A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.

We'll name our Newcomer of the Year in the June '05 issue, and the winner figures to be one of these five girls. That's Ava Devine with the dildo, Keisha Evans lifting her tits, Carmen showing pink, Veronika covering her snatch and Kelly Kay with panties and hangers.

SCORE AWARDS: EARLY RETURNS FOR TOP MODEL, NEWCOMER

Dear SCORE,

Model of the Year? No contest, my boob-loving brothers! It has to be "The Natural," Miss Linsey Dawn McKenzie. Linsey is the sexiest, horniest, most insatiable woman on Planet Earth. Her performances in the DVD *Maximum Insertion* were mind-blowing. Linsey has the perfect package. She is so beautiful, and she proved in her threesome that she can fuck till kingdom come. How she has never won this award is one of life's great injustices.—Name and email address withheld

Dear SCORE,

I have some disagreements about the choices for Model of the Year. Danni Ashe? She looked great [in the February '04 issue], but I wouldn't have recommended her for this title. What happened to Lisa Lipps, Casey James, Maxi

Mounds, Africa and many others I can list? They were just as good, and they did a lot of things. Just because you have one woman in one photo spread doesn't make her Model of the Year. She needs to do more.

Next year, you should have the readers decide the nominees for Model of the Year, Newcomer of the Year and who should be inducted into the SCORE Hall of Fame.—L.P., email address withheld

Dear SCORE,

I voted for Linsey because I think it's time we let the Model of the Decade become Model of the Year.—B., San Mateo, California

Dear SCORE,

Model of the Year: I'd kind of forgotten about Sharday (I know, what a stupid thought) until I saw her in the January '05 issue. Good God, does she

look hot in those thigh-high leather boots. That sealed my decision.—J.G., email address withheld

Dear SCORE,

Model of the Year: Nicole Peters. One of the true greats. The best model since Devon Daniels.—D.C., Bronx, New York

Dear SCORE,

Awesome pictures of Nadine Jansen in the January '05 issue. Obviously, I voted for her for Model of the Year. There's never been anyone so beautiful. Well, except Karen Wellington, that is. Nadine's a very worthy substitute.—G.C., address withheld

Dear SCORE,

2004 Newcomer Of The Year: Deauxma. For the first time, I would love to see a more mature woman snatch this title up from under the younger models' feet. Deauxma gave us

something different that is worthy of the title. She displayed her sexuality in a more classy, yet very provocative, way. She proved that age is simply just a number—C.J., New York, New York

Dear SCORE,

Newcomer of the Year: Kelly Kay. Nice, full, curvy body, great breasts and those full, kissable lips.

Model of the Year: Ines Cudna. Damn!—J.R., Kennewick, Washington

Dear SCORE,

Newcomer of the Year: Keisha Evans. Biggest of all. Model of the Year: SaRenna Lee. Marilyn Monroe with big boobs.—D.D., Tempe, Arizona

Dear Readers: Thanks for voting. We'll name our 2004 Newcomer of the Year next month in the June '05 issue (on-sale March 29), and we'll crown Model of the Year, Newcomer of the Year in the July '05 issue (on-sale April 26). We're still counting votes, but the early returns show Keisha Evans, Kelly Kay, Ava Devine, Carmen and Veronika in the top five in the Newcomer of the Year balloting. For Model of the Year, Ines Cudna, Linsey Dawn McKenzie, Nicole Peters, SaRenna Lee and Sharday are leading, but Nadine Jansen and Crystal Gunns are getting lots of support, too. Tune for the results in these important categories.

SHARDAY: STILL THE ONE...AND SHE STILL WON'T MAKE A VIDEO

Dear SCORE,

Thank you, thank you, thank you! Why am I so grateful? One word: Sharday. Thanks for bringing her back (January '05). I was afraid she wasn't ever going to pose again, but I sure am grateful that she did.

If it wasn't for Miss Sharday, I would have never picked up my first issue of SCORE. Her eyes just caught me. They still do. Tell Sharday that one of her biggest fans is super appreciative of her and thinks the world of her.—G.C., email address withheld

Dear SCORE,

Has anyone approached Sharday about doing a video? I love her beautiful pictures, but I think it is time that she capitalized on her big-tit stardom and did a video. Don't you?—S.G., Philadelphia, Pennsylvania

Dear S.G.: Yeah, we do. And we've asked her over and over again to do a video. And she keeps on saying, "Thanks, but no way!" Seems as if some girls are perfectly comfortable taking still pictures but nervous and uncomfortable about getting in front of a video camera. Sharday is one of those girls, and no amount of pleading will get her to change her mind.

Sharday (top right) won SCORE Model of the Year in 2003 and, in the July '05 issue, will try to become our first repeat winner. The competition includes nip-pinching Linsey Dawn, rack-serving Ines Cudna, pussy-spreading Nicole Peters and the legendary SaRenna Lee.

BIG-TITTED BEDSIDE CARE

Dear SCORE,

In your Holiday '04 issue, the "Bra Shot of the Month" showed the luscious Dawn Stone getting out of a nurse's uniform. As nurses are my all-time ultimate turn-on, I had to rip this pic out of the mag and pin it up. I'm begging you, please publish the full pictorial from which that shot was taken. You'll make one man and his cock very happy. My favorite SCORE pictorial ever remains August '01's Nurse Linsey set. What can I say? I'm just nuts for nurses.

Actually, this got me thinking. I don't know if you've ever done it (I discovered SCORE in April '97), but how about a special one-time uniforms issue? I'm talking all the fantasies: French maid, policewoman, air hostess, businesswoman, even nun. If anyone can make the dream a reality, you guys can do it.—K.S., Barnsley, South Yorkshire, England

Dear K.S.: A pictorial of Dawn Stone in her nurse outfit will run in a future issue of SCORE. We just don't know when. Dawn is featured in a brand-new pictorial beginning on page 77 of this issue.

As for the all-uniforms idea, we'll certainly consider it. Our sister publication, Voluptuous, did a "Working Girls" issue in its Fall '97 issue, but that issue is sold out.

The remedy for what ails SCORE Men: Nurse Dawn's big tits and spread pussy.

Naughty-but-nice Sara Jay (Holiday '04) loves giving blow jobs more than anything else in the world. She also loves tit-fucking.

AND THAT'S A COMPLIMENT!

Dear SCORE,

I love Sara Jay (Holiday '04) because she looks really naughty (in a nice way, though) and she looks like a girl who can suck with more power than a vacuum cleaner. In other words, she looks like she could suck the chrome off a trailer hitch. Please continue to feature her.—D.T., Walnut, California

Dear Daniel: Sara Jay is justifiably proud of her blow-job skills. The guy she's sucking and fucking in the Holiday '04 issue? He swore that he's a pussy man who can only get off on fucking, but Sara's sucking technique won him over to mouth.

MARRIED CHICK WANTS CASEY

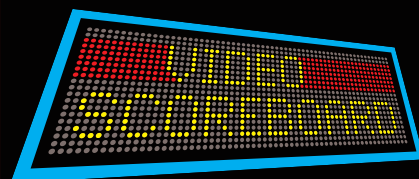

Dear SCORE,

Every time SCORE includes Casey James (Holiday '04), it's always a treat for me and my husband. We'd both like to have sex with the huge-boobed queen of softcore. And we both hope she'll pose for 10 more years, too.

I've love to put my nose up to Casey's crotchless pantyhose and take a good, deep sniff. My pussy gets wet just thinking about her huge boobs and sexy ass. I'd also love to see Casey pose nude with hairy armpits to match her hairy pussy. And, yes, my husband has been jacking off his penis like crazy to Casey's pictures.—Anne C., address withheld

First, you'll have to get past Casey (Holiday '04). But why would you want to?

LISA LIPPS RUB-A-DUB-DUBS, AND THE BIG-BOOB BATTLE

Dear SCORE,

I just bought the November '04 issue of SCORE, and, boy, to my surprise, most of the pictorials were hot, hot, hot. The hottest of them all was the bath pictorial of the ever-so-sexy voluptuous blonde, the lovely Lisa Lipps. This was by far the best of the few layouts that I have seen of her. I know I'm going to have a lot of hot (and maybe wet) dreams of me and Ms. Lipps doing it with each other, as well as doing it with other women and other men, preferably at the same time (I am a 37-year-old bisexual male).

"The Big-Boob Battle" between the two lovely lasses from Britain, Linsey Dawn and Nicole Peters, was okay. I have to give the edge to Miss McKenzie because I like my women a little bit older.—K.W., Oklahoma

LDM: PERFORMER OF THE YEAR

Dear SCORE,

If Linsey Dawn McKenzie receives no other awards in 2004, you should at least give her the "Video Performance of the Year Award" for her performance in "Class 69," one of the bonus features on her *Maximum Insertion* DVD. She is absolutely hilarious. I was laughing my ass off watching her teach a class in sex education. It alone was worth the price of the DVD.

On the other hand, SCORE gets a big raspberry for false advertising. In every

print ad for *Maximum Insertion* in *SCORE* and *Voluptuous*, in the advertisements sent to subscribers in the mail and on the DVD carton itself, you feature a photo of Linsey on her hands and knees receiving the fucking machine from behind. Yet this scene is nowhere on the DVD. Why would you leave the most erotic scene in this episode out of the DVD? Come on, guys, how about a little truth in advertising?—T.D., Ventura, California

Dear T.D.: The mistake was unintentional. Linsey does get fucked by a fucking machine in the DVD; she just doesn't get fucked doggie-style. Although it's too late to change the thousands of DVD boxes that have already been printed, we have changed the photo in the magazine ad (on page 18 of this issue) to accurately portray a scene that's in the DVD.

CELEBRITY FANTASY FUCKS

Dear *SCORE*,

I think the best use of Duncan's considerable creative talents in Fantasy *SCORE* would be hardcore sexual fantasies. What I most want to see are women who haven't done it, doing it. Or women from the movies and TV doing it. But I suppose that would invite seriously litigious responses.

There are women I'd like to see with immense mammaries: Monica Bellucci, Sarah Jessica Parker, and Katie Couric, for example. But I'd rather see them fucking.—T.C., email address withheld

SEND US YOUR WOMEN!

Dear *SCORE*,

I'm married to a gorgeous woman with natural 38-DDD tits, and I'm trying to talk her into posing for you at your studio in Miami. She has expressed some interest in doing so, and I hope to send you pictures of her magnificent assets in the near future.

I noticed that some readers mention models wearing heels and their displeasure with that. I disagree. I love when you photograph your models wearing heels and shoes that exotic dancers wear, such as CFMPs (Come Fuck Me Pumps). The shorter the skirts, tighter the tops and skimpier the outfits, the better. When their tits spill out of the top of the bra or bikini top, it's a beauti-

THE ULTIMATE GOOD-GIRL-GONE-BAD DOES IT ALL!

Look at Alexis May. So sweet-looking. So innocent. The sparkling eyes. The inviting smile. The freckles. The girl-next-door looks. Even with her tits hanging and her asshole spread for all the world to see, this 22-year-old Scottish babe looks like the kind of girl you'd bring home to mama. And she is...after you've finishing fucking her. Because the truth is, Alexis is a horny girl. And, yeah, she's shy...when she's talking about anything but sex. But when the subject is sucking and fucking, Alexis opens up like no other newcomer we've ever seen. And the new DVD/VHS *Ultimate Alexis May* is the place to see her wide open...and stuffed with plenty of cock!

In the opening scene of the video, we're treated to unobstructed views of Alexis playing with her tits and stuffing her pussy with a dildo. Then Alexis meets up with another big-titted babe and gets the strap-on treatment. It's one of the horniest big-tit girl-girls we've ever seen.

Alexis doesn't just suck cock. She swallows it. She engulfs it all the way down to the balls. She devours it. And she doesn't just get fucked by cock. *She* fucks the cock. She mounts it and slams her pussy down on it as far as it can go, and she moans and screams all the way, because she's enjoying it. You know that she is. And, if you have any doubts, check out the DVD extra: an exclusive one-on-one interview with Alexis that includes her playing the game, "Penis 10 Questions." Just to let you know, she likes 'em long and wide and hard with extra-large balls at the base. And when she talks about cock, her face lights up. Because fucking is what she does best.

treat you? Did any of them stare?

Kelly: They were very fair and treated me just like everyone else. One teacher was always extra nice, and if anyone said anything, he would shout at them. I thought he was just being kind, but he did tell me that I was very good looking.

SCORE: What sports did you play?

Kelly: I played netball, girls football and track.

SCORE: How long does a bra last for you before you throw it out?

Kelly: It lasts about a year.

SCORE: Do you always wear a bra?

Kelly: Yes, apart from when I go to bed. And I sleep on my side.

SCORE: What's the most sensitive part of your boobs?

Kelly: My nipples. Touch them and I get shivers.

SCORE: Is that an order? [Laughs]

When you're trying on a bra, do you test whether it's going to fit right?

Kelly: Yes, I check to make sure it's secure and fits and holds me right and tight.

SCORE: What are your favorite styles of bras?

Kelly: I like to wear bras that are pretty, detailed and bright. I like pink, red and yellow bras.

SCORE: Do you get fitted when you buy new bras or do you get them off the rack?

Kelly: I love to shop, so I just buy them off the rack.

SCORE: How do you like to dress?

Kelly: My usual outfit is jeans and bright, pretty-colored tops. But I like getting dressed up every once in a while in stockings and heels.

SCORE: When you go out, what type of clothes do you wear?

Kelly: Well, I like to show off my chest, but I have to be careful because my boobs are so big that there's no hiding them. I usually wear skirts and tops.

SCORE: How long does it take a guy you go out with to ask you questions about your breasts?

Kelly: Not long. And if they don't ask, they stare.

SCORE: Where was the most unusual place that you've ever had sex?

Kelly: On my old school field at night. Fortunately, we didn't get caught.

SCORE: Ever not gotten a speeding ticket because of your boobs?

Kelly: No, because I don't drive yet!
SCORE: How many times a week do you have sex?

Kelly: Five or six times a week.

SCORE: What do you like to do for fun? Besides having sex all week?

Kelly: I love to go to the pub for a drink or to a club to dance. I'm very social. I love to hang out with my friends, go swimming and go to the gym. I think it's important for a girl to keep her body in top shape.

SCORE: What do you want to try in life that you haven't done yet?

Kelly: My professional dream is to be on TV. My personal dream is to swim with the dolphins in America. Modeling is all new to me. I never thought I would be the cover girl of a magazine. I'm still not over it yet. Until I saw **SCORE** magazine, I never dreamed how much guys love tits.

That's right, Kelly. We do. Now, Boob Brothers, turn to page 91 to see this penis-enlarging newcomer nipple-to-nipple with mega-star Linsey Dawn McKenzie. It's the first meeting of these natural superstars.

JUST ANOTHER MOM IN A SWEATSUIT

A hot babe is always a TV ratings booster. Case in point is this ad for the Arts & Entertainment channel's Biography special about Pamela Anderson. Every TV news show you watch, every tabloid magazine and newspaper you look at, Pam's there. It's not her fault. She just attracts a little attention.

"My breasts have been my career, and I've just tagged along," said the star of *VIP*, *Stripperella* and *Baywatch* at her first UK book signing for her new novel, *Star*, ghostwritten by Eric Shaw Quinn.

Star is a beach book, a surprising U.S. best-seller about a small-town girl who becomes a big star in Hollywood.

"It's a novel based on my life, but it's completely made up," Pam said.

The character becomes a centerfold model and gets a part in a TV series, *Lifeguards Inc.* She meets a rock star who introduces himself by licking her face. Hey, it does sound completely fictional.

Who would believe this kind of stuff?

"I'm a soccer mom, and I do the cut-up oranges and go and cheer them on," Pamela confessed. "I'm just another mom in a sweatsuit. I bake cookies for the classrooms, and I'm a lunch monitor."

And mom stretches a T-shirt well. Truly a Canadian-American busty MILF icon.

LOVE IS BAD FOR GOOD SEX

A German psychologist says that long-term relationships and good sex are an impossible combination. Didn't Dieter from Sprockets say the same thing on *Saturday Night Live*?

Dr. Michael Mary, a Berlin sex therapist, says trying to continue having satisfying sex in an exclusive relationship is futile. He claims that cheating on your partner acts as a stimulant. (Getting served with divorce papers or finding everything you own thrown out the window could be considered stimulating, too.)

"It is impossible to get everything together," Dr. Mary said. "To have trust and harmony and at the same time the level of passion and desire one experiences on the first day simply doesn't exist."

Dr. Mary's book, *Five Lies Concerning Love*, warns against putting effort into creating a fulfilled sex life in long-term relationships. He states that, "It is better to accept living with the discrepancy between sexual desire and long-term love."

Try using that story the next time you want to dump a chick you're tired of fucking, and let us know what happens. If you're still alive.

CAUGHT IN THE ACT

Twirling dervish Devon Michaels (November '03, February '05 *SCORE*) gets down and gets denuded on stage at one of our favorite hang-outs, the Booby Trap, in Pompano Beach, Florida. Catch Devon live when she's at a club near you. She's one of the best exotics in platforms today. This photo's by regular *SCORE* contributor Mario P. (mariofotos.com), a man who makes the toughest strippers super-horny just by pulling out his lens.

DEVON STROKES A POLE AT THE BOOBY TRAP.

THE ART OF THE CONDOM

The award for best-designed condom packaging goes to Ansell, manufacturer of latex gloves and rubbers, for their busty girl art on their Contempo Mega brand. The ultra-thin rubber is manufactured larger than normal to provide more room for guys with wider girth. It's almost eight inches long and wider at the tip.

WHAT KIND OF WOMAN READS BUXOTICA?

A woman who makes jaws drop and cocks pop, like the one-of-a-kind Minka, proudly holding up her cover issue of the second *Buxotica* (*SCORE* Special #80). Besides a horny pictorial of Minka, you'll also get Casey James, Maxi Mounds, Plenty UpTopp, SaRenna Lee, Crystal Gunns, Ricki Raxxx, Julia Miles, Dawn Stone, Colt 45, Harmony Bliss and Vixen LaMoore, plus Diane Diamonds in XXX fuck-and-suck action.

This mag is a must-have collector's edition for *SCORE* Men. Only a few copies remain in stock, so get yours today from www.eBoobStore.com or phone 305-662-5959. Don't ask next year if any copies are left 'cause they'll be gone.

Just a homebody at heart, Minka was photographed at her house in Las Vegas, citadel of mega-boobed women. Minka usually doesn't stand totally naked in her living room. We just asked her to.

CRYSTAL & COLT & MAXI

In rare group formation, Colt 45, Crystal Storm and Maxi Mounds teamed up at PT's Sports Cabaret in Sauget, Illinois, across the Mississippi River from downtown St. Louis, Missouri. More club managers should follow PT's lead and start booking more mega-titted babes, especially in teams, in our opinion.

SEX IS EDUCATING

The German people are leading the way with boob and sex news lately. According to a German researcher named Werner Habermehl from the Hamburg Medical Research Institute, sex stimulates the brain and makes people more intelligent. Regular sexual intercourse also promotes intelligence. Werner claims that sex not only excites the body but also the brain, and the increased amount of adrenaline and cortisol hormones stimulates the brain.

"Sex makes you more intelligent in that experiences are collected that can be used later on in areas of life not linked to sex," the researcher said. He added that the endorphins and serotonin that result from an orgasm strengthen self-confidence.

Try using this story the next time you want to get laid, and let us know what happens.

DOWN WITH BARE BOOBS

A women's group picketed outside The Brighton Hotel, a pub in Birmingham, England, to protest the joint's topless barmaid service.

A spokesman for the Brighton Hotel said it was a family establishment and that women still visited the pub when the topless barmaid was working. The number of customers at the pub increased dramatically after the top dropped.

"She doesn't strip or dance," the spokesman said. "That would be breaking the law. She just serves pints, nothing else. The windows are blacked out so no offense is caused to passers-by."

Five women carrying a sign reading "Breasts are for Babies, Not Business" picketed the pub.

"They are using a woman's body to get profits up," a protester said. "Quite simply, it is degrading."

Topless barmaids are fairly rare, at least in the U.S., for health-code reasons. In fact, if a chick tells you she's a topless bartender, chances are she's really a stripper and just won't admit it.

INTOLERABLE PROMOTION

Actress Catherine Zeta-Jones is suing a Reno, Nevada topless club that she claims used her photo for advertising without permission.

The lawsuit, filed in U.S. District Court in Los Angeles, said The Spice House displayed her picture on the pages of its website. Zeta-Jones is seeking damages and a court order barring further use of her likeness.

A designer for the club's website downloaded pictures of Zeta-Jones from a German website that offered royalty-free graphics, said The Spice House's marketing director.

"It was an image of a beautiful woman," he said, adding no one knew it was Zeta-Jones. He called the lawsuit frivolous, but the website took down Zeta-Jones' images after being contacted by her attorney.

BOOBJACKING

Rachel Hunter, the new Ginger on TV's *The Real Gulligan's Island*, had a jolt when a teenager copped a feel of her boobs during an appearance at a mall in New Zealand. Hunter was posing for photographers when a boy grabbed her hooters. The shocked supermodel screamed as hundreds of fans looked on. The boobjacker tried to run away but was caught and turned over to police.

"Rachel was plugging her beauty products at the mall when this guy just flew out of the crowd and grabbed at her breasts," a store assistant said. "She was really upset." We can imagine.

BANNED TITS

The web is used to make money in many ways. A student who calls herself Twinkly Spangle was banned from auctioning her boobs on eBay. The student offered bidders a 15-minute fondling session with her C-cup boobs to raise money for her university tuition. She also promised a cup of tea and a snack at her home and included a naked photo of her breasts. The bidding for Twinkly's boobs started at £20 and rose to £180 before eBay officials looked at her page and pulled the plug. 🚫

START YOUR ENGINES FOR E-CUP DENISE DERRINGER.

Chicks are suckers for slick cars, and although Denise says her dream car is a Dodge Viper, she definitely got turned on running her naked body over the body of this MR2 Spyder that belongs to one of our editors. "One of my fantasies is to have sex while driving down the highway at a 100 miles per hour," she said.

DENISE DERRINGER

BIRTHDAY: December 16, 1970

HEIGHT: 5'5" **WEIGHT:** 133 lbs.

MEASUREMENTS: 42-27-36 **BRA SIZE:** 36E

BORN, RAISED AND LIVES: Texas

PREVIOUS APPEARANCES: Oct. '04, Jan. '04

VIDEO: *Busty Dildo Lovers #5* (X-Rated, available on DVD and VHS at eBoobStore.com or by calling, toll-free, 1-800-421-0760)

FAVORITE SPORT: "I love football. My favorite teams are the Cowboys and Texans."

Denise is making her third appearance in the world's greatest big-tit mag, and we wouldn't be surprised if she made a fourth next month when we crown the Newcomer of the Year. As several readers noted, Denise is a throwback to the slim 'n' stacked babes of the '90s, much like 2002 Newcomer of the Year Crystal Gunns. And that's not surprising because Denise was discovered by 1990s *SCORE* legend Colt 45. Wrote reader B.F. of West Covina, California, "Girls like Denise are the reason I started buying *SCORE* in 1995. Her chest is incredibly big compared to her waist, and she has the star quality of greats like Tiffany Towers and Tawny Peaks." Added S.L. of Freehold, New Jersey, "Girls like Denise don't come around too often anymore, but when they do, it's cause for celebration." And cause for jacking! C.J. of Chicago said, "Even if Denise only showed her tits, I'd still get off on her."

As the Beatles song goes, "Baby you can drive my car." As Denise slid a dildo into her pussy, something she does in the video *Busty Dildo Lovers #5*, she said, "I need a man who can fuck my tits *and* my pussy. Are you the man?"

THE XXX ADVENTURES OF A PORN STUD

BIG TITS, WILLING MOUTHS, WET PUSSIES...AND A PAYCHECK AT THE END OF THE DAY. SOME GUYS HAVE ALL THE LUCK.

Matt Bixel has fucked Minka. He's fucked Saholy.

He's also fucked and been sucked by Busty Brittany, Harmony Sweet, Angelica Raven, Brandy Talore, Latia Lopez and numerous other SCORE Girls.

But while most guys would pay good money and give their right testicles to fuck any one of these chicks, Bixel gets paid to fuck them. He's a male porn stud, and he's living the dream.

It wasn't always that way. Three years ago, Bixel was an ordinary guy living an ordinary life. After graduating from college with honors, he bounced from job to job—bartending, selling mutual funds, managing a car rental company—until, at age 29, he started going out with a girl who happened to be doing porn. The time had finally come for Bixel to find out if he could realize his dream.

"I started watching porn when I was 18," he said. "I was always saying, 'I wanna be that guy. And now I am.'"

Bixel, who is in excellent shape but not physically imposing at 5'9", has become one of the most in-demand porn studs in the world, and for good reason: He has a good-sized cock, he can get it up on demand and keep it up in front of a 15-person crew, he'll have sex with any type of woman, and he can act. The combination is rare, and it's one of the reasons the same guys show up time and again in hardcore flicks.

SCORE asked Bixel to keep a diary of a typical nine days in his life...a life most men wish they could live.

A GOOD DAY FOR A PORN STUD: BIXEL DOES SCORE GREAT MINKA.

BY MATT BIXEL

It's Monday morning in Los Angeles, and later today, I'm going to have sex with a beautiful woman who I've never met. I don't know what her name is, and I don't know what she looks like. I don't even know if she's going to be beautiful, but the website I'm shooting for only shoots beautiful girls.

But here's the thing that some of you might find a little weird: After two years in the business, I don't even think about what she's going to look like. I do three to five scenes a week with all types of girls: young, old, thin, fat, beautiful, not-so-beautiful, super-busty, not-so-busty. My job is to get it up no matter what a girl looks like.

I'm not shooting until 1:30, so I wake up at nine, screw around and run some errands. I get to the studio at one, and that's when I see the girl for the first time. She's blonde with blue eyes, beautiful, and she's about five-four, which is a perfect height for me.

I talk to her a little before we shoot. It's good to talk to the girl as much as you can. It always makes the scene a little bit better. This girl is Czech, but she speaks English pretty well.

We start by doing some stills, which for me is like having sex but slower. Sometimes stills are better than video for me because I can go at a slower pace. When the video camera's rolling, they want you to go hard, and I'm

BIXEL FUCKED SAHOLY WHILE HER HUSBAND WAS WATCHING.

doing weird angles, and I can't get comfortable. I'd say 80% of the positions I do, I'm not comfortable. Either my lower back's killing me or my legs are cramping.

We do about 45 minutes of stills, then we get into the video. The scene's great. We're in a limo, and we-me and the cameraman-pick up this girl at a gas station. She needs a ride. When she gets in, we convince her to show us her tits, then I show her my cock and talk her into giving me head. Then we take her back to my house.

After the setup, the scene becomes typical porn. The sex is usually five or six positions, three or four minutes a piece, and a pop shot at the end.

So, you're probably wondering if I'm enjoying myself. Yeah, I'm enjoying myself, but it's not like what you'd experience at home. The thing is, you fuck so much for so long, after a while, your dick becomes numb. Before you

cum, you have to rest for a minute or two so you can get some sensation back. This girl licks my balls and gives me a blow job.

We fuck stop-and-go for three or four hours. The camera guy is always stopping us to change the lights, then shooting from a different angle, so I'm fucking, then I stop, then I'm jerking off to keep my cock hard, and she's helping me out a little to keep me hard, too. In other words, she's sucking my cock.

If we're having a good time, sometimes I'll say to the crew, "Can you give us 10 or 15 minutes alone?" then me and the girl will go into the back room and have a good time. A few times after a shoot, I've had sex with the girl back at my place or a hotel. But not this time. This shoot is purely professional.

When we're done, I go home, take a shower and cook dinner. I eat a lot of chicken and vegetables. I have to take care of myself. Afterward, I call this girl

PORN STUDS DO IT EVERY WHICH WAY!

A porn stud like Bixel has to be able to have sex in positions most people don't have sex in. After all, most people don't do it in the reverse-cow-girl position (left). It's a position that was created for porn flicks. And most guys don't piledrive-fuck their girl (right), even if the girl's tits are as big as **SCORE** Girl Angelica Raven's.

in Tampa—it's her birthday—then hang out for a while before going to bed. It was a good day. The sex was good. And, best of all, I got paid.

TUESDAY

Today I'm shooting for a guy I shoot with every week, Rick Davis. I'm shooting with a girl who I referred to him. Her name's Alesha, and the first time we met, we kinda clicked.

Her boyfriend drops her off at my place before the shoot. We're all friends, and he's cool with it. He videotaped me and her having sex a few days before. She gave me head in a car coming from a party. For seven miles.

Alesha's a knockout. She's tall, like five-nine, and real thin with brown hair down to her ass. When she shows up, she's looking really sexy: leather high-heels and straps all the way up her legs.

Me and Alesha do a lot of small-talking on the way over to the studio, and when we get there, things go smoothly. In the scene, she plays a candy-store

SOMETIMES A PORN STUD DOES THE SUCKING!

And sometimes the porn star gets sucked. Bixel got on his knees and ate Busty Brittany's pussy, but only after she bent over and sucked his cock. "The most important thing a male porn star has to remember," Bixel said, "is that it's all about the girl. In many cases, you don't even see the guy's face."

clerk, and I'm a customer. I notice behind the counter there's cock-and-balls candy on a stick, and I say to her, "Why don't you close shop early and go back to my place?" We do.

When we cut to "my place," I start eating her out. She gives me a blow job, then we do doggie style, missionary and reverse cowgirl, about five minutes apiece. I cum all over her face.

We're done at one, and we go to lunch afterwards to a place in Studio City, then go back to my place and hang out for a while before Alesha and her boyfriend go home.

That night, I go to my condo association's meeting. A couple of people there know what I do, like the girl who lives across from me. She's curious, always coming up with questions. She doesn't understand how I can have sex with so many girls. I guess most girls couldn't understand that.

WEDNESDAY

Today I'm shooting for one of my favorite companies, a website called MyFirstSexTeacher.com. They usually find MILFs and women who are doing this because they like the sex.

The girl I'm shooting with, Raven Wolfe, meets me at my condo in the early afternoon, and we drive down to San Diego, about a two-hour drive. She's hot, 40 years old, with a nice body. We've had sex before, and we both want to have sex with each other again. But we won't until we get to the studio.

This company doesn't do solo pics with the girls, so this is going to be a quick shoot. It's going to be fun, too. We do it in a classroom. I'm a student, and I need to pass her class. I beg her. "Is there some extra credit I can do?" She says, "Come over here." She pulls out

IT'S NOT ALWAYS ABOUT FUCKING!

Indeed, it helps, especially in videos, if the porn stud knows how to act. "Acting is one of my favorite parts of the job," said Bixel, who doesn't seem to be doing any acting with Harmony Sweet. "I've played bra salesmen, teachers, dildo salesman, husbands, boyfriends, even Johns. Whatever the script calls for."

Angie Super-Sized!

MISS SWARD'S NEW E-CUPS RUNNETH OVER!

What a difference a year makes! The last time we saw housedancer Angie Sward in the March '04 issue of *SCORE*, she was a DD-copper. "The smallest girl in the issue," she recalled. But look at her now! Angie's tits are a full cup-size bigger!

KINKIEST SEXUAL ENCOUNTER: "I was at a party where girls were fucking each other with strap-ons and sucking dick!"

"In the real world, I've always had big tits," Angie said. "My friends have always said to me, 'Angie, I can't believe you have to carry those around all day.' But in the *SCORE* world, I was tiny. And I've always been competitive, and I thought it would be nice to go from big to bigger. Now my friends are even more amazed by how big I am, and so am I. I really am stacked!" But is one cup size really such a *big* deal? "Well, I had to buy all new bras," Angie said. "And none of my shirts fit me. The first time I went out with my new chest, I wore an old button-down shirt and busted two buttons. That was quite a scene!"

The tits aren't the only thing that has changed about Angie. She has a new job, too. "I'm a dental assistant now," she said. "I'd been going to night school for a while, got my certificate, and I got my first job a few months ago. Having big tits is lots of fun when you're a dental assistant. I do the cleanings, so I'm always bending over my patients. My male patients always get an extra eyeful of boob." A super-sized eyeful!

Although Susie's 25-pound weight gain made her perfect for *V-Mag* and *XL Girls*, she was no longer suitable for *SCORE*. And she knew it. "The thing was, my tits became absolutely enormous when I gained weight, and I was afraid that I'd lose them if I went on a diet," she said. "And nobody seemed to mind my weight. I certainly got all the fucking from blokes that I needed. But I wasn't comfortable. I wanted to lose weight and feel comfortable in a bikini. So I went on a diet and decided, 'If I lose my tits, I lose my tits. The worst that can happen is they go back to where they were, and they were always pretty big.' I mean, I was an E-cup at 128 pounds." Turned out that Susie lost 16 pounds... none of them from her chest! "I couldn't believe it," she said. "The more weight I lost, the more I was convinced that it had to come from my tits eventually. But it didn't! Isn't that just brilliant?" Brilliant! And cock-hardening, too. Welcome back, Susie!

Going about her daily business. How would she look? What would she be wearing? That's what this new feature, "*SCORE* Girl on the Town," is all about: a peek into the everyday life of the big-titted babes of our fantasies. We're kicking things off with Lori Pleasure, a California girl who fucked in the February '04 issue of *SCORE* and in the video *SCORE Xtra* #10. In case you're wondering, Lori didn't pick out these outfits just for these pics. This is how she always dresses.

Trophy Tits

She was a rich man's wife. But he was going to fuck her anyway.

BY JACK VAUGHN

I was working as an electrician when I got a call to install some new outlets in this rich guy's mansion. It was easy work, and I was just about done when his trophy wife came home.

The moment I saw her, my eyes almost fell out of my head. She couldn't have been older than 19, but she was gorgeous with blonde hair and the biggest rack I've ever seen. Her tits were bulging out of her tank top, and they jiggled so much, I could tell they had to be all natural. I've always been a fan of a lady with a healthy rack, but this girl was in a league all her own.

My head spun as I realized she had to be at least a J-cup, and I couldn't take my eyes off of her. I might have thought she was the old guy's daughter if it weren't for the kiss she gave him when she walked in carrying a half-dozen shopping bags. Full-on, right on the lips, like she was horny.

"Um, this might take a little longer than I thought," I said out loud, referring to outlet I was installing.

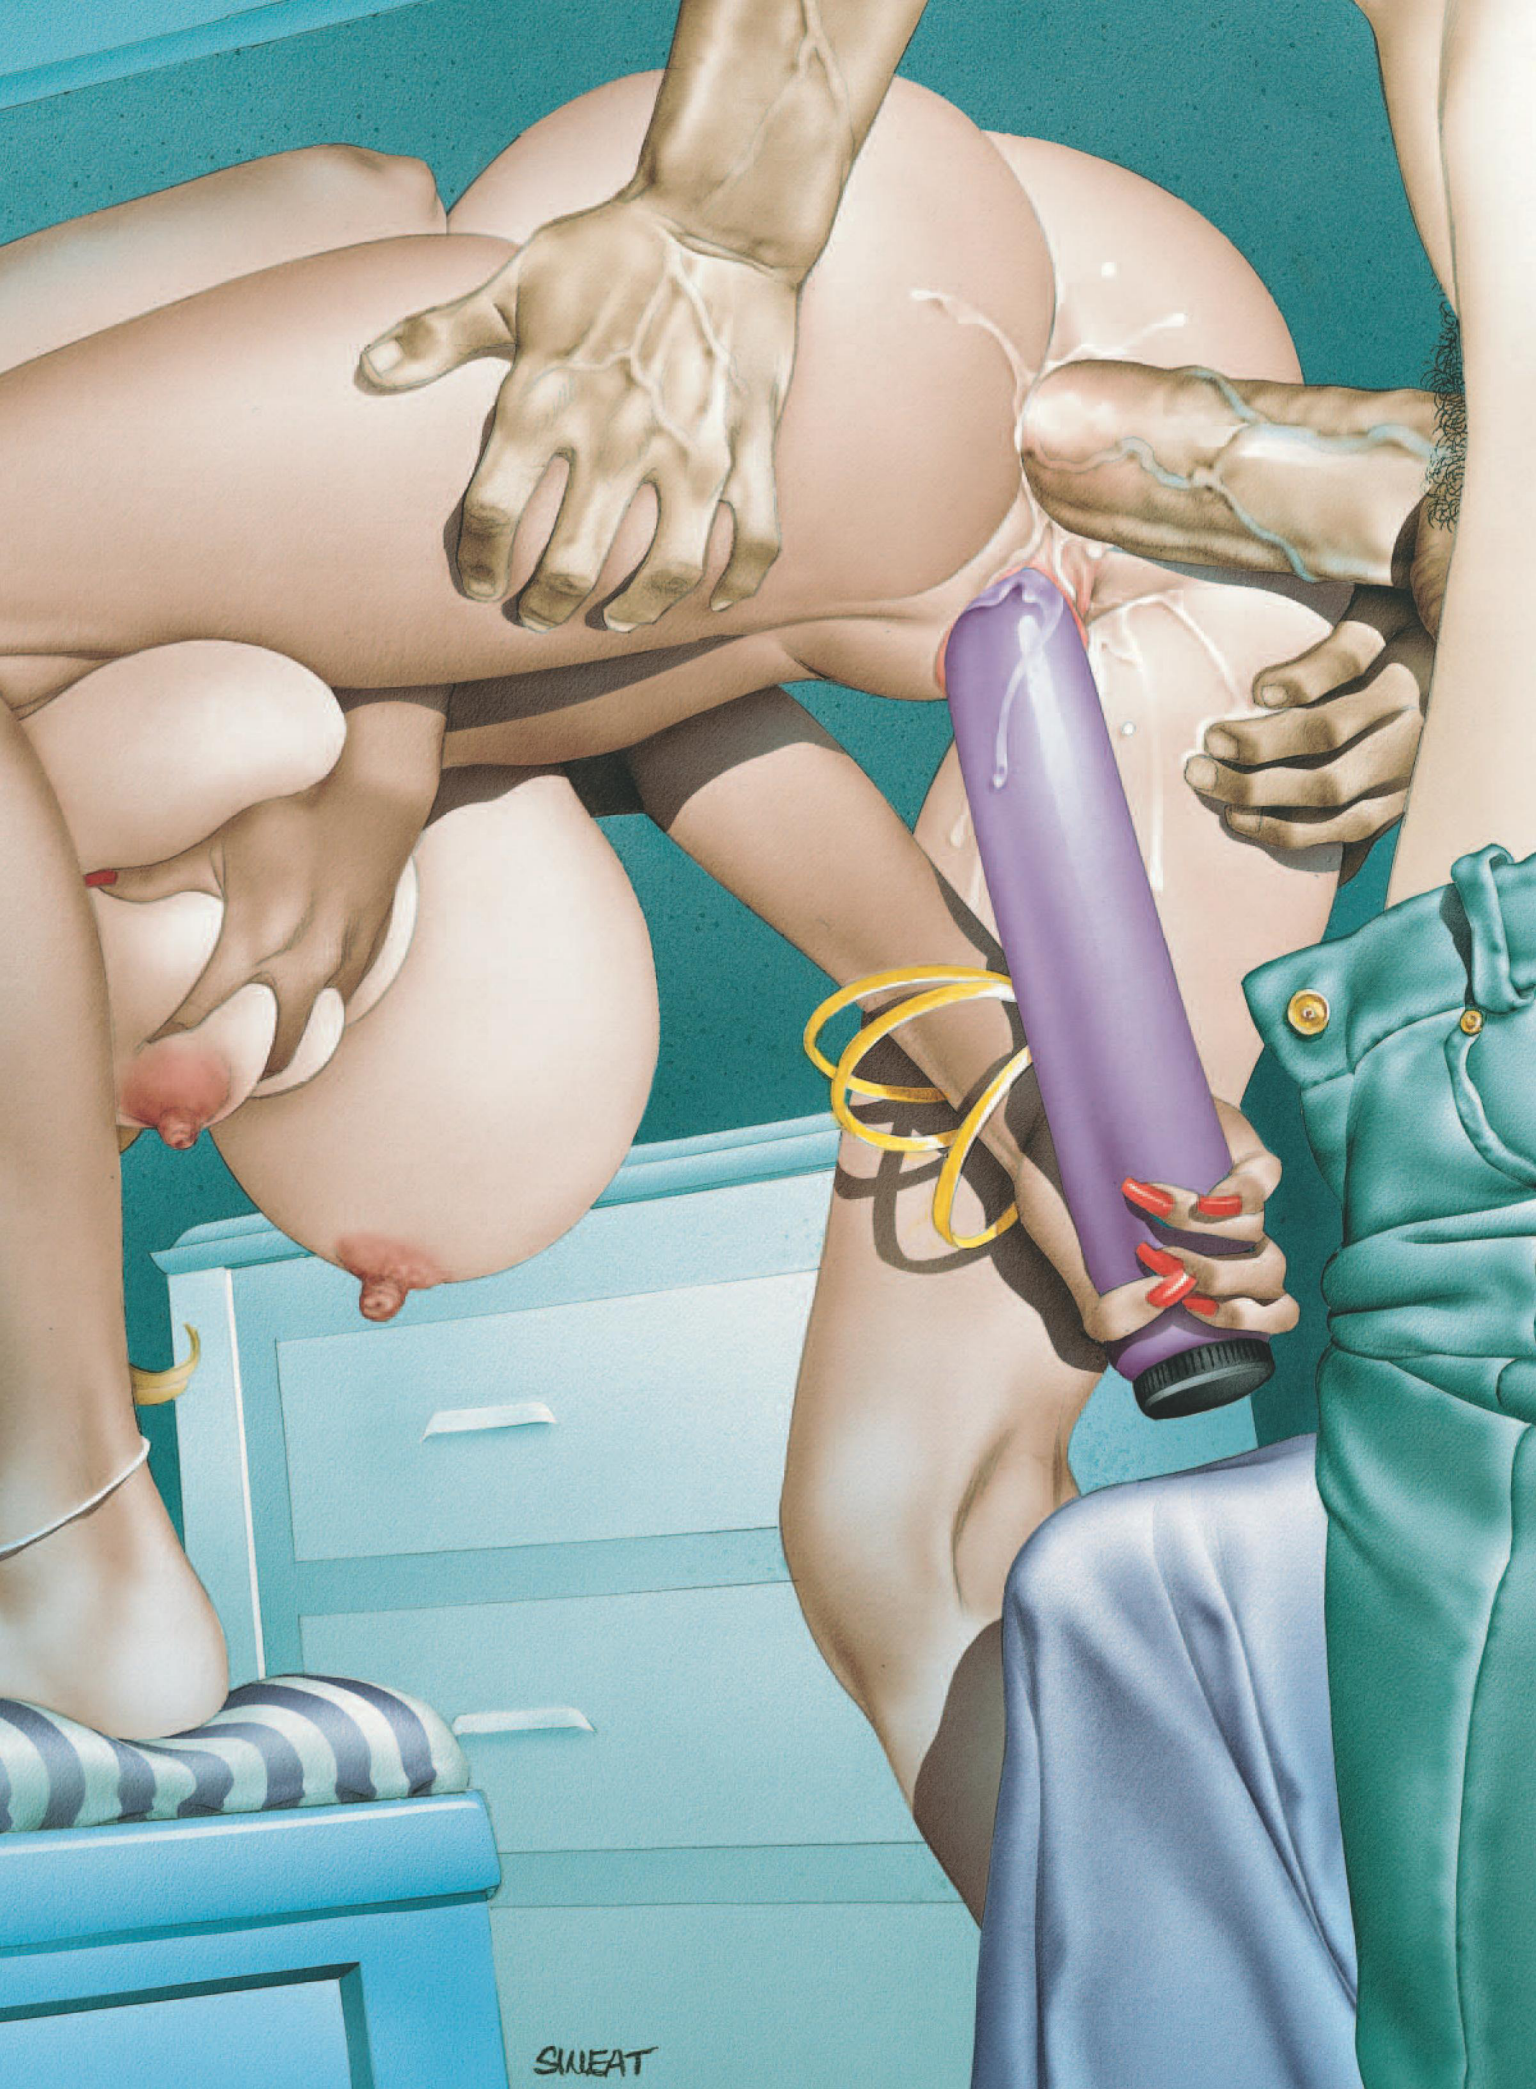

"Sure, sure, take your time," the old guy said, barely listening as he studied his wife's rack as intensely as I was. Then he said to her, "Honey, why don't you put your bathing suit on and go for a swim?"

She grinned. Then she flashed me a saucy look, like she knew I was checking her out but didn't mind. She took her bags upstairs, and I played around with the outlet, pretending there was something wrong, even swearing under my breath to make my frustration seem more realistic. I wanted to stay as long as I could.

When she came downstairs, she was wearing the skimpiest string bikini in the world. Her tits were even bigger than I'd imagined. I'd bet the old guy couldn't even wrap both hands around one of them. He told her how hot she looked, and she giggled and posed for him, jiggling her enormous rack like I wasn't even there. He wrapped

ILLUSTRATION BY OTIS SWEAT

SWEAT

his arms around her waist and kissed her cleavage. She giggled again.

Lucky bastard, I thought. Then she broke away, ran outside and dove into the pool. The old guy chased after her. I figured they'd forgotten me, so I watched through the sliding glass doors that led to their backyard. I couldn't hear what the old guy was saying, but I was sure he was talking dirty as she swam back and forth, teasingly shaking her boobs at him. When she got out and they started kissing, I held my breath. Did they even remember I was still there? Then the old guy yanked her top off, and all my worries disappeared as my cock got rock-hard.

She just giggled again as he squeezed and played with her enormous melons, rubbing and kissing them. I couldn't believe it. Before I knew what I was doing, I'd yanked my jeans open and started stroking my cock. I was standing right there watching them, but I knew the old guy was too busy to turn around and see me. Then his wife looked up, straight at me.

I thought for sure I was in deep trouble, but she just winked and jiggled her tits again, smiling as the old guy sucked on both of her big, pink nipples. I realized it must have been turning her on to

see a guy like me stroking his rod, and she was ready to give me a show.

She sank to her knees and gave the old guy head while she watched me out of the corner of her eye. After a few moments, the old guy had her lie down, and he tugged off the bottom of her suit. I wanted to have a look at her pussy, but he spread her legs and thrust between her before I got a chance. She moaned loudly as he fucked her, then she sat up on her elbows and played with her tits.

The old guy fucked her as hard as he could. I have to give him credit, he drilled his wife's pussy like crazy, then he rolled her over and did her doggie-style, too. As he pounded her snatch, her tits flopped back and forth. A moment later, he rolled her over again and titty-fucked her for a while. Finally, he withdrew from her massive tit-flesh, rammed his cock into her mouth and came down her throat.

Then he gave her a little kiss, got up and got dressed. I ducked behind the counter, pulled my jeans up and pretended to be at work when he came in. He went upstairs without saying a word, so I waited, then I looked up.

She was still standing by the pool, her wet, naked body wrapped in a towel. She grinned and gestured for me to

come out and join her. By the time I got there, her towel was on the ground and her huge tits were jiggling in the sun.

"Wanna finish me off?" she asked.

I couldn't believe how forward she was being.

"Won't he hear us?" I said.

"Not a chance," she said. "He'll be asleep for hours." Then she sank to her knees, jerked open my pants and took my cock into her mouth. I groaned. This girl was good. I'm a big man, but she took my thick rod all the way down her throat. Then she lifted her jugs and rubbed my dick between them.

"Does that feel good?" she said.

"Fuck, yes."

She cupped one tit in her hand and rubbed her nipple around the tip of my cock. I thought I was going to explode, but the thought of fucking her kept me from cumming. She deep-throated me again, then lifted my cock and licked my balls. Purring with delight, she deep-throated me again. When she pulled back, she looked up with wide eyes and said, "Please fuck me now." She laid down and spread her legs, revealing her wet pussy. "Please."

I glanced back at the house. The old geezer wasn't watching us. I laid down on top of her and aimed my shaft between her legs. I teased her at first, rubbing the head of my cock around the opening of her sopping-wet pussy. She writhed and squirmed in anticipation, squeezing and jiggling her tits.

"Please," she begged. "Please fuck me. I need your cock so bad."

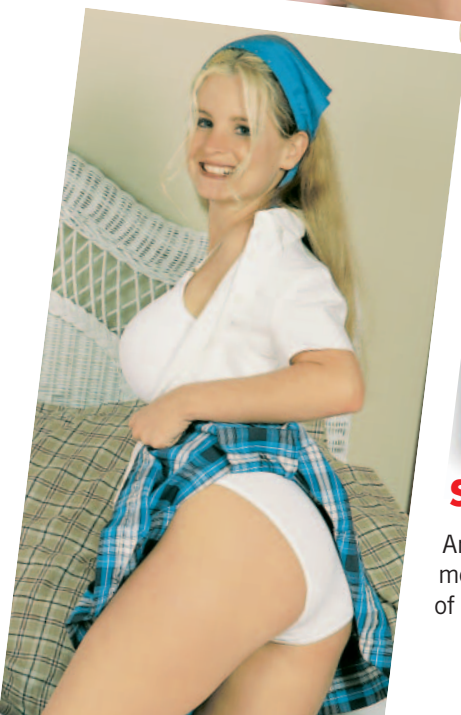

I eased my cock in, just a little at first, and she gasped. Then I gave her a little more, then a little more. Her whole body trembled like she was ready to cum, so I thrust in all the way. She screamed, and I started pumping her. She covered her mouth, trying to keep quiet as she shuddered in joy. I could tell the old guy had gotten her pretty worked up, but he hadn't lasted long enough to satisfy her. Not that I blamed him. I was having a hard time controlling myself, too. She looked delirious with pleasure as I fucked her. I occasionally slowed down to long, smooth strokes before speeding up again. She liked that. I could tell.

Her tits looked too good to ignore, so I manhandled them as I fucked her. Her tits felt so soft and warm, I knew I couldn't last much longer. But I wanted to give her a big finish.

BOOBS NEXT DOOR

SHE'S NOT A PORN STAR. SHE'S JUST MARIAH LYNN.

And that's good enough for us, especially when she's sporting DDD-cup naturals and one of the most inviting smiles we've ever seen on a *SCORE* Girl. These pictures capture the true essence of true girl-next-door who just happens to have a big rack...and just happened to pose nude.

"I never had any desire to do porn," said Mariah, who recently graduated from college and is now the assistant manager at a hotel in a major chain. "Posing for *SCORE* was just something I did for fun and to get some money for college." Was? Are Mariah's *SCORE* days over? "Maybe," she said. "Although I never mind when guys beg."

Just look at Mariah. Look at how big and full and fluffy her tits are. There's no doubt that if she wanted to, she could've been a major star. All it would've taken was a video here, a video there, maybe a boy-girl. But that's not what she's all about. "I love to model. I really do," she said. "I love being in front of the camera, and I love the thought of all you guys fantasizing about me. But this part of my life is different from the other parts of my life, and I know better than to mix business with pleasure. If posing ever became a job, I would've stopped a long time ago, so maybe it's time to stop before it becomes a job." Mariah paused and smiled. "I learned a long time ago that being busty can get a girl as far as she wants to go. I know I got my job at the hotel because the manager liked my chest. He couldn't stop staring. I know that when a male guest is upset, I can calm him down just by jutting out my chest. I have a gift. And I'm glad I shared it with all you guys."

her tit and says, "Lick it." I say, "Mrs. Raven, what are you doing? What if the Dean of Students comes in?" and she says, "Don't worry. I'll take care of him. Now pull your pants down."

We do three or four minutes of several position. Sometimes this company has the "teachers" wear glasses and I'll cum on their glasses, but Raven isn't wearing glasses, so the cum shot is on her face. I sit on the edge of the desk, and she kneels in front of me and licks my balls until I cum.

We're in and out of there in less than two hours, and I'm home by eleven. When Raven leaves, I go right to bed.

THURSDAY

I wake up sore. I've been shooting for three straight days, and it's getting to me. Sex is tough on your back, especially when you're doing a lot of positions.

I'm shooting in L.A. today, and when I get there at 11:30, everybody's eating lunch. The girl I'm shooting with is pretty. Blonde hair. Blues eyes. Great body.

We start out with the stills. It helps if the girl helps you get wood, but this girl doesn't want to do anything. I ask her to help me get hard, and she says, "No, that's your job." She says it in a pissy way, like I should know that.

Now, it's not 100% her responsibility to get me hard, but you have to work as a team. The quicker I get it up, the quicker we can get through the shoot. So when we start shooting, I've got my dick inside this girl, but I feel like choking her. It's all acting, no emotion at all or connection.

At about three o'clock, we start the video, and again, it's all very mechanical. We're hardly even talking to each other. This girl fakes the whole thing, and when I cum, I'm thinking about somebody else. This girl's beautiful, but mentally, I can't stand being with her. I end the scene by cumming on her face.

I'm thankful when the day ends. This was one of those days when my job was hellish. Of course, I did get paid.

FRIDAY

Four days in a row is a tough grind, mentally and physically, so I'm glad to be off today. I'm not going to do anything too physical, and I'm definitely not going to have sex or jerk off. These

days, I don't jerk off often. If I'm not working, I'm resting and letting my dick recuperate.

You know, I've heard a lot of people say, "With Viagra and Cialis and all those drugs these days, can't any guy be a porn star?" The answer is no. If you're scared to death, it doesn't matter how many pills you take, all the blood's going to go up to your brain, not down to your cock. I've seen shoots where a guy is shooting with his girlfriend—it's their first shoot—and he'll take a bunch of Viagra, and it still doesn't help. To be successful in porn, a guy has to get past being hung up about having sex in front of other people.

Nonetheless, I use Viagra most of the time. It just makes everything easier. A shoot is stop and go, stop and go, and Viagra keeps me from having to be mentally turned on all the time. But I don't take much. The capsules come in 100-milligram pills, and 25-milligrams is the most I need.

SATURDAY

I get up at six o'clock, and at 7:20, I'm on a plane to Miami, Florida for a week of shoots at The SCORE Group. I'm tired, but when I look around, I see a bunch of men who would probably kill to have a job like mine. When my plane lands in Miami late that afternoon, I take a cab to my hotel, relax, get something to eat and get ready for what figures to be a busy week.

SUNDAY

Nothing unusual about today's shoot, just stills and a video with a pretty girl for *18eighteen* magazine, one of The SCORE Group's titles. What makes the day interesting is that at about five o'clock, a beautiful, exotic, busty woman and her husband show up at SCORE. Her name is Saholy, his name is Dave, and they'd flown in from Indonesia to see if she could model.

SCORE loves her, of course, and it just so happens that the girl who was supposed to shoot with me tomorrow afternoon cancelled for some reason. So, tomorrow, I'm going to get to fuck one of the most beautiful girls I've ever seen.

MONDAY

But before I get to Saholy, I have to get past my morning shoot. The girl I'm shooting with has a rank pussy, so bad that even the photographer notices.

Petra is attending a university in Prague, her hometown, but she says she doesn't know what she wants to do with her life. "I'd like to be a doctor," she said. "But I don't know if I want to go to school for so many more years, so maybe I'll be-come a nurse. I enjoy helping people, so I will do either one or the other." But, then again, there's this new career she recently discovered: showing off her big, natural tits to boob lovers everywhere. "I was very surprised when your photographer came up to me and asked if I would like to pose for your magazine," Petra said. "I was walking to class, struggling to carry my books. He came up to me and said, 'Here, I'll help you with those.'" Sly devil. Helping a damsel in distress is one of the oldest perv tricks in the book. "His eyes immediately went to my chest, even though I wasn't wearing anything too revealing," she added. "I was wearing a tight, black sweater, but it didn't show any of my cleavage. But I am always willing to try new things, so when he asked me if I would like to pose, I said yes. The next day, I was at his hotel room, posing for these pictures. And here I am!" And here she is, **SCORE** Men.

XXX ADVENTURES

Continued from page 67

These are the times when Viagra really comes in handy.

But Saholy's a whole different treat. We shoot pictures first, and although she doesn't speak much English, we definitely have sexual chemistry. Her not speaking English is kind of unusual, so I have to do a lot of pointing and moving and positioning her. And she doesn't have a lot of experience, just some nude modeling for her boyfriend.

The way the scene goes, she's a maid who's cleaning my place, and my wife is out of town, so we're having a communication problem. I end up fucking her in the ass while shaving her pussy.

That's a first for me. Of course, I'm not actually fucking her and shaving her at the same time. I'll fuck her a little bit, then shave her a little bit, then fuck her a little bit, then shave her a little bit, but I still have my dick in her ass while I'm shaving her. It's kinda cool.

And did I mention that the whole time we're doing this, her husband is sitting behind the cameraman watching? He's smiling the whole time, and when we stop, he and Saholy talk, although I don't know what they're talking about because they're not speaking English.

Is it weird fucking a guy's wife right in front of him? When I first started doing porn, it was very awkward to have a boyfriend or husband watching, but after a while, I got used to it. After all, if the guy didn't want his girl doing it, he wouldn't be there watching. So I don't have a problem. Usually the girl's the one who has a problem. They'll act differently. They won't let themselves go and have a good time. There's always a little voice in the back of their heads holding them back a bit.

But that's not the case with Saholy. She's totally uninhibited. She just enjoys sex. There are some girls who don't love sex, and you can tell they're doing it for the money, but other girls really enjoy what they're doing.

So, after a bad start, this turned out to be a very good day.

fuck the one and only Minka, the world's biggest-busted Asian.

Of course, I've heard of Minka, but before today, I'd never seen her. The people in the studio tell me she's very beautiful, and when I see her for the first time, I see that she *is* beautiful. But it's her tits that just stagger me. She's tiny and petite, but her tits are like balloons. I'm not a huge guy, and they're a lot to handle.

Today, we're shooting on-location at a motel in Miami. It's a sexy, exotic motel, the kind of place you might take your girlfriend or wife or secretary for a wild encounter, with all kinds of themed rooms. We're shooting in a room with a jungle atmosphere, and Minka is playing a big-boobed call girl. I'm her client.

But here's the thing: When you shoot a video in a studio, the atmosphere is very controlled, including the temperature. This motel is kind of old, and it has very loud air conditioners, and we have to turn them off when the video cameras are rolling or else that's all you'd hear on the video. Well, it's summer in Miami, and the room is like a sweatbox, so we're sweating up a storm.

Still, I'd rather be hot than cold, especially when I'm having sex, and the scene with Minka is a lot of fun. I try to not say too much and let her talk, because obviously when a guy's watching porn, he wants to hear the girl talk. But Minka isn't a big talker. She says lines here and there like, "Fuck my power pussy," and "Me love you long time," and it's funny, but I have to resist the temptation to laugh.

The scene itself goes pretty smoothly. I think she had a good time with it. It's mostly about her breasts, so everything is geared toward her tits. I fuck her tits and play with them, and I always have to position myself so the viewer can see Minka's tits.

So, what's it like to fuck Minka? Very nice. She has a small pussy, very tight, and her lips are very small and very smooth. And it's very obvious that she likes to fuck, which always makes a scene a lot more fun. Fucking a girl like Minka is something I know I'll never forget. I definitely can't complain about her pussy.

Actually, I can't complain about anything. I definitely can't complain about my job. The week has just begun, and I've already fucked two busty women. Life is beautiful.

WE'D SWING FROM TREES FOR DAWN STONE!

Here's one of SCORE's all-time greats like we've never seen her before. We've seen her with her legs behind her head. We've seen her with a guy. We've seen her with other SCORE girls. But we've never seen the exotic side of this short 'n' stacked Southern girl we'll never get tired of.

You Tarzan. She Dawn. So, how deep into the jungle would you venture for a chick like Dawn? How many obstacles would you overcome—how much brush would you slash and how many encounters with poisonous snakes would you risk—for one hour with 4'11", 126 pounds, E-cup tits? "Doing this shoot was so much fun cause I got to be someone I usually don't get to be," Dawn said. "I mean, usually I'm smiling for the camera and looking like the girl next door, but this time I got to be a sexy, sultry jungle woman who's kinda saying, 'Come and get me!' Oh, sure, I can definitely be like that in my private life. I'm not always the cuddly romantic girl that most guys think I am. Sometimes I just like to jump on a guy, rip his pants off and fuck him." My, goodness, have we ever heard Dawn talk like that? Did the jungle bring out the beast in Dawn? And don't we love it? "Only a lucky few have ever gotten to see the wild side of me," she said. "But it's there. You just gotta find it."

TROPHY TITS

Continued from page 58

"Have you ever been fucked in the ass before?" I said.

Her eyes widened. "No, but I've always wanted to try."

I laughed and pulled my cock out of her pussy, then I lowered it to her tiny, puckered, pink asshole as she spread her legs even further. I was already nice and greasy, but I knew it was going to be a tight fit. I spit on my hand and worked two fingers into her butt while I used my other hand to rub her clitty. She groaned and wiggled her ass around my fingers.

"That feels good," she panted, rubbing her tits again. I slipped a third finger into her ass. She gasped. "That feels even better."

Playing with her tight ass made me hot, but it also gave me a little break before I fucked her again. I knew it was dangerous—the old guy could always come downstairs and discover us—but I couldn't help myself. This was a dream come true, and I was going to fuck her for as long as I could get away with it.

"I think my ass is ready for your cock now," she panted.

I agreed, so I brought the head of my cock back to her asshole. She covered her mouth and braced herself as I pushed in. Her ass was tight and hot. My dick was slippery from her pussy, and it felt incredible as I pushed inch after inch of it into her butt.

"Go slow, baby," she begged. "You're so fucking big, I can feel your big cock splitting my ass in half."

I kept playing with her pussy as I slowly worked my cock in and out of her asshole. Soon, she was screaming and cumming again and looking up at me with wide eyes and an ecstatic grin.

"God, that feels so good," she said.

I knew I had her right where I wanted her, so I pulled my cock out of her ass, placed it on her chest and tit-fucked her for a half-dozen strokes or so. Then I stuck my cock back into her asshole and fucked her hard. She was making so much noise, I was sure she'd wake her husband, but I didn't care. I pounded her ass, then stuffed my cock back between her tits, then put it back in her ass. It slid in without resistance. I gave her a few hard strokes, then returned my greasy cock to her tits, then again to her ass.

"Fuck me," she begged. "Ohmigod, it feels like you're fucking my whole body at once. Fuck my ass hard!"

I pushed my cock all the way up her butt and gave her the hardest fuck yet. She howled in pleasure and came so hard, her pussy squirted all over me. Meanwhile, I grabbed onto her tits and gave them a hard squeeze as I shot my load inside her.

She tipped her head back, barely able to stay conscious. "Ohmigod, that was so fucking good." She held me close for a moment, gasping for air. "That was the best fuck I've ever had." Then she giggled. "What's your name?"

"Brett," I answered, exhausted.

"I'm Ashley," she said. "Wanna go up to my bedroom and fuck some more?"

I thought she was joking, but then I saw a glint in her eye, and I realized she was serious. This was one bad girl.

"Come on," she said, gently stroking my cock, still covered in her ass juices. "I'll do whatever you want. Just don't leave. I'm such a horny little bitch today. I need to be fucked all day."

She nestled my body. I felt her tits pressing against my chest. My excitement returned, and I knew in no time I'd be rock-hard again. I bit my lip, trying to think straight.

"But your husband..."

"He sleeps in a separate bedroom," she whispered. "Way down on the other side of the mansion. He won't hear us. I bring my friends over to fuck all the time, and he's never caught me." She pressed closer. "Please?"

I knew I couldn't resist. I tugged my jeans up and followed her. Still naked, she walked into the house, then up a set of stairs to her bedroom. It was huge and extravagant, and I could tell her husband was giving his big-titted nymph everything she wanted... except a satisfying lay.

"I want to try something different," she said. She went over to her nightstand and picked up a large bottle of lubricant. Then she moved over to her nightstand and took out a dildo, one of the biggest I've ever seen, at least 12 inches long, purple and as thick as a beer can. She cast me a wicked look as she began rubbing lube all over it.

"This is what I do after my husband's done with me," she said. "I always feel so dirty. I want you to watch me, then fuck my ass again. Will you do that?"

I nodded, then I watched her slowly lower her wet pussy over the giant

dildo. I'd never seen anything like it. She made little yelps of pleasure as she moved the dildo in and out of her pussy, furiously squeezing one of her huge jugs with one hand as she held onto the dildo with the other. She grinned when I lowered my jeans and took out my stiffening cock. She fucked herself even harder and lifted her tit so she could gently bite her nipple.

It was then that I saw an instant camera sitting on her dresser. I went over and picked it up and saw a stack of photographs of her fucking other men and women. I turned on the camera and pointed it at her.

"Yeah, take my picture," she said, fucking the dildo even harder, rubbing and slapping her huge tits.

I took a few pictures and stuffed them in my pocket so I could enjoy them later. Then I went over to join her. She slowed down a little, arching her back. Her ass was facing the bed. I knelt on her sheets with my dick in my hand, facing the little pink rosebud of her asshole. She put some lube on her hand, reached back and stroked me until I was nice and greasy again. Then she leaned forward as far as she could. The dildo was still in her pussy, and she wanted me in her ass.

"Go slow," she whispered, trembling in anticipation.

Her ass was even tighter than before, but I managed to work my cock inside and give her butt a long, slow fuck as she wiggled her pussy on dildo. I reached around her body and grabbed handfuls of her big, soft tits and rubbed them, feeling dizzy as the feel of her jugs and her hot, tight ass got me even more excited.

"Let's move to the bed," she said.

I eased my cock out of her ass and laid down on her sheets. She joined me and immediately settled her wet pussy onto my rod. Then she started bouncing again. She knew just how to ride a guy. She wiggled and writhed her pussy around my shaft, leaning close enough for me to nibble on her tits. Then I felt something even more wonderful. I realized she'd slipped a couple of fingers into her ass and was rubbing my cock through her asswall as it pounded her pussy. I groaned, and she leaned forward and wrapped her tits around my face. She bounced a little more, then straightened.

"I want you to cum in my mouth this time," she said, panting.

A large photograph of a woman with dark, curly hair, wearing a pearl necklace and large earrings. She is topless, showing her large breasts. The background is dark. In the top left corner, there is a red devil-horned 'A' logo with 'BUSTY' in white and 'Angelique.com' in red. A blue circular badge with yellow text says 'NEW! CLICK HERE NOW'. At the bottom, there is a red banner with yellow text that reads 'FROM R-RATED AND BEYOND BustyAngelique.com has the video action you want!' and a white button with black text that says 'CLICK HERE NOW'.

I nodded, barely hanging on. She got off me and laid down, flopping one huge tit on either side of my shaft. Then she slowly worked her tits up and down, flicking the head of my cock with her tongue. She pressed her face all the way down to my balls, and I bucked my hips and and shot my load down her throat. She kept her mouth around my shaft, sucking and licking until I felt like I was cumming again. She licked and sucked like she couldn't get enough, then looked up, blushing.

"I don't know why, but I've always loved how men taste," she said, wiping the corner of her mouth. "Can I have some more?"

She kept on sucking my cock, even though I was spent and couldn't imagine getting it up again within the next two hours. A little bit of my cum was on her lips, and it dripped down to her tits. She rubbed it in, obviously enjoying the idea of rubbing some strange guy's cum into her tits. Like I said, this was one dirty girl, and I was beginning to think that maybe I could get it up again, maybe sooner than I thought.

But just as I was thinking that, I heard her husband's voice from the other end of the house: "Ashley! Where are you? Ashley!" Fuck!

She cursed, got up and grabbed her nightgown. Reluctantly, I got up and got dressed, too, as I watched her wrap her nightgown around her big melons. I wanted to fuck her again, but I knew there was no time. I sure was glad I had those pictures in my pocket.

"Go down the staircase to the right," she said. "I'll distract him, then you can get your tools and slip out the backdoor." She kissed me on the cheek. "Thanks for a great time."

I laughed. "You too." I winked. "Call me if you need any more work done."

She winked back. "Oh, I'm sure I will. How's next Saturday sound?"

"Perfect," I answered. We heard her husband's voice again.

"He'll be out of town that day," she whispered, pushing me towards the bedroom door. "I'll call you. And do you mind if I invite a few girlfriends?" She batted her eyelashes innocently.

"Not at all," I said.

She kissed me again, then went to distract her husband while I went downstairs, gathered my tools and left. On the way out to the truck, I told myself that next Saturday, I'd have to bring my video camera, too.

ful thing.—P.W., email address withheld

Dear P.W.: There are two ways potential models can contact us. By standard mail: include a minimum of four photographs along with the model's name, age, address and contact information. The shots should include three fully nude body shots (head to toe front, side and back). The fourth photo should be nude from the waist up looking at the camera. Most people send in Polaroids. Address them to: Director of Photography, The SCORE Group, 1629 N.W. 84th Avenue, Miami, Florida 33126 USA. For email submissions: four jpeg photos, shot in the same way as above, and contact information, can be emailed to model@score-group.com.

TIT-FUCKING? STRANGE? NEVER!

Dear SCORE,

Can you do a 10-page layout or section with nothing more than shots of active and past models such as Tiffany Towers, Lisa Lipps, Mia Miluv, Minka, Letha Weapons, Elizabeth Starr and others being tit-fucked?

You might find this strange, but ever since I was young, I've had a fantasy about fucking big boobs. I was a military dependent in Germany, and in a magazine called *Busen*, all the ladies featured were extremely beautiful and had eye-popping figures, and all the layouts featured these girls getting fucked between their tits until the guys would explode on their faces and tits. This became more than a fetish, and it is my favorite kind of XXX scene.

Please give it some consideration. —D.R., Rowland Heights, California

Dear D.R.: We love big tits. Why would we find it strange that you'd love tit-fucking? We love tit-fucking, too. In fact, every time we see a chick out in public showing her cleavage, we think, "Does she realize that to us, she might as well be showing her pussy or asshole?" To a tit-guy, cleavage is the same as exposed pussy. Even better. And, yes, we will consider your idea for a future tit-fucking pictorial.

Clash of the Super - Naturals

IT'S KELLY KAY AND LINSEY DAWN, TOGETHER FOR THE FIRST TIME!

For two decades, Linsey Dawn McKenzie has been the standard by which all naturally big-titted models have been judged. How often have you said about a model, "She's great, but she's no Linsey"? Now Kelly Kay is the latest challenger to Linsey's throne. She's great. But is she LDM's equal?

It's kind of strange how we guys make a competition out of everything. Why can't we just love Linsey and Kelly as individuals? Why do we have to compare them? Well, because we just *have* to. We *want* to. But give us credit. We originally invited Linsey and Kelly to our studio in London, England for a simple comparison shoot. And, seriously, we didn't think Kelly, a shy 19-year-old who didn't even take her panties off when she debuted in the Oct. '04 issue, would do anything else. But the connection between these British super-titters was immediate and electric. They became absolutely fascinated with each other's assets.

Linsey's appeal and sexuality have passed the test of time, as have her amazingly firm breasts. Linsey has done two hardcore DVDs, including the best-selling *Maximum Insertion* (available on page 18). So far, Kelly's only videos are on her website, BustyKellyKay.com. And Linsey is world famous, while Kelly is a budding star. But, next month, in the June '05 issue of *SCORE*, Kelly might very well receive her first accolade: *SCORE* Newcomer of the Year. And in July '05, Linsey might win her first *SCORE* Model of the Year. Then, the real Linsey Dawn vs. Kelly Kay debate can finally begin.

TAYLOR WANE XTRA 1 CHRISTINE ALLURE XTRA 10

TAYLOR WANE HEAD NURSE

SHE'LL USE HER MOUTH TO CURE WHAT AILS YOU. AND HER TITS. AND HER PUSSY.

You're sick. Really sick. Your head is pounding, your stomach feels like it's about to blow, but worst of all, you've had a raging hard-on for the past week, and it just won't go away. And when that blonde, big-titted nurse walked into your private room, your cock got even harder...if that was possible. Her nipples are popping out of her top. Her pussy is exposed. You need help.

Nurse Taylor doesn't believe in traditional medicine. She doesn't believe in holistic medicine. She believes in hole-istic medicine...as in she'll use any hole on her body to make you feel better. Mouth. Pussy. She gets you going by vacuum-sucking your dick, and before you know it, you're out of bed and fucking her hard. Your temperature's rising...but you're feeling better already. And as you're drilling her pussy, she purrs, "I'm not really a nurse."

TAYLOR WANE

BIRTHDAY: August 27, 1968 **HEIGHT:** 5'3" **WEIGHT:** 106 lbs.

MEASUREMENTS: 40-23-32 **BRA SIZE:** 36DD **BORN & RAISED:** England **LIVES:** Los Angeles, California

WEBSITE AND FAN CLUB: www.TaylorWane.com **PREVIOUS SCORE APPEARANCE:** December '99

OCCUPATION: Adult video actress and dancer **FETISH:** "I love to fuck men and women with strap-on dildos!"

Indeed, Taylor isn't a nurse. She's a porn star, a veteran of hundreds of fuck films, including her newest video, *Virtual Sex With Nurse Taylor Wane*, an interactive fuckathon in which you're in control. And this isn't her first **SCORE** appearance. She went solo in the Dec. '99 issue and stripped out of a nurse's outfit then, too. Because Taylor knows that big tits can heal what no doctor can.

CHRISTINE ALLURE PERSONAL BEST

THIS BIG-TIT GROUPIE LIKES HOW SHE LOOKS WHEN SHE'S FUCKING. AND SO DO WE!

This is Christine Allure's fifth appearance in *SCORE*. She made a rare hardcore debut in the April '03 issue and joined with Chantz Fortune to double-team a lucky guy in the October '04 issue. So this is her third time doing the nasty in the world's greatest big-bust mag. "I think I look best with a cock in my mouth," she said, laughing. "I really do!"

VIDEO: *SCORE Xtra #11* (XXX-Rated, available on VHS and DVD on page 20 of this issue)

Christine, a long-time fan of big-titted babes, realized her dream when she debuted in the April '03 issue. She told us she couldn't stop looking at the centerfold picture of her getting piledrive-fucked while she caressed her big tits. She kept showing it to all of her friends. Now she's realizing another dream by appearing in her first *SCORE* video: *SCORE Xtra #11* (available on page 20 of the main mag). In it, Christine sucks and fucks and does all the things you see her doing here. Because she's a nasty girl. And she's proud of it.
