"HOW THE FRAG CAN ANGELIQUE BE UNDER-APPRECIATED?"

Dear SCORE,

Any guy who wants to see the SCORE-woman with certainly the all-time loveliest, warmest smile, and almost certainly the greatest areolae should check out the full page pictures (page 54 and 59) of Angelique in the July '04 SCORE. These pictures are so beautiful, they're worth framing!

The dark hair, the dark eyes, the dark areolae...A woman this beautiful being that happy while she's showing off for all of us is truly blessed, which is probably why her name is Angelique. That's because if an angel were to take on human form, the angel would probably look like her.

You said on page 55 that "throughout her career she has probably been under-appreciated." How the frag can Angelique be under-appreciated. She's arguably the most beautiful woman you've ever shown in any of your magazines!-R.J., Linden New Jersey

Dear R.J.: If more people wrote letters like yours, R.J., we probably would not have made that statement. However, as great as you (and we) believe Angelique to be, there are many who don't place her in the upper echelon of busty babes. Why? Who the "frag" knows.

AN ALL-AMERICAN JACK-FEST

Dear SCORE,

From the files of "Better Late Than Never," the Aug. '04 "All-American" issue was great! This issue (and concept) was so good, it should become an annual issue along with the All-Natural September issue and the Awards issue.

First, Alyssa Alps' return to SCORE was a long overdue and welcome event. Alyssa, we missed you, please start posing and writing again!

The Model of the Decade? After her Aug. '04 SCORE appearance, at least one reader thinks that lady is Crystal Gunns, who will be shooting for her first Model of the Year title next month in the Jan. '05 SCORE.

Full-page pictures worth framing? SCORECard letter writer R.J. from New Jersey thinks these July '04 SCORE photos of Angelique qualify.

Crystal Gunns literally gets more beautiful every time I see her. With her body and looks she could be considered "Model of the Decade!" And, if that weren't enough, her all-over tan drives me nuts! Whatta woman!

Next, there is Kelly Madison. This woman has "it" between the ears. Some models have a hard time conveying a sense of sexuality, but not Kelly. This woman not only understands her sexiness, but she also exudes a light-hearted air of fun while doing so. Not since the great Bettie Page has a model been able to do that and make it look so easy!

What can I say about Dawn Stone that hasn't already been said? That full, compact body never disappoints! Few other models could still come off as sweet in their layouts after having been in the business so long. Also, her baby bald pussy still excites me!

With Brandy, Vixen LaMoore, Windy Leigh and newcomer Kristal (All of whom clearly know that the power of a hot body and a great smile are unstoppable!), this issue is an absolute bulls-eye!—B.G., Lexington, Kentucky.

YOU CAN'T PLEASE EVERYBODY

Dear **SCORE**,

I am sending this issue back to you to demonstrate my displeasure at being misled. I have been a buyer of **SCORE** since I first discovered it in 1995. It seems that **SCORE** was never easy to find in the early years. My guess is that the newsstand issues sold out quickly.

Getting to the point, however, is the fact that this issue boasts "Alyssa Alps Returns!" I have always thought Alyssa Alps to be one of your most beautiful models and did not hesitate in the purchase as I have not seen a new pictorial in a while. What I found however was an old unpublished-by-you pictorial.

Therefore it should have been made clear "Alyssa Alps Re-runs" as it may as well be. Since you, as others, wrap your magazine in plastic, I had no way of knowing and would not have bought it had I known. I believe Alyssa to be much more beautiful now than before, and I was quite disappointed.

I see in your back issues that the May '04 issue had Pandora Peaks as a Hall of Famer. Being my all-time favorite, I wonder if I had even seen this magazine whether I would have thought twice about what might be inside the plastic cover. Probably not, as any Pandora pictorial turns my crank.

However, I will be thinking more than twice now.—D.G., Canada

Dear D.G.: Our intent with the Aug. '04 cover was not to imply in any way that we had a new pictorial of Alyssa. Had Alyssa posed for fresh photos, you would have most assuredly seen the word "New" associated with "Pictures" on the cover. We were, however, celebrating the return of Alyssa's column, one of our most popular ever, which made a cameo re-appearance in that Aug. '04 issue. Having an "All-American" theme, we only thought it appropriate to have Alyssa on the cover and bring her column back for one more hurrah. The unpublished photos, although not taken this year, seemed like a fitting companion.

GEOMETRY WHIZZES WE'RE NOT

Dear SCORE,

Hi guys. I love the magazine. I like both the naturals and the slim, stacked and sizzling models. I have to say for the naturals, Linsey Dawn McKenzie and Cassandra are my favorites. For the slim, stacked and sizzling, my favorites are Rocki Roads and Brittney Andrews. I also like most of the new finds. Keep them all coming.

I am sure you know all of the above, so the real reason I am writing is because of your informative June '04 article on penis enhancement pills. I applaud you for tackling this subject, in spite of the fact that some of your advertisers sell these products, and I agree that they do not double the length or width of a penis.

Still, being good with numbers, I thought that the only way you could really measure a 50% gain in size would be by volume. So, I made a couple of assumptions to simplify things.

First, the cock is a cylinder. I did not worry about the bottom being larger or the head being shaped differently.

Second, I set pi equal to three.

Then, for a starting point I took a dick that was six inches long and one inch in diameter. The formula for volume for a cylinder is pi times the radius squared times the length. In this example 3x.5"²x6" where 3 equals pi, the radius equals 1/2 the diameter and the length equals 6". The cubic size computes to 4.5 cubic inches.

To increase this by 50%, one's first thought would be to increase the size to nine inches. You could also increase the diameter by .45", from one inch to 1.45". This also increases your volume

SCORE VIDEO PICK OF THE MONTH

Zuzanna's Hardcore Hooters

This month we're starting ya'll off with a bang! How many of you have white-washed your walls to *Zuzanna's Anal Rampage*? The video that is so anally xxxplicit, it was banned on several continents? Well, here cums the follow-up, and Rump Rangers can rejoice, because there's so much ass-fucking on this video, at times you'll wonder if the girls actually have twats. First, who are these girls? Zuzanna's the only name you know, and admittedly her video friends aren't destined for the Big-Tit Hall of Fame. They may make the XXX H.O.F., though, because these girls are so fucking raunchy, so horny and so damned loud, well, all we can say is...seeing (and hearing) is believing!

Yeah, what would a video with Zuzanna be without some double penetration and a big cock deep in her ass? Man, that girl loves the rectal ramming, and the only thing better than one cock to play with for Zuzanna is two! Already an anal queen after her best-selling *Zuzanna's Anal Rampage*, porno guys are gonna have to bronze her asshole after this video, the sex is that hot! But we have to stress that Zuzanna ain't alone on this video. The other girls are awesome performers, they're all-natural, and the sex is so squealing, orgasmically real and unstaged, the sound effects alone are worth the price of admission. Dig in ,boys, for some of the best XXX anal hardcore of the year!

by 50%. Or we could do some of each (I am thinking this is the most likely case).

Are you ready for how small these increases can be to be as touted?

If the length increases from 6" to 6.25" and the diameter increase from 1" to 1.2" (I made sure it grew longer than wider) the new volume is 6.75", exactly 50% more.

These guys may be closer to being

right than I thought, but it sure seems misleading to me. Let me know how shocking this sounds.—S.P., e-mail address withheld

Dear S.P.: Umm, hemmm, hawww... Sounds good to us! In all seriousness, if you look at the exaggerated claims of many of the penis enhancement companies and the facts surrounding the documented, outright fraud involving one of the best-selling enhancement pills in history, Longevity, you cannot help but be appalled. Our goal in publishing the article was simply to inform our readers so

that they could investigate further and make an informed decision before spending their hard-earned money.

BOOB BEAT

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

THE MAXI MOUNDS

GUIDE TO THE WORLD OF EXOTIC DANCING

Maxi, the Amazonian Tit-an of *Mega-Boob Olympics* fame, has many talents. Now she can add mega-boobed author to her list of credits with her 226-page book called *The Maxi Mounds Guide To The World Of Exotic Dancing*.

Co-written with Maxi's associate Kama, the book is published by Sexpresse, a company based in Toronto, Canada, one of the cities that Maxi regularly visits for nightclub performances. Maxi sent Boob Beat a copy of the book and the first thing we'll admit is that we were caught with our pants down (our usual position) since Maxi's never mentioned that she was writing a book. We're damned proud of her since there are so few books about exotic dancing (at best about two dozen in the last 30 years) and none about the mega-bust side of the subject.

The SCORE staff would like to thank Maxi for mentioning us in her book's acknowledgements ("To The SCORE Group, for always treating me like a queen in their magazine.")

The book is divided into several sections.

The first part covers the history of exotic dancing, from the rites and rituals during biblical times in what is now the middle-east, as well as erotic dancing in Africa, Polynesia, Greece, the Roman Empire and other early super-cultures. This section has an academic, scholarly flavor describing how erotic dancing shifted from religious,

sexual and social ceremonies to burlesque and striptease stage entertainment for predominately male audiences and then evolved (or devolved depending upon your point of view) into personalized, nut-busting lap dances that are oddly like high school make-out sessions when you think about it.

The second section describes the current "club culture" within the exotic dancing world. The numerous types of clubs, from nude to bikini, are listed, each with their own confusingly different rules according to local and state laws. According to Maxi, there are different types of house girls and there are different types of features. What is a Man-Hater? What is The Star Gazer? Read and find out.

Maxi also offers up a glossary of terms describing the various types of cus-

tomers that inhabit a club, such as Creature Feature or The Floater, that'll have you either groaning or laughing your ass off. The section that will be of greatest interest to most SCORE guys is Maxi's personal diary that starts in 1998, when Maxi and her partner Mini were the dance team "Moving Violations." Included in this section is a full-length interview with Maxi. While the actual names of the clubs, agents, owners and customers are not mentioned, those in the know are going to know the clubs and the

Big-bust superstar turned published author, SCORE-girl Maxi Mounds shows off her new book.

In the October '03 **SCORE**, The Boob Beat prematurely and erroneously announced the end of Comedy Central's raucous weekly show devoted to beer, boobs, girls jumping on trampoline and boys behaving badly.

Okay, so we jumped the gun a year early. We're just men. However this time around, the end is official, although we're still not at all happy about it.

So here we go again.

The *Man Show* has been formally cancelled by the bean-counting executioners at Comedy Central.

According to a Comedy Central spokesperson, the show's viewers just did not support the re-tooled *Man Show* or the fabulously sexy Juggies and their erection-producing gyrations.

The ratings gurus at Comedy Central said that the new episodes with hosts Joe Rogan of *Fear Factor* and Doug Stanhope (two hardcore dudes) were not performing any better in the ratings than the reruns with the original hosts Adam Carolla and Jimmy Kimmel (the lovable goofs).

"If old shows do as well as the new ones, why make

GOODBYE TO THE MAN SHOW, PART II

The *Man Show* has gone through two sets of hosts and Juggies, the fluff girls with the boobies who were the real reason for watching. Now, due to weak ratings, *The Man Show* has been cancelled by Comedy Central, which instead of new shows, will continue to re-run past segments.

more? The franchise has run its course," is Comedy Central's corporate line.

Pretty negative opinion, eh? But, in the world of television, ratings and the bottom-line are king, and the king has ruled.

Comedy Central has the rights to rerun the 121 episodes for four more years and the first two seasons are also now on DVD.

The season with Rogan and Stanhope had started off fairly well, but the ratings were still dropping, falling well below the audience numbers Carolla (who once interviewed our very own **SCORE**-girl Minka on radio) and Kimmel enjoyed.

It didn't help that the show was constantly being pre-empted from its traditional Sunday night time slot, a practice that tends to irritate regular viewers.

One day Jimmy, Adam, Joe and Doug will realize that they allowed Graham Norton to take over Comedy Central, and they'll be overcome with remorse. Hopefully all the media scum who crapped on *The Man Show* over the years will get theirs when they least expect it.

Adios, *Man Show*.

AND THE SURVEY SEZ... 33% OF WOMEN USE PORN TO ENHANCE THEIR SEX LIVES! AND ASIANS ARE THE WORLD'S HAPPIEST, HORNIEST PEOPLE

Condom makers Durex reveal more tit-bits from their latest international sex survey.

More than a third of women have used condoms, pornographic material and sexy underwear to enhance their sex lives. Men also have the same enhancements, listing their top three turn-ons as condoms, porn and lubricants.

Condoms are the number one male turn-on?

What, are they fucking kidding?!? Okay, the survey was sponsored by a condom-maker, so we'll give Durex that one.

Models are the world's sexiest professionals according to more than one in five people (21%) followed by masseurs and doctors or nurses (10%). More than a quarter of males (26%)

voted for models, with doctors or nurses in second place with stewardesses and secretaries highly rated. Women rank footballers and rock stars below models (14%), masseurs (13%) and firefighters (12%).

One in ten people think Brazilians are the sexiest people, followed by Americans (9%) and the French (8%) Women's top choices are the Italians (12%) and the Spanish (11%) while men opt for Chinese women (11%) and Brazilians (10%). Almost three in four people (73%) claim to be happy with their sex lives. People in Thailand (92%), Vietnam (90%) and China (83%) are sexually happy while the Finns and the Russians (both 59%) are the least happy.

industry people she writes about.

As she is in person, Maxi is a direct communicator in her writing. She doesn't hand you a pile of fluff. This is raw, absorbing stuff, and I read her journal section in one sitting. The stereotypical concept of dancers living a life of ease and equally easy money will be shattered quickly as the realities of a dancer's life on the road are documented month-by-month, year-by-year. Crooked club owners who pull every cheating trick in the book. Quirky theatrical agents. Dancers who throw temper tantrums. Customers who treat them like prostitutes. Their hotels and dressing rooms are often dirty dumps. They're robbed of money, vehicles and property. They get caught in police raids on clubs. And the loneliness of being away from home for extended periods.

Against this background of both the chaotic and the mundane, Maxi and Mini—while they love each other—share an emotionally volatile, rollercoaster relationship that erodes even more when Maxi supersedes her boobs and starts taking solo bookings. Her involvement with the Boob Cruise in 2000 and SCORE's Mega-Boob Olympics in 2001 also makes its way into the book as does Maxi's experience in Tokyo for a Japanese TV show, her yearly trips to the Exotic Dancer Expo and her appearances on Latin television in Miami.

Maxi concludes the book with an essay with the jaw-breaking title, "Why Some Men Like Big-Breasted Women: An Anthropology of Breast Fetishism." Despite the numerous headaches and the heartaches that constantly impede her forward movement, the reader is left with the clear understanding that Maxi loves her life, activities and career, and that she wouldn't have it any other way.

The book is, without a doubt, a labor of love. While Maxi's book will be sold in stores and by net retailers like Amazon.com, the easiest way to get it is by ordering it directly from the lady herself. This way you can get it autographed. Send \$20.00 (post-

MAKE ROOM FOR DANISH

Although we cannot claim responsibility, we are happy to report that the average bust measurement of young women in Denmark is increasing. This is all the more reason to grab a Danish before work.

Lingerie company Femilet has reported more demand in Denmark for bras with cup sizes D, E and F.

"We can clearly see a development taking shape," said Femilet director Susanne Stuhr. "Whereas the standard size used to be a 75B (US size 34A), today we're selling just as many C- and D-cups. It is my impression that young women today generally have very large breasts. Many are quite slim, but use an E- or an F-cup anyway."

Experts say the increase in size of Danish boobs is natural and not a result of cosmetic surgery. "Just as boys and girls have gotten taller in recent years, better nutrition has resulted in larger breast developments for girls," said Dr. Birgit Petersson of Copenhagen University's Department for Women's Health and Sex Research.

Danish model Ida from Sept. '04 SCORE exemplifies the rise of the new, bigger-chested Dane. Hopefully, there will be more busty Danish chicks in future editions of SCORE.

If Ida is any indication of Denmark's bigger natural boobs, we're all going to be very happy!

BOOB FLASHING THROUGH THE AGES

Here's another censored historical breast fact they didn't teach us in school.

New research by historian Angela McShane Jones at the University of Warwick reveals that Queens and prostitutes in the 1600s bared their boobs to excite the public. So, the Janet Jackson Super Bowl-boob nonsense is nothing new and

would have probably only have induced yawns in 17th century London.

"In the 1600s it was fairly commonplace for women to bare their breasts in public. The fashions were initiated by court members and Queens, then replicated by ordinary women and common prostitutes," said the noted historian.

In fact, breast-baring was no big deal whatsoever during those years.

According to McShane Jones' research, the exposure of both breasts in portraits or prints were restricted to court ladies who were known as mistresses. These court ladies and "town misses" wore low cut dresses that exposed more breasts than

they hid. McShane Jones says that breasts, including the breasts of the Queen herself, were depicted on ballad sheets sold to the public. The woodcuts were chosen to target buyers and to complement the meaning of the ballad. The exposure of a single breast in portraits and prints was very commonplace and quite fashionable.

BALL BATTER MAKES WOMEN HAPPY

Researchers at New York University say women who have unprotected sex frequently are less likely to be depressed than those who do not. The scientists believe it's because of mood-changing chemicals contained in male nut-juice. They say that male semen contains hormones and other substances that enter a woman's bloodstream and may act like an antidepressant.

The team of psychologists logged the sexual activities and depression scores of 300 women. They found women who had sex without condoms were less depressed than both women who had protected sex and women who abstained. They also discovered women who had unprotected sex became more depressed the longer they went without sex.

Their research is published in the medical journal *Archives of Sexual Behavior*. We've been telling women about the wonderful benefits of guy gravy for years, but you know how stubborn they can be. They just won't listen.

WHO READS SCORE?

Keisha Evans, for one...
errr...make that two, who was so happy with her July '04 SCORE pictorial she even sent us a home photo. Thanks, Keisha!

TITANIUM TIT-CLUB

Dr. Ziya Saylan, president of the European Academy of Cosmetic Surgery, has developed a technique in Germany to implant titanium mesh cups under the breasts. In effect, he has created an internal titanium bra. They are attached to the patient's ribs and muscle. In the past four months, more than two dozen women have undergone the procedure.

Saylan says most patients are women between 30 and 45 who have developed sagging breasts after childbirth or weight loss. The procedure is performed under general anesthetic. The titanium mesh, weighing 35g and thin as net curtains, is cut to size and molded into a cup shape. Patients stay in the hospital overnight, but can be back at work after a week.

"At first, the breast is tender to the touch," says Saylan. "But after a short while you will not even know it is there." Afterwards, the breasts are higher and firmer,

because the tissue is compacted into the titanium cup.

A 38-year-old divorcee in Dusseldorf was one of the first women to have the procedure. "I was unhappy with the shape of my breasts," she said. "I went on a diet, and I lost my breasts. I noticed they were hanging down. When I went to see Dr. Saylan, he showed me a computer reconstruction of my new breasts to make sure they were what I wanted. I was back at work in a week, although I had to wear a special bra with lots of support for 10 weeks until the

swelling was gone. The operation has changed my life. I feel a lot better about myself."

Mike Bowen, a London gynecologist, believes the titanium bra could lead to less attractive breasts in the long run. "Titanium is not biodegradable and stays in place permanently. It will be difficult to remove if things go wrong. With a conventional bra, you can just buy a different size. A titanium implant cannot be swapped for a D-cup."

So, what happens when they go through an airport security checkpoint?

Now, for some tit-talk with our new favorite author.

SCORE: What and who inspired you to write *The Maxi Mounds Guide*?

MAXI: I was always curious about where exotic dancing came from, and I always wanted to write a book to talk about what I do for a living. My friend Kama suggested combining the two and this was the result.

SCORE: How long did it take?

MAXI: It took about a year of non-stop working to put the book together, but it includes my diaries that I kept from years of being on the road.

SCORE: How did you first go about creating the book?

MAXI: I started keeping diaries of my experiences on the road several years ago, so I guess the idea really started back then. Kama and I had been talking about this project for quite a while because he is in the publishing business. After we got started, I went back and re-read everything I had written and he helped with the research in the history section.

SCORE: How did you feel inside when you first saw your completed book?

MAXI: I thought it was awesome. It's pretty cool being a published author. I feel like I've accomplished more with my life than I had hoped for.

SCORE: Why do you think that very few dancers have written books like this before?

MAXI: I don't know, but I think it's a subject that a lot of people will find interesting and enlightening.

SCORE: Besides store, mail order and the Internet, you'll probably have the book for sale at the clubs you perform in? Any plans for TV and radio promotion? Are we going to see you on Jay Leno?

MAXI: We are working on setting up signings and appearances to promote the book. I'll have copies of the book for sale wherever I dance. I've already done some radio interviews, and I was in Chicago in June for the Book Expo. Wish me luck! 

X-Class MERCEDES

GENTLEMEN, START YOUR ENGINES! THE NEWEST MERCEDES HAS ARRIVED!

Yeah, some guys pay a hundred grand for an S-class and all they get are \$100 oil changes. At *SCORE*, we paid for the cost of a plane ticket and we got a great Mercedes. With Mounds included! And she's our first newcomer of what is shaping up to be a great month for fresh tits! Mercedes Mounds is her official name, she's a housedancer at Sapphire's in Vegas, has E-class boobs, a S(uper)-class attitude and her ideal car is...an Oldsmobile! Go figure. What else? Oh yeah, she has a new dildo video out, and *SCORE Reports* just rated her as a "Best Babe," so it's looking like a big month for this Mercedes.

And, for all of you guys who are wondering, Mercedes' headlights measure out at a diameter of six inches! Yeah, that's fuckin' big. Honey Moons-quality pancakes. How many of you guys remember that legend? Her areolae were, perhaps, the biggest of all-time, and looking at Mercedes, she's in that class. Will super-stardom follow? We doubt it. Not because she doesn't have the goods. She doesn't have the desire.

Although Mercedes could easily feature dance across the country, she's happy house-dancing and sees no reason to ruin a good thing. "I'm having fun, so I don't want to jinx myself!" says Mercedes, who is so cool, she lists her ideal date as, "A hockey game!" Talk about down-to-earth. Vegas is the place, boys, and remember, what happens in Vegas, stays in Vegas. Head to Sapphire's and test-drive this Mercedes. You can thank us later.

MY BEST FRIEND'S JUGS

From college buds to workplace friends, their relationship was going to the next level, and nothing was going to stop them!

Erotic Fiction By MICHAEL MEYER

Niya and I have been best friends ever since college when we found ourselves living on the same floor of the dorm. She was sweet and funny, and we hit it off right away, which drove all my other friends crazy because Niya was absolutely gorgeous! She had long, baby-blond hair, a shy smile, and the largest natural rack on campus! She told me she usually wore quadruple-D bras even though they were too small for her, simply because it was hard and expensive to find bras in her size. She also had a nice round butt, but she certainly wasn't heavy-set. She worked out a lot—both to keep her back strong because she was so top-heavy, and also because she simply liked to stay in shape. She was adorable. She told me she'd been a ballet dancer once, but then her budding jugs made it impossible, and I believed her. Just a hair over five feet tall, there was something incredibly graceful and beautiful about the way she moved.

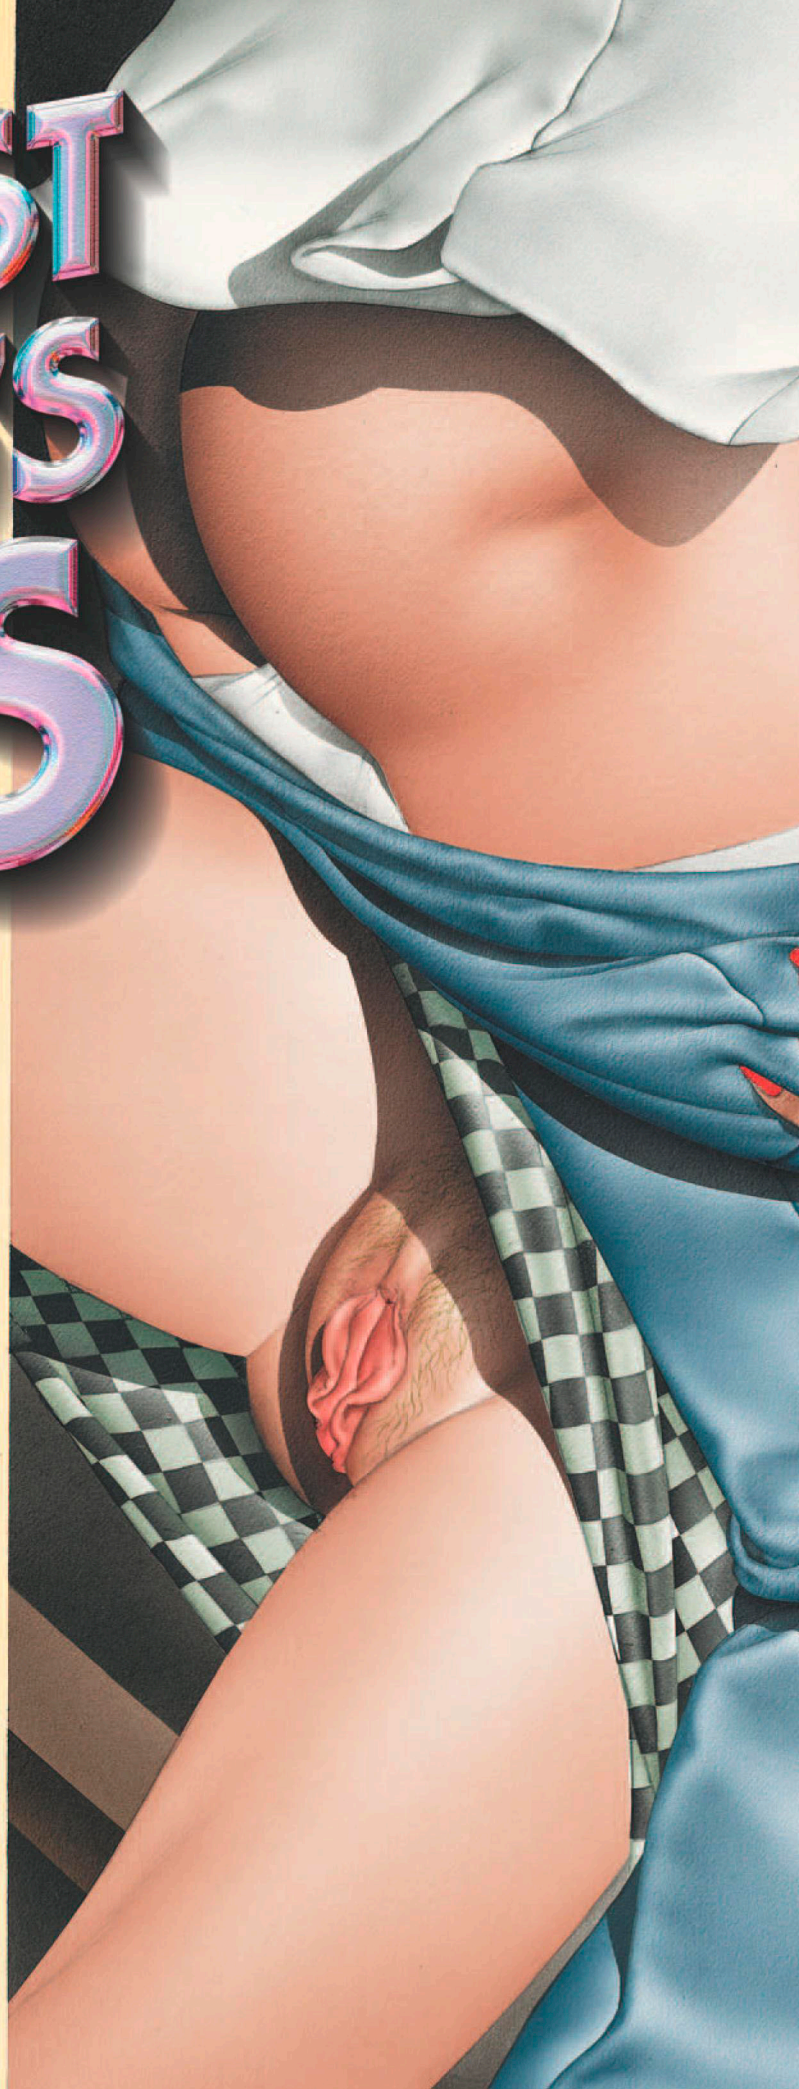

Illustration by Otis Sweat

SWEAT

Even though she was pretty shy sometimes, Niya could also be completely immodest once she felt comfortable with someone. Once we'd known each other for a while, we'd sit around in her dorm room talking, and all she'd be wearing was a tight nightgown with her big tits bursting out the front! I could just make out her big, delicate, pink nipples rubbing through the fabric, and it was all I could do to keep from reaching out and squeezing them!

I wanted Niya so bad, but I was already involved in a long-distance relationship which, like most of them,

ended very badly.

One night I found out my girlfriend back home was cheating on me. Niya quickly came to comfort me. One thing led to another, and before I knew it, we were making out.

She worked my jeans off, then pulled off her nightshirt and wrapped her huge, soft melons around my rod, working them up and down until I came all over her. Then she just giggled and asked if I felt better. I couldn't believe it. This girl was amazing!

We messed around a little bit after that, but more than being simply fuck buddies, we were best buds, and

that's how our relationship continued throughout college.

After we graduated, Niya married this other guy, and I thought it would damn near kill me.

I couldn't stop thinking about how wonderful and soft her big breasts felt; how much I wanted to play with them again then repay her kindness by guiding my rod into her wet box. I fantasized about it probably more than I should have, in each fantasy trying to come up with more and more ways to satisfy her.

Like most sweet girls, she'd confessed she liked it a little rough and kinky. Sometimes we had sex in a public park, or I gave her ass and tits a light spanking before doing her against the window of a hotel room. I just couldn't stop thinking about how much I wanted her, even though I doubted I'd ever get the chance again.

I have to say that Niya wasn't making it much easier! As luck would have it, we'd both gotten jobs at the same advertising firm, so we still saw each other all the time.

She was always flirting with me and giving me hugs that mashed her warm, spongy cleavage against my chest; coupled with her penchant for short skirts and low-cut blouses, it was enough to drive a guy crazy!

I cashed in some favors, pulled some strings and eventually arranged it so we could share an office together, just so I could stare at her more.

Occasionally, Niya would catch me ogling her chest—not to mention the rest of her body—but all she'd do was laugh or tease me a little, like she secretly enjoyed the attention. Despite this, the way she talked about her husband made me think she was pretty happily married, so I was hesitant to make my move. But I wanted her so badly, I knew I couldn't stand it much longer.

Niya must have sensed what I was thinking, because her flirtation became more and more open. Every day, her necklines seemed to plunge a little bit farther, revealing more and more of her tanned gorgeous cleavage. All the guys at the firm couldn't stop staring at her, and there was some major jacking going on at the company restroom, believe you me. But I knew Niya only had eyes for me.

For one thing, she developed a

Veronica Knight

THE ULTIMATE SCHOOL-GIRL-NEXT-DOOR...VERONICA KNIGHT

As we close out 2004, a few things are obvious. One, there sure are a lot of all-natural Euro-girls baring boobies, and thank gawd for that! Second, where the hell have all of the American strippers gone? Gals like...Veronica Knight. Remember her from 2001, old timer? Well, courtesy of the *SCORE* Photo Jack Vault, you don't have to pull your collectibles out of plastic to start jacking to the oldies, because here cums a classic one-shot wonder, and one of the ultimate school-girls-next-door!

A sweetie from North Carolina, Veronica posed three times in 2001, then disappeared from the modeling scene. The perfect (and sexiest!) Southern Belle in person, Veronica was the type of girl you'd love to take home to mom. You know that old saying: "A lady in the parlor and a whore in the bedroom?" Well, that described this busty little slice of heaven just perfectly.

Now, that's a sweet-looking pussy, don't you think? And there's no dildo or vibrator in the way to fuck up our view! But, for you readers who crave seeing *something* filling up Veronica's honey-hole, we do have video of Veronica getting filled to the brim with stiff dick. *SCORE Hardcore Auditions* is spotlighted in the Video Club on page 98 of this issue and it features Veronica's XXX debut scene!

THE BIGGEST TITS OF THIS MONTH!

Yep, with all due respect to Minka, Maxi and the year's newest super-titter (Keisha Evans), they just don't get any bustier than Casey James. In pictures, Casey is awe-inspiring. In person, she takes your breath away. Boob-lovers have been known to faint on sight when they see Casey, and they have been bowing in homage of this super-stacked goddess for a decade now. Want more good news? If Casey has her way, we'll be seeing her gazon-gas for another 10 years!

A *SCORE* mainstay since her debut in the May '94 issue, Casey James has basically seen and done everything in Big-Tit-Dom...except for hardcore. "And there's not much chance of that happening any-time soon!" says Casey, who realizes that adult entertainment has become porn dominated, but chooses to keep that part of her sex life private. "Oh, I've had offers, but I guess I must be 'old school.' I think dancing and modeling and having huge tits are enough." Still, Casey, because a lot of our readers love XXX, can you give us an idea of what we're missing? "Well, everybody knows I'm super-flexible. I'm one of those pretzel girls, so try to imagine all of the positions I can get in. Imagine tit-fucking me with you hanging over my head, my legs by my ears, your dick between my boobs, my tongue licking your balls and your tongue free to lick my juicy, slit...Not a bad way to spend an afternoon, huh?" Anybody ready with an answer for Casey yet?

She's one of the stars of the best-selling *Mega-Boob Olympics*, and there are a few other videos with Casey James, but they are rare because she hasn't done much video work. Perhaps that's why any video with Casey becomes an instant classic and a best-seller. Tit-men know greatness when they see it. And with Casey James, that's exactly what they get!

MY BEST FRIEND'S JUGS

Continued from page 34

curious habit of “accidentally” dropping things, then bending over right in front of me to pick them up, tipping those oversized jugs so much they nearly burst out of her blouse! Sometimes, when we were alone in the office, she’d comment openly on how unbelievably busty she was, then blush and reach inside her blouse to readjust her tits. She even started reminiscing on the wild sex we used to have together!

“Remember that time you did me in the restaurant bathroom?” she whispered across her desk one afternoon, a saucy twinkle in her eyes that made my cock swell. “Or when we used to sneak down late at night to the campus laundromat and you would...” She trailed off, faintly trembling. “That was so crazy—my hus-

band hates doing it in public places. He would never even think of doing something like that.” She went back to work, but I saw her blushing as she added, “I have to say, no guy’s ever fucked me harder or put my jugs to such good use as you did.”

I was speechless for a moment, then I decided to give her a little test. “Yeah, that was great. Too bad we we’ll never be able to do stuff like that again,” I said.

She flashed me a naughty little grin. “Hey, don’t even joke about that!” She went back to work. A moment later, so softly that I could barely hear her, she added, “Besides, never say never.”

When she said that, my heart jumped in my throat even as I felt my cock throbbing, almost painfully hard in my pants. Was she serious? I was a little afraid she was only teasing me, but something told me she wasn’t. She didn’t say anything more about it

all afternoon, but towards the end of the day, she shyly asked me if I’d stay late and help her on a project. Of course, I said yes, knowing there would be no one else on this floor of the building but us. The project she was talking about didn’t require more than an hour or two of work, but I had a feeling that if things went well, we’d be in the office a hell of a lot longer than that.

After everyone else was gone, the place was dead-quiet. Even the janitors were gone; I knew we were completely alone, free to do anything we wanted. I decided to play it cool at first and let her make the first move.

I tried—without much success—to focus on my work, and not my titillating view of Niya’s gorgeous rack spilling out the front of a strainingly tight blouse.

As luck would have it, she was also wearing a checkered schoolgirl skirt that day, and the sight of her was driving me wild. She kept flashing me dirty little smiles, and soon the sexual tension was almost palpable.

At one point, she hopped up to go to the bathroom, giving me an excellent view of her shapely legs and wiggling ass she left the room, then came back with her blond hair in pigtails.

“Do you like?” she asked, striking an adorably slutty pose.

All I could do was grin and nod. She giggled, then went back to her desk and sat down. Before long, she commented innocently on how tight her blouse was and asked if I minded her unbuttoning it a little.

Swallowing hard, I said no.

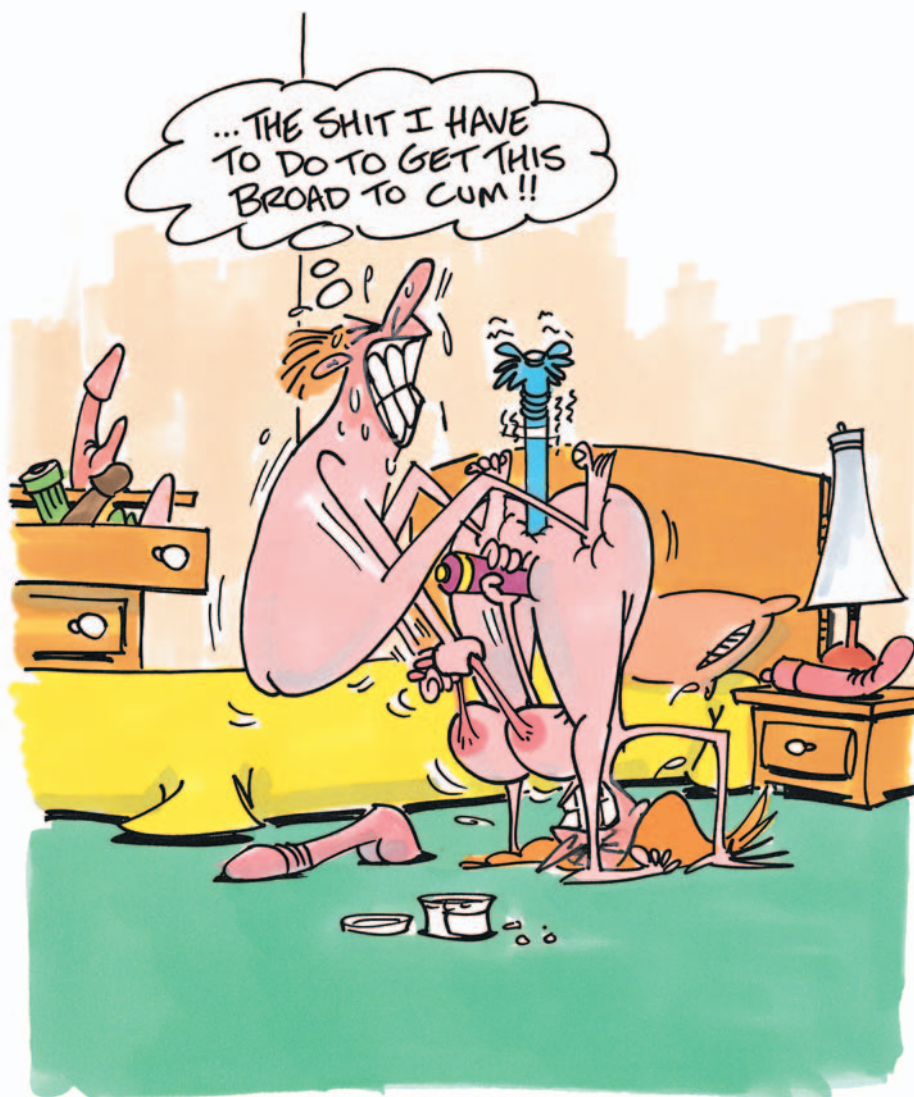

She unbuttoned her blouse more than halfway, fanning out its silky fabric, flashing me a mind-numbing view of what was barely contained within her hot-pink bra.

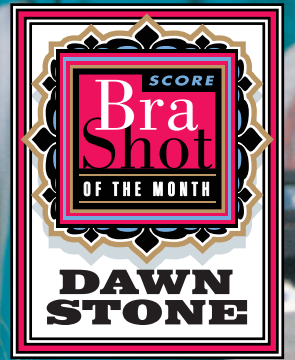

All I could do was stare, imagining how good it would feel to work my hard cock between those warm, soft melons again. Before I knew what I was doing, I stood up and walked over to her, my cock rock-hard inside my pants.

She looked up at me and smiled, a playful glint in her eyes that said she knew exactly what I was thinking. I leaned in and kissed her.

She kissed me back without hesitation, wrapping her hands around my neck and pulling me closer. Both of us

OUR FAVORITE ISRAELI ART STUDENT TURNED MODEL...AND OUR ONLY ONE.

Oh yeah, that monkey's gonna take a major beating this month! Raunchy hardcore, Casey's super-tits, awesome newcomers and now, Israel's slim-n-stacked wonder! Okay, so Mariana was born in the Ukraine, but she considers herself an Israeli through-and-through. You know what? That's good enough for us. Hey, we're suckers for big, natural, perfectly shaped tits on slim, hourglass bodies, so a gal like Mariana can say anything and we just nod our heads politely while we beat our meat furiously. That's the power of big-tits. There's nothing like it.

VIDEO: *A Day With Mariana* (X-Rated, available in the Video Club on page 98 of this issue)

It's pretty cool when you're the only one of your kind, and that's what Mariana is. How many other Ukrainian-born, Israel-living art-students turned *SCORE*-girls do you guys know? As if that doesn't put Mariana in a class all her own, add video starlet to her pedigree, and we're looking at a Mona Lisa here, boys. Like that famous face in the Louvre (which also happens to be one of this lovely lady's favorite masterpieces), Mariana has seduced many *SCORE*-men, and with her slim-n-stacked, swimmer's body looking better than ever, she promises to keep on giving us the picture-perfect views as long as we want them. Yes, boys, as powerful as your swords are, your pens are mightier. And Mariana is one *SCORE*-girl who reads your letters, so make 'em good.

shaking with excitement, I ran my hands freely all over her body. She gasped and kissed me even harder, her body quivering as I thrust my hands into her blouse and massaged whole handfuls of her melon-sized boobs. Then I moved my lips to her neck, and she moaned in my ear, squealing in delight as I gave her nipples a little pinch.

"Oh gawd! It's about fucking time!" she groaned, reaching down and massaging my throbbing, already hard cock through my pants before jerking my fly open.

I blinked in surprise and stopped tweaking her breasts for a moment. "What do you mean?"

She giggled and thrust her hand down my boxers, gently—and expertly—stroking my bulging cock until it throbbed under her fingertips.

"I've been wondering when you'd make a move on me! Why do you think I dress like this? The way you've been acting, I thought this would never happen again!"

She pulled away only long enough to slip off her blouse and unhook her bra, revealing her huge swollen tits in all their glory.

"I've wanted you to fuck me again ever since college," she admitted.

Niya stroked my cock with her

hands for awhile, then cupped one enormous breast and rubbed her nipple against my shaft. Then she grinned wickedly and got on her knees, flicking the tip of my cock with her tongue.

My head swam with pleasure and confusion. "But I thought you were happily married?"

Niya giggled again. "I am...but right now, my husband's probably bending the baby-sitter in the shower and fucking her up the ass." She winked. "We have an open relationship, stupid." She sank her mouth on my cock again, taking it all the way down to my balls then pulled back, flicking her tongue the whole way. It felt so good that all the confusion melted, and I laughed, too.

"Does that mean I finally get to show you a good time?"

"Mmmm...I hope so," she purred, rubbing her cheek affectionately against my bulging cock before sinking her mouth on me again. As she sucked, she massaged and squeezed her own soft boobs, making them look so tempting that I just couldn't wait! Pulling her onto her feet, I swiped my arm across her desk and cleared it off. She laughed and laid down, her body trembling. I climbed on top of her, licking my palm and lubing up my stiff cock before laying it between her boobs. She grinned and wrapped her huge warm tits around my shaft, staring with delight at my cock as I slowly began to thrust.

"God, I've missed this so much," she giggled.

"Me too," I said with a smirk, squeezing and gently tugging on both her nipples as I continued thrusting. Between her boobs, I felt my cock getting bigger and bigger, and I knew I'd have to stuff it inside her soon.

"I've been waiting so long for this," she groaned, happily jiggling her tits around my shaft. "I want you to fuck me. I want you to fuck me...now!"

She'd read my mind. Still, I'd waited so long that I decided to tease her first. With deliberate slowness, I reached under her checkered skirt and tugged her panties off. I could feel how wet they were, and I knew I was in for one smooth ride.

Reaching under her skirt again, as I squeezed and jiggled her boobs, I teased one—and then two—fingers

An Absolute Babe

EVERYTHING WE IMAGINED A BUSTY SWEDISH BABE WOULD BE!

*My name is Johanna and I'm from Sweden...Okay, so the accent doesn't translate well in print, but trust us on this, Johanna sounds a helluva lot more Swedish than Jamie Lee Curtis ever did in *Trading Places*. And, she's got bigger tits! So, if all you know about Sweden is that: it exports great Vodka, cars with redundant vowels, used to have a hot bikini team. and they do great in the Winter Olympics, it's time to broaden your horizons, by becoming acquainted with perhaps their breast export of all!*

She's a mainstream-turned-adult model from Sweden, and if you've ever heard the phrase, "perfect bikini body" and really never knew what it meant, here it is, boys! Big tits. Wasp waist. Curvy hips. And an ass so round and lovely, you don't even want to ruin it with rec-tal aerobics. You want to keep an ass like Johanna's totally pristine and just use it as a pillow and sleep the weekend away snuggling against each cheek. Now, some of you guys may have seen Johanna on the WB's reality dating show *The Fifth Wheel*, but chances are most of you are probably searching the TV guide for late night syndication re-runs. Not the most popular show. In fact, it was pretty terrible, which is probably why Johanna didn't hit it big in America during her brief visit a year ago. As far as we know, one bad reality TV show and *SCORE* are the only places to see this sexy starlet, and we show a tit-full more than cable TV ever does.

JOHANNA

AGE: 28

BIRTHDAY: September 13, 1976

HEIGHT: 5'7"

WEIGHT: 121 lbs.

MEASUREMENTS: 40-26-36

BRA SIZE: 34DD

LIVES: Stockholm, Sweden

OCCUPATION: Model

Now don't let the lack of a tunnel shot make ya'll think Johanna's a prude. It's a big leap going from modeling clothes on a runway to posing nude. She just wasn't ready to go "all the way," as Johanna put it. All the way? Hey, different cultures, remember. Johanna does like fucking in public places like elevators, tennis courts, office bathrooms, trains and especially in cabs, and Johanna digs threesomes whenever she gets the chance. Who would have thunk the Swedes were horny devils? Alas, they're not as horny as Johanna would like, because she did tell us she doesn't have sex that often—"only seven to 10 times a week"—and would like to do it much more. Ten times a week? Like we said, different cultures. And from what we're seeing (and hearing) from our sexy Swedish ambassador, we're kinda digging Scandinavian culture over burgers and fries. Something tells us we're not alone.

slowly into her pussy. She groaned in pleasure, lifting her giant breasts within range of her tongue. She was just starting to suck on her own nipple when I curved my fingers under her G-spot and wiggled them as hard as I could. Niya eyes widened and she screamed in pleasure.

"Oh, Christ! I'm gonna...arrghh-hh!!" Tipping her head back, Niya howled and came, her tight warm pussy convulsing around my fingers. Flashing her a wicked grin of my own, I raised my thumb and rubbed her swollen clitty, too. Her whole body jerked, then she covered her mouth and screamed and came again, her big breasts heaving. She sounded so wonderful that I knew I couldn't wait, and Niya couldn't wait either.

"Fuck...Fuck me!" she begged.

Pushing her checkered skirt out of the way, I brought the swollen head of my cock to the sopping-wet opening of her pussy, rubbing it in little circles. She panted and moaned, massaging one boob before lifting her tender pink nipple within range of her tongue again. I waited until she was sucking on it before I gently pushed inch after inch of my hard cock deep into her most, succulent pussy.

Already convulsing in pleasure, Niyah wrapped her legs around me and drew me even deeper inside her. Working my hands all over her jiggling breasts, I gave her a few slow, teasing strokes, still not giving her everything I had.

"How does that feel?" I asked her.

"Wonderful!" she panted, her eyes wide, almost in disbelief. "I forgot how fucking huge you were!"

I laughed and pushed my cock a little deeper, rubbing her clitty again. Pulling both her tits towards her face, Niya licked each of her nipples in turn. Watching her, I felt so turned on that I could barely stand it! I fucked her harder and harder, increasing my tempo with each thrust, my entire length plunging in and out of her soggy box. When she screamed and came a third time, I knew I wasn't far behind her.

"Where do you want me to cum? In you or on you?" I groaned.

"Mmm...on my tits!" she purred,

still rubbing them as I watched. I gave her a few more strokes, then pulled my shaft out and climbed onto the desk again. She pressed her tits together, and I rubbed my cock against her soft pink nipples, moments before I came all over her. She smiled happily and rubbed my juice all over each of her breasts, then lifted and licked them clean.

Exhausted, I nevertheless felt my excitement stirring again at the dark lusty look in her eyes. "You're quite the bad girl," I said.

She batted her eyelashes innocently. "Who, me?" She giggled. "Not at all! I just like a nasty hard fuck from time to time." Still writhing on the desk, she reached down and massaged her pussy. "Damn, you're good...I hope Greg got his fill with the baby-sitter, 'cause I might be too sore for a couple days!"

At the mention of her husband, I felt suddenly jealous. I knew it was silly—Niya had already given me her friendship, plus the greatest fuck of my life—but I didn't like the idea of sharing her. Reading my mind, Niya gave me a playful swat as she stood up to get dressed.

"Don't worry, bad boy," she said. "I'm sure we'll be doing this again—soon." She was pulling up her panties when I came over and gave her a hug—then worked my hand between her legs and eased a finger into her pussy. She gasped in surprise. "Maybe sooner than I thought!" She laughed.

Seconds later, she was naked again and kneeling in front of me, working her tongue up and down my shaft, stiffening me up for another round. When I was bulging inside her mouth, she stood up and headed towards the desk again, about to lie down, but I had other plans. Grabbing her hand, I pulled her towards the office window. We were on the second floor, and the window looked out over the street and parking lot. The blinds were open. It was dark outside so with the office light on, anyone passing by would see everything!

Her eyes widened. "But...wait, won't someone see us?"

I winked. "That's the idea," I said. "It'll be just like old times." I pulled her close and worked my fingers into

THE BUSTY ISLAND TITS JUST KEEP ON CUMMING!

Yep, it's time for another installment of that mighty popular big-tit fantasy show called, *Busty Island Girls*, aka *SCORE Goes To The Dominican Republic And Photographs Busty Babes Up The Ass And Everywhere Else*. Okay, so that second title is a bit wordy, which is why we went with the first one for the video. They both fit, though, especially with this month's big-bust slice of paradise. Lisa is her name, she works at night in a Dominican casino wearing a rather funky costume with a lot of feathers on stage. A fantasy girl to tourists, but nothing compared to her day-job as a...*SCORE*-girl!

We pounded our puds to Thalia last month, Elena in Nov. '04, and we still have a couple more dusky beauties to go. But, those of you who have helped make *Busty Island Girls* one of the best-selling X-Rated videos of the year already know that. As for the rest of you, boob-men, fuck...what are you waiting for? A flight to the D.R. costs 10 times the video, and you probably won't get a 10th of the titties that we got. That's the beauty of living vicariously with gals like Lisa. We pick up the tab, you enjoy the views, and everybody lives the good life. Guess what? We get to do it all over again with more *Busty Island Girls* in the 2005 issues of *SCORE*. Altogether now...*Ja mon!*

MY BEST FRIEND'S JUGS

Continued from page 75

her pussy, feeling her irresistible excitement build.

Niya had always had exhibitionist tendencies, but without me, she hadn't had any opportunity to express them. Now, she was trembling not only from the pleasure of my expert fingers working inside her pussy, but the thrill and danger of being seen through the open window.

Seconds later, she stepped forward and pressed her bare tits against the glass, her whole body trembling.

"Someone's gonna see me..." she moaned, then arched her back and offered me her pussy. She was even wetter than before, and my rod slid in without hesitation. Standing behind her, I gave her the hardest fuck yet, my banging thrusts causing her tits to flop and rub against the window. She panted and writhed in delight, coming and coming until her juices ran down both our thighs.

Looking over her shoulder, I saw that we'd found ourselves quite an audience by now! A young couple and a security guard were standing in the parking lot, staring up at us with wide eyes. A couple cars had slowed down, too, and one had even pulled over to watch the show.

"Oh my gawd...keep fucking me! Don't ever stop fucking me!" she screamed, her eyes wide, as strange men—and even some women—stared lustfully up at her. I could feel how jealous they must be of me, and that only made me harder still. Niya's pussy felt absolutely wonderful around my thrusting cock, and I knew I was in for an even bigger orgasm than before. Then, practically in mid-thrust, I got another idea.

"Want me to fuck you in your tight, little ass while they watch?" I whispered in her ear.

She gasped in surprise at my suggestion, then nodded enthusiastically. "Oh, God, yes. Please!"

She was so excited that my cock was dripping-wet with her pussy juice by the time I pulled it from her cunt and raised it to her delicate pink asshole. She bent over even further, reaching back to spread her soft plump cheeks for me. Her eyes were still staring lustfully down at the peo-

ple in the parking lot, thrilled that they were seeing everything—including her huge swaying melons, and the fact that she—a respectable business-woman—was about to take it up the ass for all to see. I rubbed the head of my cock around her asshole, then slowly pushed it in.

She gasped and stiffened for a moment, then squealed in delight as my dick sank deeper and deeper into her tight asshole.

"That feels so good!" she panted. "It hurts, but, god, it's a good hurt! It feels incredible!"

I pushed myself deeper and deeper, then she yelped as I shoved my cock in all the way. Her ass was even tighter and warmer than her pussy, and waves of unbelievable pleasure seemed to pass between both of us.

"Fuck me..." she chanted, squealing with each thrust. "Fuck my ass until I cum in front of everyone!"

I began to work my fat rod between her plump cheeks—nice and slow at first, then faster. Reaching around, I squeezed her tits and lifted them towards her mouth so she could suck and nibble on them.

Looking out the window again, I saw that even more people had gathered to watch us. It even seemed like some couples were getting turned, as we noticed them starting to touch each other suggestively as they watched me banging Niya's ass while she moaned through mouthfuls of her own tits. As though hypnotized by the sight of Niya's gorgeous writhing body and enormous rack, the security guard even had a hand down his pants! Traffic was backed up all along the street, and more and more people were coming for a glimpse of this huge-titted sweetheart I'd been dying to fuck for years.

"I think...I'm gonna...I'm gonna cum again!" she groaned.

In answer, I fucked her ass just as hard as I'd fucked her pussy, reaching around to rub her clit. She screamed again and came so hard I had to hold her up. I fucked and fucked her as she howled in dirty pleasure. "I want to suck your cock!" she groaned finally. Dizzy with lust, she turned around and fell to her knees, her pigtailed bobbing as she sank her mouth deeper and deeper onto my cock without the slightest hesitation.

She worked and worked her

tongue around my shaft, sucking my cock like it was the greatest thing in the world. Looking out into the parking lot, I saw all the guys either shaking their heads in disbelief or giving me the thumbs-up. I waved, then closed my eyes and concentrated on the wonderful feel of Niya's tongue working up and down my cock.

She pulled me closer and closer until I could feel her heavy tits on my thighs. Then she lifted her jugs and wrapped them around my shaft again, sucking and licking the tip of my cock as she jiggled her soft tits around me. That was all I could take—I tipped my head back and fired my load right into her mouth. She swallowed without hesitation and kept lapping at my cock, dragging her tongue up and down until I felt like I was coming again.

I was so tired and satisfied, I almost collapsed into the nearest chair. Giggling, Niya stood up, gave our audience a bow, then closed the blinds. She came over and sat on my lap. I could feel the warmth of her huge tits between us as she kissed my forehead. "That was our best fuck ever—how did you know I'd like something like that?"

"Do you mean being fucked in front of a window where everyone can see you, or being fucked up the ass?" I asked playfully.

"Mmm...both," she answered with a laugh. "You know, my husband has always wanted to try anal sex, but I've never let him."

"Really?"

She nodded. "Yup. I guess you have one up on him." She wiggled a little closer. "So tell me, what else do you have planned for us?"

"Oh, lots of things," I told her. "Why do you think I arranged for us to share an office?" I winked.

Like I said earlier, Niya had been something of an exhibitionist in college. But, now I could tell she was even more of one. Even the mere suggestion of being ass fucked in her office—her big boobs flopped over her desk, just waiting for someone to open the door and catch us—got her all wet again. As she writhed on my lap and started kissing my neck, I wrapped my arms around her and let my mind play over every kinky fantasy I'd ever had, knowing they were all now within reach.

Jeezus, Letha! Ya gotta warn us when you pull stuff like that. It's okay until one of us readers loses an eye from a shot like that. The effervescently sexual one would probably tell us, "Now you know how I feel!" And she'd be right. NASA's computers would probably have a hard time computing how many payloads have been dropped over this busty babe. A couple of years ago, one of our editors road-tested the Letha Weapons Latex Sex Doll from our good friends at Doc Johnson. Unfortunately, he got pulled over by a cop and hasn't been the same since. It didn't come with a milk accessory.

After Lori Pleasure's *SCORE Xtra #10* video debut, we've received so many kudos, yes, we're looking into an encore. Keep reading for details.

LORI IS A TRUE PLEASURE

Dear SCORE,

I am writing to you as I would like to tell you I really enjoyed watching Ms. Lori Pleasure in the *SCORE Xtra #10* movie you produced.

She is gorgeous and those red nails of hers are priceless.

The reason I am writing to you is that I have not seen any more videos of her recently, and I was wondering if you had any plans to shoot more movies with Lori Pleasure. I would love to see them and more pictorials as well.

If you could drop me a short note at [e-mail address withheld] on her next video it will be much appreciated.—P.G., Newark, New Jersey

Dear P.G.: Sorry, no new videos or pictorials of Lori Pleasure, though with all of the positive response we have received following both her video and magazine debuts, we are looking into getting Lori back in our studio for some encores. When we do, we'll let you, and all readers, know.

Anastasia

**A BIG-TIT
PRINCESS
HOPING TO
BECOME
A QUEEN!**

Has it been 90-plus pages already? How time flies when you're jacking off to the *SCORE*-girls. Well, boys, we'll be doing it all over again in another four weeks. But before we end, let's finish this Holiday '04 issue right where we started—with another hot newcomer. Anastasia is this lady's name, she's only royalty in Big-Tit-Dom, and, though she has been in hiding for some time, Anastasia is coming out in a big way this month, ready to take her place amongst Big-Tit-Dom's elite. Does she have the right stuff? Only time will tell, but Anastasia is looking pretty good so far!

A Russian gal who just graduated from college with an International Relations degree, Ana (as she likes to be called) has been thinking of modeling for a couple of years, but being young and insecure, it took her a while to get up the nerve. When East finally met West, it was via e-mail, and though Ana is fluent in English (and French and Spanish), she was quite bashful and introverted during her first modeling shoot. The girl said about 12 words, though she did smile often, and she has a nice, genuine one, so that's a good thing. Still, we were worried Ana would never lose her panties, but she opened up with ease. Who knows, perhaps Anastasia does have a regal future ahead of her.

SCORE VIDEO REVIEW

SCORE XTRA #10

Review By TIM D. FRIEND

Perhaps it was just a fortunate coincidence that this happened to be No. 10 in the *SCORE Xtra* series. Because *SCORE Xtra #10* certainly is a 10 no matter how you rate it.

The women are what you have come to expect from *SCORE*: sexy, stacked and ready for action, which we're getting into without any further blabbing.

HOLLY HALSTON

Few people type like Holly Halston or look as good doing it.

Holly is on the internet, with her laptop computer on her bed. Rather than sitting in an ergonomically correct position, she's on all fours, typing with her ass in the air. She doesn't seem sur-

prised when a blond guy comes up from behind her and palms her ass. Who needs internet porn when the real thing is right there for you?

It's quickly obvious that Holly knows how to suck cock. She gives this guy a long, luxurious cock-shine, making sure to go all the way down on his stiffening shaft with her bright red lips. She cups his nutsac and slurps on one of his balls. Then she enjoys some oral attention as he eats her honey hole. Holly goes back to giving more head before taking his cock deep inside her.

After being fucked for a while on her back, Holly practically begs to take it doggie-style. If you had Holly in your bed, you'd do what she asks, as well.

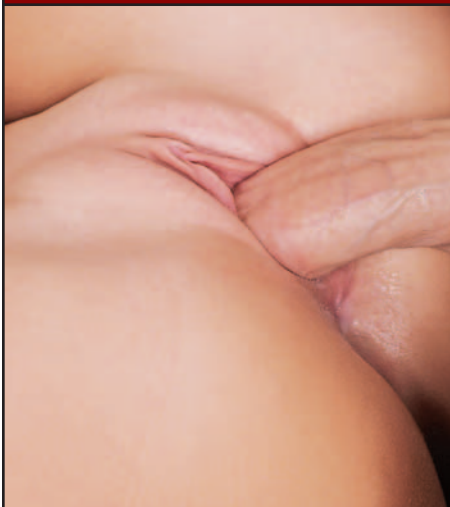

Holly rolls over onto her hands

and knees, and he sinks his meat right back into her shaved twat, grabbing her hair and burying his tool all the way in. Holly is just flat-out hot. She has a perfect rack, big bouncy cans that she shows off when she climbs onto this guy's cock and gives him a hard ride. She also has a head of long, thick, blond hair that frames a gorgeous face.

After riding her guy reverse cowgirl, Holly gets inverted, which is a popular position in this video. Holly's legs are spread wide and her hair is everywhere as her man plows her again and again.

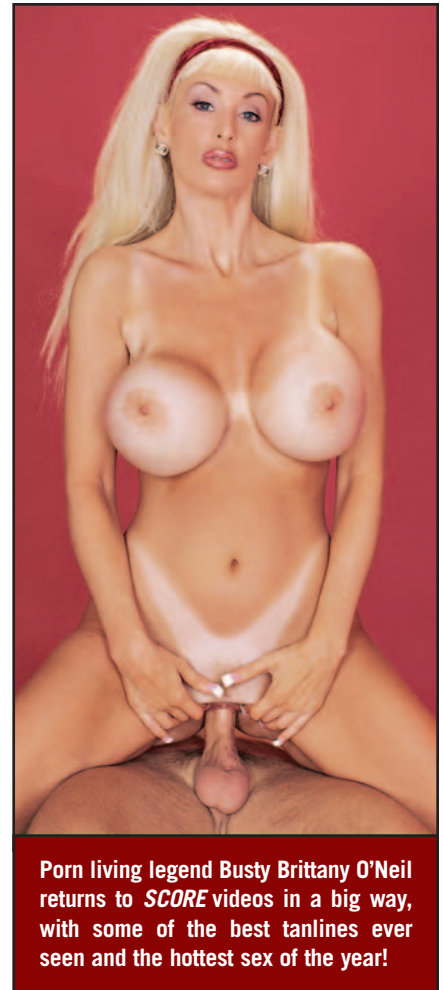

The sexxx cums fast and furious in *SCORE Xtra #10*, with slim, stacked and petite Holly Halston taking a monster cock in her tight asshole and cocksucking-superstar Sara Jay (pictorial on page 12 of *SCORE Xtra*) showing that her pussy gives and gets just as good as her mouth!

But Holly's not done. She proclaims that she needs his cock in her ass. Of course, he obliges. Wouldn't you? After a little work, he finally works it in much to Holly's loud delight. They switch to doggie style and then Holly climbs on top of him, moaning about how good his cock feels in her tight ass.

Obviously, it feels good to him, too. At least it looked that way when he blew a huge load all over her chest.

BUSTY BRITTANY O'NEIL

Brittany O'Neil isn't much of a card player. The game is blackjack and she seems to be dealt 13 an awful lot. Never mind the fact that the dealer gives Brittany two cards and then himself two cards. And never mind that Brittany never even checks what the dealer has before taking hits on each of her bad draws. Luckily, Brittany isn't playing Global Thermonuclear War.

Instead, pay attention to Brittany losing all of her chips in the first hand we get to see. She puts her top and her skirt on the table as her bet for the second hand, is dealt another 13 and gets a 10 when she hits to bust. All that's left are her pink sheer bra and thong panties.

Those come off and go on the table.

Brittany is dealt 15, hits again, and busts again. We haven't seen card-playing this bad since Jerry O'Connell on Bravo's *Celebrity Poker*. We've also never seen a dealer take such glee in a customer losing.

But we've never heard the line the dealer tells Brittany, when she says she wants to win her chips back.

"No chips, you use your lips."

Sounds like a good motto to us.

So, being out of options and chips, Brittany gives the dealer what he wants. The chips are cleared off the table and Brittany gets a different kind of 10 than the ones that have been making her go bust. She goes down on Mr. Dealer and then allows the only one of them who is lucky to fuck her bountiful bosom.

While all of this is happening, the camera angle makes it seem like Brittany is speaking to us when she starts getting nasty. Make no mistake, Brittany does nasty well. Also, her pendulous rack is highlighted by some of the best tan lines you'll ever see.

Brittany also gets vertical, with her shoulders on the floor and her pussy in

MORE THAN JUST A COCKSUCKER

SCORE XTRA 10'S SARA JAY WANTS IT KNOWN...SHE DOES MORE THAN JUST SUCK DICK!

Jeez, you call a woman the "greatest cocksucker in the world," and she still ain't satisfied. Hey, Sara Jay is a perfectionist. And, although she did call and thank us for her new nickname after her May '04 *SCORE Xtra* hardcore session, Sara also reminded us that..."I am more than just a cocksucker!" Trust us, Sara, we know you are. We've seen *SCORE Xtra* #10!

So, Sara, give us the lowdown on sex with a **SCORE**-girl. "I like to watch guys get so fucking excited and cum so hard, they have jizz practically shooting out of their ears!" Jeez, Sara, is that even possible? "Honey, I don't want to brag, but think of sex with me like this...Take the best fuck of your life. The absolute best. The one memory you jack off to in the shower. Then multiply that intensity to the upteenth power. You still won't even be close." Hey, she's a confident one, this Sara Jay. "How can I not be. You already know I suck a great cock, but did you know my pussy has so much suction, I swear, if you were stuck in quicksand, I could suck you out with my pussy! Imagine what I can do to your cock. I've literally had guys with small dicks—four inches—try to pull out and not be able to budge an inch. Now, that's a great snapper! And I have one!" Jeez, Sara, we believe you. Again, we've seen you fuck on **SCORE Xtra #10** and, we old fucks are still trying to get the jizz out of our hearing aids!

the air as the dealer rams his 10 of clubs into her wet snatch. From there, the dealer tit-fucks Brittany until she jerks him off all over both of her nipples. That's got to be worth an Ace, right?

Incredibly, it's not.

He tells Brittany that it was worth \$100 in chips.

Holy cheapskate, Batman.

Even more incredible is that Brittany seems happy about it. "I knew I'd win this hand" is her reply.

This was one time where a pair mattered in blackjack.

HARMONY SWEET

Harmony is shopping, but there doesn't seem to be a salesperson around to help her. Don't you hate it when that happens? Oh, did we mention she's shopping for a bra? Back when I was working retail, if we saw someone like Harmony even come into the store we would page a "Code 10" and the guys would come running to check out a hot piece of ass.

Finally, a bra salesman appears. He's got a tape measure around his neck and

Sex Bot Lori Pleasure's *SCORE Xtra* #10 performance has gotten rave reviews from readers who loved her three-hole banging so much, they have begged for an encore!

he has to have the best job in America—even better than getting paid to review films for this magazine. Anyway, you can't slip anything past this guy. Harmony tells him the problem she's having with her current bra, and he responds with perhaps the most amazingly obvious line in film history.

"Those are, uh, pretty big breasts you've got there."

To quote the regular viewers of the cult classic *The Rocky Horror Picture Show*...No shit, Sherlock.

This is a fun scene. There is some good buildup as the salesman plays with Harmony's incredible cans and keeps reminding her that he is a professional. Yeah, a professional horndog. He tells Harmony he has all of the "special bras" upstairs in his apartment.

Of course, once they get up there, he whips out his special "measuring stick" which bears a stunning resemblance to a tube steak.

Harmony gives the measuring stick a rather enthusiastic blow job, adding at least an inch to its measurement. Watching her go to work will have the same effect on your measuring stick, especially when she starts licking and sucking on his balls.

Then Mr. Salesman tells Harmony to get a more accurate measurement she needs to get on all fours. When he slides his cock into her, she should know this is not about the size of her bra, especially because his hands are on her ass.

Harmony next is on her back and she's the one cupping her tits. Mr. Salesman gives her a good, hard fucking before Harmony climbs on top of him and rides him reverse cowgirl. We get to see Harmony's jiggly jugs bounce up and down as she slams her wet pussy down around this guy's tool. Finally, Harmony gets inverted, with her shoulders on the ground and her pussy in the air.

And, in a fitting way to end a scene that started in a bra store, the scene finishes with the horny salesman tit-fucking Harmony's all-natural cleavage and giving her a pearl necklace.

LORI PLEASURE

In this scene, Lori is a Sex Bot, the creation of the greatest scientist since Albert Einstein. Her purpose is to pleasure you. If these things could be mass produced, Bill Gates would become the second-richest man in the world.

Our man, the scientist, has a remote control and just has to push a button to have a bodacious hot blonde perform any act he chooses. Push a button and

have your dick sucked. Push another button and Holly lays down and spreads wide. Push another button and she wraps her whoppers around your cock. Like most great technology, the uses are limitless.

Anyway, there is nothing the Sex Bot won't do, and the scientist violates his new creation in many ways.

Lori performs her role to perfection.

When he stuffs his hard man-meat into her pierced and shaved pussy, Lori shouts encouragement, telling him to go deeper and faster and talking dirty to him. The scientist also experiments with Lori's gorgeous ass, doing some impressive mixing.

Lori follows with some impressive oral and then some tit-fucking. There are few positions that don't get a look here, as both scientist and robot get quite a workout.

Robots aren't supposed to show emotion, but Lori certainly does have a contented smile after the mad scientist splashes his load on her chest. Lori rubs it all over her rack while showing decidedly human characteristics.

Quick, someone tell the *I, Robot* people we may have a sequel.

SAHOLY

Saholy is a French-speaking maid. Her boss is an American twit with no sense of foreign culture. But he does want to bang his maid, so he can't be all bad. The Ugly American tells Saholy they have about 30 minutes before his wife comes home. Generally speaking, that would be enough time.

Problem is, Saholy at first doesn't understand what he wants and bristles when he grabs her ass while she makes the bed. But before you can say, "What we have here is a failure to communicate," somehow Saholy figures out that "Oui, oui" not only means "Yes, yes" but also can be a synonym for a penis.

Who knew? Hey, it works for us.

Saholy does a great job of giving oral after the American spends longer than expected spanking her tits with his cock. She gets so enthusiastic at one point that she gags on the American tool. God Bless America!

When her boss slides his cock into her, Saholy can only be understood to say "Oui" and "Ohhhh." Those words will get you far in America. It's a bit amusing that, after not being able to understand a word he says earlier, Saholy comes up with the French word for "tits" and "balls" while she works each during different parts of the scene.

Saholy has a perfect body. She's got

big, firm cans, a flat stomach and a nice, tight ass. She also has long, black hair that you'd love to grab on to if you were hammering her doggie-style.

The Ugly American certainly does some hammering. He pounds away at Saholy's moist pussy, fucking her hard from every angle. He gives her long and deep strokes from behind, then with her legs in the air and finally while she is riding him.

Mr. Ugly American then starts working Saholy's ass, pushing in one finger then two to get it ready. Then he slides his cock up Saholy's backdoor—the Saholy Grail, if you will.

He gets a good rhythm going, and she obviously likes it by her moaning and French-speak. Again, he goes for the power-fuck and Saholy is in ecstasy. She rolls over onto her back and—in one of the best parts of the video—takes the cock that was just in her ass into her mouth. Attagirl! Equally good is when Ugly American decides Saholy's bush is too bushy and shaves her as he buries his bone in her.

After having her tits fucked for a while, Saholy takes control and starts jerking this guy off onto her rack and

face. Saholy is so happy to see her man's cum that she wipes it all over her face and emerges covered by the sticky stuff.

SARA JAY

Sara Jay is seated in the lotus position, not a good one for sex. She is channeling some swami for a magic potion to make her breast grow bigger. Funny, they look plenty big to us.

The swami magically shows up and immediately you can tell he's a fraud. How many swamis do you know who would say that Sara Jay's shirt is blocking his energy? And then, that her bra is blocking his energy? He's just a horn-dog in a badly wrapped turban.

The swami starts rubbing and manipulating Sara Jay's rockets. He pinches her nipples, lifts and separates and does some sort of breast calisthenics with them. Naturally, the swami suggests that he "use the power of the tongue." Who wouldn't want to suck on Sara Jay's dark, silver-dollar-sized areolas?

Next, the swami has Sara Jay get on her knees, and she unleashes his monster. He smacks her tits with his cock and then pours some "swami oil" on them. It looks a lot like baby oil, but swami oil does do a nice job of lubricating for a titty fuck. At one point during all of this, Sara Jay says she feels her boobs are getting bigger.

Hmmm, maybe the swami isn't such a fraud after all.

As long as Sara Jay is on her knees, she winds up going down on the swami. It's an enthusiastic but unusual blow job because Sara Jay never uses her hands. But alas, this treatment isn't working either so Sara Jay pleads with the swami for the "special treatment."

By now you should know where this is going.

The swami tells Sara Jay to take off her shorts and assume the position. That means on all fours on the bed. The swami goes in balls-deep and proceeds to fuck Sara Jay's shaved snatch silly. She flips over and spreads her legs wide and again takes all of the swami cock while moaning, "Heal me." We'd like to hear a woman scream that while we're fucking her sometime.

Sara Jay finally climbs on top of the swami and rides him enthusiastically.

Sad to say, but Sara Jay's tits stay the same size throughout her SCORE Xtra #10 fucking.

Not that there's anything wrong with her very impressive gazongas, but not even the swami's magic potion, which he spurts all over Sara Jay's chest, can change that.

SEX ALL OVER THE... BEACH!

A ROMANTIC STROLL ON THE BEACH? NAH! ANNE MARIE IS HORNY AND SHE NEEDS COCK!

A day at the beach. Sun, surf and...cocksucking? *You betcha!* Anne Marie is our beach bunny's name, and during a trip to Costa Rica, Anne Marie was going to pose solo. But, you can't keep a good girl down, especially when she wants to go down, and before we knew it, Anne Marie had a mouthful of cock and we had another *SCORE Xtra* slice of hardcore heaven!

ANNE MARIE

BIRTHDAY: January 29th

HEIGHT: 5'4"

WEIGHT: 121 pounds

MEASUREMENTS: 40-24-34

BRA SIZE: 34E

LIVES: Alexandria, Virginia

WEBSITE AND FAN CLUB:

www.sexyannemarie.com

This is the second time Anne Marie has taken a stiffie in *SCORE*. The other time was in the February '03 *Xtra*, and that was one of our raunchiest hardcore pictorials ever with anal beads and sex toys. Anne Marie, a nice girl with an absolute killer body, is one of those *SCORE* chicks who loves having sex in public places. The hell with the bedroom. She likes humping in buses, cars, elevators, trains, speedboats, stores, rooftops and parks. She hasn't said if she enjoys fucking in aeroplanes, but we get the definite impression that she's done the deed at 5,000 feet.

Kowabunga! Can any of you Brothers of the Fist think of a better way to end a day at the beach than seeing a beautiful, busty babe like sexy Anne Marie on her knees, opening wide in the baby-bird position, begging for a splodge of greasy, gooey guy-gravy all over her face and tits? Okay, if we were to come home from the beach to a case of cold brews, brats on the grill and Monday Night Football on the big-screen with those Coors Light twins feeding us Doritos while Anne Marie sucked our cock during halftime... Now, that would be perfect. An editor can dream, can't he?
