A Public
Forum For Readers'
Letters, Comments And Suggestions.

If you love Nadine Jansen from the Jan. '04 *SCORE*, run, don't walk, to your favorite newsstand to get the April '04 *Voluptuous* with Nadine's newest photos still on sale for a limited time.

The 2004 New-comer of the Year? Time will tell. Here's a look at Denise's encore pictorial, coming soon in a future issue of *SCORE*.

COLLECTOR'S EDITION

Dear *SCORE*,

Girlie magazines often publish special editions called "Best of" or "Collector's Editions." I occasionally buy them, even though they contain previously published layouts. But only rarely does a regular monthly edition approach the cover-to-cover top quality of these "specials." The Jan. '04 *SCORE* is one of those rare treasures for a guy like me, who really enjoys jerking off over big boobs.

I mean, it just can't get any better than a magazine that features Julia Miles, Crystal Gunns, Nadine Jansen, Lizzie Mills, calendar-girl Ines Cudna, Melody Foxxe and Mary Carey all between the same covers. The only thing that distinguishes this magazine from a "Best of" issue is the fact that these are all never-before-seen photos, and that makes it still better.

And, then there's the very special treat of three, count 'em, three spectac-

ular debutantes, each of whom challenges the established stars I mentioned earlier for beauty and for spectacular tits. Harmony Sweet, Goldie and Denise Derringer all have fantastic big-boob modeling careers ahead of them.

My only negative comment is that I wish Denise would remove the nipple rings. Some girls may need jewelry to enhance their tits, but not this hottie. When you've got something perfect, like Denise's twin beauties, why try to make them better?

There! I've just given you an excellent reason to publish another layout of

Denise real soon, sans jewelry.

Or perhaps I'm just expressing my prejudice against seeing jewelry in a model's tits, navel, pussy or tongue.

Thank you and your staff and especially the girls for a great magazine. -T.R., Pennsylvania

NO MORE PANCAKE SHOTS

Dear SCORE,

Thanks for the spectacular layout of Nadine in the Jan. '04 SCORE and for posing her the way a balloon-breasted meat-slut should be posed. Too often, you and other big tit mags picture gals

Now, we know a lot of guys are anti-smoking, with good reasons. But, to satisfy those frequent letter writers who want to see "smoking" pictures, when a model like Kerry Marie lights up, we'll show a tasteful picture. It won't be a regular feature, but a few puffing pictures aren't going to kill anybody.

with massive meatbags lying on their backs, all that tit-flesh collapsed into itself. What's the point of that?

You'd be better to show us frisky flopper meat falling out of a blouse, bra or bikini top, emphasizing what we readers want. Seeing a top-heavy lovely like Nadine fully clothed, but with her giant jugs exposed is so erotic. I've been beating myself gooey fantasizing about sinking my face into her fleshy bazooms, stuffing my fat schlang in her anus and bra-fucking her until I unload all over her face.

Thanks, too, for the Julia Miles spread, which perfectly captures the lusty fuckulence of her luscious lug-gers. Sure would like to see some photos of her round ass impaled on a rump-stretching, 10-inch sausage, though. -"John," New Jersey

A "NO SMOKING" MAG

Dear SCORE,

I am responding to the letter entitled "Smoking Pictures" in the Feb '04 issue.

I personally love the idea of seeing pictures of your all natural ladies having a smoke. For me (and I'm sure many others) this has always been a big turn-on. The funny thing is that I don't smoke myself, and I really don't dig the idea of dating a woman who smokes.

Nonetheless, it would be a real bonus for those of us who enjoy these types of pictures if you included a layout once in a while featuring a sexy woman smoking, while in all of her naked glory, of course.

Here are some suggestions for poses, in no particular order:

1. One hand on the cigarette, taking a drag, while masturbating with the other hand.
2. Cig just an inch or so from the model's mouth with wisps of smoke coming from her mouth.
3. Drawing hard on the cigarette with cheeks sucked in.
4. Head back, exhaling a big hit.

Thanks for a really great magazine.-H.J., San Diego

Dear H.J.: Thank you for your letter. As for "smoking," it's not something we're going to focus on in the future. Sure, if a model is puffing away, we'll snap a few pictures and include them tastefully. However, out of respect to the large majority of readers who abhor smoking, we will limit the use of these photos in future pictorials.

CELEBRITY TITTIES?

Dear *SCORE*,

I really enjoy the women of *SCORE*, and I would like to give praise to what ya'll are doing and how ya'll are putting it down every month.

Your magazine is truly worth buying and it is off the chain. I wanted to write in and ask you to consider making a "Celebrity Edition" somewhere in the near future. I just love seeing all of those singers and Hollywood starlets' tits, whether fully nude or straining through clothes at some event. I know they do not compare at all to the *SCORE*-girls, but call it a forbidden fruit fetish. I just can't help myself.

My love to the beautiful women of *SCORE*.—B.L., Texas

GREAT NEWCOMERS!

Dear *SCORE*,

Last month I purchased the Jan. '04 *SCORE* as I do every month. Inside, I saw a woman by the name of Denise Derringer, who I feel has Newcomer of the Year written all over her beautiful body. I was ready to declare her the winner although this was only the first magazine of 2004.

As beautiful as Denise (and her tits) is, something told me that with 12 more issues to go, you guys would come out with someone who would rival her. In my opinion, that someone arrived in the Feb. '04 *SCORE*—Melanie.

This woman is amazing to say the least. I never could put a finger on what my idea of the perfect woman would look like, until I saw her. Please, I am begging you, before the year is out (sooner than later) can you please get more pictures of her? Also, I just wanted to say, keep up the good work. I love your magazines *SCORE* and *Voluptuous*. They truly are the cream of the crop when it comes to big boobs. —K.L., Michigan

#1 IN POLAND AND BELGIUM!

Dear *SCORE*,

I am a Polish man living in Belgium. This is my first time writing to *SCORE*. You are the best big-boob magazine in Belgium, Poland and the entire international market.

Your quality of pictures is just outstanding, with very beautiful women. A truly excellent magazine.

My first contact with *SCORE* was in 1994 and since that time I have been a

fanatic for your splendid work.

My love for SCORE has been unmatched. Living in Poland when I was younger, the supply was pretty limited, but I did my best to get SCORE.

Now, in Belgium, I can buy it without problems. I love it. I also buy *Voluptuous*, but only when I see a lady or a girl from my Top 10 or any new discovery of yours.

Here is my Top 10 list:

- 1) Linsey/Nicole Peters
- 2) Chelsea Charms
- 3) Sharda
- 4) Chloe Vevrier
- 5) Lorna Morgan
- 6) Chaz
- 7) Nikki Knockers
- 8) Autumn Jade
- 9) Colt 45
- 10) Ashley Evans

My all-time favorite is Linsey Dawn McKenzie, and it causes me great pain that she was never voted "Model of the Year." Why not? She is beautiful, has a great pair of boobs, wonderful legs and an ass to die for.

I have a question to ask you. I would like to buy *On Location Portugal* on DVD or VHS. Is it still available?

I love big boobs. I love SCORE and I wish all the best to everyone at SCORE.-V.S., Belgium

Dear V.S.: *On Location Portugal* is available in VHS at www.eBoobStore.com. As for Linsey not winning Model of the Year 2003, that is the will of the readers. Being a long-time friend of SCORE and an exclusive model to The SCORE Group, we were all rooting for Linsey. But, the Model of the Year and Newcomer of the Year is entirely up to our readers. Model and Newcomer are not easy contests to win, considering the contestants. We congratulate Julia Miles and all of the Finalists.

PHOTO CONGRATS AND TIPS

Dear SCORE,

I want to send special congratulations to your photographers and models. With the first two issues of 2004, SCORE has reached a new height in excitement and quality.

Over many years, I have watched a slow, steady improvement in poses and layouts, in not only SCORE, but in all adult magazines. I remember the early transition from "Sweater Girls" to consistently topless models. I remember,

SCORE-GIRLS GET TRAPPED

SCORE XTRA PORN STARS AND CALIFORNIA'S WANNABE GOVERNOR JIGGLING AT SOUTH FLORIDA'S BOOBY TRAP

Our roving boob rover Mario Papilia makes the Booby Trap in Pompano Beach, Florida one of his rounds. In recent months at the Trap, Mario's popped his shutter at a quartet of sleeky *SCORE* chicks on the Booby Trap stage who excel at reducing jizz-buildup. California-boobernatorial candidate Mary Carey opened her pussy and throat for the boner in the January '03 *SCORE Xtra* section and Holly Halston takes huge cock deep inside her asshole in the new

REAL? OR A REAL DOLL?

Is it live or is it...ALIVE?! Okay, okay, so sex-dolls have a long way to go until they measure up to **SCORE**-girls like Lizzie Mills (above) and Michelle Bond (below). But, ya gotta give the doll designers credit for trying! Perhaps in 2024.

That's Lizzie Mills in a scene from *Busty Dildo Lovers* #5. Ain't she a living doll? And that's a photo of "Jenny" produced by Abyss Creations in San Marcos, California.

Jenny is a living doll, too. A Real Doll. And here's England's Michelle Bond. No, wait. If that's Michelle, who's the other doll?

In the Nov. '03 *SCORE*, in a story called "Busty Sexbots," Boob Beat examined the rise of the increasingly realistic female sex droids produced by several companies.

Now with permission from Abyss Creations, Boob Beat can show you what some of these life-size, fuck-ready mechanoids look like.

In one of their recent press releases, Real Doll announced some new developments to their line of sex-bots.

"All Real Dolls are now equipped with FlexxWire fingers, which are made of a nearly unbreakable alloy. At last, Real Dolls fingers can be repeatedly posed without worry of wire fatigue. The jaw assembly can be tightened to user's taste. An 'eXchangable' face system allows all faces to be compatible with all body types," stated the Real Doll press release, in case you missed it in *USA Today*.

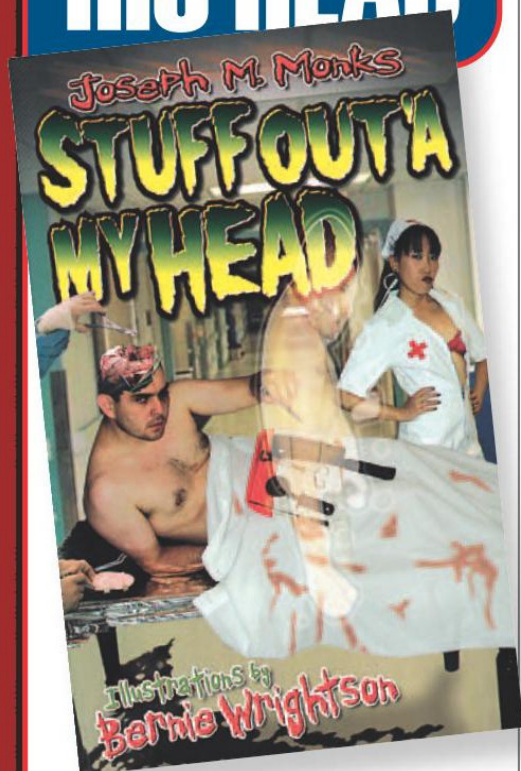

What about the doll's boobs?

"We use a special formulation of silicone which has a gelatinous consistency. This special silicone gel is used inside Real Doll's breasts to make them look, feel, and bounce like real breasts," stated a Real Doll representative.

Science-fact is rapidly meeting science-fiction. Can you picture what these "toys" will be like in 20 years?

The way things are progressing, one day a Real Doll may be doing things like a real woman in your home. Like taking the cash out of your wallet and getting headaches at bedtime.

STUFF OUT'A HIS HEAD

Our good buddy Joe Monks was a tireless SCORE Group editor who worked on *18eighteen*, *Leg Sex* and *Voluptuous* magazines until he branched out to create his own publishing house, Chanting Monks Studio. Joe's latest book is *Stuff Out 'A My Head*, a new collection of ghastly horror short stories, even weirder than the stuff out of Clive Barker and Stephen King's heads, in our opinion.

The cover illustrations are by famed artist Bernie Wrightson, well known for his work on *Swamp Thing*, *Batman* and *Creepy*. And that's Joe himself flipping his lid on the cover of the book, and the addition of the sexy nurse proves that Joe still has men's magazine ink in his blood.

Visit www.Chantingmonks.com to check out more of Joe's horror and crime books.

SUPER-BUST! BUSTY BRIT HAIRCUTTER

In the States, you'll never see busty women written up in the tabloid newspapers. In Great Britain, it's a different story. That's why it's called great. You can read newspapers packed with photos of topless women on the bus or train and nobody gives a shit. The Brit tabs welcome bra-killers with open arms.

Such is the case with Jayne Cooke, a haircutter who manages a shop called Cuts 'N Curls in North London. Jayne swings her giant funbags for the camera when she's not swinging a comb and scissors.

"I've always had big breasts, but they've grown over the years," Jayne told and showed *The Sport* newspaper. "They might be good to look at but men should try carrying heavy weights around with them all day."

Apparently Jayne's 36GG knockers

MORE COMPLETE ASSHOLES

Back in the Aug. '03 issue, Boob Beat interviewed writers Dan Indante and Karl Marks, two assholes who decided to share their philosophy with the world in the book *The Complete Asshole's Guide To Handling Chicks*.

Some have called this the funniest book ever written.

"The guys who wrote this book have a tremendous amount of insight, knowledge and humor," wrote one reviewer. Seriously.

Others were not so generous in their praise, especially those with vaginas. What's happened since then to these two a-holes?

"Life is pretty good," Dan Indante tells Boob Beat. "We've sold over 15,000 copies of the book, and we just sold the television rights to Twentieth Century Fox TV. We're trying to put together a sitcom. I figure we'll bust our ass for a year, and then they'll tell us to go fuck

ourselves. Kind of like my marriage."

God, what an asshole. A TV show based on this book would make *Married With Children* look like Mr. Roger's Neighborhood. The half-hour sitcom is being written by Rob Cohen (*Just Shoot Me*, *Jamie Kennedy Experiment*), who will also be the executive producer. The show will be a buddy comedy, with a lead "asshole" tutoring a younger man in the ways to get ahead with women and life in general. Charlie Sheen would have been perfect as the lead asshole but he's already starring in NBC's *Two and a Half Men*. There's been no announcement that the word asshole will be used in the title. They'll probably use A-Hole.

Your trusty Boob Beater showed hot new discovery Kellie Garnett the book with the usual results: a bash to the skull. Look for *The Complete Asshole's Guide* at your local book store.

get seriously in the way when she's cutting hair, though they weren't a problem when Jayne posed once for the May '01 issue of *Voluptuous*, using the name Annabelle.

"They keep falling out of my bra when I bend down to cut hair and they give me a serious backache."

We've met many busty hairstylists over the years but none have equaled the chestal developments of this chick. Thanks for sharing, Jayne. 

Don't let the quiet face fool you. Cathy Barry was so happy with her Nov. '03 *SCORE* debut, she took a home picture for us to share with readers.

The votes have been counted, and the winners are...

Via e-mail, fax, regular mail, courier and even hand delivery, the ballots kept pouring in by the thousands. *SCORE*-men are passionate about their magazine and models. This year's contest is proof positive, with a record number being cast for the 2003 *SCORE* Awards, almost doubling last year's then record of 8,407.

Now, for those of you who didn't notice the cover and have ignored the pictures on these pages, the 2003 *SCORE* Awards go to...

Big Boob Hall Of Fame

Out of the legends listed below, three receive induction into the Big Boob Hall of Fame, joining 2002 inductees Traci Topps, Busty Dusty and Devon Daniels. This year's chosen three are Pandora Peaks, Tawny Peaks and Tiffany Towers. Each will receive a special pictorial in *SCORE*, beginning with the leading vote-getter, Pandora Peaks on page 37 of this issue.

2003 Newcomer of the Year

It wasn't even close.

Nicole Peters ran away with this contest, doubling up on 1st Runner-Up Ines Cudna who would have won easily in any other year. Ines actually received more total votes than the remaining eight contestants combined. But, there was no stopping Nicole, who is getting a special reward—a new pictorial in every remaining 2004 issue of *SCORE*.

Who is *SCORE*'s 2003 Model of the Year? Turn that page to the right with Nicole's picture, if you can, to see.

2003 SCORE Model of the Year Winner is Julia Miles

Every SCORE-man has his favorite model. But, in any contest there can be only one winner, and this year that busty babe is...Julia Miles.

In one of the closest balloting we've ever seen, Julia won the coveted 2003 SCORE Model of the Year contest by only 36 votes.

That's about two tenths of one percent of the total votes cast by readers, which is basically nothing.

Pretty damned amazing, when you

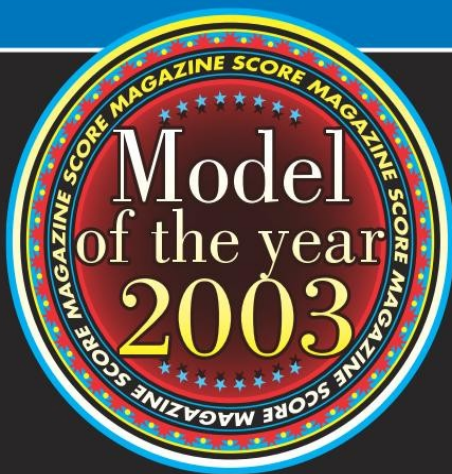

consider that we received a record number 14,951 total votes. We actually received even more votes. However, as we stated in the rules, only one vote per person. Sorry Mr. A.M. from Las Vegas who sent in hundreds of ballots via snail mail, and his compadre across the continent in Maine who did the same. Ya gotta love that dedication, but we like to play fair here at SCORE and give every model an equal chance.

Despite the purging of duplicate ballots, unlike this year's Newcomer of the Year contest, no Model of the Year Finalist established herself with a clear majority; a true testament to the high quality of the candidates.

Check out the numbers below to see how your favorite model fared, read some selected voters' comments, and then put your hands together and salute SCORE's 2003 Model of the Year...Julia Miles.

"Lorna Morgan is the loveliest of them all. So soft, so beautiful. She's so wonderful. Her body is just perfect."—K.K., Finland

"Lizzie is the most naturally beautiful woman to ever grace the pages of SCORE."—W.W., Vaughn, Washington

**OUR 2000
NEWCOMER OF
THE YEAR NOW
HAS THE BIGGEST
AWARD OF ALL!**

In all honesty, we thought Linsey would win this one. Call it the sentimental choice. However, when the votes were counted, and re-counted, two enormous boobs stood out, albeit by only 36 votes. 2000 Newcomer of the Year, Julia Miles, has come front and center, rebounding from not even being considered a candidate in 2002, to winning the greatest award Big-Tit-Dom has to offer, *SCORE's* 2003 Model of the Year.

"The people's champion. Quiet, unassuming, with the fullest tits in the world."—J.S., Florida

"I can't believe it!" said Julia from Germany when we called her with the news. "I can't believe I beat out all of those other great models!" Believe it, Julia. You're the one! In some tight voting, the write-in ballots turned the tide for this lady, who finished sixth in web ballots, though we're trying to figure out where the surprise is. She was *SCORE's* Newcomer of the Year in 2000, beating out Chelsea Charms and Cindy Cupps, had a best-selling video in 2003 (*Ultimate Julia Miles*) to go with two *SCORE* appearances and whenever she does appear, readers' letters laud her assets. Hell, perhaps the upset would have been if Julia had not won!

Many of the comments we received mirrored L.T.'s of California, and most had an addendum...Julia is only 22 years old! Young enough to rule *SCORE*-Land for a long time. With her second *SCORE* appearance this year, she's off to a good start. Congratulations, Julia, *SCORE*'s 2003 Model of the Year.

Why I Love Big Tits!

A SCORE READER CUMS CLEAN...

ILLUSTRATIONS BY OTIS SWEAT

I have a breathtaking view of Marla's no less than monumental tits as I cup her ass cheeks and finish her off.

Jabbing my tongue into her honey-pot to the beat of *Until it Sleeps*, I make sure each stroke is slow and powerful, pushing her clitoris against her pubic bone, sending just the right pressure thrilling through her.

My woman sighs, the first of a myriad of signs that I have favorably performed my knightly duties.

"You are truly gifted, Dan," she says, beginning to purr and stretch, contorting her curvaceous upholstery to accommodate the voracious voyeur she knows hides within the darkest recesses of my being.

She may be done, but I still want dessert, and we've been together long enough that Marla

to *SCORE's* attention many years ago.

"So, Dan, tell me why and when and how you became such an incurable breast man," Marla asks as she pulls her exquisite endowment away from my hungry kisses and inches down my body, kissing the light trail of curls marking the way to the main event. I close my eyes in rapture as she takes the shaft of my cock between her lips—the cherry on top of my sundae. I bite my lip as I ride the wave of pleasure, anticipating the sweet cream of Marla's breasts cushioning my dick.

Ahhhh....There it is, the warm softness of those babies, stroking and teasing me into readiness one more time.

ning to have real sexual fantasies about her. I can still picture those light blue eyes of hers, the same color as her dress, and she looked really young—like half my Mom's age. I wondered if Mom was that pretty when she was young, and whether she breastfed me on a bus and if some little eight-year-old boy got an eyeful of that. I always wondered that."

Marla kneads her spongy, full breasts around my cock in a circular motion that makes me gasp. I'm on the verge of cumming and we can't have that. I motion to her to give me a moment to get my bearings, force my orgasm to subside, then continue my story to her...

"That incident marked the beginning of my love for breasts and my eternal pursuit of the perfect set.

Which, as you know, I've found," I add, motioning

ARTICLE BY RADAN MAX

Every time I feel that sensation, the eroticism of remembrance consumes me, envelopes me, takes me back to when it all began. When I was young and didn't know any better. When I was naive enough that all I knew was what I liked, and I liked breasts!

It is time to tell my tale...

"When I was eight, I saw a really pretty lady half naked on a bus. No lie. Her dress, pale blue with flowers, was pulled open and her bra was unfastened. A really small baby was greedily sucking from her breast. Mom caught me watching. She explained the woman was breastfeeding because a mother's milk has all kinds of vitamins and shit in it that are better for babies than formula. I remember feeling all but euphoric upon learning from Mom that she had breastfed me. Every night after that I thought about the pretty blonde lady on the bus.

By the time I was nine, I was begin-

knows exactly what I have in mind.

We change places, and she stretches her creamy flesh over top of me, letting her full, melon breasts dangle against my lips. Knowing I can't resist them. Not wanting me too.

Marla teases my cock with the soft down of her public hair. Feeling her moistness, knowing how close her tunnel of love sits above my aching member, makes me sweat. She nods towards the stack of *SCORE* and *Voluptuous* magazines on my nightstand. Okay, I have a tasteful collection of men's magazines sporting buxom beauties, any one of which would be privileged to exploit Marla's Grade E breasts. In fact, if I wasn't such a selfish bastard, I would have brought her

to her incredible rack, a gesture partly born in truth, and mostly done to prevent impending doom.

Marla giggles.

"I soon learned that all of the girls my age didn't have them. They had nipples all right, and sometimes I felt a little tickle and rush when I saw those, but they weren't anything compared to the breasts that girls like Reisha, my regular babysitter had.

"Reisha had smoothly dark, cantaloupe-sized breasts that bounced up and down when she played basketball with me. Imagine a tall, willowy female warrior from Italy or Spain or Greece. She looked sort of like that—like something you'd see on the Travel Channel when they do their

Busty, Olive-Skinned Goddesses of the Mediterranean special or on one of those *Wild On* things on E!. Her skin was the deep, richly brown color of some well-tanned swimsuit model, only her skin always seemed to glow and shine with life and she wore her black hair on top of her head in coils like an African Queen.

"We had a hot tub in our back yard, and I devised a plan to get a better look at those knockers. One night I begged Reisha to let me go in but she said she couldn't watch me in there because our spa was enclosed within a small gazebo called a Shoji. I found one of my Mom's old bikinis. You know the kind I'm talking about; the kind she hadn't fit into since way

before I was born but still kept around for all the memories of when she was young. I offered it to Reisha."

"Tell me more about her. Was she pretty?" Marla asks, going for a visual, feigning jealousy.

"She had these huge eyes that were a lighter shade of brown than her skin. And puffy, full lips—back then I didn't know how to describe them. Now, I would just say 'cocksucker lips.' I often wondered what it would be like to kiss those lips but I knew that was never going to happen. By the time I grew up to be old enough to interest Reisha, she'd be Mom's age. I can still remember the way she smiled. It made her whole face light up. I don't think she'd ever even seen

a hot tub before. It was obvious she wanted to go in real bad. My Dad said Reisha's family was poor. That's why she had to babysit nights in addition to working a full time job. She was saving money up for college."

"Did you have a crush on her?"

"I was nine. Not quite into puberty, although I had begun to get a little peach fuzz under my arms and around my pecker, and I'd already discovered it felt good when I touched myself. I had heard of crushes, but I didn't really know what a crush was. Reisha was cool and we got along okay. Thinking back, I'd have to say, yeah, I had a crush on her. A big crush. I guess you could say she was my first love. Even if I was too young for her, and I think I even knew that when I was a kid, I was in love, and lust, with her. But, being too young sure didn't stop me from looking at her tits. I always liked to look at her tits, even if I was too young to touch, and look I did.

"It was still early evening, light enough to get a pretty good idea of how a real woman was supposed to look. I brought my water cannon into the spa and sprayed Reisha down so that Mom's bikini was almost transparent. I had hoped that by getting her bathing suit wet, I would get a good look. But, I could not get a gander at her nipples. I didn't know back then that hot water isn't conducive to making nipples rise. I should have used freezing cold water, but I didn't know any better. Still, I could see the darker pigmentation of her areolae, and that excited me. I liked that. I wanted nipple, too, but if the round boob saucer was all I could get, I wasn't going to complain.

"I stayed out there for a while talking to Reisha, the whole time trying to sneak a look at her in the water. Then, she told me to go upstairs and get myself ready for bed. Normally, she would help me, which I liked, but tonight she said that she wanted to stay in the hot tub a while longer. So, I let her and went into the house.

"After I went to bed, I thought I heard something out back, so I peeked out my window. The lights on the deck were still on. Reisha should have already been inside now and would have turned them off when she came

"She gives the performance of her career and all you can say is, 'She could use a little breast augmentation'?!"

2003 INDUCTEE PANDORA PEAKS

**ONE OF THE GREATEST
SLIM-N-STACKED
MODELS OF ALL-TIME**

That's big-tit legend Pandora Peaks in a nutshell. From super-model to mainstream actress to dancer extraordinary, the only thing missing from Pandora's resume was "SCORE Big Boob Hall Of Fame." Now her life is complete, as is our Hall of Fame.

**"She belongs in
any hall of fame!
Eat your heart out
Cooperstown! We
have Pandora!"
-N.W., Washington**

Now retired from dancing, Pandora was interviewed three times in *SCORE*, had six appearances and one best-selling video (*The Greatest Big-Bust Video Ever*) to her credit. Plus, she had a starring role in *Striptease* with Burt Reynolds and Demi Moore. Pandora personified Big-Tit-Dom in the '90s and, try as we have, we still haven't found her successor, and perhaps never will.

"Out of a star-studded list of candidates, Pandora still stands boobs above the rest."-J.M., Ohio

The mark of a true hall of famer is consistency, and not only did Pandora deliver excellence over her seven-year career, she was named on more ballots in this year's voting than any other model. Congratulations, Pandora. And, congratulations all of the nominees, including Tawny Peaks, who will return to *SCORE* in the June '04 issue with a newly discovered, never-before published photo set from 1993! Like you, we can hardly wait!

FIRST PLACE WINNER NICOLE PETERS

2003'S LANDSLIDE NEWCOMER WINNER

Honestly, it wasn't even close. Nicole not only doubled up second place finisher Ines Cudna, but out of all the other contestants, only Melanie Addison finished with a little over one percent of the total votes Nicole received. An ass-kicking we've never seen before. To reward Nicole and satisfy those of you who have asked us to start a new magazine in her honor, dedicated solely to the Brit Bombshell, and because we have more photos of Nicole than...well, even Nicole, we're going to publish a fresh photo set of the Girl Wonder every month until the end of 2004. Unless, of course, all of you guys who voted for her write in saying, "No more!" Yeah, right! Like that'll ever happen.

**"Why
Nicole
Peters?
Her

defy
descrip-
tion."—D.F.,
North
Carolina**

Yeah, we agree with you, D.F., but we'll try anyway. How about "pendulous" and "full" and "heavy." All three describe Nicole's "stupendous sucklers," as does "perfectly shaped," and one of our favorites, "lovable dick-pillows." Those are all reader terms of affection for Nicole's top shelf, which leads down below to a matter of much debate, which is now at an end. The only thing we haven't seen from Nicole Peters up to now is...pussy! Gyno, up-close-and-personal pussy. *SCORE* may be "#1 In Big Boobs" the world over, but a juicy, meaty, open-for-inspection pussy goes a long way to winning over hard-ons and minds of readers. And, *finally*, Nicole is showing the pink. Now, as for some hot penetration, that's a lot closer than you might think!

The result: the most explicit action Ines, Nicole and Kerry Marie have ever engaged in. Nicole's J-cup naturals are her main attraction, but here she shows full bush for the first time. EE-cup Ines spreads wide and fingers her pussy. And, for the first time, Kerry Marie plugs her pussy and ass with big dildos. Of course, Cassandra gets into the act, too, with some scorching solo posing and girl-girl with Kerry and Ines. *On Location Costa Del Sol* is a must for every tit-man.

in after oher bath. I ran into Mom and Dad's room and saw a strange car out front. I figured igured maybe Reisha had invited over company.

"Like most little boys I was a curious 'little monster'. In fact, that's what Reisha called me later on that night.

"But I digress.

"I looked at the clock and realized that she had been in the spa a long time, so I decided to investigate. That took a lot of stealth on my part but fortunately the noise of the jets and the bubbles disguised the crunch of my bare feet in the grass and the crackling squeal of the cedar door panel as I opened it enough to see inside.

"Mom's teeny, red bikini lay abandoned in a fistful of crimson in the corner of the spa. Reisha was buck naked and so was the biggest football player type dude I had ever seen. Looking back I know now what they were doing and wish I had concentrated a bit more on the logistics. I could have probably learned a lot considering that both of them were pretty athletic. On the other hand, all I could see at the time was juggling breasts as big as watermelons.

"They looked so much bigger in the water. I didn't know breasts could grow that fast. And now I saw the nipples too, like small, hard peanuts surrounded by a bumpy circle of interesting looking skin. The football dude was alternately sucking them into his mouth. Chewing on them. Lapping at them. And all the while he had his hands wrapped around Reisha's cheeky butt and she was bouncing up and down in the water."

"So did it turn you on?" Marla asks as she fucks me with her tits. She's getting hot. Marla loves me telling stories while we're doing it, especially really naughty ones.

"Yeah. My pecker got real hard as I watched them do their thing, but the light faded as the sun went down. Thinking with my usual clarity and questionable intentions, I hightailed it back inside the house and used Mom's cell phone to call the house. Then I looked out the window as the phone rang and sure enough, Reisha

came bounding out of the hot tub in her birthday suit."

"Was that the first time you saw pussy?" Marla asks.

"I guess, but I had no idea what it was used for then. I remember seeing the hairy triangular patch between her legs but with her being black and all, it didn't look much different than what I had downstairs. All I could see was those gorgeous deeply tanned, bouncing breasts heaving as Reisha made a bee-line for the house.

"I hung up the phone and crept into what I figured would be a pretty good vantage point if the guy followed her inside. Reisha lit a few candles. She kept looking at the door waiting for him. I remember, she licked her lips because that started me thinking again that if I'd been that dude I would have been kissing those lips.

"Pretty soon he came in wearing a towel around his waist. He took one look at Reisha standing there naked and pretty much tackled her.

"Between the street lights illuminating the living room and the warm glow from the candles, I could see really good from my hiding place. I watched what they were doing, and like I figured, football dude started kissing her. He nibbled at her ears and throat and then turned himself loose on those yummy boobies."

Marla lowers herself to cup my balls and give them and my stiff dick a good tongue bath. Between sexy slurps she mutters, "When you were nine you called them boobies?"

"Well, I didn't. That's what my friend Mikey told me guys called them...boobs or boobies or tits. I also learned that I wasn't the only nine year old in town who enjoyed looking at boobies. A lot of kids loved them, though I doubt as much as I did. No, that would be impossible. Nobody loved them as much as I did.

"But, let me continue with my tale, will you...Jeez. You keep interrupting me all the time. Anyways...Pretty soon, football dude gave up on her titties and started working his way down between her legs. For some reason that I didn't understand then, I found that pretty exciting. I touched

my pecker to find it was bigger than ever. The bad part was my balls hurt. I soon discovered that if I rubbed myself it became moist and that stroking it up and down made me feel real good. Made me feel intoxicated."

"What?"

"Well, at the time the closest standard of comparison I had to feeling high was the time I got into Dad's beer and drank a whole bunch of his beer bottles. Only this was even better than that because I didn't really like the taste of beer and looking at boobies didn't make me belch.

"Reisha started moaning as football dude busied himself licking between her legs. I got pretty scared when he got on top of her. Not only was this guy huge, but his pecker looked like an big, giant baseball bat. So, when he stuck it into Reisha and started doing push ups, I figured he was going to hurt her. The two of them were groaning and carrying on something awful. I didn't even have to worry about them hearing me any more, they were making so much noise and were obviously in too much pain. I couldn't figure out why, if it hurt so damn much, they didn't stop doing it.

"Still, I sat tight and enjoyed the show. I could still see Reisha's luscious, glistening, darkly-toned boobies jiggling up and down, and that was good enough for me. They changed positions once. He picked her up and put her on all fours on the carpet, and then he got in back of her and stuck his pecker into her from behind. She seemed to like it. She pushed her hips against him, and he grabbed her boobies, and that's when I let out a yelp and scared the bejesus out of all three of us. I guess there's gotta be a first time for everything, but I was clueless to, you know, stuff like that. I don't know how it happened, but all of a sudden..."

Marla looks at me with a smile, and asks, "Don't tell me you...?"

"Am I telling this story or would you rather listen to a documentary on the first stirrings of sexuality in prepubescent boys?"

"I'm sorry. Just establishing my narrator's credibility," Marla teases as she helps herself to another taste of my engorged member.

"For all I knew it was some alien

FIRST RUNNER-UP INES CUDNA

**THE RUNAWAY
WINNER IN ANY
OTHER YEAR!**

When we were counting votes and reviewing comments for this year's Newcomer of the Year contest, one voter commented that we should have had a second contest for Newcomer of the Year, that excluded Nicole Peters, to give the other models a fair chance. It really wouldn't have mattered. Based on how you guys cast your ballots, that contest probably would have been the same ass kicking, only we would be celebrating Ines Cudna as the runaway winner. She was that popular in 2003. Best of all, she's only getting better. Having kicked off 2004 and received rave reviews for her 32-page calendar in the Jan. '04 issue, Ines has a new video (*Young & Stacked Ines*) and a new website (www.bustyinescudna.com). And a title, albeit an unofficial one...2003 Newcomer of the Year, Part II.

**"Ines has eyes that make me melt."
—C.S., California**

One of the knocks, if there are any, about Ines Cudna is that she is *too* pretty. Some readers consider her *too* glamorous, *too* beautiful, *too* drop-dead gorgeous to even dream about fucking. Guys, do you know she is an auto mechanic? Ines used to work in her dad's garage in Poland. And, she's a sweetie. Down-to-earth and gorgeous? Reader and voter L.R. from France summed up Ines in three words, "She is perfect." In every way, it seems.

**"I use the cum test,
and no model made
me shoot more than
Ines!" -M.F., Georgia**

Photographed in Spain during a recent SCORE Group field trip, Ines was hotter than we've ever seen her. Of course, we couldn't help ourselves, and we shot loads...of photos, too! Watch for more of Ines Cudna, the lady numerous readers have crowned the "prettiest SCORE-girl of all-time," in the near future.

WHY I LOVE...

Continued from page 60

life form like The Blob. Anyway, I was scared I had done irreparable damage to what my Dad called the family jewels. My thing was tingling and I felt all shaky and weak. I nearly began to cry, but then football dude stormed into the house and boy, was he fucking pissed. I snapped out of it, shoved my pecker back into my pajama bottoms and ran for my life. I locked my bedroom door just in time. He started banging on it and yelling that he was going to kick my ass. After about five minutes of pounding and screaming, he stopped banging and went away.

"A bit later, Reisha banged on the door. 'Daniel open up. Open this door right now.'

"No,' I said.

"I'm not going to hurt you.'

"Football dude will.'

"Football...dude? Never mind about him. He's long gone.'

"I had heard the front door slam, and it was way too early for Mom and Dad to be home. But Reisha could be tricking me. 'I thought he was hurting you,' I said, making my voice sound tremulous, hoping she would take pity on me.

"He wasn't hurting me. That's my boyfriend, but he wasn't supposed to come here while I was babysitting. If you tell your Mom and Dad, they'll fire me. I won't be able to baby sit for you anymore. Please, Danny, open up the door and let's talk.'

"I opened the door. Reisha had put her T shirt on, hiding her breasts. 'I'm sorry,' I said.

"You won't tell?'

"No, but Reisha? You're real pretty. I think you're so beautiful.'

"Her black eyes softened as she tucked me into bed.

"Can I have a glass of water?'

"While she was gone, I thought about asking her if I could see her boobies up close. Touching them was not even a reality. But, I figured, if she really didn't want me to tell Mom and Dad about football dude, maybe she'd even let me take a little look-see. I wanted to know what they looked like. But I didn't want to blackmail her. I liked Reisha. I liked Reisha a lot.

IF THERE WAS A "HOUSE- DANCER OF THE YEAR" AWARD...

Claudia would win. Adorably cute, with a good rack, a bod we'd all like a lapdance from and a deep Arizona tan, imagine Claudia on your crotch, her boobs in your face, cooing sweet somethings in your ear. Ya ready to vote yet?

70 **SCORE**

One thing readers love about Claudia is that pink pussy. That "deliciously succulent pink pussy" as one reader wrote after her Aug. '03 appearance. Well-kept pussy lips that (if you turn the next page) when splayed open, unveil one delicately sweet looking honey-hole! Hey, readers aren't the only ones who dig Claudia's slice of heaven. She has a nice bung-hole, too. A Housedancer of the Year contest? With girls like Claudia, we might have to give that one some thought.

WHY I LOVE...

Continued from page 68

"When she came back with the water, she'd put her jeans and sneakers on. 'Is that how Moms and Dads make babies?' I asked.

"Oh God, let's hope not. I mean, yeah. But people do it because it feels good, too."

"It didn't sound like it felt all that good. It sounded like you were in a whole lot of pain."

"Reisha smiled and leaned over to kiss me on the cheek. I could sense her swelling boobies jangling over my face. I turned and caught her lips on my own. Smack. I kissed her.

"She looked surprised, and gave me a dirty look, but she didn't scold me. 'Now go to sleep,' she said. 'You little monster, you.'"

Marla purrs. Crooning to my not-so-little-anymore monster.

"That's when I said, and I quote: 'Reisha, I think I love you.'"

Forgetting all about my rock-hard pecker, Marla sits up and asks, "What did she say to that?"

"What else? She said: 'I love you too, Stinker.' That was her nickname for me, what she would always call me. Stinker."

"Stinky?"

"No, not Stinky. Stinker and shhh, I'm getting to the good part. It's my story. Quiet, woman."

Marla sticks her tongue out at me and pouts.

"Using my best little nine-year-old voice I cried, 'I'm scared, Reisha. Football dude might come back. He looked pretty steamed.'"

"Reisha giggled. 'Steamed doesn't even begin to describe it, but trust me, he'll get over it.'"

"Stay with me? Until I fall asleep? Please? Just in case?"

"Reisha curled up next to me and put her arms around me. I nestled into the warm space between her breasts and lay there a long time before I figured she'd assume I was asleep. Then, I copped a feel. I don't know if she'd dozed off or if she just thought I was moving in my sleep. I don't know if she let me touch her because she was afraid I'd tell my parents or whether she liked my hand gently touching her there. I only

know what I have chosen to believe happened that night. The night my fondest dream came true."

The sun was peeking through the Venetian blinds, lacing Marla's delectable flesh with sunlight and making her even more irresistible than she had been last night. I realized I hadn't been lying about Marla's Grade A sun-kissed boobs. I found myself fantasizing about how beautiful Marla would be holding a baby to her breast—and what her milk would taste like.

"Did you ever see Reisha again?" Marla asks.

"Yeah, about six years ago, during Thanksgiving. She brought her newborn baby over to Mom and Dad's house to show her off."

"Don't tell me—you got to see Reisha breastfeed the baby."

I smile, forcing Marla to resort to using her own imagination.

"So, my dear, that's how I became a bonerfide breast-man. Now, if you want to hear about what happened to me when I was ten...you'll just have to let me live until tomorrow."

"I think I can manage that, my testosterone-driven Scheherazade. After all, I wouldn't want to chop your head off and miss another of your slimy, perverted escapades," she says, laughing. "But Dan...Really, when you were *ten years old*?"

My story over, I flop on top of Marla, enjoying her squeals of protest and delight as I prepare to repeat my earlier performance. I hesitate only long enough to wrap my weapon with latex garb. As I tear open the condom, I decide it just might be worth writing to the editor of *SCORE* to ask for a photo layout of young mothers breast-feeding. Lactating breasts stir something primal inside of me—and just maybe, I'm not alone in my fetish.

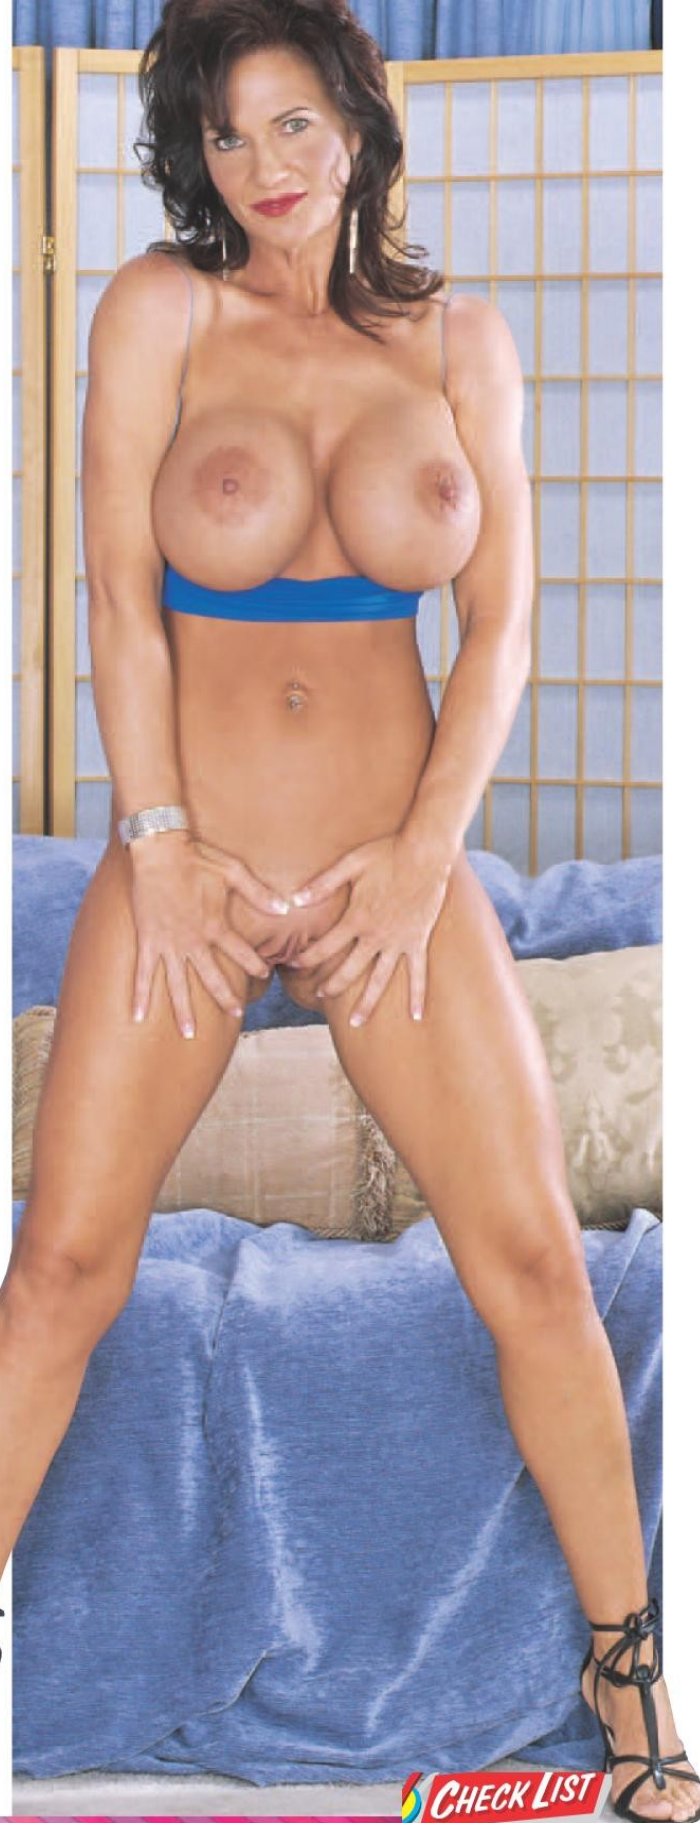

Apparently, Marla has learned to read my mind.

"Maybe we should think about having our own kids," she suggests. "So I can arrange a private peep show for you several times a day."

Not surprisingly, I find the visual more appealing than I have ever thought possible.

"All in good time," I say as I pounce quickly on Marla, breathing in her intoxicating scent and treating myself to her mammary abundance just once more. "All in good time."

CHECK LIST

DEAUXMA

THE NASTIEST, DIRTIEST, HORNIEST OLDER WOMAN IN THE WORLD?

That's Deauxma (pronounced Do-Me). She doesn't advertise her age, but she's been married for 24 years to the same guy, runs her own successful website where she does threesomes, hardcore, fetishes and just about anything you would want out of a completely uninhibited "older woman." What does Deauxma think of her new moniker? "If the name fits..."

"Very bisexual," Deauxma masturbates daily to her battery buddy (pet name "Bob"), dresses in latex and leather, and has three ambitions in life: One, to join the "Mile High Club." "I still can't believe I'm not a member!" Deauxma says from her home in Texas. Second, a gang bang with four guys. Third, a gang-bang with four girls. "Of course, you could combine those last two for one big fantasy! As long as they all fuck me!" Is Deauxma the perfect older woman? Hey, she loves watching football and the San Antonio Spurs. Plus, Deauxma finds one of the sexiest things in life is "the curve of a woman's breast" and her ideal date is any one where you get naked...fast! Sports, big titties and her name is "Do Me!" Jeezus, do women like this really exist?

DEAUXMA

BIRTHDAY: January 25th **HEIGHT:** 5'7" **WEIGHT:** 135 lbs.

MEASUREMENTS: 39-25-36 **BRA SIZE:** 36DD

BORN: Wurzburg, Germany **LIVES:** San Antonio, Texas

OCCUPATION: Marketing and sales professional

Will Deauxma contend for next year's "Newcomer of the Year" award? "I doubt it," she told us. "I'm not really posing for awards. I'm being selfish. I'm posing for myself. It's something I've always wanted to do, and getting older, I never thought I would fulfill that fantasy. There are too many 18-year-old cutie pies out there. But mature women are sexy, too, perhaps even sexier. I just wanted to show everybody that even though women get older, they still look pretty damned good, and they can be just as sexy as some teenager." In your case, Deauxma, they can be even sexier.

years later, the first models who gave modest peeks at their pubic hair. In the last 15 years, I have witnessed an increasing emphasis on incredible breast enhancements, self-fondling titty action, fully shaved crotches and labia spreading. Now, I enjoy dildo insertions, tit-fucking and cock-sucking by many of your beautiful, heavy-hootered models.

Your photographers should be congratulated for helping to make your slim-n-stacked models look beautiful and sensuous. Often, the photographers lower their camera to the height of the model's abdomen or thighs so she can smile downward at the camera while the viewer looks upward enjoying the fullness of the underside of her breasts. They shoot and you print two side-by-side photos with the model in the same pose, but with the model's knockers re-positioned. You frequently place a full-length pose beside an intimate close-up of the model's wide-open cunt. Your photographers often choose exciting locations emphasizing a model's sporting and carefree attitude. I am sure the photographers coax the models to be as bold as possible.

The models, of course, deserve to be congratulated as fully as possible. The single most important factor in the success of a photo is the model's attitude. Women like Nicole Peters, Autumn-Jade, Chaz and Alyssa Alps obviously enjoy being exhibitionists and are proud of their exceptional assets.

Women like Cassitty, Cassandra, Linsey Dawn McKenzie and Melanie Addison seem to love going as far as they can to accentuate provocative views of their boobs, pussies and ass-holes. The smiles and laughter from Lorna Morgan, Brandy and Kerry Marie make them look as though they love to show their bodies.

One recent trend that I enjoy is that many models have pulled their inner labia well outside the outer labia leaving them splayed open or hanging down, hands free. This is very erotic.

For the future, I recommend that your models and photographers push a little further. Develop layouts with multiple big-boob models frolicking together. Ask the ladies to stretch their

"MY COCK EXPLODED!"

Dear *SCORE*,

I love the snapshot pictures of Nicole Peters you have in the Aug. '03 issue of the greatest big tit magazine I have ever seen. I simply love and worship big, huge tits, so when I saw Nicole Peters in this issue, I quickly pulled out my brown, chocolate pole and jacked off like never before.

Just the size of those huge flesh pillows—wow! My cock exploded! I mean, it burst with great enjoyment. My God, I never came that much before in my life. Some flew on the magazine, the rest down my fingers and my palm. Unbelievable. Nicole Peters has the big-tit crown locked up!

My fantasy is to have a nice, hot, wet, nasty, no-holes-barred, anything goes porn scene with Casey James, Cassitty and Ashley Evans. For the simple fact that I love porn, I would give anything to be a porn star, period. I also love a female with huge tits who can't get enough of getting her hot hole pounded, then afterwards taking my pole and rubbing all that hot cum on those mega tits.—R.J., Connecticut

TWO BRIEF TREATS

Dear *SCORE*,

Much of the Feb. '04 issue provided your usual, lusty delight. But, there were two big reasons why this reader thought it especially delightful. Namely, the two snapshots of Chelsea Charms. The topless photo in which Chelsea tries hoisting her behemoths by means of her mere hands has seared itself into my udder-addled brain forever. From this evidence, it appears it would take at least six to eight sizeable hands to cover the surface of a single one of those overwhelming chest-weights! How many slim-and-stacked women can boast that?

I understand that in the past there has been much criticism of her artificially over-inflated ornaments, even by some tit-men. And I know that the trend has tilted seriously towards the naturally endowed, or any girl who'll do hardcore. And I know that Chelsea

THE DOCTOR'S CHOICE

Dear SCORE,

In the Holiday '03 SCORE, I was reading the section on *Jack For Health* and was intrigued.

Now, I might not really be a medical doctor, but even I could not argue with what the Australian Cancer Council has reported. I've been living proof of their findings for years.

I'm 55 years old and divorced, but I feel like I'm 30 and my prostate health is good. Maybe it is because I jack off three times a day, every day, while looking at huge jugs between the pages of SCORE and have done so since first viewing the Dec. '92 (Boobarella) issue with Tiffany Towers, Lisa Lipps and Candy Cantaloupes.

I wanted to write to thank you for the years of happy health and to tell you that my absolute favorite SCORE model of all is Minka! I don't know why, but when I see Minka and her majestic mams, I really go crazy.

When I saw her on the cover of another SCORE Group magazine, *Buxotica*, it only took 30 seconds and I lost a tremendous load in my pants. Three minutes later, I still felt like jacking some more because I still had a hard-on because I was still looking at her. I jacked off another minute and nudded some more and a good sized load, too. I jacked off three more times and lost three more stress loads. Then, I felt fully satisfied and renewed. Hell, I felt absolutely wonderful.

I thank you for publishing the best Rx for helping men to keep their balls drained. Please feature more of Minka in future issues and shame on whoever did the selections for her not being on the ballot for 2003 Model of the Year. No one can compare to Minka The Great.-D.R., California

KELLIE GARNETT

THE BRITISH INVASION CONTINUES WITH THE UK'S NEWEST NATURAL

In the late '90s, the UK was fertile ground for big-tit discovery. Then, Eastern Europe was the promised land. Now, with Nicole Peters winning 2003 Newcomer of the Year, it looks like the UK is back in a big way, and here's the latest Busty Brit...An ordinary receptionist with an extraordinary rack...Kellie Garnett.

KELLIE GARNETT

BIRTHDAY: March 7, 1980 **HEIGHT:** 5'4" **WEIGHT:** 135 lbs.

MEASUREMENTS: 40-28-38 **BRA SIZE:** 34G

BORN, RAISED AND LIVES: London, England

OCCUPATION: Receptionist

Kellie is a 23-year-old, nine-to-fiver like all of us. A receptionist, she's always had a big rack, but never thought about posing until...Well, take a read of the first e-mail Kellie sent us for her story: "Hi. My name is Kelly. My boyfriend has persuaded me to send some pictures in as we read *SCORE* and *Voluptuous* regularly and he has always said that he would like to see me in it. My breast size is 34G, and all natural! Attached are some photos. Sorry that they are slightly blurry. It would be great if you could consider me in one of your magazines." Yeah, the photos were a bit blurry, but Kellie's rack is loaded with potential, and a week later, she was in our Miami studio making her, and her boyfriend's big-titty dreams cum true.

Understandably jittery at first, once the clothes came off, Kellie lived her fantasy. "I just did what I saw in magazines," says this soft-spoken, articulate beauty, who has made her *SCORE*-man very happy. "He keeps telling me, 'thank you.' But, honestly, this is my fantasy, too. I'd love to do it again." The 2004 Newcomer contest is in the Holiday '04 issue. Will Kellie make it as a Finalist? She's looking good so far!

From the perverted mind of Boob Beater Elliot James, who has forgotten more porn urban legends than most know, the legend of the Swami Boobananda cum's true in **SCORE Xtra #10**. For Sara, giving head is for other women. This lady takes cockworshipping to another level. As for the Swami, he's, well, very Swami-ish. Entertaining as hell, and he gives it to Sara good!

JULIA MILES AND THE "BEST FUCK" OF HER LIFE!

Review By **BRUCE ARTHUR**

Julia Miles, SCORE's newly crowned "Model of the Year," broke her boy-girl XXX cherry in the best-selling video SCORE Xtra #5. But if you want to see her H-cup tits and tight, blonde-muffed pussy getting the pounding they deserve, you need to see *Ultimate Julia Miles*, the DVD/video in which the 22-year-old German *wunder* gets what she called "the best fuck of my life."

This 90-minute presentation contains solo, girl-girl and boy-girl views of Julia and is a must for all of her fans.

The solo stuff comes first. Consider it 45 minutes of foreplay in which you have Julia all to yourself. She wakes up and goes through her morning routine, which, of course, includes tit play and masturbation. She takes a shower and soaps up her monster tits and pretty pussy. She goes to work and dildoizes herself while sitting at her desk. Among our favorite moments:

- Julia tit-fucking herself with a

giant, skin-colored dildo. She almost loses the damn thing in her cleavage.

- Julia pouring liquid soap onto her tits and rubbing it in nice and good.
- Julia squeezing her tits into a red bra that can hardly contain her.

The girl-girl comes next. Julia and Hannah Callow honor each other's tits and pussies with licking, sucking, fingering and dildo play, and you won't believe how much breast meat fills your screen. Some highlights:

- Hannah laying on top of Julia and rubbing her tits against Julia's.
- Hannah, on all fours, sucking Julia's pussy while Julia gives some finger action to her bosom buddy's twat.
- Hannah absolutely worshipping Julia's prize-winning chest.

But the main event, for Julia and for you, is the boy-girl. It's a great scene that opens with Julia's boss calling her into his office to reprimand her for the way she's been dressing. The problem isn't that she's wearing too little clothes for a proper office environment. The problem is she's wearing too much: a big, baggy sweater and a skirt that goes down to her ankles.

"Ms. Miles," he says. "I need to talk to you about your sweater."

"Do you like it?" she asks.

"No, I don't like it," the horny asshole says. "Can you try this one?"

Ever the obliging employee, Julia takes off her sweater, treating us to eye-popping views of her bottom cleavage, and tries on the new one. It's tiny, and her cleavage busts out of it.

"Do you like it?" she asks.

"Yes, very much," he says. "Now can you try this one?"

He tosses her a skirt that looks like it might fit a 12-year-old. Julia squeezes into it, and her ass practically destroys the seams. Next, the boss asks, "Ms. Miles, can you dance for me?"

Julia puts on some sleazy music and dances like crazy. He gets to knead her tits, and we get a great view between her legs of her hanging tits. Finally, when she's done stripping, Mr. Boss says, "There's just one more thing."

"Draft a letter?" Julia asks.

"No," he says. "Suck my cock."

Julia obliges, again, like a good secretary should, by getting down on her knees, fishing his giant schlong out of his pants and wrapping her mouth around his dick. She sucks and slurps

HARMONY'S XXX DEBUT

OUR JAN. '04 NEWCUMMER DIDN'T PLAN ON DOING Hardcore...

Harmony just couldn't help herself. On a return trip to **SCORE**-Land to follow up her Jan. '04 debut, Harmony had that seven-inch itch, and dildos didn't satisfy her. When she saw our porn stud hanging around in the studio, Harmony cast her inhibitions aside and took more than a mouthful!

The one thing we wanted to see from Harmony, especially when her asshole opened up, was an anal pounding. But, she's a straight-fucking kinda girl, albeit in every position known to porn. Plus, even though her asshole looks gaping ready here, Harmony says her pussy is so tight, why even bother with the other door. "I have the tightest pussy in the world!" she told us after she got it good. "Why mess around back there when my pussy is probably tighter and a lot hotter and wetter? Trust me, a regular cock gets me off. A porn guy...Wow, I'll be walking bow-legged for a week!"

Just like Sara Jay (page two), Harmony's hardcore debut is on **SCORE Xtra #10**. Filmed in "Boob Vision," not only do you get sleazy, raunchy sex, our cameras take you right in on the action, with the tits in your face so much, you can practically feel the nipples! All of the action is from the boob-man's point of view, the audio is "Doable Digital" (the sounds of fucking, not mall shopping), and with the DVD, the images are crystal clear. Every fuck-face Harmony makes, you see. Every squeal. You hear. Crank up the surround sound and order **SCORE Xtra #10** in "Boob Vision." The NeXXXt Generation of big-boob porn!

ULTIMATE JULIA

Continued from page 12

hungrily, and we feel like we're laying on the floor and looking up as Julia wraps her tits around his cock and sucks some more and licks his balls.

For all you guys who saw Julia in *SCORE Xtra* #5: That guy's cock was the size of a Yorkshire Terrier's compared to this guy's. She really has to stretch around his hose, and we can see that she relishes the pleasure of a real cock for the first time in her life.

Julia then lies back on her desk and lets her boss finger her pierced pussy while she sucks and licks some more. Then it's hammer time. He plunges his sausage inside of her in the missionary position and fucks her hard. Julia's cunt takes a real pounding, and we can tell by her squeals and moans that she's enjoying every stroke, even if her hole will never be the same after this.

Doggy-style, cowgirl and reverse-cowgirl fucking follows, and we get lots of gyno views of the boss's cock going in and out, in and out. More squealing, more moaning. Julia looks like she's in another world, and we're figuring she can't take any more when she rolls over and sucks his pussy-juice-coated cock some more.

Now, at this point, you might be thinking, "This guy has to shoot his load. He can't possibly hold back any longer." But you'd be wrong, 'cause he gets Julia down on the floor and pounds her some more in the doggy-style and missionary positions. We hear his balls slapping against her ass as he destroys her pussy.

Our hero then gives her a good tit-fucking, but he's not done yet. Nope. He gets her on the table again and fucks her in the missionary position.

The guy has to cum eventually, and despite Julia imploring him to "cum on my tits," he dumps his greasy load all over her stomach. But Julia doesn't mind. She's just had the greatest fuck of her life. And you won't mind, either. Because, by this point, there's man-juice squirting out of your cock, too.

The DVD version contains four bonus masturbation scenes, including one of Julia by the pool and one of Julia bouncing around a tennis court. Making this, undoubtedly, the ultimate Julia Miles jackfest.

Now, six years later, she's back with the same great slim-n-stacked body, headlining our newest hardcore sextravaganza, **SCORE Xtra #10** as only she can... With nothing to lose, and only orgasms to gain!

VIDEO: **SCORE Xtra #10** (XXX-Rated, available on page seven of this month's **SCORE**)

A University of Nebraska graduate, Brittany studied theatre in college and started dancing upon graduation. Feature dancing followed, then magazines and movies, with many titles of the "Miss Nude" variety in between. Always a favorite with porn guys because of her slim, muscular body and big tits, she's famous for being a classy lady off camera, but a fucking whore on it. **SCORE Xtra #10**, was proof. The cum-summate professional, Brittany is quiet and reserved during lunch, but when she's eating cock, she has all of the moves and the passion that a long-time porn actress needs to keep making movies. "It's the most important thing," Brittany told us. "You have to love the sex. If you don't love sex, it won't work." Based on how Brittany fucks, this girl doesn't just love sex, she lives for it!

Dying to see this lusty, busty legend in action? Yes, **SCORE Xtra #10** is on page seven. Brittany is there, and she'll also be in San Francisco at the infamous Market Street Cinema March 24th-30th. She's already told us to tell readers to bring in this issue of **SCORE** for an autograph. Ink or love lava, your choice!
