CHLOE AND DEVON MERGED INTO ONE!

Dear SCORE:

I just have two words to describe your incredible new discovery Sylvia Panda...“Chloe” and “Devon.” It seems you have genetically merged the two into one big-boob goddess and the result fills me with wonder and awe! Can it get any better than Sylvia? I don’t think so. You’ve discovered quite a standard to live up to, SCORE. I look forward to seeing you try to top Sylvia in the future!—F.A., Nebraska

WHO NEEDS VIAGRA WITH MAKIAH?

Dear SCORE:

Who needs Viagra with Makiah in the April '99 SCORE? As soon as I saw her pictorial, I tented my shorts in respect to the Army veteran. I love her Barbie-doll face; her total tan (I hate tan lines); her suckable, full and rounded breasts; her inviting shaved pussy; and her delectable, wide, full-moon ass. In short, Makiah’s perfect. She will be a sure hit on the feature circuit, of that I’m positive!—C.S., Fort Myers, Florida

WHY SCORE IS #1

Dear SCORE:

Until now I have never written you because I saw no need—you do a kick-ass job as it is and you don’t need me to tell you that. However, with your latest discovery, I write not to compliment Sylvia—I’m quite positive she has already received all of the accolades she very much deserves.

Instead, I write to compliment SCORE for seven years of discovering models like Sylvia and for discovering and bringing us the ladies who have become the big-bust legends first, before anyone else, and letting us know these superstars like no other magazine. Of course, I speak of busty icons like Letha Weapons, Candy Cantaloupes, Lisa Chest, Chloe Vevrier, Minka, Angelique, Linsey Dawn McKenzie, Carrie Lynn, Alexis Love (a rediscovery), Dawn Stone, etc. I know I have missed many, and to those very deserving ladies I offer my sincerest apologies. To SCORE, I offer my congratulations for establishing

Why is Sylvia Panda so happy? Because a star was born in the April '99 SCORE, and you're looking at her. We kinda knew boob-men would go ga-ga over Sylvia, which is why we've already been back to Brazil for more photos. These are them, those are some incredible boobs, and you'll be seeing more in an upcoming issue of SCORE!

Why were we perplexed about running new photos of the smaller busted Tiffany Towers? Take a read of the sampling of letters we received here at *SCORE* and you'll see. So far, it appears readers are split about 50/50 on whether the new Tiff (right) is as good as the old Tiff (left).

THE GREAT TIFFANY TOWERS DEBATE

Editor's Note: With Tiffany Towers' new pictures in the April '99 *SCORE*, it appears the great Tiffany-debate is on. Better or worse? Here are some *SCORE*-men's comments about the "new" Tiffany Towers compared to the Tiffany of legend.

I have never written to you before, although I am a lifetime subscriber to *SCORE*. How could you print those horrible pictures of Tiffany Towers? I'm sorry she chose to reduce her magnificent breasts, but you should have left our memories of her mammaries intact. Would you rather see a video of the present-day Muhammed Ali or watch the glory of the man in his prime? Sorry, Tiff. You were a legend, but now you're just another dancer. Luckily I've kept my back issues.—J.B.—e-mail address withheld

The photos of Tiffany Towers in the April '99 *SCORE* are wonderful. I offer you my concurrence, you certainly made the right decision to publish those photos. If you have more, please keep them com-

ing! Thanks again for the great photos of Tiff. They made D-Cup look like a bunch of rank amateurs by comparison.—D.R., e-mail address withheld

Is it not true that Tiffany is a legend in the world of busty models? Is it also not true that when she retired a couple of years ago we were all saddened at her departure from the world of stage, screen and magazine? So why, oh why, did she decide to make a comeback with the knowledge that in the eyes of all boob hounds she had committed the ultimate sin and had a breast reduction.

Far be it for me to criticize her for trying to make a comeback and whether or not you decide to showcase Tiffany again in future issues is totally up to you. But, given the fact that she is deciding to have a complete reduction, I think that would devastate her legions of fans who remember her at her peak.

Next time a true legend has a reduction and tries to make a comeback, think again.—J.K., England

Upon receiving the April '99 *SCORE* in the mail, I hurried inside to uncover the treasures within. I immediately noticed "The Return Of Tiffany Towers." I fell in love all over again. Yes, the tits are smaller, but they are still big. What man wouldn't want to bury his face in her cleavage. You have to realize that half of Tiff is still a lot better than most women. I wrote *SCORE* and bad mouthed the return of the smaller Wendy Whoppers, but my problem with her was the make-up and overall look. Fear not the return of Tiffany, for her new image still causes my attention to rise. I am sure she will have the same effect on the rest of your readers.—R.D.S., San Antonio, Texas

STOP!

Wendy Whoppers and now Tiffany Towers, both with breast reductions. It's all too much for a boob-man to bear. You have so many fans over here in England—stop bursting our British bubbles.

One more time, just to get my point across...STOP!—C.D., England

show this sort of stuff. That's why I never buy them.

So, what has happened? I guess it's just that when it comes down to it there are only so many ways you can photograph a girl and her boobs. I never thought I'd say this, but your mag is now boring! And, for me it is now simply becoming obscene.

I don't want to read about what the models think about anal sex (March '99 SCORE). Neither do I want to see girls who once had believable figures (even though they had boob jobs) go on to further pump themselves up until they look simply ridiculous! To me, Minka is a typical example of this. Once, she looked fantastic. Now, I don't think so.

It seems many of the models, and SCORE, have forgotten that leaving a bit to the imagination is far, far sexier than showing it all!

Also laughable is your artwork! You must be blind if you can't see that Otis Sweat's artwork is complete crap! Don't think so, eh? Okay, we're all entitled to our own opinion.

I don't expect you to take much notice of my letter, let alone print it. After all, I'm just one reader in millions. But, as far as I'm concerned, you could do a lot better than you're doing at the moment. What was once a magazine full of wonderful photo set-ups of girls in provocative gear is now turning into a porn magazine. To me that's a shame.—M.B., Dorset, England

Dear M.B.: Contrary to what you believe, we do not hesitate in printing criticism and we value every reader's opinion, especially their criticism. Has SCORE gone "hardcore" as you put it? Given the environment of adult magazines today, we don't think so. Our emphasis has been and always will be big breasts, as erotically displayed as possible. Yes, we show spread pussies, assholes and do stray sometimes (as you noted with the March '99 anal feature). But, that is done to satisfy the diverse desires of our readers, all of whom love big breasts, but many of whom want to experience everything. Still, we agree with you. Perhaps SCORE does need to refocus on big titties and if you haven't noticed, we've already begun the re-transformation to make SCORE a more enjoyable big-boob experience. The letters from readers like yourself are helping greatly, and though we are losing you as a subscriber, we thank you for your criticisms.

A CONVERT

Dear SCORE:

I have been buying SCORE for several years now, and have procrastinated about writing, but felt I had to (for the first time) after seeing one shot in particular in the Jan '99 issue. I never used to be a great fan of Dixie Bubbles, but after her photo spread in this issue I take it all back—what a babe!

The shot in question was the one with Dixie eating a bowl of cereal, and with some clothes on! I thought this was the most erotic picture I have seen in SCORE for a long time. I think it was the thought of the doorbell ringing at any time, and Dixie (in her 'clothes') answering the door in an innocent, carefree way. Top marks whoever came up with the whole concept and may the intelligent SCORE photography long continue.—S.P., Norwich, England.

DEVON AND LISA: LET'S SIZE THEM UP!

Dear SCORE:

I loved every cock-throbbing page of the April '99 SCORE, especially with models like Alexis Love, Sylvia Panda and Scottish beauty Stacey Owen in the magazine.

I especially loved the retro layout of Stacey. I haven't seen her in a magazine for years. I especially loved the photos of Stacey's encounter with fellow Scottish lass Shona MacTavish.

Shona is a little heavier than Stacey and with smaller breasts and wider hips. Stacey's narrow frame makes her breasts appear even bigger! Although Shona's creamy white skin was a sharp contrast to Stacey's killer bronze body, both measured up about evenly.

There is nothing like being able to see two models side by side in order to compare their assets and measurements. This reminds me of two other buxom gals from the 1980s that I love to size up: Devon Daniels and Lisa Phillips, who I haven't seen in a retro feature ever. Think about it!—M.L., Chicago, Illinois

Dear M.L.: Damn good idea—a size up feature. Two similar models, same poses...your first two sound, pardon the Voluptuous-pun, like naturals...tit-to-tit and nipple to nipple. As for other models, how does matching up Busty Dusty and Casey James sound? Wowza! We'll be "sizing up" models in future issues, so let us know who you'd like to see.

Tit to tit and nipple to nipple, you'll see legends Lisa Phillips (above) and Devon Daniels (below) matched up in the Aug. '99, "All Natural" issue of SCORE! And, watch for more "match-ups" in the future. Let us know who you'd like to see!

TWO HOT BRAZILIANS

Dear SCORE:

Thank you SCORE for consistently delivering the biggest and best boobs in the world month after month after month. The April '99 SCORE was another triumph, and you have the two hot Brazilians to thank.

Of course, I'm speaking about Sylvia Panda and Rio Rivers. Obviously, Sylvia's boobs are much bigger and fuller than Rio's and Sylvia will probably go down in history as more of a "star" than her counterpart, and deservedly so. But, in my eyes, Rio is the perfect woman. Her body is flawless and her boobs are delicious looking. I like that. I also loved the "girl-next-door" feel I got from the pictorial. A stroke of genius. I didn't like her tattoo, though. I can just imagine that angel looking at me while I would be licking Rio's pussy and it gives me the creeps. Then again, I would easily make that sacrifice. Once again, thank you for another outstanding issue.

-S.G., Jacksonville, Florida

SORRY GENTS!

Dear SCORE:

I would like to thank you. SCORE and Voluptuous are the best big-bust

Continued on page 88

The "perfect woman?" Plenty of SCORE-men consider Rio Rivers just that, after her April '99 "at home" SCORE debut. And, our apologies to everybody! We goofed in not showing you that close-up, macro shot of Rio and her river-like areolae!

BIG BOOBS IN THE NEWS

NOSTALGIC NIPPLES

STARRING
"THE MAGNIFICENT
MODELS OF
HARRISON MARKS"

It's great being a boob-man, isn't it? Every month **SCORE** brings you the best big-bust magazine in the world, and I'm not just saying that because I'm a monthly columnist. Like all of you, I wait with a hard-on for every issue to arrive in the mail (subscribe, my good men!). And, every month I have to pinch myself because I still can't believe I get to report on the big boob world for **SCORE**. What can I say? I know a lot of you want my job. Sorry, boob hounds, you can't have it!

Now, let's check out some boobs in the news, beginning with some pictures my dad probably looked at!

Nostalgia Publications brings back the bosomy birds of Britain's past with the photo-series "The Magnificent Models of Harrison Marks." Shown here is *Big Boob Special Number 5*, a collection of b&w pics of the girls who got men hard in the fifties and early sixties.

These U.K. bonemakers would be forgotten today if not for the efforts of Nostalgia Publication, in York, England, who consider the late photographer Harrison Marks one of the giants in early men's mag photography.

Chest UNBELIEVABLE!

I love British porn films. Everyone is so polite and proper. "Would you care for a cuppa teat?" "Please, sir, may I suck your big, hard cock?"

In *Natural Wonders of the World* #2, amazing women with blimp shaped hangers as large as watermelons get their chests sprayed with gobs of goo after frantic sex. They dress in Victorian-style lingerie to boot, and in keeping with one of England's favorite sports, there's also a bit of spanking, which is rarely seen in U.S. porn for whatever reason.

Ivana and Gaynor, returning from *Natural Wonders* #1, and Honey and Carol Brown are not your slim 'n implanted stripper-porn stars. If you're a dual SCORE Group reader like me, you know them from *Voluptuous* magazine. They're well-fed women with substantial meat on their bones (looks like their diet is high in cum). In this video, men titfuck naturally busty babes until their balls are drained completely.

Every knocker fan will go age seeing these supernatural babes get fucked, especially since the lens, directed by fellow big-boob hound Roy Alexandre (of *Boob Cage* and *Boobtown* fame), is locked on the majestic mammaries throughout.

Interestingly enough, the production supervisor on *Natural Wonders* 2 was Kirstyn aka Toni Evans (from *Voluptuous* and *Natural Wonders* #1). It looks like Roy Alexandre has another entry for best boob video of the year.

The mystery rack belongs to...Ivana, a *Voluptuous*-girl who stars in the highly acclaimed *Natural Wonders* videos!

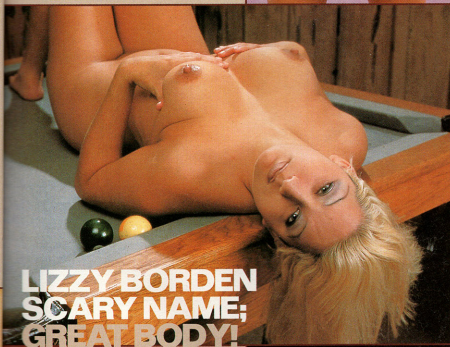

Trinity Loren

PASSES AWAY AT 34

An accidental, lethal combination of drugs and alcohol has taken the life of the legendary Trinity Loren. She died in her sleep at home.

Trinity became one of the first of the big-bust porn stars in the '80s. Her heated sexual talents in many adult movies such as *Battle of the Ultra Milkmaids* and *Anal Analysis* made Trinity one of the most photographed models of her generation. A natural big top, she also drew a following with her lactation videos following the birth of her daughter.

Born Roxanne McPherson, Trinity Loren is survived by her mother, her ex-husband and their eight-year-old daughter. Alt.fan.trinity.loren is dedicated to her memory.

LIZZY BORDEN SCARY NAME; GREAT BODY!

Lizzy Borden got her 36D's the old-fashioned way. How she got her stage-name, from the 19th century axe murderer, is another story, perhaps best left unanswered.

Lizzy is one of the new breed of nice porn sweeties who'll try any exxtreme sex act, which is why smutpeddlers Extreme Associates signed her to a one

Continued on page 20

Sporting 36D's, exxtreme porn star Lizzy Borden is your typical pretty, busty blonde who'll try just about anything and has starred in several porn vids, including one with perhaps the greatest video name ever: *Hitter in the Shitter, Slapper in the Crapper*. The video may not be considered a classic, but that title definitely gets an "A" for originality!

year contract last summer during a recruiting frenzy that also nailed down Jessica Darlin, Iroc and Stryc 9.

So far, her video credits include *Cocksmokers 1*, *Terrors from the Clit*, *The Pornographer*, *Vengeance*, *Adventures of High Fly* and *Hitter in the Shitter*, *Slapper in the Crapper* (one of the all-time most...ahem...unique...video names!).

Lizzy's a big 'un at 5'8" and 138 lbs, and sports a tattoo on her lower back of a Hawaiian flower surrounded by ocean. She says her best physical feature are her all-natural tits. Now 22-years-old, Lizzy was 18 when she lost the cherry. She first took a cock up her tush for a company called Tighttends and her first ass-to-mouth was, of course, for the perverts at Extreme.

Borden works as a dancer when Extreme associate Tom Byron isn't filling her asspipe and she likes to hang out at a nightspot called Club Rubber. And, she doesn't just work for the porn vids, she grooves on porn tapes at home too.

"I love porn," especially the work of John Leslie, Greg Dark and her personal god, Extreme director Rob Black. "Rob is my mentor."

Lizzy describes her personality as, "Dominant. When I fuck girls, I love to fuck girls hard. I'm obedient when I fuck guys. I loved it when I did my first movie for Extreme (*The Pornographer*, an *Adult Video News* Award winner) and Tom Byron fucked me senseless."

"He slapped me, choked me, yanked my hair and it changed my whole persona. I love to be submissive and be 'fantasy-raped' by guys. No lovemaking for me!"

About the all-important issue of cock size, she says, "it doesn't matter," although for some reason all porn girls become size queens over time.

Her favorite sex position is "reverse cowgirl anal." Whoa!

Look for Lizzy Borden to accomplish some mighty exxtreme sex over the rest of 1999 and probably well into the new millennium.

ENGLAND'S INFAMOUS STREAKER!

LAST YEAR, APRIL DAWN BARED HER BUM DURING ENGLAND'S TELEVISED LOTTERY DRAWING. NOW, YOU'RE GETTING THE FULL MONTY!

The Big Streak happened over a year ago on national television in the U.K., and people still talk about it and the lady who caused all of the furor...April Dawn. On February 25, 1998, millions of people in the U.K. were watching the televised National Lottery draw when April, a "Page 3"-girl, burst out of the audience at the BBC TV Centre in West London dressed in lilac hot-pants and a revealing top. She dashed towards the stage and was quickly ushered off by security personnel, but not before she bared some booty. England's Daily Star newspaper ran the headline "Blonde flashes her bum." Wonder what they're going to say now, because here's April from bush to boobs! She's not big into posing for American magazines because she believes us "Yanks" are "too explicit." But, as April told us, "I have big boobs, *SCORE* is '#1 in big boobs,' so we're a perfect fit. In the lottery, only a few people win. Now, everybody wins!"

A BUNCH OF COCK SUCKERS

Hey, sometimes you just have to call 'em like you see 'em!

Buxom beauty Charlie (right) and her nine friends drop to their knees in *California Cocksuckers* #3 (from Sin City Video), yet another all-blowjob series taped in that subjective "this-is-your-cock" style of photography. The girls give great head and eye contact but the cameraman blows it at times by showing the stinking faces of the guys. Even so, Charlie's bj scene alone rates a ten of ten.

The title says it all, and in *Glamour Girls Then and Now*, you get a risqué look at some of the stars of yesterday and today, including Marnie Van Doren (below) who is featured in Vol. #14.

With two successful books (*Va Va Voom* and *BombShells*) nearly sold out, glamour gal historian Steve Sullivan and his publisher, legendary photographer Bunny Yeager, have released two new editions of their popular 'zine, *Glamour Girls: Then & Now*.

Not a filthy lecher writer like yours truly (sorry guys, nobody's perfect), Sullivan is a big-time *SCORE* supporter and always manages to give us a nice plug. *Issue* #13 has a terrific article about breast implants and the models who get them.

Russ Meyer actress (*Up!*) and stripteaseur Raven de la Croix is the subject of a revealing bio in issue #14. Another highlight is a sex probe of 126 famous models which would have gotten me slapped if I had made up the questions. The question of cock size is brought up and several of the *SCORE*-girls reveal their prickly desires.

This month's "Caught In The Act" feature, Crystal Storm: "Length is somewhat important but thickness is extremely important."

Lulu Devine: "A minimum size of six to eight inches and an ideal size of eight inches."

Boob Cruiser Europe DiChan: "Length is very important. Thickness is only slightly important."

Pandora Peaks sez: "Size is not what counts the most-but it's a nice extra!"

And TV scream queen Elvira has the final say: "Do the words 'SIZE QUEEN' mean anything to you?"

Both issues are \$16.00 postpaid, (\$18.00 Canada/Mexico; \$22 U.K. and Europe) available from P.O. Box 34501, Washington, D.C. 20043.

SCORE READER ART

From *SCORE*-man H.J. Boast, aka "Pepe," in Illinois here comes some artwork and words for his fellow readers. Pepe, take it away... "Saline Forever! I have every issue of *SCORE* and I'd consider it an absolute honor if you would publish some of my girls. As you can see, I admire and totally support 'extreme-figured supermodels' and I am tired of the negative letters from people who are constantly putting down models with implants. They don't deserve the flak they receive! Natural breasts are nice, don't get me wrong. But they just don't pack the staggering impact nor do they boil the blood like those gigantic erotic pillows of say, Casey James. Removing or limiting the 'extreme' women from *SCORE* would be like removing the race cars from the Indy 500 and replacing them with ordinary, family stationwagons! Please, don't stop with the 'extreme'-figured girls! And please, print my full name! I'm proud to be a *SCORE*-man! Thanks! Big, big, *big* tits rule!" If any more readers have some art to go with their beliefs, send your creations to: *SCORE* Reader Art, 4931 S.W. 75 Avenue, Miami, FL 33155.

From some guys who met Sammie on *SCORE*'s Boob Cruise '98 to those who didn't, her boobs are so big, some of you could probably fit your entire head in her HH-cup bra! In fact, some of you have! "Boob men are always doing that with me!" says this English nurse's aid. "They want to wear my bra and look at *SCORE* while I play with my knockers!" Hey Sammie, welcome to the world of big-tit-dom!

A *Voluptuous*-fav, some *SCORE*-guys complained that Sammie might be too rubenesque for *SCORE*. So, Sammie went out and lost nine pounds. "It hurt my feelings that some people thought I was fat. I was honored and proud to be in *SCORE*, and would love to do it again." Editor-wise, we think Sammie's *SCORE*-material! But, this is your magazine, so you tell us! Yea, or nay?

PANDORA'S BOX OF LINGERIE

BRAS, CORSETS AND HER BIRTHDAY SUIT...
PANDORA PEAKS SHOWS AND TELLS ALL!

INTERVIEW BY MICHAEL UWATE

You ever have one of those friends who you just think about and they make you smile? I'm fortunate. I have a few, and Pandora Peaks is one of them. Though it's been said before, at no time is this phrase more appropriate—"you won't meet a nicer woman." Toss in the fact that she looks like this and what you have is something very special.

Perhaps that's why we have interviewed Pandora...what, is this her fourth time? New to *SCORE* and wondering who this busty babe is? "Pandora's your consummate superstar! She has been one of dancing's biggest attractions for much of the decade, featured in every men's magazine, starred in several mainstream movies, including *Striptease*, yada, yada, yada.

Rather than do your typical, "show us your tits, spread your pussy" pictorial with Pandora, we felt she deserved something special. A lingerie show seemed like a natural. Few women can corset down and overstuff a bra like Pandora. So, while in Los Angeles on personal business, Pandora and photographer Blanka Simonson of RBK Productions went shopping and put Pandora's lingerie show into action for *SCORE*'s readers. The results? Stunning.

Enjoy the show, and when you're done doing that guy-thing, turn to page 44 for some titillating toilet reading with Pandora. She's going to take us through her entire lingerie show and give you tit-bits as only Pandora can.

MY "EVERYDAY" BRA

"This is an H-cup bra that I bought at Intimacy in Atlanta's Phipps Plaza Mall (Georgia). I usually wear an H- or a GG-cup bra. This one is right off-the-rack, but it still needs some pulling and tweaking to fit me and become a Pandora-bra!"

WAIST CINCHER

"Every woman should have a waist cincher. The figure they give a woman is very sexy. I used to be able to corset down to a 19-inch waist. Now, I admit I have gained some pounds. But, I think I look a lot healthier now. And, to ladies reading, don't just hide your corset underneath your clothes. Wear this with a tank top and skirt so that the corset shows. It's very sexy and in-style now."

SEXY BRA AND GARTERS

"I feel so sexy in lingerie like this. It's sexy to show cleavage and wear your garters so that your skirt rides up a bit to show the world. This is an H-cup, too, but not an everyday bra. It's a special occasion bra. It doesn't offer much support, but it's designed to give you bodacious ta-tas!"

CUSTOMIZED CORSET AND LONG-LINE BRA

"For this creation, we bought the pieces off-the-rack and sewed the bra and corset together. I do that a lot with lingerie. This one is designed to wear with a dress, low-cut in the back. It gives you good support and is sexy. That's very important—feeling sexy. A lot of women, myself included, dress to undress and this is one of the lingerie combinations you can find us in when we really want to feel desirable."

PANDORA PEAKS INTERVIEW

Continued from page 32

SCORE: Hey Pandora, how ya doing?

PANDORA: Great! I'm really looking forward to our fourth interview. And you thought I might stand you up for our...phone date?

SCORE: *I have a date with Pandora! I have a date with Pandora!* I have to tell you, too...you look so hot in this pictorial—better than you did five years ago, and you were awesome then!

PANDORA: Jeez! You know, Michael, flattery will get you everywhere!

SCORE: Counting on it! All right...let's get right into the lingerie show...I love those first photos—what you walked

into the studio wearing.

PANDORA: Black skirt and aqua top.

SCORE: And a kick-ass bra!

PANDORA: That's what I call my "everyday" bra. I got it at a great store called "Intimacy" in Atlanta, Georgia at the Phipps Plaza Mall. They just started specializing in big bras.

SCORE: What size is that puppy?

PANDORA: That's an H-bra. That's what I usually wear, or a GG. But, you have to tuck and bend—everything is custom once it gets on my body. I take something that kind of fits and make it fit.

SCORE: At Intimacy, you walk in, pull one off the rack that almost fits...

PANDORA: Right, and then they pull and tweak and all of a sudden it becomes a Pandora bra.

SCORE: Who makes it?

PANDORA: I should just pull it out and tell you.

SCORE: Out of all the bras, this was my favorite.

PANDORA: You know, I told the photographer, "This is one I wear everyday." I've had guys say, "I really like that bra." It's not the most glamorous bra in the world, but I thought it

would be perfect for this pictorial. And, as we're doing this interview, I'm in my lingerie drawer pulling out that bra. Oh no...you know what? Once they alter a bra, they have to pull out the tag, so, I don't know who made it. I do remember this one was very expensive. I mean, they're not the five for \$25 Victoria's Secret specials. A lot of them come from France, and London is also a good place to buy bras. European bras tend to fit us bustier women better. It used to be that for years I would wear the same bra all the time—those old "Goddess" bras that you've seen all of the busty girls in. They're very supportive and nice. But, all of a sudden, since I found this store in Atlanta and others, I now have a variety. Now, I'm hooked, and I have all kinds of different bras.

SCORE: Any other bra-shopping tips?

PANDORA: There's a great place in Toronto called "The Bra Bar." It's right downtown across from the Four Seasons. It's kind of embarrassing to buy something there, though. They have these bright pink bags that draw so much attention. But, the bags aside, I consider myself lucky. I've come across that place and I have the place in

BUSTY BRIANNA

IF IT IS,
BRIANNA'S
GOING
OUT WITH
A BANG!

The beauty of a big bra? What's in it! And, few ladies can stuff a huge FF-cup bra with pendulous, full breast-flesh like Busty Brianna. A former feature dancer who has been in *SCORE* three times, Brianna is now concentrating on her education and doesn't travel the country anymore. She's studying to be a veterinarian and, when she's finished, it will be good news for Brianna; bad news for boob-men. Chances are, Brianna's days in the limelight may be winding down. We hope not, but just in case, let's give her some extra special attention with this, her fourth, and perhaps final *SCORE* appearance.

BUSTY BRIANNA

Height: 5'2" Weight: 118 lbs.

Measurements: 46-26-36 Bra Size: 36FF

The Perfect Bra: "Fits comfortably. That's the most important factor in choosing a bra. In the past, it was difficult to find pretty, comfortable bras for busty women. Now, more shops are carrying larger sizes. With some tweaking, I can even wear some of the lacier, prettier Victoria's Secret or Frederick's bras."

On the Road with Alyssa Alps

COLUMN BY ALYSSA ALPS THE LIFE OF A FEATURE DANCER

Hi there people; how the heck are you? I'm much better this month. I made it everywhere on time for a change. Thank goodness; any more airport or weather problems and I'd be in a funny farm right now!

Lots of fun stuff this time around, from sidetrips to New York City, to Candee Apples' Super Bowl party to

watching a movie being made and the bonus of 70-80 degree weather in sunny Florida while all my friends were freezing their butts off back home!

So, let's get started with...

MR. HAPPY'S, WATERBURY, CT

I haven't been to Connecticut in quite awhile so I was looking forward to a

return visit. I stopped in NYC for a few nights and visited with friends and went to *Gallery Magazine* to visit my pals there. No big boobies in that magazine, so I don't see any conflict, and neither do the *SCORE*-editors. So, I can write that I was hanging out with the publisher Russell, Lanie and my buddy Mark DeMayo. In fact at last year's

Brrrrr! That's me and Leslie Wells freezing our boobies off during another Wisconsin snowstorm. Actually, Leslie is colder than I am because I have my trusty *SCORE* jacket on. It's so warm, I don't leave home in a snowstorm without it! That's just one of the perks of the job! They're great jackets, too. I love mine! And I also love that T-shirt! Cute girl on the cover, huh? These are my first new T-shirts in years. They should be available through my fan club when this issue of *SCORE* is published. But, knowing how busy my life is, I make no promises! If you've been a faithful reader of my column, you know what I'm talking about! I'm a busy girl, and this month was no different. Read on for all the details!

Gentlemen's Expo I had Russ on one side of me and my sweetie Michael (SCORE's editor) on the other side of me hanging out at Fan Fair. Lucky me!

I had dinner at some great Japanese restaurant in the Village with Russ, *Electric Dancer's* publisher Don Wait, the owner of Hogs and Heifers Michelle, her man and her cousin, friend and fellow feature Phoenix K., and my special date (girl-secret). Great company and excellent sushi. A few drinks, country rock music, some pool playing and cigar smoking at Hogs and Heifers afterwards. Hogs is a great little bar where the lady patrons are encouraged to dance on the bar and give up their bras for the Bra Wall of Fame. There's hundreds up there including one of mine.

I also made a trip to Flashdancers on Broadway to say hi to everybody and I got the chance to see Lovette perform. Nice gal and good show!

Time to go to work. I fought two cab drivers to leave the city in one piece to get to Waterbury for my shows. I was only there three days, but it felt like I had known everyone there forever. Fred Jr., Fred Sr. and Ro run a great joint. Topless and no touching the boys, I thought I would have a hard time get-

Let's take it from the top, left, shall we, where I'm at Diamond Dolls in Tampa with Turbo B. of Snap, the club owner Sean and Phil Long, the martial arts coordinator for the movie *The Sacred Seal*. Do I smoke cigars? Sorry! Just cigarettes. Those Cubans are for a friend of mine, but not the man with one of the biggest cigars, Ron Jeremy, onstage with me at *Tacties* in South Florida. Clockwise from me and Ronare: Diamond Dolls owner Sean and me; Phoenix K. with me at Hogs and Heifers, a great New York joint; Lovette naked at *Flashdancers*; me and Hogs' owner Michelle; and those cuties are Fred Jr. and Ro, hanging with me at Mr. Happy's in Waterbury, CT.

The Cande Apples Super Bowl party! Loads of fun for a great cause with friends Skylar Daze, Marley Murphy, Rachel Steel and Nicole Tyler (above); Cande (left) in front of one of our ads; and my friends Chad, Weasel of Weasels in Wisconsin, my costumer Vicki Renee, yours truly, Phoenix K., Nicole and everyone's favorite **SCORE** pin-up guy Scott! ting the crowd into my shows but they were great. Play music they like and show them your boobs (they like 'em big) and they are in heaven! The house-dancers are very pretty and so sweet, joining in the fun too! I couldn't have asked for a better time and I look forward to a return visit. I had to leave in a hurry on Saturday after work and try to find the Alamo Car drop at LaGuardia—not easy—and make the 6:30 a.m. Northwest flight to get back home for Cande Apples Super Bowl party on Sunday. She was the hostess and she's one of my good friends, so I had to be there!

SUPER BOWL SUNDAY, MILWAUKEE, WI

I got home, got a few hours sleep and then put on my dress-up clothes, complete with pantyhose and high heels, to go to the Oak Creek Classic Lanes Bowling Alley for the party. Cande worked so hard on this and it was a ton of fun and a big success. She managed to fill the giant lower level of the bowling alley with all kinds of football lovers and many pretty ladies among them—plenty of dancers from the area and several features. Lots of our friends came to show their support and many people from Green Bay, Chicago, Rockford, Madison and of course Milwaukee came running to hang out with us and watch the Broncos kick the Falcons butts! Me not being a huge sports gal, I watched Kiss perform, the new beer commercials, the halftime show and then said, "Who won?" when I heard everyone yelling. I was too busy socializing! The tickets were an affordable \$50.00 with all your food and beer included and we had a great raffle—TV's, jewelry and plenty of Packers' stuff—with the proceeds going to the Leukemia Society. The newspapers and local TV stations made a big deal about "the source" of the money, but really who cares—money's money! I even went on the local news and told them so; actually I said, "If the IRS will take my 'entertainer job money' then why not a charity?" Good point, huh? I got my picture in the paper over it and the story went out over the national wires and I had guys wherever I went tell me they knew about the party. Now, that's major advertising for next year!

And, in the "you can't please everybody" category, one guy at the party upset Cande by demanding his money back because we weren't naked and

Last month I told you about my Oregon ski vacation, but I forgot my pictures. Well, here ya go? Skiing with Alyssa Alps! At least, that's what I call it. Some of the guys who were there to witness me on the bunny-slope were saying other things. Sorry everybody who was behind me on the bunny-slope! The funny part was, while I was on the ground, one of my friends said, "Alyssa, don't move, I'm going to take a picture for your *SCORE* column!" Yes, my friends, this is how I want to be remembered! Can't ski for shit, but will take a picture for *SCORE* practically anywhere!

dancing around during the game. Please, even though I'm just a chick and don't worship football like a lot of people (especially here in Wisconsin!), the rules as I've always understood them are that you don't muck with the Super Bowl. That's a guy thing. Naked ladies are too, and we all got topless at the after-the-game-party at my favorite home away from home, On The Border. About seven of us put on a revue for the enter-

tainment of our partiers and every other guy who happened to be at the club at the time. I had the help of photographer James Hamilton for the onstage photos. I can't do two things at once and Candee thought to invite Michael to do some of the photos you are seeing in this issue of *SCORE*. Because of space, we can't show all of the pictures, but trust me, it was lots of fun and for a good cause too! Great job, Miss Apples!

DIAMOND CLUB, ORLANDO, FL

Yes, I had a six a.m. flight Monday after getting in from the party at one a.m., so I just stayed up and my pal McKenna Mills was my hero and stayed up with me girl chatting and took me to the airport. A good thing, too, because my ride, Mike, was pretty well looped from the night before and I didn't want to leave my truck at the airport satellite parking for five weeks. There were

three drunk, passed-out males and one Nicole Tyler sleeping when I left in 20 degree typical Wisconsin winter weather. I was on my way to 80 degree Tampa (Florida) and so eager to be on my way, I was drooling and snoring the entire plane flight. At least I'm pretty sure I was by the way people were looking at me when we landed. Ooops! Real glamorous. huh? Sorry all, but I was pooped!

I had a meeting with Christi at DeJa Vu-Tampa, where SCORE and I are hosting the Miss Nude Florida contest in April. Then I stopped in at a Porn Star contest at Tootsies in North Miami, at least I think that's where I was. Pretty fun. I was supposed to meet SCORE's Michael there, but I was running really late and he was gone by the time I got there. He says I stood him up and he owes me a spanking, I say, patience, Michael...but that spanking? Let me think...hmmmm...Nah! I'll pass. I did get to hang out with Ron Jeremy (clothed, thank God!) and of course I ended up onstage with him making

I like to put on a skin tight, all-in-one PVC catsuit with zips all over, then go out to an SMI club with a girlfriend of mine. She blindfolds me and straps me into a reclining chair in the corner of a room with my legs spread wide apart, then she leaves me while people come up and feel me all over. After a while she'll undo the zips covering my tits and get them out so that people can lick and squeeze them, then a little later she'll undo the zip on my crutch and slip a massive dildo up my muff and another up my arse so that any cunt can play with. Finally she'll undo the zip covering my lips so that people can use my mouth. I get off on being used by strangers, so use me!

jokes about my big boobs. Overall, it was a fun time.

Wednesday, it was on to Orlando for four great days at what I consider to be the best thing to happen to Orlando in a long time! Great management, fabulous looking girls and a super staff are all the ingredients for one heck of a work week. The owner Sean, General Manager Jim and Day Manager Connie really made me feel welcome. I was only the second feature ever and the staff did their best to help me out. It's hard when you have your own job duties and then throw me on top of it. I had a lot of fans in to visit seeing as I had not been back to the area for about five years or so, plus my babysitter from New Orleans, Jimmy, and the day deejay from a club in Texas, who are both now living in the area came by to see me. It's so flattering that I made such an impression on them that they would take the time to see me.

I was pretty busy with a movie being shot at the club and doing the top radio show in Central Florida, Real Radio 104.1-The Russ and Beau Show. They are so popular that they are soon to be syndicated nationwide and I can see why. What a fun bunch of guys. Parts of the movie, *The Sacred Seal*, with Michel Qissi, the guy with the bald head and ponytail from the Van Damm movies, were being filmed in the parking lot and inside the club. Brady, the movie coordinator, Phi Long, the fight coordinator and Turbo B. from the group Snap plus many other crew members hung out with me. Great guys. I wish the best for their movie and will have fond memories when I see it on the big screen!

What a busy couple of weeks. Thanks to Diamond Club and Mr. Happy's as well as Candee and my friends for such a great time and so much great stuff to write about! I'll be tough to top. But, I'll try. As I write this I'm getting ready to head to SCORE's offices to help Michael put the article together for this issue. (See everybody, I really do write the article!) And, he roped me into doing an interview for SCORE's website. It's going to be live video and kind of weird because Michael and I know each other so well. He says it's going to be my first hardcore video. Tempting thought, but you guys know how I am about sex. Very private stuff for me. Still, check out SCORE's website and let me know what you think of my first time.

See you next month for more fun and unusual things that happen to me while "On The Road." I'll see you next month.-Alyssa Alpis

When was Randi Rushmore first in *SCORE*? If you remember, your memory is better than ours! Back in the March '95 *SCORE*, we published a photo of Randi at the Gentlemen's Club Expo '94. And, when we decided to publish this "newcomer" in *SCORE*, we called Randi up and she reminded us. Our editor must have made a *big* impression on her, huh? All sexual innuendos aside, Randi has now started featuring ("on and off!") after housedancing at Flash-dancers for many years, is sporting a 34HH custom "Goddess" bra and is now making her official *SCORE* "debut!" So, put your hands together and let's give Randi that 21CC *SCORE*-salute...after waiting four years, she deserves it!

PANDORA PEAKS INTERVIEW

Continued from page 44

Atlanta, so I'm feeling good. I try to tell every girl I can, because every woman wants to look pretty and feel beautiful.

SCORE: A corset makes a good start. Which interview was it where we talked about you corseting down to a 19-inch waist?

PANDORA: Our first. You know, Blanka didn't want to believe me, but I have worked with her before, so when I put on the corset, she said, "Tell me how you look, now." Honestly, I have gained three or four pounds...

SCORE: Poor you!

PANDORA: I know, *poor me*. Actually, I think I look a lot healthier now.

SCORE: That one is from Trashy?

PANDORA: Yes. It's more of a waist-cincher, though. The waist cincher actually doesn't have a bra, so it fits right underneath my boobs. I think it's a really sexy look for women. If you just wanted to wear a tank top, the corset and the skirt...that's a really hot look. Corsets and cinchers are really "in" now. Women show them off instead of just wearing them under their clothes.

SCORE: So, we would actually see you wearing this corset out and about?

PANDORA: Sure. In the summertime or when I play dress-up...

SCORE: Okay, batting in the three-hole, we have the paisley bra and garters...

PANDORA: It's gorgeous, isn't it? I feel so sexy in that stuff. It's probably because women don't wear these all the time. It's sexy to wear garters, especially when your skirt rides up a bit to show the world that you have them on.

SCORE: Don't you always feel sexy.

PANDORA: Sure. I have sweatpants and a shirt on now and I can feel sexy. But, I love beautiful lingerie, moooooore than I used to because it's more available for women with my dimensions.

SCORE: Cup size, please?

PANDORA: That's an H-cup too. But, that's a special occasion bra. It doesn't offer much support for everyday use...

SCORE: But a helluva lot of cleavage!

PANDORA: That's why women wear them! Its a tactfully designed bra to give you really bodacious ta-tas!

SCORE: So, this is the outfit we would find you in on Valentine's Day when we come home from work?

PANDORA: Right! That's true! I love to dress sexy. I love to dress to undress. I do this all the time, not just for these pictures, but in real life. It's too good not to do it all the time. I'm sharing

THE BOOBS OF EUROPE DICHAN

TRUST US,
EUROPE HAS
ENOUGH
BOOBS FOR
THE WHOLE
WORLD!

If you've
"Wuth,"
"Wuth"
years, e
"Surpris
home."

If you've been reading *SCORE* for the last six years or been Boob Cruising, you know Europe DiChan pretty well. Friends collectively call her "The Mouth," and not just because, by Europe's own admission, she "sucks dick real well." We're sure she has good references, but we call her "The Mouth" because Europe loves to talk, and when she gets the urge, no megaphone is necessary. Still, after knowing Europe for the better part of five years, even our editors are in shock every time we see her in person. Why? Those boobies are enormous in the flesh! And her bras...Hubba! Hubba! "Surprisingly, I can get some of my bras right off the rack. An E-cup fits nicely and gives me some great cleavage," says Europe from her Las Vegas home. "Girls like SaRenna Lee can't do that. Their breasts are huge and mine, they're not that big." *Note: Xmas gift for Europe...new mirror!*

CHECKLIST

EUROPE DICHAN

Age: 30 Birthday: January 5 Height: 5'8"

Weight: 132 lbs. Bra Size: "Anywhere from a 40-E tapered in the back to fit to a 38E which is a bit small, but boys does it make your breasts look voluptuous!"

Lives: Las Vegas, Nevada

Previous *SCORE* Appearances: March '95, Nov. '95, March '96, Nov. '98

Though we have never done this before, we'd like to take this moment to thank Europe for all of her hard work with *SCORE's* Boob Cruises and representing herself and *SCORE* so well whenever the opportunity has arisen. So many times, we don't have the opportunity to say "thank you" enough or show our appreciation. And, if there is one person in big-tilt-dom who is deserving of the highest accolades, you're looking at her!

PANDORA PEAKS INTERVIEW

Continued from page 74

such a good time doing that movie.

SCORE: While we're on the subject of work, you have some interesting things going on right now.

PANDORA: Yes, *Visions and Voyeurisms* is one of them. I did a photobook. I think magazine photography is great. It's a little more out there—sexier. But, this is an artistic, sexy book. I was totally nude at a newsstand in Los Angeles. I got out of the car, posed for three minutes—it's off-the-wall photography. Kind of like, "Did I just see that?" I'm really proud of the project and you can get the book through my website...pandorapeaks.com.

SCORE: All right, back to the show...the bodysuit. Ya gotta love it!

PANDORA: It's funny too, because I had that exact same bodysuit at one time and I don't know what happened to it. I always loved wearing it because it's so sexy and Blanka had one just like it. (Laughing) Maybe she took mine? That frilly thing is Blanka's, though. That's not me, that's me taking instruction. I'm not a frilly-person. I don't really like ruffles too much.

SCORE: And lastly, we come to one of my favorite outfits...

PANDORA: (Laughing) My birthday suit! I love those pictures by the mirror—I think they're so sexy where you can see the dual images.

SCORE: Ditto! And, you know what my dear, we're done. Unless...do you have time for some tit-bits?

PANDORA: Sure...go ahead.

SCORE: Tell us, where's your *Peter Panish* "happy place"?

PANDORA: My happy place is in myself, because I'm happy with me so I can be happy anywhere.

SCORE: You're a Leafs' fan now. Are you into any other sports?

PANDORA: I enjoyed my Falcons this year. They didn't quite make it all the way, but they had a good season.

SCORE: Have you tried the Dirty Bird?

PANDORA: (Laughing) I can be a "dirty bird," yeah! I also love a good college football game. I'm a Georgia fan because I went to UGA.

SCORE: At the University of Florida they have a T-shirt that says, "At Georgia, when they yell 'Go Dawgs!' 30,000 women run out of the stands."

PANDORA: (Laughing) Well, you know you can't spell Sugar without UGA!

SCORE: In high school, were you the fox or very conservative?

PANDORA: Conservative. I didn't stand out. I wasn't the shiner. I had friends and was happy, but I wasn't the girl everybody was dying to go out with.

SCORE: When did you blossom?

PANDORA: In my 20's. I graduated from college, got my own apartment and people started noticing me. I would go out with my girlfriends and people would ask me to dance. It was like, "Whoa!" I started wearing bikinis and people on the Jersey Shore were whistling at me. It was very flattering.

SCORE: The Jersey Shore?

PANDORA: Before Citibank, I worked for AT&T in Philadelphia.

SCORE: Shower massager or no?

PANDORA: No, sorry. Just hot water. My hands are good enough, thank you.

SCORE: Are you getting sexy with me...after what, five years?

PANDORA: I am a very sexual woman.

SCORE: I know you are, but we always talk about food and stuff, like what kind of steak you like?

PANDORA: I like rare meat.

SCORE: King cut or medium?

PANDORA: For my meat, I like king cut, and I can have leftovers. For men, I don't think they should be concerned about their size, because you can always learn how to please a woman.

SCORE: How?

PANDORA: You have to know your woman and yourself, because I wouldn't want to be a woman who is not brought to climax. That would be too frustrating. You just have to show each other and work together. But, I want to cum. If I don't, I'm not going to take it personally, but it is gratifying to me if I do. Quickies are good too.

SCORE: Describe your quickies?

PANDORA: You haven't seen your guy in weeks, you see each other, pull your pants down and fuck madly. No, "How are you?" You've only got 10 minutes, so you're in the kitchen and it's boom, bam, all right, I'm done! Lunch sex!

SCORE: Damn, Pandora talked sex and used the "f"-word!

PANDORA: If you live long enough, you never know what will happen. When I get to Miami, we have to have a real date—my favorite...Joe's Stone Crabs, and maybe a hockey game.

SCORE: All I want is some lint!

PANDORA: (Laughing) Sure! I hope everybody enjoys the lingerie show. Thanks for everything.

SCORE: No, Pandora, thank you. Now, give me a treat and say "bye" in your best Southern accent.

SCORE: (Laughing) You and those southern accents. Okay...bye ya'll!

magazines ever. Let me tell you how I found these two wonders. For years I subscribed to another big-boob magazine. You know the one. We'll call it the "G" mag. I ordered a back issue. So, three months later I wrote them inquiring about the issue. Their response was they couldn't find my order, but thanks for the money. What a rip-off! So, I went to the local bookstore and picked up one issue of SCORE and one issue of *Voluptuous*. I have to say, I was most impressed with both magazines and have been reading faithfully ever since.

Let me start by saying the pictures are better, the layouts are better, quality ads and fewer phone sex ads, more videos, SCORE has reputable and responsible customer service and there are more pictures in the magazine. I love the art page and my favorite is the fan club directory in the back of SCORE. I could go on for days about these magazines. As a matter of fact, I have thrown all my "G" magazines away. There's no need to keep trash in the house, especially now that I have SCORE and *Voluptuous* every month. Thanks SCORE. You're Boob-Man Heaven! -J.C., Tulsa, Oklahoma

Editor's Note: At SCORE, we not only pride ourselves on producing the #1 big-boob magazine in the world, but our customer service department is second to none. Granted, mistakes occasionally do happen, and when one occurs at The SCORE Group, we will do our very best to remedy the situation to your complete satisfaction. There are some disreputable entities in the world and we want to make one thing clear to those who still have not made the distinction...SCORE and *Voluptuous* are published by The SCORE Group. Gent is published by Firestone Publishing, a company that has undergone much upheaval lately. Both companies are located in South Florida, but they are completely separate, autonomous companies and competitors with distinctively different publishing and customer service policies and beliefs.

You ever have one of those moments where you're so mesmerized, the only thing coming out of your mouth is drool! Charlotte has that effect on your crusty *SCORE* editor? We do that trans-Atlantic phone-thing with this 19-year-old Parisian. You know, helping her grow as a person, keeping up foreign relations and, most importantly, laying the groundwork for the European summer vacation. Looks like Charlotte is taking care of business, too. For Christmas, she went out and bought this bra and garter set just for the *SCORE*-boys. "You told me you [editor-guy] and the *SCORE*-men [you guys] would love to see me in a lace bra and garters. Here I am! Surprise! Do you like it?" Don't answer boys, you'll just miss a stroke!

A full-page photograph of a blonde woman with bangs, smiling and looking back over her shoulder. She is in a provocative pose, leaning forward with her hands on the wooden legs of a bed. She is wearing a white lace-trimmed skirt, a white thong, and sheer lace stockings. Her legs are spread apart, and she is wearing high-heeled sandals. The background is a simple room with a light blue wall and a potted plant on a shelf.

CHARLOTTE

Age: 19 **Birthday:** March 16, 1980

Height: 5'5" **Weight:** 138 lbs.

Measurements: 43-28-39 **Bra Size:** 38E

Lives and Studies: Paris, France

The Bra I'm Wearing: "I bought this for myself for Christmas in a shop in Paris. It is very pretty. *SCORE's* editor told me he loves lace bras on women. I've never had one before, but I think he was right. It does look very sexy, no?"

Previous Magazine Appearances: Dec. '98

SCORE; Voluptuous-May '98, Feb. '99

As much as we love this Parisian fashion design student, it doesn't seem like Charlotte is going to be around much longer. (CPR, anybody?) She told us that she loves all of the flattery, but she wants to finish school, meet a good man to marry and Charlotte thinks some guys might be turned off by her modeling. How can you argue with a chick who wants to find her true love? So, as the fates would have it, we might be closing this issue of *SCORE* with a girl whose moment in the limelight is over before it really got started. But, what a rush it's been! Thanks Charlotte. We'll miss you!
