A Brand New Pictorial Of Traci Topps In "The Best Of SCORE!"

Dear SCORE:

I am a big fan of Traci Topps. Lovely, isn't she? I noticed all back issues of SCORE that she has appeared in are sold out, as I wanted to order them for some would-be fans, who by the way are ruining my copies. When can this loyal fan see more layouts of Traci from SCORE? Thank you for your attention.—J.H., e-mail address withheld

Dear J.H.: Traci Topps is one of SCORE's most popular models ever, and her back issues sell out quickly. You can see Traci's latest pictorial in *The Best Of SCORE*, Vol. 4, No. 1. Featuring a year of SCORE's best pictorials, this all-pictorial collector's issue was available for newsstand sales only, but you can get your copy through our back issue department. Turn to page 86 for ordering information.

The Raunchier, The Better!

Dear SCORE:

Yea, yea and thrice yea! Let there be more rampaging, stiff wangers thrusting their way across the glossy pages of SCORE in every issue! Here in England, men's magazines are very tame with not so much as a glimpse of tool to be found, let alone the incredible mams of your fabulous SCORE-girls.

My wife and I get real pleasure out of the magazine, although we have only recently found out about it. Big boobs are the stuff stiffies are made of, and of course they are much bigger on your side of the pond. We particularly like the well stacked chest of Pandora Peaks, and it's just great that you put in those essential vital statistics. It would be a travesty to remove the appearance of primed purple todgers; they give the photos a sense of scale and realism, as we gaze in wonder during long winter evenings we get over here. How about bringing the SCORE-girls to the U.K.? You could have a variation on the Boob Cruise theme

and call it Union Jack-off.

I hope you will register my vote for more nobbs. In the meantime we remain loyal fans of SCORE from many miles away.—J.S., Staffs, England

Why Ruin A Good Thing With A Lot Of Cocks?

Dear SCORE:

Just like to say SCORE is the best mag around. I've been a fan since your mag came out and I haven't put it down since. But there is

Traci Topps has a new look and her latest pictorial in *The Best Of SCORE*, Vol. 4 No. 1. Available on newsstands only, if you missed this all-pictorial issue featuring a year of SCORE's best pictorials, turn to page 86 to get your back issue.

one big thing that

I just don't like. I love your magazine because of the pictorials of two gorgeous, busty women going at it, but what I don't like is putting dudes in your pictorials. I mean I don't mind the Video Pick of the Month section, but other than that it bugs me to see other guys in a magazine devoted to busty women. I think SCORE could do without that. You people have the most beautiful women in the world posing for SCORE. Why ruin it by putting some fool in there with them? Well, I hope you take what I say into consideration and I hope there are others who feel the same way.—C.N., Selma, California

Who's That Girl On Page 83?

Dear SCORE:

I am a relatively new subscriber to SCORE. I stumbled upon your web site while surfing the Internet one night and I just had to subscribe. Before that I didn't even know that SCORE existed. Previously the big bust magazines I've checked have been just that, a big bust. They're usually a collection of fat women with big, droopy tits. In this age of silicone we don't need to see that kind of thing. Don't get me wrong, there is nothing wrong with big natural breasts as long as they don't come with a fat ass.

I have been very pleased with your magazine so far and I look for-

In or out of her panties, May '96's "Page 83 Girl" Natalia has been a reader favorite since her debut in the June '94 SCORE. She also had a girl-girl pictorial in the Sept. '94 SCORE with Lilli Xene, and her latest solo pictures appeared in the Aug. '96 SCORE.

ward to each new issue. June '96 was especially nice with Danni Ashe and SaRenna Lee together.

I have one question which I hope you will answer. In the May '96 issue there was a feature entitled

"Panty Raid" that showed several different women with their panties on, what else? This was exquisite. Page 83 of the layout featured an especially gorgeous woman in blue lace panties and black stockings but there was no name given. Could you please tell me who this woman is so that I can be on the lookout and try to get more photos of this goddess.

And by the way, keep the layouts with lingerie coming. For me, there is nothing sexier than seeing huge breasts peeking out of a gorgeous bra held up by long, lean legs in stockings and garters.—Jim, e-mail address withheld

Dear Jim: Her name is Natalia, and you can see more of her in our last issue, the Aug. '96 SCORE. If you missed it, turn to page 86-87 and order it from our back issue department.

Kellei Is A Sexy Model... However, She's Not Minka!

Dear SCORE:

I just finished perusing the June '96 issue of your magazine and have an answer to the cover question concerning Kellei versus Minka. There is really no comparison! While Kellei is a cute woman she is in no way bigger than Minka who is a statuesque beauty and is the epitome of Asian loveliness. Because of Minka's slim figure her gigantic breasts appear

even larger while Kellei's paunch detracts from her figure and she really should be in *Voluptuous* instead. No one is in Minka's class and to put anyone in competition with her only serves to bring out how gorgeous Minka truly is!

Minka is the Asian goddess, and no one even comes close!—M.R., Woodbridge, New Jersey

"Don't The Famous Strippers Do Fuck And Suck Videos?"

Dear SCORE:

I really enjoyed the June '96 SCORE, especially SaRenna Lee, Nikki Knockers, and Becky Sunshine. I also enjoyed reading about the CES in Las Vegas. I can see why Busty Dusty, Traci Topps and SaRenna Lee were big hits. I have been buying SCORE for about a year now, and I have noticed that famous strippers never appear in fuck and suck videos. Don't the famous big-bust strippers do fuck and suck videos? Will this be changing in the future?—D.J., Deepwater, New Jersey

Dear D.J.: The answer is...Some do, and some don't? That's a purely personal choice for the respective dancer, but if any of your favorites ever do consider hardcore, we'll let you know all of the XXX details.

More On Alyssa Alps

Dear SCORE:

I bought a copy of SCORE for the first time this week. All I can say is wow! The Alyssa Alps layout is

stunning. Where can I find more of her? Does she have an e-mail address?—P.L., Oakville, Ontario

Dear P.L.: Alyssa doesn't have an e-mail address, but you can write her fan club at 666 Odana Road, Suite 217, Madison, Wisconsin 53719. Also, look for more of Alyssa in SCORE. She has a busy dance schedule, but when Alyssa gets a break, we're going to get her naked in front of the camera for her SCORE encore.

Party With SaRenna Lee On SCORE's Fantasy Vacation '97!

Dear SCORE:

I know this comment is a little late, but I must confess that I hadn't really known SaRenna Lee before seeing her in your Boob Cruise issue.

Now that

SaRenna Lee has been billed as "The Marilyn Monroe of the '90s" and she proved it in her Dec. '93 SCORE debut (above, left). Look for more of SaRenna, sexier than ever, in an upcoming issue of SCORE, and don't forget—you can sail with SaRenna and 19 more busty babes on SCORE's Fantasy Vacation '97. Turn to page 17 for all the details!

By no means were we trying to pit Kellei and Minka against each other in the June '96 SCORE. Isn't it enough to appreciate these two women for what they are—two of the most spectacularly endowed Asian women in the world?

capturing the moment, my weak knees and pounding heart made me want to meet her right then and there! If only I could!

I hope to see more of her in future issues, in various clothing: t-shirts, track suit (yes, I think she's one of the few who can make a track suit sexy!), bra shots, cigar-smoking, and in the buff.

A nod of appreciation to SaRenna Lee, and a tip of the hat to SCORE. Keep up the good work!—J.C., Toronto, Ontario, Canada

Dear J.C.: Meeting SaRenna Lee is easy! You can hang out at a club and spend a few moments with her. Yes, for many of our readers that's a treasured moment. Or, you can experience the ultimate and sail with SaRenna and 19 other busty superstars for seven exciting days and erotic nights! It's SCORE's Fantasy Vacation '97, and SaRenna Lee will be there! We set sail March 29, 1997, so turn to page 17 to order your free promotional video and reserve your cabin now! The boat is over half full, so don't delay or you'll miss out!

I can find out that is it. Are there any more pictures of her around somewhere? She has the kind of down to earth looks and sex appeal that I really like. Don't get me wrong, there's nothing wrong with Busty Dusty and the others, but Amber Rose has that certain something in a woman that really appeals to me. I hope you have other pictures of her. Thanks for all of your help.—Don, e-mail address withheld

Dear Don: Amber Rose had her first-ever nude pictorial in the Aug. '94 issue of SCORE, complete with her school-girl outfit and very own teddy bear. That back issue is still available, and you can order it on page 87.

SCORE Is Now On Military Bases Around The World

Dear SCORE:

My name is PFC A.B. I am currently doing a tour in Bosnia, with the U.S. Army. I am a big fan and have been a newsstand buyer of SCORE since your March '95 issue. I have been debating getting a subscription for the fear of an Army postal worker taking an issue. Over here in Odzack there are no newsstands. So I am pretty much shit out of luck. But I was wondering if you had some back issues laying around (like Sept. '93 and Feb. '94). Perhaps you could be kind enough to send them. I am deeply in your debt. Thank you and keep up the good work.—A.B., U.S. Army

Dear A.B.: You can go ahead and subscribe without fear of any Army personnel confiscating your copy of SCORE. Currently, we have thousands of subscribers in the military, and not one has reported a single incident where Postal Inspectors have seized an issue. We've also pulled some strings and gone through the arduous bureaucratic procedures to have SCORE available on military bases around the world.

THE CHAMPION

A red-hot German import, featuring
Letha Weapons in one of her last
XXX-rated performances!

European porn companies are infamous for taking American XXX stars who thought they had done everything, then making them get raunchier than they ever dreamed. *The Champion* is proof positive, as Letha Weapons headlines an all-star cast of big-bust porn stars getting it on everywhere from a tent to a Jeep to the side of the road. Loosely filmed as a Vietnam War fuckudrama, this video is memorable because it's one of Letha Weapons' last video appearances. Letha has retired for good, but *The Champion* lives on. BOOB-BEAT

Column By ELLIOT JAMES

Here's a few more Naughty Audie facts: She began stripping three years ago when she was 39 years old. Favorite food: Japanese. Favorite vacation spots: Hawaii and Texas. Watches: *Nick at Night*. Favorite book: Stephen King's *The Dead Zone*. Her birthday falls on November 12. Give Audie "Obsession" or "Red" perfume if you want to give her the perfect birthday gift.

Audie has a self-sufficient, independent personality and her eyes reflect a real curiosity about the world and the people around her. She says a good date is dinner, maybe a movie, and then off to the bedroom for sex. Boy, if they could all be like Audie...

East coasters can enjoy Audie at New York Dolls, a topless club for guys who like really big tits. West coasters can get off over her lovely nude body at Bob's Classy Lady in Van Nuys, California.

Question: The number one reason you became a dancer was...

Audie: To pay my way through school (as a business major).

Q: What did you do before you became an exotic dancer?

A: I sold Jacuzzi spas. Before that I worked in a bank.

Q: Has working as a stripper made you hornier in your personal sex life?

A: Most definitely, yes. After a great night at work, I'm very sexually stimulated.

Q: How do you like your sex the best?

A: Front to front, with me on the bottom.

Q: Do you like a lot of breastplay during sex?

A: Yes, the more attention my breasts get the better. My breasts are very sen-

sitive! Give them a lot of attention.

Q: What do you fantasize about?

A: Doing porno videos with large breasted women.

Q: Good answer, Tell *SCORE* readers what kind of men you like.

A: I like men that have just been dumped. These men are usually angry and the sex from them is the same—angry, aggressive and with a lot of passion. They are also more appreciative to be with another woman.

The one-time fee to be a Naughty Audie fan club member is \$30 and the address is 3304 Yorba Linda Boulevard, Suite 257, Dept. Q, Fullerton, California 92631.

"T

here's gold in them thar hills!" cried old-time prospectors. Today it's the war whoop for an army of exotic dancers and models with the biggest hooters in history.

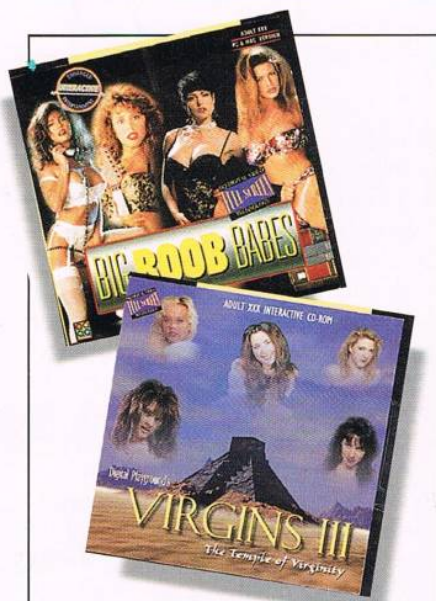

I first saw **Naughty Audie** on television when she was a Budweiser Miss Ringsider contestant on Prime Cable's bimonthly *Fight Night at the Forum*. All of the Miss Ringsider entrants are exceptionally hot looking girls but no one's knockers have ever come so close to bursting out of her Bud one-piece swimsuit the way Audie's did.

Little did I know that I'd meet Audie and her twin treasures at the *SCORE* booth during the Consumer Electronics Show in Las Vegas.

The tale of the tape tells us that Audie stands 5'5", weighs 122 sexy pounds, has blond hair, blue eyes and a beautiful pussy. She measures a knock-out 40DD-24-34 which threatens to seriously strain her size 7 dresses. She runs and does gymnastics to keep her stacked torso in stripping shape, and describes herself as a computer buff. Anaheim, California is her hometown.

Boob Beat columnist Elliot James loves talking to busty, beautiful girls, and his babe of the month for July '96 is **Naughty Audie**, an exotic dancer who you'll be seeing in an upcoming issue of *SCORE*!

XXX CD ROMS!

Two of the newest hardcore CD-ROMs are *Virgins III* and *Big Boob Babes*, and they're loaded with exceptional sound and picture quality for the computer user who can't get enough XXX hardcore insertion and blowjob scenes. Write Digital Playground, 21630 Marilla St., Chatsworth, CA 91311 (*Virgins*) and ZIG Productions, 21115 Devonshire St., #304, Chatsworth, CA 91311 (*Babes*) for ordering information.

Guess Who?

Pop Quiz...What's one of our favorite features, from the models' perspective? You're looking at it! "I think it's adorable!" commented Danni Ashe. "It was the coolest thing! I loved seeing my picture!" said SaRenna Lee. Well, the SCORE photo album adds another cute pixie this month, with two photos of one now very famous lady—at home in her front yard (top right) and in her grade school picture. She's a porn star, dancer, and even sailed with us on SCORE's Fantasy Vacation '95.

That means you can count out SaRenna Lee, Danni Ashe, Europe DiChan, Traci Topps and Busty Dusty because we've already shown their school-girl pictures in previous issues of SCORE. You can also count out Tawny Peaks, because she was that "Sweathog" from the July '96 issue. Don't miss next month's SCORE for another of your favorite models, like you've never seen her before!

How to spot a natural-born cock-sucker!

Article By ROB ARTHUR, M.Ed.

Come on, admit it. There's nothing you like better than having a cute chick throw a lip lock on your love muscle. You're an oral sex freak. Some guys look at a girl's legs, tits or ass, but you look at her mouth first. Is it wide and generous? Does she have full, soft lips? Does she have a large, energetic tongue? When you cum in a girl's mouth, I'll bet you hold your fingers lightly against her throat so you can feel her swallowing, don't you?

Of course, it's fun to cum in any girl's mouth, but we all know that one girl can be a terrific fellatrix, while the next couldn't suck a lollipop, let alone your hard, throbbing meat. So, how do you tell, without wasting time on chicks, who couldn't lick their lips? Not to worry. Here's a quiz you can copy and use with prospective recipients of your special sauce.

Of course, once the future cock-sucker completes the quiz, she's going to want to know the results. If she's just not up for going down, smile sadly and tell her that, while the quiz showed she's a wonderful, well-adjusted human being, it also indicated that the two of you aren't compatible. Then fix her up with that buddy who has owed you 50 bucks for the past year and let him deal with her.

On the other hand, if the FAP quiz shows she is one of those wonderful women who get hungry for cock every day, send her name and address to me, c/o SCORE! Okay, I'm kidding. No, you hold on to her like she's the last woman on earth! Do absolutely anything she asks! Try to give her the world, because she's probably going to give it right back to you! Especially, if she scores very high on this test...

THE FEMALE ADAPTABLE PERSONALITY QUIZ

The Female Adaptable Personality quiz (FAP) is normalized for adult, female subjects. Please complete all eight primary questions and all related follow-up questions by circling or filling in the most nearly correct answer. There are no "right" answers. This quiz is not intended to identify pathology or personality problems. No one "fails" it. Relax and have some fun!

As you read over the FAP quiz, you'll note there are several questions that have absolutely nothing to do with her oral proclivities. Relax, they're in there to keep her from catching on and thinking you're the pervert you really are. What we're trying to do here is identify those wonderful women with oral personalities. Below are the questions you should score, and the reasons for the question. The basic premise is that women who love to put things in their mouths give better head. A simple but elegant truth!

1-B. YES=5. Early oral tendencies are a

very promising sign.

3. YES=10. See 3-A.

3-A. Score equals the year, up to 20. Thumb-sucking is a great indicator for an all-grown-up cocksucker. Afterall, the thumb is a warm, stiff and fleshy appendage. A psychiatrist friend once told me he was treating a beautiful and busty 23-year-old woman who still sucked her thumb and whose only sexual outlet was going to bars and picking up guys to go down on. 5. YES=10. If they like to put things in their mouths, your thing could be next.

6. YES=10. Plump women may not be your ideal for looks, but they do tend to like oral delights.

7. Her answers on C, F and H equal the scores for this question, maximum 30 points. I once watched a pretty brunette eat an ice cream cone for 20 minutes. She had a generous mouth and an active tongue. You wouldn't think a little thing like that could ruin a pair of boxer shorts, would you?

8. No circle on "slimy things"=5. No circle on "body fluids"=5. Women who are turned off by these things seldom will gobble the goop.

BONUS: If she has an extra large mouth, add 5 points. If it is one of those cute, small "bee-sting" jobs, deduct 5 points. All other questions, no points. However, if she answers "yes" on 2A, you might find out if she's stopped before you invite her to spend the night! Maximum possible points attainable=100.

THE FUNNY BONE(R)

Returns from our July '96 *SCORE* Reader Survey indicate that a large majority of our readers are into jokes. Dirty ones, not-so-dirty ones...as long as the jokes were funny, our readers told us they'd like to see them in *SCORE*.

Here's one from D.I. in Vero Beach, Florida. It's a famous Cindy Crawford joke, so you might have already heard it. If you haven't, it goes like this...

Cindy Crawford and a guy-let's call him *SCORE*-man-are on a deserted island. The months go by, and pretty soon he's banging the daylights out of Cindy. Up, down, he gets Cindy all the way around.

One day, she comes up to him, and says, "*SCORE*-man, I want you to know how happy I am. Is there anything else I can do for you?"

SCORE-man looks at her tight butt and thinks to himself, "Nah! Been there, done that!" Then he smiles, and says, "You know, there

is one thing you can do for me."

"Anything!" the super-model coos, licking her lips in anticipation.

"I want you to put on my pants."

Cindy puts them on.

"Now, put on my shirt and button it all the way to the top."

Cindy's a kinky girl, so she does exactly as *SCORE*-man says.

"Now, Cindy, put your hair up, and put on my baseball cap. Then, hunch your shoulders and walk around like a guy, okay!"

Cindy thinks it's kind of weird, but she loves *SCORE*-man, so she does exactly as he says.

When her metamorphosis is complete, *SCORE*-man walks up to Cindy and screams, "Dude! I'm fuckin' Cindy Crawford!"

Ha! The funny part is, we're giving D.I. \$25 for that joke! And we'll pay you \$25 for yours. Send your jokes to: *SCORE*'s Funny Bone, 13727 S.W. 152 Street, Suite 275, Miami, Florida 33177-1106.

And Now, To The SCORECards...

90-100: Be careful. This woman will suck your brains out through your cock. You have been warned.

80-90: Propose marriage as soon as you can and get her the biggest fuckin' diamond you can find!

70-80: A real sweet cocksucker.

60-70: Definitely worth getting your dick in her mouth, even if it may take some effort to achieve! May even swallow a manly-sized load if she's in a good mood and you ask her nicely.

50-60: She'll do it, but you'd better like doing other things as well. Probably not a swallower.

40-50 And all points below: The closer to 50 points, the better your chances of getting a decent blow-job. However, the lower her score, right down to under 10, you're going to have to do a "Hugh Grant" because nothing resembling a cock is going down your girl's throat, least of all you!

That's it then—just a little pop quiz to help you pick the woman most likely to let you pop in her mouth! You don't have to thank me, just enjoy. ☒

See How Well You SCORE

Who's The Boss

The current sports owner who gets the most headlines is the Cincinnati Reds' Marge Schott. She was suspended in 1993 due to repeated racial and ethnic slurs. She decided to save money by firing Reds' scouts, ordering press notes reduced to one page per night, and discontinuing the service to provide fans out-of-town scores. Commenting on former Red Buddy Bell, now the Tigers' manager and father of five, she declared, "He's gotta be Catholic with all the kids he's got." When she found a box of Yankees' media guides during spring training—meant to be handed out to media—she ordered the books to be placed on sale at concession stands. After her insensitive comments following the death of umpire John McSherry, she sent flowers to other umpires. Turns out the flowers had been sent to her before the season wishing the Reds good luck. This season she slipped dog hairs into pockets of players for good luck, the team

then lost their eighth straight. When asked why a Nazi swastika was in her house, Marge answered, "Hitler was good in the beginning, but he went too far." If anyone should know about going too far...

See how well you score with questions about colorful sports owners.

1. Ted Turner once appointed himself manager of his team, and did manage one game until the Commissioner heard about it. What major league baseball team does he own?
2. The late Bill Veeck signed a midget to bat in a game—he drew a walk. What was the American League team in St. Louis he owned at the time?
3. Robert Irsay is loved in Indianapolis, but despised in what city where he moved his Colts from?
4. Art Modell is despised in Cleveland, but loved in what city where he moved his Browns to?
5. What late comic, and SCTV actor, had been part owner of a Canadian Football League team, as well as part of the L.A. Kings hockey team?
6. Who is the long-time Oakland/L.A. Raider owner known for saying,

"Just win, baby?"

7. Cornelius McGillicuddy owned and managed the Philadelphia A's for over 50 years. He's known by what more familiar name?

8. The A's were later owned by what maverick, who introduced colorful uniforms, wanted colored baseballs and led the fight for the designated hitter? He died earlier this year, and once also owned a mule named Charley O.

9. Bob Short moved the Washington Senators to Texas in baseball, and what NBA team from Minneapolis to Los Angeles?

10. Angels owner Gene Autry was an actor and a singer. What two Christmas songs did he record?

LUST AT FIRST SIGHT

She was the most captivating woman he had ever seen, and he had to have her! No matter what!

Fiction By LARRY P. ALLBRITTON

The rain was beating a staccato tattoo on the roof of Vince Clayton's primo '67 Mustang when he killed the engine. He just sat there, unmoving, listening to the syncopated beat while trying to collect his thoughts.

"This is what, the third week I've

been coming to these joints," he mumbled to himself. "Well this is the last time," he promised. A promise he'd made to himself every night since the second night in a row he'd looked for his Lolita and come up empty. He didn't expect tonight to be any different. He would just absorb the loss, which wasn't really a loss since he had never gained anything except a sense

of lustful wanting and loving.

Yes, Vincent T. Clayton, 32-year-old construction worker, had truly fallen in love, for the second time in his life.

The quest began innocently enough, on a Friday night, the 19th of May. After shooting nails and slicing wood all day, Vince and his crew packed up their equipment and drove in a caravan of three, rocking and rolling down the Pacific Coast Highway, heading for Thirsty's Hideaway. Thirsty's was the place Vince and the guys always went to every Friday after work. It was like a ritual now after five years without hardly ever missing one.

Located in the San Fernando Valley, Thirsty's was a dive. It was a combination neighborhood bar, which didn't make sense considering the neighborhood was made up of dope peddlers, pimps, whores and junkie. Home to Vince and whoever was with him on his crew at the time. Few had survived even one year of Fridays at Thirsty's.

Thirsty's was virtually dead when Vince, T. Lee, Mick Jugger, Mike the Moron and Pat Tkakes burst into the bar. The night shift had just come on, which consisted of a bartender and two barmaids, accounting for half the patrons in the place. The Cranberries were whining their way through "Zombie" out of the old Wurlitzer when Vince ordered six Buds. He'd ordered two for himself so he could catch up with the guys who'd swigged down a six pack per vehicle on the way here. Vince didn't believe in drinking and driving simultaneously. One or the other, but not at the same time. He finished his first bottle in 5.5 seconds by the stopwatch he always carried. He was a little slow tonight.

By nine o'clock Vince had had enough beers and noise, and was ready to go home. Francine, one of the barmaids had attached herself to him and begged him to come watch her dance at THE ARCS, just a few blocks down the street. She was finishing her short shift at Thirsty's so she could earn the big bucks dancing half-nude and all-lewd.

Vince, being the single, healthy male that he was, could not pass up the request. He'd already fucked Francine a number of times and she was a great piece of ass. Mick Jugger, who did resemble the Stones' Mick Jagger, said he'd go also. He said he needed some stimulation before going home to his

How far would you go for the woman of your dreams? VINCE WAS ABOUT TO GO ALL THE WAY!

cow. Ten minutes later, after saying "adios" to their remaining amigos, Vince and Mick were out the door.

The doors of THE ARCS opened inward to a dark expanse, more solid than the night outside. Vince was taken aback for an instant while his eyes tried vainly to adjust. Slowly, the teller's cage came into focus and he half stumbled moving to it. Paying the ten buck cover charge, he and Mick made their way to a center table.

As Vince's full capacities returned he was greeted, while still standing, with the largest, firmest, most delectable, alabaster white—except for the large, pink aureoles and hard nipples—majestic mams he'd ever seen. Pulling his eyes up as his head tilted back, Vince fell into twin turquoise pools of liquid. He had been smitten by tres auras. Vince became, painfully at first, but with ever increasing throbs of pleasure, aware he'd fallen head over heels in lust.

Up until now Vince had never felt any of that fatal attraction from any of the beautiful women he'd dated. "Praise God, I've died and gone to Heaven. Mick, hold that chair steady for me while I fall into it." Vince sat down heavily in the padded chair.

"What?" Mick croaked, not turning his head from the twin bouncing globes now directly in front of him. Then he just stood there, mouth hanging open while those mountains of flesh surrounded his head, and were massaged by the most delicate, white, porcelain hands. The girl bent and kissed Mick's receding hair line, removed her magnificent orbs from his head and ground out the last few beats of "Kiss Me Deadly" with the most provocative hip movement that made it appear she was cumming and cumming hard from a rampant, hard, throbbing dick up her cunt. Mick nearly broke his hand digging for his wallet to tip the blond goddess when she came back with a halter top not designed to accommodate all that womanly flesh.

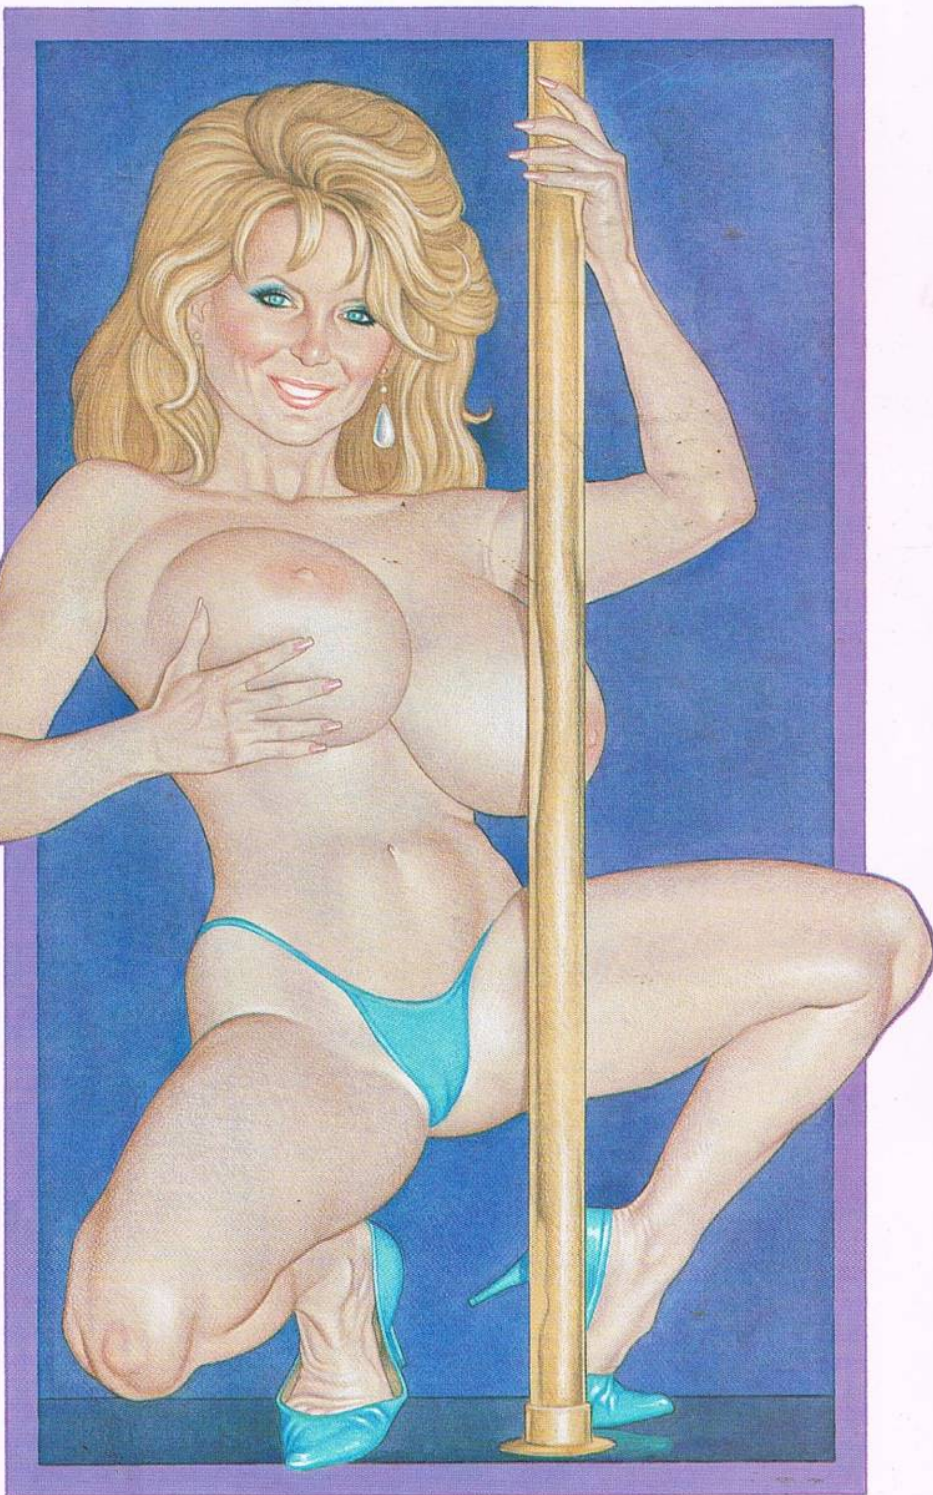

"Thank you," she said, helping herself to the dollar bill Mick was holding out and depositing in her cleavage.

She stood up straight and took one side step in front of Vince, pirouetted and bent over. Her stiff legs accented the roundness and firmness of her ass cheeks, making Vince want to grab

handfuls and bury his face up to his ears in her asshole. She twisted around and pulled the top band of her bikini-floss panties out for him to slip his saw buck under. A smile spread across her face and she returned to the head between her legs posture of before. The most beautiful girl Vince had ever imagined winked at him, whispered "thank you," and blew him a kiss. Before straightening and moving on

she pulled her ass cheeks slightly apart and ground her ass in Vince's face. The heady aroma of hot cunt, sweat and other womanly scents almost sent Vince to the floor. He had to practically sit on his hands to keep from getting tossed out of the place. This was a strictly no-touching-the-girls type of place and he had seen the bouncers toss guys out on their ass before.

Lolita came out and danced two

LUST AT FIRST SIGHT

more times before she disappeared into thin air. Each time she appeared he couldn't help noticing how perfect she was for him. When she didn't show for her next rotation, Vince was devastated. He could not get over his inexplicable feelings for this woman.

The last time she'd danced he tried to take her all in. He guessed she was about 5'6" without heels and 125 pounds. Naturally blonde, judging by the tiny pubic hairs poking out from around her g-string. A Rubenesque face but with a higher bone structure. Skin and complexion the color of a near ripe peach, with a mouth so succulent it invited a prick to be drawn in.

The mouth, oh God what a mouth. It plainly pleaded and begged to have a dick working in and out of it while your balls banged against the slightly pointed, up-tilted chin. But the eyes, they drew your gaze and thoughts back to them over and over. So clear and turquoise blue. Vince felt himself getting lost in them each time he stared deep into their fathomless depths.

Tearing his eyes away from her face, Vince swallowed hard, enraptured by the vulnerable neck widening into soft shoulders. Then the breasts captured his attention. They were the only largeness on this female deity. Before he died he had to hold, caress and suckle on those perfect tits. This, he swore to himself, or by God he'd die trying.

Lolita's waist was an exact replica of

a life size mannequin. Narrow and smooth, with a mold sheen of sweat across its width, her waist flattened out into 34" hips that looked as soft as a feather pillow. Her legs encasing the tiniest, green triangle patch of cloth, which barely hid her cunt, were long, shapely and thinned down at the ankles. Her calves and thighs were what runners dreamed of having. The woman was all woman. The epitome of women the world over and Vince wanted her for his bride. He didn't care about her past, only *their* future.

Lolita's dancing brought the whole place to a feverish high. It produced a turbulent tumescence in Vince's prick. He had to sit for about ten minutes before he could stand up without making an ass of himself. But he didn't care, he was happy again. For the first time in a long time he felt he had discovered what life was really all about.

After tipping her extravagantly—close to a hundred bucks—he expected at the least a conversation with her. But, Lolita never returned from the dressing rooms. Her last dance had been exactly that, her last dance.

Vince casually approached Francine with his inquiries to what happened to

Lolita. "Where was she? Why wasn't she dancing anymore? Didn't you girls talk in there? What do you mean you haven't seen her for half an hour?"

"Vince, forget about her, she's a fuckin' flake—a weirdo. She's here for one time and one time only. Besides you have me tonight." She playfully rubbed her 38Ds in Vince's face.

"Yeah, I know baby. It's just that...that girl stirred something in me and I need to talk to her."

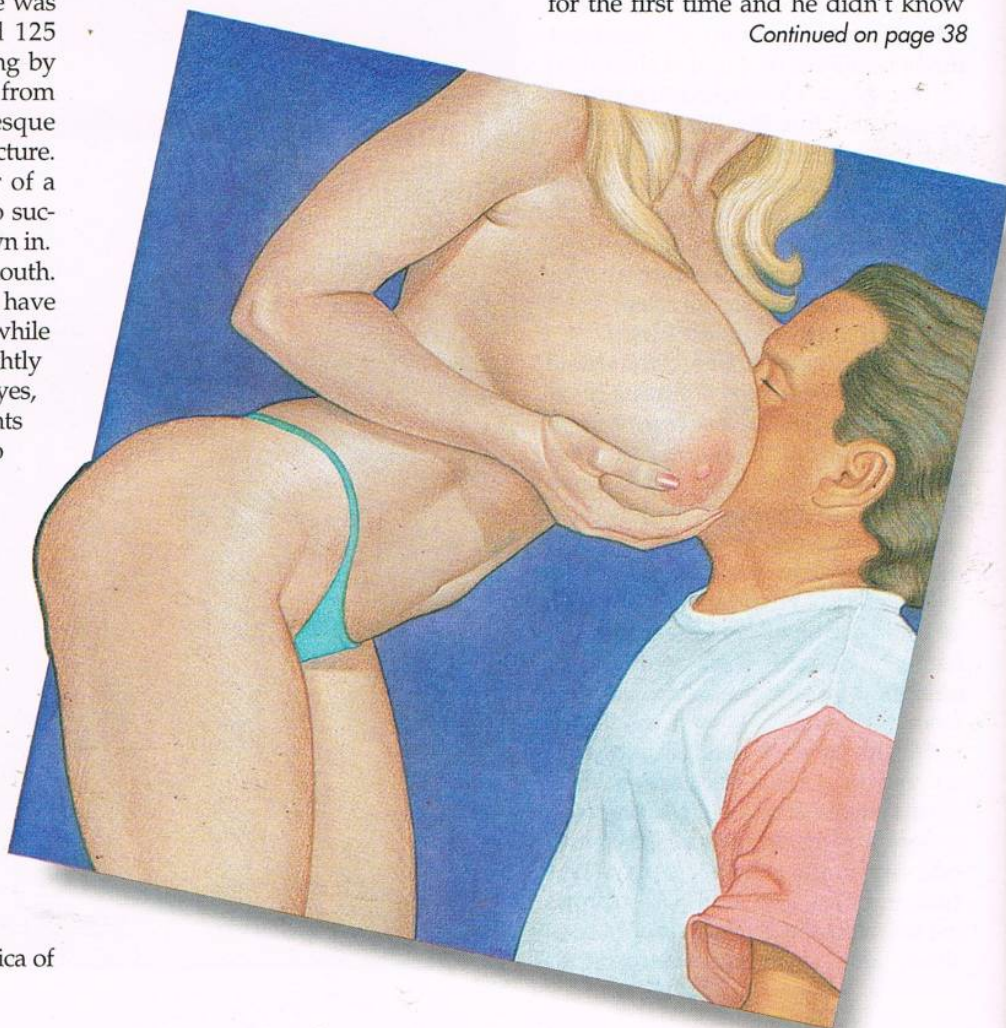

"Talk my ass," Francine almost spit the words at Vince. "You want to fuck her brains out is what you mean, you fucking dick!"

"Wrong honey, I'm yours for the night. Promise...I'll see you when you get off, okay."

Vince could lie with the best of them, and Francine bought it. He stuck a pair of five dollar bills in Francine's massive bosom and got up, telling Francine he was going to take a piss.

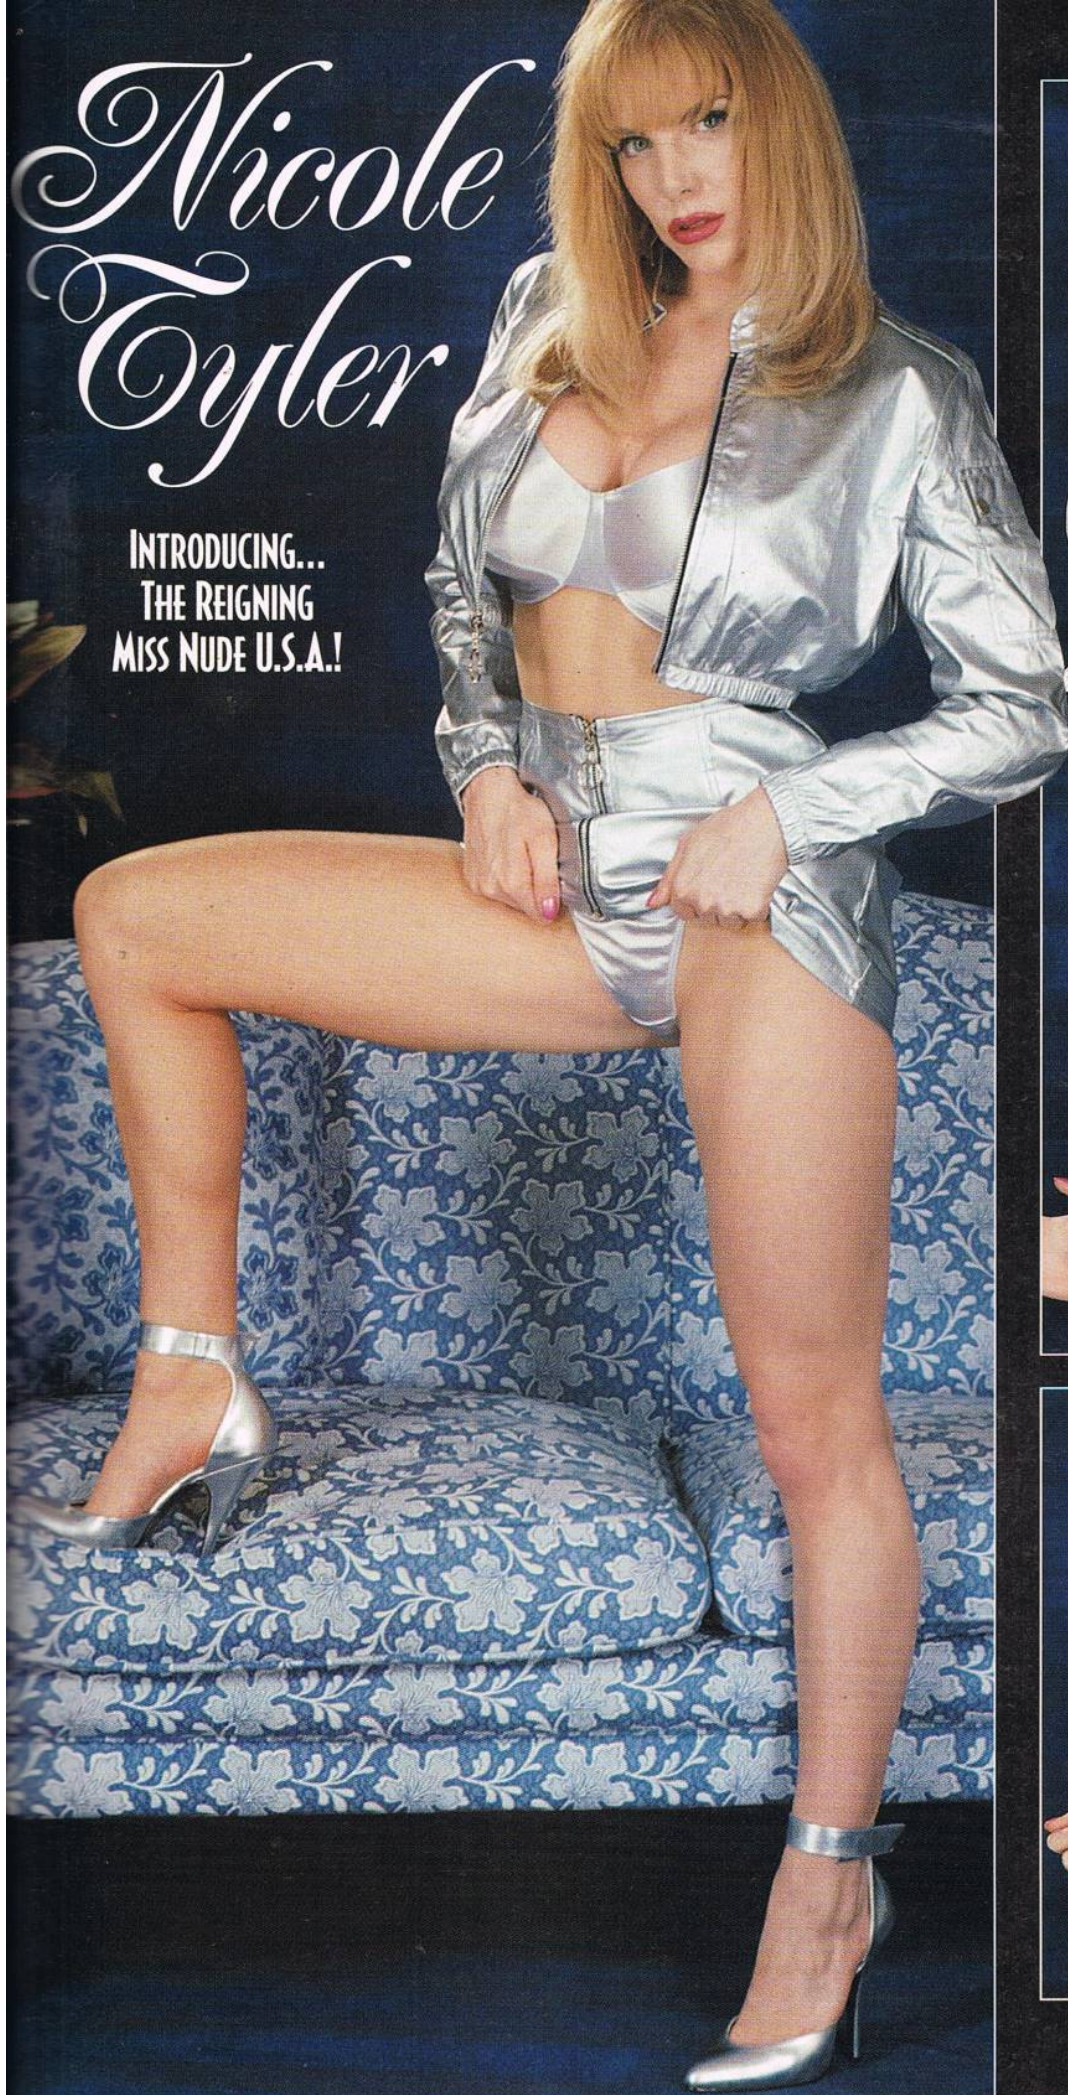

He didn't go to the head, not right away. Instead he went and saw the assistant manager of THE ARCS. All Cole Meiner could tell Vince was that Lolita's shift ended after a dozen dances and she split. He also added, that she had come over from the Dangerous Obsessions dancing agency for the first time and he didn't know

ow, for those of you who think that the only way you can get into men's magazines is to talk dirty, act nasty and basically be a total slut, Nicole is living proof that being yourself is enough. "I know you're disappointed that I won't talk dirty to you," explains this chatty 23-year-old New Jersey native, who loves to talk, unless it's about her favorite subject. "That's so weird, isn't it? I love sex! Believe me, I do! But, I've never been one to talk about it. I had a boyfriend once who wanted me to talk dirty to him on the phone, and I couldn't do it! He said, 'Nicole, just act like you're having sex!' He said I scream and moan a lot when I'm doing it, but I don't know if I do that! I guess I just lose myself in passion!" Kind of like all of your fans, eh Nicole?

right now if she'd be back.

Vince felt deflated, then he tried calling the agency, trying to elicit some information. All he got for his 90 cents was a damn recording.

Vince did take Francine home that Friday night, actually Saturday morning, and fuck her silly. They fucked so many times and in so many positions his dick was sore and raw, like it had been caught in the maw of a giant clam that sucked him in while twisting his body like a pinwheel.

He left Francine's around noon and began his quest to find his Lolita. Vince called the agency, which turned out to be an answering service. And no, they had never heard of a Lolita. They had no client by the name of Dangerous Obsessions. The girls answering Vince's call threatened to call the police if Vince didn't hang up now.

"What kind of service did he think they ran there?" a pompous, know-it-all cunt told him.

Ever the gentleman, Vince politely told her to "fuck off!"

For the next 21 days straight, Vince tried in vain to catch-up to Lolita. He

made numerous calls and spent every night hitting the strip joints and nude cabarets searching for her. She was nowhere to be found. He discovered, on more than one occasion, that she'd danced at the Classy Lady or Star Venus in the valley and even Bunny's Hop in Hollywood. But he seemed to be a day or two behind her. Once, in those three weeks, he'd missed her by scant hours when he drove out to Tarzana where Lolita had danced at the Pianist NV Club.

All his searching didn't go up in flames entirely. More than half the times he ended up taking home one of the other dancers and balling her or getting a delicious blowjob in his car. Once in that span he took two girls home and he couldn't walk the next day. He missed work that day, something he hadn't done in five years, and continued to fuck Belinda and Belle until they had to leave for work.

That had been just yesterday and now this was Vince's last try. He sat there unmoving in his car, listening to the rain splatter on the windshield. He willed himself to pull the door handle, but it was a task his mind fought with. He didn't know if he could withstand another dismal failure of not finding Lolita. He broke out of his funk, got out and went inside THE ARCS.

Just like three weeks ago, he saw her

angelic face and gorgeous body. Lolita was dancing before him in all her flesh and glory. "Goddamn! I finally found you," he screamed at her, above the roar of the crowd and blaring Tom Petty tune. "Oh God, Lolita," he cried. "I need to talk to you."

The turquoise orbs accepted both defeat, at having been found and the game was over, and pleasure at the prospect of meeting this Vince. An elation spread over her face and she conveyed a message, meant only for Vince, with a sly smile. She agreed to meet him at the bar after this dance. It was her last one for the night.

Not taking any chances, Vince paid another patron of the bouncing bazombas 25 bucks to watch the back door of the dressing room. If Lolita leaves he was to come in a hurry and tell Vince. He'd be paid double if the guy caught her coming out.

Lolita did come out. She floated out in a lace top the color of her skin. Vince could hardly tell if she had on a top at all. Her huge breasts stood straight out. He swore he could see faint blue veins riveting the bodacious, quivering melons. The nipples poked out true and hard like the pop-up headlights on a Corvette he used to own.

Her stretch, Lycra spandex, white pants were so tight he could see the outline of her cunt lips and the nub of her clit. Her prominent pubic mound beckoned his hand to massage it through the soft material.

Before Lolita could sit, Vince abruptly stood and kissed her hard on the mouth. She did not act surprised. Her tongue twirled inside his mouth and he thought she'd suck his tonsils out.

Reluctantly, Vince broke the kiss asking her to go home with him right now. He spoke so fast his words seemed to run together.

"We can talk on the way. I'll tell you all about myself and you can tell me all about you," he pleaded as he half dragged her, half carried her out the door. Several guys thought she needed help getting away from Vince on the way out, but both were quickly put off by Lolita rubbing up against Vince and stroking his cock through his pants. They went away envious as hell, stroking their own meat, thinking what a lucky bastard Vince was.

Laughing so hard on the way to Vince's Mustang, they almost fell but had the quick sense to hold tight to each other. Spinning Lolita around, he pinned her back to the Mustang's

Minka isn't exactly your bashful type. She talks "horny," dances dirty and, to be quite honest, the only thing she loves more than doing nasty things to her bouncing bottom on stage, is doing it with a busty babe! If you missed *SCORE*'s interview with Minka in the Sept. '95 issue, get your back issue now! A brief summary goes something like this..."Butt toys, Mazola rollers, anal, oral, dildos of all shapes and sizes, slurping Danni Ashe's pussy, and, oh yeah, her phone number." Go to Minka's "Checklist" for all of the "How Do I Get In Touch With Minka?" goodies. Her fan club is renowned as one of the very best in the business and if you ask any of

her fans, Minka certainly doesn't disappoint. "That is very true!" says Angelique from her home in Brazil. "When I first met Minka for this photo shoot, she told me, 'I've been waiting to do you forever!' That surprised me, because I was going to say that to her!" Now, Angelique is a lot more bashful than Minka. When you first meet her, you'd swear she had never sucked a cock or eaten a pussy in her life. She speaks several languages, but very little English, and is as shy a girl as you could ever meet—unless you get her naked between the sheets! Then she becomes a fuckin' wild woman! "Insatiable!" says Minka, of her newest bed-buddy. "Just the way I like my girls!"

The good thing about Minka and Angelique is they sure don't mind cumming on camera! Minka just finished her newest hardcore flick, H&S Sales' *Bangkok Boobarella* and Angelique stars in *Thunder Boobs*. Both videos are hardcore! Both are \$39.95! And, both are available in this month's Video Club on page 98! What? You say that just ain't enough? It'll have to do...for now! Yes, all you fans of girl-girl action, Minka and Angelique are cumming to video—together—snackin' on each other's carpet and licking up all the scraps! We don't know what the video is called, but H&S Sales promises a before-Christmas release, and you'll see the first out-takes right here in **SCORE!** Stay tuned, 'cause there's more where this came from!

door. He ground his blood-filling cock into Lolita's hot, pulsating pelvis. She returned the pressure wrapping both arms tight around his neck and kissing him fiercely on the mouth. Their tongues danced frantically with each other. Moving his hands between the car and Lolita's ass, Vince grabbed fists of flesh through the opaque material and pulled her harder against him.

He moved his hands up her hip to cup her massive jugs. He pushed up on them from the bottom and worked his fingers to the turgid nipples. He twisted them almost painfully, causing Lolita to take her mouth away from his and moan lustily in his ear. She darted her tongue into the fleshy opening and swabbed it around with wet kisses. Vince erotically nibbled on the exposed neck. She tasted and smelled like a fresh spring day.

Lolita fumbled with the zipper to Vince's pants with one hand while the other massaged and pinched his enlarged, hardened cock. She hefted his ball sack through the stretched

gabardine, then with a tantalizingly slow motion, tugged his pants and jockeys down to his ankles. Vince stood there, his raging boner sticking up into the cloud-filled night sky and Lolita staring hard at it while she slowly squatted, running her hot, wet tongue down his chest, across his rippled stomach to his bulbous cock head. She lathered the entire head with her luxurious tongue before wrapping her lips around the tip and sliding them down to his pubic hair.

"Oh baby," Vince groaned as her lips, at the base of his cock, opened and closed, the tongue plastering his aching balls. Lolita deliberately withdrew up the massive pole dragging her teeth lightly along the pulsing length. Vince thought he was going to cum on the spot. Reluctantly he held her head away from his dick long enough to open the door and fall into the backseat, pulling Lolita with him. She reached back and closed the door.

It took all of ten seconds for both Vince and Lolita to extricate their clothes from their bodies. Vince had to help Lolita with her pants, ripping them down her silky thighs. With the heated couple completely naked,

Lolita fell back into Vince's lap, her mouth seeking out the rampant stallion's prick. Vince, sitting with his back pressed against the side of the car, spread his legs wide, giving her mouth and hands free access to his cock and balls while he wet his finger and ran it down her ass crack and gently into her wet cunt. He buried his middle finger to the last knuckle and rotated and twisted it, eliciting an anguished moan and a harder tugging at his dick from Lolita's gripping, sucking mouth.

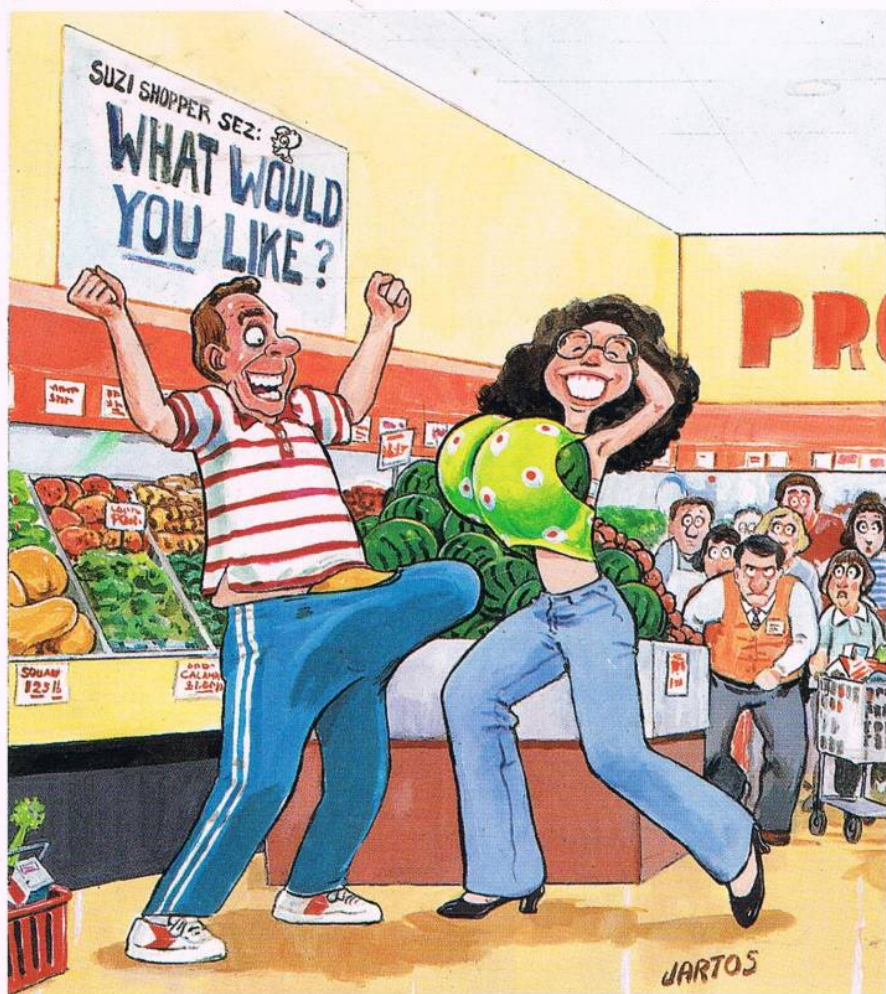

Vince continued fucking her tight, liquid cavern, using his other hand to spread her ass cheeks apart. He pulled his finger free from her gyrating twat, slick and thickly coated with her juices, and traced her asshole with it. When the tiny opening of her asshole spasmed and began to open like a budding flower, Vince slid his finger in her brown chute to the first knuckle. He slowly began pistoning his stiff digit in and out of her ass.

Lolita's reaction to the invasion of her asshole was to suck harder on his cock. She let up long enough to lick around the head, making the glans bulge with a sticky wetness. Pre-cum oozed out of the small hole in Vince's dick and Lolita licked it in to her mouth as the tip of her tongue stabbed repeatedly into the piss-hole, drawing forth more and more of the rich, clear liquid. Vince felt the building tension boiling in his nut sack. It wouldn't be long until he couldn't hold back any longer and he shot his streams of steaming cum out of his prick.

Lolita's mouth never quit working on his cock. Her hands were also equally employed, squeezing, rolling and tugging on his balls. Up and down, slowly at times then rapidly and fluidly, her mouth worked his turgid stiffness, sucking, always sucking, trying to coax the cock juice out.

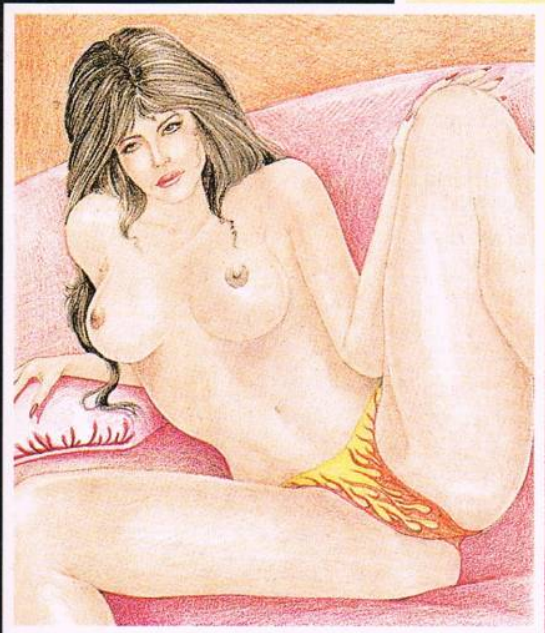

When he could take it no more, Vince got to his knees and held Lolita's head rigid between his hands and slowly worked his cock in and out of her mouth. He closed his eyes and groaned out loud as his hands locked and entwined themselves in her golden tresses. He withdrew his cock feverishly along her tongue until her lips captured only the meaty head then he plunged his entire length, up to his balls, down her narrow throat. Up and down Vince plunged and retracted his pulsing knob, watching the worshipping mouth take in every inch of his prick. He picked up his fucking pace,

Interview By MICHAEL UWATE

To be quite honest, I really didn't know what to expect with Kayla Kleeavage. I've dealt with her more as a photographer than as a model, but after a few moments, I quickly realized that this veteran feature dancer, model and porn star definitely has the gift of gab, and she'll talk your head off, when she isn't sucking it! *Say what?* Read on, boys and girls, because this girl is a real swinging good time, and she not only goes both ways, she does it with every juicy orifice in her body!

SCORE: Hey, Kayla...feel like talking dirty for all of your fans?

KAYLA: Yeah, go for it! I'm just getting some tuna for my kitties! I'm feeding them a little late because I've been working around the office.

SCORE: I thought you were at home?

KAYLA: I am. I have a whole room that's my office. It's like a big, studio office, home kind of thing! (Laughing) Kind of everything in one!

SCORE: Before we get into all of that XXX stuff you do, I wanted to set up what you're doing for all of our readers who don't know that now, aside from being a model, entertainer and actress, you've also become a major player in the nudie picture business.

KAYLA: Yep! Was a model—still am a model. Still a dancer. I don't want everybody to forget that I'm still dancing. I like to take a couple weeks out of the month to dance on the feature circuit, and the rest of the time I'm doing the pictures.

SCORE: What's being a photographer like?

KAYLA: I like it! I have a good time. It's fun learning a lot of different things and challenging yourself to do new things.

SCORE: Is the grass greener on the other side of the lens?

Wanted: Horny, fun guy who can keep it up for the camera and wants to fuck Kayla silly! Write her fan club to apply!

KAYLA: Sure, but it also drives me nuts sometimes. It's a lot of work, which people don't realize. There's just so much more to shooting naked girls than meets the eye.

SCORE: You ever just want to

throw the camera aside and dive right into the pile?

KAYLA: Sure! I'll get into the shoot and spread a girl's butt cheeks apart. If there's a girl I like, I'll ask if she wants to do a girl-girl.

SCORE: A "girl that you like?"

KAYLA: Somebody who is fun. I also like girls who are kind of curious. I don't like girls who are real heavy-hit-on-you types. I guess

***I** still have a nice, tight pussy, and my butt hole is real tight. I'd do double penetration videos, if I could just work my butt hole loose!"*

that's because maybe I'm more dominant in that area, but yet I'm not dominant, if you know what I'm saying. If they're curious, we'll have some wine before a shoot and see what happens. The more receptive a girl is, I'm tempted to go for it. I do swing occasionally, and things like that.

SCORE: I didn't know that. Aren't most swingers married?

KAYLA: A lot are, but I'm not married. I would be lying if I said I don't have a boyfriend. We love to go out and swing. I used to go to this theater here, but the class of people went way down, so I go to this other place here in Houston. I get totally drunk, stop at some titty-bars, then just go over there and swing a bit.

SCORE: Tell us about "swinging."

KAYLA: A lot of people want to hang with people their same age bracket, but if you're looking to go to a swinger's club and screw around with a bunch of models, you might be disappointed. These are normal people who just like to have a little fun on the side. The key is trying to find places where your type of crowd hangs out. It takes a little while sometimes. And there are a lot of people out there who will swing without their husband or without their wife. For me, it's more fun to watch whomever you're with doing things with other people at the same time. It's kind of neat, and then doing each other afterwards.

SCORE: Now, you're not married, but you have a boyfriend which is sometimes the same thing. How do you approach your significant other and tell them you'd like to give this a try without offending them?

KAYLA: You need honesty, and you can't force somebody to do that. I guess you just have to approach it delicately, depending on your partner, and if they give off those vibes, you'll feel them. If they don't, it may not be a good idea to press it. Myself, I am a voyeur. I like giving and receiving. When I meet guys, they have to understand that I can't be with people who are jealous or who have sexual hang-ups. The thing is, you never do something behind someone's back. Swinging is a very open thing. Tell your wife, "Let's go check out this swinging adult video/theater place," because that tells her exactly what you're going to do.

SCORE: A video/theater place?

KAYLA: It's a swinger's place. You watch some fuck-movies, and then there are people around. You pick

up some people you think you might want to swing a little bit with, then you go back into the rooms. They have rooms that look like livingrooms. It's fun, because I meet people who recognize my videos. Every now and then some of them like to watch. It's like, wow I'm seeing a real live sex video now!

SCORE: Let me get this straight.

These are adult movie theaters—the kind that advertise Adult Movies?

KAYLA: And you go in there and there are people—singles and couples—and you hang out and visit with everybody. Then somebody says, "Hey, who wants to go in the other room." Everybody goes in there, and then things just kind of happen.

SCORE: These places actually exist?!

KAYLA: Oh, sure! They're everywhere! Every city has them. I'd mention the one I go to in Houston, but I don't know if I should. I happen to like this place and I don't want it to get shut down.

SCORE: So, if swinging is your thing it's relatively easy to find places like this in any moderately sized city in North America?

KAYLA: Very easy. Sometimes you have to initiate the action. One theater, I walked in and went up to a

guy and said, "Drop your pants! I'll give you a blowjob." People come in and watch, and pretty soon they all get hot and horny, and then they're doing each other.

SCORE: You did this right in the middle of the lobby?

KAYLA: No, we walked into the bathroom, and I started sucking his dick. Then, women would come in and see what I was doing. They'd go out and tell their husbands, and they'd all come in. You feel like everybody's staring at you, but then everybody else gets hot and horny

and they start doing their thing. At first, you can see them thinking, "Oh, I don't know. Should we be doing this?" But after a while they can't control themselves. They say, "Oh yeah, I'll pull my pants down and you can suck me too, honey!"

SCORE: Is the thrill in having sex in different places, with different people or just having a whole lot of

would love to try?

KAYLA: Oh Christ! I've had sex in so many different places! Let me see... Hmmm...Doing it in my office while I'm talking to you!

SCORE: Now there's a great idea!

KAYLA: (Laughing) I knew you'd like it! Actually, I do that a lot! When I'm talking to my friends sometimes I'm getting plugged! One time, and

this is probably my most kinky, was when I was talking to my mom while I was getting screwed! (Laughing) That was tough trying to hide it. I was like, "Uh, hi Mooom, uhhhhh! How's iiiit goooo-innnng!" Other crazy places, I don't know. I've pretty much done it everywhere. I've done it in cars, movie theaters, in public, in the park, on picnic tables... you know what? I haven't tried doing it in a tree yet!

SCORE: I like your first one!

KAYLA: (Laughing) Oh, about getting plugged while I'm talking to you...

SCORE: I love the sound of that word coming out of your mouth with that every so subtle Texas twang..."plugged!"

KAYLA: Yeah, I'm very frank. I guess I have a filthy little mouth on me when it hits me. What the hell. I don't want to speak polite and say,

"Well, I had intercourse." C'mon, especially in an interview. How boring! Like saying, "I'm sorry, but I don't swallow!" That's such bullshit when I read it in other interviews how girls don't swallow. If you suck, you swallow. I know I do! I just got this great video that I made—it's a Kleevco one—and it has a guy jacking off in a glass and then I drink all of the cum from the glass.

SCORE: Fuck! Nothing personal, but that's kind of gross!

KAYLA: I know! That's filthy isn't it?

KAYLA: You gotta keep sex thrilling. It depends. Some people like to have sex with somebody, then watch the other one getting it. There are just so many different sexual thrills. That's what keeps my sex life alive! I like to do different things—wild and crazy things!

SCORE: Let's hear about some of those things?

Looking for someone to spice up your sex life? We have just the girl for you! This Italian feature dancer is back, and now for the second time, you can see why! That's right, these areolae-rigatoni have appeared on our menu before, back in the Nov. '95 issue. Angel was a sweetie for letting us tag along with her during "A Day In The Life Of A Feature Dancer." For Angel's second pictorial, we're heading straight to the bedroom!

Swamped by letters following her last appearance, Angel's fan club keeps her super busy! "I get up to 200 letters a day and try to answer them all personally." Which is very much appreciated Angel. Do you have any special requests for those letter writers? "Actually, yes! I want to hear about readers' fantasies. I want to know if they can top mine...which is to travel to Niagara Falls, go to the Canadian side so I won't be arrested, be bent over the rail and screwed doggy-style in front of all those people, and hope to orgasm before getting caught by security!"

Obviously an exhibitionist, Angel loves the thrill of nearly getting caught. "Recently, my lover and I stopped at a truck stop on the way to a performance and got it on in the car. A cop slowly drove by and we had to duck down. For some reason, being scared like that got me so wet! Sex afterwards was great!" Speaking of sex in cars, the last time Angel was in *SCORE*, she was getting in on in the back of a limo. She hasn't changed much since then. "I've been being bad and misbehaving! Why? 'Cause I guess I just don't know how to be good!"

Just returning from a trip to Hawaii, Angel isn't slowing down a bit. "I bought a new pick-up machine to go along with my conversion van—a white Corvette with a hard top." About the same time this issue hits the stands, Angel should be appearing at Madam Oares in New York City. So, if you happen to be in the Big Apple and hear tires screeching, stick out your thumb and just maybe you'll get lucky enough to hitch a ride you'll never forget.

KAYLA INTERVIEW

Continued from page 57

But, a lot of guys love that one! I like doing my own videos because I can do stuff like that, although the XXX is difficult. I tried working on one with a black guy, but he couldn't keep it up for the camera because he got nervous. That's very common, and that's why I'm having trouble getting the XXX going. A lot of guys say, "Oh yeah, I'd love to do you Kayla!" But, when they get on camera, it's a totally different story. And, I can understand that. It's much harder for the guy if they're not experienced. I have a bunch of videos. I have one called *Sperm Target* that is a fantasy tape. It has a lot of filthy language, stripping, humping and stuff like that with filthy, filthy audio. I have another one called *Beach Balls* which is on the beach where I do a real good cum-squirt scene...

SCORE: "Cum-squirt?" Is that you squirting or some guy giving you the business without the glass?

KAYLA: It's me squirting. Something about hitting that ole G-Spot gets me squirting. Then I have one where I'm doing anal beads and toys at the same time. Then I have another video where the camera is looking right down at me and a dick. All you can see is a dick and me sucking it and getting the cum all over my face and sticking my tongue out with the cum all over it!

SCORE: And, you do these videos...

KAYLA: Because I love sex! I love it! You have to be in the right mood, too. Like when you have contracts to go out and do them in L.A., you might be having a day where you just say, "Gee, I'm just feeling a little fucked out today!" (Laughing) Then, I just put on my best face and go soak my bottom in the pool because it's a little swollen. That is work, but when I do them myself, it's all fun because I control everything and I don't do them unless I'm all hot and horny! You can think of the goofy stuff to do, things that are unusual. You can be your own producer, director and actress all at the same time. What's funny about doing your own, is you have the power to name them anything you want. I love the names. They're so funny! *Nut Worshippers!* I thought

that would be cute. I don't know when I'm going to do that one. I'm looking to score some guy to help me with that one!

SCORE: And, where do you score these guys? We have so many readers who write in and say, "I've got 12 inches and I want to fuck so-and-so good! Help me out!"

KAYLA: Yeah, but it would cost too much to fly them in, so I like to find them local. I'd be happy to look at some offers, though! Now, I just use friends of friends and people I meet. I like to know the person a little. It helps to know the people you're going to work with. For one, some guys are intimidated by cameras, and they don't know this until they get in front of one. Usually, I'll have a few drinks with the guy to get him loose, and then see what happens. The only hang-up I really have is safe sex. I believe in condoms. It's a good thing to do right now.

SCORE: Yeah, but when you go to the bathroom and tell some guy you want to blow him, doesn't unsafe sex go right down your throat?

KAYLA: When I'm blowing somebody I don't know, I just slap a rubber on that dick and suck it over the rubber. I just think that's a good thing to do given the environment today. (Laughing) Plus, maybe they just didn't taste good, you know what I mean? Everybody tastes a little different. With swinging, it's mostly fucking anyway, so I use the rubbers then.

SCORE: Okay, you mentioned a few things earlier I wanted to go back to. First...squirting!

KAYLA: They say that is the female G-Spot. Being eaten out a certain way, I can do it. It's all clitoral for me. If I masturbate that's when I do it a lot. Then, you just squirt.

SCORE: What's a "certain" way?

KAYLA: You can never control it. Sometimes it happens, sometimes it doesn't. You're just feeling a certain orgasmic way, and it happens. I can have anal orgasms, fucking ones, orgasms from clitoral stimulation, and sometimes I've had vaginal and anal at the same time.

SCORE: All right, we're going to go down all of those paths, but let's head on down anal/vaginal way first, shall we.

KAYLA: The best anal orgasm for me is when you eat me out, put a finger up my pussy and rim my asshole

with your pinkie finger or stick it in gently. That gives me an awesome orgasm. It's like everything happening all at once. My bum's still pretty tight, so it's hard for me to take a dick up there. I still have a nice, tight pussy. I can control it real well. I can wink it and stuff. I do that in my shows, and I do that in my videos a lot. But, that's what is probably making my butthole so tight.

SCORE: Okay, let me get the methodology down. Eat you out, stick your pinkie finger in your ass...

KAYLA: Yeah, get eaten out, and then have the little pinkie finger kind of rimming my ass and another finger up my pussy. Ohhhh! Awesome! If you get it in at the right moment, and then have the finger kind of slide in just at the right moment, before I'm ready to go, it's awesome. You just open right up.

SCORE: When you squirt, are we talking about a little wetness or fire-hose-type squirting?

KAYLA: I'd say a strong stream. And I can shoot out a lot or a little. I'm also pretty multi-orgasmic.

SCORE: Can you control your squirting at all?

KAYLA: No. It just happens. You don't want to control it at that point because it feels good when it's coming out.

SCORE: Do you warn a guy beforehand if he doesn't know about this?

KAYLA: Oh, yeah! Because, you get him in the eye and stuff! If the guy doesn't know, I just say, "Oooh, I think I'm gonna squirt!"

SCORE: You ever have anybody look up and say, "Excuse me, honey... Did you say 'squirt'?"

KAYLA: No. Never had anybody surprised by that. Sometimes, I've said, "I'm sorry, I didn't know that was going to happen." Sometimes I've done that, and they've said, "That's okay. Just let me go get it out of my eye real quick!" (Laughing) One time, I actually think I almost choked somebody!

SCORE: I had never heard of this before until Lilli Xene told me about it in another interview.

KAYLA: Well, you're still young! Really, it's the best kind of orgasm. They say it has something to do with your G-Spot. I think it comes from your G-Spot.

SCORE: Where's your G-Spot?

KAYLA: Every girl is different. But, mine is a good finger's length away from the outside, up towards my

pelvic bone. If you just keep rubbing it, you'll feel it swell up and get all swollen, and then you're squirting.

SCORE: What else did you mention? Anal beads...dildos...and sex toys.

KAYLA: (Laughing) A girl's best friends! I really have to concentrate getting those anal beads up because, like I said I'm real tight. Dildos...I always like the real thing better. But, they're cool when you're playing with yourself. And, you've got those dildos you can maneuver a little bit on the inside, and then when you feel like you're going to orgasm, just ram the whole thing deep in there, and it feels *goooooood!*

SCORE: Give us a reference point on size. I've seen some dildos that look a whole lot like clubs.

KAYLA: To tell you the truth, it's fun every now and then to experience real big dicks. But, I remember one time in a swinger party years and years ago this guy had a dick that was so big, I couldn't stand it! The porn guys in L.A. I can handle. They're okay. T.T. Boy's got a big dick, and so does Ron Jeremy. Oh yeah, they have some big units! I can handle them, but the most comfortable fuck I find is six to seven inches. I'm very short down there. I'm not a very deep girl. I bottom out real easy, so I don't like huge dicks, and I don't like them real fat either, because I consider myself real tight. I've never had any children or anything, so I'm pretty tight down there. Plus, I do those exercises and the winking and all that stuff, so I like a nice, comfortable screw because it hits my G-Spot just right.

SCORE: Take me through a nice, comfortable session with you.

KAYLA: It's nice to have a few drinks, or dinner. You know, your typical thing. Even being at home, sitting around and relaxing. I like to start out passionate and then end up real animalistic. I like a little light bondage every now and then, especially when I'm feeling real savage. Then, I like to bend over on my bar and get fucked. I like to start out passionate. I love kissing. I love deep kissing a lot. That *really* starts it up for me. Sometimes, the oral sex isn't even important. I just like some deep, passionate kissing and then missionary! Sometimes I like it just the good, old fashioned way. Those are the best times!

SCORE: Back to those anal bead things? Another model, Minka, told

me about those, too.

KAYLA: Minka, oh boy, she's hot, hot, hot right now. That girl does everything! I don't know, she's going to give Chesty Moore a run for her money. Minka's done a lot of anal videos out in L.A., and right now she's just a hot, little "whoa," and I mean that in a very good way. She's exploring everything and she's a wild, sexually aggressive girl. She's called me up about doing some video together, too. (Laughing) Heck, I wish I could take dick up my booty like she does, I'd probably have a lot more fans!

SCORE: Oh, so you don't have anal sex? You just shove pinkie fingers and toys up there?

KAYLA: I've had it before. But, I'm still trying to work that thing loose. It needs work. Right now, I told you about using the pinkie. Get enough up there to feel the resistance, and when you start coming, you can slide it right up there and it really gives you a hot orgasm.

SCORE: I know a girl who's into that double penetration...

KAYLA: Oh, I wish I could be doing some of that right now! Those would be some hot videos! But, you know, I'm working on it. I'm working on loosening it up. Maybe one of these days everybody will be seeing it real soon!

SCORE: And they can send their special requests to...

KAYLA: Kleevco Productions, 2436, Bay Area Blvd., #357, Houston, Texas, 77058. Also, can you guys send a stamped envelope. I just can't afford all of those damned stamps. They add up!

SCORE: Is there anything else about you we can share with the world?

KAYLA: You know something I'm dying to do that I haven't done?

SCORE: The SCORE editorial staff?

KAYLA: (Laughing) I'll keep it in mind! What I really want to do is...have children. I'd like to have a baby some day and know what it's like to be a mom. That would be nice. Wish me luck?

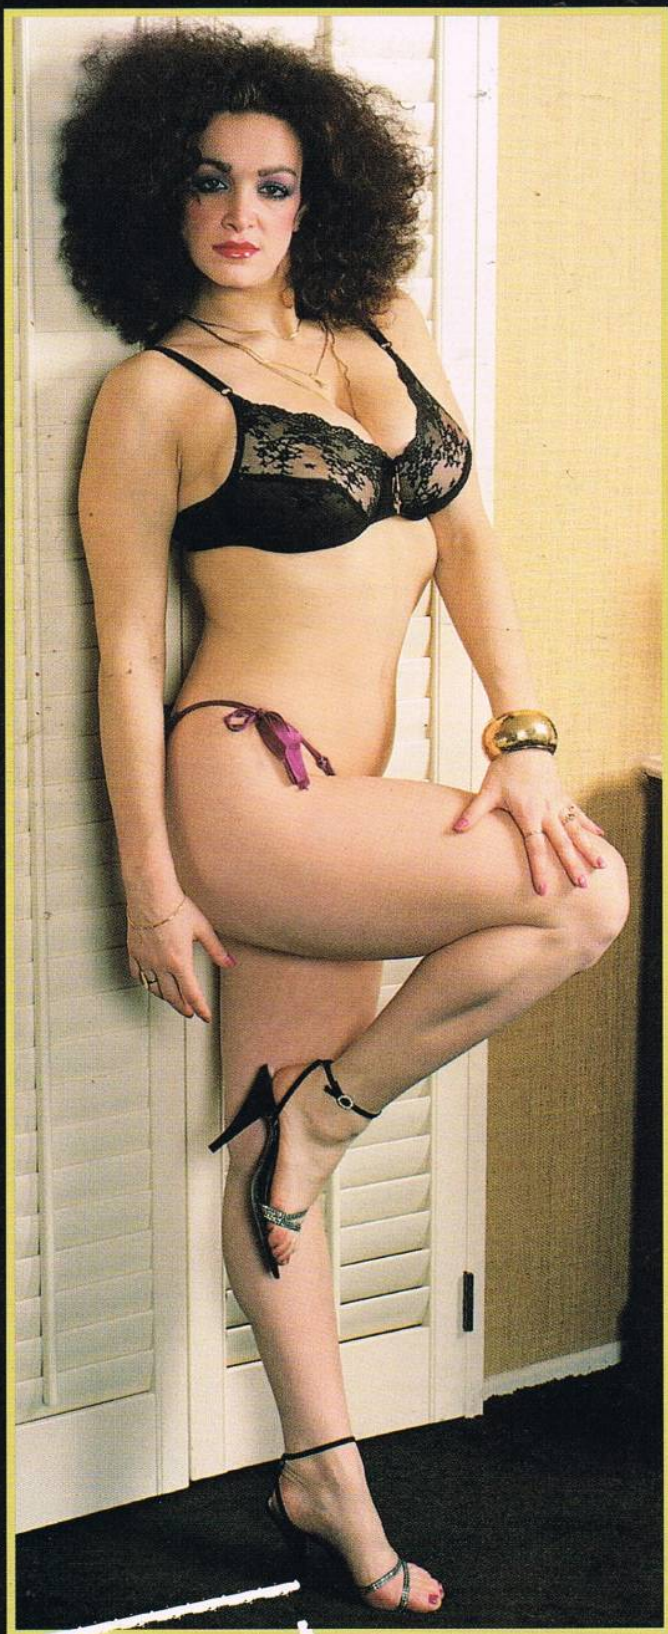

SCORE: That, and a whole lot more.

KAYLA: You take care, and tell all of those SCORE-men out there to look at my work in *Voluptuous* (Kayla shoots a lot of the photos for *Voluptuous Magazine*) and tell me what they think.

SCORE: I don't have to, because you already have!

KAYLA: Bye, everybody...

SUE NERO

Sue's built like a brick shithouse...make that, a "legendary" one!

SCORE 75

In the early '80s, there were all sorts of pretty California girls doing XXX. Tall, leggy, blonde and beautiful, these babes were every guy's fantasy—unless you craved a street-tough, I'll-fuck-you-in-a-back-alley-while-your-girlfriend-watches type of gal from New York City. If you wanted one of those types, Sue Nero was for you. She started off as a cock-sucking porn star, then somebody realized that she had big, all-natural tits. Sue began to appear in all of the big-bust mags, and became notorious for her hot and nasty posing sessions. So notorious in fact, that Sue Nero's rep reached "legendary" proportions!

LUST AT FIRST SIGHT

Continued from page 48

practically ramming his length into the deep recesses of her wonderful mouth as her hands continued their relentless massaging of his nuts. Lolita scraped one long fingernail across his asshole, triggering his eventual release.

The hot cum began to travel up his cock and Lolita felt the twitching, jerking and erupting volcano throb violently in her mouth. She pushed her long fingernail into his asshole as the first jet of cum blasted from Vince's cockhead and splashed against the roof of her mouth.

"Pull my hair hard!" Lolita cried. "I'm cumming, too!" She pulled back from the shooting head, another string of love juice squirting her upper lip, some of the cum catching on the lip and hanging down in a syrupy string. Another thick stream shot out, catching the side of her nose and traveling up to her eyebrows.

Load after load of sticky cum coated Lolita's face until it was a saturated, swampy pool. She continued sucking the head and rubbing it around her face, catching the slick globs of nut nectar that had escaped her swallowing mouth. Her tongue licked his dick clean time and time again after it had picked up a fresh coat of cum. She took her time cleaning up Vince's spilled seed, making a thick lather that hung around her entire mouth, some of it dripping onto her chin and neck.

She sucked and gargled and swallowed Vince's load forever. He had never cum so hard in his life. He thought his insides were all being drawn out hard and fast through his throbbing, pulsating cockhead.

All that was left of Vince was an empty husk of human flesh. He sat back on his haunches and tilted Lolita's head back. The smears of his cum encircling her mouth with her pink, thick tongue swabbing at it would be a picture so erotic Vince knew he would never forget it. He drew his eyes away from the still working mouth and stared deep into the turquoise pools of Lolita's eyes. She returned his stare and he spoke for the first time in a long time.

Melting into Lolita's softness, his eyes never leaving hers, Vince said the only thing he could think of: "I know this might be a bit much. But...will you please consider marrying me?"

"I don't know what to say..." Lolita

said, drifting off as she stared deep into the recesses of Vince's eyes, searching for something—anything—that would help her give this man she barely knew, but whose love was unquestioned, the answer she so desperately wanted to give.

"Say yes," implored Vince. "And you'll make me the happiest guy in the world. We can fuck like this forever!"

Lolita paused, and reflected on his last sentence.

Vince held his breath.

"I guess there's only one thing I can do," the blond beauty whispered as she drew near to Vince's ear. "I..."

Vince thought he heard the final word—"do"—as his mind slowly faded. His last memory was Lolita's twinkling, turquoise eyes. Those eyes he had fallen in love with. Those eyes he had wanted to marry. Those eyes that would bring him an eternity of joy and pleasure if he had only heard that one word. Vince tried to smile, but his mouth wouldn't react. His vision blurred and he slumped over, hitting the car's seat with a thud, as his body went numb forever.

As casually as most people wipe ketchup off their mouth, Lolita wiped her face, cleaning off the sticky mixture of Vince's cum and blood, put her clothes back on and opened the car door. Looking back at Vince, she leaned over, gave him a kiss on his lifeless lips and got out of the car.

The police report listed Vince as "Victim #8—Single gunshot wound to the head. Motive—None. Possible suspect(s)—Serial killer." A potential witness to the crime, some wasted weirdo by the name of Mick Jugger, said he saw a gorgeous, buxom blonde waltzing off into the night, and could have sworn he heard her singing, "Don't worry...Be happy now."

The investigating detective smiled at Mick, and scribbled on his note-pad, "Drunk beyond belief." He thanked Mick for his time, got in his four-door sedan, and turned his ignition switch. It had been already been a long night.

"The sun was going to come up soon, for Christ sake!" thought the weary cop, as he drove off, taking one more chance to look in his rear-view mirror at the bevy of sexy dancers hanging out at the club.

"Nice looking broads," he said to no one in particular. "I'll have to come back here one night. Who knows... Maybe I'll get lucky..."

importers to buy more of your magazines, as I don't think they realize how popular yours are.

I just managed to get hold of a second copy of July '94. Anything with the magnificent Chloe Vevrier in it is instant "snap-up" material as soon as I see it. I still remember her first pictorials, when she was a chubbette—pretty, but a bit large for my tastes. Now, she's absolutely magnificent—"voluptuous" is an excellent choice of word to describe her now. What I wouldn't give for the opportunity to be able to make love to her. (Ah well, we can all dream, can't we!)

Plus, the sexy Wendy Whoppers is an incomparable goddess. I've seen a porn film she starred in—*Dr. Whoppers*—and by gum, is she hot in action. I highly recommend it to all of her fans.

I'd just like to put my vote in for more pictorials of Busty Dusty (one of my personal favorites!), Lisa Lipps (Hubba, hubba), Tiffany Towers (Oh, to be her bra!), and Candy Cantaloupes (She could make a fruit eater out of me!). These four ladies, in particular, are the divine goddesses of the big bust modeling scene.—E.M., Australia

More Huge Breasts Straining Against Tight Sweaters!

Dear SCORE:

As a poor British squaddie, I have to say that SCORE is a life saver! Me and my mates love big breasts—the bigger the better!—and look forward to SCORE each month. We all love the magazine, but agree that it could be even better. With that in mind, here are some of our suggestions:

More big boobs straining against bras, tight dresses, teddies, camisoles and other lingerie (but definitely not bikinis which are boring!). We love seeing big bouncy breasts squeezed into that sort of kit (clothing) and can't understand why all your models don't do some "kit on" shots. I would have liked to have seen more of Lili Xene's red dress for instance—an all fours pose facing the camera would have had me wanking for a month!

Talking of all fours, can we have yet more of these? The sight of a

massive mam hanging down while the model's arse is stuck up ready for a good shag is second to none! Well, maybe if the model was in a bra it would be better!

We all love all manner of tit holding and tugging. Seeing nipples being really yanked is great and a shot of a well-endowed woman leaning forward cupping her tits is brilliant and very exciting.

None of us particularly likes the girl/girl spreads or the swimsuit stuff. We would much rather see the girls in satin and lace posing in a nice bedroom—that way you feel closer to them when you're having a pull. My all-time favorite shots are of Lisa Lipps when she was wearing a white satin bra, matching girdle, suspenders and stockings. She posed in a really nice room and I've got all those shots pasted on my wall—she just oozes sex and I long to touch that bra! I must have gone a good hundred times over looking at those photos!

Finally, we all love those shots where the model is sitting with her gorgeous tits exposed (bras can still be on—it adds to it!), leans forward and squeezes them together with her arms. That is also great standing up so that the breasts almost hang into the camera!

These are of course just suggestions. We will still buy *SCORE* because nothing even comes close to it over here in the U.K. It's just that these ideas would make it even more of a monthly cumfest! Long live big, wobbly breasts!—J.B., Warminster, England

Good Girls And Bad Girls Don't Need To Smoke To Be Sexy

Dear *SCORE*:

I have been a loyal, appreciative fan of *SCORE* from your very first issue. Congratulations on the best photos, writing, layout, interviews, models, and art direction. My vote is for the following:

Keep the focus on beautiful women. I don't need another man's dick distracting my fantasy. *SCORE* is different than other mags, don't bow down to the pressure to compete with boy-girl layouts. Keep the photo focus on the women.

Smoking does nothing for me except bring about recollections of bad breath, foul coughing, and

stinky air. Please do not fall victim to erratic, misdirected, tobacco industry hype. Good girls and bad girls don't need to smoke to be sexy. Hairy girls are an abnormality deserving of their own publication. Generously endowed and super busty babes are the meat of SCORE. Leave the hairy girls to some other mag for their fetish friends.

SCORE is tops and will never be imitated if the magazine continues on with its successful formula. Don't fix it if it ain't broke. Don't start becoming the smoking, hairy girl, blowjob, type of trash magazine that isn't even worth recycling.

I am 43 years old and not a subscriber. My purchases count at the newsstands. I have never written to any magazine before and have purchased every issue of SCORE and Voluptuous magazines ever published. Please, do the right thing and continue the fine tradition you have established. Concentrate on featuring new models and showcasing your beautiful stable of talent. That's why your magazine enjoys a unique market advantage, and continues to be regarded as the very best in the business. Thank you for considering my suggestions. -D.G., e-mail address withheld

Fantasia

*Fantasize about ramming your
high-hard-one between
these whoppers!*

Feature dancing for the past three years, Fantasia has been receiving tons of letters from faithful readers asking her why she hasn't graced the pages of *SCORE*? "I've always fantasized about it, but I wasn't sure if I was *SCORE* material." Since you brought it up, tell us more about your fantasies? "There's a subject I could go on and on about. Although I have so many, the two that I really want to try next are, first...I go to a professional masseuse and get treated by a guy and a girl that I've never met before. After this beautiful couple oils me up and rubs me down (aren't I spoiled, getting all the attention), then the three of us get really intimate. Also, I fantasize about a guy on a Harley Davidson. We'd go for a ride, then he'd lean me over the handle bars and ride me while the bike is still running. Oh my, what those engine vibrations would do to me!"

O nce a legal

secretary, curiosity brought Fantasia into a strip-club one fateful night. "It looked fun so I asked about a job. The manager insisted that I try-out right then, so I got up on stage and went at it. I was nervous for the first song, but soon I was having too much fun to stop." And a star was born. But where did that perfect name originate? "Well, this D.J. at a club I worked at kept playing a song by that same name when I danced. Soon enough, all my customers were calling me Fantasia! The rest is history!"
