SCORE CARD

Linsey Dawn wore a little bit more than this when she appeared on *The Howard Stern Show*. Not surprisingly, Howard was amazed.

LINSEY DAWN'S A LOOKER

Dear SCORE,

About Linsey Dawn McKenzie's appearance on *The Howard Stern Show*: I saw that particular show. I think it was a major mistake sending her.

First, she was there to advertise the new magazine, *Looker*, which was a poor choice to start with. From what I have seen about *Looker*, it is more about pretty models with average boobs. Therefore, I would have sent one of the models from *Looker*, as they would have probably done the magazine more justice.

Second, any boobs over the size of 32B are huge to Howard Stern. As it was, all he did was question over and over if they were real. I knew that was going to happen before she appeared as I often watch his show to see who he will slobber over next. Of course, his supporting crew was just as bad, as all the attention was given to LDM's chest, not the magazine she was there to advertise.

Third, and as you pointed out in your LDM preview, cable TV will never do any SCORE model justice by blotting out and censoring what SCORE subscribers take for granted. LDM may just as well have worn a winter coat on the program.

Lastly, putting LDM on the show was kind of like throwing her to the wolves. Howard is pretty sharp-tongued at times, and Robin can be just as bad. LDM is always so nice and soft-spoken in her videos, but she doesn't have that quick wit of Pamela Anderson, or Courtney Love, which is needed on *The Howard Stern Show*.

The point is, LDM was there to advertise your magazine, not explain whether or not her boobs were real. However, if the show picked up readers for your new magazine, then I guess LDM did what she was supposed to do.—R.D.K., email address withheld

Dear R.D.K.: Linsey Dawn was the subject of a five-page article ("The Best Tits In The World") in the premiere March 2003 issue of *Looker* (available at eBoobStore.com), which made her a natural choice to represent the new mag on Howard Stern's radio and TV shows. Also, Linsey has a vivacious personality and a quick wit, and we thought she was well-equipped to handle Howard, as she proved to be...in more ways than two.

WHAT DO SCORE MEN WANT?

Dear SCORE,

I am quite stunned that Crystal Gunns won over C.J. as Newcomer of the Year (May '03). More to the point, I'm shaking my head that it seems readers prefer surgically augmented women over the real deal. C.J. is a perfect specimen of beauty and natural curves. Crystal won her award because she bought and paid for it. She's pretty, but those beach balls attached to her chest look ridiculous. Yes, I am aware that SCORE caters to fake boobs and real ones.—Jeff, Toronto.

Dear Jeff: We need to point out that although Crystal won Newcomer of the Year, two naturals—Annie Swanson and C.J.—finished second and third. Also, Sharday, the natural who won 2001 Newcomer of the Year, won 2002 Model of the Year. So, we don't think SCORE readers prefer enhanced breasts over natural breasts; we think they simply love big, beautiful tits.

MAY SCORE: A CUT ABOVE

Dear SCORE,

I just finished cover-to-cover your May issue. You've outdone yourselves again. I am in 90% agreement with the selections for Model of the Year and Newcomer of the Year.

High marks for your first Hall of Fame lady, Traci Topps. She is the ultimate SCORE Lady, and she used to live in one of my from favorite cities, Houston. Keep up the good work. —Mex from Texas

KELLY'S XXX CLINCHER

Dear SCORE,

Kelly Madison fifth in the Newcomer of the Year contest? I wonder what the guys who didn't vote for her are thinking now after seeing her amazing hardcore layout in the May Xtra section. Of course, beautiful Kelly had my vote way before that.—Email address withheld by request

A sturdy bra, a tight top and Kayla Kleavage. We agree with reader L.B.: tits in tight tops are tops.

MORE TITS IN TIGHT TOPS

Dear SCORE,

I really don't care for all the hardcore material you feature every month, but I know that the majority of your readers prefer it. What keeps me coming back to SCORE is boobs. Nothing more, nothing less.

Every once in a while, you come up with great ideas for your magazine. Bra Shot of the Month is great. As crazy as it might sound, the thing I really look forward to is the "Tits In Tight Tops" feature in Elliot James' Boob Beat column. Unfortunately, it doesn't appear in every issue, and when it does, it only takes up half a page. What a shame. I feel that a woman who displays her assets in a tight top is my reward for being a boob man. The right top can add to, rather than take away from, a woman's bosom. If you take a big pair of boobs, support them in a sexy bra and accentuate them in a tight top, you have some of the most spectacular scenery in the world.

If you were to make "Tits In Tight Tops" a monthly feature, you could consider me a subscriber for life.—L.B., La Mirada, California

Annie Swanson finished second for Newcomer of the Year. Alyssa Alps (inset) finished second for Model of the Year.

ANNIE: IMPRESSIVE SECOND

Dear SCORE,

You know what was impressive about the Newcomer of the Year voting? Annie Swanson finishing second and beating out C.J., even though she doesn't have the classic SCORE slim 'n' stacked body of Crystal Gunns or Ricki Raxxx.—A.P., Glendale, California

KEEP OUT THE WEB GUYS!

Dear SCORE,

Alyssa Alps losing by one vote to Sharday among SCORE magazine readers in the Model of the Year contest is proof that the web voters have no place in the SCORE Awards contest. They have their own criteria, and most of them never got the chance to know Alyssa like we have through her columns and wonderful personality. She is truly a SCORE treasure.

I know a loss is a loss, and even if you only counted the magazine votes, Sharday still would have won, but you could've warned us that the Scoreland vote would be included in the final tallies.—P.T., Trenton, New Jersey

NEVER STOP JACKING

Dear SCORE,

I wanted to write to SCORE last month after reading the letter "Stop the Jacking" in the April issue. I was starting to wonder what happened to The Jack Report. I figured that maybe you had an editorial change and decided to go a less thought-provoking route.

To tell you the truth, The Jack Report

BRANDY

Brandy's youthful looks and DD-cup breasts—in all honesty, we thought they were larger—were a highlight of the June issue. She'll make her on-screen debut in the upcoming DVD/video *Stacked & Packed #5*.

IT'S ONLY SEPTEMBER, BUT ALREADY THIS HAS BEEN A BANNER YEAR FOR NEWCOMERS WITH GOD-GIVEN ASSETS.

MELANIE ADDISON

California beauty Melanie Addison had the cover of the January issue all to herself, then returned by popular demand in June. Slim, stacked, blonde. What more could a *SCORE* Guy ever ask for? How about more pics?

CASSITTY

Here's another California chick with a special talent: She can get both of her EE-cup breasts into her mouth at the same time. Show off, right? Cassitty, who debuted in August, stars in the new video *Black & Stacked #2*.

INES CUDNA

Polish teen dream Ines Cudna, one of the most beautiful models we've ever featured, graced the cover of the March issue with her EE-cup naturals and stars in the sensational new video *On Location Costa Del Sol*.

BUSTY BECKY

Are these big-busted babes getting younger, or what? Southern belle Becky Olson was only 18 when she debuted in the January issue. Remember that dildo? She used it to perfection in *Stacked & Packed* #4.

ISIS

"When I masturbate, I like to play jazz, drink wine, light candles and rub my breasts," said Windy City DD-copper Isis, who also told us how she once gave a guy head on the way to an adult book store. She's our kind of girl.

BOOB BEAT

BIG BOOBS IN THE NEWS

BY ELLIOT JAMES

BOOB PREJUDICE

ANNIE REVEALS: "I WAS WEARING A BRA IN FIFTH GRADE!"

There is boob prejudice in the world today, friends. Yes, boob prejudice. Busty little pixie Annie Swanson has told *SCORE* about facing boob prejudice during her formative years. She's not the only one. There are many stories out there. Yet, the mainstream media blows off boob prejudice. They call your *SCORE* editors insane, paranoid mental cases. All they care about is Michael Jackson and his fucking nose.

"I was wearing a bra in fifth grade," Annie said. "Not a training bra. A real bra. I actually had a social studies teacher who stared at me. A lot of teachers told me that I had to cover up, so I'd wear sweaters all the time. At that time, I was really self-conscious about having big breasts. I mean, anybody'd be self-conscious if you're the only one. It's kind of like being in a minority. If I wore a little tank top and a flat-chested girl wore the same kind, teachers wouldn't say anything to her, but they'd say something to me.

"Once I actually had a whole family in an elevator turn around because the mother got mad. She had her son, daughter and her husband with her, and she had everybody turn the other way because I had a bikini on. I'd never had a family turn away from me. I don't even attempt to walk along the street by myself if I'm wearing something tight or a T-shirt. People say things.

"I got detention because of the clothes I wore. I got suspended. I was sent home. I wore the same clothes as the other girls,

"There is a boob prejudice in American high schools," Annie said. "I actually had a social studies teacher who stared at me!"

BOOB PREJUDICE

but because I fit in them differently, I got in trouble. There definitely is a boob prejudice in American high schools. A lot of girls don't realize it because they're flat-chested. They don't have to face mean people."

Bre knows all too well the taint of boob prejudice. "By sixth grade, I was already in a D-cup bra, and everybody said I stuffed my bra," Bre told us while we listened with elevated stomach acidity etching an ulcer in our guts. "I would get so mad, and I would start crying. All these girls were tall and lanky, and I was short and cute with boobs. They had no boobs at all!"

"My boobs made me the most-hated girl in school. One time, we were at this pep rally, and all the guys were saying, 'You stuff your bra! You stuff it with toilet paper!' I lifted up my shirt and said, 'Yeah, that's right. I stuff it with my titties.' I got in trouble and got suspended. I was always wearing short booty shorts, little skirts, tight little tops. They hated that, and I still don't have any girlfriends to this day!"

That was enough. We couldn't take anymore, especially the part about the short booty shorts. Boob prejudice must be stamped out right now.

Bre has faced the discomfort of boob prejudice, a rotten practice which must end.

BRA STORY: PART 2

CINDY'S LACEY BRA

CASEY JAMES

JADE FENG

MAXI MOUNDS

SHE LOST HER BRA

Last month, SCORE held a group Q&A with Tit-ans Maxi Mounds and Casey James and Asian super-natural Jade Feng about the thing we love so dear: boulder holders. This issue, we hook it up and put 'em away. Our thanks again to the ladies.

SCORE: What do you pay for a bra?

CASEY: Seven bucks! Woo Hoo! Thrift shopping! The Fredericks bras cost more than that, but I don't wear those unless I'm on my iFriends Cam.

MAXI: It depends, but the ones I make myself are priceless.

JADE: I usually can find a good bra for about 40 to 50 dollars or Euros. The Japanese bras are around \$100.

SCORE: Ever find a front-hooking bra that fits?

CASEY: There isn't a front-clasp made that could hold these back.

MAXI: No. Where I can get one?

JADE: If you find one in 34G, please

send it to me.

SCORE: Do you wear a bra every day?

CASEY: Yes, unless I'm doing a cam show that requires me to go braless.

MAXI: Yes, I have to. These puppies can get away if I don't keep them under strict control.

JADE: No, I like when summertime comes and I can go braless with a tight fitting shirt or tank top.

SCORE: Your neighbors must like that.

PAULY ART SCORES!

SCORE veterans with Pentium chips implanted in their brains may remember big-bust artist Pauly. In the March '97 SCORE, Boob Beat published a sampling of his terrific titty-girl art. Six years later, Pauly is still going strong and dedicates his art to all the women who bare their huge breasts to the world, past, present and future. Once a tit-man, always a tit-man. This time, Pauly sends us examples of his recent boobadelic work. For more info, visit PaulyArts.com, his new website, or write P.O. Box 120846, West Melbourne, Florida 31912-0846.

WHAT KIND OF **WOMAN** READS *SCORE* MAGAZINE?

Christine Allure is that kind. Here she's admiring her Xtra pictorial in April '03 *SCORE*.

If you read this month's Scorecard section, you already know how pleased Christine Allure was to be the centerfold in the April '03 *SCORE* (UK readers who are going crazy for her can stop now; she was the centerfold of the Xtra section). Christine even told us how she dragged one of her girlfriends to a newsstand to show her the issue. Why is this special? Because Christine had a hard cock in her pussy in that centerfold. Yep, she made her *SCORE* debut in a raunchy boy-girl pictorial, and she was proud of it.

By the way, Christine told us that her favorite pics were the eyes-open blow job shot on the opening page and the cum shot on the final page.

IT'S A BRA WORLD

More than 70 percent of American women wear the wrong bra size, according to U.S. bra experts. They recommend that all women be professionally fitted. A sizable number of *SCORE* readers and staffers are willing to help out.

In a survey that queried 5,000 women across Europe, bra manufacturing giant Triumph of Germany found that British women have the biggest boobs in Europe. More bras sized D-cup and above are sold in Blighty than in any other nation on the Continent. Almost a third of the bras purchased by British women aged 30-39 are D-, E- or F-cups. The Dutch came in second, followed by Denmark, Belgium, France, Sweden and Austria. But where's Germany?

Triumph Japan, a member of the Triumph Group,

Yanine Diaz, at left, stuffs a classic black lace bra while Melanie Addison opts for the same in ivory.

produced a Triumph Baseball Bra, which featured realistic-looking fielders' gloves in place of cups. The bra, which was not made for general sale, was a tribute to Japanese baseball players such as Major League stars Ichiro Suzuki and Kazuhiro Sasaki.

Triumph also created the Hat Trick Bra to nail a piece of Japan's World Cup frenzy. Costing 17,000 yen (133 dollars), the Hat Trick Bra is made of green polyester velour to represent football turf with cups patterned to look like soccer balls. It's covered with nylon goal netting. There's also a pair of panties embroidered with the image of a goalkeeper catching a ball. Triumph sold 100 sets of the limited-edition bra in major department stores in Tokyo and Niigata.

Triumph, a company we are starting to love deeply, has held an annual competition the last 10 years to select a woman who can best show off its bras. They marked the 10th anniversary of the competition by creating a glass bra, under the slogan of "Find Cinderella!" The cups of the 380-gram bra are made of glass. The sides, the panels connecting the two cups and the straps are all made of glass beads from crystal maker Swarovski.

A total of 397 women in Japan put their best chests forward in the contest, and one winner was crowned Cinderella. She will promote Triumph for one year. However, for the time being, the company is not selling any glass bras. It has only manufactured two. The Managing Director of Triumph International Japan, Christian Thomas, told the press, "We actually made only two bras because it was very, very time consuming, but I'm sure there will be a lot of people who'd like to buy this bra. Perhaps later on we might produce more glass bras. I don't know yet."

The world's first bra made of chocolate went on sale in Austria. Reinlinde Trummer created the bras, which sell for about £100 each. Mr. Trummer said, "I receive dozens of orders from stores for the chocolate bras each week, but because of the time it takes to make them, I can't keep up." The bras are made from special chocolate which does not melt. (It probably will once you get your mouth or your hands on it.) Each bra takes three weeks to

make. It takes two days to manufacture them. The rest of the time is needed for drying and hardening. Each bra requires at least two kilos of chocolate, which is mixed with spices such as chili, pepper and whisky. The bra can withstand higher than average temperatures.

"Most people buy the bras to keep or give as presents," Trummer said. "Many of the bras we have sold have been given as wedding presents, which is sure to give a sweet start to the honeymoon."

A personal security device called the "Techno Bra," was developed by Kursty Groves at the Royal College of Art in London, England.

"It could notify the police if the wearer was a victim of domestic violence," Groves said. "For someone like me, who works a lot at night, it could notify my boyfriend."

The bra can tell the difference between changes in heart rate induced by exercise and or fear.

"Your heart rate jumps much quicker when you are frightened than when you exercise," she said.

Groves hopes the bra will be available next year.

The Love Goddess

RACHEL LOVE, ONE OF THE BEST NATURALS OF THE 1990s, RETURNS TO SCORE.

We have a saying here at *SCORE*: "Never say never." It's nothing new, but the whole idea is to keep an absolute from coming back and biting us in the ass. That said, there was no reason to believe we were wrong when, in the June '98 issue, we wrote, "Cherish these photos of naturally busty Rachel Love. They're her last." Rachel told us she was going off to live happily ever after with some lucky bastard, and that's what we thought she was still doing...until a few months ago, when these brand-new photos of The Love Goddess arrived in the mail. They're not long-lost photos. They're fresh out of the camera, and doesn't Rachel look better than ever?

**"I ALWAYS
ENJOYED
MODELING,
SO WHY
SHOULDN'T
I DO IT?
I'M HAPPY
WITH MY
BODY."**

Saying blonde and beautiful Rachel, a California girl with DD-cup tits, is getting better with age isn't exactly fair. She's only 29; we just think of her as being older because she dropped out of modeling five years ago. "I've been in California, where I've lived my whole life," she said. "I had my fling at adult modeling, and I had fun. I had no regrets when I stopped. I wanted to try something else." Well, we're glad she's back.

**"THERE
ARE A
MILLION
BLONDES
IN SAN
DIEGO, BUT
FEW HAVE
BIG TITS
LIKE MINE."**

So, one day earlier this year, Rachel was walking down a busy street in downtown San Diego. She was wearing shorts and a white T-shirt, and she noticed that every man she passed had his eyes on her chest. Then, each time she turned around, she saw that those same men were staring at her ass. She realized how much she enjoyed being looked at and appreciated and decided, "I think it's time to find out if any photographers would be interested in taking my picture again." Of course, they were, and these photos, along with Rachel's photos in the April '03 V-Mag, are among the best ever taken of her. Not the most explicit, of course. Rachel appeared in 132 XXX-rated films during the 1990s. But we're thrilled to have her back at all, and this pictorial is the perfect way to kick off our celebration of naturals. "I'm so happy men still get turned on by me," she said. But she already knew that...just by walking down the street.

DEBBIE DOES DYNAMITE

BIG TITS THAT GO WITH A BANG!

There was only one way through Rack Ridge. And there was only one person for the job: the huge-chested babe at Blow Jobs R Us.

By Terry Dobbler

The building of a new highway in the twisting Mamazon Valley had come to a halt.

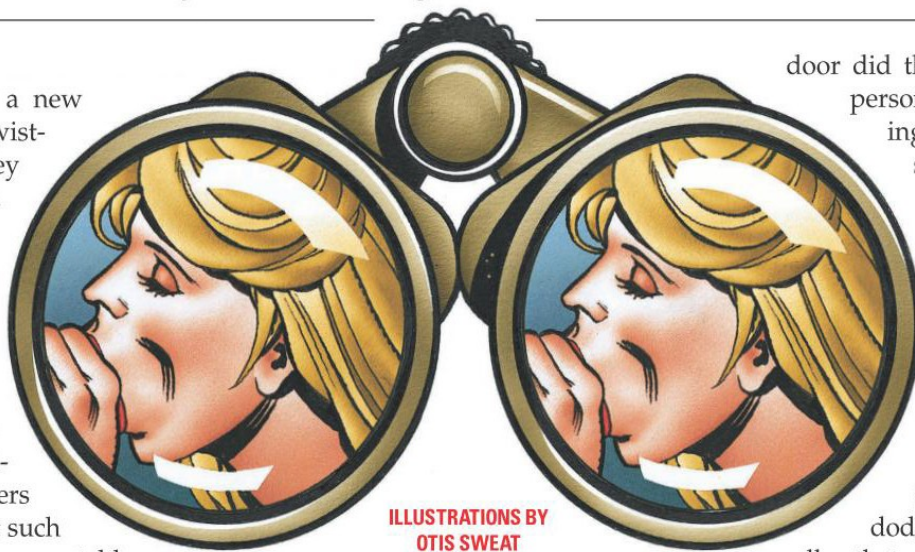

There was no way through the solid mound of pink-tinged igneous rock known as Rack Ridge. The sharp teeth of several giant, caterpillar-tracked bulldozers were no use against such firm opposition. In a portable

cabin nearby, three men debated how to tackle the large, seemingly immovable obstruction.

"I vote that we go around her," said big Bill Brickhouse, a Harlem-born black man in his late 50s with graying, wiry hair and meditative brown eyes. His hefty build and tall stature made him fit for the job of site supervisor.

"No way," said Mack Macgrew, a bright, young, red-haired architect from Kentucky. He patted the highway's plans with his flattened hand. "If we go through there, we're going to hit a quagmire of underground waterways. Build on those and the road will sink like a stone within a month."

"So we've got to blast our way

ILLUSTRATIONS BY
OTIS SWEAT

through, don't we?" hemhawed Saul Spieler, the project surveyor.

"Yes, Yes," the other two men agreed simultaneously.

A telephone call was made to the head office of a blasting contractor in the nearest city, and, the following morning, a red truck bearing the company logo BLOW JOBS R US arrived at the entrance to the site.

From the warm cabin, the three men looked out through the rain-slicked window and saw the yellow hard-hat and red-checked shirt of a strong-jawed type who looked accustomed to working with explosives. Only when the extraordinarily top-heavy figure stepped down from the driver's side

door did the men see that this person was actually wearing a denim skirt instead of the usual, pants, along with a pair of heavy work boots. This was a woman, they observed, with very large breasts, a full, round backside and two very long legs.

She walked rapidly, dodging the many puddles that were collecting in the rutted earth. Soon she was in the warm interior of the cabin and introducing herself to the three handsome men who had hired her.

"Crikey boys," she said. "Why in hell did you ask ol' Debbie Duggs all the way out here?"

"We need you to do a bit of TNT work for us," Bill said. "See that mountain of pink dirt out there? It's in the way of our road, so we want you to demolish it."

"Bill's right," Mack agreed. "We've got to keep this highway on schedule, haven't we Saul?"

"It's got to be finished in six months," Saul added.

"Well, just show me this piece of

rock, and I'll decide how I'm going to get rid of it," Debbie said. She punctuated her words with a hearty laugh that made her double-frontage vibrate furiously. The quaking globes beneath her shirt caught the men's attention. All of them realized that she was extremely attractive. A few bangs of her blonde hair trailed out from under her hard-hat and emphasized her gray-blue eyes, straight, dainty nose and her perfectly glossed rosy lips. She wasn't short, perhaps a good five-feet-six, and her frame carried about 130 pounds of soft, womanly flesh. It didn't matter that she wasn't dressed in the feminine, fashionable way, because she had such a pristine and voluptuous beauty.

It was Bill's job to take her to Rack Ridge. He led her out of the cabin, and, a few minutes later, they were in the area that needed to be blasted. Debbie bent over to examine the depth and nature of the rock, allowing Bill a glimpse at the backs of her well-defined thighs. This sight made the long-ignored length of cock in his underwear stir. After a while, when Debbie finished her various measurements and turned to him, she noticed the growing bulge in the front of his

tatty, khaki combat-trousers.

"I think I can help you with that, too," she said as she placed her work-roughened hand upon his eager crotch.

"Go ahead," Bill said. "Take out my ebony prick and picnic on it."

"Oh! That sounds delicious!" Debbie said. Then she flipped open the buttons on his fly and tugged out the massive rod of male meat that was waiting for her touch. She gave Bill's thick member a few adept strokes before she sank to her knees. Bill removed her helmet and held it while she got closer to him.

Bill realized immediately that she was an expert cocksucker. Perhaps it was the way she began her task with the flicking of her narrow, wet tongue over the slit of his huge tool. Her consummate skill was confirmed by the rush of blood into his semi-rigid shaft; this flood turned his cock as stiff as a stick of dynamite. She must have practiced her moves a thousand times. She opened her mouth and ran her teeth over his fat, crimson cockhead, making his hips buck involuntarily. His stalk slipped easily into her cavernous throat, and she closed her skillful lips around its head. Her hand, which was surprisingly well-manicured, wrapped

about the shaft of his hard prick and gripped it so it would keep pointing straight toward her. At the same time, she jerked the knobbly skin on his black tube as slowly as she could to complement the quick movements of her mouth over his swollen cock. Her lips engulfed the gnarled and veiny surface. Occasionally, she would pull far enough away for her tongue to encircle the spongy rim of his glands. The sound she made when she did this was a slurping like a full hand-basin emptying in a whirlpool.

"Come on, oh yeah, baby," Bill murmured as he concentrated on the sensation of man-juice welling in his balls. Debbie looked up at his dark eyes and knew from the incredible steeliness within them that the tempo of her masturbatory movements had to increase. Her hand and mouth turned into a single blur of action, and Bill cried out uncontrollably.

"Ohhh, my boner's gonna spurt my whole white dinner," were his sudden, surprising words.

This promise was fulfilled immediately. A thousand synapses in his straining groin snapped, triggering an eruption of cum. His long saved-up milky sperm slid up his dick-shaft and spewed wildly onto Debbie's tonsils. She gagged from the energetic force of it and was obliged to let his piece go. Yet, Bill continued to squirt his stuff, leaving a trail of glistening cum on her lips and chin. Some of it bubbled at the corner of her mouth, and the rest dribbled into the portion of her huge cleavage that was exposed by the open lapels of her masculine work shirt.

"Ahhh," she sighed, feeling satisfied with her accomplishment.

"Okay, get up," Bill said. "We'd better get back to the cabin. I think the boys are expecting us."

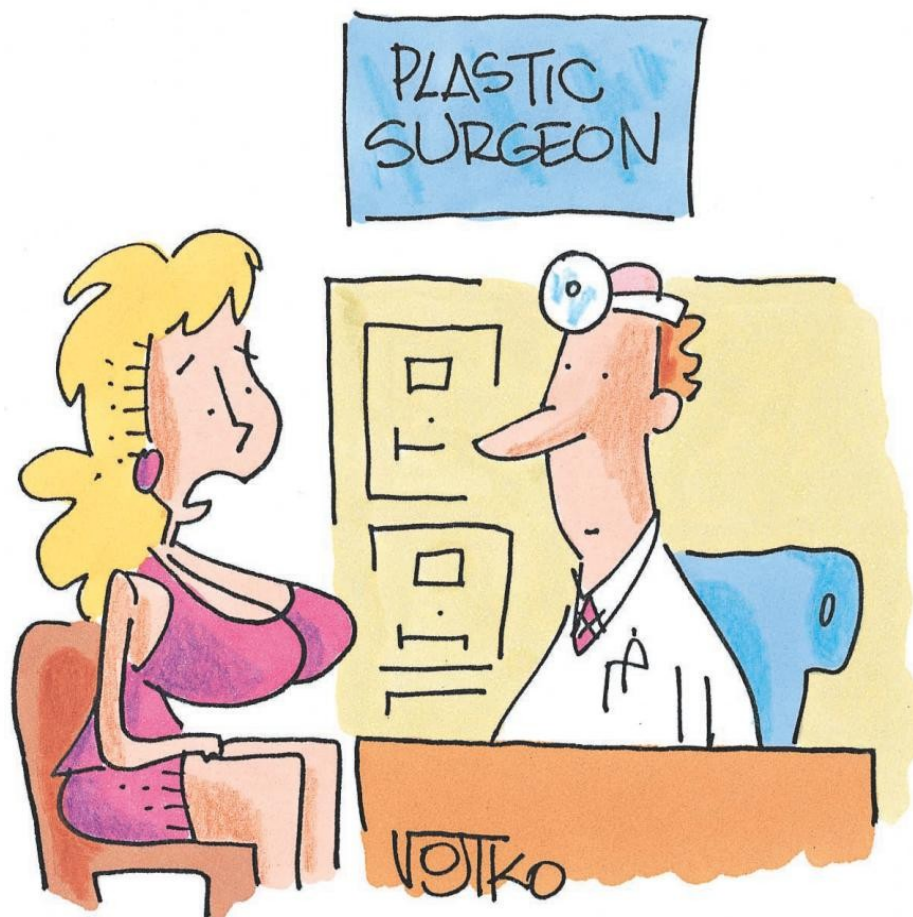

They were. In fact, they had been watching the whole lascivious incident through the cabin's windows with an interest usually used for surveying the uneven landscape. They had continued their surreptitious voyeurism through a powerful spyglass and noticed how a frothy, clear liquid dripped provocatively from Debbie's chin.

As soon as the jobbers returned, Mack took control of the situation.

"Miss Duggs, I'll show you where we keep our explosives," he said.

"No sweat, Mack. Lead the way!"

A Rose By Any Other Name

FLEUR SMELLS SWEET, IN OR OUT OF THE SHOWER.

The last time we saw Brit beauty Fleur Rose, she was wearing hair extensions and downing dick in the XXX-rated fuck-fest *Voluptuous Xtra #4*. But, for her *SCORE* debut, Fleur went natural...hair and tits. And she looks more beautiful than ever.

Fleur got porked in just that position in *Voluptuous Xtra #4*, but, here, we get to see her without man-ass getting in the way. And the view is spectacular. Her tanned body looks a little trimmer, her breasts are fuller than usual and her nipples, sharp eraser-tips surrounded by dark areolae, look more suckable than ever. And to think...this businesswoman says she doesn't have time for dating. "I'm a career woman," she said. "But posing like this makes me feel sexy." Which she is.

The Hitchhiker

**KERRY MARIE
NEEDED A RIDE.
"KEY LARGO OR
BUST," SHE SAID.**

You're on vacation and driving down to the Keys on a beautiful South Florida day when, suddenly, you spot a girl on the side of the road. She looks like an ordinary hippie chick in a pink tank-top and jean shorts, but you can tell from a hundred yards away that she has some serious protrusions sprouting from her chest. You slow down. "Key Largo Or Bust," her hand-written sign says, and you're thinking, *She can have Key Largo if I can have her bust.* "Hop in, honey," you slobber.

**"I'M GOING
TO THE
BEACH,"
SHE SAYS.
"MIND IF I
CHANGE
INTO MY
BATHING
SUIT?"**

When she climbs in, you immediately recognize her face and her F-cup rack. Hey, that's Kerry Marie, you're thinking, but you're playing it sly, not giving anything away, other than the bulge in your pants. You can't believe your good fortune in picking up a super-breasted British chick hitchhiking in the States, and when she asks if she can use your back-seat as a changing room, you nod your head coolly and adjust your rear-view mirror. Like you could give a shit who's coming up behind you. Yeah, Kerry Marie's getting changed in the back, but it sure seems like she's putting on a show for you. Her shorts come off, and you see she's not wearing any panties. She lifts up her tank top to expose breasts that look even bigger in person than they do in the magazines, then she lays back, spreads her legs and starts playing with her pussy. She knows you're watching. "You don't mind, do you?" she asks. "It's so hot outside."

Buddy, you've just become a traffic hazard. You've nearly hit three light poles and almost run over a half-dozen alligators, all because your eyes are on the tit show, the spread pussy and the bangable butt in the back seat. You can't suppress your disappointment when she finally pulls on her bikini, and when you drop her off, she smiles and says, "Thanks for the lift. I hope you enjoyed the show." And you know when you watch her in *On Location Key Largo* and the new video/DVD *On Location Costa Del Sol*, you'll see her in a whole different light.

DEBBIE DOES...

Continued from page 36

she answered.

He slipped his tattooed arm around her wrist and led her to a small, iron hut nearby. A set of keys for the rusty padlock was produced, and Debbie and Mack went inside. The hut had a row of shelves that stretched along one wall. The shelves held various pieces of kit, including the rods of dynamite, plunger and wires the workers needed. Debbie collected these and placed them by the door, then she went back to the shelves and picked out a roll of green tarpaulin kept for protecting engines from dust and water. She opened it and rolled it out on the floor like a blanket.

Mack realized his luck was in. "Do you want me to..." he started.

"Titty-fuck me?" she said. "Quite right. Now take off your damp clothes while I remove my shirt and bra!"

Mack had his boots off in a second, and his grimy pants were around his ankles almost as quickly. When he cast his old sweater aside, he stared, fascinated as she stripped. She was half-

naked and lying on her back, and he could tell how big her knockers really were. Incredibly big!

"Now wag your jelly-bags for me," he said. "Looking at them will get me rock-hard."

"And when you're stiff as that plunger handle," Debbie said, "you'd better plunge your rocketing prick between my lovely chest-nuggets."

She put both of her nimble hands to her mammoth breasts and rubbed them vigorously. As her gigantic titties jigged obscenely, Mack took his rapidly stiffening pole in his hand and manipulated it until it grew into the engorged wedge of seven-inch manhood needed for the awesome task ahead. Then he lowered himself so that his buns rested on her stomach. His throbbing erection pointed skyward. Debbie grasped it in her fist and used its purple head to stimulate her broad areolae and stubby nipples. His uncut bud bashed forcefully over the crimson, wrinkled knobs of skin, then the pungent slab surged forward steadily. After all, it needed copious lubrication.

Mack lifted his hips and angled his solid cockhead toward Debbie's wait-

ing face. She slackened her jaw enough for his probing length of meat to penetrate her mouth. She licked and sucked on it until her saliva coated it completely. He took her hands in his and pressed them under her huge udders; a deep tit-tunnel was created. He pulled his waist back and aimed his schlong at the tit-pussy they had created. The cavern accepted him immediately. Mack pushed and shoved inside her breast-flesh while she massaged her amazing assets. Sometimes, she even tweaked her succulent nipples between her finger and thumb.

"Cram your jam onto my massive mams," she sang out deliriously.

"Yeah, I'll toboggan in the crevasse of your stacked amazons," Mack said.

His professional boffing of her wobbling titties had become faster and more vibrant. Each time the end of his cock appeared at her sternum, she tried to lick the tip with her tongue, but could not quite reach. This made her even more intent upon squeezing her humongous breasts tighter around his beefy baton.

Exactly then, Mack's nuts passed their winning post and delivered their exotic cargo to his pre-lubed cockshaft. Huge rocket streams of his smooth man-cream geysered all over Debbie's monstrous mammaries and sprayed into the crack between them, flowed onto the stretched areolae and streamed over their curved tops. Some of it even collected in the delicate hollow at the base of her throat.

"Ahhh, that's fantastic, Mack," she moaned as her titty-orgasm crescendoed inside of her.

Mack groaned as his whitish jizz continued to cover her blissful body. There was so much pent-up spunk in his heavy acorns that Debbie had to raise her head, collect his cock in her mouth and suction the remainder of the tasty goo into her cheeks. When his heaving balls were finally dry, she released him. He got up off her, and she lay there panting exhaustedly.

Soon, she recovered and got up. They dressed each other. Then they left the hut and returned to the cabin, only to face a barrage of questions from Saul.

"How was it in there?" he said. "You were in there such a long time! Did you two have any trouble locating the plunging device?"

"We were only away for as long as

The Naturals of Mammary Lane

**THEY'RE IN OUR MINDS
FOREVER. HERE ARE
SOME OF THE GREATS.**

Before we get on with the second half of this issue, let's look back at the naturally big-titted babes your fathers—and maybe you—couldn't get enough of. Girls like Nilli Willis, an Israeli chick who starred in the late 1980s. And Roberta Pedon, a natural nature girl from the 1970s. And Louise Leeds, a Brit chick who posed for only two years in the mid-'80s. And Susanne Brecht, Denmark's gift to big tits in the late 1980s.

There's some serious superstar power in this spread. Rhonda Baxter, named one of *SCORE's* 20 Greatest Naturals in the September 2001 issue, had amazingly pliable DD-cups and a girl-next-door look that men loved. Cathy Patrick also had heavy, pliable titties and was one of the first big-titted naturals to do hardcore. Uschi Digard, also known as the girlfriend of big-bust softcore movie director Russ Meyer, was the No. 1 big-tit star of the 1970s. And Lisa Phillips, another one of *SCORE's* 20 Greatest Naturals, was a statuesque, super-slung beauty from Belfast, Ireland, with EE-cup breasts. She, too, did hardcore, but before the *SCORE Xtra* era.

Devon Daniels

Jeannine Oldfield was a 42-25-37 British babe who became popular in the late 1980s and early '90s. Devon Daniels was recently inducted into the *SCORE* Big-Boob Hall of Fame. Alexis Love, who made her *SCORE* debut in 1993 at age 42, remains one of the most popular models ever. And Stacey Owen was another Brit tit great. All of these girls will forever be in our hearts and minds.

DEBBIE DOES...

Continued from page 50

"I'm going to spend with you," Debbie said seductively.

Eagerly, Saul escorted Debbie back to the blasting site at the foot of Rack Ridge. For a good hour, they carefully laid the bundles of dynamite at regular intervals along the base of the miniature mountain. Just as carefully, they wired them together. When they were finished, they rolled out the remaining yards of cable back to the cabin and connected it to the plunger, which was now at the end of the table where the highway plans were kept.

Then, to Saul's great surprise, Debbie started to take off her clothes, including

her skirt and boots. She climbed up onto the table and got on all fours. Her mammaries hung down to the table. Saul was mystified.

"Saul, everyone but you has had a little fun this morning while we worked," she said. "So I want you to have your turn with Debbie Duggs, the blow job girl with the double-Ds. Hop onto the table and have a bit of what's left of me."

"I'd be most happy to, Miss," Saul said. He removed his stained dungarees, got up behind her and reached forward to handle one of her heavy hooters, which were swinging underneath her. She wriggled at the cold feel of his hand. He didn't even notice when Bill and Mack entered the room.

"Sound the warning hooter now,

please," she said as Saul placed his free hand around his thumping, eight-inch erection.

Mack pressed a button on the wall, and an eerie siren wailed on the roof of the cabin. Just as it did, Saul steered his pulsing prick into Debbie's waiting asshole. His thick dick found its way into her back entrance. He started his glutes moving and got a rhythm going that plowed his cock in and out of her ass. This movement made her shapely backside ripple fluidly. Through gasps of ecstasy, she ordered the countdown to begin.

"Ten, nine, eight, seven, six..." Bill started counting.

"...Five, four, three, two, one!" Mack finished.

Debbie lifted one of her hands from the table, placed it on the plunger's handle and pressed it firmly. The box whirred ominously, and, a split-second later, there was a flash of light followed by a loud boom that made the cabin's windows shudder frighteningly. Dirt flew in the air. At the same time, Debbie's pink nipples started to surge forward. Saul rammed her ass as hard as he could. His rear-entry thrusts shook her body. Debbie screamed out with pleasure as Saul plundered her brown-eye.

Her creamy thighs shook and thrashed as he delivered his hairy ball-sac's load of boiling cum into her vice-tight hole. This netherhold convulsion was just as dramatic as the one annihilating Rack Ridge. The berserk volley of jism was giving Debbie an anal orgasm that would be difficult to repeat. Gradually, the waves of hot semen subsided. Saul withdrew his waning cock from her sumptuous asshole. As he unplugged her, torrents of white goo cascaded out of her sodomized butt.

The scene of the explosion cleared. The detonation had been a triumph. The unwanted hill was gone. Now the highway could go through. Debbie and Saul dressed themselves. The day's sex session had been safely conducted, just like the controlled act of demolition. Bill, Mack and Saul smiled with satisfaction and adjusted the bulge in their pants as the large-chested hired hand from BLOW JOBS R US got back in her truck and drove off to her next job.

"I'd say that girl has a unique way of doing her job," Bill said.

"Damn right," Mack agreed. "I'd say she's an expert with hard rocks." 🍌

"Be honest. What first attracted you to me?"

HAS MADE
HER MARK.**

Know that "Natural Legends" spread you just finished pouring over? Well, sometime in the future, the lady you're looking at is going to be one of the stars of a Natural Legends feature in a *SCORE* all-naturals issue. But not yet. Texas housewife Diane Poppos is one of the great naturals of the present, and her presence in the naturals extravaganza is becoming an annual event.

Diane, who was named one of *SCORE*'s 20 greatest naturals in the September '01 issue, is making her third straight appearance in the naturals edition. If it's September, it must be Diane and her H-cup whoppers. Why? Take it away, M.J. from Hauppauge, New York: "When I got to Diane's maid spread in the April '03 issue, it didn't take too long for me to empty my load." Well said.

PERFECT DAY: "Just laying out in the sun by the ocean and being served margaritas."

Over the past year, we've seen Diane as a French maid in the April '03 *SCORE* and, startlingly, Diane wearing a red wig in the December '02 *Voluptuous*. But we're partial to this lockerroom set because it shows Diane at her most basic: not a lot of makeup, not much in the way of wardrobe, a stark background. Just Diane. And, yet, she looks as jackable as ever. "I like when it's just me, the camera and the reader," Diane said. And, of course, we like it, too.

is one of the main reasons I buy SCORE. So I was quite pleased to see its return in the May issue. I was on vacation a few weeks ago in San Francisco and had just finished a great dinner at Rose Pistoley on Columbus Avenue in North Beach. Before heading back to my hotel, I stopped at Big Al's down the street to pick up my monthly copy of SCORE. I was pleased to see the return of the Jack Report, but, even better, you had posed my questions on Foreskin Restoration and Spraying Ejaculation to all of the Jack Report readers. It really made my weekend. I will be looking forward to the type of responses you get from other jackers. -S.H., Kansas City, Kansas

BLONDIE'S EE-CUP MELONS ARE WEIGHTY ISSUES.

Blondie, proof positive that persistence is a good thing, is making her second appearance in *SCORE* after making her reluctant debut in the February '03 issue. Why reluctant? Because our shooter in Hungary had to visit the bar where Blondie works as a bartender five times before she consented to pose. But look at her now! She's a natural.

Don't be alarmed, *SCORE* Men. Since we last saw her, Blondie hasn't added any sexual conquests to her life-time list of two men. But, she says, she's more eager to explore her sexuality. "I find myself thinking about sex more often," she said in her pretty Hungarian accent. "Like these photos. I kept thinking, 'What would it be like to have sex with a man while working out?' I think I would like to find out." Just one request, Blondie: Can we watch?

CHRISTINE ALLURE'S DREAM

Dear *SCORE*,

I had no clue you would make me the centerfold in the April issue. I love the layout. I can't thank you all enough. I'm so happy! I've wanted to be in *SCORE* for so long, so thank you for helping me to make a dream come true.

It is still hard for me to believe that I made it into *SCORE*! I was at lunch with a girlfriend last week telling her that I was the April centerfold, and she wanted to see it, so we stopped at a newsstand so I could get another copy. I felt very funny buying a magazine that I was in. It is going to be a treasure in my *SCORE* collection.

Thank you for listing my web site in the layout. I'd love to do more with you folks any time. Just let me know.

YET ANOTHER POLISH BEAUTY SHOWS HER TITS. PLEASE, TAKE US TO POLAND!

Here at *SCORE*, no place is too far out of the way in our search for fresh, big-titted babes. These days, the bumper crop seems to be coming out of Poland. At least where naturals are concerned. Already this year, we've introduced Ines Cudna in March and Anita Agni in June, and, now, here's the latest Polish busty beauty: Izabella, a just-turned-20 DD-cupper who is attending a university in Warsaw. The language barrier nearly proved to be unconquerable, but, as with Blondie (who didn't want to pose), persistence paid off. We found an interpreter who wasn't afraid to interpret such phrases as "show your tits" and "spread your legs," and, here she is, pretty Izabella.

"I HAVE NEVER SHOWN MY BREASTS IN PUBLIC BEFORE, ONLY AT THE BEACH."

Izabella said that through our interpreter, and we didn't want to inhibit her public exhibitions by telling her that the beach counts. Oh, well. Chicks. In any language, from any country, they have their quirks. But we're happy to have them around, especially when they have firm hangers with dark, three-inch areolae and sharp nipples, like Izabella has. Anyway, to make a long story short: our photographer discovered her while she was walking down the street carrying an armful of books. He offered to help her carry her load. She didn't understand a word he was saying, but, with the help of the interpreter, she eventually got the picture...and started taking pictures. "This is very exciting for me," she said through the interpreter. "I don't know if my parents would approve, but I am not doing this for them. I am doing it for me. I must pay my way through college." Izabella, our Polish princess, we're happy to help.

don't do hardcore; that has always been its appeal. I don't see this as disrespectful. Rather, I see it as the exact opposite when an artist as talented as Otis Sweat draws one of these lovely ladies in positions none of us might ever get to see them in. It's a homage to their innate beauty. He's enhancing their appeal.

Let me quote the editor in July 2002's Scorecard: "Otis will draw only models who haven't done hardcore boy-girl. That's the whole idea of the feature." And, J.T., when you start drawing a distinction between it being okay for Via Paxton to pose naked and spread her admittedly beautiful cheeks, and when someone draws a cartoon (a cartoon!) of her riding a cartoon penis, why stop there? Would you rather she didn't pose at all?

Give your half-hearted morality and the rest of us a break. I say kudos to Otis and SCORE for bringing this amazing image, as well as many others, to the fore.—Email address withheld

SHARDAY: AN ALL-TIME GREAT

Dear SCORE,

The May SCORE: Incredible! What it lacked in newcomers (I didn't see any), it more than made up for with the finest collection of big-titted babes who have come our way over the past few years. Congratulations to Sharday, who by winning Newcomer of the Year in 2001 and Model of the Year in 2002 must now go down in history as one of the greatest naturally big-titted babes ever, if not the greatest, even without pussy penetration.—L.W., Sarasota, Florida

Continued on page 90

2002 Model of the Year Sharday returns to SCORE on page 83 of this issue. We last saw her in May.

Hooked ON TITS

HAS SHARDAY REALLY SUNK THIS LOW?

"You're Driving Down The Street," Part II. This time, you're looking for action. Any girl will do. And, then, you spot her: the most beautiful street hooker you've ever seen with the biggest tits you've ever seen. You're buying.

“WANNA DATE, MISTER?” SHE ASKS. “A BLOW JOB?”

Yeah, you want a date, but you have more creative things in mind than a blow job. “How about coming back to my place and putting on a tit show for me?” you ask. She doesn’t hesitate. She hops into your car and says, “That’ll be 50 bucks, mister. And, by the way, my name is Sharday. *SCORE*’s 2002 Model of the Year.” But you already knew that. Your cock, which is rock-hard, knew that, too. Fifty bucks? She’d be a bargain at a million.

That's what your sick fuck of an editor suggested when the *SCORE* staff sat down to discuss a Sharday photo shoot, and we're letting you know this inside gunk so you don't think one of the greatest naturals in history has become so desperate that she had to go off and walk the scum-stained streets looking for johns. No. Somehow, your sick fuck of an editor decided that taking this big-titted dream, a gem of a girl who just turned 20, and making her look cheap was a good idea. That you'd want to see shit like this. Well, do you? Or do you not give a crap how we show Sharday's magnificent DDD-cups and shaved pussy, as long as we show them and show them often? "This is just a fantasy," Sharday said. "I didn't mind doing it because I think every woman has, at some point, thought about doing something taboo. I think the readers know I'm not that type of girl." We know, Sharday. It's why we adore you.

SCORE RESPECTS MODELS

Dear SCORE,

Gosh, where to begin? I've been looking through the awards issues for both SCORE and your sister magazine, *Voluptuous*, and I just had to get off my butt and write. You guys make the best magazine in the industry, and you deserve congratulations for the consistently incredible product you publish.

It's not just that your models are beautiful, although, as everyone reading this letter already knows, they are. It's not even that you have the most beautiful models (although, in my humble opinion, you do). On the rare occasions when I choose to buy another magazine, it is almost always because they have a pictorial of a girl who I learned to love from SCORE or *Voluptuous*.

Instead, what makes SCORE great is respect. You respect your readership by not being condescending with us, not loading up with page upon page of sleazy phone ads and mail-order ripoffs and giving us plenty of opportunity to express our opinions and views, even the Great Interracial Debate. (Yeah, I have an opinion, but I'll keep it to myself rather than prolong that particular topic any more.)

You also respect the women whose charms you bare to the world. Being worldly, we all recognize that 99% of SCORE's readership intends to get sexual stimulation from the pictures. But, while other magazines treat their models as beautiful meat and the pictorials as merely masturbation fodder, you celebrate the whole girl, the personality behind the face, and both the inner and outer beauty of each girl. Since practically all nude models and porn stars are, by their nature, very earthy and sexual beings, the distinction is somewhat nebulous and difficult to really point out. Nevertheless, it is real and visible and the reason you stand head and shoulders (and breasts) above your competition.

Thank you. Thank you for being yourselves, and don't ever stop.

By the way, in SCORE Xtra, I am aware that you try to avoid showing anymore of the boy half of a boy-girl than necessary, presumably to make it easier for readers to imagine they are the lucky so-and-so making love to a SCORE girl. Still, occasionally including the guy's look of enjoyment would only highlight the sensuality of the girls.

Nicole in Costa Del Sol

**ENCORE!
WELCOME
BACK
NICOLE
PETERS.
SHE'S ONE
OF THE
YEAR'S
TOP FINDS.**

Take a good look, *SCORE* Man. Yes, the annual naturals issue is drawing to a close, but it's ending in a very special way: with Nicole Peters' most daring photos, which are also the first nude photos she's ever taken outdoors. They were shot in Spain during the filming of the new DVD and video *On Location Costa Del Sol* (order it on page 98 of this issue), and they show a friskier, more erotic Nicole. No, she isn't using a dildo. She isn't even spreading her legs. Nicole, a 20-year-old student in London, England, isn't ready to show her holes just yet. But *SCORE* readers are getting their first look at Nicole's pussy hair...as if gazing at her J-cup naturals wasn't enough. Well, it is, but we always want more.

**“ONE GUY
SAID I
HAVE THE
BEST TITS
IN THE
WORLD.”**

Nicole, like Sharday, is a SCORE Group exclusive, which means you'll see her in *SCORE* and *V-Mag*, but you won't see her anywhere else. But we make no apologies about monopolizing the greatest big-titters in the world, because we know that only a *SCORE* Man can appreciate the wonders of babes like this. "I was so happy the readers enjoyed looking at my pictures," she said of her debut in the April issue. "It made me want to take more pictures." Any time, Nicole.

Nicole's comment about your appreciation making her want to pose again is important, because she never intended to make a career out of this. She was reluctant to pose in the first place and even more reluctant to do video. But, as these pictures show, she is getting more enthusiastic about showing off her body. Check out the tit-lick shot on the facing page. Is Nicole showing us what it would be like to tit-fuck her? We accept the invite!

AUTUMN & ANNIE: DOUBLE-DONGING

MEAGAN'S DEBUT

ANITA: ANAL FUCKED

ANNIE & AUTUMN: TIT LOVERS

Annie Swanson didn't need any help. She knew just how to fuck Autumn-Jade.

Autumn-Jade and Annie Swanson had never met before we brought them together in the *SCORE* studio for the filming of *Bosom Buddies #5*, but starstruck Annie knew all about the superstar natural she was being paired up with. "My boyfriend reads *SCORE* and *Voluptuous* all the time," Annie told Autumn. "I've always wanted to play with your titties."

"Don't worry," Autumn-Jade said. "I've done lots of girls before. I'll show you."

Actually, Annie had done girls before, too, just never on video, just like she had done guys before but never on video until her hardcore debut in *Voluptuous Xtra #5* and her encore in *Voluptuous Xtra #6*. And Autumn, who has tasted the pussies of Sierra, Linsey Dawn and Chloe, among others, was happy to lead the way. "Guys love it when two big-breasted girls mash their titties against each other," Autumn said as the girls got ready for the shoot. "When we use the double-headed dildo, let's get into a nice rhythm, as if we're both fucking the same dick. When I lick your pussy, don't be afraid to cum. And squeeze my titties."

Turned out Annie didn't need instruction. Autumn was clearly the aggressor, but when Annie strapped-on the strap-on, she fucked A-J as if she had a cock all her life. "My favorite part," Annie said, "was afterward, when we got to lay back and play with our dildos. It felt so naughty fucking my pussy with another girl lying next to me." Said Autumn, "This girl is a fast learner."

VIDEO REVIEW: 10 BEST NATURAL SCENES

Here they are, the best of the best from The SCORE Group video catalog.

BY DAN ROSS

There's something special about seeing a naturally big-breasted girl in SCORE, but there's something truly arousing about seeing her on video. Only in motion pictures can we see the way her tits bounce and sway. Only in motion pictures can we get an idea of their weight and flexibility. No doubt, video was made for natural big tits.

And the SCORE Video Catalog is loaded with stuff for the naturals lover to choose from. Solo. Girl-girl. Boy-girl. Where does one begin?

Well, you might begin by checking out the videos and DVDs containing these scenes: they're the 10 Best Natural Scenes in the SCORE Video Catalog. All of them are available at eBoobStore.com or by calling 1-800-421-0760 (toll-free) in North America or +1-305-662-5959 elsewhere. Some of them are available on

pages 98 and 99 of this issue.

The criteria for this list were: the model in the scene had to be naturally breasted, she had to have appeared in SCORE at least once and she had to have penetrated her pussy with a dildo or cock in the scene. The constant in this list: all of these scenes are memorable.

The scenes are listed in random order.

LINSEY DAWN'S BOY-GIRL DEBUT IN *ULTIMATE LINSEY*

No XXX debut in big-tit history has been more eagerly anticipated than this one, and Linsey exceeded expectations with a suck-and-fuck performance that had SCORE Men saying, "Not only does she have the greatest naturals tits in the world, but she can fuck, too."

The best part about this scene is that Linsey doesn't look like a porn actress; she looks like a horny young woman

who's eager for sex. She noisily sucks a giant cock while looking at the camera. She rides the dick and bounces up and down so we get to see her HH-cups shaking (for a reason we've never seen them shake before). She does it in all positions—we even get gyno shots of the cock snaking in and out of her video-virgin hole—and, of course, she fulfills our dreams by lying back for a hearty tit-fuck. The stuff of wank dreams.

Linsey's hardcore debut is also included on *The Best of Linsey on DVD*.

KELLY MADISON AS NURSE BIG BOOBS IN *BUSTY DILDO LOVERS #1*

When *Busty Dildo Lovers #1* was released in March 2002, we declared that Kelly's video debut "might be the greatest big-tit dildo masturbation scene ever captured on video." It still is.

Slim-n-stacked Kelly would save her

Something we thought we'd never see: Linsey fucking on camera in *Ultimate Linsey*.

First, Susie Wilden had her ass primed for dick. Then she got the cock all wet. To see the payoff, you'll have to check out *Ultimate Susie*, her XXX debut.

boy-girl debut for later (and later on in this list), but this scene was good practice for the real thing. We dressed a rubber dummy in pants and a *SCORE* shirt, attached the biggest, most realistic dildo in our toy chest, told our camera man to record the scene in the you-the-man style and asked Kelly to fuck the dummy as if he were a real guy.

So Kelly sucked the cock and rode the cock and placed the cock between her tits. Meanwhile, you, the viewer, got to be right on top of her, as if you were there. There was even a cum blast. Gentlemen, this is masturbation gold.

SUSIE WILDEN'S BOY-GIRL DEBUT IN *ULTIMATE SUSIE*

Brit tit bombshell Susie Wilden is, for all intents and purposes, a former *SCORE* Girl. She's put on some pounds, and, although most of the weight has gone to her breasts, she's no longer slim 'n' stacked like she was when she debuted in *SCORE* debut in April '01.

But G-cup Susie was still looking slimmer when she made her boy-girl debut in *Ultimate Susie*, and her scene is worth watching for many reasons. But what makes it special is that in her first hardcore, Susie took cock in her ass.

Yep, it was a great moment in big-tit porn when Susie spat on this lucky fucker's cock and invited him to slide his cock into her brown-eye. He filled it all the way, pounded her butt hard, and Susie moaned with satisfaction.

By the way, Susie's dick-sucking, balls-licking blow job is nothing to sneeze at, either.

SIERRA & AUTUMN'S GIRL-GIRL IN *BOSOM BUDDIES #4*

Take two horny, naturally big-titted chicks who have plenty of experience doing girls. Tell them to do whatever they want to do, as long as they have a good time. Toss them a double-dong dildo. What you end up with is, undoubtedly, the hottest two-girl big-tit lesbo scene ever captured on video.

One of the cool things about this scene is that Autumn and Sierra have similarly shaped breasts with similar flexibility. There's tons of hungry nipple sucking and titty tugging, a substantial use of oil and a great moment when Autumn takes her hard nipple and stuffs it inside Sierra's asshole. Autumn then primes a dildo with lubricant and stuffs it deep inside Sierra's well-used brown-eye.

Girl-girl as it was meant to be done: Autumn and Sierra in *Bosom Buddies #4*.

Victoria Melendez shocked the shit out of us with her uninhibited performance in *SCORE Xtra #7*. No hole went unfucked in this one.

The great Sierra had a screaming anal orgasm in *Voluptuous Xtra #5*. She dined on cock, too.

But the coup de grace is the double-dong dildo scene. They insert the plastic cock into each other's pussies while facing each other, and the synchronized tit movement as they work their tight holes over the plastic cock is simply dick-hardening. Their cunts are wet as can be and, buddy, there's no way you can make it through this scene with a full load.

Yeah, I've tried.

VICTORIA MELENDEZ IN SCORE XTRA #7.

What's startling about this video is that Victoria, a relative novice at fucking and sucking on camera, steals the show from Cassandra, even though in the opening vignette of *SCORE Xtra* #7, Cassandra takes a big dick in her mouth, pussy and well-fucked ass.

But Victoria's scene is so special because it's so unexpected. When we first saw her in the December 2000 *Voluptuous*, we had no idea that she could fuck the way she fucks.

When I reviewed this video, I called it "the hottest scene ever in the *SCORE Xtra* video series." While watching it, there are so many times when you want to just blow your load. Like when she deep-throats a huge cock all the way down to the nuts and gets that thick stick nice and wet. Like when she plugs her asshole with a dildo while getting fucked in the pussy. Like when she sucks her tits while getting fucked. Like when her ass gets piledriven by the rock-hard dick. And like when she eagerly sucks the cock that just came out of her ass.

Just writing about this scene makes me want to shoot.

SIERRA IN VOLUPTUOUS XTRA #5

Hey, I could have easily picked Sierra's scene in *Black & Stacked Xtra* #2, too, but we can't have Sierra dominating this list, can we?

Well, why not? This cock-loving, dirty-talking F-cupper has never filmed a bad scene, and this might be her best. When I reviewed *Voluptuous Xtra* #5 for *SCORE*, I came up with 10 reasons why this scene was special. I'll reprise them here: sloppy blow jobs; dirty talk; close-up views of her swaying floppers; a finger in her ass while she's getting fucked doggy style; four fingers, two from each hand, in her pussy as the guy pries apart

ANITA AGNI: POLISH POLE POLISHER

She's a Euro-natural who looks so natural doing what she's doing.

Are we surprised that 21-year-old Polish princess Anita Agni is sucking and fucking the high hard one only three months after making her solo debut in the June issue? Uh, no. If you have a copy of that issue, turn to pages 94 and 95. There you'll find Anita smiling wide for the camera as she fucks her pussy and asshole with a couple of dildos. Nice, eh?

"Why shouldn't I smile? I am having sex. I am having fun."

Anita Agni is friends with another Polish busty newcomer, Ines Cudna, but she has already gone much further (although Ines opens up significantly for the camera in her girl-girl with Cassandra in the video *On Location Costa Del Sol*). When Anita told us that her sexual fantasy was to have sex with two men at once, we knew we had a frisky one on our hands. According to our photographer, Anita didn't hesitate when he asked her if she wanted to do hardcore. "I do not see the difference between taking pictures with a dildo and taking pictures with a real man," she said. Well, we see the difference, but we're not telling.

ANITA AGNI CHECK LIST

AGE: 21 BIRTHDAY: April 2, 1982 HEIGHT: 5'5"
WEIGHT: 122 lbs. MEASUREMENTS: 42-26-36 BRA SIZE: 38DD
LIVES: Elblag, Poland OCCUPATION: Executive assistant
PREVIOUS APPEARANCES: *SCORE*—June '03; *V-Mag*—May '03

Heart beating a bit fast, *SCORE* Men? Wasn't that a great fucking spread of Anita taking dick deep inside her ass? And don't we now know that Anita's pictorial in the June issue was simply a warmup for this sensational hardcore debut? And isn't it nice to watch Anita fingering her anus while she rides a cock? And aren't we asking too many questions when you just want to jack?

Anita is an executive assistant back in Poland, and you have to wonder how the executive she's assisting is going to react if he sees this. "I am going to show it to him," Anita said. "I do not think he will mind." Are the Polish people really that open? Well, at least Anita is.

her cunt; tons of anal; a screaming anal-gasm that nearly propels Sierra through the studio wall; a bulging cheek blow job; ass-to-mouth; and, finally, the way she lifts her tits like a platter to catch her guy's cum blast.

But, need I say more? She's Sierra.

ANNIE SWANSON'S BOY-GIRL DEBUT IN *VOLUPTUOUS XTRA #5*

Gotta tell you, guys, I was pleasantly surprised by Annie Swanson's perform-

ance in *Voluptuous Xtra #5*. Here's a girl who came to our attention when she sent in photos of herself after finding copies of *SCORE* and *Voluptuous* in her boyfriend's apartment. Here's a girl who worked as a waitress in a strip club but wasn't a stripper. We expected a little reluctance on her part, but there was none. She fucked and loved it.

The best part of this scene occurs near the start, and it's the playing-out of every big-tit lovers fantasy. Annie's boyfriend is lying in bed reading *Voluptuous*. She starts sucking his cock. Then, between sucks, she reads her original letter to us. There's something so

innocent-but-nasty about this.

Of course, the way Annie retains eye contact with the camera while riding a hard-on doesn't hurt this scene, either. Great camera angles (our camera guy got down on his knees and shot up) make this an outstanding debut.

KELLY MADISON'S BOY-GIRL DEBUT IN *SCORE XTRA #8*

Kelly does to a real cock what she did to that dummy in a scene that's pure raunch. Most of the scene is shot from your point-of-view, Kelly does plenty of dirty talking and the saliva flies. There's a messy blow job to start

Like an established porn starlet, Annie Swanson licked balls and sucked cock while looking at the camera in *Voluptuous Xtra #5*. But she wasn't established. She was making her hardcore debut.

things off. Kelly tells us how much she loves to suck cock. She shows us how much she loves having a cock between her tits. The tit-fucking is vigorous, and Kelly screams, "You make me cum just from titty-fucking me!"

That's what we like to hear, Kelly. A real SCORE Man doesn't need pussy to keep himself satisfied. Squeezed-together tit will do. Of course, Kelly offers up her shaved snatch, too, and she always makes sure her cunt is filled to the hilt.

Kelly, we love ya.

HEATHER MICHAELS IN SCORE XTRA #2

This scene, shot several years ago when Heather was at the height of her boob powers, is also on the new DVD and video *The Best of SCORE Xtra*.

This is great fantasy stuff. The guy is sleeping, and Heather uses her rack to wake him up. Wouldn't you love to have that happen to you. The thing is, the guy doesn't wake up, so she gives him a blow job. That does it. Does any guy not love a wakeup blow job?

Heather's a great cock sucker (eye contact with the camera is the key here), and she's an energetic fucker. She and her guy fuck on the bed. They fuck on the floor. She rides his cock and lets her breasts bounce and bounce. Her nipples are so erect, she could poke your eyes out. Then comes the tit-fuck. Blonde Heather's pale rack swallows up the big dick. And you're shooting to the sky.

AUTUMN IN ULTIMATE AUTUMN

Some guys complained that the cock Autumn sucked and fucked in her hardcore debut didn't stretch her mouth and pussy quite enough, but this debut is certainly worth seeing. Autumn's boob power was at its peak, and her enthusiasm was remarkable.

Autumn plays an Army private. She's undergoing spot inspection by Sergeant Stud. Seems like she's been accused of hiding illegal contraband, so the good sergeant does his job by checking out Autumn from top to bottom. He discovers a dildo.

But Autumn avoids trouble by giving him an eyes-wide-open blow job, tonguing his balls and fucking him in all positions. The sight of Autumn's impossibly large naturals flopping and bouncing all over the place while she gets speared is balls-bursting, and, by itself, worth the price of the video.

MEAGAN ROBERTS: "WATCH ME."

She sees nothing wrong with fucking on film. She thinks everyone should do it.

Young, big-titted babes with sexy eyes who like to suck and fuck on camera and don't need to get a solo pictorial under their bra straps before they do hardcore. They're unusual, but they do exist, and Meagan Roberts, a DD-copper from Atlanta, Georgia, is one of them. And, man, does this chick ever know her way around a hard-on. After he finished taking these pictures, our photographer ran out of the studio and said, "Man, can this girl ever give a blow job! I had a hard-on the entire time." So, we knew, the girl was gifted. But what else do we know about Meagan, other than that she turns into one horny babe when the studio lights go on? Well, she used to be a cheerleader and now she enjoys watching football. She gets her kicks by chatting on-line. She had horrible sex the first time, but it was all good after that. And she's into girls.

"I closed my eyes and made believe I had an audience watching me."

That's what was going through Meagan's mind while she was riding this cock, and she should be happy to know that she does have an audience watching her... an audience of *SCORE* Men. "I think most women fantasize about doing something like this, but most of them don't have the guts to do it," she said. "Women always act shocked when I tell them what I do, but I can tell they're jealous. It's like they're trapped by society into doing what they think they're supposed to do." Not Meagan. She plays by her own rules. For example, one time, she and her guy pulled off on the side of the road in the Arizona desert and fucked right on the roof of the car. Several cars drove by—a few even honked—but Meagan and her buddy went right on fucking. She also likes masturbating while watching porn. Hey, us, too!
