STOP THE JACKING!

Dear SCORE,

I implore you to stop with the constant masturbating references. "Jack," "get to jacking," "break out the Bounty," "21CC salute," etc.. It seems every cover, every pictorial instructs us to get jacking. Enough already! It weirds me out and seems kind of gay that guys are imploring me as to when and how to jack. There is something deeply disturbing about your constant reminders. I think we all know what to do if we choose. I can't believe I am the only reader who feels this way. Please put the issue up to a vote.

Also, it seems required lately that each photo set includes the girl jamming a piece of plastic to the hilt. Dildos might work on video, but something is lost in a still image. I just don't get it. Guys get off on this? A piece of

inanimate plastic? I think many great photos are ruined by this dildo trend. I could settle for a single photo per layout, but in some cases it's three or four. Lose it!—Bruce, New York, New York

THE BIG SIX OF SCORE XTRA #6

Dear SCORE,

I got SCORE Xtra #6 a few days ago. It's one of the best big-bust hardcore videos I've ever seen. Here are the top six things that make SCORE Xtra #6 a must-have:

1. Magnificent Mia Miluv's beautiful slim-n-stacked body and what she does with it.
2. Luscious Linda Friday's incredible cocksucking abilities as well as those suckable nipples.
3. Bodacious Brandy Dean's incredibly soft tits wrapped around a dick.
4. Shay Sights' hot body and hot, dirty mouth.
5. Lusty Lisa Lipps' toe-curling cockslurping and cock-riding ability.

Clockwise from top: the cocksucking abilities of Friday and the dick-riding abilities of Lisa Lipps and Mia Miluv make SCORE Xtra #6 a special video.

6. Incredible camera angles with great tit closeups, lots of eye contact and some hot, wild sex.—J.G., Boulder, Colorado

Dear J.G.: Thanks for the thumbs up. For those who don't yet own a copy of SCORE Xtra #6, you can order it from the Video Club on page 98, at eBoobStore.com or by calling 1-800-421-0760 in North America, +1-305-662-5959 elsewhere.

IT'S LINSEY DAWN BY A FOOT

Dear SCORE,

I must point out something that should be a small point but it is not small to men like me who are also into women with beautiful feet.

Sharday. Here you have one of the finest women on earth, sexy and delicious until you look at the half-chipped off pedicures she constantly sports.

SEND YOUR LETTERS!

If you have comments, criticisms or suggestions for our editorial staff, send them to: **SCORECARD**

1629 N.W. 84 Avenue,

Or Email us at: score@scoregroup.com.

Does Jezhabelle (Holiday '02) look better with or without a toy?

If you get the chance, take a look at Sharday's feet. Like 'em?

This is not a good thing. I decided to cast my vote for Linsey Dawn as Model of the year because she is pristine. Always perfectly groomed, manicured and pedicured. Fresh as a daisy.

I bet many readers feel the same about busted peds. Guys, I think it's time to review each of Sharday's lay-outs, and provide Ms. Sharday with a manicurist before each shoot.—Email address withheld

RHIANNON & HOLIDAY CHEER

Dear SCORE,

Before commenting on the models in your Holiday '02 issue, let me respond to your question about publishing a pictorial of Rhiannon. You are #1 when it comes to the biggest boobs and the best bodies. She is fully qualified on both counts, so what's the problem?

On to the models. Autumn really delivered this time. Her XXX performance was super-heated. I thought her first hardcore performance was tame and lacked energy. That was not the case this time.

Sharday has the best boobs in the business. They also look larger than her announced 36DDD bra size indicates.

Minka is one of the most astonishing of the ultra-stacked models. Minus her colossal chest (perish the thought), she would look like a distance runner.

Harmony and Karen Fisher used netting effectively to enhance their beauty. And a XXX feature by Nikki Diamond complimented Autumn's performance to really provide a sizzling hardcore section.

What ever happened to Chelsea Charms (the Holiday issue's bra shot)? I know from the Vegas Expo and such events that she is still active. Seeing her in the photo next to Maxi in the February '01 issue left little doubt in my mind that Chelsea is the ultra-stacked champion. Yet she hasn't appeared in any big-bust publications for maybe two years. What gives?—D.T., Boulder, Colorado

Dear D.T.: Chelsea, who debuted in the March '00 issue, prefers to keep as low-key as possible (difficult considering the size of her massive breasts) and restricts her activities to feature dancing and posing on the Internet. She has an open invitation to return to SCORE.

PLENTY UPTOPP, LIVE

Dear SCORE,

I had the pleasure of witnessing Plenty UpTopp's show this past November at Blondes in St. Joseph, Missouri. She is ridiculously hot, as if you didn't know that.

Minka: the body of a distance runner?

Pandora Peaks gets two cocks in the March Dream **SCORE**.

I caught her second set and then had my picture taken with her. It is a great Polaroid. I bought her a Kamikaze shot, we talked about music and clubs that I had been to that she had performed at and then she went on stage for her third set. It was great. She came out and spit fire and ran flaming torches up and down her body. We had been talking about bands such as Ministry, Tool and Korn (she included Tool in her set. Wow!). What a great woman. She was easy to talk to and very personable. Thank you for bringing her to my attention.—R.B., Email address withheld

A DREAM SCORE COME TRUE

Dear **SCORE**,

I really like Dream **SCORE**. It features many women we'd never get to see in hardcore doing the nasty. Please, please try to do a Dream **SCORE** on

Pandora Peaks and L.A. Bust. These two lovely women deserve to be in Dream **SCORE**, preferably with two men or more. They have often left us with blue balls and sore wrists from looking at their pictures. I'd like to see someone, even in a drawing, give them what I've wanted to give them all these years.—Al, Ottawa, Canada

*Dear Al: Half of your wish has already come true: Pandora Peaks gets it from two guys—both with huge cocks—in the March Dream **SCORE**, available from the back issues ad on page 10.*

INTERRACIAL SEX DEFINED

Dear **SCORE**,

The race for Model of the Year is too close to call with Sharday, Linsey Dawn McKenzie, Nadine Jansen, Alyssa Alps, Lisa Lipps and Cindy Cupps running neck-and-neck down to the wire.

As for the Hall of Fame...well, we have a great idea of who our first inductee is going to be, but you're going to have to wait to find out...until the May issue goes on sale everywhere March 4.

Ultimate Julia Miles

JACK AS JULIA GETS SATISFIED BY A HUGE COCK IN HER XXX ENCORE!

NEW RELEASE

Julia Miles took it up the ass in her boy-girl hardcore debut, but can she handle a big one? In this special edition DVD, the German supergirl takes a fierce hammering by one of the U.K.'s top pistoleros, and has the biggest cock she's ever seen! The look of lust on Julia's face as she sucks and fucks Mr. Big Dick must be seen. Plus, Julia gets off alone and goes Lezzie with busty Brit Hannah Callow.

sex? Or is it only black women that don't count? You are on the right path, but you still harbor racist thinking.

Let me offer my support for an all-silicone issue of SCORE. I never buy your all-natural issue. I don't like big real tits. Also, there is a statement of devotion to the idea of big tits when you go under the knife. Don't hide the scars!—Email address withheld

FIRST ASK, THEN DUCK

Dear SCORE,

You know how you always talk about how one of your photographers or a reader happened to be at the grocery store when he spied a vision of huge-chested loveliness coming towards him? Then he introduces himself, slaps down his business card and, the next thing we know, she's being turned into a goddess at SCORE HQ for our viewing pleasure? For every girl who accepts the invitation to disrobe for your cameras, how many respond with verbal or physical violence...or both? I see countless women walking around my hometown who I would consider worthy of SCORE, but I could never conceive of approaching them. It's long been my experience that women take a dim view of girlie mags.

How can I approach potential SCORE babes without ending up in the hospital? I'm sure this is something many of your readers have wondered about.—K.S., Barnsley, England

Dear K.S.: We appreciate your desire to help us find models, but if you're not a professional photographer, you'll have a hard time approaching a big-busted woman, asking her to pose nude and ending up with anything but a dirty look. Got a girlfriend/wife or know a woman who has SCORE potential? She'll likely be more receptive to your flattery than would some stranger on the streets.

Interviewed in the June 2001 issue, SCORE photographer Peter Wall said, "One thing I always do, when I see a couple, is talk to the man openly, professionally. Tell him, 'I couldn't help notice how attractive your girlfriend is. I'm a photographer, here's my card and I'd love to shoot her.' If you go in there with a hard-on, the boyfriend is going to be pissed. If you go in openly, you have a good chance."

Again, most women are going to think you're trying to pick them up, and sometimes even a business card won't get you far. Women are, understandably, leery, and they've heard all the lines.

Busty Dildo **Lovers #3**

**Six girls.

You'll have
them all to

They broke out their big tits and wet pussies, so we broke out the dildos. Big ones. Thick ones. The kind of plastic fuck-toys that can stretch even the most well-fucked babe to the max. Kelly Madison and company started it all in *Busty Dildo Lovers #1*. Six big-boobed babes showed how they satisfy themselves in *Busty Dildo Lovers #2*. And now there's *Busty Dildo Lovers #3*, new on DVD and video, starring 2003 newcomers Vixen LaMoore and Julian Spencer, 2002 newcomer Mandi Melons, *Mega-Boob Olympics* babe Kayla Kleeavage, Friday and *SCORE* great SaRenna Lee.

FRIDAY

Busty Dildo Lovers #3

We're going to get right to the point: All of the girls in *Busty Dildo Lovers #3* are special in their own ways, but there's one girl in one particular scene who makes this video/DVD production a blockbuster. SaRenna Lee (right), who has never done boy-girl and only fills her fuck-hole with dildos on special occasions, gets wild with toys in her wildest scene ever. How wild? Well, when she filmed it nearly five years ago, SaRenna made us promise not to release the footage until she decided the time was right. Well, the time finally came, and now you can see SaRenna at her sexiest and raunchiest. She plugs her pussy with a giant dildo. She stuffs anal beads up her virgin asshole one-by-one while the dildo is still in her cunt. She plugs her asshole with a black dildo while the anal beads are still in her ass. That's right! Beads and two dildos in SaRenna at the same time! You've never seen SaRenna get this hot.

WHO'S THE ONE?

THE NEWCOMER OF THE YEAR RACE WINDS DOWN

BRE

CRYSTAL GUNNS

ANNIE SWANSON

Yeah, the big question! Which new model of 2002 is going to win *SCORE*'s Newcomer of the Year Award?

The incredible, supernatural Sharda was the landslide winner last year in the most one-sided contest we've ever seen. No one else had a chance. The year before, the winner was Germany's blonde bombshell Julia Miles, who

blitzed the competition.

This winter, the voting has really been hot-n-heavy, both by snail mail and through our website, Scoreland.com, which had election (or should we say erection) booths up for four major contests: *SCORE* Newcomer, *SCORE* Model of the Year (a new award), *Voluptuous* Model of

the Year and another new award, *Voluptuous* Newcomer of the Year.

Just to recap, the busty contestants for Newcomer are Annie Swanson, Bre, Crystal Gunns, C.J., Karen Fisher, Kelly Madison, Lana Lotts, Lizzie Mills, Mary Louise and Ricki Raxxx.

Be here next month for the grand finale. It's gonna be a bra-buster!

BOOB BEAT JOKES

Maggie lost her husband almost four years ago and is still mourning. Her daughter is constantly calling her and urging her to get back into the world. Finally, Maggie says she'll go out. "That's great, Mama," she says. "I have someone for you to meet."

Maggie and the guy meet and hit it off immediately. They take to one another and, after dating for six weeks, he asks her to join him for a weekend in the mountains. On their first night there, they undress in their hotel room, and she's nude except for a pair of black, lacy panties. He's totally nude and confused. He's wondering why she won't take off the rest of her clothes.

"Why the black panties?" he says.

"My breasts you can fondle," she says. "My body is yours to explore. But down there I'm still in mourning."

He knows he's not getting lucky that night, so he takes what he can get. The next night, the same scenario takes place. They undress in their room. She's standing there wearing the black panties and he's in his birthday suit, except this time a black condom is covering his hard-on. She's shocked.

"What's with the black condom?" she asks.

He replies, "Maggie, I want to offer my deepest condolences."

A man walks up to a woman in his office each day, stands very close to her, draws in a large breath of air and tells her that her hair smells nice. After a week, the woman can't stand it any longer. She goes into her supervisor's office, tells him what the co-worker does and says she wants to file sexual harassment charges.

The supervisor is puzzled by this and asks, "What's sexually threatening about a co-worker telling you that your hair smells nice?"

"He's a midget," the woman replies.

WHO'S SCORING AT SCORELAND.COM?

So stackable. So jackable. A bevy of heavy-chested lovelies is scoring on Scoreland.com, and the girls shown here are just a micro-sampling, starting with superstars Desirae and Autumn.

Even SCORE veterans may be puzzled over that tanned babe named Fae at far right. Don't you guys remember Fae, aka Katie? She's a Brit who sailed

on Boob Cruise '97 and appeared in SCORE three times and in *Voluptuous* nine times. She's also starkers in the videos *Ben Dover Does Boob Cruise '97* and *Boob Cruise '97*.

Our man Peter Wall lensed Fae in Vegas when she was in America for the Dancer's Expo, and we've got the pictorial uploaded at Scoreland.com.

Also, see Davina Armstrong lick those pointy English nipples. She's a new British model with naturally big tits, a 34F-cupper who likes to buy her boulder-holders at Harrod's in London.

New babe Blondie and returnee Cilla are both Budapest boner-makers with tremendous racks. Join Scoreland.com and enjoy #1 in Big-Boobs on the Net!

CREAMING OVER LORNA

Here's another pictorial posted at the Scoreland.com website that has generated lots of attention. It was published in the December '02 *Voluptuous*.

Lorna Morgan gets all wet and

messy with heavy cream in Key Largo, Florida during the shooting of *On Location Key Largo*. A few of your editors watched Lorna being lensed that day, and we still jack to the memory.

We're not fucking around. There are 90 pictures of this milky mess posted at Scoreland. A lot of fantastic Lorna photos came out of that week in Key Largo. This one was stickier than all the rest!

BOOBOLOGY WITH DIANE

Look at Diane Poppo's innocent expression as she happily weighs and measures her treasures. C'mon, Diane, stop playing "Miss Who Me?" Your friendly neighborhood columnist Elliot James, a man fast approaching his golden years, is not ashamed nor too proud to admit that he has played jerk chicken many times to Diane's pictorials, including her new one which starts on page 43.

TITS IN TIGHT TOPS

Writes D.B. of London: "I've never had the urge to write in before, but I find myself wanting to make some specific requests. Firstly, whilst I think breasts are amazing, it's also good to see them being restrained beneath a tight top, fighting to get out."

Well, here we go with another Tits in Tight Tops, the section that asks why some yearn to see tits in sweaters and tops in a magazine that busts a nut to get women naked. Dawn Stone, Vixen LaMoore and mega-buster Melonie Charm (see her new pictorial on page 53) are this month's textile stretchers.

BIG-BUSTED TWO-FISTED ART

Artist Elliot Mattice sure picked the right magazine to send in some samples of his work. We loved his take on old sci-fi pulp mags in the artwork below. (Elliot says Sammie was his inspiration for the gal.)

"My paintings in the pop/retro style are quite often about taking an image from the past and capturing it on canvas, when women wore heels and stockings and bras that made missiles out of their boobs," Elliot said. Our kind of art.

Among his influences: drive-in movies, '50s and '60s pinup art, Big Daddy Roth (a great car-culture artist), carny art and men's mags.

Check out Elliot's website, www.elliottmattice.com, or write for info at 689 Allen Street, Floor One, Syracuse, New York 13210. 📧

The Next One

Nicole Peters is following in a great tradition.

Linsey Dawn McKenzie...Lorna Morgan...Kerry Marie...Jessica Turner...Sammie Black...and the next great natural British big-titter is...19-year-old Nicole Peters! Doesn't the picture on the facing page guarantee her greatness right off the bat? And what is it about the Brits that they keep turning out these great naturals? Hey, don't ask. Just look.

Nicole, our second incredible teen discovery in as many months (Ines Cudna debuted in March), was discovered in a mindboggling way: another photog didn't want her. See, this English chap shoots gothic models, and pretty Nicole isn't goth at all. He also had no use for her big boobs, so he gave us a call. Yeah, we took her...with both hands!

NICOLE PETERS CHECK LIST

AGE: 19 **BIRTHDAY:** February 18, 1983

HEIGHT: 5'3" **WEIGHT:** 126 lbs.

MEASUREMENTS: 42-28-38

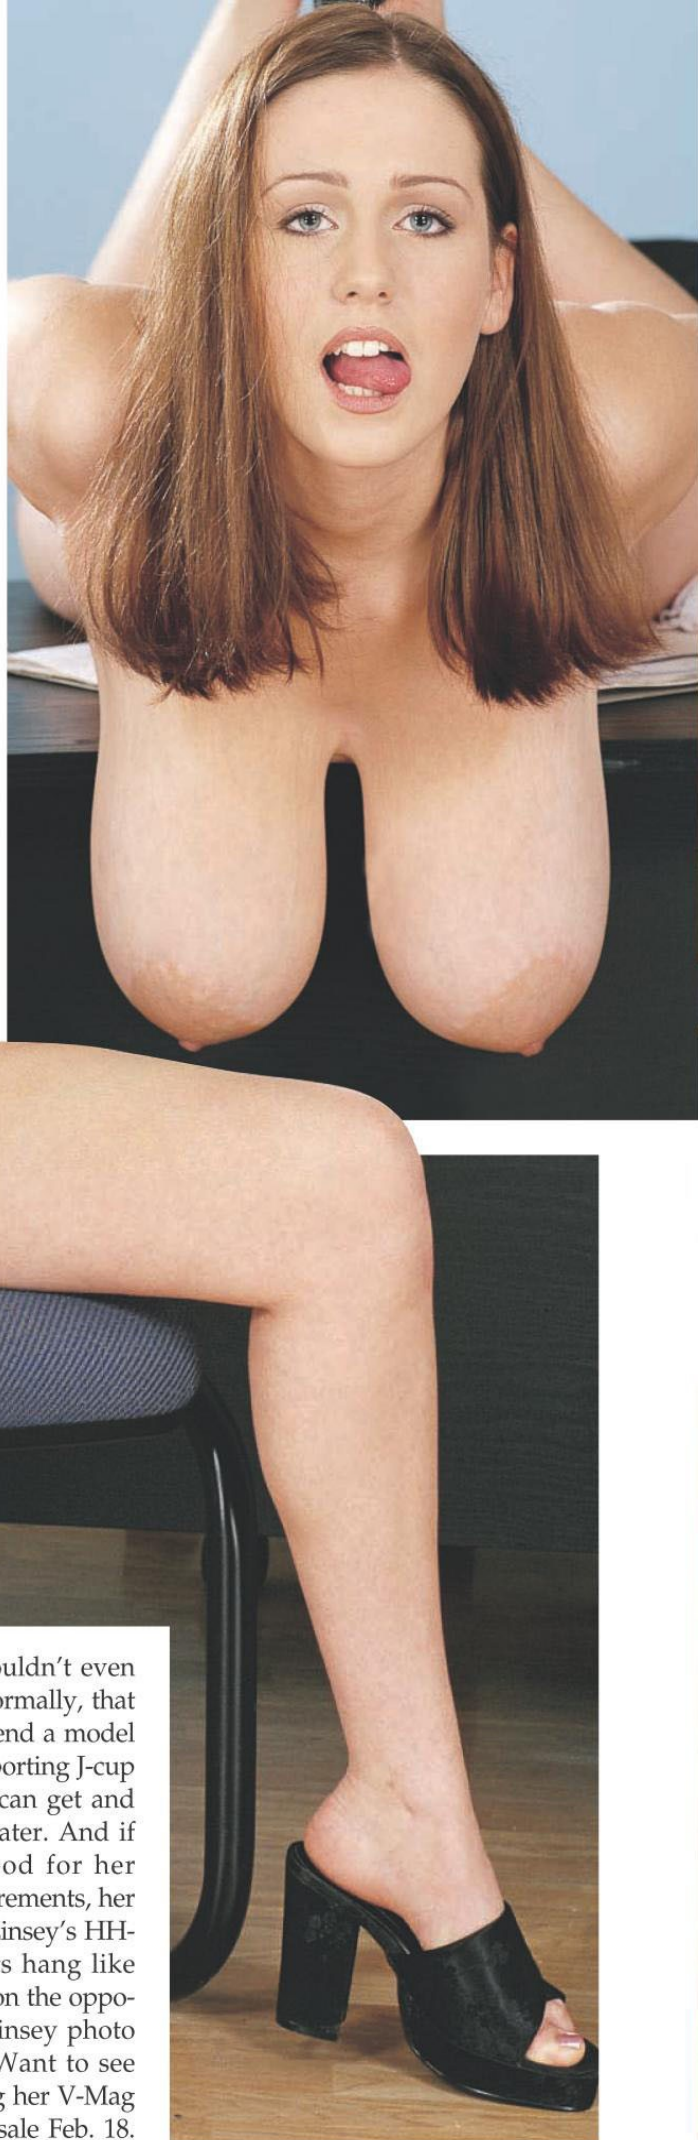

BRA SIZE: 32J

BORN: North Yorkshire, England

LIVES: London, England

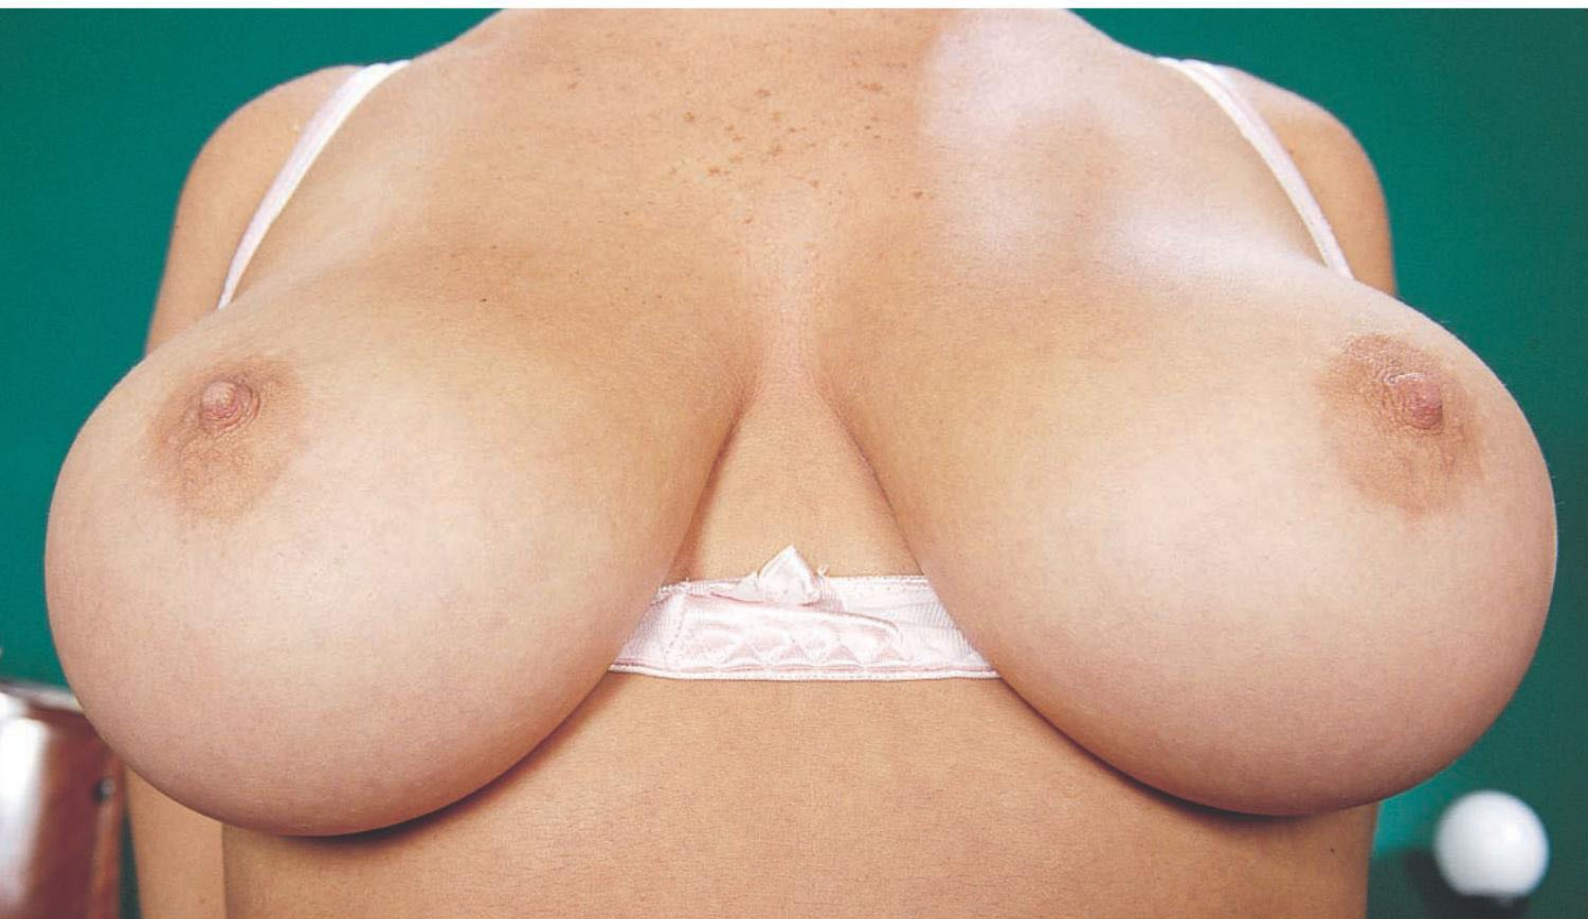

OCCUPATION: Student

Right shy, Nicole is. She wouldn't even take off her panties. Now, normally, that would be enough for us to send a model packing, but when a girl is sporting J-cup breasts, you take what you can get and hope she gets more risqué later. And if she doesn't, you thank God for her breasts. For those into measurements, her J-cups are the equivalent of Linsey's HH-cups. Although Nicole's tits hang like Sammie's, the mashing shot on the opposite page reminds us of a Linsey photo we published in Sept. '02. Want to see more of Nicole? She's making her V-Mag debut in the April issue, on sale Feb. 18.

SWEET CAKES

Angie is sweet but she isn't shy. If you're lucky, you'll catch her fucking outdoors.

You're sitting on the beach during a beautiful winter day in South Florida when all of a sudden you hear someone shout, "Look! Up in the sky! It's a bird! It's a plane!" And you realize, "No, it's a big-titted babe getting fucked while she's skydiving." Never happen, right? Well, probably not. But the point is that getting fucked by her skydiving instructor while she's skydiving is newcomer Angie Sweet's ultimate fantasy, and that's a good thing to know about her. You should also know that this brunette titter once had sex under a bridge on a golf-course while Rollerblading. Hmm...think she likes it outside?

Angie isn't super-stacked like some of the girls in this issue, but the fact is if you saw her walking down the street wearing one of her little skirts and tiny tank tops (with a push-up Victoria's Secret bra underneath), your head would turn and you'd say to your buddy, "Look at the rack on that chick!" You'd be talking about her for days and thinking about her while jacking in the shower.

Damn pliable nipples, no? And how about the way her rack sits on her chest in the above photo? Perfect for tit-fucking, we think. Well, you'll be happy to know that the first time Angie had sex (outdoors, of course, while horseback riding), the lucky guy had the good sense to slip his meat between Angie's flesh pillows. "I don't know what it is about being outdoors," Angie said. "I just get turned on. I don't think it's a fantasy about getting caught because I don't want to get caught. I guess fresh air makes me horny." Fresh air makes her horny, Angie makes us horny. Sounds like the perfect match.

ANGIE SWEET CHECK LIST

AGE: 23 **BIRTHDAY:** June 1, 1979 **HEIGHT:** 5' **WEIGHT:** 110 lbs. **MEASUREMENTS:** 38-28-38 **BRA SIZE:** 34D **BORN:** California
LIVES: West Palm Beach, Florida **WHAT SEXUALLY SATISFIES HER BEST:** "Having my tits massaged and sucked."

The Great Titsby

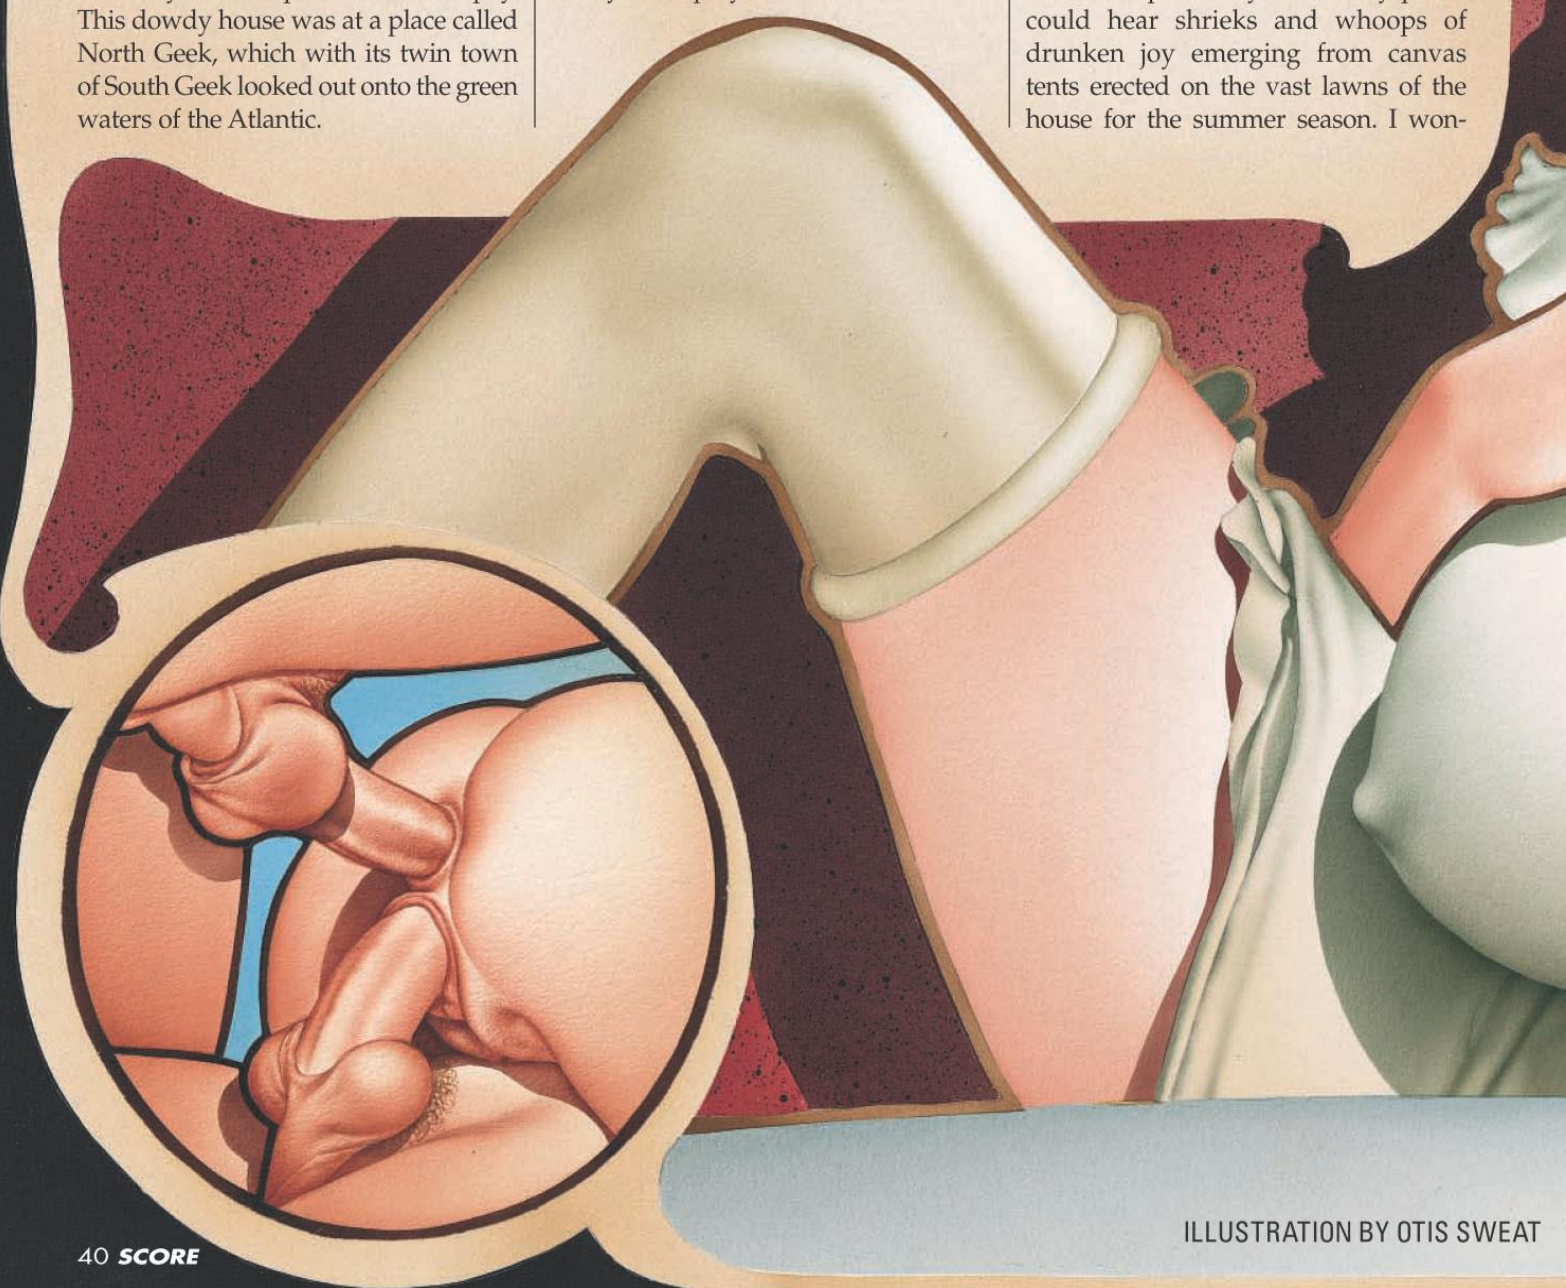

**They were in pursuit of the American Dream:
to fuck a rich, big-titted woman and fill her ass with cum.**

In the lackluster year after the end of the Great War, I was demobilized from my regiment in the U.S. Army and sent home from muddy Europe. I had no particular intentions for my life, so I drifted around until I found and bought a ramshackle house on Long Island with my saved-up serviceman's pay. This dowdy house was at a place called North Geek, which with its twin town of South Geek looked out onto the green waters of the Atlantic.

BY TIM DUKE

From there, I would travel by electric train every morning to the busy city streets of Manhattan, where I had a job as a clerk in an employment agency. It was my duty to match the skills of newly unemployed soldiers with those

needed by the expanding businesses created in the aftermath of the recent conflict. In the evening, I would return home, walking the mile from the railway station. This walk would bring me past the white stucco mansion that stood beside my more humble property. Often as I passed by this stately pile, I could hear shrieks and whoops of drunken joy emerging from canvas tents erected on the vast lawns of the house for the summer season. I won-

dered who was throwing these wild, carousing parties.

Then, one warm evening, I was strolling along the promontory that stretched around my house and toward the grounds of my mysterious neighbor's fabulous home. From my position, I saw a curvaceous figure come out from the twin glass doors at the rear of the stunning villa. It was a tall, elegantly beautiful woman. Her dark hair was short and controlled by a silk cap that matched the slip of pale cloth that wrapped her body.

I was close enough to see the gentle curve of her smooth shoulders, which were exposed to the breeze, as was her bounteous cleavage. This noticeable valley of delight was between two enormous breasts, the kind that resembled the Zeppelin airships. My gaze centered on those mighty tits and then wandered down to her flat stomach and from there to her round ass. I realized she had seen me too, because she wiggled her inviting backside as if to greet me.

Embarrassed, I scuttled back to my tiny shack. Once there, I thought how much I wanted to meet this exotic creature. Somehow, I knew this meeting would happen soon, and naturally it did. When I had returned from my

labors in the city the following day, I was in the middle of changing out of my staid office clothes when there was a sharp knock on my front door. Hurriedly, I went to answer the caller. When I opened the door, she was standing on my porch, looking sweet in a short, pink robe fringed with tassels.

"Hello, I'm Mike Cardoman," I said to this sweet confection of a woman.

"I'm Fiona Fitzgoober. I live in the house next door," she twittered back.

"Yes, I guessed so when I saw you late last night," I said. She entered my house, uninvited, to study my practical but second-hand furniture.

"Of course you did, and I saw you, too, looking terribly solitary. I reckoned that you would appreciate having dinner with me, perhaps tonight?"

"Surely, I'd love to."

"Come over to North Geek Manor at nine o'clock. We have a lot to discuss."

Her buxom body quickly disappeared through the doorway and she bounded across my unkempt lawn to her own immaculate one. In the spare hour I had before I set off to her place, I groomed my appearance with an extra splash of hair oil and made myself look more cultivated by donning a lambs-wool cricket sweater I had purchased in

London. I checked my reflection in the bathroom mirror before I left. Indeed, my style was quite dapper.

Soon I was at the Manor and being led through its ornate corridors to a vast dining room surrounded by a marble colonnade. In the center of these columns was a long oak table surrounded by elaborately decorated chairs. Fiona was sitting at one of two places set for a meal. Without being asked, I sat down beside her.

"Tequila?" she asked softly.

"Uh...oh...yes, thank you, but just one. That stuff gives me the funniest dreams, you know," I told her stiffly.

"Well, that's the point, isn't it?" she said, giggling impishly.

"I suppose so. But didn't you ask me here to debate something other than the merits of distilled cactus juice?"

"You're quite right, my darling. I invited you because I've heard you have a career in New York finding work for brave ex-servicemen."

"Yes, but how did you find out?"

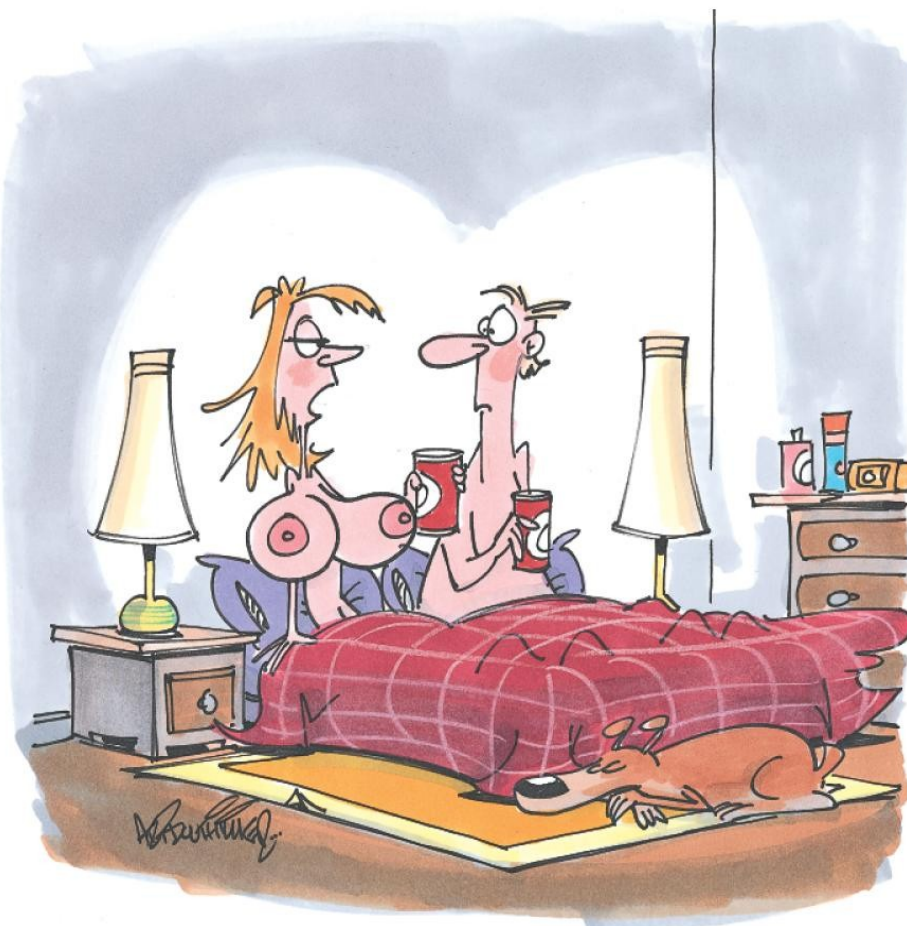

"I have my methods," she said, looking at the maid. "The point is, however, that I need a favor from you. I want you to get me a butler. I think it would be so much more pleasant to have at least one male servant under my command." I smiled and told Fiona I would look through the books at the office to see if I could get a suitable candidate for the vacant post as her major-domo. Then I asked what I would get in return. She laughed and said, "Can you see anything you'd like right now?"

I looked around the opulent surroundings, but I could think of nothing I wanted except her gigantic hooters, which were dangling precariously over the edge of the dinner table. My eyeballs became fixed on the sight of those pale, jiggling moons.

"Oh, you want to suck on my big sugar babies, don't you?" she said. "Move a bit closer and take your fill."

I shuffled my chair until it was practically touching hers and without hesitating, I reached into the décolletage of her pink Paris gown and pulled out one huge breast. I bent my head forward, lifting her heavy jug to my expectantly pursed lips. I kissed the lusciously thick nipple, then sucked. Gracefully, Fiona moved her hand to my lap and found the bulge of my stiffening cock in my pants. For a few minutes, I suckled on her gorgeous teat while she stroked lan-

"I love a man who's intelligent. It's so sexy. I can watch a man work at his desk all day."

And we could watch Diane cleaning house—especially in this outfit—all day. In fact, we *have* witnessed Diane doing housework, and you can, too. In the video *The Best of Diane*, she vacuums while wearing absolutely nothing and even cooks breakfast in the nude. That video is shot in a candid style, as if you had just walked in on Diane at home. She's wearing very little makeup and has her hair down. Diane's looking far more glamorous in this pictorial, but she has always been a woman of many looks. For example, in the December '02 issue of *Voluptuous*, Diane wears a red wig and looks like a different woman. And in the Holiday '02 issue, of *V-Mag*, Diane takes us through her shower routine. When she visited *SCORE* recently, she was also shot wearing a blue wig and in a harem outfit. But with a super-stacked babe like Diane, the tits carry the day.

"I used to be able to play sports, but I stopped. I couldn't find a sports bra that contained me."

There's a good side and a bad side to everything, including having big, natural tits. For Diane, the good side is she looks spectacular naked or dressed and gets lots of attention from men. The bad side is her sports activities are limited (although she jumps rope, does jumping jacks and swims in *Diane's Exercise & Swimming Video*).

"When I was younger and going through my growth spurt, I tried to hide my breasts as much as possible," she said. "But as I got older and realized some of the advantages of having large breasts, I started showing them off. I get a lot of things from guys. If I go anyplace, especially to a club, I never spend money. The men treat me very well. I wear very low-cut shirts, preferably without a bra, and short skirts because I have long legs. I don't know if guys think I'm going to have sex with them." They, like us, can only hope.

We guys are selfish. Ninety-percent of us wouldn't bother eating pussy if we didn't know we'd get a blowjob in return. And the only reason we keep from shooting our loads in her pussy within the first 30 seconds of penetration is because if we do, she'll shut down her pleasure palace forever.

But what's the use of pleasuring your woman if she doesn't pleasure you back correctly? You know what I'm talking about. The half-assed blowjob in which she just takes half of your cock-head into her dry mouth. The outright refusal to suck on your balls...after you ate her pussy for a half hour and made her cum nine times. The five-second suck. There oughta be a law against bad blowjobs.

Well, if there was, Sierra would be its chief enforcer.

Hopefully, you've all seen this 44-25-36, F-cup bra busting, self-professed cum lover downing dick in the videos *Black & Stacked Xtra #2* and *Voluptuous Xtra #5*. Sierra swallows cock as if her mouth were a pussy, and she's never short on saliva to keep your dick well lubricated.

"I wouldn't say I'm good at giving blowjobs," Sierra said, hardly able to keep a straight face. "I'd say I'm about fair."

Yeah, right. Sierra knows she's an expert at the art of fellatio, and she loves giving a blowjob so much that she doesn't understand why more women don't enjoy it, too.

So, SCORE Men, this installment of "How To Have Sex With A SCORE Girl" is for you. Cut it out. Give it to your girlfriend or leave it on her dresser. Somehow, get it into her hands, because if she can learn to suck cock like Sierra does, you'll be the happiest man on the face of this earth.

"Sucking cock is like eating pussy, only instead of this wet pink thing that goes in, you've got this big thing that goes out," Sierra said in her little-girl voice that makes her sound like she's in grade school. "I love big cocks, and I've never seen a dick I couldn't get all the way down, but I guess if you're a guy, it doesn't matter how big your dick is, it still feels great when a girl is sucking your cock."

"I think the reason people think I'm so good at sucking cock is because I enjoy giving a blowjob, so it comes across how much fun I'm having. I don't know why some women don't like giving blowjobs. I mean, if you're with your guy, it's not like his cock is dirty or something. It's going in your pussy, right? Girls, if he can eat your pussy, then you can suck his cock, and

HOW TO HAVE SEX WITH A SCORE GIRL!

Cut this one out. Leave it on your girl's dresser. In the fifth installment of our instructional series, Sierra teaches a lesson in the fine art of sucking cock. It'll get you real hard.

believe me, you'll be rewarded in the end. I don't suck cock for a guy, I do it for me, for my pleasure, so if I'm going to suck your dick, I might as well have fun. I'm going to spit on it and play with it and treat it like a toy.

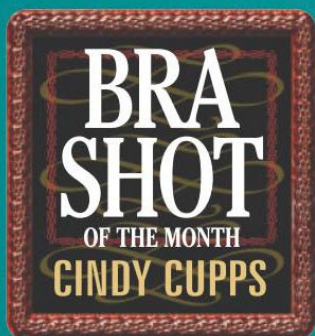

"Like I said, sucking cock is like eating pussy. I know how I like to have my pussy eaten, and that's how I suck a dick. For example, if you're going to go down on me, don't just start licking and sucking on my clit right away, because that's not going to get you anywhere. Tease me first. Lick around the outer edges. Then suck on my pussy lips for a while before you get to my clitty."

"Same with dick. I won't just take your cock into my mouth and start sucking on it. I gotta get it warmed up. If I'm starting with a limpy, which is my favorite way, then I see it as my personal mission to get your cock good and hard. I don't like starting with a hard-on, anyway, because that could've come from anywhere. You could've been thinking about some girl at work, but if you're limp and I get you hard, then it's all because of me."

"So I've got your cock in front of me and I'm gonna work it real good. I know some women like to get a blowjob over with fast, but my blowjobs last 15, 20 minutes. First of all, when I'm sucking a cock, I always leave my eyes open. It's so much fun to suck your dick and watch the expression on your face. Girls who close their eyes are missing out on half the pleasure, because when you're sucking a dick and seeing how much pleasure you're giving, it makes you feel so good, you want to suck more and do it even better. I never give a blowjob with the lights out, and in my videos I'm always looking into the camera when I'm sucking cock. That's 'cause I'm imagining I'm sucking *you* and want to imagine the look on *your* face."

"So my eyes are open, and I go down there, and the first thing I do is lick your whole shaft. I work it slowly from bottom to top, using my hand to stretch out your cock just a little, then working my tongue from the spot just above your balls to the head, real slowly, without much pressure, so you almost feel like a feather is flicking your dick. You think I'm doing this for you, but really I'm doing it for myself, because if I get your cock nice and wet, it'll slide right down my throat."

SEX WITH A SCORE GIRL

Continued from page 50

"But I'm not going to put it in my mouth just yet. I'm still getting ready, so I spit on it, just spit on the head. Guys love it when you do that. They think it's so nasty, which it is, and it tells them that I'm really getting into it, that I'll do anything to make their dicks feel good, which I will. And after I spit on the head, and some of my saliva is sliding down the shaft of his cock, which is starting to get hard, I just suck on the top of your cock. The important thing is that I'm not sucking just half the head, because that'll drive you crazy in the wrong way. I'm getting your entire cock-head into my mouth and sucking on it lightly at first, then harder, then really hard so you feel as if your cock is going to come off, and you're getting harder and harder, and finally you're as stiff as I want you to be.

"Your cock is starting to throb. It's pretty cool right now, because I can feel your cock throbbing in my mouth and jerking around because it wants me to place my whole mouth around it. So that's what I do. I take more and more, little-by-little, not even a half-inch at a time, of your big, hard dick into my mouth, and I'm using my tongue, too,

because that drives you crazy. But I don't stop and do something else. I just concentrate on taking as much into my mouth as possible. Here's a trick I learned: If I lie on a bed with my head back, I can swallow more cock than I ever imagined.

"But for now, I'm taking your cock into my mouth. I'm massaging your balls, making them feel so good that you don't know what to concentrate on first, and when I have all of it in my mouth, I really start to suck. I bob my head up and down on your dick, maybe I'll even close my lips over my teeth so you can feel a different sensation. I'm always keeping up the suction in my mouth, because that's the way you like it, and you're getting hotter and hotter, and your cock is throbbing in my mouth even more than before, and I can feel from the little vein at the bottom that you're about to cum. I can feel it throbbing. But then I stop, because I don't want you to cum. I have to sit on top of you so I can taste my pussy on your dick. I love the taste of my pussy, especially when it's mixed with cock, so I sit on it for just a few seconds, get your dick nice and deep so it sops up all my pussy juices, then I take it out and suck my juices off of it.

"Some women might be disgusted by that, but I don't think they've ever

had their pussy juices and known how good it tastes. And there's something so nasty and bad about sucking a dick that just came out of you.

"Of course, we're not done yet. I want to suck your balls, too, so I take my mouth off your cock, hold your hard-on out of the way with one hand and nurse your balls with my tongue. I run my tongue lightly up the crease that goes through the middle, then I lick all around, all over, really lightly, flicking almost, before I gently take one of your balls in my mouth and suck it. I'm not afraid to suck it, because I know your balls won't burst, but I'm careful not to bite or pull too hard.

"And now you just have to cum, you're begging for my mouth, so I stick your big dick back inside my mouth and suck it harder and harder until your cum explodes inside of me. Some girls might pull away at this point, but I'm a cum freak and I want to taste every drop. Besides, if I pull my mouth away while you're still cumming, it's not going to feel good for you, and I want you to feel good, baby.

"So I swallow your cum, and I look you in your eyes, and you're looking at me like I'm some kind of goddess. That's my reward. That's when I know I did a good job.

"But you already knew that."

MELONIE'S WEIGHTY ISSUES!

"My boobs weighed 18 pounds the last time I checked. And they are still growing!"

So says Melonie Charm about her twin wonders. "It's actually very difficult to weigh them too!" she moans. "I've tried lots of ways to weigh my breasts. The most accurate way is using the produce scale at a super-market, but this can be extremely tricky with shoppers around. My current method is to step on my bathroom scale at home and record my total weight, which is 132 pounds, then have a friend hold my boobs up while I step back on the scale. Subtracting my body weight of 114 pounds leaves 18 pounds of tits." Need a SCORE Man to help you, Melonie?

Melonie masturbated her eyepoppingly massive knockers in the *SCORE* video *Busty Dildo Lovers* #2. She gets super-hot, which is no surprise to us. Melonie's a sweetheart who gets really nasty when the camera rolls. She takes out a giant dildo that's nearly as massive as her breasts and rubs it between them. Then she fucks herself silly.

THE GREAT TITSBY

Continued from page 42

guorously on my throbbing member through the speckled cloth of my pants. Only when the maid brought us the first course of a sumptuous dinner did this silent method of payment stop and Fiona put her lovely pap away, leaving me excited yet frustrated.

The rest of the evening passed dully. At midnight, the maid showed me out and I whistled a ragtime melody as I crossed the two lawns. I got inside my house and immediately lay down on my bed fully dressed. I slept fitfully.

As usual, I took the morning train to the city and arrived at my office on time. I settled at my desk and started looking through the card index. After a while, I came to a candidate named Tommy Titsby. Apparently, he was an Englishman who had risen to the rank of lieutenant during the war. Now he had emigrated to the United States in search of a new life. Straight-away, I knew he was the type Fiona was looking for. I rang the operator and asked her to put me through to him. In a minute or so, he and I were arranging to meet late that afternoon outside the lofty halls of Grand Central Station.

At five o'clock, I was waiting for him where I had promised, underneath a giant billboard advertising spectacles. I recognized Titsby approaching me by the cut of his English clothes and the copy of the *Times* he was carrying under his right arm.

"Are you Mick Cardoman?" he asked.

"Yes," I answered. "Do you have your references with you?"

He pulled out two dog-eared letters and handed them to me. One was from his colonel in the army praising his soldierly skills; the other was from the dean of an obscure college in Cambridge. Titsby seemed a solid, reliable chap, so I handed his bona fides back to him and smiled generously.

"I'll escort you to North Geek Manor. Your new employer will interview you there," I told him. Somehow, I felt the moralistic stare of the huge eyes on the poster above us bear overpoweringly into me.

We bought a couple of railway tickets and went to our platform. Soon we were traveling speedily through the dusty suburbs of New York. At eight

o'clock that evening, we were outside the servant's entrance of Fiona Fitzgoober's imposing domicile, waiting for the maid to open it to us. She came to the door quickly and showed Titsby and myself in. He was taken upstairs to be interrogated whilst I rested in the kitchen drinking weak tea. Half an hour passed before I was sent for. The maid showed me to the study and, on our way, we passed the tall figure of Titsby, grinning to himself with smug satisfaction. I supposed he must have had a success with his resume.

I found my neighbor in a room lined with bookcases bearing extensive numbers of leather-bound first editions. Fiona looked up from her reading.

"He's fine," she said as I approached her. "And he's good-looking, too."

"I'm glad you like him."

"And I have a little extra reward for you," she said, proffering a delicately handwritten card. It was an invitation to a party being thrown in my honor.

"That's jolly nice of you," I said, smirking, feeling I, too, had made a good impression on this heiress.

"Just remember to wear a decent dinner suit and be on time, honey," she suggested affectionately.

Her clear eyes left off from looking into mine and went back to her papers, so I backed away and left without saying goodbye. As I wandered home, I wanted to know if Fiona had any physical desire for me, especially since I had acquired a rival in Titsby.

For a lonely week, I commuted efficiently and worked hard. Then it was time for the party. I walked the short distance to the Manor and joined the guests streaming toward the brightly lit double-doors that led to the ballroom. As soon as I was inside, Fiona greeted me and took me to one side.

"You're late," she said. "But now that you're here, you must meet everyone."

For an hour, she made me shake hands with her friends, mostly businessmen, city councilors and stockbrokers. Accompanying them were women of unparalleled pulchritude. I had never seen such a well-endowed collection of females. Their flimsy but expensive cocktail dresses exposed a row of hot boobs, engorged milkers and bouncing udders. This sight became totally transfixing, because when the orchestra struck up a lively jazz tune, the big-titted women began to dance feverishly

"I loved being on the Boob Cruise. It was so much fun. Most of the time I was naked."

There's another reason we chose this issue to bring back Windy: to celebrate the re-release of the *Boob Cruise 2000* DVD. This three-hour production, available on page 98 of this issue, was completely re-digitized, resulting in superior stereo sound quality and vibrant color. And Windy is one of the stars of the show with eight scenes. She poses nude on the beach (you'll feel like you can reach out and touch the beads of water on her breasts), nude on the ship's deck (she starts out in a stunning blue bikini) and then nude for the passengers. Windy gets naked with Jessica Justice and Tanya Danielle, tries on Minka's bra (it's a bit too big) and shows off her dancing skills in two scenes. You'll pop wood as Windy dances her way out of a sexy sailor's outfit, then you'll hear from her in a rare interview. There's never been a better way to check out Windy Leigh!

Natural Goddess

Isis Ling has big things ahead of her.

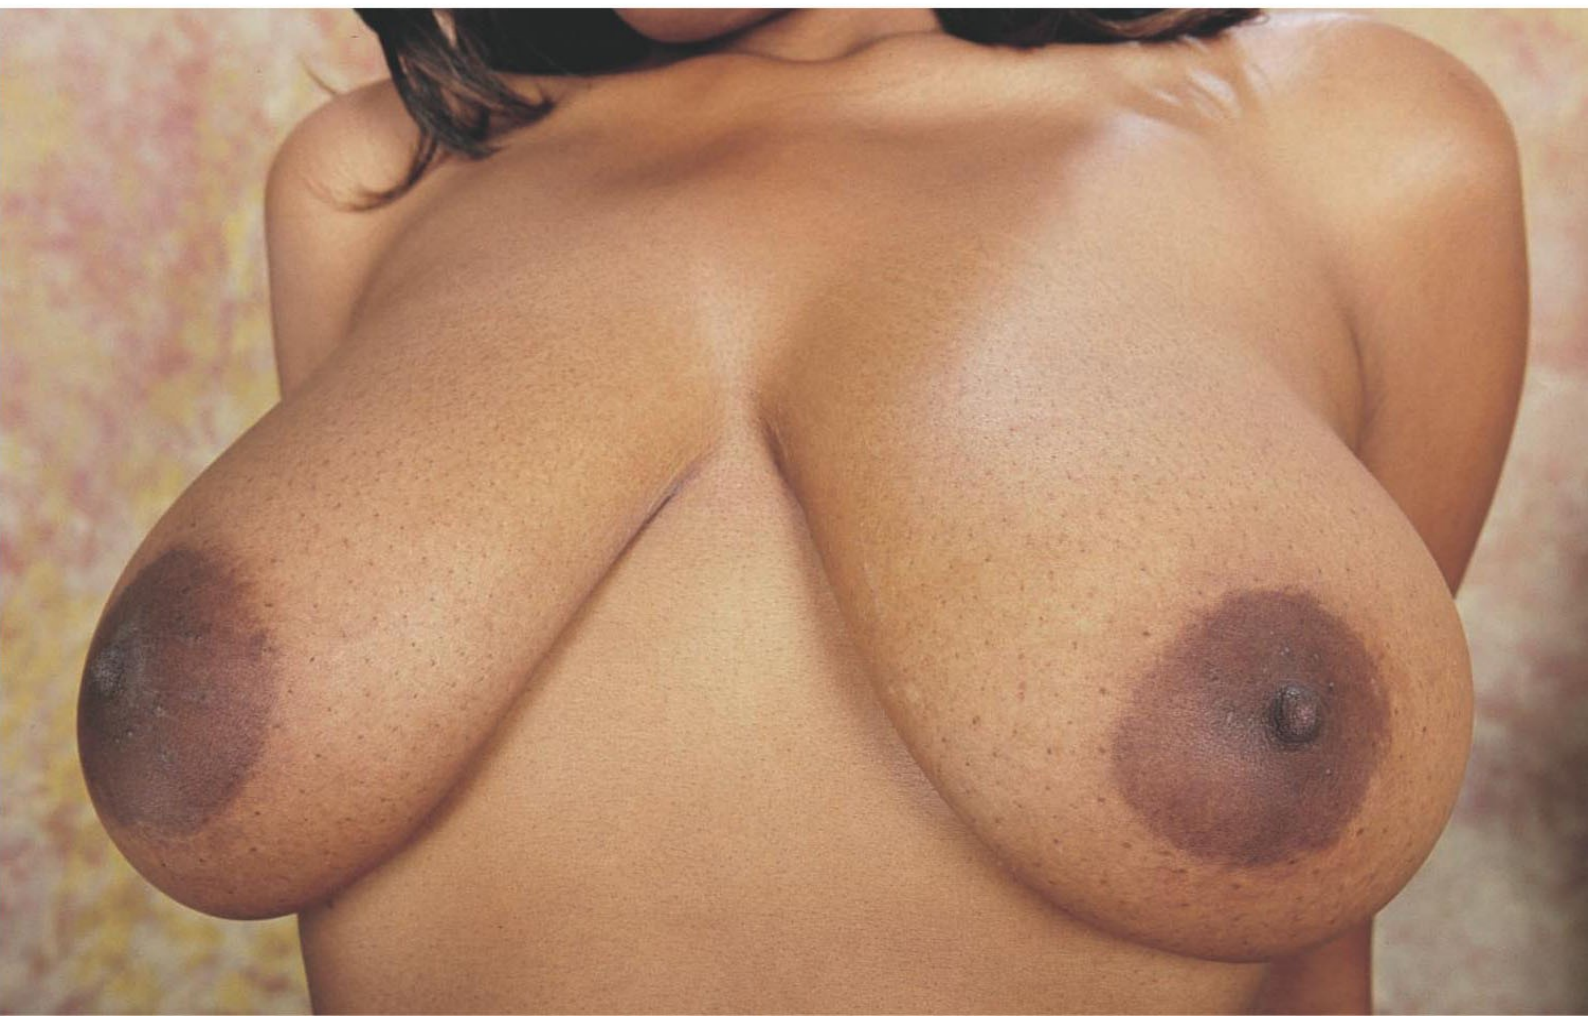

All righty boys, put your hands together for this busty little lady from the Windy City. Isis came all the way to Miami, Florida to get dressed in a super-tight skirt and see-through blouse, only to take it all off again for your drooling pleasure. Damn, the things these chicks do for us tithounds!

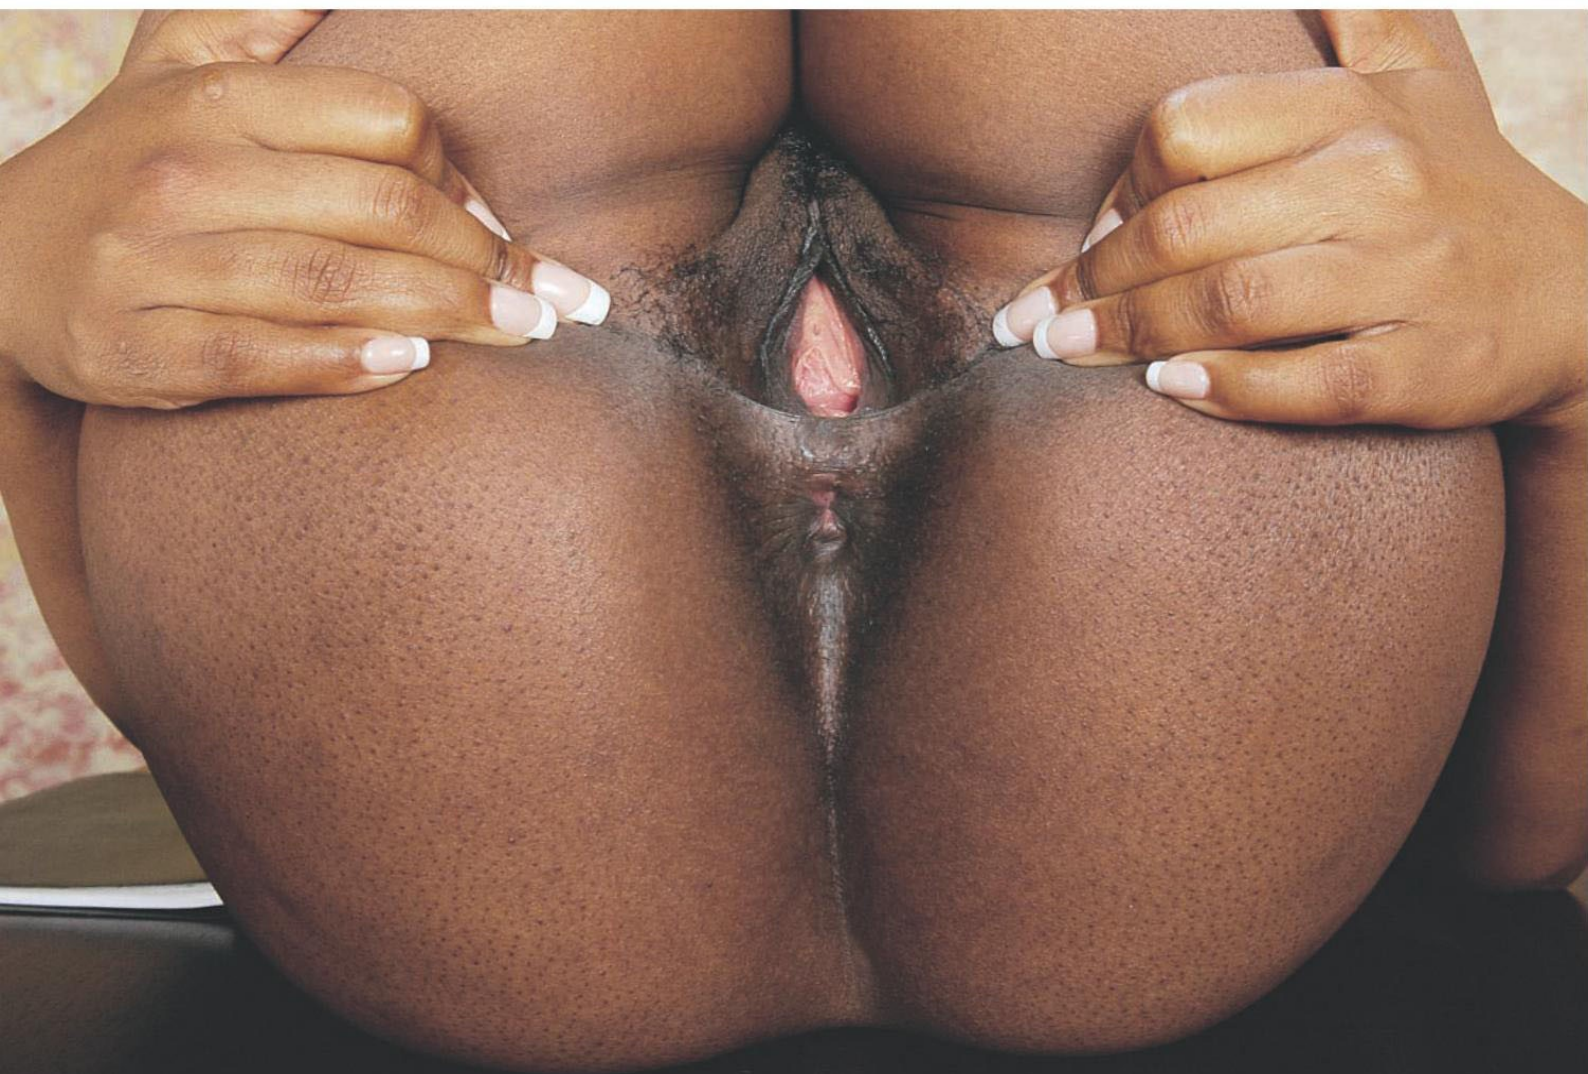

"When I masturbate, I like to play jazz, drink wine, light candles and rub my breasts."

Isis told us this little titbit during a break from her shoot in the SCORE studio. "I don't masturbate that often. When I do, I like to romance myself, if you know what I mean," she said. Well, there're all kinds of ways to jack, as we've learned over the months of various Jack Reports. And it's pretty clear that men and women have totally different ideas when it comes to masturbation. Isis has done the kind of things that every SCORE guy can appreciate. "The kinkiest thing I've ever done was give a boyfriend head in a truck on the way to the adult book store," she said. "When we got to the store, I gave him head again in a booth while watching a porno." Wow! What a great girlfriend! You know, a lot of women will blow a guy on his living room couch as they look at a video, but not too many make a roadtrip out of it. That guy must have had a blast.

Lana and Kelly started their photo session by innocently comparing their mouthwatering tits and asses. Then "The Thing" was tossed onto the bed and their eyes lit up. That toy Lana is filling Kelly's well-lubed pink slit with looks like a prop from an old Hercules movie. It cums their way from the kind folks at Doc Johnson, purveyors of finely crafted novelties for adults-only. This monster is called The Manhandler, a 14-inch cock with a hilt, made from a soft, latex material. Lana got to be the wielder of this brute; Kelly got on her knees to get stuffed with it after Lana had moistened it with her wet tongue. Once Kelly had been thoroughly fucked, both girls enjoyed licking Kelly's pussy juices off The Thing. "My pussy tastes good," Kelly said. We bet.

THE GREAT TITSBY

Continued from page 66

with their husbands. Meanwhile, Titsby served champagne from a silver tray.

The more people drank, the more they danced. Suddenly, the house was full of uninhibited couples. I watched in awe as dozens of dairy-white breasts flapped airily under the shocking candescence of several-thousand crystaled chandeliers. I started to perspire with sexual excitement, and Fiona grabbed my arm and led me to an empty space on the dance floor.

As the wild celebrations wore on, I went outside onto the long veranda, where I took puffs on a cigarette to calm my nerves. I wondered if Titsby was aware of my closeness to Fiona. Desperate to find out, I returned to the shenanigans inside. The gloriously-chested dancers were drifting off with new partners for private swing parties of their own in distant parts of the Manor. Among them, I saw Fiona and Titsby, who were speaking together conspiratorially. The pair of them went to the high, wide staircase that led to the upper floor of the house. I followed them from a distance. They did not see me behind them, and when they entered a large bedroom, they did not bother to close the door.

There was an antique chaise lounge in the spacious corridor. I sat on it, and from my position, I found that by craning my neck and listening carefully, I could see and hear everything that was going on. I saw Fiona lead Titsby to a lavender, silk-covered bed as if he were her private slave. Titsby laughed as his nouveau riche mistress pulled him onto the smooth folds of sheets. Ritualistically, she divested her servant of his clothes, garment by garment. This process did not take long, and when it was done, the stripped Titsby displayed an aroused dick that pointed manfully upwards to his deep navel. Fiona gazed at his meat with obvious relish.

"Now will you let me fidget with your bald-headed hermit, Titsby?" she asked him.

"Yes, Miss Fitzgoober, I will," he replied, guiding her hand to his plank of straining cockflesh.

Confidently, she started to squeeze his eight inches of circumcised penis, stroking it hard to emphasize its course, gnarly surface. Titsby's face creased

with pleasure as she yanked repeatedly on his tingling member. He put his hands to her shoulders and pulled at the thin straps of her gossamer dress. Its sparse upper part peeled down like a banana skin to her waist, exposing a spectacularly balloonish set of love pillows. He started massaging her shoulders as she pressed her boobs forward at the peak of his twitching love-pole. She raised her head to his flat pectorals, gormandizing with her narrow tongue on his tiny, pale-red and pouting nipples. He knew this was the signal for him to take command of the scene. In an instant, he pushed her back onto the mattress. Her great, jubilant nipples pointed heavenward, allowing Titsby's mouth to glide toward them. He chewed, licked and sucked on her dugs. Soon, her mammoth teats were slickly sweetened with his warm saliva.

"Stags like me love to shag bristols like yours!" he exclaimed as if he were barking out orders on a parade ground.

"And does like me are not shocked when a man's cock rocks between our knockers," Fiona hooted back at him.

Titsby straddled her abdomen and fit his big dick betwixt her immense jugs. I saw her push those proud pumps together, wrapping his incredible boner snugly with her soft womanly flesh. As she did, his hips began to sway so that his rock-hard staff tracked back and forth inside the tunnel made by her mighty rack. This sight encouraged my own beaver cleaver to become sharply erect. The art of titty-fucking was a new one to me, and I desired to try it for myself. But it was Titsby who remained master of this gentle act.

Occasionally, his bulbous cock slipped out of Fiona's slippery cleavage, then he would slap his damp, purple cockhead against her crimson areola before returning it to its task of slamming under the curve of her mams. Suddenly, he shot his load, spooning a lagoon of sperm over her rib-balloons.

I realized envy of the suave Titsby was raging in my heart. I could not control my emotions, so I stood up and rushed into the bedroom. By the fashion in which Fiona and Titsby carried on, I surmised they were not surprised by my sudden presence.

"At last you are here, Mick," Fiona gasped as her massive tits soaked in the hot coating of white man-goo.

"Do you really want me here?" I inquired nervously, flummoxed by her

openly wanton attitude.

"Mr. Cardoman, sir," Titsby said. "Miss Fitzgoober merely ordered me to warm her up a little so the experience of fucking her would be all the more enjoyable for you!"

Titsby fetched a soapy flannel and a clean towel from a dressing table nearby. With the first, he wiped away the greasy nut-jism from her heavy whoppers, and with the other, he patted the wobbling mounds dry. Shyly, he collected his discarded butler's uniform and left the bedroom, closing the door behind him. Finally, I was alone with the woman I had fallen in love with.

She was wriggling on the bed, trying to remove the furled-up apron of her skimpy dress along with her brief satin knickers all at the same time. I reached over her body and hooked my thumbs inside the bundle of cloth and pulled it down over her ass and off her long, luscious legs.

"You're a gentleman, Mick," she said. "Now let's have a jack-in-the-box!"

I could not refuse a frank offer like that, so I joined her on the bed. She cupped both of her buoyant breasts in her hands and lifted them skyward for a moment. She and I were able to lick on her thickening pink nipples. Our tongues clashed and we moved on from our mutual breast-worship to French-kissing. I felt her mitts move to my crotch and start undoing the ivory buttons of my flies. Soon, her nimble fingers had reached inside my underpants and were pulling out my distended six-inch prick along with my aching balls. She fondled my rocks forcefully. Her other hand pumped my cockshaft.

The black cummerbund around my waist had come loose, letting my trousers fall down about my thighs, enabling Fiona to get at my lower body more easily. She looked up into my smoking-grey eyes to indicate she was ready for some serious cocksucking. She prepared my flaring dickhead by slapping it against each of her very erect nipples, then she rubbed my shaft inside her deep cleavage. She bent her head forward, clamping my driving erection with her scarlet-painted lips. Her capacious lungs drew in breath, sucking the entirety of my rough stalk into her gorgeous face. She was an expert at deep-throating, encouraging me to intensify my thrusts into her mouth by rocking her slim neck violently to and fro. It was as if my cock was in

the wettest of all loveholes. I looked down at her, and beyond the sultry view of her sizable tits, I could see her left hand reach between her legs to fiddle her engorged clitoris. I was close to coming, so I put my hands against the back of her head and grasped a handful of her hair. Slowly, I pulled her all-devouring mouth away from my quivering manhood. She knew what I wanted: her open cunt. She spun around on the bed, its luxurious sheets now rumpled and untidy, while I kicked away my pants and shoes. I discarded my uncomfortable jacket as I got into the rear-entry position, right behind her butt cheeks. Her right hand came back towards me and slapped one of her round buns viciously, making it vibrate. This encouraged me to examine the enticing outer lips of her vagina. Her perfect cranny was so uncannily pretty and had been shaved quite recently.

I lifted my shirt-tails and probed my rearing member toward her disrobed assglobes. The moistness of her cunt allowed me instant access to her inner depths, drawing first my chunky cock-head and then all of my thick fuckstalk into her slippery snatch. I put my large hands around her waist, using my grip to pull her backside ever closer to me. My hellacious nut-sacks were slamming into the tops of her wide-open gams. She reached a mobile hand to her clitty. I could sense her fingertips circling the sensitive pad of flesh inches away from my fast-moving cock's shaft. I had increased the velocity of my forward poking. Fiona was responding sweetly by making louder and louder high-pitched groaning noises. Amazingly, she was not satisfied with my lustful backway fucking.

"Come on, you toff," she urged me. "Get your rocks off!"

I forced myself to move swifter and swifter, but this did not make her come. I was struggling to keep up my efforts. It was then that Titsby re-entered the bedroom. Like any truly devoted flunky would, he had come to his mistress's and her guest's aid. He was stark naked and sporting a bucking boner.

"Miss Fitzgoober requires that you take her anally, sir," Titsby offered diplomatically. "That will give her the multiple orgasm she wants so badly, provided you allow me to simultaneously penetrate her shaven slit."

"I insist Mick, you towny, that you put your straining cock in my brownie

NEW RELEASE ON VIDEO AND DVD!

Featuring Cassandra, Kerry Marie and the video debuts of amazing 2003 newcomers Ines Cudna and Nicole Peters!

FF-cupper Cassandra, who knows a thing or two about plugging her holes with sex toys, has invited Kerry Marie, Ines and Nicole to southern Spain for Big-Boob Modeling School. The result: the most explicit action Ines, Nicole and Kerry Marie have ever engaged in. Nicole's J-cup naturals are her main attraction, but here she shows full bush for the first time. EE-cup Ines was shy when she made her *SCORE* debut, but here she spreads wide and fingers her pussy. And, for the first time, Kerry Marie plugs her pussy and ass with big dildos. Of course, Cassandra gets into the act, too, with some scorching solo posing and girl-girl, clit-to-clits with Kerry and Ines. *On Location Costa Del Sol* is a must for every man who loves big tits.

whilst Titsby shoves his greased-up showpiece in my welcoming cunt-crease," she blurted approvingly.

Slowly, my jerking inside her stopped. I slipped my trembling dick out of that hungry cunt and permitted Titsby to join us on the bed. He got underneath Fiona's body, and immediately she lowered her broad hips down onto his groin. Soon, his large prick had replaced my smaller one. He grabbed her shapely ass-globes with his hands, encouraging me to view the astounding specter of her puckered asshole. It winked at me intimately. I found it completely impossible to resist tasting such a tempting feast. Unashamedly, I lowered my mouth to the sweat-shiny rosebud and licked it. It flared at my tongue's touch. This delicate ring was willing to take my throbbing dork, just as her steamy pit was willing to take Titsby's gargantuan member.

I arranged my body carefully above and behind her. Very gradually, I made the bumhole entry that Fiona craved. The walls of her back passage felt thin and soft, but there was also another sensation I was aware of. Our three-way fucking was delicious. Fiona controlled her billowy body athletically, giving Titsby a superb view of her jiggling tits. I was enjoying the ultimately tight sensation of their asshole hugging my turgid prong. She delighted in the way she was being filled with two men's manhoods. She turned her head back at me, and I saw her face was contorted into a lascivious grimace because both of us were stretching her to the limit.

She finally succumbed to climax. At this precise moment, I released a saved-up wad of love-juice from my balls. Titsby grunted, and I understood he was quaking his great load of sperm into her sopping depths.

We all collapsed onto the bed, exhausted but happy. Our different classes had merged into one. Late that night, we discussed our futures. I was to marry Fiona within the month and become the nominal head of the North Geek Manor household. Fiona would remain the true source of power in the relationship, the domineering female in charge of everyone. Titsby would stay as our efficient butler, although sometimes he would be coming to the matrimonial bed, acting as my wife's alternative lover. The 1920s were ahead of us, and our lives would shape the moral of the times irreversibly.

AMAZING ANGELIQUE

The great '90s buster keeps getting better.

Another issue of *SCORE* winds down, and we have to wonder whether we've ever packed more boob power into a non-special issue. We started out with Nicole Porter's J-cups, moved on to Diane Poppo's H-cups and ogled Melonie Charm's MM-cups. And now, to top things off in a special way...Angelique's G-cups.

Angelique in Army fatigues makes us want to enlist pronto. The sight of her stark naked, tugging on her nipples and showing off her pussy, makes us want to pop our copy of *Busty Dildo Lovers #2* into our VCRs so we can watch her satisfying herself with a big, dildo, working it between her tits and in her pussy. Yeah, orange looks good in her.

Angelique's return to *SCORE* in the October issue was a major boob event of 2002, and this pictorial proves that, at 32, she's only getting better. "I was so pleased with the response to my pictures in October," Angelique said in her sexy Brazilian accent. "I didn't know whether you'd still like me." Like? Angelique, we still *love* you.

ANDREA BUJTKO: STUDENT BODY

She needed to pay her tuition. We needed to jack. Perfect timing.

Andrea Bujtko, the girl you're looking at now, is a student in Budapest, Hungary, who didn't have sex until she was 19 but now plans on paying her way through school by showing off her natural DD-cup tits, spreading her sweet, clean cunt and fucking men in front of the camera. She is, obviously, an enterprising young woman.

VIDEO: *Voluptuous Xtra* #6 (XXX-rated,
available at eBoobStore.com)

"I want to make a movie in which I am getting sexed by two men," Andrea told us. "They both make me cum." We told her, "Sorry, but first you're going to have to prove yourself with one man." She was disappointed—"One in my pussy and one in my ass sounds like so much fun," she pouted—but we made her feel better by telling her this one guy would fuck her good in the mouth, cunt and asshole. As you can tell, Andrea has very accommodating orifices and she even pulled off the highly advanced maneuver of looking into the camera and spreading her pussy lips while getting rammed up the ass. Congratulations, honey!

Even if Andrea doesn't graduate college (although we think she can get a diploma by fucking her male professors), she can one day tell her children, "I made a movie!" It's the new video and DVD *Voluptuous Xtra* #6, available now from eBoobStore.com, and in it, Andrea fucks, sucks and takes a nasty, sticky cum load all over her pretty face. She's a special kind of woman.

VIDEO REVIEW: VOLUPTUOUS XTRA #5

Annie Swanson's XXX debut, plus Sierra, Orsolya, Anja and more.

Okay, first things first: Why should a *SCORE* Man be interested in a *Voluptuous* video? Doesn't V-Mag cater to fat chicks? And why would any lover of the slim-n-stacked form want to see jiggling belly flesh on video?

To answer the questions in order:

1. Because four of the six girls who get their brains fucked out during *Voluptuous Xtra* #5 have also appeared in *SCORE* (and three of them are *SCORE* regulars).

2. Because V-Mag features its share of plumpers every month, but many V-Mag models are also *SCORE* models, and they all have great tits.

3. Because the only jiggling flesh you're gonna be paying any attention to is the flesh pillows on their chests.

Of course, anybody who saw the Video Pick of the Month in the main section of the January '03 issue of *SCORE* knows this already. But let's rundown the lineup for the latecomers.

There's Annie Swanson (Sept. '02), who's piling up the votes for New-

comer of the Year, thanks in part to her first video boning in *Voluptuous Xtra* #5.

There's Sierra, who got her ass filled with cock in the August '02 Xtra and leaves no orifice unsatisfied in this one.

There's Hungarian cock slurper Orsolya, whose second *SCORE* appearance was a thorough three-hole reaming in the January '03 Xtra.

There's Anja, a black-and-stacked German buster whose full, heavy hang-ers must be seen to be believed.

There's Lilith, who made her *SCORE* debut in the December '01 issue.

And there's Paige Plenty, who's strictly for V-Men only, but who gets so nasty sexy that she's worth a look.

Listen, I know some of you guys have a silicone fixation, but if you're a lover of big, natural tits, then *Voluptuous Xtra* #5 is for you.

Here's an in-depth rundown of the scenes, in case you need any more convincing. When you're finished reading, you can turn to page 87 of the main mag and order yourself a copy.

ORSOLYA: HUNGARIAN ASS HUMPEE

When the video opens, Orsolya, who's sporting a black wig for this occasion (she's really a blonde), is standing next to the pool at her health club, waiting for the next phase of her workout: the three-hole porking. A very critical aspect of any big-breasted babe's exercise routine. Her fuck-buddy's English sucks—"Your tits are gorgeous, I promise you," he tells her—but he's got a big dick and knows how to use it.

Orsolya has F-cup tits, a shaved pussy and an asshole that's aching to be filled. She also has a loving mouth and a look on her face that says, "Fuck me." You know, when I first saw Orsolya's solo pictorials in *SCORE* and *Voluptuous*, I never would've guessed she'd do the boy-girl nasty on camera. I mean, those pictorials really aren't so raunchy. But here, not only does she fuck hard, but she does it enthusiastically.

First, Orsolya serves up her tits for a sucking while she and muscleman are

Orsolya gives new meaning to the phrase "working out" in *Xtra* #5. She does 50 reps on a hard dick.

Doesn't F-cup newcomer Anja look sweet? Isn't it easy to forget she's being impaled by a cock?

Lilith debuted in the December '01 *SCORE* and made her video debut all by herself in *Lilith: Private Session*. We think she looks best when she's filled with man-meat.

sitting on a leather couch. Who knows what a leather couch is doing next to a pool in a health club, but who cares? Then our lucky stud lies down to enjoy a blowjob. She sucks hard and she sucks long, getting at least three-quarters of his dong into her mouth. Then she treats him to a tit-fuck. Her tits sway as he plows her cleavage. When it's her turn, she lies down and enjoys a pussy eating. Yep, she deserves it.

Of course, the whole point of eating a woman's pussy in a XXX-rated video isn't to get her excited. It's to prime her cunt for cock. When she's good and ready, Orsolya invites 10 inches of cock into her hole. She does this in the missionary, doggy and reverse-cowgirl positions. The camera pays special

attention to her F-cup naturals, which shake out of control while she's getting jack-hammer fucked. Proof positive that those puppies are real (for a while, we had our doubts).

But having her traditional hole fucked isn't enough for Orsolya. She wants cock up her ass, and she gets it good. Orsolya has become one of the hottest porn stars in Hungary, partly because of her tits and partly because of her anal acumen. In Europe, doing anal is a requirement for a porn star (see Zuzanna and Cassandra for further proof), as well as for a good wife, and Orsolya's an expert at having her anus stretched to the max by giant poles. You'll ask yourself, "How is this poor girl going to walk after having her ass

ravaged like that?" but we have it on good authority that later in the day, Orsolya did anal again. In this scene, we also see that although Orsolya loves showing off her ass for viewers, she also likes to take care of herself, which she does by diddling her clit while the big dick pounds away at her anal cavity. And, oh yes, we can see her tits swaying while this is going on.

The scene closes with our lucky health club stud dumping a sloppy load of cum on Orsolya's tits. Of course, that's exactly where it belongs.

ANJA: BLACK, STACKED, STUFFED

42-28-38 Anja, who debuted in the August '02 V-Mag, is only 20 and has amazingly firm F-cup whoppers. She's

another girl who looks so innocent but was willing to latch onto the recent trend of big-titted newcomers going right from solo posing to boy-girl hardcore with little prompting. It's a trend we can get used to.

The scene opens with Anja sucking on her own nipples, something she does expertly (watch her in the solo video *Stacked & Packed #3* for further proof). But cock is what she wants, so she quickly gets down to sucking. This babe sure knows how to give a blowjob: lovingly, adoringly. We men dream of getting blowjobs like these. Before long, Anja falls into a rhythm: blowjob, tit-fuck, blowjob, tit-fuck, blowjob, tit-fuck. She's obviously not as innocent as she looks and knows that although guys love being inside her mouth, they like being between her chocolate bon-bons, too.

Anja's pussy is very accommodating even for the largest of cocks. Her friend has a big one, but Anja's cunt swallows it up like a vacuum and squeezes it tight. She gets fucked in the reverse cowgirl, doggy and cowgirl positions, and the focus is always on her breasts. A favorite scene: When they're doing it doggy style, the cocksman lifts her right leg so we get a nice, long view of

Just one question: will all of that cum ruin Paige Plenty's nipple ring? If so, she should lick it off in a hurry.

CHRISTINE ALLURE: DREAM SCORE

This newcomer idolizes big-busted babes as much as she idolizes cock.

Lick the head, take a big chunk of hard-on in her mouth, tongue the nut-sack. What a great way to introduce yourself to *SCORE*, no? None of that, "First I'll take off my panties, then I'll spread my pussy, then just maybe I'll insert a dildo" stuff for Christine, whose dream was to be a *SCORE* Girl. She grabbed her dream by the balls!

"I have a large collection of toys, but a toy is no replacement for a real man."

This hairdresser from Los Angeles, California, just might be called a big-tit groupie. "In the mid-90s, I started dating a guy who was a huge big-tit fan," Christine said. "For his birthday, I bought tickets for us to attend a party that Danni Ashe was throwing in L.A. Kayla Kleeveage, Busty Dusty, Casey James and a bunch of other girls showed up. I was blown away and from that point on, I wanted to be a big-tittie girl like them. And when I started my web site, I would do photo exchanges with Minka, Chessie Moore and Mistress Rhianon. I'm also a huge fan of Wendy Whoppers, SaRenna Lee, Lili Xene, Busty Brittany, Leanne Lovelace, Letha Weapons, Tiffany Towers, Pandora Peaks, Summer Cummings, Toppsy Curvey, Traci Topps and Lisa Lipps. I think every one of these big-tit girls is beautiful beyond belief. I love SCORE!"

"I like it when a man starts off gentle and finishes by fucking me silly."

Let's take time out to address the fantasy of the big-titted hairdresser. We've all had one. You're sitting in the chair, totally prone, when this sexy babe, wearing no bra, starts clipping away at your hair. She's rubbing her breasts against your body, telling you to keep your chin up and look straight ahead (although you're dying to look down her blouse), and thank God you've got that stupid white apron covering your body 'cause you're sporting major wood. Well, Christine is that big-titted hairdresser, and she's also dreamt about fucking her clients. "And here's a little secret, guys," she said. "Sometimes I do."

Anja's sensation swaying melons. I didn't know which to focus on, her pussy or her tits, so I took turns. Of course, we're treated to gyno closeups of the pussy plowing. Then Anja gets tit-fucked and takes a cum load all over her chest. Isn't she special?

LILITH: BACK FOR MORE

Lilith was incredible in her solo debut video, *Lilith: Private Session*, did Autumn good in *Ultimate Autumn* and got fucked on camera for the first time in *Voluptuous Xtra #4*. In her second straight *Xtra* video, Lilith shows how experience pays dividends. No sophomore fucking jinx here.

We're treated to tons of tit-play, a great blowjob in which Lilith proves the value of a pierced tongue—she flicks it up and down his cock-head and shaft—and healthy amounts of fucking. The St. Louis house dancer rides dick, then takes it in the reverse cowgirl, spoon, doggy and missionary positions. We get plenty of gyno shots of

Annie looks like she's ready to take a nappy. So calm, so relaxed, so pleased with the cock filling her precious cunt.

her pussy being plowed before the penultimate tit-fuck. Lilith's happy when her guy cums all over her tits, and we're happy, too. One thing about most of the guys in this video: they have great aim. They know where the target is: right on the flesh pillows.

PAIGE PLENTY: PLENTY OF COCK

DD-cup Paige, who made her debut in the October '02 *Voluptuous*, also looks sweet and innocent until she takes off her bra and reveals her nipple ring. Fact: Women who pierce their nipples and pussies want to fuck.

And, quite obviously, Paige needs to fuck, because she wastes no time sucking cock when her scene opens. She rubs his dick against her tits, nipples and nipple-ring and delivers a rousing tit-fuck. I especially enjoyed watching her stud pull hard on her nipples.

Mr. Studly coats her tits with baby oil and rubs it in real good, the better for his cock to slide between her funbags. When the tit fuck is over, Paige sits back and gets cock in her pussy. We see his cock tunneling in and out of her pink hole as he fucks her missionary and doggy style. She climbs on top for a reverse-cowgirl fuck and lets her tits sway freely. Then she turns around for a ride. He spreads her ass and shoves a finger inside her hole. It fits.

After some tit-fucking, Paige gets a cum-load on her belly. Why the stomach? Because this guy has bad aim.

ANNIE SWANSON: NEWCUMMER

Not too long ago, Annie was an unknown New Jersey girl who, while cleaning her boyfriend's apartment, found his stash of V-Mags. Instead of getting mad, she got naked.

Annie's scene in this video earned her *SCORE's* Best XXX Debut of 2002 Award, impressive considering she beat out Linsey Dawn, Autumn and Julia Miles for top honors. It's easy to see why she won. This scene opens with Annie giving a blowjob. Her guy's face is buried in the January '01 issue of V-Mag. Her face is buried in his crotch. Annie offers up an impressive, professional blowjob, licking the head and shaft and taking deep sucks. Then the guy pours skin cream onto her DD-cup hooters and rubs it in. He tit-fucks her and slaps her nipples with his cock.

We get a bottom view of Annie sucking cock. It's educational to see how her chin and mouth wrap around the dick and downright cock-stiffening to see her big tits from below. Then it's time for fucking: doggy, girl on top, reverse cowgirl and missionary. She rides and rides and is clearly having fun.

A reader recently suggested that to be a candidate for Newcomer of the Year, a model must have done boy-girl hardcore at least once. By that criteria, Annie should beat out Crystal Gunns by a hard-on and a cum shot. Hey, Crystal, get fucked already!

Here's a rare photo of Sierra without cock in her mouth or pussy. In her world, this is known as softcore porn.

of cock on video, but this scene is one of her best. Yeah, there are only so many ways to fill a mouth, pussy and asshole, but Sierra gets it especially good in this scene. Of course, her tits are worth a damn, too.

The blowjob she gives is sloppy as can be. This scene is filled with great closeup views of Sierra's incredibly swaying F-cup floppers. It's filled with shots of Sierra getting her ultra-pink pussy and sweet ass parted by fingers—four at a time— and hard-on. It's filled with some of the hardest, raunchiest anal fucking you'll ever see. Sierra even has an analgasm. And then she takes the cock out of her ass and stuffs it in her mouth. Wonderful, no?

Sierra also makes the cock bulge her cheeks and takes a sloppy load of cum all over her tits. She talks dirty. She begs for more ass fucking. She gets it. This is one amazing scene.

XTRA 3RD ANNIVERSARY SPECIAL **XXX HOT SHOTS!**

Celebrating three years of fucking and sucking in *SCORE* Xtra.

KAYLA KLEEVAGE FEBRUARY 2001

The nearly 11 years of **SCORE** Magazine can be measured in two eras: Before Xtra and After Xtra. Before the Xtra hardcore section debuted in the April 2000 issue (top cover), softcore boy-girl spreads with limp dicks and no insertion were the rule. But when Heather mounted a cock (right), enabling readers to see how her pussy lips stretch around a hard-on, everything changed. Sure, readers were startled at first ("Hardcore sex in a newsstand magazine? Holy shit!"), and a handful even complained we were somehow desecrating their big-breasted angels, but most readers bid good riddance to the Before Xtra era. These photos, an editor's selection of our hottest photos, are the reasons.

SCORE XTRA

**CHLOE'S
NEWEST
CONQUEST...
JULIA MILES!**

The Xtra section has become such an integral part of *SCORE* that most readers no longer consider it a bonus (although it's not included in the UK edition). No wonder. This marks the 17th consecutive issue containing Xtra, and many of them have contained landmark events. Linsey Dawn broke her hardcore cherry in the January '02 issue (bottom cover). Julia Miles' first time (and anal!) was the highlight of the March '02 issue.

Autumn-Jade finally got fucked in May '02 and Annie Swanson wasted no time doing boy-girl in the Holiday '02 issue. Although outtakes from Chloe's first boy-girl were published in the August '99 issue, we didn't see insertion shots until January '01. Wow! What a difference a hard cock and filled pussy made!

How hot can we get? The photos on this spread supply the answer. Isn't it wonderful how Donita Dunes (far left) smiles for the camera while her man spreads her pussy lips and rams his cock in her ass? Isn't it delightful how Elizabeth Starr (left) lets her tits swallow up a hard-on? Doesn't Sierra (bottom left) seem ready to gobble up the rest of that cock? And ya gotta love it when a busty babe like Sara Jay (right) lets her guy turn her upside down for a jackhammer fuck. We've also seen Minka and Kayla Kleevage (top cover) take on Blue Balls in a unique pictorial. And see how sweet Autumn looks in the bottom cover. Guys, the good news is the best is yet to come. More hardcore debuts. More raunchy spreads. Only in Xtra.
