HOW ABOUT JANET JACKSON IN A NEW FANTASY SCORE?

Dear SCORE,

I miss *Fantasy SCORE*!

As a long-time subscriber, that's about the only negative I have for what you do.

I know some readers have been writing in asking for a return of *Dream SCORE*, and I would also be in favor of that, but how many readers remember *Fantasy SCORE*?

That piece of artwork by Duncan [Gutteridge] was always my favorite part of the magazine. I became so accustomed to opening *SCORE* every month and turning to page nine. Sometimes, even when I couldn't figure out who the drawing was, I still enjoyed the artwork.

Fantasy SCORE was also the only place I could ever see so-called celebrities naked, with the appropriate *SCORE* endowments. And that got me to thinking about who you could do today? A certain blonde pop singer (or two, or three, there are so many), Helen of Troy, a certain politician from New York, a vampire slayer...the possibilities are endless.

I would especially love to see that Super Bowl flasher. I watched the game and I didn't even notice what had happened, and I've been wondering when *SCORE* would show us *the* (tit) shot that shocked the world. Do you have access to that photo? If you do, could you show it?

And if Duncan is still around, do you think we could show the *Fantasy* compared to the reality? Judging from Janet Jackson's lack of boob power, it would make a wonderful contrast.

And, while I'm talking about celebrities, what are the chances of some celebrities in *SCORE*? I admit, I find myself strangely attracted to seeing certain female movie stars and singers naked and even partially naked or in exposing clothes. Even though I doubt they would

"One flash of the mighty boob and the Earth shifted on her axis."

Michael Medved, nationally syndicated radio talk show host, after *The Breast* bared itself during last year's Super Bowl.

THE SUPER BOWL TIT SHOT THAT SHOCKED THE WORLD!

I'd probably kill
about four people
in the front row!"**

JJ situation.

CELEBRI-TITTIES

Van Helsing's Kate Beckinsale Nude!

Shown here from the movie *Uncovered-Pearl Harbor*...Van Helsing star Kate Beckinsale (minus her corset and push-up bra) is looking more like a borderline A-cupper than a D-cupper.

ever match up to SCORE-girls, it is stimulating to see how the reality matches up with my fantasies. You could start with Kate Beckinsale. I saw her in *Van Helsing* and throughout the movie I was mesmerized by her tits, which were flowing out of all of the outfits she wore. She looks like a borderline D-cupper. I know it is a stretch, but what are the chances of her ever posing for SCORE?

Even if you can't manage to pull this off, thanks, SCORE. You make every month special.—T.F., New York

Dear T.F.: Turn back to page five for Janet Jackson's Super Bowl tit-shocker, and look to the left for Kate Beckinsale, nude from the unedited, uncovered version of Pearl Harbor. Kate isn't exactly sporting those big titties she's showing off in *Van Helsing*. In fact, she told E! columnist Ted Casablanca, when asked about her tight, restricting *Van Helsing* corsets, "Who cares, as long as they make my bosoms look big!" Seeing what Kate is carrying, she should never take her corset off. That's the reality of titties—only in SCORE does reality match up to fantasy. Speaking of fantasy, Fantasy SCORE is on hiatus, at least for a while, but may return.

IN A PERFECT WORLD...

Dear SCORE,

I sit here every month, anxiously awaiting the day my monthly issue of SCORE arrives.

In a perfect world, SCORE would be a weekly magazine, and there would be ONLY silicone super-titters.

Yes, I know I'm in the distinct minority on this one, but I miss the issues where we BIG-boob lovers were treated to gargantuan, obviously implanted tits. Minka. Candy Cantaloupes. Letha Weapons. Wendy Whoppers. SaRenna Lee. As long as they were super big-busted, I didn't care how they got them.

So, you can imagine my ecstasy when my latest issue (July '04) of SCORE arrived. When I opened it and saw Keisha Evans on the cover with the magic letter..."T"...as in T-cup tits, I started to get hard immediately! Keisha Evans is incredible! I hope you have many, many more pictures to show us.

And, not to be ungrateful, but the next time you show us Keisha Evans, give this lady the respect she deserves and put those tits on the front cover...big! As they should be! Have you guys lost your freaking minds over there? There was a day when a lady with super-sized boobs

like Keisha would get the honor of gracing *SCORE*'s cover all by herself. Minka and Angelique come immediately to mind. Now, it's like you guys are scared to show super-sized silicone tits. If you're #1 in big boobs, start acting like it.—P.R., New York

Dear P.R.: You make a valid point and in retrospect, perhaps we should have put Keisha on the July '04 SCORE cover. We did, however, feature Keisha in the latest Buxotica (reviewed on page 59), on the cover and in a new pictorial, and will be featuring the T-Cup wonder soon in her SCORE encore.

THE END OF AN ERA?

Dear *SCORE*,

Is Diane Poppo ending her modeling career? Her old video with her ex-husband is an antique composite that everyone yawns about. Diane is advertised as a "mom" and that is as unsexy as a woman saying, "I have a headache."

What has happened to this aging 34-year-old? Does she need hormone replacement? Or maybe you guys need testosterone replacement?

Actually, I think what Diane really needs is an orgasmic re-invention, maybe a Boob Cruise where she can skip and exercise and bounce her boobs from her navel to her eyeballs.

If *SCORE* promotes her as an aging "mom," heaps of money will pour in if Diane Poppo and a young male made a high-action tit-fucking movie. If *SCORE* thinks her antiquated movie showing tit-fucking with her "ex" will sell, I have to think a new, wild beast movie showing Diane and a young, buck porn stud would work wonders for *SCORE*'s bank balance.—L.H., Australia

Dear L.H.: Yes, we think a new hardcore video of Diane and a young stud would sell gangbusters as well. Diane, however, has declined our numerous requests, so until that day comes, The Diane Poppo Collection is as good as it gets.

Busty Dildo Lovers #6

A FRESH AND SEXY GROUP OF GIRLS FILL THEIR TIGHT TWATS WITH SEX TOYS.

Guys who have collected the *Busty Dildo Lovers* series often write in with their comments and suggestions. Here's one recent example: "I love when the model exclusively entices you to masturbate to her beautiful body and her posing. I have always fantasized about that. I would love to buy videos where the models do that. That would be one hell of a turn-on and ejaculatory video!"

Busty Dildo Lovers #6 takes this idea to the max with supersexy new **SCORE** models Dolly, Claudia, Christine, Lacy Love, Mercedes Mounds, Carmen and Kayla Cam. Pull up the comfy chair as each hot chick puts on a private masturbation session with lots of dirty talk and eye contact!

BIG BOOBS IN THE NEWS

MAMMARY LANE

WITH THE LEGENDARY PLATINUM PEAKS

If you were visiting Las Vegas, Nevada in the early '90s, you may have been handed such tourist magazines as *Today In Las Vegas* or *Desert Night* promoting mega-busted Platinum Peaks.

Beginning in 1992, Platinum was the main attraction at the venerable Palomino Club, a nude burlesque palace about 20 minutes north of the Strip. Because they were outside Las Vegas city limits, you could get booze and see totally nude cooze at Palomino.

Platinum was born in Canada into a family of all brothers. She had the ultimate showgirl look. The huge tits. The traffic-stopping looks. The blond mane. The long, shapely legs. The tight ass. In other words, a real headturner in Vegas, a city packed with super hotties.

"I was a tomboy growing up with all boys," she told newspaperman and *Looker* magazine writer Bob Shemelagian, who was suitably impressed enough to pen a full page story about her in the *Las Vegas Sun*.

A dancer for 10 years before moving to Vegas, Platinum often appeared during the late '80s in the now-defunct Vegas World Hotel (the Stratosphere Tower stands there now). Whenever she did, the hotel marquee billed her as 88-DDDDDDD! In 1992, she returned to Vegas World for one performance six nights a week at midnight at "So Big Burlesque," a re-creation of 1950's-style stripping. She also continued to dance at the Palomino. While the Palomino billed her as 70-24-34, "So Big" scaled her measurements down to a more respectable, if still hyperbolic, 83GGG-24-34. After a few months, Platinum was replaced at "So Big" by the more mature buster Patty Plenty. A few months later, the show folded. By 1995, Platinum was gone from the Palomino Club and the big-bust scene.

What became of her and what she's doing today is unknown. Perhaps Platinum returned home to Alberta. Maybe she's still in Vegas. Maybe she's still dancing somewhere or maybe she changed her life completely. Whether Platinum still has her impressive rack is another unanswered question. And that's how life can be on Mammary Lane: lots of unanswered questions.

RACHEL LOVE OPENS UP

SCORE-girl Rachel Love circa 1996 (left) and seven years hotter in 2003.

In January 1996, your friendly neighborhood Boob Beat columnist talked to Rachel Love, then 22, at the tiny booth of a small adult video company at *The Consumer Electronic Show* in Las Vegas. She was doing a lot of XXX back then. Eventually Rachel wrapped up her adventures in hardcore from 1993 to 1998 with over 132 videos, about half of them all-girl. Then Rachel completely vanished off the boob radar screens. Yours truly never dreamed he'd see this piece of sugar again when suddenly she reappeared as buxom and as sexy as ever and right on time for Sept. '03's all-natural (and sold-out) super-issue. Boob Beat checked back recently with Rachel for a quickie. A quickie tit-chat, that is.

SCORE: One thing I always ask is, when did your boobs begin to get big?

Rachel: When I was nine years old.

SCORE: Were you very popular in high school? Did you dress to impress and show off your boobs?

Rachel: I was very popular, and, no, I actually dressed conservatively back then to hide them.

SCORE: What do you do these days?

Rachel: I sell real estate.

SCORE: What kind of bras do you buy?

Rachel: Frederick's of Hollywood makes my favorites.

SCORE: What style of bras do you typically like?

Rachel: I like push-up bras. They make me look best.

SCORE: Do you like bras that hook in the back or the front?

Rachel: I wish I could find a front one!

SCORE: Do you always wear a bra?

Rachel: No, when I am at home I let them hang free and sometimes when I'm daring, I go out like twice a month without wearing a bra.

SCORE: Do you get fitted when you buy new bras or are you able to get them off the rack?

Rachel: Off the rack. I'm always too busy to get fitted. At least Frederick's carries my size, 36F.

SCORE: Do you dress to emphasize your chest? What do you wear?

Rachel: Tight, little shirts or tank tops.

SCORE: What type of clothing do you wear in everyday life?

Rachel: Casual and sexy.

SCORE: Do you like your pussy to be shaved or natural?

Rachel: It depends on my mood.

SCORE: Are you interested in getting body piercings or tattoos like too many models are getting?

Rachel: No, I change my mind too much. That won't work for me. Besides, my body doesn't need it.

SCORE: What do you like to do in your spare time?

Rachel: I like going to concerts, movies and comedy and karaoke clubs.

SCORE: Thank you, Rachel, for sharing and showing with us.

Rachel: Thank you, I enjoyed seeing myself in *SCORE* again.

COLLEGE CUTIES A GO-GO

AUSTRALIA—A survey of Brisbane, Australia exotic-dancer clubs reveals that many are employing university students. The students say a lack of decent part-time work and their study loads make stripping the best option for them to earn the income they need to pay their bills. One club owner said up to 10 percent of his strippers were students, which is actually a small percentage.

A University of Queensland pharmacy student named Jodine, 27, said she earned "a lot of money in a short time, rather than having to slave in a cafe for \$10 an hour. I don't have my parents to support me any more, and I've got to pay the rent," she said.

Most of her classmates know about her side-job. "Some boys are a bit like, 'Wow' and other students say, 'How can you do that?' but you do get those 18-year-old girls who want to give it a try. I eventually want to be a pharmacist or a researcher. I'll give it up once I graduate."

Rosie, 21, a fine arts student, is in her last year of study at a private arts school in Brisbane. "I started stripping when I was 18," she said. "I like the idea of the physical exercise, and I've always been good at dancing. I do up to 10 half-hour shows on a Friday and Saturday night which earns me between \$800 and \$2,000 a week. I'm open about it because I want to change people's perceptions about the industry. I've studied feminist philosophy and it's my choice."

Yvette, 23, started stripping as a first-year communications student at Griffith University. She earns up to \$1,500 a week stripping while she's looking for a job. "I couldn't afford to live on the \$340 a month I get from the government and I couldn't fit working with study," she said.

National Union of Students education officer Emma Tovell said many university students were being "forced" to take up exotic dancing to "fund their incredibly expensive education."

BOOBS-A-POPPIN'

HONG KONG—Although this news item sounds a bit like a hoax, or at the very least, a cover picture for the *Enquirer*, the Hong Kong edition of the *China Daily* reports that a woman in central China who had breast enlargement surgery some how wound up with two extra breasts.

The 24-year-old woman found the unwanted boobs growing on her stomach one year after she underwent surgery in a clinic in the Hunan province. The extra breasts grew until the woman was forced to undergo a second operation to get rid of them.

The initial operation was carried out at a small beauty salon, which was unauthorized to carry out breast enlargement surgery, according to the newspaper.

The cosmetic surgery industry has grown in popularity in China, but there is weak government regulation of enhancement surgery.

BOOB JOB FOR A POLISH MERMAID

WARSAW—The mermaid patron of Ustka, a small Polish port town on the Baltic coast, faces artistic breast enhancement after local politicians said her breasts were too small and her hips too wide. The town's mermaid coat of arms was supposed to play a key role in a promotional campaign and her looks became a big topic during talks in city hall.

"There was some discussion about the town shield and one female official said that the mermaid's breasts were too small and that she was a bit fat," a city hall spokesperson said.

The joke became a serious idea when local and national media reported the debate, giving Ustka a lot of news coverage.

"We are now considering altering the mermaid slightly by making her breasts bigger and making her leaner," said the spokesman. "She will become more attractive and Ustka will gain publicity."

IN HARMONY

Harmony Sweet (*SCORE Xtra* #10) normally straps her massively natural tasty cakes into 32E-cup bras. Here she shows what those wonderful sucklers look like shoe-horned into a ridiculous C-cup bra for a "big tits in a tiny bra" photo taken at the *SCORE* Studio.

What does she like to wear in everyday life? "I wear tight tops most of the time. I like to show off my tits. Why hide them?" says Harmony. Does everyone agree? She's no wallflower about sex either. "I like to fuck with a vibrator buzzing my pussy and clit. I'll run my vibrator along my clit and lips as his cock slides in and out. You talk about multiple orgasms! I like to titty fuck and I like to use toys. I use a big, rotating dildo in my pussy and an anal bullet in my ass. And I have no interest in other women. I'm strictly dicky! The first thing I look at in a man is his lips. The bigger the lips, the better he can suck my pussy."

SAHOLY

YOUNGER BOOBS REPORTED IN EUROPE

HAMBURG, GERMANY—Many of today's generation of post-menopausal women have breast tissue closer to that of younger women. That's the report from European breast specialists. As women age, their hormone levels drop and the breasts change in structure, becoming fattier. Contrary to this pattern of maturity, mammogram samples from a screening program in the Netherlands showed that a quarter of women aged 50 to 69 had the mammographic breast patterns more normally associated with younger women. Among 50- to 54-year-olds, the proportion was 44%. Radiologist Dr Fred van der Horst said no one really knew why the changes have occurred but it could partly be due to the alterations in childbearing patterns.

THE BRA TAPE

Based on their marketing research, many bra manufacturers claim that over 70% of women are wearing the wrong size bra. Women's breasts change size throughout their lives due to pregnancy, personal fitness programs and changes in diet so bra-makers emphasize that it's important to wear the correct size bra and get re-measured every few years.

The signs of not wearing the correct size brassiere include the back of the bra not being level with the front, too tight

straps, the breasts bulging out of the cups and a gap between the bra and breastbone.

Standards for bra sizes vary from region to region. A DD in the U.K. is a DD in the U.S.A. but an E in continental Europe. An E in the U.K. is a DDD in the U.S.A. but an F in Europe.

A new tape measure called the Imperial Bra Tape allows retailers to offer a quick bra-fitting service or allow their customers to accurately measure themselves. Individuals can buy them also for regular at-home measuring. The tape is

150cm (60") long, made of durable, polyester tape printed with a color coded system of bra fittings from 32AA to 44G on the front. The back features the standard dual marked tape measure.

Over 90% of users found the Bra Tape easy to use. First the tape is wrapped around the chest directly under the bust and the color is noted. Then the fullest part of the bust is measured and the size in the color noted from step one gives the correct bra size. It's available from several companies including Morplan in London and the Breasttalk.co.uk website.

CHRISTY LEE'S FAVORITE THING

Well, not much on the boob-less tube this month—The History Channel is repeating Luftwaffe week yet again—so it's the perfect time to join Scoreland.com where you can enjoy a superhorny 20-minute video of Christy Lee doing what she does best: fucking.

No one will ever forget what Christy (April '04 *SCORE Xtra*) said at the *SCORE* Studio about her favorite sex position. "Any position where the guy can really bury his cock so I can feel his balls slapping me."

That is one of the all-time greatest quotes out of a model's mouth. (You'd almost suspect a publicity agent invented that line but it's too good.)

She says her most unusual sex experience was in a movie theater.

"I was wearing a miniskirt. I moved aside my panties, he took his cock out of his pants, and I sat on it. The movie house was almost empty. We sat in the back. I was scared that the usher would catch us. I fucked him hard and fast trying to cum quickly because I was really afraid of being caught. I'm sure some of the other people there noticed us. Would I try it again? No, I get too nervous having sex in public places."

BRAZILIAN BOMBSHELL

2004'S CROP OF NEWCOMERS JUST GOT A WHOLE LOT BUSTIER!

Her name is Luma, and, just like English newcomer Kelly Kay on page 72, we gotta say...Look at these tits! They be F-cups, and they be 100% additive free. Mammary magic, awesome areolae and thick spigots of nourishment all the way from Sao Paulo, Brazil. Whom do we have to thank, aside from the Big Man upstairs, for Luma? That would be a fellow *SCORE*-man.

LUMA

AGE: 23 **BIRTHDAY:** April 19, 1981 **HEIGHT:** 5'6"

WEIGHT: 145 lbs. **MEASUREMENTS:** 44-28-38 **BRA SIZE:** 36F

BORN, RAISED AND LIVES: Rio De Janeiro, Brazil

OCCUPATION: Tour guide hostess and dog breeder

Luma was discovered by Brazilian *SCORE* and *Voluptuous* subscriber C.Z., who has also sailed on four Boob Cruises. This is the same man who discovered Sylvia Panda for us in 1999. Five years later, we see he still has his boob radar working. "I saw Luma on a tour. That's what she does. She is a hostess for a tour company in Rio," says C.Z., who was immediately on his cell phone to our Prez and CEO. C.Z. snapped a photo of Luma *clothed*, e-mailed it from his cell phone, and TSG's Big Dog took one look at her overly-stuffed halter top and told him to "go for it!" C.Z. did, and a week later our lensman was in Brazil.

Is Luma on par with other super-natural newcomers of the past few years? Time will tell—and you readers will be the judges of her greatness—but in her first pictorial, Luma looks like she measures up pretty well. In fact, Luma might be the only one who thinks she isn't destined for greater things, despite her dual debut in this month's *SCORE* and the Sept. '04 *Voluptuous* (still on sale at newsstands if you hurry!). Luma just doesn't think she's that hot. She had never even given a thought to modeling for big-boob mags (or to modeling nude at all) until our man in Brazil approached her. But the *SCORE* camera seems to bring out the best in people, and, though nervous at first, Luma got more comfortable and more erotic, and within a few hours she was posing like, well... a natural.

THE SCORE

A dangerous heist. A horny sex kitten. A great pair of tits. He was going to *SCORE*...but would he live to tell his tale?

Erotic Fiction By MICHAEL BRACKEN

I caught Alex stepping out of the shower, one towel wrapped around her wet hair, another held in her hand. I pulled her to me, wrapping one hand around her back and cupping her ass with the other. Her heavy, spongy breasts were smashed between us.

I loved Alex's breasts. Full and pendulous, with the upward tilt of augmented perfection, but 100% all-natural, and fluctuating between the E- and EE-cup ranges, depending on her time of the month. Today was a "mere" E-cup day, and that was just fine with me.

I stepped away from Alex to admire her form, then pulled her close, mashing her breasts against my chest once again, her already turgid nipples pounding passionately into the muscles of my chest. I covered her mouth with mine, and we kissed long and deep and hard. When Alex finally pulled away, she left a wet silhouette of her body on my clothes.

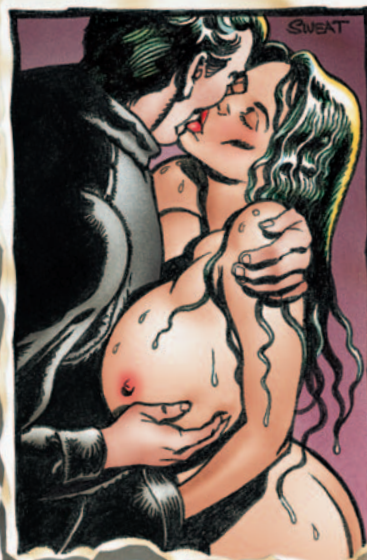

"What..." Alex asked as she tried to recover her breath, "What in the world was that all about?"

"The job went smooth as silk," I explained. "A piece of cake. In and out in less than 10 minutes."

Alex pressed herself to me again. Between passionate kisses, she asked, "How much did we get?"

"A million five," I said.

I responded to the pressure of her body against mine and my cock stiffened. "Give or take."

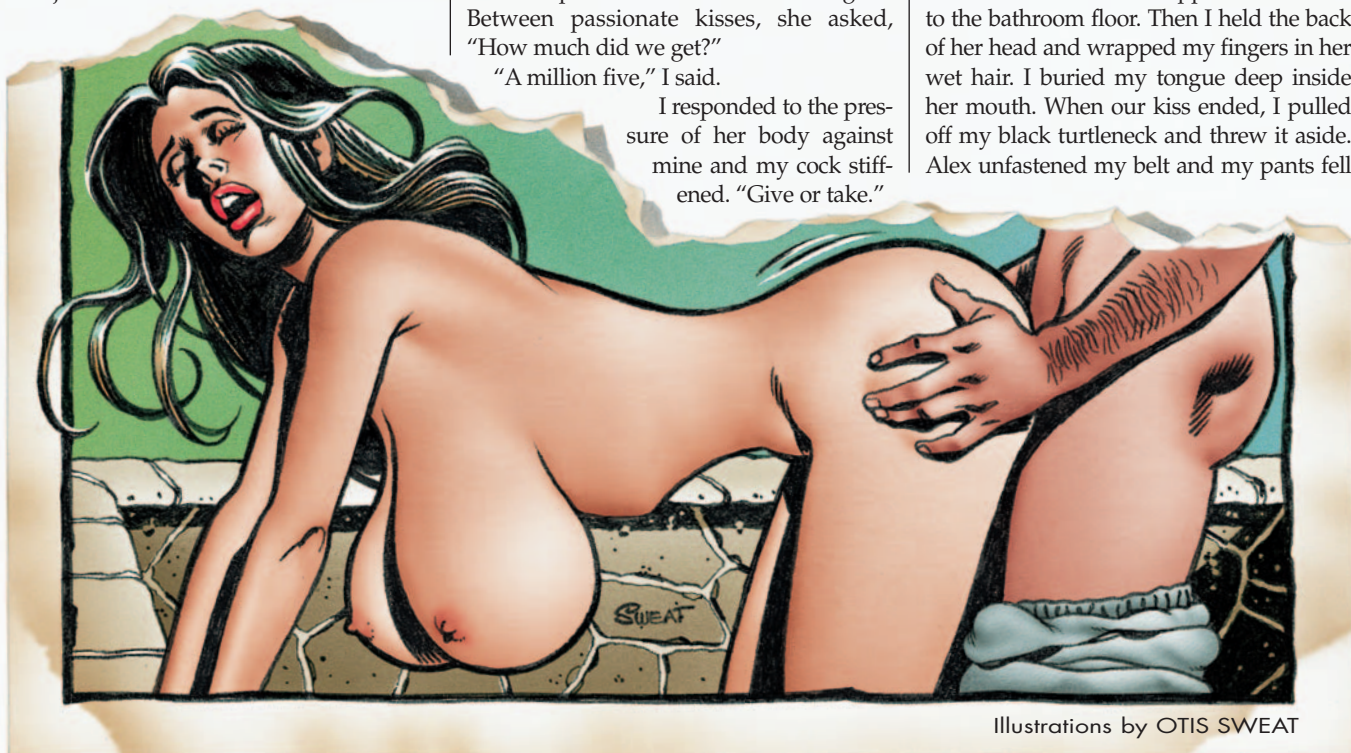

"Total?" she asked. "Or our share?"
"Our share."

That made her smile.

For planning the jobs, I take half of everything after expenses. The rest of the crew, including Alex's ex-boyfriend, splits up the balance.

Alex must have felt my turgid cock pressing against her abdomen. She slipped her hand down between us, unzipped my black pants and slipped her hand inside. She snaked her fingers through the opening in my Jockeys and wrapped her slim, delicate fingers around my meaty, hard cock.

I kissed her again, hard and deep. The towel around her head slipped free and fell to the bathroom floor. Then I held the back of her head and wrapped my fingers in her wet hair. I buried my tongue deep inside her mouth. When our kiss ended, I pulled off my black turtleneck and threw it aside. Alex unfastened my belt and my pants fell

SOMEBODY WAS GOING TO GET THE SHAFT. THE ONLY QUESTION WAS, WHO WOULD IT BE?

to my ankles. Then she dropped onto her knees, pulling my Jockeys down as she lowered herself.

My cock stood at attention in front of her face. She wrapped her hand around it again, holding the stiff shaft as she covered my swollen cock head with her lips. She used her tongue to tease the tiny slit in my cock head, then she licked all the way around the glans.

She reached between my thighs and cupped my heavy ball sac in her palm. As she massaged my balls together, she eased another inch of my cock into her mouth. Then she pulled back until her teeth caught on the soft helmet head.

She eased forward again, taking half of my cock into her mouth, then she pulled back. She did it again, and then again, and then finally she had my entire cock in her mouth. I wrapped my hands in her wet hair and held the back of Alex's head as I pulled my hips back and pushed my cock forward and deeper.

Again and again I fucked her face, and then I couldn't hold back. I came hard, sending a thick wad of hot spunk against the back of her throat. She squeezed my balls together and swallowed every drop of hot, gooey cum.

A moment later, she pulled her face

away from my crotch and looked up at me. She licked her glossy, moist lips and smiled.

I took her hand and helped Alex to her feet. Then I stepped out of the last of my clothes and led her into the bedroom. We fell across the bed and a moment later I had one of her thick nipples in my mouth, sucking it into my mouth and nibbling gently on the base of the one-inch dug. I held her other tit in my hand, her nipple pressed into my palm. Then I slipped my hand lower, covering her damp, black cunt hair with my palm and teasing her pussy lips with the tips of my fingers. They were already slick with desire, and my fingers slid into her easily. I quickly found the knob of her clit, and I stroked it as I continued suckling her nipple.

"Jesus," she moaned. "Stop teasing me and stick it in me. Fuck me already!"

By then my cock and grown hard again, and I shifted into fucking position—missionary. I was onto her and into her in one quick motion, sinking my cock deep inside her hot box. I drew back and thrust forward, fucking her hard and fast, the headboard slamming against the wall with each forward thrust.

Alex brought her knees up, pressing her feet flat on the bed, and she thrust her snapper-pussy up to mine each time I drove my cock forward. She wrapped her arms around my back and held on tight, and then she bit my shoulder to keep

from screaming as she climaxed.

Her entire body spasmed beneath me and her fingernails were impaled into the flesh of my back as Alex's cunt seemed to be trying to milk my cock dry. I pounded into her two or three more times and then I came, my own body spasming until I collapsed on top of her as hot spunk shot deep inside her hungry, quivering pussy.

Later, we lay in the dark. Alex had one leg thrown across my thighs. One tit rested on my chest, the other to my side.

"So, is this really your last job?" she asked. "Like you promised."

"What's that, Alex?" I asked. I'd nearly been asleep.

"You said if this score was big enough, you'd pack it in, quit the life and we'd move somewhere warm," she explained. "Did you really mean it?"

"Sure I did," I said. I'd meant it when I'd said it, but all evening I'd been rethinking

my plans. I could live with the cold another few years if I thought I had a serious shot at another big score.

"Good." Alex snuggled closer, kissing me gently in little baby kisses until she finally rested her head on my shoulder. "I know just where we'll go."

We flew to Mexico a week later, bought a used Jeep, and drove for half a day until we reached a small fishing village on the Gulf Coast. We paid cash for a small villa and no one gave us a second thought.

For the next few months, Alex spent her days sunbathing nude until her skin turned golden bronze and we spent the nights fucking like rabbits.

On the veranda one night, as we faced the Gulf of Mexico and the sun disappeared below the mountain crest behind us, I took her from behind. We'd been sipping Margaritas ever since dinner, and I placed mine on the stone wall as I stepped up behind her.

"It's beautiful, isn't it?" Alex asked. She wore a simple cotton dress, thin enough to see through, with nothing underneath.

I murmured assent as I reached around Alex and cupped her heavy breasts in my hands. I felt her nipples quickly swell beneath my touch, and I stroked them with the balls of my thumbs.

I kissed her shoulder where it met her

neck, then lightly nipped her with my teeth. Alex moaned softly and pushed herself back against me. She turned her face and we kissed, her moist lips parting to allow my tongue inside her mouth.

She unbuttoned her dress, and I slipped my hands inside, cupping her breasts again, feeling her warm skin against my palms, feeling her turgid nipples straining at my touch. Her breasts thrust out from her chest, surprisingly firm for their size, and I massaged them with my hands, feeling her soft skin squirm between my fingers.

She slipped the dress off her shoulders, and it slid down between us, pooling at her feet. Only my sweat pants separated us, and Alex reached back to pull them down. They stopped at mid-thigh, but it didn't matter. Alex pressed herself backward, catching my cock in the crack of her ass, surrounding it with warm butt flesh.

"Don't you wish we could stay like this forever?" Alex asked, but I didn't answer.

I drew back and Alex leaned forward. She reached between her thighs and guided my cockhead to the soft folds of her moist pussy lips. I slipped into her easily enough, sinking deep inside her warm, slick pussy. I drew back and pushed forward.

I released my grip on Alex's breasts and grabbed her hips, holding on tightly as I thrust into her. Alex held onto her tits to keep them from bouncing, and she tugged and teased her nipples with her thumbs as

her body rocked with each thrust.

Alex screamed when she came, and the sound echoed around us, but it didn't matter. The nearest neighbors were a mile away, and we hadn't seen them since the day we moved into the villa.

Then I came, driving into her one last time before I shot a thick wad of hot spunk deep inside her throbbing pussy. As I leaned against her and fought to regain my breath, her pussy milked every last drop of cum from my softening cock.

When my cock finally slipped free, I stepped to the side, pulled up my sweat pants, and leaned against the stone wall.

Alex pulled her dress up, buttoned it in place, and then leaned against me. I lovingly wrapped my arm around her, my hand passing over her breasts and down to her flat tummy. She leaned back, kissed the left side of my neck, and pressed herself against me. We stayed in that position for what seemed an eternity, but in reality was only a minute until she finally asked, "Why can't we stay like this forever?"

"I'm...getting anxious," I said, holding her in place while we both stared at the aquamarine waters of the Gulf. "I need the action, the juice, the adrenaline rush. I spend all day pacing around this place..."

"...And all night keeping me warm," Alex interrupted. "Very, very warm."

"And what am I going to do about it here? I could knock over the bank, but what would I get out of that, two pesos and a chicken, if I'm lucky?"

Alex pulled away and turned to face me. "You want to go back."

"I don't want to go back," I said. "I need to go back. I have to go back."

"What will I do if you leave?"

"You won't come with me?" I asked. I hadn't considered the possibility of returning without Alex.

"I'm staying here," Alex said. "With you or without you."

"That's it, then," I said.

I stalked into the villa, quickly packed a bag, and then loaded it into the Jeep. I climbed behind the wheel, keyed the ignition, and then hesitated for a moment, looking at the front door of the villa. When Alex didn't show her face for one last goodbye, I dropped the Jeep into gear and drove away, a cloud of dust signaling my exit.

"Where the fuck have you been?" Little Pete yelled out. "Nobody's heard a word from you since the last score. I thought you had died or something"

"I've been back two months," I said.

"Then you've been laying low," Little Pete said with a scrutinizing look. "Real

Kellie Garnett

SHE'S NOT JUST A MODEL, SHE'S A READER,

AND KELLIE LOVES TO TALK TITS!

Interview By
ELLIOT JAMES and DAVE ROSEN

SCORE: Today we have a new discovery from the UK. Her name is Kellie Garnett, and Kellie is here for the *SCORE* Bra Show, which is really just another excuse for us to get a look at her tits in person.

Kellie: Hi, guys.

SCORE: Kellie, you came all the way from London just to show us your boobs?

Kellie: I did, yes.

SCORE: How did we find you?

Kellie: I sent my pictures in via e-mail, and I didn't think I would get a response but I've been reading *SCORE* and *Voluptuous* for years now and here I am!

SCORE: Wait a second. You read *SCORE* and *Voluptuous*?

Kellie: I sure do. I've been reading them for

about four or five years now.

SCORE: Did you think, "I'm as good as these girls?"

Kellie: Well, I thought I might as well give it a go. I thought I could show off and be as good as the other girls in the magazine, so why not?

SCORE: You sent your pictures in. Were you surprised when we called you back?

Kellie: Very surprised. I didn't think I would get a response.

SCORE: Why not?

Kellie: Well, I don't know really. The girls in the magazines are just so beautiful. I didn't think I was as high quality as they are. I didn't think I'd get in, but I did and I'm very happy.

SCORE: Kellie, you should really think higher of yourself.

Kellie: Oh, thank you.

SCORE: And you must know that guys look at your chest.

Kellie: Everywhere I go. They look at my chest, not my eyes, when they first meet me. They just look down. They look at these things rather than me. My babies, I call them.

SCORE: Linsey calls them that, too. Kellie, can we see your babies?

Kellie: But of course.

SCORE: Boy, you're in a hurry today, aren't you? The British are so obliging and so well mannered. Oh my god, look at that rack. Nice bra, by the way.

Kellie: Lovely bra. And it's my bra.

SCORE: Could you turn around for a second? Look at that. That bra is doing a lot of work. What size is it?

Kellie: 34G.

SCORE: Where did you buy that?

Kellie: I have to mail order my bras and my underwear because, unfortunately, the bra shops in London don't actually sell my size. I mail order them from Italy. That's the problem with big breasts. It's so hard to find bras that fit comfortably.

SCORE: Do you remember which company you bought it from?

Kellie: It was a site called Bravissimo.

SCORE: When you say "G," I think it's different here. In America, A is one inch from

the chest, B is two inches, C is three inches, D is four inches. Is it the same in England?

Kellie: I think it's about the same. I don't actually know, because if I go into a shop, they measure me up, they fiddle about and they just sell me. I think it's inches as well, I think so, definitely. The shop assistants are always so amazed because I have such a small back and such big boobs. Then they have to try and find me the bras but unfortunately, the shops don't stock them any-

more, and I have to order them.

SCORE: This person who measures you, has it ever been a man?

Kellie: Never. Old women, no guys at all, none at all. Unfortunately.

SCORE: Unfortunately?

Kellie: Hey, it would be good for guys. I think guys can be as good as women at measuring, and they would probably enjoy it much more.

SCORE: If I wasn't here, I would do that for

a living. Be the Bra Man. Talk about a great job. Back to your size again. There's some serious weight going on here. You have straps over there, over here. Is that where your bras tend to wear the most?

Kellie: Up here, because it has to be hoisted up and it has to be tight enough or they'll be hanging quite far down.

SCORE: Okay, what do you think? Are you ready? One, two, three.

Kellie: And there they are, my babies, all natural. You like them?

SCORE: You like having them?

Kellie: I love it. I started growing when I was 14, would you believe? Everyone else had tiny A cups or B cups, but I was on the larger side, and they just appeared overnight. I would have to wear these big reinforcement bras when I was doing gym, and everybody else was wearing these tiny little bras, and I thought, "My god, these are certainly on the large side, compared to everybody else." I didn't mind. When I got to about 16, I got a lot of attention from the guys. I thought, "Hey, they like me as a person," but I wised up and figured out it was these that they really liked.

SCORE: When you got big boobs, were you worried guys didn't like you as a person?

Kellie: I thought they might have an ulterior motive when they started talking to me, definitely. But I didn't really know. I was only about 16 when they started noticing me, in the street as well. They would pick me up in the street, start talking to me, in the summer when I just had little tops on and things like that. All of a sudden, all these guys were just talking to me. I think I realized it was these things popping out all over the place, that drew them in a bit.

SCORE: England has a reputation for having women with large breasts. *SCORE* did this thing where we showed which country has the largest bra sizes, and England is right up there with Germany. So there must have been other girls in your school who were busty.

Kellie: Not at all, no one at all. Bearing in mind, at the time, I was only 14 and there was nobody else apart from me. I couldn't believe it. At first I thought, "Am I abnormal?" because everybody else had really small boobs—there was nobody else in the whole school. I was looking at everybody else to see if anybody else was the same as me, but it was just me.

SCORE: Did you like it?

Kellie: Not at first. Being 14, it was just really bizarre. But, as time went by, I grew to like them. It's a good thing. They're not a negative thing. So yeah, I grew to like them.

SCORE: Did something happen to make you like them?

Kellie: I think it was a case of that I was getting a lot of attention and I liked that and I

could wear really nice little tops that showed them off well. Some girls would wear a little top and have nothing there, whereas I could wear really tight tops, really low cut tops and they would look really, really good. I grew to like them.

SCORE: Did you wear a uniform?

Kellie: I did wear a uniform. I actually went to an all-girls school as well. So I wore a lit-

tle blouse. I had to wear a tie.

SCORE: You're very slim and stacked. It's unusual for a full-breasted woman. Maybe we should see the rest of your body.

Kellie: I can show you the rest.

SCORE: Let's start slow, okay? The bum...

Kellie: We call it the bum in England, yes.

SCORE: It's not the fanny. What's the fanny in England?

Kellie: Pussy. But I'll show you my bum.

SCORE: You've never modeled before?

Kellie: Never modeled in my life before. When I was younger, I used to really hate cameras on me. When I was on the beach, I used to hate any photographs being taken. I couldn't stand it. So it's really, really strange to be in front of a camera. But I love it. So far, it's been brilliant.

SCORE: Was school a good experience?

Kellie: It was good. But it was very daunting because I didn't feel I was a part of everybody else because they were all very flat chested. But then there was a time when I got to be 16. There's a local paper in London called *The Daily Sport*, I don't know if you know it, I'm sure you do,

"As a receptionist, I'm very prim and proper and very professional and conservative. But the underwear I've got is quite racy, quite sexy, so underneath I have little thongs on and bras and things like that, but on the outside I look very conservative. The truth is what I have on underneath."

and I saw Linsey Dawn McKenzie in there for the first time, and I thought, "Wow, there's another girl out there who has boobs as big as mine." So I think from then on it was a positive experience.

SCORE: I'm not used to thinking of girls buying papers and looking at other girls.

Kellie: I know. Well, I must admit, nobody knew at the time that I bought that newspaper, but I just remember at the time going in to the news agent, the newspaper shop, seeing the papers on the side and seeing this girl on the front cover, and I was like, "Oh I've got to start buying that," which I did. And I still read it. And there were so many other girls as well who had big boobs like mine and I knew I wasn't the only one in the world with big boobs.

SCORE: Do people treat you differently because you have big boobs?

Kellie: Definitely. I think with women, they tend to be a bit worried. Like if you're going down the street and they're with their boyfriends, they try to get their boyfriends' attention somewhere else, on the beach as well. They're trying to divert their boyfriends' attention and they won't sit near me. I think men, also, sometimes, think I'm a bit stupid. But a study came in London—I read it the other day—that said the bigger the boobs the better the brain because you have a higher IQ. So I don't know if that's true but it works for me.

SCORE: A study has concluded that big boobs make guys stupid. Do you agree?

Kellie: I suppose so, yeah (laugh).

SCORE: The bigger the bust, the dumber we guys get.

Kellie: That is a new way of looking at it, I suppose. I suppose so, yeah, I would agree.

SCORE: Were you sexually active at a young age or were you a good girl?

Kellie: I was about 14 when I started getting active, around the time my boobs started growing, so I guess you could say I was quite young.

SCORE: When your boobs started growing, your interest in sex started growing, too?

Kellie: Definitely. I think also reading about Linsey when I was in school and things like that started my interest in sex, so I think I was quite young.

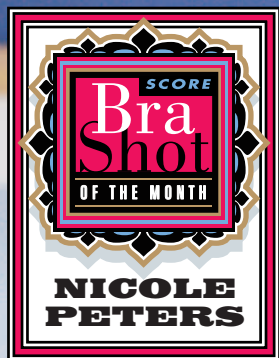

SCORE: What do you do for a living?

Kellie: I am a receptionist.

SCORE: What do you wear at work?

Kellie: I have smart suits. I have to wear skirts, tights, pantyhose, high heel shoes, and a smart jacket as well. Very prim and proper and very professional to look conservative. But the underwear I've got is quite racy and sexy, so underneath I have little thongs on and bras and things like that, but on the outside I look conservative. The truth is what I have on underneath.

Get used to that dildo with Lacy. Not only is she making her *SCORE* debut this month, but her first-ever video is cumming at ya. *Busty Dildo Lovers #6* is the movie, and as you can see, truth in advertising does exist. Turn to page 12 of this issue for more pictures and let's all give Lacy a hearty hard-on welcome to *SCORE*.

SCORE: Stockings and garters?

Kellie: Yes. Looking at me from the outside I do look very conservative. Miss Prim and Proper who wouldn't hurt a fly. But underneath, if people only knew what I was wearing, they'd be shocked.

SCORE: But you can't hide your boobs.

Kellie: Not really, no, because with the blouses, I can never get one to fit. It's always very, very tight, all the buttons are usually quite open. Any wrong move and I feel like they'd be popping out.

SCORE: Let's see what happens when you stand up perfectly straight. Jut your chest out. Like Zero Mostel said in *The Producers*, if you've got it, flaunt it, baby.

Kellie: And I've got it with these babies. I'm very proud of them. I know there are some women who like to hide them, wear big jumpers and things to cover their boobs, but not me.

SCORE: The dreaded phrase "boob reduction" has never entered your mind?

Kellie: Never. No way. I'm never going to get rid of these. They are with me forever.

SCORE: I just noticed something. See, I've been focused on your eyes the whole time. What color are they?

Kellie: They're blue.

SCORE: I was going to guess something.

Kellie: Look there, not there. I know what you're doing.

SCORE: Gradually looking further down, I notice that there's bush down there.

Kellie: There is indeed a little bit there, yes. Do you want to see?

SCORE: Yeah. Of course we want to see. We got bush. Many readers will be happy to see that. English girls are more likely to have the bush. Kerry Marie has it, Lorna Morgan, Linsey, too. We get letters from English readers who complain because they're looking at a baldie.

Kellie: I would never have a baldie. You've got to have something there. I would never have a baldie, no way.

SCORE: Models have told us that they shave because it's better for their sex lives.

Kellie: Not at all. And when it grows back, it's uncomfortable, isn't it? It's good to have a little something.

SCORE: You keep it nice and trim.

Kellie: It's nice to leave something to the imagination, don't you think?

SCORE: Can I ask you one more thing? Can you bend over?

Kellie: Like that?

SCORE: That's pretty good.

Kellie: What do you think of that?

SCORE: (claps). That's very good. Now that would be your bum. What's this? Someone just threw me a measuring tape. Pretty tiny waist here. 27. Hips 38. Wow.

Kellie: There you go.

SCORE: Oh, there's one more thing. You have really big areolae.

Kellie: They are big, I must admit.

SCORE: Very big, like pancakes. Three and a half. Now I know who Kellie reminds me of. Melanie Addison.

Kellie: Is that a good thing?

SCORE: Yeah, she's pretty. She's blonde, she's Californian and she's beautiful.

Kellie: Thank you.

SCORE: Big natural boobs. Your body is just like hers. I guess it's time for the old bra-trying-on ceremony.

Kellie: Sounds good to me. I could put on a little show.

SCORE: Let's start with a B-cup.

Kellie: A B-cup? Wow, that just might barely cover my nipples.

SCORE: Maybe you can show us your bra-putting-on technique.

Kellie: Flip it in the front, bring it around like that. This is a B cup? We'll see if it is going to fit. I don't think it will.

SCORE: Kellie, we'll let you in on a little secret. We know it's not going to fit. We just want to see it because we're boob idiots. Gee, you're shredding that poor, little bra.

Kellie: It will probably break in a minute with the weight of them. So that's a B-cup?

SCORE: Moving right along, we now have a sexy black one. This one is a bit bigger than a B-cup. This bra is a 36D. It's from Victoria's Secret. Kellie, do you read *SCORE* monthly?

Kellie: Every single month. Since I was about 18, I started to read it.

She intentionally left the door ajar this time. For the first time. Peering through the crack, you hear soft moans muffled by the pattering of running water. You see her reflection in the mirror, more sensual than you imagined, more erotic than you fantasized, more desirable than ever. She is touching herself. Her body tells you to do the same, and you oblige her. Your moans merge into hers until you climax together—a symphony of repressed passions finally released. Your eyes open to find hers peering at you in the mirror. Her warm, inviting smile beckons you in. The water continues to run as you open the doorway to your fantasies, and hers.

SCORE: Where do you buy *SCORE*?

Kellie: I don't go to a store too close to me. I have to go to shops quite far away because it's really quite a taboo subject.

SCORE: So you actually travel to get it?

Kellie: I have to, definitely. I can't go to my local shops in case I get seen and I'm quite known there, everyone knows me. If I left the shop with it, I think there would be a few eyebrows raised.

SCORE: Do you buy *Ladies Home Journal* and *Cosmopolitan* and stick *SCORE* in between them?

Kellie: Yes, when I read it, especially when I'm coming home from work. I'll have to put it in with other magazines and pretend I'm reading one of them. Hey, I like it.

SCORE: Well, the D-cup bra doesn't fit either. Have you ever been approached by photographers to model?

Kellie: Never. Not at all. No one's ever approached me at all.

SCORE: I'm sure you've done things outside in low-cut tank tops and stuff and no guy ever approached you and said, "Here's my card?"

Kellie: No. There's been a few cars go by that nearly crash into a tree. Apart from that, nothing else.

SCORE: Here, you would need an armed guard to go out. That's pretty good. Now it's fitting.

Kellie: I'll show you a trick, which I've perfected. My babies' trick.

SCORE: It's what I live for. How much do you weigh?

Kellie: In English, it's 10 stone. You measure in pounds, don't you?

SCORE: A stone is 14 pounds. So you're 140 pounds. How tall are you?

Kellie: About 5'4" I think.

SCORE: You seem taller.

Kellie: I've never actually measured my height, but I think it's about 5'4".

SCORE: This is a cone bra. It's pretty cool. It's like one of those Jane Russell bras. Mash them in. You live in London, you say. You wear bikinis?

Kellie: A tight sort of thong bikini, and I don't wear anything on the top. I don't want tan lines, now do I?

SCORE: Do you go to topless beaches?

Kellie: Normal beaches, but I have to sit somewhere secluded, I must say. And some people get in a few looks. Men seem to be hovering around me all the time.

SCORE: The cone bra is too small. And it's a DD. Here's another cone bra. So we know the DD is too small. We know the F-cup fits pretty well. Is that the strapless? What do you do for fun?

Kellie: I just chill out. I like to go to nice

bars, clubs, dancing a bit. I'm a "clubby" sort of person.

SCORE: Which clubs do you go to?

Kellie: There's one in London called The Ministry of Sound. I used to go there. And I'd get dressed up for it. It's a really hot club and everyone goes there. Everything starts about 10 p.m. and ends about six in the morning. Me and my girlfriends, we start with a few bottles of wine and get dressed up and go out.

SCORE: When you go to The Ministry of Sound and other clubs, you must get hit on by tons of guys.

Kellie: I have to say I do because I like to wear little short dresses and high heels. You have to dress up, don't you, when you go out? Quite low-cut dresses, tube skirts, high heels. I sort of walk in slowly, smile at whoever is looking, pause a bit to show off, and then go about my business.

SCORE: We have another bra here, it's blue and black. I have no idea what size it is. Let's try this one, too. For fun you go clubbing, what else do you like to do?

Kellie: Just chilling out. Just going out with my girlfriends to bars and to clubs, having a few drinks and a chat. Typical girl stuff that you probably see wherever you go out and see a group of girls hanging out.

SCORE: Do you belong to a gym?

Kellie: No. Even looking at a gym makes me tired, never mind going in one. No way.

I've never been a gym person.

SCORE: Do you have to watch your diet?

Kellie: Not really. I just eat normally. I've never dieted in my life. I don't want to diet. I would lose my boobies if I dieted, and we can't have that, can we?

SCORE: That's the best fit yet. Look at that cleavage. Awesome! In your life as a receptionist, have there ever been any horny, sleazy bosses who just couldn't keep their hands off of you?

Kellie: They've never actually put their hands on me, but they're always coming over to me and bending over me and asking me to do their paperwork. I know that what they're really doing is trying to leer down my top. I've had a few do that.

SCORE: How do you deal with that?

Kellie: I basically think, well, they are hard to disguise, so I let it go over my head. At the end of the day, if they're sleazy, they're not going to get a chance with me. And most of my bosses are really old. I want a nice, young guy, not an old pervert. It doesn't do it for me.

SCORE: Women hate blondes with big boobs, don't they?

Kellie: Yeah, they do. At work, they'll talk to me, but if it's a social situation and their boyfriend is there, forget it.

SCORE: Guys don't feel the same way. For example, if a guy had a big cock, I wouldn't be afraid to introduce him to my girlfriend. Why are women like that and men aren't like that?

Kellie: It's just because they think that because I have big boobs I'm going to steal their guy away from them, which is not the case. I remember a few times their boyfriends would come over and chat to me, and the girls are straight over by their sides, saying, "Come on, let's go." I think they believe I'm going to steal their boyfriends.

SCORE: As you try this leopard bra on, again I don't know the size but I'm going to guess it's a D or DD; it's not very big. How important is boob play in your sex life?

Kellie: Very, very important.

SCORE: Do you masturbate?

Kellie: Yes.

SCORE: Do you use sex toys?

Kellie: Yes. At work especially.

SCORE: At your desk?

Kellie: Not at my desk. But my job can be quite boring, so I have to sneak off to do it. Now, don't forget, I'm wearing a conservative suit and sexy underwear underneath which makes me feel very erotic, so for my lunch break and things like that, yeah, I'll go off somewhere and masturbate.

SCORE: You use toys?

Kellie: At home I do, but not at work. I just use my fingers at work.

Look at those tits! Yep, we could tell you all about Kelly's first time, her curvy body, sweet accent, round ass, the fact that she needs a fake I.D. to get a beer in America and even the dirty thoughts behind those erotic eyes. But looking at her pictures, would tit-talk make her any hotter? The only thing we need to say to ya'll about Kelly Kay is...*Look at those tits!*

For those of you looking at Kelly's panties and wondering what she's got underneath, you're gonna have to use your imagination. Kelly is a topless model, which is commonly accepted in UK tabloids like *The Sun* with their "Page 3" girls, so much so that even a girl's "mum" will come to her topless photo shoot to chaperone. Such was the case with Kelly, which might explain why there isn't a labia to be seen. Not a major problem, though. The way we figure it, with a chest like Kelly's, it's better to see lots of tit-n-nip and no puss-n-bush, than nothing at all. Will her knickers come off eventually? We saw some Nadine Jansen beaver in the Sept. '04 *SCORE*, so you never know. If they don't, we'll just have to live with more topless pictures of Kelly Kay. Will there be more pictures? Hell yeah! After all, look at those tits!

masturbate during their lunch hour? I know a lot of the guys are probably jacking like crazy, especially when they see pictures of Kellie's tits!

Kellie: (Laughing) But do all of you guys use sex toys? No! Don't answer that! At home I use toys as much as possible.

SCORE: How many times a day do you play with yourself?

Kellie: I would say probably about three times a day, including work.

SCORE: To orgasm?

Kellie: Yes. My job is very boring. I'm very sort of straight-laced, polite and conservative, and there's something else inside me and I have to express that so...

SCORE: What do you use?

Kellie: At work I just use my fingers. I go to the loo and do it.

SCORE: No pocket rocket?

Kellie: Nothing like that. Mind you, I'd like one though.

SCORE: Do you have any fantasies?

Kellie: Basically I just fantasize about a man being there as well. I have a fantasy about me being in my suit, with sexy underwear underneath. And there's a guy, maybe I work with, and I sit in front of him and I cross my thighs, and he sees that underneath I'm a bit more salty than I appear to be, and he gets excited and we go at it.

SCORE: Do you consider yourself a sexually assertive girl?

Kellie: I do think so.

SCORE: If you really like a guy, do you go after him? Or are you more of the shy type and wait for him to make the first move?

Kellie: I go after him. I don't like to wait, because somebody else will snatch him up. You've got to be very assertive out there, you know. I feel I have a very high sex drive, so if I see a guy I want to be with, why not go for it.

SCORE: This is the last bra, but there's no way it's going to fit you. It's a 40D...it'll be too big for your rib cage. How many bras do you own?

Kellie: I reckon probably about 10.

SCORE: That's all? I would have thought like 30 or 40.

Kellie: Not as many as that, but I have different types. I have push-up ones, very tight that push them all up and out. I have little sexy ones, quite sweet and innocent ones. Lacy ones. Not many but a great collection. And I have suspender belts to go with them.

SCORE: Do your bras wear out quickly?

Kellie: No. They last quite a long time.

SCORE: Have you ever fallen out in public?

Kellie: Not so far, but a few times in the

summer when I'm wearing skimpy shirts I nearly have, but not yet.

SCORE: You were talking before about how boobs play a large part in your sex life. How so?

Kellie: Because I feel very sexy with these babies if I'm with a guy and a guy really likes them. There are so many things you can do with them.

SCORE: What can you do?

Kellie: Wrap them around a guy's dick. With them being quite large, guys like to play with them a lot, my nipples as well. Guys like to suck them quite a lot as well, make them very hard.

SCORE: Can you suck on your own tits?

Kellie: You want to see? No problem.

SCORE: Do you like aggressive nipple play or soft? I'm guessing soft.

Kellie: Soft and aggressive. Sometimes I like it soft; it's quite nice, but I do like it a bit aggressive. It's good for me.

SCORE: It just depends on your mood?

Kellie: Yeah.

SCORE: If you're really horny or if...

Kellie: Exactly.

SCORE: So sometimes you're into fucking and sometimes you're into making love.

Kellie: Yeah, but definitely I like the really hard stuff, you know?

SCORE: Tit fucking. Guys love that.

Kellie: I love it, too, definitely.

SCORE: What do you like about it?

Kellie: I just like the feeling of the man's cock between my tits and being able to wrap my tits around him. It's just the feeling of it, being able to rock them up and down like this. It just feels so good.

SCORE: So, it feels really good. It doesn't just look good?

Kellie: It looks good and it feels good, especially if there's a mirror so you can watch it in the mirror. They've got their cock between my tits; it looks fantastic.

SCORE: Do you really have to go back to England tomorrow?

Kellie: Oh, I'm so sorry to leave you guys, but I've got to go back to London. But I could do more. Me and my babies could pitch up here again if you want. You just say tell me when and I'll be back.

SCORE: You know, there are plenty of receptionist jobs here.

Kellie: Sounds good to me.

SCORE: We heard you were going to hit South Beach tomorrow.

Kellie: I'm going to be daring.

SCORE: Those guys down there, they're pretty aggressive, so be careful.

Kellie: Okay, will do. Don't worry.

SCORE: They're also pretty gay, so you might have fun converting all of them!

Kellie: Oh, no.

SCORE: Anyway, thank you so much for the show, and welcome to SCORE. 🍌

NEED A TUNE-UP? MANDI MELONS HAS ALL THE RIGHT TOOLS!

What is it about chicks in trucks that guys just love? It's probably because we all know they change their own oil, go under the hood and play with all of those guy-gadgets just as well as all of us. And truck-gals all have big boobs like Mandi Melons and they love to play with dildos they keep under the seat. What? Your reality doesn't jive with ours? That's what *SCORE* is for!

Given the choice of posing on a bed in our studio or riding a dildo in a metallic bed, Mandi didn't hesitate. "Give me the craziest, most extreme thing you can think of, and I'll do it. That's the kind of gal I am. The wilder, the better. The hotter it is, the hornier I get. I only wish there was a crowd watching me get off!" Shit. Knew we were missing something.

low, 'cause I ain't even heard your name whispered around town."

"I got a line on another job," I said. "Better than before. You in or not?"

"Sure, I'm in. What do I need to do?"

I laid it all out for Little Pete, then I brought in Dutch and Big Pete and laid it all out for them, too.

"We'll need a wheelman," Dutch said.

"Tony," Big Pete suggested.

"Alex's ex?" I said, looking at my crew's faces for any sign of dissent.

"He knows that side of town."

There was no objection. Big Pete called Tony to get him on board.

Later that night, I phoned Alex to tell her I'd lined up another big job. She didn't want to hear about it.

"I miss you," she said. "I miss having your arms around me. I miss having you suck my nipples. I miss having your cock so deep inside me it feels like I'm splitting in half. I miss our sunsets together."

My balls tightened at the sound of Alex's husky whisper, and I felt my cock stiffen. "I miss you, too," I told her.

The phone connection wasn't stable and static interrupted us.

"...Are...coming back?"

"As soon as I finish this job," I said. "This is the last one."

"You promise?"

"Of course," I said.

"You promised last time."

More static.

"...Not talk about it any more," she said.

"It's hot here, and I'm laying in bed, beneath the big fan. I'm not wearing anything. I'm touching myself and I wish..."

Static.

"I'm so wet," she said. "I'm touching myself, imagining my fingers were yours, stroking my clit and..."

My cock stood at attention, throbbing with desire. Unfortunately, I heard nothing but static.

"Hello?" I said. "Hello? Hello?"

The line went dead.

I flicked the switch-hook a half dozen times, then redialed the number of our villa in Mexico. I tried repeatedly throughout the evening and could never get through.

Both Petes and I were inside the jewelry store seven minutes after Tony pulled the van to a halt in the alley behind the building. Dutch waited across the street, nursing a beer at a window table in a neighborhood bar.

Little Pete began working on the safe

while Big Pete positioned himself to watch the front. Two minutes later, I heard Dutch's voice in my earpiece.

"Sirens," he said. "Getting closer."

Little Pete swung the safe's door open. We loaded our bags with cash, bearer bonds and diamonds.

"Lights," Dutch said. "It's only one car, pulling to the curb out front."

Big Pete backed into the room where we were hefting a bag in each hand. He grabbed two bags. "Fucking cops. They're looking in the window."

Little Pete pulled open the back door and stepped into the ally.

"God damn it! Tony's gone! That motherfucking piece of shit!"

I followed him out the door.

Into my ear, Dutch said. "The cops. They've separated. One's staying in the front and calling for back-up. The other's headed around the building. If we're going to take them, now's the time."

Big Pete dropped one of his bags to the floor and pulled a .38 revolver from the small of his back.

With my teeth gritted, I swore. "Son-of-a-bitch, Pete. I said no guns."

Little Pete dropped his bags and stared at the empty alley.

"More sirens. Hurry, damn it!" I didn't need Dutch to tell me; I could hear them.

A police officer stepped around the corner, his sidearm drawn.

Big Pete fired.

The officer returned fire.

I ran.

Half a block away, hidden behind a dumpster, I dropped both my bags down an open manhole. Then I followed them into the darkness. I used a pocket flashlight to navigate along a predetermined route and came up two blocks away from the jewelry store. I had a nondescript sedan waiting at the curb, and I stuffed both bags into the trunk. Then I slipped behind the wheel, keyed the ignition, and pulled slowly away from the curb.

"This place is crawling with cops," Dutch said. "I'm out of here."

I pulled off the ear piece and switched on the radio and turned to the AM band. As I drove out of the city, I listened to the all-news station. Our robbery led off the news. Before reporters could confirm the rumors of two dead at the crime scene, I had driven out of the station's broadcasting range.

Mid-morning, I stopped driving and made two phone calls from a pay phone booth. Surprisingly, I managed to get through to Mexico and told Alex what had happened.

"Where are you?"

"St. Louis," I said. "I should be home in

a couple of days. Three at the most."

"Are you okay?"

"I'm fine. I don't know about the other guys, but I'm fine."

"I don't care about them. I care about you. Tell me...How much did we get?"

"I don't know yet," I told her. "It would have been a lot more except for that piece of shit ex-boy..."

"I don't care about any of that. Just be careful," Alex said, interrupting me abruptly, yet sincerely. "I miss you."

After I disconnected the line, I phoned Dutch. He confirmed what the news had implied—both Petes had died at the scene.

"Hear anything from Tony?"

"He's disappeared. If I ever find that cocksucker, I'm going to rip his balls off."

I thought about that for a moment, then told Dutch to meet me in San Antonio two days later.

We met at a run-down motel near the airport, and I laid everything out for him. Dutch made a few phone calls and within 24 hours we had unloaded everything I'd carried through Chicago's sewer system.

As I suspected, our take was less than a third of what it would have been if Tony hadn't disappeared on us.

The next morning we booked separate flights out of San Antonio. I flew to Mexico, retrieved my Jeep from the private garage where I'd left it three months earlier, and drove home.

Alex ran from the villa the moment I pulled the Jeep to a halt in the drive. She threw herself in my arms, flattening her breasts against my chest. "I thought you weren't coming back."

I wrapped my hands in her long hair and kissed her hard, thrusting my tongue into her mouth. When the kiss finally ended, Alex struggled to catch her breath.

I grabbed my bags from the back of the Jeep and led Alex to the front door.

"I'll fix us some Margaritas," Alex said. "I'll be waiting on the veranda."

I dropped my bags in the bedroom, next to the unmade bed. Then I looked out the window and saw nothing but my Jeep in the driveway.

A few minutes later I stood on the veranda with Alex, licking salt from the rim of a Margarita glass.

"How much did we get?" she asked.

I set my drink on the stone wall surrounding the veranda. "Half a mil."

I saw the corners of her mouth drop a fraction of an inch, and the sparkle momentarily disappear from her eyes. I pulled her into my arms before she could speak and covered her mouth with mine. As we kissed, I unzipped her dress and let it fall to

the stone patio at our feet.

"I've missed you," I whispered into her ear. "It's been too long."

I unzipped my pants and Alex dropped to her knees. She pulled my Jockeys down and freed my already stiff cock. She leaned forward and wrapped her moist lips around my cockhead. I held the back of Alex's head and pushed my cock forward until I had buried the entire length in her mouth. Then I pulled back and pushed forward again.

In mid-stroke, Tony, the disappearing wheelman, joined us on the veranda. He held a 9mm Sig Sauer.

"Thought you'd be here," I said. Alex tried to pull away, but I held the back of her head and continued pumping into her mouth. "Planning to shoot us both?"

Tony smiled. "No, just you."

"There's a fucking surprise," I said, as I looked down at Alex's pretty face, wide-eyed, mouth full of my manhood.

He raised his pistol, taking aim at my head, and I pumped Alex's head faster.

Then Tony's head exploded, and I fired a thick wad of spunk against the back of Alex's throat. She swallowed, not once but twice, and I didn't release my grip on her head until she got every last drop.

Dutch crossed the veranda, a revolver still in his hand. He looked down at our ex-driver, then at me. "You were right."

Alex remained on her knees, my cock still in her mouth, her cheeks puffing as she nervously hyperventilated. Her gaze darted from Dutch to me and back again.

"Clean up that fucking mess," I told her. I stuffed my saliva-covered cock back in my pants and retrieved my Margarita. Most of the salt was gone and the drink had grown warm.

"I swear, I didn't have anything..."

"Alex, there are those with guns and those who suck cock..." I said to her.

Alex saw my point, the spirit gone from her eyes, and she stopped protesting.

I sat on the stone wall. Dutch joined me and we watched Alex clean up. Her great tits aside, I knew I couldn't trust her. The gun was still in Dutch's hand as he admired Alex's tits jiggling as she frantically cleaned up the bloodstains from what we had both thought was her "ex" boyfriend.

I finished the Margarita, patted Dutch on his shoulder as I got up and walked past Alex into the house. When I got to the door, I looked back at Dutch, whose gaze had shifted from Alex to me, winked, and walked inside, closing the door behind me.

I walked to the bathroom to take a shower and smiled as one thought crossed my mind: somebody was going to get fucked one way or another, and this time it wasn't going to be me. 

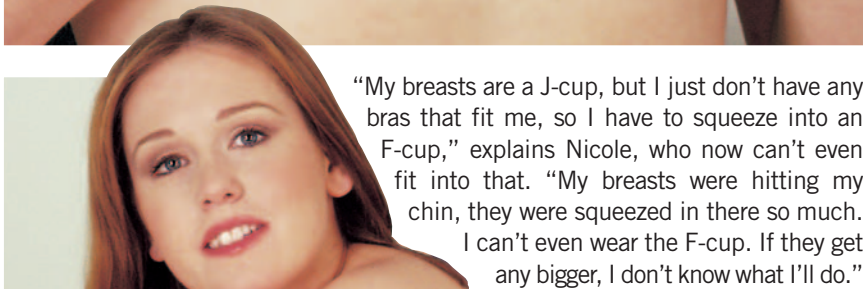

THE GREAT ONE AND STILL GROWING!

THE BEST JUST KEEP GETTING BUSTIER!

Notice something different about Nicole Peters? Her hair perhaps? That twinkle in her eye? A more confident aura? That's what happens when your already gargantuan boobs get even bigger! *Say what?* Yes, you read correctly. Nicole Peters has gotten bustier. How big she'll get, even Nicole doesn't know.

"My breasts are a J-cup, but I just don't have any bras that fit me, so I have to squeeze into an F-cup," explains Nicole, who now can't even fit into that. "My breasts were hitting my chin, they were squeezed in there so much. I can't even wear the F-cup. If they get any bigger, I don't know what I'll do."

Poor Nicole. She has huge boobs and they keep getting bigger. "I know I'm blessed, don't get me wrong. But my goodness. Any more and I won't be able to walk straight up. I just hope it's my, you know, special time of month." Every month is special with Nicole, but sorry Sweetie-Pie, we're hoping Nov. is even better.

HERE CUMS THE BRIDE!

A LADY AT THE ALTAR AND A WHORE ON HER WEDDING NIGHT. THE NUPTIALS, PLEASE...

Daphne Rosen, do you swear to suck and fuck and take Super Cock's pussy-stretcher in your tight, virgin hole...forsaking all others...until a gooey cum-shot do you take? "You bet my ass...I do!" Super Cock, do you promise to stick it in Daphne until we get all buggy-eyed? "Fuck yeah!" All righty, *SCORE*-men, you may now all salute the bride!

Making her *SCORE* debut in a ball-draining fashion, Daphne used to be primarily a *V-Mag* model. Then she lost some pounds and gave our *SCORE* Studio staff their magic words...“I love to fuck!” We couldn’t resist. Especially when we saw how raunchy Daphne got on camera. Sucking, fucking and, oh yeah, screaming in ecstasy like a virgin on her wedding night! A dream bride? You betcha! And a dream fuck, too!

VIDEO: *Voluptuous Xtra #7* (XXX-Rated, available on VHS and DVD in the Video Club on page 98 of this issue)

VIDEO REVIEW BY DIRTY BOB

One of the most eagerly anticipated releases of this millennium, for fans of naturally HUGE breasted women, is this DVD devoted entirely to Diane Poppo.

Why is it special?

That's like asking, "Why is the Mona Lisa considered special?" It isn't just because Diane Poppo is so darn large on top; there is also something likeable about her personality that just begs for attention. The fact that Diane is from Texas, where everything is big, just adds to the intrigue.

The big reason that this is special is that, as best as I can determine, this is the only XXX-Rated hardcore footage that this top-heavy woman has ever allowed outside of her bedroom. Add to this the fact that there really aren't many R-Rated videos of her available, and this makes *The Diane Poppo Collection* one helluva treasure...chest!

Here is a woman who, at 17 years of age, was so flat-chested (an A-Cup) that she wore t-shirts to hide her lack of boobs. Then, a year later, she blossomed into an incredibly-endowed, naturally-busty beauty with hooters the same size as most men's head! That makes my head (and her boobs) a size 34H, and I bet you'll never find a Stetson that big! Thank you, Mother Nature.

This information and more is revealed in the DVD in a special new Interview section that is a long 38 minutes and reveals just about everything you could possibly want

to know about this talkative, affable lady.

More on this later.

People who know and followed the big boob saga of Diane Poppo are aware that, a while back, she made some XXX scenes with a guy who ended up being best known as "that lucky SOB who used to be married to Diane Poppo." She went on to become a super model, and her ex-hubby showed the images from the home movies on the Internet. *SCORE*, knowing a good thing when they see (and jack to) it, wanted to present Diane in all of her glory, so they bought the rights, and here's the video.

The video segments that have stirred some serious buzz with big boob aficionados are like The Holy Grail for big breast fans. Most people have heard of them, but not enough have managed to track down the old VHS tapes for their collections. Those who have, probably paid an arm and

Shot in an "amateur" style, for good reason. These videos were never intended for public release, but for Diane Poppo's (and her ex-husband's) own private collection. Now everybody can enjoy the ultimate busty housewife in every sexual act imaginable. With great big-tit action, you'll also enjoy seeing Diane get herself off plus plenty of XXX, including deep cocksucking, lots of fucking and rare anal of Diane.

a leg (and a boob or two) for them.

These tapes are titled *The Best of Diane*, *My Ex-Wife Diane & Her 44HHH Tits*, *Diane's Exercise and Swimming Video*, and *Diane Poppo's Leg, Foot, & Smoking Video*. Each includes its own special appeal.

The first segment, "The Best of Diane," is 42 minutes of pure chesty fun.

It begins in a place most viewers would love to spend with her: in bed. Diane is apparently fast asleep, so her joker of a (then) husband wakes her by coating her hand with whipped cream. He then tickles her face. She responds by scratching the tickled area with the creamed hand, and the result is a messy facial that only studs in the business could otherwise provide.

He then shows her lying, nude, on a table as he takes scoops of freezing ice cream and rubs them on her chest. Chocolate syrup and whipped cream is added to the sexual menu, and the lucky stiff eats it right off her shivering bosom. The chocolate is reapplied to her tits, and he sucks it right off her pointy nipples. It was never clarified as to whether the nips were hard due to excitement or cold. Who cares? They definitely look good enough to eat off of.

Diane then takes matters into her own hands and slowly, sensually rubs the confection into her massive mammaries with long, lingering caresses just the way she likes to touch herself.

Poppo then lies back on a bed where she tunes a noisy vibrator to her sexual impulses. Her pussy is soon soaked, and her husband, wearing a goofy baseball-style hat, moves it aside to insert a banana into her pussy. He manages to get this peeled delight in and out intact, so he then snacks on it while she continues this external stimulation. The scene ends with her literally burying a huge cucumber up her snatch.

Okay, enough with her being seen on screen in a way that doesn't really show off her big breasts! The next segment has this lusty lady starting out by being the loser in a game of strip poker. Seated at a table with playing cards, Diane lets hubby do a tequila shot off her boobs (it takes a lot of tequila to coat these big puppies).

Sherlock Holmes would say, "Watson, The Game is a Foot." With Poppo and her mammary-minded hubby, it is more like "The Game is a Breast." He coaxes her into doing topless jumping jacks where her tits rise and smack into her face. She then swings these pendulous twins back and forth, making lots of slapping noises.

Diane then brings in a bathroom scale and actually weights her boobs for the camera. The weight is that of a bowling ball. How heavy? You're gonna have to get the video for that tit-bit of information.

BLACK, STACKED & HORNY!

FROM THE NEW HARDCORE VIDEO *BLACK & STACKED XTRA #3*, HERE CUMS VANESSA BLUE!

This is Vanessa Blue's *SCORE Xtra* debut and she's here to show everybody what fucking and sucking are all about! A porn starlet and the real-life gal-pal of porn legend Lexington Steele, Vanessa takes that footer of black Steele on a nightly basis, so you know she has been well trained in the art of nut-sac draining. So, if you're a little light on the guy-gravy after jacking to all the *SCORE*-girls, you might want to rest up a bit. If you have reserves, lock-n-load...here cums Vanessa!

Vanessa made her **SCORE** non-cock debut in the June '04 issue, and being a bonerfide porn star, we just couldn't let her leave our studio without taking some trouser-snake. Truth be told, Vanessa wouldn't leave until she could show us how hot she was. "I was telling your photographer that I was a great fuck the whole time he was shooting me solo," remembers this Texas-born, So-Cal-living, 100-plus movie porn veteran. Did she feel any pressure having to live up to her immodesty. "It ain't braggin' if it's true." Vanessa sure is cock-confident, and when she took our porn stud in her mouth, we knew why. There was so much wet stuff flying all over the place, we thought our guy had blown his load in a matter of minutes, until we discovered it was actually Vanessa gushing all over his shaft, balls, legs...Everywhere but the ceiling. Hey, we tried our best, but we're just editors. Vanessa's the pro.

VIDEO REVIEW

Continued from page 10

The next scene is a wet t-shirt fantasy come to life. He takes a bucket of ice water and throws it against Diane's chest which, although covered by a thin shirt, results in her nips popping out.

This short segment abruptly ends to show lucky hubby in pure hardcore action as he rams his dick into her from behind. This lasts for a minute or two, but viewers will probably be more envious by what his hand is doing: rhythmically squeezing and playing with her left breast. That he has more than a handful is a given; he can't even begin to cover all of this pliable flesh.

He then lies on his back and Diane straddles him and rides him with her back to the camera. You can't see it, but his hands are obviously groping the globes that are inches from his face. This ends with her blowing and jacking him off.

Fortunately for us, Diane appears to always be nude, or at least topless, when caught on tape. One of the rare times this isn't the case is when she actually does a reverse strip and goes from topless to fully clothed as she models a see-through, elegant and clinging black dress which, when the light hits it just right, shows off her entire body with obvious emphasis on her mighty chest. It isn't easy maneuvering these braless boobs into position when the dress is tight, but she somehow manages to just grab a hold of these whoopers and put them in place.

The remainder of this "Best of..." segment has plenty of sexual appetizers for her fans. Diane later peels off a dress to reveal one of those heavy-duty, industrial-strength reinforced bras that are capable of containing and supporting the good stuff. She takes it off and lies back on a couch—a movement which causes her breasts to move like waves. Then, after she jogs around the backyard a bit, they sneak in a quickie as she lies on her back and Mr. Baseball Cap plunges away as he plays with her swaying boobs.

Topless dish washing and vacuuming are everyday events at the Poppo's Manse, but listening to Diane talk on the phone to her mother-in-law while topless and sucking on her own breast was a hoot. A hooter hoot. The sparkle in her eyes that showed her knowing that she was getting away with something was priceless.

The next chapter is also quite long, about 40 minutes, and is titled "Diane's Exercise & Swimming Video." Diane apparently has a great home, and she is seen lying at poolside. As they engage in small talk, Diane takes off her bikini top and carefully coats her breasts with suntan oil. She takes her

time doing it, and while they talk about tit-fucking, he zooms in for some great close-ups of her glistening skin, from head to toe. He appears especially glad to capture her squeezing her boobs together and really likes it when they rub together in her arms.

Olympic divers have nothing to worry about when Diane takes to the diving board and plunges in the cool water head first. Her natural Mae Wests bring her quickly to the surface, and, when she lies on her back, they keep this admitted non-swimmer afloat. The pool also has a hose, used to top off the water level for this top-heavy woman, which she uses to get off.

From here the camera really concentrates on the way her huge breasts interact with the water. They float, bob and gently move with the currents. She seems particularly (ahem!) fond of the water jets in the pool.

The viewer has to remember that this was apparently shot by a husband and wife for their own private library. The fact that hubby is unquestionably a boob man makes things ever better. He knows how to show off, and move and position, her super-sized chest in the best ways. For example, he gets her back on the diving board where she spends a while simply jumping on the board. This causes exceptional boobage movement, and he even encourages her to bounce the boobs into her face again and again. Talk about getting slap-happy!

She does a lot more breast fondling and swimming and self nipple sucking followed by actual rope jumping action in slow motion. She then cleans the pool with a leaf skimmer and, very playfully, tries to capture her boobs in the net.

Solo fun is over. Hubby then spends an enviable amount of time fondling and squeezing her boobs and lightly slapping them as he jiggles them around in his oily hands and sucks them with his lips.

Time to go inside and see the workout that Jane Fonda never released. Poppo, attired in an exercise outfit suitable for the local gym, indulges in a lot of warm-up movements. She has to loosen up everything, so she removes the top and pulls on her nipples until they are quite stretchy.

Diane, top back on, follows the directions heard on an exercise tape on television. She adds her own touch and does most of it topless. The combination of movements from both aerobics and step exercises on unrestrained, extra-large breasts results in a

voyeur's goldmine of moving mammalia.

All of this workout leaves her tired and sweaty, so she takes a sudsy shower which mainly shows close-ups of her boobs. Refreshed, she bids everyone good-bye.

The next 44 minute segment on this awesome DVD is called "My Ex-Wife Diane & Her 4HHH Tits." It starts with Diane, wearing a red missile bra, dancing to rock music. This lead-in, which ends with her top off and nipple sucking, soon gives way to more XXX as hubby is treated to a long dick loving. He whacks off on her tits, and she rubs his cum into her chest until it is no more than a mammary memory.

This is a double hitter for fans of big, busty babes who shave in a hot shower. With the help of a razor, Diane eliminates most of her short and curls in the tub, masturbates in bed with toys and a vibrator and then models negligees for the camera. She then brings back the whipped cream, coats her chest with the white stuff, and he then gets carried away and squirts a bunch on her pussy which he then eats and fingers. Since they are already sticky, they screw one another from various positions; all the while he holds her breast like an anchor as he pounds away. A very little bit of tittie fucking tops off this quickie.

Yes, folks, Diane Poppo can also cook-topless, too! Watching her breasts shake as she scrambles eggs and talks dirty is a great way to start the day.

Diane also takes a sudsy bath and lets the running water stimulate her pussy. Squeaky-clean, she then bends over and lets him sneak in a quick anal. This is followed by a shower which emphasizes cleaning her hanging breasts.

As the scene ends, all you can think of is that this is one super-value DVD! There's so much erotic stuff going on, with great variety and a great model, and still, there's even more to come.

The last part is about 40 minutes long and is appropriately titled "Diane Poppo's Leg, Foot, & Smoking Video."

This one is more commercially-oriented. Diane has herself fixed up with perfect make-up and lighting and is accompanied by a music background fortunately not even thought of in her previous home movies. She spends the duration smoking and playing and sucking her own toes while showing off her legs and feet for fans of these particular appendages. Hose and

garter belts are seen on and while being removed, from this otherwise-nude woman.

She enjoys a good cigar and sucks away on a few lit ones while talking and acting suggestive. Blowing smoke really sexily across her large breasts will take the breath away from fans of smoking busty women.

One particularly humorous part shows her trying on bras supposedly given to her to wear by some of her viewers. None are even close enough to covering her massive melons, and what is seen is plenty of tit-flesh sticking out from the sides of the cups. Nice try, though.

Diane also does a little viewer-point-of-view skit where she plays a private dancer who talks to you, flirts with you, and then strips for you, the heavily-tipping customer.

The interesting thing about this video centering on feet, legs, and smoking is that it does just that—and any attention to her big breasts is almost incidental. She also tosses in some filler now and then, but viewers who like the theme of this part will be enthralled with her dedication to these other parts of her anatomy.

Earlier her lengthy interview portion was briefly mentioned. Taped while Diane was at SCORE's Miami studio for photo shoots, it is an extremely relaxed, informal question-and-answer time with Diane Poppo looking gorgeous and, of course, topless. The camera(s) frequently zoom in to center on her boobs, and the interviewers even sweet-talk her into jumping up and down a few times to really stir up the scene.

She comes across in the interview as a fun-loving, honest and highly sexual woman who says she kinda fell into the modeling aspect when her videos created a fan base across the country.

One other special bonus part of the DVD is a still gallery with photos of this very busty woman. The photographs are well-made, very explicit, and, as I've been told by SCORE's editor, are from various photo shoots that have yet to be published in SCORE, which only leaves me fantasizing about what the future holds for us readers.

Watching legendary big-boob star Diane Poppo in this particular DVD is a treat. Over 200 minutes of actual footage, from amateur tease and hardcore to still images and an in-depth interview make this an exceptionally pleasing product that her fans, and fans of all busty babes, will appreciate for years to come.

CHRISTINE & CHANTZ

WILL THESE BUSTY BABES EVER POSE WITHOUT A BIG DICK AROUND? WE SURE HOPE NOT!

Okay, *SCORE*-guys, let's whip out our cocks and offer a horny welcome back to Christine Allure and Chantz Fortune, who are both back doing the ol' fucky-sucky. Actually both girls have already taken a cock in *SCORE Xtra* before. But, being friends and all, when they were in town for more pictures, they figured what's a lot of cock between friends.

Looking at your back issues, you can see that, where these girls are hot fucks girl-on-guy, together they turn into sex superstars. They may be friends off camera, but on film, even the breast of friends can get competitive, and that's what Chantz and Christine became. Who could fuck the hottest? Who could take the most cock? The winner? All of us!

Some porno guys have all the luck. You have Chantz on her back and Christine on top, breast-to-breast, their pussies grinding together until the sheets are wet with girl-goo.
