Here's a picture of C.J. (above) to tide you over until we get her back into the studio. And, below, we have three photos that show the glories of the bra-less babe: SaRenna with handlebars (left), Kayla Kleevage (center) and Maxi Mounds.

BRING BACK C.J.!

Dear *SCORE*,

I was thrilled when the annual all-naturals issue arrived. However, I was very disappointed that C.J. did not appear in the issue.

Even though C.J. was not pictured this time around, it was an outstanding issue with Nicole Peters and Blondie. Hopefully, C.J. (who is my No. 1 *SCORE* Model) will return before your holiday issue. I was wondering if you could publish new pictures from any of her previous sets. It would be greatly appreciated.

Also, I just became a member of NicolePeters.com, and I think you did a fantastic job with the website.–Anthony, Ottawa, Ontario

Dear Anthony: We're currently speaking with C.J. about a return to the studio some time in 2004. Meanwhile, in case you missed it, full-length pictorials of C.J. appear in the May '03 issue of SCORE *and the October '02 issue of* Voluptuous, *both of which are available at* eBoobStore.com. *C.J.'s only video is* Stacked & Packed #4, *also available at* eBoobStore.com *or by calling 1-800-421-0760, toll-free, in North America, +1-305-662-5959 elsewhere. It's been one of our best sellers. Meanwhile, here's a new photo of C.J. to tide you over.*

A TIT MAN WHO HATES BRAS

Dear *SCORE*,

I am a long-time *SCORE* subscriber, and I hate bras. I know they serve a purpose, but I prefer a bra-less big-breasted lady any day.

I love two things about bra-less, big-breasted women like Chloe, Nicole Peters and Diane Poppos: the cleavage and freeness of their boobs in the clothing they wear.

There is nothing more sexy or a bigger arouser than a big-breasted babe in a low-cut dress, blouse or sweater with no bra. Also, wearing a blouse, shirt or dress with the buttons open showing a tempting amount of cleavage. No bra!

Please show more cleavage and lots of bra-less, big-breasted babes. There are plenty of guys just like me. –G.B., Hawthorne, California

Sharday (above) and Nicole Peters: Who's the Queen of the Naturals?

SHARDAY VS. NICOLE PETERS

Dear *SCORE*,

The cover of the September '03 issue and Sharday's hottest layout ever clearly demonstrate why her bullet-shaped boobs have dominated the new century. The resilient firmness of her bulging bulk is superb, but that isn't her only weapon. Her breasts are complimented by an abundance of raw sex appeal and seductive powers. She has your readers by the balls, including yours truly.

Finally, *SCORE* has discovered yet another super-stacked sensation who can give Sharday some serious competition. The fact that the layout of Nicole Peters was next to Sharday's may have been a coincidence, or you are encouraging the comparison. Their impressive measurements are identical, although Nicole achieves her 42-inch bust with a narrower back. Since bra cup sizes are often exaggerated or incorrectly selected, I tend to ignore that factor. It's safe to say that both women are extremely well-endowed.

For my money, Nicole is more beautiful and has shapelier legs. Her confidence increases and her inhibitions decrease with each new appearance. Her titanic tits may not possess the nicely tensioned firmness of Sharday's, but the roundness and fullness of her healthy hangers have their own allure. At least for now, Nicole has those girl-next-door qualities whereas Sharday is the sultry seductress. Who knows which one your readers will prefer when these two titans go tit-to-tit.–D.T., Boulder, Colorado

WHEN YOU'RE SMILING...

Dear *SCORE*,

I just wanted to thank you for printing more pictures of Nicole Peters in the All-Naturals Special (September 2003). Besides loving her natural breasts, I really love her smile. She has a gorgeous smile. Seeing her in the *On Location Costa Del Sol* DVD was great! I hope she will be in another video soon. All I have to say is, "Keep smiling, Nicole, and see you in more pictorials!"–J.B., email address withheld

Cassitty's XXX spread in the November '03 V-Mag is tit-sucking paradise.

the other breast while the lovely lady is self-sucking. Add to that another lovely lady sucking my happy hard-on, making it a threesome. Any big boober would do, maybe Autumn-Jade with Julia Miles.

Also, I would like to see a retrospective of one model per issue. It could bring back memories. Another idea would be to collect all the Fantasy *SCOREs* and Dream *SCOREs* in a limited-edition mag. I'd probably be one of the first to pick up that issue.–B.D., email address withheld

STAMP OUT BOOB PREJUDICE

Dear *SCORE*,

The September '03 All-Naturals Issue is sensational. Well done to everybody.

There is one article in that issue that is very disturbing: "Boob Prejudice" ("Boob Beat"). I would like to tell you about an experience I had.

It was July 2001, and I was enjoying my vacation at the Santa Cruz Beach boardwalk. I paused to watch the kids riding on the tsunami, and standing next to me was a middle-aged housewife, mother…whatever. All of a sudden, out of nowhere, walks this bombshell of a blonde, slung to the max. At first, I thought it was L.A. Bust herself, but this girl was about 5'11" and had big, natural tits covered with beauty marks. The boobs on this babe were as

big as L.A. Bust's or Busty Dusty's.

Anyway, she stopped and stood next to me. I took a quick look, trying not to ogle her. Then I heard "mommy" say the following: "My, God, that girl is sick!" Our blonde, stacked sweetie left and went about her business.

I turned and told the woman that the girl was not sick, she was quite healthy, and if she didn't like what nature gave that woman, she should look the other way. Finally, "mommy" said, "If you think she's so hot, why don't you follow her?"

"You know what?" I said. "I think I will, and I'll ask her if she'd like to model for *SCORE*."

"Mommy" didn't know what I was talking about, but it was obvious she didn't want her kids to see a real woman with real womanhood.

Anyway, you folks at *SCORE* are absolutely right. Boob prejudice must end now.–L.M., San Jose, California

ANNETTE: DREAM SCORED

Dear *SCORE*,

That Otis Sweat painting of Annette Christianson ("Dream SCORE," Sept. '03) was great. She is so beautiful. I'd like to see her in either *SCORE* or *Voluptuous* again soon. Otis should really compile all of his work into a hardcover coffee-table style book, as well as a soft-cover book. Maybe *SCORE* can publish it, because I'd buy it.

Kerry Marie doing the hitchhiker thing…that's a definite fantasy come true. She is incredible, as I've noted in the past. She's gorgeous, a goddess. Of course, that body and her chest are great, but she has a beautiful face and eyes, too.

A lot of beauties in your magazines. Too many to mention. It really sets you apart from the competition. Keep up the great work.–Name and address withheld by request

WHY DEVON IS GREAT

Dear *SCORE*,

I know you get all kinds of mail theorizing on Devon Daniels' enduring popularity. I'd like to put in my two cents on the issue.

My dictionary defines the word "udder" as "a bag-like mammary gland, as in cows." I just got through watching the clips of Devon that you have at Scoreland.com. Seeing them

Continued on page 12

Kerry's as a hitchhiker was a highlight of the Sept. '03 naturals issue.

again reminded me how extraordinary Devon really was. Her tits are simply tremendous. The one word that kept popping into my head was "udder," especially in the scenes where she bent over and let her tits swing back and forth. Her mammary bags were so enormous, they really were udders… as in a cow's udders.

I remember reading something about filmmaker and bosomaniac Russ Meyer. When he was a kid, he was so obsessed with big breasts that he used to take cartoons and comic books and draw over all the female characters, giving them all enormous bosoms. I used to do that, too, when I was a kid. Of course, when I did it, I knew it was just a fantasy. I knew that no woman of such staggering proportions could ever really exist. Then along came Devon.

That, I think, was the secret to her success. Her tits were so enormous, so mind-bogglingly huge, that she triggered a reaction in people. Devon Daniels was that cartoon fantasy we all had as little boys come to impossible life. As a result, we were–and are–endlessly fascinated by her. The fact that she was a prick-tease who liked all the attention her big boobs got her didn't hurt either.–G.B., email address withheld

Dear G.B.: As a testament to Devon's lasting greatness, she was recently inducted into the SCORE *Big-Boob Hall of Fame. See the July '03 issue for Devon's induction spread. By the way, this issue kicks off the voting for the second round of inductees into the Hall of Fame. Turn to page 80 for photos and details.*

HARDCORE ISN'T EVERYTHING

Dear *SCORE*,

SCORE March '03: "E-mail address withheld" in "Scorecard" seems to have a problem. Would he really begrudge us all the pics of the models who won't/haven't yet done hardcore, e.g. Linsey Dawn's photos before she did XXX? Lorna Morgan, Kerry Marie, Sharday, etc., etc., etc.? If no models who wouldn't do hardcore had never been in *SCORE*, then that's a lot of luscious women we never would have seen. *SCORE* respecting the models' rights to not do XXX gets my thumbs-up as well.

I have a cracking suggestion for the extraordinarily talented Otis Sweat: Please, Mr. Sweat, draw the models in different stages of pregnancy. I'd love to see that.

I just can't tell you how much cum I've shot lately because of *SCORE*. The July '03 issue has an extra-beautiful cover, and it was good to see Vixen LaMoore. Keep up the excellent work.–John, Wigon, England

Devon Daniels (above) was the fantasy girl come to life, says reader G.B.

If *SCORE* Girls had to do XXX, we wouldn't have Lorna and Casey.

CASEY JAMES MONTHLY?

Dear *SCORE*,

You know what Casey James deserves, besides a 10-inch schlong in her anus and a big load of cum on her face? Her own magazine!

That's my conclusion after laying eyes on her for the first time in your August '03 issue. I've been buying big-tit mags for 25 years, and she is, undoubtedly, the most spectacular top-heavy meat slut I've ever seen. The shots of her on all fours, her giant meat bags swinging as she exposes that impossibly petite ass, have sent me into a weeklong frenzy of masturbation in which I've achieved the biggest erections and messiest ejaculations of my life. She is "udderly" magnificent.

Please feature her in every issue, and show us some photos of her thunderous flopper meat spilling out of lacy, too-small brassieres. Even better, show her gasping in pleasure-pain as she gets impaled on some stud's rump-ripping schlong beef. If you need a volunteer, let me know.–John, Eggltarbor, New Jersey

Dear John: Calm down, fella! Sounds like you need a Dream SCORE fix. As in, the August '02 Dream SCORE, drawn by Otis Sweat, in which Casey gets impaled by a cock while sucking on another giant one. Or check out Casey in the best-selling video/DVD Mega-Boob Olympics, *available at* eBoobStore.com.

AS IF THERE WAS ANY DOUBT

Dear *SCORE*,

I haven't missed an issue of *SCORE* in years, but, to tell the truth, I was beginning to think that some of the other big-boob mags which I buy were more exciting. Then your July '03 issue came along, and all thoughts of dropping your magazine vanished.

BIG BOOBS IN THE NEWS

MAMAZON #2

OILS WELL WITH THE MAMAZONS!

The first volume of our special magazine *Mamazon* was a sellout, which meant one thing: everyone loves big boobs under the sun!

"*Mamazon* was a great idea!" Roderick wrote. "To see all those beautiful ladies in a natural environment away from a studio set was a real cock-pleaser, but why stop after one issue? I'm dying to see the next issue. C'mon, guys, don't leave us with just a little taste of the good stuff!"

Since we're on a streak here, why not a second edition of this unique magazine? The cameras clicked, the ink flowed and the presses rolled to produce *Mamazon #2*, a magazine you'll want to add to your top-shelf library.

The new supernatural chicks in *Mamazon #2* are teenagers Nicole Peters and Ines Cudna; *Voluptuous* super-favorite Cherry Brady (who's up for V-Mag Newcomer of the Year); our lovely Latvian Inesse (who's only modeled for *SCORE* Group mags); British hottie Michelle Bond; and Cassandra, Slovenia's #1 tit-swinger.

Our returning champions of chest for a second round of mamazonian bareness are Autumn-Jade, Chaz, Kerry

Autumn-Jade oils 'em up good under the Miami sun for the second edition of the *SCORE* special *Mamazon*.

MAMAZON #2

Marie and Linsey Dawn McKenzie. If there's anyone who has a better chest than any one of these amazing women, we dare her to come out of the house and play. Our studio staff is waiting.

Linsey bags the cover-girl honors (or as LDM calls it, "the front page"), and to make the cover more jackable, she wears a wild, liquid-metal bikini and leggings from the Wicked Temptations clothing company. Her pictorial was shot on an old dock in a secluded area of Biscayne Bay in Miami, Florida.

Michelle Bond, Inesse, Nicole, Ines Cudna, Kerry and Cassandra were photographed in a scenic area of southern Spain where clothing is optional.

JACK FOR HEALTH

Scientists now say that regular jacking may be good for you. May be? Have these four-eyed eggheads been living in a cave for the past hundred years? Haven't they been reading the many informative chapters of The Jack Report? Hell, the guys at *SCORE* have been urging men to drain the ham for health since issue No. 1 back in 1992.

Research by Australia's Cancer Council found that the more often men drop a ball-bomb between the ages of 20 and 50, the less likely they are to suffer from prostate problems. A survey of 1,079 prostate cancer patients and 1,259 healthy men found that those who wanked off or had sex at least once a day in their 20s were a third less likely to develop any prostate-related illnesses. Whether you jacked alone or laid pipe with a friend, the important part was ejecting the payload on a regular basis. To *SCORE*, of course.

"For men in their 50s, that's often not achievable," said spokesman Graham Giles. "But masturbation isn't bad for you. I don't believe in the blindness and hairy palms theory. Prohibitions against ejaculations are not based on science," added Giles, who has not seen the palms of your *SCORE* editors and photographers but would probably revise his comments if he did.

The Australian study did not focus specifically on jacking. It also asked participants about their sexual lives and practices. Giles said the findings correlate with previous research showing that Roman Catholic priests were 30% more likely to get prostate cancer. Seriously.

One theory that could somewhat explain the latest results is that aging ball batter may have a harmful, carcinogenic effect on the cells lining the prostatic ducts if it is not regularly flushed out of the trouser-hose pipes by frequent load blasting.

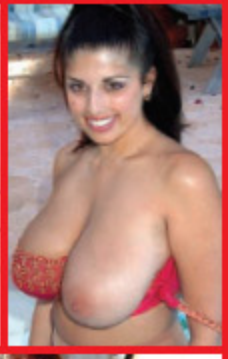

WHO'S SCORING AT SCORELAND.COM?

Top photo: Casey & Maxi take the fire drill on Boob Cruise 2K. Second row from left: Minka and Donita transform a man into a boobhead; Chloe's unconscious and Kerry Marie pokes out in Key Largo. Third row: Key Largo's Lineup; Lorna Morgan checks out a digital photo. Bottom: Holly Halston is about to get her ass stretched!

Love tits in action? Love big-boob movies? Scoreland.com is filling up with movies, movies, movies! The latest additions to Scoreland includes the complete versions of some of our best-ever movies: *On Location Key Largo*, *Boob Cruise 2000*, *SCORE Xtra #5*, *Chloe's Ultimate Encore*, *Julia Miles' Debut*, *Busty Dildo Lovers #1*, *Busty Auditions #2*, *Alexis Love Story* and the *Mega-Boob Olympics*. They're posted in easy-to-download clips in four widely-used formats: 56K, Quicktime, Windows Media Player and MPEG.

And there's even more video: Petite buster Holly Halston gets her ass filled with cock in a nice-n-dirty 40-minute fuck movie, (as seen in the August '03 *SCORE Xtra* section). Hannah Callow and Chaz make for strange bedfellows in a 21-minute boob-a-thon (and we've got the still photos, too). Kelly Madison spreads her legs for substitute salami insertion in a special Scoreland video and so does Vanessa Montagne (October '03 covergirl) in very rare dildo video.

Blow job expert Sara Jay smokes and humps hard ham in a 34-minute "jack" video that's as superhorny as Sara is. As in Scoreland's previous jack video with Debbie Leigh getting fucked, Sara talks dirty to the viewer as she gets piledriven to the floor. Superhot!

There's also Lizzie Mills' first time on video in an oil-to-boob show; a wild scene of mega-boober Kayla Kleevage taking a stud's giant prick deep in her mouth, cunt and butthole; Kelly Madison sexin' up bosom buddy Lana Lotts; Michelle Bond in randy breastubation (plus an interview); and behind-the-scenes video footage in the *SCORE* Studio of such superstars as Dawn Stone, Cindy Cupps and SaRenna Lee.

For those who also like *Voluptuous* models (as plenty of *SCORE* Guys do), there are videos and video interviews of the newest and hottest V-Girls.

HIRSUTE CLARE

ANNIE SWANSON

BALDIES & BEAVERS

"I personally don't see what the big deal is with the models having their pubic area completely shaved," hair man R.I. wrote. "Pubic hair is sexy to me, and to see a woman with a few strands of hair peeking out the sides of her panties gets me extremely excited, like she's giving me a preview without showing me all the goods."

Of no interest to follicle lovers like R.I. is a specially designed electric shaver made for shaving female pussy hair into different shapes. It's on sale in the United Kingdom and the U.S. Remington hopes the Bikini Trim and Shape will become a hit with the growing (no pun intended) number of women who want to be a little more creative with their pubic bushes. A survey commissioned by Remington of 500 British women revealed that 36% had trimmed their pubic hair into a specific decorative design.

The most popular shape was a heart. Others chose the first letter of their partner's name. Kay Downs, managing director of Remington UK, said to the pubic press: "We are responding to the soaring popularity of bikini trimming and shaping, and we are the first-ever UK company to create a product to meet these market demands."

Seventy-nine-percent of the women in the survey said they trimmed their pubic hair; 27% have had a Brazilian Wax job, which leaves a racing strip of hair down the center of the bikini area. Other trims mentioned included The Tiffany, in which hair is trimmed into the shape of a small box; The Beckham (a Mohican tuft down the middle); and The Hollywood, a complete shave down to slick baldness.

Dramatizing the three phases of a *SCORE* Girl's triangle is our barbershop triplets at left: slick as a cue ball Dawn Stone, muffy-mounded Hirsute Clare and cute little shaver Annie Swanson. Hair today, gone tomorrow.

HOW'S THIS FOR STARTERS? YEAH, YOU CAN JACK NOW.

"If I was an animal, I'd be a snake," said Marketa, a 20-year-old nurse from the Czech Republic and our first newcomer of this all-naturals issue. "Snakes are very warm, and I am a very warm person. Plus, I would like to be able to slither into hard-to-get-to places." Talk about a straight line! And check out that dildo, which, right from the get-go, is jammed into one of Marketa's nicest places.

"ROMANCE ME. I LIKE LONG DINNERS AND LOTS OF FOREPLAY BEFORE SEX."

As you can tell by looking at these photos, Marketa isn't shy about showing off her E-cup naturals and pretty, young pussy. But she's a traditional girl, which means that if you're going to wait for her to make the first move, you'll be waiting all night. "I believe that men are men and women are women, and men should always be the aggressor when it comes to sex," she said. "At least at the start. Tell me you think I'm beautiful. Seduce me. Then, when we're alone, I can get really wild." How wild? Well, Marketa's favorite way to satisfy a guy is with her secret recipe of tit-fucking and blow job. She'll place your cock between her tits. Then she'll suck it. Then some more tit action. Then some more suction. When you're ready, she'll get down on all fours, let her tits hang, wiggle her ass and invite you in for some doggy-style fucking.

"MEN ARE ALWAYS STARING AT MY BREASTS, BUT I LIKE MY EYES."

The first time we saw these photos of Marketa, we thought we were looking at Zuzanna, another Czech tit chick and the star of *Zuzanna's Anal Rampage*. The face, the hair, the tits, the ass...all similar. And that's a good thing. "People have said that to me before," Marketa said. "It makes me blush." But will Marketa follow in Zuzanna's XXX footsteps? Stay tuned...and hope.

BOOB MOON

The mega-busted redhead seemed to materialize out of nowhere. Was she the answer to his dreams or a fantasy from once in a boob moon?

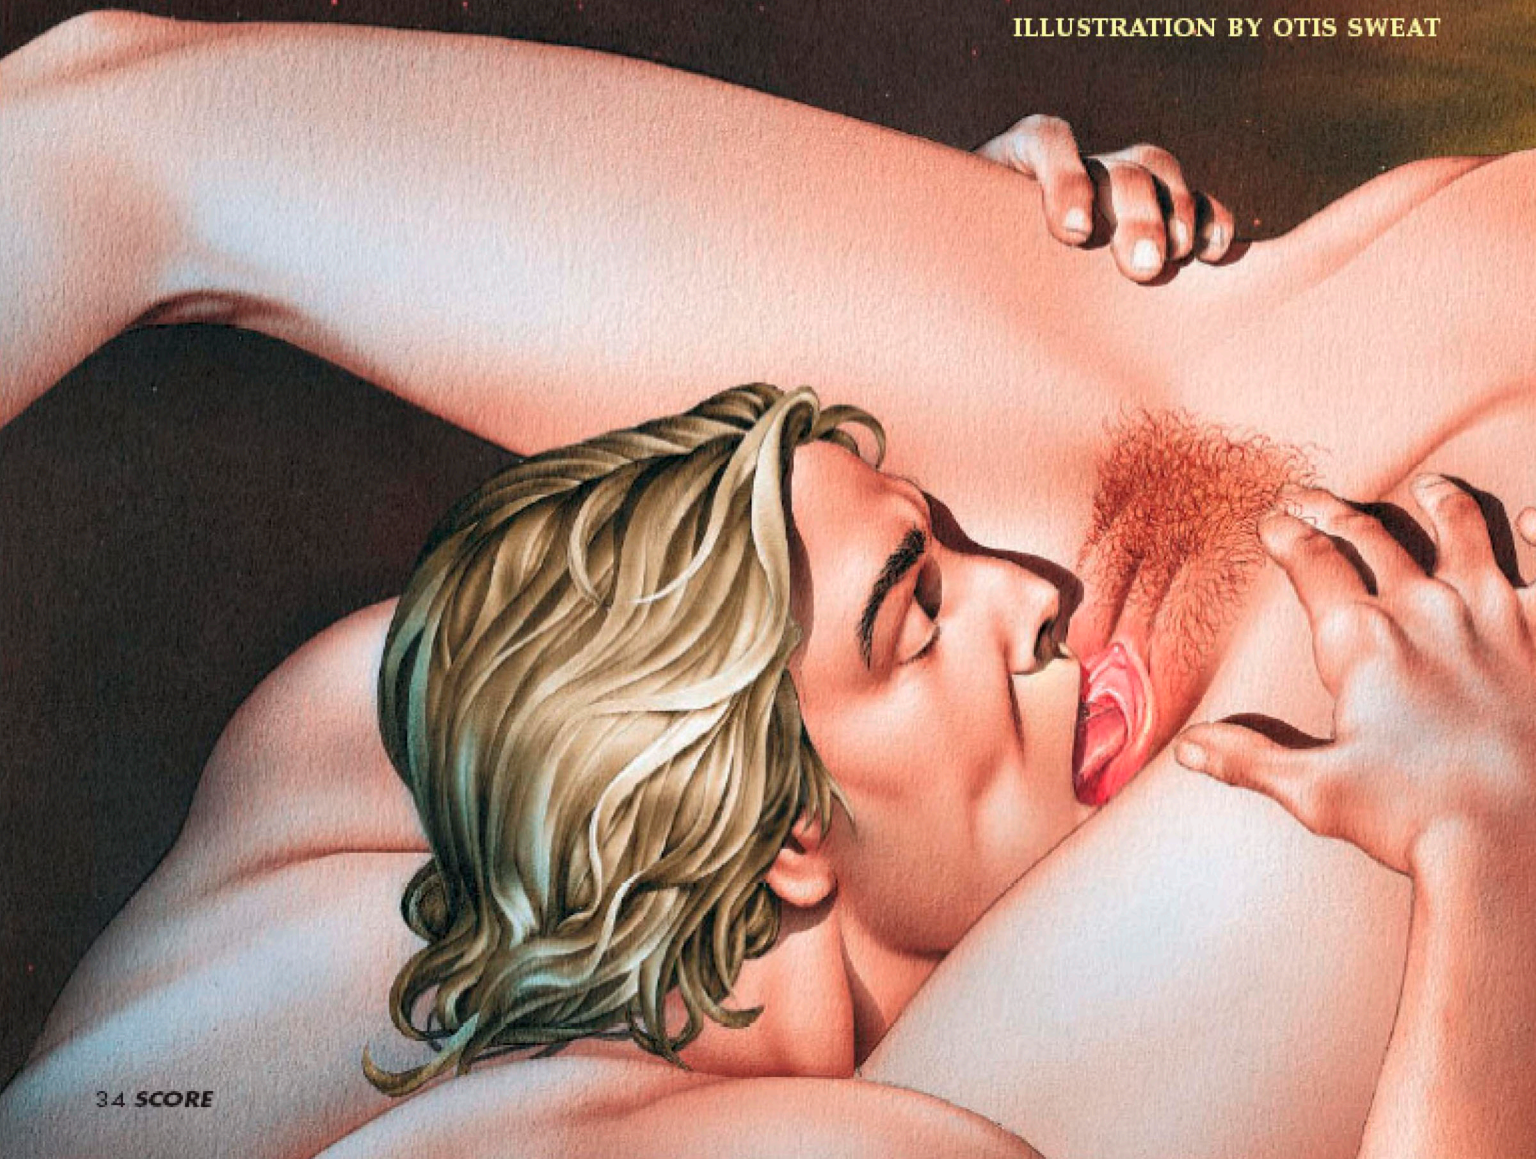

BY I.M. FRIEDMAN

I was new at the university as a first-year grad student in my early 30s, way past the undergraduate partying scene in terms of years and my absence of willingness to stand in a pile of puke for 10 minutes while waiting for a Dixie Cup of warm beer. I'd made a few friends in the Classics department, but other than enjoying a few glasses of decent red wine, all of our get-togethers usually turned into little more than intellectual pissing contests that left me wondering why the fuck I'd decided to go back to school in the first place.

I didn't lie to myself, though, about why I'd gone back to school or why I kept getting together with the same group. I went back to school because my undergrad degree didn't directly qualify me for anything but working in a rare book store or going to law school, which, to me, wasn't school.

I went to the "parties" in hopes of eventually finding the balls to talk to a woman who occasionally showed up, just like she occasionally showed up for some of my classes. She was in her mid-20s, with long, bright, curly, red hair and green eyes which constantly squinted as if they were sensitive to even indoor light. She usually dressed in what seemed like the same lace-up, white, peasant-style blouses and jeans. She never wore a bra and

ILLUSTRATION BY OTIS SWEAT

left the laces of her blouse untied and spread wide apart. Not only did I have an excellent view of the fleshy inner curve of her two massive, milk-white breasts, but her nipples were constantly stiff beneath the soft, loose fabric.

She spoke as little as I did, and, outwardly, seemed to be there, like me, more for the wine and the non-deliberate humor of the conversation than for any other reason. Except, of course, that she was my underlying motive for being there while she hardly seemed to notice me. She obviously felt my stares, because she would turn to look at me. I wondered if she knew that I was mentally titty-fucking her. But she didn't seem to either mind or to be particularly flattered, neither staring back at me nor glaring at me.

After about the fourth party, she walked out the sliding glass door to the deck out back. I occasionally went back there to smoke, so I figured I could follow after a minute or two without seeming too obvious. Likewise, I'd be able to kid myself that I wasn't really trying all that hard if I didn't get her number. The reality was that I probably wouldn't try that hard out of a lack of confidence more than a lack of desire.

The contrast of the darkness outside with the lights in the house gave the glass backdoor a mirror-like quality. I stared at the man I'd become and had to laugh. The safe white man's parted-on-the-side, dark-blonde hairstyle; the pale-blue, long-sleeved button-down dress shirt. Khakis, obviously, and non-descript, brown, lace-up shoes. It wasn't so much that the clothes didn't fit the person. They didn't, but I was about 10 years beyond making statements by altering my appearance.

As I got ready to approach this younger, very sexy woman, I couldn't help wondering how easy it'd been to settle into old-fartdom. Now that I was single again, in a university setting where most of the women were likely to be younger than me, I knew I was too old and tired of spirit to put forth the effort anymore.

"Fuck it," I told myself. "I'll go out for the cigarette and leave it at that."

So I went, and, under the guise of being a courteous smoker, grabbed a nearby ashtray and sat on a chaise lounge downwind and away from where the woman stood by the wooden railing, staring at the three-quarter October moon. I lit a match and, after lighting my cigarette, stared at the flame for a few seconds. The thought of lighting the book of matches and placing them on the wood deck flashed through my mind, but I crushed the thought as easily as I did the match itself. When I looked up, I realized the woman had been watching me.

"Sorry," I said, watching my breath turn to steam in the cold air. "I forgot that you don't like light."

"I didn't think you noticed anything but my tits," she said, slightly sarcastically, but smiling.

"Guilty as charged," I said. "But they are kind of obvious."

"I'm proud of them. I don't mind people staring."

I just nodded and stared off into the night. I've always hated making small talk, and it showed in how bad I was at the game. I was the same with everyone I was with: family, friends, coworkers. I'd always come up with the most random shit to say, or else, if what I said did fit into the conversation, it'd just weird people out because of the bluntness or skewed point of view from which I said it. So I said nothing as I sat and smoked, and the woman looked at the moon.

"Fire's okay, though," she said without turning to face me. "Fire and the moonlight."

"The moonlight looks great on your skin with your pale complexion and all," I said. "You seem iridescent."

"Thank you," she said, still facing the moon. "Would you like to see my tits in the moonlight?"

I felt my dick hardening immediately, but I didn't rush to answer, taking the last drag off my smoke, putting it out in the ashtray and laying back on the lounge chair.

"I'd love to," I said.

She walked slowly over to me. When I realized she intended to sit down, I

Blue Jeans Babe

SHE'S BRANDY. SHE'S ONE OF THE REASONS 2003 HAS BEEN SO FINE.

A hot, young chick with big tits, a tight, white, low-cut top and hip-hugging blue jeans. Life is good. Brandy, a 21-year-old college student from Ohio who debuted in the June '03 issue, makes it better. Later in this issue, you *SCORE* Men who treasure your right to vote are going to cast your ballots for Newcomer of the Year, and there's a good chance a lot of you are going to tick off the box next to Brandy's name. In a 2003 that has been packed with great naturals–Ines Cudna, Nicole Peters, Melanie Addison, Cassitty Harmon–Brandy is right up there.

Damn, is she cute, or what? And could you imagine having been in the adult bookstore in Ohio when Brandy, dressed in jeans and a tank top, walked in with her big-busted friend and saw *SCORE* and *Voluptuous* for the first time? "All the men were staring at us," Brandy said. "Then we'd go into another aisle, and they'd follow us." Yeah, big surprise.

"GUYS WILL KISS ME FIRST, BUT THEN THEY'LL GO STRAIGHT FOR MY CHEST."

Glad to hear it. We're happy that there are millions of men who realize that every chick has lips, but a pair of heavy DD-cup naturals are hard to find and worthy of inspection. But, believe it or not, Brandy has run into guys who didn't like her tits. "I once had a guy tell me that he hates big boobs because girls with big boobs are fat and ugly," she said. "He said, 'You're totally different. I saw your butt first, then I saw you had big boobs, and I was shocked.' I didn't go out with him, but I took it as a compliment." In other words, the young man blew it, and if he wants to know how badly he blew it, he can check out a copy of the VHD/DVD *Stacked & Packed #5* , in which Brandy has titty fun and gets herself off with a dildo. Or, he can check out the VHS/DVD *Boob Talk*, in which Brandy puts on a bra show. Either way, he'll find out what we know: Brandy's special.

Teacher of the Year

THE AWARD GOES TO CASSANDRA. SHE MAKES *SCORE* GIRLS OPEN UP.

Her name is Cassandra, she's Slovenia's big-busted gift to XXX raunch, and she's the babe who runs the show in *On Location Costa Del Sol*, the best-selling DVD/video that also stars Ines Cudna, Nicole Peters and Kerry Marie. And, by runs the show, we mean she teaches Ines, Nicole and Kerry how to get hot. And she engages Kerry and Ines in rare girl-girl action... with dildos!

"I HAD FUN WITH ALL THE GIRLS IN SPAIN. THEY WERE ALL SO WILLING TO LEARN."

The amazing thing about *On Location Costa Del Sol* is that, prior to their arrival in Spain, Kerry Marie and Ines had never stuffed their pussies with dildos for public viewing. Nicole had been hesitant to show her pubes. But, after a week with Cassandra, who has had all her holes filled with cocks and dildos, the three students were totally uninhibited. "Cassandra's really sweet," Kerry said. "She knows what to do." That's why there's only one candidate for *SCORE* Teacher of the Year. And that's Cassandra.

HOW TO HAVE SEX WITH A SCORE GIRL!

Five natural big-titters teach you a lesson in tit-fucking.

Compiled by Dave Rosen

Tit-fucking. For most *SCORE* Men, there's nothing like it. And consider this: No woman would walk around in public with her pussy or asshole exposed. That would be improper, right? But just about every woman has, at one point or another, worn a low-cut blouse that exposes either a little or a lot of cleavage. Which, to a *SCORE* Man, isn't much different from exposed pussy or asshole because you're just as happy to fuck tits, asshole or pussy, and, in many instances, you'd rather fuck tits.

Unfortunately, most women view tit-fucking as a totally selfish act on the man's part. After all, what does *she* get out of it? But there are girls–*SCORE* Girls–who don't see it that way. They're proud of their assets and enjoy the effect they have on men. Plus, they've learned how to get satisfaction out of tit-fucking…if the guy does it right.

Tit-fucking is an art, just like pussy-licking is an art and foreplay is an art and fucking is an art. So, we asked five naturally stacked *SCORE* Girls–Sierra, Sharday, Kelly Madison, Cassandra and Autumn-Jade–to tell us the secrets of the art: tit-fucking.

They were all too willing to reveal what gets them off

SIERRA

"Some people might call me a freak because of this, but I love having my titties fucked. Part of the reason is because I'm a cum freak, and when a guy fucks my titties, I know he's going to cum all over them and on my face, too. But that's not the only thing I like.

"It's so much fun watching the expression on a guy's face when he's fucking my tits. I mean, my titties are so nice and soft because I'm always rubbing cream into them, and I know how good it feels for him to have his cock between my tits. I always keep my eyes open, and while his cock his driving back and forth between my titties, I can see whether or not he's about to cum or not. And if he is, all I have to do is stop squeezing my titties together so tight and let him relax. Then he can go a little while longer til I'm ready for his cum.

"For most girls, having their titties fucked is mostly a visual thing, but I get off on the feeling, too. I can feel his throbbing cock and his bulging veins against my cleavage, and since every part of my tits is sensitive, not just my nipples, it really gets me off. I'm not saying I've ever had an orgasm from just having my tits fucked, but I've come close, and if the guy can reach behind hsi back and rub my clit while he's fucking my tits, then I'm in heaven.

"So here's what you should do if you really want to fuck my tits right. Just before you're about to cum inside of my pussy, pull out your cock and relax a bit. I'll be lying on my back, and what I want you to do is just watch me as press my F-cup titties together and create a cleavage pussy for you. Then, just when I have it nice and tight, stick your cock in there as if you're fucking my pussy. Start slowly, then start driving me really hard.

"Oh, did I tell you one other thing? I don't know if you've ever noticed this, but my tits sit really high on my chest compared to most girls, so it's really easy for me to kind of lean forward and suck your cock while you're fucking my tits. That's, like–oh, my God!–the most incredible thing in the world to see a guy's cock-head just appear out of nowhere from my tits, and then I swallow up the head. And now the guy's fucking both my tits and my mouth, which is like having the best of everything. Which is what I want.

"Okay, I'm not sure I can talk about this anymore. I'm getting really hot. I think I'm going to go to my room and practice tit-fucking with my favorite dildo. Bye, guys!"

SHARDAY

"I can't believe you're asking me about this again! Don't you remember what I said last time you asked me about it? [Sharday discussed tit-fucking in an interview in the May '02 issue of *Voluptuous*]. Remember when I told you I almost never do it because I don't feel anything? Well, guess what? I've changed my mind. I found a guy who did it right, and now I love it."

"Most guys, when they see my tits, they just want to fuck 'em, but this guy was different. Oh, I think he wanted to fuck 'em, alright, but that wasn't the first thing he went for. He kissed me and romanced me and relaxed me, and then after about an hour of foreplay, he laid me on my back and started making love to my breasts. Now, I'm not talking about slobbering all over them and sucking them. He made love to them.

"He was so tender, I'm getting wet just sitting here thinking about it. He kissed me all over my chest and pinched my nipples ever-so-lightly, and I had goosebumps all over my body. Then he pressed my breasts together so that they were overflowing his hands and took one of his fingers and lightly pushed it in and out of my cleavage. That felt so good, almost tickly, and he kept on doing that and licking my nipples for about 10 minutes. I wasn't going to make him stop!

"Then, finally, he took out his thing and said to me, 'Do you mind if I put it between your breasts?' Well, by this time, I was so hot for him, he could've done anything he wanted. So I pressed my titties together and he put his thing between them and worked it slowly. As he was doing this, he played with my nipples and caressed my breasts. What he was doing was definitely tit-fucking,

SCORE DEBUT

HOPE

THIS BRITISH BEAUTY WANTS YOU TO WANT HER.

She was walking down the street, turning heads as usual, wearing a short skirt, high heels and a tight sweater that revealed plenty of cleavage, as usual. That's when Hope heard the sound. *Ka-klump!* She turned around, then looked down. "Some bloke had just walked straight into a lamp post," she said. "And it was all because of me."

"I'M A VERY SEXUAL WOMAN. I'M NOT SHY ABOUT SHOWING MY BODY IN PUBLIC."

Looking at these pictures, you can see why Hope turns heads even when she's almost-fully clothed. And look at how she spreads her pussy and asshole! Does that pussy look well-fucked, or what? Or at least well-dildoized. Hope plugs herself silly in *Busty Dildo Lovers #1* (available at eBoobStore.com), the best-selling opening salvo in the *Busty Dildo Lovers* series. And she has fun doing it. "I enjoy being an exhibitionist," she said. "Being in front of a camera was like a button that got me humming. I could feel a power running through me. And when I watched the video, I got so excited, I wanted to run out and tell the world, 'Look, I'm a busty dildo lover!' Of course, I didn't do that, but I got out my trusty purple dildo, the same one I used in the video, and had fun with myself for a long time." So go ahead, guys. Join in the fun. Look at these pictures. And have Hope.

SEX WITH A *SCORE* GIRL

Continued from page 50

but I wouldn't call it that. I'd call it tit-lovemaking."

CASSANDRA

"Can I tell you a little secret? Most men don't try to fuck my tits. I usually have to beg them for it. Most men only want to fuck my pussy and my ass, because they know how much I like it in my ass. Sometimes, when I am very horny, I will say to the man, 'Would you please do me a little favor? Would you please fuck my tits?' "They are always shocked when I say this. A man does not expect a lady to speak this way, but why not? Why can I not express how I would like to be pleasured.

"To me, tit-fucking is the best kind of foreplay. I know that in many videos, it is the last thing a man does before he cums, but in my personal life, I like it to be one of the first things we do. I also like to do it for him. Let me explain.

"I will be over him, giving him a blow job. Maybe he will be eating my pussy, too. Then I will adjust myself so that I can wrap my tits around his big, hard cock. I will suck it a little, just to get it nice and wet so it slides nicely between my tits, then I will let my tits hang on either side of his dick. I will sway back and forth so I can feel the light sensations of his hard cock against my skin, and he can feel the sensations, too. I can tell by the way he is sucking harder on my pussy lips.

"What I will do next is squeeze my tits around his cock, then rub my tits around his cock. I can feel him getting harder, and if I cup his balls, I can feel that he is losing control. I love knowing that my tits can do that to a man.

Perhaps you are thinking, *Cassandra, don't you like lying on your back and getting tit-fucked so you can suck the head of his cock?* Yes, I like that, too, but when I am on top, I can suck as much as I want and watch the head of his dick poke out from between my tits. So, I will tit-fuck him, and then I will suck his cock, and then I will tit-fuck him again, and then I will suck his cock, and by the time I am done, he has probably forgotten that he ever wanted to fuck me in the first place. But I have not forgotten."

KELLY MADISON

"I love when men pay attention to my breasts. There was the longest time when I was self-conscious about my breasts, but now I love them and I want men to love them as much as I do. And that means making love to them."

"I usually start with my bra on during sex. Then, after a little while, I like when he starts feeling my tits on the outside of my bra. I'm able to pull my breasts out and play with my nipples. My breasts are very, very sensitive, so by this time, I'm going crazy!

"I'll say to him, 'Suck on my tits. Suck on them hard.' And I've never had a guy tell me no. I don't like my breasts sucked on too hard, but at the same time, I don't like it super-delicate, either. I definitely like men to grab them and push them up, pinch the nipples and bite on them just a bit. Rough enough that I feel it and enjoy it, but not so much that it hurts.

"By this time, I'll be ready for some tit-fucking action. Maybe I'll sit up for a few minutes and suck him until he's real hard, if he's not hard already, then I'll lay back and say to him, 'Fuck my tits.' I like saying it. It sounds so dirty, but when you're in the privacy of your own bedroom, or someone else's bedroom, who cares? That's another thing I've learned with maturity: If you're in bed with someone and you feel embarrassed about asking for something, you probably shouldn't be in bed with that person in the first place.

"Once he puts his dick between my tits, just about anything goes, but there are some things I really enjoy. It's okay for him to pump me real fast, but I much prefer a guy takes long, slow strokes, long enough so that I can stick my tongue out and tickle his cock-head with my tongue. I like to watch, of course.

FOR YOUR EYES ONLY

WE DARE YOU TO IGNORE INESSE.

Ah, the trials and tribulations of a big-breasted beauty! Inesse has a stunning face and mesmerizing eyes, and you'd think that alone would be enough to hypnotize men. But, of course, a real man's gaze always eventually moves down to a pretty girl's chest. With E-cup Inesse, it usually stays there.

"WHY CAN'T MEN STOP LOOKING AT MY BREASTS? NOTHING I DO STOPS THEM."

"T-shirts are no help," our Latvian beauty queen confessed. "And imagine me wearing black Spandex. Mucho problemos! They stared at me in London when I went there to model for *SCORE* and *Voluptuous*. They stared at me in Spain when I went down there recently to shoot again. Men look at me and they lose their minds. 'Hey, baby, come over here!' they yell at me in the streets. Do they think they're being so original?"

UNDERSCORE

WEIRD AND FUNNY STUFF FROM THE WORLD OF BOOBS!

Angelina Jolie: Where're the nips?

Crystal Gunns: Space boobs.

The real EasyJet.com ad...and our version with truly huge boobs.

"Golly, I'd never thought of myself as collateral"

"PLEASE SHOW MY NIPPLES!"

Angelina Jolie, the actress who has a decent but not-up-to-*SCORE*-standards rack, is proud of her boobs. We know that because, recently, she complained about her nipples being digitally removed from a poster for the movie *Tomb Raider 2*.

The poster shows Jolie wearing a very tight body suit. She's obviously not wearing a bra underneath it, but there are no nipples where nipples should be.

"I wanted my nipples to be there to see," Angelina said.

By the way, *SCORE* Men who went to see *Tomb Raider 2* hoping for a look at Angelina's boobs came away disappointed. That's because her rack isn't as big as it used to be.

"Last time [for the first Lara Croft movie], I took too much protein powder," she said. "That gave me lots of curves. This time, I ate normally, and Lara is slimmer and sexier."

Did she say sexier? How? Oh, well, at least she's willing to talk about her tits.

WHINING FLAT-CHESTED CHICKS

Are we jaded? Or is our idea of "big" different from everyone else's? The reason we ask is because of the recent flap in England over an Easyjet Airlines newspaper ad. The ad, which ran in several newspapers, contained the headline, "Discover weapons of mass distraction" over a closeup photo of breasts in a bikini top.

The ad, which resulted in 186 complaints to the Advertising Standards Authority, was considered offensive by some because of its play on "weapons of mass destruction." The ASA eventually cleared the ad.

But what caught our eye was an article by Catherine Redfern in *The Guardian* newspaper of London. Wrote Ms. Redfern, who must have no rack whatsoever, "The first thing that hit you about the notorious EasyJet poster were the enormous breasts."

Enormous? Sorry, Ms. Redfern, but those are D-cups, max. And you should know better, considering that the UK is crawling with truly enormous-breasted naturals. Kerry Marie. Linsey Dawn McKenzie. Nicole Peters. *Their* breasts are enormous.

Added Ms. Redfern, voice of chicks with no tits, "Many young women felt...they'd rather not have giant, disembodied breasts plastered all over the street..."

Again, those breasts aren't giant. And, again, didn't anybody ask the men how they felt?

OKAY, WHO'S THE JOKESTER?

When a big-busted female reader asked *New Scientist* magazine if she'd need a bra on a space mission in a zero-gravity environment, she received the following reply: "Breasts would float up and rest horizontally at right angles to the chest. Breasts would try to become more spherical because there would be nothing pulling them down. If you wanted to hold them in shape, you would need to wear a bra."

Just one more question: Who's the wise-ass *SCORE* reader sending questions to science mags?

BOOB HUMOR: TIT FOR TAT

Mike goes over to his friend's house and rings the bell. His friend's wife, Nora, answers, so he says, "Hi, is Tony home?"

"Sorry," she says. "He went to the store."

"Well," he says, "do you mind if I wait?"

"No," she says. "Come on in."

They sit down on the couch. Meanwhile, Mike notices that Nora's robe can barely contain her huge breasts, so he works up the nerve to say, "You know, Nora, you have the greatest breasts I've ever seen. I'd give you a hundred bucks if I could see just one."

Nora thinks about it for a second, then opens her robe and exposes her left breast. Mike promptly thanks her and forks over a hundred dollars.

They sit there for a while longer, and Mike says, "They're so beautiful, I'd love to see both of them. I'll give you another 100 bucks if I can see both of them."

Nora thinks about it for a second, then opens her robe and gives Mike a nice, long look. He thanks her and throws another $100 on the table. Finally, he says, "I can't wait any longer. Tell Tony I stopped by."

He leaves, and a little while later, Tony comes home. Nora says, "You know, your weird friend Mike came over while you were gone."

"Really?" Tony says. "Did he drop off the $200 he owed me?"

SPECIAL AWARDS SECTION

Get ready to cast your ballots for *SCORE* Newcomer of the Year, Model of the Year and the next three inductees into the Big-Boob Hall of Fame. It's up to you!

Every year since 1996, *SCORE* has awarded its Newcomer of the Year title to the new model who best represents what being a *SCORE* Girl is all about: fresh, big-breasted beauty and sex appeal. For 2002, the award went to Crystal Gunns, a slim 'n' stacked babe who reminded us of the glory days of the 1990s, and who charmed readers with her smile and girl-next-door appeal.

But Crystal wasn't the only winner. For the first time, *SCORE* readers voted on a Model of the Year for the top babe of 2002 (newcomers were excluded from the voting). And their selection was Sharday, who had nabbed Newcomer of the Year honors the year before.

SCORE readers also had the opportunity to write big-boob history, as the *SCORE* Big-Boob Hall of Fame opened its doors to its first three inductees, all legends. Traci Topps, Busty Dusty and Devon Daniels made up the inaugural class.

With so much excitement, it was no wonder that a record 8,407 ballots were cast via mail, email, fax and on the Internet. And, this year, thanks to the excitement generated by an incredible year for big tits, we expect to far exceed that total.

SCORE Men, it's time for the 2003 *SCORE* Awards, where you get to name your Newcomer of the Year, Model of the Year and the next three honorees for the Big-Boob Hall of Fame. On the next 18 pages, we present the 10 finalists for Newcomer of the Year, the 10 finalists for Model of the Year and the 12 nominees for the Big-Boob Hall of Fame. We invite you to carefully examine the credentials of these amazing women, then turn to page 86 and make your selections.

It's a decision we don't envy...but one that you, the big-boob afficionado, has always taken seriously.

The Newcomer of the Year, Model of the Year and the first of the three new inductees into the Big-Boob Hall of Fame will be announced in the May 2004 issue. The second Hall of Famer will be announced in the June issue; the third in the July issue.

Who were the models who did it for you in 2003? The time has come to let your feelings be known. Gentlemen, in every way, this is the most exciting contest you'll ever be a part of.

Ines Cudna

The 2002 Newcomer of the Year Contest was the closest ever, with Crystal Gunns opening up a big early lead and narrowly edging out the onrushing Annie Swanson. This year's contest figures to be even closer, with no clear standout among the 10 finalists (narrowed down from the 44 big-busted babes who made their debuts in 2003). All three girls on this spread made the covers in their debut appearances: Ines Cudna (March '03); Vixen LaMoore (February '03); and Brandy (June '03). They're three totally different women, all with their own appeal.

SCORE NEWCOMER OF THE YEAR 2003 CONTEST

Nicole Peters

Mary Carey

Christine Allure

Cassitty

The *SCORE* oddsmaker has installed British J-cupper Nicole Peters as a slight early favorite to become the second natural in three years to win Newcomer of the Year (Sharday won in 2001). But will the fact she's never penetrated her pussy with her fingers or a dildo hurt her chances, especially since two of the chicks on this spread, Christine Allure and Cassitty Harmon, have done boy-girl hardcore? Christine, in fact, sucked dick in her *SCORE* debut in the April '03 Xtra section. And Mary Carey not only filled herself with a dildo, she also did girl-girl with Brittany Love in the June '03 issue. All factors must be considered in this contest.

Melanie Addison, our first covergirl of 2003, is one of the most beautiful women ever to appear in *SCORE*. But are her boobs big enough to capture top honors? The same question can be asked about Brit beauty Michelle Bond. And how about Cathy Barry, another Brit, who introduced herself to *SCORE* Men in the November '03 issue by stuffing her pussy and her asshole with plastic cock? Although she's well-known in the UK, she just got onto the radar screen in the U.S. Should we have considered her a newcomer? Hey, we're not going to answer those questions. You are, by turning to page 86 and casting your vote.

SCORE MAGAZINE AWARDS 2003

SCORE MAGAZINE AWARDS 2003

In 2001, Sharday was a runaway winner for Newcomer of the Year. In 2002, she narrowly beat out Alyssa Alps to become our first Model of the Year. At least one vital question will be answered in this year's contest: How has Sharday's popularity endured? Can a naturally busted babe who has never appeared in a single video repeat as Model of the Year? Well, the other two girls on this spread, 2002 Newcomer of the Year Crystal Gunns and runner-up Annie Swanson, will have something to say about that.

Annie Swanson

Crystal Gunns

Linsey Dawn McKenzie, one of the greatest *SCORE* models ever, has never won a *SCORE* or *Voluptuous* award. Will her luck change this time? She finished third for 2002 Model of the Year. Or will Linsey and Lorna Morgan split the British natural vote, making it difficult for either gal to win? Can 2000 Newcomer of the Year Julia Miles take top honors off the strength of her scorching boy-girl XXX in the DVD/video *Ultimate Julia Miles?* And has Lizzie Mills, who looks different every time we see her, built up enough of a following?

SCORE MAGAZINE AWARDS 2003

SCORE MAGAZINE AWARDS 2003

Vanessa Montagne

Cindy Cupps

Alyssa Alps, last year's runner-up for Model of the Year, had less of a presence in *SCORE* in 2003 (her column appeared only twice), but her enduring popularity makes her a serious threat to take top honors. Vanessa Montagne resurfaced after a four-year absence and proved she's the epitome of blonde, slim and stacked. And Cindy Cupps, seventh last year, should get a lift from her most explicit pictorials to date. The competition for 2003 Model of the Year figures to be heated. Now, turn to page 86 and vote.

SCORE MAGAZINE AWARDS 2003

The doors to the *SCORE* Big-Boob Hall of Fame opened last spring, and the three women invited to walk through them represent all that is great about big tits. Traci Topps, Busty Dusty and Devon Daniels took their place in immortality when the readers of *SCORE* voted them in as the first three inductees. But who will follow? Who are the next three big-titted women who deserve a spot in this elite pantheon? On these pages, we have gathered the next 12 candidates for our Hall of Fame. They include the nine girls who didn't get voted in last year, plus three new nominees. All worthy. But only three will make it.

SCORE BIG BOOB HALL OF FAME CONTEST

L.A. Bust

Last year, the Hall of Fame couldn't make room for Tiffany Towers, Lisa Phillips, Toppsy Curvey, Zoryna Dreams, Wendy Whoppers, Jeannine Oldfield, Lisa Chest, Candy Cantaloupes and L.A. Bust. That didn't mean they weren't worthy. It simply meant we could only take three. This year, we've added Alexis Love, Pandora Peaks and Tawny Peaks, three more worthy candidates, to the mix. Your job is to turn to page 86 of this issue and vote for three of the 12. Which of these three girls will boob-men be talking about 50 years from now? Who were the models who changed the course of big-boob magazine history? Who were the trend-setters? Who were the truly elite girls of their time? It's up to you to decide.

SCORE MAGAZINE AWARDS 2003

Included among these 12 candidates are *SCORE's* first covergirl (L.A. Bust), a marvel whose breasts benefitted from an hormonal growth spurt when she was already in her 40s (Alexis Love), the woman who still welcomes Internet surfers to Scoreland.com (Pandora Peaks), a chick who was equally popular pre-augmentation and post-augmentation (Tawny Peaks) and some of the true superstars of the 1990s, big-boobdom's golden age. All 12 will probably some day make their way into the Hall of Fame. But, for now, you can only pick three. Gentlemen of *SCORE*, the girls are waiting for you.

ANNA'S BACK. WHAT WERE WE WAITING FOR?

Too much time has passed since Anna Caans debuted in the August '02 issue, so much time that we have to wonder why we wasted so much time before getting her back into the studio. But this Texas cutie is back, and we're happy to report that she's now a college grad.

"TAKE A GOOD LOOK. AM I MAKING YOU HORNY?"

These photos provide us with a look deep inside Anna. "I like wearing push-up bras and showing off my chest," said Anna, whose working odd jobs and modeling while trying to decide what to do with her life. "You should see how many guys get in trouble by staring at me when they're with their wives or girlfriends. I love stirring up trouble."

"I LOVE THE 'O' FACE, WHEN I CAN SEE THAT MY MAN IS ENJOYING HIMSELF."

Anna enjoyed playing with herself in the video *Stacked & Packed #4* and enjoyed getting played with and fucked in *Voluptuous Xtra #4*. And we enjoyed watching her. "Great," she said. "That's what it's there for, right? I mean, part of the reason I had such a good time was because I knew so many people would be watching me. So go ahead. Don't be shy. Jack off."

Lizzie Mills' and Cassandra's solo layouts were tops, and the sight of Minka and Autumn-Jade sucking cock and getting fucked just blew me away. I've seen lots of blow jobs on video and in magazines, but Minka's deep-throat technique is truly awe-inspiring. And the look of ecstasy on Autumn-Jade's face in her final shot with the stud's cum on her chin and tits says it all.

I have written before that one of the best things about *SCORE* is that your debutantes make the future of big-boob modeling look very bright. After a couple of issues with only so-so newcomers, your July issue was right back on track with dark-haired newcomer Joanna and super-hot newcomer Candy Hall. Thanks for bring me back to my former state of excitement.–C.J., Philadelphia, Pennsylvania

BACK TO THE '70s: NO DILDOS

Dear *SCORE*,

I have a request. How about a special group of retro issues for all your magazines? What do I mean? No cocks. No dildos. Just lots of beautiful women in all their glory. You could start a trend. What do you think? New sets of current models would be great, just without the cocks or dildos.

I understand the trend, and thusly the money, is with more explicit shots, but it is nice to go back to the older editions and see nothing but page after page of beautiful women open and inviting for our pleasure.–Brian, email address withheld

MICHELLE BOND GIRL-GIRL

Dear *SCORE*,

I wanted to ask you a question regarding Michelle Bond from England. I loved this model when I saw her months ago in her first pictorial for *SCORE* (June '03), and now she is onto only dildo action on the new DVD *Busty Dildo Lovers #4*. What I wanted to ask and request is: any slight chance

YOUR CHANCE TO BE A HERO!

These days, everybody needs a hero. And here's your chance to be one. Do you know a girl who's got what it takes to be in *SCORE?* Do you know where to find one? Then do your fellow *SCORE* Men a favor. Send her our way! We're looking for slim 'n' stacked women with DD-cup breasts or larger to photograph at our studio in Miami, Florida. You get a generous finder's fee. And every reader looks upon you as their hero.

HERE'S HOW

STANDARD MAIL: Send a minimum of four photographs–fully nude head-to-toe front, side profile and back, and one nude from the waist-up–along with the model's name, age, address and contact information to:
Director of Photography
The SCORE Group, 1629 N.W.
84th Avenue, Miami, FL 33126

THE SCORE GROUP

EMAIL SUBMISSIONS: Four JPEG photos, shot in the same way as above, along with the model's contact information can be emailed to: **model@scoregroup.com.** Photos are for evaluation purposes only. No photos will be published without a valid model release and model's consent.

you could convince this babe to do a girl-girl scene for a future *Bosom Buddies?*-F.J., email address withheld

Dear F.J.: We asked, Michelle's thinking about it…just like she's thinking about the possibility of doing boy-girl. If we were betting men, we'd bet no, but there's always that slight chance. Our recommendation: pray daily.

THE YEAR OF THE NATURALS

Dear *SCORE,*

The "Naturally Big-Titted Class of 2003" feature in your September '03 issue proves how times have changed.

In the past, in the era of the super-augmented titters, we would've been lucky to get one natural of this caliber in a single calender year. But, by the September issue, we had already been blessed with Brandy, Melanie Addison, Cassitty, Ines Cudna, Busty Becky and Isis, with more, I'm sure, to come. And that doesn't even count the plumper naturals who have shown up in *Voluptuous* during 2003.

I truly believe that it is because of the reduced presence of the super-augmented boobers, like Busty Dusty and Toppsy Curvey, that the naturals are getting more attention. They were always there, but in the crazy '90s, they were overshadowed, so to speak.

It's my belief that the majority of *SCORE* readers don't care whether a girl is augmented or natural, as long as she's slim 'n' stacked. All of the amazing naturals who have shown up in your fine magazine over the past year fit that description beautifully.–L.P., Little Rock, Arkansas

NO, NO ANNETTE!

Dear *SCORE,*

What was Annette Christianson doing riding a cock in the September '03 Dream *SCORE?* To the best of my knowledge, she's never done boy-girl hardcore, although I'm sure she had the opportunity on many occasions. She simply chose not to. How, then, can you have the nerve to completely disregard Miss Christianson's wishes and depict her, even in a cartoon, doing what she obviously didn't want anyone to see her doing. I know you'll reply by saying that Dream *SCORE* is just a fantasy, but if that's the case, our fantasies should remain in our minds, not be put on paper…against the models' wishes.–W.L., Biloxi, Mississippi

LITTLE MISS SWANSON WINDS DOWN.

Too bad we never had girls like Annie Swanson in our school. Imagine her walking into class wearing this outfit. But how come that never happened? How come the stacked chicks went to the other schools?

"If there's one thing I like more than fulfilling my own fantasy, it's fulfilling someone else's," Annie said. "I think this naughty schoolgirl outfit makes me look a little more innocent. I'd like to play naughty schoolgirl and headmaster. You can lay me across your lap and paddle my ass red. Then you can kiss it, and don't forget about my breasts. They need lots of attention, too. I like being a very bad girl."

CHECK LIST **ANNIE SWANSON**

AGE: 22 **BIRTHDAY:** March 22, 1981

HEIGHT: 4'11" **WEIGHT:** 130 lbs.

MEASUREMENTS: 42-28-36 **BRA SIZE:** 36DDD

PREVIOUS *SCORE* APPEARANCES: September '03 (girl-girl with Autumn), May '03, Holiday '02 (boy-girl), November '02

VIDEOS: *Voluptuous Xtra #6* and *Bosom Buddies #5* (both XXX-Rated and available on page 131), *Stacked and Packed #4* (X-Rated) and *Voluptuous Xtra #5* (XXX-Rated), both available at eBoobStore.com

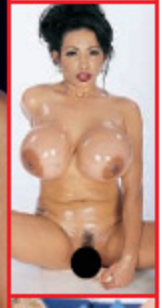

Annie, a finalist for Model of the Year, was a very good bad girl in 2003. In the video/DVD *Bosom Buddies #5*, she went tit-to-tit with Autumn-Jade. In *Voluptuous Xtra #5,* she got fucked on film for the first time, and she enjoyed an encore fucking in *Voluptuous Xtra #6.* Will this be Annie's year to bring home the Model of the Year hardware? That, *SCORE* Men, is up to you.

pulled my feet up to give her more room. She straddled the lounge chair and smiled, rubbing her hands all over her tits and trim belly through her blouse. She lifted her blouse to just below her mammoth mams and closed her eyes as she gently stroked her soft but firm blue-white skin.

"Tell me," she said, rocking back and forth on the rubber strips of the lounge chair. I slipped my right shoe off and slid my foot into the center of her crotch to give her something to rub against. She sucked in the cold air between her gritted teeth. "Tell me I'm beautiful."

"You're beautiful…," I started, about ready to release and start stroking my chubby. "What's your name?"

"I…I…don't," she stuttered. "Many. Too many names. It doesn't matter."

"Okay, um, Julia."

"Yes, Julia! I'm Julia!" and goddamn if with that she didn't tear her blouse clean in half, revealing the fullest, roundest set of jugs I'd ever seen, tipped with surprisingly dark areolae and long nips that made me wonder if she'd been pregnant or even given birth. My question was answered when she threw her head back and squeezed her breasts so hard that it would have made most women yelp. Milk shot out all over my legs, and I pulled myself up to lap up what had dripped down her tits and onto her stomach.

"No!" she said as she held my face back by my forehead. "Not the milk. You can do anything else, but you can't even lick a drop of the milk. If you do, it'll all be over."

Though that sounded a little strange, considering that Julia just sprayed her milk all over the place, I concentrated more on the "anything else" part of what she'd just said rather than focusing on the one thing she asked me not to do. I pinched both her nips at once, and when she responded by opening her mouth and sliding her hands down her stomach to unbutton her jeans, I gave her nips a twist. Julia gasped, so I pulled up on her flesh erasers against the resistance of her weighty milk jugs. She sped up her grinding against my foot, then slid forward so that she could grind her clitty against the front part of my ankle. I wanted nothing more than

to see her get out of her pants and free my throbbing cock from my pants, but when Julia wrapped her arms around my calf, titty-fucked herself on my shin and put her head down to bite my knee and stifle her moans, I knew she intended to dry hump her way to an orgasm. I kept toying with Julia's huge tits and squashed them around my calf and rubbed her nips with my thumbs. Though I'd had some wild sex in my time, I'd never been with a woman so uninhibited, so out of control, so animal as she continued to grind her hips with amazing speed, and it made me feel powerful and god-like, despite the pre-cum that I felt oozing out of my dick.

Julia suddenly looked me straight in the eye, then her eyes rolled back and she let out a long, loud "Oooooooo" that seemed to echo all around us. Though I was so focused on Julia that I can't swear to it actually happening, I remember a gust of wind picking up at that exact second, tossing around the leaves on the ground and making the trees creak.

After Julia came, she briefly slumped against my lower leg, dripping with sweat and breathing heavily. She recovered in a few seconds, though, and, without saying a word, we each stood up to undress one another, though all Julia had left on was Birkenstocks with wool socks and her jeans.

Then it was my turn to become uninhibited. I found myself licking the drops of sweat off of Julia's face, neck and chest. I guided her onto her back on the lounge chair and followed the trail of sweat down her stomach to the tops of her inner thighs where the sweat mingled with her sweet, syrup-tasting pussy juice. I traced the whole area around her red-orange bush, and when I got to the sweet flesh where her upper thighs met her upper ass, she began to whisper, "Yes, yes."

I slid further down so that my knees were on the wooden deck and wrapped my arms around her thighs as she locked her ankles around the back of my neck. I began flicking my tongue lightly around her full outer lips, pulling my head back after each teasing flick as she thrust her hips up in an attempt to follow.

Julia breathed more heavily, and when she could take no more, she leaned forward, put her hands behind my head, and shoved my face in her

quim with such force that I doubt I would've been able resist if I'd tried. I licked her outer lips and the short trail between her pussy and asshole, and Julia kept up her moans and words of encouragement.

I'd never tasted anything like Julia's juices, so musky and sweet all at once. I unwrapped my arms from around her thighs and used my fingers to spread her cunt lips. I traced my tongue slowly around the inside perimeter of her inner lips, which were already stiff and engorged with blood. I pulled at them with my lips, then shot my tongue up her snatch as far as I could. Julia's hips bucked, and I used my tongue to trace small circles around and over her clit, occasionally taking it in my lips and moving my lower jaw from side to side as I gently sucked and flicked my tongue over her clit. Julia pulled my head even tighter to her clit and began grinding her hips in rhythm with the motion of my lower jaw, moaning louder and louder. I realized my hips were grinding in synch with hers.

As she moved faster, I took my right hand and simultaneously shoved my thumb up her engorged and sopping-wet love canal and inserted my forefinger up her ass. Julia's breathing became shallower and shallower, quicker and quicker. Just when I was afraid she'd asphyxiate and faint, she let out what I can only describe as a bellow. Again, a gust of wind swept across, rustling leaves and making the branches of trees creak as Julia's cum shot out all over my thumb and forearm and continuing until the contractions in her pussy and asshole stopped.

Julia seemed to want to rest, but I was on the verge of cumming, and I wanted nothing more than to slide my dick back and forth between her tits until I shot a hot load on her neck and chin. As tired as she was, Julia seemed happy to oblige. Despite the cold, she was soaked in sweat, allowing my cock to slide up and down her cleavage and tit flesh. As Julia held her tits together tightly around my cock, she played with her nipples and urged me on.

"Yeah, yeah! Fuck my big titties! Fuck 'em hard!" Julia said as she craned her neck to watch the motion of my manhood. I could feel the pulsing of my perineum, then the base of my cock as the cum was swept up from my sack.

MELANIE: FROM ALL ANGLES

A NEW LOOK AT ONE OF 2003'S TOP NEWCOMERS.

The first two times we saw beautiful Melanie Addison, she was the classic blonde California chick, first getting out of a bikini for her debut in the January '03 issue, then lounging around the house in the June '03 issue. But this time, for her third appearance, we're seeing a sexier, more sultry Melanie, and we're getting to see her from every possible angle.

"I like to play the sex vixen," said Melanie, who's one of the 10 finalists for 2003 Newcomer of the Year. "I know when most guys see a California blonde, they think, 'Bimbo,' but I'm not a girl who can be taken advantage of easily. I'm perfectly willing to call the shots in bed with a man who has enough confidence in himself to not always have to be in charge. I love these photos. This is the sexiest I've ever felt in my life."

MELANIE ADDISON

AGE: 28 **BIRTHDAY:** June 26, 1975
HEIGHT: 5'6" **WEIGHT:** 135 lbs. **MEASUREMENTS:** 42-26-38
BRA SIZE: 34FF **BORN:** Rhode Island **LIVES:** Beverly Hills, California
OCCUPATION: Advertising and marketing manager
PREVIOUS *SCORE* APPEARANCES: June '03, January '03
FAVORITE POSITION: "On top, so I can control the action."

"I like playing with my pussy," Melanie said. "Nothing turns me on more than pleasuring myself. Of course, I would rather have a man do it, but if one isn't around, I know exactly what to do to make myself cum. I tend to finger myself more when I'm in bed. It gets me so spent. I usually have to take a nap after I'm done. But if it's a real cock, I can fuck for hours."

BOOB MOON

Continued from page 108

This time, I was the loud one, roaring as I came, and Julia opened her jaw wide to catch whatever she could of my spunk, then closed her eyes and smiled as my jism covered her face.

I slumped forward, and Julia wrapped her arms around me. I just lay there until I smelled something burning. I looked to where I'd left the matchbook on the deck and saw that the whole book had burst into flames, and the deck itself was beginning to catch. I was absorbed by the blue, orange and yellow of the flame when Julia pushed me up off of her, grabbed the ashtray and turned it upside down over the small flame to snuff it out.

"Now we're getting somewhere," she said.

When I asked her what she meant, she just smiled at me and said, "Meet me in the southwest corner of the Quad on Wednesday at 11:00. There's someone we have to meet. But don't say anything. Just nod hello and walk off to give us some privacy."

Julia got up, pulled on her jeans and socks and slipped into her Birkenstocks.

"Do you want my shirt?" I asked.

"No, it's cool," she replied. Then she got up and, instead of going back into the house, walked down the stairs of the deck and headed off into the woods.

"Who are you?" I yelled to her as she approached the line of trees.

"An old friend," she answered, then she disappeared into the woods.

On Wednesday, I met Julia at the Quad like she'd asked, but when I got there, she was already talking to her friend, and a quick glance from Julia told me to blend into the background. The friend was a woman, slightly shorter than Julia, but just as stacked as she was. Like Julia, she was fair-skinned, but she had black hair and ice-blue eyes. She wore dark eyeliner, black lipstick and a black dress, like some sort of Goth chick. She was absolutely beautiful, but her air of insecurity, at least around Julia, made her seem innocent rather than the death-and-vampires person she was striving to be.

The two spoke for awhile, Goth chick hanging on every word Julia said and seeming to melt when Julia put her hand on her shoulder and slowly and sensually slid it down to hold her hand as their conversation ended. She was obviously in love with Julia. They kissed briefly, then Goth chick got up and scurried off.

I walked over to Julia and sat down in the shaded patch of grass next to her.

"What do you think?" Julia asked.

"I can definitely see the appeal," I said. "She's quite a little hottie."

"Not so little up top," Julia said with a smile. "I know you like that."

"Is she bi?" I asked, not really knowing where Julia was going with this.

"No," she answered. "She's gay, but she won't be for long."

I looked at Julia, confused, and she said, "Halloween's on Saturday, and there will be a full moon. I'm going to pick you up at home, and we'll go to a little spot in the woods. Lucy's going to meet me there, but don't let her see or hear you, whatever you do."

Julia gave me a peck on the cheek, got up and began to walk away. "You don't know where I live," I told her.

"Yes, I do," she said, leaving me wondering who, or what, Julia was.

Julia picked me up at 11:30 on Halloween night. We drove out of town to the wooded areas that surrounded it. There was a mystical quality in the air, though I never would have noticed something like that before I'd met Julia. I hadn't believed in very much of anything before I'd met Julia.

The full moon lit our path into the woods. Though I expected to see beer cans and used rubbers along the trail, there weren't any in sight. As we approached a clearing, Julia put her hand to my chest and put a finger to her lips. She pointed to a boulder, and I ducked down behind it. Good thing, too, because naked Lucy must've heard us and ran up to Julia, furiously eager to please her.

Her tits, though as naturally large as Julia's, were even perkier, and her nips sloped up even higher, probably because of her age in relation to Julia's. Lucy's nipples weren't quite as long as Julia's, but they were maroon like hers, her tummy was even slimmer and her legs were thinner.

Lucy went to kiss Julia and put one of Julia's hands on her breast. Julia

kissed her back and tweaked Lucy's nip, but not with the lust that Lucy obviously had for her. There was little doubt as to who was in control of the situation.

In the center of the clearing lay a large granite boulder with a flat surface that almost looked polished from a distance. Julia told Lucy to lay down on the boulder while she got undressed. Lucy watched Julia with the enthusiasm of a high school boy about to get laid for the first time, only in Lucy's case, she was rubbing her already dripping pussy and yanking on her own huge tits. The scene made my dick so hard, I felt as though I could crack the granite boulder with it, and I had to free it from my jeans.

I watched as Julia leaned over Lucy and gently kissed her eyelids, ears, neck and, finally, her mouth with a slow, gentle tongue tease. But Lucy got too eager, too turned on, and pulled Julia closer by the back of her head and neck. Julia gave in and gave Lucy a long, hard kiss, stopping momentarily to take Lucy's still wet and tasty finger into her mouth.

I couldn't hear what Julia said to Lucy under her breath, but I did overhear the word "honey."

"Goddamn," I thought. "I wish Lucy were bi."

Lucy pinched and twisted her own dark nipples and tried to guide Julia's mouth toward them, only Julia first teased Lucy by kissing her flushed upper chest before she went to work on Lucy's nips. As Julia nibbled and sucked first one of Lucy's nipples and then the next, she slowly rubbed slow-circles on Lucy's stomach, moving a fraction of an inch closer to her mound each time. Lucy began bucking her hips and breathing rapidly in response, saying to Julia, "Please, oh, please."

Eventually, Julia gave Lucy what she wanted, rhythmically, lightly brushing Lucy's clit with the ball of her thumb while she inserted her ring and middle finger into Lucy's snatch to stroke the rough surface of her G-spot.

It wasn't long before Lucy began mewing like a kitten, and her whole body went into spasms as she had what seemed to be multiple orgasms.

The sweat that seemed to be dripping out of Lucy's every pore made her start to shiver as it evaporated in the cold night air. I desperately wanted to

lick the sweat from Lucy's body inch by inch, but I knew that I wouldn't be welcome and that Julia had something up her sleeve that would involve me. I hadn't even touched my cock since whipping it out, and I still had pre-cum dribbling out.

Julia picked up her blouse and wiped Lucy's cold and sweat-covered body, but Lucy grabbed Julia's wrist and said, "Please, use your body to warm me." Julia smiled and covered Lucy's smaller body with her own. I could see tears running down Lucy's cheeks. Julia gently kissed them away.

"I love you, Julia," Lucy sobbed.

"Do you love me, Lucy?" Julia asked. "Are you really in love with me, or is it just that I'm your first?"

"No," Lucy said. "It's real."

"Then help me, Lucy."

Julia straddled Lucy's waist, teasing her as she had me by playing with her own heavy milkjugs. When Julia squeezed her breasts, milk spurted onto Lucy's legs and feet, and some of it ran down in small rivulets over her own breasts and stomach.

But when Lucy sat up to lick the milk and suck more from Julia's breasts, Julia cradled Lucy's head and caressed her straight, blue-black hair. A pang of jealousy shot through me, but it quickly turned to fear when Julia gently lay Lucy's head down on the boulder, and then Julia slumped to one side, seemingly lifeless. I ran over to them and felt Julia's pulse, but she didn't have one. I began CPR, but nothing happened.

"Will you please get her off of me?" Lucy said.

I looked at her in amazement, but part of me, something I'd tried to bury, told me that Lucy was now Julia, or at least Lucy's body was now Julia's.

"Do I have to explain again?" Lucy asked. "We're gods, Zeki, ancient pagan gods. Immortal gods, neither dead nor alive in the bodily sense. You're always looking to forget, to try to be human, but you're not and never will be. Stay with me this time, Zeki. Tracking you down is wearing thin."

Memories came flooding back. Millenia of life never-ending. My head swam, but when my goddess of the moon and fertility, my lover and friend of countless years, took me into her arms, I knew what I had to do. I concentrated on what was once Julia's body, and it burst into flames.

SEX WITH A *SCORE* GIRL

Continued from page 58

What girl doesn't? The best part of tit-fucking, at least from the girl's point of view, is the visual aspect. It's just amazing to see the guy's cock disappear between my tits, just get totally engulfed by my breast flesh, then appear out the other end.

"Just one thing, though: If we haven't fucked yet, I don't want him to cum between my tits. Like I said, to me, tit-fucking is one of the best forms of foreplay. But I need to get off, too."

AUTUMN-JADE

"You wanna hear something amazing? Before my breasts got so big and full, one of the things I loved doing when I was getting tit-fucked was lifting one of my titties up to my mouth and sucking on it. Yeah, I know, that kind of left the guy's dick just lying there, but I never had any complaints. But now that my titties are so big and heavy, I can't do that anymore.

"Maybe the best thing about tit-fucking is that it's one of my favorite ways to give a blow job. Obviously, I can't get the guy's entire cock into my mouth. That would be impossible, silly! I'd break my neck trying! But I kind of like it when, as he's fucking my titties, he kind of lifts up and puts his cock in toy mouth. I guess that's not really tit-fucking anymore. It's more like a straight blow job. But it sure is fun.

"One thing's very important when you're tit-fucking me, and that's to make sure you tug on my nipples real hard. You know all those photos you've seen of me in which I'm sucking on my own nipples? Well, I'm not just doing it for the camera, you know. I'm doing it because I like it. My nipples are very sensitive, and they need a lot of attention. So pull on them, hard. Make it like you're pulling on salt-water taffy. I'll squeeze my tits around your cock, and all you have to do is fuck my titties and pull on my nipples.

"I also like it when a guy cums on my chest when he's done tit-fucking me. Of course, I don't have to ask too hard to get a guy to do that, either. Just something like, 'Will you cum on my tits? Pretty please?'

"I want you to think about that the next time you see my pictures."

Take Off Your Clothes, Iva

SCORE DEBUT

MEET IVA. THINGS ARE GONNA GET REAL HOT AROUND HERE.

Our Holiday double issue and another spectacular year of *SCORE* Girls winds up with a spectacular newcomer: Iva Kleinova, a 19-year-old Czech chick who was discovered by our traveling-man-in-Prague while shopping in a department store. What he was doing in the ladies underwear department is beyond us, but before we tell you that part of the story, we'll ask this question: What's the story with these teens?

Sharday and Ines Cudna were also teenagers when they made their *SCORE* debuts. Iva turned 19 last July. The difference between Iva and those chicks? "Iva's a lot hotter," said our photog. "I think it's only a matter of time before she does hardcore. And I think it'll be scorching."

Anyway, the story about how our man found Iva. He was in the bra department. He spotted Iva. He walked up to her and said, "That's a D-cup. I think you'll need an F-cup, at least." She smiled. She didn't slap his face. He gave her his card. She called. And history began.

ALL-NATURAL HARDCORE SPECIAL!

CHAKA MAKES DICK DISAPPEAR!

LISA'S WILD ANAL RIDE

COCK-HUNGRY HUNGARIAN

CHAKA T.: MISSION ACCOMPLISHED

THE GOAL: TO FUCK HER BIG TITS AND SATISFY HER TIGHT PUSSY.

Ya gotta love a chick who keeps her hat on when she fucks. But just one question, Chaka: How *does* that hat manage to stay on when your head is bobbing up and down and your pussy is bouncing up and down on a hard dick? Ah, fuck the questions! Let's just enjoy Chaka T. in these hot outtakes from the DVD/video *Voluptuous Xtra #6.*

"MY BODY IS READY FOR ANYTHING," PRIVATE CHAKA TELLS SGT. STUD.

This is why America has the most feared army in the world: Because the drill sargeants always make sure the enlisted heavily racked women are well-fucked. Of course, Chaka's H-cup naturals far exceed army regulations, and we're not sure it's proper for her to be smiling for the camera while her cunt gets drilled. Drilled? Did we say drilled? Chaka is definitely ready for action.

"FUCK ME NOW. GIVE IT TO ME," CHAKA SAYS. NOW, SHE'S THE ONE BARKING OUT ORDERS.

Allow us to quote our review of *Voluptuous Xtra #6* from the June '03 issue. "The sight of Chaka's incredible superstack flopping as she does sit ups and jumping jacks will have you spurting like a machine gun. Dig the up-her-crack camera angles as you spank your monkey. Then she goes to work on Sgt. Stud's meatpistol, sucking it and mashing it between her twin H-bombs. Sarge jiggles her jugs, licks her two-inch areolae and pinches her nipples. Of course, Chaka gives his meat-missile major mouth and tit treatment in glorious close ups as he fingers both her holes. He finally hoses her down with manglaze as Chaka urges him on." Now turn the page for one of the best tit-fucking shots of the year. You'll be shooting, too.

VIDEO REVIEW: *ON LOCATION COSTA DEL SOL*

CASSANDRA TEACHES. KERRY MARIE, INES & NICOLE LEARN THEIR LESSONS.

Cassandra is the teacher of Big-Boob Modeling School in the DVD/video *On Location Costa Del Sol*. She got the job because of her vast experience at plugging her pretty pussy. Kerry, Ines and Nicole couldn't have had a better teacher.

BY MALIK TUCKER

Take a trip with four of *SCORE*'s bustiest naturals to beautiful Costa del Sol, Spain, and have fun in the sun as they romp around by themselves and with each other. Join Kerry Marie, Nicole Peters and the Polish sensation Ines Cudna as they take lessons from head mistress Cassandra at her Big-Boob Modeling School.

Go inside their world–and, of course, inside of them–for an in-depth, behind-the-scenes look at what it takes to be a *SCORE* model. Watch as Cassandra gets busy with the other three models in this wet 'n' wild two-hour video. And, on the DVD, you get 40 minutes of extras, including extended Cassandra and Ines solo scenes, a peek behind the scenes, boobs underwater, natural tits in bikinis and the girls out on the town in their skimpy outfits.

If you loved *On Location Key Largo*, you're gonna go nuts over *On Location Costa Del Sol*. And if you're new to the *On Location* series, the time has come to go on vacation with your favorite big-titted beauties. Read about it right here. Order it on page 131 of the main mag.

SCENE ONE: CASSANDRA

We start the party with Cassandra, who returns to *SCORE* on page 44 of this month's main mag. Cassandra walks over to a couch in a slow, swaggering, sultry manner, wearing nothing but her birthday suit. Her long, flowing blonde hair glistens as the sun strikes it from overhead.

She approaches a sofa on the veranda and is greeted by an extremely lengthy vibrator. Aroused by the size of this massive phallus, Cassandra takes a seat on the plush sofa and immediately starts rubbing her 34FF-cup mounds. She caresses them gently and enjoys every moment of self-pleasure.

Turned on even more by the silky-soft touches of her own hand, Cassandra grabs her plastic, penis-

shaped toy and massages her clit with it. Her pussy becomes wet, and she eases the sex toy into her warm, dripping slit. She pumps it in and out, slowly, enjoying every push.

Then Cassandra mounts the vibrator like a cowgirl mounts a mechanical bull and takes off into a world of self-fucking ecstasy, slowly raising and lowering herself on the plastic humming penis. Only this time, instead of mere heavy breathing and sighs, she moans and groans with satisfaction. At this point, if your cock isn't already stiff, turn off this movie and buy a nice, pink leotard and take ballet classes. Either you're not really a man or you're simply gay.

Cassandra then positions herself on all fours–showing us a great pussy shot–and shoves the vibrator into her pussy, fucking herself from behind. The red-and-black polka-dot penis penetrates her pussy like a hot knife through butter, and she screams with delight. After the self-fuckfest, Cassandra drapes herself in a tangerine wrap and walks off.

SCENE TWO: SCHOOL FOR MODELS

Enter teen-tit beauties Ines Cudna and Nicole Peters accompanied by Kerry Marie as they find their way to Cassandra's Big-Boob Modeling School. Before the lessons begin, Cassandra takes them on a little tour of the school, the pool area, the gorgeous marble hallways and the spacious backyard. Hmmm…will they need all this room?

SCENE THREE: KERRY COOLS OFF

After walking around a sun-drenched Spanish villa, things can get a little hot and sticky. That's why Kerry Marie, who's bustier than ever, finds it necessary to take a cold shower.

She starts off by lathering up oh-so slowly. While massaging every bit of her 34F cups, she slides her hands down and twiddles with her twat and inserts her fingers slowly. She methodically and erotically presses her melons against the glass and smooshes them for your viewing pleasure. She smooshes and rubs and rubs and smooshes.

Then it's time for some back-door action. She presses her round ass against the glass and teases you, begging you to penetrate her. By this time, you should be shooting your second or third load. She's that good.

SCENE FOUR: NICOLE GETS WET

Nicole finds her own way to handle the heat. No showers here. Instead, she takes a nice dip in the pool, sporting

Prior to this video, Kerry Marie never stuffed her pussy on camera. Thanks to Cassandra, she does now.

nothing but a thin T-shirt (with the *SCORE* logo, of course) and a purple bikini bottom.

As she dives in, her 32Js become apparent through her now-translucent, almost-transparent shirt. And what a sight they are! Nicole takes a few laps, then moves on to a lawn chair, where she sheds her top and towels off. Next (and this makes the whole scene even more worth watching), she smothers herself in sunblock, rubbing it into her entire buddy, including, of course, her huge naturals. Yummy!

SCENE FIVE:
GET FIT WITH INES

Eighteen-year-old Ines decides she isn't sweaty enough to take a shower. She feels like getting some more exercise, but it's too hot to go swimming. So, she takes it to the gym.

She starts off on the stationary bike and pedals until her legs can take no more. Then she moves over to a workout machine that does…who knows what? Who cares?

After a few reps, her shirt comes off, and that's when she gets down to business. She does a couple more sets, then sheds her bottom. And, we all know, there's nothing sexier than a naked woman in running shoes. Damn! This girl is fine and just slightly north of legal.

Ines lies on her back to do some bicycle kicks, offering us a pussy shot that's just breath-taking. She closes her routine out by getting on all fours and kicking back. Why? Again, do you really care?

SCENE SIX:
TEACHING NICOLE

When we last left Nicole, she was in the process of rubbing sunblock into her milky-white breasts. As we rejoin her, she has some company in the form of a horny Cassandra.

Cassandra puts on her teaching cap and demonstrates the correct technique for rubbing tits. She first rubs her own tits before having a go at Nicole's. They take turns rubbing each other's natural mammaries.

After that comes the pelvic thrust. The sight of two women lying on their backs thrusting their pussies to the stars brings a tear to your eye and cum to the tip of your cock. Cassandra straddles Nicole, and they go tit-to-tit and pussy-to-pussy, rubbing and

ORSOLYA: NO HIDING THOSE TITS

SHE LOOKS DIFFERENT...AGAIN. BUT PARTS OF HER HAVEN'T CHANGED.

First things first: What's with these chicks and their fucking hair-styles? Doesn't a babe like Orsolya realize that the only things we're looking at are her tits and pussy, and we could give a shit about her hair color or style? Well, obviously, she doesn't realize that, which is why when we first saw these pictures, we said, "That's Orsolya? The same chick who took a big cock up her ass in the video/DVD *Voluptuous Xtra #5?* The same chick who, when last seen in the January '03 issue of *SCORE,* had all of her holes filled to the brim? The same chick who, when we first saw her in the Holiday '01 issue, was a straight-haired blonde?" Indeed, it is the same chick: Orsolya, the Hungarian beauty with the F-cup rack that's all the identification she needs. Orsolya, who is suddenly threatening the great Sierra for big-tit XXX dominance.

"DO YOU KNOW WHAT I LIKE BEST ABOUT HARDCORE? THE BIG DICKS I GET."

We're happy to hear that, honey, and even happier to be of service. Now let's examine what's going on in these photos. Above, Orsolya's little mouth can barely accomodate a big, thick hunk of beef. Stretch out that mouth, Orsolya! Below, Orsolya proudly displays her mastery of the hands-free tit-fuck. And, in the photos on the opposite page, she makes the big cock disappear.

Eyes open and looking into the camera. Tits splaying. Horny model totally relaxed as she gets skewered by the big cock. Orsolya's comfort with getting fucked on film is truly amazing for a girl who, when we first saw her, wouldn't even dildo-ize herself. "I guess I've come a long way," she said, shyly.

Before we address the hair issue again, let's enjoy this photo of Orsolya with spunk all over her rack. Serve 'em up, baby! Now, about that hair: First blonde, then black, now kind of reddish. Is Orsolya trying to disguise herself? Is she a XXX fugitive? Is she afraid mommy and daddy might see her doing dirty things? Hmmm... that's a thought.

VIDEO REVIEW

Continued from page 12

grinding and…excuse me while I relieve myself.

Bottom line: This is as close to girl-girl as Nicole has come so far.

SCENE SEVEN: TEACHING INES

The last time we saw Ms. Cudna, she was working out by herself. But not for long. Here comes the head mistress of the school, Cassandra, to teach her a few things.

Cassandra has Ines sit on the floor and shows her how to play with her twat, clit and lips. She takes Ines's meaty pussy lips and opens them, exposing all of her unbusted cherry (Yes, Ines says she's a virgin). Then Cassandra feels Ines's womanly goodness and is turned on by it. So is Ines.

They sit facing a mirror and spread their legs, showcasing everything from their gaping pussy holes to their tight assholes. Ines then has Cassandra lay back and mounts her and rubs her tits against Cassandra's. Damn!

SCENE EIGHT: TEACHING KERRY MARIE

Now it's Kerry's turn to take a few notes from the teacher. Cassandra joins Kerry by the pool and has her lie on her back. She pulls out a long, flexible, double-ended dildo from what seems like nowhere and gently oozes it into Kerry's sweet slit. Kerry squirms with pleasure upon insertion. Cassandra starts fucking Kerry with the prosthetic dick. As she does so, she climbs on top of her and rubs her with baby oil, bumping muffs together.

After that brief session of bumping

and grinding, Cassandra lies down pussy to pussy with Kerry and inserts the other end of the dildo inside herself for some pussy-to-pussy fucking. There's screaming. There's moaning. There's cum everywhere. Or at least there will be by the time you finish watching this scene.

SCENE NINE:
MERMAIDS

In mid-orgy, Kerry and Cassandra are startled by Ines and Nicole. They cease what they are doing (Damn!) and start talking to them. The women soon end up in the pool–nude, of course–frolicking and splashing around with each other. Who knew breasts were so buoyant? This scene is short but enjoyable, especially for those of you who love watching the effect a poolful of water has on big tits.

SCENE TEN:
INES IS HORNY

Name one thing sexier than a teenage, big-titted beauty fucking herself. Watching a teenage, big-titted beauty fuck herself. And that's what we have here. The Polish virgin takes it in her love hole from a silver, dick-like

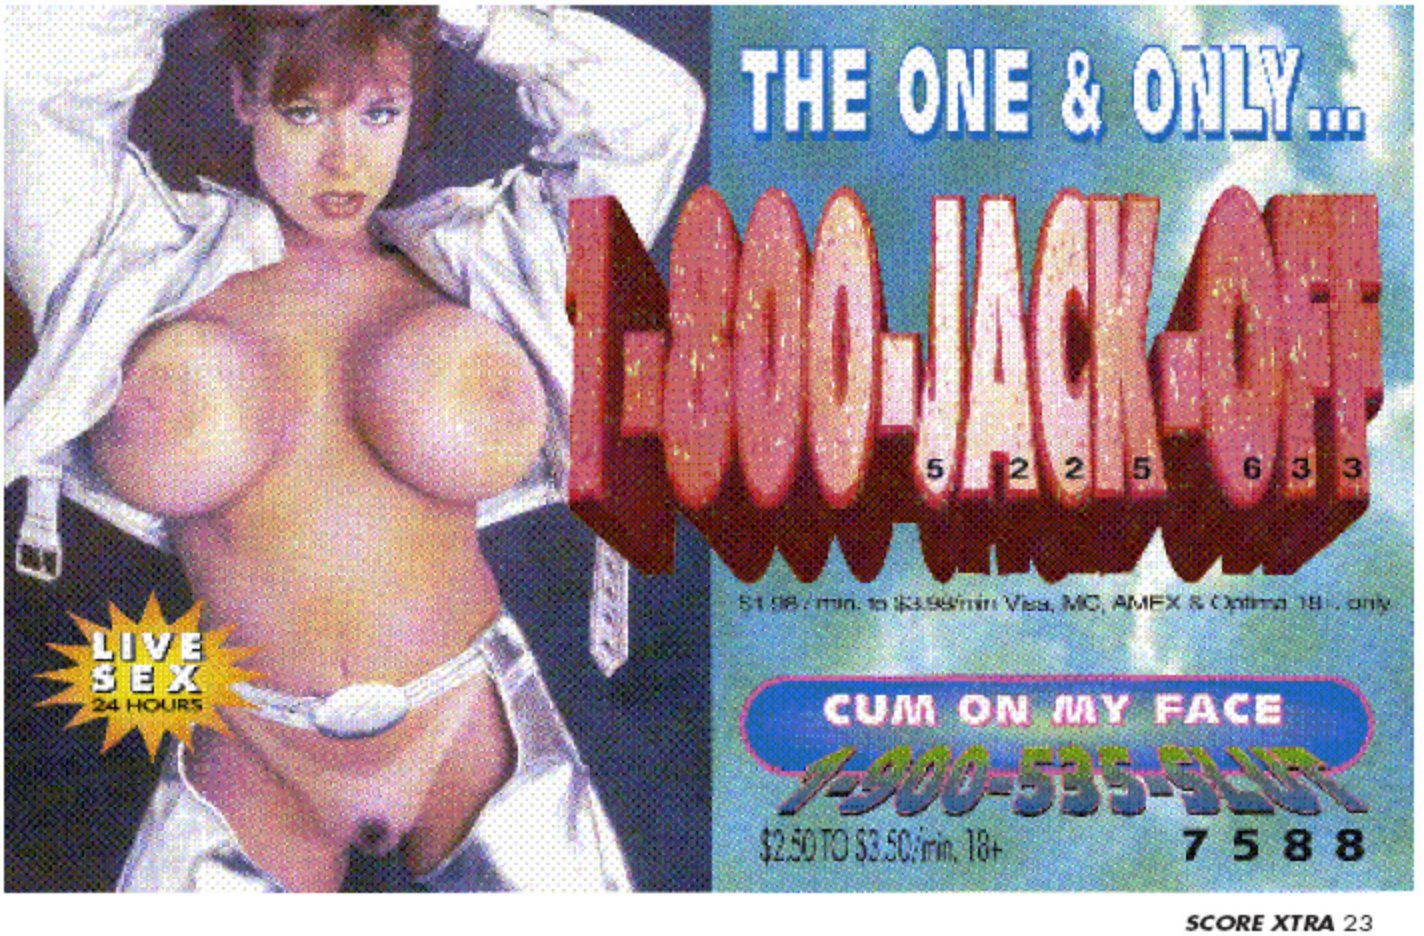

The girls of Costa del Sol: Nicole Peters (above left), Kerry Marie (above middle) and Ines Cudna and Cassandra (above right). And there's more of Ines (below).

vibrator. And for someone who is untouched, she takes it like a pro.

After showering, Ines decides to take a nap. But immediately when she hits the bed, she pulls off the sheets and starts fondling herself. She plays with her pussy for a little bit before pulling out her metal buddy. She massages her clit and her lips and inserts it ever so gently in her tight virgin territory. She brings herself to orgasm in no time. And she will do the same for you.

SCENE 11:
A TOY FOR KERRY

Kerry Marie is all alone outside, relaxing on the grass. She seems lonely. But wait! Say hello to her little friend, Mr. Red-and-black Polka-Dot-Dildo from Cassandra's earlier scene.

Kerry strips off her bikini and lies back. Her tits look absolutely gigantic! After playing with her tits for a while, kneading and pulling on them, she shoves her vibrating buddy into her pussy and writhes in ecstasy. She fucks herself lying down, on all fours…every which way including loose. This is one of the best solo scenes in the entire movie, so have a lot of Gatorade handy. You may…no, you will need it.

SCENE 12:
THE EDUCATION OF INES

For someone who is not engaging in sexual activity, Ines is quite willing to please the camera…and us viewers.

Ines is now joined by Mistress Cassandra, who takes control of Ines' silver pleasure giver. They take turns fucking each other with the battery-operated cock, but my favorite part is when Ines literally starts to cream on herself. You get a close-up of her warm pussy juice dripping from her pussy, down her ass and onto the bed. If that's not white hot, then I'm a beagle named Barney.

Ines also gets it while on all fours, with Cassandra slowly and rhythmically thrusting the metallic schlong in and out of her tight, Polish pussy. This is the scene of scenes in this video. We saved the best for last.

Of course, if you get the DVD, there's plenty more to keep you busy: 160 minutes of action in all, including expanded Ines and Cassandra scenes, boobs under water, the girls out on the town…the whole shebang. Put it this way: Buy *On Location Costa Del Sol* and you could turn into a recluse.

"I JUST ENJOY ANAL SEX. I LIKE THE FEELING AND I LIKE THE IDEA OF IT."

What Lisa means by "the idea of it" is that she considers it a good thing that some people consider anal love "dirty" or forbidden. "I like having a dick pounding my ass and thinking, 'You know, I'm probably not supposed to be doing this. That cock belongs in my pussy and my mouth, but not in my asshole. But it feels so good, and it makes me feel so naughty."

This same cock makes its way up Lisa's ass in the new video/DVD *Voluptuous Xtra #7* (available on page 119). In her scene, Lisa demonstrates her sloppy-sucking deep-throat BJ skills and gets fucked in all positions and in all holes... while we get to watch. And if she doesn't think that's the wildest thing she's ever done, we want to see what is.
