TOO CHUNKY FOR SCORE?

Brandy Dean (below) isn't alone. At least one **SCORE** reader believes Nicole Peters (above) is also a bit too "chunky" for **SCORE** and belongs in *Voluptuous* only.

BRANDY: THE PERFECT MODEL

Dear **SCORE**,

I wanted to write to tell you how much I love your magazine. The women in **SCORE** are the most beautiful women I have ever seen! Every time I pick up an issue, I am never disappointed.

While all of your models are very

beautiful, my favorite is without a doubt Brandy Dean. Her tits, her ass, her eyes. Everything about her blows me away! Brandy Dean is perfect. Does she have an address to which I can send her a letter to tell her how much I enjoy seeing her?

Thank you for producing the finest magazine I've ever seen!—M.S., e-mail address withheld

*Dear M.S.: Thanks for your letter. Sorry, no snail or e-mail address for Brandy Dean, although you really don't need one. Brandy reads **SCORE** every month and will be pleased to see your letter.*

THE GOOD AND THE BAD

Dear **SCORE**,

I received the July '04 **SCORE**, and I wanted to offer my observations.

First, the good...

Izabella—A Polish princess. I would love to see Ines Cudna and Izabella in some hot lez sex!

Jana—An awesome discovery! I can't wait to see her grace your pages again! Jana has a perfect body and a gorgeous face!

Lolly Topps—Hot fucking debut! I hope to see her in some solo dildo action.

Audree Jaymes—Hot mocha lovin'. Audree and Carmen in some

pussy licking, strap-on fucking is something we would all enjoy! Two African-American big-titters in some lesbo action. I believe that would be a **SCORE** first.

Michelle Bond—Another all-natural hottie. I think it's time that Michelle takes some flesh and bone hardcore style! Anal, if only a finger, would be a plus!

Ava Divine—Exotic looking fuck slut! (I mean that in a good way.) Love the darker hair. Big breasts and she's an anal freak! Need I say more?

Tiffany Towers and Angelique took me back to the early and mid-90s! You gotta love it! Tiffany's one of (if not, IS) my all-time favorite big-titted superstar!

Now, for The Bad...

Keisha Evans—She's definitely stacked,

but not slim enough. Big boobs or not, keep her out of *SCORE*!

Brandy Dean—The same as Keisha, except her boobs aren't even close to Keisha's (Miss Evans only saving grace). In my opinion, Brandy Dean belongs in *Voluptuous*. Keep her there!

Nicole Peters—See Brandy Dean. I don't understand how she won *SCORE* Newcomer of the Year. *SCORE* is for the slim-and-stacked, not the chunky. Ines Cudna should have won! Nicole belongs in *Voluptuous*, and only *Voluptuous*.

Keep up the overall good work. As great as *SCORE* is, like anything else in life, you can get better.

Here's my line-up for the perfect issue of *SCORE*: Linsey Dawn McKenzie, Ines Cudna, Kelly Madison, Windy Leigh, Jessica Justice, Crystal Gunns, Sarena Lee, Summer Cummings, Izabella, Lori Pleasure, Jana and Veronika Zemanova.

Hell, this list can go on and on. But these ladies are tops on the list. I hope this gives you an idea of what at least one *SCORE*-man, and probably a lot more, want. The above models in one issue would be one of your best sellers! Don't

believe me? Just try it and see what happens.—K.F., e-mail address withheld

Editor's Note: A "butter face" translates into: The girl is great "But-For-Her" face, which we found a bit harsh. True, every man has his likes and dislikes, but readers should always remember that the models in SCORE don't have to pose. Nobody is holding a gun to their respective heads, and when a busty babe like Keisha Evans makes the leap, we should be appreciative, at the very least.

"WHAT BIG FUCKING TITS!"

Dear SCORE,

I was very pleased with your July '04 issue and all of the great women, particularly two of them.

First, Keisha Evans, of course. What big fucking tits! Those melons are definitely competitive with any of your past lovelies, and perhaps even bigger. She helps define slim-and- stacked women.

The second model who deserves mention is Nicole Peters, who gets prettier every time she is in SCORE. She has the face of a goddess and a body that defines voluptuousness. I'm glad that you didn't bother too much with clothes for her. She is a work of living art that is meant to be seen naturally. While I love her face and tits, she also is gorgeous everywhere else, including her ass and legs. I love her with shorter hair. Her posing has gotten hotter with time. I wish that she would consider shaving her pussy to bring out her sexuality even more, but I'll take her any way that I can.—M.F., Connecticut

A BUSTY DUSTY RETROSPECTACLE

Dear SCORE,

I've noticed how you have been finding photos—unpublished pictures of superstars—in your photo library. That library must be huge after all of these years. And I was wondering if, by chance, you were planning on doing one of your "retrospectacles" on Busty Dusty or, if it is at all possible, have you found any new sets of Dusty? She is my all-time favorite model, and nobody showed her better in the '90s than SCORE did.

Here's hoping you do.—L.J., Wisconsin

Dear L.J.: We were just planning a Busty Dusty "retrospectacle" when John Graham, famed English photographer and one of SCORE's founders called our Miami office and told us he had found one set of Busty Dusty that had never been published. Of course we had it shipped over and are in the

FANTASY SCORE RETURNS IN THE DEC. '04 ISSUE!

Dear SCORE,

Keisha Evans! Now this is what being a SCORE-man is all about! Beautiful women with huge tits, and Keisha's are big enough to satisfy an army of boob-men! Please, bring her back for another shoot soon. I have to have more!

Another model I'm glad you brought back is Michelle Bond. Besides having a traffic-stopping body, she also possesses the most magnetic glance any model has had for a long time. I find I cannot turn away from her gaze. It's hypnotic!

One last thing: are you going to bring back *Dream SCORE*? I've missed that feature and would love to see it continue. Keep up the great work folks and I'll keep reading!—B.G., Kentucky

Dear B.G.: We're holding off on Dream SCORE for now because we have run out of subjects. We are, however, reprising Fantasy SCORE, one of SCORE's all-time most popular art pieces. We have contacted Duncan Gutteridge, a name long-time readers will remember and newbies will certainly soon appreciate. Watch for the return of Fantasy SCORE in the Dec. '04 SCORE.

WHERE WAS THE STRING BIKINI?

Dear SCORE,

I just wanted to say that we have waited long enough. It's time for Chaz's XXX hardcore debut! I know I'm waiting anxiously for that one (Chaz being one of my favorite models).

Also, I was disappointed with Keisha Evans' debut in your July '04 issue, although not with Keisha, personally.

She is great in every way.

I was extremely disappointed with the way SCORE presented Keisha for her worldwide debut.

I think that someone with tits as big as Keisha's should have been featured in pictures wearing a tiny string-bikini top or, at the very least, a couple-of-cup-sizes-too-small bra and an over-stretched tight shirt. It would emphasize her already bigger-than-life rack, and Keisha would look awesome!—J.F., Montreal, Canada

Dear J.F.: We've asked Chaz and been denied, once again. If and when she does decide to do hardcore, we'll certainly make

If every picture is worth a thousand strokes, you guys are gonna wear your dicks out with *Hard SCORE #2*! This is the real, raunchy, "I-wanna-cum-and-cum-a-lot!" type of sex that sets *SCORE* big-tit videos a cup-size and more above the rest. Starring big-tit babes like newcummer Kianna (right) and mature Deauxma from the May '04 *SCORE*, these girls have one motto when screwing on camera—it ain't just a job, it's an adventure! every effort to bring it to readers. As for Keisha Evans in a string bikini, we did not photograph her in a bathing suit, much less a way-too-small bra and tight shirt, opting instead for the wardrobe you saw in the July '04 SCORE and one of Keisha's whopper bras (see page five for a look at that one).

I WANT TO BE A PORN STUDI!

Dear SCORE,

I am seriously thinking of making a career change. I was wondering if you could steer me in the right direction. I just turned 40-years-old, and I hope it is not too late.

I want to be a porn star.

I have a picture perfect 10" dick and cannot ever get enough satisfaction. I have never been married—close, but not quite. I have one beautiful, eight-year-old daughter and any profits I make would go to putting her through college.

I love big breasts, making love or having sex. Most of all, I love pleasing women and making them very happy.

I still have teeth, most of my hair and I am in very good shape. I have been a carpenter for 20 years. Please consider my offer. I would be more than happy to give you a kickback.—J.M., Michigan

Dear J.M.: Having a "career" in porn isn't the easiest, or even the most lucrative, business decision. Because of the hundreds of letters we receive each month mirroring your hopes and dreams, we were planning on revisiting an article we published years ago about breaking into porn. Here's the short version. Log onto the internet and search "become a porn star." You'll find lots of sites advertising for auditions, although the gist of all the rhetoric is...Get a girl, do some amateur videos and establish a track record. Then, take your girl to some porn companies, make a few commercial films with her, show that you have the goods, and then, if you have the right stuff and know how to use it, you will be well on your way. Be forewarned...Chances are, you won't make it, so go in anticipating rejection, and if the magic happens, consider yourself one of the lucky few.

THE DILDO HAS GOTTEN BORING

Dear SCORE,

After many years of viewing your different publications (SCORE, Voluptuous, Naughty Neighbors and Looker), I must admit, you hold the status quo in fine

ladies and quality of a true men's magazine. I live on the road most of the year trucking, so it's a pleasure to see *SCORE* all over the 48 states. I don't have much time for watching the tube or settling down right now, so your magazines are a source of great entertainment.

One thing I would like to see is that your centerfold be a clean shot of the covergirl or a feature model, sans the male or plastic. Too often I'm disappointed to see the best shots full of plastic. It has gotten to the point of being boring. I'm not a prude, but I still prefer seeing the model, not the toys. I'd rather have the model gazing at the camera looking like she needs the human touch instead of the plastic one.—J.R., North Dakota

Dear J.R.: SCORE's editorial philosophy regarding dildo penetration is to give readers' a horny mix of both penetration and non-penetration (spread) shots, thereby appealing to those who like insertion and those, like yourself, who are less enamored with the plastic.

A BIT OVER THE EDGE?

Dear *SCORE*,

I'm a really horny black guy who has fallen deeply in love with Ava Divine from the July '04 *SCORE*.

I love to continuously look at Ava's gorgeous pair of big tits. She makes me real fucking horny. Looking at her pictures, I know Ava loves turning me on, and I really love to fuck Ava's big tits. I really do love to keep on having horny sex with Ava all the time. I sure do love using all the condoms when I have anal sex with Ava, too.

Can you give Ava my address and my message? "Ava, baby, please write me back real soon. Please, let's you and me meet and have anal sex. I would love to put anything in your ass, Ava baby."

Thank you.—J.M., New York

Dear J.M.: We have sent your message to Ava, but don't hold your breath. A word to the wise: If you want the models to write you back, discretion is definitely preferred over psychopathic schizophrenia.

BOOB BEAT

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

BOND. MICHELLE BOND.

007? NO, THIS BRITISH AGENT'S NUMBER IS 32F

Michelle Bond, last seen in July '04 *SCORE*, is your above-average, 24-year-old English babe-next-door with an awesome rack and a sweet face.

During a recent weekend, Boob Beat caught up with Michelle to learn more about her.

"I live in a little village on the Wirral Peninsula between Chester and Liverpool, where I work as an Events Coordinator," says Michelle. "Now I'm getting more and more modeling assignments, so I may do modeling full-time in the future."

Favorite perfume: Armani White

Favorite foods: Pasta

Favorite drink: Orange juice

Hobbies: Clubbing with friends

Favorite travel spots: Ibiza, Spain

Favorite book: "Geri Halliwell's autobiography. (Ginger Spice of the Spice Girls) It's the only book I've read in the last five years. I honestly prefer reading magazines to books."

Favorite magazine: *MixMag* (a clubbing and dance music magazine in the UK)

Favorite nightclub: "I like Cream, a dance club in Liverpool."

Favorite television show: "I don't really watch much television, but when I do I like *Big Brother*."

Favorite movies: "*The Wizard of Oz* is a childhood favorite of mine, and I still love it."

The Boob Beat's Flavor of the Month...English natural Michelle Bond from the July '04 *SCORE*.

Favorite music: "I love dance music. Chicaine is a brilliant pop-rock group."

Favorite date: "A quiet romantic night in with a good meal and good music always gets me in the mood."

Favorite sports to watch: "I don't like watching sports; it bores me! I hope *SCORE* readers don't get angry with me!"

Favorite sports teams: "I have to say the Liverpool Football Club or my mum will kill me because she has had a season ticket every season since she was nine-years-old."

What do you like to do on a free day?: "Seeing friends, eating out at local restaurants and sampling different dishes."

How often do guys try to hit on you?: "Not much during the week but if I'm in a dance club, a lot of guys try to pull me [British term for "pick me up"]."

How do you like your boobs handled?: "Very lightly and delicately, with a lot of fingertip rubbing all around my breasts, up and down and around the areolae. I like gentle tonguing and gentle, firm sucking of my nipples."

How often do you like to shag?: "Everyday. [Giggles] Anytime. It's all good."

FANTASTIC FANTASIA

"Life is good," Fantasia says in her breathy, babydoll voice, well suited for phone sex. "I'm happy and things are going well. I work-out in the morning, model in the afternoon, spend time with friends in the evening."

A trained kickboxer and a wrestler, she can capably defend herself against the horniest of horny photographers. In the Discovery Channel's recent show *Extreme Body Parts*, we see clips of Fantasia working out at the gym.

She maintains a website at ChateauFantasia.com.

With her taut butt and big jugs, Fantasia is also a favorite with B-movie makers who appreciate her boxoffice assets. One of Fantasia's flicks, *Lapdancing*, is a perennial on Showtime cable which runs it at least twice a month for the up-all-night donuts and hero-sandwich crowd. Other Fantasia movies, such as *Bikini Hotel* and *Lingerie Kickboxer*, have the kind of social relevance and political importance that a breast-man

SCORE-girl turned B-movie actress, Fantasia.

seeks. Check out the comedy movie *The Independent* with Jerry Stiller (Ben's old man). Fantasia, Brittany Andrews and Penelope Pumpkins have a great scene within a scene in a hilarious film about a legendary low-budget moviemaker.

However, what these cable and drive-in movies only hint at is delivered in full and spread wide open in Fantasia's 60-minute movie in the *SCORE* Theater on Scoreland.com, packed with pussy-spreading and horny toy jamming.

LAS VEGAS EXPO READY TO ROCK

The 12th Annual Gentlemen's Club Owners Expo will again attract over 3,000 adult nightclub owners, feature entertainers, industry professionals and media to Las Vegas for three days of panel sessions, nightly parties, dancer showcases, a tradeshow and an awards show. The Expo opens August 31, 2004 and ends on September 2nd. The panel sessions and tradeshow will be held inside the Mandalay Bay Resort's brand new Convention Center, after spending 2003 at Caesars' Palace. (See Feb. '04 *SCORE* for last year's coverage.)

Each year, various awards are given to gentlemen's clubs, feature entertainers and other industry professionals. The 6th Exotic Dancer Awards Show, hosted by comedian Rich Vos, is scheduled for September 2nd from 9-11 pm. Last year, the Big-Bust Entertainer of the Year award went to Brittany Love, for the second time.

Directly following the Expo is the 8th Annual Exotic Dancer Fan Fair (Sept. 3-4). This year, the Fan Fair kicks off with the "World's Largest Bikini Contest." For the very first time the contest moves inside to the Convention Center instead of outdoors in the flesh-roasting Vegas heat.

"Everyone is going to be more comfortable—this time the only heat will come from the bikini contestants," says Don Waitt, ED's big kahuna. "There is going to be much more room for photo areas and greater opportunities for attendees to meet their favorite feature entertainers and adult film starlets."

For more information about this year's Expo, visit exotic-dancer.com or telephone 727-726-3592.

Wanted! More Readers Like Crazy Jose

SCORE reader and website subscriber "Crazy Jose," who writes: "I have to give our support to *SCORE* magazine from all of us at the Breast Expansion Archives (Bearchive.com) and me for your excellent work.

You've set the bar high in big-boob magazines and websites and that is why you are number one.

"Also I want to thank you for supporting our gal friends such as Vixen LaMoore, Melonie Charm, Christine Allure and Keisha Evans in your magazine and helping their careers. Thanks for introducing new stars and making awesome videos. Lolly Topps is awesome and I hope to see more of her. Great work! We appreciate all that you have done and will do."

Jose (looking a bit like the late John Belushi from *Animal House* in this shot) attends the Adult Entertainment Expo every year and makes damned sure to visit *SCORE*-girls at our booth.

Thanks for the support, Jose!

The
stripper's
pole has
become
a trendy
UK exer-
cise fad.

POLE WORK

Using a stripper's pole as a workout device is the latest fad in exercise techniques.

Polestars began operating in the United Kingdom last year in over a dozen locations. The company opened its first international franchise in Sydney and director Stephanie Kite said demand is already high.

Each two-hour session consists of two 30-minute warm-up and cool-down periods plus an hour-long session on the pole. The Polestars course lasts six weeks. Women can expect increased muscle definition and toning, especially in the arms, thighs, and buttocks and will burn about 250 calories per session. There are intermediate and advanced courses available. The recommended clothing to wear during the class is a pair of short-shorts, tee-shirt and stripper's platform shoes. Sounds like the perfect wardrobe. The classes are open to women only in case you're thinking of checking out a session.

"I had loads of fun and recommended it to all my work-mates, and now they have all joined up," says a contented graduate.

HOW TO DATE YOUNG WOMEN FOR MEN OVER 35

This book by R. Don Steele, available from Amazon.com, offers training and education from a 46-year-old man who has dated young women for the past ten years. Don tells you how to find them, approach them, talk to them and get dates with them.

His philosophy is based on understanding young women and what the real motivation a younger woman has in dating an older man.

The topics covered in the book include: Understanding 18-24 year olds. Why young woman are afraid of mature men and how to overcome her fears. Identifying which girls are interested in older men. How to act, dress and talk to interest and attract much younger girls. Where and how to meet younger girls so you can talk with them. What to always say, and what to never say. How to behave on dates with young women. Seducing, then sustaining an affair. How to pass her tests of your sincerity. How to spot a cockteaser, then use her to meet her girlfriends, who may be interested in you. 54 accessories that you should never wear. The 18 questions she will invariably ask you and how to answer them without lying, hustling, or bullshitting. How to understand your competition.

"I can testify that I have personally tested his methods, and it works!" praises a disciple of the book and its techniques. "I am currently in my late forties and dating several attractive women, 10 to 15 years younger. Prior to Steele, I was stuck in a dating pattern of women my age or older."

Notably absent are great pickup lines and advice on how to manipulate women. No fuel for fantasy here. What you do get are concrete actions that can actually be applied to your circumstances. Steele takes a realistic approach to understanding young women and gives you the exact blueprint for success."

Tripping The Rift

The original animated five minute film *Tripping The Rift* has been traveling through internet cyberspace since 1999. Now it's become a Canadian/US co-production for the Sci-Fi Channel as a 30 minute CGI-animated series. It chronicles the spaced-out adventures of The Free Enterprise, a smuggler's star ship led by Chode, a purple alien that looks like a talking kitchen sponge with tentacles. He/it travels with shipmates T'Nuk, Whip, Gus and Six and

appears to have a very active sex life.

"Six" is the only reason we're mentioning this show in Boob Beat. She's the ship's all-purpose busty hooker (voiced by actress Gina Gershon) with a terrific body and tits. The animators even give Six a "bounce factor" when she moves. This crew of alien odd-balls flies around the galaxy visiting weirdo planets as they "trip the rift" between two warring power structures seeking universal domination, The Dark Clowns and the Confederation.

Definitely not for the kiddos, *Tripping The Rift* is an edgy, mean-

spirited, adult-oriented series that's filled with sexual spoofing and science-fiction in-jokes. (The word choad is a slang term from '60s underground comic books for a cock that's wider than it is long, and also a slang term for jizz.)

Boob Beat recommends you check out *Tripping The Rift* for Six and the busty aliens the crew encounters, like a chick with mega-boobs so huge, she supports them on crutches and a voluptuous-bodied catwoman. Mr. Spock would make number one in his pants if he ever saw this.

Why watch the Sci-Fi Channel's *Tripping the Rift*? It is an edgy, mean-spirited, adult-oriented series that's filled with sexual spoofing and lots of busty characters like "Six" (above).

THE BUSTY THIEF

A big-breasted man in his 20's aroused police interest during a stop-and-search operation in central Pretoria. We should hope so. A pat down revealed that the man was hiding trainers (athletic shoes) in a bra he was wearing. He was taken into custody. Police believe that the trainers were stolen from a retail store since they had price tags still on them. The suspect was charged with possession of stolen property.

Where the bra came from was not stated in the police report.

TOUCH THE NIPPLES

Colombian couples are lining up to touch the nipples of a statue in the city of Cartagena, in the hopes that it will help their relationships.

The sculpture is of a curvaceous woman who locals have named Getrudis. They believe that Getrudis will bless them with long and happy relationships if they

touch her nipples.

Famous Colombian artist Fernando Botero, 72, who created the sculpture four years ago, said he was delighted by the custom.

During a radio interview, he said "I think it is great that loads of tourists and locals line up to touch the sculpture's breasts. It's amazing to hear that the breasts have had to be repaired many times because they're being worn out by too much touching."

BATHROOM BREAK

AND YOU THOUGHT ALL THEY DID WAS TAKE A PEE IN THERE!

Take a good look, boys. You know how ladies are always excusing themselves to go to the john? And then they take like 15 minutes just to take a piss?!? *SCORE*-girl Ricki Raxxx is here to show-and-tell all of us that those guy-fantasies we have about chicks and their “little girls’ room” breaks are all true. In fact, if your own personal fantasies don’t involve fake dicks, cunt-stuffing and lots of orgasms, trust Ricki, you need to crank up the jack-quotient on your fantasies. But don’t take our word for it. We’re just cock-stroking tit-lovers like all of you. No, for the goods on gals, we’ll turn you over to an expert. Take it away, Ricki...

"Girls are so horny!" says Ricki, who is a dirty girl, and we mean that in the most flattering of ways. "And we're constantly getting ourselves off. Especially in bathrooms. You have a hot date, and you can't wait to get his cock in you, so you take a potty break and do it! Myself, I use a pocket rocket. A few seconds and I'm there. Now, if every ladies' room had dildos like this, I don't think girls would ever leave! Ditto for guys. If you had women in there blowing you, would you ever leave the can? I don't think so!"

RICKI RAXXX

AGE: 23 **BIRTHDAY:** June 6, 1980

HEIGHT: 5'3" **WEIGHT:** 125 lbs. **MEASUREMENTS:** 42-24-36

VIDEO: *Busty Dildo Lovers #2* (X-Rated, available on DVD and video in the Video Club on page 98 of this issue)

28 **SCORE**

The girl can work the dildo, that's for sure. Chalk it up to experience. "What can I say? I like to cum, and there isn't always a guy around, so I go for the next best thing!" says Ricki, who doesn't just do the clit thing. "No, I need that fucked-hard feeling. If I don't have a dildo, I'll use something else, like a cucumber. Ya'll thought those were just for salads, didn't you? You silly boys. The next time I'm in *SCORE*, I'll teach you more, promise. Can't do it now, though. All this sex talk has got me so horny. I have to go the bathroom..."

MEGA-BOOB OLYMPICS

Let the games begin! The bustiest collection of Olympic babes ever seen compete to see who has the best tits!

Erotic Fiction by RADAN MAX

For a moment I stood hypnotized, watching my girlfriend's huge, Olympic-sized knockers bouncing up and down over another man. Then the haze cleared and my temper soared. I dragged the little bitch off my staff photographer's dick and delivered a virtual pink slip to them both.

Amy and I were still in the getting-to-know-you stage, so I wasn't terribly

vexed about losing her. Having to find another photographer days before the Olympic games in Athens was another matter entirely. Still, I owned *Sportsline* magazine; I couldn't allow such insubordination and still hold my head up around the office.

On the way out of Amy's apartment, I swiped back the envelope with our plane tickets. Damned if I'd pay that tramp's way now that she'd cost me my best sports photographer.

I wasted the rest of the morning doodling pictures of Olympic torch-carrying contenders, each of whom sported super-sized tits. Lunch time came. I didn't feel like eating so I headed to the newsstand to drown my sorrows with the current edition of *SCORE*. Wearing my anger like a flaming red aura, I figured anyone with a lick of sense would stay clear, but one young fellow seemed determined to brave the flames. "Aren't you Matt Michaels?

The editor of *Sportsline*?" he asked, holding out his hand.

I looked him over. Young, chique and pulled attractively together. Not overtly gay. "Yeah."

"Curtis Benington," he introduced himself smoothly and shook my hand.

The name sounded faintly familiar. In my line of work, I need a phone book locked inside my head. Then Curtis made himself unforgettable. He picked up an issue of *SCORE* and flipped to an amply endowed brunette. "My work," he said with a smile.

So that's where I'd heard the name. After an all-too-brief stint in sports, Benington had made a name for himself in the erotic entertainment industry. He'd been damn good at the nudie stuff and apparently photographing beautiful women hadn't hurt his edge. Curt and I ended up having a few beers. I liked his style, and he seemed genuinely interested in *Sportsline* so I offered him the job. He accepted.

The night before the trip, Curtis and I stopped for a few beers before calling it an early night. A young beauty walked into the bar—a knockout for most men, but minus about two cup sizes for us. Curtis checked the girl out. "Working for *SCORE*, I've developed a taste for Va va va vroom."

I nodded, owning up to my own preference for busty women.

"Word on the street is more than a

few of the athletes are stacked this year. Hotties. If you're a breast man, a buddy of mine is managing an event that will blow your socks off."

I leaned forward. "Tell me more."

"When he learned the Greek Government was using cruise ships for accommodations, he began marketing a Singles Cruise that will offer excursions to some of the closer islands and provide lodging for a select number of athletes. It's closed to the public. Invitation only. Only 'aspiring' participants need apply."

"Aspiring?" I ask.

Curtis slapped me on the back. "Sexually liberated. Promiscuous and horny. The participants are carefully screened. You want super-stacked *SCORE*-girl types, you got it, all in one place and all eager to be fucked silly."

"Athletes tend to be on the small end of the titty scale."

"True. Normally big-titters would definitely be in the minority and scattered all about. This year, we're concentrating the cream of the crop on one ship. Plus, there will be plenty of room for models, celebrities, rock stars—you name it. All I can say is, a few of these guys are really connected."

"They must be. Makes me regret booking generic hotel reservations."

"I'll see what I can do to hook you up during the Olympics," Curtis said, looking pretty confident.

We arrived in Athens with a venue of events I planned to cover for *Sportsline*. We had one or two scheduling conflicts to work out. My first event was Archery. I delegated Fencing to Curtis. We met up later at the Olympic Aquatic Center for the Butterfly heat. As we took our seats, Curtis leaned over and whispered, "Wait until you get a load of the Swede, Natalia Ericsson."

Most of the athletes were talking to their coaches on the sidelines. One woman stood out above all the rest, a large, busty blonde with full ripe lips and an hourglass figure. "Wow," I muttered. "I'll watch her doing the breast stroke any day."

Curtis winked. "I'm interviewing her later tonight and no, you're not invited. Natalia's on my friend's...list."

"Which means she's open to exploring all possibilities, eh?"

"You got it."

After the heat, I mingled with the rest of the media junkies interviewing the finalists and then stopped at a small café overlooking the Aegean. A pretty blond passed by, making me think of Amy, but soon a deliciously packaged brunette settled in at the table next to mine. When I was finally able to take my eyes off her breasts, I recognized her as Svetlana Radukan, the Romanian world champion in Archery.

Svetlana flashed me a smile. I flagged down a waiter and ordered her a drink. Light olive brown skin and amazing hazel eyes overshadowed the fact that her English left a good deal to be desired. Fortunately, Svetlana's body language told me everything I wanted to know. She was hot, available and ready. Since I wasn't about to share the wealth of my good fortune with Curtis or anyone else, Svetlana offered to take me to her room. Sure enough she was booked on The Flying Pegasus.

I got an up close view of her round, saucy ass as she walked up the steps in front of me and copped a feel in the elevator as I explored her mouth. Svetlana

pressed her pussy against my cock, inviting me into her holy of holies. I forced myself to resist long enough to get behind closed doors. Kicking off my pants, cock at ready, I helped myself to the charms of my Romanian Goddess.

Svetlana's tits were magnificent mountains of creamy olive flesh topped with hard, brown nipples. I literally had to tear myself away from suckling them to work my way down past her jeweled belly button to her shaved pussy. My cock throbbed, begging for permission to burrow inside of her.

As energetic and imaginative as she was horny, Svetlana entertained me for hours with a choreographed tease that culminated in the best damn orgasm I'd ever had. I woke alone, exhausted but sated after our Olympic epic.

Later that day, Curtis and I met up. He was smiling like a lunatic. "Pack your bags," he said. "I managed to get us the last two spots on the Pegasus. Champion deck. Natalia's onboard and she has a friend."

Things were getting complicated. I flashed Curtis 'the look'.

"You'll like her, really. Her name's

Cornelia Werth, also known as the German Wunderbabe. But hey, if you got lucky last night and plan to settle down, it's just more for me."

I agreed to meet Curtis and the ladies for dinner. I covered several of the men's events while Curtis scored the women's diving competition.

I love my work and soon became engrossed in the job. That all changed the moment I met the svelte, well muscled Cornelia who I soon learned was competing in the weightlifting competition. She had a beautiful face framed by a mass of golden curls and icy blue eyes, but what intrigued me most was her magnificent tits. Like nothing I'd ever seen—or touched before. Not even the most costly jewels could have complimented the rest of Cornelia's body better than these mounds of firm, gleaming gold.

The word "voluptuous" suited Cornelia. Though, muscled, she was still curvaceously round and had perfect skin, my fantasy girl come true. I couldn't wait to explore her tight, perfectly formed ass.

After dinner, dancing and a stroll on the deck beneath the moonlight, Cornelia allowed herself to be seduced. Although not as direct and passionate as Svetlana, there was something sensuously sexy about Cornelia's wide-eyed innocence that nearly made me cream my pants.

Curtis and Natalia had disappeared a good hour earlier, so I was surprised when Cornelia objected to being led to my stateroom. She shook her head and pulled me unresistingly to the other side of the ship where, without knocking, she unlocked the door and intruded on Natalia and Curtis—in process.

I backed out and tried to excuse myself, but Cornelia was already slipping out of her shimmering gown, mesmerizing me with one of the most tantalizing bodies I'd ever seen in or out of a magazine. Having never been with a woman with this kind of powerfully muscled body, I couldn't wait to get a handful of succulent breast.

I looked at the bed where Natalia was sucking Curtis' dick. Abandoning my reservations, I stripped and got down to business licking Cornelia's pink aureoles until her nipples hardened into sweet berries. I longed to fit my dick in between those two beau-

Lisa Lipps

A YEAR WITHOUT LISA IS LIKE A DAY WITHOUT SUNSHINE

That's one of our favorite *SCORE* adages, and one we always say whenever we see new photos of Lisa Lipps. A *SCORE*-girl since 1983, The Lippster has been getting guys off for over 10 years in magazines and hardcore videos. Here's hoping we keep seeing her for another decade!

We last saw Lisa in the Feb. '03 *SCORE* in a tell-all, explicit interview. What's Lisa been up to for the past year-and-a-half? "Same-old, same-old." That translates into running her website (www.lisalipps.com), dancing, posing when she can and basically enjoying life as a big-titty superstar. Hey, if anybody has earned the right, it's Lisa, who was never one to brag or show off. When you're a superstar and a living legend, you don't have to.

Still super-hot with great boobs and a curvaceous, slim-n-stacked body to die for, most of the busty babes Lisa used to call peers in the super-sized '90s have all retired. But Lisa keeps on going strong. When will the ride end? "Honestly, I hope it never does!" says Lisa from her home in Las Vegas. "I'm having just as much fun now as I was 10 years ago, so why stop?" We couldn't agree with you more, Lisa.

LINSEY DAWN MCKENZIE VS. NICOLE PETERS: MAY THE BREAST GIRL WIN!

It was inevitable. Both girls are Brits. Both are busty. Both are naturals. So, let's stop dilly-dallying, 'cause it's time to get it on. In the dark hair and the HH-cup hooters, she's called "The Natural" because she is. The one and only...Linsey Dawn McKenzie. And beside Linsey throughout the next seven pages (and above to her right), sporting J-cup power hooters...2003's #1 Newcomer and the heir to the Brit Big-Tit Throne...Nicole Peters. This is the Big-Tit Battle you've dreamed of! May the breast woman win!

Now, for the rules of our bout, we'll turn to our editor, for the instructions..."All righty, ladies, we want a good, dirty match. But, no biting, no scratching, no clawing, unless you're doing it sexually, then be our guest! Other than that, all's fair in love, war and the Big-Breast Challenge. Now, introducing our judges: **SCORE**-men from around the world, who will be using the international rules of Big-Tit-Dom when they fill out their **SCORE**-Cards. There is no three-load rule, because most guys have already dropped more than that in this issue. And if any reader starts to hear bells, that's a sign of big-tit overload. Doesn't happen much with other mags, but with **SCORE**, it happens all the time. How should you **SCORE** this bout? Any way you want. We're giving you the pictures and poses, you tell us...who's the best?

Yeah, we know this is going to be a tough one to call. Linsey is one of the most revered busty babes of all time, and she has basically been shut out of every award she has ever been up for. Will this be her time, or will LDM once again be a bridesmaid but never a bride?

Or will Nicole Peters continue her remarkable run to super-stardom that started with her overwhelming tit-kicking as 2003's *SCORE* Newcomer of the Year? The answer is up to you. Send your votes to: The Battle, 1629 N.W. 84 Ave., Miami, FL 33126.

MEGA-BOOB OLYMPICS

ties—to see my cream ejaculating over their glorious mounds, but first I did my duty—and pleased my woman.

Her pussy tasted sweet. Nestled between golden curls, her clit looked bright pink beneath the neon glow of the stateroom lights. I loved seeing her like this, spread open like a delectable morsel for my dining pleasure. I slipped my tongue in and out of her wet, glistening pussy in little jabs then swirled it deeply into her moistness until she wrapped her legs around my neck and moaned.

On the bed next to us, Curtis was humping Natalia from behind, jabbing his man-meat into her greedy pussy like there was no tomorrow. Natalia was squealing and shaking her hair around in total jubilation, obviously enjoying the ride.

I lifted Cornelia's ass cheeks up and slid my shaft into her cunt. I felt her flower dribble with dew as it accepted me deeper and deeper. Moving in and out of her slowly, I treated Cornelia to the full length of my cock. I thrust deeply inside her until she erupted, then positioned myself to tit-fuck her the way I'd always dreamed of.

"Take off the condom," Cornelia begged, helping me off with the tiny raincoat. "I want to taste you."

The idea of her sucking me dry sent another wave of shivers reverberating throughout my body. I spurted into her mouth and watched as she licked my cum off her lips and swallowed.

While Curtis hit the loo, Cornelia and I entertained Natalia. By the time he returned my prick was ready for more and eager to fit itself into Natalia's fleshly beauty. Both Cornelia and Curtis seemed willing to make the exchange and soon began working themselves into a renewed frenzy as I lubricated Natalia's ass with spit and stuffed my sausage between those two marvelous round cheeks.

Natalia squealed, but soon began slowly working my cock more deeply inside her, moaning and treating me to little squeezes that got my guy as enthusiastic as I'd ever seen him second time around. She begged me to wait, then asked Cornelia if she would help. Wow, an orgy. Not that I've never been in one before, but not like this one—a small, intimate group of beautiful, highly motivated horn-dogs.

I positioned Natalia on her side, moving my cock slowly into her. Cornelia helped herself first to Natalia's upper lips, then lowered herself to stimulate her friend's pussy. Natalia trembled with multiple waves of orgasm and her rectum quivered deliciously against my cock. Enjoying the tight feel of her ass pressed tightly against me, I came.

Since between the two of us, Curtis and I had enough material and footage for a dozen editions of *Sportsline*, we became more selective about the events we covered in order to have more time for sightseeing.

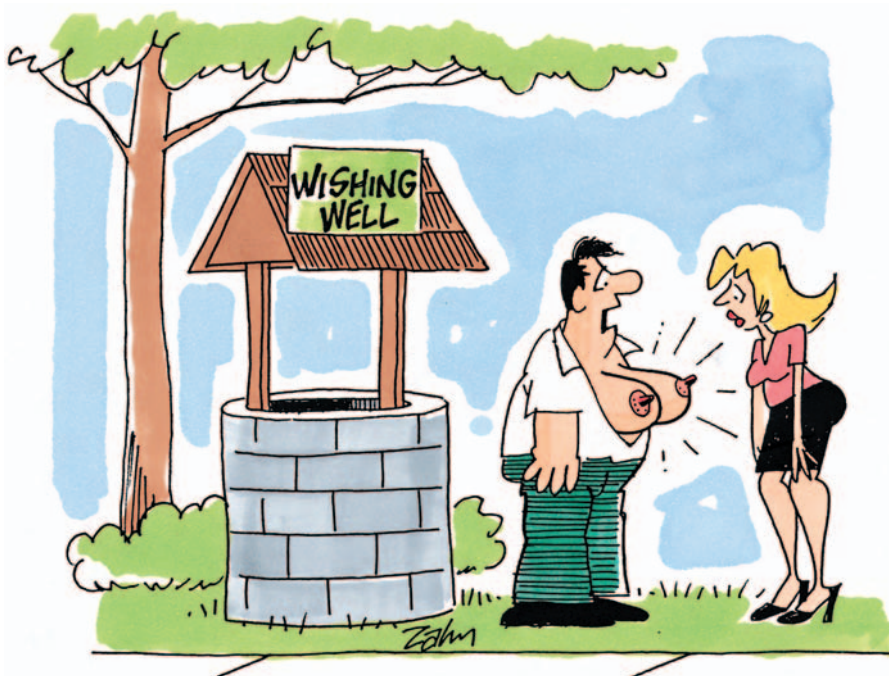

Cornelia and I took a magnificent drive up the Prefecture of Argolida toward the elegant and cosmopolitan island of Spetses. The next few days were filled with romantic private dinners and passionate nights, yet though Cornelia was my fantasy come true, I couldn't quite forget Svetlana. I ran into her a few days later at the Archery Panathinazo Stadium where she'd taken the brass medal. I found it difficult to resist her dark mysterious beauty, and while I prayed Cornelia wouldn't discover my sudden disappearance, I invited Svetlana on a ferry ride to Aegina to celebrate. After a romantic ride around the promenade in a horse drawn carriage, we got a room.

Besides fucking a few non-athletic resident beauties, I had one or two more encounters with a few of the winning athletes. I'd interviewed Li Sang Xue, the Chinese champion in event jumping at the Markopoulo Olympic Equestrian Center. Bumping into her days later at the stables, I had my first literal roll in the hay. After enjoying Li's ripe, cantaloupe-sized breasts and her virgin-tight pussy, we had dinner aboard the Pegasus where we bumped into Curtis and company. Although awkward at first, the women got along so famously they made plans for later.

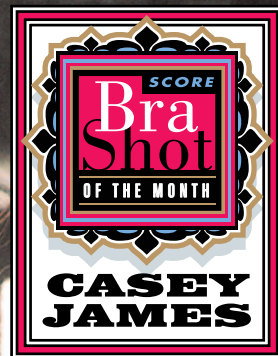

I then met with Vera Marinescu, the Russian fencing champion outside the Hellniko Fencing Hall. A stunning blonde with amber eyes, Vera reminded me of a warm, glowing fireside. Garbed as she was in her fencing attire, I had no idea if Vera even had breasts but I intended to find out. Still, I had an interview to conduct to support the dynamite pictures Curtis had taken of the 'Saver Elineas.'

I whisked her away to the Flying Pegasus. We enjoyed a short dinner cruise to Hydra where we kept track of the various athletes on board: the Brazilian soccer player that won the tourney for her team with a great 'boober.' The busty Swede who had kicked ass in the sailing competition, and Daryl Jenkins, the American finalist who had creamed most of her com-

THE **SCORE** INTERVIEW

Lizzie Mills

A housedancer-next-door turned big-tit superstar.

Interview by ELLIOT JAMES
and DAVE ROSEN

SCORE: She's been in *SCORE* many times and she has a hot dildo video. *SCORE*-men, let's all stand up and give that big *SCORE* greeting to...Lizzie Mills! First off, Lizzie, I have to ask this. You're five feet tall. You're a very little girl. Do you have a hard time getting guys to take you seriously, being so little and all?

LIZZIE: Not really. Guys treat me like a woman. Definitely.

SCORE: You're a dancer?

LIZZIE: I dance at Pure Platinum in Columbus, Ohio. Before that, I danced at Diamonds in Dayton, Ohio.

SCORE: How many days a week do you dance?

LIZZIE: Two or three times. I usually dance on the weekends.

SCORE: What attracts you to dancing?

LIZZIE: The attention. Definitely.

SCORE: Are there lapdances in this club?

LIZZIE: Sure. Lapdancing with boobs in the face, but no grinding. Plus, we have shower shows where a guy sits in a chair, and a girl is in a shower for him. It gets real interesting when there is more than one girl in there at the same time. I've been in there with five girls at one time.

SCORE: Five girls!?!

LIZZIE: You should come to Columbus. It's a blast! You will definitely leave wet.

SCORE: Is there anybody like you there?

LIZZIE: I have the biggest boobs, but there are all kinds of different girls.

SCORE: Do you work out a lot?

LIZZIE: No. I don't work out. I don't eat right. You can ask anybody and they'll tell you that Coca-Cola is my drink. I need one like every five minutes—real healthy, eh? Plus, I'm real lazy.

SCORE: But you were a gymnast?

LIZZIE: I used to be. A cheerleader, too. Tap dancing, ballet, jazz, all that stuff.

SCORE: We're you the hot cheerleader in high school that the quarterback wanted to go out with?

LIZZIE: No, not really. All the cheerleaders were hot looking. We had the hot cheerleading squad, so we had a real good time. We got in lots of trouble.

SCORE: You were a party-girl?

LIZZIE: No, actually not. I was real preppy. I made good grades. But I was still a little mischievous.

SCORE: When you were younger, like 15 or 16, were you fascinated by big boobs?

LIZZIE: I had big boobs! Even when I was in high school, I was known as the girl with big boobs. I was a C-cup, but I still wanted to get bigger. I just like the way

big boobs look. I know a lot of people don't feel this way, but I like the way boob jobs look. I like the round, full look.

SCORE: Did people give you a hard time?

LIZZIE: No, in fact I was very popular. We would go out all the time and people were always commenting about my boobs. We used to go bowling and we would do dares, like if somebody got three strikes in a row, I had to show them my boobs. (Laughing) I would always

lose, too. And it was weird, because it was always me who had to show her boobs. They never asked anybody else!

SCORE: I wonder why! Now, Lizzie, have you ever experienced "boob prejudice?"

LIZZIE: What's that?

SCORE: Where people make fun of you or treat you badly because of your boobs.

LIZZIE: No.

SCORE: Do you dress real sexy when you

go out in public?

LIZZIE: No, not really. I usually have on a pair of jeans and either a tank-top, a loose Abercrombie t-shirt or a sweater. Nothing real flashy. I'm actually real conservative outside of modeling or dancing. I'm really kinda tomboy-ish.

SCORE: Let's just say you're going out on a date and you like the guy. You're not really ready to jump into bed with him, but you like him. What would you wear?

LIZZIE: Dress pants and just a nice dress shirt...in the summer. Considering Ohio is cold sometimes, I might also wear a sweater or a jacket.

SCORE: Do guys ever think you're easy because you have big boobs?

LIZZIE: No. Never.

SCORE: So you don't run into any of the typical blonde, boob, guy-things?

LIZZIE: No. I think after guys talk to me, they realize I'm not a dumb, easy blonde.

SCORE: How'd a sweet, nice, honest girl like you get into modeling and dancing?

LIZZIE: I got into a bikini contest when I was 18 at Diamonds in Dayton. I won and got like 250 bucks.

SCORE: Were you nervous?

LIZZIE: God yes.

SCORE: You were out of high school?

LIZZIE: Yes. Actually, when I was in high school on my 17th birthday, I won a wet t-shirt contest at a bar. I think that's probably what started it all. (Laughing) Needless to say, the wet t-shirt came off and I won! I won the bikini contest the next year on my 18th birthday!

SCORE: What part of your body do guys like most? Your boobs, butt, legs or face?

LIZZIE: It might be my butt or my boobs. I get a lot of comments about my butt.

SCORE: You have a nice butt.

LIZZIE: I don't know.

SCORE: What do you like?

LIZZIE: I don't know. I don't think I have a favorite part of myself.

SCORE: When you look at a guy, what body part do you look at?

LIZZIE: I like teeth. Straight teeth and good smiles. I think a smile makes everybody. Other than smiles, I like stomachs.

SCORE: A big, gigantic six pack of abs?

LIZZIE: No, but I do like firm stomachs. Personality counts, too. I've dated guys with some jacked-up teeth and bad stomachs who were just great to be with, so you never know. Sometimes the magic

I couldn't get a nice suction going?

LIZZIE: I got my clit done three years ago.

SCORE: Does it enhance your pleasure?

LIZZIE: I don't walk down the street and get off. When I use a vibrator, it's awesome. The extra vibration really gets me off. When I was in Vegas, I bought this ring with a vibrator that is for your tongue. I'll put a ring in my hood and I put that vibrating ring in and that is awesome. I actually walked around with it in.

SCORE: Are you into masturbation?

LIZZIE: Yeah! I do it at least twice a day.

First thing in the morning.

SCORE: Fingers or vibrator?

LIZZIE: Vibrator, always! I have a heart-shaped box inside one of my nightstand drawers, and I keep it in there.

SCORE: Are you fast?

LIZZIE: No, I take my time.

SCORE: And the second time?

LIZZIE: At night. I actually have a really great porn channel so that helps.

SCORE: What do you like?

LIZZIE: I like everything. My porn channel doesn't show anal and cum shots, but they show girl-girl, penetration, girl-girl-guy...I like it all.

SCORE: You've never done a girl-girl pictorial or video?

LIZZIE: I've never done a girl, period.

SCORE: Do you have any interest?

LIZZIE: If she was the right girl. You know what I mean. Honestly, I couldn't just do some random girl. I'd have to get to know her first.

SCORE: Sexually, what gets you off?

LIZZIE: I like to be fingered.

SCORE: What about oral sex?

LIZZIE: I don't mind receiving it too much. I like giving it! Personally, I'd rather be fingered.

SCORE: And a big smile?

LIZZIE: Well, when you're fingering me, I think at that point I like you, so the teeth thing becomes kind of secondary.

SCORE: What's your favorite position?

LIZZIE: Every position is my favorite. But I really like on top, backwards.

SCORE: Jeez, we're getting kicked out of the studio by the studio staff, just when we're talking about sex.

LIZZIE: (Laughing) Maybe you guys should become piercing artists?

SCORE: Now there's a dream job! Thanks for being a dream interview, Lizzie.

LIZZIE: My pleasure. Bye.

SCORE DISCOVERY: FLORRI

BIG, NATURAL, ROMANIAN GAZONGAS!

Here come the newcomers! We have three of them this month, all making their *SCORE* debuts back-to-back-to-back. First up is Florri, who is from Romania, which in and of itself is reason to celebrate. The last time we had a Romanian buck-ass naked in *SCORE* was back in 2000 with Nadia, so it's been far too long. What's Florri packing? We shall see. Gentlemen, start your stroking.

FLORRI

AGE: 27 **BIRTHDAY:** June 25, 1977

HEIGHT: 5'4" **WEIGHT:** 135 lbs.

MEASUREMENTS: 40-28-38

BRA SIZE: 34DD

BORN & LIVES: Bucharest, Romania

OCCUPATION: Banking

Discovered by your friendly, neighborhood Boob Beater while browsing an Internet chatroom for guys who love big-busted Romanian women, Florri is proof positive that hard work and dedication do pay off. It took some doing to get her to pose, being an everyday, conservative woman-next-door who works at a bank. Once she agreed, getting her in front of the camera was a pain in the ass. Florri has never left her hometown of Bucharest, so she was reluctant to travel. Then, when we found out she was scared to fly, there was only one thing left to do...road trip. Our photographers did the planes, trains and automobiles thing. When they finally got Florri naked, all the hard work was worth it, don't you think?

petition during the swimming finals.

To my credit, I did not attempt to fuck any of them. For once in my god-forsaken life, I embraced monogamy. Seemed to be in my best interest considering Vera's aptitude with swords. Yet when I went below to take a piss, I literally bumped into the Swiss supertitter who'd won the gold in archery. Before I knew it, the pretty blonde had cornered me. I didn't mind. She smelled like jasmine and her long blonde hair felt silky against my hand. "You are Natalia's friend, no?" she said. "I am Gianna."

She was holding something shiny and phallic in her hand that looked surprisingly like an ergonomic dildo at first glance. Upon further inspection, I realized it was none other than the Olympic Torch. "Is that...?"

Gianna's shrill laughter echoed off the hull. "No silly, it is...faux."

Looked real to me. The sleek metal and wood torch had been designed to resemble an olive leaf. "This is a counterfeit?" I asked, still in disbelief. If so, it was a really good one.

Gianna actually blushed. "It is souvenir given me by very nice man."

I got it. Gianna had screwed one of the Torch designers. I was jealous.

"He tell me the philosophy behind the torch design. How does it go? 'Pan metro Ariston.' Which means all things in moderation."

Yeah baby, talk dirty to me. I visualized sliding that sleek little gadget between Gianna's legs and lighting a fire of my own. Up, up and away into her honey pot. Maybe it was the wine, but before I knew it she was in my arms. She melted when I kissed her and eagerly surrendered to my desire. I grabbed her and pulled her into the head where I removed her skimpy pink sundress and lace panties. Lifting her onto the sink, I separated her legs and began teasing her clit. Gianna threw back her head and moaned with pleasure. She climaxed quickly and without hesitation, I yanked my meat out of my pants and thrust into her.

My God, she was hot. Hot and tight and moist. Holding her in my arms, I realized I hadn't even noticed her tits. They were a handful, grapefruits with

deep rosy nipples the color of berries. As I fucked her, I looked into her amazing blue eyes. Gianna's fragile beauty made her seem like a fairy princesses. Precious. A woman to treasure and possess. She was a bit thinner than I usually like my women but there was something about her energy that made me hunger for more.

Cupping her ass in my hands, we danced around the bathroom, me on sea legs trying to balance her and Gianna holding on for dear life. Finally I backed her against a wall and came, spurting over and over into her sweetness until our lips met in a warm kiss of gratitude and sated need.

Vera looked slightly pissed when I returned topside. Perhaps she smelled the musky scent of sex, or maybe she was psychic. Regardless, she spent most of her time talking to a wrestler named Anky from the Netherlands. This was the first year that women were being allowed to compete for the gold in Wrestling.

Anky was most definitely not interested in me, nor was Vera, but that was okay. Sometimes a guy needs to recoup his energy. I fantasized about Vera's friend, Evanglia Tampakos, as we sailed past opulent stone mansions to a quaint little dock. Vera kissed a very disappointed Anky goodbye, and we walked arm in arm down cobbled lanes toward the square where local artists showed their works.

Evanglia was one of the loveliest creatures I had ever seen. Tall, slim and dark, she carried her ample cleavage with graceful ease. Her mammoth breasts were tucked conservatively beneath white cotton and buried beneath the bib of painter's pants. Her eyes danced with the glimmer of intimacy when she saw Vera.

Over the next few hours my suspicions were confirmed, yet my patience was rewarded. Evanglia had a small pool within the courtyard garden, and after a light dinner and a few too many drinks, she peeled off her clothes and walked languidly into the pool. Vera bid me follow. For a moment she stood in the division between sunlight and shadow, slowly removing her clothes and revealing a surprise. She had an intricate tattoo of a rose on her mound of Venus—thorns and all.

My cock bulged. Time stood still. My clothes must have dissolved. All I

remember is carrying her into the waters to join Evanglia and then watching them massaging one another's lovely breasts. Feast or famine—put a guy in a remote exotic location and females crawl out of the woodwork. Although these two weren't crawling all over me. Evanglia and Vera graduated from foreplay into some serious oral sex. Neither one seemed inclined to favor me with the same passion they were lavishing upon each other. Still I wasn't complaining. Watch two beautiful women getting it on has to be the biggest turn on there is.

Even though Old Woody was getting quite the workout here in Athens, I eagerly availed myself of Vera's body whenever I was invited to partake. It was late by the time the three of us were spent. Vera decided to stay, but I begged off. I didn't want to disappoint Li. (Though where I was going to find the energy to satisfy her after my very busy afternoon was beyond me.)

As it turns out, my equestrian lovely was quite adequately entertained. I found her at Curtis and Natalia's table, deep in conversation with Cornelia and Paula, the American free style champion. I tried making eye contact with the sultry brunette whose flash of breast from a low cut scarlet dress made her irresistible. She got up and left. I have this effect on beautiful women. It's the pits. I must have a sign over my head that says, "fresh meat," because they all treat me like God put me on this earth to service their every carnal need. It sucks big time. Being an arrogant SOB I assumed her timely departure meant she'd be waiting for me on deck.

My second brain was working on an argument to convince me he was up to yet another round of pokey-feely, however I soon found myself alone in the moonlight, staring over the Aegean at a thousand stars.

"There you are," Curtis said, breaking my mood. "You're about to embark on a once in a lifetime adventure."

It seems my new photographer's friends had not only arranged an international smorgasbord of big-titted lovelies, but somehow they managed to launch an event Curtis referred to as The Mega-Boob Olympics. I guess some people like mixing their sports with sex. I know I did.

"Point me in the right direction," I

BLACK BEAUTY HAS A NAUGHTY SIDE!

Now, we gotta be honest with you guys. We don't really know much about Jada. She's new, loves playing with herself and has a great answering machine voice. She also has really big tits. And that, *SCORE*-men, is really all that matters.

CHECK LIST **JADA**

AGE: 26 **BIRTHDAY:** November 10, 1977 **HEIGHT:** 5'3"

WEIGHT: 126 lbs. **MEASUREMENTS:** 40-26-34

BRA SIZE: 34E **LIVES:** Southern California

We do know that Jada is a So Cal girl and she loves stuffing things in every hole. Her lensman told us that last pearl. He also told us these are Jada's own sex toys, so if you look at that two-prong plugger up there, you can get a pretty good idea what Jada's into sexually. It ain't a clit rubber, that's for sure!

Word is that Jada's also in the adult entertainment business, which could mean stripper or wannabe porn star or escort or even a strip-a-gram girl. Normally we know everything about a *SCORE*-girl, right down to her favorite color and whether she likes lecherous affairs with married editors. But this not knowing stuff is kinda cool. Jada could be anywhere and you could bump into her anytime. A true big-tit fantasy girl. Welcome to *SCORE*, Jada, wherever you may be.

said, eager to get back on the prowl. "And here I thought Natalia had you pussy whipped."

"Nah, she's here for her share of cock. Although Cornelia seems to have a real thing for you."

By the time we arrived at the pool area, over a dozen busty lovelies were drunk as skunks and shedding their clothes. A competition was underway to determine who had the most tantalizing knockers.

One dusky lovely stood stark naked on the table in front of me, her ass cheeks jiggling before my eyes. I breathed in the musky scent of her sex, made pungent by her excitement.

I moved around and caught her eye, eager to catch a glimpse of her gargantuan tits. Bulbous boobs adorned with nut-like nipples smothered me as she leaned over to give me a better view. Wrapping my hands around her breasts, I felt I could die happy.

Then Curtis unforgivably snatched me out of heaven.

He handed me a beer, his other arm wrapped around the waist of a lovely Canadian who'd won the gold in the diving competition. Mighty impressive. Some of the other girls had been just as good, but Michelle's breast flop and double flip dive had earned her perfect marks. Especially since her suit, stretched taut over her watermelon-sized breasts, had ripped, exposing two inch nips. And of course Curtis had caught every second on film.

"Michelle, this is my boss, Matt Michaels. Be nice."

Michelle threw her arms around my neck and planted a wet kiss on my lips. Her ripe melons pressed against my chest as she ground her pussy against my crotch. Old faithful came instantly alive, rewarding her with a nice hard poke right where the sun don't shine.

"Curt, you like *brusts*, eh?" Michelle said, slurring her words. She offered her tits into my welcoming hands. "What you think, eh?"

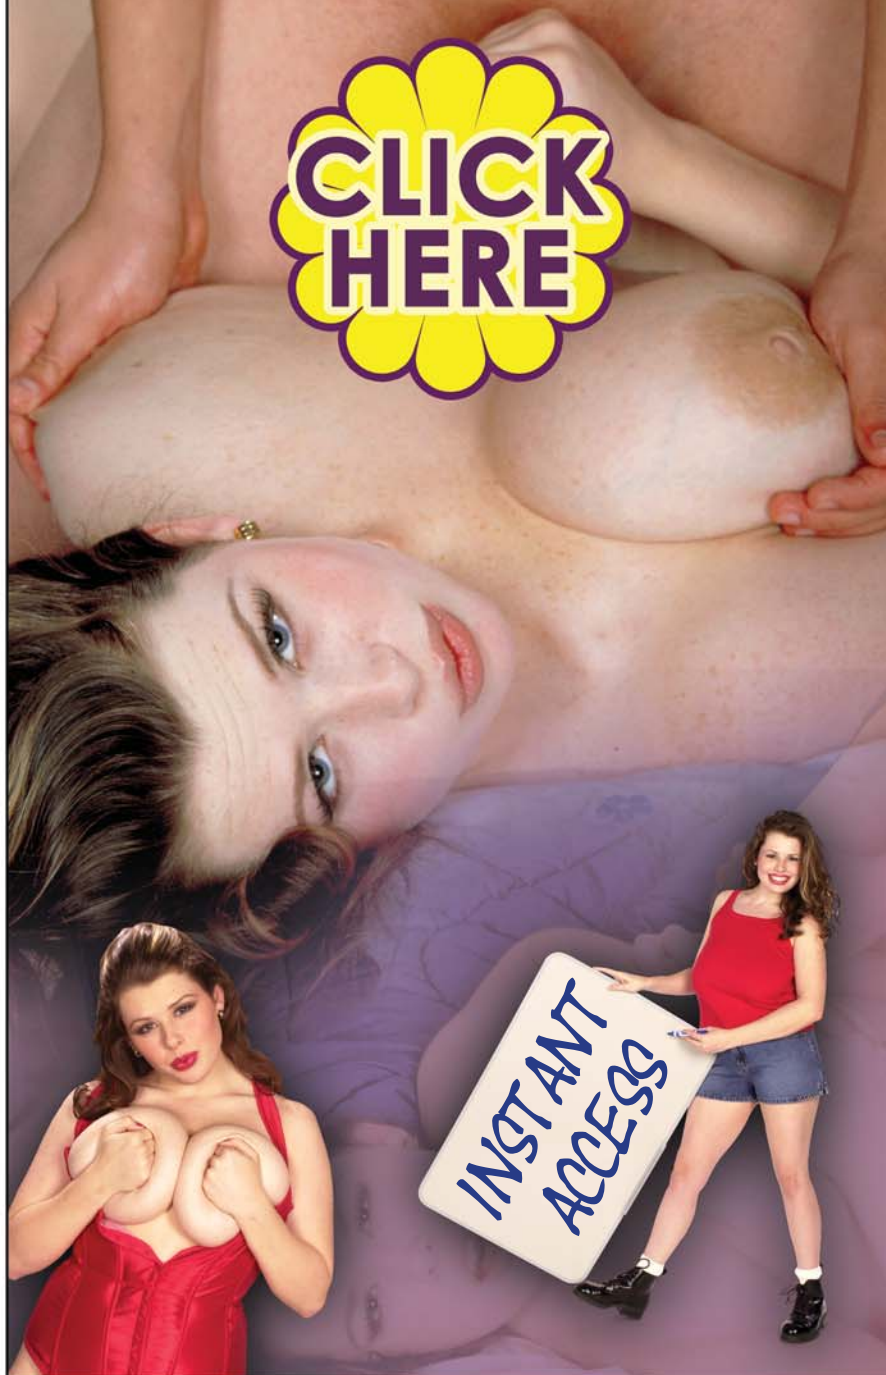

A beauty I didn't recognize sauntered over and slipped her tongue into Michelle's mouth. Curtis and I watched in disbelief as the girls rubbed their tits against one another until you could see the steam rising from their bodies.

"How did your friends pull this off? All these super-hot women? Did you make a pact with the devil?"

Curtis, having had a bit too much to drink himself, giggled. "Trade secret but I'll give you a hint. A few of our models infiltrated their ranks. Pretty soon all the girls were comparing equipment and vying to see which one of them wins the gold."

I recognized a handful of athletes Curtis had pointed out during the games: a champion diver from Australia, Katja, a gymnast from Denmark and Cristina from Italy—all now involved in a bra and tit-show for a select company of male judges—obviously Curt's 'connections.' Models, journalists, and spectators mingled with the organizers. The gals had only one thing in common—huge breasts.

Curtis poked me in the ribs. "Look at Edibel!" The little Cuban was up on the table on all fours, a judge's face swallowed between her tits. The guy to his left stood and unbuckled his pants. Then he whipped out his dick.

"Guess the judge's couldn't decide who won," Curtis sighed as he climbed up on a table and yelled—"it's tit-fucking for the tie-breaker!"

A round of applause went up as girls flocked in front of the judges. Those less competitive turned to the other assorted males including Curtis and myself. Unable to resist the seductive scent of sex and the sight of all the bodacious ta-ta's, I quickly and happily surrendered myself to big-boob heaven and the Mega-Boob Olympics.

Besides putting out the best damned issue of *Sportsline* ever, I came away from the 2004 Olympics with a smile permanently etched onto my face. I made a lot of memories that week and I even had one helluva souvenir.

Picking the Torch off the coffee table I wait for Gianni to breeze out of the bedroom. She lights up the room. I constantly have to remind her that I'm a sentimental fool, and 'Pan metro Ariston' or no, moderation had very little to do with how we met.

We met in Athens. And though she will probably be entered in the next Olympiad, I don't think I'll enter her in the 2nd annual next Mega-Boob Olympics. I'm going to keep this gold medalist all to myself. 🏅

**CHARLEE-
GIRL**

**AMERICA'S NEXT
TOP-MODEL?**

If Charlee Chase has her way, that dream will soon become a reality.

A pretty girl with loads of sex appeal and big tits, Charlee already has her own website.

That was her first step. The second? Getting in *SCORE*.

And to complete her trifecta, Charlee is determined to make a *SCORE* video.

A hardcore one! You gotta love a girl with ambition!

"I want to be a *SCORE*-girl." We hear that phrase often, and 99 times out of 100, we have to disappoint somebody. That's why, when Charlee e-mailed us those magic words, we weren't all that excited. Like all prospects we asked her to send pictures, but Charlee went the extra 300-plus miles, travelling from her hometown of Tampa to *SCORE*-land in Miami, arriving on our doorstep the next morning. An hour-and-a-half later, Charlee was assuming her favorite "fuck-me" pose and loving every second of it!

Now, we mentioned earlier that Charlee wanted to do a hardcore video, and after seeing her horny posing in her first-ever pro photo-shoot, practically all of it ad-libbed ("I studied a year's worth of *SCORE* pictorials to get it right!"), we were pretty damned excited about seeing her hump. There was only one problem. We hadn't planned on her arriving, so we didn't have one of our pistoleros in town. But Charlee is not only sexy, she's also resourceful. The girl brought her own flesh-n-blood sex toy. And right after she spread this cream on her tits, Charlee had a cock between them. Then it was between her lush lips and before we knew it, she was cumming and screaming and cumming and screaming and... Well, you'll get the pictures in a future issue of *SCORE* and the moving ones on video in a few months. As for her plans on being America's next top model, the way this girl got into *SCORE*, we wouldn't bet against her.

Busty Dildo Lovers #6

Review By TIM D. FRIEND

Women love their toys. No matter how good you are (or think you are), chances are your woman has a portable pleasure tool tucked away somewhere to use when you're not around or after you leave, or sometimes even when you're there.

The stacked SCORE-girls in *Busty Dildo Lovers #6* certainly love their toys. In fact, some love more than one at a time. But they also love putting on a show, which works just fine for all of us who love watching women with sex toys. And in this new video from The SCORE Group, there is plenty to watch. The seven scenes provide more than two hours of action that will burst your zipper and drain your nutsac.

Here's what you can look for from each of these horny babes:

DOLLY

You can't help but feel bad for Dolly. She's worn out by her job and her world. Her apartment is a mess. This is a girl who needs a change. As she peels out of her

demure work clothes, Dolly decides she wants to be a stripper. With her long brown hair and sweet face, she certainly has the looks for the job.

She even has the perfect pair of black platform heels, which she puts on to dance for you. Why not put those exotic looks and luscious body to work in a much more friendly and less-demanding environment? With that decision made, Dolly then proceeds to play with her ample bosom before lying back on the bed and spreading her legs wide to show off a neatly trimmed bush. You can't help but want to dive in. She commands you to take your cock out of your pants and to put it in her cleavage. We wouldn't say "No" either.

Then, in a moment of clarity, Dolly makes an even better decision.

"You know what I really want to do? I

think I should be a SCORE-girl." Beauty and brains are nice. Beauty and brains with hefty hooters is even better. This woman is SCORE-girl material, for sure.

Dolly tells you exactly what she likes as she fondles her natural set of Double-D gazongas. "I love getting my tits squeezed, my nipples pinched. Oh, it feels so good." If you ever meet her in a club, thanks to *Busty Dildo Lovers #6*, you'll have a head start on what gets her going.

The most talkative of the girls in this video, Dolly is not shy about letting you know what makes her wet. She's even willing to show you while she goes to work on herself. She seems as determined to make you cum as she is to get herself off, especially when she looks right at you and growls, "You better fuck me."

Well, Hello Dolly!

She rides that dildo, her globes bouncing like a couple of beach balls in the stands at Dodger Stadium. Despite Dolly having a bad day, we can't help but think this girl has a good future.

Hello Dolly! If you're a fan of this April '04 SCORE-girl or you just dig seeing busty, horny babes get themselves off with deep plunging dildos, *Busty Dildo Lovers #6* is your kind of video. With seven SCORE-girls in explicit solo masturbation sex, there are lots of orgasms, great big-tit action and the best dildo play ever seen on video. Read the review, check out the pictures, then order *Busty Dildo Lovers #6* on page 98.

Shot from the viewer's point-of-view, Claudia's scene is one of *BDL #6*'s most interactive and in-your-face.

CLAUDIA

Claudia emerges from behind a curtain, but this isn't a scene from *The Wizard of Oz*. The "great and powerful Oz" is not behind that curtain. Instead, we get to see a pair of nicely tanned gazongas. No tan lines, either. With her shoulder-length, blond hair and pouty red lips, Claudia is definitely a good witch.

As if there were any doubt, she announces "I'm here to give you the lap dance of your life."

Definitely a good witch.

The cameraman certainly must have thought so. Claudia doesn't use a dildo in the first part of her scene. Instead, she uses something slightly more lifelike as she dry-humps the cameraman numerous times, grinding on his jeans first with her pussy and later with those fantastic tits. We'll assume that wasn't a roll of quarters in his pocket when Claudia stood up. You'll be wondering how that lucky bastard got such a great job.

How does the cameraman restrain the urge to whip out his cock and plow her? Especially when she gets on her back, spreads her legs wide and starts thrusting her hips at the guy. His professionalism and willingness to get the shot for his audience is very much on display here. Then again, cinematography is something only a reviewer notices.

Claudia gets her fleshy rack up close and personal with the camera. She gets so

close at one point, that it seems like an eclipse as her enormous tit flesh blocks the lens for a moment

Fortunately, a bottle of lotion is close by and Claudia uses it to moisturize her cans.

She lies back on a table with her feet on the ground and her legs spread as she teases herself with a finger while playing with her breasts.

Seeking new positions, Claudia then gets on all fours and thrusts her tight ass at the camera. Then she turns over and spreads wide, giving you the ultimate view of her neatly trimmed box.

"I hope you liked my lap dance. Do you want me to go home with you?"

Definitely a good witch.

CHRISTINE

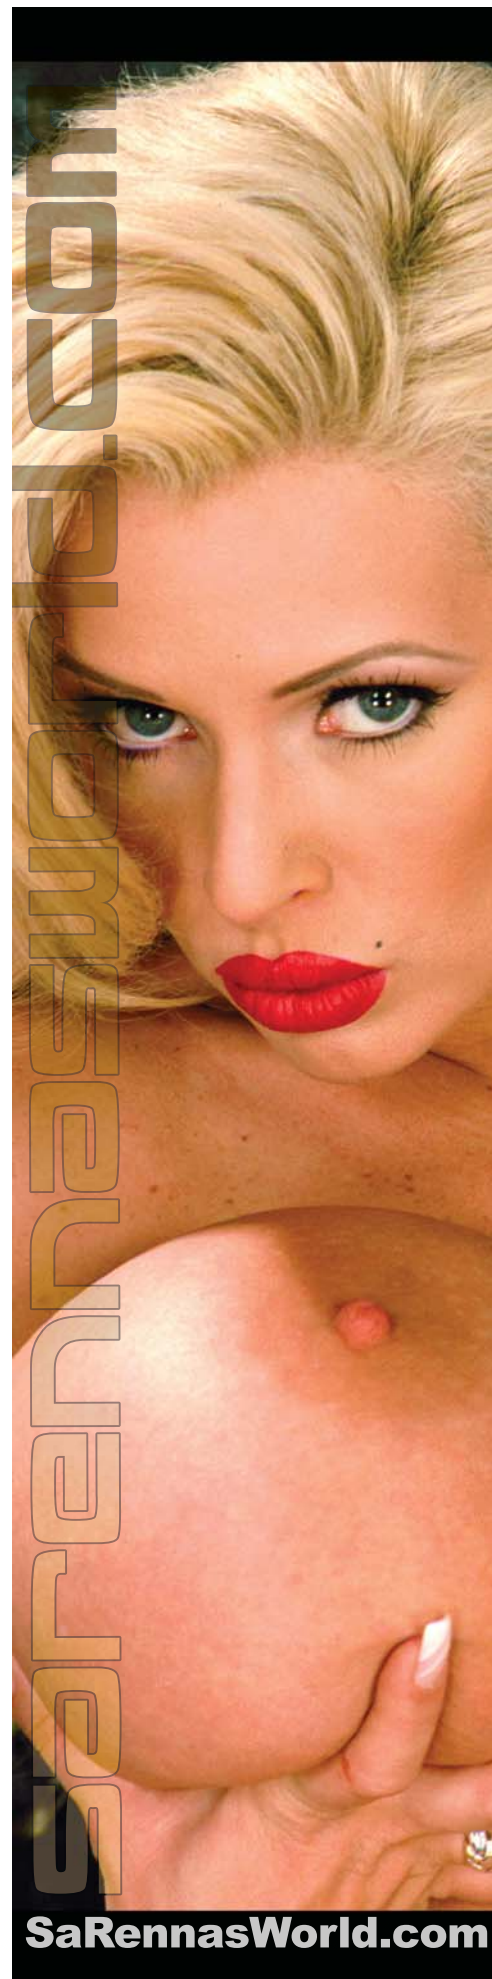

Christine doesn't waste any time and we like that in a woman. Mere seconds after revealing a nice set of D-cups, she grabs a dildo and some lube and gets to work sliding it between her boobs. We like a woman who is ready for action, too.

Wearing a pink mini dress and white fuck-me pumps with four-inch heels and lacy socks, it's easy to see what Christine has in mind. She has long, blond hair and a tanned, toned body that looks like it could have come off a beach in California. And she knows how to work that body.

The only meaty part on her, aside from her great tits, is her juicy, overflowing pussy. Christine is lean and built for sex.

With great tits and a juicy, overflowing pussy, Christine is built for sex and she goes nympho on this lucky-ass dildo.

Oct. '04 newcomer Lacy Love makes her video debut with some of the horniest masturbation on the entire video.

You can tell she knows it and likes it by the way she goes about her business in a no-nonsense style. The girl is here to get off and get you off.

She wants it faster and harder and tells you this in a sexy voice that's barely above a whisper. Christine is so horny she can barely speak. But she manages to say all the right things.

At least she did when she moaned, "Shoot your jism all over my boobs."

Lying on her back, Christine displays her completely shaved, succulent pussy. She gets it wet in a hurry. When she finally crams a dildo in her wanting snatch, you know it won't be long until her honeypot starts to overflow.

She slides a dildo inside her box and then proceeds to ram it in and out. Christine switches positions to get on her hands and knees and takes every inch of the dildo, making it almost completely disappear. Christine goes for the long, deliberate strokes, getting every inch out of her toy for maximum effect.

After riding the dildo for a while, Christine falls back, spreads wide and slams it in and out until she reaches orgasm. She collapses, totally spent, at the end of the scene.

We like a woman who gives her all, too.

BRANDY TALORE HARDCORE!

ONE OF 2003'S TOP ALL-NATURAL NEWCOMERS IS NOW A BIG-TIT DREAM FUCK.

The *SCORE*-girl every man wanted to marry a year ago has become the *SCORE*-girl we *really* want to marry. Fucking like a champion really cranks up the desirability meter. What? *"This cute girl-next-door-looking chick has done XXX?"* say you newcomers to *SCORE*. Oh yeah, and then some!

A year ago when Brandy debuted in the June '03 *SCORE*, she was a fresh-faced, adorably cute, sweet-as-can-be, all-American girl-next-door. She was so soft-spoken when she was hanging out with us at *SCORE*-land in Miami, many guys at our office thought Brandy was too shy to pose solo, much less get caught on camera worshipping the phallic god. After all, the girl has impeccable manners, uses "sir" and "ma'am" a lot, "please" and "thank you" even more and has a hard time looking guys in the eye. And this girl is going to go eye-to-eye with eight inches of cock? *Yeah, right?* That used to be facetious. That was, until Brandy cruised into Miami to pose and started asking about doing a hardcore video. After we pinched ourselves, we brought in a long-donger, the two made some XXX magic, and the rest is history, recorded history, too. The video is *Hard SCORE*, it's in the Video Club on page 98, and it's arguably one of the best big-tit hardcore videos of 2004.

Although *Hard SCORE* has an all-star cast with Iva, Marketa and Carmen, Brandy has a lot to do with *Hard SCORE's* popularity. Guys just love her. And not just big-tit guys—all guys. She has an innocent vulnerability and is so damned cute that to see Brandy getting hog-slammed on video and to hear her soprano screaming with each stroke and wild orgasm, then take a greasy cum shot to the tits...Trust us, when it's just you and a roll of Bounty at four in the morning, you'll be glad you have *Hard SCORE* and Brandy Talore on the TV.

tion, including the pair she's wearing. Lacy peels out of an impossibly tight pair of shorts to show off her thong.

Lacy has a too-cute Southern accent, but she's not your typical Southern belle. How many Southern belles do you know who would lube up their chests with a bottle of fabric softener? It's easy to see that this belle wants you to ring her bell after she gives her big cans her own version of a spin cycle.

Lacy has long, dirty-blond hair with bangs and a set of firm jugs. She looks like the girl- next-door-if you happen to be a very lucky man. Just don't forget her ass, or she'll let you know about it.

"What about my ass? Would you like to cum all over my ass, too?"

All we can say is, it's good to have options. With Lacy there are plenty of options available.

Lacy shows her oral abilities when she takes more than half of her vibrator down her throat. Never will you want to be an inanimate piece of plastic so much.

Finally, Lacy peels off the thong she has been wearing. In a moment of Southern

You'll see Mercedesz Mounds assume many poses next month in her Nov. '04 SCORE debut—hopefully just like this one!

hospitality, she invites you to take a whiff. As wet as she is by now, that's got to be a better scent than anything April fresh.

She goes from riding the dildo to rubbing her clit with it while still bouncing up and down.

When she's done, Lacy takes the cock-shaped tool to her mouth. She licks and sucks her juices off of it as if they were a load of spunk. Lacy then flicks her tongue on the head and then licks the dildo like she's trying to coax more spunk out of it.

MERCEDEZ MOUNDS

Almost as impressive as the rack on Mercedes Mounds are the incredibly long legs she has. This girl could wrap those pins all the way around you—twice.

But those legs quickly take a backseat when Mercedes sheds her top. When she cups her massive mammaries, her hands can't even fully cover her humongous areolas. Mercedes kneads and massages her awesome pair like a master baker works with a big wad of dough.

But the only wad Mercedes is looking for is yours.

As impressive as her nipples and legs are, Mercedes even managed to remove her jeans while leaving on a pair of chunky heels. This girl can do it all.

Mercedes takes a seat on a plush sofa and continues to tease her nipples. She then reaches behind a pillow and—*voila!*—a vibrator and some lube are there waiting for her. Another woman ready for action. Nice.

A copious amount of lube is applied to her chest and Mercedes drives that dildo through the cleavage tunnel without stopping to pay a toll.

Mercedes wants you to get a better look, too. She motions with her finger and says "Why don't you come closer?" and the next shot makes it look like we're sitting on

A promotional banner for Tawny-Peaks.com. The banner has a blue background. In the center, there is a large image of a woman with large breasts, wearing a thong, with a yellow starburst graphic that says "NEW!". To the left of the central image is a woman in a black and white floral dress. To the right is a woman in a black bikini. The text "TAWNY-PEAKS.com" is written in large, white, stylized letters across the top. At the bottom, the text "A MEGA-BOOBED LEGEND" is written in large, white, stylized letters, and "CLICK HERE!" is written in yellow, stylized letters.

The best slim-n-stacked body on *BDL* #6 has to belong to Carmen, who fucks dildos just as hot as she does the real dick.

the floor right next to her with Mercedes' completely shaved, wet pussy at eye-level. Mercedes goes at it on the couch, jamming a large, thick vibrator in and out of her juicy cooz while massaging those incredible tits.

When she stands up to get a different angle, we're left in the same position as when the scene began. Some of you will probably be on the floor anyway, passed out by now from this mind-blowing display. If not, you probably will when she puts that dildo into overdrive. Mercedes undoubtedly can drive a stick.

Now, if we can just find a way to rear-end this babe her without raising our insurance premiums.

CARMEN

Carmen is applying for a job.

One look at her caffe latte skin and ample curves, and even Donald Trump would have said "You're Hired." Then again, Carmen clearly is no apprentice.

Carmen leans over the desk and to tell you everything her resume doesn't say. When she gets to the part about how one of her job requirements would be making sure the boss is satisfied every day, suddenly weekends don't seem like the best part of the week.

The boss gets a *Basic Instinct* moment when Carmen says, "I have what it takes to do any position possible," while uncrossing her legs to allow a peek at her black panties.

KANDI COX: LOVES COCK!

THE STAR OF *SCORE XTRA* #7 NEEDS A FAST, FURIOUS FUCK. AND SHE'S GONNA GET IT!

It's *SCORE* quickie time, and for four pages of sucking and fucking, does it get any better than Kandi Cox? She's been a solo feature in the April '04 *SCORE* and a fuck star of the XXX-Rated *SCORE Xtra* #7, and anybody who has seen this cock-Kandi in action knows, quickie or longie, it really doesn't matter. Not only will she cum in no time, but you will, too!

Wow, that guy sure shot his load fast, didn't he? How did Kandi do? "Trust me, I came! I always do. But, I'm the flexible type. Longies, quickies. I love them both." Given your druthers, Kandi, which would you choose? "That depends on my mood. You know how a lot of girls like lots of foreplay, kisses that last for hours and lovemaking that goes on for days? I like that stuff, too. But, sometimes you don't want any of that. You wake up, your pussy is sopping wet, your nipples are all horny and all you want is some action. You just want to feel that big, thick, meaty, hot, hard cock deep in your twat, pounding away at you, fucking you like there's no tomorrow and it's one minute before midnight. No loving. No kissing. No foreplay. Just a good, old-fashioned fucking and an orgasm that makes you so dizzy, you almost pass out! Wham, bam thank you man! You gotta love it" Yep, not only is Kandi a great fuck, she's a chatty minx and a dirty girl. "What can I say? Not only do I love sex, but I love talking about it, too!" Our kind of *SCORE*-girl!

Continued from page 21

But she doesn't flash her beaver until later. Still, we like a motivated employee.

"I have another one of my qualifications right here," Carmen says, leaning forward and pushing her bronze bombs together. We should all be so lucky to interview Carmen for a position, err, job.

Carmen's shows what every executive assistant should look like when she removes her business attire, a sheer red top and a tight white skirt. She hops on the desk to get better acquainted with her potential new boss and then comes over it, squatting on the floor and showing off some startling moves with her ass. Clearly, anal is part of Carmen's repertoire.

Surprisingly, Carmen then does a split on the blue carpet that will leave you thinking, "Pretzel sex!"

If you're like us and love a woman who can suck her own nipples, you'll love Carmen. She samples her meaty dugs as if they were coated with honey, squeezing and pinching them until they are alert.

While showing off her secretarial skills, Carmen uses the phone cord as an underwire to lift her brown bazookas. The phone receiver doubles for a dildo as Carmen slides it through her cleavage. Ma Bell may have screwed you over the years, but she never did anything like this with a phone.

Even more surprising than the split she did, Carmen finds an ivory white dildo in the boss' drawer and proceeds to gulp most of it down her eager throat. Carmen gives the dildo a slow ride on top of the desk. When she mentions the muscle control her pussy has, you just might lose control of your muscle.

After seeing Carmen's display, we're thinking the secretarial pool can find someone else. This girl needs to be a president.

By the way, for any legal eagles out there, it's not sexual harassment if your employee comes into your office, strips and stuffs a dildo in her twat. Trust us, we've done the research.

KAYLA CAM

Like us, Kayla Cam is disgusted with what's on TV. Unlike us, she doesn't seem to have quality home video products to put in her VCR or DVD player. So Kayla does the next best thing. She grabs a bottle of lotion and whips off her top.

Before you know it, the raven-haired Kayla has freed her bountiful bosom from

Kayla Cam is so fucking hot, we're surprised this fake dick didn't start spurt-ing copious loads of guy-gravy.

her bra and is spreading moisturizer all over them. Clearly, soft skin is important to her. So is having her nipples pinched, which Kayla enjoys quite a bit. This is a woman who wouldn't mind it if you got rough with her. Judging by the tattoos and the pierced hood of her pussy, Kayla isn't someone who shies away from a little pain. Kayla gets on all fours on her loveseat and gives herself a few solid spanks on the ass, turning it a hot shade of crimson. She follows that up by burying her middle finger in her glistening box. Declaring that one finger is for amateurs, Kayla then shoves two fingers in, moaning as her fingers play with her sugar walls.

Then she goes rummaging behind the loveseat and grabs a freakishly long purple dildo. How long is it? John Holmes would look at it and say "Damn, that's long." But Kayla spreads wide and plunges several inches into her trim. She has the look of someone who wants to tame the beast.

As she shoves nearly three quarters of this huge shaft in and out, Kayla starts playing with her ass. She does the same thing with her backdoor as she did in the front, first shoving one finger in and then a second. And then she licks her fingers.

The hottest part of the scene is when Kayla is on all fours on the loveseat, slowly sliding the dildo deep into her gash. You can see her juices glazing the big stick, as she plays with her clit while filling herself with as much dildo as she can handle.

Finally, Kayla shows an ability to multi-task when she takes a second smaller beaded dildo and works it into her ass after some extended finger play. She simultaneously slams the big one into her snatch until the spasms of orgasm overtake her.

Seven SCORE-girls, lots of orgasms and some great dildo action. What more could any man want?
