STILL THE BEST

Dear SCORE:

As a reader of SCORE since issue one, I feel confident in writing that L.A. Bust was the perfect choice as SCORE's first covergirl and she remains the consummate SCORE-girl.

Looking over all of the women in the incredible Sept. 2000 SCORE—easily, your best issue—I must say that L.A. Bust was truly one of a kind. From her beautiful face to her incredible breasts, try as some models might, I doubt L.A. Bust will ever be duplicated. I do look forward to seeing them try their best to become the next L.A. Bust.—M.F., Ohio

NEW ARTICLE IDEA

Dear SCORE:

As I write this note, I am looking at your 100 Anniversary Edition and right along side is my mint condition copy of June 1992—edition one (I also have every edition in between). You were the best big bust magazine with your first issue and have continued to get even

Everybody has their favorite SCORE-girl, but after reviewing all of the women SCORE has featured over its first 100 issues, many a reader was amazed at how eternal L.A. Bust is. Our first covergirl had it, right from the beginning, and based on readers' reactions to the Sept. 2000 "100th Anniversary" SCORE, though retired, L.A. Bust's still got it.

We agree with SCORE reader E.P. (above letter)...you should smile more, Casey...you have a good one!

better. I hope to still be around to celebrate our 200th edition.

SCORE amazes me in that you can continue to produce such a quality publication, issue after issue. I could write volumes about how good SCORE is, but I guess I will have to sum it up with a simple phrase: "you're the greatest."

I noted your comments in the Sept. 2000 SCORE about one of my favorites, Casey James. You are right in saying she is not as popular as she could be, perhaps because she always appears so serious in her photos. If you plan on doing another shoot with her, please get her to smile!

A few requests:

The Fab Four? With all due respect to Linsey Dawn McKenzie, the Aug. 2000 *SCORE* showed the world that Linsey isn't alone at the top of the big-bust podium. Along with Linsey, Kerry Marie, Sylvia Panda, Via Paxton and Lorna Morgan are also leading the current all-natural renaissance, which is reminiscent of the '80s when Devon Daniels, Jeannine Oldfield, Lisa Phillips, Roberta Pedon, Stacey Owens and others went from girls-next-door to big-bust legends.

1. How about an article on *SCORE*'s great staff. I am sure a lot of readers would appreciate knowing a little about you hard working guys and your life. Education? Are any of you married, and if so, how does the spouse like your work?

2. How can I subscribe to *TEASE* magazine. I bought a few back issues from you a few years back and I believe there is some connection between the two magazines. I really would like to subscribe. -E.P., e-mail address withheld

Dear E.P.: Answers to your questions...*TEASE* is no longer published, though it was published in 1994 by The *SCORE* Group as a U.K. only version of *SCORE*. Regarding your

suggestion...we're not sure if readers would like to see a precious page of their magazine eaten up by a profile of our editorial staff, but let's see. We'll start with John Fox...journalism degree from the University of Miami, started at Gent out of college, worked up the ladder for 18 years until he was the editor-in-chief. He left Gent to found *SCORE*, and his wife, Suzuyo, has been an integral part in *SCORE*'s and the Boob Cruise's success, helping in the planning and day-to-day operations of both the Cruise and The *SCORE* Group.

Aug. 2000 *SCORE* was excellent. It was good to see Autumn again and Annette Christianson is a pleasure. Linsey was superb as always and the "Blast From The Past" was cool.

However, what really made the issue for me was the Fab Four: Kerry Marie, Via Paxton, Lorna Morgan and Sylvia Panda. Kerry may be underrated in the eyes of many, but this girl is as genuine a superstar as Linsey (in my opinion). Via is very pretty and each layout of hers continues to impress. Lorna has a certain unique quality about her that's hard to describe, but she's definitely a knockout. Finally, Sylvia's very sexy and, like Kerry, very underrated.

Keep up the consistency and thanks for a truly wonderful issue.

THE GREATEST ISSUE?

Dear *SCORE*:

I've been buying *SCORE* and *Voluptuous* since 1997 and I haven't been able to stop buying it since. Now, I've purchased the 100th issue of *SCORE* and I don't think I will ever stop reading!

The Sept. 2000 *SCORE* was one of your greatest issues (perhaps a 200th issue may be the only one that can top it).

Thanks for reading this. Please publish this in your magazine, keep up the good work and keep those busty babes coming!—L.J., United Kingdom

MORE ETHNIC VARIETY

Dear *SCORE*:

I just became a subscriber in April of this year and I am writing, for the most part, to let you know that I am very pleased with the magazine. I think what sets *SCORE* apart from other publications (aside from the lovely women) is the level of honesty that can be found within its pages. Many of the mags that showcase the entire female anatomy take the liberty of writing foul-mouthed text and trying to pass it off to the reader as an actual quote from one of the models. It is a horrible trend that only serves to betray the trust of readers, yet they continue to write the same fake garbage in

every issue. Additionally, after reading a number of such magazines, it becomes obvious that many of their "reader" letters (if not all of them) are written by "professionals" generating false accounts of sensational sexual encounters. *SCORE*, on the other hand, has enough respect for their models not to place words in their mouths, and enough respect for their readers not to print fake letters. Thank you.

The only negative criticism I can make is that there is a lack of diversity in the ethnicity of your models. If I am not mistaken, the focus of *SCORE* is simply large breasted women, not white women with large breasts. Yet most of the mod-

els in every issue are white. Every now and then, there will be a Black model or a Brazilian model and even less frequently, there will be an Asian model. There are so many beautiful women of color with large breasts that it is a shame not to include more of them in your publication. I'm sure the deficiency in color is not intentional, but I would like to request that you take a more active approach to finding ethnic models in order to offer an even stronger magazine. In the future, please try to include a balance of women from different races with each issue of *SCORE*. Thank you for your time and consideration.—G.N., e-mail address withheld

WHO'S THE MUFF-MASKED VIXEN?

The blonde is Julia Miles, April and Oct. 2000 covergirl. The brunette? Linsey! Yeah buddy, it's hard attack time! Next month is the Boob Cruise 2000 special double issue. After that, these two super-titters go at it. Watch for the battle of the *tit*-ans, coming soon in *SCORE*!

Dear G.N.: As a long-time reader of SCORE, you know that we do not discriminate on the basis of race or color—never have, never will, despite some past reader letters encouraging otherwise. Both Minka and Angelique debuted on SCORE's cover, and we will continue to publish more women of color in SCORE, when available.

BRA CONFUSION

Dear SCORE:

I was very interested to read your article on "string" implants. I must admit at first I thought it was going to be a fictional piece, but it obviously was not. I am not against implants as such, but do have reservations as to their safety, and anything which makes implants safer is to be commended.

However, I feel I must respond to R.P.'s letter (July 2000 SCORECard) on the subject of bra sizing, because I feel there is a great deal of confusion and a general misunderstanding on that subject.

Generally speaking, I think you produce an excellent magazine, and I know I might be being a bit picky, but sometimes I get a little irritated at the models' measurements. R.P.'s letter accentuates the point. It makes me wonder how many people know or understand bra sizes.

In his letter R.P. says his girlfriend is a 34D cup, but would like to go to a 36DDD.

First off, what is a DDD cup? Surely this is just an E cup. As far as I'm aware the sequence goes AA, A, B, C, D, DD, E, F, G, H.

Now I know that different bra manufacturers vary somewhat in how they define these sizes, but I have never seen a DDD cup size on any bra manufacturer's sizing information anywhere.

Second, he says she would like to go from a 34 to a 36, but this simply refers to the underbust measurement. (For anyone who doesn't know, you measure under the bust and add four inches if it's even, five if it's odd.) For his girlfriend to go from a 34 to a 36, her chest, not her bust, would have to grow by at least an inch. Well, implants won't do that. Getting fatter would, but not implants. And it wouldn't make her

breasts bigger. It might increase her bust size, but the difference between chest and bust would be the same, and this dictates cup size.

So, a 34D bra is a 37- or 38-inch bust, (depending on how the bra maker defines its sizes—some say an A is the same, some an inch bigger than the bra size). A 36DDD, (ie 36E), is a 41- or 42-inch bust. This is a bust increase of four inches, which would take a 34D up to a 34G, which to me at least sounds a whole lot bigger than a 36DDD, and which I'm sure RP would prefer.

I might add that many women don't know their correct bra size, partly because they don't know how to measure themselves for a bra, partly because bra sizes differ from manufacturer to manufacturer, and partly because the sizing system is actually very limited, and takes no account of whether a woman has a broad or narrow back, which can actually make a lot of difference to the fit of a bra, and might mean a woman has to have a bra size greater or lower than her measurements dictate.—C.H., England

Editor's Note: Most everything C.H. notes is true. However, when you enter the realm of the SCORE-girls, where custom-made bras are the norm, traditional sizing rules are moot. In many instances, bra sizing is different than bust measurements. You have to distinguish between a bra size and a breast size. For example, going from a 34- to a 36-inch band is oftentimes a matter of comfort. A smaller band with a bigger cup may cut into the skin of a woman's back. Therefore, with bras, many women (including SCORE models) will go to a greater band size while keeping the same cup size for comfort, or they may go to a larger cup size and band width, then modify. Suffice it to say, bra sizing in the world of big titters is hardly an exact science.

BIG BOOBS IN THE NEWS

WINDY LEIGH MISS NUDE USA 2000

JESSICA JUSTICE
TAKES TOP NEWCOMER
OF THE YEAR TITLE

At the Miss Nude USA contest held in South Florida over the summer, Boob Cruiser Windy Leigh won the Miss Nude USA, USA's Most Luscious Lungs, and USA's Best Dancer titles.

Her best bud and co-Boob Cruise 2000 mate Jessica Justice was also crowned Miss Nude Brunette and Newcomer of The Year. They went home happy.

Dancing a few weeks after capturing her titles at The Gold Rush in Atlanta, Windy told us she was really excited to have won the contest (she loves the mink jacket that was one of the prizes) and "proud to say I am the new Millennium Miss Nude USA."

Congrats Windy and Jessica. From men who know and others who are about to find out, you girls certainly deserve it!

From Boob Cruise 2000, the new Miss Nude USA, Windy Leigh, giving us her version of Lady Liberty.

TIT BITS

Donita Dunes, who joined us on Boob Cruise 2000 a relative stranger to the SCORE universe, and disembarked as a much admired Cruisemate, has begun preliminary work on her web site, www.donitadunes.com.

"America's Best Chest" was the name of a Jenny Jones TV episode starring Phoenix K and a group of unknown, large chested hotties. Phoenix's tits are huge now, after a visit to Dr. Johnson, "The String Man." Phoenix says guys offer her cars, their bank books, and titles to their houses. I believe it. As for Jenny, she's against implants but that doesn't stop her from booking boob stars to bolster her ratings.

Minka has repeatedly turned down requests to appear. Too many rude people in the audience.

SCORE-girl and foot diva Brittany Andrews' video production firm Britco Pictures has been specializing in fetish videos. Her titles include *Unruly Slaves*, *Foot Bangers* and *Portrait of Pain*. Ouch!

Platinum is the new dance duo of Candy Connelly and Jennnifer Worthington. Candy's most recent SCORE pictorial was an eyepopping breast bondage number in June 2000's *Xtra* section.

Tawny Peaks, breast reduced and now calling herself Michille, went on the Maury Povich TV show. Her mission was to preach about the evils of the adult business. But, don't worry about it. If you've got \$49.95 left in the bank, you can still become a VIP member of her fan club on the Internet.

Supposedly the Povich office paid for Tawny's reduction.

After several years of planning, a happy Boob Cruiser Dawn Stone finally has her website in operation, www.dawnstone.com. It took a while since an outside party had registered her domain name and she had to negotiate to get it back. Good luck, Dawn.

The 2nd Annual "Battle of the Showgirl Stars" drew Bobbie Roxxs, Brittany Love, Rio Rivers, Nikki Diamond (from our new *Busty Auditions 2* video), Echo Valley, Cynder Moon, Juliet Sheridan and Vanna Lace to Masters in Myrtle Beach, South Carolina for three days of boob swinging action. The event was sponsored by Beck's Beer, Remy Martin, Apparel World, Galardi South Enterprises and the regional strip guide *Xcitement*.

Website alert: Donita Dunes and Dawn Stone are up and running. Their addresses? Type their names, add a www. in front and a .com at the end.

A full-page photograph of Melonie Charm, a blonde woman with large breasts, wearing a red lace bra and red stockings. She is holding a long, thin, white object, possibly a dildo or a prop, and is standing next to a wicker chair. The background is a simple room with a wicker chair and a blue cloth on the floor.

A BRA LESSON FROM MELONIE CHARM

A breast expert, Nov. 2000 *SCORE* feature Melonie Charm had all kinds of implants throughout the 1990s, had some problems with them, then opted last year to go with the new, more natural looking (and feeling) polypropylene string technique featured in the March 2000 *SCORE*, similar to Minka, Kayla, Chelsea, Maxi and now Phoenix K.

She's quite happy about these new head-rests, has had no post-op problems, and her massive tits still continue to develop, a side effect of the radical procedure. Her goal has always been to hit 50 inches and if her hooters continue to expand as they have been, she may realize her magic number.

When it comes to breasts, Melonie has a degree in boobology, and has worn every kind of bra, from traditional to those erotic looking nursing bras (which a tit-lover appreciates a lot more than some baby, believe you me).

"The U.S. bra sizes work like this. A 36 anything bra size means that the measurement around a girl's rib cage directly under her breasts is either 36 or 37 inches. It can be either, since bras only come in even number sizes. An M cup size means that a girl's measurement around the fullest part of her breasts is her bra size, 36, plus one extra inch for each letter of the cup size.

"Since M is the 13th letter, this would mean that a girl who wears a 36M cup would measure 36 plus 13, or 49" in the bustline with her boobs squeezed together, like they would be in a tight bra. Hanging free, she would probably measure two or three inches bigger still, or in this case, probably 52".

"In my own case, I wear a 34L. My rib cage under my boobs measures 29". I measure 47" with my boobs squeezed together and 49" hanging free.

"For my own bras, I need to do some modifying. I start with a 38HH, which is the largest bra anybody stocks, then cut two inches out between the cups and another two inches out of the back band, which converts the bra size from a 38 to a 34, and converts the cup from an HH to an LL.

"Some bra companies use single letters, some use two letters and some even use three letters, so L equals KK equals JJJ. I can special order bras in 34L that almost fit.

"One of the best custom bra sources I know is www.sheerfantasy.com. The store itself is in Houston but they can custom make bras for women around the world."

DOCTOR MAKES ASS OF HIMSELF

We're not absolutely sure if this news story from New York City fits into Boob Beat or Butt Beat. But, since we don't have a magazine devoted to the female behind, we'll try to squeeze it in here.

When New Jersey go-go dancer Mary Gale went to New York plastic surgeon Dr. Elliot Jacobs in 1990 for a buttocks enhancement, she didn't know the end would not be in sight for another 10 years.

Butt this past June, Gale, now 43, sued Dr. Jacobs in Manhattan Supreme Court, claiming that the surgeon committed medical malpractice when he inserted silicon breast implants into her ass cheeks, and that her behind is still lumpy and scarred from the operation, 10 years later.

Now married and a bartender in Florida, Gale said she was "horri-fied" a week after the surgery. "They looked like two breasts on my butt. I didn't want to show anyone my body. I was too ashamed. I felt like I was on fire down there. It was burning."

She returned to the doctor three weeks later and had the implants removed. Two months later, she went back to work as a dancer for another four years. Ten years after her aborted butt buildup, she decided to sue.

As part of her claim, she showed the court several pictures of her buns right after the ass job, and what looks like two small hooters bulging from her butt cheeks. "I looked like a freak show," she said, teary-eyed in court.

Dr. Jacobs' lawyer claimed that his client had done nothing wrong and that Gale was told at the time of the operation that she would be getting the mammary mockups inserted into her rear. He said the implants would have contoured in several months and she acted too

Continued From Previous Page

quickly in having them taken out. Gale said she wasn't told that until after the procedure.

Jacobs' lawyer also claimed that Gale is obsessed with plastic surgery and has "an insatiable need to alter her body."

In 1987, Gale had a boob job, increasing the size of her breasts from a 34A to a 34C. "I have a small frame and had a small butt. I wanted more. I thought I could make more money and be happier with a bigger butt." She tried to make her tush bigger through exercise but that didn't produce what she wanted. "You can only do so much with what God gave you," Gale was quoted as saying.

For her end, the court awarded Mary Gale \$30,000 in booty damages. The jury considered the pictures as a key motivator in reaching their decision. Gale is not happy with the sum, considering her legal expenses and emotional distress—"This doctor ruined my body." Instead of leaving the situation behind, she hopes to sell her cheeky story to a TV show.

There is no moral to all of this. Butt at least the court did not show her ass the door, as many thought they should have.

And, that's all folks. Next month, no Boob Beat because it's Boob Cruise 2000 time. The wind in your hair, the sand beneath your feet and the boobs in your face!  Yes, I can hardly wait, too.

BUSTY AUDITIONS #2 STAR HITS THE BIG-TIME!

Pop quiz time...if diamonds are a girl's best friend, what's a guy's? For those of you who said a "dog," you're reading the wrong mag! Speaking for all *SCORE*-men, our best bud is a chick with big boobs who knows how to use 'em! A babe who drinks Bud at the bar, and tit-fucks like a champion in bed. A woman a lot like...Nikki Diamond!

The star of *Busty Auditions #2*, Nikki was featured in the Oct. 2000 *SCORE Xtra* laying the rubber woodie to Tanya Danielle. For those of you who didn't get that issue (back issues are available!), we told you everything you need to know about Tanya, but very little about Nikki. If you just like the pictures, and we understand wholeheartedly, enjoy the show. However, if you're the intellectual type...Nikki Diamond is a South Carolina feature dancer new to the world of big-tit-dom. Although 31, she's just getting into featuring and adult videos after spending much of her 20's as a dancer, model, entertainer and even a Budweiser spokesmodel. Lady-like in person, Nikki becomes a total slut when her clothes cum off. Anybody who has seen the new XXX-rated *SCORE* Group video *Busty Auditions #2* knows what we're talking about.

And, if you're really lucky, when her show is over, you can buy her a drink and spend some quality time talking about anything and everything. *How's life? What's it like being a dancer? LISA MARIE GREENER AS GOOD AS IT GETS!

Okay, so we kinda have a thing for Lisa Marie Greener. But, do you blame us? Young, beautiful and a bit naughty, Lisa Marie is everything a 30-something guy fantasizes about when he tries to relive his youth. Only, truth be told, most of us never got it this good.

Ironically, when we first saw pictures of Lisa Marie and were considering her for the March '98 *SCORE*, we were a bit torn. Yes, wood was not a problem. But, she ain't the bustiest creature to walk the earth. Still, she had that certain...*je ne c'est* we don't know what...so our editor took a night to sleep on it. He had one helluva great dream about Lisa, came to work the next day, called her up and after an hour of her cooing in his ear, ya know what?...Lisa became a *SCORE*-girl. That ever faithful jizz-o-meter was right, too, because readers loved her. Lisa was voted one of the top 20 "Fairest" *SCORE*-girls for the Feb. 2000 issue by readers, is making her fifth *SCORE* appearance, and here's the true mark of her adorableness—*Voluptuous* readers, even those who prefer plumpers, raved about Lisa when she made her "All Stacked! All Natural!" debut in our sister magazine! Not too bad for a college chick who was a wet dream away from not making the grade.

THE BET

Illustrations By Otis Sweat

TIT OR DICK? HE WANTED HER, SHE WANTED HIM, BUT ONLY ONE OF THEM WOULD WIN...THE BET!

Fiction By **Chris Helmare**

There are some women who don't mind flirting. A suggestive comment is replied with another. But, there are also women who will sue you to the last penny if you even mention that they look nice. Fortunately for Greg, the woman he worked with was the former. Her name was Qris Jonsson and she was built like a wet dream.

"What kind of name is 'CUE-RIS'?" he asked her once trying to pronounce it.

"It's pronounced 'KRIS', and it's a very unique name. Like me," she'd replied with a suggestive look.

But at the moment, Greg was in his

office cube, watching Gail, the new sales rep, make photo copies. From his vantage point behind her, she couldn't see him admiring her form. As she bent over the machine, her suit jacket lifted to reveal the curve of her derriere. She was another knock-out, but of a very different type. She was quite the prude. Any sexual innuendo either went completely over her head, or she would admonish you for being a pervert. She was a few years younger than Greg, say, in her early 20's, had short, jet-black hair and a pale complexion. Her eyes were of such a light blue that they almost seemed white. She tried to

cover up her top heavy figure with overly dowdy business suits with long jackets, but there was only so much she could conceal.

He imagined coming up behind her and pushing her jacket up to completely reveal her curvaceous cheeks under a tight skirt. In his fantasy she was leaning over the copier and turned to smile at him as he pulled down her skirt and panties.

"I really want you to fuck my ass," said the fantasy prude. He slipped his stiff one inside her while he reached over to rip open her blouse and fondle her grapefruit-sized breasts. As he pumped her tight ass-

hole, she cried out: "Yes! This is what I want! Pump me full of cum!"

"I think she's a closet S&M freak, myself," came a very real voice in Greg's ear. He bolted upright, caught in the act of staring at Gail's behind.

It was Qris, who laughed. "I know where your mind was at!"

Greg smiled.

"You like her, huh?" Qris asked.

After a moment's thought, he answered, "She's...interesting."

"As interesting as me?" she asked in her 'alluring voice' as she ran her hand suggestively up the side of her body. It was another joke, but man, when she did that, his blood pressure rose. As usual, his cock was already rock hard beneath his desk.

Sure, Qris was tall and shapely, but where Gail was busty, Qris was huge. Impossibly so, he often thought. He'd have been impressed had he seen her picture in *SCORE*, but as a colleague in the world of business her figure was even all the more bizarre.

Qris' twin behemoths stuck out a majestic foot in front of her ribcage. On cold winter days, those monsters could sprout dick-swelling nipples as thick as a pinkie finger.

Yet, Qris' face was beautiful, too, with high Norwegian cheekbones and deep brown eyes set in a face framed by shoulder-length, auburn hair. In her early 30's, her office attire was lightly conservative. She didn't try to cover up or highlight her assets.

"Do you think Gail is still a virgin?" she asked.

"Fuckin-A, Qris. Is the sky blue?" Greg responded.

"You're so sure of that, are you?"

"What...you think that girl is a closet whore?"

"Just because somebody acts like a prude, it doesn't mean they abstain," she said.

"I just can't see anyone getting past that frigid attitude of hers," Greg replied.

"I'll bet you the ice princess has done it," Qris said.

"No way in the world"

"Way," she retorted with alarming confidence. "We could find out."

"All right," he said. "What do you want to bet?"

She thought for a moment or two, and then a mischievous, little smile spread across her sensuous lips.

"What is it?" he asked. He knew that look. She had thought of something devilish.

"Whoever wins the bet, gets to see the other

one in their skivvies."

Immediately, his pulse raced with the thought. Was she kidding?

He managed to force a laugh, although he didn't find it funny.

"I'm serious!" she said.

"How would we arrange something like that?"

"How about we rent a hotel room nearby, and then at lunch, we head over there and the loser shows all?" she suggested.

"You must really want to

see me in my underpants," he said.

"I do," she replied in an overly sensuous tone.

He thought about it for a moment. This wasn't just their typical sexual innuendo banter. She meant this.

"What do we do after the loser shows almost all?" he asked.

She smiled. "You put your clothes back on and we go back to work."

"You mean," he said, "you put your clothes back on."

"Does that mean you take my bet?" she asked.

After a moment he said, "You're on. But just how are we going to find out if Gail's a virgin?"

"Easy," she replied. "One of my friends is good friends with one of Gail's. Let's go ask her."

"Right now?"

"Sure," she said, "why not?"

So, Greg followed Qris' gyrating posterior across the building to cus-

tomor service. In no time at all, Qris' gossip little friend yakked all about Gail's "secret" sexual antics (apparently, she was only a prude at the office). When Qris' acquaintance finished, Greg looked at Qris. She just stared at him with that devilish grin.

When he got to the motel, Greg found that Qris was already inside, waiting. She had drawn the curtains and was sitting in the darkness in a trench coat next to a boom box. She had turned a goose-necked desk lamp up so that it acted as a spotlight.

"Wow," he said, "you're really getting into this."

"Wouldn't you be?" she asked.

She had a point. He'd have given anything to see Qris in her undies.

"Okay," he sighed, "what do you want me to do?"

"Just get in front of the light and

start taking off yer duds while I play some mood music."

The "mood music" turned out to be the stripper's dance, of course. He stepped out into the light and began to remove his clothes. He even got into it a bit at the end, twirling his socks around suggestively. Qris laughed and clapped.

Finally, Greg was down to just his pants. He pulled these off with a flourish and then stood there, in his briefs, arms wide.

"Thank you. Thank you," he said. "I hope you've enjoyed the show." It's a good thing, he thought, that I'm in good shape, or this would've been really embarrassing.

"You get an 'A' for effort," she said, standing up. "I'm impressed. Part of me wondered if you'd go through with it."

"Yeah, well, now that I did, let's get back to work," he said.

"But the Show's not over," she said.

He froze.

Qris changed the music on the boom box. Now it was dance music with a deep beat. "You've earned this," she said and unbuttoned the trench coat.

Greg looked up to see Qris emerge from the darkness behind the lamp in a short-cropped tee shirt and spandex miniskirt. She began to dance a pulse-raising dance. He could tell her enormous breasts were still holstered in some massive bra by the way they bounced, but it was still a very arousing performance.

"Now I get to see something I really wanted to see," she called over the music as she stared at his crotch. Naturally, her performance was getting a reaction from his dick. Her dance hadn't really been necessary. Her just standing there would've gotten him aroused. But her little act was getting him extra hot and his tool strained under its cotton sheath, distending the fabric considerably.

"You don't play fair," he said.

"Never," she cooed, as her mammoth pontoons bounced about within the super bra's confines.

Finally, the music stopped and she stepped up to within a few paces of him, looking down at the rock-hard boner tenting his briefs.

"Big 'un you got there," she said.

"Likewise," he replied.

She smiled, "I'm sorry," she lied, "But, once I got you in your skivvies, I couldn't resist the tease...Should we go back to the office now? Or should I level the playing field?" she asked and dropped her skirt to reveal black lace panties. "You've been such a good sport." And with that she hiked the tee-shirt over her head to reveal her mighty wonders bulging within the biggest bra he'd ever seen. Much of it was so sheer that he could easily make out the shade of her areolae under the black material. It supported her well enough, but it was also cut low and a tad tight so that her cleavage bulged out.

She stepped up closer so that her incredible boobs were a mere inch from his chest.

"Oh man, Qris," he said, his breathing shallow.

"Do you like what you see?" she cooed. "You know what I'd like?"

"What?"

"To see that big dick of yours," she husked. "Would that be okay?"

He couldn't speak. Was this really happening? Finally, he managed to nod briefly.

She pulled his briefs down. His pecker popped out stiff. Its head was bloated and scarlet. A small drop of pre-cum was building at the tip.

She stood as close to him as she could without letting her bosoms touch him.

"Now what?" he whispered.

She smiled her devilish smile again and he felt her fingers lightly stroke the underside of his penis.

He gasped.

"Do you want to see more?" she asked and without waiting for a reply she unhooked the front of her titanic brassiere and let free her ponderous bags of flesh.

They were spectacular! Their texture so creamy and they seemed to have a life of their own. A pair of light pink, saucer-sized areolae, swollen with desire, were centered with thick, rubbery nipples. They were a much deeper shade of pink and pointed directly at his chest. They swelled beneath his gaze, seemingly trying to reach out for him.

THE SWAN SONG FOR ONE OF THE FAIREST SCORE-GIRLS

Yes, boys, as we gaze upon the ultimate Southern Belle one more time, we must be the bearer of some bad news...the Bubble is about to burst. Dixie is retiring. *Gulp...* Yeah, we're speechless, too. Kinda leaves a hollow feeling in your heart. However, in the world of big-tit-dom, retirement is inevitable. L.A. Bust, Lisa Chest, Candy Cantaloupes, Traci Topps (page 52)... eventually Chloe, SaRenna, Linsey, Alyssa, Pandora and even newcomers Via, Julia, Sylvia, Kerry... all will eventually hang up their bras and pose no more. What are we left with? Memories... and lots of photographs! Like these of Dixie, who has graced our pages seven times, most recently in *SCORE's* 100th Anniversary issue (Sept. 2000), once as a covergirl and always with grace and beauty—two qualities that will transform this current big-bust superstar into a future legend.

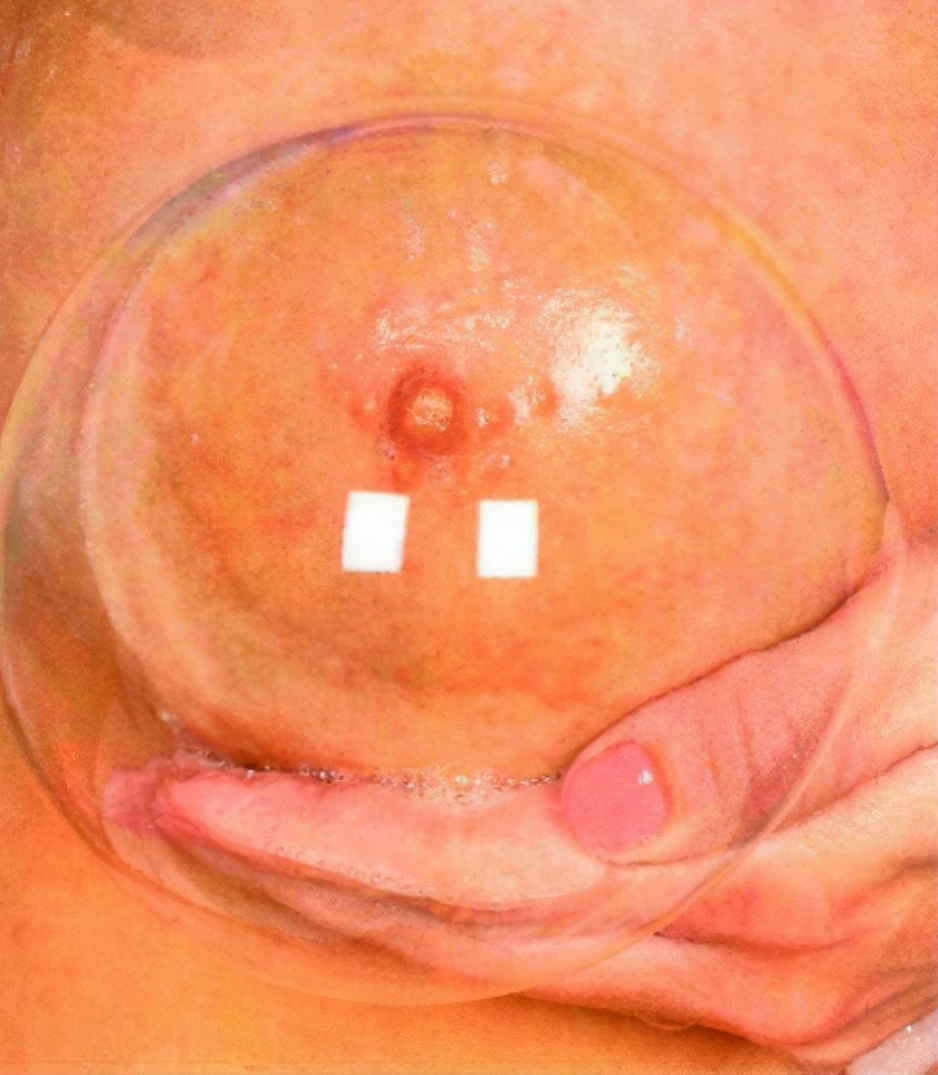

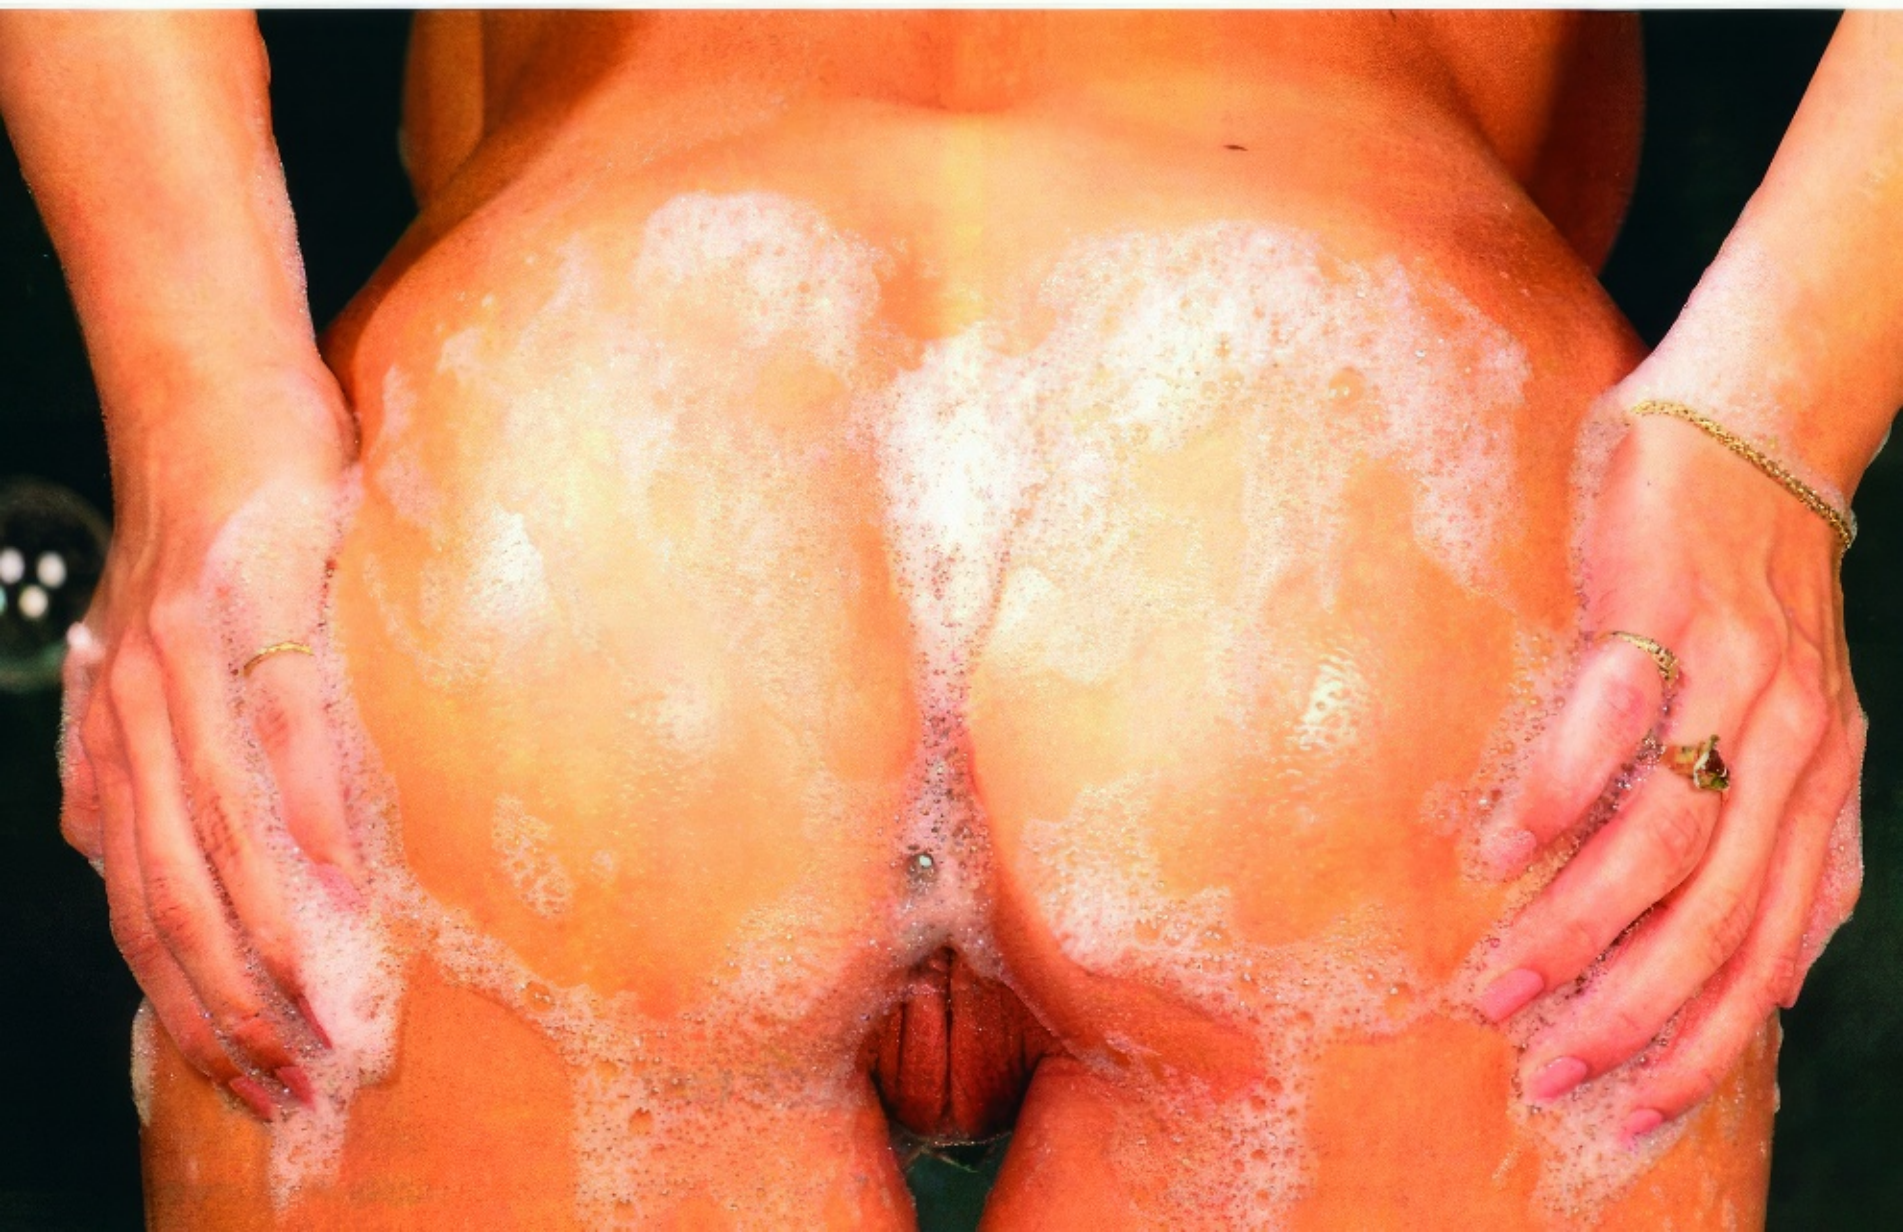

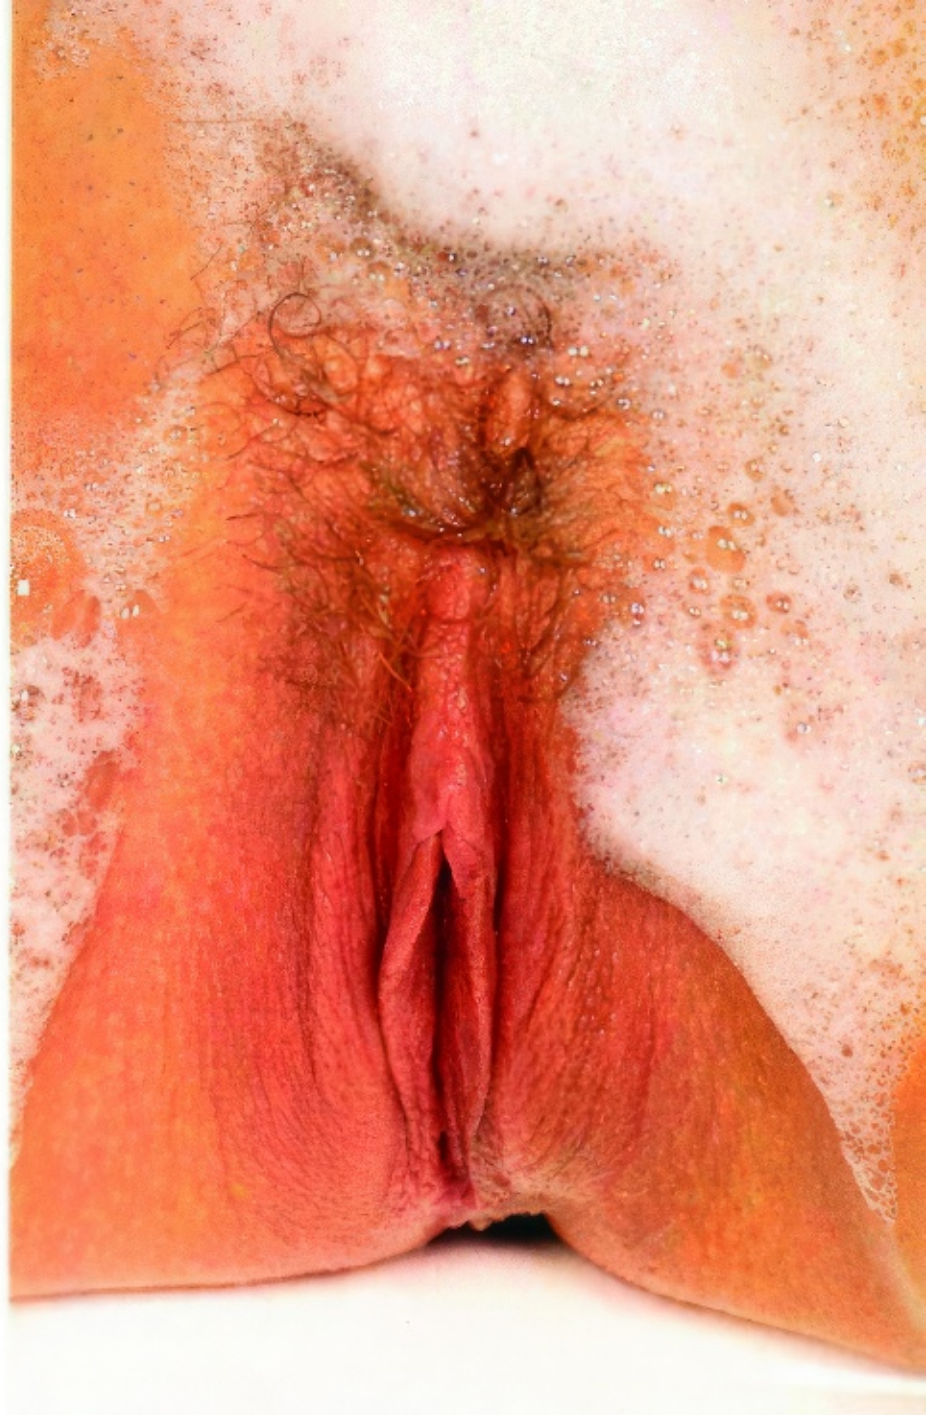

From Shreveport, Louisiana, Dixie has always been a low-key adult entertainer, so it's no surprise she is retiring from feature dancing with little fanfare. We found out because Brittany Love told us she was buying Dixie's costumes, then Dixie confirmed it via phone and confirmed what was written on the internet...She is retiring from feature dancing to direct her attention to her new website.

Will Dixie ever pose again? She says "maybe," though she's facing the quandry most models do when making the leap to the web. On the one hand, they want their websites to be chocked full of pictures and the only place to see them. On the other, the exposure of being in *SCORE* is a big boost. Where will Dixie go? We're hoping she surfs up a storm, but comes back to the beach every now and then for more of the good stuff. Whatever happens, we wish her well.

THE LIFE OF A FEATURE DANCER

ON THE ROAD WITH ALYSSA ALPS

COLUMN BY ALYSSA ALPS

Hi there everyone. I'm writing to you from way up in northern Alberta, Canada this month. I'm currently doing my yearly Canada tour, but more about this next month. I haven't put that many miles on the airlines this month. Instead, I did NYC, then went home for lots of fun stuff. Just because I wasn't "working" doesn't mean I wasn't on the job. I had many a naked photo shoot to do and most of the time my house was full of very pretty ladies. Don't you wish you were there? Sorry, but let me tell you all about it instead...

Private Eyes, NYC, New York

Back in the city again, which I do about four times a year. It's always good to be back. Private Eyes was super as us usual. I had lots of new fans, who usually don't venture into the city, come in to see me this

Greetings everyone! Next month is Boob Cruise 2000 time...what fun! This month, Freak Show Central, also known as New York City. And, yes, Bunny Glamazon, Tammy Lee and I did the tourist thing. We hung out in Central Park with Bunny's Yorkie, Winston, then rode the cows! Yee-haw! When I wasn't goofing, I was dancing at Private Eyes, where I bribed Brendan (left) to let me borrow his camera. His reward? Brendan, you're famous.

week. I do believe my web site is working for me because my on site bulletin board was full of "saw her there" comments. Thanks guys!

I had a chance to snap a photo with one of my lucky fans. I kept forgetting my camera (the dressing room was too far away) and Brendan came to my rescue by giving me his instant one. Now there's a dedicated fan who just wanted to be with me in *SCORE*! I love it!

I had plenty of company in-between my shoe shopping expeditions at Lord and Taylor's and Bloomingdales. I always hit my two favorite shoe departments when I'm in town. Tammy Lee was at Flashdancer's on Broadway and Bunny Glamazon was down at NY Dolls on Murray St., by the World Trade buildings. All of our clubs are owned by the same company, so we had the same showtimes. Not bad. We would kick off a show and cab or walk it to get together for lunch. Tammy's mini Yorkie, Winston, was with us all the time including our Saturday trip to Central Park for some semi-naked pics just for the fun of it. We noticed that there were huge cow sculptures all over the city for some reason. All I know is that the cows were getting their pictures taken by every tourist in the city, so why not us. We jumped on one, too! Actually, the sculptures were quite fun and unique and done by famous artists from all over. I would think that they were then bought by others as part of some charity event, but who knows. I only got to my favorite restaurant, Revolutions, once this week and of course my best pal Rooster was with me. It's not a NYC trip without me shoe shopping, doing dinner and cocktails with Rooster and trying to have some fun between my shows, all of which I did quite successfully of course!

Home, Wisconsin

I didn't have to dance for a bit, but I had plenty of other stuff going on. Leslie Wells and Devon Michaels were due in town for photo shoots for Tap Out. They sponsor my fight champion friend Adrian (you saw him in *SCORE* last

At home in Wisconsin, I did all kinds of fun and exciting things, including going to a concert with Sheila Shooter (the other naked girl) and the band Charlie Porn. Any band that plays porno videos, complete with audio, during their concert, count me as a fan. And, here comes an answer to the most frequently asked Alyssa Alps question...Do you sleep with all of the guys you pose with in the pictures? No, we're too busy having wild, group sex to sleep!

gymnastics from my middle school days. I'm not as limber as I use to be. But, when your naked, I'm told

by Adrian, you look great anyway. I got my fan mail this week and one of my more observant fans remembered, from a past *SCORE* column, that I have this thing for Peeps. Thanks sweetie! They were yummy.

I hit the town with my pal Scott to see our friends' band, Charlie Porn, at BBC's. I've done some photo work for my dear friend DJ B in the past and I know the band members, but there's nothing like a live show. I just considered myself their #1 groupie for the night! Not totally my kind of music, but really fun anyway. Part of their show is

the porn movies playing during their performance and the "porn girls" doing back up sound effects, if you know what I mean. Fairly well lit, I got recognized by some fan whose eyes got pretty big as he asked, "Are you Alyssa?" I yelled "yes" as I staggered out the door, off to Timer's for some fun and to see more friends. Timer's is a great bar where drinks flow freely and you can dance on the tables if you wish. I wished, well more my buddy Big Joe made me, and I danced the night away on the back bar. Rule one though, when you're at Timer's don't wear a skirt. I had many a guy trying to see under mine. Too bad though, I was wear-

Continued on page 66

I was just foolin' about that group sex thing. I'm actually very monogamous when I'm with man. When I'm not, well, you know how it is. But, I'm not into chicks that much, though I would do Leslie Wells and Devon Michaels (above) if I was into chicks. Here, we're at Adrian's Gym in Wisconsin doing some modeling. I love being home. I get to check my mail where I get all kinds of goodies from *SCORE* readers and hang out with the cuties, like Sweet Pea.

AMAZING SCENT SEDUCES WOMEN

FREE
CONDOMS

AS SEEN ON TV

NEWSWEEK Magazine reported the astonishing discovery of a NATURAL SCENT: a hormone called "MALE SEX PHEROMONES" (now in cologne) that sexually excites women and creates an overpowering erotic desire for sexual intercourse! IT MEANS: When women detect THIS SCENT on you, THEY WANT YOU!

NATURE'S ONLY APHRODISIAC

Nature designed females to recognize "THE DOMINANT MALE" by smell. The strongest release of male sex pheromones determines which male is dominant. Our "MALE COLOGNE" makes you that male. Our human pheromones give you an unfair advantage over your rivals.

YOU CAN'T IMPROVE ON NATURE!

This secretion of hormone (sex pheromones) is detected by an organ in a woman's nose called the vomeronasal organ that has only one purpose: to relay the presence of the sex pheromones to an area of her brain that also has only one function: to trigger SEXUAL AROUSAL AND EROTIC APPETITE.

AUTHENTIC HUMAN SEX PHEROMONES

The problem with many other pheromone colognes is that they contain pheromones derived from animals. Female humans are not likely to respond to animal pheromones. Our cologne contains a synthesized PHEROMONE found on "HUMANS."

THE FINEST FRAGRANCES AVAILABLE

We have formulated our potent hormones and combined them with a variety of the finest fragrances giving you many choices. Another distinct advantage of our colognes is that we offer it in large containers, not the small vials offered by other companies.

GUARANTEED RESULTS/SCIENTIFIC PROOF INC

With every order you receive a 32 page catalog that has a detailed explanation of why these HUMAN SEX PHEROMONES are so powerful and a description of the many scientific studies that have demonstrated WHY ALL WOMEN RESPOND!... 30 Day Money Back Guarantee! Just look at what our customers are saying...

GONE, BUT NEVER FORGOTTEN; THE ONE AND ONLY TRACI TOPPS

You all know how Traci Topps retired two years ago, right? If you don't, you do now. So, you're probably wondering..."Just how in the hell did you get new photos of Traci?" We didn't, and we did. You see, before she retired, we had Traci pose up a storm, and we still have many pictorials—never before published—of Traci. Together with the nine Traci Topps pictorials we have published in *SCORE* and all of the other pictures in The SCORE Group Photo Library, we're sitting on, literally, thousands of photos nobody has ever seen of this big-bust legend. Not a bad jack-off collection, eh? You can judge for yourself, with Traci's "newest" pictures. Taken in Dec. of 1998, they've aged quite well, wouldn't you say?

A woman with long, wavy, light brown hair and bangs is lying on a pink and white checkered sheet. She is looking directly at the camera with a slight smile. Her hands are resting on her large breasts. The background is dark with some green foliage visible. In the top right corner, there is a graphic with the text "ON TOPP OF THE WORLD" in a stylized, glowing font.

**ON TOPP
OF THE WORLD**

Georgia-born and Texas-raised, the all-American big-titter of the '90s is now living in...merry old England? Jolly right, old chap. Having travelled to London so often during her modeling career to pose for photographer John Graham, Traci always said that when she retired, it was the English countryside for her. After she retired in the summer of 1998, Traci hung around Southern California for a while. But, it wasn't long before she was crossing the pond. As Traci told us recently, "Living in Los Angeles is enough to drive anybody out of America." Still, she misses the States, and visits often. Does she miss feature dancing? "Sometimes. The excitement, travelling, meeting new people. You don't think you'll miss feature dancing while you're doing it. But, now that I'm not, I do miss it a bit. How's that saying go, the grass is always greener?"

How's Traci's grass? "Are you talking about my hair?" Of course, Traci...in the world of landing strips, yours was always one of the most lavish bushes. But, what about now? "It's still...fluffy." Thatta girl! It seems like retirement suits Traci well. She's living what can only be described as the good life in her country bungalow. She cooks, cleans, reads, rides horses, is working on her tennis game ("I'm not ready for Wimbledon, yet!") and just got back from a two-week vacation in the Seychelles ("One of the most beautiful places on Earth"). One of the few things Traci misses? "Movies. In London, we don't see the top American movies right away. People are always telling me about movies like *The Perfect*

Storm and *American Beauty*. I have to wait to see them. Then, there's movies like *The Patriot*—I don't think that one will be showing here, but I'm dying to see it. England can be tough if you're a movie fan like me." Here's looking at you, kid...if that's your one complaint, you must be living the good life. Thanks for sharing it with us, one more time.

Memories...of a clear, blue day...and Miss Nude USA. From the largest big-boob photo library in the world, here's a remembrance of Boob Cruises past and an appetizer for those about to cum!

A two time Boob Cruiser (1997 and 1998), Nicole goes down in history as the only two-time Boob Cruise limbo champion. She's a limber minx, that 1997 Miss Nude USA. And one helluva drinking buddy. And a great three a.m. conversationalist. And she even gives a great massage. And...what can we say? We love this girl, even though her boobs ain't the biggest. Yeah, that's always been the only knock against Nicole. A cup size small for the big-titty magazines, and a bit too big for the no-titty books. So, what's a girl like Nicole to do? Nada. She is what she is and Nicole is happy one way or the other. Whether she's posing in the "widow's net" in the French West Indies or managing a gentlemen's club in the Great Mid-West, with Nicole Tyler, what you see is what you get...and we wouldn't have her any other way!

BOOB POWER

YOUR ATYPICAL SUPER-BUSTY- BABE-NEXT-DOOR!

Got a good grip? Jana does, and does she mean business! You remember this busty babe, don't ya? Dec. '98 *SCORE*, reader's girlfriend, body by God with some help from a doctor...one of the last of the silicone giants. And, now she's back...to really make you move.

The "dream" of Jana is rather common among *SCORE* readers, but her actual story is unique. Her boyfriend, Utah-living *SCORE* reader G.P. loves big boobs. Check that, he lives for big boobs, with a passion. Like most of us, he wanted his girlfriend to get bustier so that even if she wouldn't pose in a *SCORE* pictorial, at least he knew she had the right stuff. But, where most of our women look at us with that pissed off, what's-wrong-with-the-way-I-look stare that says no-soup-or-blowjobs-for you, Jana told G.P., "Sure, honey...what would you like me to do?" The implants, a tuck here, some collagen there and...shazam... G.P. had himself a slim-n-stacked *SCORE*-girl he could call his own.

JANA CHECK LIST

AGE: 43 BIRTHDAY: May 22, 1957

HEIGHT: 5'8" WEIGHT: 133 lbs. BRA SIZE: 36F

MEASUREMENTS: 48-27-38

LIVES: Salt Lake City, Utah

OCCUPATION: Office worker

PREVIOUS SCORE APPEARANCE: Dec. '98

So, what's with the nipple piercing and the pull chain? "I'm the adventurous type," says a chatty Jana, who had her nipples pierced in her Dec. '98 pictorial and reports that the piercing makes for a lot of fun. "Sure, you can tug on them, play with them—just don't do pull-ups." While we have you, Jana, how's life as a super-titter? "Great! I never thought having such huge boobs would be so great. You hear all of those stories about dancers not wanting to go out in public because people stare at them all the time. I say, 'Let them stare!' I love the attention. Bring it on." Spoken like a true super-titter!

"No touch," she said. "Just watch."

With that, she jiggled her colossal boobs before his eager eyes while her fingers played lightly with his distended pulsing prick.

"Oh, Qris," he quivered. He couldn't get over how huge she was! He wanted to grab her bobbling melons so badly. Her succulent nipples grew thicker and harder as her own desire began to mount. Soon they rivaled the tips of his thumbs in size.

Precum oozed freely from his cockhead now and she used it to lubricate his cock, eliciting a moan.

"You like that, huh?" she teased him again.

He nodded.

"Do you want to feel how soft they are?" she asked coyly. "How full they are? How good they feel?"

At long last, she took his hands and placed them on her velvety overstuffed pillows.

"Oh, Qris, you're so...so...so... Ohhhh!" he moaned, barely able to stand as she returned her hands to his blue-steel boner.

"What were you saying Gregg?" she teased. "Are you gonna pump in my hands, Gregg?" she cooed, teasing his pole faster.

He felt like a kid having sex for the first time with an older, more experienced woman. She had him right where she wanted him.

"Are my boobies big enough for you?" she asked in a husky whisper while she slowly shook her shoulders. Her swollen breasts bounced maddeningly beneath his touch.

"Oh yeahhh..." he said as he fondled her doughy jugs. He stroked them, his hands passing over acres of tit-flesh. He hefted them in his palms. They were so heavy.

She began to push her tits into his chest now; slowly forcing him to the bed. The sensation of her big, thick nipples poking against his chest only made him more delirious with ecstasy. She put her soft lips to his and gently caressed his mouth.

"How much of this can you take?" she whispered.

"Not..." he gasped again as her

tongue slid into his mouth, filling it with lust. When she pulled it out from between his lips a moment later, all he could say was: "Uhh..."

His eyes glazed over. He sunk his hands deep into her voluminous udders. She knew he'd burst at any moment. Her tongue continued to tease his, darting in and out of his open, panting mouth. With one hand she cupped his balls and with the other she felt his cock swell yet again as she stroked his now-slick tool.

"Do it, baby!" she squealed. "Cum for me! Cum for me!"

She stared into his eyes. They were wide...and getting wider!

"Pump for me!" she urged in a whisper and pressed her glorious globes into his chest one last time.

He tensed and then hot semen exploded into her hand in fast, heavy gushes. Stream after stream.

"Oh yeah," she cooed to him with a delicious smile. "That's it...Cum for Grissy...Cum for me."

Again and again his organ erupted. She engulfed his phallus between her legs and pumped his member with her hips. He gushed load after load between her thighs while her tongue dove deep inside his mouth once again. She wrapped her arms around him, causing her huge breasts to bulge explosively to the sides. She stroked him dry like that—her hips pumping and grinding, her legs drenched in his spunk.

The backs of his legs were now against the edge of the bed. When he finally finished cumming, she pushed him back with one mighty shove of her hooters. He lay there exhausted and happy. She let him relax a moment with his eyes closed and his legs splayed apart while she went to rinse the cum off her legs.

A short while later he heard her come back into the room. She was such a sight to behold!

"Tell me, you don't think my breasts are too big for my frame, do you, Gregg?" she asked and spun around slowly for him to view her from all sides. He was struck by what good shape she was in. Her back was extremely muscular. It would have to be, he realized, to support her incredibly huge, all natural breasts all day.

SCORE LEGEND SERIES

WHEN IT CAME TO BEING JUST GOOD ENOUGH, ROSEMARY WAS QUEEN.

A true legend is pretty easy to spot. Devon Daniels. Lisa Phillips. Even when they are still posing, you just know models like Chloe Vevrier and Linsey Dawn McKenzie are going down as two of the greats. But, what about a...Rocki Roads? Barocca? Good enough to be in the book, but are they destined to be legends? Now, flashback to 1979...current *SCORE* and then *Gent* editor-in-chief John Fox was faced with the same dilemma...to publish or not to publish. Guys will jerk off, no doubt, but will they remember her? The model? Rosemary.

The one aspect of publishing readers can never appreciate is the number of busty babes they never see. Hundreds each year who never make the cut. They're referred to by many names, the most kind being a "second-tier" model...not a superstar, but definitely good enough. Rosemary was one of them. A French model, though many editors in the early '80s pawned her off as an American, Rosemary was a part-time model who posed for extra money, in these pictures with legendary English photographer Ed Alexander. In fact, just about every big titty photographer tried to shoot Rosemary, and she appeared often in the entire spectrum of men's magazines...not because she was so great, but because she was good enough.

"You must work out," he said.

"Every day for a couple of hours, lover," she said. "I need to keep fit, 'cause these babies are really heavy. But, you didn't answer me. Do you think they're too big?" she moaned and brought her arms together, squeezing her stupendous orbs between them. They bulged obscenely, and deliciously, before him.

"I like them like that," he replied. She smiled and knelt between his legs, pressing her velvety mountainous globes against his crotch. Once again his tool began to inflate. He couldn't believe that any of this was truly happening. It had always been his fantasy to get Qris into bed, and now that it was happening, it was better than he'd ever imagined.

"This is some lunch hour," he said.

"Do you like this?" she cooed again. She was wrapping her bloated melons around his tool now. "Do you like it when a girl's aggressive?"

"I like it when you are," he said.

"I put some baby oil between my breasts earlier," she said, his cock now engulfed between those velvety pillows. It felt wonderful inside her cleavage: warm and soft. He felt the delicate, yet firm pressure increase as she pressed her elbows together, squeezing her abundance around his shaft. Slowly, she began to pump her whoppers up and down on his still swelling member. It was an incredible sensation as huge, flesh pillows rode his shaft, their nipples pointing at him. Greg let out another low moan of satisfaction.

"Don't you want to cum?" he asked her.

"Oh, I will, baby," she whispered. "Trust me, I will."

Up and down her distended mega-jugs slid over his tool. He looked down to see her staring back at him hotly. His member never appearing into view from the cleavage of those massive gunnysacks.

"This sure beats bantering sexual innuendoes in the office," he said.

With a smile, she sexily mouthed the words: I...AM...GOING...TO...MAKE...YOU...POP!

Suddenly, she stood up. He couldn't get over how hot she looked! Her massive udders bobbed about, her areolae were so swollen they seemed like honeydew halves bulging out of her breasts, each topped off with wicked scarlet nipples the size of entire thumbs. If he thought they'd gotten large from the cold, that was nothing next to their size when she became aroused.

"Now it's my turn," she said and straddled him, stupendous gourds dangling above him. "I'm gonna fuck you, Mr. Gregory."

Her box was dripping as he felt her outer labia brush his dome.

This is it, he thought. I'm actually going to fuck Qris! Her beautiful, brown eyes locked on his as she began to impale herself on his turgid pole. A grin spread across her face as if to say, "Yeah, this ain't no dream, you're inside me!" Slick and tight, it was wonderfully warm and soft within her. She bent down and dragged her humongous breasts across his chest and stomach with each stroke of his organ.

He fondled her mighty treasures while she brought herself closer and closer to orgasm with each stroke.

"Is this good, Gregggy?" she asked yet again. "Do you like my boobies caressing you like this?"

He nodded. It was so delicious that he was surprised that he was lasting as long as he was. Her cunt was so tight and slick...her breasts were so powerfully enormous...and then there was Qris' face. She was so sexy. Her eyes burned with desire (and she never took them off of his) and her lips were full and pouty.

"I can't take much more of this," he warned her.

She brought her lips to his ear and whispered, "Tell me that I'm big."

"Oh, Qris..." He was getting close.

"Tell me!" she insisted, teasing his lips with her tongue.

"...You're big," he said.

"How big am I?" she giggled. Apparently, this kind of shit really helped get her off.

"You're really big," he said and moaned. She mashed her immense bloaters into his chest and picked up the pace of her strokes.

"Oh yeah!" she moaned and

kissed him deeply, her tongue playing with his.

"I can't believe how huge your tits are! And I can't believe I'm fucking you right now!" he cried when she withdrew her lips for a moment.

It was true. He found it difficult to believe that this super-bosomed vixen was fucking him now in a motel room during his lunch break. And she was the biggest breasted woman that he had ever seen!

"Tell...me...again..." she managed to say while she bucked his tool quite furiously now, her monster jumbos flopping against his chest.

"They're so...big...so soft...so huge...so incredibly...Juge!"

She lost it. Her mouth formed a big "O" and her eyes rolled up into their sockets. Grinding her pelvis against his, he felt a flood of juices pour from her box. She grabbed his head and shoved his mouth against one of her super thick nipples. He sucked it in gladly only to feel her body shake in convulsions. A scream was torn from her throat as she writhed atop him.

It was way too much for him. This vision of Qris gone animal in climax shoved him way over the edge and with a fierce upthrust, his cock exploded deep inside her love tunnel. His cry was muffled by the awe-inspiring zeppelin smothering his face, one of her distended teats drawn deeply within his mouth. He could feel her body still shuddering in waves of orgasm as he pumped load after load deep inside her.

When he finished cumming, he held her tight as the last of her orgasms rippled through her body. Finally, as she regained her focus, she looked down on him and smiled.

"Oh, baby," she said softly, "that was incredible. Really unbelievable." She cupped his face in her hands and she kissed him deeply, playing with his tongue again.

Eventually, he grew soft and slipped out of her. She rolled off of him and lay there on her right side looking back at him, her head propped up with an arm. Her mountainous left breast sat on top of the right one, squashing it somewhat. He gazed at them for a while as they rose and fell slightly with her breathing.

THE BET

Her now soft nipples still pointed at him, but had shrunk to only a half inch in height. Her areolae had diminished as well, yet they retained their large diameters, of course.

"I have a confession to make," she said after a few minutes.

"Oh, really?" he responded, reaching out to caress her hefty wonders.

"I stacked the deck on you. I'd already talked to Gail's girlfriend before I came over to make the bet with you," she admitted.

"Is that so?" he replied.

"Uh-huh," she answered and lightly stroked his cheek. "I knew I'd win the bet in advance."

"I suppose I should be angry with you," he chided mockingly.

"Do you forgive me?" she asked in a little girl's voice. She drew close to him once more, her lips teasingly brushing his. "Is there anything I can do that would make you forgive me?" she asked and brought her hand to his once again stiff member.

"I suppose we could call in that we got sick during lunch and couldn't return," he suggested. "After all, we work in different departments. I doubt anyone will make a connection." He reached around her and pulled her to him tightly. Her humongous orbs bloated voluptuously out to the sides.

"Mmmmm," she said. "I suppose this will take a bit longer than a typical lunch hour."

He smiled. "After three years of sexual innuendoes and flirting—you can't satisfy that in a mere hour."

They both took turns, calling in sick. When their deeds were done, it didn't take long for Qris to take control. Once again she impaled herself on his cock. This time it was his turn to stroke and having cum a couple of times already, he could last forever. He pounded into Qris' tunnel mercilessly while she begged for more.

"Greg...uhh...Greggy..."

"What?"

"I...was just wondering... how many sick days do you have left?"

"Plenty...Qris...plenty!"

"Good...me too..."

(debut pictorial)

One of the "Fairest" *SCORE*-girls ever featured, Leah's what you'd call...a babe. No doubt. From her toes to her pig-tails, the girl's got it going. Plus, she's a nice girl...and damned smart, too. When Leah first debuted in *SCORE* (April '98) she was finishing up her undergraduate degree, majoring in history. Now, she's going for her advanced degree, and plans on finishing up her education with a doctorate and a focus on Egyptian history—late kingdom. Leah explained it all with names and details you don't hear on The Discovery Channel or in the *Ten Commandments*. Pretty interesting stuff, too, though it sure gets a lot more titillating when an enthusiastic cutie with an English accent is explaining it to you. Is this a great job, or what? And, it gets even better. For those of you just starting this issue of *SCORE*...what a line-up. Get an extra roll of Bounty, 'cause you're gonna need it. For you *SCORE*-men closing the book, rest up...next month is Boob Cruise 2000-time. A double issue! The adventure of a lifetime! Sailing your way Oct. 14th!
