WHERE'S THE GIRL-GIRL?

Dear SCORE,

I am writing to say what a great magazine SCORE is. The Nov. '03 issue was really good and hit the right note, if you know what I mean.

Could you do similar issues on a regular basis like that magazine? Your sexy models dressed like cheap prostitutes standing on a street corner. Seeing Colt 45 in a short skirt; black, fishnet-seamed stockings; high heels; heavy make-up and her enormous tits, standing on a street corner would make me blow my load even before discussing a price for a blowjob or fuck or both.

Also, I wanted to ask a question. Where are the girl-girl pictures? I know hardcore is "in" right now, but don't forget what made SCORE so great. Big boobs and variety. At least throw in some girl-girl every now and then for those of us who have that fantasy.

And, as an idea, how about story-based photo shoots. Girl goes to ladies' toilets, meets other girl in toilets, fuck each other with big dildos in a dirty cubicle. That sort of thing. Seeing a woman squeeze the fuck out of another woman's big tits is the best. Seeing a woman acting like a tit-man and worshipping them is so sexy. Name and address withheld

HOLLY'S CAFFEINE ENEMA

Dear SCORE,

After seeing the Dec. '03 SCORE and seeing the Kayla Kleeve feature, all I could do was rush home, jack-off a ton of jism and wait for another load to build up before doing it again.

Angela White, the Australian with the big tits and huge dildo insertion got me so hot, I had to get my own dick

and do some of my own pumping!

The SCORE Xtra "all anal" issue is one of my favorite SCORE issues. You seem to make each anal issue better than previous issues. When will we see another anal scene of Holly Halston?

More random thoughts from a light-headed reader...Kayla Cam sure

knows how to take a cock deep in her throat and more Ava Divine would be terrific. Keep up the great work and I will continue to be a loyal SCORE reader. -W.V., California

Dear W.V.: Good news! Holly Halston takes it in the heinie in the new video SCORE Xtra #10. Turn to this month's SCORE Xtra section for a sneak preview and page 32 of SCORE Xtra for first crack at this video. Word from our studio is that Holly also had a rather inventive enema, a magic anal cocktail that she brewed up herself. The home made enema consisted of caffeine (for bowel stimulation), regular enema fluid (for that cool, fresh feeling) as well as some water (to dilute the formula). Holly used a giant, orange, hot water bottle as the enema bag! Plus, the tube she inserted it with was more like a plastic pipe. Holly did warn us not to try this at home, and though we were quite keen on photos and video of her home recipe, Holly considered it just a bit too personal for pictures.

Where is the girl-girl? Ines Cudna and Cassandra hook up on page 12 of this issue, and here's an upcoming girl-girl featuring Isabella and Bianka, the blond Bianka grabbing her partner's breasts "like a tit-man!"

Special treatment for Ines? Well, yes, we had a 32-page calendar in the Jan. '04 *SCORE* featuring Ines, but she is one of the more popular newcomers. In fact, early returns of the Newcomer of the Year ballots show that, out of every seven votes, Ines and Nicole Peters are getting about three apiece, with all of the other candidates dividing up the remaining single ballot. Of course, that could all change. Watch for complete and final results in the May '04 *SCORE*!

KUDOS FOR LOVETTE & INES

Dear *SCORE*,

A while back, someone wrote that Ines Cudna is not *SCORE* material and did not deserve "red carpet treatment." The person who wrote that letter obviously doesn't think that she deserves the "special treatment" she gets.

I disagree, especially after seeing the

recent issues of *SCORE* with her featured. Either Ines has gotten better with age or not seeing her for a while made her that much better. She is one of the best teens you have had appear in the magazine in some time.

As a Lovette fan, I could hardly keep my hands off my dick and keep myself from doing some heavy duty pumping.

BIG BOOBS...BIG BUCKS!

\$20,000 GRAND PRIZE

SCORE MODEL SEARCH

What's the deal?

SCORE is searching for the next Linsey, Sharday, Nicole Peters, Ines Cudna, Via Paxton...the next big-bust superstar. And, we're gonna pay for it! Big-time!

Send in your photos. Polaroids are fine. Nudes are preferred.

On December 1st, 2004, we're going to choose the best busty babe and give her a \$20,000 modeling contract.

The rules are simple.

Our editorial staff makes all decisions and those decisions are completely subjective and final. This contest is open to any woman who has not appeared in a magazine. If you've been in *SCORE* or any other men's magazine, either as an amateur, model or even in phone sex ads, you are ineligible. The winner agrees to take an all-expenses paid, working vacation in sunny, beautiful, exotic Miami, Florida, where she will pose for five days and be wined and dined for seven. The winner also agrees to sign *SCORE*'s standard model release and have her photos published in the magazine and on our website. Open to residents of Planet Earth, void where prohibited, 18 years old and older only, some more legalese is in the official contest rules, which will be provided to all contestants.

One thing we would like to stress is that XXX Hardcore is NOT required.

Big tits are. Natural, augmented, a mix of both, if you've got the right stuff, send in your photos and we'll make you \$20,000 richer! The addresses are: *SCORE* Model Search, 1629 N.W. 84 Ave., Miami, FL 33126 or score@scoregroup.com.

Her pictures were fantastic, as always. Not seeing her for a while made these pictures much better and after using up a bottle of lube on her, I had to run out and get some more so that when I got to the Ines spread, I would be ready for some more heavy duty work.

As a loyal *SCORE* reader, all I can tell your readers is don't waste your money on the other imitation magazines. The covers might lead you to believe that they will have a major feature, but when you buy other magazines and open them up, chances are you will be disappointed in the content.

SCORE always has consistent content, which contains quality and plenty of really beautiful women of all ages. Every once in a while there might be a woman featured who, in my opinion, just doesn't belong, but not as often as in the other magazines out there.

And, in case anybody is wondering, no, I do not work for *SCORE*, nor am I affiliated with the magazine. I am just a horny American who enjoys the wonders of *SCORE* and am tired of seeing people complain about what is so clearly the best big-bust magazine in the world.—M.V., Washington

QUALITY, NOT QUANTITY

Dear *SCORE*,

I agree with M.H. from Dayton, Ohio. *SCORE* is the best of its kind. You also seem to respect the ladies, and I think you really listen to your readers' comments, so here is mine.

Your all-natural issue was your fifth or sixth, I believe, and it was very good. I've liked them all. I've been a *SCORE* reader for years, and you guys have accumulated quite a list of augmented and natural discoveries. So, when I see a new model who isn't so hot, I get pissed off. Instead of using borderline or objectionable chicks, why not fly in Sylvia Panda or Rio Rivers, two girls I haven't seen lately. Or, how about Rhonda Baxter, Chaz, Lenka, Amanda White and so forth. Is Alexis Love still posing? Do you get it?

SCORE's list of hot girls is large enough to fortify your mags year 'round. Don't get me wrong. I like new girls like Nicole Peters. But, all the gorgeous models from *SCORE*-past have raised the bar very high. We, the readers, are spoiled, and our standards are very high. It should be difficult for a

girl to get into *SCORE*. Every issue should be a celebration of the beauties you've found. So, why isn't it? Are they quitting the business? Please keep us abreast.—N.L., Michigan

Dear N.L.: We agree with you, "every issue should be a celebration" of big-bust beauty, and we strive for that every issue. Do we hit the mark every time? We sure do try our best. As a long-time reader, you know big boobs come in varying packages. Slim-n-stacked, rubenesque, readers' desires run the gamut and we attempt to please all, the best we can. As for the models, superstars retire. It happened to Dan Marino, and it happened to Busty Dusty. Where will the next Traci Topps come from? We're looking, and if you've seen that contest on page seven, you know we're willing to invest to find the next great *SCORE*-girl.

TRUTH IN ADVERTISING

Dear *SCORE*,

Thank you for stocking some of *SCORE*'s videos at the local adult bookstore I frequent. I just picked up *Mega Boob Olympics* and it was awesome, especially Maxi Mounds and Kayla Kleeveage. Also, thank you for not ripping us off with misleading advertising. I recently picked up a tape from another company for \$49.95 which was advertised for 60 minutes. It turned out to be only 55 minutes and about 30 minutes was old stock footage. I've never had that problem with any *SCORE* video. For one, rarely does *SCORE* only ever give 60 minutes on a video, and I appreciate that with every video I have ever bought from *SCORE*, the minutes listed for the video length have been very accurate. Thank you once again. —"Tom," New Jersey

NICOLE PETERS CALENDAR

Dear *SCORE*,

I just bought *Mamazon 86*, and I had to send you this postcard to tell you guys...far out! If I become a millionaire, I'll marry Nicole Peters. She is the best! She is a perfect 10! But, it's her beautiful eyes and pink complexion that I adore. Please don't let her go.

I've been reading *SCORE* since 1997 and it is the best.—C.D., Canada

ONE OF 2003'S BEST-SELLING VIDEOS

Featuring Cassandra, Kerry Marie and the video debuts of amazing 2003 newcomers Ines Cudna and Nicole Peters!

FF-cupper Cassandra, who knows a thing or two about plugging her holes with sex toys, has invited Kerry Marie, Ines and Nicole to southern Spain for Big-Boob Modeling School. The result: the most explicit action Ines, Nicole and Kerry Marie have ever engaged in. Nicole's J-cup naturals are her main attraction, but here she shows full bush for the first time. EE-cup Ines was shy when she made her *SCORE* debut, but here she spreads wide and fingers her pussy. And, for the first time, Kerry Marie plugs her pussy and ass with big dildos. Of course, Cassandra gets into the act, too, with some scorching solo posing and girl-girl, clit-to-clit with Kerry and Ines. *On Location Costa Del Sol* is a must for every man who loves big tits.

CUMMING OF AGE

IT'S BREAST-STROKE TIME WITH CASSANDRA AND INES GOING TIT-TO-TIT!

Greetings, *SCORE*-men. What's this? A girl-girl sighting? You betcha! In the blond hair with the big titties, our Jan. '04 Calendar-girl, from Poland, getting her titties tweaked in the photo below...Ines Cudna. And, in the blonder hair, doing the tweaking, Slovenia's busty lezzie seducer, Cassandra.

Those of you who own the best-selling video *On Location Costa Del Sol* have been waiting for this pictorial! Cassandra popped Ines Cudna's girl-girl cherry on that video (available on page 11 of this issue), busty Kerry Marie's, too, and a great many of you have written to the SCORECARD pleading for the magazine layout. Truth be told, we've actually been holding onto the photographs because other letter writers have told us, "No girl-girl! Just XXX fucking!" But, we also receive an equal number of letters saying, "More girl-girl! No dick!" Whew...It's tough-sledding trying to please every Tom, Dick and Horny. But, if two naturals can do it, we're betting Ines and Cassandra can.

BOOB BEAT

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

SCORING IN VEGAS

OUR ANNUAL TRIP TO THE GENTLEMEN'S CLUB EXPO

The sky is still pitch black at six a.m. when SCORE photographer Peter Wall and I arrive at the America West ticket counter at Miami International Airport. Our five hour flight to fabulous Las Vegas leaves at eight a.m. An indecent hour, yeah, but at least we'll arrive in town with a lot of the day left. Thoughts of bags of peanuts for breakfast served by huge-breasted stewardesses who will give us head in the restroom stimulate our appetites. Unfortunately, I manage to sleep through most of the flight and miss breakfast.

We're heading to the capital of betting, booze and babes to cover the 11th annual Gentlemen's Club Owners Expo. Boob Beat has covered this show since its humble beginnings at the Stardust Hotel a decade ago. It seems hard to believe that over 10 years have passed since I attended the first small Expo. Some refer to this Labor Day holiday week show as the Dancer's Expo. Maybe because you can say it faster.

Vegas's current TV marketing slogan is "What happens here, stays here."

Making a rare public appearance at the 11th annual Gentlemen's Club Expo in Las Vegas is Chelsea Charms (left), shown here with SCORE-girl Colt 45. Keep reading for plenty more Expo pictures and lots more SCORE-girls strutting their stuff.

(The "staying here" part basically applies to people's life savings.) Peter and I hope to, at the very least, leave with a bagful of great photos of some of those wonderful busty babes we know and jack a load or two over. We won't let those nasty nickel slot machines distract us from our prime directive.

Once we land, the peanut-drying 100+ degree air is like a blast furnace. The airport is packed with visitors entering and exiting. You'd never guess that the national economy currently sucks a

dry wind. It's a sure bet that people are still very eager to help Vegas maintain its high standard of living.

Instead of dragging our heavy cases of camera equipment through an endless taxi line, we opt for a ride with North Shore Limo, courtesy of our friend and SCORE supporter, Don Murphy. You could wear stilts and still have plenty of leg room in one of Don's superstretchers.

The Expo is back at Caesars Palace, after two years at Mandalay Bay, a

newer mega-casino. Coincidentally, it's my first time back since the 2000 Expo. We'll be looking for our English member of the boob brotherhood, "T," a Boob Cruiser who has covered the last two years of Expo and will be shooting digital pix again for Scoreland.com's photo-report.

Unfortunately, flying in early doesn't help us that much since Caesars' front desk doesn't have our room ready. ("It's a housekeeping issue. Not a front desk issue," the clerk sniffs.) We had similar room problems at the Venetian when we covered the winter *Adult Video News* Expo for the June '03 SCORE. They must have our photos with a note saying "Make these guys wait four hours."

Expo week has followed a basic formula since 1997. There are the three days of the trade show, the industry seminars conducted by the strip club business, and the nightly events and parties, held at sponsoring local nightclubs such as Deja Vu, Little Darlings, Jaguars and Sapphire. The Expo higher ups prefer that only the professionals in the industry attend this show, not the general public. That's partly why Fan Fair was developed, to give the non-industry types, i.e., all of you, a chance to see the goods.

The biggest nighttime event of the year is the ED Awards, which includes Best Big Bust Feature, Best Nightclubs and Best Industry Photographer, which was won for the second time by Anneli Adolfson. The Big Bust Entertainer of the Year 2003 award goes to Brittany Love, who beats out fellow nominees Colt 45, Crystal Gunns, Jessica Justice, Savanna Staxx and Plenty UpTopp. Our congrats to Brit, who has won this award before in 2001. The previous winners of this award were: Lisa Lipps-1998, Kayla Kleevage-1999, Minka-2000, Brittany Love-2001 and Lovette-2002.

The last two days are for Fan Fair, a separate convention for the public. The first day is a table show where models

and dancers can sell magazines and videos and meet the guys. The second day is an outdoor bikini contest. At night, there are dancer showcases held at local clubs. This year, the Fan Fair convention is held at Jaguars, one of the two new multi-million dollar mega-clubs just recently built in Vegas. I can't figure out why The Man Show never sends its cameras to this convention.

The main seminar topics this year cover such stimulating topics as fire safety (no, not your trousers bursting into flames during a lap dance), employee theft, bouncer behavior, audio and lighting, advertising and marketing and the First Amendment issues affecting today's clubs.

The latter is just as important as any day-to-day business topic since there's been a recent spate of local governmental action to terminate, or at least restrict, lap dancing and wipe out those much loved VIP rooms in various cities and states, including Los Angeles, Connecticut and Las Vegas. It'll be a national disgrace and tragedy if hard-working Americans lose the right to buy a couple of lap dances after work. Will adventures in cock-hardening lap dances become merely dim tales to pass onto our sons and grandsons?

Seriously, this Taliban-like government crackdown on lap dancing could wipe out thousands of clubs and jobs and negatively impact many other companies and services. Like city and state income tax offices.

About 150 exhibitors fill the trade show convention area, including

The words you're searching for right about now are...HOLY SHEET!!! Chelsea Charms took off her top at the Expo in Vegas for what has turned out to be a rare, new nude photo of the busty one, and, yes, we were as stunned as you are!

There weren't many busty babes at the Expo, but the ones that were there stood out. It's hard for Maxi Mounds and Minka (above, left) not to stand out. Clockwise from M&M, we were also treated to Summer Cummings, Lovette and Vixen LaMoore riding the hog!

BOOB BEAT

Continued from page 21

Budweiser, the Pure Gold Club Chain and the major talent agencies. The Spearmint Rhino and Déjà Vu chains have once again gone to considerable expense to build excellent "mini-clubs" with hot stage dancers and high-end music and lighting effects.

Although Minka, Maxi and Chelsea are impossible to top, one of the more amazing sights at the trade show is a \$35,000 customized motorcycle from Mistress Motorcycles that has a frame built to look like a busty woman. Vixen LaMoore, a girl made for this incredible bike, happily parks her hot ass on it for a few publicity photos.

Once again, our hunny-bunny Alyssa Alps arranged and managed many of the nightly dancer showcases and special events, working tirelessly behind-the-scenes to ensure that everything went successfully. Alyssa was so low-key this year, she was practically invisible. Without her, the week would not have run so smoothly. Only Alyssa could pull together an unannounced sexy fashion show starring Devon

Michaels and Brittany Love in 40 minutes flat without notice.

This year the big-bra contingent is not nearly as sizable as it used to be. I hope this isn't a trend. Over the next few days, Peter, T and I will see Maxi Mounds, Minka, Crystal Storm, Chelsea Charms, Vixen LaMoore, Brittany Love, Angelica Sin, Christine Allure (her first time at Expo), Corina Curves, Summer Cummings, Nicole Tyler, Brittany Andrews, Exotica, Alexis Amore, Colt 45, Kayla Kupcakes, Friday, Devon Michaels, Texas Barbie and Lovette.

Kayla Kleevage and Kandi Cox were missing in action this year, opting to hightail it over to Milwaukee, Wisconsin for Harley-Davidson's massive 100th year blow-out because both of these chicks are Harley owners and riders. Their presence was sorely missed. Bosom buddies Windy Leigh and Jessica Justice were both in town but they kept out of camera flash range and didn't get a booth as in previous years.

So who else was missed? Harmony Bliss, Sara Jay, Ashley Evans, Nikki Diamond, Crystal Gunns, Ingela, June Summers, Elizabeth Starr, Kaylee O'Toole, Cindy Cupps, Lisa Lipps, Jerica Fox, XXXena, Sofia Stacks, Plenty

UpTopp, Casey James, Mia Miluv, Donita Dunes, Teddi Barrett, Veronica Knight, Mimi Miyagi, Summer Leigh, Lacey Legends, Europe DiChan, Kim Eternity, Kim Chambers, Kim Kupps, and longtime Fan Fair mistress of ceremonies Candy Apples, all of them previous attendees, did not come to meet and greet their faithful flock this year so there seemed to be a big-boobed drought taking place. Nor were there any promising newcomers springing out to grab us by the nuts, unfortunately. Where's our boob buffet? It was, however, a nice surprise to get busted in the casino by the naturally cup-straining Annie Swanson, who nearly beat out Crystal Gunns for SCORE's 2002 Newcomer of the Year Award.

At times, the Trade Show looked like a Vin Diesel convention since so many of the men in the club business have tried to copy Vin's tough guy with a shaved head and death-row tattoo look. Whatever happened to the Kurt Russell-Patrick Swayze tough guy with a long mullet look? Is it over?

E.D.'s Fan Fair at the brand new big-bucks club Jaguars permits the girls who have a Vegas work card to go topless. At previous Fan Fairs held at hotel

convention centers, they couldn't show their tits and had to use pasties, duct tape and other impromptu cover-ups to prevent the horrors of nipple exposure. Now the girls can be as topless as they want to be without a security man ordering them to cover up.

Holding Fan Fair at a dark nightclub with music playing does give the show a more intimate, club-like feel. No photography, except by media, is allowed so the girls can sell Polaroids. This business about no cameras stems from the first Fan Fair in 1997. Simply stated, the girls can't sell their own pictures if people can take photographs of their own. The girls have paid for table space. They're not being paid to attend. Hulking bouncers with minimal conversational skills enforce this rule with guys sporting their own cameras.

This Fan Fair is smaller than the ones I've gone to in previous years. Maxi, Minka, Colt, Lovette, Alexis, Nicole, Echo, Devon, Tara Wild and Kayla Kucakes attract the big-bra lovers. Alyssa presides over the scene but keeps in the background. Corina Curves, who's driven over with us, is excited to see the girls.

It's at Fan Fair that Pete and I meet up with a squad of veteran SCORE buddies, among them Ricky, Ray, Big Frank, Steve, Jonesy and John R. Most of them have been attending Fan Fair every year since I started doing Boob Beat columns about it.

"I save up all year for this," one of them says to me. "If it weren't for the SCORE-girls, I wouldn't go."

"I was pleased with the fact that the girls could remove their tops and didn't have to sneak peeks," said another. "But I was disappointed with the number of girls in attendance."

Peter and I also finally have the pleasure of meeting the Internet-famous big

Boobs and babes on display. From the top left, there's Texas Barbie, and, working our way around the world from Texas: Annie Swanson, Devon Michaels, Corinna Curves in the middle, Kayla Kucakes, Tara Moon at the bottom in the white dress, Mercedez above her and, hold everything, we have a Nicole Tyler sighting, looking mighty sexy in a pink boa!

boob-lovin' couple Dick and Jane (a beautiful, busty babe herself) who always have a great word for *SCORE* magazine in their posts on the Breast Expansion Archive website message board (Bearchive.com). They're terrific people and love going to New York clubs like Flashdancers when a big-bust feature is booked. Jane, we'd love to run a photo of you with Minka and Maxi at Fan Fair but we don't want to risk impacting your job back home.

At Fan Fair, Maxi is given her own personal trophy by huge-breast lovers Big Frank and Howard, who pick a deserving chick twice a year to give an award to. They're good guys and loyal supporters of the mega-busty universe.

This year's Bikini Contest was emceed by Exotica, whose body looked incredibly hot, as in sexy, not overheated. The contest was held behind Caesars' lavish pool area in chicken-broiling 110 degree sunshine with 50 contestants, none of them especially busty except for Kitty Lynxxx, Exotica and Mercedes, but still worth phoning mom about. The winner is Inari Vachs, a porn chick who makes lots of fuck-n-suck videos in Los Angeles.

Meanwhile, behind the lawn chairs on the grassy area, Christine Allure and Summer Cummings pose for photos with Fan Fair attendees. And here comes topshelf trouble in the shape of Vixen LaMoore to join in and stir up some more excitement with the guys, which she happily does as Vixen truly loves all of the attention and admiration.

The Expo week has moved fast. Too fast. Before we know it, Peter and I are on that long security line at McCarran Airport, alongside very good company, Dick and Jane. As we have to have our rolls of film hand-inspected (so they don't get destroyed by X-rays), it takes us a bit longer than the average passenger to get to our gate. None of the women on the flight have big tits. What kind of world are we living in?

We arrive back in Miami past midnight and are immediately greeted by a blast of 95 degree humidity and near-blinding torrential rain. There are no slot machines in the airport, either.

And that's how we spent our summer vacation. For information on next year's Gentlemen's Club Expo and Fan Fair, log-on to exoticdancer.com or write Exotic Dancer, 2431 Estancia Blvd. #B, Clearwater, Florida 33761.

We didn't even hear the young couple knocking on our front door. When one of our office staff went outside to smoke, he politely told them that we didn't accept solicitors, pointing to the sign on the door. They said nothing until the door was closing and the man used his arm as a door stop and blurted out...
"Take my wife! I want to see her in *SCORE!*"

The man's name was David, a Belgium national living in Indonesia, who has been reading *SCORE* since 1993. He had traveled from Asia to Miami, taken a taxi from the airport to our front door, bags still in weary hands, nervously perspiring in the humidity, but clearly excited. "Mr. Fox...please. Will he please look at my wife? She is for *SCORE!*" John came out, introduced himself, walked the couple to our studio, and when the clothes came off, he started smiling. "Welcome to *SCORE!*" was all he said, and the only words David wanted to hear!

The young lady's name is Saholy, born in Madagascar, living in Indonesia, married for eight years to David, who, feeling itchy in his seventh year of matrimony, told his wife about his fantasy. He broke out all of his back issues, hidden from his wife's prying eyes for seven years, and, wary that his wife would be angry, asked her what she thought. Saholy looked at the magazines, then at her modest C-cup breasts, and told her husband... "I will need to get bigger breasts." David scheduled the augmentation and eight months later told Saholy that what he really wanted was to see her in *SCORE*. The next day, she booked two flights to Miami, and the couple arrived at our office with high, albeit cautiously realistic, hopes. "I know my wife is not Tiffany Towers," says David, who ate lunch with us reminiscing about the classic Tiff interview from Dec. '94. "She [Tiff] is my all-time favorite. To watch Saholy pose for *SCORE* would be a dream come true. And to see her pictures in *SCORE* is my #1 fantasy." Well, David, we love making dreams *and* fantasies come true. We know you enjoyed the photo shoot, now, enjoy the result!

THROUGH THE 'NET, YOU CAN GET VIAGRA, VICODIN AND OTHER MEDS WITHOUT SEEING A DOCTOR

Article by Michael Uwate

Since the mid-'90s, the world has seen a proliferation of online pharmacies promising drugs without a prescription. *Save Up To 70% On Viagra! Get Vicodin Without a Prescription!* If you have e-mail, you've received the spams, hundreds a day, and you've probably seen similar advertisements in newspapers.

How many of you buy your drugs online? How many want to, but are wary of ever providing a credit card to an internet company? How many of you want to, but think it's all a big scam? How many...

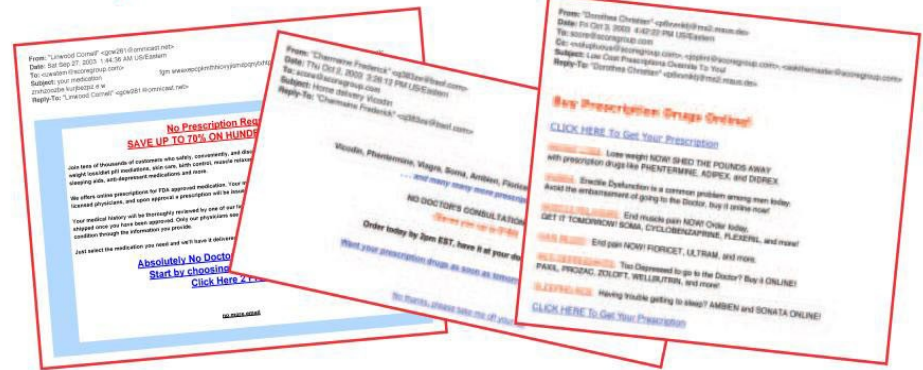

Much like the e-mail spams, consumers' concerns and questions are endless.

If you've never opened one of these "No prescription required" e-mails, the gist is... You go to a website and select a prescription drug—Vicodin for pain, Viagra for erectile dysfunction, Prevacid for heartburn, Lipitor for cholesterol, etc.—answer a few questions, give your credit card number and the drugs are promised to arrive at your doorstep. No doctor's visit or prescription required.

So, what's the problem?

Everybody hates seeing doctors. If you're one the millions of uninsured Americans, you simply can't afford the \$200 charge for an office visit, even more if they take blood. And, without insurance, even if you get a prescription, the drugs cost a small fortune. Why not save 50 to 70% and not have to pay a rubber-stamping M.D.?

Valid points, indeed, although the American Medical Association, Food and Drug Administration, National Association

of Boards of Pharmacy and pretty much every state licensing board in America, would argue to the contrary.

First things first...Are these online pharmacies operating illegally?

That depends.

If the operation is based in the U.S., both state and federal licensing agencies have regulatory powers, and they do require that, to dispense any prescription drug, a valid prescription is required. Some online pharmacies follow the rules, many don't.

According to Jeffrey Shuren, M.D., Medical Officer in the FDA's Office of Policy, Planning and Legislation, "It is a violation of the Food, Drug and Cosmetic Act to sell a prescription drug without a valid prescription. Therefore, the FDA can take action against sites that bypass this requirement." The FDA is currently joining forces with state regulatory agencies and law enforcement groups to prosecute entities involved in the domestic sale of prescription drugs. The FDA also has working agreements with the National Association of Boards of Pharmacy

and the Federation of State Medical Boards to help enforce federal and state laws against "unlawful" prescribers of drugs in the U.S.

However, similar to American states being unable to enforce laws outside of their borders, the federal government and its agencies have zero jurisdiction outside of the United States and its territories. Their only recourse when dealing with a foreign pharmacy is customs seizures, or working with friendly governments to shut down overseas websites. One such site in Thailand was shut down by U.S. officials working in conjunction with the Thai government.

However, *possessing* and *ingesting* prescription drugs without a prescription is outside of FDA and licensing board jurisdiction, although several states do have statutes in force that may put you in harm's way, though only marginally so if you are a regular Joe taking his Viagra at home. Local governmental agencies are more concerned with individuals who buy 10,000 Vicodin and sell them to kids on the playground. If you're one of those people, you deserve to be gang-

Shown here are just three of the over 400 online pharmacies that offer to deliver drugs to your doorstep without a prescription. In order to avoid the scams, watchdog groups advise avoiding those websites that do not provide a phone number and/or physical address.

ORDERING IS AS SIMPLE AS ANSWERING SOME QUESTIONS, TRUTHFULLY OR NOT, AND PROVIDING CREDIT CARD INFORMATION

raped in prison. However, if you have back pain, no insurance, and the only way you can get painkillers to take responsibly without helping to send a doctor's kids to private school is to purchase them online, you may technically be breaking the law, depending upon where you live. But, you also "technically" break the law when you change lanes without a blinker or go 80 in a 70, and the legal ramifications are equally insignificant, if you get stopped at all.

The professed and published concern with the medically educated is the "responsibility" factor and not the fact that online pharmacies will grow to a \$15 billion annual industry a year from now. Remarkable growth compared to zero revenue in 1998.

The AMA, FDA, NABP, Eckerd's pharmacists and those people behind the counter at Walgreens have not publically stated that all of their posturing is more about lost revenue, and they haven't been asked those questions by any Congressional committee to date. Still, when companies like Meds5000 (a Canadian company that does require a prescription, uses government approved drugs, and has been working legitimately for 25 years and offers verifiable savings up to 50% versus American distributors) do not get recognized, not only for their accomplishments, but also as a model of what should be the norm in America, you have to wonder what Big Brother's true motivation is.

Politics and profits aside, the reality of the current environment is, yes, you can order drugs online, whether from a "legitimate," i.e. NABP approved website with a valid prescription, or a site that is not approved without a prescription, of which there are now over 400 to choose from.

The available drug list is just as numerous.

The savings, however, vary. Some online pharmacies' discounts are negligible, others dramatic. A study by *Consumer Reports* showed that, on average, online sales represented a 29% savings versus brick-and-mortar sales. However, in 1999, a study by the University of Pennsylvania (published in the *Annals of Internal Medicine*) showed that internet sales of Viagra and Propecia were, on average, 10% more expensive online than at local Philadelphia-area pharmacies.

The key, many experts say, is to stay away from "lifestyle" drugs, i.e., the the boner-makers like Viagra. Those costs can be exor-

While the reliability of several online pharmacies is in doubt, the actual quality of the drugs provided by online pharmacies has also been brought into question. Several investigatory purchasers have received outdated drugs, well past their shelf-life, generic drugs in lieu of the brand names and in several instances, no drugs whatsoever.

AN AFFAIR TO REMEMBER

We still remember when Danni Ashe first came into our lives. February '94 was the issue, and we had already chosen six of the seven girls for our ninth issue. Tawny Peaks, L.A. Bust and Colt were the superstar headliners, but we needed one more girl. Editor-in-chief John Fox wanted a natural. But, not just any natural. After debuting a fresh-faced, huge-boobed Chloe Vevrier in the Jan. '93 *SCORE*, we had raised the bar. Still being a new magazine, *SCORE* couldn't settle for just *any* natural. We needed the very best. The problem was, with silicone super-titters dominating big-tit-dom, slim-n-stacked naturals with boobs big enough to match up to their enhanced peers were virtually non-existent. *SCORE* editor-in-training Michael Uwate was busy putting together a "Bra Special" to fill the hole when editor-in-chief John Fox yelled out, "Look at these titties!" Mike, still being a rookie, said, "She's real cute, but are her boobs big enough?" John, being an expert, took another look, smiled and educated his young protege... "This girl is going to be a star!"

1994 Ten years ago, her name was Danielle Ashe. She was a Seattle housedancer just breaking into the Bigs, and from the beginning John [Fox] was a fan... "Trust me, the guys will love her!" When the letters lauding Danielle's Feb. '94 debut arrived in our mailbox, we knew she was much more than just a cute face and a pair of boobs. Danielle had something special, and we would soon find out just how special she really was.

1995

In the history of *SCORE*, Boob Cruise '94 was a pivotal moment. That one event separated *SCORE* from the rest of the pack. Ditto for Danni Ashe. She had appeared twice in *SCORE* since her Feb. '94 debut, both times in girl-girl, and was a *Voluptuous* covergirl. Only, she hadn't reached that upper echelon of big-tit-dom. Then, she sailed on *SCORE*'s inaugural Boob Cruise, and everything changed. She was no longer simply a model. Danni became everybody's dream-girl on BC '94, and the world's love affair with the petite, slim-n-stacked, girl-next-door turned superstar had begun.

1996

After the success of Boob Cruise '94, Danni Ashe became a *Voluptuous* fixture and "SCORE's Front Chick." Danni's phrase, not ours, and a reference to the fact that it was Danni who helped launch *SCORE's* website. After Boob Cruise '95, Danni came to Miami and showed us her website. The internet phenomenon was just getting started and there weren't too many adult sites. Being magazine guys, we were like every other publisher in the world, trying to figure out just what the internet was all about. Danni already knew. A self-professed computer geek, Danni had a vision to grow her small model site into something bigger. We offered to help by supplying photos, and both Danni's Hard Drive and Scoreland.com were born.

1997

Every editor has his favorites, and this is one of ours. From the Jan. '97 *Voluptuous*, posing in a plaid, school-girl skirt, assuming the pose that she made famous, in 1997 the quiet, housedancer from Seattle had become a force in the big-bust world. She sailed on Boob Cruise '97, her final voyage, and then it was Hard Drive time. Posing sporadically, Danni devoted most of her time to her website. From a small operation with a handful of staff, Danni's dream took off to heights even she couldn't envision and launched her into the public eye where she would soon become the "Most Downloaded Woman" on the internet.

1998-99

It's sadly ironic that, as the "All Natural" revolution was in full force, with Linsey Dawn McKenzie leading the British Invasion, Danni Ashe was not in the thick of things as America's All Natural Standard. Probably one of the few slim-stacked models who could measure up to the Busty Brits, rather than posing more, she modeled less, focusing on her website. People commented that her career was over, but we knew better. *Over?* Danni Ashe was just getting started!

DANNI DOES... EVERYBODY

The girl likes snacking on the carpet, that's for sure. So much so, that two of the most common questions we've received here at *SCORE* about Danni Ashe are: "Will Danni Ashe do XXX boy-girl?" And, "Is she a lesbo?" The answer to both is an emphatic... NO! Putting the XXX aside because according to Danni that will never happen, she loves guys, but also digs the chicks. Can you blame her? Chloe, Carrie, SaRenna, Minka, Becky Sunshine and more...on camera and off! Who's the best she's had? What was SaRenna like? Danni doesn't like to lick and tell, and though we've talked to her often, we're like a lot of you, waiting for the autobiography.

2000

As the new millennium was approaching, people were writing Danni Ashe off as a "former" model turned Internet sensation. But, Danni reappeared in *SCORE* with aplomb starring in the Feb. Y2K issue's "Who's The Fairest Of Them All" contest. Then, she followed that up by being named one of *SCORE*'s "Sweet 16" in the April '01 issue. Although many readers and models took the "Sweet 16" as a contest, it was more a celebration of readers' all-time favorite busty babes. Had we announced a winner from the mail-in votes, Danni would have been at or near the top. An upset to many, considering the super-sized talent, but it wouldn't have been a surprise to us. Sure, she's beautiful, with great tits. And we could tell you all about Danni's sense of humor, kindness, warmth, generosity and even that she's a helluva blackjack player. But, beauty, brains and boobs aside, Danni Ashe is a class act. She always has been, and from talking to Danni recently, she always will be.

ALL NEW PHOTOS

Danni Ashe 2004

It's been almost three years since Danni Ashe's last *SCORE* pictorial, in the Sept. '01 issue where she was named one of the "20 Greatest Naturals of All-Time." Now, with her own studio, photographer, huge internet staff and even a corporate attorney, Danni has come a long way. Has success changed her? Nah! Sure she works a lot, and we have to talk to three people at her California office just to get her on the phone, but Danni is still Danni and living proof that, sometimes, nice girls do finish first.

Photographed for *SCORE* by DHD lensman Nicolas Sage, Danni Ashe has become the Poster-Girl for Success in the adult world. Models want to be her, guys want to be with her and Danni, true to form, just brushes off all of the flattery with her trademark grin. What does the future hold for the woman formerly known as "Danielle" Ashe? She's already conquered the sky, so we can only imagine which star she is destined to land on. And, even though Danni is no longer *SCORE*'s "Front Chick," she always has been and always will be our "Favorite Piece of Ashe." Continued from page 35

"Should you buy your drugs online without a doctor's prescription?" is another question that, on its face seems rather straightforward, but in reality is much more complicated.

As much as everybody detests the greed and hypocrisy in the medical profession, in all objectivity, you'd have to be a complete moron to put anything in your body that you haven't properly researched. Especially drugs. That is the "public interest" legal argument that gives the medical profession and the federal government the power to regulate online pharmacies, altruistic or not.

To paraphrase about 60,000 words of research...Those individuals who are responsible will seek professional medical advice before ingesting any prescription drugs. Those who don't, for ignorant or insidious reasons, are irresponsible and it is up to your government to make sure they don't hurt themselves or others.

Misuse and addiction with serious, sometimes lethal, consequences is a very real concern for the un- or mis-informed, and the chief rationale for regulations requiring a prescription. Online pharmacies do offer their assurance(s) that a U.S. trained and/or licensed doctor will review a questionnaire you fill out before the online pharmacy "decides" whether to fill your order.

The truth is, most U.S. licensed *and* practicing doctors are being reprimanded, suspended or losing their licenses outright for such practices. In many documented instances, the "doctor" who reviewed the questionnaire turned out to be a veterinarian or somebody's Aunt Mildred hiding in the Caribbean from the IRS.

At The SCORE Group, we were able to order Vicodin, Viagra, Propecia and Lipitor by filling out various questionnaires and providing a credit card. We even purposely skewed our answers on the questionnaires to evidence serious health risks, and we were still approved, as was our credit card, which may be the true deciding factor.

The slippery slope in all of this is, of course, children, the argument being, "If we adults can order online, what about kids?"

From Superballs to SUVs, kids must be protected in today's society, at least that's what the soccer-moms would argue (rather successfully it would seem) to the politicians. In the case of online pharmacies, they may actually have a legitimate point.

The stories of 14-year-old boys ordering and receiving Viagra online are growing, and

RX ONLINE

Continued from page 50

the ease with which anybody—adult or minor—can lie on a questionnaire and receive prescription meds is making more headlines.

One *Glamour* magazine reporter ordered a prescription diet drug that was approved, in spite of the fact that she indicated on her questionnaire that she weighed 97 pounds.

Another reporter, this one from Michigan, used her cat's name, acknowledged under "prior surgeries" that it was neutered, but successfully ordered Viagra for the feline.

The regulatory regime received a big boost with the tragic case of 52-year-old Robert McCutcheon, an Illinois man who had a family history of heart problems. He ordered Viagra online, without a prescription, and without talking to his doctor. After drinking a few beers, he went to his girlfriend's house, popped the blue pill and had a fatal heart attack while having sex.

Would seeing a doctor have saved his life? People argue both ways with few concrete conclusions. The reality of today's medical profession is that it is a business like any other, and doctors routinely rubber-stamp prescriptions for painkillers and bonermakers. In the current economy, with rising healthcare costs and runaway unemployment, many people simply don't have health insurance and they cannot afford the \$50, \$100 or \$150 doctor visit to get a prescription renewal for a drug they used to take regularly when they had insurance, but can't afford now that they've been laid off.

For these individuals, buying and saving online is not only a legitimate option, but their only one. Whether they fill out the questionnaire truthfully, or fudge a little, is irrelevant. The questionnaire is a joke. If a cat can get Viagra online, you can get your Lipitor.

As for the financial risks of paying and not receiving, if you plan on ordering, it's buyer-beware. Always purchase the bare minimum dosage available as a trial basis, watch out for too many promises of "Free" this and "Bonus" that. And, if you find a reputable company, stick with it.

For those of you alpha-male types (with great insurance and a low deductible) who haven't seen a doctor since your high school football physical and want some Viagra for a hot weekend, but refuse to see a doctor for fear of that rectal exam, proceed carefully. We're not M.D.'s here at SCORE, but we can offer some common sense advice: Before making any kind of decision, do your due diligence and be skeptical of any online pharmacy and...yourself. 🍌

SaRenna

THE NUMBER ONE BUSTY SHOWSTOPPER OF HER GENERATION

The year was 1993, and the rumors were sweeping across America. There was a newcomer in big-tit-dom who was being billed as "The Marilyn Monroe of the '90s," only with super-huge tits. She had never posed, and we were calling all of the talent agencies looking for her when an up-and-coming lensman named Peter Wall called us with five words: "SaRenna Lee...I have her!"

SaRenna Lee was a superstar before she even appeared in *SCORE*. A dancer living in Jacksonville, Florida, she wasn't just super-stacked, SaRenna Lee was super-slim-and-stacked. And drop-dead gorgeous. And vivacious. Basically, the complete package, and in an era when there were a lot of super-stacked superstar feature-dancers touring North America, few generated as much excitement as SaRenna.

LEE SITE ON THE
WORLD WIDE WEB

The more things change, the more they remain the same. Take Peter Wall, for example. Ten years after SaRenna helped to get him in *The Show* back in 1993, Peter's now *SCORE*'s staff photographer, and he's still the same hooter-hungry lensman he was a decade ago. And, though SaRenna has retired from feature dancing, she is still one of the most revered busty babes ever to take off her bra. SaRenna debuted on *SCORE*'s Dec. '93 cover as "The Cure For Your Seven-Inch Itch." Seventeen *SCORE* appearances later and SaRenna has gone from novelty to icon. The consummate showgirl, together with super-augmented dancers like Tiffany Towers, Busty Dusty and Minka, SaRenna helped define the super-stacked '90s. Fun-loving and free-spirited, SaRenna was a superstar dancer who was ultra-sexy in pictures and absolutely stunning in person. Seeing her on the first three Boob Cruises, always perfectly dolled up, a parasol to match her bathing suit and a smile that rivaled her body, SaRenna Lee was the "It" girl for many a *SCORE*-man, be you an editor or a reader. We grew up together in the '90s, SaRenna and *SCORE*, and we are thankful that the relationship continues into this decade.

Spanning the globe, to bring you a constant variety of boobs...The Wide World of Boobs continues with Melanie from San Juan, Puerto Rico, who is making her *SCORE* debut sporting E-class *tetas* and some world-class *pezones* (nipples for us gringos). Half an inch at rest, a full inch when horny. A 100% all-natural body, courtesy of a fellow *SCORE*-man who is secretly living the life!

Turns out some *SCORE*-men are married. Good for dinner and back-rubs, bad when you like photographing busty babes like Melanie, especially when the homemaker (whose name isn't Melanie) doesn't know about your hobby. So, no initials for our Island Hopping Hooter Hunter, just *muchos gracias*. As for Melanie, she's always wanted to be in magazines, ever since she was an 11-year-old C-cupper and saw her first nudie book under her dad's bed. Five years later, Melanie had become a full-fledged E-cupper, and now...she's a *SCORE*-girl, making her photographer's fantasy come true, and her's as well!

"I thought about sending *SCORE* some photos in 2001 when I saw my first issue, the Boob Cruise 2000 issue," Melanie told us. "I thought, 'I have big breasts. Why not me?' When I saw how beautiful all of the girls were, I thought 'SCORE would never want me.' I used to have that fantasy when I was 15—that all of the models in magazines were princesses and I could be one, too. I still had it, right up to when I saw that issue of *SCORE*. That's when I realized it would never happen. The girls were too pretty. Then, during the summer, I was on the beach watching the surfers and I saw a man taking my picture. He asked me if I knew of a magazine called *SCORE*. I told him I did, and he asked if I would like to be in it. I told him that *SCORE* would never want me, but he said that it wouldn't hurt to try. He took my pictures at a hotel pool and now, what can I say? I'm a princess!" More than that, Melanie, you're a *SCORE*-girl. Welcome to The Show!

Sweet Harmony

THE STAR OF *BUSTY DILDO LOVERS* #4 OPENS UP!

Interview by Michael Uwate

I feel a strange, tingling feeling in my loins. Nerves? Surprisingly, I have to face my demons and answer affirmatively. Truth be told, it's been a while since I've done one of these.

Memories of Tiffany Towers, Letha Weapons and, strangely, TJ Evans, come flashing back. Long-time *SCORE* readers know all about Tiff and Letha. If you don't, those interviews are on www.scoreland.com in their entirety. They've been called "classics," which in and of itself makes me feel rather old at 38. Will Harmony Bliss be another?

I doubt it.

Not because Harmony Bliss is a stiff. Far from it. But, because I am. Nerves, remember? I'm just hoping I don't screw the pooch too badly.

Now, let's call New York and take the plunge, one more time...

SCORE: How ya doin' Harmony?

HARMONY: Great! I was hoping I would be interviewed, ever since I first posed. I've read so many issues. I remember seeing girls like Wendy Whoppers and Lisa Lipps and SaRenna Lee. I actually talked to SaRenna a few years ago, and she was a big fan of *SCORE*, too. Most of the girls are. They always talk about how great *SCORE* presents them, how

you talk to them, how it's *the* magazine to be in if you have big boobs. Being a dancer, I got to see a lot of the girls. Another one I really like is Casey James. She's pretty cool. Even before I was dancing, I had a couple of guy friends and I would go to the clubs in New York City with them and see the girls dance. One would be like, "Oh yeah, let's go over to FlashDancers, Casey James is going to be there tonight." And, guys would have her sign their copies of *SCORE*.

SCORE: Jeez, and we don't even have to pay you for that plug?

HARMONY: You can if you want!

SCORE: Yeah, but then I get an hour-long lapdance to go along with it.

HARMONY: I give a great lapdance, you know. The best! It wouldn't take an hour—only a few minutes!

SCORE: Yeah, yeah, yeah. I've heard that so often from so many...

HARMONY: You'll have to find out next time you're up here in New York.

SCORE: Deal! But, give us a preview...

HARMONY: On the phone?

SCORE: Sure, you can do it! I'm laying back, phone on shoulder, legs spread, hands by my side...let me have it!

HARMONY: Well, I...ummm...

SCORE: Uh, oh...You know, people here told me you were the quiet type.

HARMONY: I guess I am. I know that sounds pretty boring compared to all of the porn stars you talk to.

SCORE: Honey, you're pretty with big tits and you're offering up a lapdance! Where's the boring part come in?

HARMONY: I don't know. I just don't have any really raunchy stories to tell like some of the other girls have. I'm just a dancer and a model, and a reader of *SCORE*. I'm really like a lot of the guys who have been reading *SCORE* for years. Remember how all of the "feature" dancers used to put on great shows and it was more like an artform?

SCORE: Girls like Busty Dusty...

HARMONY: And SaRenna Lee and Maxi Mounds. She's great. And, she loves *SCORE*. She's the one who gave me Peter's [Wall] phone number, but I was a little worried. The adult world has changed. When I was growing up, I used to love seeing older pictures of Marilyn Monroe and Bridget Bardot and Raquel Welch, the voluptuous, glamour girls. I don't think you see that as much now. With *SCORE*, there seem to be a lot more natural looking girls. Myself, I like seeing the girls get all dolled up for the photo shoot, in fancy outfits, sexy lingerie, like the pin-up girls of old used to do. I don't even like all of the XXX hardcore. I like the glamour stuff more. I don't need to see cum shots and I'm not a huge fan of those close-up shots. I like to see the whole model, all of her body and her curves. I think it's really amusing when you show that close-up...

SCORE: The gyno shot...

HARMONY: (Laughing) Good name! Gyno shot. I don't know if I'm in the majority or the minority, but that's what I like, as a fan. The curvaceous

model, little waist, huge boobs, wide hips, blondish hair. I guess I should write you guys a letter.

SCORE: Wow, you're almost like a guy!

HARMONY: No, I'm straight!

SCORE: I meant that you dig the magazine and the *SCORE*-girls like most of us guys do.

HARMONY: Sure. I love looking at magazines and videos.

SCORE: Speaking of video...

HARMONY: I'm a *Busty Dildo Lover*!

SCORE: On film, yes, in real life...

HARMONY: Sure! Isn't every girl?

SCORE: And you masturbate...

HARMONY: Yes.

SCORE: A lot?

HARMONY: Yes.

SCORE: Oh shit, I'm getting that verbally challenged feeling again.

HARMONY: I'm sorry! It's just hard for me to talk about sex like that. I never really have. I was always very quiet and reserved growing up, which is why the adult world probably attracted me so much. When I was growing up, I was really into school, studying, reading and my pets. That was basically it. Dancing and posing, it lets me explore another side of my personality. I'm not Sybil, but I think everybody has two sides of their personality. The adult world is my more risque side. It lets me cut loose. When I'm on my own or with my family, I'm quiet. On stage, I'm a more fun and outgoing person.

SCORE: That lady in the parlor, whore in the bedroom kind of thing?

HARMONY: (Laughing) Yeah, that's me.

HARMONY BLISS

AGE: 29 **BIRTHDAY:** January 22, 1974

FAN CLUB: HarmonyBliss.com

You see somebody and you think they're so quiet and sweet, but in the bedroom they can become a whole other person. A complete slut.

SCORE: Yeah, we dig that stuff!

HARMONY: That's where I let it all out.

SCORE: Where will you be dancing this winter? Letting it all out?

HARMONY: I don't know yet. I've been going on the road. Usually, I'll go out for four months at a time, then take a few months off and housedance in a couple of clubs in New York, Pennsylvania, New Jersey. On my website, www.HarmonyBliss.com, I usually post where I'll be dancing.

SCORE: What about humping? Being a sex symbol, when you "let it all out," what makes ya'll so special.

HARMONY: Nothing, really. I mean, I think I'm good. I've been told I am. But, being in the sex industry doesn't make you better in bed. It gives you this perception, be it good or bad. I know a lot of guys meet me who have seen me in the magazine and they're always surprised. They say I'm so nice and normal. I guess they thought I would be something else, some unreachable person they couldn't even talk to. But, they are glad to meet me and find out I'm not a complete slut and I can hold a decent conversation. I think most people, men and women, are like that. Sex is one thing, love is another. I think falling in love with somebody is a much stronger aphrodisiac than a big dick or big breasts.

SCORE: Big tits don't hurt, though!

HARMONY: No, they don't. That's true. Guys sure do like seeing big boobs. I know I'd rather see a movie with a beautiful, voluptuous actress in it instead of Ben Affleck. I like looking at beautiful women, even though I haven't been with a woman...yet.

SCORE: Yet?

HARMONY: (Giggling) I haven't decided. I love looking at beautiful women. I love guys, but I'd just rather look at women. Even in videos. I'd rather watch women than men. In the magazine, I like looking at the models, but do you know what I like the most? I like to read the letters, because I assume they are real and you don't write them.

SCORE: Not a single one.

HARMONY: It's hard to please everybody, I know. You get guys saying, "More cum!" and other guys saying, "No cum!" I don't know how you do it.

SCORE: You *do* read the magazine!

HARMONY: I told you so. I'm a reader. You should listen to me.

SCORE: I'll listen to you tell me all about...dildos!

HARMONY: You've seen my video!

SCORE: I must confess. Yes, I have!

HARMONY: I was so nervous doing it.

SCORE: Why?

HARMONY: Well, I don't want to ruin anybody's fantasy. But, it was like this...I walked into the studio, went into make-up and they handed me a dildo and started filming. It took me a while to get started and then it was good. For a while there I was thinking, "C'mon, where's the foreplay!?"

SCORE: Harmony, we're guys. Foreplay? All that means is asking what position you like best?

HARMONY: C'mon now, don't be one of *those* guys! You're not like that.

SCORE: Okay, okay, we might kiss you on the cheek a few times first.

HARMONY: (Laughing) A romantic!

SCORE: Okay, you tell us...foreplay?

HARMONY: Let me see. I like a lot of kissing. Personally, I like the build-up. I like to go out to dinner, have some wine, relax or watch a movie, give each other a massage, that kind of thing.

SCORE: Jeez, you're a lot of work!

HARMONY: (Laughing) Yes, I am a lot of work, but I'm worth it.

SCORE: For the next video, we may have to take you out to Arby's!

HARMONY: (Laughing) And a foot massage, too! I love having my feet rubbed.

SCORE: Your man rubs your feet?

HARMONY: I don't have a boyfriend. I'm kind of a free agent right now.

SCORE: Your Prince Charming is?

HARMONY: I'm still trying to figure that out. First, though, they can't be the jealous type. I dance and a guy is going to have to accept that. A lot of guys have a problem. I don't think many readers would have a problem with that because they know I dance and model.

SCORE: Readers are good!

HARMONY: They are. Plus, I'm not one of those girls who is really into looks. I'd much rather have a guy who is secure with a career and is trustworthy. An older man, who is nice and independent. I don't think an 18-year-old frat boy qualifies. Sorry.

SCORE: What about body? Beer belly and some grey okay?

HARMONY: Sure. No problem. But, how big a beer belly are we talking about?

SCORE: Tony Soprano-ish?

HARMONY: He's big all over. That might be a bit too big, but he's a man of power so that's really sexy anyway.

SCORE: Calling all CEO's or editors...

HARMONY: Yeah, but you only want to buy me Arby's! I don't even like eating meat. I like eating tofu.

SCORE: Tofu?!!

HARMONY: (Laughing) Yeah, I like tofu! That's what I love. Brown rice, stir-fry vegetables and tofu.

SCORE: You go right ahead. Now for the rest of your foreplay, wine...

HARMONY: Any kind of red wine will do. Not too expensive, not too cheap.

SCORE: The massage...

HARMONY: My back, my shoulders and like I said before, my feet. I just love to have my feet massaged. I get turned on from that, and then I'm ready to go. Long and sensuous. It's real nice when they lick the bottoms of my feet and suck on my toes.

SCORE: And...

HARMONY: Do I have to describe it?

SCORE: I'd prefer a first-hand visual, but we are on the phone...

HARMONY: Okay...okay...I know you want to hear all about blowjobs and fucking, but I really like the whole part about getting to know each other's bodies. Slowly undressing each other and touching each other. Not just in the errogenous zones, but everywhere else, because I love giving massages, too. A lot of kissing, behind the ears and on the neck, and some nibbling and biting is really sexy, too.

SCORE: Not exactly a quick fuck against an alley wall in the rain?

HARMONY: Those are great, too. Just pure passion, raw sex. But for great lovemaking, I like it long and slow. A lot of touching is very sensual. When you're young, that's the most exciting part. When you have your clothes on and you haven't had sex that many times, and he unbuttons your shirt and you unzip his jeans...the build-up, the anticipation. It gets you so hot, when you finally do it, it's incredible.

SCORE: Something tells me you're not one of those women who wants to get on her head and be pile-driven or have a foot-long dildo shoved up your ass.

HARMONY: No. That's not me! I just like sex. Great sex, great foreplay. I don't know. I find it weird to talk about this stuff. I know you want a lot of juicy stuff, but you also want the real stuff. I

SCORE: And we don't want you to.

HARMONY: I know one crazy place I did it was at a concert, but I didn't have sex. I did give him a blowjob.

SCORE: One of the great things in life!

HARMONY: A blowjob?

SCORE: Hell, yeah!

HARMONY: I have to tell you, I love giving blowjobs. I always hear that from guys, "I'm so glad you swallow." I'm like, "What do you mean? Doesn't every girl swallow?" I never understood that. I mean, where are you going to put it? Open the window and spit it on the next car? Swallowing is great. My whole idea is, you shouldn't waste it! I just wish I would get it more.

SCORE: Yeah, right. You don't get laid.

HARMONY: Well, it's been a little while.

SCORE: How long?

HARMONY: Almost five months now.

SCORE: Get the fuck out of here!

HARMONY: Really. Now I'm getting sad. See, now I'm ready. But, I'm very picky. Plus, I have to get to know somebody before I sleep with them.

SCORE: How long? Forty-five minutes?

HARMONY: (Laughing) At least one date! Then you can go think about it, talk to your girlfriends about him, figure out if he's right for you.

SCORE: That damned conspiracy!

HARMONY: Yes, we girls are all one big conspiracy! And we're all lesbians, and when we eat a popsicle or a banana, we're all thinking about you!

SCORE: I knew it! So, when I call you up in five months, will it be 10 since you've gotten any nookie?

HARMONY: God, I hope not! I'll be bouncing off the walls if that happens.

SCORE: You can always come back to SCORE, hop in that studio, and we'll give you a souvenir video to boot!

HARMONY: Maybe. Or one of the readers will come in.

SCORE: I like that idea better.

HARMONY: Every reader's fantasy. And, remember, I'm a reader, too!

SCORE: And guys can find out where you're dancing on your website.

HARMONY: HarmonyBliss.com.

SCORE: Thanks, Harmony. It's been a while since I've done one of these, so I was a bit nervous.

HARMONY: Honstly, me, too! I think we were okay, though, don't you?

SCORE: Trust me, you were great.

HARMONY: Thanks. Thanks a lot.

SCORE: No, Harmony. Thank you.

LORNA THE LEGEND

**LORNA MORGAN
IS FAST BECOMING
ONE OF THE BEST
OF ALL-TIME!**

Yikes, we've gone and done it. Given Lorna Morgan "living legend" status. Yes, we agree that the word "legend" gets used more often than perhaps it should. We try not to make that *faux pas*, and we haven't with Lorna, who is celebrating her 10th appearance in *SCORE*. Readers love her. Internet guys adore her. Video viewers can't get enough of Lorna. Hell, perhaps "legend" is an understatement.

Shown here in *another* photo shoot from that famous *On Location Key Largo* slice of heaven—we shot a lot of photos of Miss Morgan, and all credit goes to...Lorna! The girl loves to pose. Legendary models do that—pose and pose and pose. The camera loves them and they love the camera. You need both for the magic to happen, and with Lorna, it has clicked every time. Plus, we're a bit selfish. We just dig being around the Welsh Wonder. Alluring accent. Awesome attitude. Incredible body. And a legend in everybody's mind, except for hers.

SCORECARD...

Continued from page 10

Dear C.D.: We are the only source for Nicole Peters' photos and videos, which is a good thing based on early votes for the 2003 Newcomer of the Year contest, which is turning into no contest for either Nicole or Ines Cudna. Of course, it's still too early to tell, but when the votes are coming in at six for Nicole, three for Ines and one for every other model, it's looking like a two-girl race. Also, for those of you who run to the newsstand, the Jan. '04 Voluptuous may still be on sale with a 2004 Nicole Peters calendar. That issue is also available in the Back Issue department on page eight.

PLAYMATE OF THE APES

Dear SCORE,

I have a question. The other night I was watching a very cheesy "B" movie called *Playmate of the Apes*. In it there is a blond, busty actress who bears a very strong resemblance to Sharon Marie, who was one of the newcomers that was featured in the Jan. '03 issue. I was just wondering if it really is her? I'm convinced that it is. In my book Sharon Marie is second only to Melanie Addison for newcomer of the year. If possible get back to me and let me know if I am correct. SCORE is always #1 in big boobs. -D.N., e-mail address withheld

How many of you knew that Sharon Marie (opposite page) from the Jan. '03 SCORE also stars in the cable flick, *Playmate of the Apes*? Our thanks to SCORE-man D.N. for the tip!

Dear D.N.: Good catch. Yes, Sharon Engert from Playmate of the Apes is in fact Sharon Marie from the Jan. '03 SCORE. We didn't know that a year ago, but thanks to you, we're checking our cable listings, as are many other readers!

CLASSIC BACK ISSUES

Dear SCORE,

Let me first tell you how grateful I am for your publication. SCORE is by far the best. The undisputed, big-boob champion. I say this because I have tried any and everything else, especially related to big boobs.

One day, I was ruffling through books searching for some big tits to jack to when, bam, I found an old back issue of the May '97 SCORE. This book alone can still outsell all books out in 2003. I'm talking about Nikki Knockers, Sana Fey, Danni Ashe, Carol Brown and the huge breasts of Lolo Ferrari. The funny thing is that I haven't seen many of them often. You consistently add more new boobs, so many that you really should have three magazines a month. That's my greed talking.

I'm going to have to organize all of my back issues for easier access. And I would encourage other readers to keep a full collection for the future. You don't know how much of a delight it is to pull out an older, classic issue of SCORE.

Incidentally, whatever did happen to Carol Brown? I know she was popular

in *Voluptuous*, the Model of the Year for 1998, but then she was gone. I wish she was still posing, because Carol's puppies are a tit-fuck waiting to happen.

Speaking of a dream tit-fuck, I love seeing Colt 45 back where she belongs. First in *Buxotica*—SCORE Special #80. Then, in the Nov. '03 issue. Her legs and ass are as good as her breasts, which is saying a lot! Page 46 is heaven to me.

You also had a woman I've been following since she was a teenager. Linsey Dawn McKenzie truly is the shit. She makes life good to be living. Another woman I thoroughly enjoy is Lovette. Anything she's in, I have to have. So short with those torpedoes on her chest and that ass is so damned hot...I wish I could hibernate in it.

Last, but not least, Nicole Peters is the Newcomer of the Year. Period. Nuff said. Bless you all!—L.T., Pennsylvania

Dear L.T.: One of the more "underrated" SCORE-girls, Carol Brown has retired to a quiet life in England. The 1998 Voluptuous Model of the Year (in which she beat out Chloe and Linsey), the tri-sexual (as in Carol was willing to try anything) was a part-time SCORE-girl, full-time Voluptuous fixture since early 1996, posing last in the Oct. 2000 Voluptuous and then retiring happily to a "regular" life, as Carol put it. None of her back issues, including the May '97 issue are available, though you can find a wealth of Carol Brown photos on www.scoreland.com.

A LDM BLOW-UP DOLL?

Dear SCORE,

I've been meaning to write you guys again for ages, so here we go. I hope you don't mind. I've just moved out of my folks home and into my own flat, and I just got my Oct. '03 SCORE a day or two ago, and the shot of Vanessa Montague as soon as you open the magazine is the best tit-shot I've ever seen! I can't tell you how much I've cum over that already. I imagine Vanessa is wanking me and kissing me while I kiss her and play with those tits.

My latest idea, and one that I think would sell really well, is a LDM blow-up doll. You'd make a million dollars a week. The wanking list would always be about a mile long, and if you go ahead with this idea, I'll be one of the first to order! Or, you could send me one free for the idea.

Also, guys, there are a few back

issues I'd like to get my hands on which are sold out over here. Please, can you tell me if you have them, and I'll send some U.S. dollars over. I'd like the *SCORE* Dec. 2000 for starters. I already have the U.K. version of that issue, but I'd really like to see XXXena's hardcore. And, the *Voluptuous* Jan. 2000, too. There are a few more, but I'll write again another time. If you can let me know, I'd really appreciate it.

Anyway, guys, it was great to see Vanessa. I thought she was fine when I saw her in an older issue, and looking back at that issue and others, it got my mind to thinking...Where on earth are Rocki Roads, Londa Eve and XXXena?

And, before I end, I wanted to say that some of the comments about Rhiannon were really hurtful. You can't go wrong with that body, and her face is her business. I just hope Rhiannon wasn't too hurt by some of the comments I read in the magazine about her. Any woman who is willing to pose for *SCORE* and the entire world deserves everybody's appreciation and admiration, rather than their spite. I just hope readers remember that the models have feelings, too, and any criticism should be constructive, rather than hurtful.

That's just my opinion. Thanks for reading, again, and more thanks to the extraordinarily talented Otis Sweat, too!—"John," England

Dear "John": All of your letters are greatly appreciated, as are those of our other monthly letter writers. Secondly, a Linsey Blow-Up Doll, huh? Have to get the bean-counters working on that. (*SCORE* Anecdote: Anybody remember the Zena Doll from 1992? "A doll in the parlor and a whore in the bedroom?") As for Rocki and XXXena, they're still dancing and posing. Londa Eve has retired. Back Issues...Sorry, the two you indicated are sold out world-wide. Remember, boys, get your back issues early, because when they're gone, that's all folks. And, regarding Rhiannon, thanks for saying it like it should be.

NEWEST CZECH MATE

**THE LATEST EASTERN
EUROPEAN, ALL NATURAL,
BUSTY BEAUTY...VERONIKA**

Is there a more fertile hooter homeland than Eastern Europe? Ever since the mid-90s, Poland, Slovenia, Russia and The Czech Republic have been the breeding ground for some incredible *SCORE*-girls. The latest, and perhaps destined to be the greatest...Veronika

VERONICA

AGE: 27 **BIRTHDAY:** February 22, 1976 **HEIGHT:** 5'7" **WEIGHT:** 136 lbs. **MEASUREMENTS:** 42-26-36 **BRA SIZE:** 36E
BORN, RAISED AND LIVES: Prague, Czech Republic **OCCUPATION:** Office worker **FANTASY:** "To meet a nice American or English man (I like them the best), move to the West, and have sex five times a day, every day, for the rest of my life!"

With that classic, Eastern European face, and her voluptuous body, Veronika is a 27-year-old Prague natural. Is she a supermodel in Europe? A high-priced hooker? A movie star? Nope. Veronika is just a regular woman who works in an office and is posing because, truth be told, those Europeans are more liberated sexually than Americans. Women can be the "regular" types by day, and pose nude during their lunch hour, and nobody thinks anything of it. No stigma. No Christian Conservatives. Just lots of happy Euro-boys!

So, what is the numero uno region for hooters? The UK had an era when Linsey, Kerry Marie, Lorna, Jenny and others made the Brits the luckiest guys on Earth. America was home to the super-busters in the '90s, and Eastern Europe has become the home of the busty glamor-girls. What does Veronika think? "The Czech Republic is number one!" she says, claiming that there are women like her in Prague serving food, driving taxis, going to college...basically all over the place. Busty, beautiful *cabbies*? Jeez, it's time to cash in those frequent flier miles! See ya next month...*maybe!*

NO HOLES BARRED NIKKI DIAMOND

FROM **SCORE XTRA #9**, NIKKI DIAMOND BEING AS NASTY AS SHE WANTS TO BE!

It's that time of the month, boys, and batting lead-off in this month's **SCORE Xtra** is Nikki Diamond, **SCORE**-girl in many a month, feature dancer in many a club and, fuck it, let's cut to the chase—a woman who knows how to treat a cock. The scenes you're about to see are from **SCORE Xtra #9**, Nikki's second **SCORE** hardcore flick. And, right off the snap, we have to know, Nikki...How ya feelin' with that professional dildo in your mouth?

"Mdljflustdfaafd..."

Okay, okay, we didn't talk to Nikki with more than a mouthful. Afterwards, though, she didn't beat around any bush. "I love sucking dick! Plain and simple. Some girls love to see romantic movies. Others like candlelit dinners. Me, I just love to suck dick. To fuck. To get my mouth and pussy stuffed. I have to ask you, is there anything better than that?"

Now, because *SCORE* is not only illustrative, but also educational, Nikki, could you fill us in on these positions? "Sure, no problem. Missionary (top), you all know that. I like to get my leg up, or both. Deeper penetration. I can feel a big cock in my stomach, and if you're not sporting a monster, you can really get deep in me real good. On top, I think you call this the 'Reverse Cowgirl.' We [women] love this because we're in control and we can control the action. Plus, for me, I just love the feeling of getting impaled by a big, hot stiff one! Doggie (below), everybody likes. I guess the guys like it because it makes the woman their bitch. Me, I just love the feeling of getting fucked real hard and deep. Just to get my pussy blasted by some jack-hammer! It's awesome! It's good for anal, too, but I like missionary or on top for that. Lets me just slam my ass onto a hard cock. Opens me up. Gets me off!" Ready for the video? See page two of the Xtra section to order your VHS or DVD now!

"You know how girls say a diamond is their best friend? I prefer, Nikki's 'Diamond' is a man's best friend!" Cute, Nikki. But, do you swallow? "I'll let you in on a secret. Girls would rather have it all over us. Seeing a guy's cock throb, then twitch, then spurt that hot juice all over our face and tits. Gawd, damn... I get hot just thinking about it!" Turn the page to see what Nikki's talkin' about!

SNEAK PEEK FROM THE SCORE EDITING ROOM

SCORE XTRA #10

**First Photos From The
Newest SCORE XXX
Big-Tit Fuckfest!**

These
outtakes from *SCORE Xtra*
#10, starring big-tit superstar Brittany O'Neil,
above, and cocksucker supreme Sara Jay, top, show why the *SCORE*
Xtra video series reigns supreme as the #1 big-tit hardcore series in the world.

Article by Bruce Arthur

What's a sneak peek? Basically, it means the video is in production and we, being SCORE Groupies on the inside, are spending our lunch hours looking over the video footage.

And a shitload of slides.

And loving every second of it.

Just one of the perks of working here at SCORE, and now we're going to bring some of the magic to you.

The video is SCORE Xtra #10, and if you've seen the first nine installments of this best-selling video series, you know what these videos are all about.

There's a whole lot of fuckin' going on and all of the chicks have big titties! Plus, all of the videos are filmed with us big-tit lovers in mind. The right camera angles so you see all of the SCORE-girls' tits swaying, jiggling and flopping like big tits are supposed to, without some bullshit prop or cock or whatever in the way. We like to think of it as the "you-be-the-man" perspective from the big-tit lover's point-of-view.

With this latest installment of the SCORE Xtra series, there are plenty of busty babes to go around.

Like Busty Brittany. Errr, Brittany O'Neil. Different names, same SCORE-girl from years past and present who has become one of the more prolific big-bust porn stars in the world. She was in our studios a week ago, posing some, fucking a lot, and these video highlights are straight from the flick itself. This SCORE-girl remains one of the best fucks big-tit-dom has ever known!

For those of you who saw sexy Sara Jay in the Jan. '04 SCORE and were thinking, "Where's the video of her worshipping the baloney pony?" Here it is! The girl is a great fuck. The kind who'll make your eyeballs pop out of your head. Although Boob Beater Elliot James was wrong last month when he said that Sara was a great cocksucker. She's a fuckin' awesome cocksucker! And the proof, this month, is in the pictures!

One of the first pictorials we managed to get back from the photo lab is our "Sex Bot" this month, sexy and stacked Lori Pleasure. Her pictorial starts on page 14 of this month's SCORE Xtra. What the fuck is a "Sex Bot?" Fuck is the operative word. Think Blow-Up Doll, Sex Robot, that

kind of stuff and you get the idea. Your basic life-sized blow-up doll with a pulse, and big tits! Flip the next to get your fill!

One girl we're trying to get for *SCORE Xtra #10* is Saholy, whose debut pictorial is on page 27 of this

month's *SCORE*. Both Saholy and her husband have this fantasy that basically involves her taking a major stiffie on video. What can we say? They love *SCORE*, and they're flying in next week to shoot hardcore for *SCORE Xtra #10*.

Will she take the eight-inch (and then some) XXX plunge? Hell yeah! She would have done it when she was in our Miami studio shooting her solo, but we just ran out of time and they had a plane to catch. Her husband is more the voyeuristic type, and it's his

SCORE

debutante Harmony gets her cherry busted on *SCORE Xtra #10*, and Holly Halston takes it in the ass. Toss in Lori Pleasures (turn the next page for her pictures) and Saholy (page 27 of *SCORE*) and this video is another bonerfide winner!

fantasy to see his wife getting nailed for all she's worth. Hell, there was even talk of anal. Readers' fantasies are a powerful motivator, so we're considering Saholy a lock. The pictures? Can't show them to you this month because of printer deadlines, but we will in a few issues after Saholy does the dirty deed!

One busty babe who did take the plunge, in every orifice, is Holly Halston. That was no surprise. Holly loves her A-hole stretched, butt good, be it man or inanimate object.

And, because we all love seeing girls take the hardcore plunge for the first time, Harmony, who debuted in the Jan. '04 *SCORE* gets nailed so good, her cherry doesn't pop—it explodes! Look to the left for some clips of her video scene that are so fresh, they still have jizz on them!

Ahhh, the beauty of being a full-service big-tit boutique. Other mags have to wait for photos. We get pictures so quickly, the *SCORE*-girls are still enjoying their post-rheeming smoke and we're already jacking!

And, speaking of doing the breast-stroke, you guys have all checked out the advantage of DVDs, right? Forget that a DVD player is only \$50 bucks these days, and on most DVDs you get bonus footage (On *SCORE Xtra* #10, we have Kandi Cox). The real bonus? You can freeze-frame and get a crystal clear image. With VHS, it gets a bit blurry, making it hard to count the cunt hairs.

Just a *SCORE* tit-bit.

Here's another. *SCORE Xtra* #10, page 32 of this Xtra section! Your first chance to order. Don't miss it! 🍌

SEX BOT LORI PLEASURES

SHE'S ALIVE! SHE'S ALIVE! AND SHE TAKES IT IN THE ASS!

The movie is *Big-Bust Sex Bots From Mars Land In Hollywood* or was it *Weird Science XXXperiments*? We prefer, **SCORE Readers Get Lucky!** Now, for those of you who are romantics, go ahead, dim the lights a bit, find your happy seat and imagine that all is right with the world. That brown box has finally arrived. You open it, and wrapped in plastic whatever is...That blow-up doll you coughed up a week's pay for. It had a cool name—Sex Bot—was life-size, with big tits and was guaranteed to give a licking and keep on fucking. Only, the big-boob gods are extra kind this month. When you get nekkid with your Sex Bot, whom you've affectionately named Lori Pleasures after that high school cheerleader you never fucked and all the pleasure you would have given her if you had, she amazingly comes to life in a *Weird Science* kind of way, and you realize...A week's pay. What a fuckin' bargain!

So, who is Miss Lori Pleasures and what's she all about? Lori is a *SCORE* reader who works with an internet sexy clothing company, Wicked Temptations (.com to log on). They supply much of the wardrobe for *SCORE* pictorials, including Linsey's wardrobe for her pictorials, and when Lori asked if she could be in the magazine and a video, looking as sexy as she does, we couldn't resist. Plus, she's a dirty girl, and we say that with all flattery. Her hobby? "I simply love to fuck!" How often do you have sex? "Daily. I try to fuck at least two guys a day and suck off two other guys. Then, I spend time masturbating." Sexual fantasy? "I would love to be a sex slave, wholly and completely." What does Lori find sexy? "The scent of a man's skin and tasting pussy on his lips when we kiss." Well, hot damn, Lori isn't just any Sex Bot, she's the perfect Sex Bot!

What would the perfect Love Doll be without an open hole on her backside? The best part about having Lori in *SCORE Xtra #10* was the anal. Usually, we ask a model, "Do you do anal?" With Lori, we didn't get the opportunity. She just climbed on top and...*wham, bam...*she gave it to our man. Yes, the world needs more women like our Sex Bot of the Month, Lori Pleasures. Welcome to *SCORE*, Lori. You did yourself proud!

Virtual Stats: This voluptuous, Latin flower was born just 19 short years ago in Taos, New Mexico. She currently lives with her mother and sister in **Guadalupeville**.

Likes: To rebel against the "Fake American perception of beauty". Toothpick women do not fly in the Latin culture. A real woman should have curves...and boy do I have them...don't you agree?"

Dislikes: "The brain-washed local boys who think beauty is a low number on a bathroom scale. You like what you see, right? So then call me!"

THE ERECTION ROOM

EVERYBODY HAS A BIG-TIT NURSE FANTASY, AND HERE'S OURS!

Now, we don't want to piss off our female, Registered Nurse readers, or guys whose wives work the 12-hour shift at a hospital. But, dammit, for those sexy, single nurses out there...We're gonna tell you straight. When we guys, and by guys we're talking about all of us beer-drinking, tit-loving, ass-slapping, football-on-Saturday-Sunday-Monday-and-Thursday men go into the hospital for a few stitches, take a look at these pictures. This is what we want! No IV drip. No medical mumbo jumbo. If you're giving us a rectal, you're gonna need big tits, a lot of lube and long arms for that reach around! Better yet, how 'bout following Carolyn Monroe's lead. She wears the nurse outfit well and is looking damn hot for a 30-something lady. Plus, from what we're seeing, Carolyn has the best damned bedside manner we've ever seen!

Code blue! Code blue!

In a perfect world, the blue would be short for blue-balls, and the cure would be just what you're seeing here! The nurse cozies on up to the bed, two buttons undone, boobs bursting out, and, feeling sympathetic, gives you the tongue massage to get the blood flowing. Then, because you've been stuck in bed all day and have watched every freakin' game show known to man, she gives you a choice in lingo you can understand..."Pick a door, any door!"

CAROLYN MONROE

AGE: 35 BIRTHDAY: September 17, 1968

HEIGHT: 5'8" WEIGHT: 128 lbs

BRA SIZE: 34D MEASUREMENTS: 38-26-34

LIVES: Los Angeles, California

OCCUPATION: Model and porn star

FANTASY: "This is it! A helpless man who I bring back to life with some great sex!"

PREVIOUS SCORE APPEARANCE: Jan. '00

The only thing that would make this fantasy better is if a dozen more nurses...the Busty, Swedish Nursing Team... came rushing through the door. While one fed you Spanish Fly, four others would be massaging every limb with scented oil, a nurse on each foot, another gives your aching head a tit massage, one replaces your IV with a beer bong and keeps it flowing, and...Fuck, we have to write up that script for the *SCORE* studio! Will Carolyn be in it? Maybe, maybe not. She's always been one of those, "on again off again" models. One day she's posing, the next week she's retired, then she's posing, and so forth. Still, we had to ask her if she had ever given any thought to getting her R.N. license. "I actually have looked into it. Nursing is one of the hottest jobs in America. That's what all of the newspapers say, so, who knows? I can't continue modeling forever. Maybe. The next time you're in the hospital, take a real good look at your nurse. And, pray she's me!"
