Cindy's girl-next-door charm makes her special. The 18-inch difference between her waist and chest makes her special. The fact that this is Cindy's 14th appearance in *SCORE* since 2000, putting her up there with the all-time greats, makes her special. And the fact that Cindy looks so damn hot in these photos, even though these pictures were taken on a day when it was too damn hot in South Florida (high 90s, oppressive humidity) is testament to what a special model she is. "When I stepped into the hot tub, I said, 'It's not much warmer than the air temperature!'" Cindy said. "But it was fun because shooting for *SCORE* is always fun. It's like home." And Cindy is always welcome.

The **SCORE** Interview

Gindy Cupps

"I never thought I'd ever do this!"

A **SCORE** favorite talks about her first **boy-girl** and her new **super-sized** tits!

You never really know how it's going to be with a model. Sometimes, even the ones who look like they're going to be all-time greats drop out of sight before we even get to know them. So when Cindy Cupps made her debut in the February 2008 issue and told us, "Dancing and modeling are just things I'm doing because I'm young," we figured she was a passing fantasy. We were wrong.

Over the past seven years, Cindy Cupps has developed into one of the most popular SCORE Girls of the modern era. She has graced our cover twice, done a scorching girl-girl scene with Summer Sims, discovered Crystal Gums and carried herself with grace. She couldn't have possibly been better...or could she have?

Well, take one look at her now. Part II

Interview By Dave Rosenbaum

of Cindy Cupps' career as a SCORE Girl has officially begun with a super-sized rack and her first boy-girl scene in the new DVD *Tits & Tugs* (see a preview on pages 12-13). She's also back, dancing regularly at the Cheetah III in Pompano Beach, Florida. Seven years after her debut, there's no end in sight for Cindy. And that's good news for all of us.

SCORE: Hi, Cindy, and welcome back to SCORE.

CINDY: Thank you. It's always good to be back.

SCORE: Let's talk about the scene you just did for the new DVD *Tits & Tigs*. Would you call it boy-girl?

CINDY: Yeah, I would say it's kind of a boy-girl video. There was a boy and there was a girl. *[Laughs]* Would you call it sexual? I don't know. I would call it foreplay.

SCORE: Hand job, or-fucking...you'd call that foreplay? That sounds like some pretty good foreplay.

CINDY: Yes, I would call it foreplay.

SCORE: Well, I gotta tell you, Cindy, that's gonna be more than enough for a lot of us. If you told a SCORE reader that he'd get to tit-fuck you but that's all, he'd be fine with that. In this something you thought you might at one time do?

CINDY: No. I never thought I would

do a boy-girl. I'm not saying it never crossed my mind. I just didn't think I'd ever do it.

SCORE: And according to you, you still haven't, have you?

CINDY: No! [Laughs] According to me, I still haven't. Because I haven't gone all the way on film.

SCORE: So, after all these years, why did you decide to do it?

CINDY: Hec, why the hell not? [Laughs]

SCORE: Can you see yourself going further than hard jobs and tit-fucks? On video, of course.

CINDY: You know what? I'm not going today no. Will I change my mind and do a boy-girl film in which I go all the way?

It's a possibility. Things change. People change their minds.

SCORE: When you were actually doing your scene for *Tits & Taps*, how did you feel? Excited? Nervous?

CINDY: It was very interesting. And the guy you paired me with was very nice.

SCORE: That was important?

CINDY: Very important.

SCORE: Well, you know we wouldn't put you with an animal, Cindy. You're one of our favorite girls!

CINDY: Of course not. I have all faith and trust in you guys.

SCORE: That's good to know. You can always trust us. Now, you have some more big news, too, right?

CINDY: Yes, I have a new website. It's called *CindyCup.com*.

SCORE: You never had a website?

CINDY: Never. I had contemplated doing a website. I twitter-interested about it. I had actually purchased the domain name, so I kept it for a while, and now I'm just starting it up.

SCORE: How come now?

CINDY: People were constantly asking me why I haven't started a website, so I figured, hey, maybe it's a good idea, so I decided to try it out. If it works, it works, and if it doesn't, at least I gave it a try. We'll see.

SCORE: You have a lot fans.

CINDY: I do have quite a few fans. I have people who write me, and I write them back. Then there are a lot of people who don't know my email address, so they go through the magazine and ask questions, or they ask Crystal Quince because they know Crystal and I are friends. But I don't go out on the

read like Crystal does, so they don't know much about me. When I was at Fan Fair last August, there were a lot of fans who did recognize me, and they came up to me, and they were very pleased that I was there.

SCORE: Well, you've always been a popular SCORE model, although you never feature danced. You kind of stayed close to home. Have you decided to be more out there now?

CINDY: I haven't really decided whether I'm going to go out and feature. I'm probably gonna promote my website a little bit more. I haven't decided how I'm going to do it. If I'm going to feature, it'll probably be once a month, once every couple of months. I'm really a homebody. I like staying home. I like being local. I don't like being on the road too much.

SCORE: You're not what people typically think of when they think "stripper," are you?

CINDY: No, I'm not the typical stripper. I don't go out a lot. I don't party. I'm not jumping from club to club. I'm not a nighttime person. I'm not saying that the typical stripper is an asshole. I'm not saying it in a derogatory way. I'm just saying that the typical stripper loves the nightlife. I'm not a night time person. I'm more focused on what I'm doing. I know what I want.

and that's what I'm going for. I'm out going, but to an extent. I know how to behave in certain situations. I don't let myself get too out of hand.

SCORE: You're not a party girl.

CINDY: No.

SCORE: Not at all?

CINDY: No.

SCORE: Have you ever danced?

CINDY: I can't say I've ever been a party girl. Do I like to go out and have a few cocktails every now and then? Yeah, I do. I'm a regular person. I like to go out, have fun, have a few drinks. I like to party a little bit.

But do I do it on a regular basis? No.

SCORE: So when you're in the club dancing, you don't drink much?

CINDY: I'll have a few cocktails, but I cut myself off at a certain time.

SCORE: A girl with self-control! When you're dancing at the Cheech in Pompano, do you have regular guys who come in a lot?

CINDY: I do have a fan base. I do have customers who come in and see me on a regular basis, and I do keep in contact with them and let them know when I'm dancing and how often I'm dancing. I do try to let my fans know when I'm going to be at the club and try to keep them updated as to what my schedule is going to be like.

SCORE: Do you ever get guys from out of town who come just to see you at the Cheech or want there and were surprised to see you?

CINDY: Yeah, I do. On occasion I get fans who actually are subscribers to SCORE, and they see me in the magazine, and they say, "Oh my God, Cindy Cuppi! I know you!"

SCORE: You're really hard to miss, aren't you?

CINDY: [Laughs] Yeah, kind of. Most girls don't look like me.

SCORE: Is it exciting for you, too, when that happens? When you're noticed?

CINDY: Yeah, it's kind of interesting. I like being known.

SCORE: You know some dancers will go up to a guy in a club and keep hounding him until he buys a dance from her. I get the impression that you don't do that, do you?

CINDY: No. Never. I'll go back a second time and just try to persuade him, but I'll never push too hard. I'm very good with body language. I can tell when a guy's not interested. I don't bother if a guy's not interested, he's not interested, no matter how hard you try to persuade him. Why even bother?

SCORE: You probably don't get refused too often, though, do you?

CINDY: On occasion. There are some guys who are intimidated by me.

SCORE: Because of your boobs?

CINDY: Not so much because of my boobs but because of the way I come off sometimes. Maybe because I'm not the typical blonde stripper. I don't act like a bimbo. I don't act stupid. I try to have an intelligent conversation with them, and some guys get intimidated by that. They don't know what to say. They don't know how to handle it.

SCORE: So there aren't too Cindy Cuppi's? You don't become a different person when you walk into the club?

CINDY: No. I try to be very outgoing and very personable. I can carry myself well. I can start a conversation. I can continue the conversation. If you want to talk about anything, I can talk about

MELONIE CHARM

"My boobs weighed 18 pounds the last time I checked. And they are still growing!"

So says Melonie Charm about her twin wonders. "It's actually very difficult to weigh them too!" she moans. "I've tried lots of ways to weigh my breasts. The most accurate way is using the produce scale at a super-market, but this can be extremely tricky with shoppers around. My current method is to step on my bathroom scale at home and record my total weight, which is 132 pounds, then have a friend hold my boobs up while I step back on the scale. Subtracting my body weight of 114 pounds leaves 18 pounds of tits." Need a SCORE Man to help you, Melonie?

If you're thinking of calling a phone sex line, you're probably looking for arousing, hot talk and an explosive orgasm at the end, but sometimes, you're hoping—perhaps against hope!—for something a little different. A bit of something more. A connection. A few divine moments of instant intimacy. You pick up the phone, hoping you'll connect with someone to make you feel special, someone to listen to what you have to say, someone with whom you can engage in interesting conversations on a variety of subjects, both kinky and non-kinky. At ENCHANTRIX, we can give that to you.

BUXOTIKA

**14 GIRLS,
100 PAGES OF
YOUR FAVORITE
MEGA-BUSTED
SCORE GIRLS
IN BRAND-NEW
PICTORIALS!**

What has over 200 pictures of the world's biggest-busted babes showing off their magnificent assets and spreading their legs in ways that they know will get you off?

Buxotika #2, a new special issue from SCORE. The first Buxotika, featuring Crystal Clams on the cover, was such a hit with fans of huge moles that we quickly got to work on a second, and it's a winner. All 14 pictorials have never been seen in print before, and all 14 girls are four-star busters: Crystal Clams, Cat 41, Vben LaMoore, Pearly UpToxx, Casey James, SaRenna, Minka, Dawn Stone, Julia Miles, Moe! Kowndi, Kayla Klemm, Harmony Bliss and Ricki Rocco, plus Doree Diamonds in boy-girl action.

"I'm very sexual. Call me a nympho, because I have to have it five times a day."

That's what Sara told us in an exclusive interview that appeared in the November '86 issue. Sara, a longtime feature dancer, also said, "The best part is the actual orgasm. But I enjoy feeling a man's body against mine, especially when they're bigger than me. That way, I can feel small. I'm 5'7", but I'm not by any means big. I'm a well-built girl. I carry a lot of muscle on me. Some small men I'd be afraid of crushing." Share Sara's story. She danced for a while with the Colorado State Ballet. The first strip club she ever worked in was the first she had ever been to. And she loves anal. Need we say more?
