FINALLY, LINSEY DAWN IS NO. 1

Dear SCORE,

Congratulations to Linsey Dawn McKenzie on winning the SCORE Model of the Year contest. This is an award Linsey should have won many years ago.

In my opinion, and respecting the SCORE readers' tastes, Linsey is in another league because she has a very natural beauty. She has been loyal to her fans for nearly 10 years because she continues modeling, unlike other models who just pose for a few months and then disappear forever. For these and many other reasons, Linsey should be the Model of the Millennium.

I've been a LinseysWorld.com member for over two years, and I've downloaded at least 15,000 pictures and all of the videos this site has to offer, and in every new Linsey video or photo set I see, she doesn't stop impressing me with how beautiful she is. Please, never let Linsey get away.—Roberto, Puebla City, Mexico

Linsey's appeal is timeless, especially when she's offering up her tits for a fuck.

LINSEY, VICKY, FAMILIAR FACES AND SHITTY NYC STRIP CLUBS

Dear SCORE,

Some comments about the July '05 issue. It's about time Linsey was voted Model of the Year. How does she keep getting bigger yet keep her figure?

Boob Beat: I thought I saw a familiar blonde when I saw a photo of Adult Expo attendees. Imagine my surprise when I found out it was Tiffany Towers. Is she making a comeback, or was she there signing autographs?

Vicky Vann: It's really a shame that she didn't plunge full time into being a big-boob model. What a lost gem.

"Ski Bunny" Michaela: Does SCORE publish an overseas version? At the rate you keep discovering these overseas honeys,

The July '05 issue was packed with busty cock-raisers, including Vicky Vann (top of the page), whose modeling career was much too short. Michaela (above right) was one of three newcomers in the issue, while Jada (bottom right) came back to SCORE and dared us not to cum. That's one dare we're not gonna take.

there may come a day very soon when no American girls appear in an issue. I like Michaela's mix of blonde and brown hair.

"Ultimate Strip Clubs": It's disappointing that there are no New York City clubs listed in the top 20, but I can understand why. NYC clubs aren't as cool as they used to be before the Giuliani crackdown. Rudy may no longer be mayor, but it's not like the rules returned to pre-Rudy status. At least now I know where to go if I'm ever near any of these establishments.

I wish SCORE would do a similar list for the UK. I was there last year, and the strip club I went to was pretty tame. I see you guys used a number of Bobbie Roxx's photos to illustrate the article. I regret never getting the opportunity to see her in person.

"I Dare You not to Cum": I wish Jada was a house dancer in New York so I could accept her challenge. I've had some hot lap dances in my time, but no gal has ever made me cum. I think Jada should get the cover for her next appearance. What a hottie!—Delmo, New York, New York

Dear Delmo: Tiffany has launched a limited comeback and can be seen in Elizabeth Starr's new DVD *Faster Pussycat, Fuck!* Fuck! For more of Tiffany, check out her website, Tiffany-Towers.com, for the largest collection of Tiffany's photos and videos in the world.

A MATURE, DDD-CUP READER DISCUSSES HER FAVORITE SCORES

Dear **SCORE**,

My husband and I absolutely love **SCORE** and have bought several of your totally filthy fucking videos. My favorite is **SCORE Xtra #5**. Ashley Evans is a bad-ass woman. I'd so badly like to eat my young hubby's jism from her horny pussy. She is why I adore big tits and nasty fuck talk.

I'm a 48-year-old from Kansas, and my husband is 30. My name is Lisa. I'm 5'10", 125 pounds with brand-new 38DDD tits as my wedding gift from Tod. I went from a 36C to a 38DDD, and I wish I'd done it years ago.

I'm writing to praise the January '03 issue of **SCORE**, which I find to be the best ever. Cindy Cupps and Kandi Cox are the hottest fucking chicks I've seen in **SCORE**. They drive me fucking mad with lust.

The other honey in the June '03 magazine I find so gorgeous and raunchy looking is Kristy with her come-fuck-me eyes and lips. What a sexy lady!

Tawny Peaks and Mandi Melons add even more reasons my pussy is aching if I even glance at the drawer where I keep my favorite issue.

Please keep up the perfection, and more, more, more Cindy, Kandi and Kristy.—Name and address withheld

Dear Reader: Forty-eight years old? 5'10", 125 pounds? DDD-cup tits? Excuse us for asking, but why didn't you send us pictures of yourself? And why didn't you include your contact information? Please, send us photos, now!

ANGELA WHITE'S VACATION PICS

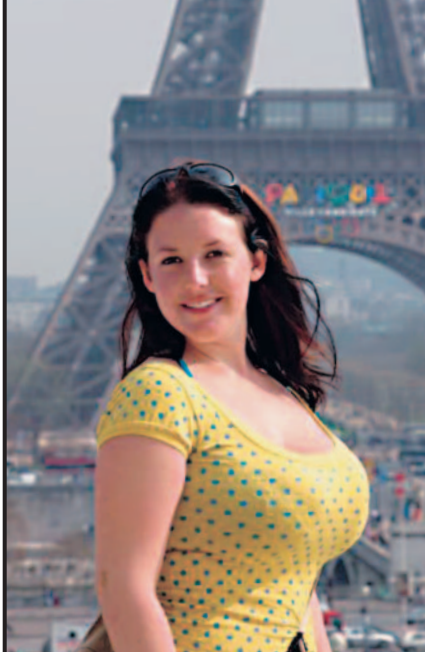

Dear SCORE,

I'm back from my holiday in Europe, and I thought I'd send along a few snaps. Hope you enjoy them!

Here is one of me posing in front of the Eiffel Tower (right). In the next one, I am sitting on a real torture chair in the Torture Museum in Amsterdam. There was no security there, and a friend that I met in Amsterdam and I had had a couple of drinks, so we just ran amuck! When I got up, I had spike marks all over my bum.

There is a shot of me (bottom) in the little black number and beret I wore to the Moulin Rouge (which was fabulous!). Then I met David Beckham and we became really close. Okay, I'm at Madame Tussauds, but I can dream right? I was really sad to leave Europe. I had such a fun time. I'm planning to travel there again as soon as I can.

-Love, Angela White

Angela White took her natural beauties all over Europe on her vacation. The Eiffel Tower (above) is one of the wonders of the world, but Angela is a true natural wonder.

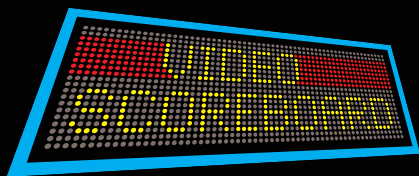

AND A READER MEETS ANGELA

Dear SCORE,

I'm from Australia, and I recently had the pleasure and honor of meeting the one and only Angela White. I saw her shopping in Sydney, and I couldn't believe my eyes when I saw her.

I followed her around the store until she finished her purchases, and as she was about to leave, I worked up the courage to say hello. I was so glad I did. She wasn't at all stuck up and was so nice and bubbly, she even stopped and spoke with me for 15 minutes while she was waiting for her friend. I always thought she was so hot, but now after meeting her and seeing how amazingly nice she is (and how beautiful she is in real life), she has become my favorite SCORE and Voluptuous model.-S.H., Sydney, Australia

RECIPE FOR A SCORE GIRL: KERRY + INES + LDM + NICOLE = BEA

Dear SCORE,

If Kerry Marie, Ines Cudna, Linsey Dawn and Nicole Peters all happened to fall into Jeff Goldblum's teleportation machine, the girl who'd step out of the other pod would be Bea Flora (June '05). Wow! Bea is your best discovery since the mighty Sharday. If she doesn't win Newcomer of the Year, I'll eat my own head. She already won my vote, and that's before I've even seen the girls you have lined up for July to December.

Just a couple of suggestions: Please feature more lingerie in your pictorials. My turn-ons are fishnets and high heels. Try to include at least one heels shot in each set. And in SCORE Xtra, please have some girls being fucked by multiple guys. I know you've done this on occasion, but not enough.—K.S., Barnsley, England

Dear K.S.: We agree. Bea is spectacular. But did you see Bea's bosom buddy, Anna Jota, in the July issue? And Amber Brooks in the August issue? And Marilyn Sakova in the September issue? And wait until you see Cynthia on page 26 of this issue! K.S., you just might have to eat your own head. Or did you mean hat?

NATURALLY STACKED SCORE BABES GET HARDCORE!

Sure, *Voluptuous Xtra #10* carries the V-Mag label, but of the six chicks who fuck and suck in the video, four (Veronika, Angelica Raven, Marketa and Brandy Talore) have been *SCORE* regulars, and one (Emily Anderson) is slim 'n' stacked enough to appeal to *SCORE* Men. After all, what *SCORE* Man wouldn't get off on seeing Angelica as a busty employee who gives her boss a blow job to keep her job? Or Marketa offering up a long, luxurious cock sucking before offering up her tits and pussy for a deep fucking? *Voluptuous Xtra #10* has everything any *SCORE* Man could ask for.

Angelica Raven

Marketa

Brandy Talore

Emily Anderson

Brandy has a test and needs to get an A, so she hires a tutor. The test is on the female reproductive system. That includes Brandy's pussy (which the tutor slams) but not her mouth (which the tutor slams, too). A wishful Emily uses breast cream to make her chest grow. When she wakes up with bigger tits, her shocked husband test-drives her fluffy new rack.

BIG-COCK PARTY GIRL

CHRISTINE ALLURE TALKS HUGE ONES!

When **SCORE** reader Jack in Chicago sent us a series of questions to ask models, we thought of Christine Allure, who has a bangin' scene in the DVD **SCORE Xtra #11**. Our thanks to Christine (www.ChristineAllure.com) for being a cock-loving busty girl.

SCORE: What is the biggest cock you have ever had?

Christine: Ten-and-a-half inches long and pretty fat. My pussy is very tight, so it took a while to loosen me up. The guy also had a metal cock ring on, so he stayed very hard the whole time. And when he was done, it took quite a while for his cock to soften. It was a wild ride, and I don't know if I can handle anything much bigger.

SCORE: What is the most guys you have fucked in one evening, such as at an orgy or sex party?

Christine: A couple of years back, a big-time adult movie producer invited me to his birthday party in Hollywood. I had such a great time, I ended up having sex with four guys in one evening. It was a blast.

SCORE: How old were you when you first fucked a guy with a huge cock?

Christine: I was about 25 when I started to enjoy guys with huge cocks. Size really does help.

SCORE: Would you describe yourself as a cock-craving women, especially compared to other women who you know? Do you hang out with other ladies who share your appetite for big cocks and fucking?

Christine: I'm definitely a cock-craving woman. I dream about wild sex almost

Big-tit sex superstar Christine Allure enjoys fucking, sucking and handjobing huge cocks.

every night. Sometimes with as many as 20 guys. I don't think my body could handle it in real life, but it's fun to dream. I don't have a lot of girlfriends. I'm sure you can understand why.

SCORE: Have you ever been with a guy who turned you on so much that you sat across from each other and played with yourself and watched as he played with himself?

Christine: Yes, I love watching men pumping their huge cocks for me. I tell them how much I enjoy seeing their cocks get so huge and hard and how I want to see all that hot, sticky cum all over my tits.

SCORE: Have you ever inserted a double-headed dong into your pussy in order to measure how long a cock your pussy could ultimately accommodate?

Christine: I have a big black dildo. I got about 10 inches in. But I think a real man might be able to get a few more inches in me in the heat of passion.

SCORE: Do you like it when guys cum in your mouth?

Christine: Yes! I really like it if the guy is a big cummer, too. I love it when cum drips off my cheeks and onto my huge boobies, too.

SCORE: Do you like to talk dirty and nasty to your guys as they fuck you?

Christine: Yes. When I'm having sex, I turn into a real bad girl. I tell them that I'd like them to take me to bars and sex parties. Once there, I'll start to drink tequila, which gets me very horny. Then I'll tell them I want them to take me into the bathroom and have just about every man in the bar use

me, one after another. Sometimes it's a story about being taken to a private party where men are using me, a few at a time all night.

Most of the time it drives guys crazy when you tell them stories like that while having sex.

SCORE: When you are being fucked by a guy with a huge cock, after you cum on his cock, do you enjoy when he keeps pumping away? How many times can you cum like this?

Christine: I love it when he keeps pumping me hard. Most of the time I don't feel fulfilled until I've cum at least three times.

SCORE: Have you ever been fucked well by one guy, and after he came, did another guy take over and keep fucking you?

Christine: It happened the night of that Hollywood party I mentioned. It felt really good to get fucked hard by one guy after another. It takes a lot out of a guy when he is having sex. So it is really nice to have a fresh, hard cock to keep the party going.

SCORE: Do you and your current partner enjoy swinging? How frequently would you estimate you attend swinging events and private orgies? Have you ever attended a big-cock party, where all of the guys had to be over a certain size, say nine inches or more?

Christine: Any man I go out with would need to understand that I must have an open relationship. I really enjoy fetish parties. Since I started acting in adult films, I don't attend swing parties. My career and my health are very important to me. Swinging seems like a high-risk practice to me.

I feel very safe in the adult business, and I would love to do more adult movies with many of these themes. The idea of a big-cock party for Christine Allure with a half-dozen or more guys with huge cocks just for me sounds like a great idea for a movie.

SCORE: Thanks, Christine. We look forward to your next pictorial, with or without a big cock.

Christine: Thanks, although I'm really hoping that it'll be a big cock. That's what I like best!

POINT/COUNTERPOINT: CLOTHING VS. NUDITY

Should we get our models naked right away? Or should we show them in bras and tight clothing? Readers and Scoreland.com members checked in on this topic that never fails to generate heated opinions. Send your comments to SCOREcard.

CLOTHING: YES!

"One thing that has not been featured is a SCORE Special featuring pictures of your amazing models in tight and revealing clothing. What I like about the tight clothing pictures is that it allows you to see what it would be like to see Linsey or Lorna Morgan in the street walking next to you and to look at their amazing chests in the sexy clothes they wear. Cleavage, spillage and fillage! I'm sure lots of readers would like to see a feature like this, and I am sure you have plenty in your archives to fill a few pages."—Lee.

"There is nothing more sexy or a bigger arouser than a big-breasted babe in a low-cut dress, blouse or sweater with no bra. Also, wearing a blouse, shirt or dress with the buttons open showing a tempting amount of cleavage."—G.B.

"I say nude is fine, but it is the sight of an extraordinary woman packed into ordinary clothes that is so sexy to the eye. Seeing a bra, tube-top, tank-top or T-shirt stuffed so tight that it looks like it will burst any second can be sexier than most can imagine. I would love to see more stretching tops, overflowing bras and shoulder straps that have so much tension on them that they are pulled away from the body."—S.G.

"The occasional shot of a girl wearing extremely sexy and provocative clothing gets my dick hard. I have no use for seeing the girls in regular, everyday jeans, but I do like seeing them in super-slutty clothes that they'd never dare wear out in public. For example, mini-skirts that ride up their butts and tops that barely cover their nipples."—R.E.

Do you want to see Nicole Peters, Minka and Colt 45 wearing tight sweaters and bras or do you want to just get to the bare skin?

CLOTHING: NO!

"A while back, someone wrote that he's turned on by the sight of seeing the models with their clothes on before they get naked. I have just one question: What kind of homo are you? If you want to see clothed women, just take a walk down the street and look all you want. The reason 99% of the guys are here is to see naked women, and I see no reason any space should be wasted on the models with their clothes on."—C.L.

"I have seen guys write in that they want to see models in bras, wearing tennis shorts, and who knows what else! Who cares? If these guys want to see the models in clothes, let them buy a Sears catalog or go get Victoria's Secrets. You are giving in to the dildo wankers and the Sears bra watchers who get off by flipping through the Sears catalogs to get their kicks. I don't want to see women in bras. I get that at home. I want to see tits, which is why you formed SCORE in the first place, I presume."—R.K.

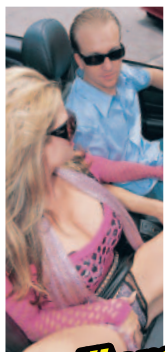

"If you want fashion photography, go buy *Cosmopolitan*. Give me a break!"—Ryan.

"Forget the clothes. I would rather see a gal the way that I might see her in bed: tit close-ups, pussy close-ups, asshole close-ups. See the pores on her skin, the veins, the imperfections, and not washed-out flesh that looks like it has a ton of makeup on it. The mistake you guys make is holding back the good stuff. You think that you have to keep stringing us along. This is a bad strategy."—D.B.V.

Do you want to see Iva, Ines Cudna and Sharday naked right away or do you want to see them stretching thin blouses and wet tees?

Looking stacked in the ad for *Stacked*!

PAM ANDERSON IN NEW TIT-COM STACKED

In the Fox-TV tit-com *Stacked*, one of Boob Beat's favorite actresses is a playgirl who gets a job at a book shop called *Stacked*. Christopher Lloyd (Reverend Jim of *Taxi*) co-stars.

"Her character is loosely based on her, but an unfamous version of Pamela Anderson," *Stacked* creator Steve Levitan said. "And we get to take lots of liberties."

"It's a bit of a stretch," Pamela said. "But it's fun to kind of poke fun at yourself. It's so great to have a real job and work with real writers and real actors. There's, like, rehearsals and things. I've never done that before, so it's like a whole new thing. This is like my first real job! I thought I would have to give the writers a lot of stories. But I didn't have to give them anything because everybody already knows everything about my life."

We don't give *Stacked* any chance of survival, despite Pam's optimism, and predict an early cancellation. After jacking to Anderson bouncing around in swimsuits and slut outfits in her previous shows, *Bay Watch* and *VIP*, the stuff she wears in *Stacked* is a let-down. Plus, the scripts are boring and the camera work never exploits her still-awesome body.

SCORE'S FIRST WRESTLING DVD IS A B.L.O.W. JOB

B.L.O.W. is the hottest, chestiest wrestling DVD ever in the history of the sport. It's a must-own for your top-shelf collection.

That's your friendly neighborhood **SCORE** columnist getting the crap knocked out of him by the huge-boobed **B.L.O.W.** Girls (Angela White, Annie Swanson, Brandy Talore and Cherry Brady) at the end of their wrestling championship. I learned a valuable lesson by agreeing to appear in *Busty Ladies of Oil Wrestling*: never trust a big-titted woman and always wear clean underwear. I was the referee-turned-victim for these body-slamming bitches while **SCORE** editor Dave acted as color man and projects manager Lawrence helped the girls in their physical training segments.

"**B.L.O.W.** was an awesome DVD to make, and it was especially exciting working with girls who I had fantasized about," said Angela, who ultimately won the Golden Bra Award for taking down her three chesty opponents. "There is nothing I'd rather be doing than rolling around

in oil with three busty chicks."

Cherry said, "**B.L.O.W.** was one of the most fun times I've ever had. It was a blast! I'd get oiled up and roll around with hot, busty babes any day. It was so much fun sliding around in that oil, probably the most fun I've ever had. Me and Brandy couldn't stop laughing in the beginning while we were wrestling, and I know we were supposed to be serious, but it was way too much fun to act serious."

"I thought it was fun, very exciting and a great new idea," Brandy said. "I had so much fun, and I loved the other girls, who were super hot...not to mention oily!"

When you get **B.L.O.W.** by logging on to eBoobStore.com or calling 1-800-421-0760, you help support the slippery yet proud tradition of big-titted oil wrestling. Think about that and do the right thing for once in your life.

Maxi proudly holds her Guinness Book of World Records title.

MAXI MOUNDS: WORLD-RECORD TITS!

"It's official now," Maxi Mounds told **SCORE**. "I'm the Guinness World Record holder for World's Largest Augmented Breasts!"

"I first contacted Guinness in August 2003 to see if they had a category for augmented breasts," Maxi explained. "At the time, they told me they didn't, so I suggested they should start one. In January of 2005, they contacted me to ask if I was still interested in applying for the record because they had taken my suggestion and created a category. That started the long, complicated process of gathering and creating the docu-

mentation they required for an official Guinness Record. They recently let me know that I am the first winner and sent me this congratulatory letter and my official Guinness Certificate. The new Guinness book comes out later this year, and my record will be in it."

SCORE congratulates Maxi, who's sure to attract even more media attention worldwide and do more nightclub appearances with her Guinness credit.

LOLO FERRARI & GUINNESS

The Guinness Book of World Records was launched in 1954 by (no pun intended) Hugh Beaver, then managing director of the Guinness Brewery. It's unlikely Beaver imagined that gargantuan breasts would factor into his yearly edition.

Maxi Mounds is the first person to get recognized for having the world's biggest augmented breasts, but Guinness did have a record for the world's heaviest augmented breasts. In 1999, the late Lolo Ferrari's 71-inch bust reportedly weighed six pounds, two ounces (2.8 kilograms) each.

Lolo had natural 37C cups, went to 39D at 20, and hit 54G many surgeries later. She debuted in the May 1997 issue of SCORE.

Death of a Porn Star, a new documentary about Lolo, is on Channel 4 TV in the UK. Five years after her death, her images and her life story still hold their strange power.

BOMBSHHELL!

CYNTHIA'S GONNA DROP HER DOUBLE-DS ON YOU!

The story of how 20-year-old Cynthia Romero came to *SCORE* begins with a horndog photographer walking down a street in Paraguay and discovering *Voluptuous* model Romina Lopez. It continues with Romina saying, "I know this other girl..." And it ends happily with Cynthia saying, in Spanish, "I'd love to pose!"

CYNTHIA **BIRTHDAY:** February 18, 1985
AGE: 20 **HEIGHT:** 5'5" **WEIGHT:** 127 lbs. **BRA SIZE:** 34DD
MEASUREMENTS: 38-26-34 **OCCUPATION:** Computer science student
BORN & LIVES: Paraguay **HOBBIES:** "Dancing, shopping, riding bicycles and rollerskating. I also like to shop for sexy clothes with my friends."

SCORE 29

"When Romina told me she was posing for a sexy magazine, I said to her, 'You should tell them about me,'" Cynthia said. "I was partly joking, but when Romina told me that *SCORE* was interested, I said, 'Maybe I will give this a try.' Men are always looking at my breasts anyway, so now I am giving them more to look at." Cynthia adds to what has been a knockout year for naturals. Diane, Joana, Bea Flora, Ana Jota and Marilyn Sakova... Cynthia is the latest. And the greatest? "I just want men to enjoy me," she said. "I do not want to compete. I want to have fun."

She had a need for speed that only the futuristic roadster could satisfy. Could any man fuck her tits like the 1889 Paxton-Stäkt?

BY C. B. WYLER

Stacy Tupper slid her tongue across a pair of lips that were every bit as shapely and lush as the rest of her 24-year-old body. Beneath her topcoat, the doe-eyed beauty shivered as Miles Hedge, her would-be fiancé, drove them hard and fast down the long stretch of road alongside Tarnation Ravine.

The 1889 Paxton-Stäkt Roadster was capable of blistering speeds, and pushing the automobile to its limit had put a look of ecstasy on Miles' face. His hands, sheathed in gloves of costly Italian leather, struggled to keep the Paxton-Stäkt from plunging into the deep ravine banking on one side of the trail or the thick woods along the other. Speed had a way of working Miles up, and Stacy purred as she eyed the bulge showing under Miles' coat.

Her admiration was short-lived, however, for the automobile's violent jolting was tossing her busty body back and forth cross the leather upholstery. Whenever Miles hit a pothole, Stacy's ass would bounce off the seat, sending her airborne before gravity sucked her back down.

Although speed got Miles off, it was the Paxton-Stäkt's bumpy ride that got Stacy horny. She was using one hand

to keep from being hurled from the vehicle and had the other grinding between her thighs. All the high-speed jerking had turned Stacy's big nipples firm and tender while her pussy had gone creamy with desire, reducing her to whimpers of frustration that were drowned out by the automobile's motor. After miles of this vehicular foreplay, Stacy would do anything to bring her yearning, wet snatch some relief.

Miles looked at Stacy. She had on goggles to protect her big, caramel eyes from the trail's dust, random spatters of grease, and the occasional ill-fated insect, but, whereas Miles wore a woolen driving coat, Stacy had on a calve-length, camelhair duster that accommodated her titsome charms while providing the snug fit requisite for automobile voyages. Her dainty hands were adorned by soft gloves while upon her head was a ladies top hat of cured beaver pelt preferred by blue-blooded Englishwomen with a

penchant for fox-hunting. Her lavish blonde hair had escaped its pins, allowing the soft, stray strands to lick at her pretty face and whip about.

When Miles looked back at the road, his heart nearly seized upon seeing how close to the ravine the Paxton-Stäkt had drifted. In one swift motion, he whipped the auto-carriage back on track, reached down, raked open his fly and pulled out his long, skinny prick.

Stacy rubbed her fist harder against her pussy upon seeing the pole-like limb standing tall in Miles's lap, looking not unlike one of the automobile's gearsticks. In a second, she was leaning her shapely body across the seat so she could fill her mouth with cock. The only thing Miles loved more than driving fast was driving fast while getting a blow job, and Stacy, crazy with lust, was happy to oblige him.

Stacy wrapped her gloved hand around Miles's cock. As she sucked on the thing, she unconsciously twisted

and tugged it in time to Miles' up-and-down shifts. It wasn't long before Stacy felt Miles getting ready to explode. Although she'd gotten over her qualms about swallowing his cum, she wasn't anxious to have Miles shoot off just yet. She knew from experience that he'd be useless if he came first, and while she didn't need him to climax (no man had ever been able to really get her off), she needed him to operate the automobile, which was capable of giving her blissfully intense orgasms.

Miles grunted as he pushed himself deeper into Stacy's lovely face, but just when it seemed he couldn't keep from cumming, Miles bolted upright, nearly banging Stacy's head against the steering wheel as the automobile backfired and veered wildly.

Stacy pushed herself up to find that Miles had nearly hit a man on horseback. As they sped by, she saw the startled horse throw its rider before it ran off screaming. Through her smudged goggles, Stacy peered over the back of the auto-carriage at the increasingly distant figure lying motionless in the dust.

"We should help him!" Stacy cried.

"He's fine," Miles said. "That wasn't much of a spill."

"I don't think..."

Stacy's protest was cut short when Miles wrapped his fingers around the nape of her neck and shoved her face back to his crotch. With a resigned sigh, Stacy took his hot rod in her mouth. Figuring that once she sucked him off she stood a better chance of convincing Miles to go back and help the stranger, Stacy gave him the best head she could over the next half-mile. Yet even with his balls ready to burst, Miles couldn't cum. He hit the brakes.

"Are we going back?" Stacy said.

Miles didn't say anything. He instead got out and stepped onto the road, circled the auto-carriage to its elaborate front grill, and just stood there, impatiently tugging on his beanpole prick.

Stacy had once been hopeful that this prairie-playboy could make her cum. He had confidence, looks and money to burn. But in the end, it hadn't been Miles who had gotten her off but his horseless carriage. Stacy may have fallen in love with the auto-carriage at first sight, but she'd fallen head-over-heels in lust with the thing the first time she climbed in and felt its engine turn over.

As she went to Miles now, Stacy felt a

BIG-TIT LOVER, PART ONE

MEET NEWCOMER DANIELLE DEREK. SHE'S A LOT LIKE YOU: SHE LOVES BIG TITS!

"Me and my girlfriend Alexia are always arguing over whose tits are bigger," said Danielle Derek, a boob-loving newcomer whose stacked girlfriend Alexia Moore makes her *SCORE* debut on page 107 of this issue. "On the plane coming down to *SCORE*, we got into an argument over it, and the lady sitting next to us got up and moved. But we can't help it. We just love talking about big boobs!"

"I think Alexia's boobs are bigger than mine, and she thinks we're the same size, but I think she's just being nice," said Danielle, who looks like a cross between generously racked celebrities Pamela Anderson and Mariah Carey. "We're hoping all the *SCORE* readers will decide for us, but to tell you the truth, it doesn't really matter. I love big boobs, DD-cups or bigger, and I love playing with Alexia's big boobs. So either way, I win!"

pang of guilt upon realizing how turned on she was, because a man was lying injured back there on the road. Stacy didn't remove her goggles or hat. She merely rested her ass against the automobile's grill and waited for Miles to take charge of her curvy body.

Even in idle, the Paxton-Stäkt's motor snarled and growled, spat and hissed like an angry game-cat trying to escape a steel cage. Stacy fought the urge to moan as the quaking machine rubbed against her butt. If she had just five minutes alone with the idling automobile, she knew she could cum her brains out.

"Open your coat," Miles ordered.

As Stacy undid button after button, Miles beat off faster. With the exception of a corset, a pair of stockings, and her button-down shoes, Stacy was naked under the duster, and the idling roadster she was leaning against was jiggling her massive breasts. Despite their girth, the creamy bare mounds flowing over her corset were surprisingly firm. Little crows' feet stretch marks were beginning to show against the otherwise flawless skin of her chest, faint signs of the ongoing battle with gravity in which Stacy's enormous tits were engaged.

Miles let go of his prick and moved closer to Stacy until his tall frame towered over her body. The girl looked down when Miles' rigid member poked one of her soft swells, and then she turned her goggle-shrouded eyes upward, smiling coyly as Miles brushed his cock over her firm nipple.

"Bet this makes you randy," Miles

commented, his arrogant voice shaky with lust.

Miles was a talker, but his fuck-talk was too absurd to excite Stacy. Stacy gave him a distracted smile and a polite nod. The engine was making her huge breasts shudder against Miles's prick. If she really listened to the mechanized cacophony of the idling motor, she could hear a serenade within its deafening song: TEE-tut-TEE-bang-BANG-tut-TEE-tut-TEE-bang-BANG-tut...

Stacy slid her body down until she was sitting on the bumper. When she guided Miles's skinny prick into her ample cleavage, the auto-carriage bucked harder, and its rhythmic song turned faster.

...TITtee-bang-BANG-titTEE...

Miles grunted as his shaft vanished between Stacy's mounds and then whimpered when she used her pillowy globes to stroke his cock.

...BANG-BANG-titty-titty-BANG-BANG-titty-titty...

"You're an insatiable vamp!" Miles gasped before grabbing Stacy's shoulders tight while fucking her huge tits.

"The most brazen cum-hussy you've ever met," Stacy said, her voice heated and tense. The stilted dirty talk didn't do much for her, but Miles loved it; he'd leaked so much pre-cum between Stacy's huge, syrup-glossed tits that watching Miles plow her cleavage was like watching a piston pump a well-lubed cylinder.

Miles shivered unwholesomely. "You're a nymphomaniac, Stacy!"

"And you love boobie banging nymphs with great big bosoms, don't you, Miles?" She hugged his prick between her breasts, then leaned back

against the grill to let the auto-carriage vibrate the shaft buried in her cleavage.

...TITTY-TITTY-BANG-BANG-TITTY-TITTY-BANG-BANG...

Miles cock twitched between Stacy's breasts. He yanked his bloated member free and wrapped his gloved fist around the gnarled thing to jerk it mercilessly. Stacy was getting worked up by Miles' nearing explosion, and she moaned as she watched his prick trace crazy arcs before her face. Still, she wasn't so wrapped up in Miles' pleasure that she didn't realize he was going to ruin her camelhair coat by spattering it with cum. Unlike Miles, Stacy didn't come from a wealthy family, and the coat, purchased to impress Miles, had cost a fortune she couldn't really afford.

Ignoring her frustrated excitement, she snarled, "You gonna cum for me?"

Miles groaned as Stacy repositioned him between her spread thighs. She wriggled her creamy shoulders free of her coat to get it out of the line of fire and slipped her hands beneath her huge spheres and hefted both sumptuous slabs up high.

"Squirt all over my big titties!" she screamed.

Stacy wiggled her ass against the Paxton-Stäkt, getting off on the heavy vibrations shaking the slick lips of her pussy, teasing her clit, and sending thrills up her wet chasm. When Miles shoved his hips forward to rub the tip of his cock all over Stacy's face, Stacy opened her mouth so he could spank his shaft against her lips and tongue.

Stacy was glad she'd kept her goggles on, for Miles's eruption was monumental. He unleashed a quick triplet of hot cum blasts that caught Stacy point-blank in the face, the first hitting one lens dead-center. Stacy watched the fluid run sluggishly down the grimy eyepiece, leaving a filmy trail of sperm. She felt another big clump of cum oozing through her blonde hair and tasted the blast that had spattered her mouth before running down her chin.

Miles snarled as he emptied his balls. He was leaning heavily on the automobile's hood, his tall frame stooped over Stacy as he jacked off on her tits, painting gluey stripes upon her magnificent orbs from his reservoir of spunk.

Stacy's arms were tired from holding up her breasts, but of greater concern was how to bring up to Miles going back for the injured man.

"Harvey, maybe you need to be a little more subtle."

WE COULDN'T WAIT TO TAKE ANOTHER LOOK AT SCORE'S DISCOVERY OF THE DECADE.

Here at *SCORE*, we have rules about how often a model can appear in the magazine. Too many appearances in too short a period of time can make a model wear out her welcome, even if she's truly spectacular. Of course, there are exceptions. In 2004, Nicole Peters appeared in six issues. And here's Merilyn Sakova, who debuted in the September '04 issue and, after a month layoff, is back to give us more!

MERILYN BIRTHDAY: June 7, 1985 AGE: 20

SEXUAL FANTASY: "Every man I have been with has paid too much attention to my breasts, so my fantasy would be for a man to worship my ass. Make love to it."

We don't have to tell you why this 20-year-old from a tiny town in Russia is worthy of coming back so quickly. The pictures tell the whole story. And we didn't have to tell Marilyn why she was worthy, either. She's well aware of the power her breasts have over men. "No matter what I wear, men's eyes always go directly to my chest," she said. "I can be wearing the heaviest sweater, and men can tell I have big breasts. It is as if they have radar." Well, we do!

Merilyn enjoys going to night-clubs with her girl-friends. "We dance, and men try to pick us up," she said. "But I have a rule. I always wear a top that shows off my breasts, and if a man is staring at my chest when he should be looking at my face, he does not have any chance with me. I want a man who wants to make love to all of me, not just my breasts." Her shaved pussy? Her pretty ass, too? "All of me. Every last inch."

"Excuse me," said a voice from the other side of the auto-carriage.

Miles jumped away from Stacy and shoved his prick into his pants. Stacy turned to see a small, dark-eyed man of about 25 moving toward them. He had a saddle slung over his shoulder and a leather satchel in his hand. Stacy wasn't surprised that it was the same man Miles had run down.

"Go sit down," Miles muttered. "I'll handle this."

Holding her topcoat shut, Stacy climbed into the horseless carriage to straighten her hat and wipe some of Miles's cum off her face while watching the inky-eyed stranger. If he'd seen what she and Miles had been up to, he gave no hint of it. He stopped beside the vehicle, set down his satchel, and slid the saddle to the ground.

"Sorry to bother you. The name's Spit Jagged," the little man began, but then he stopped upon getting an eyeful of the Paxton-Stäkt. "Say, she's a beauty!"

Although Spit was speaking of the auto-carriage, he was grinning at Stacy, who found herself returning his smile with a faint, friendly one of her own.

Miles scowled and took a step closer to the stranger, trying to use his height to intimidate the shorter man.

"Sorry about the fracas back there, sport," Miles said, "but you know the rules of the road. If you'd moved aside for faster-moving traffic, you could've avoided getting thrown."

"So I should apologize to you?" Spit asked, his expression no longer jovial.

Miles opened his mouth to reply.

"How fast were you going, Mister?" Spit asked.

"Hedge, Miles Hedge. This is the brand-new Paxton-Stäkt Roadster, the fastest auto-ambulating vehicle ever crafted. Cost a goddamn fortune, but

it'll reach 35 miles-per-hour. More if you know what you're doing."

"I've seen horseless carriages before, Mr. Hedge, but not like this," the little man commented as he circled the automobile, treating himself to not-so-furtive glances at Stacy.

The exotic, dark green auto-carriage had a voluptuousness to it. Stressed wood and sculpted steel had been seamlessly joined to give the thing a shapely, organic look, as if it were as sleekly devoted to its task as a fish on the fin was to swimming or a bird on the wing was to flying. Rather than the bench-like seats in most automobiles, this low-slung vehicle had a loveseat-sized sofa of fine leather built into the frame, and its glass-encased gauges and indicators were framed in burnished brass. Its levers and sticks were topped by finial globes of ivory.

"Hate to be rude here, sport," Miles said, "but it's time you moved on."

Spit glanced at Stacy and said, "What's she got under her hood?"

Miles was at a loss for words. He could drive the Paxton-Stäkt but had no idea how it worked. The auto-carriage had been shipped in pieces from Chicago, accompanied by its engineers.

"There's a pair of four-stroke engines fused together under there."

Both men turned toward Stacy, who'd spoken in a voice tiny enough to be modest but certain enough to be believed. Stacy's eyes were downcast as she demurely held her coat over her cum-soaked breasts.

She cleared her throat. "The tandem engines have two V-slanting cylinders that run on kerosene injected through a carburetor redesigned to feed the cycling system more fuel. Unlike other horseless carriages, the Model 89 Paxton-Stäkt's chassis is purpose-built, and its contoured frame cuts wind drag. Its chain-fed mechanism runs through a four-speed gearbox to the rear axle, so, like a team of horses, it's pulled rather than pushed."

When Stacy looked up and saw the pleased expression on Spit's face and the angry one on Miles', she felt a wicked thrill run through her body.

"Oh, and there's a rack for picnic baskets on the back," she added.

Sitting in the hard-idling auto had gotten Stacy hornier, but she knew from Miles's annoyed expression that any farfetched fantasy of stripping off her

coat and sandwiching her body between these two men to show them how a double-cylinder two-stroke engine worked wasn't likely to happen.

Stacy met and held Miles's glare as she asked Spit, "Did your horse run off on you, Mr. Jagged?"

Miles muttered a curse.

"I found him dead down the road from where he threw me," Spit said, patting the futuristic automobile. "Probably had a heart attack after seeing the shape of things to come."

"I'm sorry about..." Stacy began, but she stopped when an explosion ripped across the landscape. Stacy turned to see half-a-dozen riders down the road, all firing their guns as they charged toward her, Spit and Miles.

Spit whipped open his black coat to reveal a pair of oversized Navy revolvers. In the blink of an eye, he had both pistols in his hands and pumped out several shots, forcing the men riding at the horseless carriage to find cover. Stacy looked around for Miles, only to see her would-be fiancé running into the woods.

Meanwhile, between shots, the little stranger smiled sheepishly at Stacy before admitting, "I probably should've mentioned it sooner, Miss, but I'm on the run from a posse."

The gunslinger fought to keep from staring at the bombshell seated next to him on the Paxton-Stäkt's bumper. For the past quarter-hour, they'd been using the automobile as cover from the men down the road. The gunslinger was watching them by craning his head around the roadster.

"Sorry I got you involved in this," Spit said.

"Perhaps it's divine retribution for your horse," Stacy said. She shrugged while studying her scuffed shoes. "So, am I your hostage now, Mr. Jagged?"

Spit looked at her evenly, betraying neither how shitlessly scared he was of the men who'd pinned him down nor how ball-achingly horny he was for her.

"You're not my hostage, Miss..."

"Tupper," she replied while pushing up her driving goggles.

With the exception of the goggles' outline, Stacy's face was filthy, not only with grit but also Miles' cum, which had clotted in her hair. Yet the gunslinger, already mesmerized by Stacy's body, almost groaned upon seeing how pretty her dirty face was.

"You're not my hostage, but you're safer here. That vermin'll shoot first and ask questions later. They've been on me for a week now, and it's turned them blood-simple. Fortunately, they're all piss-poor shots on horseback. Unfortunately, they're goddamned crack-shots on foot."

"What'd you do?"

"It's not what I've done," Spit said as a shot ripped across the horizon, forcing him to dart his head behind the roadster. "It's what I'm gonna do."

"And what's that?" Stacy said.

"I'm headed to California for a showdown. They're here to make sure I don't make it."

"I thought showdowns only happened in dime novels."

"That's how it's supposed to be," Spit said. "Wealthy people—and I mean people wealthy enough to make your Master Hedge look like some broken-down pauper—can afford to make reality out of fiction."

Stacy shook her head skeptically. "Your employer sends you out to have gunfights with duelists working for other wealthy men?"

"Yep," Spit said. "Then they gamble on who'll win."

"How much?" Stacy said.

"Sometimes a few hundred dollars, sometimes lots more. Sometimes they stake other things: the terms of a cartel, the price of coffee futures or the outcomes of elections."

"I don't believe it!" Stacy said. "What's in it for you? Money?"

"My guns're paid for, but my employer has something else over me."

"Your life," Stacy said, and then she realized from the look on the man's face that she was only half right. "And someone else's. A woman's?"

Spit looked away, so Stacy asked, "Who set these curs on you?"

"Could be my opponent's boss or someone with a stake in the fight."

Stacy looked off in the distance for Miles. "I think it's safe to say my escort isn't coming back," she said. "Perhaps we should make our own escape before the automobile runs out of fuel."

The gunslinger nodded, relieved she'd made the suggestion. He didn't care much for Hedge, but Spit was finding that he liked the man's ample-titted girlfriend quite a bit, and he'd only lingered here this long to give Hedge a chance to return for her. Still, it was only a matter of time before the bounty hunters surrounded them, either by sneaking up through the ravine or using the cover of the woods.

Spit sheathed one of his Navies to grab his satchel. "When I say 'go,' Miss Tupper, I'll lay down some covering fire while we jump in the auto-car, then drive like hell."

BIG TITS.**

Former Internet amateur Ashley Juggs celebrated her *SCORE* magazine coming out with a sexy, elegant pictorial in the June '05 issue, and here she is again, this time celebrating her arrival in the big-time with a private party... but you're invited! "Being in *SCORE* for the first time was incredibly exciting for me," Ashley said. "Plus, it was such a wonderful issue with Bea Flora and Kelly Kay and Sierra and Cassandra and all of those beautiful women. Being with them was an honor."

Ashley is showing her fun side in these photos, shot by the folks at Danni.com. "I have a fun side and a sexy side, and the best is when they come together all at once," she said. "I mean, sex is supposed to be fun, right? And what's more fun than having good sex? So the right man for me is one who brings out my fun side and sexy side at the same time."

In these pics, Ashley is providing us with our first look at her pierced pussy. "Piercing my pussy was a product of my daring side," she said, punctuating her words with a laugh. "I mean, I'm definitely a romantic, but once in a while, I like hot, wild sex, just like any girl does, and every guy knows that any girl who pierces her private areas has to be a little hot and wild." Hot. Wild. Fun. Sexy. Ashley Juggs is every man's fantasy.

Continued from page 66

Stacy started to say something, but Spit was already on his feet, gun ready as he shouted, "Go!"

The bounty hunters unleashed a hail of lead. Spit fired blindly down the path at the figures while bullets pinged into the roadster he was circling. He threw open the door to jump in, but found Stacy on the passenger side.

"Miss Tupper, you have to drive us out of here!" Spit shouted as a bullet plunked into the open door.

"I can't!" Stacy shouted. "Miles always drives!"

Spit turned, squeezed out another pair of bullets, and then sheathed his empty revolver to cross-draw the second Navy from its holster, neatly flipping the gun in his grasp to shoot a round from the fresh pistol. "You've got to, Miss Tupper!"

Stacy let out a panicky curse but got behind the wheel as Spit climbed in. Keeping his head low, the gunslinger reached into his coat and drew another pistol from a shoulder holster.

"You can do it," he said. "You know more about how this thing works than Hedge does. You love this automobile."

Stacy knew he was right. Despite the bullets whizzing over her head and thudding into the automobile, Stacy replaced her goggles and closed her eyes. Rather than think about a stray bullet puncturing one of the twin tanks of kerosene fueling the auto-carriage, she pictured Miles working the levers and pedals, something she'd watched him do countless times. Stacy suddenly knew what had to be done. She sat up as much as she dared, disengaged the brake and then moved onto the clutch before popping the vehicle into gear.

Spit, who'd gotten to his knees to take aim at one of the nearing horsemen, almost toppled out of the automobile when Stacy gunned its potent twin engines, sending the roadster springing forward a good 20 feet. The auto-carriage ground to a halt, and the sputtering motor nearly cut out, but Stacy was fast on the clutch and saved it from stalling. Realizing her mistake, she got the Paxton-Stäkt moving again, shifting her way up through the gears until the car was careening down the road.

Stacy over-steered the automobile, but the car's path was making it tough

for the bounty hunters chasing them to shoot at the speedy, zigzagging target, and by the time she'd gotten the hang of negotiating the trail, the horsemen were choking on the Paxton-Stäkt's dust.

When she hit a long, straight stretch, Stacy opened up the throttle and let the automobile have the road. She could feel the tandem engines working feverishly for her, screaming a duet of speed as the automobile accelerated. Stacy laughed with exhilaration. Her heart raced to keep up with the roadster while her pussy became so soaked, she could feel its juices trickling over her inner thighs. She leaned back and moaned as the wind tossed her coat open and blasted her huge, bare breasts. Her nipples grew so firm, she thought they'd burst. Stacy spread her thighs wide, rocking her hips as if meeting the thrusts of the bumpy road speeding by her, almost through her.

"I'm going to cum!" she screamed.

Insane with lust, Stacy straightened in the seat. This was faster than the Paxton-Stäkt had ever gone, and the engines growled in frustration as she battled the transmission to lower gears before slamming on the brakes to bring it to a squealing, fishtailing stop in the middle of the road.

"What are you doing, Miss Tupper?" Spit asked, looking nervously over his shoulder. Although they'd put some distance between themselves and the bounty hunters, Spit knew his enemies would quickly make up the ground.

Stacy ignored Spit and got out of the car. She slid her coat off and threw it on the Paxton-Stäkt's hood as she went to the front of the automobile. Her curvy body was gleaming with perspiration and her breasts were heaving as she tried to catch her breath. She pushed her goggles up and looked at Spit. The gunslinger watched her flop her massive swells onto the roadster's hood and wrap them around its hood ornament.

...BANG-BANG-TITTY-TITTY-BANG-BANG-TITTY-TITTY...

Stacy moaned as the decorative strip of metal vibrated between her plush and pliant breasts, the hood ornament's humming further inflating her nipples until they poked out between her gloved fingers.

...TITTY-TITTY-BANG-BANG-TITTY-TITTY-BANG-BANG...

"You need me to drive," she told Spit, "but I need to be fucked. Now!"

**EMMA HAS FINALLY GIVEN
UP ON MEN LOVING HER
FOR HER MIND.**

Emma Tyson of Coventry, England, has run into some strange blokes in her life. Said Emma, "I once had a man say to me, 'Emma, I thought I loved your bum best, but it turns out your knockers are the best of all.' I said to him, 'Don't you love my face and my personality?' He looked at me like he hadn't said anything wrong and said, 'I love your personality and your face, but it's your knockers and your bum that I want to screw.' Why do men say those things?"

"I've given up on men looking me in the eyes when they speak to me," Emma said. "That's why I decided to take these pictures. I already do some retail modeling, and when I saw an ad in the newspaper looking for figure models, I said, 'Stop fighting it. If men are going to treat you like a sex object, you might as well behave like one.' So now I'm a sex object, and I'm enjoying it, and maybe I'll do this again, and maybe I won't. But it will be my choice."

TITTY TITTY BANG BANG

Continued from page 76

Spit's smile was forced and frightened. "Miss Tupper, we're in some real danger here."

"When I cum, we go."

The gunslinger felt the bounty hunters closing in. Stacy slid her tits off the auto and ran her tongue over the hood ornament. Spit groaned. He had never seen a woman so determined to feed her sex drive. He jumped out of the car.

By now, Stacy had hopped onto the hood, her thighs spread wide for Spit. The gunslinger started shoving his trousers down but stopped when he saw that Stacy had shut her eyes and was holding herself open so she could maneuver her clit forward against the hood ornament.

And Spit suddenly understood why an intelligent, drop-dead gorgeous woman with two of the biggest, prettiest tits he'd ever seen would put up with Miles Hedge. It was the automobile. Stacy was using the most technological-ly advanced piece of automotive engineering in the world as a huge and inconceivably expensive vibrator.

When Stacy opened her eyes, she realized Spit had put things together. "I'd leave Miles if it weren't for his horseless carriage," she said. "There's something about it. The engines, the body, the wheels. It does something down there that men can't."

When Spit backed away from her, Stacy felt humiliated for confiding in him. Her spirits rose, however, when she saw him slide into the driver's seat.

"Climb up, Miss Tupper," Spit said. His dark eyes followed the pendulum sway of Stacy's weighty tits dangling as she crawled onto her coat. While the gunslinger located the gas, Stacy sprawled out on her tummy and rested her massive mounds on the hood while curling one leg up to press herself hard against the machine.

Spit gunned the motor, and the auto-carriage roared to life under Stacy, igniting every nerve in her body. Her moan was a heated, rolling vibrato that sounded melodic over the harmonies being belted out by the laboring engines. Spit eased off the gas and then revved it again, simulating fuck-thrusts until he had Stacy writhing on the Paxton-Stäkt's rattling hood.

GIRL ON FIRE

ARE YOU HARD ENOUGH FOR JANA?

"I like to use a butt plug and get fucked by a big dick at the same time," said Jana, a Czech chick who debuted in the July '04 issue. "By big, I mean eight inches or more, and I will make sure my toy rubs against his hard dick."

Obviously, Jana is a horny girl. "Some men get intimidated when they're fucking me and I get out my butt plug," she said. "I even had a man go soft in my pussy when he saw my toy. But I got him going again. I told him I was getting my ass ready for his cock." That'll do it. But, then again, just looking at Jana should do it. "Every man I meet wants to fuck me," she said. "But that's okay. I want to fuck them, too!"

TITTY TITTY BANG BANG

Continued from page 82

Stacy grabbed the dashboard to pull herself toward Spit until her huge tits tumbled over the console to rumble against its gauges. Spit reached out to stroke her shivering orbs and increased his revs when Stacy crammed a hand down between her pelvis and the hood to frig herself. She now had both legs stretched wide to straddle the automobile, and the gunslinger could see her curvy ass pumping as she petted herself. Staring at him through half-closed eyes, Stacy leaned forward and pushed her face toward the gunslinger's, her lips parted for his tongue.

Spit contorted his body without losing contact with the gas and kissed Stacy while spanking his cock against her breasts. She moaned in his mouth, and then, unable to hold back, she pulled her face from his, her moans warbling into screams of pleasure as an earth-quaking orgasm shook her body. Spit revved the engines hard enough to feel tremors rising up through the floorboards and then furiously fucked his fist as he watched Stacy's orgasm.

Stacy pulled her hand from between her legs, grabbed her swaying tits and wringed her nipples while grinding her pussy against the roadster's hood. She was so lost in autoerotic ecstasy that she hardly noticed when Spit let out a moan of his own before cumming all over her face. The gunslinger groaned as another jet of cum spattered Stacy's face, then he lowered his aim to her massive tits.

Stacy reached out and wrapped her hands around Spit's shaft and swabbed his ejaculating cock over her tits and cum-glossed face before guiding him into her mouth. Once she'd drained the cum from Spit's balls, Stacy watched the gunslinger fall back in his seat to admire her sperm-soaked breasts and spunk-smearred face. It was the second time that day Stacy's tits and face had been creamed on, but there was a world of difference between the two men who'd done the creaming. She sat back on her heels, stroking the goo on her breasts and licking cum off her lips.

"You should have the auto-carriage," Spit murmured.

"Miles will put the law on me."

"No, he won't. If you're caught, he knows people will learn how he abandoned you."

Stacy smiled, but a familiar blast thundered. Over the back of the automobile, Stacy saw that the bounty hunters had caught up to them and were closing in fast. She slid off the hood and jumped into the roadster.

While the gunslinger drew his pistols, Stacy yanked her coat off the hood. She glanced at the double kerosene gauges. "I hope we didn't fuck away too much fuel," she said.

Spit was too busy returning the fire of the men bearing down on them to reply, so Stacy slapped the roadster into gear and got it speeding away. Afraid the roadster would putter out at any moment, the busty blonde pushed the Paxton-Stäkt hard to put as much distance as possible between themselves and the bounty hunters.

It was dawn when they reached the outskirts of a town alongside the train tracks. They would have made it sooner, but they'd exhausted their fuel and had to push the roadster over rough terrain to find a place willing to sell them 20 gallons of kerosene.

Now, with Spit's cum cooling between her thighs from another quick fuck, Stacy straightened in her seat and watched Spit tuck his cock in. The gunslinger didn't look anxious to get out.

"Thanks for the ride, Miss Tupper," he said.

"My pleasure, Mr. Jagged," Stacy said while running her hands over the huge breasts jutting from her open coat. "You can call me Stacy. I mean, we are on intimate terms now."

"If I do, you'll never be rid of me."

"I wouldn't count that as a bad thing, Mr. Jagged."

"And then there's my appointment in California."

"I'd almost forgotten California," Stacy said. She scooped up her breasts and gave them a bounce before asking, "Sure I can't change your mind?"

Spit grinned as he picked up his satchel and climbed out of the automobile. "Ah, Miss Tupper, you're going to keep me up nights."

"Yeah?" Stacy asked, smiling as she closed her coat. "Well, I like it speedy and I love it bouncy, so promise me that on those nights, you'll be sure to jack it fast and hard for me."

Then, leaving Spit to lug his satchel toward the railway platform, Stacy tossed the Paxton-Stäkt into gear and sped off into the sunrise. 

A SCORE GIRL FROM THE '90S GETS BETTER.

Face look familiar? Or are you so totally focused on Dee Dee's H-cup hooters that you can't think straight? We understand. But if you're a long-time *SCORE* reader, think back...to whipped cream. Chocolate syrup. And gooey stuff oozing into every orifice of a woman's body.

The last time 40something hottie Dee Dee Deluux graced these pages, she was calling herself Malibu Slick and turning her body into an all-you-can eat sundae. Now, seven years later, she's just as stacked and even sexier than before. "I think men and women get sexier with age," she said. "We're like fine wine. We mellow. And some of us get wilder." She smiled. "Like me!"

In the morning, Dee Dee might go for a hike in Red Rock Canyon near Las Vegas. Or maybe do some volunteer work at the Society for the Prevention of Cruelty to Animals. In the afternoon, she might deep-throat a porn stud and take his cock deep in her shaved pussy. And at night? "Enjoy the sunset with someone I like," she said. "Some champagne and candles. Cheesecake. Lots of cock and balls worship. And falling asleep in the arms of a good man." It's a date!

**WIFE SAYS, "IT'S SCORE OR ME."
GUY SAYS, "EASY CHOICE."**

Dear SCORE,

I'm writing in response to the letter from Paul from Vancouver, Canada in the July '05 issue, and my response is this: Are you kidding? I'm not gonna do what Paul did and give up SCORE just because my wife gives me an ultimatum. I am now happily single.

I was married for 15 years, happily for the first five and disgusted and feeling neglected for the last 10. I began launching my revolution against my wife's neglect of my needs about seven months ago, starting with the purchase of the Holiday '04 issue of SCORE with Sara Jay's layout in the Xtra section, and I have been buying SCORE ever since.

One day, however, she came home early and caught me buck-naked and jerking off to Ariana's layout in the January '05 issue and confronted me about it. When I told her it was because I was tired of getting pussy from her only once every two months, she said, "If you're not satisfied, then I'm leaving. It's either me or the magazines." So I told her to get fucked. Now I'm happier the way I am.—D.K., Walnut, California

THE STRANGE CASE OF THE MISSING SCORE XTRA SECTIONS

Dear SCORE,

One of my favorite features is SCORE Xtra. As a loyal reader, it is fun to see these big-breasted beauties evolve from shy girls-next-door to outright sex machines. They tease us at first, saying they'll never do XXX, but with SCORE's persistence, their remaining inhibitions are soon out the window!

Unfortunately, the last two issues of SCORE I have purchased (June & July '05) have been missing the Xtra section. I had hoped that this was just a one-time deal with the June issue, but now it appears to be the norm. Will a subscription to SCORE be necessary to get the Xtra section, or has it been done away with completely? I will continue to buy SCORE with or without Xtra, although it is not my preference.

Thanks and keep up the great work!
-B.M., via email

Because of censorship concerns, many readers didn't see Summer Sinn (left) and Alexis May fucking in the June '05 issue.

Dear SCORE,

We loyal readers have been promised XXX sections in both SCORE and *Voluptuous* in the advertising in the magazines and on the eBoobStore.com website. I was told about the editorial change when calling [eBoobStore](http://eBoobStore.com) attempting to get versions of SCORE and *Voluptuous* with the XXX sections.

You must have hired the ex-Coca-Cola marketing genius who tried to discontinue classic Coke. What is your editorial staff thinking of? What you had in SCORE and *Voluptuous* was outstanding models who would do hardcore. I would have passed on the July SCORE as I did for the July *Voluptuous* except for loyalty to Linsey Dawn McKenzie (the embodiment of female perfection) winning Model of the Year. I will probably pass on future issues lacking XXX. So fire the Coca Cola executive and go back to what you do best.-R.S., Greensboro, North Carolina

Dear Readers: The Xtra section was excluded from the May, June and July issues of the U.S. editions of SCORE due to censorship concerns and the political climate in the U.S. (The Xtra section is never included in the UK edition. The Xtra section remained in the International edition, which is sold through the back issues ad on pages 10-11. Subscribers receive the U.S. edition).

But, following some recent court decisions which favored producers of adult entertainment, we reevaluated the situation, and the Xtra sections returned in the August 2005 issue of SCORE and Voluptuous and have been in each issue since (including this one). We have no plans to exclude the Xtra section from future issues, although things could change, depending on the political climate.

Meanwhile, we thank our loyal readers for sticking with us, and we assure you that, Xtra section or no Xtra section, the greatest big-titted models in the world will continue to appear in SCORE (and, very often, only in SCORE).

TIFFANY: BETTER WITH AGE

Dear SCORE,

It took me a few seconds to recognize Tiffany Towers on page 19 of the July '05 edition. She looks like a different person and has far more facial beauty than she did 10 or even five years ago. Whatever her secret is (vitamins, skin enhancers, etc.), it is doing the job admirably. It is rare for a person to pull this off. -J.H., Charlottesville, Virginia

FANTASY SCORE SUGGESTIONS

Dear SCORE,

I have a few suggestions for future Fantasy SCORE models:

Actress Marg Hellgenberg, aka Catherine Willows on *CSI*. She always exudes a sexy appeal whenever she is on screen. Like she is just smoldering with lust and looking for the right guy to unleash it with. Plus, with her character on the show being a former exotic dancer, the mind reels at the thoughts of her dancing and writhing around a brass pole. I picture her in Fantasy SCORE bursting out of a shirt. She is in a bedroom at a crime scene because you can see the yellow tape in the background. She has one of her hands pointing up close to her face, and hanging from one of her gloved fingers is a used condom, and she has this look on her face that tells you she would love to collect your DNA in a similar fashion herself. Her crime kit is in the background and is open, and amongst the fingerprint powder, brushes, magnifying glasses, etc., is a vibrator.

Actress Emily Procter, aka Calleigh Dusquense on *CSI Miami*. Another lady who radiates sex. She always has that happy "I just got the best fucking of my life" disposition, and the way she can lift an eyebrow at a possibly racy remark says she wouldn't mind trying whatever you wanted. I picture her in Fantasy SCORE standing on the firing range wearing a pair of amber shooting glasses and bursting out of a *CSI* wind-breaker or lab coat. She is holding up a gun with a few wisps of smoke coming from the barrel. She appears to be looking at a bullet she is holding in front of her, but upon a closer look, the bullet is dildo-shaped. She is smiling suggestively with a lustful twinkle in her eye.

My final suggestion for Fantasy SCORE is Jennifer Garner, aka Sydney Bristow on *Alias* and Elektra in the movie of the same name. With all the skimpy costumes she has worn on *Alias* as an undercover agent, you can't help but think of her sexually and wonder what she looks like naked. -S.C., via email

**MEET ALEXIA MOORE.
SHE'S A LOT LIKE YOU.
SHE LOVES BIG TITS.**

"I love busty women, especially my friend Danielle," Alexia said. She's referring to Danielle Derek, who makes her *SCORE* debut on page 44 of this issue. "I love feeling her big boobs and sucking on her nipples. I love licking and sucking on her little pussy. I love when she fucks my ass with her strap-on. Of course, I love when she plays with my boobs, too."

**BIG-TIT LOVER,
PART TWO**

Referring to her ongoing argument with Danielle about whose boobs are bigger, Alexia said, "Danielle wears a DDD-cup bra, and I wear an F-cup bra, so, technically, we're the same size, which is what I'm always telling Danielle, although she thinks I'm bigger. But you know the biggest difference between us? I have outtie pussy lips, and Danielle has innies."

"Our pussies taste different, too," Alexia said. "Danielle's tastes really sweet, and Danielle says mine doesn't taste like anything, which I guess is good, right? And our asses are different. Danielle's is a cute little handful, which I love, and mine is bigger and rounder. But I guess it's all about the boobs, right? I love hers. And she loves mine."

HARMONY SWEET CAREER COUNSELING

THE PRETTY E-CUPPER KNEW EXACTLY WHAT SHE WANTED TO DO WHEN SHE GREW UP...FUCK!

Harmony was a bad girl. As if it wasn't bad enough that she was 26 and still in high school, on career counseling day, she wrote "Porn Star" to the question, "What do you want to be when you grow up?" So Harmony was sent down to the guidance counselor's office for some career guidance. But, obviously, teach thought Harmony was on the right career track after all.

Harmony's skills at sucking cock, getting tit-fucked and spreading her legs for sausage were immediately apparent to the guidance counselor, who suggested she skip graduation and report right to *SCORE*. " *SCORE?*" she said. And he said, "Where you can act like a whore." And away she went!

DENISE DERRINGER ANAL SHOWOFF

SHE DOESN'T DO THINGS HALFWAY. SHE DOES THINGS ALL THE WAY...UP HER TIGHT ASSHOLE!

We've been seeing a lot of mega-stacked Denise Derringer lately, and every time, she has a hard cock in her mouth. Or her pussy. Or her asshole. Denise's tight ass gets most of the attention in the film *My Boob Heaven*, and in the brand-new film *SCORE Xtra #12*, Denise's E-cups get the workout they deserve. She leaves no doubt: Denise is a fuck star!

VIDEO: *My Boob Heaven* (XXX-rated, available on page 8 of the main mag); *SCORE Xtra #12* (XXX-rated, DVD and VHS available on page 20 of the main mag); *Busty Diido Lovers #5* (X-rated, available on page 115 of the main mag)

These pics are from *My Boob Heaven*, the film that turned Denise into a slutty wench. "I was practically begging for his cock in my ass, and every time he took it out, I told him to put it back in," she said. "*My Boob Heaven* and *SCORE Xtra #12* are my first two hardcore videos, and I wanted to show the whole world what a great fuck I am. I think I succeeded!"

THE GIRLS OF LOOKER TOTALLY XPOSED.
