WHAT IS SIERRA'S BEST FEATURE?

Dear SCORE,

Holy shit, Sierra looks amazing (June '05)! I still think her pink, vacuum pussy and deep-throat, cock-sucking mouth are the best parts of her body, but her tits look better and bigger than ever. Can we have more?—T.L., via email

Dear T.L.: Sure! Sierra has a full spread in the August '05 issue of Voluptuous, available at eBoobStore.com or by calling 1-800-421-0760. Plus, she'll be using her pink, vacuum pussy and deep-throat, cock-sucking mouth on yet another real cock very shortly in SCORE. Stay tuned.

THE ULTIMATE SCORE: ALL-XXX

Dear SCORE,

Long-time reader (I have every issue of SCORE apart from the first two; I can't find them anywhere.) but a first-time writer.

The reason for my writing is to submit my "Fantasy SCORE" idea. Unfortunately, I don't have the artistic skills to submit a conventional piece of artwork, so I have produced/designed my Ultimate Fantasy SCORE issue cover. The premise behind my Fantasy SCORE is this: the ultimate SCORE publication, featuring past and present SCORE girls, packed cover-to-cover with XXX action. The SCORE girls of the present have never before taken cock in your hal-
lowed pages.

Of course, I realize that most, if not all, of the SCORE girls I have nominated are either retired or would never consider partaking in XXX action in front of the cameras, but I suppose that is why I have taken the time to submit this piece of Fantasy SCORE artwork.

The only condition of this proposed publication is that it must be completely XXX from cover-to-cover. I am sure it would be a huge seller. If this fantasy issue was ever to be produced, I would

like to volunteer my services to assist in the XXX action. Personally, I would love to get to grips with Maxi Mounds, Colt 45 or Alexis Love, but in truth, I am not picky, and I would take whichever ladies were on offer (even the SCORE cleaning lady, if you have one).

Also, how about including a "Coming Next Issue" page, displaying who and what is in store for your readers in the upcoming issues of SCORE and Voluptuous.—Rick, United Kingdom

WANTS SCORE SPLASH GUARDS

Dear SCORE,

I don't know how you do it, but you guys confound my expectations month after month. The only conceivable way SCORE could be improved would be by having laminated pages so I could splash off over the girls to my heart's content without ruining my mag. I mean, looking at the May '05 issue, I'd truly love to dump a load on Denise's tits on page 28 or Angie's incredible ass shot on page 41, but since I'll be treasuring this issue forever, I won't.

How about another shot of Angie Sward (spread-open pussy, please!), my new fave SCORE Girl.—K.S., Barnsley, England

Are Sierra's tits (top) her best feature? Will a reader's idea for a Hard SCORE all-XXX issue ever be implemented? Doesn't Angie Sward have a beautiful pussy?

KEISHA: A TRUE SCORE GIRL

Dear SCORE,

Great June '05 issue. Kelly Kay beat out some stiff competition to win Newcomer of the Year. My choice was Keisha Evans, who to me represents what a SCORE Girl is all about (slim and super-stacked), but I guess everybody has different tastes.

Good to see that you finally got Ashley Jiggs into the mag. She deserves the wider exposure that only SCORE can give her. Love those innocent doe eyes.—C.D., Roslyn, New York

BEA FLORA: ONE IN A MILLION

Dear SCORE,

I recently discovered your magazine and have bought every issue since. I am a long-time fan of larger-than-life boobs. The bigger the better, I say. I'd like to personally shake John Fox's hand.

What prompted me to send in my first letter was the spread of Bea Flora in your June 2005 issue. I don't think I have ever seen a more stunning woman. All of your models have breasts to die for, and Ms. Flora's rack is better than nearly all of them. But what sets her apart is her pretty, model-like face, creamy, tanned skin and rich, dark hair. Oh, God, and those pink undergarments she shed. Incredible! Please, please have many more spreads of her in the future. She is one in millions.—C.D., via email

"MOST BEAUTIFUL SCORE GIRL" STEALS NEWCOMER ISSUE

Dear SCORE,

I'm a long-time reader, so you can imagine my surprise when I picked up the June '05 Newcomer of the Year edition and saw a face I'd never seen before on the cover. I'm used to seeing the winners on the cover of your awards issue, so it was a complete shock to see "new natural" Bea Flora.

Fortunately, Bea had the beauty and body (not to mention the tits) to steal the stage in the Newcomer of the Year edition. She has to be the most beautiful SCORE Girl ever.

You just may have put the 2005 Newcomer of the Year on the cover of your 2004 Newcomer of the Year issue. By the way, congratulations to Kelly Kay, a well-deserved 2004 Newcomer of the Year.—R.P., Evansville, Indiana

Dear R.P.: The decision to put Bea Flora on the cover instead of the Newcomer of the Year wasn't easy. Both Bea and Kelly were cover-worthy. By the way Bea and Kelly both returned in the September '05 New Naturals issue, available on page 11 or at www.eBoobStore.com.

NIPPLE STIMULATION, PROPER LINGERIE & REALISTIC DILDOS

Dear SCORE,

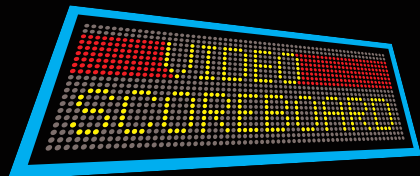

Most of your models could benefit from a little nipple stimulation to show their full potential. How about encouraging your girls to use nipple pumps on camera? Maybe even a big cock pump to plump up the whole breast. It'd get my attention. I bet a lot of them couldn't take the stimulation, though.

Dawn Stone in the May '05 issue is exquisite, but her dumb jungle outfit isn't. Real lingerie featuring something like a properly undersized and sheer brassiere, along with tiny transparent crotch panties molded to her beautiful cunt, would be orgasm inducing. Even more so with a garter belt and long, black stockings.

I shouldn't have to remind you that it's the breasts we all cum for, and it would be nice to see in all your layouts those big, beautiful mammaries swollen from excessive fondling with the nipples erect and moistened with saliva.

One final comment concerning dildos: Those little wussy-colored vibrators are just not all that sexy. Why not

One reader says Bea Flora (left, June '05) is the most beautiful SCORE Girl ever. Another reader says Dawn Stone's lingerie (right, May '05) is the dumbest outfit ever. But Dawn is great!

have all of your models suck and fuck themselves with long, thick, realistic dildos, ones with standing veins and well-defined heads. Just imagine a mouth really stretched around a big faux cock or a nicely shaved cunt fully stuffed with a huge, well-lubricated cock.

Love most of your spreads but wish you'd drop the costumes in favor of more realistic lingerie. Even some everyday stuff can be really sexy when it's holding in control a genuinely curvy body with lush, full breasts.—T.S., address withheld by request

HE USED TO BE A LEG MAN, BUT NOW HE'S LOVES BIG BOOBS.

Dear SCORE,

It is never too late to teach an old dog new tricks. I've been a dedicated leg man right through to my 50th year, but in the last six months, my taste in women has changed completely.

I have become a fully committed and active breast man, and I'm looking forward to satisfying my appetite for all things boob-related with the help of your excellent magazine, which out-classes anything produced in the UK.

My transformation came thanks to Patricia and her quite marvelous breasts. She's the wife of one of the senior directors of the company I work for, and I've known her for a few years. I didn't suddenly wake up one morning and realize she had a pair of boobs to rival Nadine Jansen's. But in the last year or so, she has lost a bit of weight and spent time toning and firming her very curvy figure. Thankfully, her husband, who is a pretty okay guy, has been blissfully unaware of his wife's efforts and the fact that she now looks totally fuckable.

The one thing that became quite clear was that Patricia was one pissed off lady and just ripe for a bit of extra-marital activity. I've always been lucky, and I was the right guy in the right place at the right time.

The company I work for has regular social get-togethers for senior managers (of which I'm one) and the board of directors. These get-togethers usually follow the same pattern: a nice hotel, a good meal, lots of alcohol and sore heads the next day. The sorest head usually belongs to Patricia's husband, who never seems to realize when he's had enough. This particular night was no exception, and Patricia was fuming as

THE FANTASTIC FIVE

Linsey joins the Busty Euro Maids
for an historic lineup.

That's Linsey Dawn McKenzie in the middle, of course. The other brunette is Iva. Next to her is Marketa. On the other side of Linsey, we have Ines Cudna in the pink bikini bottom and 2004 **SCORE** Newcomer of the Year runner-up Veronika. Linsey was in Spain shooting her best-selling new hardcore video *Maximum insertion* (available on page 115). The other girls were in Spain shooting the XXX-rated DVD/VHS *Busty Euro Maids* (available at eBoobStore.com or by calling, toll-free in the U.S. and Canada, 1-800-421-0760). And we couldn't resist the opportunity to bring them all together.

Veronika, who's startlingly tall when standing next to her four big-titted pals, also shot a three-way scene with Linsey and a guy for *Maximum Insertion*, and Ines joined Linsey for some tit-to-tit action. In *Busty Euro Maids*, Iva, Marketa and Veronika have a four-way with a lucky guy, and Ines joins in for a four-way with the other three girls. So, the ladies got to know each other very well during their trip to Costa del Sol. But these pics aren't about fucking and sucking. They're about five chicks who are justifiably proud of their unique assets. So, sit back, guys. Enjoy. And marvel.

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

THE BREAST FRUIT CODE

SEXOLOGIST: "TITS AND FRUITS RELATED"

"I can tell a woman's personality from the size and shape of her breasts!" That's the claim of an Italian sexologist named Piero Lorenzoni. Piero says in the German newspaper *Bild*, "A woman's breasts denote a woman's character, just like her star sign."

Bild is a tabloid similar to *The Sun* in England and *The National Enquirer* in the United States. Dr. Lorenzoni has listed breast types according to fruit shapes and says men can draw up their own "fruit-o-scope" chart to indicate what a woman's chestal charms say about her personality.

The chart starts with melons. A woman with large, round breasts like a melon may appear motherly, but she is not.

"She likes eating and wants to be spoiled and admired," Dr. Lorenzoni said. "She seldom likes sex."

Women with lemon-shaped breasts have better (not bitter) personalities than melon girls.

"These women are full of life and can laugh at themselves," the doctor said. "They want a balanced life without surprises."

Lorenzoni categorizes oval-shaped breasts as pineapples.

"A woman with pineapple breasts is intelligent, often has a career but is still romantic," he said. "They are also faithful. Whoever wins their heart will not lose it quickly."

A girl with grapefruit-shaped breasts "may look erotic but in reali-

Annie Swanson has a great, big, juicy pair of melons, but the fruity theories of an Italian sexologist have a short shelf life.

ty is bashful and homely. She spoils her partner but prefers tenderness over sex."

Women with orange-shaped tits are self-confident, are not very sexual and enjoy conversation and partnerships. Small, cherry-breasted women are "funny and very exciting. They are entertaining and intelligent, make great partners, both for everyday life and on holiday, and are moderately interested in sex."

Pear-breasted women "love love in

all its variations," he said. "She can be very religious, but is known to have affairs."

Notice how many of these fruit girls don't seem to like sex? Did Lorenzoni try to use his theories to pick-up women like fruit off a tree and find his efforts soured? And what about the watermelon-shaped breasts of many *SCORE* Girls? Whatever, Lorenzoni has earned his 15 minutes of fame and his overripe beliefs need fast refrigeration.

A BIG-TIT THREESOME!

NAIL A BLONDE AT THE GYM!

BUBBLE BOOBS

B2Up of Japan says chewing their Bust-Up gum three or four times a day can increase the size of a woman's boobs and can also help improve circulation, reduce stress and fight aging. The gum was a big hit at the Tokyo Health Fair, where it debuted.

Bust-Up initially cost \$50U.S. per pack of 100 tablets at Bust-Up-Gum.com.

"Unlike dietary supplements taken in a pill once a day, the gum means it is constantly bombarding your system and restoring the muscle tissue that keeps breasts healthy," said a company spokeswoman. The gum slowly releases compounds contained in an extract from a plant called *Pueraria mirifica*. *Pueraria mirifica*, also known as Kwao Krua, is a species found in Thailand and Burma.

B2Up cites tests carried out by Thailand's Chulalongkorn University which found *Pueraria mirifica* was able to enhance breast size by 80%. English research allegedly found that the plant benefited the skin and hair, as well as boobs. The company also markets different *Pueraria* products, including pills and tea. The gum has sold so well that there are plans to start selling it in convenience stores.

Brandy Talore doesn't need any breast-building bubble gum. She just likes to put things in her mouth.

Cindy Cupps recommends eating a green, leafy vegetable at least once a day.

CINDY CUPPS' FAVORITE THINGS

Writes B.G., "Loved the March '05 SCORE layout of Cindy Cupps, who is one of my favorite SCORE Girls of all time. I think she has the most perfect breasts I've ever seen."

Writes B.T., "Cindy Cupps is one of a kind. She is a true SCORE model in being slim and stacked to the highest level. If I lived in Florida, I'd get lap dances every day from her until my back or money gave out, whichever came first."

And while we're on top of Cindy Cupps, these are a few of Cindy's favorite things.

THE JACK-FACTS OF LIFE ACCORDING TO BOOB BEAT

- **FACT:** A dildo is a girl's best friend.
- **FACT:** Most beautiful, busty women play the clitty fiddle at least once or twice a day.
- **FACT:** Women jack it more, and more per day, than men.
- **FACT:** Women love to see guys jack and get near-orgasmic when they see a payload of jizz launched out of a man's dick, although they won't admit it and claim it's "icky."
- **FACT:** Women hump their pillows and mattresses more often than men do.
- **FACT:** Men jack more in the shower than women, but not by much, as women love those handheld shower heads that provide long, exhilarating minutes of clit stimulation. The male version of that appliance hasn't been invented.
- **FACT:** Even when she buys a 12-inch, cock-shaped, flesh-colored latex vibrator with realistic veins, skin and a hanging scrotum, just about every woman will still refer to it as a "facial massager."
- **FACT:** Men who grew up reading now-outdated Boy Scout handbooks still feel guilty about whacking off, although their guilt doesn't stop them.
- **FACT:** Men prefer to jack off alone and get it over with. Women will happily masturbate side-by-side, especially during all-female lingerie slumber parties.
- **FACT:** A woman who claims she doesn't masturbate probably masturbates six times a day.
- **FACT:** Women have secret techniques of masturbating at work, on the bus or in the classroom.
- **FACT:** Women can masturbate to photos of men kissing the necks of women, unlike guys who are physically nauseated for days by this type of image.

HERBAL BOOB BOOSTERS

According to a study in *Plastic and Reconstructive Surgery*, the journal of the American Society of Plastic Surgeons, many breast enhancement pills contain one or more ingredients that can directly interfere with prescribed medications.

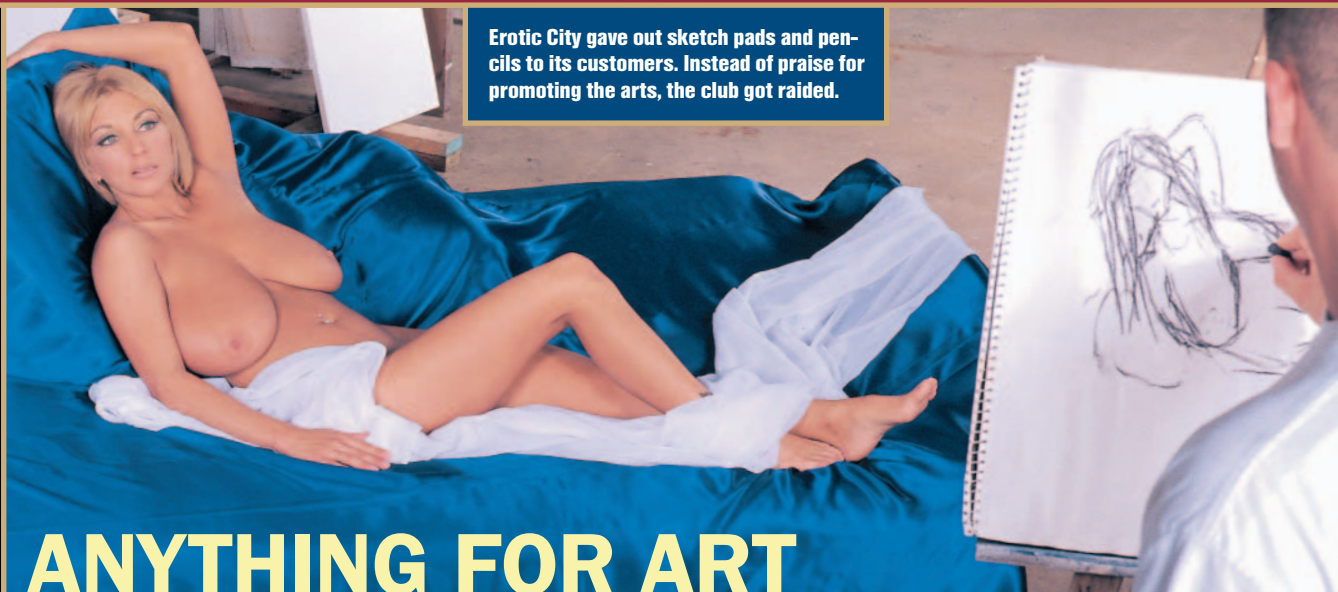

"There are upward of 30 different herbal products advertised widely on television, in magazines and on the Internet alleging to enhance the size of women's breasts. However, there have been no scientifically sound clinical trials proving they work," said Thomas Lawrence, M.D. and Chairman of the Plastic Surgery Educational Foundation (PSEF) Device and Technique Assessment Committee.

"It's what we don't know about these pills that scares many physicians. The primary active ingredients found in these supplements can be dangerous when mixed with other medications. Because many women who want bigger breasts self-prescribe these pills, they may be placing themselves in harm's way without even knowing it."

TOP TOPLESS

Forbes magazine has released its list of the world's top topless beaches. They are: Plage de Tahiti, Tahiti Beach, Saint Tropez, France; Paradise Beach, Mykonos, Greece; Playa d'en Bossa, Ibiza, Spain; Copacabana Beach, Rio de Janeiro, Brazil; Black's Beach, San Diego, California; Kuta Beach, Bali, Indonesia; South Beach, Miami, Florida; Anse du Gouverneur, St. Barts, French West Indies; Plage de Tahiti, Saint Tropez, France; Camps Bay, Cape Town, South Africa and Playa El Agua, Margarita Island, Venezuela.

The American Association for Nude Recreation estimates that nude travel is a \$400-million global industry, up from \$300-million in 2001.

Erotic City gave out sketch pads and pencils to its customers. Instead of praise for promoting the arts, the club got raided.

ANYTHING FOR ART

Cops raided the Erotic City club in Boise, Idaho for violating the city's nudity ordinance, which requires that dancers wear pasties and a thong unless they are doing a show that has "serious artistic merit."

The club had distributed pencils and sketch pads to customers during twice-weekly art nights, when the dancers performed naked.

"It's actually pretty clear in the city ordinance that there are exemptions for dance and theater and artistic merits, but the law also clearly states that the exemption does not apply to adult businesses," said a police spokeswoman. "If it were an art studio and models were actually posing, that would be one thing. But these women weren't posing. They were dancing."

Three dancers were given misdemeanor citations but were not arrested. It's always the dancers who catch the heat, right? Boob Beat recommends that next time the club plans another art night, it should distribute berets, fake beards and smocks to create more of an artistic atmosphere among the audience.

Trust us, it always works.

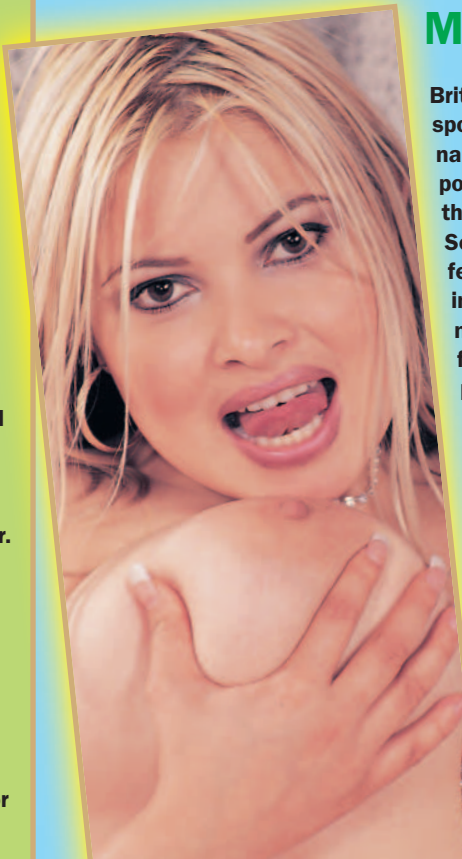

FOR YOUR THAIS ONLY

Thailand officials fined three topless models and the executives of the St. Herb Company Ltd. and halted sales of their breast cream after the girls received public boob massages as a sales promotion. They were fined 500 baht (\$12) for "causing public embarrassment with indecent exposure," the *Nation* newspaper reported. The models received 15-minute breast massages (with covered nipples) at a Thai media event.

Publicists for the firm said they would hold a new demonstration for the cream's official launch, this time using 60-year-old models behind opaque screens. That probably won't draw any boob-crazed reporters. They want to photograph tits.

"The campaign is just to promote the product without considering the damage to society," said Ladda Thangsupachai of the Cultural Watch Center. "This is taking advantage of society and an irresponsible act." A little touchy there, Ladda?

The St. Herb Company did the stunt to counter accusations of exaggerated advertising. The Thai Food and Drug Administration halted sales of the cream, saying St. Herb had incorrectly listed the address of its factory on the cream's label. Since the cream is called "breast beautifying" instead of "breast enlarging," the Thai FDA can't site them for making false product claims. Tit's a shame, eh?

MAM JUICERS

One in three new fathers in Britain admit to trying their spouse's breast milk. The aptly named Cow & Gate company polled 1,690 men to learn their thoughts about breastfeeding. Seventy-four percent said they felt included in the mother-infant act of breastfeeding a new baby, but a third of the fathers admitted trying their partner's breast milk.

The majority of those who have tasted breast milk (69%) were found in East Anglia, nearly three times the number found in Greater London (25%). Dr Natasha Bye, Head of Scientific Affairs at Cow & Gate, said, "Cow & Gate is encouraged to see that fathers are supporting their partners in the choice to breastfeed as breastfeeding is best for babies and provides many benefits."

GODDESS OF THE GLANDS

"Goddess of the North" is the tentative title of a planned half-mile long land sculpture of a giant reclining woman. She'll have breasts up to 100-feet high and will be visible from airplanes. Motorists and train passengers traveling between England and Scotland will see her splendor.

The distinguished American architect and author Charles Jencks, world famous for his books about postmodern architecture, reckons the sculpture will be finished in two to three years using gigantic earth-moving machines. The earthwork will be created 10 miles north of Newcastle, England and will be made of the waste material generated by open-cast mining, with each of her curves concealing millions of tons of mining spoil.

With 100,000 people passing the location each day, there would be public protests if the land was marred by the aftermath of a mining operation. The site is between the East Coast main railway line and the hectic A1 motorway. The Goddess is designed to prevent this possibility from happening.

"When finished, you will see the most incredible curvaceous woman lying there with her left leg over the right and her hair spread out," said Jencks, inspired by the ancient British tradition of creating huge earthworks of art.

A spokesman said the sculpture would become the centerpiece of a land-art park with footpaths over and around the goddess. Said Jencks, "When most mining companies finish at an open-cast site, they fill it and turn it back into farmland. We wanted to do something that would give back something positive to the community."

Giant breasts are always okay with SCORE. We don't know if a real woman is going to serve as a model for the Goddess, but the girls in SCORE could provide an excess of inspiration.

IN THE WORLD OF BIG BOOBS, JULIA'S TOPS.

In England and Germany, super-boobed chicks are celebrities. Their pictures appear in daily newspapers, they host TV shows, and when they walk down the street, everybody looks and knows their names. They are accorded the respect that a pair of huge tits deserves. In Germany, homegrown Julia Miles is a superstar. And rightly so.

Those folks in Germany have their priorities straight. "I appear on German TV, so the people know me," Julia said. "I have been a guest on many TV talk shows that everyone can see. The German TV newspeople have been to my home to interview me. And when I won *SCORE* Model of the Year, I became even more of a celebrity."

In North America, only *SCORE* readers and Scoreland members know Julia, and her victory in the 2003 Model of the Year contest barely registered on the celebrity meter. But it registered with Julia and her fans. "I am still in shock from winning the Model of the Year Award," said Julia, who was a runner-up in the 2004 voting. "I thank everyone from my heart for their kindness and support. It does not seem like four years since my first trip to *SCORE* in London. Where does the time go?" Well, in Julia's case, her time in the spotlight has gone well. Numerous solo layouts. Girl-girls with Chloe and Linsey. Two boy-girls. Every time we see her, she looks better. And in our minds, she'll always be what she is: a *SCORE* celebrity.

SQUEEZED

HE DIDN'T HAVE A PENNY TO HIS NAME.
BUT HE STILL HAD HIS BIG-RACKED WIFE TO FUCK.

FICTION BY MICHAEL BRACKEN

I stared hard at our bank balance, but the numbers didn't change. We'd passed dead broke weeks earlier and had moved into financial rigor mortis.

Shelly walked up behind me and placed one hand on my shoulder. "We'll get through this," she said.

I turned and looked up at my wife's pretty face, then I wrapped my arms around her and buried my head between her bountiful breasts. She easily wrapped her tit-flesh

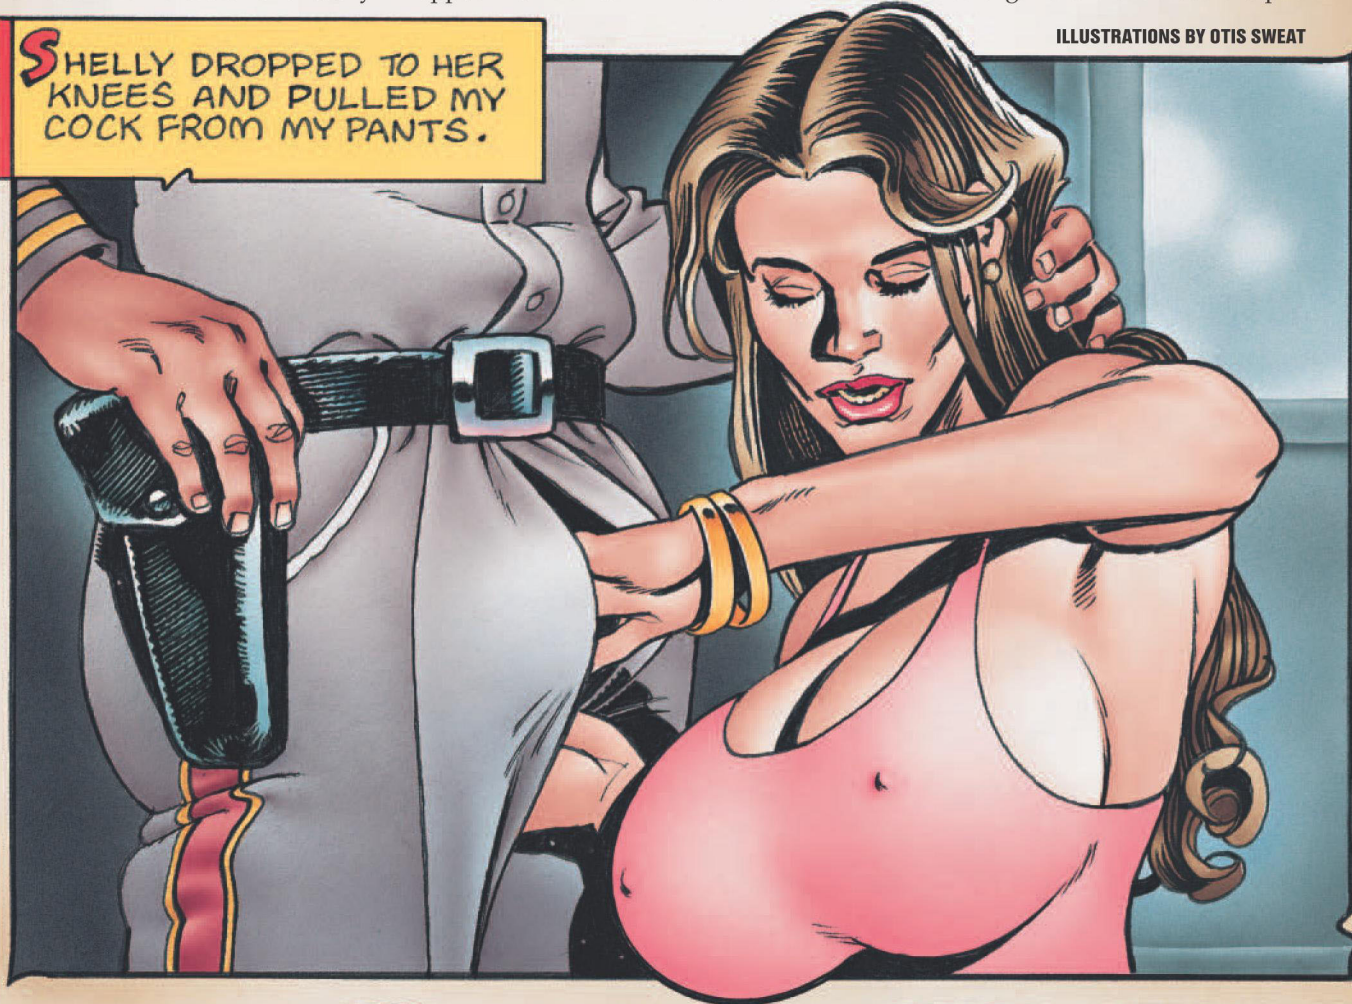

around my face, and I felt comforted when she placed a hand on the back of my head and stroked my hair.

"We'll get through this," she repeated. "We always have."

I hadn't expected to, but I felt increasingly aroused. My cock slowly stiffened, causing my jeans to become uncomfortably tight. I slipped one hand under Shelley's ridiculously thin T-shirt, over her smooth, hard stomach, and up until I cupped one of her heavy breasts through the thick material of her industrial-strength bra. I thumbed the pat-

THEN SHE PULLED

turned cloth where I thought her nipple should be and was quickly rewarded when it tightened beneath the cloth.

My wife stopped stroking my hair and reached back to unfasten all four hooks of her bra. When she did, her breasts popped out and beckoned at me. I slipped my hand under her bra and over her tit. I felt the indentions in her tit-flesh where the underwire bit into her skin, and I felt the nubbly surface of her constricted areola. I took her fat nipple between my thumb and forefinger and twisted it gently.

Shelly's breath quickened.

I pulled my head back then pushed my other hand under her T-shirt and under her bra, capturing Shelly's other breast. Her soft tit-flesh oozed between my fingers as I squeezed.

My wife peeled off her T-shirt and her bra and dropped them to the floor. The sight of her ample tits, milk white and huge, made my cock twitch. I

released my grip on her tits just long enough to adjust the crotch of my jeans. Then I kissed Shelly's belly before kissing my way upward. I kissed one fat nipple and then the other. I took one in my mouth and sucked hard on it. Shelly grabbed the back of my head and pulled my face tight against her breast, nearly suffocating me with her mammary mountain.

"Oh, God," Shelly whispered. "You're making me so wet."

I reached under her stomach and unfastened my wife's jeans. I pulled them down to the middle of her shapely thighs, and then I hooked my thumbs in the waistband of her white cotton panties and pulled them down as well. My wife's pussy, buried beneath a thicket of dark brown curls, was already damp. I slipped one hand between her thighs as I continued suckling her breast, separating her swollen pussy lips with my fingers. I quickly found her

turgid clit, and I stroked it with my index finger. I slipped a second finger into her hot hole, and then a third. Before long, Shelly began moving her hips back and forth, humping my hand.

Then she pushed my face away from her breast and stepped back. As she bent to peel off her jeans, she said, "What are you waiting for? Get those pants off."

I stood, took off my jeans, and dropped them to the floor. I barely had time to kick them away before Shelly pushed me back into the chair. She stepped forward, straddling me as I sat in the kitchen chair. She flopped one heavy breast on each of my shoulders, and then lowered herself onto my rigid rod. I couldn't see what was happening, but Shelly guided my cock between her pussy lips. As soon as the mushroom cap of my cock head was inside her, she dropped into my lap, impaling herself on my stiff shaft.

My wife's feet were flat on the floor and she pushed herself up and dropped herself down. I grabbed hold of her waist and held on tight as she rose and fell, rose and fell, fucking me hard and milking my cock for all it was worth.

She came first, stopping suddenly as she let out a gasp and a sigh and all of her weight dropped into my lap. I thrust up into her quivering quim once, twice, three times, and then I came, shooting thick wads of cum deep inside Shelly's hot box. Her pussy throbbed, seeming to milk every drop of cum from my cock.

Shelly didn't move at all until my cock softened and slipped from her. Then she kissed me full on the mouth, hard and deep, our tongues entwining, before pushing off of me and walking out of the kitchen. I watched her ass until she disappeared down the hall. A minute later, I heard the shower.

I turned back to the table without pulling my clothes on and stared at our bank statement. Shelley had taken my mind off our problems for a few minutes, but the problems still remained.

The next morning, I used the last few dollars of change in my pocket to buy a cup of coffee and a donut at Sinkers, a hole-in-the-wall bakery at the corner of Down and Out.

"You okay, Tommy?" asked the little man behind the counter. "Looks like the world's got you by the balls."

TIGER.**

You've seen this before: Pretty girl is walking down the street. Short skirt. Heels. Low-cut top. Tits. You think, *Man, I'd love to see those babies*. But is she bold enough to show 'em? Well, here's Panther, this issue's first newcomer. And she's definitely bold enough.

"I think it's hypocritical to dress sexy and then get all huffy when guys check you out," said Panther, a student/customer service rep who describes her favorite style of dress as "business casual with hints of cleavage." She added, "I mean, they're there! You can't miss them. So look at them! I'd be insulted if you didn't." Yes, Panther is our kind of girl.

"I want men to see me naked, and I want them to see me fuck," said Panther, who enjoys going to museums, sightseeing and watching football (the San Diego Chargers are her favorite team). "I want guys to look at my tits and think about cumming all over them. I want them to look at my pussy and think about how good it must feel. And I guarantee, it feels great." No doubt, guys: This Panther is wild!

SUMMER SINN:**"I'M QUIET AND SHY BUT I LOVE TO FUCK!"****One of 2005's top newcomers talks about her favorite things.****INTERVIEW BY ELLIOT JAMES
AND DAVE ROSENBAUM**

Summer Sinn is quiet. And shy. She's from stuffy ol' Boston, Massachusetts, and her idea of a good time is going to the beach, shopping and taking long walks.

So what's a nice girl like Summer doing in a magazine like SCORE?

One look at her JJ-cup tits should give you the answer.

And if you still don't know, try watching her sucking and fucking and tit-fucking in the DVD/VHS SCORE Xtra #11 (available at www.eBoobStore.com).

Summer, who splits her time between Boston and Fort Lauderdale, Florida, is a SCORE Girl in the classic tradition: slim 'n' ultra-stacked. You could probably fit your hands around her waist, but don't try doing the same thing with her tits.

On second thought, go ahead. Try. Chances are, Summer will let you.

She's a very giving girl, as you're about to find out in this exclusive interview conducted at SCORE HQ (video excerpts from this interview are online at Scoreland.com).

SCORE: Well, Summer, you're sitting there in a micro-bikini with an American flag on the nipples, and I'm feeling very patriotic.

Summer: Would you like to salute me?

SCORE: Would I ever! But let's talk about you a little bit. You're from Boston, right?

Summer: That's right. Born and raised. I have the biggest boobs in Boston, and if anybody's bigger, I haven't seen them.

SCORE: Nobody's close to you?

Summer: No.

SCORE: Do you like boobs in general?

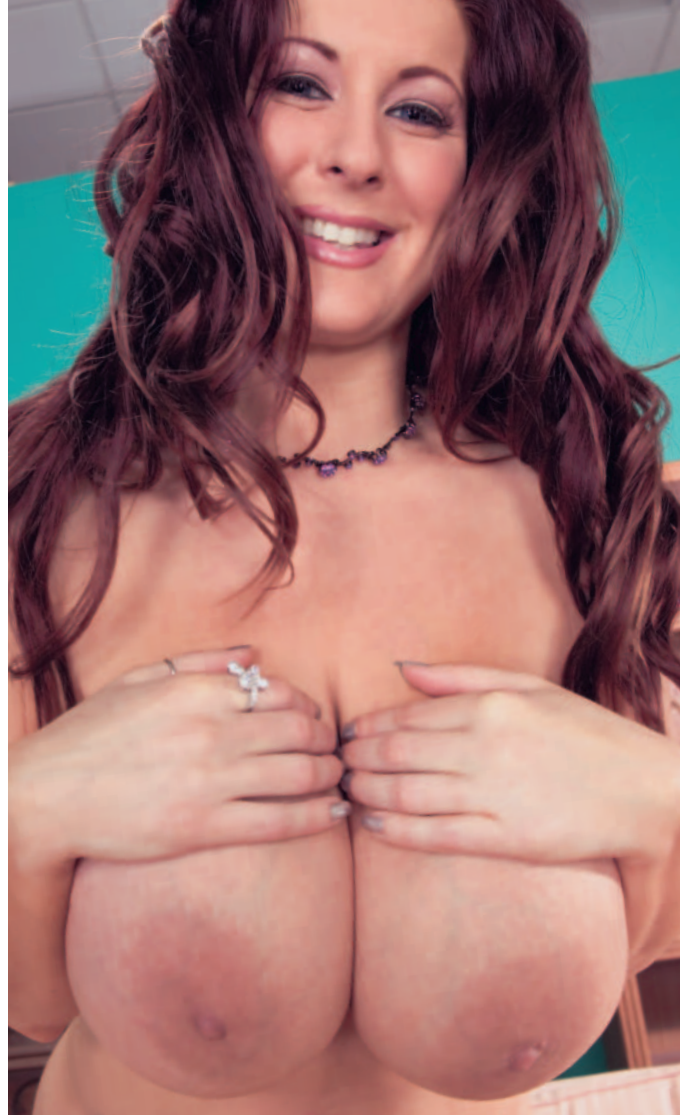

Summer: Definitely. The bigger, the better. I like big boobs on a tiny little body. It's sexy.

SCORE: Are there any models who

you look up to for inspiration?

Summer: Pamela Peaks is one. I'm friends with her. And Deena Duos.

SCORE: Ever meet her?

Summer: No, just through email. But I think they both look good because they have big, huge boobs and tiny, tiny bodies, and they're both pretty girls.

SCORE: What position do you sleep in?

Summer: On my back and

on my side. No way I could sleep on my stomach. It's impossible.

SCORE: Now, Boston's a conservative city, isn't it?

Summer: Yes, very. But I can't put down Boston. I love it.

SCORE: And you have a great Boston accent. Of course, Boston's cold.

Summer: And in the winter, you have to wear lots of clothes. And there aren't many strip clubs. Just two.

SCORE: Boston's maybe the worst strip-club town in America. Do you dance?

Summer: I dance at parties. Bachelor parties. And I danced at Fantasy Theater in Boston for three years.

SCORE: Now, let's say you were out for a walk down, let's say, Commonwealth Avenue. That's a main street in Boston, right?

Summer: The main street.

SCORE: If we were to see you walking down Commonwealth Avenue in July, what would you be wearing?

Summer: A tube top. And I'd get a lot of stares. Some yelling, but mostly stares. When I walk down the street in a tube top, people talk. They mostly whisper, but I don't pay attention.

SCORE: Do you like being the center of attention?

Summer: Sure! I wouldn't have gotten these if I didn't like attention.

SCORE: But there's such a thing as too much attention, isn't there?

Summer: Sometimes. When I don't want attention, I'll wear baggy shirts, but I'll still get attention. There's no hiding my boobs.

SCORE: So what else would you be wearing on this summer day?

Summer: Little shorts, maybe. A little skirt. Tube tops are my favorite with little shorts.

SCORE: Now, you're five-feet-two and you have a little waist and a little body. Do guys like to manhandle you in bed? You know, stand up and pick you up by the waist and bounce you up and down on their cocks?

Summer: Not really, but they do like to grab my boobs and my little waist. That's what they go for.

SCORE: They don't want to lift you up in the air and fuck you?

Summer: [Laughs] No. They just want my waist and my boobs.

SCORE: Now, if you went to the supermarket, what would you be wearing?

Summer: I wear a lot of tube tops and tank tops no matter where I go.

SCORE: You're better suited to living down here in Florida, aren't you?

Summer: [Laughs] I definitely am.

SCORE: Have you ever caused a car accident by walking down the street?

Summer: [Laughs] Not that I know of.

SCORE: What happens when you go through airport security? Do they want to strip-search you?

Summer: Not really strip-search me, but one time, my nipple ring made the alarm go off, and they had to search me. They thought I was hiding something between my boobs, so I had to lift them and pull them apart. A woman searched me. Two women.

SCORE: We know how guys react to your boobs, but what reaction do you get from women?

Summer: I get more reaction from women. Staring. Talking. More women are fascinated with my boobs than men.

SCORE: Do they ask you questions?

Summer: Yeah, like what size are they? Where did you get them done? How old were you? Why did you get it done? But they're mostly positive. I don't get a lot of negative reactions. Just some dirty looks from women.

SCORE: Have you ever gotten out of a speeding ticket because of your boobs?

Summer: I usually get warnings. Unless it's a female cop.

SCORE: So let's say you just went 95 miles-per-hour through a red light and wiped out six kids. The cop stops you, and as he's approaching the car...

Summer: I'll unzip my shirt or unbutton it. That's what I did with a woman cop, but she said, "It's not going to work this

time, honey." But I've gotten out of a lot of tickets.

SCORE: Can we talk about your tattoos? What that's on your right arm?

Summer: My ambien. It's tribal, but it doesn't mean anything.

SCORE: Do any of your tattoos mean anything?

Summer: No, I just got 'em cause I like 'em. I like fairies, so I put a fairy on my lower back. She's sitting on a pedestal.

SCORE: And you have one that's on your belly button, too.

Summer: That's tribal. It doesn't mean anything, either. And the one below it says my name. It says Summer. And then I have a rose next to my pussy. And I have one on my ankle. It's an anklet of roses and leaves. And I have my Italian flag on my calf.

SCORE: Were you always into tattoos?

Summer: Yeah. Piercings and tattoos. That's why I pierced my left nipple.

SCORE: Let's talk about sex. How big a part do your boobs play in sex?

Summer: A big part. I like my boobs, but the guys I'm with like my boobs because they're boob guys. Otherwise they wouldn't be with me.

SCORE: In general, don't you have to go out with boobs guys?

Summer: [Smiles] Yes. If they don't like my boobs, they're not gonna like me.

SCORE: No? You have a nice personality and you're pretty.

Summer: But besides that, physically, they might not like me if they're not into boobs.

SCORE: Have you ever gone out with a guy who didn't like big boobs?

Summer: No.

SCORE: Do all guys like boobs?

Summer: No. Some like no boobs. I don't find guys like that, and I don't want them, but I know they're out there.

SCORE: What's the most sensitive part of your boobs?

Summer: My nipples. They're more sensitive now than ever.

SCORE: What do you like a guy to do to your breasts in bed?

Summer: Lick them and suck them. I like it. Softly, because they're sensitive. Don't bite

and suck them.

them. I'm not into domination. Maybe start out by licking them a little, then sucking them a little, then licking them some more, then sucking some more. Pay lots of attention to them. Go from one to the other. Give both of them plenty of attention. That gets me going.

SCORE: Have you ever cum just from having your breasts licked and sucked?

Summer: No, but sucking on my boobs gets me all wet!

SCORE: So if a guy's in bed with you and he wants to get you going, the first place he should go...

Summer: Is to my nipples.

SCORE: Not your pussy?

Summer: Nope. He doesn't even have to touch my pussy to get me wet. Just lightly touch my breasts and nipples.

SCORE: With two hands? One hand?

Summer: It doesn't matter. As long as his tongue's on my breasts.

SCORE: For how long?

Summer: All night! [Laughs] A few months. Okay, a few minutes.

SCORE: Will most guys go right for your boobs?

Summer: Most of the time. Sometimes they're polite and they'll kiss me, but most of the time they'll go for my boobs. But I don't want the same thing all the time. That's no fun.

SCORE: So it's lick 'em, suck 'em...

Summer: Fuck 'em! [Laughs]

SCORE: Summer, you can't even say "Fuck 'em" without laughing. I guess that must be your private school upbringing surfacing.

Summer: [Laughs] No! No private school.

SCORE: When you're tit-fucking, whose idea is it, yours or the guy's?

Summer: Mine. He'll be licking and sucking my boobs, and I'll just say to him, "Fuck them!"

SCORE: Most of the models we talk to say they tit-fuck for the guy, but it doesn't excite them.

Summer: Not me. I like it. I don't do it for the guy. My boobs are so sen-

ANASTASIA DIDN'T THINK SHE WAS SPECIAL. WE KNEW BETTER.

In 2004, only two newcomers became the main covergirl of the world's No. 1 big-boob magazine. Newcomer of the Year Kelly Kay was one of them. You're looking at the other. Her name is Anastasia, she's from Moscow, Russia, and she was shocked when her copy of *SCORE* arrived in the mail and she saw herself on the cover.

More proof that some girls must not have mirrors at home: "I never thought of myself as anything special," said Ana, as she likes to be called. "Oh, sure, I have been told that I am beautiful and sexy, but I always thought that was just men being men and wanting to get into my panties. But now I think that maybe they were being honest." Hey, Ana, we never lie. You're fucking red-hot!

"Many things have happened since I was in *SCORE*," said Ana, who is fluent in Russian, English, French and Spanish. "I received my bachelor's degree in international relations, and now I am going to graduate school. I want to use my skills and knowledge to make the world a better place." Ana could use her boobs and face to make the world a better place. She smiled when we told her that. "Maybe now, I will do that, too," she said. "It could be fun!"

WARNING: YOU WILL SEE ABSOLUTELY NO NUDDITY ON THE NEXT EIGHT PAGES. What you *will* see are 20 bikini babes who put those *Sports Illustrated* swimsuit models to shame. This, men, is what busting out of a bikini is all about. Because no girl can fill out a bikini like a *SCORE* Girl, and that's what makes this one of our most unique pictorials ever. On these pages, you'll see what marvels these *SCORE* Girls really are. Because they're all wearing bikinis designed for the average women. But these women are anything but average.

"I hardly ever wear a bikini," Lulu Devine once said. "First of all, it just isn't practical, and second of all, I'd cause too much of a commotion at the beach. "Yeah," I said. "The world twists any harder and I'll be singing falsetto."

"That bad, huh?"

I had known Eddie for a long time, and there weren't any other customers in the place. While I told him my problems, he refilled my coffee and slipped me another donut. It wasn't one of the fancy ones, but he didn't charge me for it, either.

"Sounds like you need to make a few bucks quick," he said.

"I'm already taking all the overtime I can get," I said. "I don't know what else I can do."

Eddie leaned across the counter and looked me dead in the eye. "I know a guy," he said, "can solve your problem for you."

"Yeah?" I asked. "How's that?"

"Let him tell you himself," Eddie said. Eddie had never made much money selling doughnuts. The shop was only a front for his other activities. "I can set up a meeting."

"Do it," I said, dunking the last of my free donut in my coffee. "What have I got to lose?"

"Everything," I told Shelly after I explained the situation to her. "I could lose everything we've ever worked for if I do this."

"And if you don't?" Shelly's heavy breasts rested on the table top, barely restrained by a thin cotton nightgown.

"If I don't..." I took a deep breath and looked down at the bills I'd piled on the kitchen table. "We'll probably lose it all anyhow."

I told her that all I had to do was leave a door unlocked.

"Won't the police suspect an inside job?" she said.

I shrugged. "They'd almost have to, wouldn't they?"

"When do you have to decide?"

"Friday. The shipment arrives Tuesday, and they need time to line up the rest of the crew."

Shelly surprised me. "Tell them you'll do it."

"Are you sure?" I asked.

"Absolutely." Then she told me why.

The next three days disappeared into history, and Friday morning, I returned to Sinkers. Eddie's friend waited in one of the booths, and a moment after I slid onto the seat

across from him, Eddie hurried over with two coffees and doughnuts.

"You in?"

"I'm in."

Eddie's friend pushed his untouched coffee and doughnuts toward me. Then he slid from the booth and disappeared.

I finished the first coffee and doughnut and took the others to work.

At a quarter past 10, Shelly arrived with a paper sack that I quickly stuck in my locker. The other guard was walking the perimeter, and we had at least half an hour alone in the guardroom.

"Everything set?" Shelly asked.

When I told her it was, she stepped close to me, pressing her body against mine. She reached down and cupped my package in her hand. My cock reacted immediately and stood at attention. She tugged down my zipper and reached inside my uniform pants. Then she snaked her hand through the opening in my boxer shorts and grabbed my erect cock.

"How much time do we have?"

I glanced at the clock. "Twenty minutes. Thereabouts."

Shelly dropped to her knees and pulled my cock from my pants. She closed her fist around the base of my cock shaft as she wrapped her lips around the spongy soft head. I had already released a drop of pre-cum, and she licked it away. Then she took the entire length of my cock into her mouth in one swift gulp. She grabbed my ass and held my crotch against her face as she tongue-spanked my rod. Then she pulled her face back until her teeth caught on the underside of my glans.

I grabbed the back of my wife's head and began face-fucking her, thrusting forward and then pulling back as fast as I could. The keys hanging from my left hip jangled as I pumped forward and back, forward and back.

I couldn't hold back—I didn't want to hold back—and so I came. I fired a thick wad of hot spunk against the back of Shelly's throat, and she quickly swallowed every drop.

As soon as my cock stopped throbbing, Shelly licked it clean, and then she pulled her face away from my crotch and stood up. I stuffed my semi-flaccid cock in my pants and zipped up. She was still licking her lips when Willy opened the door.

"Hey, Shelly," he said. "Sam forget his lunch again?"

I'm due for my performance review in an hour."*

**DON'T LET HER LOOKS

CAN BE A BAD GIRL.**

"My favorite way to satisfy a man is to 69," Michelle Bond says in a video interview at Scoreland.com. "And my favorite way to be satisfied is to 69." Would any guy out there *not* let this beauty have her way? Imagine licking Michelle's succulent pussy while her hanging F-cups rub against your chest and her mouth works its magic on your cock. Guys, that would be heaven!

Michelle, who lives in a tiny town between Chester and Liverpool, England, is full of surprises. She looks so sweet and innocent. But she likes bad boys. With her model looks, she looks like the type who'd just lay back and demand that a man satisfy her. But she loves sucking cock as much as she loves having her pussy eaten. And she isn't standoffish at all. She wants men to look at her, and she dresses to show off her assets. "Not at work, of course," said Michelle, who's an events coordinator. "At work, I'm totally professional, and I don't use my assets to get what I want. But in the bedroom, I like to have fun. I can be very quiet when I'm around people in public, but when I'm having sex with a guy I like, I'm very loud. But you have to make me scream." Guys, care to give it a shot?

"Yeah," she said. "I just stopped by to see if he wanted to eat later."

"Maybe tonight," I said with a wink.

I walked Shelly to the door and watched as she crossed the parking lot to the front gate.

Willy stood next to me. He said, "That's a whole lotta woman."

The guards alternated shifts—first shift one week, followed by second shift the next week and third shift the week after that. The following Monday, Willy and I moved to second shift. On Tuesday night, he called in and said he couldn't make it to work. Someone had jacked his car.

The supervisor phoned a few minutes later and repeated Willy's message. "I can't get anybody else in there tonight. You be okay by yourself?"

"Sure," I told him. "Nothing ever happens around here."

After I hung up, I took a deep breath. Everything was falling into place.

At a quarter till eleven, I unlocked one door near the rear loading dock, dropped a tire iron in the bushes and continued my rounds. Fifteen minutes later, I returned to find a guy nearly twice my size propping the door open. He must have heard me, because he spun around to face me.

"You ain't supposed to be here."

I responded by leveling my pistol and plugging him twice in the chest. I closed and locked the door, then put the crowbar to it and tore it open. When I finished, I pressed the crowbar into the dead guy's hands and tossed it aside. I patted him down quickly and didn't find any weapons. I reached into my pocket and took out the revolver my wife had brought me in my lunch sack a few days earlier. I put it in his hand.

Then I glanced at my watch. Only a few minutes had passed since I'd shot him. I ran back to the guardroom as fast as I could and then snatched up the phone and dialed 9-1-1.

Breathing heavily, I told the operator about the break-in and the shooting. Within minutes, the place was swarming with cops.

I repeated my story until I grew hoarse and didn't get home until daybreak. Shelly lay in bed.

"How did it go?" she said.

"Exactly as planned. You?"

"Perfect."

She threw back the cover. She wasn't wearing a stitch of clothing, and my cock responded. I tore off my uniform, leaving my clothes, and then I dove into bed with my wife.

I kissed her hard, our tongues entwining with passion. Then I kissed her nipples, sucking them into my mouth and bringing them to full arousal. I kissed my way down her chest, then I buried my tongue in her muff.

Shelly spread her legs wide, and I licked up and down her swollen pussy lips, tasting her desire. I spread her lips apart with my fingers and drove my tongue into her, plunging it in again and again. Her dark brown pussy hair tickled my nose, but I didn't stop. I quickly found her turgid clit and sucked it between my teeth.

"Don't tease me!" Shelly commanded. "Fuck me!"

I released my oral grip on her clit and then pushed myself up and onto her. Shelly reached between us and guided my cock into her slit. I slammed my cock deep into her.

I fucked her hard and fast, and her grip on my ass grew tighter. Suddenly, she screamed, arching her back and thrusting her pelvis upward. I slammed into her again and again and again. And then I came, joining her in orgasm.

Two days later, the police located Willy's stolen car. Inside it were two gentlemen who'd been shot in the back of the head: Eddie and the man he'd introduced me to at his doughnut shop. The police identified Eddie quickly because his wallet remained in his pants pocket. When they went to his doughnut shop, they found a floor safe open and empty.

The police never found anything connecting me to the attempted burglary. My employer sent Shelly and me on an all-expense-paid to the coast for a week as a reward for my diligence. And once the police realized the burglar was after 500 pounds of cocaine hidden inside a shipment of talking baby dolls, they opened a new line of investigation.

What they never found was the 200 large Shelly took out of Eddie's floor safe. It took a year to pay off our debt without attracting unnecessary attention, but we did it. And we'll never be dead broke again.

Or maybe she'll take you into the basement for a little arts and crafts...and then suck you off so she can use your cum as glue. Yes, this new-comer can be full of surprises.

Diane lists her occupations as porn star and interior decorator, an unusual combination. Her hobbies are watching sports and doing arts and crafts. She likes neat, polite, clean-cut men...who will fuck her in the bathroom during a commercial-airline flight. But here's the most amazing thing about Diane: She's 54 years old...and still red-smoking-hot!

"I'm hornier now than I've ever been before in my life, I'm having more sex than ever, and I have more guys checking me out than ever," Diane said. SUMMER SINN INTERVIEW

Continued from page 50

sitive, it feels good to have a guy's cock between them.

SCORE: Well, Summer, here's a big dildo. Could you show us your tit-fucking technique?

Summer: Sure. [She takes the dildo.] First, I gotta get it all wet. [She takes it into her mouth.] Then I'll rub his cock against my nipples. Then I'll get it all wet again, rub it up and down to make sure it's real hard, then I'll wrap my tits around it and move them up and down. Sometimes guys get lost in my boobs, but they don't seem to mind. I can make just about any cock disappear.

SCORE: For how long does this go on?

Summer: Maybe 10 or 15 minutes.

SCORE: And the guy shouldn't cum?

Summer: Well, he might! [Laughs]

SCORE: What do you like so much about tit-fucking?

Summer: It feels good, not only on my nipples and my breasts but in my whole body. My nipples get hard.

SCORE: While the guy is tit-fucking you, do you lick the tip of his cock?

Summer: Sometimes I'll try to suck him if I can reach.

SCORE: Do you talk dirty, too?

Summer: No. It's not like I'm urging him to fuck my tits. He should know what to do.

SCORE: Okay, so let's say we've been tit-fucking for 15, 20 minutes. I haven't cum yet. Are you getting hornier?

Summer: Yes, and my pussy's getting wet. And now it's time for you to eat my pussy. That's my second favorite.

SCORE: Can you tell us exactly how a guy should eat your pussy?

Summer: [Takes off her panties and spreads her legs.]. Right there. [She rubs her pussy lips.] Fingers outside on my lips. He can stick one or two fingers inside if he wants to.

SCORE: Should he work his tongue around the edge of your pussy and stick it inside?

Summer: No! Just lick my clit. Go right for it.

SCORE: Licking? Flickering?

Summer: Both.

SCORE: Slobbering?

Summer: No! I don't need the extra lubrication. I'm wet enough.

SCORE: For how long should a guy eat your pussy?

SCORE: Do you like to 69?

Summer: Yes, with me on top so my boobs hang down and my ass is in his face. I like to be on top.

SCORE: When a guy's eating your pussy, are you watching him or do you have your eyes closed?

Summer: Oh, I watch! And he shouldn't stop until I cum. What fun is that?

SCORE: When you cum, is it then time to fuck, or should he eat your pussy a little more?

Summer: Nope, then he can fuck me.

SCORE: Is fucking your third-favorite thing to do?

Summer: Yeah. [Laughs] That's the order. Tit-fucking first, eating my pussy second and fucking third.

SCORE: What's your favorite position?

Summer: Me on top. I like to be in control, and the guy can see my tits best that way. Then doggie-style. I like how my tits hang down, and he can slap my ass, and his cock goes in my pussy so much deeper that way.

SCORE: Now, when a guy's fucking you, should he still be paying attention to your boobs?

Summer: Yes, always! Even when he's licking my pussy, he should have his hands on my boobs. Always pay attention to my boobs!

SCORE: On what part of your body do you like a guy to cum?

Summer: On my tits. Or on my ass, but I prefer my tits. If he's fucking me doggie-style, he can cum on my ass, but otherwise, he should cum on my tits.

SCORE: Why?

Summer: So I can watch. And then I'll rub his cum into my boobs. Just watching a guy cum all over my boobs turns me on, to think that my boobs can do that, can turn a guy on so much.

SCORE: I get the impression that you don't like lovey-dovey sex.

Summer: No. Not really. I like action. I've always been that way.

SCORE: Where's the most unusual place you've ever had sex?

Summer: The beach, but that's not unusual. It was night. In the car, too, but that's not unusual. A lot of people do that. The car was parked, and we were in the back seat. It excited me being in public and doing that. But the beach was my favorite, just being out in the open and not being enclosed.

SCORE: Have you ever given a guy a blow job while he was driving?

Summer: All girls have, haven't they?

PATRA

WANTS YOUR COCK

THERE'S NO NEED TO BE SHY WHEN YOU'RE AROUND THIS CHICK.

Newcomer Patra is a dirty girl. "The first time I had sex was in my asshole first and then in my pussy with two guys," said this Italian exotic who came to the United States a few years ago. "My fantasy is to fuck two girls and a guy at the same time. And I like tall guys with big, fat cocks."

PATRA BIRTHDAY: Dec. 2, 1979 AGE: 25
HEIGHT: 5'4" WEIGHT: 116 lbs. BRA SIZE: 36DD
MEASUREMENTS: 40-24-36 BORN: Milan, Italy
LIVES: Bay Shore, New York OCCUPATION: Model

Patra enjoys porn, dancing and sucking cock (although not in that order), and if she likes you, you'll know it, because she isn't afraid to make the first move. "My mother taught me to be a lady," she said. "I didn't listen to her. If I want to fuck, I shouldn't have to wait for you to ask me. I'll walk up to you and rub my big tits against your chest. Then I'll grab your balls through your pants and start rubbing. And then I'll say to you, 'You can fuck me if you want.'" That's an offer no *SCORE* Man could refuse.

SUMMER SINN INTERVIEW

Continued from page 86

SCORE: In Boston?

Summer: In Boston.

SCORE: In rush-hour traffic?

Summer: Yes. It was exciting. We were stuck in traffic, and I just kinda leaned over and pulled his pants down. He was a bit surprised.

SCORE: Was it daytime?

Summer: Yes, but that's the whole fun of it. You want people to see.

SCORE: Did they?

Summer: I don't know. I wasn't paying attention to them. I was concentrating on sucking his cock.

SCORE: And he came?

Summer: Yes. In my mouth.

SCORE: Have you ever had sex with two guys at the same time?

Summer: No, but I've done two girls and a guy. Me, my girlfriend and a guy. I'd like to be with two other girls and a guy, but that hasn't happened.

SCORE: How'd the three-way happen?

Summer: It was my friend's boyfriend. We did it for his birthday.

SCORE: Does she have big boobs?

Summer: C-cups.

SCORE: What did you do to the guy?

Summer: Everything. It was a surprise. We were waiting for him when he got home from work. We were both wearing little, skimpy outfits.

SCORE: So he walked in...

Summer: And then we took him into the bedroom and took his clothes off and sucked him off and fucked him. He was pretty happy about it, especially when I licked his balls while his girlfriend sucked his cock. Every guy likes that.

SCORE: Besides having sex, what do you like to do in your free time?

Summer: I like to go to the beach. I like shopping, tanning.

SCORE: You like to go to the beach? That's hard to do in Boston.

Summer: I like to come down here [to Florida] and go to the beach. And for tanning, I like to go to tanning salons.

SCORE: What else?

Summer: I like to go for walks. In little booty shorts. [Laughs]

SCORE: Are you a sports fan?

Summer: No, I'm not. Not even a Red Sox fan. Sorry. And I like to go clubbing at night. Dancing.

SCORE: You dancing must be a sight.

Summer: [Laughs] There are lots of people, so I get lost in the crowd.

SCORE: I doubt that. What's your favorite vacation spot?

Summer: Fort Lauderdale.

SCORE: So if we go to Fort Lauderdale Beach...

Summer: That's where I am in my little bikini, unless I'm out at night, and then I'm wearing a little tube top.

SCORE: Favorite TV show?

Summer: *The Newlyweds* with Jessica Simpson.

SCORE: She'd look good with a boob job, wouldn't she?

Summer: Yeah, but she doesn't need a boob job. She has big boobs already. She has a skinny little body and big boobs.

SCORE: How big do you think her boobs are?

Summer: A D-cup.

SCORE: Ah, so you're an expert! Favorite music group?

Summer: I like rap, so Eminem.

SCORE: Favorite perfume?

Summer: Pink.

SCORE: Favorite alcoholic drink?

Summer: Sex on the Beach.

SCORE: Favorite food?

Summer: Italian. I'm Italian.

SCORE: Favorite color?

Summer: Black.

SCORE: Last question: What do you wish you were better at doing in bed with a guy?

Summer: Hmmm...I don't talk much. I'm quiet, so I'd like to talk more. Maybe talk dirty. I know guys are really into that, but I just can't bring myself to do it.

SCORE: You're shy, aren't you?

Summer: Yes, which I guess is surprising because I do this, and here I am sitting here naked and playing with my pussy, so that's not exactly what a shy girl is supposed to do, right? I'm quiet and shy but I love to fuck.

SCORE: Sounds like a good headline for this interview. Do you think people who knew you when you were younger would be surprised to see you here, posing naked and fucking and sitting in front of me playing with your pussy?

Summer: Yeah. I was kinda shy growing up and kinda quiet, and I really didn't do much, so I think they'd be shocked. But they're not shocked because I still know most of those people and they know what I'm doing. But if I'd looked ahead then, I wouldn't have imagined that I'd be doing this.

SCORE: Well, we're glad you are. Thanks for joining us, Summer

Summer: Thank you! And I'm definitely having fun doing this.

**THERE'S NOTHING LIKE
A PAIR OF BIG, TEEN TITS.**

"My friends were shocked when they saw my pictures in *SCORE*," said Diane, a Scottish teen who made her debut in the Feb. '05 issue. "One of them said, 'Diane, I can't believe you had the nerve to do this!' And one of the guys who I've known since I was 12 said, 'I knew you had great breasts, but I didn't know they were *this* great.' I guess now everybody knows."

Diane has yet to take off her panties for our viewing pleasure, but most readers don't mind. Wrote one fan, "In time and at her own pace, Diane may become one of your top models. She has all the right attributes: slender body, huge bust, camera presence and a lovely face and smile. I'm sure many of your readers would agree...Great Scot!"

he slumped in his chair, asleep. When I stepped in with a few kind words and a martini, she was quite flirty.

This was unusual for Patricia, who was a really classy lady and not the sort to get drunk. She was usually quite shy and reserved, but this night, she knocked back two or three drinks quite quickly and then asked me to help her get her husband back to their room.

This I did, and she thanked me and said goodnight. I suggested she leave him to sleep it off and enjoy herself a bit longer, and she thought about it and said she wasn't too keen on rejoining everyone else as she was a bit embarrassed. So I suggested raiding the mini-bar in my room, and after thinking it through and biting her lip, she agreed.

We headed down the hall to my room. I told her that her husband was crazy because she looked amazing. Bolstered by a few drinks, I said, "You know, I've always been a leg man. But a woman like you could persuade me that breast is best."

Patricia giggled like a schoolgirl and pointed out she was approaching her 40th birthday and there were far more attractive, younger women around.

"Not with such a great body as you have," I answered.

I really hadn't planned anything, but at that moment, I realized how much I'd always wanted to fuck her. So when Patricia said, "You're just being kind," I showed her I wasn't.

I sat next to her, took her hand and rubbed it over the bulging erection in my trousers. Patricia pulled her hand away, but then she looked at my crotch and felt my cock again. Without saying a word, I unzipped my trousers and took out my stiffening cock. Patricia curled her hand around its shaft and started to rub it slowly. She was wearing quite a low-cut dress buttoned up the front, and I started to undo the buttons and reveal what lied beneath.

Patricia continued to pump her hand up and down my cock, and I managed

to release her massive boobs. Then Patricia bent forward and started to lick the tip of my cock. This lasted a few seconds, and then, after taking a deep breath, she sucked half of my shaft into her mouth. Her tits pushed heavily against my thighs as she sucked on my cock. She came up for some air and said, "I haven't had one of these in my mouth for quite some time."

I then said, "When was the last time you gave a tit fuck?" Amazingly, she said she never had.

So I got her to wrap her boobs around my shaft and heave them up and down. It felt and looked amazing. I almost shot everything I had over her tits right there and then but managed to hold off. As Patricia gave me that tit fuck, I completely forgot I'd ever been a leg man.

When she released me, she hitched up her skirt and lowered herself onto my cock. She rode me like she hadn't been fucked for years, and her tits bounced around my face beautifully. I had a tight hold of her firm-but-fleshy bum cheeks and pulled her onto me hard. She was screaming, and I was glad the people in the neighboring rooms were in our party and were still at the bar as they would have known what was happening.

Patricia came long and loud and then climbed off. I knelt beside her, and she wanked me until I came all over her exposed tits. It was pretty short, but it was one of the best fucks I've had.

As Patricia got her breath, I told her that if her husband didn't appreciate her amazing new body, then there were plenty of guys who would. She giggled again, kissed me and thanked me, and with that, she hurried back to her room.

I didn't see her the next day, but there was a note pushed under my door that said, "You are right. I think it's high time I started to have some fun."

From what I gather from a guy who works in the same office as Patricia (she works for our company as a receptionist), she's taken to wearing sexy outfits and has all the blokes ready to fuck her. I may even look for a transfer to that office!—E.F., Lichfield, England 🍌

Nature Girl

THESE PICTURES ARE PROOF: JOANA IS A SPECIAL WOMAN.

We close out this issue with one of our favorite sights: big tits in the great outdoors. Yes, something special happens when a chick takes her rack outside for the first time, and for this, Joana's first outdoor pictorial, Joana went to a mansion on the Costa del Sol in Spain, where many other naturally chesty chicks have bared their gifts.

Nicole Peters, Ines Cudna, Cassandra, Veronika, Iva, Linsey Dawn McKenzie...the list of *SCORE* Girls who have bared all on the Costa del Sol keeps getting longer, and Joana is proud to be following in their bra cups. "These are my favorite pictures," the Romanian beauty said. "I felt so sexy being naked outdoors."

SEXUAL FANTASY: "To have sex outdoors while people watch."

2005 has become another "Year of the Naturals," and Joana, who debuted in the January '05 issue, was the first in a long line of great natural newcomers: Diane (pages 98-103), Bea Flora, Ana Jota and Marilyn Sakova are making 2005 memorable, and Joana is thrilled to be mentioned in the same company as them. "I have never thought of myself as special or unique," she said. "Back home, I am just a coffee shop manager. But when I am in *SCORE*, I am a star. Isn't that funny? And when I went to Spain with my friend Crisa [June '05] to take these pictures, I felt like a celebrity. The mega-sized tits in this video belong to Minka (left), who gives a lesson in sex, from blow jobs to fucking to, of course, her specialty: tit-fucking. Talking dirty is Debbie Leigh's (right) specialty. Gutter-mouthed Debbie says things like, "I'll suck your cock all night long," and "Don't deny me your bloated shaft," and "Fuck my tight pussy, you dirty bastard," until the dirty bastard shoots his sticky load directly onto her eyeglasses.

Claudia (left) made her **SCORE** debut in the August '05 issue, and here she is making her on-camera XXX debut. Kitty Lynxxx (right) is an anatomy student in college, and she eagerly shows off the private parts of her anatomy to a new French student. There are two Angie Swards. There's the one that *SCORE* readers got to know in the October '02 and March '04 issues: the wholesome girl-next-door with nice (but not super-sized tits). And there's the new Angie. Bigger tits. Bolder attitude. Willing to suck cock and get fucked on camera. That's the Angie we're happy to see here.

You are looking at Angie's first time... on camera, of course. She's one of the stars of the new DVD/VHS *My Boob Heaven*, in which a horny tit lover has the greatest day of his life. Angie is the second fuck of his day. He sees her at the gym, and she asks her to spot him. Which he does, although somehow, his cock ends up down her throat and inside her pussy. Yep, only in the movies. And only with the new Angie Sward. Ya just gotta love her!
