A full-page photograph of Crystal Gunns, a woman with long brown hair, smiling and wearing a red bikini. She is standing on a boat, holding the handle of a black outboard motor. The background shows a body of water and a city skyline under a bright sun with lens flare. In the top right corner, there is a text overlay with her name and measurements. On her right upper arm, there is a tattoo of barbed wire.

**"I love to be
outdoors."**

One of our top models and a regular columnist for *SCORE*, Crystal Gunns is all about having fun. "I just love being outdoors. To me being indoors just feels very confining," she said. "When I'm out in the world it feels so open and free. That's why I like riding my jetski so much, the exhilaration of the speed and the wind blowing on my body and through my hair is such a blast." Crystal said her favorite garment for going out is a bikini. "I have a good figure, so a one-piece suit looks good on me, too, but a bikini is by far my favorite. I like to show as much skin as I can."

"Being outside is not just fun, it makes me think about sex and that makes me horny," Crystal said. "Especially being in or near the water. Getting wet is a real turn-on. So when I go out to sunbathe or ride my jetski, I will be sure to pack along a favorite toy so if the urge hits me I can satisfy myself. That's one of the best things about riding the jetski. It can take me to private, out of the way places where I can have my fun."

IT LOOKED LIKE ... IT COULDN'T BE.

IT'S BACK ... IT D

The Perfect Fit

Jack's lonely summer turns into a lusty adventure in his quest for the owner of the biggest bikini top he'd ever seen.

BY JOE MONKS

ILLUSTRATION BY OTIS SWEAT

The object on the beach didn't look like a dead bluefish, but it sure seemed big enough to be one. Jack noticed it while taking his usual morning walk down the sand from his parents' old summer home. This part of the beach remained private, although just up the shore was the glittering new condo tower. But the thing in the sand held his attention. Maybe, he thought, it would be a diversion from his depressed morning meanderings. Monica should have been here, walking with him, waking him up with her hand on his balls and his cock snug in her mouth. But Monica had broken up with him just before his big vacation, and he'd spent the first 10 days of summer feeling sorry for himself.

Now he could see that the shiny blue thing wasn't dry fish scales but fabric. A lot of fabric.

"No way," he said to nobody. Could this enormous piece of material be...a bikini top? He didn't believe it. It looked more like something designed to hold a pair of bowling balls. But it had a tag and a swimwear logo stitched into one of the cups. And this *was* a beach.

His eyes bulged. He loved a good pair of knockers. But the girl who could fill this swimsuit had to be indescribable. Bigger than any woman he'd ever met.

Suddenly, Jack had an idea. He'd been here nearly two weeks and hadn't enjoyed a minute. He hadn't gone out, hadn't hit the local clubs and bars, hadn't hung out at the jetty where people thronged every night to party. He'd just sulked. Now, as he stuffed the glittery bikini top into his pocket, he knew he had to find the girl who fit into this bra.

TORCHLIGHT was a tiki bar catering to tourists, condo owners and locals. That night, Jack threw on a garish Hawaiian shirt, comfortable shorts and headed on over for a drink, carrying the mysterious bikini top.

The place was rocking. Jack saw plenty of girls in swimsuits, bikinis, short skirts and halter tops. But despite some well-endowed babes dancing, drinking, laughing and par-

tying, he saw nobody who might fit the bikini until he noticed a bartender wearing a super-stretchy Lycra top. Clearly, she was braless in a form-fitting black top that had compressed a pair of undoubtedly giant melons. He ordered a Sex on the Beach. Jack believed in omens.

She looked him over in an approving way. Jack liked that.

"You look like you need a break," he said to her.

"Ten minutes," she said, blowing out a breath and glancing up at the clock. "Can't wait."

Jack put a sizeable tip on the bar and said, "I have something I want to show you. Meet me out back."

Twelve minutes later, Jack's lips were pressed to Cindi's. They were making out to the dull backbeat of the music coming from inside. Jack cupped her ass, pulling her against his cock, and she ground against him. Jack couldn't take his mind off her jugs, though, and when Cindi slipped one hand into his shorts, he wormed both of his under the Lycra and palmed her knobs.

"Oh," Cindi gasped. "Lick them."

Jack pulled her to the sand, her legs

spread over his groin, his shorts open and his cock pressed into her cleft. Cindi's cans dangled tantalizingly over his lips, and he sucked her cherry-red buds while she gyrated her hips.

"Tell me you brought something," Cindi said.

She meant a condom, and only then did Jack realize that he didn't have one. He'd brought only the bikini top. Cindi was out of her bottoms, and her shaved pink slit glistened. Jack was thinking about a subtle way to suggest a blow job, but Cindi saw the look on his face.

"Mommy always said never to fuck a guy without protection or I'd get pregnant," she said. "But I won't get pregnant this way."

Cindi got on all fours and looked back at him, presenting him her ass. She gave it a little shake.

"You wanna fuck my ass, baby?" Cindi whispered. "I want you to."

Jack spit into his palm, lubed up and pressed his cock into her ass. Cindi opened up gradually. Jack plumbed her depth, his balls reaching her damp pussy lips. Cindi rocked against him, and Jack gripped her hips, fucking her ass hard. Cindi clutched the tiki torches

for support, and Jack drove into her backside. He gripped her swinging tits, giving her every inch of cock on the downstroke, nearly pulling out and then ramming his shaft back into her. Her pussy juices spattered both of their thighs, dripping freely onto the packed sand beneath them. Her ass clamped down on him as she came, and Jack shot his load into her ass, firing spurt after hot spurt.

Before Cindi had to get back to work, Jack removed the bikini top from his pocket. "You lose this?" he asked. "I found it on the beach."

Cindi looked at it. She unrolled it, her eyes opening wide, holding it up to her still-bare boobs. Clearly, although Cindi was at least a triple-D, she couldn't hope to fill these cups.

"Not mine," she said. "I'd need heels on the front of my shoes to walk around if I could fill that."

Jack knew she was right. She was big, but she wasn't the perfect fit.

The girl rollerblading couldn't be natural, Jack thought. Wearing denim cutoffs and a T-shirt tied beneath her rack, she looked as if she was smuggling pineapples. He'd noticed her immediately, her tits overhanging the ice cream cart where a stupefied teenager was scooping her a cone. First scoop onto his wrist, second onto the ground, one onto the cone. The stacked rollerblader giggled, paid, then skated away.

Jack waved at her on her second circuit around the path. She was a brunette with shoulder-length hair and big, almond eyes. *Maybe part Asian*, he thought. She braked to a stuttering stop, caught some gravel and would have face-planted had Jack not caught her. A shower of rapidly melting ice cream painted a path down his shirt.

"Omigod! I'm so sorry!" she said.

Jack looked down at his shirt. Oh well, having those whoppers flop against him was worth a ruined T. Those puppies sure felt natural sliding down his chest. Tanya told him she could get most of the choconilla swirl out and led him by the wrist to a well-hidden pagoda off the skate path.

"Take off your shirt," Tanya said.

Jack grinned. "Why don't you take off yours."

"Because I don't have ice cream all over..." she began.

"I really love to fuck outdoors."

Slim-and-stacked Danielle Derek barely weighs 100 pounds and a good portion of that is her tits. "I love to hang out at the pool," she said. "I live in Los Angeles, so the weather is good and I have a pool at home. That's really handy, because I like to go skinny dipping and I really love to fuck outdoors. I have this well-hung neighbor who's a good fuck buddy and he'll come over and screw my brains out on the pool deck or even in the pool about three or four times a week. I like to wear a bikini, but it never seems to stay on very long. My buddy says I look great in a bikini, but he has to get to my tits and wet pussy just as fast as he can, so off it comes."

A full-page photograph of a blonde woman, Jessica Turner, smiling and posing on a beach. She is wearing an orange bikini top and a matching yellow sarong. Her arms are raised, holding onto a large palm frond. The background shows a tropical beach with sand, a blue ocean, and a bright sun with rays.

There's a lot to like about summer. Warm weather, outdoor activities, trips to the beach, ball games...and big boobs in bikinis. There's no better way for a stacked chick to show off her assets than in a bikini, especially one that's just a bit too small for her hefty hooters. The bikini has been admired and revered for decades. There are songs about bikinis, movies have been made about them and their beach-loving wearers and entire magazines devoted to them have been published. Here we've rounded up some of our best girls, wearing the best garment ever...the bikini!

Autumn-Jade, right, is testing her tiny bikini top as it strains to hold back her massive melons. Chaz, left, even has to give her bikini a helping hand to keep her big tits from ripping her skimpy top in half. And the gigantic 36EE jugs of Angelique, lower left, the 36DD boobs of Hayden, lower far left and the impressive 38F rack of Candy Cantaloupes, upper far left, all look great trying to pop out of their skimpy bikinis. God bless whoever came up with this simple invention of a few bits of cloth and string. It absolutely had to be a tit man.

One of the hottest matchups known to man was when we brought together our covergirls Morgan Leigh (above left, pictorial on page 90) with super-stacked Daphne Rosen (above right). Talk about tits in tight tops! The legendary Minka (below right) is a perfect example of how a body in a bikini should look, and for those who prefer their hooters to be all natural, *Voluptuous* magazine's 2006 Plumper of the Year, Sapphire (opposite page) and lovely Brit Samantha Sanders (below left) fill the bill and their bikinis.

SCORE has had its share of bikini-busting babes in its 15-year history. A look back gives us fond memories of such notable racks like that of Whitney Wonders, left, and the one and only Tawny Peaks, right. Next time you're out and see a buxom, bikini-clad chick, say a silent little prayer of thanks to the big-boob gods who so generously have not only given us all these great tits but also the perfect method to best exhibit them...in a tiny bikini!

Russian big-boob sensation Marilyn Sakova loves for her body to be seen and nothing (other than nudity) does it like a bikini. "I like to show off my body, so I wear a bikini whenever I can," she said. "There are no beaches where I live in Russia, but there are some swimming pools and lakes where I can go and wear a small bikini. I was thrilled to travel to Spain. I loved to see the ocean and feel it all around my body. I hope to go back there again very soon." We hope so, too, especially if Marilyn will again wear a bikini that can barely hold her all-natural 32G boobs.

Delotta Brown

Jumping Jack Racks

Straight from the hot new SCORE Group DVD *Bounce, Baby, Bounce*, Delotta Brown is here to back up her statement, "I'm the hottest piece of ass you've ever seen or ever will see!" That's bold considering how many sexy girls we've seen over the years, but Delotta does give a convincing performance. Like all the girls in *Bounce, Baby, Bounce*, she starts with an activity that makes her tits bounce. In Delotta's case it's jumping rope. This gets the attention of a horny guy and before long Delotta puts down the rope and starts bouncing on a big, hard cock instead.

**“I’m the hottest
piece of ass you’ve
ever seen.”**

The stud shows his fondness for Delotta's big, brown tits as he kisses and sucks them. He gets thanked by Delotta sucking hungrily on his swollen dick, slurping on it loudly with every deep stroke. He fucks her hard in every position and finally blows a big cumwad all over her massive chest. "This was one of the most fun things I've done," Delotta said later. "It was really playful and this guy fucked me good." *Bounce, Baby, Bounce* also features Sunshine, Chavon Taylor, Gabriella Michaels and Sabina Leigh giving cock-swelling performances. Order *Bounce, Baby, Bounce* on page 4 of the main mag.

What is it about fucking outdoors that makes it so exciting, so much fun and such a turn-on? Fucking *anywhere* is exciting, fun and a turn-on, but being outdoors is just special. Maybe it subconsciously takes us back to the cave-man days when most fucking was done outside. Maybe it's the hidden exhibitionist in us that gets a thrill knowing there's a possibility of being caught or even watched. There's a freedom that goes along with not being confined. Whatever the deep-rooted reason, the fact remains, outdoor fucking is great!

Candy

Anastaisa

When Anastaisa, above, filmed her outdoor scene for the DVD *Cream My Tits*, she told us later that getting fucked outside made her cum like never before. "It was fantastic," she said. "I can't explain it, but I relaxed and really got into it and soon started cumming over and over and couldn't stop. Not that I wanted to stop. The feeling of the breeze and sunshine on my skin and a hard cock pounding my pussy got me so wet the guy's dick was making squishing noises with every thrust. That had never happened before and I'm sure it was because we were outside. Now I'd rather get fucked outside than indoors, and anytime you want me to do more outdoor filming just let me know. I'll be really into it."

Daphne Rosen

Iva

Alexis Silver, right, filmed her scene for *Fuckin' Mo Titties* in a public park! "Oh, my God, it was such a turn-on," she said. "It was a little scary, thinking we might be seen or even get caught by the law and get into trouble, but that just added to the excitement. Sucking a big, thick cock in broad daylight while being filmed was the wildest thing I've ever done, and I've done some wild shit, I promise you. Now when I'm with a guy trying to think of something to do, I ask him to take me to the park."

Jack pointed. Tanya looked down and pulled her T-shirt away from her breasts. Maybe, if she stared hard enough, there was a speck of chocolate there. Maybe.

She was giving him a look, letting him know he was a joker, when he stepped closer and pressed against her. He put his hands on her ass and rolled her closer. Now both their shirts were messy. But she didn't protest. Jack knew she wouldn't. She was too good a skater to have fallen like that.

Moments later, Jack stripped off her shirt, allowing her enormous hooters to spill out. She was lying on her back, and Jack kissed her full on the mouth. When their lips parted, her hands were all over him, tugging at his zipper, cupping his ass. Jack tore off his own shirt and went to work on her boobs, giving them a thorough oral massage, lapping up the ice cream that had dripped onto her heaving tits. Tanya finally freed his pole, rolled onto her side and engulfed it in her mouth. Jack fondled her globes while Tanya gave him head, and when Tanya took a breath and released his boner, he climbed on top of her and pressed her breasts together, forming a fleshy sleeve for his slippery dick.

Tanya urged him on, pulling his hips, jamming his pole into her cleavage. Jack thought about Monica. He'd tit-banged her only twice. She'd had boobs sufficient for the task, but Tanya's boob-pussy was deep and tight and as soft as any snatch he'd ever penetrated.

"You're gonna get me messy all over again, ain't'cha?" Tanya cooed.

He thrust faster into the tight chasm of boobmeat, and a white jet of cum splashed against Tanya's chin. Jack lost hold of Tanya's knockers, but she took over, holding fast as Jack's pole continued gushing hot semen. When Jack was spent, Tanya traced a finger through a deep pool of cum and tasted it.

"Creamy, but not quite vanilla," she said, sucking the jizz off her fingertip. "You look good walking around with no shirt. Me? I'm not getting 50 feet before the cops show up!"

Jack offered the bikini top he had in his pocket. "Maybe this'll work."

Tanya put her arms into the straps and tried tying the bikini top, but the

She has large, prominent breasts and is wearing a blue and white star-patterned bikini bottom. A red tattoo is visible on her lower abdomen. Great Britain has provided some of the biggest, best boobs we've ever seen. Kelly Kay fits right in with such English big-tit legends as Kerry Marie (page 69), Linsey Dawn McKenzie (page 16), Nicole Peters (page 78) and many others. Boobs like hers and a bikini were simply made for each other. "I like to wear a bikini. It's almost like being naked," she said. "I like for my body to be seen and appreciated and a bikini shows it off the most. It's ironic how a bikini covers no more than my undies, but is okay to wear out in public."

warm sea with Darlene's gazongas joining in the displacement of water, Jack's balls went hard, tightened and then relaxed. Darlene felt the infusion of steaming jism up her twat and continued to buck and moan with passion.

"Oh, fucking yes!" Darlene cried into Jack's chest, pulling herself against him.

Jack withdrew his flagging member from Darlene's pussy. Darlene swam out a few yards, dove, surfaced and swam back. When she stepped onto the rocks next to him, Jack extended the knot of blue fabric.

"You lose this?" he asked.

To his surprise, Darlene shook her head. She didn't even own a bikini.

Jack took it back reluctantly. Before they returned to the pier for a drink, Jack started to doubt the existence of a woman who could possibly swell these cups. She was a fantasy, something that simply wasn't real.

Another four weeks passed. The long vacation he had worked for a year to take had brightened considerably since the morning he'd discovered the bikini top, but he still hadn't been able to find its owner.

Earlier in the day, he had run into a high school buddy who invited him to the end-of-summer bonfire that took place on the private, span of beach. Plenty of booze, some old school pals he hadn't seen in years. Ending his vacation this way seemed like a great idea.

Jack showed up with a sackful of hooch and deposited it in the community. The bonfire was going strong, the flames rising and the music blasting.

Jack was reminded of high school even more when he hooked up with two other old classmates. They were standing around, drinking beer, shooting the shit, when one of them said, "Hey, you seen Annette? Oh, boy!"

"Man-nette?" Jack asked, reviving the nickname guys in their grade had given the flat-chested, boyish teenager. Jack had never taken part in the ribbing, but he hadn't really paid much attention to her, either. They'd had a few classes together, and she'd tutored him for his 11th grade bio exam. Nice girl, he remembered, but looks-wise...

"Not any more, dude," Ed said. "If I had a shot at her, I'd cut this off, finger and all!"

Ed gestured to his wedding ring. Jack laughed. They talked about other old

While Great Britain is not famous for having fabulous beaches, it has provided us with some of the best and most memorable bikini-filling big-tit models to ever grace our pages. A perfect example is Nicole Peters, who started out in 2003 as a very reserved, shy model who became accustomed to being on camera and blossomed into a *SCORE* and *Voluptuous* favorite literally before our very eyes. Her more than 20 appearances in our magazines were prompted by the demands of our readers, the world's experts in big boobs. A body as fine as Nicole's deserves to be seen. Fortunately, a bikini can do very little to hide her bountiful curves and huge hooters. Her taut nipples with oversized areolae strain at the cloth, threatening to poke right through. "I love to wear a bikini every chance I can," Nicole said. "We don't have beautiful, sandy beaches in England, but I still like to sunbathe and work on my tan, so I go to the local outdoor pool to swim and enjoy the outdoors and warm weather as often as possible. I've done so much modeling now, I get recognized almost every time, but I think that's a wonderful thing."
