CANDY IS DANDY!

Dear *SCORE*,

I'd been waiting all year for you to come up with a model who fits my definition of what *SCORE* is all about, and you finally hit paydirt with Candy Hall in the July issue.

To me, Candy is the second coming of Crystal Gunns, and since Crystal was 2002 Newcomer of the Year, I don't have to tell you how high a compliment that is (I certainly voted for Crystal). Candy probably isn't as busty as Crystal, but she has that great slim 'n' stacked figure and, for my money, has a better ass and is prettier than Crystal. Also, while Crystal tends to smile in most of her photos, Candy oozes sex appeal. And I just love that pierced cookie of hers.

Please bring Candy back for an encore so readers can make one more evaluation of her for Newcomer of the Year.–K.G., Oneida, New York

DAWN STONE: NOT JUST TITS

Dear *SCORE*,

The spread of Dawn Stone in the July issue proves two things: She's a living legend, and she has the best pussy and asshole of any *SCORE* Girl I've seen. –M.M., Seattle, Washington

Dear M.M.: Legend. Pussy. Asshole. Isn't that three things?

SCORELAND: YOUR ONE STOP

Dear *SCORE*,

There are so many great new things going on at Scoreland.com that I don't know where to begin. Anyone who is serious about big breasts and goes on the Internet but isn't a member of Scoreland doesn't know what the hell he is doing.

I keep playing the new video of Kelly Madison and looking at her two latest photo sets. I would love to fuck her once. Holly Halston doesn't have the breast size I like, but I still thought her hardcore video deserved high marks.

I don't know how you people do it all, but keep doing it. I always look forward to new surprises. –Tom, email address withheld by request

LESS TALK, MORE ACTION

Dear *SCORE*,

Listen, I'm interested in seeing big-titted girls in bras, not reading about them talking about them ("Bras!" July '03). And why would I give a fuck where these broads buy their bras? What do you think we're going to do, go out to the store and buy some so we can jack into them? Please, more photos, less talk.–L.E., Charlotte, North Carolina

BLACK GUYS IN DREAM *SCORE*

Dear *SCORE*,

Great drawing of Chelsea getting fucked by three guys (Dream *SCORE*, June '03). Maybe the next girl can have one

Can you guess who belongs to this shaved pussy and pretty asshole? Of course, it's Dawn Stone!

Reader K.G. sees a similarity between Candy Hall (left) and Crystal Gunns.

SEND YOUR LETTERS! If you have comments, criticisms or suggestions for our editorial staff, send them to: *SCORECARD*, 1629 N.W. 84 Avenue, Miami, Florida 33126. Or email us at: score@scoregroup.com

in her pussy, another in her asshole and a third dick in her mouth.

Also, if Sammie Black can be drawn getting fucked by a white dude, Otis Sweat can surely draw a brother getting some hardcore, virgin-white pussy! Imagine how much hotter Chelsea's drawing would have been if she'd been fucking three black dudes!–Zingo, email address withheld

IS INESSE A *SCORE* GIRL?

Dear *SCORE*,

In response to the reader who questioned whether Inesse belongs in *SCORE* (Scorecard, July '03): What are you thinking?

So what if she has a 31-inch waist. It blends in nicely between her gloriously large tits and her full, shapely hips. And what about her pretty face and shapely calves and ankles? I couldn't keep my fingers off my cock when I leafed through her pictorial in the March issue.

Certainly, many of your fine models are a bit more slender than Inesse, but she is a nice package. When I'm studying all of her assets, I'm not concerned about a few extra inches on her waistline. Please include her in a future issue, preferably wearing hose and heels.–S.S., Detroit, Michigan

IS INES A *SCORE* GIRL?

Dear *SCORE*,

M.G. of Philadelphia asked whether Ines Cudna belongs in *SCORE* (Scorecard, July '03). To me, the answer is simple: EE-cup breasts, slim 'n' stacked, jaw-dropping beauty. What more is there? If Ines isn't the epitome of the *SCORE* Girl, I don't know who is.–F.L., Lexington, Kentucky

AUTUMN: BACK TO "NORMAL"

Dear *SCORE*,

Okay, now that's better. I'm talking about Autumn-Jade. With her weight gain, Autumn had become more of a *Voluptuous* model than a *SCORE* model, but her XXX pictorial in the July issue shows that she's shed those unwanted pounds and is back to being the Autumn we love.

I'd guess that Autumn didn't feel good about her extra weight, because now that she's down to her normal weight, she seems much more uninhibited in her posing. I loved the photo on

Readers are checking in on whether Inesse (left) and Ines Cudna (right) belong in *SCORE*. Is Inesse too voluptuous for *SCORE?* Is Ines too thin for *SCORE?* One thing can't be denied: Both beauties have tits that make the grade.

DEVON GETS HER DUE

Dear *SCORE*,

Finally, Devon Daniels has been inducted in the *SCORE* Big-Boob Hall of Fame (July '03). After seeing Traci Topps and Busty Dusty go in before her, I was beginning to think *SCORE* readers were asleep at the wheel. Those amazing photos of the beautiful Devon and her full, sexy hangers show why she'll always be a legend. And now she has the Hall of Fame status to prove it. –R.B., Scottsdale, Arizona

ARE THERE TITS IN SPACE?

Dear *SCORE*,

It was hard-attack time for me when I saw the photos of SaRenna Lee and Maxi Mounds together (July '03). No, there wasn't much hot girl-girl action in there, at least when it came to dildos and pussy licking, but the exchange of tit power was absolutely astounding. How could so much tit exist on one planet?–J.L., Hamilton, Ontario

LIZZIE: STACKED 'N' STUFFED

Dear *SCORE*,

Wow! After seeing that Lizzie Mills spread in your July 2003 issue, that's all I can say. She has such a cute and innocent look that makes her so damn sexy.

I'm curious if she's ever considered doing a XXX spread in the Xtra section for an upcoming issue. To me, that would be the greatest issue of *SCORE* ever. Thanks and keep up the awesome work with the mag.–M.J., email address withheld

Dear M.J.: We've asked but, so far, Lizzie Mills doesn't feel like doing boy-girl hardcore. You can rest assured, however, that pretty Miss Lizzie will keep showing her tits and jamming her holes with giant dildos, just like she did in the July issue.

BIG TITS IN BATTLE DRESS

Dear *SCORE*,

The photos of Angelique in battle-dress uniform in the April issue were awesome. More females in BDUs, please, because I'm a G.I. here in Kuwait, and not many girls make BDUs look good. I had in mind Crystal Gunns, Linsey Dawn McKenzie, Sharday and Kelly Madison, if possible,

Autumn-Jade (below left) shed some pounds and got banged from behind in the July Xtra section. Do you like her new look? Lizzie Mills (below right) is the epitome of the short 'n' stacked *SCORE* Girl so many readers fall in love with.

Hey, where'd SaRenna go? The truly magnificent breast size of Tit-ans such as SaRenna and Maxi Mounds was on display in the July issue, when they truly went tit-to-tit. Gotta wonder what else Maxi's hiding between those babies.

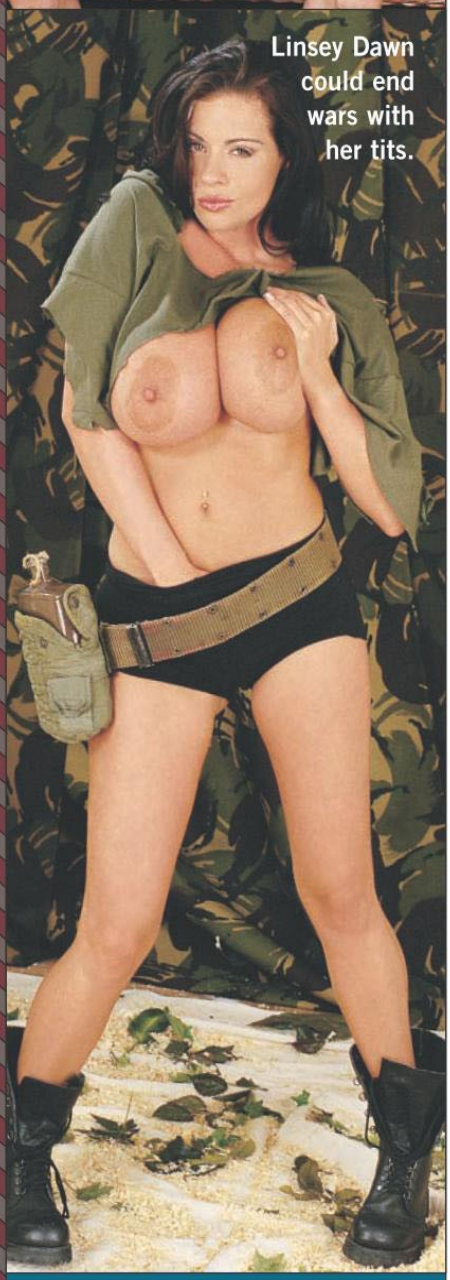
Here's a rare look at Cassandra all by herself.



Linsey Dawn could end wars with her tits.

CASSANDRA: PLASTIC-FILLED

Dear *SCORE*,

Seeing Cassandra (July '03) with dildos in her pussy and asshole instead of hairy male cock was a welcome sight. I can't imagine how any hetero guy would rather see a cock next to Cassandra than a dildo.–J.W., San Diego, California

UH, WHY WOULD WE DO THAT?

Dear *SCORE*,

Here's an idea that would really be a bust-man's fantasy. Have the Tit-an girls (Minka, Kayla Kleevage, SaRenna, Plenty UpTopp, Maxi Mounds and Casey James) pose as a wedding party, complete with all the dresses and pre-wedding dress-up in the dressing room. Of course, all wedding gowns, including the selected bride's gown, could not cover the large chests of all the Tit-ans. The bridesmaids would have on skimpy tops, short, tight gowns and spiked heels. You could take the Tit-ans to the back room at the reception hall and let the lucky guy examine all the bridesmaids' assets before his lovely bride would show him her huge goodies.–Dave, email address withheld by request

Dear Dave: Considering how unhappy SCORE *Men were when Linsey Dawn got married, we're not sure about the merits of this idea. However, if you're into big-titted brides, check out Devon Michaels' hardcore pictorial in this month's Xtra section. We get to see what a* SCORE *Girl does on her wedding night.*

MINKA GOES SUCKY-FUCKY

Dear *SCORE*,

You've done it again! That fucking and sucking layout of Minka in the July issue is truly awesome. No wonder that during the shooting of the *SCORE Xtra #9* video, "Minka broke the *SCORE* studio bed and put *SCORE's* man in the hospital" (as reported online at eBoobStore.com). I bought two copies of this awesome issue, one for my archives and one to enjoy.

My only regret was that you didn't have a shot of Minka's wide-open pussy like the one on page 137 of the

SCORECARD

Continued from page 8

Holiday 2000 issue. I think the majority of Minka's fans would agree with me that Minka, besides her awesome pair of boobs, has a more sensuous and alluring pussy than any of the other top *SCORE* models.–J.K., email address withheld by request

A GOOD DAY AT THE STORE

Dear *SCORE*,

Your magazine is fantastic. The other day at the store, I flipped open the June '03 issue to Brandy and, sure enough, felt my dick start to stiffen. I could hardly wait to get home and start beating my meat. The photo of Rhiannon on page 53 had me hard in no time flat, too. How I would love to worship her by licking, sucking and tongue-fucking her gorgeous asshole.

Your May issue made two of my wishes come true. First, I finally got to see Kayla Kleevage getting butt-fucked. Is it too much to think Lisa Lipps and Linsey Dawn might also butt-fuck on the pages of *SCORE*? Second, I got to see Kelly Madison sucking and fucking a live cock. Now I'll wait for Kelly to butt-fuck, too. One thing, though: Kelly should go back to black hair because it enhances her slutty, sex-goddess image.

I think your best issue ever is February '01 in which you featured hardcore pictorials of Kayla, Sierra and Donita Dunes.–Name and address withheld by request

DREAM *SCORE* SUGGESTIONS

Dear *SCORE*,

Once more, you've hit a home run with your latest issue (July '03), especially Otis Sweat's Dream *SCORE*. This man is pure talent.

Continued on page 88

Clockwise from above left: Donita Dunes, Kayla Kleevage and Sierra in sloppy hardcore action made the February '01 issue memorable. You can order it on page 11 of this issue. Minka (above right) added to July's jack-a-bility.

BOOB BEAT

BIG BOOBS IN THE NEWS

BY ELLIOT JAMES

KERRY & CASSANDRA

HAVE A BITE IN *ON LOCATION COSTA DEL SOL*

SCORE's titically-acclaimed epic video and DVD *On Location Key Largo* was kind of the big-boob equivalent to *Gangs of New York* (and a much better movie, come to think of it).

In *Key Largo*, Kerry Marie, Lorna Morgan, Chaz, Chloe and Desirae bounced, oiled and jumped around in a steamy Florida beachhouse. It was horny, unique and non-stop action.

But we didn't completely shoot our entire load with *Key Largo* two years ago. Everyone loves these superpowered group sessions, and since Spain is a popular spot these days, *On Location Costa Del Sol* seemed like a natural in more ways than one. Only Kerry Marie is back this time, joining forces with new sensations Nicole Peters and Ines Cudna and Slovenia's #1 citizen (at least with us), Cassandra.

Kerry gets much hotter and more sexplicit than ever before, filling her cootch with toys in scenes that'll make your nutbag blow its contents.

"I learned some new ideas for insertion poses with dildos and vibrators, which I've never done before. It was a new experience," Kerry told *SCORE* staffers Dave Rosen and Dave Morris during a video interview that's uploaded on her new website,

See Kerry and Cassandra get rude! Turn to page 99 and get *On Location Costa Del Sol*.

KERRY & CASSANDRA

BustyKerryMarie.com, and published in the July '03 *Voluptuous*. "It's vibrators, fingers, things like that. It was a bit nerve-wracking at first, but Cassandra's really sweet and helped me out, so I was okay. She knows what to do."

And how did Cassandra help her?

"Just by talking me through it," Kerry said. "I really didn't know what to expect, but she was fine. I spent a nice, lazy day with her at the pool, and then we did our scene, which was brilliant. It's the hottest video I've ever been in."

Cassandra's the reclusive type who's tight-lipped except when it comes to licking clits or cocks, but she did say she liked her July '03 *SCORE* cover.

"Cassandra showed me special little ways so the guy can see what you've got there," Kerry said. "She showed me how to position it right, how to hold it right, the right poses. All these things I've never done before. But it was very enjoyable, very hot. You're going to see me do things I never thought I'd do."

Take the BustyKerryMarie.com tour. You're gonna like what you see.

WHO'S SCORING AT SCORELAND.COM?

Nowadays, anybody with a few grand buys some photos, hacks up a big-boob website and calls himself a publisher. Watch your credit cards, boys!

SCORE built its hard-earned reputation before the Internet existed. Yeah, women had big tits B.C. (before computers), and we photographed them all.

Here are some of the many reasons Scoreland.com is the website for you.

• You'll get more content in one day than many sites upload in a month, and it's better, hotter content.

• The action never stops because Scoreland.com is updated daily. Not every few days. Not weekly. Not bi-weekly. Members get a full weekend of stuff uploaded on Fridays.

• Watch video you can download and save, not just play. Enjoy razor-sharp, high-quality men's magazine photography, not smeary, blurry, cheap-o photos.

• Spare us the boring, foo-foo layouts. We jack to spread-pussy, dildo-plugging, fuck-me posing and XXX around here.

• You get big photo sets ranging from 30 images to a whopping 140 images, digitized into zip files in two different sizes (800 & 1,600) for easy downloading. (A recent Cindy Cupps Mega-Special pictorial had 200 photos.)

Scoreland's not a picture-gallery website. It's a two-fisted men's e-magazine with big-bust art from the master, Otis Sweat, and other great artists, a members' version of our letters' section, Scorecard, big-tittie fiction and articles, New Discoveries, a Scoreland News section, a poker room, *SCORE* Theater (it recently screened the complete *Boob Cruise 2000* movie), video interviews with naked broads and on-location photo-reports from *SCORE* shoots and adult conventions.

So join another website. Moan and groan about the junk you get 10 minutes later. No one will give two craps.

Then join Scoreland.com. It's the website that every website wants to be when it grows up. Still undecided? Take the three-day trial, cheaper than a flat beer at a topless bar. It's the way to go.

BUSTY SEXBOTS

In the future, a simple touch of a remote control will activate a busty sex robot designed to fuck and suck!

Is the ultimate male fantasy figure literally a female sex object? The terms vary, but the object is basically the same: Love dolls. Robots. Facsimiles. Androids. Amniatrons. Automatons.

The concept of synthetic women designed to sexually service men, or at least serve as receptors of man-meat, goes back in time to the ancient Greeks.

Over the decades, sexy femme robots have been seen in the movies, starting with the most famous of all, the golden robot Maria in Fritz Lang's silent classic *Metropolis.* In the '60s, Vincent Price as Dr. Goldfoot tried to take over the world in two films by using bikini-clad robots to seduce and destroy world leaders. In the '70s, Donald Sutherland had sex with a mechanical ballerina in Fellini's *Casanova.* In the '90s, the Fembots tried to blow away Austin Powers with their machine-gun tits, and in Spielberg's dark science-fantasy *AI: Artificial Intelligence,* male and female "Mechas" served as prostitutes for "Orgas" (real humans).

Today, the basic fembot already exists, and we're not talking about those hideous-looking love dolls that adult novelty companies sell for a few hundred dollars. There are several companies using a mixture of art and science to manufacture and sell their mechanoid creations to men worldwide. Sounds crazy? That's what they said about George Foreman, and look how many sandwich grills he's sold.

Right now, there are men buying and fucking fembots. They are sitting with them at their dinner tables or watching television. They are dressing them up. They are photographing them like models. They could be your neighbors.

Most of these fembots have an articulated skeleton with joints that approximate a range of human motion. They have lifelike vaginas, assholes and mouths designed for fucking.

The CyberOrgasmicMatrix from the Mimicon Corporation is actually molded from *SCORE* model Pandora Peaks. (*"Breasts roll, jiggle, bounce and compress realistically. The pliant vagina stretches to accommodate a male member of any size, providing the precise look and feel of reality."*) It also comes with audio of Pandora's real voice during sex.

Abyss Creations' Realdoll is made of a flesh-like compound called Cyberskin which feels like human skin. Realdolls are reportedly the first silicone love dolls ever sold, and they're considered the most realistic. There are five different body styles to choose from and eight different heads, available as males or females. The president of Abyss Creations believes that there will be robotic integration into his Realdolls within five years. Combined with a virtual reality headset and a choice of DVD programs, virtual sex experiences with sexbots are a reality right now.

First Android has a comprehensive list of options, including automatically opening and closing hands for hand jobs, a moving tongue and a head that nods while giving a blow job. Vibrating lips, too. First Android is considered by love doll cultists to be the second most attractive doll, behind Realdoll.

Constructed to handle rigorous sex, SuperBabe, who appeared in Boob Beat a few years ago, has reinforcements under her tear-resistant silicone flesh to prevent untidy accidents. Her holes are designed for problem-free fucking. Stripper Vanna Lace was the prototype.

Pandra Corporation of Japan makes Asian women-bots, but they're the least realistic. They're also the lightest womanoids on the market, weighing 10 pounds. The doll's pussy is removable for cleaning, and different styles of pussy are available.

The costs? Panda's bots run over $3,000, but expect to pay over $6,000 for the other brands. I'll guarantee that if this bizarre technosexual advancement continues, these dolls will be nagging you (in their synthetically sweet voices) for a new car every year and a holiday on the Costa Del Sol.

TITS IN TIGHT TOPS

They're really cramming their wonderful melons into skin-clinging sweaters and sheer blouses in this month's Tits In Tight Tops. Crammed into this column, clockwise from top right, we have Rachel Love, Cassitty (*Black & Stacked #2*), Vixen LaMoore (with her February '03 *SCORE*), Colt 45 and Jessica Turner.

WICKED TEMPTATIONS

"My mission is to save the Lycra trees by using as little of this precious resource as possible to bring pleasure to mankind," says Mark Hoffman of Wicked Temptations in California. Thongs for the mammaries, Mark.

He's talking about the dental floss that's passing for clothing on the stacked racks of Linsey Dawn and *Looker* mag model Michelle. Vanessa Montagne wore a Wicked Temptations one-piece on the July '03 cover. These outfits are liquid sexplosives!

That's the key to the Wicked Temptations' point-of-view: using space-age fabrics and fantasy-sex designing to decorate the female body.

Wicked Tempations sells dresses, gowns, swimsuits, fuck-shoes, leg wear, lingerie, fetishwear and party costumes. They don't forget the plus-sized voluptuous women, either, and they even have a selection of menswear, although nobody wants to see your male *SCORE* staffers modeling "the mesh bun-huggers shorts." We asked.

Log onto WickedTemptations.com and scope out their jackable, web-only catalog. They don't have printed catalogs available, but their mailing address is 7308 South LaCienega Boulevard, Inglewood, California 90302.

Cathy Barry

THE UK'S NO.1 PORN STAR WANTS TO GET TO KNOW YOU!

MEET CATHY BARRY. BIG-TITTED BRIT BABE. WIFE. MODEL. STRIPPER. A WOMAN WHO TOOK TWO COCKS IN HER ASS. YEAH, SHE'S SPECIAL.

BY DAVE ROSEN

If you're a UK reader of *SCORE*, then Cathy Barry needs no introduction. The UK's No. 1 porn star is well-known from her many appearances in hardcore videos, on British cable TV and even in the mainstream magazine *FHM*. She's a regular Page Three girl in British newspapers and has been a guest model on many TV shows.

But if you're a North American reader of *SCORE*, then you need to get to know her. The face? The body? You can see that Cathy is *SCORE* material from looking at the photos on these pages. But so much more makes her special.

Anything goes with the the top-heavy, five-foot-two, 28-year-old native of Bristol, England, whether it's taking on three guys (one with a giant cock), double anal or four-way action with some of her hot girlfriends. And that's kind of surprising because, when listening to her speak in her sweet English accent, you'd never guess that this girl is–*ahem*–open to so many things.

Fact: When this interview opened, Cathy sounded so sweet that your interviewer was a little reluctant to dirty-talk with her.

Fact: It was only a matter of time before Cathy was talking frankly about the wonders of having two dicks in her butt. Wonderful stuff.

Read on. But, first, grab your cock.

SCORE: You have your breast size on your Web site as a double I, which is a British size. What size bra do you wear?

CATHY: Well, I don't really wear bras that often, only when I'm doing a shoot. I don't like them. I feel too closed in. The only time I wear a bra is when I'm in the gym doing an aerobics class. Otherwise, I'd be giving myself two black eyes, and I don't think anybody would get any exercise done.

SCORE: If we were to see you out shopping, what would you be wearing?

CATHY: When I go clothes shopping, I wear a pair of jeans, boots and a tiny, little T-shirt…a stretchy T-shirt. [Giggles] Of course, everything I wear stretches. My boobs come around the corner before the rest of me anyway.

SCORE: You must get a lot of attention.

CATHY: Some, yeah, but I don't take notice of it. The guys take more notice of it than I do.

SCORE: I'd think so.

CATHY: Sometimes you can see the wife or the girlfriend nudging him like, "Don't you dare look." That sort of thing. But I just don't take notice of it.

SCORE: What's the strongest reaction you've ever gotten?

CATHY: One bloke–I was grocery shopping–and I went down one aisle and he went down the other and we crashed into each other more or less, and instead of saying sorry to my face, he said sorry to my boobs. And if I meet anybody for the first time, there's no eye contact, they just look straight into my boobs.

SCORE: They never look you in the eye at all? It's always straight to your chest?

CATHY: Yeah, just straight to my chest. And I swear I've got a face, you know.

SCORE: Does that bother you at all?

CATHY: No, it doesn't bother me. When I first started doing this, modeling, it bothered me, and I got a bit upset and started thinking, "Oh, God, I can't stand this any more." But then I sort of

thought, "Well, you decided to go into this, and that's what you get paid this money for, so you have to grin and bear it and get on with your life."

SCORE: And you don't dress to conceal your breasts, do you?

CATHY: Sometimes I do, believe it or not, especially on nights with friends. I tend to cover up a little bit more because that's when I get the most…not grief as such. But I have people try to come up to me and talk to me–which I don't mind–but like I said before, they only look at my boobs. I've had blokes come up to me and grab my boobs.

SCORE: Just like that?

CATHY: Yeah. They say, "We know who you are" and grab my boobs. Well, before they know it, they're down on the floor when I thump them one.

SCORE: You put them on the floor?

CATHY: Well, I thumped two blokes out cold. One of them was a boxer.

SCORE: Get out!

CATHY: Honestly. [Laughs] He was a light middleweight boxer, and I punched him out cold. He crawled down the hall like a snake.

SCORE: What happened?

CATHY: Well, I was at a friend's birthday party, and my parents were there. I must admit, I was wearing a low-cut summer dress, but I didn't think any-

thing of it. Everyone at the party knew me, so I thought I wouldn't get any trouble there. Anyway, this kid I knew from a while back came up to me and said, "Oh, you're that topless model," and grabbed hold of me and said, "I want to grab them," and I went BOOM! right under his chin, and his head flew back, right against the wall. And that's the last I've seen of him. He was not much of a boxer if I could kick his bum.

SCORE: When was the second time you knocked someone out?

CATHY: I was out on a Saturday night with some friends of mine, and we walked into a pub and walked up to the bar, and the same thing happened. A bloke recognized me and grabbed me and said, "Look at those tits," and grabbed them.

SCORE: What did you do then?

CATHY: Well, I slapped him around the face. It was so loud, the whole pub got quiet. And before I knew it, Phil, my other half, was doing boxing punches on his nose. The bloke's head was going from side to side. And I went straight out the other end of the pub.

SCORE: And that was it?

CATHY: That was it.

SCORE: Are you very strong?

CATHY: Quite strong. I used to do body building. But then my career snowballed and I couldn't combine the two.

SCORE: Do you get that a lot, guys coming up to you and grabbing you?

CATHY: Well, generally you have the guys who look at me and say "Nice tits" and keep going. Then you have guys who come up to me and want to say something, but nothing comes out. Then you have the ones who cross the street to avoid me.

SCORE: To avoid you? Why?

CATHY: I don't know. I wish I knew.

SCORE: Let's go back to your beginnings. Where were you born?

CATHY: I was born right here in Bristol. It's about 128 miles away from London, west country.

SCORE: Any brothers or sisters?

CATHY: One younger sister.

SCORE: Big boobs?

CATHY: Yeah, she has big boobs, naturally big boobs. Bitch! [laughs]

SCORE: Why do you say that?

CATHY: I was the one in the family who didn't have huge boobs. My mom had big boobs. My sister has big boobs. My auntie has big boobs. I ended up with nothing. Well, I'm average size, but

they are more than average size now.
SCORE: When did you change that?
CATHY: I was about 20 when I got my first boob job. I went from a 34C to a double-D cup. And I remember thinking, *I'm not big enough,* so a year later I went and got bigger, and a year after that I went as big as I am today. And I'm considering going even bigger.
SCORE: How big do you want to get?
CATHY: Right now, I have the largest permanent implants you can get here in Britain. They are 760 ccs. Don't ask me what that means because I don't know. But it's the biggest they do here. There's a company in the States that does custom implants. I'm looking at 1,200 ccs.
SCORE: Who would that make you similar to in terms of big-boobed models?
CATHY: Linsey Dawn Mckenzie.
SCORE: But she's natural.
CATHY: Yeah, but I'd be about the same size as her, maybe a little bit bigger.
SCORE: So you want to be bigger?
CATHY: I wouldn't mind.
SCORE: You've been called the UK's most popular porn star. Why do you think you're so popular? There are lots of girls with big boobs who are pretty. What makes you special?
CATHY: I'm willing to talk to everyone. I'm easy going. Not *that* easy, mind you. [Laughs] I think a lot of people can relate to me. I'm down to earth. I don't walk around with a chip on my shoulder. I'm just a normal girl.
SCORE: Do you think people who knew you as a kid would be surprised if they knew what you did right now?
CATHY: I can tell you a story. When I was young, I was bullied. Now, I don't know if you've heard of this guy over here, Jeff Capes. He won an Olympic medal for shot put, and he was a big guy. And my maiden name is Capes, so they used to call me "Jeff," or "Centerfold," because I always kept fit. I was always running around the field playing netball or rounders. So, one day, I got fed up and left school. And I worked in a factory for a couple of years making bras, then started in the glamour industry. And then I started lap dancing and table dancing. One night, I was out dancing for the newspaper over here, and this guy asked me to dance for him, so I did. Then I realized I went to school with him and that he was one of the bullies, but I didn't say anything until I took the money from him. He looked at me and said, "I went to school with you. You're Cathy Capes." I said, "*Was* Cathy Capes, now Cathy Barry," and I took his money and told him thanks and walked off.
SCORE: So you got your revenge.
CATHY: Yeah. I could have been nasty to him, but I wasn't. I just took his money and walked off. I wasn't rude. I said thank you very much, thanks for your time and walked off.
SCORE: You say you worked in a bra factory. What did you do there?
CATHY: I used to pack them. [Laughs] Not in *that* sort of way. I would put them in boxes before we shipped them. I was about 15, a little spring chicken. Now I'm really packing them. [Giggles]
SCORE: What did you plan on doing for a living at the time?
CATHY: Well, I did plan to go to college to do catering. I wanted to be a chef. But I was offered this part-time job in the summer, and I figured, *I'm making more money than I would be making in college.* So I stayed at the factory. And then I was asked to start modeling the bras for the factory.
SCORE: Were you naked?
CATHY: No. I never had to be naked.
SCORE: Were you comfortable right away with modeling?
CATHY: Well, I was a bit nervous at first, but I enjoyed it. And I got paid for it. Then I was asked to do a shoot for a tattoo shop in Bristol. It was body piercing. I already had my nipples pierced.
SCORE: When did you have your nipples pierced?
CATHY: Around the time I was getting into the glamour industry and out of the factory. They hired this professional model, but she didn't show up.
SCORE: How old were you?
CATHY: Oh, God, I was about 18. And, of course, I had my belly button pierced, and my little thing down there…my little ding-a-ling. Then they asked me back every three months to stand in for them. And when I first did the shoot, I thought, *What have I gotten myself into?* They kept asking me back. Then I was asked to do a photo shoot for a radio station here in Bristol called Galaxy 101. They used my nipple ring on the billboard in Bristol. A glamour photographer saw it, and that's how I started into the glamour industry.
SCORE: When did you start doing men's magazines?
CATHY: Oh, I was about 20 or 21.
SCORE: Were you still working at the bra factory?
CATHY: No. I had completely left by then. I was getting paid more money for four hours work than I was getting working in the bra factory for a week.
SCORE: When did you actually start doing nude modeling?
CATHY: That was around the same time

BRE IS GEORGIA'S SWEETEST PEACH

"I like to go braless," said Bre, a brainy 21-year-old college student who'll be wearing far too much clothing in her career of choice: law. "If I could, I would go naked all the time. Clothing just gets in the way." Many *SCORE* Men would agree that big-busted chicks *should* be naked all the time. But others like to see them in clothing at the start of a pictorial. Hence, Bre in a bra and Daisy Dukes. A fair compromise.

FAVORITE SEX POSITION: "I like doggy a lot or being on top."
FAVORITE WAY TO PLEASE A MAN: "Oral."

"WHEN IT COMES TO CLOTHES, I SAY THE SKIMPIER THE BETTER."

That's right, Bre! A pair of high heels is all the clothing you need. Now spread that pretty, young ass! Lick those nipples! Play peek-a-boo with your fans, honey! This is your third time in *SCORE,* and teasing time is over...not that it ever started, not even in Bre's public life. "Short skirts, little tank tops and tight sweaters that show off my belly are best," she said. "I also like bras that barely cover my nipples but still give me plenty of lift." Man, we just can't get that lawyer fantasy out of our minds: the picture of Bre wearing a conservative suit that's accented by a sheer, white blouse and a pushup bra. Is that legal? We have to think she'll have an unfair advantage in front of male judges and mostly-male juries. "I can show my boobs during the closing statement and do a little dance," she said. Uh, is it too late to get on the jury pool in Georgia? Even if we don't live there?

Damn, Bre, you're making a mess, getting that milk or ice cream or whatever it is all over your pretty tits. Don't they teach you any manners in college? "Grab 'em hard. Suck 'em hard. Give them some attention," Bre said as way of answering. "I like to use my little friend, Mr. Blue. I like when a guy's with me using Mr. Blue on me." Mr. Blue? He's a vibrator. Damn luckiest piece of plastic in the world.

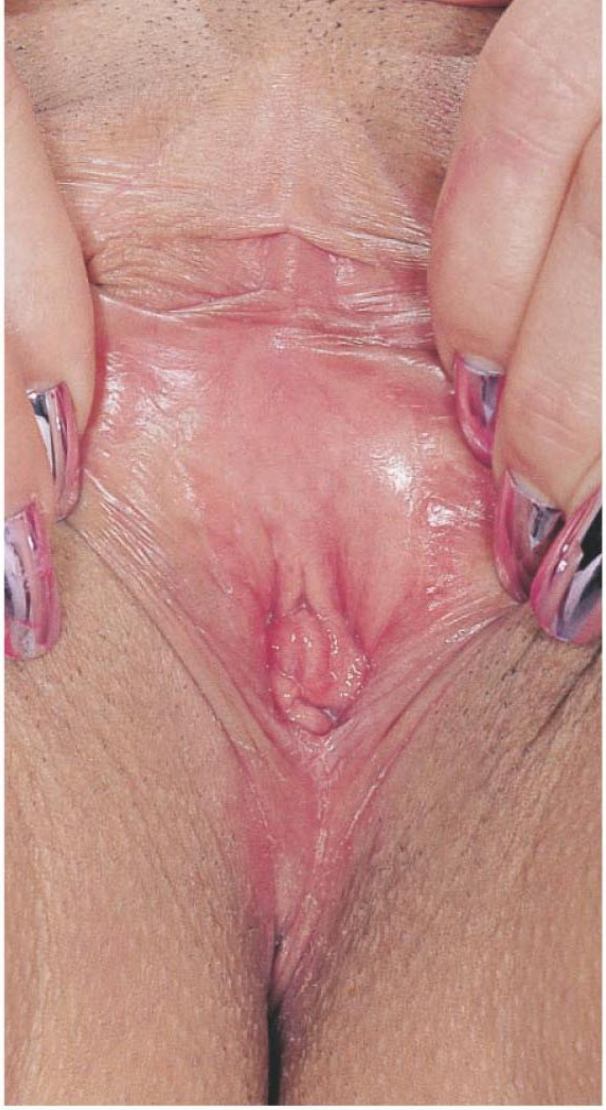
Colt 45: Sheer Ecstasy

A LEGEND, A SEE-THROUGH BLOUSE & A DILDO. THAT'S NICE.

Every issue of *SCORE* contains newcomers we want to see more of and big-titted babes we can't get enough of. Colt 45 definitely falls into the second category. Her longevity as a *SCORE* Girl is practically unheard of, and she knows of and appreciates your appreciation. This titanic-titter's HHH-cups (not to mention her sweet, round ass and lickably lucious honeypot) are the stuff of *SCORE* Men's fantasies and have been since she first appeared in the February 1994 issue. Now, just when you think Colt 45 has given us all she's got, she returns in the new DVD/video *Busty Dildo Lovers #4*, wearing exactly the outfit she's wearing here and fucking herself with a gigantic dildo.

"THE WAY I SEE IT, BIG TITS, BIG DILDOS. I JUST LIKE EVERY-THING BIG."

What is it with Colt and huge fuck-toys, anyway? She filled her pussy with a huge one in the January '02 issue, stretched herself wide with another big, thick one in the video *SCORE Xtra #2,* and doesn't shy away from a huge chunk of plastic in *Busty Dildo Lovers #4.* Huge tits, huge dildos? Is that the connection? By the way, that January '02 issue of *SCORE* is sold out, as are many of the issues in which she's appeared. Coincidence? We think not. Besides, Colt has always been careful about how frequently she poses, knowing that us guys are fickle and we get tired of things real fast. Tease us a bit, though, and you'll keep our interest. Colt 45 has certainly had no trouble doing that. As Ryland, a member of Scoreland.com, said, "Colt, you have no worries, you're like the finest wine in the world, you keep getting better as time passes. Keep doing what you are doing. It works for me." And for all of us.



Bed, Colt 45. Colt 45, bed. Subliminal suggestion? We think not, although, we have to admit, if we got Colt into bed, we wouldn't know where to start. In *Busty Dildo Lovers #4*, Colt starts out by playing with her tits, and that's certainly the obvious choice. But her tight twat looks awfully inviting, too. Then again, titty-fucking Colt 45 would probably be the closest a *SCORE* Man could come to heaven on Earth. Colt 45 gives us a demonstration in *Busty Dildo Lovers #4* by tit-fucking herself with the dildo, which practically disappears. She also sucks vigorously on her own nipples. And life, as always with Colt, is very good.

LINSEY THE THESPIAN

Linsey Dawn McKenzie has a pivotal role in a short British film called *Arthur's Amazing Things.* The film was produced, directed and written by Martin Gooch.

"It was filmed in an old office block in London," Linsey said. "And I thoroughly enjoyed making it. I was contacted by an independent film company. I play a girl called Beryl who works in an office. She has a crazy admirer who keeps on making silly contraptions to win her affection."

The cinematography is very impressive and the film has been screened in various film festivals in the UK. It will be shown on the BBC at the end of 2003 or early 2004, Martin Gooch said.

"I would love to be an actress," Linsey said, "but because of the career I have chosen, I doubt if I would be taken seriously."

Perhaps not. Then again, perhaps the World's Greatest Natural is a natural actress.

OUR FAVORITE LINE IS, "CAN I PET YOUR FURRY MONKEY?"

Know how we're always asking *SCORE* Girls to tell us about the stupidest/funniest/corniest pickup lines they've ever heard? Well, turns out the simplest of pickup lines is the most successful: "Can I buy you a drink?"

According to a survey of 1,000 young adults in Britain by Snack-A-Jacks, it's better to be direct and confident rather than witty and original. The best five pick-up lines were judged to be:

1. "Can I buy you a drink?"
2. "You don't know me, but I dreamt about you last night."
3. "Did it hurt when you fell from heaven?"
4. "Can I buy you a drink or do you just want the money?"
5. "Do you believe in love at first sight or shall I walk past you again?"

The worst were: "How do you like your eggs? Fertilized?"; "This body leaves in five minutes, be on it"; and "Your clothes would look great on my bedroom floor."

TIT-TALK WITH THE SCORE GIRLS

What has 24 giant tits and a couple of salivating boobs who can't shut up?

Boob Talk, the new video and DVD from The SCORE Group. You've never seen or heard anything like it: two hours of exclusive, sexy and sometimes hilarious interviews with 12 big-titted babes (that accounts for the 24 giant tits) by two boobs (*SCORE* Editor Dave Rosen and associate editor Elliot James).

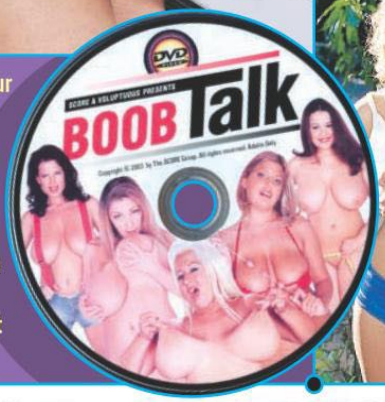
Among the *SCORE* Girls in this unique production are Minka, SaRenna Lee, Sierra, Bre, Kelly Madison, Lana Lotts, 2003 newcomer Brandy, Autumn-Jade and Mary Carey. Brittany Love makes a guest appearance, too, as she uses Mary for an arousing, educational pussy-eating demonstration.

Boob Talk is only $24.95, a true bargain, and can be ordered on page 98 of this issue.

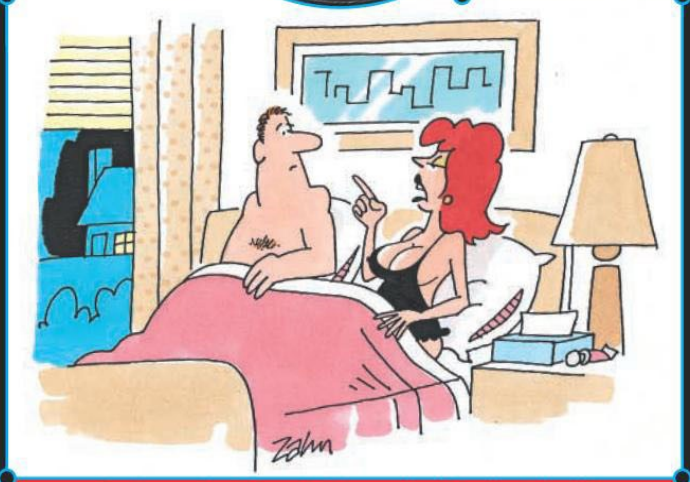
Linsey Dawn (left) plays an office girl in the short film *Arthur's Amazing Things.*

Autumn-Jade shows-

off *SCORE* material!



Boob Talk, our new release on DVD and video, might be the most unusual big-tit production ever. Twelve big-titters get interviewed.



"Just once, I wish you'd stop and ask for directions!"

WHEN ALL ELSE FAILS...

One night, as a couple lies in bed, the husband taps his wife on the shoulder and starts gently rubbing one of her breasts. The wife rolls over and says, "I'm sorry honey, but I've got a gynecologists appointment tomorrow, and I want to stay fresh."

Dejectedly, the husband turns over, too, and tries to sleep. A few minutes later, he rolls back over, taps his wife on the shoulder again and whispers, "Do you have a dentists appointment, too?"

COMPETITION FOR YOUR PENIS

European men who want to get it harder faster and keep it hard already know about it. American men–and their eager women, we presume–are about to discover the pleasures of Cialis and Levitra, the new impotence-fighting drugs that are giving Viagra a run for its money in Europe.

Both Levitra and Cialis are expected to be released in the U.S. this fall. Cialis, which the French call The Weekend Drug because it works for as long as 24 hours, begins working twice as fast as Viagra. Just when you need it.

According to Dr. Harin Padma-Nathan, professor of urology at the University of Southern California, "We saw a huge difference within 24 hours in patients taking Cialis, and many of the men indicated a sense of freedom and spontaneity." That's because if you take Cialis and get lucky at night, you won't need another dose if she's feeling frisky in the morning. Also, the only reported side effects (in only three-percent of the men tested) were headaches and back pain, and those side effects decreased with time.

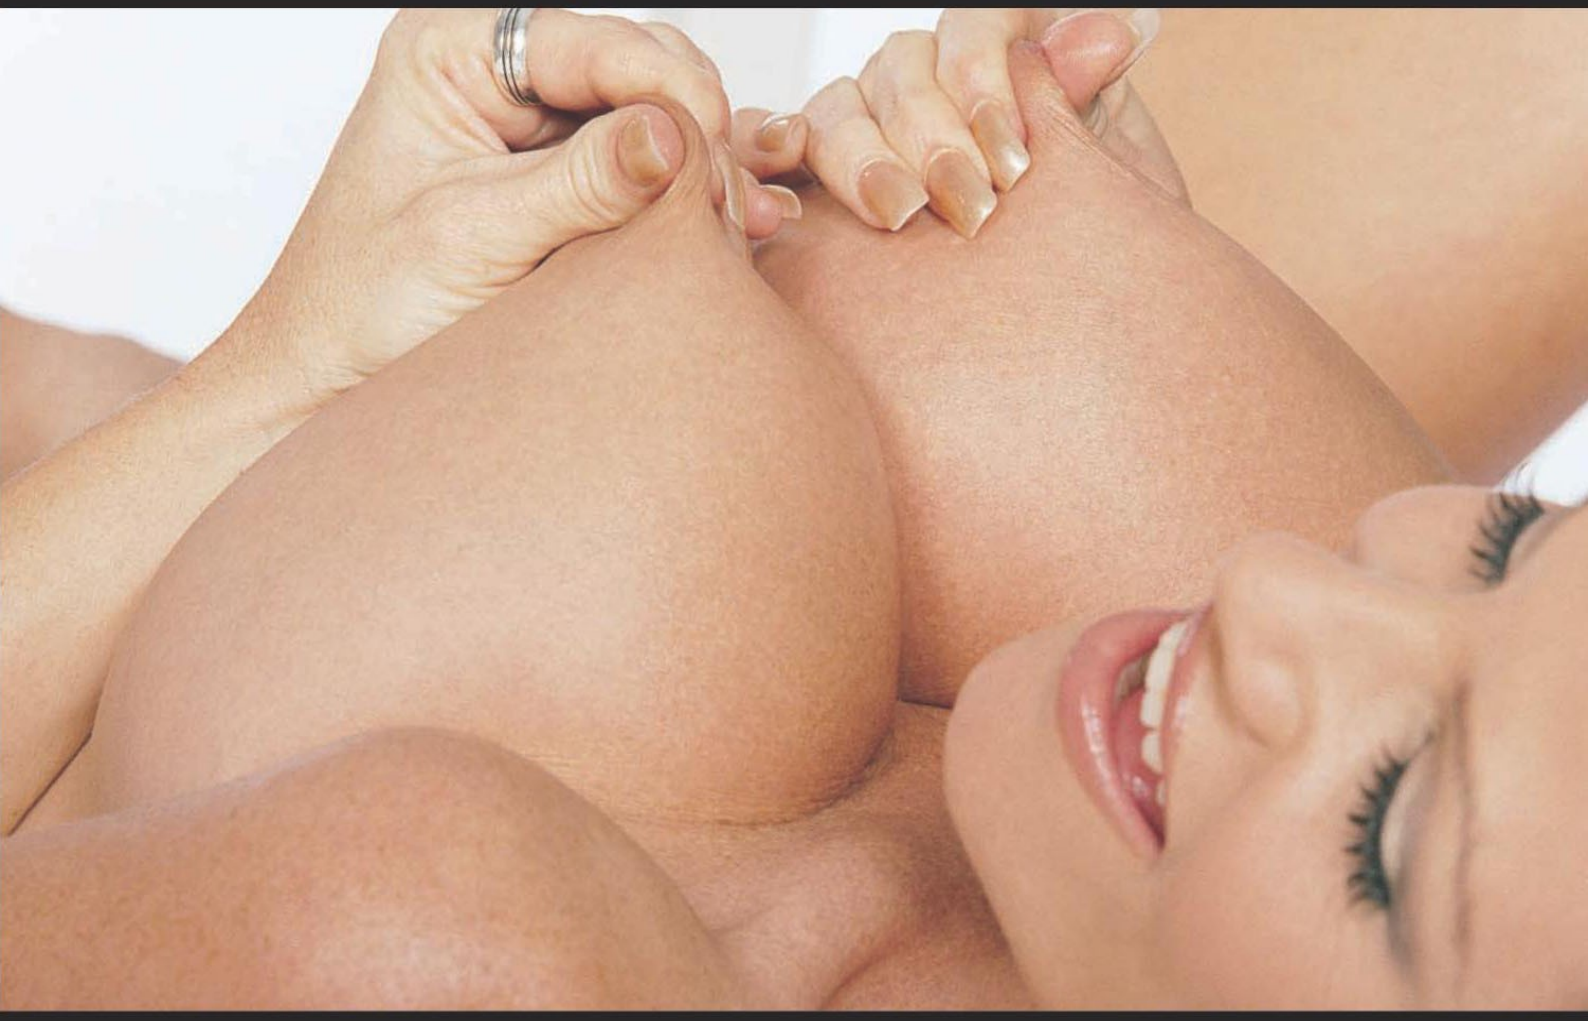
Kelly's Ultimate Workout

SHE'S KEEPING HER TITS AND HER PUSSY IN TIP-TOP SHAPE.

How Kelly Madison keeps in such cock-hardening shape is a mystery to us, but why we love her isn't. Kelly remains at the top of her game with a set of FF-cup naturals that put many 18-year-olds to shame. Of course, it's the way she works her tits and snatch that's really on our minds, so we caught up with her at the gym to find out what she does between sets.



KELLY DOES A LONG, HARD SET OF CHEEK SPREADS AND LETS US WATCH!

All those long, hard hours in the gym paid off for Kelly, who's never looked hotter or hornier…and who is becoming increasingly aware the effect she has on us. "The thought of so many guys watching me got me so wet!" Kelly said of her boy-girl debut in *SCORE Xtra #8* (available on page 98). The photo version of that shoot appeared in the May '03 Xtra section, and it's one of the hottest we've ever run. Something seems to happen when *SCORE* Girls do their first XXX (Linsey Dawn's posing became scorching, too), and, for an encore, Kelly stuffed her pussy in a wanton way in her new videos that appear on Scoreland.com.

WEIGHT: 135 lbs. **MEASUREMENTS:** 40-24-34
BRA SIZE: 32FF **PREVIOUS *SCORE* APPEARANCES:** May '03 (boy-girl), April '03 (girl-girl), July '02, Jan. '02

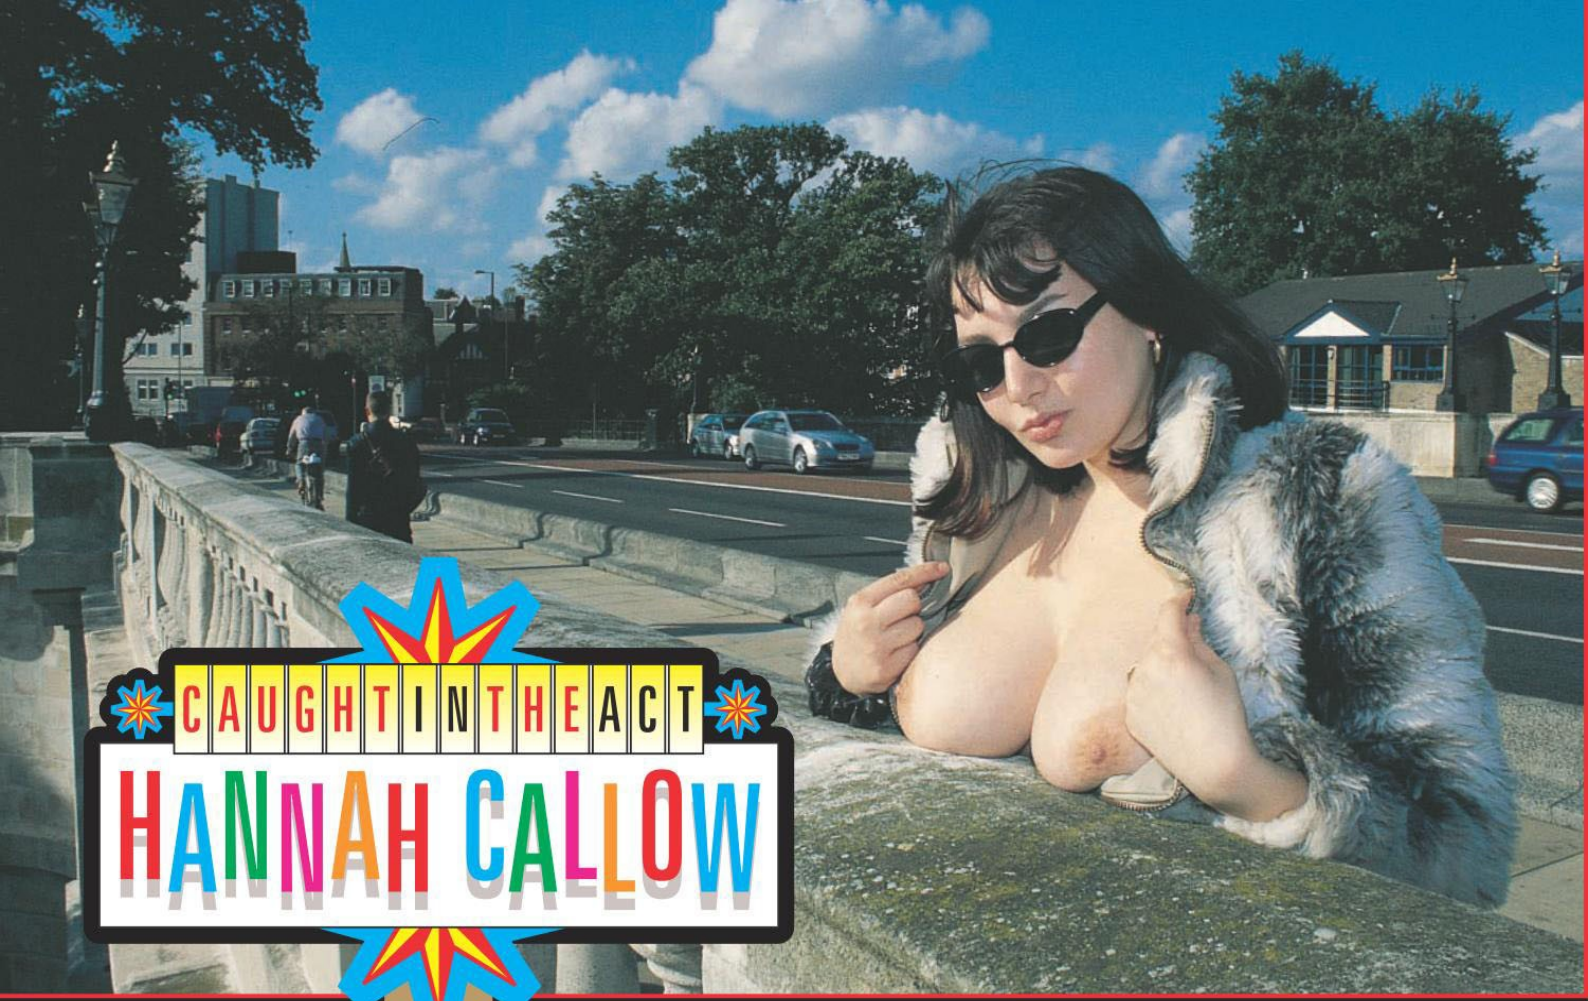
We find it impossible to believe that someone as slim and stacked as Kelly, and who puts as much effort into staying that way, would waste her time with any guy who doesn't love big tits, but Kelly used to do just that. Then…magic. "I started dating a guy who was just obsessed with breasts, and my life's been great ever since," she said. The result: Kelly quit her day job, which required her to wear conservative attire. Decided that big-tit modeling was the way to go. Decided to get off while she was getting millions of men off. Her gain. Our gain, too. And she keeps getting better.



THIS BRIT CHICK PICKED A PUBLIC STAGE TO SHOW OFF HER GOODIES.

You already know who this girl is, because we went and told you, but would you have known otherwise? If you were walking down the street in London, crossing one of its many bridges, would you have recognized *SCORE* Girl Hannah Callow in her black hair, dark sunglasses, thigh-high boots and fur coat? Or would the rack have given her away? When Hannah last appeared in the February '03 issue, we mentioned that she changes her look every time we see her, but this time, she's gone gonzo. "I have a bit of a flashing fetish, I must admit," Hannah said. "That's one of the reasons I started posing for men's magazines. It's very exciting, and this is the most thrilling thing I've ever done. People kept looking at me like, 'Is she doing what I think she's doing?' One bloke almost drove his car into a pole when he saw me flashing my breasts."

Good day for a picnic, no? We'd say that Hannah looks like a tasty box lunch, but that would be rude and crude. "There weren't many people around when we did this, but there were enough to make it fun," Hannah said. "I think the photographer was more nervous than I was. He kept on worrying that we were going to get stopped by the police, but I wasn't concerned. If a policeman came up to us, I just would've offered him a close-up look at my breasts." Regular readers of this magazine know that our "Caught In the Act" pictorials usually feature big-titted dancers on stage. This spread breaks with tradition, but look at how Hannah uses that picnic table as if it's her own personal outdoor stage. "I like to think the world is my stage," Hannah said. "When you have big tits like mine, the whole world is always watching you." Damn right we are.

CATHY BARRY INTERVIEW

Continued from page 34

as I was doing the body-piercing magazine, and after I topped the shelves, that's when it all snowballed from there. One of the photographers who was shooting did video and asked if I would do a scene for him, strictly on my own, playing with vibrators and myself. I was a little timid about it, so I discussed it with my other half and he said, "Go on. Have a go, and if you don't like it, don't do it." As simple as that. So I had a go at it and loved it. Then I started doing girl-girl movies. That's how I got to be the UK's number one porn star, from girl-girl movies. I've done loads of them. I don't even know the number of movies I've done.

SCORE: You love doing girl-girl?

CATHY: I love it. Even though I like blokes, the girls know what buttons to press. It's a little different with girls. They're a lot more sensual. They like to feel and stroke, whereas blokes like to just stick their cocks up your ass, or wherever they want to stick it. I did girl-girl for a long, long time. And then over here in England, I started to do a Cathy Barry night for Playboy TV. But they wanted me to do something that would shock my fans. They wanted me to do a boy-girl.

SCORE: How many years ago?

CATHY: It was about three or four years ago. Then I had to discuss it with Phil again. And, at that time, Phil was filming stuff for the adult channel. And he said, "You don't know if you're going to like it until you do it, do you?" So I did it. He didn't mind at all. I felt a little bit more comfortable with him there while I was filming, so if I didn't like what was going on, he would stop it.

SCORE: So that was hardcore boy-girl?

CATHY: It was hardcore boy-girl, the first boy-girl movie for me. It was a film called *Countess Cathula.*

SCORE: What do you remember about that shoot?

CATHY: I remember I enjoyed it. I felt a little more comfortable because Phil was there filming it. The only person who had problems with it was the guy I was working with, because Phil was there. I guess it put a little bit of pressure on him to do the job. I had to fluff him up now and again.

SCORE: So since then, you've enjoyed doing boy-girl?

CATHY: I enjoy all of it. What's the point of doing it if you're not enjoying it? If you watch any of my movies, you can see it in my face.

SCORE: When did you first realize you were into sex?

CATHY: When I started doing the solo movies, playing with myself. That's when I realized, "Hey, I like this."

SCORE: So you were about 22, 23?

CATHY: Yeah. And then, you know, I started doing the girl-girl movies, having sex with girls, and I bloody well enjoyed it. Then the boy-girl movies were another mark on the board. And I'm bi-sexual.

SCORE: So you have sex with girls in real life, too?

CATHY: Oh, yeah!

SCORE: What's better about having sex with a woman and what's better with having sex with a man?

CATHY: Like I said before, girls are more sensual and more affectionate. They tend to please you more, willing to please you more. Guys are a little more stick it in, get what they want and bugger off sort of thing. But I have fun with whoever I'm doing it with.

SCORE: Do women know how to handle breasts better than men do?

CATHY: Oh, yeah. Women touch your breasts softly.

SCORE: And that's how you like it?

CATHY: I don't mind it being rough sometimes with guys, but women touch you gently and caress you. Men are a little rough, but I don't mind at all.

SCORE: So it's different for both?

CATHY: It's hard to explain. I love them both. I'm a bit of a perv. Really, I am.

SCORE: You're a pervert?

CATHY: Yeah. I'm definitely a pervert.

SCORE: In what way?

CATHY: Because I like all different aspects of sex. I'm not into the fetish thing too much, although I don't mind a little bit of spanking on the bottom.

SCORE: What do you like best?

CATHY: I like getting down to the nitty-gritty of sex and banging away, because that's what sex is all about.

SCORE: What are you best at?

CATHY: Some blokes I work with say I give good blow jobs and some blokes say, "You know how to fuck!" Other guys, when I do anal, say, "Bloody hell, I didn't know you could take that big cock up your ass like you did!"

Lovette in Puerta Vallarta

LOVETTE RAISES HEADS IN MEXICO.

The last time we saw Lovette, in the Xtra section of the March issue, she was having her pussy filled with cock and power tools. Filthy, reprehensible stuff. So, for those of you who ask, "Where's the glamour?" here it is.

"SOMETIMES I'LL WANNA SHOW OFF MY TITS AND SOMETIMES I WON'T."

These photos provide you with rare, unobstructed views of all of Lovette's goodies. And Lovette made it quite clear in an interview in the March 2002 issue that she is much more than a beautiful rack. "I want people to use my ass," she said. "Use me, abuse me! I'm serious. I like being used and abused in a safe environment, and I like abusing, too." Bold enough statement for you? Think about it while you mull over the shot of Lovette bent over a rail exposing her fuckable asshole and pierced pussy to the world. Maybe all of us will remain tit men first and foremost, but doesn't that shot make you want to bust a nut? And wouldn't she be more than happy to help you out? You bet she would! "I enjoyed taking these photos because it's so rare that I get a chance to just show off my body," she said. "Usually, I'm fucking and sucking. But this is fun."

"I LOVE HAVING MY ASS AND PUSSY FILLED."

"It's the ultimate experience, really," Lovette said. "I don't feel the same way with toys. It has to be the power of being with two guys." If Lovette asked, we just might have to do it, *SCORE* Men, and break that unwritten law: No threesomes with another guy involved. Then again, Lovette is all about breaking the rules. "I mean, even a photo shoot like this is kind of forbidden," Lovette said. "People run naked on the beach in Mexico, but they don't spread and finger themselves. That's why this is so much fun." For for her. And definitely fun for us.

CATHY BARRY INTERVIEW

Continued from page 64

SCORE: Have you ever run into a guy who was too big for anal?

CATHY: Yeah. Recently. A couple of weeks ago, I was doing a scene from *Cathy's Diary #3*, and the guy I worked with was very big.

SCORE: How big?

CATHY: Well, you know how sometimes when a guy is erect either his dick leans to the right or left, or either his head is bigger than his shaft or his shaft is bigger than his head? Well, this guy was just long and hard and it went straight up, and he had a big shaft and a big head. And I was working with three guys that day. And Phil asked who was going to do anal, and the guy said he was. All I could think to myself was, *Fuckin' hell!*

SCORE: How big was he? Twelve inches? More?

CATHY: In England, he has the biggest dick in porn, but there are several guys who boast about that, anyway. But, yeah, I got a really big dick.

SCORE: So he fucked your ass?

CATHY: He did it eventually. It took a while. It was the first time I worked with him. I told him, "Let me guide it in," and I did. I pushed it in a little bit more, then a little bit more. In the end, they got what we needed.

SCORE: [Laughs] In the end.

CATHY: [Laughs] In the end. To him, at first, I was a piece of meat. He just stuck it in. It made me bleed. He ripped me a little bit. Thank God I've healed up now. I felt like I was being abused, really. He didn't mean to be like that. The other guy I was with just stuck it in like there was no tomorrow. The third guy was new to porn, poor sod. I sucked him and sucked until my jaw hurt. You know like how you blow up balloons all day and your ears hurt inside?

SCORE: He couldn't get it up?

CATHY: He couldn't get it up. No matter what we did, he couldn't get it up.

SCORE: But the other guys didn't have any problems?

CATHY: The other guys didn't have any problems at all. It's like you command it, and it came up like a puppy.

SCORE: And you've done double anal.

CATHY: Yeah, I've done double anal. It was with two Belgian guys. I was the first British porn star to do double anal.

It's in my new video, *Cathy's Diary #2.*

SCORE: How long ago was that?

CATHY: That was last October, actually.

SCORE: How do two guys get their cocks into your ass at the same time?

CATHY: I'll tell you. For future reference, when you're with your girlfriend.

SCORE: I don't think I'll be bringing along a friend. At least no one I know. Maybe me and a dildo.

CATHY: [Laughs] A cock isn't the same as a dildo. You can't bend it and move it like a real one.

SCORE: Okay, fine. Two cocks.

CATHY: Okay. I sat on one of them with his dick up my bottom and the other was behind me, like doggy-back. It slipped right in. People asked me, "Didn't that hurt?" But, at the time, it was so good, I didn't feel any pain. I enjoy anal when I feel it's right, not when the guy wants it. Some of the guys in the industry are rough, too.

SCORE: Rough?

CATHY: Exactly. And your bum is not made to be fucked, really.

SCORE: So were both of their cocks moving in and out of your ass, or were they still? It's kind of hard to imagine two cocks in that tight space moving at the same time.

CATHY: Oh yeah, they were moving. In and out, in and out. It felt quite good, actually. Surprisingly so.

SCORE: So their dicks were brushing against each other, then into you?

CATHY: Yeah.

SCORE: Can you cum from anal?

CATHY: Oh God, yeah. If they do it good, you cum. You can cum from just about anything if it's done right.

SCORE: And the double-anal was good? What was good about it?

CATHY: It was just the thought of it. I was liking it. I got off on it. You know, the idea that I'm the first girl in the UK to do double-anal. It seemed so dirty, so exciting, which it was, of course.

SCORE: Where did they cum?

CATHY: On my tits. It's always on my tits...or on my bum...or on my pussy...or on my face. I hate when they do it on my face. By the time they finish, I have two bloodshot eyes. But I prefer when they come on my tits. Of course, when I'm not doing it on camera, I'd prefer it in my pussy.

SCORE: Like most women, I guess. Okay, you're a huge star in the UK, but you're not very well-known in

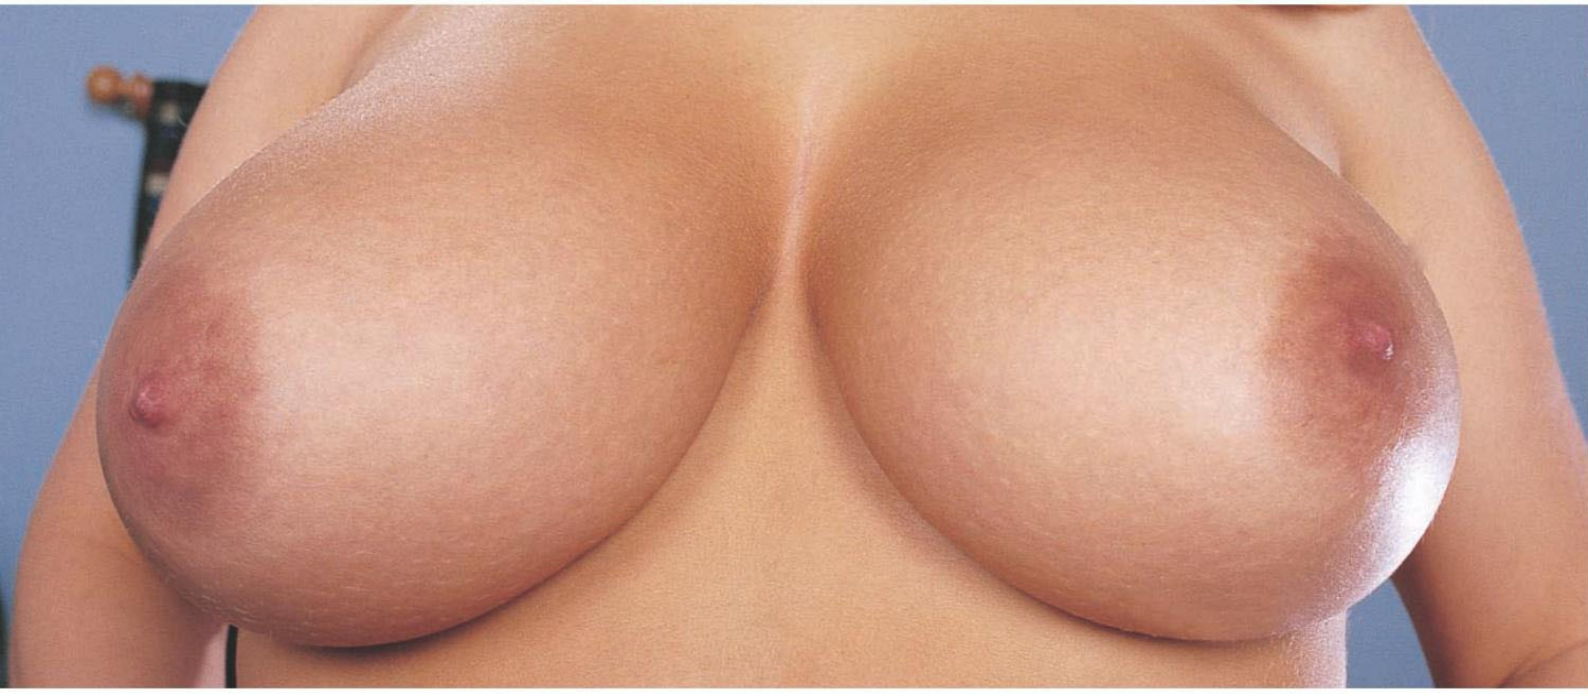
Two Scoops of Daizie Kellogg



THIS KELLOGG IS ALL NATURAL. NO ADDITIVES, NO PRESERVATIVES.

While most *SCORE* Girls work their way up to hardcore and stay there, Daizie Kellogg is the exception to the rule. In her second *SCORE* appearance in the July '00 issue, she was as an inexperienced but willing-to-learn wild child doing boy-girl. Perhaps Daizie just needed to try it once. Or, perhaps, she realized that *SCORE* Men are happy just looking at her body.

"SOME GUYS ACTUALLY NOTICE MY FACE."

There's no doubt about it, Daizie has a face that anyone could love, but it's virtually impossible to concentrate on it for long when given a view of those honeydew-sweet heavy hangers. Yet, it's true, isn't it, that Daizie has a fashion model's face to go along with her *SCORE* Girl's body. One has to wonder what might have happened if a scout for one of the major modeling agencies, rather than a photographer of big-breasted women, had discovered Daizie while she was sunbathing one afternoon in Mission Bay, California. Their loss, our gain. Daizie's right where she belongs.

CATHY BARRY INTERVIEW

Continued from page 73

America. Do you want to get well-known in the U.S.?

CATHY: [Laughs] I want to see how your clocks work over there. I hear there are crazy people over there.

SCORE: All the crazy people are over here, in this office.

CATHY: Well I've done some DVDs over there for Union Jack, and I've met Ron Jeremy and Jenna Jameson. You know, all the big porn stars over there. But, yes, I'd like to get better-known in the U.S. I don't see why not.

SCORE: What's the difference between U.S. porn and British porn?

CATHY: U.S. porn has more of a story-line to it. British porn, not so much. At the end of the day, the British are not interested in a girl going down to the garage to pick up a car and getting fucked in the garage. We just want to get straight to the sex scene. We have a slight storyline, of course, but you do a lot more talking in your scenes. We do some talking like, "Come on, stick it up my ass, you dirty fucker." That sort of thing. When you're in the middle of sex, who has a conversation?

SCORE: The U.S. is more proper when it comes to the nitty-gritty? That's surprising. I thought the British were supposed to be more proper.

CATHY: Nope. In Britain, it's "Bend over and I'll stick it in your bottom." In the U.S. you do all sorts of things first.

SCORE: Okay, so what does Cathy Barry do when she's not getting fucked in the ass by two guys?

CATHY: [Laughs] I go to an all women's gym. The women always want to know what is next for me. They are interested in what I do for a living. I guess I do have an unusual way of making a living, don't I? When I'm not at the gym, I'm out shopping or visiting family or sitting home watching soaps. Just doing the things a normal housewife does, you know, except I guess most housewifes don't do what I do.

SCORE: Well, you're anything but a normal housewife, and I think the readers will now agree with that. Cathy, thanks for your time today, and your pictures look great. We look forward to seeing a lot more of you.

CATHY: Thank you. I'm very excited about being in *SCORE*.

BIG-TIT BARBIE DOLL

"I JUST ENJOY HAVING SUCH BIG BREASTS."

So says blue-eyed, hard-bodied, big-breasted Barbie Bennett, aka Texas Barbie, a tall drink of water who was born in Corpus Christi, Texas (home of Colt 45, who appeared earlier in this issue) and now lives in Chicago, Illinois. "I like candle wax and spanking," she says, so spank your monkey, guys!

SCORE DEBUT

"I ENJOY PLAYING WITH MY DOG AND RIDING MY CROTCH ROCKET."

Does masturbating count as a hobby? Hey, who cares? Barbie gave us a detailed account of how she jacks. "First, I tweak my nipples through my bra," she said. "I like to touch myself lightly over silky panties for a while, then I put my hands inside my panties, stick a finger as deep inside myself as I can and pleasure my G-spot. Finally, I get my toy out." Don't pass out, guys. She's real.

SCORECARD

Continued from page 12

Here are a few suggestions for his next subjects of D.S.:

5. Traci Topps. Her fans still miss her.

4. Heather Hooters. I must see that incredible ass in action! By the way, when are you gonna put her back in the magazine? It's been too long.

3. Lisa Chest. Ah, the memories.

2. Europe DiChan. This cool blonde from the '90s needs to be seen ridin' the baloney pony.

And, of course…

1. Danni Ashe. She has made an entire career out of creating millions of blue balls. It's way past time for her to ride the meat sword.–B.G., Lexington, Kentucky

ANGELIQUE AND CRYSTAL

Dear *SCORE*,

Is Crystal Gunns hot or what? Not since Angelique have I seen a hotter exotic knockout like Crystal. Which leads me to the following idea: Angelique and Crystal Gunns in the same pictorial, combined. I can only imagine it. Maybe you guys will put it somewhere on your agenda.–Will, email address withheld

Dear Will: Unfortunately, Crystal and Angelique isn't currently on our agenda, but we'll add it to the long list of things we'd like to see. You might be interested, however, in seeing Crystal and Cindy Cupps comparing their assets in the August '03 issue, available on page 11.

DILDOS: DON'T GO CHANGING

Dear *SCORE*,

With so many readers writing in on the question of dildo shots and telling you to change one way or the other, I felt I had better write in to say don't change a thing!

Most guys enjoy porn for a mixture of two reasons:

1. To appreciate the beauty of the girls in an aesthetic sense.

2. To appreciate the sheer earthy, raunchy, sexuality of the girls.

The exact mix of motives varies from guy to guy, but what makes *SCORE* great is that you have something to please everyone. Dildo shots and hardcore appeal to motive two, but often at the expense of motive one. Keep having a mix that satisfies both motives.

DOES SIZE REALLY MATTER? *Of course it does!*

You reprinted in the letters section of the August issue some pictures from the April issue that were excellent examples of why dildo pictures can be sexy. The same was true of the pictures of Mary Carey using a dildo and a butt plug. On the other hand, I feel the picture of Cassitty on page 65 was an argument against dildo pictures. I don't wish to insult a beautiful girl, for Cassitty certainly is one, but that picture was extremely unflattering. The pictorials of Josie, Lorna Morgan and Casey James showed women who are beautiful and sexy without insertion.

I wouldn't want you to abandon dildo photos because they can be incredible turn-ons, but I also don't feel you should obey the readers who want dildos or penetration in every pictorial.

Finally, though slightly off topic, I also want to praise the recent *Buxotica* special. I generally prefer natural to silicone, and most of the slim-and-very-stacked girls who appear in *Buxotica* have used a surgeon to help nature along, but all of the girls were very beautiful, all of the pictorials were flattering to them and anyone who didn't pick up a copy at the newstand should immediately turn to whichever page the back issues ad is on and buy it.–M.H., Dayton, Ohio

Dear M.H.: Thanks for the good word. The back issues ad is on page 11 of this issues, and that's where you can order Buxotica. *For an in-depth look at this mega-tit special, turn to page 14. We have photos of all the girls. Enjoy!*

DREAM *SCORE* WANNABES

Dear *SCORE*,

I have a few candidates for Dream *SCORE:* Colt 45, Melonie Charm, Lacey Legends and Jezhabelle. I hope these are qualified candidates.–Name and email address withheld by request

Dear Reader: Yep, they're all qualified candidates because they fit the requisites for Dream SCORE *treatment: They've all appeared in* SCORE *and none of them have done hardcore.*

HARDCORE TIT PLAY

Dear *SCORE*,

Figured I'd send in my two cents on the hardcore in *SCORE* situation. A big-boob magazine should have big-boob hardcore. In other words, the emphasis should be on tits, not penetration.

SHOWER TIME WITH LINSEY

YOU'LL NEED A LONG, COLD ONE AFTER THESE PICS.

Once in a while, we receive a letter from a reader that says something like, "Enough Linsey Dawn! Haven't we seen enough of her?" So we'll cool it a bit, figuring maybe this reader is speaking for the masses. But then, sure enough, requests for LDM come pouring in, and we know once again: You can never get enough of the great LDM.

VIDEOS: *The Best of Linsey on DVD (XXX-Rated)* and *Boob Cruise 2000* (Hard-R-rated), both available on page 99 of this issue; *Ultimate Linsey, Linsey's Lezzie Seduction, Linsey Cums of Age* and other LDM videos are available at eBoobStore.com

This pictorial is the sequel to Linsey's last full-length appearance in the May '03 issue, when she finished third in the Model of the Year voting. That time, we saw Linsey's breasts bulging out of a leopard-print bikini and those HH-cup naturals floating on water. Here, it's *apres swim* shower time. Doesn't she look great soaking wet?

"I NOW HAVE MY OWN MODELING AGENCY. I WANT TO FIND THE NEXT LINSEY DAWN !"

Good luck, honey. We've been trying to find the next Linsey Dawn for the past seven years, and although we've certainly come up with some great natural finds (Sharday and Nicole Peters are two that come to mind), Linsey remains one-in-a-billion, a miraculously stacked babe who we never get tired of looking at. Can you believe how great–how big, full, heavy and shapely–her tits look in this spread? But about that modeling agency Linsey referred to. Don't have a heart attack on us: Linsey isn't thinking about retiring. She's just using her experience and the contacts she's made over the years to start up the LDM Modeling Agency, and she recently had a big party in London to celebrate its grand opening. Lots of celebs were there. And, as you read this, LDM is hard at work... looking for the next her.

DEVON: WEDDED BLISS

PLEASE RISE: HERE CUMS THE BRIDE

SHOW THIS TO YOUR FIANCEE, AND TELL HER THIS IS HOW IT'S DONE.

This spread of Devon Michaels and friend left us wondering one thing: What's with the obsession in some cultures about marrying a virgin? Give us a *SCORE* girl with a perfect set of milk jugs who can suck a golf ball through a garden hose and take our goo all over her tits anyday. But Devon's *kind* of a virgin: This is her first magazine boy-girl.

"THIS IS THE SECOND TIME IN MY LIFE I'VE EVER CONSIDERED MARRIAGE."

Licking sweaty balls, bending over and taking a hard-on deep into her throat, laying back and enjoying a cunt-filling fucking…while she's wearing a wedding veil. Not bad for a first-timer, no? "I did a boy-girl for a magazine back in 1996, but it was softcore because back then newsstand magazines couldn't do hardcore." Hey, what's she been doing all this time? Practicing?

"I wanted to make a big splash in my first *SCORE Xtra* spread," said Devon, a fitness model who's guaranteed to make a big splash whenever and wherever she spreads those perfect legs, that round ass and those pouty pussy lips. And, speaking of splashes, the guy who's banging away at Devon's pussy is building up a scrotum-load of man-juice. On the next spread, Devon will suck on his balls some more, then get a big cum splash all over her beautiful tits...an appropriate ending to a great debut.

VIDEO REVIEW: BUSTY DILDO LOVERS #4

HEAVY-HOOTERED *SCORE* GIRLS LOVE PLAYING WITH THEIR TITS & PUSSIES

By Malik Tucker

Throw pillows. Hooters. Tits. Rack. Under-the-shoulder boulders. These are all euphemisms for a *SCORE* Man's favorite part of the female body, breasts. And for most guys, the bigger the better.

In *Busty Dildo Lovers #4,* you get all the tits you can handle and then some. You have sizes ranging from grapefruit to wagon wheel, with areolae as big as silver dollars. Like in the previous three editions of the *Busty Dildo Lovers* series, you have sexy women with giant melons you just want to slam your head between and go "brrrrwwwweeeee." And the best part about these videos: no guy-ass or dick to obscure your view from all the pussy-splitting dildo action. That alone gets two thumbs up.

And who better to headline this video than an all-star cast of *SCORE* Girls, including three legends, a newcomer and some legends in the making. There's Minka, the world's bustiest Asian, a babe who simply can't stop playing with her gazongas and filling her pussy. There's Michelle Bond, a pretty Brit chick who bears absolutely no relation to James Bond (that's double-oh-seven), other than her insatiable appetite for sex. There's Brazilian bombshell Angelique and blonde 'n' stacked Colt 45, two more *SCORE* greats; and a pair of loaded blondes, Harmony Bliss and Mary Carey.

If you watch this video all the way through without once having to pause to beat your meat at least once, something is wrong with you. And you're not a *SCORE* Man.

But you are, of course, and you can order *Busty Dildo Lovers #4* from the ad on page 20 of the main mag. You can get the lowdown right here.

Minka gets it on with a red dildo in *Busty Dildo Lovers #4.* She's an expert at filling her pussy just right.

SCENE ONE: MINKA

We start the party with the world's bustiest Asian, and this time we have her all to ourselves. Yeah, you'll want to see Minka fucking and sucking in the upcoming video/DVD *SCORE Xtra #9*, but here's some solo foreplay for you.

We see Minka standing next to a bed barely wearing a purple tank top, Daisy Dukes and heels. She stares directly at you and, in a thick, sultry, come-fuck-me accent, invites you to play with her tits. You can barely understand her, but do you really care? Do you honestly care what the fuck she has to say as long as her tits are out? I sure as hell don't. She could be speaking in noises and clicks and it still would be sexy.

She lifts her tank top over her head, exposing a white, industrial-strength bra that hardly contains her tits, which are the size of the rims on my Escalade. She starts rubbing herself, insisting you "play with my pussy" as her hand

Angelique (top), Michelle Bond (right) and Mary Carey (below left and right) make *Busty Dildo Lovers #4* a must have.

moves south to pet her furry monkey.

In no time at all, she busts out of her bra and straps on one that's even smaller and more arousing. As she lies back, she pulls down her shorts to reveal no underwear, just a smooth pussy with hair as silky as a kitten's. She models three more bras for your viewing pleasure, then gets down to business.

She takes a bottle of lotion and strategically drips it all over her tits, rubbing it in and starting to moan. She then lies back and starts lotioning her silky pussy and oh-so-pretty twat while moaning and writhing in pleasure.

Minka reaches over and grabs a red dildo and starts sucking on it like it's a big, red cock. She then starts to titty-fuck that bad boy, and you can see she is really into it, getting hot and horny, and she starts moaning even louder. "Oooohhh, aaaahhhh." Not long after that, she inserts most of the mammoth synthetic cock into her now-wet pussy and fucks herself crazy, pumping in and out and squirming with pleasure.

There isn't much dialogue, but you won't notice. If you do, you're concentrating too hard. Who are you, Ebert & Roeper? This scene may not win an Oscar, but it will get your seal of approval. After watching it, the only words left in my head were, "Me so horny. Me love you long time."

Minka closes the scene by giving us a closeup view of her wide-open pussy. If that's not art, I don't know what is.

SCENE TWO: MICHELLE BOND

Britain has more than its share of beautiful, naturally busty, bodacious babes with palpable, perky, plump puppies, and Michelle Bond, who debuted in the June '03 *SCORE*, is one of the prettiest of them all. You'll be seeing plenty more of her, and you might as well start here.

Slim 'n' stacked Michelle possesses pretty natural hangers that any boob-loving man would love to suck. Myself included. She starts out in a lacy pink bra and pastel blue panties. She sheds the bra and starts fondling and licking her titties. That alone is enough to make you cum on yourself. She sits in a love seat, legs parted wider than the red sea, and massages her clit beneath her panties. Once again, there's no dialogue, but wouldn't you prefer a

TINA CHERI: TAKING US ALL ON A RIDE

THIS TIME, SHE'S REALLY CAUGHT IN THE ACT...THE FUCKING ACT!

Tina Cheri hasn't been in *SCORE* for a long time, but she was worth the wait. Last time we saw her in the July '97 issue, she was "Caught in the Act" on-stage at a strip club in Florida, teasing dollar-wielding guys. No tease this time. The cock goes all the way in Tina's pussy, and she isn't shy about taking a mouthful, either. That's progress!

VIDEO: *Boob Cage #3* (XXX-Rated, available at eBoobStore.com)

There's something about this spread that tells you, "Hey, Tina was *into* this." Check out the look of ecstasy on her face as she rides that cock and spreads her pussy a bit wider (because that's an awfully big cock, if we do say so). And don't you wish your big-titted girlfriend made saliva strings when she sucked your dick? And bent over to take ever inch deep down her throat? "Something happens to me when my clothes come off," Tina said. "I enjoy all forms of sensuous sex, and making love is the ultimate form of expression, but it makes me feel so horny when I fuck on camera. I don't know why."

Tina really has to spread those lips to take this big cock in. We're in heaven imagining that's us with a hand on Tina's firm, round ass while those chest pillows bounce up and down in front of us and then get stuffed in our faces. "Like most girls, I prefer being on top," Tina said. "But this guy had a really big cock, and, at first, I wasn't sure if I could take it all without getting impaled. Fortunately, as I've very happily discovered, a woman's pussy can expand quite a bit to take very large objects, and the more I took in, the better it felt. Of course, him spreading my ass helped, too."

"I LOVE TAKING IT FROM BEHIND. I LOVE LETTING A GUY GO NUTS ON ME."

This spread illustrates exactly how to finish off a fuck session with the lovely Tina Cheri. First, pound away hard at her from behind. Make sure your balls slap against her ass. Open her asshole. Then, withdraw and shoot your load all over her rack. Finally, ask her to clean the cum off your cock. But ask nicely, now. Tina's a lady. A lady who loves to fuck.

woman who's seen, not heard? I would, and you should, too.

As in Minka's scene, Michelle, too, grabs a bottle of lotion and seductively drips it over her body, rubbing it all over, making her body glisten under the studio lights. She then rotates herself in the love seat and has her ass in the air, showcasing her shaved camel toe from a back view.

She picks up a cream-colored dildo from next to the love seat and starts licking on it and rubbing it between her hooters. She then penetrates her pussy from the back and fucks herself in a slow, smooth motion.

Like many women I know, face down, ass up. That's the way Michelle likes to fuck. She relaxes after getting off and sits down, cradling the dildo between her tits. Nice view.

SCENE THREE: ANGELIQUE

I've never seen an ugly Brazilian chick, and Angelique, who returned to *SCORE* last October after a two year hiatus, keeps the streak going. Angelique's done the *Busty Dildo Lovers* thing before. She appeared in No. 2 with a monstrous white dildo and gave her pussy a nice workout. That's how she keeps it in shape.

Angelique looks like a handful as she enters the room, partially covered in a see-through purple teddy. She looks like a mouthful, too. She walks over to the bed and immediately starts playing with her Santa sacks. She rubs her mocha chocolate milk duds and slides her hand down to a fat, juicy pussy just waiting to be set free.

Angelique drapes herself over the bed, rips off her teddy and massages herself all over, then reaches over for a bottle of baby oil, gets on all fours and oils up. She inserts two fingers between her pussy lips and starts finger-fucking herself. Next comes the dildo.

She fucks herself with the dildo then switches positions. She sits up and fucks herself at warp speed. She stands in front of a mirror and cocks one leg up on the dresser and goes at it again…and again…and again.

Afterwards, she takes a sigh of relief…and satisfaction.

SCENE FOUR: HARMONY BLISS

"I love to touch my body." The first words out of the vixen's mouth are the first words uttered in almost an hour since the beginning of the show, but we've been too busy staring, drooling and jacking off to even notice.

Harmony, the runner-up to Sharday in *SCORE's* 2001 Newcomer of the Year voting, has never dildoized herself on video before, so that makes this scene a collector's piece. Not that you'd ever want to sell it.

She takes off her panties and immediately plays with her twat, massaging it and fingering herself. You can see all the way inside her bright pink, shaved pussy, and what a sight it is. It's enough to make you grateful you're a man.

She takes her cream-colored dildo and fucks herself. And if that doesn't make you cum automatically, she mounts her cock substitute and rides away, screaming and moaning (lucky dildo). She rides it faster and harder until she climaxes, then lies down and breathes deeply.

If she got off on an imitation dick, imagine how good she'd get off on yours. Don't you wish.

Harmony (left) and Colt 45 (right) in rare video will make *Busty Dildo Lovers #4* a best seller.

SCENE FIVE: MARY CAREY

For this next scene, grab yourself an extra large bottle of lotion, baby oil, butter, anything. You're gonna need it.

Meet Mary Carey. On the surface, she looks like your typical blonde goddess, but she possesses a talent unique to very few people. Yeah, she talks a lot. But she's flexible as hell, too, and that counts for even more.

Mary loves showing off her pussy. She's proud of her pussy. And she isn't shy. After all, this is the girl who dunked her head into a toilet bowl on *The Howard Stern Show*. In this scene, she spends a lot of time dunking the head of a dildo into her twat.

After slipping out of her white, lace bra, she manages to place her right foot straight in the air, over and almost behind her head while in heels. Damn! If that isn't talent, I don't know what is. Then, with her panties still on, she spreads her legs as wide as humanly possible. The way the cotton of her panties spreads out over her outlined cunt will make you want to jack.

Mary ditches her panties, lies on her back and parts her legs wider than the Red Sea. Everything is exposed. Everything, and her pussy is a beautiful, bright pink. Her legs are spread straight out to each side, which makes it easier for her to penetrate her pussy with the dildo. But Mary doesn't do things halfway. She uses two dildos: a small one on her clit and a bigger one to burrow in and out of her pussy.

Next, she places her legs behind her ears (while still on her back), making her the perfect pussy pretzel. Both dildos slip in and out with ease. The bigger one somehow makes its way further into her kitty cat, leaving nothing but the base mere millimeters outside her slit (Damn, it's hard to type with one hand).

Mary does everything. She plays with her tits after telling us, "I love to squeeze them." She sucks and tit-fucks the dildo. Lucky dildo. She ditches the dildo and plugs her cunt with two fingers. Lucky fingers. She places the little dildo on her clit and moves the big one in and out of her pussy. She gets down on all fours, sticks the dildo in all the way and executes the, "Look, ma! No hands!" trick. Meanwhile, the little toy is still churning away at her pussy.

After that amazing display, she lies

back, spreads herself on the bed once again and warms down by licking and sucking her plastic pal.

Like I said, this girl isn't shy. By the time this scene is over, you'll know her inside and out. Mostly inside.

SCENE SIX: COLT 45

Like the gun, Colt 45 is cocked, ready to fire and considered a deadly weapon in any state. Colt 45 is one of *SCORE's* all-time greats, and video of her is extremely rare. This scene could be her hottest ever.

By the time this scene rolls around, you'll probably be wondering, "Just how much abuse can my poor dick take?" But, like a trooper, you push on. Enter blonde, leggy Colt 45 in a see-through teddy and red skirt. It's a little bit on the hooker side, but we like it.

"I'm going to show you what it takes to get me off," she says.

She starts by fondling her tits and licking them. (At this point in the video, you'll probably notice there isn't any of that annoying, cheesy porn music in the background, making it much more stimulating as you can hear every grunt and groan of our dildo-fucking divas.)

She climbs into bed and sheds her red, tight mini skirt and fingers herself. And like the others, she reaches for a bottle of lotion, or in this case, what seems to be KY jelly (It's got to be jelly, 'cus jam don't wiggle like that).

She soaks in it, massaging every inch of her body, especially her nicely shaved pussy, and sucks on her nipples aggressively, as if she's trying to tear them off. You just might be thinking, "If Colt can suck dick the way she sucks her own nipples, she must give the best blow jobs in the world." Who knows? I've never had one from her. Too bad.

She grabs her dildo and, lying on her back, fucks herself silly, making sure that giant fuck-toy goes real deep. I like how she got right down to business. No long foreplay scene, just straight dildo action. Now, if only guys could get their girlfriends to be as open and expressive, the world would be a much better place. It's great to fuck your girl and have her ride your cock, but sometimes it's just as exciting to watch.

Busty Dildo Lovers #4. Six big-titted SCORE Girls. Six giant dildos. On DVD or video, it'll make your cock stand up and take notice.

TASHA: "WANNA FUCK? JUST ASK!"

WE ASKED. SHE ACCEPTED. AND SHE TOOK IT IN ALL OF HER HOLES.

SCORE DEBUT

While some new *SCORE* Girls prefer to work their way up to hardcore, posing solo first, maybe inserting a dildo or some fingers here and there, Brit-chick Tasha jumped at the chance to fuck on film. She loves her F-cup tits, guys loves her tits and she loves to hear from guys who love her tits. The best pick-up line she's ever received is "I like your tits," which seems kind of unoriginal, maybe a bit crass, until you realize that Tasha isn't the kind of girl who likes to play games. "I'm not going to jump in bed with any bloke I meet," she said, "but if all a guy wants to do is fuck me, he should just say so, not try to romance me. Who knows? Maybe I fancy him, too, and want the same thing. You never know until you ask." We asked!

"MY TITS GET ME ATTENTION. A NICE ASS ON A GUY WILL GET MINE."

Tasha admits that she dresses to call attention to her tits, which is fine with us, but if you're going to make her happy in the sack, you're gonna have to pay some attention her ass, too. And that doesn't just mean slapping it or getting her on all fours and banging her doggy style. "I love anal sex," she said. "There's something about it that makes me feel so randy. I need it."
