WELCOME ABOARD

Welcome to the Boob Cruise 2000 edition of *SCORE*. We've bulked up the issue this month to try to jam as much of the excitement that was BC 2000 into one issue.

Along with the oversized package, we have the obvious, the Boob Cruise for content and you can't beat that. Fifteen of the most lovely busty gals a guy could ever have the pleasure to spend time with and the spectacular Caribbean as a picture postcard backdrop. No matter how many Cruises you sail on, and I've been fortunate to have been on all five, a guy never tires of that magical combination.

This year the "Ship's Log" is written by our "On the Road" columnist, Alyssa Alps. We've been asking Alyssa to join us on the Cruise for years, but she always said it "wasn't her thing." Luckily for all of us, this year she decided to join us and guess what? She had a great time and did a super job on the "Log." Because Alyssa didn't arrive on BC 2000 until Sunday due to a scheduling conflict, The "Ship's Log" begins on page six with a prelude that many of us can identify with, written by *SCORE's* editor, Michael Uwate.

***SCORE* editor-in-chief John Fox with Casey James.**

Following each Boob Cruise, we survey our shipmates in an effort to find what they liked and what they didn't like. After the '98 Cruise one of the comments we saw repeated was a request for new models next time.

"I just love 'so and so' to death, but how many pictures can I show my buddies of the same woman?" was the typical comment.

Understood. But you know it was a sad day at *SCORE* when we broke the news to many of the *SCORE*-girls who had been faves on past Cruises. We missed you all and that's no lie. And for the dozen *SCORE*-girls who sailed with us for the first time, you helped make BC 2000 our best so far!

You may know that this year we posted twice daily to Scoreland.com via a satellite uplink. Despite the technological concerns, the project was a huge success and members of Scoreland were able to follow the Cruise action on a day to day basis.

Still, one criticism that we received from website members was that we posted *too many* "candids" and not enough layouts of the girls. With that in mind, in this issue we have reduced the number of "candids" and have given the girls longer pictorials. I sincerely hope you like the changes.

As we go to press we are putting the finishing touches on the BC 2000 video. Almost three hours in length, we feel it will set a new standard for the way adult video productions are judged. And good news for DVD fans, a DVD version (with even more goodies) will be ready for shipping this December.

I guess even I'm not exempt from the format changes…"More girls, less dribble from that editor-in-chief guy!" No problem. Whether you sailed with us on BC 2000, followed us on the web or waited till now to savor the Boob Cruise experience, I hope you enjoy this issue as much as we enjoyed bringing it to you.

–Tits Ahoy! *John C. Fox*

On The Boob Cruise With Alyssa Alps

Saturday, April 29th Miami, Florida and St. Thomas, U.S. Virgin Islands

Boob Cruise 2000

Alyssa will be arriving on Sunday to write the Ship's Log. When she does, your monthly columnist will be spending a lot of Boob Cruise 2000 time on the beach, like here with *SCORE* editor Michael Uwate (left) and Boob Cruiser Jim (center) on an island off of St. Croix. Until then, that hard working guy to the left will be picking up the slack.

Ship's Log By Alyssa Alps and Michael Uwate
Saturday, April 29th
Miami, Florida

It's 4:30 a.m., and I can't sleep.

Who could?

I have visions of swaying palm trees, azure water and perfect breasts dancing in my mind–so thick, I couldn't wipe the images away with a thousand beach towels.

In four hours, it's Boob Cruise 2000 time. Like the rest of my mates–*SCORE* staff and readers alike–I'm getting the rarest of opportunities. To shed my 40-hour a week regimen for a slice of paradise. Under most circumstances, I'd be dreaming. But, as I smoke a cigarette on the balcony, I know I'm not. The air is cool for Florida in the spring, the sky black and the stars bright. This is real...the dream begins in a few hours.

I break out a note pad and start to write what you're reading. Alyssa won't be joining us on Boob Cruise 2000 until Sunday because of a scheduling conflict, so I'm giving you the goods until she arrives in the Virgin Islands. A thousand apologies if this turns out to be gibberish. I keep thinking about Linsey Dawn McKenzie, Minka, Dawn Stone, that *From Here To Eternity* scene–I'm awash in fantasies.

I suspect I'm not alone.

Are the passengers all awake thinking the same things as I? The models? My fellow *SCORE* staffers? Are we all closet romantics pining for that one moment of rapture that takes you to another dimension? Does God exist? Is that really beef in those Taco Bell burritos?

You'd be surprised what you think about when your only companions are celestial and mute.

Still, I keep coming to that one question each and every person sailing on Boob Cruise 2000 contemplates at one point or another, some obsessively, especially when the answer is the great unknown... What will happen?

I don't know, but I can guess.

You see, I've been there before. Having written the Ship's Log for 1995's Boob Cruise and, basically, experiencing just about every facet of *the* fantasy that any man could, I have a general idea what the week is going to be like–beaches straight from a postcard, a majestic ship that takes you back 200 years, the greatest landscape you could imagine with the most erotic women in the world adorning it. Yes, the atmosphere makes *SCORE's* Boob Cruise special, but it's the models that make it extraordinary.

Will Lorna Morgan be as sensual in person as she is on the phone? Ditto for Linsey Dawn and Windy Leigh. Brittany Love gave me the googly eyes the last time we met... Will she be just as adorable and flirtatious this time around?

As the editor of *SCORE*, I've met many of the models over the course of eight years, either at SCORELAND, clubs or conventions, but the Boob Cruise is entirely different. You experience them as the superstar dancers and models that they are, but you also get to know them as people. You eat dinner with them, dance with them, smoke with

Our journey began at the Airport Hilton in Miami, Florida, where busty babes clad in tight-fitting *SCORE* crop-tops, passengers and *SCORE* staff gathered in the hotel lobby after a yummy breakfast. Luggage was gathered, pictures were taken and then it was off to St. Thomas where guys started mingling with the *SCORE*-girls any way they could!

them, drink with them, party like Spring Breakers with them–it's this knowledge and the anticipation from knowing that keeps me awake and has for weeks. The thought that something magical will happen; something erotically surreal.

This causes me to reminisce about Boob Cruise '95, and as my mind drifts to a midnight frolic on the beach with one of those special ladies, I hear my wife stirring in the bedroom. A few moments later, she glides out, snuggles up next to me and asks if everything is okay.

I tell her I'm fine, but I just can't sleep. I want to tell her everything I've been thinking, honesty being the best policy and all, but I decide against it. Whoever coined that phrase was obviously single. Plus, my wife doesn't need to know my thoughts about *SCORE's* Boob Cruise 2000. Even if I told her everything, she couldn't possibly understand. After all, my wife is a woman…this is a guy thing.

She decides to stay up with me, but within moments she falls asleep, head in my lap, hands inside my boxers. I barely notice. My mind is on other things.

Through the moonlight, I check my watch and light another cigarette. Two more hours…just two more hours…

Saturday, April 29th
Airport Hilton, Miami, Florida

Working on no sleep and the breakfast of champions–lots of Coke and plenty of nicotine–I feel…great! It's Christmas morning in April, and as I drive to the Airport Hilton to meet up with the passengers, models and *SCORE* staff, I'm downright giddy thinking about what's under the tree.

Boob Cruise 2000 fever has been building at *SCORE* for weeks. Just yesterday, several passengers came by the office to say hello, take the grand tour and get acquainted. We love that kind of stuff at *SCORE*, although Boob Cruisers Mike Y., Joe L. and Dave T. did have to step over all of the photo equipment clogging our halls that we were taking with us to St. Thomas. They were good sports, we shot the shit and basically sat around the office grinning, thinking about what the next week would be like.

Boob Beat columnist Elliot James was also in town a day early, meeting and game-planning with our webbies to do live updates from Boob Cruise 2000. He's a good guy, a dedicated pervert (Elliot knows I write this as sincerest flattery) and he has a monumental task ahead of him. We set up two special cell phone accounts in the Virgin Islands, rented a satellite dish and basically did everything but go on the space shuttle to make sure we could connect and upload via the internet to the world daily. Still, who the hell knows if it will work. All of our fingers are crossed.

Where were the models? Many flew in yesterday and were relaxing at the Hilton, lounging by the pool, shopping or hitting South Beach, many with readers who were conveniently staying at the same hotel. It's amazing, those security leaks.

I know John went over to the Hilton last night to hang out. I was going to go, but family duty beckoned. Too bad, too, because I like being with the guys, talking about

Landing in St. Thomas, USVI, the guys piloting the plane wanted to come with us. After giving some of the *SCORE*-girls a tour of the cock-pit, do you blame them? Sorry, boys, we didn't have a cabin to spare on Boob Cruise 2000. It sold out in less than three weeks! Still, you got us to paradise, so the least we can do is make ya famous!

girls, helping the Cruise rookies get acclimated and meeting some old friends–veterans from Boob Cruise '95 and conventions. Inevitably, it becomes a family reunion, of sorts, and I'm looking forward to it.

The first day of any Boob Cruise is always exhilarating, and this one is no different. As I drive into the Hilton's complex, all looks normal on the outside. But, inside, I know it's anything but.

Walking into the lobby, I notice some familiar faces. Photographers smoking, passengers milling about, *SCORE* staffers looking nervous. It's the first time for some, and they don't quite know how to act.

It's my job to show them.

"Where are the models?" I blurt out to all within 50 yards.

"Eating breakfast," says Erasmo, our webmaster, a cherry and the epitome of a deer in the headlights.

"Then what the hell are all of you doing out here?" I ask with a smile, as I lead many of them into the hotel's dining room where the food appears appetizing, but the clientale looks downright scrumptious.

Lorna Morgan is eating breakfast with Jessica Turner, Linsey is at a table with Windy Leigh and Jessica Justice, Melody Foxxe is nursing a coffee (cream, two sugars) and everywhere I look are happy men and *SCORE*-girls in way-too-small T-shirts, cropped way up.

I make a mental note that the itsy-bitsy half-shirt is a damned good idea, and in a few minutes I'm sharing java with Arianna. An Afghanistan native, we had some trouble getting her legal to travel. She had to get a duplicate green card two days before the Cruise, and it took some doing, I have to tell you.

While I flirt with Arianna, somebody takes a picture of us smoking. Then, they want us to intertwine hands and do it romantically. Another picture is taken, then someone asks if we can do it again just in case the first one didn't come out.

Yes…the Boob Cruise has begun.

Still, where men will live in the week to come with their cameras attached to their heads, the first day of any Boob Cruise is a feel-out process. Everybody's trying to get their bearings–passengers, models, staff. Introductions are made, pleasantries are exchanged, bums are pinched and eyes are winked.

We take some pictures at the Hilton, much to the pleasure of the hotel staff, then it is off to the airport en masse–it makes for a good impression, cruising through M.I.A. with all of the *SCORE*-girls in their teeny-weeny tops. Plus, it lets everybody know that we're going to a happy place and they're going to…Missouri. Yeah, not a fair trade-off, but them's the breaks. Space on Boob Cruise 2000 was extremely limited, so for the next Cruise, a word of advice: sign up fast.

The airport is always an adventure, but this being our fifth Boob Cruise, we have it down to a science. An entire section of American Airlines is set aside for us and we're off to the plane in minutes. Didn't notice many men getting slapped this time for gawking or luggage accidents–just your standard, salacious grins from guys who either know, or don't but wish they did.

I meet a couple of lawyers flying out to New York for a meeting, and they ask me what's happening. I explain the entire Boob Cruise concept, and one of them demands to shake my hand–"Tough job," he tells me, to which I give him my rote answer. "I know, I know, but somebody has to do it."

The flight to St. Thomas takes about three hours, and, though still titillating, it is more mundane than 1995's. I always remember that one as being classic–busty babes galavanding all over the plane, monopolizing the smoking section (the good, ole days), flirting, playing and making the flight an entire party.

This one? Not quite the same. Again, it's the feeling-out process. We have lots of new models this year; that was one of our goals, and it's going to take them at least a few hours to realize that the world as they know it lies 1,500 miles north.

In fact, I don't think the realization hit until we were on the ship.

Lorna Morgan Sandy Cay, British Virgin Islands

Greetings! We're kinda figuring ya'll have skipped the writing and are heading straight for the titties. That's cool, but you are missing some high quality prose if you do. Still, we don't blame you. *SCORE's* Boob Cruise is, above all, about busty babes in beautiful places. And, on Boob Cruise 2000, none captured more hearts than the Welsh Wonder…Lorna Morgan.

As friendly as you could ever want, we all knew Lorna had great boobs. What we didn't know was how much of a partier she is. Trust us, the chick can drink most sailors under the table, and as for socializing…can you say "life of the party?" If you can't, use the abbreviated phrase…"Lorna."

So, what's Lorna Morgan like as a person? Every Boob Cruise, some model steals the show–charms guys beyond belief and becomes the Cruise darling. Summer Leigh did it in '98, and from what passengers and *SCORE* staff have said, in 2000 that girl was Lorna. She's just a chatty, friendly, smart, touchy-feely kind of gal–basically the kind you'd love, honor, cherish and leave your wife for.

Wanna know a way to a woman's heart? A cute dog. During the second night, Lorna discovered the ship's pup. She was holding it like a baby, and making goo-goo, ga-ga sounds–talk about a bedroom voice. Like we try to tell you… *SCORE's* Boob Cruise is as intimate as it gets, thanks to babes like Lorna.

Once on ship, "show us your boobs!" was the order of the day. It's a Boob Cruise tradition, which first-timer Kurt (below) was happy to be a part of. Bob (left) is a veteran of every Boob Cruise–hence the obvious comfort level!

THE SHIP'S LOG

Continued from page 8

There's something about a tall-masted schooner, a lush island and water that's every shade of blue imaginable that sets one's spirit free. Toss in an endless supply of boat drinks, and it wasn't long before everybody was mingling on deck with warm tradewinds caressing our souls and dusk settling in like an old quilt; welcoming one and all with intimacy and warmth only found on *SCORE's* Boob Cruise.

I always enjoy this part of the Cruise–seeing the inhibitions of reality disappear and watching the fantasy take form. Within an hour, each model has her own entourage–dedicated men who will rub her feet upon request–any time, any where. Some guys are kicking back, enjoying the tropics. Their watches are in their cabins keeping their worries company. Other passengers are already plastered and will stay that way the entire week.

I think back to John Fox's pet phrase for the Boob Cruise–"Spring Break For Adults"–and can't help but smile, relishing in the truism of that metaphor. I did the Spring Break thing 17 years ago, some men never got to do it. The fact that we're all doing it now, years past our *Animal House*-days, many of us well out of our prime (I'm the leader of that pack!)…to coin an oft-used phrase–"It just doesn't get any better than this!"

Still, man does need fuel to ogle women 24-7, so the crowds soon break up for dinner in the ship's galley. Served family style, models are at every table, along with passengers and *SCORE* staffers. Minka slides into my table and a crowd soon follows. We're not strangers, Minka and I, having seen each other at conventions. But, after all of these years, I still can't get through her strong, Asian accent. Everybody presumes I do, being visually linked and all, but mostly I just smile and look at her tits. They're huge–bigger in person. And, thankfully, I find I'm not alone. A survey of the tables finds my compadres doing one of three things: casually conversing; staring like transfixed zombies; or eating with shifty eyes, glancing from the food to the girls, and back again. Myself, I'm one of the zoned-in zombies. What can I say? I'm Al Bundy.

After the eats, we all kind of mill around until it's time for the Boob Cruise

introductions...a Boob Cruise tradition that has one unequivocable theme: *SHOW US YOUR BOOBS!*

In turn, the ladies are introduced, and, when properly prompted–"Show us your boobs!"–they let 'em all hang out. A couple of passengers, Bob and Jim, hand out gifts. Bob gives the girls Easter presents–chocolates and sex toys. And Big Jim, being a romantic, gives each girl diamonds and gold.

While all of this is going on, I'm debating whether to pass out the friendship bracelets I had my daughters make for me before the Cruise, but I decide against it. The girls have enough gifts, I decide. Don't want to spoil 'em.

Two hours later, the introductions long since past, and midnight fast approaching, I find myself on the top deck surveying the main dance floor and bar below. Dancing, partying, socializing, flirting...a damned good time being had by all.

I start to think about Alyssa, and part of me actually hopes she misses her flight. I like writing this stuff, giving my Boob Cruise perspective, talking to the guys, hanging out until dawn. Whether Alyssa shows up or not, I'll be closing the Cruise every night. That much, I already know. It's not every day a man like me gets to live *the* fantasy and I want to experience every morsel.

Around three a.m., the girls are all in their cabins. Early by Boob Cruise standards, but we have a full day of shooting tomorrow, and they all want their A-game for the cover shot. Surprisingly, the guys have all gone to bed as well.

Well, shit. Just me, myself and I... Oughta make for a nice threesome, I think to myself, but I'm too tired. I head to the stern of the ship, grab a mat, light a cigarette and enjoy the serenity of the moment.

With rich, sea air filling my lungs, the soft lapping of the water lulls me into a dreamscape. I welcome the comfort of a good night's sleep, but it is at this moment that I hear a seductive, all-too familiar voice whisper softly in my ear, "Michael, are you still awake?"

Yes, the Boob Cruise 2000 fantasy is beginning to unfold...

The first dancer of the entire Boob Cruise, Windy raised the bar immediately and let it be known to everybody watching–models and guys–that this ain't no normal strip club. Between her spectacular, all-American floor show and those facials, we all got a taste of why the nightly dancing on *SCORE's* Boob Cruise is unlike any club in the world. No rules! Just raunch! And, not a single guy had to pull out a dollar bill to get in the action! Yes, for once in our lifetime, being ready, willing and able was enough!

Boob Cruise 2000

Sunday, April 30th
St. Thomas, USVI

Let the games begin!

Funny, in year's past whenever I see the sun rise, I'm always reaching for a surfboard or a canoe. On Boob Cruise 2000…it's a boner.

Whaddya gonna do?

After a cold shower, it's time to head to the salt mines. We have a lot of stuff planned today for the magazine. Officially, Boob Cruise 2000 doesn't start until tonight when we set sail, but most of the passengers arrived early and we arranged for everybody to stay on the ship last night.

Today is a free day for the guys, but a busy one for *SCORE*. We rented Le Esperance, a retreat on top of a St. Thomas mountain, and we're taking all of the models there early for the cover shot and photo shoots.

It's a logistical nightmare, riding open-aired jitneys up a winding, mountain road–models, photographers, staff all wondering if we'll actually make it, but having a good time nonetheless.

The girls seem a bit nervous today; well rested, but jittery. This is the first day of Boob Cruise posing for all but a few veterans who have been there, done that. Plus, they all know we're doing the cover shot. You can feel the apprehension, but our Cruise jokester Maxi quickly lightens the mood talking about her huge boobs. You can always count on Maxi to not take things too seriously. After four Boob Cruises of waiting to sail with *SCORE*, she's finally here and determined to have a good time and enjoy the moment. I've always liked her carefree attitude, and as this week transpires, I won't be alone in my appreciation of Maxi.

On top of the world, the house and grounds are everything we thought they'd be and more. We sent photo coordinator Peter Wall to St. Thomas two months earlier to scout possible locations, and his find didn't disappoint–a great pool, perfect view and all the amenities we need for some magic to happen.

Now, if we can only remember to take that damned lens cap off!

Just kidding.

Our photographers are some of the best, and we pull the cover shot off without a hitch. Then, some of the girls relax buck ass naked poolside while others pose and Linsey does her hostess-thing. It's an added touch we're doing for this year's video and DVD to make it special; having a different *SCORE*-girl host each day.

Linsey's batting lead-off, and talk about a perfectionist. She wants everything to be just right, and it's adorable to watch and listen to her work. Get the DVD version which will have all of the different takes and you'll see what I mean.

Sunday was a "work" day, if you can be-lieve that. We rented a mountain-top estate for photo shoots and video, with Linsey batting lead-off as the video hostess. She took her job seriously, too, here giving her buddy Jessica Turner a cool, refreshing drink.

The rest of the day, several models will stay at Le Esperance, while others will head back to the ship to sunbathe, relax and...eat pussy. Yep, you can't keep a horny woman down, and, as the coconut telegraph told me, Dawn and Brittany had an impromptu girl-girl on ship. The passengers even have the pictures to prove it.

Being a working stiff, I went with Linsey, Jessica T., a couple of photographers and some passengers up to "Mountain-Top," the most visited tourist trap on St. Thomas and the "Home of the Banana Daquiri," for the rest of Linsey's hostess day. Great views, wonderful company, tropical drinks, lots of people wondering who the hot babe was, to which I told them she was my wife.

Hey, it's *my* fantasy, I can live it any way I want to!

And, now I'm going to do so without leaving a paper trail, because as I board the ship in the early evening, I'm greeted by...Alyssa. Ya'll can start reading with renewed interest now, because your boob-less editor is now turning over the Log to his partner in crime. Here's Alyssa...

Sunday Evening...Alyssa Arrives

Hey all! I can't believe I'm finally here. While everybody was already in St. Thomas, I was doing the airport thing–four flights and two airlines. When I was up in the air, I let my imagination run wild, thinking of all of the fun, outlandish things going on without me; who is naked, who is shooting naked pictures, who is the life of the party; basically everything! Oh well, I'll be there by dinner time.

On the ship, everyone is roaming about, but I do believe that some of the passengers were on the lookout for me. I was surrounded by five immediately who offered whatever help I needed to get settled quickly. How is that for the royal treatment?

I knew from this moment on that this trip would be more fun than I could have ever imagined.

The first gal I encountered is the legendary Casey James. Wow, she is very beautiful and so incredibly busty. I even stared a bit.

I was quickly whisked away to my cabin by my editor, Michael, who stuffed me into a dress and escorted me to dinner so I wouldn't be crabby on an empty stomach. I wanted my trip to start the right way; with food and wine of course. I sat with the ever popular and oh so funny, Minka. Let's just say that when Minka talks we all end up cracking up. What a great sense of humor and a big eater. I don't know where she puts all of the food, maybe in those great big boobs of hers? I tell you, I was being quite the tourist with my head snapping

Continued on page 34

After shooting the cover, we did some big-boob video work in the pool and, while some girls lounged, others went back to the ship where it was more fun and games... Boob Cruise style!

Adina

Savannah Bay, BVI

One of the best bodies on the ship? That's what many of the passengers said about this Las Vegas newcomer. With her tall, angular form, Adina was certainly a treasure for everybody with a camera. Nice, too, although very quiet and a bit introverted. Hey, it was Adina's first Boob Cruise–she's not a feature dancer, so you'd expect her to be a bit awestruck by everything. Still, by the end of Boob Cruise 2000, Adina was fitting right in and turned out to be a mighty fine shipmate.

The most frequent comment Boob Cruisers made about Adina was, "She's very quiet, but a helluva model!" True. You won't find her dancing on tables or having guys drink tequila shots out of her bellybutton. But, when it came time to get nekkid, she was anything but bashful.

THE SHIP'S LOG

Continued from page 27

half way around every time boobs walked by. You gotta see it to believe it; titties everywhere! I am overwhelmed to say the least.

After dinner, I finally got a chance to check out the scenery, then the ship; my first time ever on a big schooner. It is so picturesque that I momentarily forgot that I am working and not just on vacation.

I wandered to the main deck to do my favorite thing–people watch. I mean, I am here to observe and watch everything, kind of like voyeurism, which is my thing anyway, so why not start right away with exotic dancing.

I just love a good show. Casey, our emcee, organized this and other nightly events all week. What a pro and she can definitely wake up and move the room when need be. Of course it helps when you are wearing a stretched to the hilt top, gold lamei outfit! A real eye-catcher.

Windy Leigh was first, and she looked every part the sailor at sea in her Navy outfit. Super legs and all American beauty–she pleased all. Windy's not the shy type either, with her pierced cooter, and she gave lots of guys a boob-job, including Michael (my editor), who prefers to stay out of the action and let the guys get a face-full (what a nice guy!). But, Windy caught him off guard and really rattled his world. Still, I think Mikey liked it–Windy, too.

Of course every sailor needs a flag and Windy made one with style, painting one on her curvy body–one of the best on the ship.

By show two, with super busty Maxi Mounds, it became apparent that it was to be a "get Michael" night as well as pierced cooter night. I had to do a lot of ducking because I was sitting right next to him–damn, that boy is quick! Maxi went for him, and he flew right behind me. He said all week that Maxi had some major boob power, so I think he got a bit worried. A braver soul got smothered and Maxi, the sexy gangster with the *Sopranos* soundtrack blaring in the background, made quite an impact on the crowd. Did you know that Maxi is incredibly flexible? So flexible that she does the legs up by her head while on her back thing. Quite impressive! The guys beat me in volunteering for the pool and bubble water scrub down session. A brush for the tushy and pussy for one of the guys, while a sponge wash was being done on her boobies by the other while her head was in his lap. As Cruiser Kurt said, "This gives a whole new meaning to the word loofah."

After the shows were over, the beautiful, star-filled night wore on with cameras flashing all around, cocktails for everyone and the dance floor being heated up by a half naked Minka dancing with many a lucky guy. Minka claims that dancing makes her hot, so within seconds, off go her clothes, and believe me, she gets really hot!

And, we had a birthday tonight for Jessica Turner who turned 21. Same age as me, go figure. Linsey sung her Happy Birthday at midnight, and by one a.m. Jessica T. was dancing with a pole. I guess she had a great birthday and now our U.K. gal is legal to drink in the U.S., too, which should serve her well this week, the way everybody drinks like there's no tomorrow!

With the ship under full sail to the bagpipe version of "Amazing Grace," I had to call it quits. A stroll through the ship on the way to my cabin, with kisses and night-nights to the die-hard party crew–something told me they would be up for hours. Me? I was pooped from all of the excitement, and this is only the first day of the Cruise. Gosh, this voyeurism thing can be exhausting!

Tonight, Windy and Maxi danced up a storm, and you can see the action at the end of their respective pictorials. Here, we see some of the more intimate moments from Sunday night, where, like every second on Boob Cruise 2000, socializing and partying are the main activity!

Busty Auditions
Adina & Ariana

Two Newcomers! One Hot Video!

They debuted in the July 2000 *SCORE*, and this is Adina's (left) and Ariana's first-ever video. It's very erotic, very up-scale in production quality with candid and intimate video interviews for both girls, solo posing, a super hot belly-dancing scene by Ariana, a raunchy, dildo-filled girl-girl and Adina's first XXX, hardcore, cock-worshiping scene!

Donita

Ship's Main Mast, Top Deck

There's a funny Boob Cruise 2000 anecdote that goes along with that wooden thing by Donita's pussy. After Donita was doing her thing, which got this wooden phallic symbol a bit moist, the next night a couple of models were talking about their deepthroating techniques. Donita offered up this removable, wooden peg and when the girls began to do their thing to that thang, Donita started to giggle, and made a comment about the flavor. Everyone thought she was just being silly. Little did we know she really was.

SEA CHEST

From conventions and conversations, we knew Donita was the friendly type, which is why we asked her to host one day on the Boob Cruise 2000 DVD/video. She did a great job, too, which you can see by turning to the back cover of this issue. If you couldn't go Boob Cruising in 2000– it's the next best thing to being there!

Ironically, many Boob Cruisers thought Donita, being an L.A. porn star, would be the party hound of 2000–two bottles of champagne, going crazy from dusk till dawn. Instead, she was very subdued, preferring intimate conversation to drunken debauchery. It was a nice surprise, and one all of the guys found very appealing.

Take a look around. What do you see? We spy Lorna sitting on R.L.'s lap, and Donita getting ready to give *SCORE* photographer Peter Wall the business. The Boob Cruise is an up-close-and-personal experience, and if you've ever been to one of those adult conventions, you know how rare that is. On the Boob Cruise, nobody is trying to sell you Polaroids, magazines, videos–they're just trying to have a good time. With babes like Donita, we ask, how could you not?

SHIP'S LOG

On The Boob Cruise With Alyssa Alps
Monday, May 1st Somewhere Near St. Croix
Boob Cruise 2000

The ultimate interactive experience? You betcha! Whether you're riding the launch to shore or getting sandwiched by Minka and Donita, no event in the world is more intimate than *SCORE's* Boob Cruise.

Monday, May 1st
A Deserted Island Off St. Croix

A few winks was all I got. We sailed through the night and woke up anchored off a deserted island somewhere by St. Croix. Can't tell you the name and all, because we'd get in trouble (National Parks Service or something), but what beauty–blue skies with not one cloud, everything lush and green except the beach, which was heavenly white and sugary soft. I couldn't wait to get out there and play around in the surf.

But, first we had to do the boat fire drill, which is quite humorous, watching all of the *SCORE*-girls trying to put on extra flotation devices. They just weren't made for girls like Minka, Maxi and Casey, that I can tell you.

Speaking of girls, some of the models were up very, very early, like six a.m., for make-up and hair, and early morning professional photo shoots for *SCORE*. Jessica Justice, Lorna and Windy all had early morning duty, which goes to show, if you're a late riser on *SCORE's* Boob Cruise, you definitely miss out.

Right after the lifeboat drill, the launches to the island got under way for the passenger beach shoots. Jessica J. was in the shallows with the guys shouting out poses; like she could have a bad one. What a body, and so cute.

Donita was getting down and dirty on the sandy beach and Casey, today's hostess, was giving play by play of everyone's nakedness for the video crew. I followed the blond, North Carolina beauty, Dawn, around for a bit to catch her action, while she was shooting for a French television documentary *SCORE* was sponsoring, and I even got to help hold the reflector. I'm not on this side of the camera much, so I considered this whole

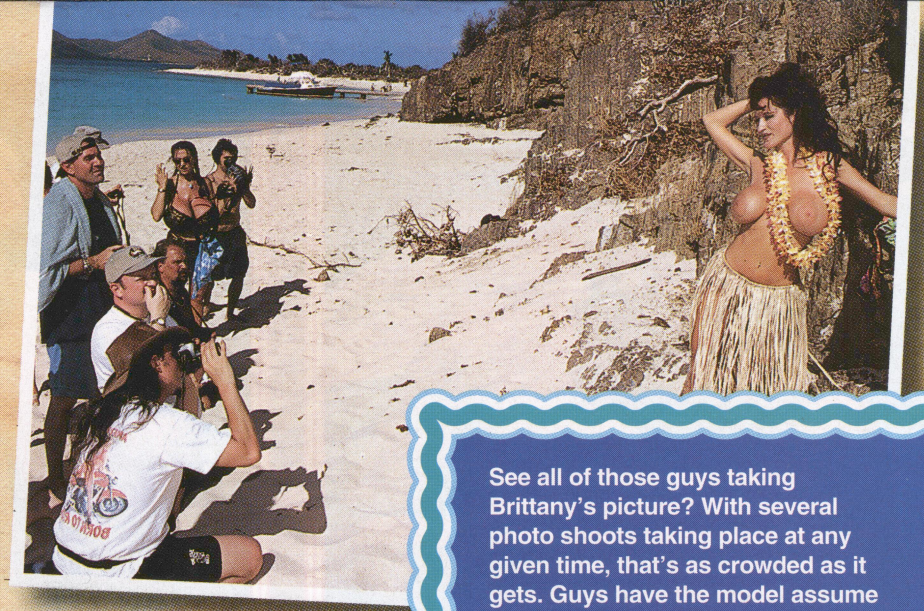

thing a learning experience.

Lunch came and went quickly because there was many a gal to photograph this afternoon. I observed that most of the guys just used food as the fuel to provide extra energy for that perfect shot of one of our beautiful gals. I don't blame them a bit!

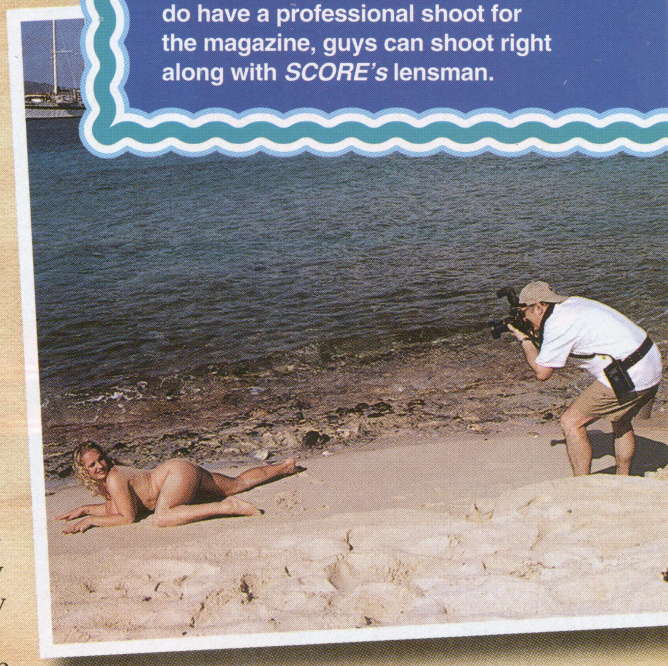

Maxi, Arianna, Brittany, Adina, Linsey and our phone goddess Tanya all tantalized and steamed up many a lens all afternoon long.

Tanya is our phone goddess because ever since we started out she's been on her cell. It must be important, because I sure wouldn't give up all of this fun for a phone call. I'm surprised that she didn't bring it to the shoot with her! Oh well, there's one in every bunch.

On the other end of the social spectrum, the super busty Maxi sure had her way with the guys. If they weren't on top of things she would yell out something to get them going. I already knew that she was going to be our all-the-time-naked girl this week. I did wonder how she was going to show up at dinner!

See all of those guys taking Brittany's picture? With several photo shoots taking place at any given time, that's as crowded as it gets. Guys have the model assume their favorite poses and, when we do have a professional shoot for the magazine, guys can shoot right along with *SCORE's* lensman.

In the late afternoon, I headed for the Nibbles and Swizzles, a.k.a. cocktail hour, on the ship's main deck. I do believe that Maxi and I were the first to belly up to the bar, followed by Melody, Jessica J. and many of the passengers, to have a drink, some eats and to socialize, as we watched the most amazing sunset. Personally, I found watching the sunset to be my favorite part of practically every day on the Cruise.

After dinner, most were back up on deck, adjusting their camera lenses and loading film for the night's entertainment.

Brittany's Salsa show was to die for. A Latin dream come true, complete with her own personal margaritas that she mixed on her body, which became very sticky, sweet and salty, and were served up in style to any man within reach.

Melody took us back to the '50s for some bopping, then, it was Casey, who took control as an old west cowboy and made all beg and shout to see her hooters. Her giveaways had to be earned. George had to demonstrate oral sex with the air for all to see and C.T. had to show his favorite position, the titty fuck followed by the reach around

Yep, there's the Dawn money pose–head by her ankles, ass at attention. That's the one thing about Dawn–the girl loves to pose. Hell, she lives for it, and every guy on Boob Cruise 2000 who wanted pictures, took home as much as they wanted, just like these!

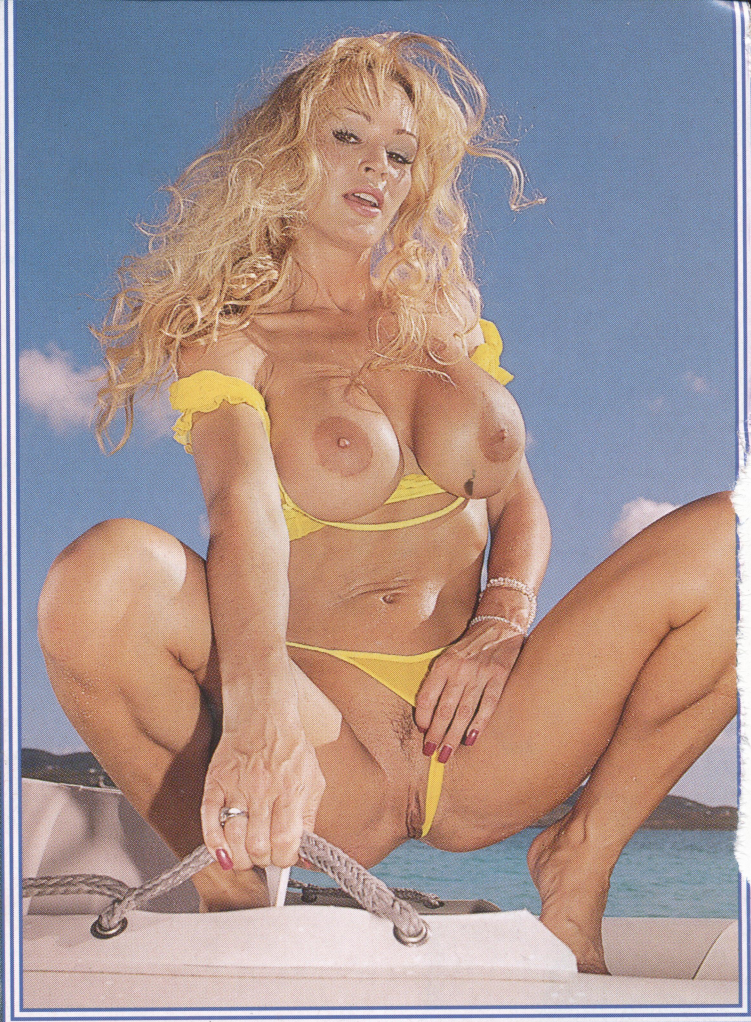

Roommates with Ariana, Dawn was her mentor during Boob Cruise 2000, showing this first-timer that life on the Boob Cruise is more than just fun and games–you gotta work hard to party with the best of 'em, and it's hard to find a better teacher than this busty blonde. Thanks for the lessons, Dawn…see ya on the next Boob Cruise!

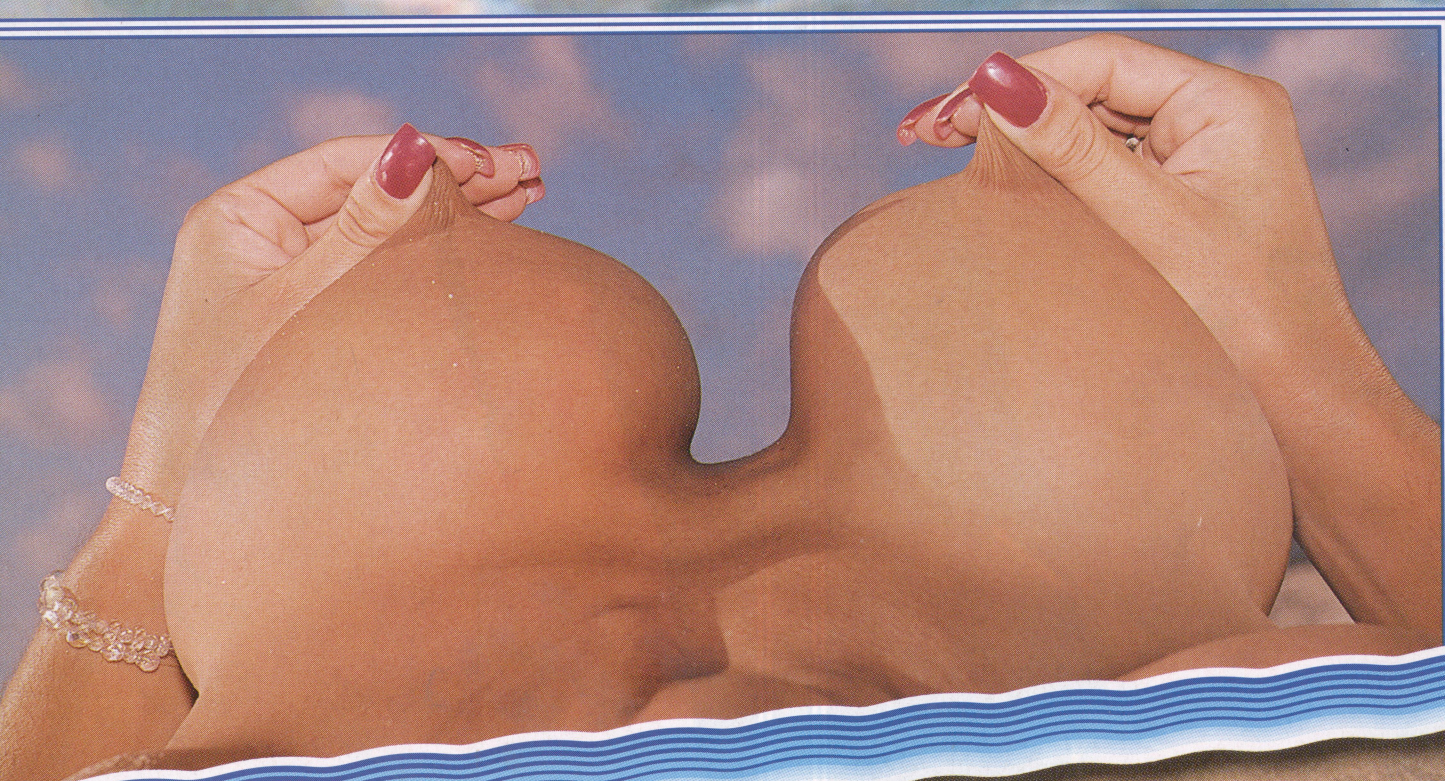

Tanya Danielle Near St. Croix, U.S. Virgin Islands

What can we say about Tanya? She has a great swimsuit body and knows how to pose it. Absent that, the nicest thing we can say about Tanya is, you can see her getting rheemed by Nikki Diamond in *Busty Auditions #2* (page 66). Hey, nobody's perfect, and we admit that bringing Tanya on Boob Cruise 2000 was a boo-boo. Trust us, it won't happen again.

It's not that Tanya isn't nice–actually, she isn't. The girl has an attitude. She spent most of Boob Cruise 2000 talking on her cell phone. Every now and then she would jog by herself. In two words… self-absorbed. Want two more? Prima donna. Nuff said.

On every cruise that sails, you have the mandatory Coast Guard lifeboat drill, where everybody puts on life jackets and goes to their "muster station." On the Boob Cruise, yeah, even that boring, mundane chore becomes an event!

and spanking from behind while shouting, "who's your daddy." Now that's entertainment! What a card; she can get anyone to do anything.

The after party went long into the night with plenty of dancing and socializing by all. Brittany, Donita, Linsey and a half naked Minka danced up a storm with many a willing guy, while Casey, Adina, Melody and I hung out at the bar.

Mark and I had the singing session going with Jimmy Buffet songs and Minka, tired of dancing, decided to run around and rate pussies. Who knows why, but it has to be told that Casey came in first and Linsey in second. Congrats ladies!

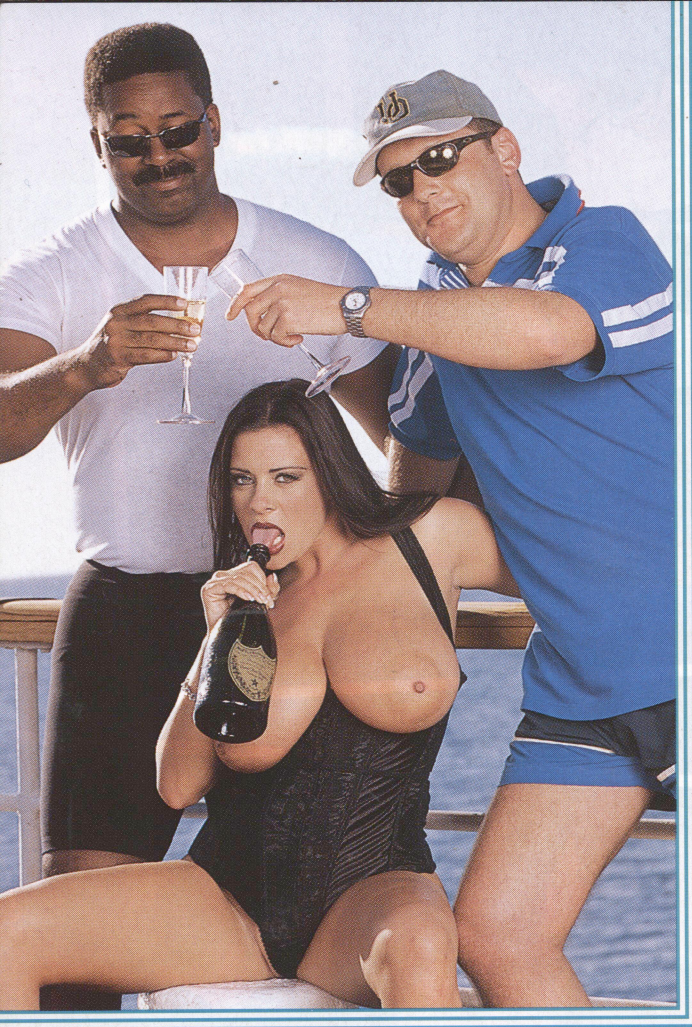

Jessica T. was the lucky one, getting massaged all over by several passengers while I roamed around checking out all the action. By two a.m. we all headed down because a squall hit and you can't very well dance around on a wet deck, now can you? I did my nightly check-out-the-sea from the bow routine and went to bed. What a day and quite a festive night was had by all! I'm looking forward to tomorrow.

You have to give Maxi credit. For five years she has been asking to go on *SCORE's* Boob Cruise, and for one reason or another, she never made it. When she found out she was sailing on Boob Cruise 2000, Maxi was ecstatic, and she immediately started making all new dresses (including the one she's posing in). "I wanted my first Boob Cruise to be special," says Maxi, who made it that and then some, not only for herself, but all of us.

All righty boys, let's have a toast to the world's all-natural, big-tit queen...Linsey Dawn McKenzie. Boob Cruisers Jim and Mark are here to help get your balls rolling, but, truth be told...Linsey doesn't need any. Somewhat shy and reserved on her first two Boob Cruisers, this year Linsey blossomed and became every big-tit lover's fantasy cum to life.

SHOWTIME

Like all of her fellow feature dancers, "Showtime" with Maxi was your basic, interactive free-for-all. In retrospect, it was a lot like Maxi herself. Free-spirited, with little if any inhibitions, and very lively…the guys loved her dance routine, but they really jumped into the tub when it came time for a rub-a-dub-dub. She's a good girl, this Maxi Mounds and, to tell you the truth, we regret not bringing her on previous Boob Cruises. Aside from her enormous boobs, you need as many carefree, energetic types as you can get on the Boob Cruise, and nobody does it better than Maxi!

Ahhh, the life of *SCORE's* editors. To the left is editor-in-chief John Fox (far left) with videographer James Hamilton, going over Linsey's video hostessing on St. Thomas. Right, we have *SCORE* editor Michael Uwate schmoozing with Linsey on Jost Van Dyke.

On The Boob Cruise With Alyssa Alps
Tuesday, May 2nd
Tortola And Peter Island
Boob Cruise 2000

One of the pleasant surprises on Boob Cruise 2000 was superstar Casey James, who, without being asked, took on the duty of "den mother," helping to organize the models, plan events and, lending a boob whenever and for whatever purpose necessary. Thanks, Casey... for all of your help!

Tuesday, May 2nd
Tortola and Peter Island

It was quite a dreary, overcast, drizzly morning with just glimpses of sun and blue skies off in the distance to keep us hopeful. But, nothing can or will keep us down. *SCORE* changed Arianna's shoot location to a dry part of the ship and she was on her way to nakedness by 10 a.m.! A few lucky guys got to be props in her shoot. There was a huge crowd around that shoot so I can only guess that I'm really gonna love those photos.

The bar was opened early to keep us amused, and most made use of it and bonded the morning away. Linsey insisted on topless sunbathing anyway. She's English, so her motto is, "Any glimpse of sun is a good thing!" Then, the big rain came and Linsey came running down the stairs with boobs bouncing to squeeze in with everyone else under the main deck canopy. Being closer is always a good thing anyway!

Melody missed out on the group huddle because she was being greased up for her engine room pro shoot. By now our more eager guys were getting itchy to use up some more film, so we cruised to another cove around the island and found us some dry sand, almost blue skies and yes, sunlight. There was quite an urgency to be on that first launch to shore, to be the first to see some nakedness in the sunlight, while we had it. Remember it had been at least 15 hours since yesterday's beach shoots, and many of our guys were going through withdrawal!

I chose to let everyone else go over first and have some writing time to myself. Wrapped in a towel on the bow of the ship, I took in the peace and quiet and gathered my thoughts for a while. The feeling of the sea gently rocking me is something I've never experienced before and I just loved it. Erasmo (SCORELAND webmaster) joined me for a bit. He was trying to do the *SCORE* site daily upload through the cloud cover. I laid around mostly naked, looking over

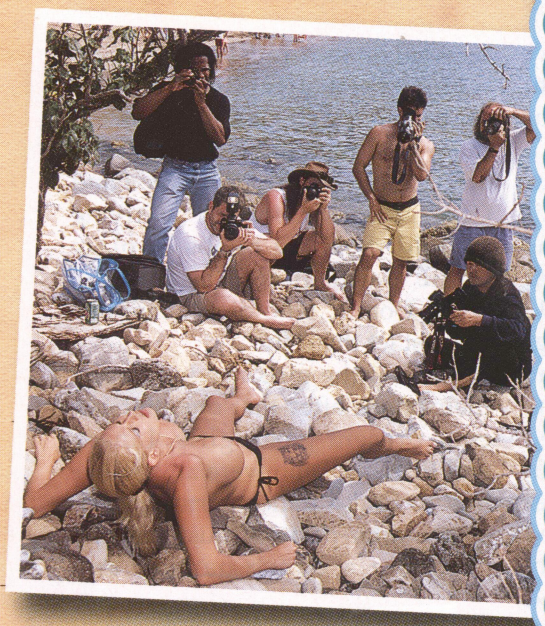

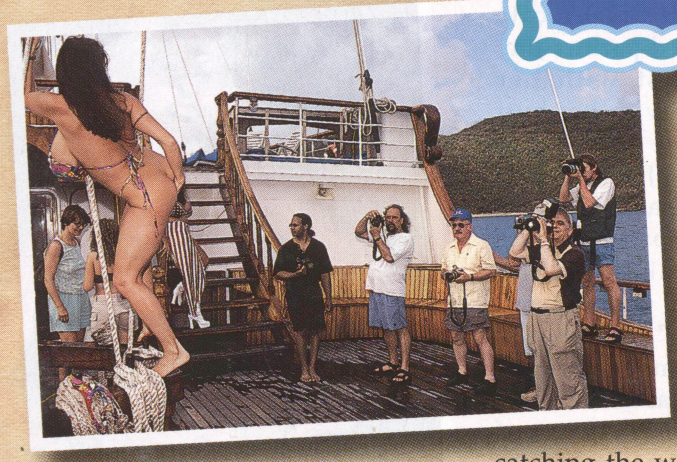

Photo shoots are the main course for every day on a Boob Cruise, and today we had plenty of opportunities for everyone. Anchored off of Peter Island in the BVI, passengers photographed models both on ship and shore. Still, the beauty of *SCORE's* Boob Cruise is that, even when the models are clothed and not posing or just taking a walk in the water, they still take a pretty picture!

his shoulder, while he swore at his computer. Now that's dedication!

A little sprinkle brought the last launch in a bit early, but not to worry. Casey was naked on the main deck doing a shoot to keep everyone happy.

I decided to bartend for a while, because you know the bartender hears everything. I had most of the guys to myself at the bar while the girls got ready for a bikini flyby for French T.V. Everyone was in a jovial mood and we all had to hurry to the poop deck because the helicopter came a bit early. There were many bouncing boobs as the girls ran to the stern to wave at the 'copter that was going round and round, and even backward, to catch arial shots of lots of boobs in bikinis as well as all of us hanging on the deck. More rain was headed our way so up went the sails with all hands, including ours, pitching in. With the traditional Scottish bagpipes blaring "Amazing Grace" from the speakers, we sailed into smoother waters.

The bagpipe music must be a sailor thing, but it went well with watching the sails go up, catching the wind and feeling the boat surge to attention. As we sailed into another glorious sunset, the evening's festivities began.

Tonight, the bra and panty fashion show! Melody, in pink satin, was concentrating so much on her modeling that she just about walked right into Peter, *SCORE*'s director of photography, and his camera. Lucky guy! Maxi, looking her busty best in black lace, requested that Mark pull her panties off–no hands Mark–and please, watch the teeth! Dawn, lovely and virginal, if ever possible, in a white push up bra; like she needs that! Brittany, in bright blue lace (my vote for best ass), did a panty toss into the crowd and Peter won, probably because he was the closest! Linsey looked stunning in lilac satin. Adina, in a red cage bra and panties, couldn't wait to get naked, so she stripped by herself; she's such a tease. Jessica J. needed some no-hands kind of help to get her coffee colored satin set off. There was a rush for this. Jessica T. had passenger Mike rushing over to help her out of her blush colored see-through outfit. Minka was in a whopper of

In lieu of exotic dancing, tonight we featured a bra fashion show, starring all of the Boob Cruise 2000 babes. Who had the biggest bra? It's hard to argue with the engineering marvels worn by Casey James (above) and Maxi Mounds. After the show, and well into the night, it was more socializing and drinking–just another night on *SCORE's* Boob Cruise.

a bra and no panties. Why bother when you just have to take them off anyway. Right on, Minka! Lorna sent us on a flashback, pointed out by our dual *SCORE/Voluptuous* editor Michael, by wearing the same bright orange set that she wore on the Oct. '99 cover of *SCORE's* sister magazine. You could see the recognition in some of the guys' faces. Arianna looked hot in a black bustier outfit that screamed "move over Tyra Banks!" Windy looked stunning in cotton candy pink that looked good enough to eat, I'd say. Donita tried to suffocate her get naked partner Jim, and not just with her boobs, but with her butt too! Kind of like all star wrestling. Jim worked hard for that set. Tanya (with, surprise, no cell phone) did a little stripetease to the chant, "show us your tits," from everyone. Casey, our emcee, tickled everyone with her feather robe and Brittany pushed everyone out of her way to assist Casey with her undies, buck-ass naked of course.

Well, that's it for the models... Hh wait...there was one more special guest, and no it wasn't me. I can't write and strip at the same time. Yes, Ricky, the irrepressible one, let us dress him up. Why? Because we made him. What a nut and he looked like a hooker in the meat packing district in New York City at three a.m.; stockings, strapless bra, a wig and big red lips that he tried to put on everyone!

Just a bit of fun the girls decided to have with the guys! Some of the very talented crew did a dance number for us and then requested some volunteers to do a number with them. Now remember that most of our girls were naked after losing their undies during the fashion show, so there was many a breast bouncing around to a reggae beat. Maxi and Casey were cracking me up, trying to hold their big boobs in place while doing jumps and kicks, while Donita, who didn't care one bit, just let them fly.

Most of the girls needed to rest their boobs after that one, but our ever-present party-girls, Linsey and Brittany, who were always the first to find a dance partner, started the after-party off just right by grabbing a dance partner and

grooving the night away.

It was a long night, too. We all stayed up pretty late, dancing, partying and just talking.

I began to realize that, where I had heard rumors that the Boob Cruise was a wild, all-out party and/or orgy, depending on the source, it wasn't. Sure, people were drunk, fondling, dancing, being silly. But, it's more talking the night away under the stars, watching everybody get closer and closer with each passing day and night. It made me wish I had taken *SCORE* up on their offer to go on previous Boob Cruises, because I really think I missed out on a lot. In fact, I know I did. Now, I'm trying to make up for lost time.

Melody Foxxe

Ship's Engine Room

This is very apropos. We had invited Melody on the past three Boob Cruises, but for one reason or another, she couldn't make any of them. And, on each of those Cruises, we had always tried to do a shoot in the engine room. One year our lights failed, another year the ship's captain got all pissy, etc., etc....denied every time. Now, on our fifth Cruise, everything seemed to click and, *voila,* the magic happened.

Yes, Melody has very few inhibitions. She had a girl-girl thing on deck with one of the female passengers, Brandy. And, she got plenty of guys hard as steel with her… inhibitionless…attitude. Hey, the girl came to Boob Cruise 2000 to have a really good time, and word is…mission accomplished.

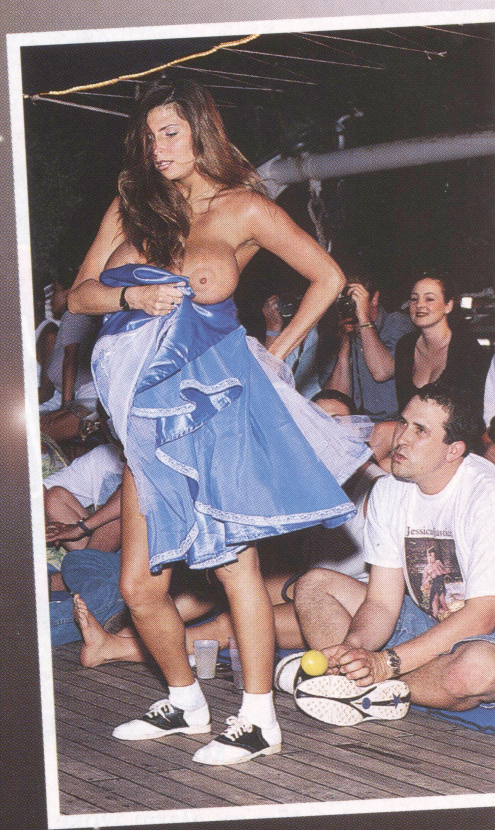

Melody made a lot of friends on Boob Cruise 2000, that's for sure. Many were in love with Melody from her past *SCORE* pictorials, and once they met her in person, we weren't a bit surprised that the reality lived up to the fantasy. It often does on *SCORE's* Boob Cruise.

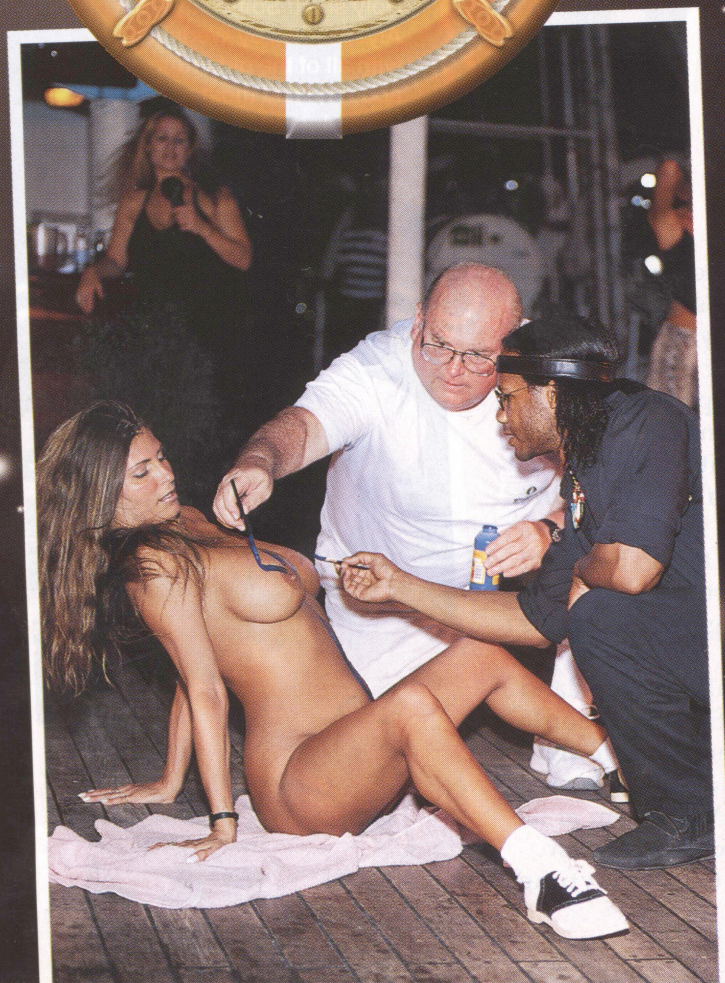

You ever notice that dancers love to be painted? We weren't complaining on Boob Cruise 2000. After Melody did her lively '50s show, everybody got in on the action painting all of her vital areas. No art school is necessary, either. Like everything else on *SCORE's* Boob Cruise, you don't have to be able–ready and willing is enough!

On The Boob Cruise With Alyssa Alps
Wednesday, May 3rd
Savannah Bay And Virgin Gorda
Boob Cruise 2000

Holy sheit! Some titty from Alyssa. Yes, by Wednesday, with all of the girls running about nekkid most of the time, Miss Alps was feeling the urge to join the crowd. Still, she wouldn't go all the way…not yet. But, soon enough, that hat and shirt will come off!

Wednesday, May 3rd
Virgin Gorda, BVI

A 6:45 a.m. alarm woke me up today and I was kind of out of it until I saw the view. We were now in Virgin Gorda, Savannah Bay in the British Virgin Islands, and let me tell you–it was absolutely breathtaking. I was dazzled by the beauty and picturesque view from the window in the dining room as I got my morning cup of java, and I knew that I was only seeing a bit of the whole picture. I hurried to the deck to take a look around as I prepared myself for the day ahead, and was awestruck by the beauty.

Jessica J., Casey and Adina were the early birds today, and I wanted to be on the first launch over to see them in action on this perfect, cloudless day, with the temperature in the mid-70's and the lightest of breezes blowing. Not! The rule of thumb for the week is; models and passengers first, with some *SCORE* photography staff mixed in, then the rest of us riff-raff staffers. I made the third launch and caught up to the models in no time at all.

Adina couldn't wait to get naked in the cool morning waters. Jessica J. worked up a sweat in a tree grove and Casey was planted on a huge rock up on the hillside, overlooking much of the islands lush scenery. Adina captured the attention of a passing boat with two very curious males on board. Yes, our *SCORE*-men were the envy of everyone in the BVI.

Donita was this day's hostess and she covered all of the action for the *SCORE* video cameras, and the video that everybody's getting, right? During the day, most of the girls were on the beach, even those who weren't posing, like Windy, who showed up just to sun her body, and, of course, pose in the process.

After lunch, Minka, Dawn and Tanya joined us at the beach for their shoots. Tanya's phone didn't work in the BVI and that was probably a good thing. Some of our guys were getting a little jealous of her phone getting all of the action, anyway!

We were the talk of the island today. No less than 30 people stopped along the cliffside road above us to wave and shout greetings down to us. Voyeurism at its best and we all had the best view.

There was lots of playtime

between shoots today. Everyone wanted to be in the sun after yesterday's showers, which actually made more photo opportunities for our guys. You can never go far from a camera lens when you are on the Boob Cruise.

I sat back and watched Windy and Jessica J. with their naked, oiled up buns pointing at the sun while laying on the shoreline, with the water lapping at their tanned legs. Casey and Dawn made sure that they were tanned all over by laying spread eagle with their boobs up to the sun. Maxi oiled up her big breasts for maximum sunage. Melody and Arianna played chicken in the gorgeous water with C.T. and Jim, while Tanya, a fitness guru and social butterfly, jogged on the beach in headphones, with her breasts straining against the top of her tiny workout suit, cell phone in hand.

The mood was light and festive, laughter and nakedness was everywhere and, of course, a camera click was heard just about every second of every minute.

A wine and cheese party, with light music playing, was the perfect way to watch the sun set. Tanya and Arianna were doing a sunset double photo-shoot on the main deck for *Leg Sex*, complete with some toe sucking by D.J. and Ray. A gorgeous sunset, wine, cheese, pate, two beautiful, naked girls and toe sucking; now that's a lot going on at one time!

Later, I got the scoop from Mark, D.J. (when he was done sucking toes), Brittany and Lorna on their scuba diving trip on the wreck of the Rhone (made famous in the movie *The Deep*), while I was tending bar. Mark said of the experience, "Bloody fantastic, absolutely marvelous." I just love how the English put things! But, he had reason to be happy. Not only did he get to go Boob Cruising, but he brought his girl, Sarah, along. Guys have been bugging her to pose, but she hasn't given in, yet. Still hope rests eternal.

Toe sucking and cocktail hour done with, the dusk melted into night while Casey and I got to pop Arianna's cherry. This was her first show ever and she performed in style! Since this was her first time, it was appropriate that whipped cream and cherries be slurped and sucked off her titties by some eager and very lucky guys.

Next, well, Casey had the best way to describe Minka..."I've seen her several times before and it's always a shocker." A very accurate quote if I've ever heard one. Not shy in the least, "give me your hands baby," was Minka's request to many to help get her body all oiled up for passenger Ricky, who donned a strap-on, and gave it to Minka to the song, *Sugar, Sugar*; which added just a touch of irony to the whole scene.

Donita was our sailor gal tonight, complete with a sparkly costume made specifically for her

On one of the most beautiful beaches of the week, the order of today was, "Take as many pictures as you can!" The SCORE-girls, even when they were relaxing or goofing, gave everybody with a camera the best Boob Cruise 2000 souvenirs any man could hope for.

Boob Cruise performance, and old-time sailor music. She laughed and played with everyone. I even got a face full of titty! What a fun-loving girl. That's what we love most about Boob Cruising. You talk to the girls on the phone, interview them, but nothing compares to Island Fever. Take Jessica Turner. Always nice, friendly, chatty–very proper prior to B.C. 2000. But, when she hit the islands, Jessica suddenly became a non-stop, irrepressible dynamo.

Always eager for anything or anybody, Jessica was a walking, talking, busty sexual innuendo cum to life. She made Boob Cruise 2000 for many of the passengers, who loved Jessica's erstwhile, playful nature, especially when she was giving it to her good friend Linsey Dawn, every chance she could.

Now only 21 years young in body and spirit, Jessica celebrated her birthday during Boob Cruise 2000, and we all wished her well, and many more to come–hopefully on future Cruises. Thanks for a great time, Jessica. It definitely wouldn't have been as much fun without you.

SEA TALES

THEY LIVED THE FANTASY, AND ARE HERE TO TELL YOU ALL ABOUT IT.

AS USUAL...A GREAT TIME!

Dear *SCORE:*

I'm writing to thank you for Boob Cruise 2000. As always, I had a great time. Although I wasn't familiar with some of the models at the outset of the Cruise, they were all friendly, pleasing, and easy to photograph!

I enjoyed seeing the Virgin Islands, white sand beaches, palm trees, tropical sunsets, and reef fishes. I loved sailing on an authentic sailing ship, and I had fun parasailing for the first time (accompanied by Linsey Dawn McKenzie, so it was even better).

It's a pleasure to watch your pro photographers work and to be right behind them with my own camera. It's a thrill to spend an afternoon photographing a beautiful woman as she oils her body against a background of turquoise water, and then to pass a pleasant hour together with her at dinner.

I brought home lots of photos, autographs, and other souvenirs, and I know I'll spend many happy moments in the months to come looking through my mementos. Thank you for the best time, once again.–S.C., Rockbridge, Ohio

SORRY I WAS A LITTLE GIMPY

Dear *SCORE:*

I just wanted to thank you once again for inviting me on Boob Cruise 2000. I really did have a wonderful time. I'm sorry I was a little gimpy, but overall any pain I was in was well worth it.

Thank you so much for having me. I'm all better now, so I'd love to go again!–Jessica Justice

"LORNA MORGAN... MADE ME FEEL YOUNG AGAIN"

Dear *SCORE:*

Just thought I would give you my review of Boob Cruise 2000.

I loved it! Now for my commentary on the 15 odd *SCORE*-girls who were in attendance.

I did not encounter Windy Leigh, Tanya Danielle, or Adina much, but each was extremely delicious eye candy to behold! Adina was very quiet, but when she strolled along the deck, heads would turn to look at her gorgeous legs and body–including mine!

Jessica Turner was also somewhat quiet, but was always very pleasant with a body and face that were very easy on the eyes!

Her fellow Londoner, Linsey Dawn McKenzie, was also a joy to look at and seemed to enjoy walking topless on the top decks, which I enjoyed, thoroughly. I seemed to have the most difficult time understanding her through her accent, but she also had a very difficult

Continued on page 112

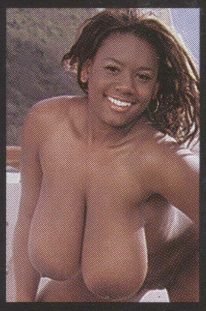

No, Linsey Dawn McKenzie didn't write a novella...her message to everybody was short and sweet. But, some of her fellow Boob Cruise 2000 cruisemates sent in their perspective of *SCORE's* fifth annual jaunt to the Caribbean, including models Dawn Stone, Brittany Love and Jessica Justice.

Brittany Love

Widow's Net, off Yost Van Dyke, BVI

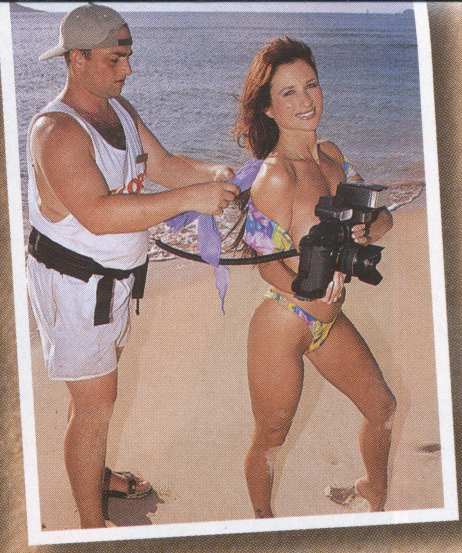

Yes, we had lots of first-timers on Boob Cruise 2000, and that was our plan. You see, many 'veterans' have gone on all four prior Boob Cruises. So, for 2000, we wanted to give them and all long-time readers of *SCORE* who couldn't go a different manifest. One of the first models we invited? Our Jan. 2000 covergirl. Not just for her beauty and body. *SCORE's* Boob Cruise is about personality. Fun-loving, adventurous, friendly, sensuous...the Love Goddess is all that and a whole lot more.

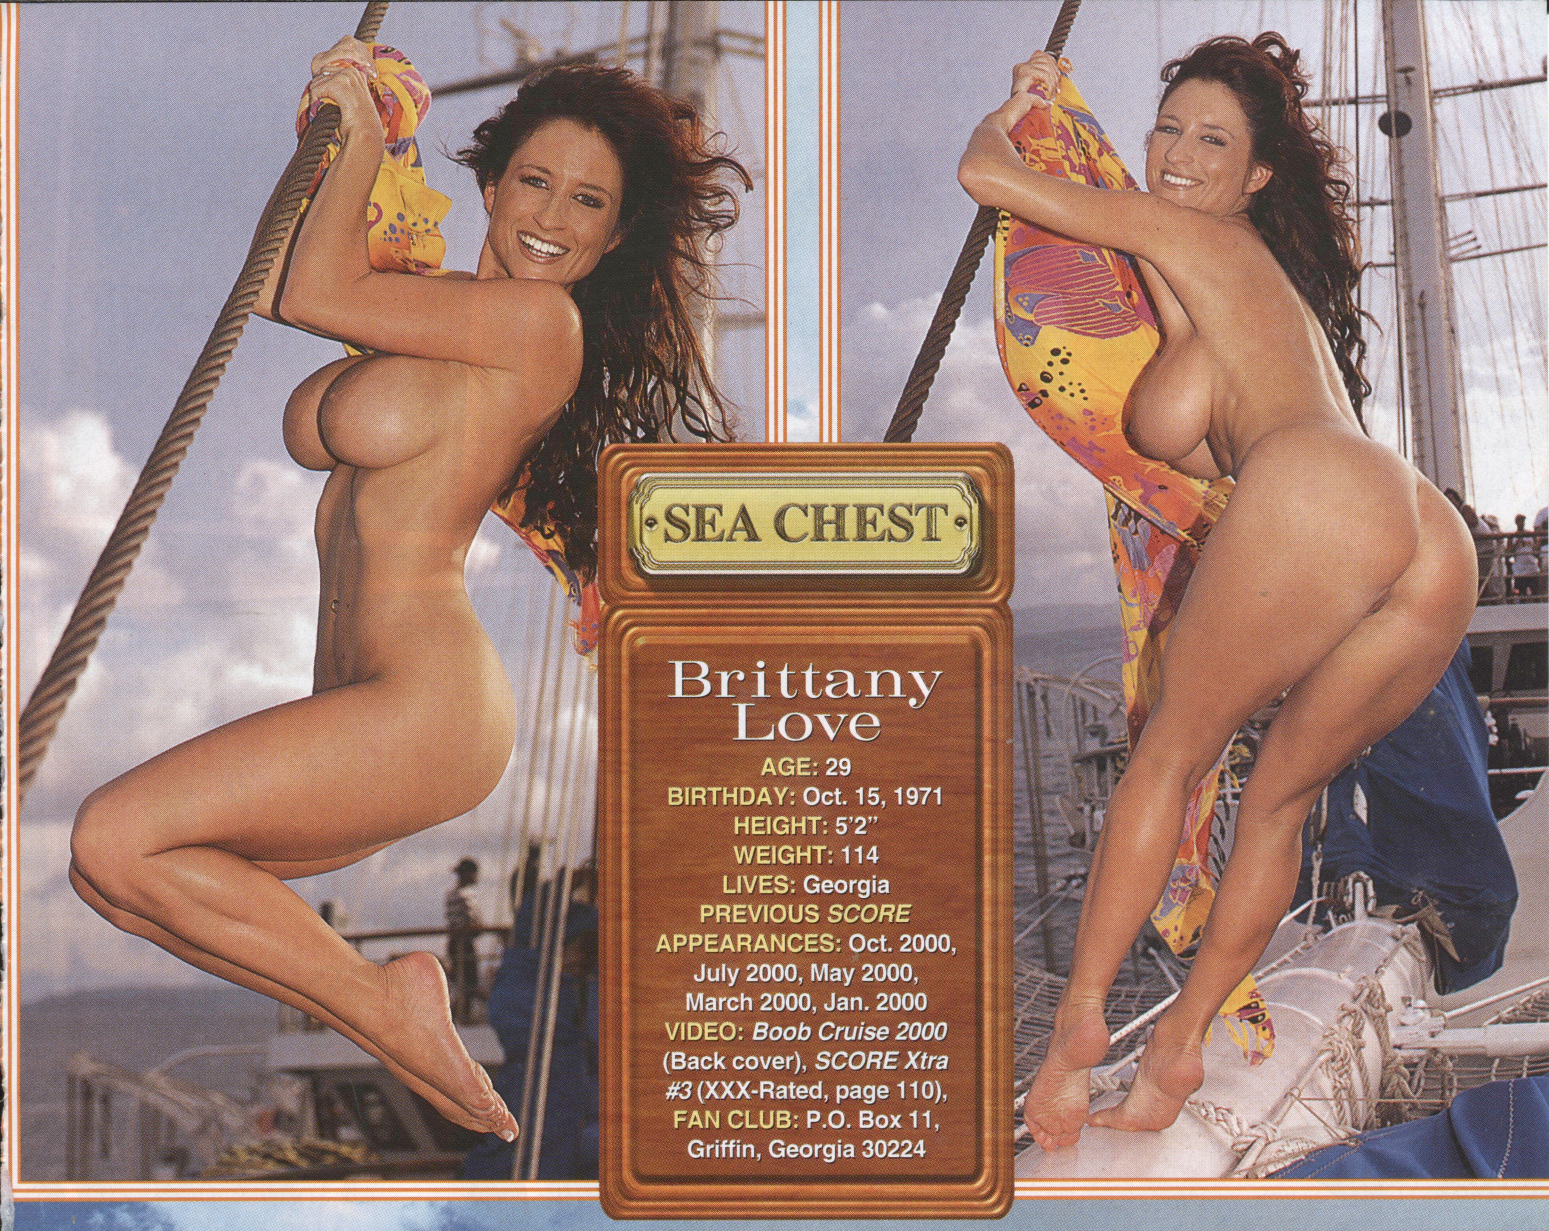

From the second Brittany ar-rived on the ship, she jumped right into the game. From launching the sails, to posing, to partying, to socializing, to danc-ing…the girl was every-where and doing every-thing, getting the most out of her first Boob Cruise experience, and making it special for not only herself, but the guys as well.

Whether she was naked (which Brittany was most of the time) or clothed (one of the best dressed on the ship), the girl is a flat-out charmer, and is really making a name for herself. She is dancing non-stop, has loads of video offers and legions of fans. Guess we're not the only ones who have fallen in Love with Brittany.

SHOWTIME

Tequila! Yeah, the girl can really move, and mix a damned good Margarita. Dancing to a latin rhythm, Brittany capped her show off with Margaritas for all, flavored with her own special spice…yummy! And, just in case Brittany is dancing in your home club, what's her favorite drink? She discovered a new one in the islands…something called a "Painkiller" that gave her the googly eyes after only one glass–one of the few times Brittany had a buzz, which is damned amazing when you see how rambunctious she is on the Boob Cruise 2000 video/ DVD. Yes, Brittany's a 200-proof bundle of fun and we wouldn't have wanted her any other way. Thanks, Love, for being you.

time understanding mine, so that was fair enough.

Then there was Lorna Morgan, the finest Welsh tart anyone could ever meet! She seemed to dance with as many passengers as she could, never complaining about our clumsy feet smashing her delicate beautiful ones. I hope we did not bruise her too bad! She made me feel young again!

That brings us to Melody Foxxe (Lorna's bunk mate). Melody had a very friendly manner about her and a great sense of humor. An impromptu dance she did with one of the other passengers on Monday morning had me and a fellow passenger nearly rolling on the deck with laughter! She also has a very lovely body and face!

Ariana, Dawn Stone, and Brittany Love were the cuties of the Cruise. Each of them had the sweetest girlish voices I have ever heard coupled with very lovely assets, indeed!

Ariana was a lot stronger than she seemed. I saw her beat Donita arm wrestling one night–definitely not an easy task! She was also an exceptional little flirt!

Dawn was one of the nicest girls on the Cruise. I loved looking at those beautiful, blue eyes! She was also very complimentary towards her Cruisemates–an attractive trait to match her equally attractive body!

Brittany was the most vivacious of anyone on the Cruise–filled with energy and enthusiasm along with a very gentile manner. What a firebrand! Damn cute, too!

Jessica Justice had the most heart of any of the girls. Despite her injured ankle, she had one of the most flawless and entertaining performances I have ever seen! What a trooper! I certainly cannot complain about

Sarah

Top Deck, Ship's Stern

Who is this cutie-pie? Her name is Sarah, and she's the girlfriend of a reader–Mark–who brought her along on Boob Cruise 2000 not to pose, but to share his passion for busty babes. Still, as we are prone to say, on the Boob Cruise, fantasies do come to life, and here's Sarah's...

Sweet and friendly, everybody got to know Sarah quite well during Boob Cruise 2000. With her lilting, British accent and carefree attitude, all of us shared drinks with her nightly…and begged her to pose. She kept declining, but on the last day of the Cruise, while most were partying on Sandy Cay, Sarah and photographer Dave Antony returned to the ship and took these pictures. "I just had to do it!" says Sarah, who was admittedly nervous, but assumed every position. "It's one thing watching the models pose, and another to actually do it. To be totally honest, it's thrilling, really a fantasy come true." Yours and ours, Sarah…thanks for a great time.

her looks either.

The man-killers of the Cruise had to be Donita and Minka. Donita has such a voluptuous ass and her tits are great! I had a dance with Minka one night that I still think about! With her two huge hooters, she could just about knock down even the strongest of men!

Last, but definitely not least, were Maxi Mounds and Casey James. I have to admit I had a huge crush on both of these girls! (Probably to match their huge tits!) They were the two nicest girls on the cruise (and the hardest working). Maxi seemed to have all the bad luck when her shoots were scheduled. Just for the record, I always paid attention to Casey whenever she spoke– and to Maxi as well! In my humble opinion, both Maxi and Casey were the two most beautiful girls on the Cruise, even without their huge tits!

Well that just about covers the field. I also want to thank Sue Fox and the rest of the *SCORE* staff for being extremely friendly and helpful for the duration of Boob Cruise 2000. I certainly appreciated all your efforts!–J.J., Cincinnati, Ohio

FROM BRITTANY LOVE...

Dear *SCORE:*

I just wanted to write and let you know that I had a blast on Boob Cruise 2000. Being that it was my first time, I had no idea what to expect. I really didn't think it would be as much fun as it was or that the guys would be so nice and helpful. Most of the girls were wonderful as well. On that note I would like to especially thank Dawn Stone, Windy Leigh, and Jessica Justice. They helped me out tremendously and I owe them big time. I also want Luz and Lisa (make-up artists) to know how much I appreciate all of

their hard work.

The funnest and funniest guy on the cruise had to be Ricky. He was such a good sport by letting us dress him up as a woman, and then being such a willing participant in Minka's show. I also had a lot of fun dancing almost every night away with several of the guys (David, Jim, Robin, Ricky, and many others). Thanks, guys.

Because I had no roommate, it would have been lonely in my cabin if I wouldn't have had two small devices to help keep me company, thanks to Bunny Bob. Chocolate and vibrators–a woman's best friends.

One of the most generous guys had to be Jim from Saudi Arabia. I love the necklace and diamond he gave me (as well as all the other girls). I'm still wearing my necklace! Thanks again, Jim.

All of the islands were beautiful, and the water was so inviting. But, the best thing about Boob Cruise 2000 was just being with everybody and having fun. I never thought I could have so much fun on a sailing ship with guys I didn't know and ladies with the loveliest breasts I'd ever seen, but I did.

Thanks *SCORE* for giving me an experience I will always treasure.–Brittany Love

Ariana

Ship's Bar, Mid-Deck

You ever meet a girl who you know is up to no good? You can tell, from her eyes, that even though her voice is saying "no," she's thinking exactly like you are. That's Ariana. If Boob Cruise 2000 had a ship's flirt, it was this Afghani newcomer, who debuted on the July 2000 cover, starred in *Busty Auditions* and is definitely coming into her own. Sweet as honey, within days Ariana had scores of guys at her beck and call. Foot massages. Back rubs. Dancing. Tequila shots. You name it, and Ariana was game.

SEA CHEST

Ariana

AGE: 20
BIRTHDAY: Jan. 1, 1980
HEIGHT: 5'4"
WEIGHT: 112 lbs.
MEASUREMENTS: 38-26-34
BRA SIZE: 34E
BORN: Afghanistan
LIVES: Los Angeles, CA
PREVIOUS *SCORE* APPEARANCES: Nov. 2000, July 2000 (*SCORE Xtra*, girl-girl with Adina)
VIDEO: *Busty Auditions* (XXX-Rated, solo and girl-girl, available on page 35 of this issue); *Boob Cruise 2000* (available on the back cover of this issue)

Though not super busty like Maxi Mounds, with her petite frame, in person Ariana's boobs look enormous. Still, it was her eyes and charm that drew guys to her, before and after Boob Cruise 2000. A cruisemate even flew to L.A. to watch the NBA finals with Ariana, then followed that up with dinner and a movie…one more example of a Boob Cruise fantasy come true.

SHOWTIME

With plans to hit the feature circuit, Ariana was a bit nervous about her first full-blown stage performance. "Actually, I was scared shitless!" confesses this very frank youngster, who, up until Boob Cruise 2000, had only housedanced. "Plus, I had seen so many great performances during the week, I was worried I'd embarrass myself. But, all of the other dancers encouraged me, helped me with the show–I can't thank them and the guys enough for making it and the whole Boob Cruise wonderful. I'll never forget it. Thanks for everything."

from, that we ever get to wake up and go to sleep each day and night in such beautiful places as the ones we sail to and from when we're on the Boob Cruise. *SCORE* gives that to us.

Every chance I get, I tell people how we do so many fun things with all the guys and how we really get to know all of them in a way we never could without the Boob Cruise. Personally, I would not be the same if I had not been a part of the Cruise, and I have *SCORE* to thank for that.

One of the things I liked most about this year's Boob Cruise was that I got to work a lot. I love to pose and I felt more sure of myself this year than in years past. I even liked doing the hosting stuff for the video, even though I was scared. As I told Michael [Uwate], I don't like to speak on camera a lot because I sound like a hick, especially with people like Linsey hosting too. But, I appreciated the faith *SCORE* had in me, and I think that doing it has helped me and was a good experience.

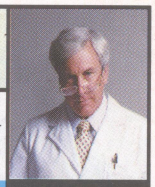

I also want you to know that I would love to come again. I feel I have learned so much from my past Cruises and I had a wonderful time on Boob Cruise 2000. *SCORE* always asks us [models] for our advice on how you could make it better, and I want to tell you that I would not change it for the world.

I also want to tell everybody what a wonderful group *SCORE* is. You have done so much for me. Thanks to you, I have seen things I never before could have hoped to see. I feel very lucky to have gotten with *SCORE* when I first started posing–blessed to have gotten to do the things I have done with *SCORE*. I am very happy and proud to be associated so closely with *SCORE*. Thanks for everything.–Dawn Stone

SHIP'S LOG

On The Boob Cruise With Alyssa Alps
Thursday, May 4th
Jost Van Dyke, BVI
Boob Cruise 2000

Thursday, May 4th
Jost Van Dyke, BVI.

I woke to the usual; sun, blue skies and the inviting ocean. Just another Boob Cruise morning!

We were now at Jost Van Dyke. Lovely, as to be expected, and really in the thick of things today. Boats were anchored everywhere and they all watched us! Linsey, Maxi, Donita and Melody were in various stages of undress all over the beach and Brittany was stretched out on a picnic table, looking like a picnic herself. We took over the One Love Bar and Grill, and I do believe the bartender just about climbed over the bar to be in the shots too. I don't blame him, do you?

Lots of curious people were about today and it was so convenient that they all just happened to be on our section of the beach. I do believe that there was some ship to ship radio talk going on.

Linsey and Lorna went parasailing with several of the guys and had a blast. We finished photo shooting early at the beach, and spent the better part of the afternoon lounging around tanning and catching a few winks on ship. Maxi did it right. Her face covered by a towel, she layed naked on a chaise lounge, snoozing while tanning. You could take her picture, just don't wake her!

After lunch, more photo shoots on ship. Now, I thought this would be easy to cover because all of the shoots were on the ship, but I had my shoes off and was running in no time. Casey was in gold against the setting sun on the main deck, Jessica J. sexy in red, Tanya oiled up and posing against the bow, and Windy in a floral pink and silver bikini on a bright blue mat against the lush green island landscape in the background.

While Brittany posed for the magazine in the widow's net, the photographers brought Tanya,

Continued on page 132

On Jost Van Dyke, we hung out on the beach and partied with the locals at the One Love Bar and Grill. Interestingly, another shop owner called the police on us because One Love was getting all of our business. The cops came, saw babes like Linsey and left with the classic Caribbean phrase..."no worries, mon." We couldn't agree more.

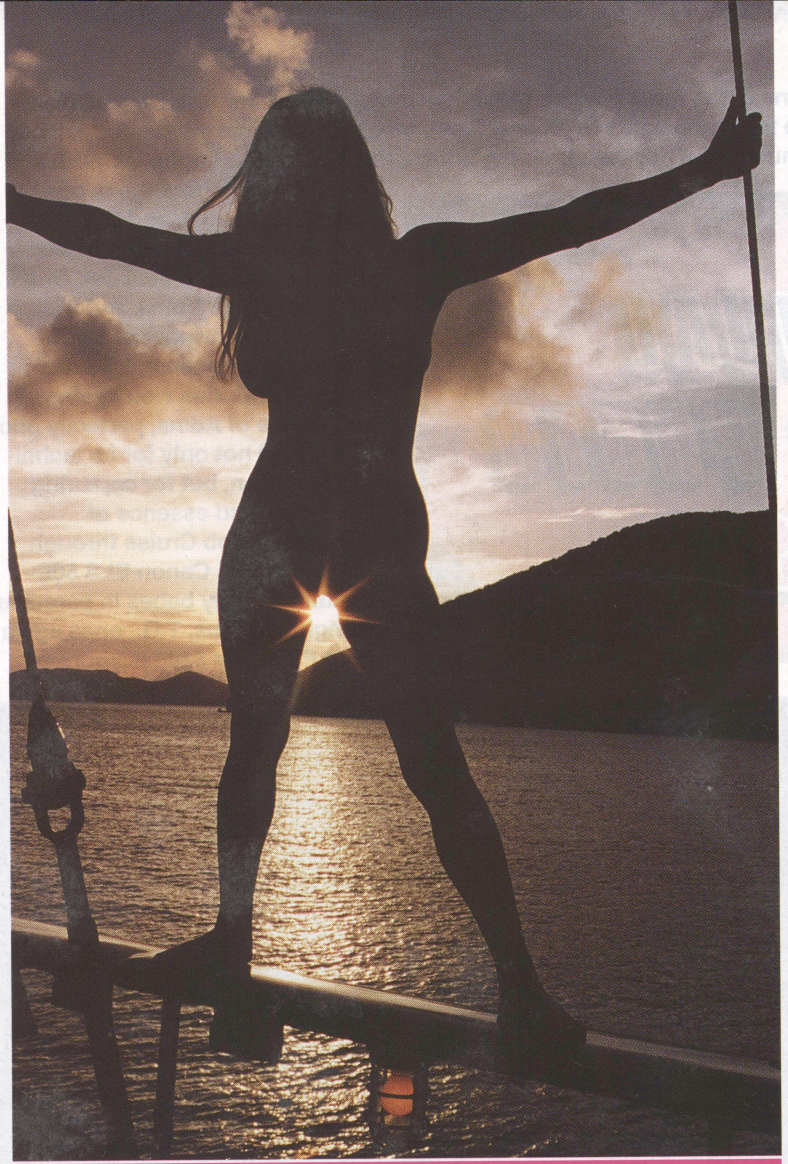

SCORE's Boob Cruise is laden with tradition, and one of the most popular is the Passenger Photo Contest. Each Cruise, the guys take, literally, thousands of pictures (some take thousands by themselves), most for personal momentos, others for bragging rights, but many because they are enthusiasts. They love their big boobs and their photography–*SCORE's* Boob Cruise offers these purists the perfect outlet, and the Passenger Photo Contest acknowledges the best of the best. One of them is T.G. from London, England. The winner of Boob Cruise '98's Passenger Photo Contest, T.G. has won again with this image of Adina, perfectly photographed not only for its technical precision, but for capturing the scope and essence of *SCORE's* Boob Cruise through the lens of his Canon ELS 50E–beautiful, busty babes in paradise. Congratulations, T.G., once again First Prize and $300 is yours.

5TH ANNUAL PASSENGER PHOTO CONTEST

First Prize-T.G., England

Second Prize-R.M.L., Georgia

Honorable Mention

Second Place and $200 goes to R.M.L., a Boob Cruise veteran who also goes by the moniker "Bunny Bob." Yes, he's the man who passes out the Easter baskets filled with chocolate and vibrating eggs every year. However, aside from being quite a character, Bob is also an accomplished photographer, as you can tell from his striking image of Melody Foxxe at sunset.

Third Prize
J.V., Germany

Honorable Mention

Honorable Mention

What separates First, Second and Third from Honorable Mentions, or these pictures from ones that didn't make the cut? Not much. The majority of Boob Cruisers are all accomplished lensmen who know how to take a picture. Whether it's Third Place Winner J.V. from Germany capturing the passion of Windy Leigh, or a simple, unassuming but superb breast shot of Linsey Dawn McKenzie (opposite page, top right) by veteran Boob Cruiser G.S., each year the breadth and volume of superb pictures taken by passengers is impressive, and this Cruise it was more of the same. Congratulations to all and thank you for a wonderful Cruise.

The one thing you quickly discover about Boob Cruise rookie Jessica Justice is...the girl can't take a bad picture.

THE SHIP'S LOG

Continued from page 128

Jessica and Windy together for some triple action in the ship's bow. The guys were tripping over themselves for a shot of this. It was many a man's fantasy; a brunette and two blondes, all naked, busty and beautiful, with the sun slowly sinking on the horizon. One guy all but pushed me aside for a shot of this. Our guys take their photography very seriously!

Lorna jumped into the action as today's hostess and captured it all on film. While all of this was going on, Dawn and Arianna were back on the beach for some girl/girl action in matching nautical t-shirts and sailor hats, which I know for a fact, weren't kept on for long.

Dinner was a big BBQ under the stars. I took some time to myself to do some people watching and relaxed in my hiding place on the top deck. I did some of my best writing from my hidey hole, with reggae music drifting up to me, and hearing the sounds of obvious pleasure from below. This voyeurism thing is fun!

Tonight is the traditional autograph signing, and the girls were readying their tables and the guys their signables for the event. Casey was hunched over her notes for the after festivities and the *SCORE* staff were mingling or lounging after a hectic day and a big meal.

With all the autographs signed and the pens put away, we settled on the main deck for Dawn's game, called, "Name the Hooters." After several guys sat down and got blindfolded, Casey brought up a model. He then got a five-second feel and had to put a name to go with the hooters. Several did. Now that's knowing your breasts! Dawn, being such a prankster, put a spin on things by improvising her pussy for her boobs. You had to see the expression on her guy's face when he was expecting a handful of titty and ended up with a handful of shaved pussy! Good one Dawn!

Naked charades came next. What fun. I'm thinking about doing this at my next party.

After another big day and exciting night, most retired early, including myself, to rest up for our last full day together. One more day? I can't believe it's almost over. Like most aboard, I'm wishing this could last forever. I know it can't, but I can still dream, can't I?

Irrepressible would be the best way to describe English natural Jessica Turner, who was unabashed in anything she did on B.C. 2000.

Damn puppy gets all the action. We swear, chicks love puppies! Get one, and you'll be Austin Powers in no time. Going on the Boob Cruise? We recommend you bring a puppy and learn to dance–well. Trust us, you'll be living the good life!

Now, that's a whopper of a harness. Amazing, too, when you consider how skinny Minka is. She's a size two, with size 200 tits and literally bursts out of her clothes. Plus, she's a great conversationlist. Once you get past her strong, Asian accent, the gal is a regular chatterbox and will talk your ears off. Not a bad way to spend an evening, eh?

SHOWTIME

The suspense was building for days, and everybody was wondering… what was Minka going to do during "Showtime." Before her show, *SCORE's* editor asked Minka, "What's your dance show going to be like?" To which she replied, "Dance? Minka doesn't know how to dance…Minka knows how to fuck!" True to her word, once onstage, she shook her tits a bit, then, to the most inappropriate music imaginable– "Sugar…Honey, Honey…You are my Candy Girl…" by the Archies, Minka brought passenger Ricky on stage, strapped a dildo on him and banged him silly. It was classic Minka, and one of the reasons why she's a bonerfide superstar!

Boob Cruise 2000

Friday, May 5th
Sandy Cay, BVI

Anticipation had us up early today. We were now anchored off a different island, Sandy Cay, which is your typical picture-perfect island–sugary beach, swimming pool water, palm trees...you know, the kind of place you dream about, but rarely visit.

This is our last day together as a family. I was in charge of bra patrol today. I had to make sure all the ladies had a bra to take to the beach for the "Bras in Paradise" photos and video. The photo shoots were quickly wrapped up so we could play all day in the hot summer sun...and boy did we.

Swimming, tanning, snorkeling, watersports, a beach BBQ, you name it we did it! I was given a waterproof camera and went to town taking pictures of boobies and butts all day. What will the film developer think! Even John Fox, the man in charge, let his hair down after a busy but satisfying week, and blasted many, including me, with loaded super soakers. John made sure everyone had some fun summer stuff to play with, and play we did. Brittany, today's hostess, and Michael (my editor), headed up a beach football game (with Donita as his center–lucky guy!), and I tried to play football in the water with Erasmo

No, say it ain't so... our last day, and it was a good one! On an island that most need a chart to find, with a beach and water to die for, Brittany was the video hostess today, and there were plenty of photo shoots. But, mainly we had a grand beach day. Lounging, a beach BBQ, football, swimming, water gun fights...a perfect capper to a perfect week.

and some of our guys, but damn Mike and his good arm–I kept getting a water-logged Nerf football in my face. That was enough for me. I went to hang out with the group just laying in the warm, tropical waters. There I spent a lot of time trying to keep my suit on.

The girls all gathered for photos in their bras against the ocean and blue skies, with our ship in the background. What a sight. It truly was "Bras In Paradise."

We spent the entire day on the beach, enjoying what many told me was their best day. I think it was for me as well. To do nothing but relax and have fun on an absolutely perfect beach with great people–how can you beat that?

We stayed on Sandy Cay the entire day, getting back in our tenders at dusk, a bit melancholy that our best day and Boob Cruise 2000 were coming to an end.

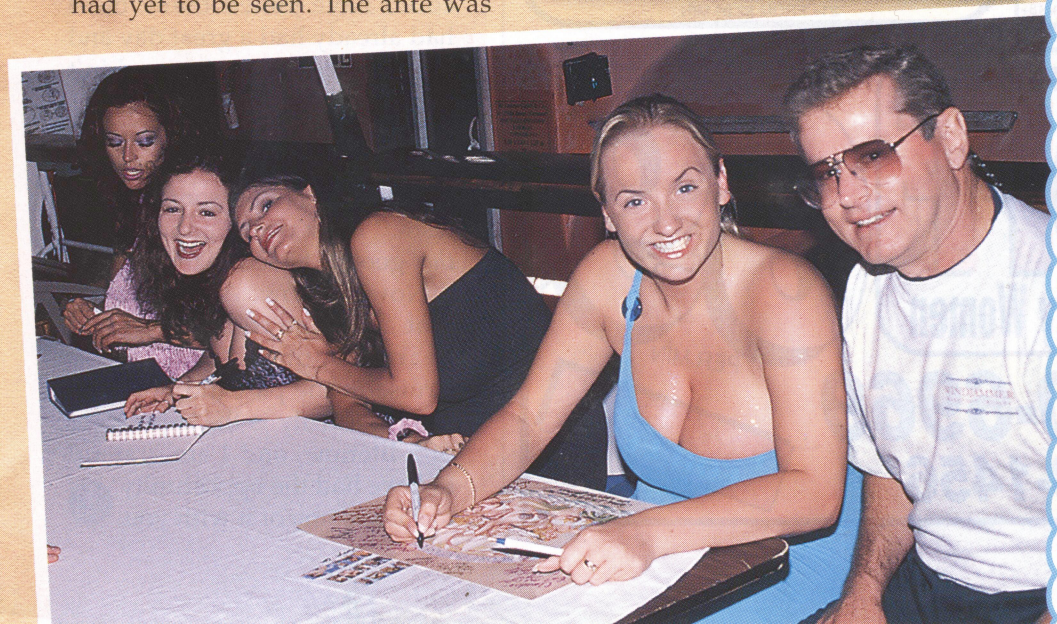

Dinner was almost anti-climactic. It was a semi-formal affair, and I do believe that most of the girls at least wore panties. We dined on steak and lobster while our last sun set in the Caribbean. It was beautiful, yet sad.

After dinner we had a bra auction to benefit the ship's crew, and they went for big bucks. I had just a bit too much champagne and decided to up the ante for the second bra by shouting out, "more money and I'll show my boobs!" much to Casey's, who was doing the auction, and everyone else's surprise. Remember that I wasn't modeling this week, so my boobs had yet to be seen. The ante was

Everybody had to get up the next day for customs, and we were all kinda pooped anyway, so on Friday night, we did what we always do…danced, drank and hit on the girls. We did have a bra auction where Alyssa broke out her boobs to up the ante, but mainly it was time for reflection and socializing. Here are some pictures from Thursday night's autograph signing. The gist? We had some laminated, souvenir posters made special for the guys, and the girls signed them–shirts, magazines and pictures, too. All gratis. As in, the only charge is a smile and a thank you.

Not only did all of the guys get to see Alyssa's tits...finally... during the bra auction, she also posed some during the day, proving that you can never keep a good woman down! Her pictorial is on page 158.

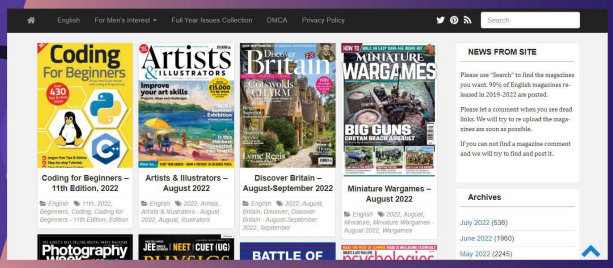

raised and out popped my boobs for every single camera to catch on film! I stuffed myself back into my outfit and had a nice mellow night with all.

After last minute photos were taken and e-mail addresses were exchanged, I called it a night because we had a 6:30 a.m. customs appointment the next morning–yikes! Still, that didn't stop the partiers from dancing and drinking until the middle of the morning. I wish I could have joined them, but I had already had a great day and night–more memories couldn't have made it any better.

Going into Boob Cruise 2000 I had heard so many superlatives about it, but I had some skepticism. "How could anything be *that* good?" I used to think.

Now, I know. And, I realize that all of the comments I had heard about *SCORE's* Boob Cruise in the past did not do it justice. It truly is the experience of a lifetime, and I am grateful to have had the opportunity to share some of it with you.

Jessica Justice

Savannah Bay, Virgin Gorda

Ahh, the photogenic one. Jessica Justice. And, truth be told, even though those these images, and every picture Jessica posed for on Boob Cruise 2000, are cock-hardeners, they don't do her justice. She's one of those rare people who is even prettier in person–a fact all of us sailing with her were only too happy to discover.

Gimpy most of the week from a mishap right before Boob Cruise 2000, that didn't stop Jessica from having a good time. Whether she was posing for stunning pictures, driving one of the ship's launches or getting some titty from *SCORE* reader J.L., Jessica was always right in the thick of things.

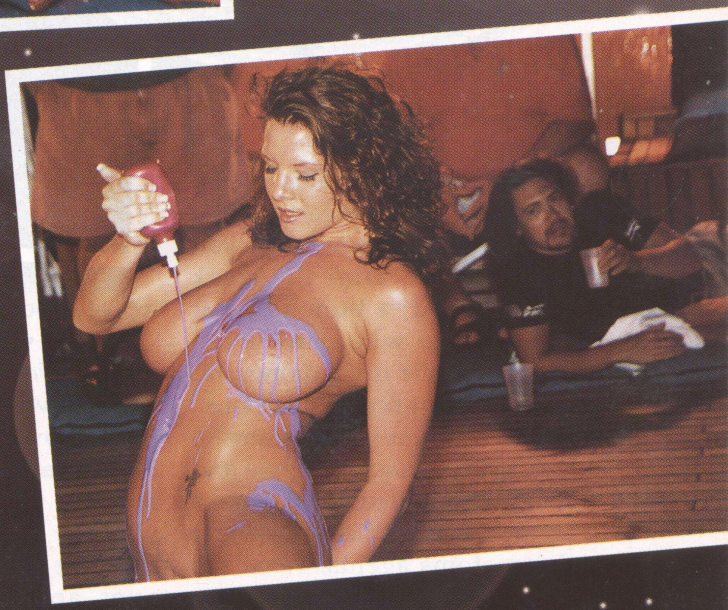

Nice undies, eh? In lieu of dancing one night, we had a bra and panty fashion show, a new tradition that we'll have to continue on future Boob Cruises. And, yes, all plans are to sail again. We're still working on the details, but when we know, you will… and so will Jessica. She's a bonerfide lock for the next Cruise!

SHOWTIME

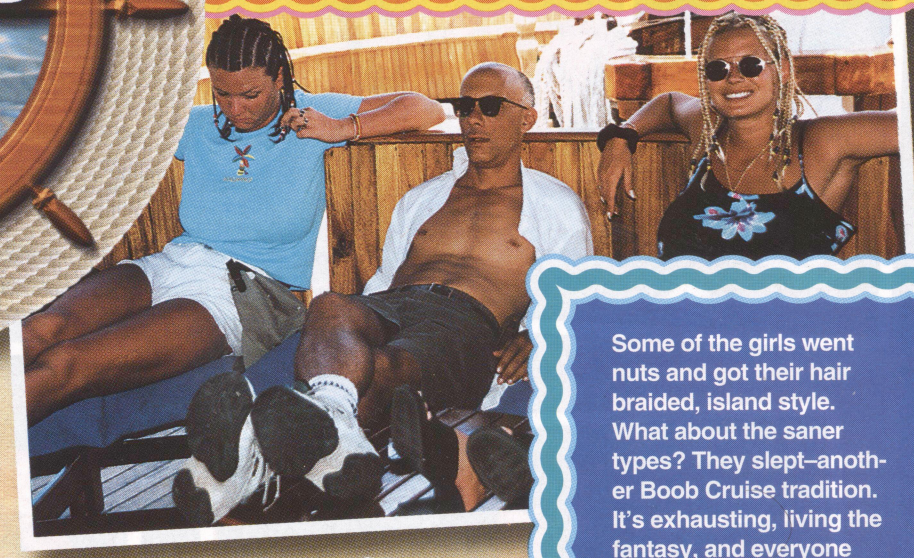

One of the pleasant surprises of Boob Cruise 2000 was seeing Jessica Justice on the dance floor. As we mentioned earlier, she had a sore ankle, and was hobbling around the early part of the week. However, after seeing her shipmates light up the dance floor, Jessica decided to give it a go, and did she ever! High energy, acrobatic, and, ironically, all performed to foot-stomping country music. Is it any wonder she was voted the top newcomer of the year at the same contest that her best bud, Windy Leigh, won Miss Nude USA? Not to us, or any of the guys who sailed with Jessica on Boob Cruise 2000. The girl's a winner, and we look forward to sailing with her again!

On The Boob Cruise With Alyssa Alps
Saturday, May 6th
St. Thomas, USVI
Boob Cruise 2000

Some of the girls went nuts and got their hair braided, island style. What about the saner types? They slept–another Boob Cruise tradition. It's exhausting, living the fantasy, and everyone needed their rest.

Saturday, May 6th
St. Thomas, USVI

So sad, we are back in St. Thomas and it's very early in the morning. Do you know what you get at 6:30 a.m. after the week we've just had; a bunch of not awake people who can't even remember their own names let alone more complicated questions.

I showed up for U.S. customs in my white linen, shorty nightie and slippers with coffee and a smoke in hand, much to the amusement of the customs agents. What the hell, I gotta be me!

One of my favorite passengers, Joe, helped me out and took pictures of me on the poop deck with St. Thomas and the ocean as my backdrop for my scrapbook. I noticed two, big, grey ships at the next dock. Yep, the Navy was in town, and Joe noticed the sun glinting off of their binoculars as they got an eyeful! Oh well, let them have their fun, right!

We all packed up and headed to St. Thomas for some flea market time and shopping. Carnival was going on, so all was quite festive there. Most of us were in skimpy outfits, much to the delight of the many people we encountered on the island. It was a very nice and relaxing morning, and even though most stores were closed for Carnival, we still managed to get lots of goodies.

On the way back to the ship, before the airport run, Dawn and I were invited over to the Navy Seals' training ship for a tour. We took escorts, and with the blessing of John Fox, we made our way over and had a blast climbing all over the ship. After looking through their big binoculars at our ship we realized what a great view they really had!

The airport trip was a hoot to say the least! Luggage everywhere, with the *SCORE* logo on it, us running around hugging and kissing, trying to find air tickets that had been long forgotten about, getting in the right lines to check in and every other little thing that comes up when there are bunch of busty gals at an airport.

The people watching us were too much, running into each other trying to catch a glimpse of our models. What a sight! We were definitely the talk of the airport and immigration. I was even recognized as the gal in the nightie from this morning. Word sure travels fast in the islands. Most of us met in the bar for beers and smokes to stretch our time together a little bit longer.

The ride home was subdued and I believe most were reflecting on our wonderful and exhausting week together. I took a much needed nap! We landed in Miami with a big jolt of reality that we now all had to go our separate ways. Tanya was first off the plane; she probably needed to find a phone because she wore her battery down, and the rest of us straggled close behind. More hugging and

kissing, some tears, and we all went our separate ways.

In closing, I just have to tell you all what a treat and a pleasure it was to be involved with such an event. Many new friendships were formed and we will always have the most amazing memories and stories of our high seas, big boob fantasy adventure.

A lot of firsts for me this week. I've never been on a big sailing ship before this, or to the Virgin Islands. I met some really great, new people and I was surrounded by really big boobs for a whole week. I can definitely add this experience to my list of, "Wow, you should have been there's!"

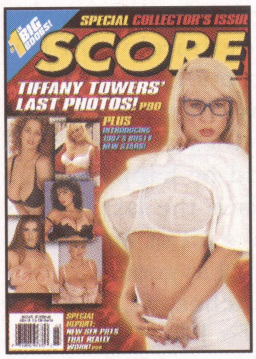

If *SCORE* does another Boob Cruise I would be happy to sign up, and if this is the last for me, then I still have all of my memories, which is just as good.

Thanks bunches, *SCORE*, for having me. To Jim, Joe, Dave, Mark, Kurt, Gary and Rich–thanks for going above board. And, to everyone else, thanks for just being you!...Alyssa Alps

Alyssa Alps Sandy Cay, British Virgin Islands

Well shit, pigs do fly! For months leading up to Boob Cruise 2000 and all during the Cruise, Alyssa told us she didn't want to pose. She wanted to concentrate on writing "The Ship's Log" and also didn't want a bunch of pictures appearing on the internet, or something along those lines. Hey, you know how chicks can be. Can't live with 'em, still want to sleep with 'em. However, with every passing day of Boob Cruise 2000, you could see Alyssa getting eager to bare her boobs. The passenger pool had her posing by Thursday at the latest, but dammit, we were all a day off, because on the following and final day of Boob Cruise 2000, Alyssa grabbed photographer Jana Krenova, found a secluded section of Sandy Cay, and did what she does best. It's only a quickie, but thanks for the look, Alyssa. And, oh-by-the-way, good column this month.

Paradise Found...Boob Cruise 2000

Boob Cruise 2000...
Epilogue, August 23rd

Tomorrow, we send this Boob Cruise 2000 issue of *SCORE* to press, minus one page. This one. It'll go up late because I haven't been able to write it.

How do you describe paradise found and the experiences of a fortunate few in a justified manner?

If you can, you're a better writer than I, because, after having a few months to reflect on Boob Cruise 2000, I've realized that it is better than a fantasy come to life and it is more than a dream come true. I only wish I had the acumen to appropriately tell you just how much, but I don't. Does anybody?

Still, I have to try, and, right where we began on page six, I find myself typing on a laptop in the wee hours of the morning. It is late summer...Boob Cruise 2000 is four months past, yet I am haunted by my senses and memories.

I can still see Windy smiling seductively at me with those gorgeous, blue eyes at three in the morning. The cigarette smoke is thick, as is the sexual innuendo. Neither of us says much, nor do we try. The moment speaks for itself.

Brittany's "Tangerine Spice" fragrance–as intoxicating as her bedroom eyes. I'm now an addict.

Linsey, pressing up against me, breasts to chest, pussy to leg, slow-dancing to *The Lady In Red* by Chris DeBurgh while she whispers sweet somethings in my ear.

Every Boob Cruiser has similar memories, of that I am positive. They have told them to me, but I have been sworn to silence. Perhaps that is best. Some things are better left unsaid. After all, we Boob Cruisers are back in the real world now. The beaches and babes are memories; the stuff of dreams. Yet, it is in that other world where I and others truly live...It is where I find many friends and they, like I, wear the smiles of contentment and bliss not found in any reality.

SCORE editor Michael Uwate, Brittany Love and Boob Cruise 2000 passenger Rich H., living the good life on Sandy Cay in the BVI.

Like Rich from New Jersey, who you see in this picture with Brittany and me on Sandy Cay. He's going through a divorce, and went on B.C. 2000 to escape the harshness of the world we all live in...successfully, I might add. But, you could tell from the picture, couldn't you?

And Mark, who wants my job. Sorry there, chap, but you're not gettin' it. At least not yet. And, oh by the way, I wasn't hitting on your girlfriend, Sarah. I just wanted to see her nekkid. Mission accomplished. Then again, everybody else will, too, if they turn to page 113. Thanks, buddy!

Or Eric, who, along with Kurt and scores of other guys, had the major hots for Arianna. They did become expert foot masseurs and, after Boob Cruise 2000, I know Eric had some great company at those Laker playoff games. Still, Eric, remember that pearl I tossed your way...*carpe diem*, also known as, he who hesitates, jacks off!

One of the most unconscionable scenarios I know of is Big Jim. He works in Saudi Arabia and the tragedy of this issue is that he can't even receive it in the Middle East. They cut your hand or dick off there if they catch you with a nudie book. Still, I hope he can at least get the Boob Cruise 2000 DVD or the E-Zine version of this issue we are producing and publishing electronically. One thing I do know is that Big Jim will definitely sail on the next Boob Cruise.

Will there be another Cruise?

I sure hope so. But, not for my sake; for yours.

You see, I've been there, done that, and I got to do it twice. There are some men who have sailed on all five Boob Cruises, and will continue to sail with *SCORE*. How they get through the drudgery of the real world is a mystery.

I know it's difficult for me.

Still, I do find my happy place when I sleep. Perhaps, that's what *SCORE's* Boob Cruise is for me and many others...a dream. Where you can live a politically incorrect life like men are supposed to, yearn to, but rarely ever do.

At least that's my take on it.

To the men and women of Boob Cruise 2000, thank you for making the fantasy happen all over again. To readers who couldn't sail with us, I hope, through this issue, that Boob Cruise 2000 touches you as indelibly as it has me.

Now, it's time for me to sleep, and live the fantasy once again...
