ABOUT THAT STORY...

Dear SCORE:

I never thought I'd be writing you guys because of a fiction story, but Chapin Shaw Tucker's piece in the July '97 SCORE was on point! Not only was it original, but it was highly erotic as well. I almost didn't need to see the pictorials after reading it (but I did, of course). If Chapin can keep writing fiction the way he did in the July '97 issue, do whatever you gotta do to keep him. His story was the bomb and nothing less. -M.V.F., East Orange, New Jersey

SWEET AS HONEY AND TASTY MELONS!

Dear SCORE:

I have to say that Honey Melons is the most beautiful woman in SCORE to date. I'm a huge fan of body piercings, tattoos and nice, big, flexible pussy lips like Honey, Lisa Lipps and Jesse James have.

So, please find more of these big-boobed, big-lipped women like Honey and keep up the excellent work. -J.V., Vacaville, California

CHLOE & SARENNA IT'S ABOUT TIME!

Dear SCORE:

The tit-to-tit confrontation between Chloe and SaRenna Lee was vintage SCORE. It took long enough, but these two chesty superstars were definitely worth the wait.

With the possible exception of the incomparable Traci Topps, there may not be a more astounding, super-stacked hard-body than the lusty and busty Lisa Lipps. Her flawless form has never been better! No doubt, Lisa will be the subject of most of the

Tit-men rejoiced when the July '97 SCORE hit the newsstands because two of the most popular busty babes of all time—Chloe Vevrier and SaRenna Lee—were together for the very first time!

In the jam-packed July '97 SCORE, Honey Melons proved to be one of the most popular models. Part of the reason had to do with those juicy honey dewes, but a lot of SCORE readers wrote in raving about Honey's matching "cootchie rings."

SCORECard mail.

As for the rest of the issue, the "Lost Photos" of Letha Weapons provided a proper encore for her wondrous whoppers. And as for your "all natural" Russian tease, rack up another devastating discovery for SCORE! I love Kathy's immense, knobby nodes and beautiful body. Another plus is that she's not afraid of the camera. As a 1997 newcomer, only Barocca gets higher grades than Kathy.

Each of the models that I have previously mentioned have been able to raise my sexual awareness in their

own way. But, as good as they are, none exhibits the sensually erotic powers of the outrageous Honey Melons. When this sizzling and sultry seductress decides to turn on her enticing charismatic charm, my cock feels like it is ready to explode.

With Europe DiChan and Zoryna Dreams, Honey is one of the three hottest headline strippers in the business. What she does for that clinging black dress and lacy brassiere staggers my imagination. Please don't wait too long to bring this torrid tempest back. She doesn't need to play around in a

Dear E.B.: Sorry, the fingernails and hair may match, but that's strike one!

CHLOE VEVRIER?

Dear SCORE:

Nice ass, it belongs to Sasha (Nov. '92 SCORE) is my guess for the special Boob Cruise T-shirt!—B.B., New Orleans, Louisiana

Editor's Note: And B.B. from New Orleans hits a long drive, way back, back, back...gone! A home run! Sasha was right on and you should be enjoying your limited edition Boob Cruise T-shirt as you read this issue. Don't forget to send us a letter and a picture of you with your prize!

FOND MEMORIES OF LETHA WEAPONS

Dear SCORE:

I can't tell you how much I enjoyed the July '97 issue of SCORE. As usual, biggest is best!

I especially liked the article on one of my all-time favorite models—Letha Weapons. When she first started, I wrote her and not only did she answer me personally, but Letha also included a photo of herself. From time to time I would write her and she would always answer, again many times with pictures which were not requested. Unfortunately, she is no longer around and hasn't been heard from in quite some time. It's nice to know that Letha's as attractive on the inside as she is physically beautiful. My only regret is that I never got to meet her in person. From all that I have read about her in SCORE, I'm sure it would have been a most enjoyable experience.—R.S., White Plains, New York

KATHY & HER DUGS WERE RED HOT!

Dear SCORE:

You've done it again! Linsey [Dawn McKenzie], Barocca—all the way back to Chloe—SCORE continues to lead the world in finding the hottest busty babes in the world and bringing them to us tit-men! But, you've outdone yourselves with Kathy! I'm not going

to blow smoke up your ass and tell you she's got tits as big as Chloe's. Very few women do! But, when you're talking about sex appeal, this woman has it! And those dugs! Oh mamma! To suck on those for just one second would be the greatest experience in my life!

I guess you can tell I'm head over heels in lust with your new discovery. One more photo, please! And, are there any more pictorials coming? Let me know!—K.F., Buffalo, New York

MORE PIN-UP PHOTOS

Dear SCORE:

Finding the picture and letter on page seven and eight of the July '97 SCORE, I had to write. Only yesterday I had written Alexis Love a letter applauding her choice to pose the way she wanted.

D.V. from Norfolk stated he was a guy of the '90s (26). I myself am a guy of the '60s (48). I have read every big-bust magazine available and the "gyno look"/"pink shot" photos seem to be the common pose in all of them.

I myself don't see anything sexy about this pose, but then again I may be old fashioned. The right clothes, poses and lighting can make a beautiful, busty woman look sensual, alluring and downright mind boggling. I salute Alexis Love and any model like her who chooses not to show pink.

I subscribe to both SCORE and Voluptuous and think they are outstanding.—R.L., Liberal, Kansas

SWPF, 29, LOVES BIG, GIANT BREASTS!

ful, big breasts some day—he promises me he will find me an eligible candidate for a menage a trois by my 30th birthday this January. I bought him a subscription to **SCORE** (ha, ha it was really for me) and we enjoy reading it together—actually, I read it while he sucks on my clit and fingers my G-spot! Oooh! It's good reading, indeed!

While I have your attention, I have a few questions and suggestions:

1) What is the best way to approach a big-breasted woman about touching her breasts! I have a fantasy of standing behind a **SCORE**-type babe (Busty Brittany would be my first choice—I love her black dress photos. The way they frame those beautiful breasts and perfect areolae—yum!) and feeling those beautiful globes in my hands. Yet, since I am a high-profile member of the community and own my own business, walking into a strip club is not an option...suggestions?

2) Could you please publish a tour list of some of our favorite **SCORE** babes—especially when any are coming to the Charlotte, North Carolina area?

3) My ultimate request—how about a Busty Brittany menage-a-trois pictorial? Oooh! I would fantasize that it was her and me and my honey!

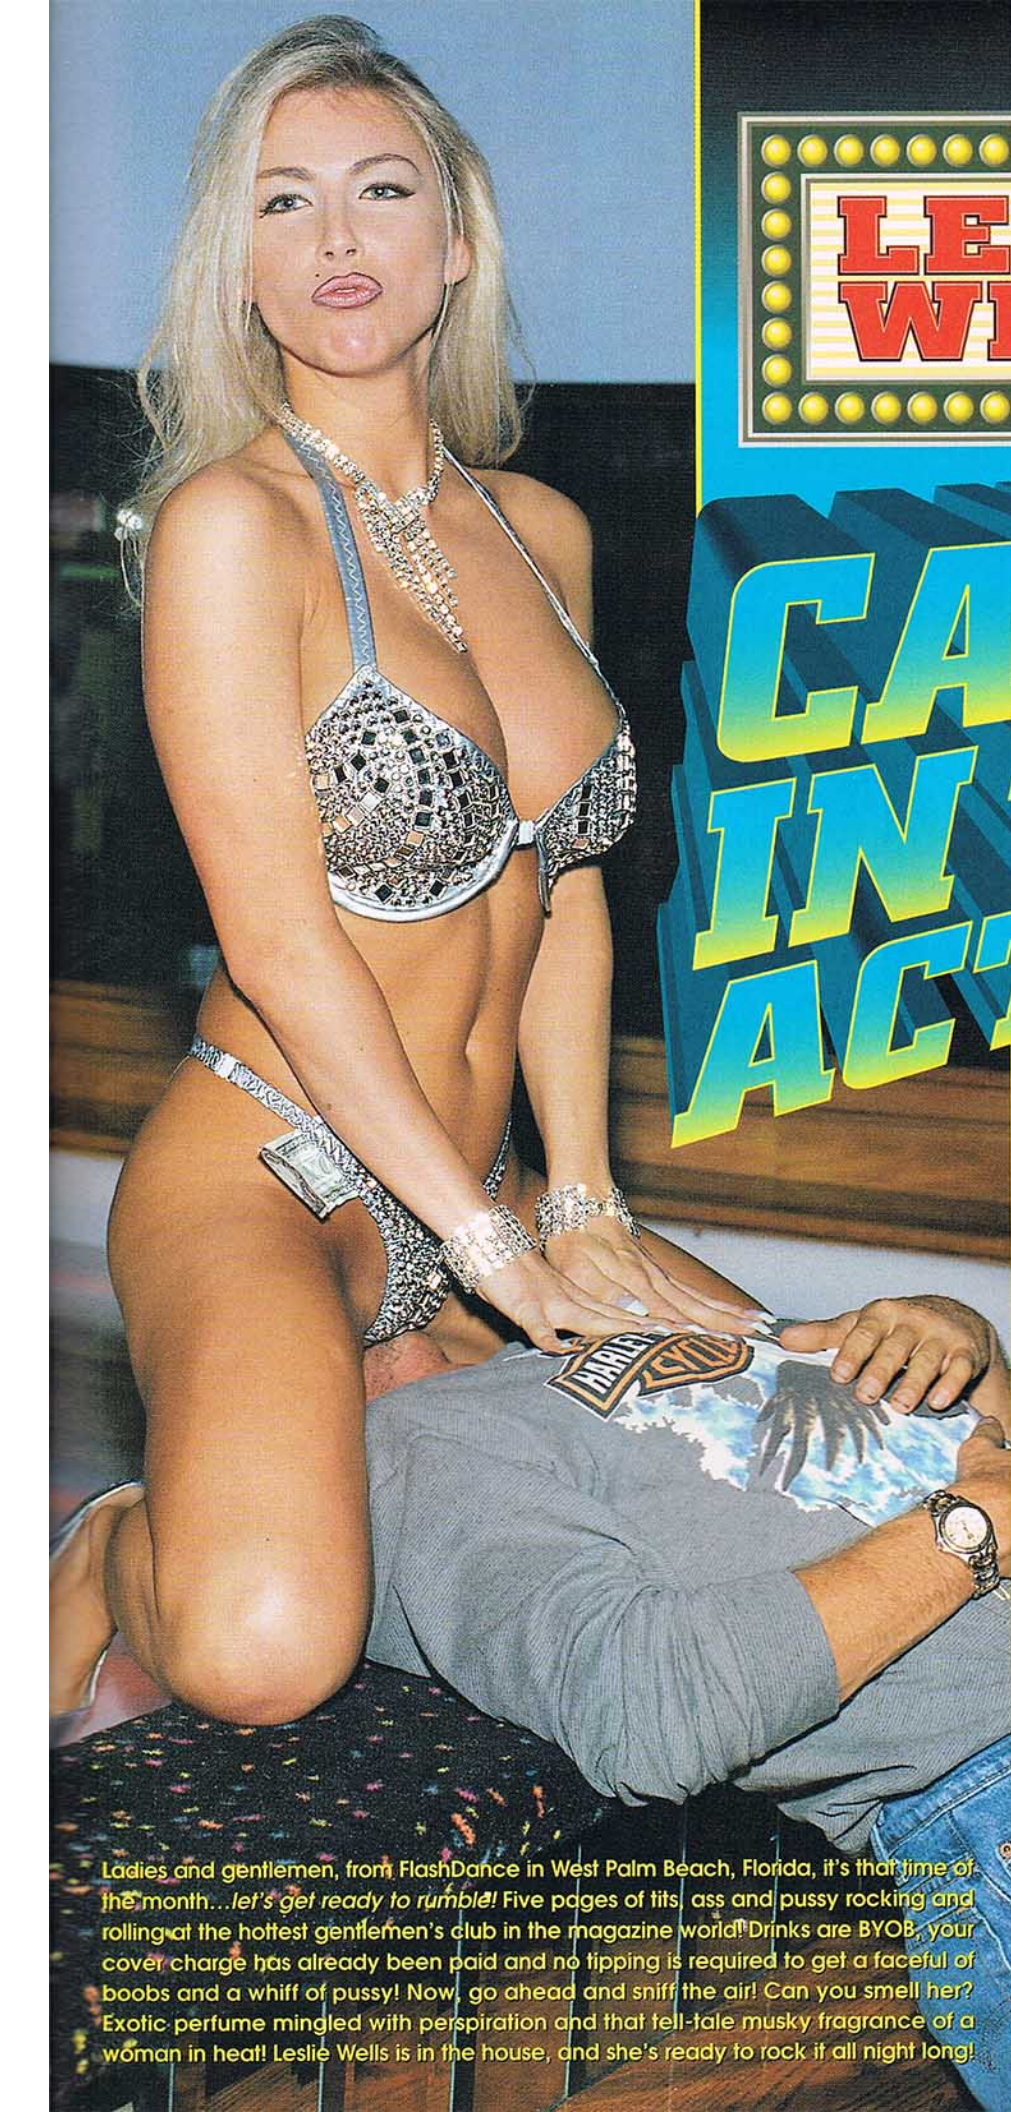

Thanks for all you do!—J.C.,
Charlotte, North Carolina

Dear J.C.: Thanks for subscribing. Now, on with your questions. How to approach a busty babe? "Nice tits, feel like sharing?" is always a good line! Seriously, though, tact would be our editor's best advice. That, and swingers' clubs. In that kind of environment, there's no surprise as to what everybody is looking for. Being a "high-profile member of the community," might we suggest **SCORE's Boob Cruise**? We can't guarantee a menage a trois for you on the cruise, but if you want to look and even have your face sandwiched between some major-league whoppers, there's no place like **SCORE's Boob Cruise**! As a subscriber, you know the special issue is next month. That will also be the first opportunity to sign aboard for our fourth annual cruise, sailing next spring!

Request number two may be difficult to satisfy in the magazine because of printing schedules and the actual notice dancers receive about upcoming club dates. However, on **SCORE's** website we're looking into running updates of all the **SCORE**-girls and their dancing appearances. Watch for that soon.

As for your Busty Brittany threesome, you're in luck! She appeared with

Exotic perfume mingled with perspiration and that tell-tale musky fragrance of a woman in heat! Leslie Wells is in the house, and she's ready to rock it all night long!

Now, if you've never been to one of Leslie's shows, here's a bit of advice: Don't be a wallflower! This feature dancer, model and movie star loves audience participation! And, trust us on this one, she ain't the type who just lays there! BOOB BEAT

A C O L U M N B Y E L L I O T J A M E S

A PEACH OF A PEAR!

Blossom Pear leans forward on the couch in her hotel suite. Boob Beat man is here, his tape rolling. Blossom magnetized a lot of eyes as she strolled through the hotel and not just for her pretty face, blue eyes and flowing red hair. She's 5'8", 130 lbs. and her 60H-23-35 figure dangerously strains her tight, white top and black shorts.

She sports an athletic, healthy look and wears no tattoos, bucking the current fad. Her voice and speech pattern are as impressive as her body. She speaks at a dynamic pace, her voice as vigorous as the rest of her, and she laughs a healthy laugh as she talks. Life should be fun or what's the point.

Originally from Dallas, Texas, her dancing debut was at a club in Marina Del Rey, California. It was an amateur contest. Now Blossom's a featured act, touring North America's exotic clubs.

Her agency is Universal, specialists in bigger-than-merely-busty dancers. Before she ever stepped on a stage in an exotic dance club, she was trained in, and taught, jazz dancing and ballet. She was a dance major in college. Our Blossom Pear profile continues.

The first thing Blossom notices about a guy is: "The way he walks."

What makes a man sexy: "Confidence, but not uppitiness."

What pesky nightclub customers should never do: "Try to stick Mr. Fingers where they don't belong."

The exotic dancer she respects the most: "Kayla Kleevage. She's been a friend to me and I very much respect what she's done in her career."

She really loves: "Sunny days. Days beyond hot. Blistering days. Very hot, hot, hot jacuzzi tubs."

She just hates: "Temperatures that drop below 70 degrees. Dim stage lighting. Clubs that have stages too small to really move around on. Run-down stages with sharp, metal trim, shoddy floors and other health hazards that can really injure a dancer."

She feels her most attractive features are: "Emotionally, my enthusiasm in meeting people, which is one of the reasons I became an entertainer. Physically, though, I've been told it's my hard, long nipples." Really?

Her favorite recreations are: "Lifting weights, skiing, dance training and playing with my two dogs, Kennedy and Rockefeller, both Shih Tzus." Very lucky puppies, at that.

Favorite vacation spots: "Anyplace really, really hot, the hotter the better. I don't like wearing clothes."

Blossom currently does ten different shows with costumes to match.

Boob Beat columnist Elliot James is mighty hungry, and this month he's going after some...pears! They ain't melons, but these puppies are just as juicy and a bit oversized, wouldn't ya say?

BOOB BEAT

BLOSSOM PEAR

Blossom offers patrons a Wild West scene, her own version of Miss America, and an S&M show wearing black leather gloves, jacket, boots and whip. She doesn't use stage props like toy pools, preferring to use props that can be attached to her costume.

She'll generally do each different show twice during a club date. She wants her time on stage to be fun for everyone and she wants to hear feedback about her show from clubgoers. She likes to know where she stands.

As for videos, Blossom is thinking of a sexy line of her own like Kayla, Busty Dusty and Minka. She has fought in indoor boxing and wrestling videos for Double Trouble, Fight Time and the popular femme wrestling troupe headed by beautiful grappler Belinda Belle of the The Steel Kittens.

In one Kittens' match, "Big Busted Brawlers," Blossom takes on Shelly, The Kitten's megaboobed regular. Blossom and Shelly are strong and stacked women so this is a catfight supreme. In other wrasslin' tapes, busty Blossom pulverizes men.

And now for the part you've been waiting for, Blossom in the bedroom or any other part of the house. The way she talks about sex is as direct as everything else in the Blossom Pear style. She talks about sex naturally, not in that over-rehearsed, predictable style that seems to pervade the adult entertainment industry. But first, she lets out a big, devil-may-care laugh.

Blossom says the doggie position gets her off "the best." As for the missionary position, she admits, "Since I'm really flexible, I like to have my legs wrapped over my head."

Fucking in a bedroom with lots of mirrors excites her. She loves to look at herself and her partner in mirrors and likes to see him doing the same.

Another Blossom favorite is "the reaction I get when my tongue slides up the back of a guy's cock. I want him to watch my tongue." And as for her own reaction, it's Blossom lying on her back so she can watch his tongue licking her blood-engorged clitoris.

She also has that super-rare ability to squirt as she cums. And she means

a lot, she emphasizes. "I can also shoot a dildo clear across a room and leave a stream," Blossom says, laughing. Wow. That must be an amazing sight.

She may be laughing as she talks about her flooding and her muscular pussypower, but she takes a great deal of personal pride in these talents.

"I'm one of the few women who has the ability to cum all over the room," she said. She may demonstrate this

hydro-sexual talent and her dildo propulsion skills in a masturbation video one day. Maybe. If we're lucky, she won't leave us high and dry.

Send your best wishes to Blossom's newly created fan club at P.O. Box 83102, Dept. SCORE, Los Angeles, CA 90083-0102. The introductory membership is a mere \$20.00. A Blossom internet website is imminent, she says, so next time you're online, look for it.

GIRLS OF THE SUNSHINE STATE!

Nude, from Daytona Beach, Florida, it's...the SCORE-girls! Yep, a bunch of your favorites got together for a weekend of sun, fun and big boobs on one of the most famous beaches in the world! For those of you who were lucky enough to be there, you remember these slim-n-stacked girls well. For those of you who weren't in Daytona, the babes of summer were, clockwise from upper left: Lisa Lipps, Honey Melons, Meshalynn, Minka, Candee Apples and Candee Andes. Sun, fun and really big boobs...what else is there?

EXOTIC DANCER DIRECTORY

Adara Michaels of Scandalous is the cotton-candied covergirl for the new 1997-98 Exotic Dancer Directory. And rightly so, since she's one of the best in the business. Indispensable for the business traveller or vacationer who enjoys the company of sexy strippers, this 240-page, color guide to gentlemen's clubs across the United States and Canada lists over 2,000 showbars.

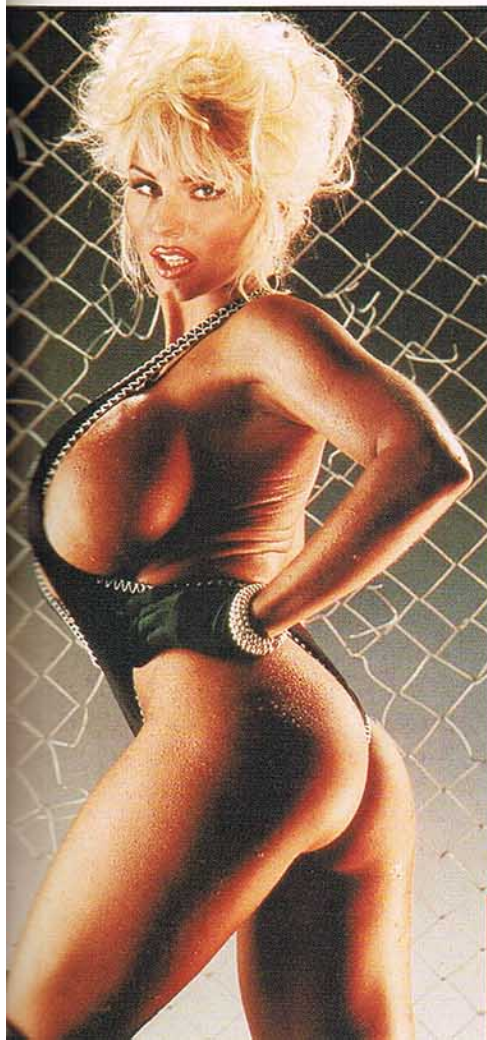

It's action-packed with articles, club hopping tips and info on who's burning up the dance stages in North America. Clubs are listed by city and state. Each listing gives the club's address and phone number, along with pertinent information like whether the dancers are topless or nude, the types of dancing allowed (lap, couch, friction), whether the club is blue or white collar, cover charges, operating hours, dress code, number

of dancers per shift and special promotions the club offers. Whew! That's a typewriter full, and you can bet you'll get your fill with the Exotic Dancer Directory. The cost is only \$24.00 U.S. (postpaid) to E.D. Publications, 28870 U.S. Highway 19 N., Suite 103, Dept. SCORE, Clearwater, Florida 34621.

MESHALYNN: AUSSIE TITS!

MeshaLynn's massive hooters are glorious to play with, not that I'm speaking from experience mind you. This Boob Beat man had the chance to first meet MeshaLynn at the Consumer Electronics Show, where she caused a mob scene just by breathing.

I should know. I took an elbow in the ribs from a star-struck paparazzo who started foaming at the mouth like a mad dog in heat when he saw MeshaLynn in his viewfinder.

For those of you who don't know about MeshaLynn, she is a strapping, red-haired, blue-eyed Australian. Her brickhouse vitals: 42DDD-26-36. Currently, she's been making tidal waves in Boob Bay as a model and stripper. Here she blows her top in a pic by pro-shooter J.R. Reynolds.

MeshaLynn was born in Melbourne, the sprawling seaport in southeastern Aussieland. She was university educated in the U.K., where she began modeling. From there, it was a hop, skip and a jump (and a

couple of plane flights) to the United States, where she now resides.

MeshaLynn is currently on a lengthy exotic dance tour. That doesn't mean you can't wing a note to her fan club address at 757 Emory Street, Suite 348, (Dept. SCORE), Imperial Beach, California 91932. Chicks on tour always have a way of checking up on their mail.

MeshaLynn's truly hot stuff in her fuck videos. She says she likes hard men and soft girls. Our prediction is that you'll see her this year on a load of porn video box covers, riding a hot rod with the best of them and licking some wet pussy.

Australian hot number MeshaLynn flashes some pink and a humongous pair of tits as untamed as the Outback.

A TRAVELER'S GUIDE TO SEX IN FOREIGN PLACES

Everybody loves a good vacation. But, if you're horny and travelling, you'd better watch out. The world can be an awfully tricky place, especially if you have a raging hard-on.

Take the perfect Greek vacation. You're hanging out by the Med and you see her: busty, beautiful and a virgin! Hot diggidy dog! But, if you're going to fuck her, you better not use the #1 line in the world—"Sure, I'll marry you!" A man is prohibited from "seducing a virgin" by falsely promising to make the girl his bride. Any fellow who talks a chaste woman into going to bed with him and then refuses to marry her must compensate the girl with bucho drachmas, to make up for the girl's "tragic loss of virginity."

All right, no virgins for you. How 'bout some sunbathing—a favorite

pastime for Americans travelling abroad. Might we suggest Tropea, Italy. Their city council passed an ordinance that reads no women who are "fat, ugly, or generally unattractive will be allowed to remove all of their clothing and lie naked" on sandy beaches. Only "young women who are capable of exalting the beauty of the female body" are allowed on the beaches. Ah, la dolce vita!

Tasting the local cuisine is a must when visiting a foreign country. However, when in the Amboyna Islands, you might want to bring along some beanie-weinies. It turns out that, when it looks like a bad crop year is inevitable, the men are required to strip down after darkness sets in. They must then go to the plantations and masturbate. The "fertilizer" is reputed to spunk—uh, make

that "spark," an abundant crop.

Normally, passports are mandatory when travelling. However, in Samoa you also need a circumcision if you're planning on experiencing any of that island's hospitality. Apparently, an uncircumcised man is prohibited from fucking. No woman is allowed to become his wife. Nor can any woman consider having sex with such a man. You've been warned.

And, lastly, watch out when bartering for trinkets in Tasmania. If you see some pendants that don't look quite normal, don't blame jet lag because what you're probably seeing are men's cocks. When the husband of a Tasmanian woman dies, the law requires that she wear her dead husband's penis around her neck. The women of Gippsland, Australia, do the same thing. Bon voyage!

SPORTS TRIVIA: FINS, BUCS & MARLINS—SUNSHINE STATE SPORTS

Five years ago, there were no major league baseball teams in Florida. Next year will bring the state's second. Ten years ago, there were no NBA teams, now there are two. Twenty one years ago, the NFL expanded into Tampa, adding only the second Florida pro team at the time, along with the established Miami Dolphins. On top of all that growth, there are two NHL teams now. In the city of Miami, team owners have gathered the three coaches/managers who are considered the top geniuses in their games: Pat Riley with the Heat; Jim Leyland with the Marlins; and Jimmy Johnson with the Dolphins. Johnson of course, took over as the legendary Don Shula finished 26 years in Miami. Shula was all focused on football. When the television show Miami Vice was at its heyday, stars Don Johnson and Philip Michael Thomas were introduced to Shula. "They're from Miami Vice," the coach was told. One of the stars commented that Shula was a hero of his. "No, no, no," Shula

responded. "I'm just a football coach. It's you cops out there fighting crime that are real heroes!"

See how well you score with some sports trivia on Sunshine State sports.

1. What sports owner had his name on the stadium that the Dolphins and Marlins play in, before it became Pro Player Stadium?

2. How many straight games did the Tampa Bay Buccaneers lose before notching their first victory?

3. Who did the Orlando Magic take with the #1 overall pick in the 1992 NBA draft?

4. In their first season, what Marlins centerfielder led the NL with 58 stolen bases?

5. During the perfect season of the Dolphins in 1972, they became the first NFL team with two runners each gaining at least 1000 yards. Who were they?

6. In the 1973 Super Bowl, what

kicker earned his niche in the Blooper Hall of Fame by throwing an intercepted TD pass?

7. What two spots in Florida history are held by Matt Guokas and Ron Rothstein?

8. The Buccaneers took Ricky Bell with the first pick in the 1977 NFL draft. What Hall of Famer was taken second by Dallas?

9. What will be the name of the upcoming Tampa Bay major league baseball team?

10. What TV show featured the fictional NFL Orlando Breakers?

SCORE MAGAZINE HITS THE RACE CIRCUIT IN A BIG WAY!

All right boys, start your engines! **SCORE** is now into racing. We tried to get a car sponsored in America, but a pair of big boobs taking the checkered flag scared some people off who persist that racing is a family affair. But, in Europe they love their big tits out in the open and, as it turns out, on the hood! And now, everybody can get an eyeful as The **SCORE** Group-sponsored car is competing in the 1997 BRSCC Autoitalia Championship, and this Fiat Arbat Strada, entered by Natty Racing, driven by Philip Jones-Lloyd and autographed by SaRenna Lee (above, left and below), is truly a sight to behold!

Now, the big question: Does the Boob Mobile attract the babes? It worked for Linsey Dawn McKenzie and Kathy (above, right), so look for Philip, the Boob Mobile and (hopefully) the sexiest pit crew on earth at: Croft 16/17 August, Castle Combe 13/14 Sept., Silverstone 27/28 Sept. and Donnington 25/26 Oct.

If you are in the paddock area make sure to stop and say hi to Philip and tell him you're a **SCORE**-man. He'll be pleased to meet you. Make sure to ask him how his season is shaping up. And, if you get the urge, go ahead and pose with the car that is quickly becoming the talk of racing fans not only on the Natty Racing Circuit, but all the world!

Shanelle STAXX

Grab your pencils and sharpen your lead, kiddies. Class is in session, and your favorite teacher's here with a curriculum that's sure to add inches to your rulers. The subject is anatomy, and when the teacher is as qualified as Shanelle Staxx, this is a lesson you won't want to skip. Chalk it up to her world-class experience in the field. After all, who could better display the wonders of the female body than a former Miss Nude Universe? So pay attention, because the test is going to be very hard, and the curve is stiff. We favor hands-on learning and a one-on-one relationship between teacher and student. Now if you'll just wipe the drool from your chin, we can begin.

Okay, class, today we're going to talk about the relationship between breasts and beauty. Shanelle will be our living, breathing textbook—a perfect specimen. Notice the firm curve of her cleavage, the alert salute of her nipples...an ideal pair of mammaries. After all, they don't call her Shanelle Staxx for nothing. Now let's get a good look at those curvy hips and that scandalous ass, perfect for gripping during moments of extreme pleasure. A great ass should be fleshy but tight, muscular yet soft to the touch. Shanelle will be available for questions after the lecture, and any students who need special attention can stay after class for a special lesson they won't very soon forget.

Now we're getting to the nitty gritty...the pussy. The pussy's the thing, as Shakespeare might have said, if he'd had the chance to lay his eyes on Shanelle's shaved twat. So what's the equation for the perfect woman? Two gorgeous breasts + one great ass + one tight, juicy pussy sandwiched between one awesome pair of legs = the ideal woman...just what you'd expect from a beauty queen. Now, who wants to be the teacher's pet? Or would you rather pet the teacher? Well, you'll just have to get in line. You may have a hard time passing this class, but there's a silver lining; the final's an oral exam.

The Mile High Club

Story By
SUZANNE FREZELLE

**It's an exclusive clique
and this busty babe
is looking to join!**

I was on my way to Ohio for a painfully dull conference and my flight was as boring as watching grass grow. It didn't help that I was hornier than hell. I'd left my lover, Steve, back in San Francisco, and because both of us had busy schedules I didn't get a chance to fuck him before I left. So, now I was trapped on an airplane, my pussy throbbing with need. Sitting next to me was this annoying slob who kept staring at my boobs while trying to sell me life insurance.

"Insurance is very important," he said, his eyes never leaving my enormous E-cups. "It's essential. You have to plan for the future."

I certainly wished I'd planned for my future and fucked Steve back in San Francisco. Now, there was an insistent pulse of lust centered in my cunt that I could not ignore.

Dreams of Steve's hard cock were drifting through my mind. I imagined Steve's hand on my waist, holding me

tightly as he slammed his dick into my pussy from behind, my face buried into a pillow to muffle my shrieks of pleasure. My cunt pulsed with excitement as I pictured Steve's tongue slurping at my pussy, dancing between the hot, pink folds of my twat, slipping and sliding around my clit, bringing me to orgasm. I wished for Steve's fingers in my cunt. I longed to feel his cock slipping into my mouth. I wanted to suck him until he exploded, and then to have my legs up over his shoulders as he fucked my pussy as deep and hard as he could.

I kept shifting in my seat, crossing and uncrossing my legs. Slimy, slick juice was dribbling out of my cunt; I could smell my own lust. I was so horny I thought I was going to die.

"The premiums are excellent for this sort of offer," Mr. Insurance was telling me, drool hanging from his chin as he continued to stare at my aching boobs. My fantasies had made my nipples all swollen and hard, forming two little peaks through my silk blouse. The insurance agent was mesmerized.

I couldn't stand it anymore; I had to touch my cunt or I was going to go crazy. Grabbing my purse, I quickly got to my feet.

"Excuse me," I said, easing my way past the insurance man and into the aisle. "I really have to go to the ladies' room for a moment."

"That's quite all right," he said,

directing his words at my cleavage. "You go right ahead."

Thanks for your permission, fuck-head, I thought.

Once inside the bathroom with the door locked behind me, I got to work. I sat down, leaned back, hiked my skirt over my waist and started vigorously rubbing my pussy. I never bother wearing underwear as I'm always horny and panties just get in the way. My pussy hair, which is as red as the hair on my head, was already matted and damp with lust before I even began stroking myself.

I rubbed my drooling gash, trying to bite back little moans of pleasure, ecstasy rippling through my body in delicious waves. I slipped a finger into my hole, sliding it around the inside of my velvety soft, hot cunt, loving the sensation. I felt some release, but my hand wasn't enough. I had a big vibrator tucked neatly into my purse and I was tempted to pull it out and use it on my pulsing clit.

Before I boarded the airplane, an airport security guard had taken one look at my boobs and decided he had to search me. He ran his hands all over my body, paying particular attention to my tits, giving them gentle strokes and squeezes. Obviously he thought I'd stuffed something into my bra. Wrong. He found out I wasn't wearing a bra and that my tits are as real as they come. His attention to my boobs

didn't exactly help my state of hyper arousal. If I hadn't been in a rush to catch my plane, I might have requested that he give me a full body search in a quiet, back room somewhere.

The guard also went through my bags and, sure enough, found my vibrator. He waved it around with a big smile, asking me not-so-innocently what it was.

"It's a back massager," I said, not batting an eyelash, much to the guard's disappointment. "You know, it relieves tension!"

Now, in the privacy of the airplane washroom, I fingered my cunt a little more, wondering what my fellow passengers would think if they heard the loud, buzzing noise of my vibrator. I decided I could tell anyone curious enough to ask that I'd been using an electric razor to shave my legs. I took out my "back massager," switched it on and plunged it deep into my cunt. At least my sopping twat muffled the vibrating noise a little. My body rocked with gratifying lust as I pumped the best invention ever created in and out of my dribbling hole. A small orgasm rippled through me and I let out a loud moan, but I was nowhere close to being finished. I slipped the plastic cock out of my slick cunt and held it against my clit.

I upped the speed of my lovely toy and my entire body flushed with warmth. Soon, I was quivering happily in the throes of another orgasm, stronger than the previous ones and very pleasurable, but nothing compared to what was coming.

I could feel it. The tremors started in my clit, spread throughout my pussy, went down my thighs and up my torso simultaneously until my entire body was a quivering, pulsating bastion of ecstasy. This was a biggie! An explosion of pleasure! I let out a squeal of ecstasy as my cunt twitched and gushed. I imagined the airport security guard making me take off all of my clothes so he could search me properly, laying me out on a table so he could probe my cunt with his fingers and his cock, his hands squeezing my breasts as he thrust his meaty baton into my hungry pussy. I was gasping and grunting like a rabid animal when I heard someone at the door.

"Miss! Are you all right in there?" a man's voice said.

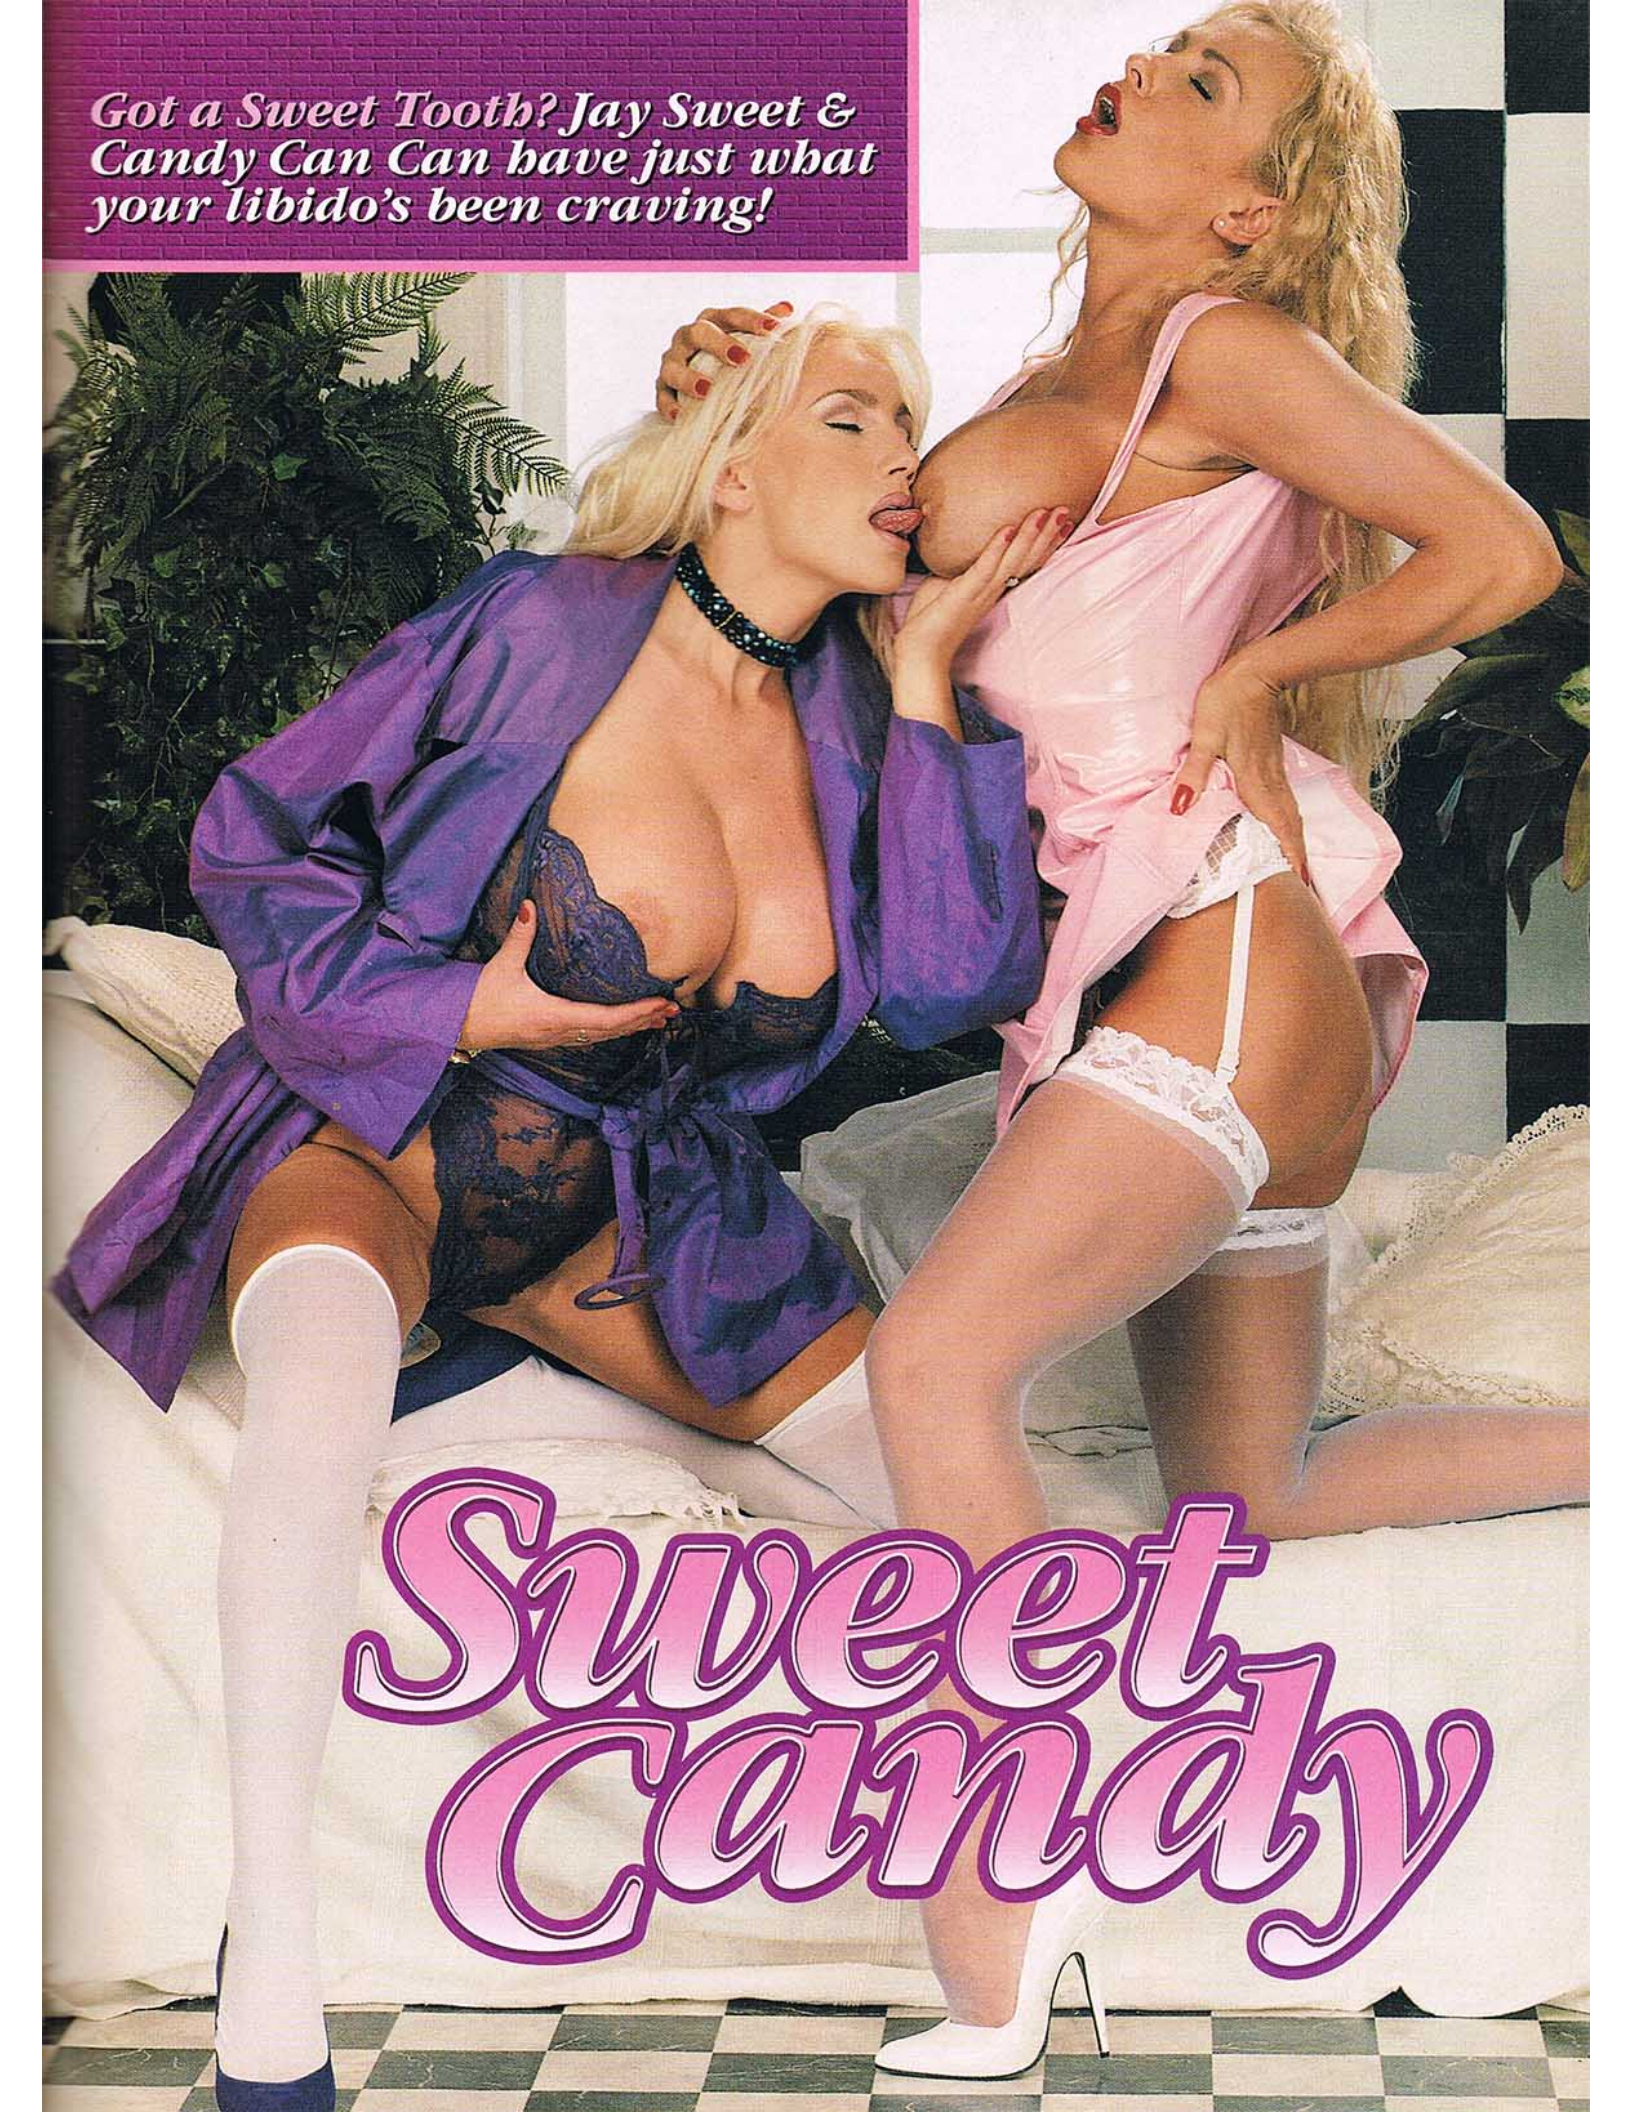

"I'm just...sh-shaving my l-l-legs," I groaned, unable to hide the piercing sexual bliss throbbing in my cunt.

SCORE 39

Believe it or not, there are still plenty of guys out there who don't know how to eat pussy. You've asked in your SCORECard letters for a model to show you the way, and here's Jay with some helpful hints... "Flatten out your tongue and give your woman's whole pussy a long, firm lick! Suck and stroke her lips, and when she's oohing and aahing go for her clit! Lightly at first, then firm strokes. Some women prefer circular licking, so test the waters and find out what works best. When you do, you'll know because she'll be cumming like crazy, smothering your face in her pussy! After she cums, give her your cock and hold on! She's going to cum again... and again I promise!"

MILE HIGH CLUB

Continued from page 34

"Miss? Are you sure you're all right in there?"

"I'm f-f-fine," I gasped. "Th-th-thank you for asking."

Then, it happened. Every masturbator's worst nightmare. I heard a sound at the door. Was something being inserted into the lock?

The door swung open.

"Miss...hello, miss. Is everything all...oh my!" he gasped. A male flight attendant, "Bruce" his name tag read, had a key to the door. Remember they have a key next time you go to the bathroom to join the Mile High Club, all of you out there in reader-land!

Bruce's face turned as red as my long mane of hair, but I was so close to cumming again that a crowd of flight attendants could have been watching and I'd have still kept playing with my oozing snatch. In fact, an audience didn't sound like that bad an idea at all. I let out a shriek of intense joy as the orgasm lifted me up into the air

and slammed me down hard. Or maybe it was turbulence *and* an orgasm. Anyway, Bruce quickly stepped into the bathroom, carefully closing the door. I noticed with a smile, that he locked the door behind him.

"Uh, miss, you've got to be quiet," he mumbled. "The other passengers can hear you."

His mouth was hanging open and his eyes were practically falling out of his head as he stared directly at my gaping, oozing cunt.

"Are you gay, Bruce?" I teased, still rubbing the vibrator against my clit and pumping two fingers in and out of my sopping wet pussy.

"No, miss. I'm...not gay."

"I've heard all male flight attendants are gay," I moaned. "I assumed you must be queer, Bruce, because here I am...stroking my cunt, teasing my clit...cumming over and over, and you haven't even offered to fuck me yet."

I spread my legs as wide as I could. Even in the confining space of the bathroom, I managed to perfectly expose the pink folds of my dripping pussy. Bruce let out a gasp of amaze-

ment; he obviously liked what he saw. There was a very large bulge growing in the front of his blue, uniform pants.

"The least you could do is suck on my cunt," I suggested playfully.

That was all the encouragement Bruce needed. He quickly kneeled down between my legs and started sucking, licking and nuzzling my throbbing cunt. He grabbed the vibrator out of my hand and shoved it deep into my pussy, pumping it in and out as he slurped away. I leaned back, gasping for air as Bruce did his stuff. This boy was good! He teased my clit with the tip of his tongue, took my labia into his mouth and sucked on them, then finally locked on my clit and stayed there.

Another vicious orgasm ran through my body like a fleshy earthquake. I felt pleasure in every pore of my body and I shrieked loud enough for everyone on board the plane to hear, including the captain way up in the cockpit. I didn't care who heard me at that point. Let them hear, I thought. The sounds of me getting a good fuck would be better entertainment than any in-flight movie, that was for sure.

"That was great, Bruce," I sighed, my body still flushed with sensuous warmth. I slipped the vibrator out of my cunt, switched it off, and tucked it back into my purse. I stood up and the tiny bathroom forced me to be jammed right up against Bruce and the throbbing hard-on trapped in his pants. Not that it bothered me. It was exactly the kind of thing I had in mind.

I gave Bruce a hard, wet kiss. Our tongues aggressively intertwined, then I quickly pulled away.

"Now, why don't you take off those pants of yours," I said, "and show me what's making that wonderful bulge."

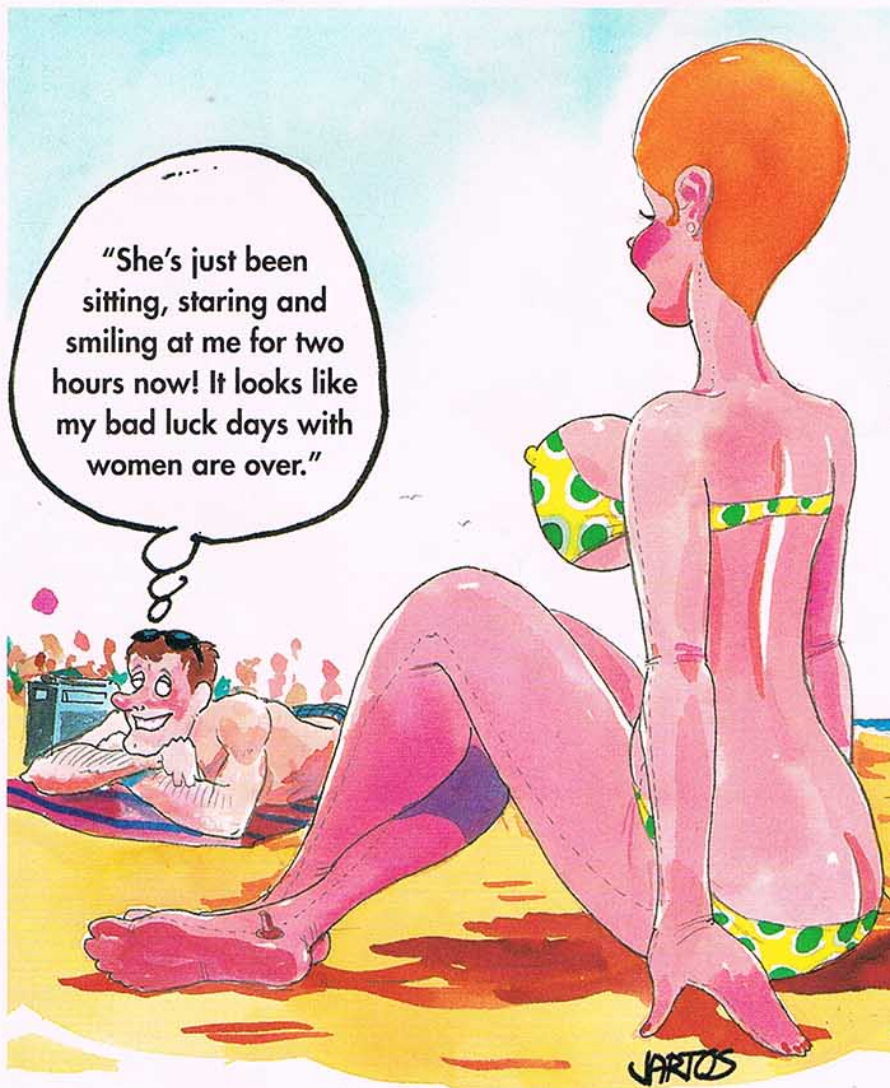

Bruce dropped his uniform pants to the floor and exposed his rigid, seven-inch cock. I gently stroked my fingers along his luscious length, letting my tongue slip out and wet my lips. His big dick looked incredibly tasty. Bruce groaned happily, closing his eyes and throwing his head back in ecstasy.

"Oh Bruce," I purred. "How can you hide something so beautiful from the world? You have to share that sweet cock with me. You have to shove it into my tight, wet, burning pussy. You have to!"

"You want it?! All righty, then! I'll give you the best fucking of your life," he growled fiercely.

"No, Bruce," I whispered. "You got

misty MOUNTAINS

Say hello to the biggest boobs in the issue! HHH-cup mountains...Misty Mountains to be exact! Yeah, we know a lot of you big-boob fans know this lady as Colt 45, and some guys aren't into change. But, the boobs remain the same, and so does the person behind them! Down-to-earth and a through-and-through sweetie, Colt...err, Misty...is not only renowned as one of the nicest girls you could ever hope to get a titty facial from, but she's also one heck of a showgirl. She's featured at every club worth mentioning, been a guest of Howard Stern's and, most recently, the first feature dancer ever in El Salvador.

El Salvador was an experience, but Misty prefers America the beautiful. "I was flattered that they could have had anybody, and the club in El Salvador asked for me. But, there were guys walking around with M-16s! That was scary!" says Misty, who is not only planning a North American tour, but also a trip down under. "That's going to be great. Get ready mates! You don't have to head for the mountains—they're cumming to you!"

it all wrong. I'm going to give *you* the best fucking of *your* life!"

I pushed him so he was sitting down on the toilet, his erect cock pointing straight up in the air, trembling eagerly for my touch. I dropped down between Bruce's legs and slurped his delicious dick between my hot and hungry lips. It was the best tasting meal anyone has ever given me on an airplane. I slid my mouth up and down his tool, swirling my tongue around the head of his cock, making Bruce yelp and moan. I fondled his balls as I gorged myself on his monstrous dick, salty pre-cum drizzling on to my tongue. When I sensed he was about to shoot his load, I quickly pulled my mouth off of him.

"Not yet, Bruce," I whispered to him. "I want you to cum in my pussy."

"Yes," Bruce moaned. "Yes, please."

I got to my feet and then carefully straddled him, easing his gorgeous

prick into my tight snatch. Sliding up and down on his cock, grinding my cunt against his perfect tool, I let out happy groans and sighs as his meat did its magic. His hands reached up, pushed up my shirt, and my swollen boobs swung out into the open. I never wear a bra; it only gets in the way. Bruce mashed his face against my huge tits, chewing and nibbling first on one nipple, then the other. The way he feasted on my melons, licking them all over, I knew he'd never sucked on tits as big as mine. He squeezed them, stroked them, massaged them—worshiped them—grinning like a man who'd just won the lottery.

My aching nipples burned with pleasure as Bruce madly sucked. This was a tit man, no question, and he knew exactly how to pleasure my boobs. They were driving him crazy with want. He took as much of each of my tits as he could into his mouth, then he pushed my breasts together so he could suck on both my nipples at the same time, twirling his tongue around them. I love having my tits

worshiped, and Bruce was doing an excellent job. Every lick, suck and nibble made my body shiver and quake.

"Your tits!" he groaned. "They're the best I've ever..."

Then he began to shake and writhe as his cock exploded inside of me, spraying its load, filling me with his wonderful cream.

The sensation of his boiling cum gushing into my cunt pushed me over the edge again. I clutched Bruce's shoulders as another orgasm, the most powerful of them all, twisted through my cunt. My body filled with bliss and heat as I grabbed Bruce's face and shoved him between my tits, holding him there as I let out a delirious scream of joy. I collapsed against him, my tits still pressed against his face, as I shuddered and twitched happily, the last ripples of an incredible orgasm trilling through me, fading into a luxurious sense of satisfaction.

I slipped off of him and straightened my clothes. I slid my tongue into his mouth for a brief, gentle, but delicious good-bye kiss.

"Thanks," I whispered.

I stepped out of the bathroom, leaving Bruce sprawled there in a daze, his pants still around his ankles. Outside the bathroom door was a tall, gorgeous guy. There was a wicked grin on his face and an erection that he simply could not hide tenting his pants. This man had obviously heard me giving Bruce the best fuck of his life.

"I wouldn't go in there just yet," I whispered, touching the man gently on the arm. "I think my friend needs a moment to get himself together." Then I playfully stroked the man's cock through his pants. I just couldn't help myself. "When you get in there," I purred, "Would you do me a favor?"

"S-sure," he stuttered.

"Jerk off and think about me?" I said, smiling wickedly.

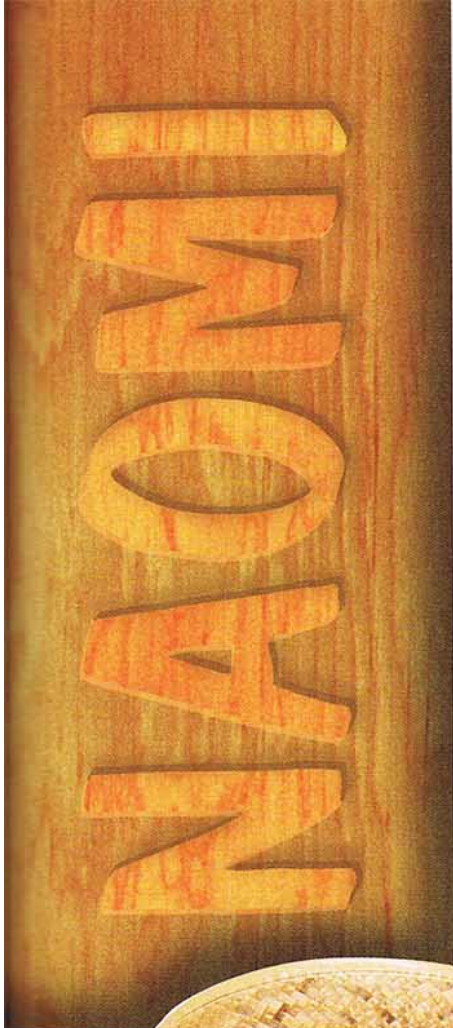

When I got back to my seat, Mr. Insurance grinned at me, glad to see I was back. As I was squeezing past him, I pretended to slip and made a point of smacking him right in the face with one of my breasts.

"Sorry!" I gasped innocently. "Oh, that must have really hurt! I'm ever so sorry. I really am!"

"That's all right," he said as he held a hand over his now painful right eye. Even though he must have been hurt, he smiled happily to himself. Smacking him with my tits did the trick, anyway. He let me doze undisturbed the rest of the trip.

"On second thought, come on in!"

**YEE-HAW! HERE
CUMS AN AFRICAN
E-CUP IMPORT!**

Spanning the globe, to bring you the constant variety of boobs, we went all the way to Ghana and here's what we found! Silicone-free boobies and living proof that the words "slim-n-stacked" know no cultural boundaries! Here cums Naomi, a 20 year old who sent us pictures with the hope that she could be in *SCORE* to finance her first year of college. We took one look and opened up the *SCORE* scholarship fund! So far, Naomi's making straight A's!

NAOMI CHECK LIST

Age: 20 Birthday: December 15 Height: 5'5"

Weight: 110 lbs. Measurements: 38-21-37

Bra Size: "I just found out-30E!"

Born: Accra, Republic of Ghana

Studies: England

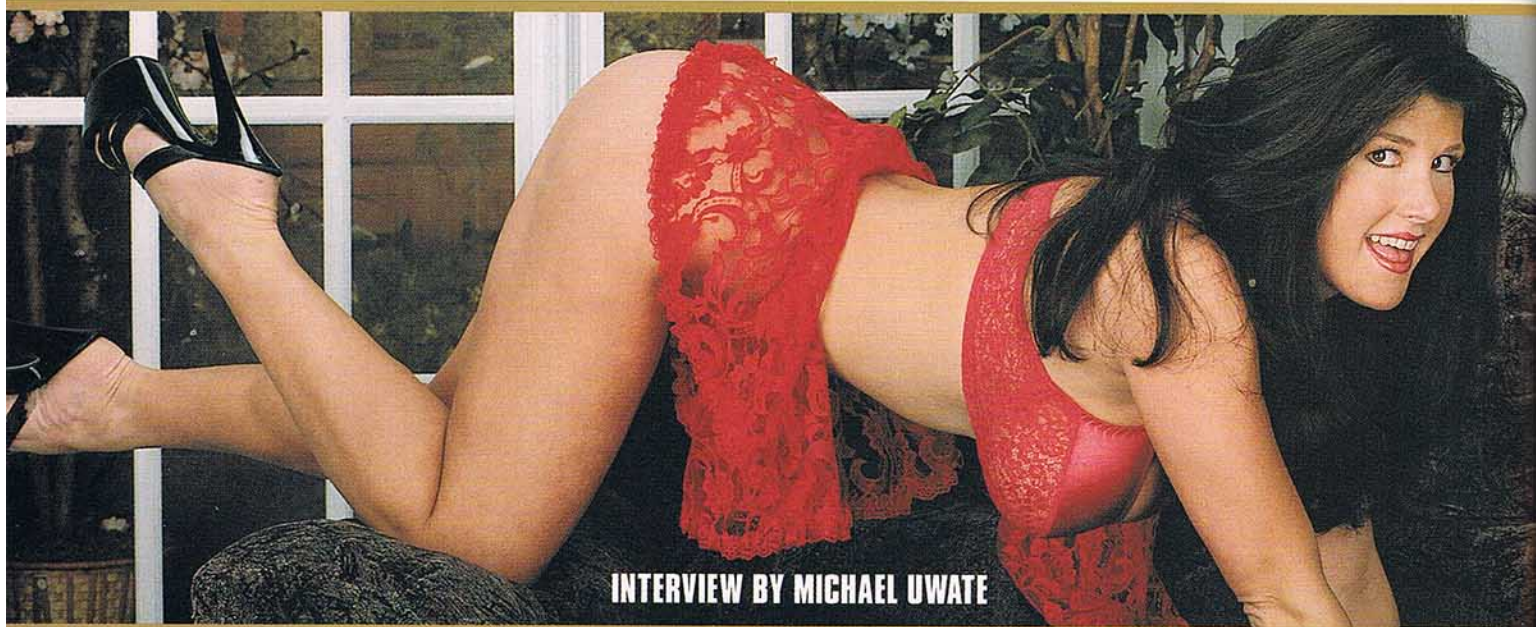

Born and raised in Accra, Republic of Ghana, Naomi (her real name) speaks impeccable English and is studying to become a doctor. The cowboy getup? Hey, we asked for a wet T-shirt and a pair of tight jeans, but Naomi's seen a lot of old westerns and when photographer Peter Marchant walked this African E-copper by his "barn" studio, she went ga-ga! "I had to do it! I wanted to do it! This (posing) is all about fantasy, and for me this is one I've dreamed about my whole life!" confesses Naomi. As for her boobs, "In my country, all of the women have large breasts—a lot larger than me. I'm considered average in size. I never thought they were big, until I saw *SCORE* on the internet and thought, 'My breasts are that big.' That's why I sent in my pictures. I hoped you'd like them and would want me. It has helped with my university studies very much. Thank you for helping me." Wait a minute—did she just say "average?" Last one to Ghana is a rotten egg!

Holly Body

A dancer, model and porn star...who won't talk about sex! Hey, with Holly Body that's okay 'cause there's still plenty to go around in her exclusive **SCORE** interview!

INTERVIEW BY MICHAEL UWATE

What do I know about Holly Body? Well, she has dark hair and big tits! And, **SCORE** dudes and dudettes, that's about it! Which is why we do interviews here at your favorite big-boob magazine. Unfortunately, Holly was a tough Kitty to bag! Bed-ridden with the flu for over a week-and-a-half, Holly, whose voice is soft and somewhat raspy to begin with, wasn't up for any conversation. Then, her family came to town, which meant no phone sex for yours truly. Finally, in the wee hours of the morning right before we went to press with this issue, I dialed Holly's number and, lo and behold, she wasn't sick. Mom was gone and Holly was ready to rock and roll. Here it comes—uncut, uncensored and straight from Holly Body's mouth to **SCORE** readers everywhere...

SCORE: Rise and shine sleepy-head! It's Michael over at **SCORE**.

HOLLY: Good morning. You caught me at a good time. I'm feeling better.

SCORE: Hallelujah! Right off the bat, I'm going to be honest with you—all I know about Holly Body is you have dark hair, big boobs and you're a tough gal to get ahold of. So, why don't we start off with some facts...in the vertical category, height is...

HOLLY: I'm 5'7" tall...I weigh, oh, about 125 pounds and was born and raised in Southern California.

SCORE: Age-wise, you look about 25?

HOLLY: Actually, I'm 26 years old. I was born on June 4th.

SCORE: We might as well get that fan club info out in the open so all of the guys can write...

HOLLY: It's 11059 Fruitland Drive, P.O.

Box #2, Studio City, California 91604. I also have a phone number where guys can call. It's 1-888-944-STAR [7824], box number 163578#.

SCORE: You know a whole bunch of **SCORE**-guys are going to call you?

HOLLY: That's cool! The more the merrier. That's why I have the number.

SCORE: Your phone number reads "STAR" and your name is "Holly Body." That would imply you're hot stuff of the exotic dancing or adult movie varietal.

HOLLY: I'm a feature dancer. I got my name from a movie called *Body Double* starring Melanie Griffith. I think she's great so I used her name. I started off as a dancer, then I decided to do movies to get more publicity. I got into the business in '92 for a very short time, then I got back into it in '94 and

have been doing adult movies and dancing ever since.

SCORE: What happened in 1992?

HOLLY: I just started and did six movies for Video Exclusives.

SCORE: Porn movies?

HOLLY: Yes. Adult movies. Then I got back into it in '94.

SCORE: Why the break?

HOLLY: Number one, I wanted to get back into dancing, and number two, the movies I did in '92 were really bad. I was really drunk and not coherent at all. It was a terrible experience. That left a bad taste in my mouth—(laughing) no pun intended—so I stopped.

SCORE: How does a girl decide to go down the porn path?

HOLLY: Actually, my story is a bit different. I dated a producer of adult movies. My intention was, if I was going to be a dancer, I wanted to get the most out of it and that's what you do to become a feature dancer.

SCORE: You don't have to do porn movies to be a feature dancer?

HOLLY: Now I know that. I didn't know that back then. I thought it was necessary to do movies *and* magazines to be a feature dancer. That was my mentality at the time.

SCORE: What's your mentality now?

HOLLY: Now I have respect for myself so therefore nobody can disrespect me. I don't worry about what other people think any longer. Personally, I'm very happy. I have my two dogs...

SCORE: What kind of doggies?

HOLLY: A cocker spaniel and a terrier—a little “Toto” dog. Sissy is the terrier and Rocko is my spaniel. I love my dogs. I don’t feature as much because of my dog, but I try to dance at least once a month.

SCORE: Now, for the important question...marital status is?

HOLLY: Single. No boyfriend, either.

SCORE: My kind of girl! Incidentally, who was that guy who answered the phone a few times?

HOLLY: That was my step-father. He stays here sometimes to take care of my dogs. He’s gone right now.

SCORE: So, I have you all to myself?

HOLLY: Yes you do!

SCORE: But, am I your type? Do you like men or women?

HOLLY: I like both. But, if I had to choose, it would definitely be men. I only do women in threesomes with another man. I just don’t do women one-on-one.

SCORE: In this issue of *SCORE* we’re running a letter from a woman in

Charlotte who wants to know how to meet busty women who are receptive to threesomes? Since you've done threesomes, do you have any helpful hints you'd care to pass along?

HOLLY: I don't know. I have no idea.

SCORE: Then, how do you get into those threesomes you mentioned?

HOLLY: I've never done one in my private life. I've only done them on camera. I've never had the chance to do one in private...yet.

SCORE: Do you want to, because there's a lady in Charlotte who sounds like she's eager to help you out?

HOLLY: Possibly. I'd have to think about it and find the right people.

SCORE: On camera was it two girls and a guy or two guys and a girl?

HOLLY: Both! It's great. There's nothing wrong with sex and I don't have a problem doing it.

SCORE: Help me out here. I've never done either, so tell me what it's like.

HOLLY: (Laughing) Go watch a movie! Actually, I'm not feeling too well. I

think my cold is coming back.

SCORE: Good one! That's the first time I've ever gotten that excuse!

HOLLY: It's true!

SCORE: I can take a hint. Away from the sexual stuff we go, right to...what kind of guy gets you giddy all over. Height-wise, are we talking a Shaq attack, Michael Jordan or Spud Webb?

HOLLY: It doesn't matter. I don't like really skinny guys, but you don't have to be muscular. You can have a beer belly, but not too big if you know what I mean. As far as height, as long as they are taller than me I don't care. Hair color doesn't matter, although I do prefer brunettes. Also, regardless of age I do not like adolescent or immature men.

SCORE: Speaking of immature and adolescent, I watched "Singed Out" the other day and I thought of you. I thought it would be a fun way for our readers to get to know you. So, pretend I'm Chris, Jenny or that new chick Carmen. And, under the category of pick up lines..."What's your sign?" "What's your major?" Or "hi!"

HOLLY: "Hi!" is always best. Guys should just say "Hello." Don't bullshit because women can read right through that stuff and they really hate it too.

SCORE: Here's a subject that makes women stand up and cheer...a man's package! Are you looking for a "ding dong" or "Jurassic Park?"

HOLLY: I guess I don't like really little dicks if that's what you're wondering. Yes, size does matter, but I don't want any huge, fucking King-Kong dick either! (Laughing) That would be too much. I have a very small pussy, so I guess...I don't know.

SCORE: Why is it that really tall, voluptuous women have the tightest pussies, and petite women have these huge holes?

HOLLY: (Laughing) I don't know! But, I have heard that, too. Personally, I'm very happy I have a tight pussy. But, as long as I'm on top it doesn't really matter how big a guy's dick is.

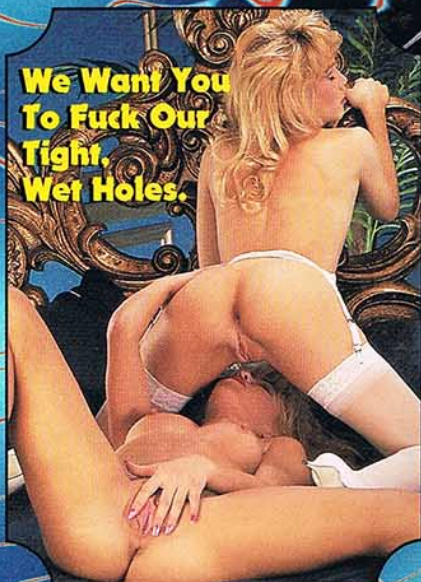

SCORE: And the reason is...

HOLLY: I'm just kidding...actually I'm not kidding, but go ahead.

SCORE: That last part was my line. Keep going, you're getting

ready to hit the promised land.

HOLLY: Umm...It's because I can have an orgasm if I'm on top of anybody. I know what gets me off if I'm on top...

SCORE: Which is?

HOLLY: I don't know. What do you... no, c'mon let's go somewhere else.

SCORE: Pretty please? You can be as explicit or as reserved as you want.

HOLLY: Let's go in another direction, please. Can we?

SCORE: Okay. That would definitely be classified as "reserved." Don't sweat it. We don't have to get all sexual if you don't want to.

HOLLY: You want me to be explicit about sex, don't you?

SCORE: Holly, my dear, I just want our readers to get to know the real you. If you want to talk about how last year's ski season was, I'm all for it.

HOLLY: Okay, the bottom line is, the reason I like to be on top is so that I can ride the guy.

SCORE: Yee-haw!

HOLLY: (Laughing) Yeah, just like that! Therefore, I can stimulate my clitoris a lot better that way than if a man is on top of me. I just rub it against him.

SCORE: You're one of those grind-girls?

HOLLY: Yeah, exactly.

SCORE: You're uncomfortable with that sex stuff, eh?

HOLLY: Not really, it's just that my window is open and everybody can hear. Plus, I'm still a little sick and...maybe I am a bit uncomfortable.

SCORE: No problem. Let's go away from eating pussy to...eating food? Are you a Slimfast-girl, Taco Bell-gal or a hummus- and Pelegrino-chick?

HOLLY: I eat pretty healthy, although I do indulge in anything I want. As for fast food, I like buffalo wings.

SCORE: All right, you've had chicken wings for dinner and you're thinking about what to do. Are we talking about a "Blockbuster night" or would you rather "party until dawn?"

HOLLY: I'm a Gemini, so I can do both. I would have fun doing both.

SCORE: What do you like to do?

HOLLY: I'm really athletic, so I would like to go bowling or do something more active like play pool. I like going dancing. That's cool, but I don't like the idea of getting DUI's, so I try to avoid bars and places like that.

SCORE: What do you bowl?

HOLLY: I don't bowl that well, but I like to do it. I guess I bowl about 120... (laughing) maybe, if I'm lucky. I like to be active. I like to do fun things. I don't like to be stagnant and go to the movies all the time. I'm a people per-

son and at the movies you don't get to talk to anybody. All you do is sit there, eat popcorn and watch a movie. You don't get to know the person you're with. Isn't that why you go out with somebody? To get to know them?

HOLLY: Let's see...I take Israeli Karate. I just got my orange belt, which isn't much, but it's a hard process.

SCORE: How is that different from, say, your garden-variety Asian version?

HOLLY: It's like street fighting. It's what a lot of the law enforcement agencies use—a lot of knees and elbows. I'm getting pretty good at it.

SCORE: So, basically you're learning how to knee guys to the groin and beat the shit out of minorities with a club?

HOLLY: (Laughing) You're joking with me, right?

HOLLY: I play tennis. I'm pretty good at it. I'm not like a cut-throat, die-hard tennis player, but I have fun playing.

SCORE: I'm getting this vision of you in a tight bodysuit, riding a long, hard, thick object and wiping out in some frothy, wet stuff...

HOLLY: You're a dirty boy, aren't you?

SCORE: Only on weekends.

HOLLY: (Laughing) Yes, I do surf! I haven't been out lately because the water here is too mucky. To tell you the truth, I'm willing to try anything and I'm usually very good at it. The only thing I really despise is basketball.

SCORE: Watching or playing?

HOLLY: I like watching...

SCORE: Me too!

HOLLY: (Laughing) I like watching basketball! I love going to the games, but I just can't play. It really frustrates the hell out of me.

SCORE: You know, a shower massager can fix you right up!

HOLLY: (Laughing) Dirty, dirty, dirty!

HOLLY: Thank you. Yes, I like the Lakers, but I love the Miami Heat because of their coach. What's his name? Pat Riley!

SCORE: Jeez, you sound like my wife!

HOLLY: I adore him. He's just a sexy man. I guess it's his energy. His mentality probably attracts women because he's so positive. He's a motivator. I also like the Chicago Bulls. It was tough cheering during that series.

SCORE: What about football?

HOLLY: I love football. You know what? I love playing football!

SCORE: Would you be that girl tackling Troy Aikman?

HOLLY: Oh yeah! In a second! I really could! I love Troy Aikman and I love Emmitt Smith. They made me love Dallas. I also like the '49ers.

SCORE: I think we've reached your comfort zone. Let's travel the sports spectrum, shall we. Baseball?

HOLLY: Baseball is boring for me, unless I'm playing. But, I do love what's his name from the Dodgers.

SCORE: Hideo Nomo?

HOLLY: No, not him.

SCORE: Hey, I was just trying for Japanese men everywhere. But, you sound like the type of girl who would prefer Italian over sushi, so does Mike Piazza wield the magic bat?

HOLLY: Yeah, exactly! (High pitched scream of joy!) I love him! You know, one time I was at The Body Shop on Sunset and he was in it. And, I hate to say this, but Mike Piazza is so cheap! He did not tip any of the girls! I kept thinking, "Here's this millionaire! What a jack-ass!" He didn't tip a single girl. He may have tipped me if I was dancing that night because he kept looking at me, but it doesn't matter because he's cheap.

SCORE: But he still gets you to do that glass-shattering screaming thing?

HOLLY: Yeah! He's a total stud with one minor flaw. He's cheap. Do you mind if I brush my teeth?

SCORE: Go right ahead? (Long pause while Holly brushes and gurgles) Are you going to pee now?

HOLLY: No! Sorry to disappoint you.

SCORE: We haven't talked about your dancing. Tell us, what can somebody expect when Holly's body is in town?

HOLLY: I'm not what you'd call a raunchy dancer. I like to put on a show with elaborate costumes and dance routines. I think my role is to tease, entertain and excite. I always try and put on a good show and dance. There are a lot of girls who go up on stage just for the tips. I always believe, if you

put on a good show, those will come. You have to dance to entertain. If you're just doing it for the money, I think that's bad.

SCORE: Whew! When you get going, you sure do talk up a storm!

HOLLY: Yeah, that's me. I like to talk. It's funny at clubs because guys come in to get turned on and I try my best to do that, but I also talk to them a lot. I've found that a lot of guys come in the clubs for company. They want to be talked to because they're lonely and that's good because I guess I get lonely too. I would always talk to them for a long time and then say, "Now, I'm going to dance for you!" They'd say, "No, just sit and talk for a while." It's cool. Where I live it's a small community and I still run into people from the clubs. They're cool.

SCORE: You still lonely?

HOLLY: No. I have my dogs. And, I have my hobbies. It wasn't really that I was lonely, it's just that I'm a very focused person. When I'm featuring, that's what I concentrate on so I don't have time for relationships.

SCORE: If you woke up one day and said, "Dammit! I have an itch that just won't go away! I need me a man!" Where would you go?

HOLLY: To a bar up the street called After Shocks. It's a pretty happening bar. It's really fun.

SCORE: And you're looking for a guy taller than you who has...

HOLLY: Sexy confidence! Not conceited, but confident. Somebody who can smile and laugh at themselves. There's a magnetism that some people have. I don't know what it is but they have it.

SCORE: And all potential applicants should go to After Shocks or hit the club when you're in town?

HOLLY: Don't forget my phone number and fan club?

SCORE: Holly with the great body, guess what? We're done!

HOLLY: Really.

SCORE: I know, when you're having fun time flies like the Concorde. Now, that wasn't so bad, was it?

HOLLY: No, not at all!

SCORE: Since we're all buddy-buddy now, would you do that soprano-screaming- Mike Piazza thing again?

HOLLY: Hmmm...sure...(high-pitched scream). Was it good for you?

SCORE: Shhh, I'll miss a stroke!

HOLLY: (Laughing) Oh, no! I know you're not...

SCORE: Relax, I'm just kidding. You get some rest and try to get well, okay.

HOLLY: I will. Thanks. Bye-bye.

LACY

**WHEN IT CAME TO
SLIM-N-STACKED
BEAUTIES, DANCER
LACY PLEASURE
LIVED UP TO HER
LEGENDARY NAME.**

Back in 1990, a bright, young dancer known as Lacy Pleasure exploded onto the scene as a feature, and the industry has never recovered. There are a lot of men out there who still get woodies at the thought of Lacy's outrageous physique; a slim yet voluptuous hour-glass shape topped off by huge, shapely breasts. She was part of a group of buxom beauties that revolutionized the industry with their fresh faces and gargantuan tits. Men all over the world were stunned at the arrival of a new breed that included Lacy, Melissa Mounds and Traci Topps. For a while, Lacy was on top of the men's club world. And then, just as suddenly, she retired from the biz, much to the disappointment of many horny men. In this issue, we remember Lacy Pleasure at her very best; young, sexually charged, and stacked.

When Lacy hit the big-time, she was an effervescent, 21-year-old out of Indianapolis who had the goods to become a star. According to big-boob photographer Dave Wells (who lists Lacy as his all-time favorite model), this hugely hootered Hoosier was just a fun-loving gal who could turn on the heat in an instant. "Her true character was Jekyll & Hyde-ish," explains Wells. "Off-camera she was a tom-boy, a barrel of fun. She was nice, laughed a lot, had a sense of humor. But when it was time to get nasty, Lacy oozed sex appeal like few women could, or ever will." Unfortunately, her career was short-lived. In 1991, after less than a year in the spotlight, Lacy retired. There were rumors that she had fallen in love with a customer at one of her shows, but nobody could confirm the stories. All anybody knew was that Lacy was gone, never to return.

That lovely face...those cheerleader legs...those inspirational jugs...if you ever saw anything like this at the gym, you'd be able to do squats with your erect love muscle. These workout photos capture Lacy at her athletic peak, flexing her nimble body for the camera. These bedroom shots capture Lacy at her most erotic, flashing her bedroom eyes and mischievous smile. We wish Lacy well, wherever she may be. Models come and go, but one thing's for certain. It'll be a long time before we forget the young dancer from Indianapolis who gave big-boob fans around the world so much Pleasure.

A FEMALE READER WITH A XXX CONFESSION

Dear SCORE:

Hi SCORE! Thought you (and maybe other SCORE fans) might like to read a letter from one of your female British readers. Let's face it, guys don't have an exclusive right to get a buzz from photos of gorgeous girls with big, feminine boobs! I'm only a modest 36C, but I can tell you that breast augmentation is on top of my shopping list when I win the Lottery!

I've been buying SCORE for a year and a half now. It's the only adult magazine I buy because it's so superior to the rest. The models are fantastic and the quality of the magazine is superb. I always eagerly look forward to buying my copy and rushing home to play with myself while I read it.

I've masturbated almost everyday for over a decade (I'm 25 years old now). Don't get me wrong; I love sex, whether it's a slow and luxurious experience with someone I care for or a wet and wild fuck on the spur of the moment. The point is, masturbating has always been a very personal pleasure which I can enjoy anywhere—in the bath or shower, in the middle of the night when I wake up feeling horny and there's no one to satisfy me, at work, even when I'm driving. The only real disadvantage of masturbation compared with having sex is that, after a hot session, everything smells of my pussy! One thing's for sure; I never considered masturbating unless I was alone, until a few months ago.

I'd invited my best friend Kate around for a meal and a bottle of wine. Her boyfriend had just ended their relationship and I knew she was feeling depressed, so I thought a girls' evening would cheer her up. We'd finished eating and Kate said how much she missed Paul. As she told me about the great sex they'd had, I couldn't help noticing that one hand had disappeared under the table and she was beginning to look a little flushed, so I

suggested that she might like to go into my bedroom for a few minutes.

Her reply took me completely by surprise. "What will you do while I'm in there?" she asked.

Listening to her had made me quite wet so I had to admit that I'd probably be doing exactly the same as her! "That's silly!" she smiled. "Why don't we open another bottle of wine and do it together?"

So, that's what we did.

Kate and I sat opposite each other in comfortable chairs in the lounge, with a bottle of wine on a table between us. We told each other how surprised we were that two girls could be such close friends for over nine years without discovering how much they both loved to masturbate. Then, we fingered and rubbed ourselves to several exquisite and powerful climaxes!

On that first, unplanned occasion, we just pulled our skirts up around our waists and removed our panties; however when we eagerly repeated it a couple of weeks later, we were both naked (which was a great turn-on for me because Kate's boobs are mouth-wateringly bigger than mine!).

This time, we shared the sofa and it seemed completely natural when we began to stroke and squeeze each other's breasts as we fingered ourselves. After a while, Kate again took the initiative when she put her hand between my open legs and began to rhythmically finger-fuck me to a shuddering orgasm. Of course, I willingly returned the compliment and, judging by her moans and whimpers, she enjoyed it as much as I had! I could hardly believe that, after years of never even imagining having sex with another girl, I felt absolutely no embarrassment behaving so intimately with Kate who I have known most of my life.

Although both of us are now in steady relationships and having regular sex with our significant others (men), our evenings together are still very much a part of our love lives. Kate sometimes stays over and our nights are sheer bliss. Neither of us has any intention of involving anyone else; we both see our lovemaking as a natural expression of our friendship.

And just in case you're wondering, Kate's pussy does smell (and taste) deliciously different to mine!

I love you guys! Keep up the superb work. You know what? Writing this letter has got me feeling so hot and horny! I need some relief—where's my copy of SCORE? —J.K., Surrey, England

OH WHERE OH WHERE HAS VALERIE FIELDS GONE?

Dear SCORE:

I have been a follower of SCORE for nearly two years now and let me say that nothing compares to you here in the United Kingdom. The soft stuff we have to put up with here is stale, and I lost interest in it years ago. I am planning to come over to the United States to see all of those clubs and models which you feature. Maybe you could suggest the places I could visit, since I am a beginner!

The reason for writing is twofold:
1) What happened to Valerie Fields? I haven't seen her in quite some time. Has she retired from the business?
2) I am also a subscriber to your web site and saw a photo taken of SaRenna Lee where the shot was taken from hip level upwards (showing the beautiful swell of her breasts). Could you promote your photographers to do more of these shots? Cheers.-A.H., Leicester, United Kingdom

Dear A.H.: First off, Valerie Fields is going strong and was on SCORE's Boob Cruise last April! The special issue comes out in about 30 days, so watch for it. Secondly, your posing request is much appreciated and we'll certainly get the word out to our photographers. As for strip clubs on your trip to America, The Market Street Cinema in San Francisco, California is reputed to be one of the raunchiest in the world. On the east coast, New York Dolls and Flashdancers in New York City are always popular, we love the Booby Trap down here in Fort Lauderdale, Florida but we can only recommend one club in the world where you're guaranteed to see the biggest boobs in the world in completely uncensored dancing action-SCORE's Boob Cruise! Yeah, we mention it a lot, but that's only because each cruise sells out and people end up on the waiting list with one common statement-"I only just heard about it! How can it be sold out already?" Now, we're giving everybody plenty of advance notice! Check out the special Boob Cruise issue next month (on sale Aug. 26th) for your first chance to sign aboard SCORE's fourth annual Boob Cruise.

SCORECARD

Continued from page 85

was absolutely fantastic!

She spent a week at the Crystal City Restaurant and even with Virginia's rather strict restrictions that require pasties and G-strings, Nikki left everyone lying in shock when she left.

I went two nights, even though I only made the last show of the last night on the second visit. I managed to speak with Nikki following her act on both nights, and even if I hadn't seen her on stage, I can tell you that I am in love. She is such a sweet lady! Nikki was supremely nice to everyone at the club and with me. We talked for a long time about photographers and she even managed to gush a bit about her "best buddy"—Traci Topps. One guy left with his bachelor party entourage muttering, "Someone tell me why I'm getting married!"

And, if anyone can believe this, as good as SCORE is and as gorgeous as the women appear in the magazine, the photos don't do Nikki justice—she is beautiful! That was the first time I've ever seen her, but I hope it wasn't the last.

The summer magazines have been great. Honey Melons has never looked better. Kathy is the best Russian ever, even better than Vodka! I'm glad to see you haven't run out of Chloe Vevrier's photos, and I hope you never do. I also think you have managed to run the sexiest photos of Lisa Lipps ever.

And, I wanted to mention the June '97 *Voluptuous* for all of my fellow readers who just subscribe to SCORE: Wow! For a while I thought Effie would never appeal to me like she did in her first layout—I'm wrong! She leaves me gasping for air. And, just like Jello, there is always room for more of the legendary Crystal Starr. If you keep adding to your list of British models with ladies like Victoria, I'm moving. And now to Tasha Parks. Who said big girls aren't sexy? A body like that and lingerie were meant to go together! Lastly, please stop running photos of Sandy Swanson, Karisha and Danni Ashe before I hurt something! You guys are trying to kill me! But, you'll never hear me complain because I love it!—"Brian," e-mail address withheld

SCORE READER LOOKING FOR NICE GIRLS

Dear SCORE:

I'm writing to you because I have to say that you have one very great magazine! It's the best magazine that I have ever looked at and I read a lot of magazines that feature beautiful, naked women! SCORE is so outstanding that every time I look at the nice, sweet women in it I get so horny that it's not funny to me anymore. The women are so nice and sweet in your magazine! But, I think you understand that by now!

Men like me love women who look so sweet and nice, so could you please put my address in your magazine so I can write to some women who read SCORE that write to me.

Keep up the good work that you all put into publishing SCORE and please put my address in the magazine! I would really appreciate it. Thank you very much.—R.L., Brushton, New York
