SCORECARD

WHO NEEDS VIAGRA?

Dear SCORE:

I'm 35 years old and married to a woman 13 years my senior. We've been married for 13 years and have a couple of pre-teen children. In the beginning, my wife was sexy enough to make my penis hard and throbbing. Now, it just stays limp. I've tried Viagra, but it only helps a little, and it's so expensive.

A friend of mine suggested that I buy a flesh magazine from an adult bookstore and maybe that might help. Boy, did it ever.

Last night, I bought the Sept. '99 issue of SCORE and used the layout of Angelique to make my dick really super-duper hard. I continued to stare at her beautiful body, face and jugs while my wife was mounting and then riding on my joystick. It was the best sexual experience of my life! Thanks.—"Dan," Rowland Heights, California

1999'S BEST DISCOVERY

Dear SCORE:

I agree! Via Paxton is definitely 1999's best super-natural discovery. Great knockers with a slammin' body to match. I love her and look forward to seeing a lot more.

Barbie was almost as big as Via, but didn't measure up because she has a flat ass. Via is awesome. Let's see more.—J.M., New York

OPTOMETRIST TIME?

Dear SCORE:

You must get your eyesight

Perfect tits? One person disagreed, and 368 letter writers and e-mailers thought SCORE discovery Via Paxton was so goddesslike, she could walk on water. Want more? Turn to page 11 for Via's video debut and watch for more pictorials, coming soon.

SCORE'S BOOB CRUISE 2000 SELLS OUT

Congratulations to the 58 SCORE-men who have signed up for Boob Cruise 2000, helping Boob Cruise 2000 sell out in less than three weeks. A waiting list is now being compiled, with priority for any cancellations on a first-come-first-served basis. Contact Sue Fox at 1-305-662-5959, ext. 222, for details.

As for models, Summer Leigh and SaRenna Lee are two encore invitees who will be sailing the British Virgin Islands with SCORE next Spring. Newcomers will be plentiful on Boob Cruise 2000 with Haley Hills, Windy Leigh, Melody Foxxe and super-naturals Lorna Morgan, Autumn and Jessica Turner having already accepted invitations to sail with SCORE April 30th, 2000 from St. Thomas USVI. As more models accept invitations, we'll inform you in upcoming issues of SCORE.

checked. I was amazed to read that, in your opinion, Via Paxton has perfect tits. I feel just the opposite. To me they are saggy, floppy, droopy and just plain ugly. Every other model in the Sept. '99 SCORE has much better. Via is flat-out awful. —"Charlie," Baltimore, Maryland

BARBIE'S A BABE!

Dear SCORE:

This is not the normal letter you guys usually receive. I'm not going to say how gorgeous the models are or how I've never written one of

Who were the stars of the Sept. '99 *SCORE*, already being hailed by readers as one of the best issues we've ever published? Lacey Legends was one, and when you take an up-close-and-personal look at what Lacey's got going for her, it's easy to see why many *SCORE*-men consider her the sexiest 50-plus woman in the world.

these letters before. We, as *SCORE* readers, know all the models are gorgeous or we wouldn't be buying the magazine, right?

Every issue is wonderful, that is a given. But, this time you guys have truly outdone yourselves. This letter is a challenge to all of my fellow *SCORE* readers. Right now, go get your copy of the Sept. '99 issue, which I know all true *SCORE*-readers already possess, and turn to page 91. I dare any reader to find a flaw in Barbie's perfect, and I dare say, Goddess-like, body. From head to toe, this magnificent creature is a picture of perfection.

Don't get me wrong. Like I said at the opening of this letter, all of your models are gorgeous. But, Barbie is perfect. I've been a loyal fan of Alyssa Alps for years now and no other model has ever challenged that loyalty...until now. Thank you again for your wonderful magazine. You guys are still the best!—W.L., Green Bay, Wisconsin

50-SOMETHING AND LOOKING SO FINE!

Dear *SCORE*:

From the Sept. '99 *SCORE*, Lacey Legends is awesome. At 50-plus, damn, I would let her sit on my face anytime. And, Lacey's brown-eye is the sexiest since Dawn Stone. Also, I know The *SCORE* Group publishes *SCORE* and *Voluptuous*. Is Boob Cruise 2000 going to bring more *Voluptuous* women for the Millennium Cruise? It would be nice to see more.—H.B., California

Dear H.B.: Yes, more natural *SCORE* models will be on Boob Cruise 2000. *Voluptuous* and *SCORE*-girls Autumn, Jessica Turner and Lorna Morgan have accepted invitations, and we're waiting to hear from Chloe.

"HELLO TO STEVE IN BOCA RATON, FL!"

Dear *SCORE*:

Hey *SCORE*! I'm 39 today, and I feel great. I gave myself the Aug. '99 *SCORE*, the all-natural issue, as a present and I wanted to tell you... great cover. Just beautiful. And all of the girls are perfect.

Also, I wanted to see if you could

More than just a doll, Southern California college student Barbie is a major babe...and a big-time star! In a star-studded Sept. '99 *SCORE*, no two women garnered more praise than Via Paxton and... Barbie! "Perfect" was the most common description of Barbie, in and out of her janitor clothes. We're gearing up for an encore, but for now, check out the Nov. '99 *Voluptuous*, which is still on sale at newsstands everywhere, for more pictures of this blonde bombshell!

say (print) a big hello to my brother Steve in Boca Raton, Florida. He's a subscriber and a big fan! Thanks.—B.C.R., Rio Grande, New Jersey

BLOCK-BUST-ERS!

Dear *SCORE*:

Well done folks! The Aug. '99 and

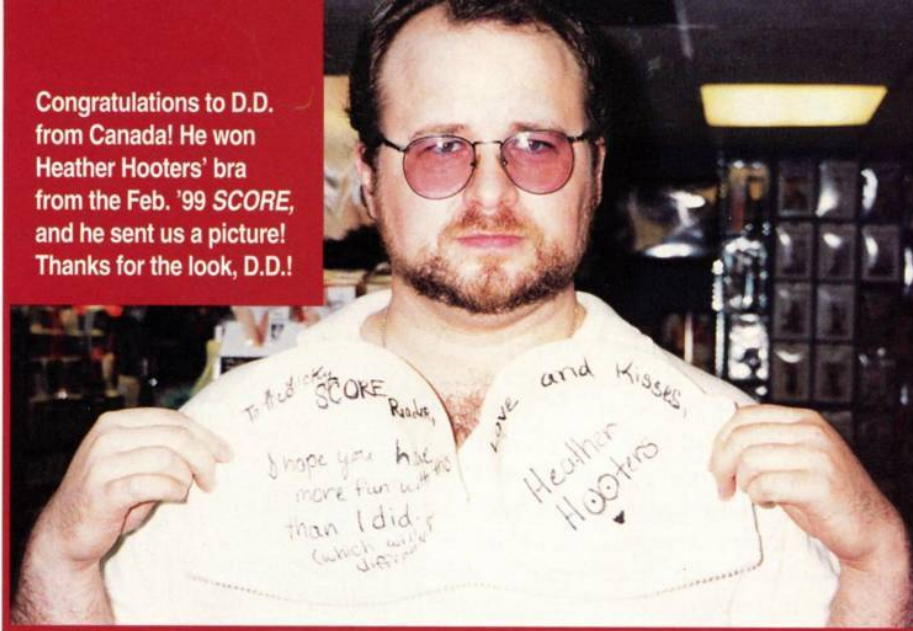

Sept. '99 issues of *SCORE* are block-bust-ers! In Aug. '99, Kerry Marie is sensational. Everything about her is beautiful—face, hair, beaver and, of course, her great tits! And Diane Poppos—she is magnificent. I haven't seen boobs like hers since the sensational L.A. Bust! Diane

Poppo and L.A. Bust must have been separated at birth.

In the Sept. '99 *SCORE*, the pictorial of Via Paxton is excellent. Yes, she does have dynamite tits. I also loved those beaver shots. Via has a "pussy eater's" pussy! Bon appetite! Via definitely deserves an encore.

Now, if you want to talk about super, outstanding, sensational tits, look no further than the inside front cover and page 91 of the Sept. '99 *SCORE*. Barbie, you are stacked, you are slung, you are...super. No silicone, no plastic, just Mother Nature doing what she does best—putting out those wild hormones.

Congratulations to D.D. from Canada! He won Heather Hooters' bra from the Feb. '99 *SCORE*, and he sent us a picture! Thanks for the look, D.D.!

Taped by Diane's ex-husband, each of these three videos has an amateur feel. And, it's this genuine realism that makes them so captivating. **Filmed from a boob-man's perspective**, because that's what Diane's ex is, and he shows off his former wife like only a husband can. Intimate. Erotic! Hardcore! No holes barred!

1. DIANE'S EXERCISE & SWIMMING VIDEO

We see Diane going through her paces with lots of big-boob worship by her ex-husband—kneading and sucking. Watching the video, you can't help but think, "What a fool!" to have divorced this big-boob goddess. But, he was smart enough to get all of this great, exclusive video footage, and now Diane's former husband is getting his own sweet revenge by distributing these up-close-and-personal videos of his ex-wife and some of the biggest all-natural boobs in the world. **X-RATED, 45 MINUTES**

2. MY EX-WIFE DIANE AND HER H-CUP TITS

Watch Diane giving her ex-husband a sloppy blowjob, and when he cums, he blasts the motherlode all over her magnificent tits. This video is loaded with great bathtub and lingerie shots and has a voyeur look, especially when Diane and her ex do the nasty, **INCLUDING ANAL!** Yes, Diane Poppo takes it in the ass. Plus, some of the best tit-fucking you'll ever see! **XXX-RATED, 50 MINUTES**

3. THE BEST OF DIANE

From bananas in her pussy which her man eats to a thick foot-long cucumber, Diane's ex puts her through one helluva "I can't take it anymore" workout! Plus, this video is loaded with personal moments—even cooking nude! And, make no mistake, this is a big boob video! You can tell from the way Diane's ex is fixated on her tits! The result? One more thing? I loved Barbie's wild, industrial setting. Not only is it different, it is great! Who needs fluffy studios or bedrooms? I like Barbie with Brillo, Liquid Plumber and a bottle of Windex!—L.M., San Jose, California

HARD TO TOP?

Dear SCORE:

I thought, after your T&A spectacular in the Aug. '99 SCORE that you couldn't perform any better. Boy, was I pleasantly surprised.

For your performance on my birthday issue (Sept. '99), you should be awarded a "Schoscar!" First, you show a performance from one of my favorites, Summer Leigh. Yes, I'm in her fan club, and she's just an absolute sweetheart.

Then, you go for age and wisdom in Lacey Legends, who just may be the finest creature outside Sophia Loren over 50. She should be a road-map for young women to achieve beauty after 50.

Finally, we have the twin debuts of Via Paxton and Barbie, who are simply munchable and delectable. They are the best debuts since Charlotte and Carrie Lynn.

If you can do better than this issue, your editors should be up for sainthood. Until then, I wish you luck on that journey, and I will be there for the ride.—G.R., Garden Grove, California

Dear G.R.: Thanks for the letter, but a Schoscar? "Oscar" we get, and "sc" makes sense, but where's the "h" come in? Just wondering.

USE AN EXTRA SHEET OF PAPER TO VOTE

Dear SCORE:

Having read July '99's "SCOREcard," I was about to write in support of M.L. from Chicago's great suggestion that you establish a feature comparing girls.

However, after reading your favorable response, I decided to hold fire until you had included the first duo. Your inaugural "Big Boob Match-Up" showcasing Lisa Phillips and Devon Daniels lived up to my expectations. Please continue

BIG BOOBS IN THE NEWS

WORLD RECORD BOOBS?

ACCORDING TO GUINNESS: HERE'S THE BIGGEST ALL-NATURAL RACK IN THE WORLD AND IT BELONGS TO...PRINCESS DOLL!

Welcome to another month of "Boobs In The News," and to start we have an actual news item...from *The Guinness Book of Records* and the brand spanking new category of "Largest Natural Breasts-U.S." A record-holder has been named, and she is...Princess Doll.

According to Princess Doll, big boobs are nothing new to her. "It all started in high school. I was 16 years old and already a DD," remembers Miss Doll, who has faced plenty of adversity. "I was hated by every girl in school. I don't understand people. Sometimes they just take one look at me and judge me."

So, Princess, how big are those full-grown puppies?

"My bra size is a 38I-cup, and my breasts are 100% real."

And these are the biggest natural boobs in the U.S.? *Voluptuous* readers and models may beg to differ.

SCORE attempted to contact *The Guinness Book of Records* to check on how Princess Doll was determined to have the biggest boobs, but it seems the people at Guinness Media were setting some records of their own, starting with, "Most Inept Publishing Company." The lady who was in charge of Princess Doll's record was gunning for "Longest Leave Of Absence" and their phone system won't set any

FLYING HIGH WITH EX-FLIGHT CHICK... **UTAH**

Yow! Marvel and gasp at the woman who calls herself Utah. She has huge tits and a sleek, hard, muscular bod that knocks 'em dead at her home base club, Embers in Sacramento, California.

"Utah has the sexiest hardbody I've ever seen!" gushes Sofia Staks, a Utah admirer.

How did Utah develop her amazing physique, worthy of entry in a Ms. Fitness America contest?

"I'm a certified aerobics instructor. I train six days a weeks and take a two week rest break every six months. Okay, I'm a fanatic about training!" admits Utah, who also lifts weights, windsurfs, rides a mountain bike and once finished the Boston Marathon!

Utah used to labor as a flight attendant for a major airline, giving new meaning to the term layover. (She declined to name the airline.) "I left the friendly skies for a number of reasons, even though I had fun strutting down the aisle ready to burst out of my uniform, bending over to get those great meals for the passengers," explains Utah.

"I'm a California girl from San Francisco. I did a two year stint at a junior college, then joined the airline. I was also a professional belly-dancer, a tennis instructor and worked for a cosmetics company as a rep. Sort of a mixed bag, I'd say, but it's made my life interesting."

Now, she dances at Embers, models, has a fan club and a website: Utahssweetsite, which is linked to SCORELAND.COM.

"I do custom videos at home for my fans. I have one customer who

"Coffee, tea or...?" Can you picture these boobies delivering peanuts for Delta? A self-proclaimed "fitness freak," Utah is Boob Beat columnist Elliot James' flavor of the month, so read on for some tit-chat with this stewardess turned lapdancer.

orders 50 cream pies and loves to have me sit naked with red nail polish and red lipstick, and wants me to smear the pie goo all over my naked body, then lick it off my big boobies and rub it on my pussy.

"I bend over backwards for my sweet fans, literally and figuratively. I do crazy stuff. Fantasy fetish things. Create a scene for me and just let me go! I just don't do boy-girl porn stuff though, no-no."

Does Utah have any personal fetishes? "I guess my only fetish, if you could call it that, would be my daily vibrator treatment, if I don't have a man doing me in all the regular ways. I also love to massage my breasts a lot, though I don't think that's a fetish. Pass the lotion!"

Utah prefers to dance at Embers, rather than do the traveling, feature dancer thing, and she has become

famous at the club for her Utah lap-dance. What's that like?

"We make sure the bouncer is looking the other way! Really, it's an art, a supertease, a fantasy. Imagine you are having sex with me. Close your eyes and pretend. Imagine, smell me, look at me. I make you want more, devour you with my body, make you want to come back again and again."

Utah on bras and lingerie: "In bed, I wear Victoria's Secret lingerie. Pink and black baby dolls, or two piece flimsy 'lil things that make me feel sexy when I dim the lights. My bras are usually from Nordstroms. They will alter bras for me. I'm actually tiny around underneath my boobs but then we come to the cup size which is a whole different story. I'm like an F-cup so they take a large bra and adjust it for me. I

like all kinds of brands and styles. The other day I went bra shopping in Sacramento and squeezed them into a plain 36FF!"

Her drooling fans mail Utah many gifts. "I get a lot of different presents, and they all mean a great deal to me. My favorite? A pair of Manolo Blahnik black spike girl-power shoes. Sexy!"

Having been a stewardess, Utah has travelled the world and loves it. "I love to travel. I spent six months travelling—no work, just exploring. Turkey has the most gorgeous beaches, especially Ole Deniz on the Medi-terranean. Blue water, beautiful mountains—a dream. The men called me 'Miss Baywatch', 'Brigitte' and 'Miss California'. 'Your breasts are so big! Oh, I want to visit you in California!'"

A cock swelling introduction to Utah is her video *Discovering Utah*. She does a lot of amazing things with her vibrator, and she gets into some really unusual, agile positions. Your columnist guy watched it with no less an expert in vibratory science than Sofia Staks herself, and we both thought it was hot.

Utah is divorced, has no kids and keeps two dogs. "I have been dating casually...different men, but nothing serious. Life has been very hectic for me, and my career is important to me. As for travel, my next stop this year is Tunisia. On New Year's Eve, I want to be celebrating at Picadilly Circus in London!"

Big things in every way are cumming for Utah in the year 2000. Keep your boobhound eyes on her!

BOOB BEAT

When in Vegas, see the sights, two of the biggest belonging to Deena Duos. For those of you wondering what Deena looks like nowadays, sorry, she didn't send any pictures. But, Deena does say she's a lot like *SCORE*-men remember, and that's a good thing.

A bonafide *SCORE* magazine legend, the luscious, huge-breasted Deena Duos may no longer be feature dancing, but she's been very busy the past four years.

Deena's been studying for her Registered Nurse degree and completed her state board examination in June after years of hard work. To pay for the astronomical costs of her education, Deena performs as a private entertainer in Las Vegas.

Let's face it, there's no way a feature dancer can go to school and also travel from club to club 30-40 weeks a year. Hence the private dancer route, and what better city on Earth than Las Vegas, Nevada?

Deena could have gone the four-days-a-week housedancer routine, but Miss Duos told *SCORE* that she just doesn't want to deal with the pace, blasting music, crowds and competition from other dancers, not to mention the management demands and the clock-punching that a club dancer has to face.

"I really enjoy the one-on-one private dancing, especially for my longtime fans who have always dreamt of spending time with me alone when they visit Las Vegas. I love to laugh and have a lot of fun, and make every man I perform for feel relaxed, happy and comfortable with me. I want you to have fun!"

For recreation, Deena loves to dine out (her favorite place in Vegas is the Lobster House), shop for sexy stuff and gamble. (Our kind of woman. Hit me!) "I love to be pampered and spoiled. What woman doesn't?" Deena laughs.

SCORE-men heading into Vegas can contact her ahead of time by e-mailing Deena at deenaduo@vegas-net.net (note the dropping of the 's' in that e-mail address).

"As for e-mailing me, I am interested only in serious inquiries from a man with style who knows how to behave like a gentleman. I need to

DEENA DUOS REGISTERED NURSE AND PRIVATE DANCER

be contacted about one to two weeks in advance to set up my private show. Just to let everyone know, and I am not trying to sound harsh about it, but I will not tolerate anyone who does not show me respect and who thinks I'll be impressed by the crude approach.

"I should also say here that I just don't have the time in my double careers for someone who is simply looking for a phone or Net girl-pal. Please understand that my time is very precious. My nursing studies have been very demanding and complex the past four years, and coordinating my private dance schedule is just as demanding.

"What do I look like now? I haven't taken any pictures recently, but I am still the way readers

remember me," reminds Deena.

Hmm, picture Deena looking fantastic in a nurse's uniform (and stripper shoes, of course).

For those not webbed up, you'll find Deena's snail mail address and telephone number in our *SCORE* model directory on page 98.

Definitely, if you've got the ways and the means, a Deena show is far better than dumping it into the slots when you visit Las Vegas, big bust capital of the USA!

And that's all *she* wrote (whoever she is!) for another edition of "The Boob Beat." Remember, if you have a chronic lapdancing problem, you can get help. Just don't ask me for the phone number, 'cause I have no intention of stopping! Until next month, keep *SCORING!*

EXCLUSIVE
INTERVIEW

Autumn

INTERVIEW BY MICHAEL UWATE

Hey, what's this? We haven't done one of these in awhile, eh? Well, with Autumn in this month's issue and her having just accepted an invite to be a Boob Cruise 2000 Babe, she seemed like, pardon the pun, a natural. Especially since, even though Autumn's been in just about every big-bust magazine in the world (under a different name in one) and is the jerk-off fantasy for many, editor's included, nobody really knows who she is.

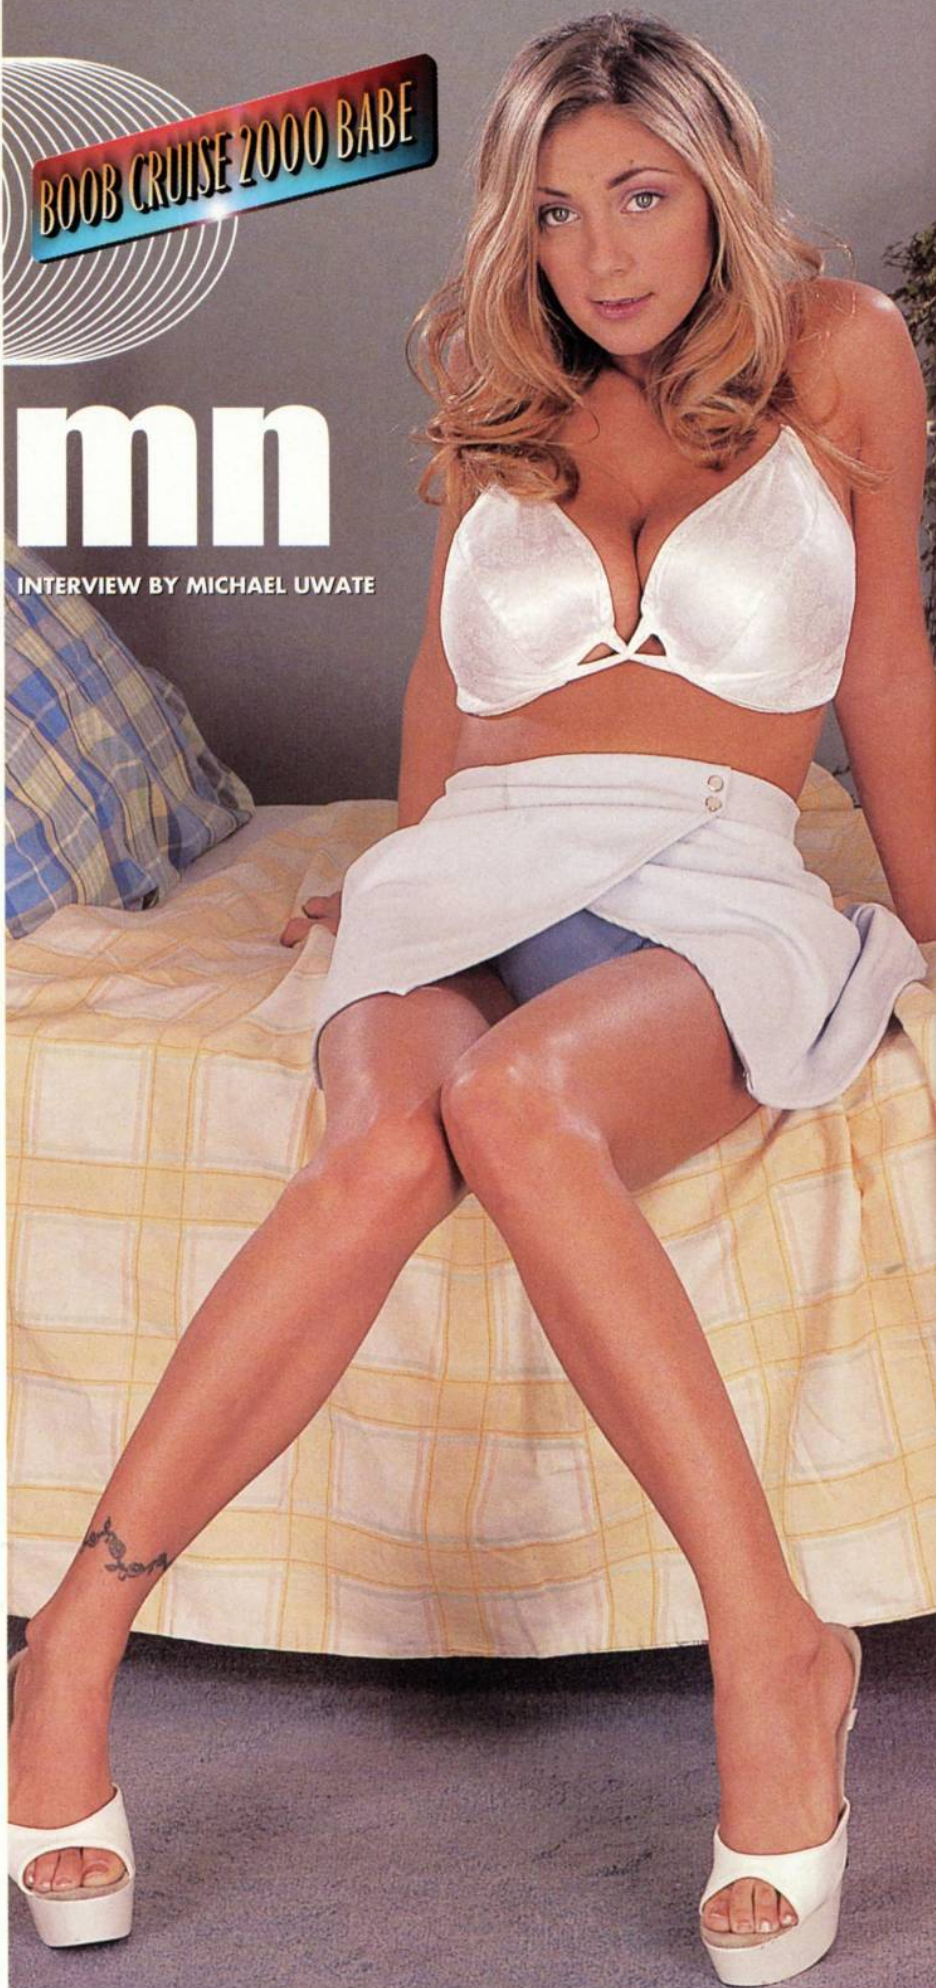

That's about to change.

For those of you who aren't the literary type—here come the highlights. Autumn's an Alabama girl (Yup, talk to her for 10 seconds and you'll know she would fit right in with Forrest and Bubba saying, "Alabama, sir!"), who is about as Southern as they come. She's a housedancer who has discovered she has a bisexual side and is sailing on Boob Cruise 2000. What else? Oh yeah, she used to work cutting the legs off chickens.

Yeah, yeah, but does she swallow? Sorry, Autumn's not what you'd call the talkative type. One thing I've learned from interviewing people is, if you hear the words, "I'm shy...quiet...don't say much," you know it's going to be tough sledding. But, when you interview for *SCORE*, at least the interviewee has big boobs. So, let's get busy...Picture-guys, enjoy Autumn nekkid. All of you Barnes & Nobles types, follow me to page 40 for Autumn's first interview.

AUTUMN INTERVIEW

Continued from page 32

SCORE: Rise and shine! So, did you have sweet dreams?

AUTUMN: Sort of. I really don't remember what I was dreaming.

SCORE: Didn't dream about going Boob Cruising?

AUTUMN: That's going to be great. I'm all excited. I can hardly wait.

SCORE: Guys are going to be surprised at how petite you are.

AUTUMN: Yeah, I'm a short, little thing. I'm not really into big things.

SCORE: So, a six-inch sub, extra mayo works for you?

AUTUMN: (Giggling) That's just fine.

SCORE: All right, enough small-talk. Tell us, Autumn, do you swallow?

AUTUMN: God...I can't answer that!

SCORE: Does "Jade" have an answer?

AUTUMN: Autumn-Jade...You want an explanation, right?

SCORE: Our readers might.

AUTUMN: I've danced at home under the name Jade, but when I went to London, the photographer told me he didn't like that name because there were too many Jades, so I chose Autumn. I like it.

SCORE: You're a shy minx, eh?

AUTUMN: I'm pretty shy. But, since I've started dancing, I've gotten a lot better talking to people.

SCORE: With a Southern, Alabama "twang" to your voice.

AUTUMN: I know. I don't really notice it, but everybody tells me that.

SCORE: For the record, born-n-bred Dixie. Hatched in Birmingham, living in Huntsville and you're not 5'7".

AUTUMN: (Laughing) In high heels!

SCORE: That's where we had a mix-up. At an NFL combine you'd be...

AUTUMN: Five-foot-two...

SCORE: Measurements?

AUTUMN: That depends on my weight...when I lose weight, my boobs are the first thing to go...

SCORE: Yikes...eat lots of Twinkies.

AUTUMN: (Laughing) I do! Okay, measurements...I wear about a 36DDD bra, and, last I checked, I was about 40-26-35. I have a little back, so it's hard to get the right fitting bras.

SCORE: Where do you get your bras?

AUTUMN: I got some in custom bra shops in London and a few when I was in California. There aren't many bra stores in Huntsville.

SCORE: But, there is a titty club, and you're a housedancer there?

AUTUMN: At Visions. It's the nicest club in Huntsville.

SCORE: Lapdances?

AUTUMN: No, we have a "no touching" policy. The whole state of Alabama does.

SCORE: Being a shy creature, how'd you ever get into dancing?

AUTUMN: I started because one of my friends knew that there were places in Huntsville to dance where we could make a lot more than we were making where we were working.

SCORE: Where were you working?

AUTUMN: God...I don't think I want to tell you that. It's embarrassing...

SCORE: My dear, it's either that or we start in on high-protein drinks...

AUTUMN: (Laughing) A chicken plant in Decatur.

SCORE: You plucked chickens?

AUTUMN: (Laughing) No...I deboned them. That's what they call it.

SCORE: Breasts or legs?

AUTUMN: (Laughing) I took the legs off! God, this is embarrassing. I don't want anybody to know that.

SCORE: In high school or...

AUTUMN: About six months after I finished school. I didn't do it long, probably only about three months, and then I started dancing.

SCORE: And, now you're a jet-setter, off to England to pose.

AUTUMN: I like it there. It's exciting, but I get homesick when I'm gone and always want to come home.

SCORE: You wouldn't say that if you had to decapitate chickens?

AUTUMN: (Laughing) Believe it or not, I'd probably still come home to Alabama. It's my home. I've been to California, too. But, I don't know if I could live there—in a big city. I sure couldn't drive in the city. I like the country, you know. I live out in the woods. I don't live right in Huntsville. I'm out in the country.

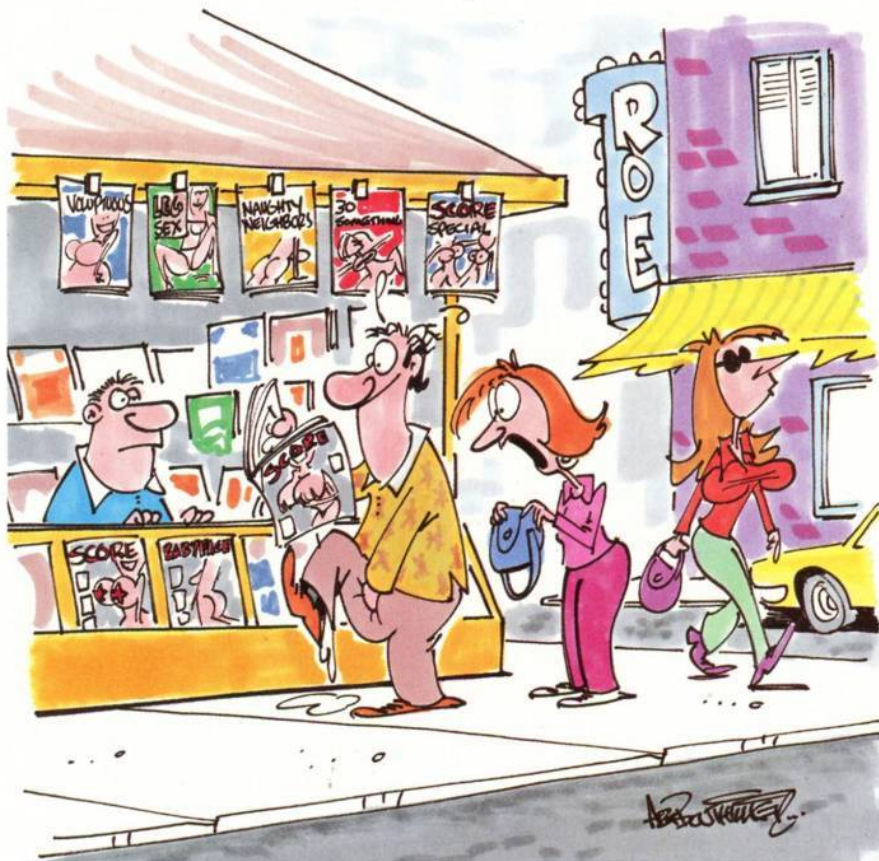

SCORE: You know, I'm sitting here looking at naked pictures of you and I was wondering...

AUTUMN: Oh no, don't do that.

SCORE: Why not? You look damn hot. But, I wanted to know...what do you think of your body?

AUTUMN: I used to be ashamed of my body and my boobs. In high school they always called me "Jugs." I always wore big shirts to hide it, and

Amateur Alexis is ready for the Big Time!

Ahh, the internet...the nudie superhighway. Seems everybody has a website and they're putting up naked pictures of women to get everybody off. That's where we found Alexis, a 27-year-old Kansas woman who is a regular, office working gal with a dream—to see herself in four-color printing on glossy paper! Alexis sent us some amateur pictures, and those were published in the Nov. '99 *Voluptuous*. Then, it was our turn. We sent a photographer to Alexis' hometown of Wichita, Kansas and, after some convincing (even though she's dreamed of being in magazines, Alexis was still nervous), the clothes came off and, shazam, now Alexis is a **SCORE**-girl!

CHECK LIST

ALEXIS

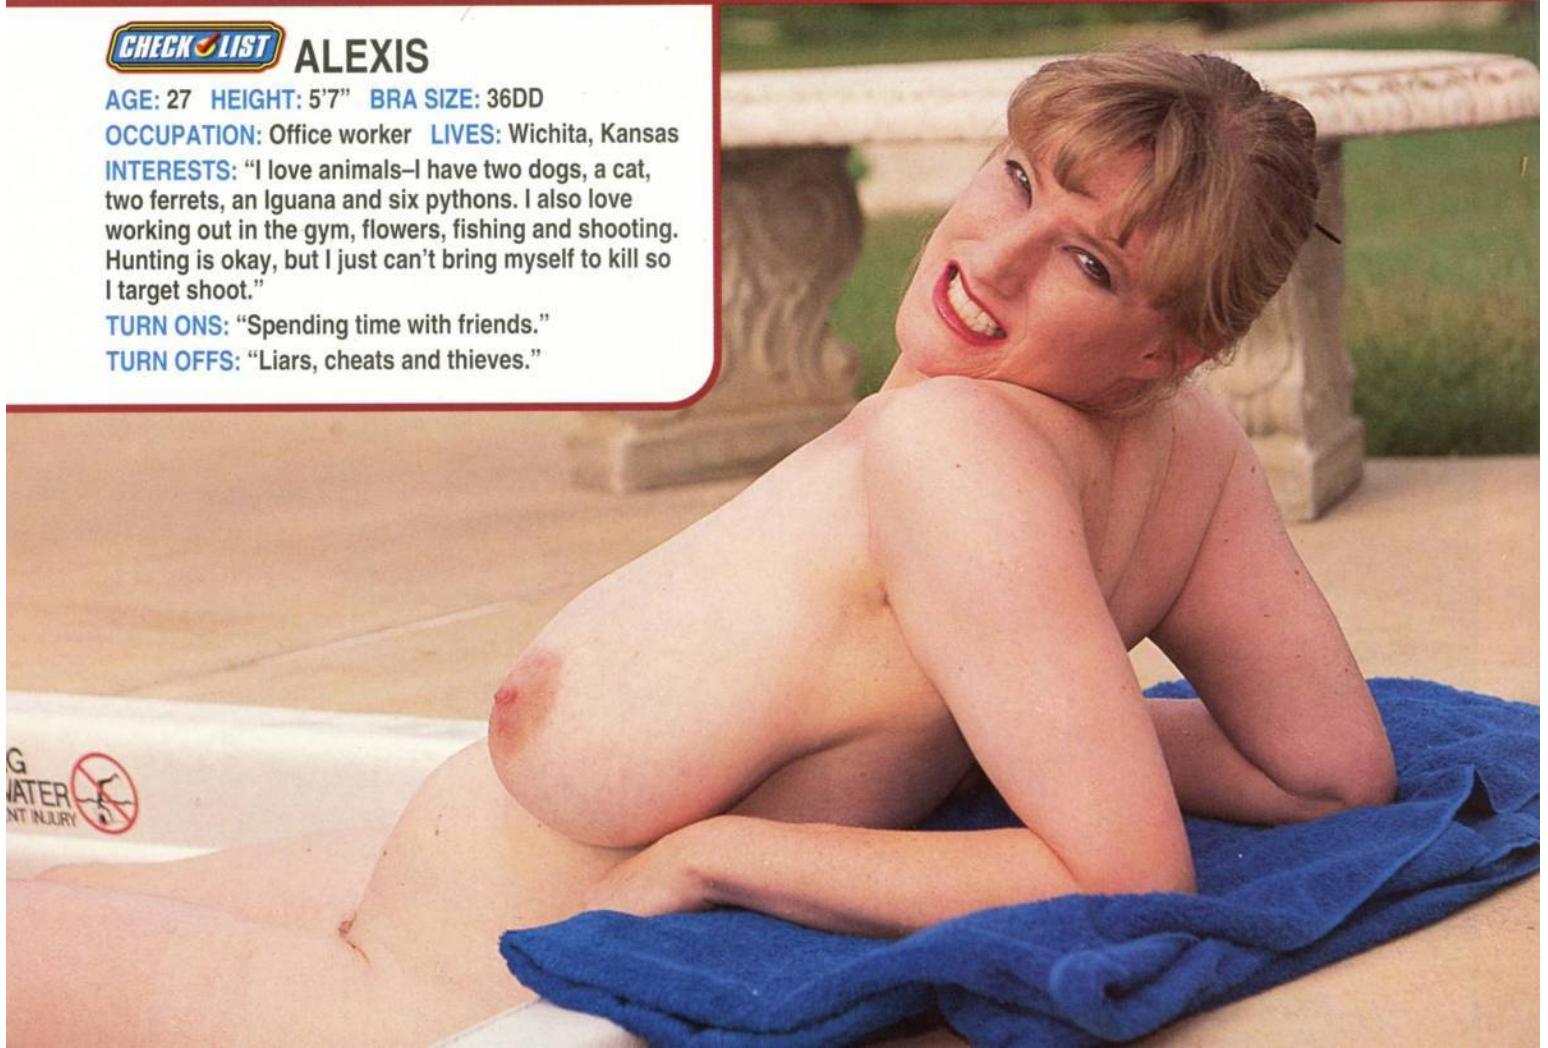

AGE: 27 **HEIGHT:** 5'7" **BRA SIZE:** 36DD

OCCUPATION: Office worker **LIVES:** Wichita, Kansas

INTERESTS: "I love animals—I have two dogs, a cat, two ferrets, an Iguana and six pythons. I also love working out in the gym, flowers, fishing and shooting. Hunting is okay, but I just can't bring myself to kill so I target shoot."

TURN ONS: "Spending time with friends."

TURN OFFS: "Liars, cheats and thieves."

AUTUMN INTERVIEW

Continued from page 40

I was bigger anyway, so I looked really big. Then, when I started dancing I was very, very shy.

SCORE: What was the first night like?

AUTUMN: It was awful! I was so sick. It was very embarrassing. I remember I had this big, ole shirt on and a sports bra, and I really didn't know what to do. I kinda just hung onto the pole, walked around it and smiled. I thought I would never do it again.

SCORE: So, what made you go back?

AUTUMN: I made a whole bunch of money and...(laughing) as embarrassing as it was, it sure beat cutting legs off chickens! Plus, when I was up there, I heard guys saying, "Wow, check out those big, ole boobs!" That's all I heard.

SCORE: So, they liked your titties?

AUTUMN: Yeah, and this wasn't even topless. It was a bikini bar. When I went topless...it was really crazy.

SCORE: And, you finally realized that your breasts were actually good?

AUTUMN: Yeah...I was going to have a reduction when I was like 18, but I didn't because it was so expensive.

SCORE: You're kind of a late bloomer...and a quiet girl.

AUTUMN: Yeah, I've been told that.

SCORE: Not the type to lose her virginity at 14, eh?

AUTUMN: Seventeen...in the high school parking lot!

SCORE: Did he dig your boobies?

AUTUMN: (Laughing) I think he was kind of scared of them at first. He didn't know what to do with them.

SCORE: What about now...you met the Mr. Right yet, the kind who digs your breasts?

AUTUMN: Not really. Not yet.

SCORE: Looking?

AUTUMN: Always. Offering?

SCORE: Always! But, my dear, I can't because you've been taken!

AUTUMN: By who?

SCORE: Linsey Dawn McKenzie!

AUTUMN: Oh yeah, that's right. We were in *Voluptuous* (March '99).

SCORE: What's Linsey like?

AUTUMN: Great. Kathy and Chloe, too. All three of them.

SCORE: What about the nookie?

AUTUMN: It was great. We had a big pillow fight, then she [Kathy] did me with a strap-on for a video that you [SCORE] are making.

SCORE: Yes we are, and it'll be available very shortly...

AUTUMN: I'm dying to see it. That strap-on sex with Kathy was fun.

SCORE: Orgasmic?

AUTUMN: Oh yeah. It was my first time with a strap-on. I am glad I

didn't use that big one, though. The little one was great. I can't handle them too big. It's just not as good.

SCORE: Let's see...Linsey...strap-on?

AUTUMN: No, she's very elegant...and proper. She's really cool.

SCORE: And, sexually speaking...

AUTUMN: She tastes good...sweet!

SCORE: And, Chloe...

AUTUMN: It was much easier doing it with Chloe because she kind of took over. I like that. She was the boss. She definitely took over, and I liked it.

SCORE: Dyke.

AUTUMN: (Laughing) I'm not. I just like girls sometimes. It's funny, though, because where I grew up, you didn't do that kind of thing. But, since I started dancing and seeing naked girls all the time...I guess I kind of got curious. It happens.

SCORE: Okay, I'm getting the impression that you're a sweet girl, kinda down-home-ish. As long as you keep that strap-on outta the house, I'd shack up with you. But, even after our tit-chat, I'm guessing for most guys you're still a bit of an enigma.

AUTUMN: (Laughing) I like it like that.

SCORE: Who would have thunk it? So, tell us your future plans.

AUTUMN: I'm going to keep on housedancing. I like to travel, but I also like to be at home.

SCORE: What's so nice about living in the Alabama sticks? You have a cute dog or something?

AUTUMN: How'd you know. I have a miniature dachshund. He's my little puppy... Autumn's Rusty Hustler.

SCORE: So, you're really not into the foot-longs, eh?

AUTUMN: (Laughing) Uh-uh.

SCORE: You give hope to all men!

AUTUMN: (Laughing) Well, I try.

SCORE: And, you laugh a lot, too. It's good, though...kinda sexy.

AUTUMN: (Laugh) Well, thank you!

SCORE: And, we'll be hearing that laugh on Boob Cruise 2000?

AUTUMN: Definitely! I've never been on a cruise before. It'll be my first time. I hope everybody likes me.

SCORE: Trust me, they'll love you. Well, guess what my dear? We're done. It's sayonara time. So, give us a big smooch and say goodbye the best way you know how.

AUTUMN: (Big kiss) Okay...my best goodbye? Hmmm...Bye...

FANTASY: "It's kind of kinky, but why not? Afterall, there's not much you're not seeing in my pictures. Here goes... I'd love to be screwed by loads of gorgeous, busty women with big, fat, strap-on dicks—like a female gang-bang."

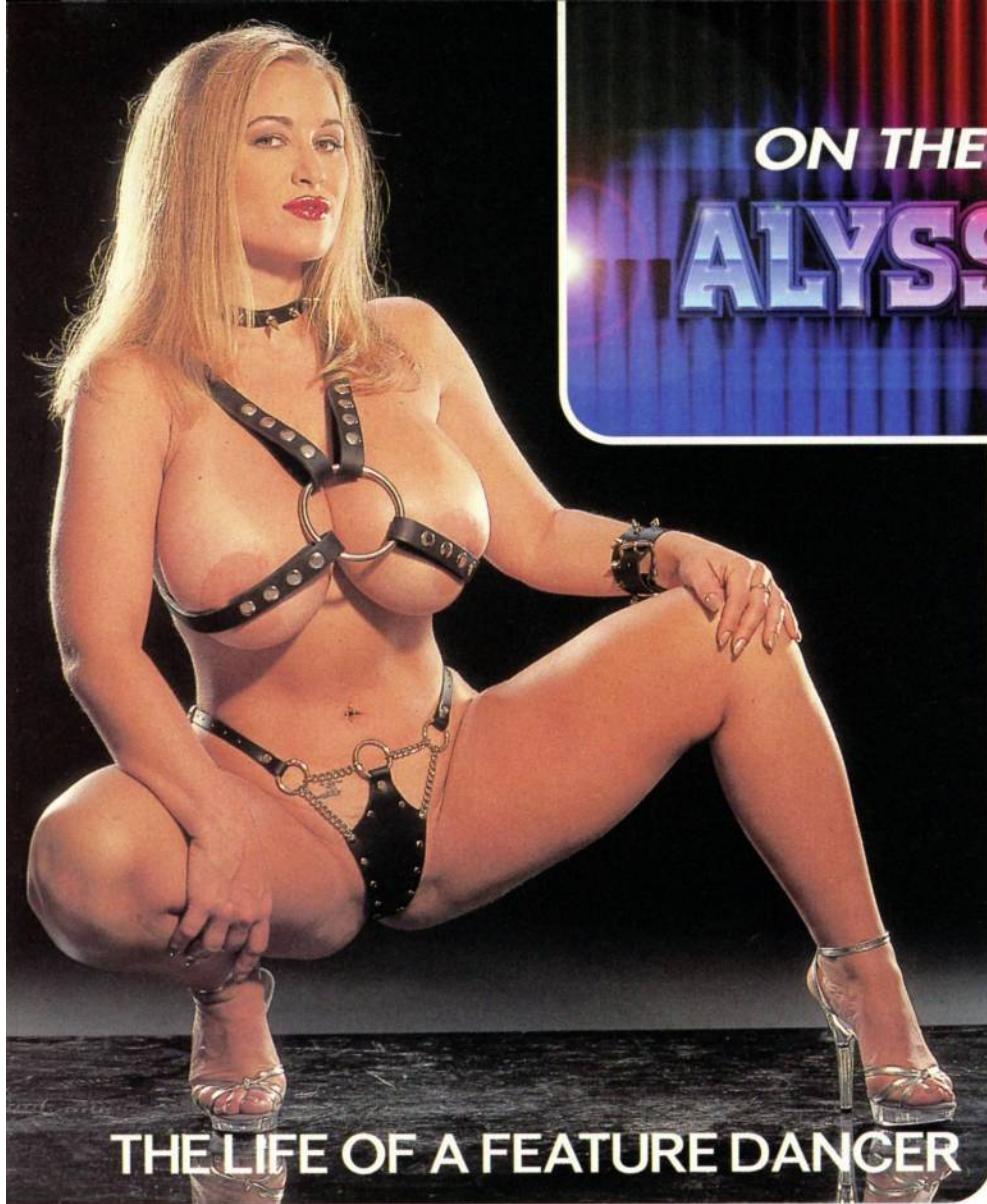

It's getting a bit redundant, isn't it? "The U.K.'s newest big-titter!" But, if the phrase fits, we'll keep using it...and we'll all be happy campers! The latest in the recent U.K. invasion that started with Linsey Dawn McKenzie in the Dec. '97 *SCORE*...Hannah Callow. She's a London dancer who has appeared in some small Euro magazines, but has never been in an American book—until now. So, she looks pretty good, huh? But, what kind of person is Hannah? You know how Autumn (p. 32) drips down-home, Southern goodness from every pore. Hannah's the opposite. She's pretty, has a great body...and knows it. Hey, the world's full of all kinds of ladies, and if you're into the highfalutin type, here's your dream-girl. In fact, how's this for confidence? Hannah guarantees you'll love her!

ON THE ROAD WITH ALYSSA ALPS

THE LIFE OF A FEATURE DANCER

COLUMN BY ALYSSA ALPS

The Dec. '99 issue, huh? Magazine printing schedules...go figure? Well, I'm still in summer here with three weeks off for vacation, and I didn't do shit! Kind of like a kid on summer break. But, I did have lots of fun, saw many friends and actually slept a lot for a change, just not much club action for you all. I'm not sorry either, but I had some of my friends help me out this month so you don't feel cheated.

Wesley's Boobie Trap, Dora, Alabama

Dora is about a half-hour northwest of Birmingham, in the hills of Alabama. What a nice place and the people are super; just the place for me to be before I go on vacation for the rest of the month.

Rose and her hubby Wes are great hosts and run a friendly and fun place where a good time is not

Another month, and more goodies! Not much work this month—only one club. I spent most of it hanging out with my friends in New York, going to the beach and relaxing as best I could by going shopping. A little known secret about me...I love antiques. And, I'm always looking for good deals, like this chair I got in the Village (NYC) to go with a secretary I bought a while back. And, as is usually the case, I have the picture to prove it!

As my editor always tells me... "There's something oh so sexy about a woman who will cram a hotdog down her throat in public!" This month, I have a picture of yours truly, Leslie Wells and our friend Melissa doing just that on the streets of New York (top, middle). To the left, the only club photo I have, out front of Wesley's Boobie Trap in Alabama. I spent most of this month vacationing and hanging with friends like, Xxxena and McKenna Mills (below our hotdog picture) with Xxxena's friend Lance. Anybody recognize him? He used to date a former *SCORE* covergirl (not me!) and was even in a pictorial with her. To the right of that photo, and clockwise all the way around the world are: McKenna all by her lonesome; trying on rings with Candee Apples in New York at the Diamond District; in Atlantic City to play roulette; Candee getting made up and in costume for her show; the two of us out late on Broadway; there's Candee out front of Charles Schwab where we went for stock advice; and to the left of that photo is me and Xxxena again. Notice how in that first picture we're all fresh and sober looking. This is the squinty eyed, shiny faced, four a.m. look!

only had by all, but encouraged. Everyone, staff and customers, genuinely has a great time. The bar is filled with these little, wooden blocks that are free to use by everyone to pound on the tables, bar and stage to show appreciation. Kind of like snapping your fingers instead of applause in the old coffee bars in the '60s and '70s, at least that's what I've been told they used to do. Just a wee bit louder than finger snapping, but certainly effective.

I had never been to Alabama before and was only there three days. But, from what I saw I loved it! Now that I live in New York most of the year, I appreciate the slower paced South more than ever. Saturday night I did the pack up, leave and drive-three-hours-back-to-Atlanta thing to catch my flight back to La Guardia to start my vacation. The drive sucked, but the anticipation made it worth it!

Expo in Vegas at the end of August, I still work organizing this and writing that, even when I take some time off from dancing. Busy, busy, busy...that's the way I like it.

I started off right away the Sunday I flew in by going down to the Village on a quest for the perfect chair to match my antique Italian secretary. I got it for \$150.00. Good bargain if you ask me!

I did part two of the special project I've been working on (see last month's column). Like the dress? A little risque if you ask me. But, I wasn't in charge of wardrobe, so I didn't get to choose. Leslie Wells and her assistant, Melissa, came in to lend a helping hand and shop for a day. The shopping on Eighth Street in the Village is amazing. Lots of great shoe shops, and the people watching is great. I left the truck in the garage this time, and we did the subway thing—the easiest way to get around New York City.

My vacation quickly turned into a friend-month thing. McKenna Mills was running a contest, Miss Exotic Stripper New Jersey, at Frank's

Chicken House in Manville, New Jersey. I hadn't seen her in months and, since we had some business to discuss, I was headed to Jersey. Our friend XXXena was guest appearing there, and it's always good to show your support (I got to be a judge), so off I went to the Newark airport to pick her up and take her to Manville. Nice club—all the girls were friendly and hard workers, and the staff is golden. Plus, it is nude and a juice bar. Not just nude but naked nude, a definite plus for the true naked-as-a-jay-bird fans out there! I left the next day for Fort Lauderdale to get 100 cc's (about 1/2 cup) of fat sucked out of my hips and stomach. I call it maintenance. I elected to stay awake for the surgery, under a local like the dentist gives you. The staff and Dr. A, at the Florida Center for Cosmetic Surgery really takes care of me.

I got a script for Soma's, a muscle relaxer, for the pain. Nice, but I have an adverse reaction to any kind of narcotic, so I was quite bitchy. My sweetie-pie boyfriend-type-fellow wanted to kill me! I was like PMS times 100! A couple of

Boating on Bradley Beach in New Jersey. That's what the boys like to call it. Myself, I prefer, "Drinking at a bar on the ocean!" I'm not really into swimming in the ocean over my knees too much. It's a White Shark thing. Just one of my little phobias.

days in a girdle which is oh so sexy to hang out in at Bradley Beach, New Jersey, and I was ready to hit the streets with Candee Apples, who was doing a week at Flash-dancers on Broadway. What a full day; lunch at the Playwrite on 49th, between Broadway and Seventh, her teaching me stock market strategies at Charles Schwab, then off to

Hey, I told you I was on vacation! And that means lots of doing nothing and plenty of playing...pool! Next month, it's back to the clubs. I'm actually looking forward to it. All of this relaxing makes me kind of restless.

the Diamond District—an area concentrated around Fifth and Sixth Avenues in the upper 40's—do a little browsing. I caught her six p.m. show, then home for me. Back to the beach on Thursday after a stop at one of my favorite places Gonzales Y Gonzales, near Houston and Broadway in the Village, for some chips and fabulous salsa.

The beach was great, and I even got a chance to take a side trip to Atlantic City for some roulette. On the boardwalk there they have one of those Ripley's Believe It or Not's, and I had to check it out. I now know how to shrink a head, so watch out! They had a replica of the biggest shark ever caught in North America, and of course it had to have been caught near the area that I was to go boating and swimming at! I already have this thing about sharks, so I stayed in the middle of the boat and would only swim in a shallow cove. Yes, I know I'm a big baby, but everyone has their fears. And, mine is basically that *Jaws*-thing, only I don't get to swim away on a couple of floats to make more movies. By the way, in *Jaws*, with all of that nasty dead shark stuff floating around, where were all of the other sharks to chew those guys up? Hmmm...That's just one of the things that keeps me up at night. Want another? Does anybody believe shower massagers are really just to relax muscles? And, who invented Liquid Soap...and why?

Well there you go, my vacation! I fit a lot in, don't I? What am I doing right now? Sitting at Joe's Crab Shack in Beaumont, Texas finishing this month's column. You'll hear all about Texas as well as Sacramento, California and Fort Lauderdale, Florida next month. And, I do believe that Nicole Tyler and Candee Apples may be contributing to my article, too! What can I say, I'm a friendly person, and I like to keep my friends involved.

And, I have a great newsflash for all of you So-Cal dudes! I will be there, at Angels in Long Beach and Another Angels in Corona, California Oct. 27th-30th, 1999. My first time dancing in Southern California ever. See you there.

30 Something

Who says life ends when you hit 30?
For Ruth Tyler, it's just beginning!

Ever read those advertisements for massages and thought, "Yeah, some chick with a dick...there's a real turn on?!" Well, if you're in London on business, might we suggest turning to Ruth Tyler's "Checklist." At 32 years old, she's a professional masseuse, and, according to Ruth, she gives a great handjob, too! How'd we find her? Take a guess! Photographers need to relax, too. And, when one of our U.K. lensmen was getting some stress relief, it was hard to miss Ruth's whoppers. It took some convincing, but she agreed to pose and now, everybody can relieve stress—with or without Ruth's helping hand!

with this most welcome new SCORE innovation. When you stop to consider the choices that already exist plus the constant stream of burgeoning talent, you realize this is a feature that you could continue well into future issues.

One minus point. Had I utilized the ballot slip provided it would have forced me to mutilate Alyssa's column. I would prefer to keep my copies of SCORE 100% intact. Any ways to avoid this? I look forward to the many mouthwatering "Big Boob Matchups" to come.—C.M.L., Birmingham, England

Dear C.M.L.: Feel free to utilize your own stationary, photocopy the ballot or e-mail your votes.

IS LINSEY PREGNANT?

Dear SCORE:

Hello Masters of Mammaries!

I thought I'd pass some information along to you and ask for confirmation (or consoling).

1) Linsey McKenzie is preggers and due in December. I'm torn between cheering and crying! Will Linsey continue posing? Will she take a hiatus? Will she retire at the age of 20? It would seem a shame if Linsey didn't continue modeling right on through the pregnancy, and beyond. I've been a big fan of hers, and, contrary to Linsey herself, couldn't find a flaw with her. She seems totally perfect.

2) The story on the new Hollywood Madam that was arrested recently (Baby Doll?) has hit the air here in Toronto. Why am I telling you this? Because the story showed photos of women she supposedly had in her employment, and they used a picture of a SCORE model! Barocca!? If I were her, I'd sue, assuming of course that she wasn't working there (I'm learning not to assume anything).

3) Will there be a free berth on the Cruise contest? I've left teaching, so I'm free to go now! For what it's worth, I should have accepted the prize last time, but I couldn't have

known back then I'd change careers. And, why only 58 guys when many more have been able to go in the past? Some answers would be appreciated.—O.S., Toronto, Canada

Dear O.S.: Answers to your questions in order of appearance. Firstly, Linsey was pregnant, but unfortunately, she had a miscarriage last summer.

Secondly, Barocca...we did not personally see this news item and, because Barocca did not return repeated phone calls, we are unable to confirm or deny the news report.

Thirdly, sorry O.S. (who was Boob Cruise '98's free cruise contest winner), no freebie this time. The reason? Not enough berths. This year's ship is more intimate in its cabin arrangements with more single occupancy cabins, which is why the actual berths available are limited to 58 passengers.

DON'T CHANGE A THING

Dear SCORE:

First time writer, long-time reader who is a loyal SCORE-man. I finally decided to put pen to paper—or, in my case, fingers to keyboard—to tell you that you are doing a bang-up job. I'm both a reader of SCORE and a SCORELAND.COM member. Between everything, I certainly get my fill every month and I wanted to request that you not change a thing.

I've seen that other magazines are going to great x-tremes and I'm afraid that my favorite magazine, SCORE, will do the same. You have been the leader and trend-setter ("Fantasy SCORE," the SCORE interview, "On The Road With Alyssa Alps," "Caught in the Act," etc.) ever since you started and SCORE is still the best big-bust magazine in the world. Just keep doing what you've been doing and I'll be a loyal reader for life. Thank you for reading my letter.—Name and e-mail address withheld

It's *hard attack* time, boys, and porn superstar Taylor Wane's here to help!

Yep, Taylor Wane would make one hel-luva nurse! Not only is she a cutie who fills out that nurse's outfit well, she also has a great accent. Soft, seductive and subtly English, Taylor grew up in northern England and was a mainstream model as a teenager. When she was growing up, Taylor wanted to be a teacher or, good guess, a nurse. She ended up doing some topless modeling, then adult films and now... instead of helping people in a hospital, she's giving them *hard attacks*! Good career choice, huh?

With over 250 adult movies to her credit (one of Taylor's faves, *Godddaughter #3* is available in this month's Video Club), there isn't much Taylor hasn't done. "Anal is about it," says Taylor, whose R-XXX for a stiffie is... "A good blowjob. I swear, I love sucking dick and getting splattered all over my face. It's the best thing in the world for me!" See why we dig Taylor. She's a real pissier!

TAYLOR WANE

AGE: 31 **BIRTHDAY:** August 27, 1968

HEIGHT: 5'3" **WEIGHT:** 106 lbs.

BORN & RAISED: England **LIVES:** California

SEXUALLY SPEAKING: "I started sucking dick at 12, and it has always been my most favorite thing in the world, especially the finish!"

VIDEOS: Over 250, including *The Goddaughter* #3 (Available in the Video Club on page 78)–

"I've done so many, but that has to be one of my favorites, along with *Legacy*."
