Your complete guide to this issue's **BONUS VIDEOS**

This issue comes with 9 full-length bonus videos: There are three XXX scenes with jizz-hungry newbs and six solo sluts.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them in your home or on the go! No email, credit card or personal information will be requested. After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD.

Here are the highlights of this issue's bonus scenes.

Sadie Kennedy is a feisty redhead.

She's flat and has pencil-eraser nips. We paired her with a stud who sticks his rod deep in her young butt hole and cums on her tight pussy.

Haley is a young, skinny blonde.

She's taking on the biggest cock in our stable, and it's thicker than her wrist. She even proves that during the video! The cock splatters her pretty face.

Araya Sun has pillowy, natural boobs.

Even better than that, she is a real looker. She has a babyface and gentle curves. Even better? She takes a toy and a dick up her tight pussy and asshole until she and the guy cum.

Brianna Bragg is busty and loud.

She talks about her life, her wants, etc. Then, she stuffs her mouth with a vibrator before shoving it deep in her tight, wet and pink cunt. She moans so loudly, you'll want to use earphones.

Amber Faye is nervous in her scene.

This young, flat brunette is shooting pool to calm herself down before her first nude video. Once she gets comfortable, she diddles her pussy right there on the table and makes herself cum.

Faith Freedom is a wet, wild girl.

She's dirty and wants to show you. This blonde has a pierced clit, and it amplifies her pleasure as she uses a vibrator to make herself gush. You can hear her slit sloshing as she cums.

Alexis Capri is sultry and horny.

This brunette has come-fuck-me eyes and a toned body that'll make you bust. Her snatch is completely waxed.

Angie Stone has a humongous bush.

She's young-looking and giggly. She has a thick British accent and coos as she runs her fingers through her luxurious and fragrant bush.

Lexy Lotus has to pee!

This young, flat brunette with tiny nips and a full bladder can't wait to get to the bathroom. She goes on the floor of her garage, and the release feels amazing. So, she decides to rub one out right then and there.

Annalena

Houston, Texas

Annalena made her magazine debut in our last issue, and it was one for the ages. She had a fantastic photoshoot with a hung porn stud who made sure she was comfortable. "I didn't know what to expect about shooting a porn scene," she told us. "But it was amazing. The guy was really helpful about telling me what to do. He took control and moved my hips in a way I had never done before. It felt amazing, and it looked awesome when I saw the pictures. You could really see the guy's cock sliding into my pussy."

We asked Annalena if she had any turn-ons or kinks she would like to explore on-camera now that she's comfortable being naked for an audience. "My turn-ons are pretty tame. Like, the thing that turns me on about guys the most is their hands. I like a pair of big, strong hands as long as they're not dried out or gross. Arms also turn me on. I like big, strong arms. I love sucking on a guy's finger when we're in the middle of a makeout session. It gets me wet and ready to suck cock and deepthroat."

Check out
how raunchy
Annalena gets at
NaughtyMag.com

She's cruising for cooz.

"I haven't hooked up with a girl yet, but it's not from lack of trying. I'm always the girl at the party who is willing to kiss other girls to get drinks or whatever. But it hasn't gone further than that. I want to know what pussy tastes like."

So, they're letting loose and giving in to temptation. They're demanding big, black cocks in their snug, wet holes. Anjelica sloppily sucks Stallion's big, black cock, fucking it hard and taking his load of cum all over her face. Mandi comes dressed to fuck and ready to do it on-camera for the first time. For some women, their idea of a workout is getting sweaty in a gym. For 40-year-old Latina Miss Raquel, her idea of a workout is sucking and fucking a thick, black cock. Raquel gives our stud Ace Bigs a high-energy blow job, getting her saliva all over Ace's hard-on, and her fucking style is just as energetic. Ace could barely hold back, Raquel was fucking him so hard. She obviously had a lot of pent-up energy to spend. After all, like every MILF in this movie, she doesn't get dick like this every day. She had to seize the moment while she had it.

Joanna Meadows is a 52-year-old grandma from Denver, Colorado. We paired her up with a 27-year-old cocksman who gives her the ride of her life. She cums from oral and during sex. Then, she gets a facial. Mackenzie, a divorcee and mom from the UK, is a wild woman with big tits and a voracious sexual appetite. And because Mackenzie is so flexible, our stud gets his dick balls-deep in her cunt. We asked her what gets her off. "A good, girthy cock to grind on," she replied. She gets her big MILF tits glazed.

Ancient BJ Facts

The first documented BJ brought a god back to life.

The first documented blowjob occurs in Egyptian mythology, and it's freaky. In the story, the god Osiris was murdered and his body was chopped to pieces. His wife, who also happened to be his sister, put

ancient Indians knew that way back in 400 BCE. In the Kama Sutra, a famous spiritual text that describes and portrays sex acts of all kinds, there was an entire section dedicated to blowjobs. It describes eight different sucking techniques, including an upside-down move that we've shown in some of our SCORE Group movies.

Ancient Romans used blowjobs as punishment.

Despite what many people think, the Ancient Romans weren't un-

The Kama Sutra has a whole chapter devoted to blowjobs.

Even though any woman can perform a passable BJ, it takes a lot of skill to give an amazing one. The

Also, Ancient Romans would accuse men who were caught receiving blowjobs of not being able to keep a hard-on long enough to perform actual vaginal sex.

Universities and lifestyle blogs are encouraging couples to engage in a monthlong fuckfest. Some have even issued a challenge to have sex or perform a sexual act with your partner every day of the month. It encourages you to find a higher quality and quantity of your sexual connection. Julia Los Angeles, California

Meet Julia, a teenage dream from California. She's fun, bubbly, has a wicked sense of humor and a body to die for. "I used to be a cheerleader and I've done gymnastics my whole life," she told us. "I like trail running and riding my bike. I'm always looking for a fun activity. I like dates where we can do something together. One time, a guy took me axe-throwing. That was fun. I ended up blowing him in the parking lot."

We asked Julia if she always has sex after the first date. Julia thought about it for a moment before responding, "I like older guys, so whatever they want to do, I'm down. If it goes well, I like fucking on the first date. It can even be mid-date. But I need them to make the first move. I like being more submissive. If you make a good case for why we should fuck before dinner, I'm for it."

When we asked Julia if she likes anal, she had one of the best responses we've ever heard. "Fuck, yeah. It's even better if it happens during double penetration. That can be with two guys, which is fantastic, or with a butt plug or dildo. Either way, I like a big cock in my ass. The first time I tried it, I was surprised by how easy it was for me to cum from it. I guess my asshole is built for being fucked."

She loves showing off.

"I had public sex for the first time in the parking lot of my school. Since then, I've been trying to find a bunch of crazy places to fuck. I've done it in a movie theater, an empty classroom, behind a church, and a back aisle in a Home Depot."

Mallory Fresno, California

Mallory has big tits and a big ass, which is refreshing because we've been getting a lot of skinny amateur submissions lately. We love tiny girls, but sometimes you need some curves! "I was the first of my friend group to grow boobs," Mallory said in a brief interview. "At first, I was embarrassed, but then I realized that the other girls were jealous of me. When I finally started getting interested in boys, my chest definitely helped me get a boyfriend."

We asked Mallory if her friends and family would be shocked to see her in an erotic magazine. "I would think so," she said, laughing. "My friends would probably be cool with it, but my family would freak. The only person I ran this by was my boyfriend. We're planning on getting married, so I wanted him to sign off on this. He's cool with it."

She has a routine.

"I don't masturbate often, but when I do, I like to make an entire afternoon out of it. I start by treating myself to a nice, hot bath with candles. Then, I'll look at pictures or videos on the Internet. I never use toys, just my fingers."

we've collected from doctors
about anal mishaps bringing
patients to emergency depart-
ments. Try not to roll your eyes
too hard at how many people
"slip and fall" onto well-
lubed objects.

In the hospital where I
worked through university, news
traveled faster than a celebri-
ty scandal whenever
someone had some-
thing stuck up their
rear end. The go-to
excuse? "I fell on it!"  One memorable case in-
volved a guy who claimed he was
watching tennis on TV while com-
pletely naked. That paints quite
the picture, right? He insisted he
was just practicing his serves with
tennis balls when, in a moment of
bad balance, he took the plunge
right onto a fuzzy, green Wilson.

One time, there was this guy
who obviously had a golf ball
stuck in his ass. I felt it during
the PR exam, meaning I
had my gloved fingers
inside him. I asked him
point-blank, "So, you've
got a golf ball up there?"
 He replied, "Yeah, but that'll be
easy to get out. It's the cue ball
that I really need your help with."

When I was a medical student
working in the hospital, a female
patient complained of stomach
pains. She was moving very care-
fully and speaking vaguely about
what happened, and she was
blushing the entire time, so the
staff assumed it could be a sex toy
injury of some sort. So, we decid-
ed to do an x-ray, and you
wouldn't believe what
we found. It turns
out she had a whole
Lego construction
site in her colon!

I'm talking about a
stack of blocks that looked like a
mini skyscraper, complete with a
Lego man on top, arms in the air

Polly

St. Petersburg, Russia

There's nothing like a raunchy teenager with a cute face and a mouthful of braces. But, really, her tits are her best assets. They're big and firm, and they bounce as she moves. Our stud, a man 17 years older than Polly, definitely noticed them. As soon as he walked into the room, he complimented her and asked if he could touch her chest. "Of course," she replied. "I think that's why you're here." We love it when a young girl gets straight to the point.

Polly savored our stud's cock-flesh as she sucked him off hungrily. Earlier, we asked her if she enjoyed giving blowjobs. "Oh, hell yes," she replied with a big grin on her face. Pressed further, she went on, "I love hearing a man moan. I love the way their legs twitch when I slide the cock all the way down my throat. I love the way guys are so gentle and caress my hair and shoulders while I have their most precious body part in my mouth. I even adore the taste of cum."

We asked Polly about her favorite position, but she told us she doesn't have one. "They're all good for me. Each one is different, and some are better for different partners. My first boyfriend liked slow, passionate sex. We were always face-to-face in missionary or cow-girl. That was romantic, and it was good because we were both so inexperienced. The first time I was with a guy who liked to fuck hard, I found that I preferred doggie-style."

"One of my favorite moves during sex is licking my own juices off of a guy's cock as he's about to cum. When I feel his nuts start to tighten, I'll jump off and start blowing him and lick my pussy juice off of his shaft. Guys love that."

Una

St. Petersburg, Russia

Una told us that she lost her virginity later than her friends, but she's making up for lost time. "I'm having fun in school," she told us. "Joining clubs has introduced me to a bunch of new friends. I love going to parties and game nights with them. One time, all of my friends decided to play strip poker. I was the first person to end up naked! At the end of the game, everybody was checking each other out. I obviously looked to see which guy has the biggest cock."

A close-up photograph of a woman with long, wavy brown hair performing oral sex on a man's penis. The woman is lying on her side on a colorful, patterned blanket. She is looking directly at the camera with a neutral expression. Her left hand is resting on the man's thigh, and her right hand is holding the base of the penis. The man's torso and arm are visible on the left side of the frame. A white text box in the upper right corner contains a quote.

"I had my first threesome with two of my friends. It was a beautiful day, and we decided to have a picnic. We drove out to the lake and found a nice spot. My girlfriend and I were flirting with our guy friend, and one thing led to another. My favorite part was when he was fucking my friend doggie-style and she was eating me out. She was bouncing back and forth, so the guy was setting the rhythm of how she licked my pussy. It was hot."

We asked Una if she had any sexual fantasies. "It's always been a fantasy of mine to have a man sex doll made for a woman. I love being on top and riding a cock, and it's not that easy to do with just a dildo. I think it would be really hot to have sex with a guy and the doll at the same time. I'm curious what double penetration feels like, but I doubt any of my guy friends would do that. But someone might do it with me and a doll."

Aleksa

Baltimore, Maryland

With her impressively sized cans, Aleksa doesn't look like your typical girl-next-door, but she's a down-to-earth college student who just so happens to be built like a brick shithouse. "I went to a small school growing up, so I was definitely the bustiest in my class," she told us. "I get a lot of attention because of my boobs, and I like it most of the time, but sometimes guys stare way too much."

When Aleksa walked through the door for her photoshoot, the first thing we noticed was that she wasn't wearing a bra. "I don't like them," she explained. "I usually don't wear them. My boobs sit pretty well on their own, so I don't see the need. On the other hand, I love panties. I think they emphasize my curves and make me look sexy. I'm always shopping at Victoria's Secret. My ex gave me a \$300 gift card there once, and it was one of the best gifts I've ever received."

Now, that's a hole in one!

"One time, I had sex on a golf course with a guy I was dating. We were walking back to my apartment and we couldn't wait to fuck. We hopped the fence to the course and fucked right on one of the greens! It was super naughty."

Watch and hear Aleksa moan at
NaughtyMag.com

We also asked Aleksa what kinds of guys she likes. "Well, I'm in school, so I tend to hang out with guys my age, but I fantasize a lot about hooking up with older men. I want to fuck a fit guy in his 50s just to see what it's like." When asked what turns her on, Aleksa replied, "I'm simple. I'm not into kinky things. I love creampie. I'm into breeding porn, where they talk about making babies as the guy nuts inside the girl."

like he just won the lottery.

I'm a radiologist, not a doctor. I had a patient come in with a vibrator stuck up his butt. That's not too unusual to see. He was straightforward about it. He claimed it had been up there for almost 24 hours.

The poor guy tried everything to get it out, but it was too far gone. Shortly before we went to get him for his x-ray, a note was placed in his chart that essentially said, "Patient states the batteries have finally died and he is feeling much better." He looked at me and said, "Those Energizers are pretty good."

My most memorable experience was with a man who came in seeking help for a "lost" carrot. Without any prompting, he shared that while cooking dinner in a pressure cooker, things went awry. The lid unexpectedly burst off, and the carrot ended up lodged in an unfortunate place. Fortunately, none of the other vegetables had found their way into any

I once had an embarrassed guy tell me he slipped in the shower, and that's why he had a TV remote control stuck in his large intestine. I'm like, whoa, hold on! Did you just take a really adventurous ap-

proach to binge-watching? I can just picture it: he's in the shower, sudsing up, thinking, "Man, I really want to catch up on my shows. Maybe this is the best spot to multitask!"

In my experience, when patients come in with objects lodged rectally, there can be a tendency to make

light of the situation. It's not uncommon for healthcare professionals to share knowing smiles or giggles which can heighten the patient's discomfort. It happens, but I don't think anyone is purposely trying to make a patient more embarrassed, even if that's the outcome. Interestingly, I once had a patient who candidly expressed, "I enjoy engaging in anal play, but now I have a stuck figurine causing some distress." This frankness led to a straightforward and efficient resolution, and I don't think anyone on our team made a single joke.

I once had a patient come through the emergency department who was as calm as could be. He told the nurses that others experiencing more dire circumstances could take his place in line. He was an older man, I believe in his late 60s, dressed as you would expect—pleated pants and a plaid dress shirt. When he came to the exam room, he explained that he'd seen an item guaranteeing a great orgasm from prostate stimulation online. I asked if it had become

Eve

Hartford, Connecticut

We last saw Eve in issue **NN3002** where she fucked a much-older stud. You can get that issue on page 27. If you missed it, here's what you need to know about babyfaced Eve. She's a college student who has been selling pictures of herself online to pay for school. She said that everybody in school likes to party and hook up, but she's shy and mostly keeps to herself. She's had a couple boyfriends, including a study buddy she ended up de-virginizing. She's now in a committed relationship, but her guy is allowing her to pose and fuck in porn.

We asked Eve how she enjoyed filming her first XXX and if her boyfriend liked seeing the pictures. "That's interesting. I thought he'd feel jealous or angry, even though he said it was cool. He told me there was a little bit of that, but mostly he was okay with it because it was all sexual, not romantic. He said that it was kind of hot seeing his girlfriend get fucked by a big cock. He got a boner while looking at the magazine, so that was a good sign. I gave him a long, sloppy blowjob while he thumbed through the pages."

See much more of Eve at
NaughtyMag.com

Eve knows what works.

"When I'm masturbating at home, I use a dildo with a little rabbit on top to hit my clit. I always start slowly by teasing my clit, but I really like penetration when I cum, so I slide the whole thing in right as I'm about to cum."

Natasha

Tampa, Florida

"I'm a bad girl," Natasha informed us. She's originally from Moldova but now resides in the Tampa Bay area of Florida. "I can't help myself. When I get hot, I tend to get impulsive. When your talent scout reached out to me and asked if I had any interest in modeling, I said yes because I was horny. I was an exotic dancer years ago, and I still remember the thrill of being naked on stage, all eyes on me. It was empowering and sexy and dangerous. I miss that feeling."

We asked Natasha about her kinkiest experience. "It was on a construction site. There was a high-rise apartment building being built, and we went inside and had sex. I got on my knees and blew him for a long time. I expected him to cum in my mouth. But he grabbed me, pulled me up so that we were both standing, then he pressed me up against the wall and fucked me. He was wild and fast and hard. I came so much that my crotch and ass were completely drenched. I could barely walk afterward."

You better come correct.

"I never run after guys. They have to come after me. I'm not a cougar on the prowl. I need to be seduced and flirted with. I'm the furthest thing from an easy lay. But, if you put in the time and effort, I guarantee I'm worth the effort."

Harlow Concord, New Hampshire

"I like crazy-rough sex," teenager Harlow explained. "I can't cum unless the guy fucks the hell out of me. I can't always get it as hard or as fast as I want it, so I usually end up masturbating after I fuck. I like it when the guy I just did watches me while I make myself cum. I'm a total exhibitionist. I think that's why I'm comfortable with guys taking naked pictures of me. I want them to see me and jack off to my body."

"I don't want to sound like I'm addicted to masturbating or anything, but it's my favorite hobby. My friends roll their eyes when I start talking about my new toys or a particularly epic orgasm that I just had because I'm like a broken record. Speaking of which, I just bought an awesome new vibrator. If I use my thickest dildo to fuck myself and put the vibe on my clit, I find that I can squirt buckets. I guess you'd call me a size queen, too. I lost my V-card to a guy with a big one, and I fell in love with the feeling."

Harlow goes XXX on

Bend, lick, suck and fuck.

"I can tie a cherry stem with my tongue, I can out-eat all my friends and I can put my legs behind my head. All of those things translate to sex, too. I suck a mean dick and I love to use my flexibility while fucking."

lodged and needed extraction. He explained that, no, he hadn't purchased a professionally-made product. He had studied a picture of the item and whittled one himself from a piece of basswood. I guess he didn't understand the importance of a flared base because he neglected to include one on his design.

A musician once told me that he was practicing by singing karaoke at home by himself when one of his dogs barked, startling him so much that he swallowed the microphone he was using. I remember staring at him for ages, waiting for him to say he was kidding. After a while, I thought I was on Candid Camera or some other sort of prank show. Finally, I explained that it wasn't possible for something so big, so hard and so long to pass entirely through his gastrointestinal tract. He told me he must be a medical marvel.

Most of the patients with foreign objects lodged in their rectum are men. That's been my experience and that of my colleagues. However, I had an interesting case where a female patient found herself on my operating table. She and her boyfriend (who accompanied her, red-faced and hangdog) were having sex and experimenting with toys and anal. He was using a dildo in her vagina and decided to slip one into her anus at the same time. She, apparently, enjoyed the sensation and bucked her hips, causing both toys to slip entirely into her. From shock or pain, something triggered vaginismus, an involuntary muscle spasm that basically locks the vagina from being penetrated. Unfortunately, this caused both sex toys to become stuck inside her body. After some time and a sedative, she relaxed enough for me to remove both items. She was thankful. I'm not sure her boyfriend said two words to me.

I once saw a patient and noticed on their chart that it was their birthday. I wished them a happy one, and they immediately started acting odd. They were suddenly not making eye

contact and fidgeting. I figured out why when I removed a happy birthday candle from their rear end that had become lodged during foreplay with their partner.

Once, a patient came in and explained very nonchalant that he had been inserting items into his arse, but he couldn't be sure he got all of them out. I asked what he had put in there. He had a laundry list. There were plastic toys, veggies, bouncy balls and a bag of marbles. I began with a digital rectal examination and couldn't find anything, so I asked again which items he hadn't recovered himself. He finally admitted that the bag of marbles had opened, spilling the contents inside of his arse, but he wasn't sure how many he had in the bag to begin with. We sent him to get an X-ray that came back totally clean. So, I had to root around in this guy's behind for no good reason. It's still smart to come in if there's any question, but I recommend knowing exactly what and how many foreign objects enter your body.

When I'm at parties and I tell people that I'm a physician's assistant in emergency medicine, well, most people say thank you. Then, the question follows, "Have you ever pulled something out of someone's butt?" I don't know why this is the first question that pops into people's minds, but it is. A lot of my stories are not funny. That part of the body is very sensitive, and a lot can go wrong from accidental injury. But I have two surefire anecdotes. The first patient came in with a pair of sunglasses stuck inside their rectum. The physician I was assisting, who is usually a very serious and stoic man, couldn't help himself when he said, "You really don't need to use those in there." I had to leave the room to laugh, not that it did any good. The poor patient could definitely still hear my cackling in the hallway. The second story, years later, involved a patient who came in with an impacted Maglite flashlight in his rectum. As we removed it, I remembered the joke I had heard years before. I said the same thing. This time, the doctor I was assisting had to excuse himself from the room.

Dez

Fort Lauderdale, Florida

Newcomer Dez is originally from Mississippi. She was a little shy when we met her, but our stud helped her relax for her porno debut. First, with his tongue. Then, he used his cock to really loosen her up. "I'd have to say that getting eaten out is probably my favorite thing ever," Dez told us. "It's what sexually satisfies me the most. I can cum easily from getting head. Cumming on a dick is kinda hard sometimes, but it's always great when it happens."

"I have very sensitive nipples, and sometimes guys can be too aggressive when they're kissing them. I like a light sucking and maybe a little pinch, but some dudes will yank on them. My tits aren't built for that! My little titties are built for rubbing and kissing. Someday, I'd like to hook up with another girl so that I can get my hands on some big boobs and see if she likes aggressive tit play. It looks fun, but it's not for me."

Grab the ropes!

"My fantasy is to be tied up and eaten out over and over again. I want to cum so much I lose count of how many orgasms I've had. I want both ankles strapped to bedposts. I've mentioned it to guys before, but none did it for me."

sexy Southern accent
