."

ANDI: You know, they do sometimes, and I'm surprised by that. I don't understand it, but I guess some younger guys like older women who maybe know themselves a little better and what they like.

50Plus MILFs: I think what they really like is that you know what they like more than some 20-year-old girl ever will. Let's face it: You're better in bed now than you were in your 20s, right?

ANDI: Absolutely. No doubt about it. I know my body. I know what I like. I know what pleases me, so it's definitely better. I know how to please a man and I know what I want him to do to please me. I'm not self-conscious.

50Plus MILFs: So, the youngest guy you've had sex with since you turned 50 is...

ANDI: In his 30s.

50Plus MILFs: You've gone for some younger guys. Is that typical of you?

ANDI: No. I usually go for older men, but I'm in Florida now, so I don't know. I'm opening it up. I'm trying new experiences.

50Plus MILFs: You're divorced?

ANDI: Yes. I've been divorced for 13 or so years.

50Plus MILFs: So you've been a divorcee on the prowl for a long time.

ANDI: I guess you could say that. I'm not sure I'd say on the prowl.

50Plus MILFs: Do you have any desire to get married again?

ANDI: Maybe. I'm not opposed to it, but it hasn't come up.

50Plus MILFs: You've never had a marriage proposal in the last 13 years?

ANDI: I did, but I turned it down. It just wasn't going to work out.

50Plus MILFs: Where are you originally from?

ANDI: The Boston area.

50Plus MILFs: Where's your accent?

ANDI: I lost it. My family moved to the Midwest when I was a teenager and kids made fun of my accent, so I learned to pronounce my Rs pretty quickly. I had no idea I even had an accent until it was pointed out to me in school. I basically had to lose it or they would've kept on making fun.

50Plus MILFs: A little while ago, you said you've expanded your sexual explorations over the last several years. What do you mean by that?

ANDI: Well, I've been to swingers clubs, and I've had multiple partners. That sort of thing.

50Plus MILFs: From what I've heard, a single woman can get very far in a swingers club, can't she?

ANDI: *[Smiles and nods]* Well, I went with a partner so I wasn't alone, but it was an amazing experience. This particular club had something for everybody. They had a bondage area, a private area where everybody could look in and watch and private rooms where several couples could go. That's where we went, the private room with several other couples.

50Plus MILFs: Excuse me for asking this, but how is it private if there are several couples there with you?

ANDI: Well, other people can't come in unless they're invited, so it's you and a bunch of people who have decided to reserve the room.

50Plus MILFs: So it was you and your partner having sex, and how many other people were in the room?

ANDI: At least two other couples and a few other people who were invited in. Everybody was paying attention to everybody.

50Plus MILFs: How many people did you have sex with that evening?

ANDI: Well, my partner was with somebody else and I was with somebody else. So we kind of swapped with a couple and intermingled throughout the evening. It was really awesome. Probably two men. Nothing overly wild or anything, but wilder than anything I'd ever done.

50Plus MILFs: Andi, you wrote on your model info sheet that you don't have sex often enough.

ANDI: I don't.

50Plus MILFs: Why? It seems to me like you could have sex whenever you wanted with whoever you wanted to have it with.

ANDI: Well, I'm not with a partner right now, and I generally don't go for one-night stands, but I definitely would like to have more sex.

50Plus MILFs: Would you ever just go up to a guy and pick him up? We have

another MILF, Velvet Skye, who's in this issue, and she told us that her favorite thing to do is to go to the mall and pickup guys and take them back to the parking lot. Give them blow jobs. Maybe fuck in the car. Probably never see them again afterwards.

Would you do that?

ANDI: I have never done that. I don't know if I would. I'm open to it. I have never thought about picking up a stranger and having sex. Not in the mall. That's a pretty daring, exciting thing to do. I just might have to explore that, now that you've brought it up.

50Plus MILFs: Are you usually the picker-upper or the picker-uppee?

ANDI: I'd say the picker-uppee. I usually don't

"I like watching gangbang videos. They turn me on!"

make the first move. Sometimes I do. The last time I was the picker-upper, it worked out initially but it didn't over the long term, so maybe because it didn't work out, I'm a little reluctant to do it again. But you never know. It's all part of this exploring that I'm doing.

50Plus MILFs: I'm getting a strong impression that despite the fact that you're a swinger and are here having sex with total strangers for all the world to see, you wouldn't describe yourself as sexually wild.

ANDI: I guess I consider myself wild in the sense that I've done more exploration than my friends have done. I guess in that sense, I consider myself a little on the wild side but not as wild as other people. I'm sure I'm not as wild as a lot of your other models, but I'm definitely more open to things than some people. I don't think any of my friends would do this.

50Plus MILFs: Do any of your friends know you're here?

ANDI: Absolutely not. I just don't think people I know would be open to it. I don't know what their reaction would be. This will be our private secret on the Internet that hopefully nobody will find out about! I don't talk about my sexuality all that much with my friends. It's more private. It's almost like a dual life in a sense. A private life. I keep my sexual experiences to myself.

50Plus MILFs: Well, the Internet is a big place, and most of our women don't get discovered by their friends and families, so your secret is probably safe. So, other than being here, the wildest thing you've ever done is...

ANDI: I'd have to say going to the swingers club.

50Plus MILFs: Have you ever been with two guys at the same time?

ANDI: I have.

50Plus MILFs: Tell us about it!

ANDI: Sure! It was amazing. It was with my partner at the time, and a fellow had connected with me online,

and really over the course of two years, we did this flirting online, which was interesting, but we had never met. So I finally said, "Let's get together." So he met me at a hotel with my partner, and it was all about me, and it was just amazing. They did everything. They worshipped me. It was like I was the center of their world. We just did whatever felt good, and at the end, I had my partner in my mouth and the other man was fucking me, and they both pulled out at the same time and came all over my stomach. They both had huge cocks, and there was this pool of cum all over my stomach. I loved it.

50Plus MILFs: Did that happen only that one time?

ANDI: It happened twice, and the second time was as good as the first?

50Plus MILFs: Was anal on the menu?

ANDI: No.

50Plus MILFs: Is it ever?

ANDI: Nope. I like having my ass licked and fingered, but no penetration with cocks. Nope!

50Plus MILFs: Have you ever had more than two men at the same time?

ANDI: I would say no. At the swingers club, there were several men in the room, but I was only with one man. I didn't have sex with more than one man at a time that night.

50Plus MILFs: But I read on your model info sheet that your fantasy is a gangbang.

ANDI: Yeah! I like watching gangbang videos. They turn me on. I don't know why. I just get really turned on when I watch gangbang videos.

50Plus MILFs: Would you like to be in a gangbang video?

ANDI: I don't know. I'd be open to it, I guess. It would depend on how many people there were.

50Plus MILFs: Okay, so how big would this gangbang be?

ANDI: Four guys and me. That sounds like about the right size. I think I could handle that.

50Plus MILFs: We could set that up if you wanted to. Just go to the mall.

ANDI: "One, two, three, four, let's go!" I don't know if we could do it in a car, though. We'd have to get creative.

50Plus MILFs: Are you into women?

ANDI: I have been with women. I've had lapdances from women in strip clubs, and I love that, and when I was

Cyndi Sinclair

50
YEARS OLD

Birthday: September 17

Height: 5'4"

Weight: 116 lbs.

Born: Phoenix, Arizona

Lives: Logan, Utah

Marital Status: Divorced

Interview

50Plus MILFs: Hi, Cyndi, and welcome. You look great. Can you tell us about yourself?

Cyndi: Sure! I'm from Arizona. I'm 50 years old. I'm pretty active. I work out a lot. I have a dog who's my life. A beautiful Labrador Retriever. I enjoy going out on my four-wheeler, camping, mountain climbing, kayaking. I'm a nature girl. And I'm a webcam model, but this is my first time modeling professionally.

50Plus MILFs: How did we find you, or did you find us?

Cyndi: I friend of mine named Sally D'Angelo referred me to The SCORE Group, and it all took a week from the time I first contacted you to the time I came here to California model. She told me I had the look you're looking for, and one thing led to another."

50Plus MILFs: You definitely have the look we're looking for, and Sally knows a hot lady when she sees one. What do you usually do when you're cam modeling?

Cyndi: I do a lot of foot jobs on-camera. I have nice feet, or so the guys say, and they like to see them.

50Plus MILFs: Talking about seeing, would the people you know be surprised to see you here?

Cyndi: Definitely not. Everybody I know knows what I do. My children know. We don't discuss it in any great detail. They avoid the subject, but they know. I have children and grandchildren, so that makes me a MILF and a GILF!

50Plus MILFs: Besides this and cam modeling, what have you done for a living?

Cyndi: I used to be a high-angle rescue trainer. That's probably the most fun job I've ever had until this. I traveled around the world training crews how to rescue and self-rescue from wind towers using mechanical and rope techniques. It's very complicated, very intense. I was an environmental health and safety manager. I've been an office manager. I managed a medical marijuana dispensary. I've done a lot of interesting things.

50Plus MILFs: And now you're here, doing this!

Cyndi: And now I'm here! It's been a lot of fun so far!

She's not a swinger or a nudist. She's a divorcee, mother and grandmother with a hot body that looks great in and out of a bikini. No wonder she's our cover model. Cyndi is the second of six first-timers in this issue, and she told us she was nervous before shooting her first on-camera fuck scene (you can see it right now at 50PlusMILFs.com). "I just don't know what's going to hap-

pen," Cyndi said. "It'll be the first time I've had sex in a while." A while being four years, if you can believe that. "I haven't been interested in finding anybody, so I've been having sex with myself. A lot. On-cam. In my bedroom. I'm horny a lot, but I'm not the kind of woman who will just go out and pick up a stranger or make a booty call. I'm definitely a more-passive woman."

Is that butt plug a sign of things to come—and cum—for Cyndi? Well, yes, it is. Cyndi did take it up the ass on-camera, and you'll be seeing the photos and video very soon. So, although Cyndi started out nervous, she loosened up, so to speak, very nicely, and had a great time. "Making a porno has been my fantasy for a long time," she said. "It's everything I'd hoped it would be."

Gina Milano

60
YEARS OLD

Birthday: December 17
Height: 5'5"
Weight: 134 lbs.

Born: Milan, Italy
Lives: San Diego, California
Marital status: Divorced

Interview

50Plus MILFs: Hi, Gina, and welcome back. You're going to have sex today, aren't you?

Gina: Yes, and the boy I am going to fuck is so young! I've always loved younger guys. I could be their mom, easily. They always go after me.

50Plus MILFs: Tell us a little bit about yourself.

Gina: Well, I'm Italian. I live in San Diego. I like to workout. I'm trying, so I hope it's showing. I just love California. It's a fantastic place to live. A lot of hot guys. That's perfect!

50Plus MILFs: What do you do for fun in San Diego?

Gina: I love the beach. I ride my bike. I like to suntan. Of course, some shopping, because that's what girls do. And meeting young guys. That's a lot of fun right there.

50Plus MILFs: When you're with a young guy who wants to have sex, what's the first thing he usually goes for? Does he go for your boobs? Does he eat your pussy?

Gina: He'll usually touch my boobies and feel my body. They kiss me on the neck, and so we start kissing. And if it's a passionate kiss, then we go a lot further. I usually go down on my knees to see what's there.

50Plus MILFs: So you like to give blow jobs?

Gina: I love sucking dick! I like the feel of it. I feel his power and strength and excitement and his desire. That turns me on a lot. I am looking forward to looking up while I am sucking Patrick's dick and seeing the look on his face.

50Plus MILFs: Do you usually suck a guy until he cums?

Gina: No, no! I just suck it to make him feel good and to make me feel good, of course. Then we play a little longer. We can do some penetration, all the good stuff. After fucking him for a while, I like when he cums all over my face. I love my facials, and I am going to get one today and let it drip down onto my big tits.

50Plus MILFs: Needless to say, you're a very sexual person.

Gina: I love sex. It's the best thing in the world to fuck a young man with a big cock. All women should try something like this.

Patrick is the new boy working in the stable, and it didn't take long for Gina to notice that he's hung like a horse. She walks outside, and Patrick is so busy raking hay that he doesn't notice Gina pushing her tits together and touching herself. Finally, she gets his attention and tells him she wants to help him...help him get his cock out of his pants. Hey, it was time for a break, anyway. Might as well make it a fucking break.

Patrick is young enough to be Gina's son, practically young enough to be her grandson, and that's the way she likes 'em: young, virile, hard and hung. "I was curious about doing a porno," Gina said. "I've seen several pornos, and I was wondering how those girls feel. I said, 'You know what? I want to try that.' And since I didn't try it when I was in my 20s, I wanted to try it now.

So why not? And here I am?" Indeed, why not? Gina is 60 and incredibly fit. She has a great body with long legs, a thin waist and big, fake tits that she uses to attract young cock. As for her pussy, "It's as tight or tighter than any 20-year-old's I've ever been with," Patrick said. "I had to hold back from cumming several times because her pussy is so tight." That's Gina: tight and right.

Before she fucked on-camera, the wildest thing Gina had ever done was have sex in a room in a swingers club with 30 couples. "I was with my ex-hubby, and one guy next to us started rubbing my pussy, and he gave me a big orgasm. I was so loud that once everyone heard me cum, which everybody did, all 30 couples came at the same time. It was fucking hot! That was one of the hottest times ever. It was great. To get 30 couples to cum at the same time is amazing. And nobody expected it. That was the beauty of it." And now, Gina is going to get 30,000 *50Plus MILFs* readers to cum at the same time.

Lena Lewis

57
YEARS OLD

Birthday: June 2
Height: 5'8"
Weight: 144 lbs.

Born: Stuttgart, Germany
Lives: New York City
Marital status: Single

Interview

50Plus MILFs: Hi, Lena, and welcome back to *50Plus MILFs* after all these years.

Lena: Thank you! And now I'm 57 and better than ever!

50Plus MILFs: You really are better than ever. You look sensational, and the new anal scene you did at 50PlusMILFs.com is red-hot.

Lena: Thank you! It was a lot of fun. The man was very young, only 23 years old, and you could say I took him to the edge and back and then over the edge. I taught him how to withhold his orgasms so he can last longer in bed. You know, it takes a mature woman to teach that.

50Plus MILFs: So here you are, back at *50Plus MILFs*. Did modeling that first time change you at all?

Lena: Yes. It made me more eager to explore sex in different variations. Now I'm doing things I might not have done before, like anal sex.

Before, I wasn't that into anal sex. I would only have it with a partner who I loved and totally trusted, but now I've learned to like it as a regular part of sex. And doing those scenes taught me how to get aroused easily.

50Plus MILFs: Did you watch the scenes you shot with us last time?

Lena: Yes, briefly. I never watched them all the way through, and I only watched them by myself.

50Plus MILFs: What did you think about them?

Lena: I could not believe that was me! I liked them, but some things I would do different now. Of course, you're always your worst critic.

50Plus MILFs: So you've never fucked while watching your scenes?

Lena: No, but they made me horny, and I hope they made everyone who watched them horny.

50Plus MILFs: So, you're from Germany and you're still living in New York City?

Lena: Yes.

50Plus MILFs: What kinds of things make you extra horny?

Lena: Oh, lots of things! Watching porn. Not my own, of course. Getting tied up and getting a little spanking. Thinking about the hot sex I'm about to have with a young man. I don't think I'm ever not horny anymore!

A blonde woman with wavy hair is shown from the chest up, wearing black lace lingerie. She is performing oral sex on a man's penis, which is held in her mouth. The man's hand is visible on the right, holding the shaft of the penis. The background is a blurred outdoor scene with trees.

"I've done a lot of wild things in my life, and I have an open attitude about sex," said Lena Lewis, who made a return visit to our studio to get DP'd by two lucky guys. This is a big leap from her first go-round, when Lena didn't do anal. This time, she did two anal scenes, including this double-stuffing. "I'm definitely sexually aggressive," Lena said. "Sometimes that scares a guy, sometimes he likes it. These guys really liked it!"

About some of those other wild things Lena has done: She's had sex on the toilet in the women's room of a nightclub and while riding a train through Europe. She had sex on-camera with porn superstar Ron Jeremy in 1982 when she was only 19 years old. Lena has been an analyst, personal assistant, cabaret performer, burlesque dancer and bartender. If you're a man who loves beautiful woman, she's a good woman to have around. "I'll wear sexy lingerie for my man. I'll wear something different every night. I'll use sweets when we're making love. I'll give him a lot of oral foreplay and do a lap dance for him. I'll cook his favorite foods, serve him breakfast in bed."

Lena's three wildest sexual encounters: 1. "At a Halloween swinger's party I was the sub, he was the dom." 2. "I followed the lead singer of a punk band in Hollywood for three months. We had sex every night, and it was wild." 3. "Sex on-camera with Ron Jeremy in 1982 in San Francisco." And she's still piling up wild encounters. This one has to be on her list: getting double-stuffed by two total strangers, guys she met just minutes earlier, for all the world to see. Swallowing their loads. "Very hot," Lena agreed. "Definitely something I've never done before." Sex didn't begin at 50 for Lena. "But it keeps getting better and better!"

Ruby O'Connor

56
YEARS OLD

Birthday: April 1
Height: 5'1"
Weight: 118 lbs.

Lives: Arizona
Occupation: Sales
Marital status: Married

Interview

50Plus MILFs: Welcome to Miami, Ruby. You're beautiful and sexy, but your age is one of the reasons you're here. Does that surprise you?

Ruby: A little bit. At this age, to be so attractive to so many young guys is surprising but cool. I like it. It's a bit of a turn-on.

50Plus MILFs: Do you workout?

Ruby: I do. I enjoy it very much. I've been doing it for about six or seven years. It's a big stress relief, and I enjoy the looks afterward. When I walk into a room, people can tell that I workout.

50Plus MILFs: When you walk into a party, what are you wearing?

Ruby: Usually tight jeans or tight workout pants and a nice sleeveless shirt or a tank top that shows off my curves. Kind of an hourglass figure. I like the attention very much.

50Plus MILFs: How about going to the grocery store?

Ruby: Pretty much the same. I don't wear heels to the grocery store, but I dress pretty much the same.

50Plus MILFs: Are you married?

Ruby: Yes, happily for 14 years.

50Plus MILFs: Are you swingers?

Ruby: Yes, for about six years.

50Plus MILFs: You must have some stories. Can you share one?

Ruby: Okay. I'd had a couple of threesomes with my husband and another guy, and the guy we had the threesome with, he moved away, and so he said, "You need to join a swingers website," and we did, and it was funny because the very first night we joined the website was a meet-and-greet and hotel takeover, so that was my introduction to the swinger lifestyle, and what was funny about that was I found out what a Sybian is.

50Plus MILFs: For readers who might not know, what's a Sybian?

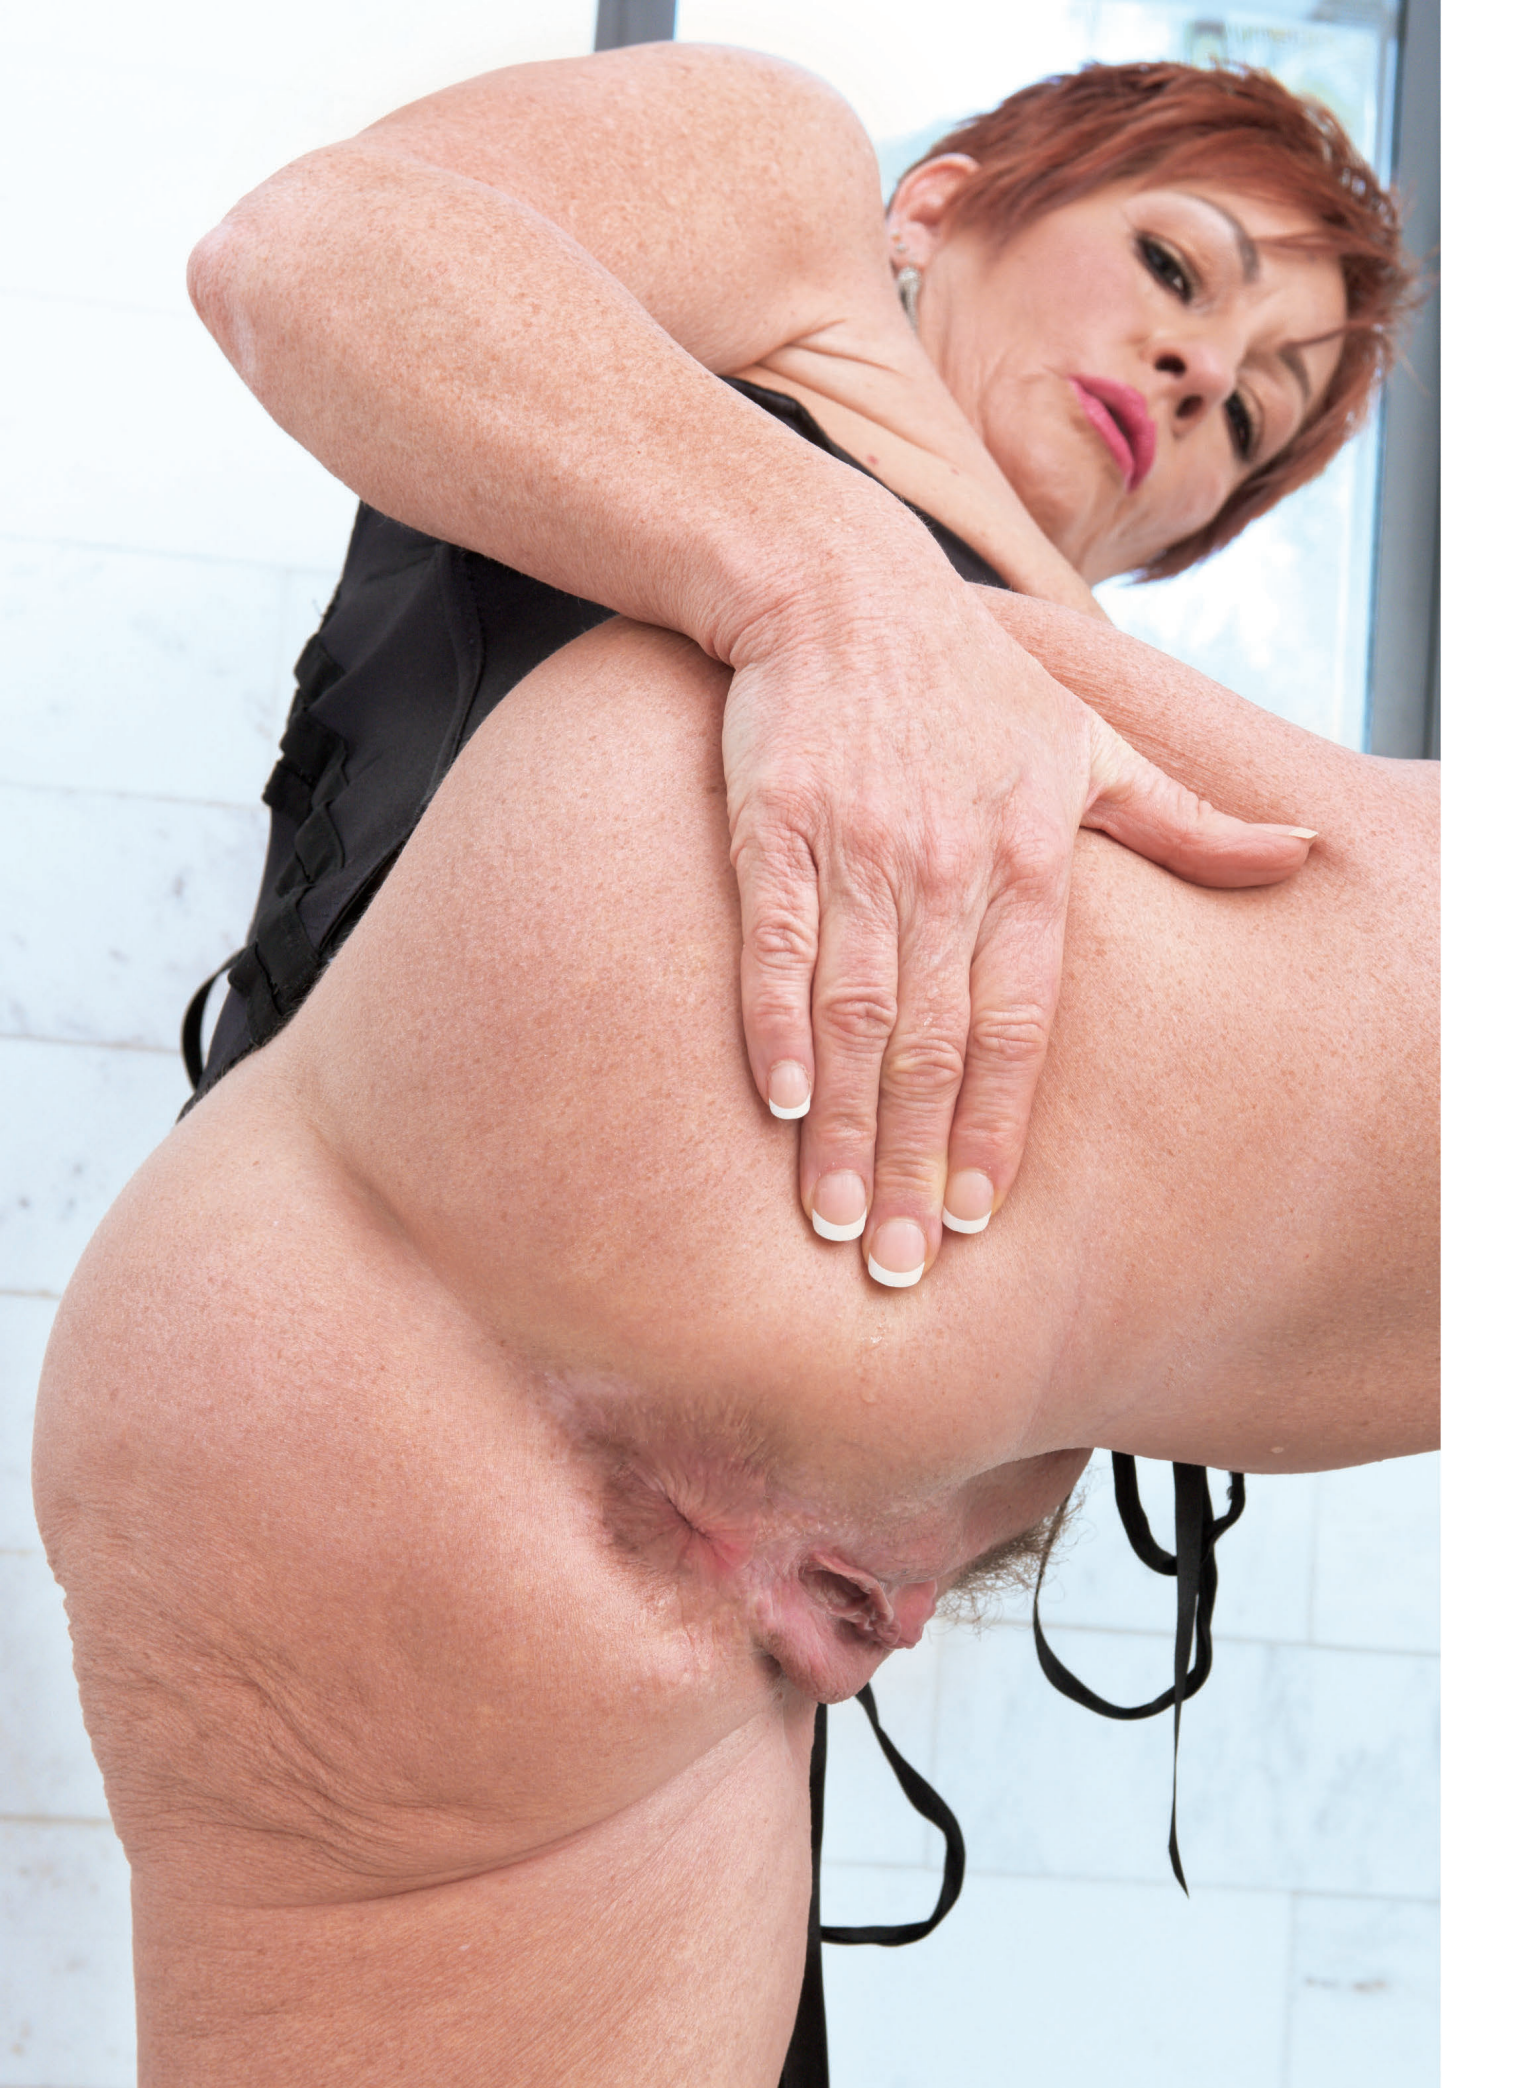

Ruby: A Sybian is like riding a bull, but you have a cock on it that's remote-controlled. That was quite an experience! I didn't wade in. I went in the deep end! A girl just led me over to it, and I started riding and was very turned on. I didn't notice at first that everybody was watching, but it was an exciting adventure. That's why I think I'm going to enjoy this: I like to be watched while having sex.

The woman you are looking at has four children and two grandchildren. She's a salesperson who lives in Arizona with her husband, and she's never done anything like this before, meaning getting naked on-camera for all the world to see and, at 50PlusMILFs.com, having sex with a total stranger on-camera for all the world to see. Yeah, the people she knows would be surprised to see her here. "Except for my swinger friends," Ruby said. "Otherwise, I usually come across as conservative and naive but sexy." Ruby was sent to us by 60Plus MILF Leah L'Amour and her hubby.

Conservative-but-sexy Ruby has had many threesomes, including one with two guys that her husband watched and filmed. "That turns him on a lot!" Ruby said. "We have a lot of good sex videos, and we watch them together. He gets really hard and I get really wet and we end the night really fucking wild!" Ruby describes herself as naive and maybe a little shy, but she also told us that

her wildest sexual encounter was the time "I approached a black guy at a house party and told him I wanted to fuck him. He had a Prince Albert piercing." Ruby enjoyed it, and if that's her idea of shy, we wish all women were as shy as she is. And now, Ruby is ready to have many more exciting adventures with us watching. "It's a big turn-on knowing that guys are watching me," she said.

Ruby likes going for walks, hiking, swimming, reading and going to the gym. She enjoys watching basketball but doesn't have a favorite team. Her eyes are blue. She measures 34C-25-36. She says she wears thong panties "most of the time but sometimes none." As for sex with other women, she said, "I have had a little bit of contact with other women. A woman ate my pussy on a sex swing at a party. But I love hard cock!"

ANDI JAMES

continued from page 28

at the swingers club, I was with another woman, but that's about it.

50Plus MILFs: Okay, let's find out what "with" means. Did this woman eat your pussy?

ANDI: She didn't, but I ate her pussy. I liked it. It was the first time I'd ever done that, and I didn't know if I'd like it, but in that particular circumstance, the energy was so hot and it was great.

50Plus MILFs: Andi, let's try a hypothetical question. If I had said to you 10 years ago, "Andi, when you turn 52, you're going to have sex on-camera," you would've said...

ANDI: Hell, no! Never would happen. In my mind, I just didn't do that, but that's changed.

50Plus MILFs: You've changed so much in 10 years?

ANDI: Yes. I just keep on opening up sexually.

50Plus MILFs: Why do you think that has happened?

ANDI: Part of it is being single. Part of it is maturing and feeling more free to express myself. My kids are grown and out of the house. I don't have to account for my time or where I am.

50Plus MILFs: When you're out in public, do you dress to show your tits?

ANDI: Never. I don't really show cleavage. I'm kind of conservative in public.

50Plus MILFs: So let's say you were going to the mall.

ANDI: If I went to the mall, I'd probably have on a tight-fitting, V-neck top, so maybe showing a little bit of cleavage but not much. A tight pair of pants. Revealing enough but not overly. I just don't dress that way.

50Plus MILFs: When your kids were growing up, were you the hot mom? Were you known as a MILF?

ANDI: I don't think so. Who knows? No one ever said anything. I doubt it.

50Plus MILFs: You would describe yourself as sexual but a bit conservative.

ANDI: Yes.

50Plus MILFs: What kind of jobs have you had?

ANDI: Marketing. That's my career. Working with clients and having to have a certain professional demeanor. Business suits. I've worked in public relations. That sort of thing.

50Plus MILFs: So you've never had sex in the board room?

ANDI: Unfortunately not, but I'd be open to that.

50Plus MILFs: Andi, it seems as if these days, you're open to just about anything. Besides gang bangs, what are the things you want to do sexually and non-sexually?

ANDI: I think I just want to keep exploring my sexuality. I want to keep opening it up, and at some point, a gang bang would be interesting. Being with another woman. Continuing to explore. I'd like to be a phone sex operator. Maybe even an escort.

50Plus MILFs: What if I said to you, "Andi, in five years, you're going to be a porn star, shooting scenes all the time."

ANDI: I can't imagine that happening, but I'm not opposed to it. I never thought there was a large audience for a woman my age.

50Plus MILFs: Let's wind things up by asking you a few quick questions. What

are your hobbies?

ANDI: I enjoy yoga and being with my family. I studied dance when I was

ANDI: All kinds of men. Men who are romantic and have a sense of humor and love sex. I need a man who can have sex a few times a day.

50Plus MILFs: How can a man attract your attention?

ANDI: With his smile. That twinkle in his eyes. His personality. I like men who are outgoing. A sense of humor and an easy smile is sexy.

50Plus MILFs: What kinds of dates do you like?

ANDI: At night, dinner dates. If it's daytime, long walks. Talking to each other. Getting to know each other.

50Plus MILFs: By the way, how big are your breasts?

ANDI: They're 38DD.

50Plus MILFs: And will you initiate sex?

ANDI: It can go either way, but if he's taking too much time, I can definitely initiate.

50Plus MILFs: Andi, thank you for being here and sharing yourself with us. It's been a pleasure. the readers are going to love you.

Sindi Star

50
YEARS OLD

Birthday: December 12

Height: 5'5"

Weight: 120 lbs.

Lives: Las Vegas, Nevada

Occupation: Cam model

Marital Status: Divorced

Interview

50Plus MILFs: Hi, Sindi, and welcome to *50Plus MILFs*. The first time we saw you was about seven years ago in *40Something*, and now you're back and looking better than ever.

Sindi: Thank you. It's wonderful to be back. I had a great time here the first time.

50Plus MILFs: The first time we met, we spent a lot of time talking about your pussy. In fact, we spent almost an entire interview talking about your pussy. But let's give the guys a chance to know a part of you other than the part they fuck. Tell us about your perfect day or evening.

Sindi: Relaxing by the pool, going shopping at the market for fresh produce, cooking a great meal, visiting with a friend, watching a good movie and maybe having sex afterwards.

50Plus MILFs: I had a feeling sex might be involved. When you're out in public, how do you usually dress?

Sindi: That depends on the occasion. Usually classy but with no bra or casual with no panties. That way there's easy access!

50Plus MILFs: How can a man attract your attention?

Sindi: By being elegant and manly. I like a man with manners, too.

50Plus MILFs: You're divorced. What kind of dates do you like?

Sindi: The usual. Dinner, drinks and a show. Then maybe some cuddling, sexy time and togetherness.

50Plus MILFs: You're a mom, aren't you?

Sindi: Yes. I'm a MILF!

50Plus MILFs: Do you swing?

Sindi: I used to attend swingers events because I was curious. I once went home with a couple, and that was a lot of fun. We had great sex!

50Plus MILFs: Are you a nudist?

Sindi: No, but I do enjoy being nude around the house and in the sun. When I'm home, I'm usually naked and playing with my pussy.

50Plus MILFs: What's your sexual fantasy?

Sindi: Three guys stuffing me in all three holes, air-tight. It hasn't happened yet, but it's going to.

50Plus MILFs: You make things happen, don't you?

Sindi: I do!

In 2011, when she was 43 years old, Sindi Star made her worldwide nude modeling debut in *40Something* #219 and fucked on-camera for all the world to see in *Stuffed MILFs* #2 and *Cougar Trap* 4. Now, nearly seven years later, Sindi is looking spectacular at 50 and back for more. "I love showing off my body and my curves," Sindi said. "That's why I was an exotic dancer and now it's why I'm a cam model. I play with my pussy every night. Mostly I use a vibrator right on my clit. My pussy's been fucked a lot, but I keep it tight. Isn't that all that really counts?" Yeah, that's what counts, especially if you're fucking it.

Sindi describes herself as “sexually assertive. Sometimes I will wait for my lover to initiate the first move, but it depends on my mood. Sometimes I like to make the first move as a surprise. I will usually get things started, though, with sexy talk or a lot of touching.” That’ll get things started. Sindi enjoys jogging, going for nature walks, swimming and spending time with her friends. She likes a man who’s masculine but affectionate. She fantasizes about having sex with three men at the same time, something she hasn’t done yet. That, frankly, surprises us. “The people I know are used to me being wild. They know I do things most other women don’t do. Like this!”

Blair Angeles

67
YEARS OLD

Birthday: April 1
Height: 5'6"
Weight: 164 lbs.

Born: Los Angeles, California
Lives: Philadelphia, Pennsylvania
Marital status: Divorced

Interview

50Plus MILFs: Hi, Blair. Welcome. You're a world traveler, I understand, and now your travels have taken you to our studio in Miami.

Blair: I am a world traveler. My parents were both from Philadelphia, and we traveled all over the world and all over the country. I've lived in eight or nine states in America. And I lived in Japan for a little while and Italy and France, and I've traveled as far-reaching as Africa. I was married to a professional athlete for over 20 years, and we went to tournaments all around the world. It was great fun.

50Plus MILFs: Do you speak any languages besides English?

Blair: I do. I speak a smattering of about 10 or 12. *[She says hello in Iranian, Japanese, German, Chinese, Italian, French and Spanish.]*

50Plus MILFs: You look great.

Blair: I try to take care of myself. I have good genes, too.

50Plus MILFs: Hobbies?

Blair: There are so many things I do well in the arts. I write amazing poetry. I'm working on a book right now, and I also play piano and sing jazz as well as play tennis, backgammon, chess, canasta. I love sports, so I'm a great gal pal. I love to watch sports on TV, especially ice hockey and football. Go Eagles!

50Plus MILFs: You're like a renaissance woman.

Blair: I am. My mother is Italian aristocracy. My father is from Italy and they're farmers, so I have the best of both worlds: culture and a knowledge of political things plus a feel for the earth. It's very important to have both things in your life.

50Plus MILFs: Have you had any kinky encounters in any of the countries you've traveled to?

Blair: In those countries, no, because most of the time I was married, but in Philadelphia where I live, yes. I was out to dinner with an amazing young man. He was younger than I was. And I asked to be excused to go to the ladies room, and unbeknownst to me, he followed me to the ladies room, and he was waiting outside the door, and he burst in the door and we had sex on the floor. That was exciting! It was a really nice restaurant, too!

When we asked Blair Angeles, a mother of two and grandmother of two, if the people she knows would be surprised to see her here, she said, "Yes!" When we asked her if she's surprised to hear that so many men love mature women, she said, "That is surprising to me because in our culture, there's such a tendency in advertising to show the younger, thinner girls with their hair

flowing and the makeup and being perfect, and life just isn't like that. I think most men are put off by that because it's too perfect, and they don't want someone who's too perfect because they can't identify with their human nature. And beauty comes from within. If you're beautiful on the inside, it comes out." Blair has both inner and outer beauty, and she's absolutely perfect for us.

"I like men of any age," Blair said. "I've been fortunate to have a smorgasbord of men. I don't mind older men and I don't mind younger men. I think younger men like women like me because they look at us as someone who's seasoned and knows what they want, and it's unfortunate that women don't speak their minds sexually or any other way because it really makes the experience much more complete." Blair speaks her mind. She does what she wants. She describes herself as a one-man woman, so she had sex with one young stud at a time when she visited our studio. See her in action at 60PlusMILFs.com.

50 PLUS MILFS®

HAIRY PUSSY ALERT!

INTERVIEW BY DAVE ROSENBAUM

"Most women are so shaved," 54-year-old first-timer Kelly Scott said. "They don't realize women have hair down there. When I was growing up, nobody was shaved. People want something that's different. Besides, I don't want to look like a little kid."

Kelly, a mother, grandmother and divorcee who has lived in a lot of places, does not look like a little kid. She has a full bush, and for the first time, she's showing it off for all the world to see.

Kelly was the hot mom when her kids were

growing up. She says she likes young guys, but then again, she says she likes all men.

"I don't look my age, so guys from 20something to 70something ask me out," she said.

Kelly told us two things about her pussy: the hair on it is soft, and her pussy itself is tight.

And here's one more thing you need to know before you start getting to know Kelly better: Although she's wearing clothes at the start of this lay-out, she wasn't wearing clothes for her video interview (which can be seen online at 50PlusMILFs.com, along with Kelly's first fuck scenes). Not an ounce of clothes. Totally naked. And not the least self-conscious about it. Imagine that.

You can do more than imagine it.

50Plus MILFs: Congratulations, Kelly!

This is our first-ever interview in which the model starts out 100% totally naked.

KELLY: I've got shoes on!

50Plus MILFs: You sure do. Except you are wearing something.

KELLY: I'm wearing my belly ring.

50Plus MILFs: You're wearing your bush, too.

KELLY: I am.

50Plus MILFs:

Something we don't see a lot of these days. And you look great. And you're how old?

KELLY: Fifty-four.

50Plus MILFs: So you're 54, and here you are in Miami. How did you end up here?

KELLY: I actually answered a casting call on Craigs List. It said, "If you're 60 and still have it," and I thought, "Maybe

they have room for someone in their 50s," so I wrote to you and your recruiter said, "Of course we have a place for you," so here I am!

50Plus MILFs: And they sent me the test shots of you naked.

KELLY: They did? Those were terrible.

50Plus MILFs: You looked great.

KELLY: But it was bad lighting. **50Plus MILFs:** Your body looked great, you looked great, and I saw your bush, and my first reaction was, "Tell her, 'Do not shave the bush under any circumstances.'"

KELLY: Yeah, I remember asking, "Do you want me to shave?" and the recruiter said, "No, no, don't do that!"

50Plus MILFs: You have great boobs, by the way.

KELLY: I'm kinda attached to them.

50Plus MILFs: They're attached to you. Your boobs are so firm. They would not be proof of age.

KELLY: I have three daughters. Three daughters! No stretch marks.

50Plus MILFs: I'm impressed. You just got lucky, didn't you?

KELLY: Mom had good genes.

50Plus MILFs: Have you ever shaved your pussy?

KELLY: I have. I'm lazy, but sometimes I've shaved it completely bare.

**54-YEAR-OLD
FIRST-TIMER
KELLY SCOTT
IS A BUSH MOM!**

"It's dark. It's not a blond bush. It's not like it's going to blend in."

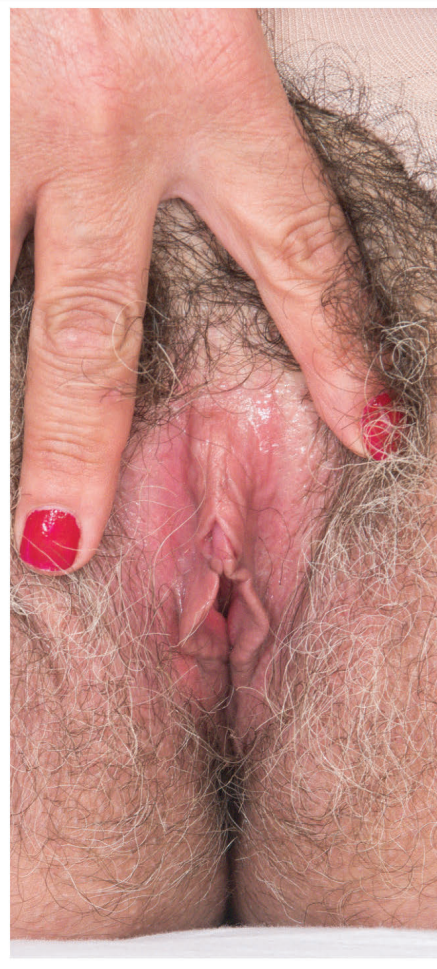

50Plus MILFs: How long ago?

KELLY: Probably a couple of years ago for a photo shoot. I just got carried away with the razor and kept going. You don't want to show any hair when you're doing underwear modeling. But I got a little carried away, then it was crooked on one side and I had to even it out, so pretty soon I just said, "Screw it. I'll shave it all off." It was unintentional.

50Plus MILFs: So you haven't shaved in two years, but your pussy is trimmed.

KELLY: No, I'm not

trimmed at all. It's growing pretty much on its own.

50Plus MILFs: That's a pretty well-controlled bush you've got there.

KELLY: I don't know. I guess.

50Plus MILFs: When you go to the beach, do you wear a bikini?

KELLY: It's kind of a half and half bathing suit. The top is attached to the bottom. It just comes up.

50Plus MILFs: Does your bush overflow your bathing suit at all?

KELLY: Oh, yeah!

50Plus MILFs: What kind of reactions do you get?

KELLY: I try to go off somewhere by myself because I have to be careful around kids.

50Plus MILFs: But when guys see you, they must go out of their minds.

KELLY: Oh, yeah, they look. If they're really young, I might tease them a little bit and see what happens. I'll sit up and watch the waves, and I can see them turn around and look.

50Plus MILFs: In the era of shaved pussy, your bush is unusual.

KELLY: And it's dark. It's not a blond

bush. It's not like it's going to be blend in with everything. I'm a natural brunette.

50Plus MILFs: Now, you told me off-camera that you haven't had sex in how long?

KELLY: I didn't say that. I said I hadn't had a date in a year. I didn't say sex! I had sex about a month ago.

50Plus MILFs: How was it?

KELLY: It was okay. He was nervous. He's a really good friend of mine. I think that's why he got nervous.

50Plus MILFs: And you just decided to have sex out of nowhere?

KELLY: He's cute. He's handsome. It was quick. It was in the morning before he went to work, so we didn't have time to play a lot.

50Plus MILFs: In your general experience, do guys like the bush?

KELLY: I think they like it. I think most people don't even realize, with the porn industry the way it is, and most people are so shaved, they don't realize that women do have hair down there. When we were growing up, nothing was shaved.

50Plus MILFs: Back then, in the 1970s and '80s, a woman with a shaved pussy was so hot, and now a woman who's not shaved is so hot.

KELLY: That's right. People always want something different. Besides, I don't want to look like a little kid. I want to look like a woman.

50Plus MILFs: But you do have the teen boobs. Anyway, you are divorced.

KELLY: Since 2000.

50Plus MILFs: And you have kids.

KELLY: I have three daughters and seven grandkids.

50Plus MILFs: Would they be surprised to see you here, totally naked?

KELLY: Yes and no. My grandkids, I probably wouldn't tell, but I don't think my kids would be that surprised. I wouldn't volunteer it, but if they found out, they'd say, "I can see Mom doing that." It doesn't matter, and I'm old enough to know what I want, and I don't have to worry about it.

50Plus MILFs: When they were growing up, were you the hot mom?

KELLY: Oh, yes. As a matter of fact, my daughter was with me in Austin, Texas

for a couple of years, and, one of the maintenance guys drove a Shelby Mustang, my favorite car, and I remember saying, "Yeah, he's awfully cute," and my daughter said, "Oh, Mom, leave him alone. He's mine!" He was young.

50Plus MILFs: Do you usually like young guys?

KELLY: Sometimes. I think that they're sweet, and they're fun to play with. I like all men, but I think my perfect age is in their 40s. Slightly younger but not so much younger. I don't look my age. Guys from 20something to in their 70s ask me out. I have a 50-year spread.

50Plus MILFs: Since you've been in your 50s, have you ever slept with a guy in his 20s?

KELLY: Yeah. He was 29, and I remember when he had his birthday, he said, "I'm 30 now," and I said, "Well, I can't see you anymore." He knew I was teasing him.

50Plus MILFs: So you have lived in a lot of places. Born and raised in...

KELLY: Hawaii. Then I moved to Arizona, then L.A., then up to Seattle

and Fairbanks, Alaska, back to Arizona for a short time, then to Nashville, Tennessee, then I raised my kids in Arizona, then I went from Arizona to outside of Yellowstone Park in Idaho, then I lived in Jackson Hole, Wyoming, then Portland, Oregon, then back up to Anchorage again, down to Austin and now Miami. I bartended for a lot of years, and if you noticed, those places are the high-dollar places. There's good money in bartending.

50Plus MILFs: Do you wear cute little outfits when you bartend?

KELLY: Sometimes. When I was in Alaska, on Super Bowl Sunday, I would wear a referees outfit, and if it was a patio bar, I'd put on a bathing suit or a lifeguard's outfit with a pair of little shorts.

50Plus MILFs: You must have been a real catch with all those men and so few women.

KELLY: Alaska is different. A lot of gay men. A lot of gay women in Alaska, too, so your population for getting to meet people is cut in half.

50Plus MILFs: Have you ever had sex and been interrupted by a bear?

KELLY: [Thinks] No, one never came into the house, but I used to have one that lived out on the land, and I would put peanut butter on a tree, and I'd wait for the tree to move so I could make it to my truck.

"If my kids found out, they'd say, 'I can see Mom doing that!'"

“He leaned me over the hood of my truck and fucked me from behind. I didn’t know him very well.”

50Plus MILFs: Have you ever had sex in the snow?

KELLY: No. Where I’m from, it’s 45-below. You’d freeze.

50Plus MILFs: The craziest place you’ve ever had sex was...

KELLY: I’d say a juke box in a nightclub at closing time.

50Plus MILFs: On a juke box?

KELLY: No, the whole DJ booth was the juke box. Another one would be outside of a bar on the hood of a car. It was at night, after closing. What is it with me and closing times? Because I was working! And I noticed there were cameras along the outside of the club, so that was kind of a thrill.

50Plus MILFs: Did anybody see you?

KELLY: I’m sure they did!

50Plus MILFs: What were you doing?

KELLY: Pretty much everything. He leaned me over the hood of my truck and fucked me from behind. I didn’t know him very well, so that was kinda the fun part of it.

50Plus MILFs: So you will have sex with a guy you’ve just met, or do you need to get to know him better?

KELLY: I’ve done both. It depends on the guy.

50Plus MILFs: There’ll be no feeling-out period today, by the way. You’re going to have sex with a total stranger. Have you ever had sex with a guy whose name you didn’t know?

KELLY: No.

50Plus MILFs: Would your ex-husband be surprised to see you here?

KELLY: I don’t know. I try not to think about him. [Laughs]

50Plus MILFs: Are you a swinger?

KELLY: Yes. An ex-boyfriend introduced me to it. I’ve been to a couple of clubs in Austin. It was interesting. I had fun. I didn’t play with anyone else there because I was just getting to know the place, but I did go to a house party once, and my date and I did a little bit of playing. They had one room that was just all beds, so we went in there and played around before we left. It was just him and I, but there were other people around us.

50Plus MILFs: Do you think you like to be watched?

KELLY: I think so. I’m here now! I think it’s just the thrill of people liking me enough to watch me.

is that you always wanted to try porn.
KELLY: Why not? I always wanted to be one of those girls. I thought it would be fun. I like different experiences.

50Plus MILFs: What do you think about it so far?

KELLY: So far it's fun.

50Plus MILFs: There's the cock, too.

KELLY: My pussy is tiny, so that will be interesting.

50Plus MILFs: And you're into anal?

KELLY: I am. Is that a fetish?

50Plus MILFs: I hope not. I hope it's more popular than that. When did you discover that you're into anal?

KELLY: I was probably in my late 20s. It was my ex-husband. He just slipped it in there without telling me.

50Plus MILFs: No wonder he's your ex-husband!

KELLY: [Laughs] I'm pretty open-minded, so he knew it would be okay. And I liked it. It feels good, and you can relax.

50Plus MILFs: If you're having anal sex, will you just lie back and enjoy it or will you rub your pussy?

KELLY: I've done both. If I'm leaning over something, like a couch, I can reach my pussy. But anal is more of an enjoyment thing, not a cumming thing.

50Plus MILFs: So, the most sure-fire way to get you off is to...

KELLY: Stimulate my clit.

50Plus MILFs: Is it usually easy to make you cum?

KELLY: It depends on the situation. I can definitely be very easy.

50Plus MILFs: There's one more thing I want to ask you about: firefighting.

KELLY: I was a firefighter for three years. I was an engine boss. HAZMAT. Hazardous materials.

50Plus MILFs: Did you go into burning buildings?

KELLY: I did. It was kinda fun.

50Plus MILFs: Why?

KELLY: It just is. And you got to play with all the equipment. You could put on a dry suit and go down to Yellowstone Park and just float. We'd go down to Snake River and float for three hours.

50Plus MILFs: I get the impression that you only do things that are fun.

KELLY: I like to garden and I love to cook and I do street hikes most every day. I enjoy a lot of things.

50Plus MILFs: Well, Kelly, our time is up. It's been a lot of fun, but I think it's time for you to get dressed and have sex. Is that the weirdest thing anyone's ever said to you?

KELLY: No!

Interview

50Plus MILFs: Hi, Velvet, and welcome back. You call yourself "Canada's Hottest MILF," and you're going to prove it!

Velvet: I am! I'm going to suck and fuck a big, black cock!

50Plus MILFs: You told us that you were a late bloomer. You weren't the hot girl in school, were you?

Velvet: Definitely not. I don't know how many guys I propositioned, "Have sex with me." They all said, "We like you as a friend." You know, I was the jocks' friend who hung out mainly with the guys. The girls didn't like me. The guys didn't want to have sex with me. I was just a buddy. They're kicking themselves now!

50Plus MILFs: I bet. I guess you were the last girl anyone would have expected to do this.

Velvet: Definitely. When I go on Facebook, I see what all the high school cheerleaders look like now, and I'm like, "Yeah! You don't look like this!" And I know for a fact that they're not doing this!

50Plus MILFs: Do you ever run into people from high school who say, "Wow, what happened?"

Velvet: I have run into a few guys who've said, "If only I had hung around," and I'll say, "Yeah, but that chance is gone."

50Plus MILFs: But it didn't take you very long to blossom. You used to be a model, right?

Velvet: I was. I modeled in Europe when I was in my mid-20s. I worked for a couple of high-end lingerie companies. Clothing lines. I did a lot of hand modeling. Legs, feet. And then I moved into the fashion industry and was managing stores.

50Plus MILFs: What's the most-fun job you've ever had?

Velvet: Doing exactly what I'm doing now...or what I'm about to do!

50Plus MILFs: I know you're a swinger. Do you like to be watched while having sex?

Velvet: I do quite enjoy being watched as it is part of the lifestyle, and I'm a voyeur, so I like watching, too. And now I'm going to get to do something I never thought I'd get to do: I'm going to be able to watch myself having sex!

"I was a late bloomer," Velvet said. "I didn't have sex until I was 18. I was the tall, skinny chick in high school with no tits and no ass. Nobody wanted to date me. And then, in my 30s, I just thought, 'Life is too short. I'm going to enjoy it.'" That's what Velvet is doing here: enjoying it. Having sex with a 21-year-old dude who has a big, black cock. Sucking his dick, fucking him hard and giving him the MILF ride of his young life.

Velvet is a cam model. She's a single swinger, which means she has her pick of the meat wherever she goes. "As a single girl, it's easy because I can go, 'Yes, yes, no, no,'" Velvet said. "That's why single girls are called unicorns. They're hard to find. It's not often that you find single girls in the lifestyle. It's mostly couples, although the woman is always in charge. Whatever she wants to happen is going to happen. If he says he wants something to happen but she doesn't want it to happen, it's not going to happen." In this instance, John took one look at Velvet and wanted it to happen. Velvet took one look at John's cock and decided it would happen. And that's what Velvet does: She makes things happen.
