MODEL OF THE YEAR: WILL LINSEY FINALLY BE THE ONE?

Dear SCORE,

Year after year, Linsey Dawn McKenzie is overlooked for SCORE Model of the Year, but she will always get my vote. She is the hottest, sexiest and, of course, nastiest slim-n-stacked big-boobed model that has ever graced SCORE. "46-26-36" is the benchmark by which all big-boobed models should be measured against.—S.H., via email

Dear S.H.: You're not the only one who thinks Linsey deserves to win Model of the Year for the first time. A lot of your fellow readers agree. Read on.

LDM: MOST LOYAL MODEL

Dear SCORE,

I'm one of the people who keeps voting for other models for Model of the Year. Maybe we've become so used to having Linsey around, we take her for granted. But I think it's time to correct that mistake, simply because it would be terrible if she never won the award, especially considering how loyal she has been to her fans.—A.R., via email

LDM: THE ANTI-BUSH CANDIDATE

Dear SCORE,

Linsey Dawn for Model of the Year! She's been with SCORE for years, and yet she has never been honored with a major title. She never fails to deliver wood. And she keeps herself nice and trimmed downstairs. As a true-blue John Kerry Democrat, I support any girl who stands for no more Bush.—J.K., Minneapolis, Minnesota

LDM: A MAN'S DYING WISH

Dear SCORE,

If I were on death row and it came time for my last wish, I'd tell them to bring me Linsey, and they could watch her kiss, lick, suck, tit-fuck, pussy-fuck

and ass-fuck me to death. If she doesn't win, I'll quit buying SCORE...unless she's in it.—B.B., Clearwater, Florida

LDM: MOST INCREDIBLE BODY

Dear SCORE,

It is a travesty that Linsey has never been recognized for having the most incredible body on the planet. It is time for her to receive her crown.—T.C., St. Louis, Missouri

LDM: HARDEST WORKER

Dear SCORE,

Linsey never quite makes it despite being the most hard-working model

on the Internet. Her output at LinseysWorld.com is prodigious. No other model churns out 70-plus new photos every week and then gives her fans a monthly video as well.

This year has to be her year, and that is why I vote for her as SCORE Model of the Year.—D., via email

Dear D.: Okay, we know, you're just dying to find out if Linsey will win. Well, we've just started counting the ballots, and with about 30% counted, Linsey has a slight lead over Nicole Peters, Ines Cudna, Shar-day, SaRenna Lee and Crystal Gunns. We'll announce the results in the July '05 issue of SCORE, on-sale April 26.

Most SCORE readers agree that Linsey Dawn McKenzie is the greatest naturally big-busted model ever. So why hasn't she ever won SCORE Model of the Year? And will that change when we announce the 2004 winner in the July '05 issue?

WILL NICOLE BE LDM'S SPOILER?

Dear SCORE,

My vote for Model of the Year goes to the one and only Nicole Peters. As many times as she appeared in SCORE in 2004—and I doubt that any model has ever been in more times in one calendar year—Nicole just kept looking better and better, and I never got tired of seeing her. In fact, the one issue she wasn't in was a big disappointment because I was expecting her to be in every issue.

It's a shame that Linsey Dawn McKenzie has never won Model of the Year, because now that Nicole's around, she probably never will.—R.T., Birmingham, England

OR WILL INES CUDNA BE NO. 1?

Dear SCORE,

There are models and then there are truly special goddesses, and the latter is exactly what Ines Cudna is. Ines has become a major part of the reason I live and breathe. Sometimes I think the only reason I'm alive is simply to feel my 10 inches of cockmeat thrusting up and down between her cleavage.

The title that you gave to Ines in the January '05 issue, "Perfect Polish Princess," fits her to a T and then some.

Every single inch of her gorgeous, mouthwatering body is true perfection. The Model of the Year contest should not only be about who has the biggest tits. It should also be about the person as a whole. If I had to use three words to describe Ines' all-around beauty, they would be "fantastic," "awesome" and "spectacular." And from the neck up, she is even better. Her sky-blue eyes are so hypnotic that sometimes when I'm jacking off to her pictures, I fall into a trance just from looking at them.

Ines is my choice for Model of the Year, and I'm hoping and praying for her to win because in my book, there's no one who compares to her.—K.R., Brooklyn, New York

MAYBE CRYSTAL WILL GUNN-DOWN THE COMPETITION

Dear SCORE,

My pick for 2004 SCORE Model of the Year is Crystal Gunns. She's drop-dead gorgeous, she has sexy curves, a nice smile, long, beautiful, smooth hair, luscious lips, pretty eyes, a beautiful ass, and smooth legs. And, finally, she has beautiful, juicy, luscious tits. I think of her as the big, busty, sexy girl-next-door.—V.L., Brooklyn, New York

BETTER LATE THAN NEVER

Dear SCORE,

In all my 68 years on this great planet Earth, I have never seen so many sexy, huge, suckable boobs as are packed in one issue of your fantastic magazine. I bought my first issue of SCORE a month ago and just bought the January '05 issue a day ago and will continue buying SCORE until I reach the age of 168. I have fallen in love with all of your gorgeous, sexy, huge-mounded women, especially Sharday. -D.M., Vero Beach, Florida

CAN'T WE ALL JUST GET ALONG?

Dear SCORE,

Great issue and debut of Summer Sinn and Penny Porsche (Feb. '05). But what caught my eye was a letter in "Scorecard." The guy who called Brandy Dean a race traitor. Does he know what a traitor is or means?

Brandy Dean is not a traitor but a beautiful woman and human being. True, everybody has the right to like what they want, but I feel sorry for that ignorant and scared man. Fear makes a person weak and close-minded. If he would actually learn about another person's culture and stop making quick judgments, then he would be a better man. Getting to know another person's culture makes us better people.

Anyway, you are right: Every SCORE Girl, no matter her culture or race, deserves respect. Of course, SCORE truly does give these women respect. And I respect you all, from John Fox to the crew in shipping and receiving. -C.Y., via email

Brandy Dean definitely deserves R-E-S-P-E-C-T.

Julian Spencer (Feb. '05) sent one reader into a jacking frenzy.

SCORE: NO COMPETITION

Dear **SCORE**,

The January '05 issue has to be the best of the best you've published. This issue is a keeper. The models are terrific. I couldn't stop jacking off.

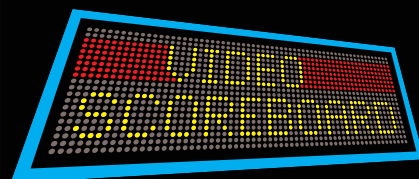

Having the Model of the Year, Newcomer of the Year and Hall of Fame women in one issue was well worth the cover price. How can the competitors stay in business against issues like this?

But somebody screwed up. Pages 14 and 21 mentioned that three women would be inducted into the Hall of Fame, yet the ballot said, "Please select only one."

Julian Spencer's return was enough to keep me busy working myself into nut-bursting blasts that nearly caused me to pass out. Her dildo insertion with "pancake" tits got me so hot, I had to blast some more. Bring Julian back. —M.J., New York, New York

Dear M.J.: Thanks for pointing out the apparent mistake in the Hall of Fame ballot. Actually, it wasn't a mistake. We wanted you to vote for only one nominee; then we would announce the top three vote-getters. This year's first inductee, L.A. Bust, gets the honors starting on page 60 of this issue. Who will be 2005's second and third inductees? Find out in the July '05 and August '05 issues of **SCORE**.

HE'S GOTTA HAVE IT!

Dear SCORE,

You guys are off to a great start for 2005 with the February issue. It may have raised the bar for the rest of the year. I love Summer Sinn. This is the first I've heard of her. I'd love to see her in person, but since January of 2004, when Flashdancers stopped having features, the number of features appearing in New York City has dropped by two-thirds. I wish Bettie Ballhaus was a feature. She's a super hottie.

Chantz Fortune has never looked better, although I'm getting tired of gals wanting to ram a dildo up our asses. Slipping a finger up there is bad enough. I agree with Chaz that her pictorial in this issue was the best photos ever taken of her. Love those curves.

You guys have been driving me crazy with the photos from the *Maximum Insertion* DVD. I usually wait for the price of DVDs to go down before I pick them up, but I think I'm going to have to pay retail for the sight of Linsey and Veronika double-teaming some lucky schmuck.—D.W., via email

NEWCOMER OF THE YEAR CONTEST: NARROW THE FIELD

Dear SCORE,

I have one suggestion for next year's awards: In the Newcomer of the Year contest, please go back to the old system and narrow the list of candidates to 10 or 12 contestants instead of including every single model that made her SCORE debut in that year. Surely, there must be only that many that have received more positive reaction than some of the other models.

The Model of the Year contest was a really hard choice. Certainly, Linsey is very deserving of the award. Ines Cudna, Nicole Peters, Danni Ashe, SaRenna Lee and Julia Miles would all make very worthy champions. But, in the end, Crystal Gunns is the one who does it for me. Her combination of sexy body and great beauty is just unbeatable.—D.N., Burkeville, Virginia

In the beginning, there were 38 big-busted women vying for *SCORE*'s oldest and most prestigious title: Newcomer of the Year. The votes started pouring in last November, and when the ballot box closed, a record 18,129 readers had made their opinions known. The ladies on these pages are the best of the best, the top 10 finishers. They are the ladies who made 2004 special. They are the future of big boobs.

HARMONY SWEET "Doing hardcore [in *SCORE Xtra* #10] put her over the top for me," L.R. from Orlando, Florida said of this E-copper from Illinois, who was called "The Next Great Natural" when she debuted in the Jan. '04 issue.

2004 was a great year for naturals, and Luma, a Brazilian F-cupper, made it more memorable when she debuted in Oct. '04. "Startling," raved A.R. from York, England.

"Carmen has the grace and look of a lady who's Newcomer of the Year," said D.Z. from Mankato, Minnesota. She also has the desire. Wrote B.B. from Clearwater, Florida, "Black is beautiful and sweet and hot and sexy and nasty, and need I say more?" Readers were also impressed by Carmen's flexibility, as exhibited in this photo.

Newcomer with the biggest tits of 2004? No doubt it's super-stacked Keisha Evans, the secretary from Missouri who astonished readers when she unveiled her T-cups in the July '04 issue. Her exact measurements: an astounding 50-29-42. "Keisha Evans will have her place up there with the great mega-titters of all time," wrote G.T via the Internet. Added M.V. from Seaford, New York, "For me, it's all about the size of the tits. Nothing else matters, although Keisha looks very approachable, which I like, too." Keisha is a mega-buster in the *SCORE* tradition of Minka, Kayla Kleeavage, Maxi Mounds, etc. A true star.

NEWCOMER
OF THE YEAR 2004

The UK has given us Linsey Dawn McKenzie. And Lorna Morgan. And Kerry Marie. Last year, it gave us Newcomer of the Year Nicole Peters. And in 2004, the country that has done so much for big, natural tits gave us Kelly Kay, a fresh-faced teenager who still lives at home with her mother and goes to school. With 2,717 votes, Kelly is our 2004 Newcomer of the Year.

The voters raved! "Move over, LDM. We have a new winner for best rack on the planet. Unbelievable," said B.S. from New York City. D.K. from Baltimore, Maryland had a tough time choosing between Kelly Kay and Kellie Garnett but decided upon K.K. because "she has the girl-next-door face and perfect ass to go along with her amazing real tits. What a combination!" S.H., voting via email, had no doubt that Kelly was his girl: "SCORE needs to schedule Kelly Kay for as many photo layouts as possible because too much of her will still not be enough. She is the prettiest and the hottest newcomer to come along in a while. Please get her on video ASAP." Good news! Kelly's video debut in *Bosom Buddies #6* will be released next issue. Plus, you can see lots more of Kelly at her new website, BustyKellyKay.com. And another SCORE legend is born.

BOOB BEAT

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

ALL IN THE FAMILY?

ARE BIG BOOBS A GENETIC ROLL OF THE DICE?

Kerry Marie owns a pair of the greatest titties in the world, so when we spoke to her recently, we asked her that ancient question, "Are there any more like you at home?"

We're afraid not, boob brothers. Here's what incredible Kerry says about her siblings, whom we imagined as being Kerry look-alikes: "My sister is an A-cup. She's tiny. She has a tiny waist as well, so she's small all over. My other sister's a C-cup. Sometimes my sisters can get a little angry with me. Like it's my fault that I have big boobs. I might be a GG-cup right now. I need to get measured. My breasts just keep on growing, and they now have a tendency to pop out of a G-cup bra. I'm always such a pain when I go shopping for bras, so they just put me in anything to get rid of me."

According to one researcher, sisters may share many genes, but unless they are identical twins, breast sizes may vary by a large range of cups and sizes. One sister could be busty while the other sister is much smaller.

So boobs don't always run in the family gene pool. And Kerry is just one of a kind anyway, isn't she? Her latest DVD, *Busty Kerry Marie Volume 2*, is a new release in SCORE's eBoobStore.com. The chapters include "Maid To Order," "F-Cup Dominatrix," "Is Bigger Better? Kerry & Missy," and "The Bride Busts Out." Boob Beat says check it out. You'll never regret it.

BOOBLIFTER ON THE LOOSE

A 28-year-old Norwegian woman who starred in a Swedish reality-TV series called *Plastic Clinic* has disappeared after having an operation to lift and enlarge her breasts.

"It is crystal clear that she has tried to avoid paying for her breasts," said Jennifer McShane of Sweden's Channel 5.

The first episode of the series, made by the production company Strix, is the story of a 28-year-old Norwegian woman looking to maximize her breasts. Strix pays participants for taking part in the show, but the subjects must pay for the operations themselves. The breast job cost 49,000 Swedish Kronors (approximately \$7,000 U.S.). The Plastic Surgery Center in Malmo agreed to an installment plan for the payments and performed the operation, then the woman bounced away.

"She took her breasts and left," plastic surgeon Carl Troilius said.

Neither Channel 5 nor Strix have been able to locate the woman, but their TV footage, which will be aired on Swedish TV, may be used as evidence against her if the case ever goes to trial.

Julia Miles always reminds us of Ulla, the hot secretary in the movie and play *The Producers*, and Julia's nutbusting hardcore session in *Ultimate Julia Miles* is a nod to one of the sexiest scenes in movie history.

In an extremely rare hardcore scene, Hannah Callow learns all about the craft of video editing in *SCORE Xtra #8*. She also sucks cock to the hilt and has ass-in-the-air sex. The flick also stars Kelly Madison, Kayla Kleevage and Alexis Amore.

From the vaults, Busty BriAnna (remember her?) gets her super-sized tits out and spreads her pussy in a top-secret laboratory that has computers as big as refrigerators. DOWN MAMMARY LANE WITH TOPPSY CURVEY

The date: Sunday, July 28, 1991.

The place: Yankee Stadium, The Bronx, New York.

The teams: The New York Yankees and the California Angels.

The attendance: 36,302, plus one flashy, brassy blonde with huge tits, clad in shorts and wearing a bulky jacket over a white T-shirt. Her name is Topsy Curvey, and she's waiting patiently to make her move.

Top of the second inning. Angels on first and second base. Yankee rookie Scott Kamienicki is pitching. Topsy bolts from her seat and dashes down the aisle, onto the field and to the mound to kiss Kamienicki on the cheek. The crowd goes fucking ape. Seconds later, Topsy is taken away by two security guards, and later she gets a summons for trespassing.

"I never saw a baseball player blush like that," Topsy says later as she stands outside the stadium signing autographs. "That made my day."

A Greek-American by ancestry and billed as measuring 97ZZZ-24-32 (and, at other times, 95FFF), Topsy, who is no longer modeling or dancing, dubbed herself "The Kissing Babe" and patterned her baseball hobby after Morganna, The Kissing Bandit, who smooched over 40 Major League Baseball players and a hundred other pro athletes as part of her long-running "Operation Morganna Kiss" publicity gimmick.

"I think any pitcher who gets kissed by me should consider himself lucky," Topsy once said in her strong Boston accent.

Kamienicki wasn't so lucky. His next pitch was ripped for a double. The Yanks would go on to lose, 8-4. "The kiss of death," is what *New York Post* columnist Steve Serby called it.

What drew Topsy to lip-locking pitchers? "They're close to get to, number one," she said. A day prior to nailing Kamienicki, she had descended on Roger Clemens of the Boston Red Sox at Fenway Park. But Topsy didn't feel guilty about interrupting the ball players.

"Like myself, he [Kamienicki] is a professional in the limelight, and he can handle that or he wouldn't be where he is," she said.

Baseball manager Stump Merrill, who knew Morganna and did a commercial with her in

Columbus, Ohio, had his say on the wacky strippers-running-onto-the-field gimmick. He didn't think it was funny.

"She's somebody's daughter," Merrill said. "If she was mine, I'd kick her rear end.

That doesn't mean she's not a good kid. She had no business coming out onto the field. You want to

cause a scene, take your top down in Central Park, or go to a strip joint."

Topsy didn't always get her man. Once at Yankee Stadium, she tried to make a play for pitcher Mike Witt. After leaping over a six-foot wall in rightfield and dashing towards Witt, she was tackled hard by two security guards between the mound and homeplate.

Five weeks later in San Diego, California, San Diego Padres pitcher Greg Harris was pitching to Mike Piazza, then of the Dodgers, when a bouncing figure appeared like a human heat-seeking missile over the railing next to first base. It was Curvey, striking again. Topsy got her man on the mound before the ever-ready security forces took her away. Piazza singled on Harris' next pitch to score a run.

"I guess she knows the best time for a sneak attack," observed first baseman Fred McGriff. The Dodgers won, 2-1.

Topsy hung up her super bras not long after her final official pictorial appeared in the April 1996 issue of *SCORE*. In that photo set, the stacked body and huge tits were the same, but the flashy, blonde stripper hair was a light auburn. The new hair coloring gave Topsy a very different, softer look. She'd wound down her traveling from city to city and was dancing only at clubs in Massachusetts.

Throughout her career, Topsy's primary photographer was the John Graham Studio in the U.K., shooters of the United States' biggest busters during the 1990s. If a big-boobed feature dancer was shot by the Graham crew, they had made it into the major leagues. It was the seal of approval in the ultra-busted striptease world.

These days, Topsy's major-league implants are gone. She has a child named after her husband. Mega-boobed strippers have stopped running out onto baseball diamonds. And Topsy is in ecstasy because her beloved Red Sox have finally won the World Series after 86 fucking years.

"I'm studying for a certificate in screen," 19-year-old **SCORE** favorite Angela White tells us. "It involves filmmaking and editing, sound editing and lighting." Who knows? Maybe Angela will become a big-shot Australian film director one day.

Angela was back at **SCORE**, along with Cherry Brady, Brandy Talore and Annie Swanson, for a different kind of video called *Busty Ladies of Oil Wrestling*. Wait until you see this one. If you love oil wrestling, you'll go nuts. The girls wrapped up shooting just before Hurricane Frances readied to slam itself into the Florida coast. Fortunately, Angela and Brandy got to their jets and flew out safely just in time before Miami International Airport closed, Angela to Sidney and Brandy to Ohio. Cherry hunkered down at her Miami hotel for the weekend until the airport opened again and Annie, a Floridian, drove home and got her house hurricane-proofed before a less-welcome kind of blow job kicked off. Brandy and Angela also appear with Cherry in the XXX DVD *Ultimate Cherry*, one of the biggest and hottest breast-fests **SCORE** has ever produced.

STRIPPERGATE

The Canadian government has come under fire because one of its ministers was accused of giving preferential treatment to a Romanian stripper. As a result, the government is scrapping a program that hands out temporary work permits to foreign-born exotic dancers.

Human Resources Minister Joe Volpe said it was clear that not all Canadians supported the program, which in 2003 granted permits to about 660 foreign strippers to work in Canada. Of those, more than 80% were from Romania. Nude dancers went to Canada under one of several programs aimed at recruiting foreign workers with specialties sorely needed in Canada.

The Citizenship and Immigration Department granted the work permits because "exotic dancing is a legal occupation. The employers own legal businesses. But we are very vigilant to ensure they are bonafide dancers to avoid trafficking of individuals for prostitution."

Immigration Minister Judy Sgro has faced calls to resign over her decision to grant a temporary residency permit to Alina Balaican, a Romanian stripper who had worked on Sgro's election campaign in 2004. She had also extended Balaican's expired work permit.

The complaints began when newspapers reported that Sgro's top aide, Ihor Wons, had prowled a Toronto strip club to discuss work permits for nude dancers with the owner. Sgro said the aide was just doing good service. An opposition member of the Canadian Parliament said: "A drunken chief of staff handing out immigration passes in a strip club is a problem." Not to us!

Prostitution is not illegal in most of Canada, but soliciting for prostitution is. Sex in clubs could bring charges of running a "bawdy house."

Jack Layton, a member of Parliament and head of the New Democratic Party, said government involvement should be ended. "When you get money for helping to get young women to be available for the sexual desires of Canadian men, it's called pimping."

Okay, so you've been staring at this spread for the last hour, finally got around to reading the copy, and now you're wondering, *What the hell are "Tantric Tits?"* Well, Crisa, a math teacher back home in Romania, is into Tantra, and as she explains it, "In Tantra, the erotic art becomes sacred. Tantric arts, lyrics and rituals glorify the erotic act. They all use senses to reach the summit of mystical experience." Which means if you're going to satisfy this sexy, intelligent newcomer, you're gonna have to do more than just suck on her breasts. A lot more.

“My turn-on is men who are into Tantra,” said Crisa, who was discovered by a boob-loving reader. “My turn-off is men who cum too quickly. Unfortunately, many men who I have been with focus on their own needs and cum before I have a chance to experience pleasure.”

Clearly, any guy who just cums and runs with Crisa is making a huge mistake. Her body—her entire body, not just her tits—is meant to be appreciated. “Many men cannot get over the size of my chest, and they reach orgasm too quickly,” Crisa said. “But a man can get very excited about my breasts and not cum too quickly.” Really? How? “Tantra,” she said. “It increases a man’s performance. A man should also be fluent in the Kama Sutra. I like diversity, and if a man can teach me new things, I will teach him new things, too.” After all, like we said, Crisa is a teacher. “Life is exciting,” she said. “There are always new things to discover and experience. Like posing for a nudie mag!” And discovering the wonders of Crisa.

**KIANNA:
"I WANT
A FUNNY,
ROMANTIC
GUY...
WHO'S
GOOD AT
FUCKING!"**

She has big tits, and she loves having her ass sucked. But this star of over 100 porn films has her shy side, too.

**INTERVIEW BY ELLIOT JAMES
AND DAVE ROSENBAUM**

Kianna Dior is startling. Sitting at a table in the SCORE studio, eating lunch after fucking a porn stud earlier that morning, wearing tight, gray sweat pants, a white, belly-revealing T-shirt and no make-up, she is just as sexy in person as she is on camera. The sensuality she exudes in pictures is no put-on. She's sitting there, just eating a salad, and all you want to do is dive across the table and fuck her.

The thing is, she might not stop you if you did. Because although Kianna can be

shy and reserved, she's also the star of over a hundred raunchy hardcore videos. She has her nice side...and she has her naughty side. For example, one of her favorite fetishes is having her toes sucked and licked. Nice. And another one of her fetishes is having her asshole sucked and licked. Naughty. Her favorite type of guy is funny and romantic. Oh, and good at fucking, too.

Kianna was born in a small town just outside of Vancouver, British Columbia, and we're not going to tell you what year she was born because she wouldn't tell us. She's a lady, and revealing her age is just

something she doesn't do. Kianna got into exotic dancing in the late 1990s and made her porn debut in 1999. An instant sensation with her 5'5", 120-pound figure (topped with DD-cup tits), smooth skin and exotic looks, Kianna quickly gained a reputation as a porn star who was willing to do just about everything. And if you don't believe us, her sexual skills are on full display in the DVD/VHS HardSCORE #2 (available on page 114 of this issue).

Kianna appeared once before in SCORE, in a "Dancer Next Door" spread in the October 2000 issue, but this is her first full pictorial...and this interview was our first opportunity to speak one-on-one with one of the most beautiful porn stars in the world.

Yeah, we resisted the urge to dive across the table...although we don't know how.

SCORE: Hi, Kianna. Welcome to SCORE. We're thrilled to have you with us.

Kianna: Thanks. It's great to be here.

SCORE: First question: Do you consider yourself a sex star or a big-boob star?

Kianna: Sex star, because not only do I have big boobs, I'm half Chinese, so I don't feel like I'm just about boobs. I feel like there's a lot more to me than that, and, let's face it, there aren't a lot of Chinese porn stars.

SCORE: Are a lot of your fans into big boobs, or do you think most of them are into your looks overall?

Kianna: Well, I think my boobs have something to do with my appeal, definitely, but I think there's a little bit of both. I think most guys just like a hot chick. [Laughs] They're gonna like fucking a water bottle.

SCORE: Water bottles aren't hot!

Kianna: Guys are into anything. [Laughs] Am I wrong?

SCORE: No, you're not wrong. Now, you said you're half Chinese. What's your other half?

Kianna: Irish and Scottish.

SCORE: So you're half Chinese, half Irish and half Scottish. That's 150%.

Kianna: [Laughs] Well, a quarter Irish and a quarter Scottish.

SCORE: And you're Chinese on which side of your family?

Kianna: My mom's side. And I'm Scottish on my father's side. That's why I don't wear panties.

SCORE: Excuse me?

Kianna: [Laughs] You know, the kilt? I don't think the Scottish wear panties under their kilts. The only time I wear panties is when I'm shooting. Other

than that, never. They just get in the way, you know?

SCORE: In the way of what?

Kianna: [Laughs] Everything!

SCORE: Where are you from originally?

Kianna: I'm from a small town outside of Vancouver, Canada.

SCORE: And when did you move to the United States?

Kianna: About four or five years ago

when I started getting heavily into porn. There really isn't much of a porn industry in Canada.

SCORE: Oh, so you've been living in Canada for most of your life.

Kianna: That's right.

SCORE: Now, you got into porn through Shay Sights, who, by the way, has also been in *SCORE*. Is that right?

Kianna: Yes. I met Shay while I was

dancing in Alberta. We met at a strip club. Imagine that. [Laughs]

SCORE: So you started out as a dancer before you got into porn?

Kianna: Yes. I was stripping for about four years in Vancouver and Alberta. I never went to Toronto to dance, which is funny because I always thought Toronto was too raunchy. Can you believe that? I had some girlfriends

who went to Toronto, and they found condoms on the ground. I wasn't going to fuck guys in strip clubs to make money, so now I do it in films! [Laughs]

SCORE: Were you a feature dancer?

Kianna: Well, sort of. In Canada, it's a little bit different. I started as a regular girl, but I became a feature really quickly. What we do is we rotate. We have a circuit, so we just go around the circuit. You can stay at one club if they like you a lot, but basically, they keep you moving from club to club.

SCORE: Before you met Shay Sights, had you ever thought about getting into porn?

Kianna: No, not at all. Never even considered it. The only reason I started going to visit her was because I wanted to do magazines so I could get paid more for dancing. But I didn't end up doing many magazines. I did some solo work, but I went into doing girls right away. And I didn't even like girls at first, or so I thought, but suddenly I was like, "Oh, wow, I like girls!"

SCORE: And that's why you moved to the United States?

Kianna: That, plus I didn't really want to do porn in my own backyard, especially back then because I was still questioning myself. You know, "Should I do it?" and stuff like that. I mean, like I said, I'd never even thought about doing porn, although I knew I liked it. Watching it, I mean.

SCORE: Well, we'll definitely get to that later. Now, you said you weren't into girls until you started doing porn?

Kianna: No.

SCORE: And then you were into girls. That's kind of a good thing, no?

Kianna: Yeah, because at first I thought, "Oh, gross. Girls." [Laughs] But after the first time I was like, "Oh, that wasn't so bad." And now I really like it. I mean, I like to eat pussy, and I like when a girl eats my pussy. And I like to play with girls. They're soft and sexy.

SCORE: Was sex with girls good the first time?

Kianna: Hmmm-hmmm. [Laughs] I'm still doing it, so it must've been!

SCORE: Well, we know you're still doing it on video because there are some hot clips of you and Taylor St. Claire together and then doing a guy on Scoreland.com. But how about in your personal life? Still do girls?

Kianna: Sometimes. Most of the time in my personal life, I rest a lot. [Laughs] I get enough sex in my movies. And I

SCORE: Do you prefer girls or boys?

Kianna: I prefer cock, although I like having a girl in the mix once in a while.

SCORE: Where did you shoot your first porn film?

Kianna: Well, I actually did an Internet thing around here [in Miami]. It was a really long time ago. I was dancing down here and ended up doing an Internet thing.

SCORE: What was that first time having sex on camera like for you?

Kianna: It was weird. I thought, "Oh my God, there's no turning back now."

SCORE: Did you like it?

Kianna: Yeah, I did, although when you're not really sure if you should be doing something, you have to get over that. But I did, and I'm glad I did. I have a good life, and I love what I do.

SCORE: I'm just wondering, Kianna: Are you a shy girl? I know that's a funny question to ask a porn star, but you come across as shy.

Kianna: Oh, yeah. I think it's because I grew up in a tiny town. I think it was in the *Guinness Book of World Records* for having the most churches per capita.

SCORE: But now you go to AVN conventions and you meet the public, and you're right out there in front of everyone, revealing yourself.

Kianna: Oh, yeah. But I was going to AVN even before I made porno. One time I went to AVN, I was visiting Shay, and I just wanted to go there with my boyfriend, so I went to visit her at her booth. I was just wearing jeans and a T-shirt, no makeup, and they hired me because I had a hundred guys around me. They were like, "Do you wanna sign some autographs?" and I was like, "Wow! Sure! And for a hundred dollars an hour? Hell, yeah!" And before you knew it, I was all over the place.

SCORE: Well, like you said, there aren't a lot of Chinese girls in porn.

Kianna: I think there are a lot more now than when I first broke in, but not compared to all the other ethnicities.

SCORE: You said you come from a small town. How many people?

Kianna: Around 50,000 or 60,000 people, which doesn't sound little, but the town was very spread out.

SCORE: I don't know why I'm asking you this question, but I guess it goes along with the shy thing. By any

BEA
FLORA.**

Earlier in this issue, we announced that Kelly Kay was *SCORE*'s 2004 Newcomer of the Year. Well, in one year, we're going to name the winner of the 2005 Newcomer of the Year award, and it very well could be the babe you're staring at—the girl your tongue is hanging out of your mouth over—right now. Her name is Bea Flora, she's a 22-year-old from Poland (the country that gave us Ines Cudna), and we have no doubt she's the next great thing in boobs.

Girls like Bea may not be once-in-a-lifetime, but they don't come along too often. We're thinking that if she keeps on modeling, Bea could wind up in the same category of natural greatness as Linsey Dawn, Sharday, Nicole Peters, Lorna Morgan, Kerry Marie and Kelly Kay. The

photo on the facing page is a true classic. Save it. Boob shots just don't get any better.

Bea, whose only previous modeling experience was at Busty.pl, has been looking forward to her *SCORE* debut for a long time. "I am very excited to appear in the magazine and can't wait to see the pictures," she said. "I hope all the readers like them." *Hope? Like?* Bea, we guarantee that you're about to become an instant sensation. The thing is, though, Bea doesn't care about becoming famous. She's a down-to-earth girl who says she'd like nothing more than to find "a caring, loving man who looks after himself and would look after me. I don't need a rich man. The thing I want most in the world is love." Well, Bea, get ready for an outpouring of affection like you've never experienced. *SCORE* Men know greatness when we see it. We're looking at it.

L.A. BUST**

**SCORE'S FIRST COVERGIRL IS
ITS 7TH HALL OF FAMER**

Back in 1992, when *SCORE* was being conceived, founder John Fox knew that choosing the covergirl for the first issue was of vital importance. The success of that issue—and the future of the magazine—relied on the message conveyed by the cover. John wanted a woman with beauty, style, grace and big tits...a woman who epitomized what *SCORE* was all about. The woman he selected was L.A. Bust.

SCORE quickly became the best-selling big-tit magazine in the world, and that couldn't have happened if readers hadn't been drawn to its first covergirl. That's why it's appropriate—and deserving—that L.A. Bust is our seventh Big-Boob Hall of Famer, joining Traci Topps, Busty Dusty, Devon Daniels, Pandora Peaks, Tawny Peaks and Tiffany Towers.

nipple through the fabric. Was she really doing this?

"I like a guy who can appreciate my big titties," she said, reaching behind her neck before letting the flimsy halter fall, revealing her magnificent set in all their glory.

I tried not to gasp as she ran her fingers over one light-brown areola before reaching under her breast and hefting the weighty flesh. One nub pointed directly at me.

"Want some?" she said, her voice slightly lower now as she toyed with her fat nipple.

Like she even needed to ask.

In a flash, I was kneeling between Tina's thighs, determined to show her how much I appreciated her buxom beauty. The light was fading fast, concealing Tina's fabulous flesh from passersby, but the glow from the street-light gave me a fine view of her boobs. Full and heavy under my fingers, her tits swelled gloriously as I lifted them to my face, inhaling the heady scent of her sweat as I buried my nose in her deep cleavage. My tongue probed as I breathed, and I tasted salt on her skin.

I latched on to one of her large nipples, sucking it deeply into my mouth, and Tina moaned a little. Inspired, I suckled hard on the thick nub, opening my mouth wide and drawing as much of her flesh into my mouth as I could. She pressed herself against me, obviously enjoying the sensation, and I heft-

ed her two globes up so that both nipples were side-by-side.

I lapped at each, trying in vain to discover which nipple I preferred, and they sprang to even bigger life under my ministrations. Tina, obviously no stranger to a good titty-licking, had her fingers in my hair and was pressing me

hard against the swell of her flesh, clearly wanting more.

"Oh yeah," she moaned as I squeezed the thick tit-flesh and suckled at her nipples. "Do you titty-fuck as good as you suck?"

"Even better," I mumbled through a full mouthful of boob.

Tina's giggle at my reply was enough to spur me on. Rather regretfully, I pulled my mouth from her luscious globes and stood up. The sun was down, so I braced myself against the low wall of the porch railing and fumbled with my zipper as Tina moved her chair around to face me. My cock, swollen beyond belief at the prospect of being between Tina's melons, sprang free when she expertly maneuvered the zipper down.

Her small hands were cool on my raging member, and she gently stroked my shaft. She touched the sensitive tip of my cock with one hard nipple, and I quivered in her hands. Tina slid my hot shaft over the deliciously cool skin of her boobs and rubbed herself with my cock until I thought I couldn't take it anymore, until I was ready to beg her to

Bringing Ava Lustra back had to be one of the best things you guys have done in a while. She has definitely gotten better with age. What a body, tits, face and pussy she has. Then to top it off with Penny Porsche at age 40. Damn, she is one fine lady! Seeing her large clit was enough for me to completely drain my plumbing.—Matt, Los Angeles, California

HE'S PINING FOR POPPOS

Dear *SCORE*,

Where is Diane Poppo? Why hasn't she been in *SCORE* or *Voluptuous*? Diane has to be the most beautiful woman that I've ever seen.

I already have all of her videos, but I just had to get her DVD for the interview. The interview alone was worth the 40 bucks. If Diane thinks she's just like the woman next door, I must be living on the wrong street.

I want to see a lot more of Diane in *SCORE* and *Voluptuous*.—S.G., Manchester, New Hampshire

Dear S.G.: You're right! Although Diane has made numerous appearances in both *SCORE* and *Voluptuous*—most recently in the September '03 issue of *SCORE* and the January '04 issue of *Voluptuous*—way too much time has passed since we last gazed upon her fabulous form. But we're going to correct that soon. Look for a brand-new Diane pictorial in an upcoming issue.

WHO'S THE BIGGEST EVER?

Dear *SCORE*,

You've had more than a few big-busted beauties grace the pages of your extraordinary magazine, many of whom I think are of such incredible size, you may need to reconsider the size of the paper you print on.

I prefer fake as opposed to natural breasts. Chelsea Charms' incredible dimensions and Keisha Evans' beautifully structured body are the sort of things that dreams are made of, and they are two of your greatest models.

I would like to see a whole lot more of Keisha, as well as legends such as Casey James and Minka, along with new favorites like Crystal Gunns, gracing your pages more often.

I'd also like to ask you which of the SCORE Girls –past or present–has the biggest fake breasts ever?–Name and email address withheld by request

Dear Reader: Thanks for writing. First off, we prefer the word "augmented" to "fake." After all, those breasts aren't really fake, right? They're there. You can see them and touch them. They're not an illusion.

As for who's the biggest ever, it's hard to say, and many times, who's bigger depends upon the photo. We suggest that you decide for yourself. Take a look at these pics of Keisha Evans and Chelsea Charm. Look long and hard. Then decide.

Too close to call? In these photos, Chelsea Charms (above) and Keisha Evans (below) stack up pretty evenly.

ATTENTION ALL LOVERS OF LONG-FINGERNAIL LADIES!

Dear SCORE,

This letter is written with two intentions. First, to praise and promote Miss Lori Pleasure, probably the most stunning lady you have published. Myself and others wish you would bring her back real soon. She is truly a lovely lady.

Secondly, I hope to organize a website dedicated and devoted to especially long-nailed ladies, women preferably into domination and being served. My thoughts are two-part: First, to establish the long-nailed ladies as a group and, second, to establish a group of submissive people interested in serving them and promoting them. Can you offer your opinion?—Rich, Miami, Florida

Dear Rich: Lori Pleasure fucked in the February '04 issue of SCORE and in the video SCORE Xtra #10 (available on page 115 of this issue). And in the May '05 issue, Lori was our first "SCORE Girl on the Town." We got to see her in the sexy outfits she wears every day of the week.

As for your idea, we're sure you're not alone in your love of babes with long, sexy fingernails. If you truly wish to organize a website where people like yourself can get together, try going online and setting up your own Yahoo Group devoted to your fetish. That's how many very large websites got started.

DO ALL SCORE VIDEOS LOOK THE SAME? A SEARING CRITIQUE

Dear SCORE,

I love your magazine. The February '05 issue was one of the best ever. I wish I could say the same for your videos.

There is nothing wrong with the models. It's just that the videos are produced and directed with absolutely no imagination. A good example, is SCORE Xtra #5. In all four scenes, the models simply walk into a room, take off their clothes and get it on. There's absolutely no tease.

This scene is echoed in many of your other videos. I stopped purchasing videos from Big Top several years ago because all their videos started to look the same. Two people walk into a room and screw. Porn requires some tease or it's flat-out boring.

Here are some recommendations. First, eliminate all scenes where the actors simply walk into a room. Second, place more emphasis on your models' major assets: their big boobs. For example, the male model could notice her

walking down the street in a tight, revealing sweater, or you could have her walking around a pool in a bikini before she asks the pool boy to rub suntan lotion all over her body, or she could be a sexy big-boobed real-estate agent showing a client around the house. She could be a horny, big-boobed housewife who orders a pizza, answers the door in sexy civilian clothes and then seduces the delivery boy. She could be a sexy school teacher who very slowly seduces her student in her classroom. You could have the model walking around the beach in Miami before she is picked up by her dream man.

When you recruit a famous big-boobed stripper to do hardcore, have her perform her striptease as she does in a club when she's giving some lucky guy a lap dance. The bottom line: lots of preliminary action and tease makes for great porn.

Also, get rid of the nurse uniforms. They're starting to get old. Have your models dressed in sexy civilian clothes such as low-cut, revealing dresses, sexy bathing suits, and best of all, tight sweaters that show off their big boobs. Have them take off their clothes very slowly. With a few exceptions, 99% of all females on this planet look better dressed in high heels, nylons, tight dresses and sweaters than they do naked.—Don, via email

Dear Don: Thanks for your comments. You obviously put a lot of thought and time into them, and we appreciate that. But we're puzzled by your criticisms regarding SCORE Xtra #5. Are you sure you have the right video? First of all, there are six scenes, not four. Second of all, we think there are some unusual scenes in this video, including Kayla Kleeveage and Minka taking on the masked superhero "Blue Balls."

For the most part, we try to put a lot of creativity into all of our XXX scenes rather than just having the models walk in and fuck. In SCORE Xtra #10, Lori Pleasure plays a big-titted robot come to life. In SCORE Xtra #9, Kiki Daire plays a big-titted streetwalker who's wearing the kind of clothes you love. Check 'em out! 🌈

I'd like to think that if God hadn't intended man to worship boobs, he wouldn't have put them right up front on a gal's chest like that. As it is, what with all that jutting and strutting and undulating going on right in front of your face, well, it's hard to keep your eyes, let alone your fingers and your tongue, to yourself.

I make it a habit to worship at the altar of titty-flesh whenever I can. My favorite pastime is, of course, the hands-on adulation of various and sundry Mount Melons. But, as the real Kahunas themselves are not always readily available, I also take great pleasure in observing said hooters in their natural (or naturally enhanced) state. And I like 'em all: sweated and suited-up boobs as well as T-shirted and bikinied boobs.

You'll often find me paying homage to these abundant wonders in a rather unlikely place: the front porch of my house. My small abode sits high above street level, and the tiny front yard is a hill that drops steeply to the sidewalk, meaning I'm quite isolated from pesky passers-by.

With my feet comfortably up on the brick half-wall that surrounds my domain, a beer-and, occasionally, my cock-in hand, I've been known to while away an afternoon watching a veritable parade of tits. You see, I'm lucky enough to live across the street from Washington Park, a grand place replete with a lake and flower gardens as well as a path around its perimeter. That path is my stage, filled with walking, jogging, bike riding, rollerblading and even skateboarding babes.

From my unique and lofty perch, I'm able to view an almost endless procession of jig-gling tit-flesh in relative privacy. And I do enjoy them all. Lordy, I'm talking titties of all shapes and sizes! Holding-up-well hooters on middle-aged matrons. Barely-there boobies on the slender, serious runners. And, my personal favorite, those bounteously

bouncing boobs on the succulent 20-something girls. Ah, Washington Park! A mecca for those of the tit-owning and the tit-watching persuasions.

I found myself enjoying said sights at six o'clock on one particularly balmy Saturday evening not long ago. Prime tit-ogling time by any standards, six o'clock also happened to be when my all-time favorite boob-slinger took her evening walk. Tina, as I'd heard her fellow pathmates call out to her in greeting, and her fantastically flopping tits had become my fantasy of the week, the month, perhaps of all time.

Head held high, arms pumping, wild reddish hair flying, Tina always strutted past me a grand total of three glorious times on her regular walks. She was there on the path every day, rain or shine, although I much prefer shine, as Tina shed most of her clothes when the weather turned warm. She'd even been known to throw a smile my way as I waved encouragingly to her on each pass. A smile that heartened my soul and stiffened my cock.

This particular warm and spring-like Saturday, she happened to be sporting one of my favorite outfits: a busting-at-the-seams red halter that exposed more titty-flesh than should be allowed on a public path and her smallest pair of black jogging shorts. The shorts had found their way deep into the crack of her ass as she walked, and the exposed succulent curve of cheek was a nice compliment to the lush curves above.

My first glimpse of her on that day was enough to instantly stiffen my cock in appreciation. Glorious boobs wobbling uncontrollably and muscular thighs pumping. As she passed, I waved to her, beer can in hand, and prepared to enjoy the view. You may well imagine my surprise when, instead of the small smile I'd been treated to on previous occasions, I was rewarded with an answering wave. Tina's hand lifted, exposing the glorious swell of her right boob through the thin material of her top, and she smiled as she continued on her merry way. My already-swollen shaft twitched rather deliriously at

this surprise attention, and I watched, a bit stunned, as Tina's round and lusciously jiggling behind continued down the path.

Tina's second lap found me in much the same shape, albeit in a bit more pain. My cock had continued to grow in her absence, and given the relative privacy of my small, walled-in porch, I'd decided to take matters into my own hands. After the second mutual wave of the day, I was happily stroking to the sight of her retreating ass cheeks. By Tina's third time around, my need had grown considerably more urgent, and I was ready to shoot at the sight of her voluptuously swollen melons as they headed toward me for the last time.

But it was not to be.

In what felt like slow motion, I watched as Tina, face flushed, strided purposefully across the street. My eyes widened in disbelief as she bounced and jounced her way onto the sidewalk in front of my house, and I gamely tried to return her smile as I force-fed my raging hard-on back into my shorts. By the

time she'd walked up to my porch, I'd managed to pull up my zipper and was trying hard to look nonchalant, raging bulge notwithstanding.

And then she was there, leaning quite comfortably on my brick railing, sweating and beaming and flashing that sumptuous cleavage.

"Were you offering me a beer?" she said, her voice betraying the faintest traces of a Southern twang. I tried to concentrate on her words but was a bit distracted by my first close-up view of her splendid tits: all sweaty cleavage and pink skin.

"That's right," I managed, albeit rather hoarsely, and then I grinned at her, trying hard not to stare at the drop of sweat that slowly rolled across her right breast before disappearing into the dim crevasse between her tits.

Of course, standing up to fetch that beer was an eye-opening experience, at least for Tina. My cock, far from being humbled by her presence, was truly inspired by the vision of undulating flesh before me and was still quite obviously standing at attention. And, just as my eyes had quite helplessly drifted toward Tina's most obvious asset, so did hers to mine, slowly settling on the obvious bulge under my too-tight shorts. I thought I saw a flicker of amusement in her brown eyes.

I went to fetch her beer, and when I returned to the porch, six-pack in hand, cock somewhat subdued, Tina had made herself quite comfortable. Her powerful legs rested casually on the brick wall, and she was leaning back in her chair and observing the park's parade of athletes as the sun headed

toward the horizon. She was quite a sight, just sitting there. I would've been happy just watching her.

I cracked open two cold ones and tried again not to stare at her luscious rack. The flesh of her bosom was still damp and flushed from her walk. As we chatted in the way that relative strangers have of feeling each other out, I couldn't help but watch as her breasts rose and fell, jiggling slightly when she laughed at some banal thing I'd said. Luckily, Tina seemed to not notice my pathetic devotion to her titties and turned out to be quite good company, putting me at ease with her easy chatter and casual manner. In no time at all, we'd finished off the six-pack, and I retrieved another from the fridge.

"Helluva view," she said as we drank. I nodded. "Do you always jack-off while you watch the girls go by?" she said.

I almost choked and tried to manage what I thought was a fair save: "Only when it's you that's walking by."

That was good for a chuckle from Tina. Of course, her next question was a bit tougher.

"Why?" she asked, raising her eyebrows. "Why do you masturbate?"

Sure, there were several good answers to choose from. I could have talked about her endearing beauty, her flowing mane of hair, her obviously toned physique. But no. "You've got fantastic tits," was my honest, if rather lame, reply, and I grew concerned that my truth-telling would put an end to our burgeoning relationship.

But Tina, to my surprise, burst into laughter, practically spilling her own beer as the very tits I'd mentioned jounced and jiggled. I figured her response was at least better than a slap in the face, and my cock concurred. It began to formulate some ideas of its own as I watched those luscious melons continue to quake.

"Well, at least you're honest," she finally said, still half-giggling. Then she looked at me, eyes flashing. "You like 'em, huh?" she said, placing her hands under the mountains of flesh and lifting them a little, displaying her perfectly shaped bosom.

"Uh huh," I managed, my cock getting into the hang of the direction this evening was taking as Tina's fingers began to travel lightly over the thin, red material of her halter top. I watched, fascinated, as she tweaked on one huge

nipple through the fabric. Was she really doing this?

"I like a guy who can appreciate my big titties," she said, reaching behind her neck before letting the flimsy halter fall, revealing her magnificent set in all their glory.

I tried not to gasp as she ran her fingers over one light-brown areola before reaching under her breast and hefting the weighty flesh. One nub pointed directly at me.

"Want some?" she said, her voice slightly lower now as she toyed with her fat nipple.

Like she even needed to ask.

In a flash, I was kneeling between Tina's thighs, determined to show her how much I appreciated her buxom beauty. The light was fading fast, concealing Tina's fabulous flesh from passersby, but the glow from the street-light gave me a fine view of her boobs. Full and heavy under my fingers, her tits swelled gloriously as I lifted them to my face, inhaling the heady scent of her sweat as I buried my nose in her deep cleavage. My tongue probed as I breathed, and I tasted salt on her skin.

I latched on to one of her large nipples, sucking it deeply into my mouth, and Tina moaned a little. Inspired, I suckled hard on the thick nub, opening my mouth wide and drawing as much of her flesh into my mouth as I could. She pressed herself against me, obviously enjoying the sensation, and I heft-

ed her two globes up so that both nipples were side-by-side.

I lapped at each, trying in vain to discover which nipple I preferred, and they sprang to even bigger life under my ministrations. Tina, obviously no stranger to a good titty-licking, had her fingers in my hair and was pressing me

hard against the swell of her flesh, clearly wanting more.

"Oh yeah," she moaned as I squeezed the thick tit-flesh and suckled at her nipples. "Do you titty-fuck as good as you suck?"

"Even better," I mumbled through a full mouthful of boob.

Tina's giggle at my reply was enough to spur me on. Rather regretfully, I pulled my mouth from her luscious globes and stood up. The sun was down, so I braced myself against the low wall of the porch railing and fumbled with my zipper as Tina moved her chair around to face me. My cock, swollen beyond belief at the prospect of being between Tina's melons, sprang free when she expertly maneuvered the zipper down.

Her small hands were cool on my raging member, and she gently stroked my shaft. She touched the sensitive tip of my cock with one hard nipple, and I quivered in her hands. Tina slid my hot shaft over the deliciously cool skin of her boobs and rubbed herself with my cock until I thought I couldn't take it anymore, until I was ready to beg her to

wrap those huge tits around my straining cock.

Just then, she captured my eager member between her fleshy boobs and squeezed hard. I groaned as her succulent tits enveloped my shaft and pressed forward, burying myself even more deeply in her fleshy tit-cave. She kneaded her fat boobs, letting the hard nips tickle my belly as the flesh squished around my shaft. I began to stroke my way in and out of the pussy-like enclave formed by her luscious mounds. Then she leaned forward and captured my eagerly probing cock-head in her mouth. I groaned again as I felt her wet tongue on the hot knob. I pulled back, then forward, before being swallowed by her wet mouth again. Her hand pressed her tits against my shaft, even as her mouth inhaled even more of my probing head.

Hot waves of pleasure began to flow through my cock as Tina expertly manipulated my rod. It became my entire goal in life to spew my load onto her tits. I began to pump more intently through the valley of her boobs, feeling the pressure build in my balls as I probed. Then Tina placed her tits around my balls and I finally exploded, shooting my load of cum through her cleavage and onto her heaving bosom. I fucked Tina's titties even harder then, my cock-head plowing through her cleavage as I sprayed her luscious tits with my cream. My cock popped in and out of her wet mouth, and Tina lapped at the spewing jiz until my strokes slowed and the flow finally ended. Massaging my still-throbbing member with her amazing tits, Tina looked up at me and grinned mischievously.

"I don't know about you," she said. "but I'm ready for another beer."

Ready and willing to give Tina whatever she wanted right at that moment, I headed off to the kitchen, stuffing my still half-hard cock back into my shorts as I went. But I never made it back out to the porch. Tina, obviously an expert at making herself at home, was now reclining casually on my couch. But the truly inspiring part of this scene, I noticed as I popped open a beer and handed it to her, was that she'd taken off her running shorts and was now naked. She had one hand on her pussy, and her fingers were tracing lazy circles around her clit.

She took a drink of her beer. "Don't

s'pose you like pussy, too, do you?" she said in her sexy drawl.

"Oh, I love pussy," I said, then I dropped down to my knees and spread her muscular thighs. "Pussy's my second favorite thing in the whole world."

"Only your second favorite?" she murmured as I lapped away at her swollen clit.

"A damn close second," I said. I spread the lips of her cunt, and I dove in, splitting her cunt with my probing tongue as she mumbled, "What's your favorite thing?"

"Tits, of course," I said.

She moaned as I licked her salty, sweaty pussy and lapped my way up and down her succulent slit from her very moist opening to the exceedingly fat knob of her clit. Soon, her fingers were in my hair and she was pulling me closer. I diddled her clit hard, and she bucked against my face. A slow and steady whine escaped her lips as she squirmed in the chair.

Her thighs clenched around my face as her cries grew louder and my tongue licked faster at her rapidly swelling clit. Another minute and she was screaming out her pleasure. She arched into me, and her pussy mashed against my face. I held on tight, sucking on her clitty, then probed deeply into her spasming depths with my tongue. Her pussy tasted better than any pussy I'd ever tasted before, but what made eating her even better was the view. Every time I looked up, I saw two of the biggest tits I'd ever seen, and Tina's face was practically hidden behind them. Amazing.

As Tina squirmed under my probing, I realized with some delight that my cock had not given up the ghost after its one stupendous moment of glory. Quite the contrary, it was now straining uncomfortably at my shorts. As I continued lapping at Tina's pussy, I managed to take my cock out of my shorts. Then I worked my tongue up Tina's belly and to her heaving chest. I sucked on one of her hard nipples and probed the wetness of her cunt with my hard knob. I pushed her tits together and sucked on her nipples, and for a moment, I considered fucking her titties instead of her pussy. But Tina moaned, and then she said, "Fuck my cunt. Fuck it, please," so I edged my cock into her

pussy. Then she she spread her legs wide, obviously inviting me in. Obviously, fucking her tits wasn't an available option.

With one long thrust, I entered her pussy and buried my dick deep in her wetness, my balls slapping against her fine ass. I braced my hands on either side of her, and I managed to hold on to her thick nipple with my mouth as I pumped my hard cock in and out of her tight pussy. I never fucked a woman so hard in my life. I was actually afraid I might split her in half.

As I pounded her snatch, Tina raised her hooters to my greedy mouth and pressed her nipples close together for my suckling enjoyment. Her boob-flesh jiggled delightfully as I speared her pussy with my rapidly pistoning cock. For the second time that night, I felt the familiar pull in my balls, and although I didn't want to cum just yet, I knew I had no choice.

As if on cue, Tina's pussy muscles suddenly clenched around my shaft as she arched into me, crying out again as she came. Her pussy, already so tight,

spasmed against my pulsating shaft, and in another second, I was cumming with her, shooting my load deep into her pussy. My cock filled her depths and her grasping cunt sucked my cock until every last drop had been emptied.

And then I collapsed on top of her, my mouth still wrapped around her

luscious nipple, my cock still buried deep in her quivering cunt. Tina, for her part, seemed quite content, and reached for another sip of her beer as her pussy rhythmically grasped my shaft. I wasn't in the mood for a beer right then and there. All I wanted to do was suck on

Tina's titties while my cock relaxed and slid out of her wet pussy. She was all the refreshment I needed.

Needless to say, that wasn't the end of our little party, not what with all that succulent flesh of hers just aching to get licked and sucked and fucked again. And again.

And now, thank the gods that be, our little post-walk fuck has become something of a ritual. Three laps around Washington Park while I watch (beer, but not cock, in hand), then Tina is bounding across my lawn and I get to worship her sweaty tits up close and personal. It's something I never could have imagined months ago, but I must say, it's everything I imagined it would be—and more—all that time I spent jacking on my porch.

Seeing as how busy I am with Tina's titties these days, I don't spend nearly as much time ogling those other sweated and bikinied boobs in Washington Park. But that's okay. Tina's sweaty boobs, wrapped around my cock till I squirt, keep me plenty satisfied. And she's getting lots of exercise. 🏹

chance, were you a church-going girl?

Kianna: [In her little girl's voice] Yes, I went to Sunday school.

SCORE: Were you a cheerleader?

Kianna: No.

SCORE: But you wore the Sunday school outfit, didn't you?

Kianna: Yes! I used to love going to Sunday school. I'd even call up the church and have them come pick me up because my parents didn't take me. I used to go all on my own. [Laughs]

SCORE: Why did you like going to Sunday school so much?

Kianna: I don't know, I just liked it.

SCORE: Were you a shy girl even when you were younger?

Kianna: Well, kinda, but just with people I didn't know. And even now I can be kinda shy. If I get to know somebody, then I'm more comfortable, but I have to get to know someone before I open up, and I don't mean sexually. I guess I have sex with people I don't know all the time.

SCORE: Okay, so you were shy and reserved when you were younger, but did you have sex on your mind?

Kianna: I was always really sexual. When I got old enough, I used to take my boyfriend down to the peep shows in Vancouver. [Laughs] He'd be like, "Can't we just have normal sex once in a while, like in a bed?" but I loved having sex in the peep-show booths. It was so naughty!

SCORE: You had sex with your boyfriend in the peep-show booths?

Kianna: Yes! [Laughs] A lot!

SCORE: And how old were you?

Kianna: Like 18 or 19!

SCORE: You dragged your boyfriend to the peep-show booth and had sex with him there?

Kianna: Yes. [Laughs] Isn't that terrible?

SCORE: No, I think it's great.

Kianna: You know, I can't believe I'm telling you this. I've never told anybody before about the peep-show booths. I'd always kept that a secret. I'd take my boyfriend and drag him down to a totally seedy part of Vancouver, and we'd go into the booth, put our money in to turn on the movie and fuck. I didn't sit down or touch anything, but I always got creative.

SHE'S OBSESSED WITH HER HAIR COLOR. WE'RE OBSESSED WITH HER TITS.

"I can't decide if I like myself better with my regular hair or as a platinum blonde," said Cassandra, who seems to be going back and forth on the issue. "Some people have told me that I look more like the girl-next-door when I have my regular blonde hair. But some people have told me that I look sluttier like this. I like that. I want to look as slutty as I possibly can."

Although we agree with Cassandra that she looks sluttier—or should we say sexier?—as a platinum blonde, the fact is that when she's slurping a hard-on or taking one deep in her ass, as she does in *SCORE Xtra #7*, it doesn't matter what color hair she has. She just looks hot. "I have heard that, too," she said. "People say, 'Cassandra, you are just a slut.'"

KIANNA INTERVIEW

Continued from page 92

Kianna: You know, different positions. I didn't want my ass to touch anything because those peep-show booths are kind of dirty and guys leave their cum behind. But we'd do all kinds of things. Like, we'd get into the booth and turn on the movie, and I'd bend over and give him a blow job while he watched, and I'd make sure I could watch, too. Or I'd turn around and take my tits out, and I'd sit on his cock while he played with my tits, and I'd watch the movie and rub my clit. And, you know, those peep-show booths are really small, so we had to really squeeze in there and get into some funny positions to do it. But we always managed to do it!

SCORE: What turned you on about fucking in a peep-show booth?

Kianna: Probably because I'd never seen porn or anything like that, so it was something totally different. I mean, these girls were fucking on the video, and I was watching them and fucking in the booth, so it was kind of...

SCORE: Forbidden?

Kianna: Yeah. You know, you're not supposed to be doing that, fucking in a peep-show booth, and there we were doing two forbidden things: watching fuck films and fucking. But I never got caught, although I think the guy who ran the place knew what we were doing. And I definitely didn't tell anybody about it. All the girls already hated me, anyway.

SCORE: They hated you? Why?

Kianna: Because I was a bit of an exhibitionist. I started out being so sweet and innocent, and I don't know what happened. I just wanted to show myself off all the time. Like in my senior year of high school, when I was 18, it got to the point where the teachers were calling my mom. They'd call her and say, "Did you see what your daughter's wearing today?"

SCORE: What would you be wearing?

Kianna: Just what everybody else was wearing. I don't know why they picked on me. Probably because of my boobs.

SCORE: That's definitely the reason. Girls with big boobs are always getting picked on more than girls with small boobs, as if they can do something about the fact that they have big tits. What about your male teachers? Were they always checking you out?

Kianna: That was who was calling and complaining! Can you believe that?

SCORE: They're hypocrites. Then they probably went home and jacked off. What would you wear to school?

Kianna: Short dresses that barely covered my ass and showed lots of leg and really revealing shirts that showed my cleavage. Sometimes I'd even wear a white top without a bra and my nipples would be poking right through my shirt, right there in class. The guys had a hard time paying attention. And I'd go to school with all my makeup on and my hair done, like a stripper, almost. It's funny. You won't catch me doing that now that I'm in porn. I don't dress revealing at all.

SCORE: You said you don't wear panties. Would you sit in the first row of class with no panties on?

Kianna: Well, I never wore panties, even back then, but I usually sat in the back with the rebels. A lot of times, though, the teacher would move me to the front. I was a bad girl.

SCORE: A bad girl? Like, giving blow jobs in the back of class?

Kianna: [Laughs] No, not like that. Bad as in disruptive. You know, never paying attention and making fun.

SCORE: Now, when you were sitting in the peep-show booths watching porn with your boyfriend...

Kianna: You like that, don't you!

SCORE: It's incredible! Did you ever watch the films and say, "Hey, I'd like to do that"?

Kianna: No, I never even thought about doing porn, not even once, although I was fascinated by what the girls were doing. But since it was such a long drive from home to Vancouver, after a while I started saying to my boyfriend, "You can get some porno, and after your grandmother goes to sleep, we can watch it." [Laughs] And he was like, "Do we have to watch porn every time we do it?" And, yeah, we did.

SCORE: You were really into porn, weren't you?

Kianna: I guess so. I guess I just thought it was hot. I didn't realize it would be my career one day.

SCORE: Did you have any favorite porn actors or actresses?

Kianna: No, I didn't know names or anything. I just cared that there were two people on screen fucking. But I wouldn't go buy videos or anything. I wouldn't go into the stores. I'd just go to the peep shows. I was too embar-

rassed or shy to go into the stores.

SCORE: So you were too shy to go into video stores but not too shy to go into a peep-show booth with your boyfriend and fuck. You know, you're really shy and really wild at the same time.

Kianna: Yeah, I am. I guess you could say I'm shy with my clothes on and wild with my clothes off.

SCORE: You lived in Canada, where they love hockey. Did you like to molest hockey players?

Kianna: No, but I watched hockey. You can't get away from it in Canada. But I'd never go after them. I wasn't a hockey groupie of anything like that. But when I got older and started dancing, they'd always come into the strip bars.

SCORE: Let's talk about sex in your personal life. You said you don't have a lot of it.

Kianna: No, I don't. I love sex, I definitely do, but I just get so much when I'm doing videos, I'm kinda worn out when I go home. I fuck a lot. I mean, a girl can't fuck all the time, can she?

SCORE: Well, yeah, she can. Now, how many times a week do you think you have sex?

Kianna: Quite a bit. Sometimes I'll do a lot of scenes, like a few a day for a

while, and then I'll take like four days off or something, just to relax.

SCORE: Is sex on camera sexually satisfying for you?

Kianna: Sometimes. It depends on the guy or the girl and the scene. It depends on what we're doing and what kind of mood I'm in. Sometimes it's great, sometimes it's not so great, just like normal sex.

SCORE: How many videos do you think you've done?

Kianna: Probably about a 120, although I've lost count.

SCORE: What's your favorite position?

Kianna: I like doggie-style. I like being on top. I don't mind reverse-cowgirl if I'm not doing it for too long. Reverse-cowgirl is hard on the legs. It's really a workout. [Laughs] Although I know that guys who like big boobs love that position because they can see my tits and see the guy's cock going in and out of my pussy at the same time.

SCORE: You're pretty popular now, and your look is unique. Do you get recognized a lot when you're out in public?

Kianna: Yeah.

SCORE: Do you like that?

Kianna: Sometimes, as long as it's not embarrassing because I don't have a lot of makeup on. Some fans like me with lots of makeup on and looking glamorous, and some fans like me looking natural. I like to let my skin breathe, but I don't like being recognized when I'm not looking my best.

SCORE: Well, you're not wearing much makeup now and you look great. When you're just going out shopping, being yourself, what will you wear?

Kianna: I'll try to wear something cute, but I don't dress revealing in the day time. Well, I don't think it's revealing. Like, maybe tight jeans and a shirt that shows my belly. Maybe something like I'm wearing now.

SCORE: You said you've done well over a hundred films. How much longer do you see doing yourself this?

Kianna: Maybe for another two years.

SCORE: And then what?

Kianna: I have my license for a spa. I'd like to open a little day spa and have a mobile service. The baby boomers are getting older, so I'd like to have my own business where I can send girls out to do facials and nails. Just make people feel good. But I only want to run it. I don't think I want to work.

SCORE: Are you planning on going back to Canada when you retire?

Kianna: No, but I'd like to have a place in Vancouver so I can go back and forth. But I don't want to live there. I'd like to visit there.

SCORE: Do you have much free time?

Kianna: No. It's pretty much go, go, go. I'm either shooting a lot or resting after shooting a lot.

SCORE: When you do have free time, what do you like to do?

Kianna: I like to hang out with my dog Sophia. She's a little Teacup Yorkie. She weighs about six pounds. I like to knit. I like to go hiking.

SCORE: You like to knit? Really? What do you knit?

Kianna: I make cool-ass purses. I knit cool scarves.

SCORE: Porn stars don't knit!

Kianna: My friends are always saying, "Imagine you're sitting on a plane and somebody says, 'I thought that was Kiana, but she can't be. She's knitting.'"

SCORE: Why do you knit?

Kianna: Well, I started because I was trying to learn patience, but then I got to like it.

SCORE: Are you impatient?

Kianna: Sometimes. Everything in this world is so automatic, and I just wanted to learn some patience. You know, learn how to wait for something. People usually don't keep me waiting.

SCORE: You're really pretty down-to-earth, aren't you?

Kianna: Yeah, I am.

SCORE: But you must have some extravagant tastes. After all, your porn name is Dior.

Kianna: [Laughs] Well, at the time I was getting out of hand for a while, flying around a lot in private planes, going to exotic places, but that wasn't really my lifestyle. I've toned it down a bit.

SCORE: So, why Dior?

Kianna: A lot of girls on the Internet were calling themselves Kianna, so I decided I was going to use Dior because I was buying a lot of Christian Dior at the time. I had no rhyme or reason. I was just liking their shoes a lot.

SCORE: This might be a ridiculous question, but do you still watch porn?

Kianna: Every once in a while. And sometimes I go to parties, and it's on in the background, and sometimes it's even me they're watching on the video, which is weird. But I'll never sit home and watch it by myself to get off.

SCORE: Some people are in porn their entire lives. They eat, sleep and breathe it. Do you?

Kianna: No. I try not to, and whenever I do get to that point, which isn't too often, I try to take a step back. I just think it's healthier that way. And it's safer when you do other things. Some people are like robots, and when you're with them, you feel like they're doing it for the money. I don't want to get to that point. I'm not into porn for the money. Oh, sure, the money's great, but I wouldn't be doing it if I didn't like it.

SCORE: Do you have any romantic dreams about how you want your life to turn out?

Kianna: Yes. I want to get married and have a white picket fence. Is that what you mean? [Laughs] With a dungeon downstairs. [Laughs] There always has to be a little wild side. Dirty and romantic, that's me. But sometimes it's just nice to be normal, although I don't know what my normal is compared to other people's normal.

SCORE: Well, what kind of guy would have a chance with you?

Kianna: I think it's nice for a guy to be spontaneous, but I can't just say that I like one kind of guy. Yeah, it's nice to have the candles and see a guy put some effort into doing something. Not just, "Oh, here's a bag from Victoria's Secret. Come and jump on top of me now." I like being with a man who treats me like a woman and does a lot of manly things. Does that make sense?

SCORE: Well, yeah. And I'd like to tell you that I'm currently constructing a peep-show booth in my living room.

Kianna: [Laughs] Well, you gotta mix it up a bit, too. There are times when I want a guy to get in there and be all caveman, too. Not just be romantic. There are some times when I just want to be fucked.

SCORE: So you don't want a guy to kiss your ass, do you?

Kianna: A combination. I think it's good when a couple will bounce off of each other. Be aware of what you're going through. Sensitivity.

SCORE: A lot of times, people in porn date other people in porn. Do you?

Kianna: Sometimes, but not usually. I just have boy toys. I've given up on being with one person. I'm going to wait until I'm done with porn. But you never know. I guess I'm looking for a guy who can suck my ass and lick it occasionally, too.

SCORE: Well, Kianna, we'd be happy to do both. Thanks for being here.

Kianna: Thank you!

Big Jugs

ASHLEY JUGGS IS READY TO BUST OUT!

Ashley and her beautiful jugs have always been ready for the big time, but now they're finally making their move. This former Internet amateur has been kept under wraps for too long. Help us unwrap her!

Ashley, who is from Central Florida, has had her own place on the web for a long time, but, until recently, she resisted the urge to expand to magazine modeling. These pics, shot at dannicom, are of a girl who loves to show off her body but has no desire to become a superstar. Sorry, Ashley, but you might not have a say in the matter if readers react to you the way we did. There's certainly something about Ashley. Her body and innocent-looking face remind us of Carrie, the popular English *SCORE* and *Voluptuous* model from the mid- to late-1990s. Ashley's posing is far less explicit than Carrie's was, but both ladies exude the same "girl-you-could-take-home-to-mama" quality that so many *SCORE* men find appealing.

"My mother is Jamaican-Italian and my father is Spanish," Ashley said, explaining her exotic looks which have had many people calling her "The Mariah Carey of Big Tits." We don't quite see the resemblance, but okay. She loves to read romantic novels and is a sucker for a sweet-talking, sweet-loving guy who'll kiss her on the neck. Whatever you wish, Ashley.

BONUS PULLOUT!

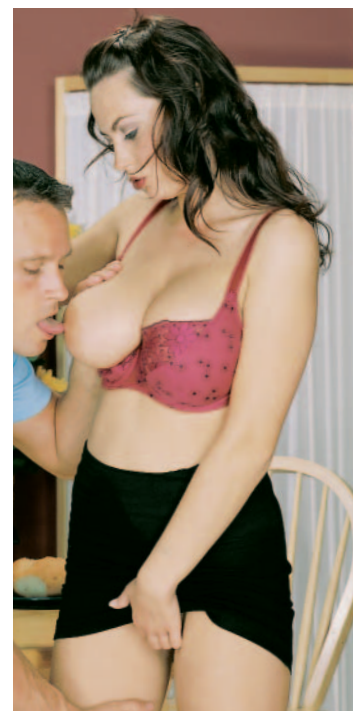

SINN CITY! SUMMER GETS FUCKED

ALEXIS MAY DINNER & FUCKING

THE SCOTTISH NEWCOMER FINISHES OFF A NICE MEAL WITH A HARD, SPURTING COCK.

Alexis May. Go figure. She looks so sweet. She sounds so innocent. Yet, as this 22-year-old E-copper proves in the new DVD/VHS *Ultimate Alexis May* (available on page 28 of the main mag), she's as horny as hell. In the final scene, Alexis is on a dinner date. She wipes her mouth. Moves her plate aside. And crawls across the table for some cock.

When Alexis reaches the other side of the table, she shoves her tits in her date's face. She sucks on one of her nipples while he sucks on the other. He eats her pussy, then she preps his cock for a good sucking by spitting on it. "I love to suck cock," she says. When it's time to fuck, Alexis demands, "I want your cock in my pussy." Because Alexis might be sweet. But she's not so innocent.

THIS BOSTON GIRL DIDN'T WANT TO TAKE IT SLOW. SHE WANTED EVERYTHING WE HAD.

Up until the February '05 issue of *SCORE*, Summer Sinn had been an Internet-only chick. But—wow!—has this shy babe ever busted out!
