Your complete guide to this issue's **BONUS VIDEOS**

This issue comes with 9 full-length bonus videos: There are three XXX scenes with jizz-hungry newbs and six solo sluts.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them in your home or on the go! No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go. After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD.

Here are the highlights of this issue's bonus scenes.

Lexi is teeny tiny.

She's a young fuck doll with blond hair, adorable titties and a mouthful of braces. She's diddling her little slit until she cums.

Bella catches a perv red-handed.

He was sniffing her used panties! She teaches him a lesson by sucking and fucking him, even letting him stick his big dick up her ass. That'll teach him!

Paisley is a cute college chick.

She's shy because this is her first time ever getting naked on-camera. Luckily, we paired her up with an experienced porno pro to show her how to fuck while being filmed.

Josie is a 51 year old MILE.

She gives an interview and talks about her daily life. This is her first-ever scene. She gets hammered in the ass by a much-younger man.

Jia is a natural redhead with tiny tits.

She dances around as she does a striptease. Then, she fingers herself and pinches her tiny nips. Finally, she pulls out a dildo for a hard, fast toy show.

Candy has a bangin' body.

This beautiful black girl with natural melons and nice booty wants to show off. She strips in her backyard and then oils herself up until she's glistening and her snatch is properly doused.

Luna is a Latina in a sundress.

She's so cute and bubbly. She giggles as the camera scans her up and down. Then, she drops her spaghetti straps and pulls out her boobs. Then, she loses the dress entirely and spreads wide.

Megan has braces and pierced nips.

She gets horny while doing the laundry and decides that she should probably just get naked and finger herself until she has a massive orgasm.

Ana just learned how to skateboard.

She shows off her newfound skills, looking adorable in a long dress. Then, she moves inside and gets completely naked. She has long legs and a hairless twat that she plays like a fiddle as she masturbates.

Behind Closed Doors

Discovering the shocking kinks & fetishes of girls-next-door.

Featuring:
Harlow

Age: 19
Height: 5'3"
Weight: 100 lbs.

"I like crazy-rough sex," Harlow told us. "I can't cum unless the guy fucks the hell out of me. I can't always get it as hard or as fast as I want it, so I usually end up masturbating after I fuck." Harlow also told us, "Sometimes, if a guy chokes me and spanks my ass until

it's cherry red, then I can cum during penetration. If the guy is really good and has a big one, my little pussy will even squirt."

Milana

Kiev, Ukraine

MagDownload.org

MagDownload.org

Milana told us that she's normally a quiet, shy college girl who doesn't date a lot. "I like hanging with my friends in cafes or bars, enjoying a cup of coffee or a beer. But I'm usually alone at home hitting the books. I've always been a bit shy when it comes to dating. I prefer to spend my time with friends rather than jumping into relationships. I've only been serious about three guys."

"Losing my virginity was definitely a mix of nerves and excitement. I waited until I was in university. I remember feeling a bit awkward but also really connected to the person I was with, even though we had just met. He was gentle. He asked me where he should cum, and I had no idea how to respond. I told him anywhere he wanted, so he pulled out and came all over my thighs. Overall, it turned out to be a memorable night, and it helped me get over some of my awkwardness around boys. They're just as weird as us girls. I mean, who cums on a girl's thighs?"

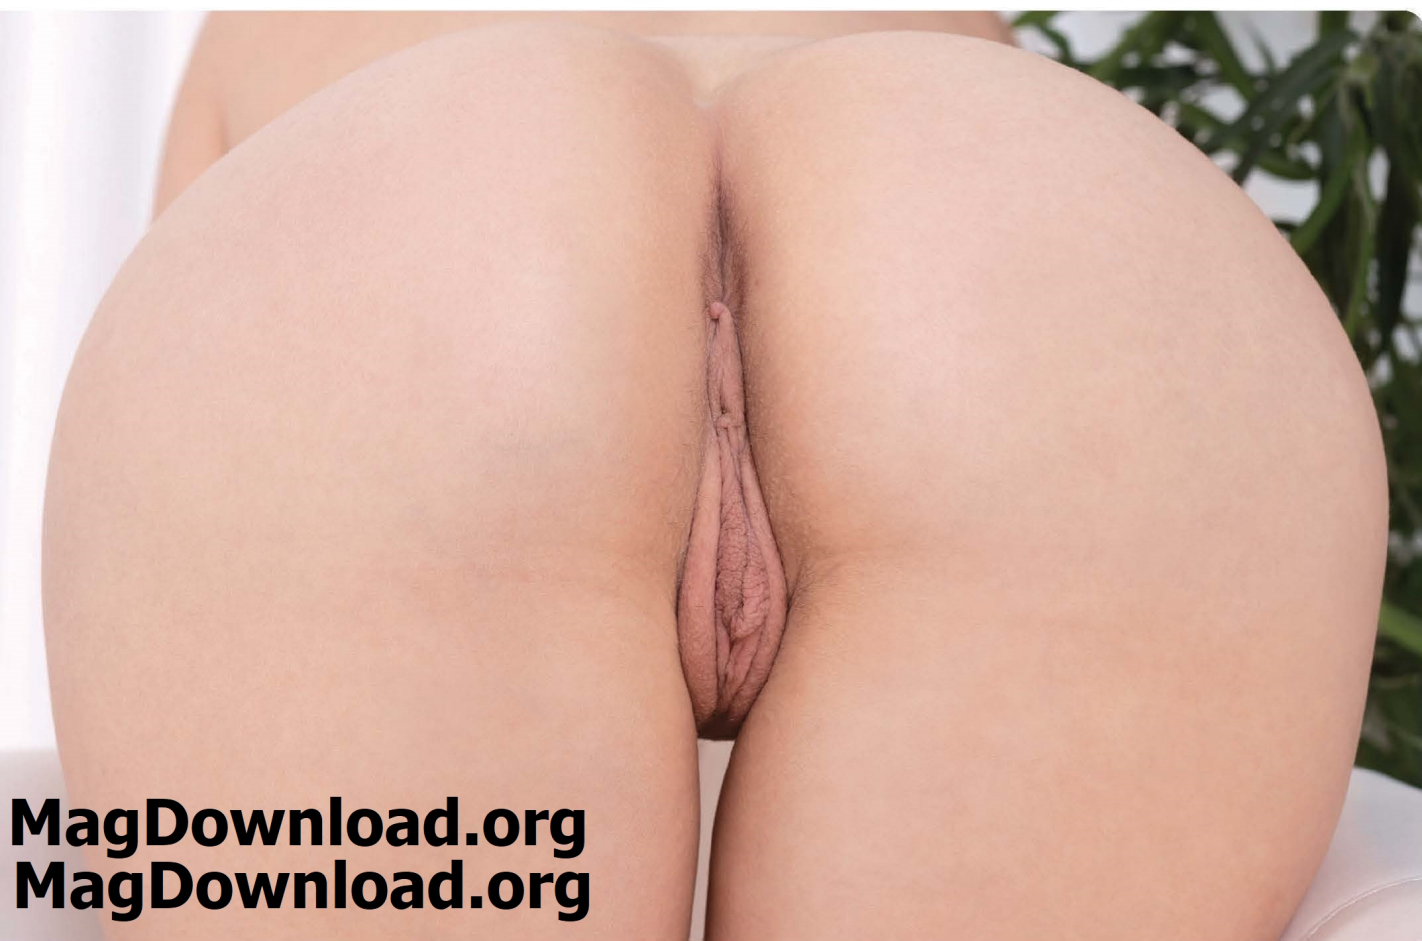

I decided to pose nude because I figured it would be a fun way to celebrate my body and boost my confidence. It's kind of like saying, "Hey, I'm comfortable in my skin!" Plus, it feels empowering and liberating to embrace who I am. I'm graduating soon and I'll be starting graduate school in London, and I kind of want to reinvent myself. I was always the good girl. Now, I want to be the cool girl who all the guys want to fuck. I figure posing for a nude magazine is as good a start as any."

There's a lot more of Milana at
NaughtyMag.com

A full-body photograph of a woman with long dark hair lying in a white bathtub. She is looking towards the camera with a slight smile. Her hands are resting on her chest and abdomen. A quote is overlaid in the top right corner, and a green plant is visible in the background.

Gettin' wet with Milana.

"The best orgasm I've ever had was in a hotel shower. The removable shower head was as powerful as a cannon. It made me cum multiple times until I collapsed in the bottom of the tub. My legs were jelly for, like, 20 minutes after."

Lola

Salt Lake City, Utah

Lovely Lola is a dream for any guys who like young-looking girls, and let's be honest, that's most of us. Her little titties and pokey, puffy nipples are meant to be sucked and tugged. And, she's the perfect size for fun. "Being small means it's easy for guys to pick me up and fuck me against a wall or just while holding me. That's my favorite position, so it works out well for me. I like being manhandled."

"It's funny how some guys assume my height means I'm shy, but once we start chatting, they quickly realize I'm all about having a good time! And, I have a mouth that tends to get me in trouble. I never think before I speak. Once, a guy was banging me and asked if I liked it hard. I was like, 'yeah, when do you start?' After that, he let my little pussy have it!"

"I really want to go to a sex club, but I haven't worked up the nerve yet. I have a dream about being surrounded by naked strangers, the music pulsing in rhythm with my heartbeat. I want to feel that energy, and I want to feel what it's like to have multiple guys inside me at the same time. I want one in my mouth and one in my pussy. If there are other girls there, I want to fuck them, too."

See how wide
Lola gapes at
NaughtyMag.com

But, it looks so inviting!

"Anal is also on my checklist, but every guy I've tried it with has been too rough. For now, I have a no-dicks-in-ass rule. Fingering and licking are cool, especially if you're paying attention to my pussy at the same time."

BIG ASS APPRECIATION

Lately, it seems like big, round asses are being celebrated by culture at large. Perhaps it's the popularity of the Kardashians or the increasing influence of hip-hop culture on the mainstream. Boobs have long been

Big butts are back in fashion.

Nice, juicy cheeks.

the most-celebrated attribute of a woman's body. In fact, neuroscientists Ogi Ogas and Sai Gaddam, both graduates of Boston University, found that tits, big or small, are the most popular search term on porn

websites. And that holds true for every country they studied, including the U.S., Germany, Russia, India, Japan, and Saudi Arabia. However, searches for asses are on the rise. Interestingly, in the U.S., another study found that different ethnic groups enjoy different-sized butts. Speaking generally, Asians prefer modest sized butts or even small; Caucasians prefer full but not too-big butts; Hispanics like very full buns; and African Americans prefer booties as big and full as possible.

Take 'em & poke 'em.

In a first-of-its-kind study, researchers at the Stanford University School of Medicine have looked into the relationship between marijuana and frequency of sexual intercourse.

Although scientists initially believed that frequent pot use would kill libido and damage sexual performance, it looks as if the opposite is true. The study analyzed more than 50,000 Americans between the ages of 25 and 45.

Michael Eisenberg, MD, urologist, said that the shocking findings

indicate that frequent marijuana consumption leads to increased coital frequency. Another interesting finding is that this correlation applies to all races, sexes, income groups, religions, education level, health status and even marriage/dating status. So, if you're the kind of person who enjoys a toke, rest easy knowing that you're more likely to enjoy a poke.

SCREW for a healthy heart.

Researchers from Qingdao University in China conducted an analysis of multiple studies involving 17,243 adults in the United States to explore the relationship between sexual activity, heart health, and longevity.

Over a period of nearly nine years, the findings revealed that men who engaged in sexual activity fewer than 12 times a year faced an increased risk of heart disease and premature death. In contrast, men who had sex approximately 103 times a year, or about twice a week, showed a significantly lower risk. The researchers also pointed out that having sex 52 times a year can still yield health benefits.

Shaved or BUSH

Do you remember the excitement of pulling down your first pair of panties? Take yourself back in time and try to remember the thrill, the scent and the visuals of that underwear sliding down and your first glimpse of probably your most-memorable pussy ever. Now, depending on your age and location, there may have

been a big bush down there, enticing you to touch and stroke it, comb through it with your fingers. There's been much ado about the full bush making its comeback, returning after its heyday in the 70s. But as you can see on the pages of this very magazine, shaved still seems to be

Lilibet

Denver, Colorado

Meet Lilibet, a brand-new and curvy teen. We love her nice, round ass and her sweet, hairless pussy, but Lilibet likes another part of her body the best. "My boobs are definitely my best asset," she told us. "I have big boobs. They're annoying sometimes, like when I have to run, but they look really nice. Guys love them, too. I enjoy a nice, hard squeeze on them when I'm fucking. I also love watching when a guy pulls out of my pussy and jacks off onto my chest. It's so hot."

"I really want to get some nipple clamps. I have naturally pale nipples, but when I'm aroused and they're hard, they have a great rosy pink color to them. I've seen some clamps that have cute chains attached, and they run down to pretty panties. I'd like if I could incorporate them with some of the lingerie I already own. I have a whole closet of sexy, slinky underwear. It's an addiction. I love the way I look in that stuff."

She loves being watched.

"I've always loved being the center of attention, especially with sex. The day I turned 18, I filmed myself making a masturbation video and posted it online. I wanted to see how many guys would jack off to a girl like me."

Lilibet does naked yoga poses at
NaughtyMag.com

"My first boyfriend was really into my feet, and it was such a treat for me. I love high heels, but they hurt! He would give me loving massages, kiss my toes, bathe them in warm water and make me feel amazing. I would love to find another guy who could do that for me. I used to give that boyfriend footjobs as rewards after he pampered my soles."

Dez

Fort Lauderdale, Florida

You've gotta love a girl with a Southern accent. Dez has one, even though she now resides in Florida. She was narrating her actions as she lifted off her tank top and played with her tiny tits. She even licked her hands and then rubbed her spit on her pencil-eraser nips. "I've watched a lot of porn," she told us. "And I've seen how guys respond to a dirty-talking girl. I do it every time I'm with a guy now."

Because we were filming Dez as she masturbated, we asked her how she does it at home. "I have a glass dildo that I like inside me, pressed up against my G-spot and slowly nudged up and down. I can do that by bucking my hips. Then, I like to use a really powerful massager on my clit. Right when I feel my toes start to tingle and an orgasm building in my pussy, I'll either press on the outside of my ass or rub my nipples a little bit."

"I've hooked up with other girls in the past and had a pretty good time. It's not always my cup of tea. I need to be in the right mood for me to want to eat out a pussy. I'm pretty much good to suck a cock any time, any place, though. Don't get me wrong, I'm not an easy lay, but if I'm dating a guy and he asks me to suck him off, I'll do it happily. I'm good at it, too. And, I like to swallow. Cum is yummy. But I get the appeal if a guy wants to jizz on my face or my tits or somewhere else. If I had a dick, I would want to spray my load on a hot chick's body."

Remido

Tashkent, Uzbekistan

Wowza, what a rack! Remido might be one of the bustiest girl we've ever had in our magazine. She's definitely the first one from Uzbekistan. How did we find her? She found us! She has friends who have modeled for our parent magazine *SCORE* and they recommended she reach out to us. We're sure glad she did.

Remido may eventually pose for *SCORE*, but we demanded the opportunity to show you guys first. After all, how often does a young, mega-stacked newcomer from nowhere allow you to film her getting fucked up the ass? We had to get her. As for Remido's motivation, it's simple. "I like when people look at my boobs," she told us. "And I'm a very horny, erotic girl. I love sex."

We asked Remido if she has any fantasies she'd like to try someday. "I dream of gangbang," she told us. "I cum best when dominating, so I'd like to be in charge of all of the men. I will tell them how and when to fuck me." Remido certainly knows what she likes. In addition to fucking, Remido enjoys writing, and she's working on a novel at the moment. She's also into doing yoga and watching men's rugby.

Mallory

Fresno, California

We introduced you to Mallory, this sensual, barely-legal teen with big tits and a big ass, in our last issue. In that issue, we ran through the usual interview process and learned a little bit about this precocious newcomer, including that she has a boyfriend she plans on marrying. "He's the only one I ran the decision to make porn by," she told us. "He's surprisingly cool with it."

Mallory continued, "My guy understands that I'm doing this because I've always loved the idea of doing porn. Ever since I first saw a porno video, I knew that I wanted to be one of those girls. When I lost my virginity, I was disappointed to learn that not every guy has a huge, whopping penis or can fuck for 30 minutes straight. It was eye-opening. I'm so lucky he's supporting me on this adventure. I can finally live out my dream."

We asked Mallory what her favorite position is. "I love riding," she told us. "It's funny, though, because a lot of times, especially with older guys, I tend to be submissive. I like it when guys tell me what to do or how to move in bed. For instance, if a guy pulls out and orders me to suck him off, that's so hot. But, when I'm riding on top of a cock, it hits all the right spots inside me."

NaughtyMag.com

She's thoughtful.

"I enjoy swallowing. I haven't always, but I came around to the idea after my boyfriend told me that it made blowjobs feel better for him. The whole point of a blowjob is to make a guy feel good, so why wouldn't I want to do my best?"

SEX TIPS FROM A PORN STUD

The average man can last just over five minutes in the bedroom. Our porn studs frequently shoot sex scenes that can take an hour or longer. So, are they superhuman lovers with big cocks and endless endur-

ance? Sort of. Being a professional cocksman is an incredibly tough job. Not only do you have to last a long time, you also have to know how to wield your big schlong so you don't hurt your partner. Many of the amateur women we shoot have never had a real big one before, so our studs have to be careful. We asked several of our guys for tips that our readers can implement in their own sex lives. Here they are.

1) It's not about the end game. If you're focused too much on when you're going to cum, it's going to rush you. Women love extra attention, so if you explore more than just jackhammer thrusting, your partner is going to have a better time and you'll end up lasting longer as a by-product.

2) If you're really concerned about busting too early, begin treating every masturbation session as training. Get into a good rhythm and learn how to walk yourself back from the edge of an orgasm. Change your

ASIA

Kitty

TAIWAN

Our first stop on this international pussy tour is Taiwan to see Kitty. She likes American guys. "A friend and I go to some clubs every weekend where there are lots of Chinese girls and a mix of Chinese and American guys," she said. "The Chinese guys all seem to be looking for a wife but the Americans just want a good time. That's what I'm looking for, too. I just want casual sex."

ASIA
Alina

CHINA

Alina was born in Shanghai. "Guys who get to see my whole tattoo love it. When I'm having sex, the pistol's usually pointing at the guy's dick, so I warn him that it's gonna blow his dick off if he's not fucking me good. That usually makes 'em give it to me good."

INTERNATIONAL PUSSY

EUROPE

Valery

FRANCE

Valery is a 20-year-old cutie from Avignon, France. Her boyfriend's family owns a summer home, and that's where she shot these pictures, her very first nude photos. "We spent an entire week fucking on every possible surface," Valery explained. "I want him to think about me sucking him off in the living room that his family uses for holidays for the rest of his life."

We've had quite a few British birds in our magazine, but perhaps none cuter than little Michelle. Her boyfriend convinced her to send in photos for you to enjoy. "It started on a lark," Michelle told us. "We were fooling around and taking pictures one day, and afterward my bloke was like, 'you could be a model if you wanted.'" How right her man was!

EUROPE
Michelle

SPAIN

Lola, 22, is from Cádiz, Spain. She's a traveler and doesn't like being pinned down in one location for too long. "I describe myself as a hippie who was born too late. I listen to old rock, ride my bicycle anywhere I need to go and I absolutely refuse to shave my pussy. I think it's healthier and much more natural to have hair down there."

EUROPE

INTERNATIONAL PUSSY

AUSTRALIA

Avalon

We don't showcase many Australian girls, but when we do, they're exceptional. Avalon is a red-haired girl-next-door with a bubbly, friendly personality. "I tend to stand out in a crowd with my bright-red hair and big boobs, and guys definitely stare, but I appreciate the opportunities and rewards they present," said Avalon.

NEW ZEALAND

Kasey

Kasey is from Auckland, New Zealand. Here's how she describes herself. "I'm always randy, and diddling myself isn't enough. I am an exhibitionist, but I'm not a slut. I won't go pick up some bloke just to get laid. I need lots of fingering and oral to get me hot, then I like to ride a bloke's dick because that's my favorite position."

**SOUTH
AMERICA**

Gia

PERU

Gia is from Lima, and this tan-lined beauty is all about having a good time. When we shot her photos, our interviewer informed her that she would look more comfortable naked. "That's always the case with me," she replied as she whipped off her shirt. She's the one who suggested she skinny dip to cool off after masturbating.

**SOUTH
AMERICA**

Zafiro

COLOMBIA

Whoa! Look at the ass on this Colombian cutie. We sent a photographer down to South America to shoot the local talent. We can safely say that he knocked it out of the park. Zafiro, the 23-year-old from Medellin, says that she was looking for an adventure when our photog asked her if she ever considered modeling.

INTERNATIONAL PUSSY

NIGERIA

Jazzy is from Kano. We asked if every Nigerian girl has such a nice ass. She said hers is special. "I take care of it and the rest of my body. I try to keep my pussy as fresh and pink as possible, and I try to keep my booty as soft and firm and fuckable as possible. I rub cream over it every day so guys are gonna wanna touch it."

SOUTH AFRICA

"Do you get South African girls sending in photos?" asked Alsa, an airline worker from Johannesburg. "I've never seen one. My boyfriend's in the military and we don't see each other often. I sometimes send him dirty photos like these to keep him entertained. I decided to pose and send in photos to surprise him."

Michelle is from Vancouver. We asked her if all the girls from the great white north are as hot as she is. "For the most part! For such a cold place, we've got a lot of hot girls in Canada! Plus, we all grow up skiing, snowboarding, playing hockey and hiking, so we're all in pretty good shape. Believe it or not, I'm not the hottest of my friend group."

Aleksa *Baltimore, Maryland*

Even though she has a thick ass, bigger melons than a farmstand, lips made to suck cock and a pussy that'd make a wet noodle hard, Aleksa is still just a down-to-Earth college student who is a little shy. "I'm not, like, a slut who craves attention. Sure, I'll go out without a bra on sometimes, but that's more of a comfort thing. I'm not really an attention-seeking person."

Yummy

Kiev, Ukraine

Yummy just started college, and it has been an adjustment for her. "Walking onto campus for the first time was a wild mix of excitement and nerves," she told us. "Everywhere I looked, there were groups of people just soaking in the vibe. I felt completely at home and like an outsider. I'm from a small town, and the big city is totally different. I found some good friends quickly, though, and I started dating a few nice guys. I'm loving my life right now."

"I lost my virginity back home, but that was all I had ever done. It was a one-time thing. So, I had some time to make up for when I got to the city. I went to a mixer for incoming students and met a cute guy who invited me to an after-party. I found out later that he was a senior and he was cruising for younger girls. He took me to his bedroom and instantly kissed me. He was the first person to eat me out. I tried giving a blowjob for the first time. Overall, it was a fun experience."

At least he's handy.

"I just hooked up with a guy who had a small dick, which was fine, but he spent a long time pleasing me with his fingers. He was insanely good at it. He made me cum three times before he finally fucked me. It was a fun night."

stroking style and pressure to give yourself some extra time. Eventually, you'll recognize the signs of an impending orgasm and you'll be able to avoid nutting too early.

3) Lube is your friend. On set, there's always a bottle or two within reach. Honestly, a well-lubed pussy is 10 times easier to fuck hard without cumming too soon. Most women know how important it is to keep lubricated down there, but for some

reason men get weird about using lube. Like, it's a knock against their manhood or that they can't get their girl wet. That's dumb. Use every tool you have to make sure you're both having good sex.

4) A lot of guys I know in the industry are on SSRI medications that can make you last longer. There are some serious medical side effects of taking medicines like that, but it does seem to work. There are also lidocaine gels and stuff that will desensitize your cock. That's tricky, though, be-

5) Women know that when a guy is about to nut, his balls get really tight and pull up into his body a little bit. I've noticed that giving them a tug to lower them can buy me a few more minutes. I've mentioned it to some of my friends and they swear by it, too.

6) Here's a dirty, little secret about the porn industry. A lot of us studs cum quickly in our personal lives. My wife isn't a porn star and she doesn't enjoy the hard, fast, rough fucking I do for work. She likes it slow and passionate, and if I last too long, she'll get sore. Talk to your woman. She might not want the sex you're imagining her fawning over.

7) The same exercises that women do to keep their vaginas tight can be done by men, too. They're called ke-gels. The most common exercise for guys is to cut off your pee stream mid leak. It's just like any other muscle. The more you work out, the stronger you'll become.

8) When I used to drink and party every day, my endurance was way shittier. In fact, after changing my diet and focusing on balanced meals and less emphasis on meats and fried foods, I found myself being in way more control during sex. I also focus on drinking a ton of water every day. I've been told that my cum started tasting better, too.

9) You know how you love it when your chick is riding you and then she gets off and starts sucking your cock? Chances are, she'd appreciate the same thing. If you're going to cum, pull out and then eat her pussy. You just need to buy yourself a few minutes to allow your body to rebuild energy.

10) Cardio and core exercises will help you more than any other exercise. Go for runs. Do crunches. Do lunges. There's a reason almost all porn studs have good bodies. We have to, otherwise we'd be exhausted after fucking on-camera for hours on end. Hit the gym and get plenty of sleep.

Emma

Cúcuta, Colombia

Emma likes porn. She told us that she found her older cousin's magazines and stole a couple of issues. "I keep them under my bed at home," she informed us. "I like to look at the pictures, sear them into my brain, and then close my eyes and imagine what comes next. I knew that when I became older, I would like to be one of those girls who fucks in front of a camera. The idea of taking a big cock in my hands, mouth and pussy while a stranger shoots pictures of me is so erotic and enticing."

"I lost my virginity when my friend invited me on a canoe trip but didn't tell me that her older brother was joining us. I was super excited and a bit nervous because I had a big crush on him. The sun was shining, and the river was nice and warm. At first, I was worried I'd tip over or paddle in circles, but once we started, it was such a blast. That night, in my tent, I had sex with my friend's brother. It was so naughty because we had to be quiet to not wake up my friend. After that trip, we hooked up a few more times."

When Emma contacted us, we tried to convince her to shoot a solo set to dip her toe into the porno water. She wanted nothing to do with that idea. "If I'm going to be naked and have my photos printed in a magazine, I want to fuck a big cock. I want a porno guy who can give me the fuck of my life."

A woman with dark hair and a pearl necklace is lying on her back on a white sheet with a red and green leaf pattern. Her arms are raised above her head, and she has a joyful expression with her mouth open as if moaning or speaking. Her chest is bare, and there is some white cream or lotion on her skin. A small tattoo is visible on her upper left arm.

It's a classic for a reason.

"My favorite position is missionary. I know some people think it's boring, but when I spread my legs, lean my hips back, and the guy thrusts deep inside my pussy, it feels incredible. I like the way balls slap my ass during it, too."
