A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.

Readers loved Deauxma's debut in the May '04 *SCORE*, and we have hardcore of the mature buster. Watch for the video and pictorial, cumming soon.

A DESERVING CHOICE

Dear *SCORE*,

I'm a single, white male, 38 years old, and I enjoy reading your magazine. In the last few issues it's hard to decide which lady is the most beautiful because they are all so incredible.

When I saw the pictures of Julia Miles in the May '04 *SCORE*, I thought I was dreaming. She has a very pretty smile, beautiful eyes and a great body. Based on the pictures, Julia's attitude must be great, very outgoing, friendly, and I imagine she must have a very soft voice.

In my opinion, the true beauty in a woman is how natural her skin looks without any makeup, and Julia Miles looks like she has beautiful skin.

In any case, I think she would make any man happy by being by his side and having a family.–J.F., Florida

AMERICAN-READER BASHING!

Dear *SCORE*,

The very fact that Linsey has never been chosen *SCORE* Model of the Year and Julia Miles has shows the crap taste of American *SCORE*-men. It's no wonder we Brits look at Americans in only one way–down! *SCORE* still is the best, even if your American readers aren't.–C.H., MD, England

CONGRATS TO INES & NICOLE

Dear *SCORE*,

I was pleasantly surprised to find the May '04 *SCORE* on the rack at a store so promptly. I think it was earlier than usual, but looking at the cover, I'm glad it was.

Thanks for Nicole Peters, the Top Newcomer of 2003! I can be proud that I voted for her, as did thousands of other guys. She has a beautiful body and big areolae, and I love her pretty eyes and beautiful face. Her hairy pussy mound is also very tempting. Nicole is irresistible and breathtaking.

My congratulations also to Ines Cudna, whom you rightly state in the May '04 issue would have won Top Newcomer in any other year, and probably as handily as Nicole did in 2003. Ines is gorgeous and has beautiful nipples and areolae, and her eyes and hair are adorable, too.

Thank you also for Deauxma, who is living proof that older women can be sexy! Her breasts are not real, but I

Another year of Linsey taking the shaft? A few readers, principally UK guys, felt Linsey (right) was more deserving than Julia Miles (left) for *SCORE's* 2003 Model of the Year, although thousands of readers who didn't even vote for Julia wrote in and hailed her as a more than deserving champion.

SCORE cover potential? Adara Michaels might be a bit small busted, but we do have never-before-published photos of the slim, stacked and beautiful Scandalous star that we will be showcasing in a future issue.

wouldn't kick her out of bed unless there was more room on the floor! She has beautiful eyes, hair, face and body. Plus, I love women with tans!

I can hardly wait until the June '04 issue.–M.B., North Carolina

AN ADARA COVER?

Dear *SCORE*,

I purchased the May '04 *SCORE* hoping to see my favorite big-tit lady–Adara Michaels. I really love Adara and her big, 40DD boobs. She is perfect in every way. I know every *SCORE*-man has his favorite model, and obviously Adara is mine. I'm not buying another issue of *SCORE* until I see Adara on your cover.

I'd also like to see Summer Leigh in your magazine. Before I end this letter, I want to say that I did love the pictures of Pandora Peaks in the May '04 issue.–J.P., Bethlehem, Pennsylvania

A VOICE OF DISSENT

Dear *SCORE*,

The landslide victory for Nicole Peters as 2003 Newcomer of the Year is further proof of the deterioration of *SCORE*. Your magazine began with the premise that guys who loved big

WHAT'S THE DEAL?

SCORE **is searching for the next Linsey, Sharday, Nicole Peters, Ines Cudna, Via Paxton…the next big-bust superstar. And we're willing to pay big bucks to find her!**

So, send in nude photos of your candidates. Polaroids, snap shots and jpegs are all okay. There's no better time to convince that super busty girl you have been admiring that she belongs in *SCORE* because on December 1, 2004, we're going to choose the best busty new discovery and give her a lucrative $20,000 modeling contract.

THE RULES ARE SIMPLE:

Our editorial staff makes all decisions, and those decisions are completely subjective and final. This contest is open to any girl who has not appeared in a magazine. If you've been in *SCORE* or any other men's magazine, either as an amateur, model or even in phone sex ads, you are ineligible. The winner agrees to take an all-expenses paid, working vacation in sunny, beautiful, exotic Miami, Florida, where she will be photographed for five days in our state-of-the-art studio. The winner also agrees to sign *SCORE's* standard model release and have her photos published in the magazine and on our website. This competition is open to all residents of Planet Earth, void where prohibited, 18 years old and older only, more legalese is in the official contest rules, which will be provided to all contestants upon request.

Big, beautiful tits are required. Natural or augmented. So send in your photos and you could well find yourself $20,000 richer! The addresses are: SCORE Model Search, 1629 N.W. 84 Avenue, Miami, FL 33126 or score@scoregroup.com.

boobs also deserved a pretty face to look at. As a reader who has been with you since issue #1 and who remains faithful to this day, I have seen this philosophy eroded over the years.

The fact that Ines Cudna, one of the loveliest women to appear in any men's magazine last year, could be beaten by Nicole Peters shows that the voters are only looking at the tits. I know that I am in a distinct minority with my opinion, so I dread the coming year of *SCORE* featuring fewer truly desirable women.

In closing, I would also like to say that it's hard to believe that L.A. Bust could be denied Hall of Fame status by the good-but-not-great Tawny Peaks. Anyone old enough to have seen them both in person will say that there is no comparison. And, come to think of it, Ines Cudna should have been both Newcomer *and* Model of the Year.–E.W., Louisville, Kentucky

sac. Before I had time to get back home with the latest issue, I was actually coating my schlang with the lube and started to pump my stick while looking at the Model of the Year and Newcomer of the Year pictures.

While I didn't vote for either one of the winners, the pictures of Julia Miles were enough to almost cause an accident when I dropped a load in the front seat of my car.

After cleaning up and driving home, I opened the magazine to Nicole Peters, and it wasn't too long before I had worked up another load. The picture of Nicole showing her pussy hair was all it took to drain my tank and make me weak in the knees.

By the time I had given my pole another coating of lube, I was ready for the Hall of Fame pictures, and sure enough, two of my all-time favorites made the cut–Pandora Peaks and Tiffany Towers. With a little elbow work and a lot of lube, I was able to blast another good-sized load.

The funny thing is, while I was at the store, the clerk asked me, "What is so special about *SCORE?* Everyone comes in here asking for *SCORE,* and when we run out, they are really pissed at me." One guy apparently comes in every month and buys two copies, opens one and keeps the other in its plastic wrap. I told the clerk that as far as I was concerned, the other magazines are imitations and are lousy with their content. *SCORE* is a high quality magazine with a large quantity of both previous and new women who are excellent.

That's why I'm a *SCORE*-man. You do it better than anybody else. Keep up the good work.–"Michael," San Diego, California

"ASS-FUCKER OF THE YEAR"

Dear *SCORE,*

When I opened the April '04 issue of *SCORE* and saw Iva getting ass fucked, I decided right then and there to drop what I was doing. After having a monster cum over her pictures, the next thing I did was write this letter to tell you guys that 19-year-old Iva gets my vote for Model of the Year, Newcomer of the Year and whatever other award you can come up with, especially Ass-Fucker of the Year.

another reason to write and ask you guys, "How the hell do you manage to keep the quality of women so high?" The last three or four issues have had features of several new women, all of whom are alone worth the price of admission. I can't say that about the other magazines out there. They seem to be going downhill compared to *SCORE*, or maybe *SCORE* is just outpacing the others with the quantity and quality of some nice, young girls as well as some great older women. There's nothing wrong with a mix of young and old.

Like I said earlier, you guys have been doing a great job lately. I don't know what it is you're doing, but keep doing it.–"M.," Illinois

A KAYLA KLEEVAGE LAPDANCE

Dear *SCORE*,

Hey guys, what's up?

First of all, I wanted to tell you that I'm a big fan of *SCORE* because I love super busty women (i.e., Minka, Kayla Kleevage, Maxi Mounds, etc.).

I'm also writing because I saw Kayla Kleevage on the cover and on pages 12-17 of the April '04 issue and

THE NATURAL

LINSEY DAWN MCKENZIE

THE GREATEST NATURAL BIG-TITTER EVER!

What would an all-natural special be without Linsey Dawn McKenzie? And, since we made that statement above, what do you guys think? Is Linsey the greatest slim-n-stacked natural of all-time? Sure, there may be models with sexier areolae. Danni Ashe's snow-coned capped, pebbly titties come to mind. For boob power, there are a lot of models who are bustier than Linsey, though many are plumpers like Roberta Smallwood. When you're talking nipples–hard, erect love nuggets, Sierra has some great ones. But for the total package–from head to toe and every curve in between–are there any better in the world than The Natural? Yes, that's practically a rhetorical question.

Yeah, there are guys who say that Linsey Dawn McKenzie is the greatest thing to hit Big-Tit-Dom since the nipple. Sometimes it seems like she's been posing that long, too. A phenom in Europe when she was 16, Linsey posed for *SCORE* on her 18th birthday, and even though she is still young (getting ready to celebrate birthday number 26 on Aug. 7th), Linsey is #1 in *SCORE* appearances with her now-record 24th pictorial, and she shows no signs of letting up. "No, in fact, I'm looking forward to doing another hardcore video for *SCORE!"* When is the cum gonna fly, Linsey? "I'm not sure of the release date yet, but I can tell you that I have already filmed two of the main scenes. It's going to be my hottest video ever, I can promise you that!"

And the tits just keep on coming! We have just gotten word that Linsey has done a threesome pictorial and video with Veronika (from *Busty Euro Maids* and the Feb. '04 *SCORE*). And we're not talking three chicks playing with each other's boobs! This is a *Three's Company* hardcore scene! Haven't seen the video or the photos yet, and the higher-ups here at Big Tit Central are keeping it all hush-hush. Sounds like there's a big ta-do about Linsey's encore video, which leads us grunt editors to think…Man, we're going to have some great jack stuff for the holidays! Honestly, any video with Linsey is great if you love big tits. Her hardcore videos are hot, too, especially seeing her slide down hard on that big cock in the *Best of Linsey on DVD*. Hint: Use that "slo-mo" command to get every frame. Way cool! Perfect tits, an hourglass body and great hardcore… Whaddya know, Linsey really is *The Natural.*

A COLUMN BY ELLIOT JAMES

LINSEY DAWN

FAMOUS AND FRIGHTENED

What's a crumbling, ghost-infested castle without hot chicks walking around scared out of their wits? Linsey Dawn McKenzie was one of eight Brit celebrities locked away for the weekend in a massive, haunted Celtic castle called Chillingham in Northumberland, a county in northeast England. It was for a live reality TV show called *I'm Famous and Frightened!* that was broadcast on the Living TV channel this past March.

Linsey's co-stars were newspaper columnist Gary Bushell, TV's Keith Chegwin, *Coronation Street* star Julie Goodyear, wildlife expert Terry Nutkins, model Nancy Sorrell, TV presenter Cheryl Baker and radio presenter Toby Anstis.

Over the weekend, they were given a list of scary challenges. Money was raised for each celeb's favorite charity with every challenge they completed. Like most group reality shows, from *Survivor* to *The Bachelor*, one by one, each person was eliminated until one ultimate winner remained.

Viewers in the U.K. could vote for their favorite celeb by telephone and part of the calls earned charity money also. Linsey's charity was Breakthrough Breast Cancer.

Chillingham Castle was built in the 13th century, but has been uninhabited and neglected since 1933. The place is filled with hidden rooms and stairways–a virtual maze of abandoned and covered-up former restorations. It's supposed to be one of the most haunted castles in ghost-filled England.

The castle is also home to an ancient torture chamber complete with an Iron Maiden, a bed of nails, a stretching rack, a spiked chair, and loveliest of all, a trap door in the floor through which can be seen the bones of children that died in the vault below.

The ghost-busting at Chillingham reached 2.3 million TV viewers over the three nights. It ranked as the top channel among women aged 16 to 44.

Linsey tried her best and we were pulling for her (pulling hard as usual), but she and the other guests ultimately lost out to *Coronation Street* actress Julie Goodyear.

LINSEY DAWN

Continued from page 21

"I would have been happier if we'd shared a room," Gary Bushell told Boob Beat. Him, us and 10,000 other guys. Adds Gary: "Linsey was great out there, fearless, in fact, and she spoke her mind. She did well."

Linsey talked about her beliefs in the paranormal with Living TV before the show kicked off.

What do you think of the other celebs taking part?

Linsey: I think they're a great bunch.

How do you rate your chances of coming out on top?

Linsey: They won't like me. I think I'll get chucked out.

Have any members of your family or close personal friends had any kind of paranormal or ghostly experiences?

Linsey: This one time my whole family got really in to doing ouija boards. That was freaky stuff. At the end we knew we needed to get rid of it so we smashed it up. The scary thing was it was found again, and it was whole!

Have you ever been to an investigation at a haunted site before?

Linsey: No, but my best mate Jodie Marsh lives in a really haunted house that's really freaky. I was going to stay in the room that they used to keep people before they were hung, but when we got back from a night out, I chickened out.

Do you consider yourself spiritual?

Linsey: Yes, I've got a book of spells that I have used.

If you could talk to the ghost of any famous person who would it be?

Linsey: Princess Di. What happened? Was she pregnant? Was she murdered? Was she in love?

Have you ever been to see a clairvoyant or a medium?

Linsey: Yes, I go and see a medium called Jasmine. She is fantastic and spot on. She even told me about this reality show.

Have you ever had your aura read?

Linsey: No, but I'd love to.

What is the bravest thing you've ever done in your life?

Linsey: Bungee jump from 200 feet.

Are you psychic?

Linsey: Yes, I have a very strong sixth sense.

IVA BIGGUNS

One of three super-Czechs making a huge splash in the big-boobed scene with her XXX videos *Hard SCORE* and *Busty Euro Maids*, Iva's English is good, a lot better than our Czech.

"I was 13 when my breasts began to get big," Iva told us with a very mischievous gleam in her eye during the filming of *Maids*.

There's something of the brat in this young girl who's only 19-years-old but loves rock-hard cock deep inside her asshole like a horny 40-year-old divorcee. "Three years later at 16, I was D-cup. Now I wear an E-cup or number six size in Europe. Do I get a lot of attention from my breasts? Yes, I do, everywhere I go. People come up to me and say, 'Are they real?' Yes, of course, they are real! Do you want to see them!"

Whatever you say, Iva!

AN ALL NATURAL VIAGRA?

Bulgarians have long espoused using honey as a medicine for various ailments, and now Bulgarian bee keepers are promoting thistle-infused honey as an all-natural alternative to Viagra.

Georgi Georgiev, head of the Bulgarian bee keepers association, said they are hopeful their new product will be a best seller.

"It works. Thousands of Bulgarians cannot be wrong," drones Georgi.

Thistle honey debuted at the annual Bulgarian Bee Keepers Fair in Sofia, where it was marketed as the solution for Bulgarians wanting to sweeten up their sex lives. The Sofia Municipality Apiarists' Union said it was mostly women who were lined up to buy the special honey to boost their men's sexual prowess.

Boob Beat has no reason to doubt the Sofia Municipality Apiarists' Union as they have never lied to us before.

"BUT, HONEY, I WAS ONLY JERKING OFF!"

CHEMICAL SEMEN DETECTION PRODUCT PUTS "PLAYERS" TO THE TEST

Why's Kerry Marie examining your dirty, ugly underwear? Why, to see if you've been cheating on her with another *SCORE* model, you filthy, way too horny bastard.

CheckMate is an at-home consumer chemical test that reveals trace amounts of semen in clothing, towels, bed sheets or any kind of fabric that you might accidentally leave your man-muck on after a one-hour sex session at the No-Tell Motel. The product has been on the market since 2001 and has sold by the thousands around the world.

If the results of the five minute test on your boxers turn purple, you've been busted, pally.

"Undergarments are the best place to test," explains a CheckMate representative. "However, tests on the inside of shirts, blouses, bedding and car upholstery are valuable."

After a sexual encounter, a guy continues to emit tiny amounts of semen for up to two hours or more. Therefore there will be trace amounts of goo in his underwear that his suspicious wife or girlfriend can test with CheckMate. So even if you showered and changed your underwear after your secret coupling, you might still get caught. The same holds true for a man who suspects his girlfriend of fooling around on the side.

"Semen stains are everywhere after sex, especially if it is an illicit affair where the parties involved may not have the proper time or facilities to get properly cleaned up after intercourse."

"What's the first thing a guy does after having sex using a condom?

He removes the condom. Then there is usually some type of hugging activity that takes place and at some point the man in question may even be directly on top of her. It is during this outer course that semen stains are deposited on the woman's body that in turn can result in semen stains on the inside of her clothing."

"Also after sex [without a condom], all women experience a condition known as flowback. This flowback typically causes a woman to secrete small amounts of semen for a period of up to 72 hours after sex."

A survey of CheckMate's customers revealed about 40 percent were aged over 40, about 55 percent were women and almost half had been married for more than 15 years. But the range of users is much wider than that. A soldier out of the country had his mother test his wife's panties. A wife suspected her husband was screwing his secretary. A mother suspected her daughter of having sex without her knowledge and CheckMated her undies.

Even if you've had a vasectomy, there's no escape because the chemical tests for semen, not sperm. If there's anything positive about using the CheckMate test on a spouse's undergarment, it would be getting a negative result, alleviating the emotional stress that spousal suspicion and mistrust can cause. There are several copycat companies so stick with the original.

For more information (we'd like to hope you don't need it, *SCORE* brother), log on to Getcheckmate.com or in Europe, Getcheckmate.info.

THE WICKED DREAM OF ANGELA WHITE

"I had a dream a couple of nights ago that I went backpacking through Europe, and to get some extra cash for my travels, I posed at your office in London," says Angela White, back in *SCORE* for our annual all-natural issue. "Then I ended up meeting Linsey Dawn McKenzie in some flash nightclub, and she invited me and my friend to her house for a party. Her house was a bloody mansion! I don't know whether it's like that in real life, but, in my dream, it was huge."

Linsey is one of Angela's personal idols so dreaming of "The Natural" seems natural.

Angela's debut in the Dec. '03 *SCORE* made her famous at her high school. She's since graduated and is making plans for college.

"I'm really digging this attention. I've never experienced anything like it before! But I'm noticing that more and more women are beginning to hate me. Most of them don't know about the magazines but they still treat me so badly. Just because I have big tits, they are horrible to me."

Here's yet another stomach-churning example of boob prejudice, this time in Australia.

We tell you that this medieval practice has got to be stopped. Big tits must be looked upon as objects of joy, not targets of ridicule by the ignorant. Only by worldwide boob education and understanding with copies of *SCORE* and *Voluptuous* (and memberships to Scoreland.com) can this learning process be quickened. Won't you help?

THE SCIENCE OF BOOBONICS: FAT CHANCE

Injecting pure fat cells to increase the cup size of female breasts is off-limits, say plastic surgeons. That's because fat transferred to the breasts can show up on mammograms as darkened, hardened areas and might be confused for tumors. Kotaro Yoshimura of the University of Tokyo and his team think they might be able to avoid this problem by using a mix of fat stem cells.

The stem cells may create fresh fat cells and stimulate blood vessels to grow into and nurture the new tissue, notes Yoshimura. He and his team plan to do 30 operations after obtaining approval from a review board. The surgeons use a liposuction-like machine to suck fat cells from the woman's stomach or another fatty part, like her ass.

By separating cells based on their density, the doctors can "enrich" the mixture for special stem cells that are able to generate new fat cells. They inject 300-400 millilitres of these stem cells mixed with normal fat tissue into the woman's breasts.

Yoshimura's stem-cell trial is the biggest so far in this field.

TIT FOR FAT

A study published in the medical journal *Dermatologic Surgery* theorizes that women's breasts can naturally enlarge from one to two cup sizes after the removal of fat in other areas of the body using liposuction. Dr. Eric Finzi, MD, PhD, a board certified dermatologic surgeon with a specialty in tumescent liposuction in Greenbelt, Maryland, conducted the study after a select group of patients returned to his office for a post-op exam.

The Finzi study found that significant breast enhancement occurred in 43% of female patients who underwent one or more tumescent liposuction surgeries. Heavier patients who received more total fat removal were more likely to experience breast enlargement.
Dr. Finzi has not yet determined exactly why or how the boob-expanding process happens.

Many of the patients who developed a larger bra size had had liposuction surgeries on multiple body parts during the same operation. Dr. Finzi theorizes that this phenomenon could be the first step in the development of natural breast enlargement.

Ines Cudna & Nicole Peters

NEED WE SAY MORE?

From perhaps the greatest natural of all-time, Linsey Dawn McKenzie, to a pair of girls who may one day challenge her for the title. And this month, they're snackin' on each other's carpets. You ready to get it on? In the blonde hair with the all-over tan and the mouth full of nipple, the woman who would be the top newcomer in any year except 2003…the Polish beauty, Ines Cudna. And with the dark hair, huge areolae and the even bigger tits… Britain's Nicole Peters. Together, at last. Strap yourselves in, boys, grab your favorite lube and keep that forearm stiff, because East is about to meet West, and everybody is welcome to cum along for the horny ride.

Ines and Nicole did some soft girl-girl in the video *On Location Costa Del Sol*, although the real sleazy, squealing, cumming action on that video was between Ines and Cassandra. No fault of Nicole's. She was a first timer. Now, our 2003 Newcomer of the Year is looking forward to another girl-girl with Ines. "That would be great. Ines is so pretty with a great body. Now that I'm more experienced, I'd love to just eat her up." No, this isn't a video set-up. Just hopeful thinking. Will the magic happen? Perhaps. Both chicks are still young, so we'll just wait along with ya'll, bibs ready, boners in hand.

Talk about an adorable busty babe-next-door. Ida is her name, and she's coming to us from… Denmark. We repeat: Denmark. Home of fishing, great fairy tales and the Virgin Islands (until America bought them in 1917), Denmark isn't exactly considered the mother land for big titters. Susanne Brecht is one of the few memorable naturals to come from that Scandinavian country. Is this the start of something busty? Damn, we hope so!

Ida's a school teacher in a country with a literacy rate of almost 100%. With teachers like her, is it any wonder every Dane is educated? Who'd ever skip school with her at the head of the class? THE *SCORE* INTERVIEW

ANGELA WHITE

TALKING DIRTY...*VERY DIRTY*...WITH AUSTRALIA'S #1 SUPER-NATURAL.

Interview by ELLIOT JAMES and DAVE ROSEN

SCORE: Hey Angela, how are you?
ANGELA: I'm pretty good, thanks.
SCORE: Can I read the letter that you sent us?
ANGELA: Yeah, sure.
SCORE: "Dear *SCORE* and *Voluptuous*… Ever since I got my hands on your magazines, all I have wanted is to star in one myself. I am unpublished as yet, but I would love to make my debut as your first Aussie model." Do you know that I almost cried when I got this letter? It was overwhelming that a model would write to us from Australia to be in our magazine. What is it, 18 hours?
ANGELA: Yeah, around about.
SCORE: Nice dress, by the way. Angela, that's your dress, right? That's a true Angela White dress.
ANGELA: Yes.
SCORE: Where do you wear it?
ANGELA: Out to dinner when I'm trying to impress someone.
SCORE: You mean a guy?
ANGELA: Yeah. Or a girl. It depends.
SCORE: You like girls?
ANGELA: Yeah.

SCORE: You can't wear a bra with it, can you? You're not wearing a bra, are you?
ANGELA: No.
SCORE: Can you turn around for a second? Wow, can't wear a bra, got some side cleavage showing there. What else do you have to do to impress a guy?
ANGELA: Because they bounce when I'm walking. I don't know, my boobs look pretty big in it.
SCORE: This drives men crazy. Women wear these tight outfits and plunging tops and you can see everything, and then they get insulted when guys say that their bodies are hot.
ANGELA: Oh, I don't! I love it. I love all of the attention.
SCORE: You answer the door, and he says, "Hi Angela," and he's staring at your boobs.
ANGELA: I actually get offended if they don't look at my boobs. I think that it's the best part of my body, and if they don't look at them, I think they're not even appreciating me.
SCORE: But they have to look at your face at some point.
ANGELA: Well, sometimes it's nice if they look at my face but I like it when guys look at my boobs.

SCORE: Let's say we're having dinner, and the whole time I'm not looking at your face, I'm staring at your boobs.
ANGELA: At least I'll know you like me. I've got other clothes, like when I wear my bikinis; they're really small.
SCORE: How small?
ANGELA: Just about cover my nipples. They tie up.
SCORE: We had a model in here about two or three months ago who said she liked to get the sex over with before they actually go out to dinner on the first date. She answers the door, the guy goes in, she says, "Okay, let's fuck," then they go out to dinner. Have you ever done that?
ANGELA: If I do that it's not to get it over and done with, it's because I'm horny.
SCORE: Are you a horny girl?
ANGELA: Would I be doing this if I wasn't a horny girl?
SCORE: I don't know. Maybe you're just trying to tease us, give us blue balls.
ANGELA: Actually, I am a bit of a prick tease. It's pretty fun.
SCORE: In what way?
ANGELA: Get a guy hot and going and just walk away. Let him beg for it.

SCORE: Damn, we're sending you back to Australia. Actually, you're so fresh and flawless, we'll keep you a bit. You kinda remind me of Lorna Morgan.
ANGELA: I love Lorna Morgan.
SCORE: You know Lorna? You've been reading the mags for years?
ANGELA: Yes. I love all the girls.
SCORE: Any girls in particular you like?
ANGELA: I love Linsey. I think I've got a little obsession with her. Who else do I really love? I love them all. I really love, I don't know how to pronounce her name, Orsolya…
SCORE: Orsolya, Hungarian girl.
ANGELA: The XXX shoot with her, I have the centerfold on my wall.
SCORE: Cool. Let's say right now, you can have any model for some hot girl-girl action. Who would it be?
ANGELA: Can I have two? Autumn-Jade and Linsey.
SCORE: What would you do?
ANGELA: I'd like to chain Linsey down, and I'd like to be chained down by Autumn. I don't know why. I'd like to dominate Linsey because she's portrayed as the best big-boob model in the United Kingdom, and it gives her power. She's got those big boobs and that tiny, little waist. I just want to overpower her. I'd go nuts. I'd probably just, like, get a dildo and start fucking her, and I'd probably make her lick me out, sit on her face, that kind of thing.
SCORE: A lot of boob action going on?
ANGELA: Oh yeah, with Linsey's boobs. Woooo! I'd just love to, like, rub her boobs on my boobs. I like feeling a woman's chest on mine.
SCORE: What about Autumn?
ANGELA: I'd like her to overpower me.
SCORE: You're a 34G. There's nobody else like you down under?
ANGELA: I haven't seen anyone with tits as big as mine. One of my really good friends, I won't say her name, she's got around DD boobs. But they don't have huge boobs down there.
SCORE: Is there anybody in your family who has big boobs?
ANGELA: Oh, yeah, my mum has huge boobs. Not my cousins, my grandmother, I would say.
SCORE: Your mom has huge boobs? Are they as big as your boobs?

MELANIE ADDISON

YOUR LONG, HOT SUMMER IS ABOUT TO GET A WHOLE LOT STEAMIER!

Yes, indeedy…Melanie Addison is in the house…actually, she's outside of it, hanging (and we do mean hanging!) out by the pool. Thank gawd Mel believes in the all-over tan, and thank goodness we have these new photos of the all-natural blond beauty with the great tits and the perpetual answering machine. She's been incommunicado, posing little (if at all) and we didn't think the magic would happen for our All-Natural celebration. But, like she did three times in 2003, Melanie Addison delivered…big-time!

A Rhode Island native, working a real-world advertising and marketing job in California, even though Melanie is looking all giddy by the pool, we're getting this sneaking suspicion she's going to do a Roberta Pedon–pose a little, tease everybody with her potential for greatness, than disappear like a virgin on prom night. Say it ain't so, Mel…"I can't make any promises." What?!? That's it? "You guys know I love posing, but with my job, it's getting hard, you know, to keep doing this." Oh, shit. That doesn't sound good.

You can't really hold it against Melanie if she does retire. Even though she's only posed for a year, this being her fourth pictorial, you have to feel grateful that we got this many. From getting to know Melanie, it's not like she was going to quit her job and jump into the adult world. "I can't really see myself doing that. I mean, I love seeing the pictures and being in *SCORE*. It's all so sexy and flattering. But, all good things must come to an end. Plus, I'll always have the issues of *SCORE* to remember how sexy I felt. I'll always be thankful for how you made me feel." You aren't the only one, Melanie. Trust us on that.

A NEW RELEASE FROM THE SCORE GROUP! ON DVD & VIDEO!

They're fresh, they're hot, they're new, they have big, tasty tits and they're on video only from your breast friends at *SCORE*. You know, the world is filled with attractive, busty girls in the prime of their youth and hormonal heat. Every nation has their fair share. The downside to this happy fact is that most of them will never pose naked. Simply because no one walks up to them and asks. And that's exactly what happened in the Dominican Republic. A *SCORE* reader and website member we call Mr. A lives and works in this island paradise. As compulsive a tit-lover as anyone of us, he was the guy who introduced Puerto Rico's Melanie to *SCORE* for the February '04 issue. A few months ago, Mr. A contacted us with an urgent e-mail about four naturally big-titted, slim-n-stacked girls he spotted in his town.

The e-mails that Mr. A sent to model@scoregroup.com contained test photos of four naked Dominican hotties with erection-inspiring racks and major league knockers. After the studio and editorial staff checked them out, *SCORE* contacted our boob brother in the D.R. and set up a plan to capture their sexy bodies on film.

A NEW RELEASE FROM THE SCORE GROUP! ON DVD & VIDEO!

The *SCORE* Studio team packed up their gear and headed for the D.R. once all the arrangements were made, ready to photograph these newbies. Except for Melanie's *SCORE* shoot, none of them had modeled for any magazines, websites or videos before so they were prime virgin putty, primed and eager to show their juicy tits and slits.

Busty Island GIRLS

Mariel

You'll be seeing much more of these hot tropical titillators in upcoming issues of *SCORE* and *Voluptuous* and nowhere else. *Busty Island Girls* is the name of the new video they star in. You'll see all five chicks in wall-to-wall naked posing, breast massaging and pussy play, sexy stripping, and finger and toy plugging. Their bra-less boobs are all-natural marvels on slim-n-stacked bodies, begging to be rubbed, fondled, patted and squeezed. And there are no hairy manasses blocking your enjoyment of their lush, beautiful bodies. Treat yourself to *Busty Island Girls.*

ANGELA WHITE

Continued from page 50

ANGELA: No, they used to be, but I've outgrown her now.
SCORE: How old were you when you first began to develop boobs?
ANGELA: I was flat until I turned about 14 years old and then they just, like, exploded. They got huge.
SCORE: Flat meaning nothing?
ANGELA: Mosquito bites, maybe about a B-cup, so I was pretty flat.
SCORE: Were you wondering if it was ever going to happen, because your mother's so big.
ANGELA: Yeah, I used to go home and cry to my mum because all the other girls were developing, and I felt so inadequate. I'd say, "Mum I'm worried I'll never catch up to them. I'll always be flat." But one day, I did.
SCORE: You wanted big boobs?
ANGELA: Yeah. I always felt so flat compared to the other girls even though they only had C boobs and even less. But I always felt so inadequate. I think it was a paranoid thing as well.
SCORE: You say overnight. Was it over a series of a few months or what?
ANGELA: To me, it seemed like it happened overnight because it felt like I woke up and oh my god, my tits are pretty big now, aren't they? But obviously it was a progress. It was just so fast that I didn't even notice.
SCORE: You went from a B- to a D-cup in how long?
ANGELA: A couple of months. I don't know what happened. The hormones just suddenly kicked in.
SCORE: How did your life change?
ANGELA: I got attention from guys. I didn't really get much attention from guys when I was younger. I was little and skinny. I didn't look much like a woman. And I was really shy as well. They didn't pay attention to me. So when I got my tits, my shyness just went away. I wouldn't talk to people before. I wouldn't come out, wouldn't talk to anyone. So after that, all the guys started paying attention to me, finally.
SCORE: Did you start right away dressing to show them off?
ANGELA: I spent all my money on clothes before they got bigger so I owed my mum a lot of money. Then they exploded, and all I had was my little

Sweet Harmony

AN AMERICAN-GROWN BRA-STUFFER!

Harmony can stuff a bra, that's for sure. And she looks pretty hot outside of one, too, especially when she's chick-handling a cock. Okay, so you'll need to get the *SCORE Xtra #10* video for those images, and we highly recommend that you do. For now, it's encore time with an all-natural, all-American girl-next-door.

CHECK LIST

HARMONY

AGE: 25 **BIRTHDAY:** December 30, 1978 **HEIGHT:** 5'7" **WEIGHT:** 125 lbs. **MEASUREMENTS:** 38-26-36
BRA SIZE: 32E **LIVES:** Illinois **PREVIOUS *SCORE* APPEARANCES:** May '04 (XXX-Rated boy-girl), Jan. '04
VIDEOS: *SCORE Xtra #10* (XXX-Rated hardcore debut, available on DVD and video in the Video Club on page 98 of this issue); *Busty Dildo Lovers #5* (X-Rated, available on page 22 of this issue)

Harmony's life is a contradiction, albeit in a good way. As Sweet as her last name in person, sitting behind her secretary's desk in her business dress nobody she meets has any idea that she would be capable of posing nude, much less fucking on film. "I'm just like every woman in the world. We're sweet and innocent with our clothes on, but when they come off…*watch out!* Honestly, women aren't any different than men. We all need sex. And we'll do whatever we can to get it." *Every* woman? C'mon, Harmony. You're in a league all your own.

She's a great lay, too. And even though Harmony has awesome, all-natural boobs, this Sweetie-pie credits her pussy more than her mams for her fucking prowess. "When you have a tight one like me, you stick a finger up there and it gets me off. With a big dick, oh my gawd…I go crazy! Guys love that, too, seeing a woman cum, all screaming and horny. Heck, I watch porno movies and I love it. Who wouldn't?" Not us, Harmony, you can bet your beautiful ass on that. And, "thank you" by the way. We really loved your hardcore debut on *SCORE Xtra #10*. Got off so much, you weren't the only one screaming like crazy.

ANGELA WHITE

clothes so all I wore for a span of about six months was all these clothes that fit me as B-cups. So the shirts were stretched right out.

SCORE: How many bras do you own?

ANGELA: Not very many, actually. Because most women in Australia have quite small boobs, the bra stores don't stock my size. There are two companies that make a G-cup, so I've got both of their bras because they only brought out one bra each. So I've got two different bras. That's pretty pathetic.

SCORE: Are you still growing?

ANGELA: I hope so. I don't know for sure, but only a little while ago I was an E-cup, well, a little while ago, five months ago. I still think my boobs are pretty small. When I read *SCORE* and I compare them to the girls in there, I'm pretty small really.

SCORE: Compared to who?

ANGELA: Maxi Mounds.

SCORE: Just about everybody's small compared to Maxi. You say you lost your shyness after you got your boobs. Sexually, did you become more active?

ANGELA: Oh, yeah, absolutely.

SCORE: Clearly, guys became more interested in you as your boobs got bigger. But in what way did you become more sexual?

ANGELA: Confidence. I was always pretty horny as a teenager, but I really never acted on it because I was so shy.

SCORE: But you must have masturbated a lot.

ANGELA: Yeah, quite a lot. It depends, what's your definition of a lot?

SCORE: A couple of times a day.

ANGELA: That would have been me. Depending. Sometimes it would be more than twice a day.

SCORE: And you like guys and girls. What was your first girl experience?

ANGELA: My first kiss with a girl was at my best friend's house at the time. We always used to play truth or dare with her brothers and her brothers' friends. One time when we were over they had a case of beer. They said, "We'll give you a six pack each if you kiss each other." And that was our first kiss.

SCORE: Did you like it?

ANGELA: Yeah. It was really cool.

SCORE: Did you take it any further?

ANGELA: Oh yeah. Not that time, because that was just my first one. But since then, you could say I've basically done everything.

SCORE: When you have sex with other girls, do you prefer big boobed girls or do you pretty much like all kinds?

ANGELA: I really love big women. It doesn't necessarily have to be big boobs, but I love chubby women. I like their tummies to be soft and spongy.

SCORE: Who handles breasts better, men or women?

ANGELA: Women. Sorry, guys.

SCORE: Why is that? Please instruct us.

ANGELA: You just don't know how to treat them because I guess you don't have your own.

SCORE: What's the right way?

ANGELA: If a girl teaches you how to play with her boobs, she doesn't want you to play with them that way all the time. If she's in a sexy mood, she might want them played with erotically. But if she's in an "I wanna fuck mood," she doesn't want them lightly touched and licked, she wants them grabbed and tossed around.

SCORE: So, guys always do the same thing when they play with breasts?

ANGELA: Pretty much.

SCORE: Which is what?

ANGELA WHITE

Continued from page 72

ANGELA: It's different for each guy. But the same thing over and over again. They just go, *ugh,* throw them around. You know, I have a nipple there, play with it some.

SCORE: Suck hard, suck soft?

ANGELA: Whatever the mood is.

SCORE: Have you ever cum from just having your breasts handled?

ANGELA: Unfortunately, no. But I plan to. Well, I've got to find a guy who will actually bother to pay enough attention to my breasts to make me cum.

SCORE: How long do you think you need to cum from breast-play?

ANGELA: It's not the time, it's the way you touch them. I guess I just like them stroked and touched really light, so that it almost tickles. Really soft. You know, I actually had one guy that got them out and freaked out so much that he just left. "My god, I've never seen anything so big. I'm gone, bye."

SCORE: He was crazy.

ANGELA: That's what I thought. It was at my place. I was lying on the bed, and we were playing around, and I took my bra off and he freaked out. So I was just left there, half-naked and horny.

SCORE: Were you pissed off?

ANGELA: No, I just pleasured myself. Fuck him. Am I allowed to say that? It's a naughty word.

SCORE: You can say it. This is not Mr. Rogers' neighborhood. What do you want to do when you grow up?

ANGELA: I want to be a model. No, I don't know. There are so many things I want to do. I always wanted to be a lawyer. That's basically what I wanted to do since I was 12. Then, in high school, I wanted to be an actress. I took drama classes, and I was obsessed with it. I guess I just wanted to be famous. It wasn't really the acting. Because my first years in high school, no one knew me because I was so shy. But now I'm really looking into journalism. There are a couple of Australian magazines that I'd really like to work for. *SCORE,* too, if you ever have a position.

SCORE: Are you going to go to college?

ANGELA: It depends on how it goes. I don't know if I'll go straight away. I'd like to take a year off. Then I'll go.

SCORE: Let's go out shopping. What might you be wearing?

ANGELA: I usually wear my little Dickie dresses. The brand Dickie came out with little dresses. I always have to order my Dickies from America and pay three times as much. They call them their nurse dresses. They're short and they button all the way up, and they come in different colors. I like to wear them out.

SCORE: When you wear that, do you wear a bra?

ANGELA: It depends. I don't need to because they hold them up and squish them together.

SCORE: Are you the horniest person you know?

ANGELA: Yeah.

SCORE: Do you always think about sex?

ANGELA: Yeah.

SCORE: You flew over here 18 hours on a plane with no one next to you?

ANGELA: Unfortunately, no.

SCORE: Thank god. We don't want guys stealing you away. Was that making you horny? I mean, the vibrations, they make a lot of people horny.

ANGELA: Yeah, I was sitting behind the wing, and when you sit behind the wing, it vibrates even more.

SCORE: So you were getting hot.

ANGELA: Yeah. I just took a couple of trips to the bathroom.

SCORE: That's incredible. How do you deal with being horny. Do you just walk into a bar and grab a guy and say, "Your round," or do you just take care of it yourself?

ANGELA: Depends. I usually just rape a lot of guys. Well, not rape them, that would be wrong. I attack them.

SCORE: What's the craziest thing you've ever done to get sex?

ANGELA: I've done some crazy things. One time when I was out shopping with a couple of mates, one of them introduced me to one of their friends. We were just sitting there talking and he says, "Fuck, I'm horny. Wanna fuck?" And I said, "Okay," and we went and had sex on the fire escape. There are stairs to go up there. We had sex on the stairs and someone caught us there. So we went into the public toilets and fucked there.

SCORE: He was inside of you and some old lady catches you.

ANGELA: It was a man actually, one of the cleaners, thank god.

SCORE: Couldn't you go home?

ANGELA: Oh, no. We were really horny. There was foreplay on the steps, and

then we realized how easy it was to get caught, and we just got back into it in the toilet.

SCORE: You're on the steps with this guy. Was there a blowjob going on?

ANGELA: There were lots of blowjobs going on…everywhere.

SCORE: Sounds like graphic language doesn't offend you. Some women get very offended.

ANGELA: No, it doesn't bother me. There's nothing you can say that will offend me, really.

SCORE: When you were caught, where was his cock?

ANGELA: He was inside me.

SCORE: So you went to the bathroom and into the handicap stall.

ANGELA: He had me up against the wall at first with my legs over his hips and then I gave him a blowjob in the toilet.

SCORE: He came.

ANGELA: Yes.

SCORE: You came. Do you cum easily?

ANGELA: No. I'm really hard.

SCORE: Tell us, what does it take to make you cum?

ANGELA: I can't actually do it with my fingers. I need a vibrator, or I need a guy to move his fingers fast.

SCORE: You can cum from oral sex or a guy with his fingers, but you can't come from a guy just fucking you.

ANGELA: I have a couple of times.

SCORE: Tell us your average day.

ANGELA: I have a shower in the morning. I usually masturbate in the shower because I like getting the water like…

SCORE: Can you show us?

ANGELA: You want me to stand up and show you? I just use the showerhead because I like the feel of the water running on my pussy and on my clit. I'd show you, but then I'd have to fuck you because I would get so horny. And, I don't know, you may not be able to handle me. I'm a lot of woman, even though I'm still only a young girl.

SCORE: I noticed you have your tummy pierced. Any other part of your body pierced?

ANGELA: No. My ears but nothing else. No pussy piercing.

SCORE: Angela, before we go, I wanted to read the rest of your letter: "Living all the way Down Under, I thought my chances of ever fulfilling the dream of posing were slim to none." Well, guess what? Your dream has come true.

ANGELA: Thank you for making it all happen!

SCORECARD

Continued from page 12

I was reminded of the wonderful experience I had with her on Dec. 4, 2003 while she was feature dancing in City of Industry, California at a club called Exotica Showgirlz.

At first, I was the only guy offering her any green. I was placing dollar bills in my mouth (held by my lips), and she would engulf my face with her heavenly 50" juggs and receive her tips within her bustline. Eventually, more guys saw all the attention I was getting and got into the act.

After Kayla was done with her show, I approached her, and we talked about what we could do. Boy, I love her, and I found her to be really sweet and quite down-to-Earth, unlike a situation I had with another *SCORE*-girl less than a year earlier at the Spearmint Rhino (also in City of Industry) where for some reason this other dancer seemed to be a bit snotty, and she turned me off a little bit.

Anyway, Kayla gave me a terrific lapdance and she was rubbing my boner while I was sucking on her huge nipples. Then we hugged and kissed, and I took a Polaroid of her and paid her, happily I might add. She's very reasonable, too. I didn't spend a whole lot of jack for all of that.

I enjoyed jerking myself to orgasm three times today while staring at Kayla's and Maxi's eye-poppingly huge, wonderful boobs and trying to imagine the joy of my rod being stroked in between either babe's deep cleavage until I'm shooting like a fire-hose shoots water–with extreme force!

Big boobs excite my dick! That's why I love *SCORE* magazine. I just wanted to write and share my Kayla experience with you and my fellow readers, who I'm sure have had similar experiences, not only with Kayla, but with other *SCORE*-girls.–"Big Danny," Walnut, California

Hey, it's a bush sighting! And it's Nadine Jansen's bush! No, the new German Wunderbabe is not losing her fig leaf just yet and taking the hardcore or dildo plunge like so many of her peers. We just got lucky. Then again, any chance we get to see new photos of Nadine Jansen is a good day, so count your blessings and enjoy the view. And while you're at it, forget about that bush or the love tunnel below it. Nadine Jansen is a tit model. For many, she is *the* tit-model. Looking at her picture-perfect boobs, it's easy to see why she is considered the next great one, if she isn't already there.

Photographed by Nicholas Sage at Danni's Hard Drive, this is Nadine's second *SCORE* appearance of 2004, yet only her fifth since she debuted on that now famous Feb. '01 *SCORE* cover where we proclaimed Nadine had the "Best Tits Ever!" Whereas models like Nicole Peters and Ines Cudna have made more *SCORE* appearances in less than a year than Nadine has made in three, it may actually be her lack of posing that has made Nadine so popular with *SCORE*-men. With a *Voluptuous*-style body, every time Nadine appears in *SCORE*, we always brace ourselves for reader letters bitching about putting fat chicks in the magazine. We don't get many, which is fortunate, because with Nadine, we just can't help ourselves. She's a boob-lover's model, and *SCORE* has been and will always be about the boobs. And Nadine Jansen has, dare we say it one more time, perhaps the "Best Tits Ever!"

VIDEO: *Busty Euro Maids* (XXX-Rated, available on DVD and VHS in the Video Club on page 98 of this issue)

The storyline of Veronika's new video, *Busty Euro Maids,* is purely elementary. A rich guy, named Mr. Trousersnake, needs to hire a new maid. Of course, he must audition every applicant. Lovely Veronika is the first one to apply for the job, and from the sights and sounds of her hardcore initiation, we confess, we've cum eight times from watching this scene alone. Watching Veronika in XXX action, you can't help but get the feeling that she's loving every inch of her first on-camera fucking.

With her heavy, all-natural floppers, and a curvy, rubenesque body, Veronika is easily the most statuesque of the *Busty Euro Maids*. And for a first-time performer, she's awesome. Her secret? The same as her Czech co-stars Iva and Marketa…where some American porn stars do movies just for the money, these three Czech-mates sincerely enjoy the sex. Like any other job, if you like what you're doing, you do it well.

BUSTY EURO MAIDS

VIDEO REVIEW BY DIRTY BOB

Whenever I hear the name of big-boob legend, John Graham, I immediately think of two things: 1) Girls in Europe and 2) Busty girls in Europe. Fortunately for everyone, he never disappoints or deviates from providing high-quality work with girls of this nature.

Graham's level of quality needs to be emphasized. He shoots everything against a European background complete with a large, elegant mansion, scenic views, and a feeling that money is no object–at least, for the lucky guy who plays the owner of this estate. And, as everyone knows, money talks quite loudly when within earshot of ambitious women who will do anything to be a part of that lifestyle.

The average viewer stateside is probably unfamiliar with the names of many Euro gals, although *SCORE*-men certainly know Ines Cudna, Veronika, Iva and Marketa from their magazine appearances.

And even though there are only four women in this entire production, with so many breasts together in one place, it just seems like many more are on the scene. It's all about tits, folks. Huge tits. Breasts that tit-men live to see and dream of fondling. And *Busty Euro Maids* fits this category perfectly.

The maids are solicited from a great advertisement in the newspaper: "Live-In Maid Wanted. No Uglies. Must be beautiful and have big boobs. Dicktation required. Must be skilled at cleaning cock with tongue, tits and twat. Call Mr. Trousersnake."

The first woman to show up to apply for the job is Veronika. Perhaps "audition" for the job is a better way to phrase it. The guy stands up from behind his desk, and Veronika is stunned to see him already unzipped and pointing right at her surprised mouth. He tells her that, to get the job, she has to suck him, and her response is to drop to her knees and, with no hesitation, gobble away.

This sexy wench may be lacking in English skills, but she makes up for it in many ways. Blonde hair cascades to her shoulders and lightly moves in the breeze caused by her nodding head. Her superb breasts, large, all natural, and conical, have that shape that makes one tend to squeeze and unsqueeze his hands in anticipation.

Mr. Trousersnake soon has her lying flat on her

Four of Europe's hottest busters are the stars of *Busty Euro Maids* (from left to right): February '04 *SCORE*-girl Veronika; Czech beauties Marketa and Iva; and January '04 calendar-girl Ines Cudna. The first three do hardcore and lots of it on this brand new *SCORE* video. And while there's no XXX yet for Ines, Busty Euro Maids does feature the busty Polish cutie in her hottest scene to date–a four-way girl-girl.

Rising Czech porn starlet Iva (left) does a raunchy two-cock threesome which includes a very erotic anal sex scene. In another bone-stiffening scene from *Busty Euro Maids*, Iva and Marketa double team a lucky guy and, of course, there's also plenty of all three beauties in one-on-one XXX scenes. It's a wall-to-wall fuckfest!

back on his desk. He smacks his hard cock repeatedly against her pussy to get the blood flowing, and it isn't long before he is plunging into this panting sexpot. He then flips her over, still on the desk, for some doggy that causes her breasts to sway like pendulums. Her screams are almost drowned out by the pounding sounds of their passion and his occasional butt-whackin'.

During portions of their romp, he reaches around and grabs hold of her tits for support. Then it is his turn to lie on his back and she rides him while his face gets stroked by her suspended mammaries. More positions occur, all of which capitalize on her swinging and bouncing breasts. All good things must end sometime, and she tittie-fucks him and then jacks him off on her tits and face while giving this lucky bastard a big, happy smile.

Did she get the job? He asks her to wait by the pool as he has more interviews. Decisions, decisions.

For the record, this apparently rich dude already has a maid, Ines Cudna, who walks around wearing a low cut French maid outfit. Ines' job so far is to introduce the girls to their potential boss.

Two more girls arrive to try out for the job. Iva, wearing clothes that barely hide the treasures beneath her clothes, is a youthful brunette. The other woman is Marketa, and this busty blonde is almost busting out of her tightly-stretched blouse.

Ines Cudna grabs the guy, long, hanging penis in hand, and leads him to the pool where 19-year-old Iva is patiently waiting. She likewise wastes little time and, in halting English, learns that to get ahead you have to put out for the boss. She opens wide for the chunky and takes him deep down her gorgeous throat.

Within moments, her top is unbuttoned and her super boobs are unleashed for the visual enjoyment of this man. Still bobbing down on

his cock, another guy arrives and joins in to make it a threesome. Her skirt quickly comes off and, following an alternating blowjob/handjob combo, Iva gets it doggy from one well-hung, rock-hard stud while blowing the other. All the while she is bent over, and her floppy boobs are bouncing against what little clothes remain.

They soon find a padded platform and assume a variety of positions. The camera concentrates on three things: vaginal insertion, lip service and her constantly swaying chest. The guys then get to perform a double penetration on Iva, which monopolizes the camera angle for a lengthy time. The guys eventually explode all over her hungry, horny face and tits, and the camerawork shows her looking up to

Marketa (left) and Iva (right) share a dick in this scene from *Busty Euro Maids*. Shot on location, *Maids* showcases these all-natural Czech busters.

provide the feeling that it is you, the viewer, who just hit the XXX jackpot.

All of the action features performers who are probably not that familiar with English, but pretty good at saying their lines. Some of the comments (especially the guys) tend to be a bit humorous, perhaps lost in translation, but extremely entertaining nonetheless.

Blonde-haired and right below the weight and height limits often referred to as pleasantly plump is Marketa. Her huge boobs, complete with just enough sag to prove that gravity exists, are soon revealed, and she follows the path of the others to get this much-needed job. She blows him for a bit and then, unexpectedly, Iva walks in unan-

Still at the tender age of 19, Iva loves sex and was quick to explain to us that her everyday sexlife includes anal. “I know a lot of girls don’t want to try anal sex, or they try it the first time and it hurts because it isn’t done correctly and then they never want to try it again. I guess I’m lucky, because the first time I had anal sex, it was with a very experienced man and he taught me how it is done properly. I’ve loved it ever since. Continued from page 12

nounced and naked and joins Marketa in delivering a passionate dual cock suck on this lucky bastard.

Iva temporarily takes charge and jumps on this sitting guy's hard cock and rides him while he fondles her and Marketa's breasts for added inspiration. They then switch and Marketa rides him as Iva tongues her bouncing boobs. They then do the old switcheroo, lie on their sides, and he once again penetrates Iva as Marketa cops some tit feels and passionately kisses the other gal.

He pulls out briefly, Marketa sucks his schlang a few times for added lubrication, and he sticks it back in again for more plunges. They repeat this procedure again and again, the girls switch places, and the cycle is repeated. Without missing a stroke, he also does each doggy-style.

The final messy climax occurs as, while he is seated, Marketa and Iva suck him off a bit more, lightly tease his dick with caresses from their boobs and allow him to pop all over their huge breasts and horny faces.

While awaiting the decision of who is to be hired, the three busty applicants are sitting outside by a table when the maid, Ines Cudna, brings them drinks. Ines is a bit more daring this time, and her top is totally gone. The booby prize for size goes to this woman as her breasts are a little larger than the others–and don't forget that the other girls boobs are already *big*.

After a little girl talk and flirting, they all go inside to a bedroom where a discussion concerning breasts is an obvious focal point for beginning conversation and action.

Comparing breast size leads to no-nonsense girl-girl action. They start out as couples and soon everything and everyone is mixed to the point where it is just a four-girl clusterfuck.

Sex toys miraculously appear. Marketa and Iva wield a long, skinny double-headed dildo and sensuously suck on the ends as they gaze into one another's eyes with mischievous smiles. Ines and Veronika have their own dildos, and they likewise spend time maneuvering them between their open lips and rubbing them across their

breasts in anticipation of what is bound to be coming shortly.

The double header disappears and is replaced by two ordinary sized, standard dildos similar to those being held by the others. At first Marketa strokes one against Iva's breasts as though she was playing the violin. They then tittie fuck one another.

Wonder of wonders, the double headed dildo is found again, and it is buried evenly inside Iva and Marketa. These two girls are butt-to-butt doggy on the bed and are now each, respectively, facing one of the other two girls. As they slide the long phallic piece in and, Marketa reaches up and sticks her regular dildo into Veronika as Iva does the same to Ines. Veronika and Ines, still standing in front of the dildo-engorged gals, continue to self-stimulate their breasts as the toys are pushed deep in their hungry pussies.

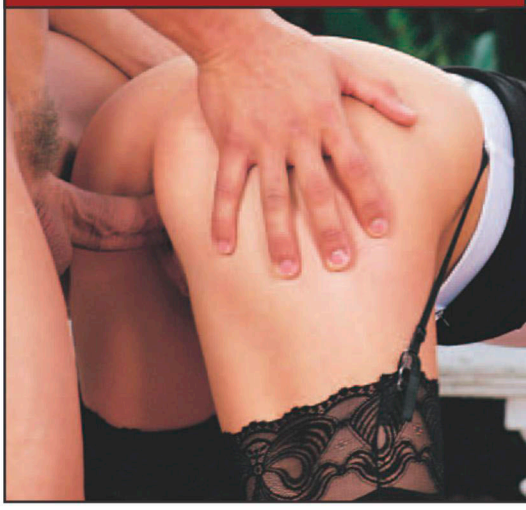
Next all four girls are side by side on the edge of the bed, with a dildo up their snatches and making one syllable guttural noises reminiscent of wild animals. It is a treat to see them letting it all hang out–and in–and fondle their incredible breast flesh.

Later in the day, the moment of truth is at hand. The trio of applicants, now relaxing nude in a Jacuzzi, are greeted by their future employer who obviously wants to give them all one more chance to prove their worth. As he is speaking to them, the camera shows a view from above where all six huge breasts are lazily floating left and right on the surface of the water.

This guy has it rough. Who to

There's no shortage of beautiful, busty blondes on *Busty Euro Maids*, with Ines Cudna (right) and Marketa (left).

Iva loves sex scenes with multiple partners. "When I do two men loving me at once, it makes me feel so desirable and feminine that I can give pleasure to both."



hire? He stands at water's edge as the babes take turns blowing him and fondling their tits. Deciding to get a bit closer, he sits on the edge which gives the ladies easier access to his hardness.

Two of the girls briefly break away, and he is treated to some girl/girl kissing and breast squeezing as he continues to get sucked by the third wench. This little addition of voyeurism is just the perfect thing to add to his pleasure.

Enough foreplay! He takes each girl from behind, doggy, while still in the Jacuzzi. It is a real balancing act for the females: they stand on one leg while holding the other leg completely out of the water, and he pummels them from the rear as their big breasts and pointy nipples lightly touch the top of the water. He then gets impetuous and with impish Iva against the side of the Jacuzzi, facing him, enters her straight on as the water sloshes and makes a wet mess of the surrounding area.

The four of them leave the confines of the pool and gang-blow him until, almost ready to unleash his passion, they back off slightly. Very shortly. They then get down to the main attraction and mount his skyward-pointing staff one by one and ride him while facing in both directions.

He indulges in some more doggy action and finally can't wait any longer. The girls form a triangle of tits, and, with the camera shooting once again from above, he pops on six large breasts en masse. Actually, his spunk eventually drips down to their boobs; it directly

hit their opened mouths first and then gravity took over and it finally rests on their chests in a gooey mess that is evidence of their talents.

So, who got the job?

Was it the gorgeous and super-busty Ines, who already was on the staff and hoped to retain her job of walking around in revealing maid outfits, showing off her huge breasts?

Or how about Veronika, the busty blonde whose initial fuck-the-boss initiation set the pace for the others?

Or perhaps it was the only brunette, Iva. A young gal, she really has that extra bounce and level of energy and incredibly-shaped breasts. The fact that she also did a bit of anal certainly can't hurt her sexual resume.

That leaves Marketa, whose ability to manipulate her mammaries to the best camera angle as she takes care of the boss and the other women, is without question a mark on the positive side of the sexual ledger.

So once again, who got the job?

Let's answer with a question: If you were filthy rich, would you hire just one of them to fuck during the day…or would you hire all three?

He is filthy rich and now super lucky, as all men should be.

PREVIOUS *SCORE* APPEARANCES: March '04 (XXX boy-girl), Holiday '03
VIDEO: *Busty Euro Maids* (XXX-Rated) and *Hard SCORE* (XXX-Rated), both videos are available on VHS and DVD in the Video Club on page 98.

Marketa may have gained a bit of weight since we last saw her in *Hard SCORE* and the March '04 *SCORE Xtra*, but it appears to be in all the right places. Her beauty and boobs are still on full display and the girl sure knows how to suck cock, that's for sure. When she teams up with Iva for a threesome in *Busty Euro Maids*, the scene is a wet dream come to life. Later in *Maids*, when their busty friend Veronika joins the party for a three-girl on one-guy Jacuzzi fling, well, that's about as horny as it gets. However, if you're a guy who likes your hardcore video served up plain and simple–one girl with one guy at a time–allow us to recommend Marketa's performance in her first video, *Hard SCORE*. We've got 'em both featured in this month's Video Club on page 98 of the main mag. So what's it going to be? *Maids* or *Hard SCORE?* Or maybe both? It's your choice.
