SCORE CARD

A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.

Wendy Whoppers (top right) was inducted into the Big-Boob Hall of Fame in the July '05 issue. Angel Eyes (above) and Nikki Knockers (right) might get in next year.

WHATEVER HAPPENED TO NIKKI KNOCKERS AND ANGEL EYES?

Dear SCORE,

Thank you so very much for the layout of Maxi Mounds in your August '05 issue. Maxi is truly a modern art masterpiece and ranks tops next to my other long-time favorites, Linsey Dawn McKenzie, Casey James, Minka, Angel Eyes and Nikki Knockers. Whatever happened to Angel and Nikki? It's been so long since I've seen them, and I miss them terribly. -J.A., via email

Dear J.A.: The last time we saw Nikki, she was dancing at Alyssa Alps' annual Christmas bash at Flashdancers in New York City. She and Angel Eyes have both retired from modeling. This year, Angel was a nominee for the SCORE Big-Boob Hall of Fame (Wendy Whoppers, L.A. Bust and Alexis Love were voted in by the readers). Should Angel and Nikki be candidates for the Hall of Fame when the nominees are announced in the January '06 issue?

LDM GOT WHAT SHE DESERVED

Dear SCORE,

The July '05 issue was one of the better ones you have published. The fact that Linsey Dawn McKenzie finally got her reward after waiting so long made it a keeper. LDM, Wendy Whoppers and Harmony Bliss in the same magazine made it extremely difficult not to drop a load too soon or to drop multiple loads. It's unfortunate that Wendy has retired. Are there any archive photos of her that have not been published?

Vicky Vann should not appear in SCORE. She is definitely V-Mag material. Of course, that is my opinion, and I'm sure other readers will disagree.

I hope you will bring back Jada. She is one hot lady.-Max, San Francisco

Dear Max: We wish there were unpublished sets of Wendy Whoppers. Although at times we dig up buried treasures in our extensive archive, we currently know of no unpublished photo sets of Wendy.

INES CUDNA: BETTER SHAVED

Dear SCORE,

First, thank you, thank you, thank you for all the good times your fine mag has brought me. Second, big congrats to LDM for winning Model of the Year, even though my top girl is Ines Cudna.

While I'm on Ines Cudna, I have a small request: Could she appear in more pictorials with a shaven haven? Seeing her with no hair down there in the May '04 issue blew me away. Also, is there an issue that features the picture on the cover of the December '04 issue? It's different from what's inside.

In regards to Fantasy SCORE, could you maybe give some sort of hint as to who the actresses are? Sometimes I'm not sure who these gorgeous woman are, except for the major celebs.-Kris, Auckland, New Zealand

Dear Kris: The photo of Ines Cudna that appeared on the cover of the December '04 issue is from a photo set that has never been published in SCORE. The complete set, however, is available at Ines' website, BustyInesCudna.com. The website also has lots of pics of Ines with a shaved pussy.

As for the identities of the fabulous women who Duncan Gutteridge portrays in Fantasy SCORE...well, sorry, Kris. We can't tell you. That's something you're gonna have to figure out for yourself.

Ines was wearing a lot more than this on the cover of the Dec. '04 issue. The rest of the set from which this picture came is at BustyInesCudna.com.

AMBER BROOKS: BIG-TITTED MILF

Dear SCORE,

I don't know if it's my imagination, but in the last few issues, you have been showing some hot, sexy older woman. The latest one is Amber Brooks from the August '05 issue. I wish there were women like her where I'm from. I give the utmost respect to ladies like Penny Porsche, Kat Kleavage, Holly Body and many others, including Amber Brooks, because they are confident, sexy, and horny as hell.

There are a few things I like about Amber Brooks. Those lips are amazing, her body is mesmerizing and her breasts are the kind I like. But her personality is what I am attracted to. She likes to watch sports on TV and drink a cold one and chill out with the guys. Are you going to be showing more of her in the future?

I have an idea: You guys should add a new category for the SCORE Awards: MILF of the Year. The readers should decide who should be the nominee and the winner because I am not liking who you inducted in the Hall of Fame this year. Wendy Whoppers? Oh boy! But it was your decision, and I can't argue with that.—O.T., Pickering, Ontario

Dear O.T.: Amber Brooks returns on page 50 of this issue with a brand-new pictorial and an exclusive interview. She certainly is an unusual gal, as you're about to find out. As for Wendy Whoppers being inducted into the Hall of Fame...well, it wasn't our decision. The readers voted.

As for a MILF of the Year category in the SCORE Awards, truthfully, not enough MILFs (Mothers I'd Like To Fuck) appear annually in the magazine.

Denise Derringer took it in all holes in *My Boob Heaven*, disappointing one reader.

DENISE FUCKED ANOTHER GUY, SO SHE'S NO LONGER HIS GIRL

Dear SCORE,

I just read in the August '05 issue about Denise Derringer appearing in the videos SCORE Xtra #12 and *My Boob Heaven*. That disappointed me a little. I've never been one for hardcore. In my opinion, it takes away from the beauty of the woman. The guy just gets in the way. I can't really see the point in having hardcore still pictures. I've read that the only reason the guy's there is so you can imagine yourself as him, but that's never worked for me.

Now that Denise is moving into hardcore, I don't want to say that I'll lose any love for her as a fan, but her

Amber Brooks (Aug. '05), who returns in this issue, is not only a mother you'd like to fuck. She's a mother who likes to fuck!

mystique will have worn off somehow. She'll still be beautiful. She'll still be sexy as hell, but she won't be "mine all mine" anymore.

Up until now, I could have imagined her as role-playing and teasing just for me, but now that image is tarnished forever. I still love you, Denise. I just wish you hadn't done it.—C.H., via email

DON'T TOUCH A HAIR ON KELLY

Dear SCORE,

Over the years, the SCORE Group has given us a nearly countless number of women who are over the top on a numerical scale. Month after month, I have to pick my jaw up off the floor when I encounter a new discovery.

Being a reader and subscriber since Day One, I have seen many "let's see them top this one!" models. Okay, now I mean it. Let's see you top Kelly Kay. She is the cutest and sexiest babe that has ever graced SCORE and Voluptuous. I just had to join her website at BustyKellyKay.com. I am in total awe of her charisma and adorably sexy demeanor. Kelly Kay has captivated me like no model you have ever featured. I guess I'm not the only one with Kelly taking Voluptuous and SCORE New-comer of the Year honors. She is truly hot in a cute-young-babe way. Notice that I haven't even described her awe-

One reader says about Kelly Kay, "Don't go changin' to try and please me."

some body? That face alone gets me every time.

And therein lies the reason for this letter. While I have always praised The SCORE Group, I have too often seen many girls changed over their various follow-up layouts after their debuts: a little bit too much make-up, wilder hair-styles and added weight for a more voluptuous figure on some women. Dawn Stone went from a doll in her first few layouts to a little harsh. The added pounds didn't do Inesse justice. Autumn-Jade lost something due to makeup, weight, etc. I know you are trying to give the girls a different look, but it doesn't always work. Sometimes perfection is just that: perfection.

Please don't touch a hair, literally, on Kelly Kay. She is an absolute dream just like she is.—Bruce, New York, New York

Maxi Mounds (Aug. '05) pleased readers with her amazing tits and jammed asshole.

FEMALE READER WANTS TO LICK MAXI'S "WINKIE" FINGER

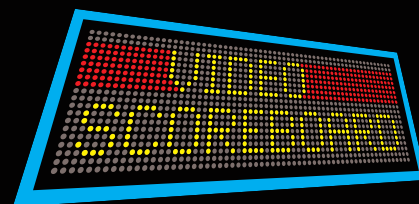

Dear SCORE,

I'm a long-time mature, female reader. Your August '05 issue was very hot. I loved the Maxi Mounds layout with her finger inserted into her tight asshole. I'm sure your male readers would love to sniff the stink off of Maxi's middle finger and then lick it clean. Whew!

Amber Brooks is one hot piece of ass. I love her huge boobs, too. I hope she'll do some hardcore because I would very much enjoy seeing her red lips around a big, stiff penis.

Thank you for bringing back the Xtra section. I masturbate to hardcore a lot. I think I'm a sex addict. I love to jack off men and let 'em cum on my face.—Dirty D, Fayetteville, North Carolina

BIG TITS AND LONG PUSSY LIPS

Dear SCORE,

I just wanted to drop you a line and let you know how much I have enjoyed reading SCORE the last few months. I really squirted big time over Darby and Brittany Love in the March '05 issue. I have always loved women with long pussy lips. Darby had some really fine flaps which got me stroking, and that led me to the Brittany Love pictorial. That backside shot of Brittany pulling on her pussy lips was all I could take.

I have never really been into Linsey Dawn McKenzie until the July '05 issue. I don't know what it was, but she looked so hot sitting there on the bed on page 53, by the time I got to the photo of her on page 56, looking at those big tits and seeing her opening up her pussy had my cock squirting like a fire hose.

I know SCORE's focus is big tits, but I would like to see more women with long-lipped pussies.—S.H., via email

WHAT HAPPENED TO THE PRINTING QUALITY OF SCORE?

Dear SCORE,

In my latest issue of SCORE (August '05), the pictures look like they are printed like comic books. If you are going to get rid of the high-quality pictures like you used to have, then I am not going to get your magazine anymore. You probably have some new bosses who decided it will save money to have India print the pictures. I am not going to subscribe to a comic book.—O.D.B., via email

Dear O.D.B.: We noticed the poor printing job of the Aug. '05 issue, too, and we weren't happy about it. But just to set the record straight, we haven't changed printers, and the paper SCORE is being printed on is of a higher quality than ever. We're hoping the printer simply had a bad month, and we've taken steps to make sure poor print quality doesn't become a trend. We're also working on improving the quality of the digital photography that has, in many cases, replaced print photography. 📌

VIAGRA GROWS UP

IT'S NOT JUST FOR DICKS ANYMORE!

Viagra was originally developed to expand coronary blood vessels in people with angina-related chest pains. Instead, the drug expanded blood vessels in the penis and made boners. The marketing emphasis and patient profile of the drug changed...drastically.

Doctors at Henry Ford Hospital have begun studying Viagra as a treatment for strokes. Animal tests have indicated that Viagra can improve memory and movement by helping injured brains develop new cells and blood vessels. Seven groups of patients will get doses of Viagra ranging from 25 to 150 milligrams. The average dose of Viagra for sexual activity is 50 milligrams.

Researchers at the Johns Hopkins University School of Medicine reported that Viagra blocked and even reversed some of the heart enlargement in mice with blood pressure stress. Plans are under-way for a trial to learn if similar results occur in humans.

Sales of Viagra, Levitra and Cialis totaled \$1.2-billion in 2004 in the U.S., roughly the same as in 2003. Viagra's U.S. sales declined by 20% in 2004 to \$886-million, although its sales worldwide still topped \$1-billion.

"We are seeing everything flat-line out right

now," a doctor said. "And it's not like consumers don't know these drugs are out there."

About 30-million Americans have erection issues, but many are too embarrassed to tell their doctors. Physicians say millions of men aren't interested in ED drugs simply because they don't have partners or have partners who are disinterested in sex, are taking other medications that cannot be taken with Viagra, or they have health problems such as diabetes that Viagra can't overcome.

It is estimated that over one-million men are filling ED prescriptions each month. But don't buy Viagra on the fly-by-night Internet where counterfeit drug sales are out of control. Some experts believe that the market has been flooded with so many free samples that companies have damaged their own sales growth. British drug company GlaxoSmithKline estimated that more than 50% of the ED pills on the market last year were meant to be samples.

The U.S. Food and Drug Administration is investigating a scare story that 43 people

who took ED drugs developed a form of blindness, actually a tiny number considering that over 23-million men have taken Viagra since 1998.

Pfizer responded to this report by stating, "There is no evidence that vision loss occurred more frequently in men taking Viagra than men of similar age and health who did not take Viagra."

Viagra use may be helping endangered animals, too. Asian folk medicines for sexual performance use the velvet of reindeer, the genitals of male seals and other animal parts in their formulas. Researchers have correlated a drop in the hunting of several species and sales of their organs for use in Asian remedies with the rise in Viagra sales since 1998. A spokesman for the World Wildlife Fund disputes this, saying that other Western drugs have not affected the production of traditional Asian medicines.

"If that were the case, the demand for tiger bone, which helped make the species so endangered, would have dropped with the advent of aspirin," the spokesperson said.

There's a booming business in herbal products that claim to be natural versions of Viagra, containing such ingredients as damiana and saw palmetto. The fact is, no herbal compound comes close to the effects of the three main ED drugs. Some of the claims, such as increasing penis size, are outright lies. The only thing they increase is the bank accounts of these modern day snake oil salesmen. So learn to be happy with your cock. Either that or learn how to use it.

But back to the real stuff. Studies show that sildenafil citrate, the active ingredient in Viagra, helps prevent altitude sickness by reducing high blood pressure in the lungs and improving oxygen transportation. As a result, U.S. regulators approved an offshoot of Viagra to treat pulmonary hypertension, a lung disease that afflicts mostly women. The new drug is called Revatio.

SURVEY SEZ...

A survey of 50,000 American adults found that 70% of women want bigger or rounder breasts. The majority of males say they are perfectly happy with their partner's boob size.

More than 50,000 adults between 33 and 36 years old answered the anonymous survey on the MSNBC website. When asked about their breasts, seven out of 10 women expressed dissatisfaction with either their size or shape.

Women between 18 and 25 years old were most likely to be content with their breasts, but they were also most likely to desire bigger breasts. Older women's interests switched from breast size to shape. Males were less critical when it came to judging their partner's breasts. Fifty-six percent of men were satisfied with their partner's breasts. Twenty-percent of men wished their partner had larger breasts.

"What we wanted to get at in this study was how satisfied men are with their partner, because it could be that men find a variety of breast sizes attractive, regardless of what they rate as ideal," said David A. Frederick. He added that for women, "the popular Barbie doll, with her slender body, narrow hips and large breasts represents this ideal." Only one in every 100,000 women has Barbie's proportions.

BOOB BOTS

In May '04, Boob Beat checked out the strange universe of life-sized female dolls built for sex. Now another inventor claims to have created the world's most advanced fem-bot. The silicone androids developed by German aircraft mechanic Michael Harriman from Nuremberg supposedly have hearts that beat harder during sex. They also breathe harder and have internal heaters that raise body temperature, but their feet stay cool.

"They are almost impossible to distinguish from the real thing, but I am still developing improvements, and I will only be happy when what I have is better than the real thing," Harriman said.

The dolls, sold under the brand name Andy, sell for \$7,000 each for a basic model with extra charges for accessories like extremely large breasts. (What about tinted windows?)

Harriman said his design was an improvement on the popular Real Dolls made and sold in the United States. The Andy brand was developed by Germany's Daxtron Laboratories, which develops non-sexual and sexual genetic programming and android technology projects.

Do these things sell? Your Boob Beat columnist knows several readers who have bought custom-made, huge-breasted Real Dolls costing thousands of dollars. Maybe in 20 years, we'll see the kind of sex robots depicted in the movies *West World* and *AI*.

MERILYN SAKOVA JOINS THE SUPERNATURAL TIT SQUAD

Debuting in the all-natural boobs September '05 issue, Marilyn Sakova takes her place alongside Nicole Peters and Kelly Kay, both Newcomer of the Year Award winners as voted by readers and website members. It would be shocking if Marilyn doesn't win this contest when the ballots are ready for the upcoming 2005 boobie battle. She has winner spelled all over her chest.

Kelly Kay, Newcomer of the Year 2004.

Marilyn Sakova: a surefire readers' choice.

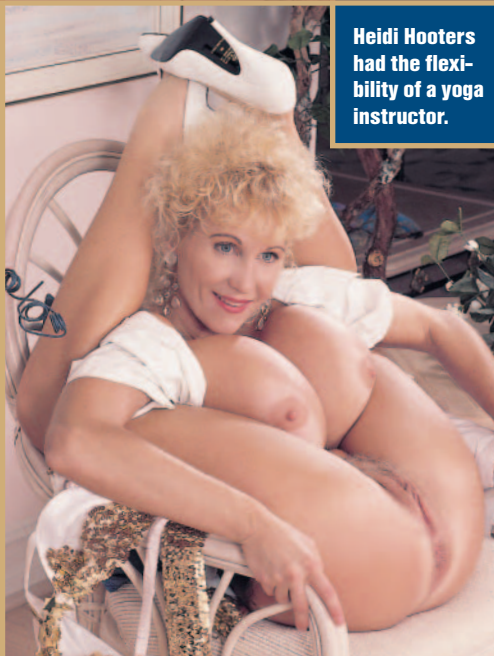

Nicole Peters, Newcomer of the Year 2003.

CONTORTIONISTA: DOWN MAMMARY LANE WITH HEIDI HOOTERS

At the turn of the 1990s, the explosive growth and proliferation of gentlemen's clubs across North America fueled a similarly explosive rise in the number of girls visiting their doctors for chestal expansion.

An experienced dancer and big-tit model, Pennsylvania's Heidi Hooters was one of these super-tit wonders. These photos were shot at the height of her career. Few dancers could match her extreme limbic hyper-flexibility, which startled the most jaded breast-men. (Busty BriAnna, Dixie Bubbles and Kim Chambers also have this bendy-jointed talent.) By the mid-'90s, Heidi was gone. Where is she today?

Heidi Hooters had the flexibility of a yoga instructor.

Kianna (*Hard SCORE #2*) at left poses in towering fuck-me shoes, while Melissa Carey barefoots it.

POINT/COUNTERPOINT: SHOES VS BARE FEET

Last issue, *SCORE* readers and Scoreland.com members sounded off about whether we should show the models with their clothes on (before they take them off, of course). This month, the subject is footwear and feet. Our readers and website members sound off about heels and soles. Should we show our models in sexy shoes or in sexy bare feet? Or should both get attention during a pictorial?

POINT: GET THOSE SHOES OFF!

Some guy named M. says, "I hope you get a kickback from the shoe manufacturers, because every friggin' pictorial has the women wearing shoes. They are not sexy when they are lying down with their legs in the air or in a doggie-style pose. I will grant you they make the models' legs look good...when they are standing. I know they sometimes hide ugly feet, but it's still a cliché!"

M.G. pipes in with, "I'm not a foot fetishist, but I love a nice pair of feet. I'm suggesting that models wear shoes for the standing shots but lose them when lying down or in doggie-style shots. I subscribe to BustyKerryMarie.com, and she has beautiful feet. Yet every single picture has her wearing some kind of slip-on shoe, even when she's on her back in a bed or on a couch."

And R.R. says, "I am not a foot-fetish person, but I do like totally nude and no shoes when it's time to fuck!"

COUNTERPOINT: KEEP THE SHOES ON!

Says S., "Most guys want to see open-toed mules, oily bodies and plenty of bent over at the knees photos against a plain backdrop."

K.I. adds, "Go to any strip club anywhere in the world and tell me if you see even one dancer on stage wearing flip-flops or shoes a girl would wear in an office. Fuck no! They're all sliding around on six-inch see-through heels. Why? Because dancers know better than anyone what turns guys on."

And P.W. points out, "I noticed that some of the readers mention your models wearing heels and their displeasure with that decision. I can honestly say that I love when you photograph your models wearing heels and shoes that exotic dancers wear, such as CFMPs (Come Fuck Me Pumps). And the shorter the skirts, the tighter the tops and the skimpier the outfits, the better."

BOOB COURT

A Quebec court has awarded a television weathercaster \$340,000 in a defamation suit against CHOI-FM, Quebec City's No. 1 radio station. CHOI-FM morning man Jean-François Fillion, his co-hosts and station owner Patrice Demers were ordered to pay TV weather presenter Sophie Chiasson \$100,000 in moral damages, \$200,000 in punitive damages and \$40,000 in legal fees.

The radio hosts made comments on the air about the size of Ms. Chiasson's boobs and her love life.

"They are big. They are enormous. It seems it is one of her advantages. Unfortunately, the size of her brain is not directly proportional to the size of her bra," Fillion said on the air in September 2002.

We don't know what he was looking at. We checked out some pictures of Chiasson, and she's a C-cupper, max.

Fillion also criticized Ms. Chiasson's résumé, saying she was an "empty jug" and that she slept with men twice her age.

Justice Alain Paul of Quebec Superior Court agreed that Chiasson had been publicly harassed and degraded.

"It has been a living hell for her for many years," Judge Paul wrote in his ruling.

A BREASTIVAL OF BRAS

British women of Cyprus, Greece plan to make the world's longest chain of bras. They're hoping to heighten breast cancer awareness and raise funds for research.

Organizers said they need 90,000 bras and about 10 months to build the chain that they hope will put them in the *Guinness Book of World Records*. The previous record was a 79,000-long bra chain in Singapore.

"We are asking for women to donate as many unwanted bras as possible," an official said.

DIGITAL BOOB JOBS

Teen actress Lindsay Lohan's breasts have been digitally reduced for the movie *Herbie: Fully Loaded* to avoid offending family audiences.

Test screenings for the movie about a Volkswagen Beetle car with a brain indicated that some parents felt Lohan's character was too sexy for a children's film. Disney technicians spent over \$1-million dollars using digital techniques to reduce her breasts by two cup sizes and raise the low-cut necklines on her T-shirts, especially in scenes showing Lohan jumping up and down.

A lot of kids are going to be really upset about this.

The producers of TV's *Desperate Housewives* have spent thousands of dollars digitally removing the nipples from footage of stars Teri Hatcher and Nicolette Sheridan. "When it's cold and you're shooting outside in a T-shirt, things arise," Hatcher said.

What kind of a sick mind erases nipples? A lot of 40-year-old men are going to be really upset about this.

**WAKE UP! NADIA
WILL MAKE YOUR
DREAMS COME TRUE.**

She is the realization of most men's fantasies, a walking, talking Barbie Doll: tall, blonde, beautiful, stacked. Who could ask for anything more? "I've had guys say to me, 'Are you for real?'" said DD-copper Nadia Hilton. "I'll answer by rubbing up against them and saying, 'That's for you to figure out.' That usually leaves them speechless."

Nadia has a way of rendering men speechless. "Men tend to get tongue-tied when they're around me," she said. "They start acting stupid. But guys don't have to come up with a silly line if they want to get to know me better. I like nice guys who are more into me than they're into themselves, and a guy like that doesn't have to impress me. All he has to do is say, 'Hello,' and we'll take it from there."

Although Nadia doesn't want you to be intimidated by her and wants you to come up to her, she'll never make the first move. "Maybe it's because I'm a small-town girl, and I'm conservative in most ways, but when it comes to sex, I'm very passive," she said. "I expect you to make the first move, and if you don't, we could sit all night just talking. But that doesn't mean I don't want you. Try me. See what happens." Nadia's definitely worth a try.

DIARY OF A RAVING MAMMAPHILE

True-to-life big-tit sightings by a truly ravenous big-tit lover.

ILLUSTRATION BY OTIS SWEAT

SWEAT

"I've seen things you people wouldn't believe."

—Batty the Replicant, *Blade Runner* (1982)

I'm Craig Mercer. Not my actual name, mind you, but a *nom de plume* or *nom de porn*. For the past five years, I've been posting big-tit sightings in forums across the Internet. Some people ask me why. It's one of those instances where you see something so incredible, you just have to tell somebody just to lower your heart rate. But you can't tell just anyone. Big-tit sightings must be handled carefully. Go blabbing to anyone about the jugs on the secretary on the fifth floor and you can expect some raised eyebrows and possibly a pink slip.

So it happened that on the streets of Paris in August of

1997, I spotted a tall, monumentally stacked brunette emerging tit first from a church. I swear her tits preceded her by a good five seconds. Now, I'm the most demure, bashful guy you'll ever meet, but I immediately tossed all that aside to approach her. Maybe my French was a bit too broken, or maybe the eight pounds of mams she packed into that green, bursting-at-the-seams blouse carried too much momentum

for her to slow down and talk, but there I was, stunned, euphoric and watching her bounce away, tits swaying from side to side and visible even from the back. I was so overwhelmed that I had to take the rest of the day off and sit quietly in the park with my thoughts, which I will now summarize.

A Few Words On Big Tit Sightings

1. The biggest element of a sighting is the surprise. There you are, some poor stooge going through his hum-drum daily routine, when suddenly...

2. First you feel a shortening of breath and a drastic change in body temperature. I get a chill at the base of my neck.

3. Then comes the adrenaline surge, followed by a surge in heart rate. You experience a head rush, which leads to blushing and ringing in the ears. Cotton mouth is common.

4. Next, a weakening of the nerves and muscles around the knees.

5. Extreme cases lead to temporary Tourette's syndrome and audible utterances of vulgar synonyms of "breast" or appeals to higher deities. Try to keep it under your breath.

6. Once your body functions return to normal, you're left with a residual raging hard-on.

With no one to relate this incredible vision to, not even in Paris, I was unable to function normally for a good 12 hours. Upon returning to the United States, I was happy to discover BEA (Breast Expansion Archive), an online sanctuary where like-minded mamma-philos roam free and can appreciate a nice pair without getting funny looks and threats to their livelihood.

Now, breasts are extremely distracting things, but can they change the course of your life? In high school, I was a promising student when my biology lab partner began developing an epic

pace. The bigger her tits grew, the lower my grades sagged. Sure enough, instead of attending an art school on the east coast, the best I could manage was a mid-west cow college. Worse yet, I was surrounded by chesty, corn-fed coeds who were barely contained by their overalls. Yes, my career in higher learning was fucked. Before heading home to the coast, I worked a few odd jobs out there and had a few amazing experiences.

Door-to-Door Salesman

For a while, I had a brief career as a vacuum salesman. It was a miserable period of my life: working purely on commission, getting few sales, dealing with irate people, hiking door to door endlessly, and asshole co-workers.

There were a few highlights, though: a fun, easy-going boss and boss's wife, getting high and drunk with co-workers, the sales that did come through, camping out at the 7Eleven in whatever backwater Iowa town we were in and seeing what the locals were made of, and one mind-blowing afternoon in the presence of a young, nursing mother.

It was the kind of thing I looked forward to every day since I signed on with the company: a young blonde, a beautiful home. She was a nurse(!) at the local hospital and had delivered a baby girl two weeks earlier. Upon my arrival, she had the baby on her shoulder, resting on a blanket that covered most of her chest. She went further into the house to put the baby down for the afternoon. When she returned, my heart was pounding and I was getting dizzy. This petite blonde was being overwhelmed by a billowing pillow of a bosom that was as wide as the doorway she observed from and hung down to her narrow waist. She was dressed in shorts, a men's 3XL T-shirt that draped from the edge of her boobs like a curtain, and a behemoth, lacy nursing bra.

As she got more interested in the demo, she squatted in the doorway (the area I was cleaning was sunken). Her boobs immediately spilled into her lap, and her canyon of cleavage swallowed up a good part of the T-shirt. We had a nerve shattering (at least for me) conversation about her pregnancy, during which she giddily mentioned that she had gained 20 pounds in her chest, more than twice the weight of her baby, and how the rest of her body returned to its normal, slender form.

"Go ahead, pick it up!"

Bettie Gets Bad!

THERE'S A SWEET SIDE TO BETTIE BALLHAUS. AND THEN THERE'S HER NAUGHTY SIDE!

Talk about feast or famine! Bettie Ballhaus had gone four years without an appearance in the world's greatest big-tit magazine, and now here she is for the second time in 10 months. What gives? "I have been very busy with the other parts of my life, such as being a spokesmodel and making appearances at clubs all over Germany," she explained. "But I love being in *SCORE*, especially when I get to read all of the wonderful things the readers say. They make me feel like a star." Bettie, you're already a star.

We're going to make Bettie's day—because she deserves it—by presenting a small sampling of the reader mail that followed her appearance in the February '05 issue. Wrote T.J. from Liberty, New York, "Bettie is a natural goddess, and her flaming red hair (is it redder than it was before?) adds to her sex appeal. Bettie doesn't have to spread her legs and do hardcore to get me off." Exclaimed A.E. from Elkins Park, Pennsylvania, "To me, German women have always had a smoldering sexuality, and Bettie has it. And it's not just her tits, which are sensational, but her eyes. She has, if you'll pardon the cliché, the look of love." And K.M. from Barrie, Ontario said, "Bettie has the lush body that can warm up any guy on a cold winter night. I'd give my last hockey puck for her."

These photos, taken by Danni.com, give us our best view yet of Bettie's pierced pussy. "Oh, *that*," she said. "That's my naughty side. Every girl has a naughty side, and it's better when men have to work hard to discover it. I've been with men who were shocked by my piercing. They'll look up at me and say, 'Bettie, I did not think you were the type.' And then I squeeze my legs around their head and say, 'What type is that?'" The kinky type. The type with a naughty side worth looking for. That's Bettie.

To answer the question Vanessa posed on page 45, it would look great if she started playing with her tits in the middle of a bank. But did we hear right? Is Vanessa, the classic slim 'n' stacked *SCORE* Girl with a body built for porn, really an investment advisor? "Yes, I am," said Vanessa, who lives in southern France. "It's a full-time job which I enjoy a lot, even though my boobs, nails and high heels attract a lot of attention. And I sometimes wonder if my male customers really choose me for my banking knowledge." No, Vanessa. They choose you for your growth potential.

AMBER BROOKS

She wants to be your fantasy fuck. As long as she can direct it.

**INTERVIEW BY ELLIOT JAMES
AND DAVE ROSENBAUM**

If you're looking for a lady who'll whisper sweet nothings in your ear and let you have your way with her, then Amber Brooks is not your dream girl.

But if you're looking for a chick who'll suck your dick until your balls are ready to explode, wrap her tits around your cock and talk dirty to you while she rides your pole, then Amber Brooks is your kind of girl.

This former house dancer from Texas is a

no-nonsense girl, but she's also a SCORE Girl through and through. Beautiful Amber and her F-cups tits debuted on the cover of the August '05 issue of SCORE, and her 20-minute jack video on Scoreland.com is one of the hottest solo shows you'll ever see. In about a month, the voting for Newcomer of the Year will begin, and Amber will be one of the top candidates.

And, yeah, she cares if she wins. Because Amber doesn't like to lose at anything. And because she's a fighter...and a lover. As

you're about to discover in this exclusive interview conducted at the SCORE studio.

SCORE: Hi, Amber, and thanks for coming to SCORE. We're thrilled to have you. Tell us where you're from.

Amber: I was born in Philadelphia and raised throughout the east coast. Then I came to Houston in about 1989. I ended up meeting my now ex-husband and having my son out there.

SCORE: How old's your son?

Amber: Eleven.

SCORE: That would make you a MILF.

Amber: Big time! Everybody wants to fuck me, the moms and the dads.

SCORE: Have you ever fucked one of your son's teachers?

Amber: No!

SCORE: Have you ever fucked the father of one of your son's friends?

Amber: No! My God, they have psy-

chotic wives! They'd come after me with a knife! But all of the fathers look at me like a MILF, and they all say to my son, "Wow, your mom's hot!"

SCORE: How do you normally dress?

Amber: Very conservative. Hair pulled back in a pony tail. Gotta hide the girls, obviously, because they're their own entities. They get their own attention, so I wear a lot of big shirts. But if I'm not

around my son or it doesn't have anything to do with school, then it's a free-for-all. Then I'm wearing tight shirts, and you're looking at my chest while I'm talking to you, and tight jeans.

SCORE: Do you like having big tits?

Amber: Oh, yeah! Some girls with big tits are like, "What's he looking at?" and I'm like, "Bitch, you got your big-ass tits. What do you think? You think

they're not going to look?" So go ahead and look! That's what they're there for. But don't be stupid and get caught looking and get slapped by your wife and wonder what happened. I've broken up many happy homes in the mall. I'll be walking in the mall, and all of a sudden I'll hear, *Slap!*

SCORE: What do you wear when you go to the mall?

Amber: White T-shirts. Hip-huggers.

SCORE: But here's what guys don't understand: We're walking in the mall, and a woman is showing a lot of cleavage, and we check her out, and she seems pissed off. What's with that?

Amber: [Laughs] I mean, really! I don't understand it, because I'm a woman with big tits, and I love getting looked at. I'd get upset if I wasn't getting getting looked at. I'd wonder, "What's wrong with me?" I've been with my girlfriends and seen a guy who I thought was attractive, and I'd look at him, and he'd walk right past me like I was invisible, and I'd turn around and say, "What the hell is wrong with him?" And my girlfriends will say, "You really take offense when people don't look at you." I do!

SCORE: Are you an exhibitionist?

Amber: Yeah. I like people to watch. I've been watched at parties, friends' houses, taking other girls' boyfriends in front of them. To share, obviously.

SCORE: So you could be at a normal party, not a swingers party...

Amber: Well, the parties I go to, they start out as normal parties, but at midnight, the rules change. Everybody has to lose their clothes at midnight.

SCORE: What party is this?

Amber: [Laughs] Some friends in Houston. And at midnight, everybody jumps into the pool naked, and it's pretty much a free-for-all. It's mandatory if you want to stay at the party. Then it's boy-girl, boy-boy, girl-girl. You just pick whoever you want. You know the people who are there, and if you want to fuck them, you do it.

SCORE: You won't go to a bedroom and have sex? You'll do it right there in front of everybody?

Amber: Sure. I remember one time, we were all in the pool, and we were all naked, and we were in the Jacuzzi and somebody was talking to me, and little did they know that I was getting my pussy eaten out at the same time I was talking to them.

SCORE: Wasn't the person who was eat-

ing your pussy drowning?

Amber: [Laughs] He could hold his breath. What can I say?

SCORE: Does having sex in front of people get you off?

Amber: Yeah. Watching people, too.

SCORE: You're dark-skinned.

Amber: I am a Brazilian-Colombian mix, but I was born in Philadelphia, so I'm a little bit of this, a little bit of that.

SCORE: That Brazilian-Colombian mix probably explains your ass. You have a great ass, don't you?

Amber: I have a pretty good ass. I have a nice plumper back there. [Laughs]

SCORE: You know what? Plump asses weren't always considered a good thing, especially by women.

Amber: They weren't, but thank God for J-Lo. I love J-Lo.

SCORE: I betcha there was a time when you didn't like your ass.

Amber: I've always liked my body. My mom always made me very secure about my body. She said, "You have a beautiful body. Enjoy it. Men are going to love it." And they do. Every day!

SCORE: Do you have sex every day?

Amber: Not every day, but if I could find the right person, I'd have sex every day. The thing is, it gets boring with the same person over and over. If somebody kept it exciting, I could have sex every day.

SCORE: What's the longest period of time you've ever been with a guy?

Amber: Three years. And I wasn't faithful to him. I got bored in a year.

SCORE: You're a dangerous girl.

Amber: Well, not anymore because I'm very up front now. I get bored, and I tell men to their face, "I'm bored with you. Next!" They don't keep it exciting. It's just, "Let's go fuck in bed."

SCORE: What do you want them to do?

Amber: Ask me to do weird shit, like let's go fuck in a club or somewhere different. If we're going to a nightclub, how cool would it be if he takes me in the corner and fucks me?

SCORE: Has that ever happened?

Amber: Oh, sure!

SCORE: How cool was it?

Amber: It was wonderful, but I don't get asked to do that a lot. It's a once-in-a-blue-moon situation. If somebody was always wild and stayed wild, then I'd probably stay with them for a long time.

SCORE: You said you used to be a dancer. For how long?

Amber: On and off for about six years. I've danced in Houston and Las Vegas.

SCORE: How were your lap dances?

Amber: I'm a nasty lap dancer! I'm all about grinding. My goal is to make a guy bust a nut. I'll rub my titties all over his crotch or his dick. Up and down.

SCORE: Why did you quit dancing if you liked it?

Amber: The laws in Houston became too strict, and for a dancer like me, that didn't work. But I still love going to the bars. I'm a titty-bar freak. I love going drinking and tipping the girls and dancing, but you can't do anything anymore because of the laws.

SCORE: Let's go back to the lap-dancing thing and making guys cum. Some guys don't like to cum in their pants when they get a lap dance. You'd probably take that as a challenge, right?

Amber: Well, I'd just take his dick out. No reason to leave it in his pants. Dick can be removed from pants! [Laughs]

SCORE: What do you think the appeal of lap dancing is?

Amber: It's a fantasy to have a girl who you barely know sit down in front of you, and she wants to rub her body all over you. Rub her titties in your face.

SCORE: You know why guys like it so much. Are you a guy in a girl's body?

Amber: I think so. I've been

"I just told someone, 'How cool! I'm going to be someone's fantasy.' That's cool to me because I watch porn."

told that I'm a guy trapped in a chick's body. Just the way I treat people. The way men treat women, I treat men that way in the sense of, "I'm done with you. Next." Or, "You can't sleep here. Get out." And the thing that's really weird is I've been told by some of my exes, "You're so sweet if you want sex." And that's true. I'll be like, "Oh, come on over. I'll suck your dick. I miss you." And then they'll make me cum, and I'll be like, "Okay, that was great. Get out!"

SCORE: We don't get to watch TV? We don't get to eat dinner?

Amber: Nope! And guys will say, "What happened? You were so sweet."

SCORE: A guy can't get away with that kind of behavior, can he?

Amber: Hell, no! The girl will say, "Asshole, you just used me!"

SCORE: But guys will always come back for more from you, won't they?

Amber: Not only will they come back, they'll call me constantly. I become a challenge to them, like, "Why don't you want me? Why don't you want to spend some time with me?"

SCORE: Guys want nothing but sex until they meet a girl who wants nothing but sex.

Amber: Thank you! And then they're like, "What's wrong with me?" And there's nothing wrong with them. I just don't want a commitment. I don't want a relationship. But most of these guys have been the ones who told the girls, "Get out. I don't have time for you." And then they meet that one girl who does it to them.

SCORE: Okay, Amber, we've taken enough abuse. On to another subject. Guys are going to see you in *SCORE*, and they're going to jack.

Amber: You know what? I just told a person I know, "How cool! I'm going to be someone's fantasy." That's cool to me, because I have pornos, and I look at them, and I masturbate to other girls and guys, and to be someone's fantasy. How cool is that?

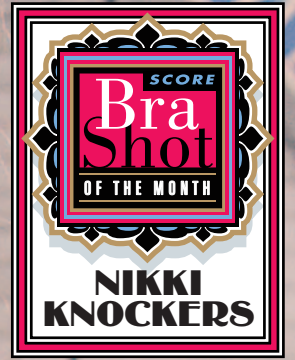

SCORE: You watch porn?

Amber: Yeah! Porn is good.

SCORE: What kind of porn do you watch?

Amber: A lot of interracial, like big black men with

DIARY OF A RAVING

Continued from page 36

Right before my time was over, we sat down for a Coke at the kitchen table. The baby was crying for a feeding, so she got up (it really was a struggle for her; her boobs were so heavy, they weren't swinging but visibly rolling under her T-shirt), grabbed the kid from the crib, took a seat at the counter and whipped the nipple of her right breast through the nursing flap.

I reluctantly but respectfully averted my eyes. She joked about how well I was keeping myself together, but she had no idea! Then my supervisor showed up, and we shared a few bug-eyed stares as we packed up. Like I said, it was a miserable job, but an hour with the biggest naturals in the mid-west made it worthwhile.

The Shopping Mall

A constant parade of T&A passed through the shopping mall where I spent some five years of retail hell upon my return home. That parade was something out of a Fellini movie and included customers as well as associates as participants. There were women of all conceivable walks of life, some barely legal with curves far beyond their years, all the way up to stacked 50somethings who were the very definition of MILF. There were bodacious Italian chicks who barely cleared the five-foot mark and were all tit from neck to belly, and skyscraping six-foot-five beanpoles who seemed to block the sun with their D-cup balconies.

JULY, 1999: One weekend at the sun-glass outlet where I was stationed, my boredom was shattered when a boisterous pack of five young women drifted in. At the center of this pack was a textbook Virginal Breast Hypertrophy case who gave symmetry to the pack (as she was flanked by two flat-chested girlfriends). Whatever business I had with whatever customer I was with on her arrival was wrapped up quickly, if not dropped entirely, so as to give my undivided attention to this dark, hirsute, beautiful college-age teen with 10 pounds of olive-colored flesh billowing across the confines of her pristine-white polo. Her olive skin, Olympic bosom, Roman nose, green eyes and full lips revealed her Mediterranean heritage.

"I like to dress like a slut," said E-cupper Lolly Topps, who's opening this pictorial wearing one of her favorite slut outfits. "I always show off my tits, and all of my pants hug my ass, and I never wear panties. One look at me and you know I love to fuck."

This small package (Lolly weighs only 95 pounds, most of it tits, and can easily be lifted up and spiked on your cock) proved how much she loves to fuck when she made her *SCORE* debut in the Xtra section of the July '04 issue. That's a rarity; most *SCORE* Girls start solo and move up to the hard stuff, but not Lolly. "I wanted the readers to see me the way I really am," Lolly said. "I loved seeing myself giving head, and I really loved the centerfold of me looking into the camera and holding up my tits while I sat on his hard dick. But this time, I'm all yours!"

"The first part of a guy's body I look at is his package," Lolly said. "I'm a little girl, but I love big dicks, and I love when a guy slaps my ass while he's fucking me from behind. What can I say? I dress like a slut and I act like a slut. And if I want to fuck you, I'll do it!"

DIARY OF A RAVING

Continued from page 70

approaching the 48-inch mark (a 38HH cup?), she seemed to fill the entire store with her presence. A walking fire hazard, if you will. Her sporty outfit was completed by an equally pristine white headband that gathered her shoulder-length, raven-black hair, a high-cut tennis skirt, white knee socks and sneakers. There was a tennis camp that convened annually nearby, but I couldn't wrap my mind around her incredible figure diving across a tennis court. I wasn't doing much thinking at all as I was falling over myself to please her and at the same time extend her visit as long as possible. I was flirting, pulling out discount cards and basically being at her beck and call for a solid 20 minutes. Two co-workers from a kiosk down the hall came through for supplies, and one gave an utterly shocked take at this bra-busting Greek-Roman princess and commented to the other, "Craig's in heaven right now."

Sadly, other customers continued to file in, fuckers, and I could stall no longer. I had her fill out a customer "warranty" card in hopes of keeping in touch. The Xs and Zs in her name narrowed her heritage to the Armenian side of the Mediterranean, and I wrapped up her new Ralph Lauren sunglasses (sold well below their retail price). She smiled back, turned about-face (still flanked by her lesser-blessed entourage) and walked out of my life, her champion jugs two gleaming white blobs visible even from the back.

And there I stood, a grinning, idiotic nervous wreck with a residual raging hard on.

The Bra-Buster Boutique

Three of my five years in the mall were spent at a men's and women's boutique known for the barely-there, dirty and sometimes downright nasty apparel it offered its female customers. The men's department, by the way, catered mostly to the "Queer Eyes," which was actually a plus because that sometimes allowed for hands-on customer service for certain buxom beauties who were otherwise apprehensive about letting a male manipulate their charms. "This Mercer guy works here, so he must be...you know." Assume all you want, Miss. If only you knew how much I'm enjoying this!

I became enamored with one Ms. S, who caught my eye when she came in for jeans and left after destroying about three tops. Two were stretched beyond recognition; she popped a spaghetti strap on a third. The rest of her crew included two Ms. S lookalikes, including a super-petite, impossibly round bra buster who filled out any outfit to the fullest in all possible directions, and a taller, equally attractive coed whose bosom was growing at a rate her body couldn't handle, judging by the deep stretch marks scarring the tops of her magnificent boobs.

I used to think clothes-buster sightings were rare before I worked retail. Burst seams, straps and buttons are a holy grail experience for any true-blue boob hound. I dealt with them on a weekly basis, and, no, I never charged a clothes buster for destroyed merchandise. Kind of a trade-off for making my day, you know?

Thursdays were typically excellent sighting days for me. The first beauty on one day was in the store for a good 45 minutes shopping for her boyfriend, who was performing with his band at the shore. She had a beautiful hourglass figure, accentuated by wide hips and a pert, heaving 32D bust that levitated out of her turquoise tank top. I told her I needed to pick up an instrument if rock girlfriends looked that good. She got giddy and notably flirtatious following my compliment (she nipped out about four different times during her stay, by the way).

In the first mega-bust sighting of note that day, a wasp-waisted, well-built *bellissima* with no real bust of note (at first glance) tried to match a pair of pants with a top she had bought elsewhere. She was wearing a black T-shirt and jeans.

My Spidey-sense told me something was going on there, and I was right. She came out of the dressing room wearing tight hip-huggers and a flimsy, low-cut tank top that contained the most elaborately minimized boobs I'd ever seen. The minimizing bra was padded for comfort and wired at every joint—straps shoulder and back—all padded to avoid digging in. The connector at the back had five hooks in a one-inch stretch alone (the whole thing wasn't visible). All this strapping, wiring and restraint, however, pushed her boobs up halfway to her chin and formed an amazingly deep cleavage.

Then, to my delight, she asked me for my opinion.

"Can't argue with those," was my frank response.

The longer I worked there, the rawer my attitude became. I became known at the store as the breast specialist. My gracious female co-workers always grabbed me whenever a customer asked the question, "Does this make my boobs look too big?"

What A Difference a Bra Makes

A frequent customer I always looked forward to was a big-eyed young West Indian woman with dreadlocks. She was 5'8", 100 pounds soaking wet, and she had DD-cups that typically drooped to her waist. She invariably drew stares from other woman customers each time she visited. She threatened to stop shopping there when she couldn't return a final-sale halter top. She begged and pleaded and complained how "it won't fit my chest. They fall out of the bottom!" But to no avail. She apparently solved the problem and shelled out \$40 or so for a decent bra. She was delightfully lifted and shaped into two perfect,

large, grapefruit spheres. Kudos.

Suburban Brick House

Another frequent customer I admired was unusually thick and stacked for a white girl. This big, bouncy, buxom lass was a fixture on the club scene and always shopped with two flamboyantly gay male friends. Her thick waist seemed absolutely slender in comparison to her 38-inch hips and 36D-pushing-DD chest. Her breasts weren't huge but incredibly pert and were tucked into a red, wraparound halter and demi pushup bra. Not only were her tits perky, not only was she nipping out, but she was puffy in the areolae department as well. Imagine a cake, the icing on the cake, and a cherry on top of the icing. Talk about jugs that just wont quit!

Big Hair, Huge-Boobed Mother

On my lunch break one day, I passed a mother of about 40 or 45. She was tall, well-tanned and athletic with a huge, auburn perm piled high on her head and an enormous natural pillow of a bosom first packed into a fitted pink T-shirt and then strapped into denim overalls. The sides of her boobs were

bursting out at either side of the overall's flap, accenting the lacy panels of her bra. Imagine a more demure Lulu Devine. Her tatas were that big, just not as played up.

Double-Wide Boobs

She was a skinny, scholarly, young, light-skinned black woman with braided hair and dark, horn-rimmed glasses, and she was stylishly and demurely dressed in a large, white T-shirt and long skirt. What drew my attention was her huge bust beneath the T-shirt, as it didn't protrude or sag as 99% of big-bust sightings go (You know, they either jut out a foot or two or hang down to the waist or, in a best case scenario, both). It appeared as if her F-cup boobs were bound as tightly as possible to her chest, then lifted and separated.

Anyhow, if you can follow me, the effect was of a bust that was twice as wide as her torso. A bosom that pushed out to the left and right rather than straight out. Bizarre yet still incredible. I saw her bouncing down a flight of stairs. She ran into an old friend on the landing and carried on a conversation for about 10 minutes, giving me ample opportunity to stare at her from a birds-eye view.

Busty waitresses, nightclub hostesses, undercover S&M mistresses, swingers, emancipated teens, sluttish sorority chicks, liberated women of the 21st century...all were drawn like moths to a flame to the Bra-buster Boutique. We catered specifically to the "fuck-me," liberated sense of fashion pioneered by Britney Spears, Christina Aguilera and Jessica Simpson. Oh, and strippers, too. Especially strippers, including one Alyssa Alps lookalike I affectionately called "Blimptitz" and her equally curvaceous side-kick.

The Saga of Blimptitz

One day, I went bopping into work two hours early out of sheer boredom. My timing couldn't have been better. There in the fitting room of my store was Blimptitz and a less well-endowed (but otherwise incredible) Hispanic friend modeling our best patriotic wear. Meaning her 38G (confirmed) bazoom-bas were busting out of an overtaxed, red tube top, screen printed with the American flag and a bald eagle. Her painted-on jeans and black, clunky shoes completed the outfit.

As it turned out, the two girls were displaying their considerable assets for

"I'm a giver, not a taker," said Shani, who was born in Israel, moved to Denmark when she was a teen and now lives in London, where she manages a dress shop. "I love to help people. I love to make people feel good, especially men. If you're my man, then you're my king and I'm your princess. I want to take care of you and make you feel good, especially in the bedroom."

SHANI

BIRTHDAY: August 18th

HEIGHT: 5'9" **WEIGHT:** 134 lbs.

BRA SIZE: 34DD

MEASUREMENTS: 38-24-34

BORN: Jerusalem, Israel

LIVES: London, England

OCCUPATION: Retail sales manager

HOBBIES: Cooking, sewing, reading and donating time to soup kitchens

FAVORITE POSITION: Missionary

"I get pleasure out of giving pleasure," Shani said. "My favorite sexual position is missionary. I like to see the look of pleasure on a man's face when he is making love to me. That gets me excited. If my man wants to have his way with my big breasts, then they are his. He can suck them or place his cock between them. If he likes oral sex, then I will suck him all night, and he doesn't have to return the favor. My friends say to me, 'Shani, you should be more demanding.' But I am demanding. I demand that you let me know how to make you happy."

a reporter and photographer (both female) from the local newspaper. The reporter and photog were doing a story on the proliferation of patriotic wear in the shadow of September 11th, and Blimptitz and her buddy had shown up. The duo from the paper chose the two on the spot for an impromptu photo shoot. But just when I thought this couldn't get any better, it did.

After the folks from the paper packed up, Blimptitz and her friend went shopping around the store, during which Blimptitz wedged herself into a number of shockingly tight and revealing tops, including a vertical-striped, midriff-baring T-shirt that she stretched to the seam-busting point. In the process, she fondled and plumped her breasts and asked my expert opinion about how she looked. To top it off, I had the pleasure of cashing her out, and as I did, I gazed adoringly at her massive rack as it heaved against the counter.

I overheard her discussing the photo shoot with her friend.

"I hope the pictures turn out good," she said, loud enough for anyone to hear. "You'll probably only see my tits, they're so big! Nobody cares about the rest of me. They only see my huge tits."

I tore my eyes from her massive rack, looked her dead in the eyes and said, "Hey, your eyes are grey!"

She blushed.

Sure enough, the next day's front page was illustrated by a photo of a familiar, staggeringly full bosom, minus head, in a red tube top.

A month later, I was daydreaming at the register when I was pleasantly awakened by a late-afternoon appearance by Blimptitz and her slightly less developed but nonetheless incredible best friend. The friend, a slender and stacked (34DD-22-32) Pakistani girl, had either gone through a growth spurt (indicated by her tell-tale stretch marks) or had been strapped in the last time because this time she took turns fantastically filling and stretching out about a dozen tops.

Or perhaps she was just emerging from the shadow of her friend, who was a G-cup and literally exploding up and out of another dozen tops. They magically transformed the fitting room into a montage from an Andy Sidaris flick,

bounding in and out of their booths and thrusting their huge, pneumatic tits at each other, the three-way mirror and in my face for my opinion. All so unself-consciously, mind you, as they were drawing stares from other customers, men and women.

After ringing them up, I turned to my manager and said, "I'm still getting paid even though I get to play with tits bigger than my head, right?"

My manager confirmed this, and I almost felt guilty. Almost. Never let it be said that Craig Mercer never gave his customers his undivided attention.

Good times those were. Of course, it wasn't necessarily all hooters all the time, and that's where the tedium set in. So after a long day of slinging khakis in the suburbs, I'd head into town to enjoy the nightlife. This included a few trips to a favorite gentleman's club (read titty bar), but I never posted Mercerwatches about strippers. That was cheating. No, instead I would frequent my favorite nightclub, where the Amazon teen hostess and a particular bartender piqued my interest.

The Breast Nightclub In Town

My favorite nightclub had two huge-breasted women, each an employee of the club: a hostess and a bartender. The hostess had the best pair of enhanced breasts in the area. The bartender was sporting the best natural pair in the area. And this was not—I repeat, NOT—a strip club (where those kinds of sightings might be common) but a standard house-music hot spot.

I spent a while tumbling around, searching and grabbing for the words to accurately describe these stupefying figures. I think I can now do them justice.

The Bartender: Barmaid is an antiquated term. This woman had the perfect body. Period. Beautiful face, dark hair and classic Italian features. A narrow back and athletic arms and legs.

Her breasts however, nearly defy description. I can only describe them as a perfect 34H. Big enough to get in her way. She walked with a soft, heavy bounce. She had the kind of breasts that would be accompanied by the sound of kettle drums if Friz Freling directed our lives. Cream buckets. I'm getting vulgar, but her chest stretched the border between the sacred and the profane. Apparently, others felt the same way. One night, a group of the other bartenders took turns spraying her with the dial-a-beverage and bouncing ice

cubes off her chest (the rebound was incredible). I could go on.

The Hostess: It was no secret that the hostess was enhanced. Her post-op party was one of the biggest events at the club. But how to describe someone so chic and stacked?

I finally figured it out. Perhaps you've heard of Chesty Morgan's role in *Deadly Weapons* as a giant-breasted woman who goes on a revenge spree by smothering her gangster boyfriend's rivals to death with her mams. Okay. Imagine the same role attributed to a Bond Girl/Bond Villain. A combination of the Femme Fatale, i.e. Pussy, Holly or Christmas and the physically enhanced Henchman Jaws/Tee Hee/Oddjob. A killing machine with the exotic, Amazon looks and build of a supermodel enhanced with a super-dense torpedo rack capable of smothering even the strongest men after blinding them with her bullet sized nipples. That's the best way to describe her: Ms. Onatopp with killer breasts instead of legs.

Apparently, a number of the other patrons felt the same way, judging by the way they scrambled to get out of her way and their stunned reaction as she made her rounds. The links to her portrait on the club's website were all broken, probably due to too much traffic.

Even Strippers Need Time Off

There's a local stripper who's a regular at my Tuesday night lounge spot. I'd describe her as a successful splicing of Minnie Driver with a pneumatic pump. I thought the exaggerated sway of her torpedo-like boobs was part of her stage demeanor, but it turned out she was having trouble controlling herself. Her tits are like two Herbie the Love Bugs with minds of their own.

In her two trips to the bathroom one night, the horizontal quake was so amazing, you could see either tit swing to the side from directly behind her. She was taking slow, deliberate steps (high heels and painted-on jeans, you see), and still it appeared that she was swaying on purpose. Was an inadequate bra the culprit?

The Bowling Alley

To prove I'm not some jet-set, lounge lizard snob, a recent bowling sighting:

There's a female singing duo in town consisting of a demure skinny girl, "M", who's a competent singer, and her bodacious counterpart, "T", who has an amazing set of lungs and an amazing set of lungs. During a recent concert

with over a thousand attending, "T" removed her jacket and received a collective "damn" from every man and woman in the audience. Hilarious!

On this particular night, we assembled at a local bowling alley to celebrate the birthday of another local music luminary. Imagine my delight when a certain handful removed her jacket in the next lane over. "T" was bending over to choose a ball. She still had on her winter clothes, which soon came off save for an extremely form-fitting, long-sleeved, low-cut T-shirt. After every successful set she bowled, she bust out into a jubilantly bouncy celebration, and as a result, I struggled to get over an 80 in both games I bowled.

On top of that, she'd lost a considerable amount of weight everywhere but her chest, a pneumatic 36DD on a 105-pound frame that rivals video chicks Chessika and Esther Baxter. She has an equally voluptuous ass that bookends her ridiculously narrow waist.

Truly a woman of cartoonish proportions. To top it off, she was also sporting a close-shaven head. That's an odd look on most women, but it transformed her into a force of nature: the roundness of her head vs. the roundness and fullness of her heavy breasts vs. the roundness fullness and heaviness of my nine-pound bowling ball.

And there you have it, a small sampling of a hundred or so tales from the "reality" side of big-tit culture. It was a blast going through the archives and selecting the most memorable of these postings, I didn't even get around to the 36DDD-22-36 co-worker at the boutique who reduced me to a complete nervous wreck in early 2002, or the mature M-cup fire-eater, snake charmer exhibitionist who started hitting on me at a Waldenbooks. Or plenty more.

Hopefully more fellow mamma-philas, will step forward with their own sightings and descriptions of those incredible women who come heaving and swelling into our lives but never seem to stick around quite long enough.

I got a million of tales to tell. Catch you on-line!

You've seen Minka busting out of a bikini. You've seen her soaping up her K-cup tits. You've seen her getting drilled by cock while she's eating Kayla Kleeavage's pussy. Fact is, you've seen her with a lot of cock in her mouth and tight pussy. But you've never seen her as a caged sex goddess, bursting through a sheer top that would be big enough for 99.9999% of the women on the planet, jewelry hanging down from her razor-sharp nipples. Gentlemen, this is Minka's 21st appearance in *SCORE*, but photos like these show why we'll never get tired of her. She's always thrilling.

While you're conjuring up your own Minka fantasy, here's something to fuel your fire. Minka, who was a champion tennis player in her home country of Korea, has been playing a lot of tennis lately. Every day, in fact. Can you imagine those gazongas bouncing across the court? And after she's done whipping some poor soul on the court, she strips off her clothes and dives into the pool. Yeah, those babies float (as she proved in *Mega-Boob Olympics*).

In addition to playing tennis and swimming, Minka is also doing a lot of fucking. In the new DVD/VHS *SCORE Xtra #12*, Minka gives sex lessons to a poor slob who doesn't realize he's learning from the best. Plus, look for Minka in the upcoming XXX flick *Tit Attack*. As one Minka fan wrote, "Her cock-sucking is the best I've seen. Beating off to her is a superpleasure. Please, more of Minka!" We'll give you all that we can get.

huge dicks fucking little white girls.

SCORE: But the other way around, the white guy fucking the black girl, doesn't work for you?

Amber: Oh, God, no! I don't know why that bothers me. I love black men and black women together. That's great. But for some reason, it looks like the black woman can beat the white guy's ass, and usually it's little white guys with Amazon black women, and it should always be the other way around. The man should always be bigger.

SCORE: What were you doing before you started dancing?

Amber: Going to school. I was studying accounting and doing bookkeeping.

SCORE: Have you ever had what people call a real job?

Amber: Not really. Not a nine-to-five. Mostly part-time jobs, and I was always dancing, so that was my full-time job.

SCORE: What do you do now?

Amber: I'm a courtesan.

SCORE: A courtesan! That's a word you don't hear often. What's the difference between a courtesan and an escort?

Amber: I'm more of a companion. A long-term companion instead of a short-term, hourly thing.

SCORE: Is sex always involved?

Amber: No, not at all. A lot of people have fetishes. Boob torture. I tie up my boobs to the point where they're about to explode. That's a big turn-on for some guys. Boob suffocation. Guys are into that. And some guys like getting beat up by my tits. There's oil wrestling, too. And I'm built for it, so guys specifically ask to wrestle me.

SCORE: Where do you do that?

Amber: At their homes or at my home. We just lay a tarp on the floor and get some baby oil and go at it. And I do domination, because I'm a dominatrix.

SCORE: Do you like that?

Amber: Love it.

SCORE: It sounds like you don't do anything you don't like doing.

Amber: No. I'm a control freak. I'm a

freak in the sense that I'm open to a lot of stuff, but it has to be my way. I like telling people what to do, like eat my pussy in front of everybody. Do whatever I tell you to do, and don't ask questions. Eat my pussy, but eat it in front of everybody, and I want everybody to critique what you're doing wrong.

SCORE: Wow!

Amber: I've done that a couple of times. It scares the shit out of guys.

SCORE: What do guys do wrong when they're eating your pussy?

Amber: My, God! How about stay on the target, for one thing!

SCORE: Lick your clit the whole time?

Amber: Let me tell you what: If your tongue is as long as your dick, then you can stick it in my pussy, but if it's not, stay away from the hole. You're not going to get even close to where the dick is going to reach, so why are you at the hole? And then the whole spit thing. Why do men spit on pussy? If they're doing it right, pussy self-lubes. There's no need to spit. It irritates the hell out of me, because the girl needs some sort of friction, and when you spit, it takes all the friction away.

SCORE: But I've heard some girls say they want the guy to be all over the place. Down the lips. Up and around.

Amber: Well, those girls have never had their pussies eaten right.

SCORE: So if I go down on you...

Amber: Stay on the clit! Don't move away from the clit! And I have a bar through it, so you have two pinpoints. Stay between the balls and you're good. If you move from between the balls, I will squeeze my legs and suffocate you.

SCORE: Lick your clit or suck it?

Amber: Lick it.

SCORE: Did you pierce your pussy so guys would know where to go?

Amber: I pierced my pussy so my ex-girlfriend would know where to go.

SCORE: You're bi?

Amber: Yes. She had had hers done, and I ate her pussy at work one night...

SCORE: At work?

Amber: We were dancing.

SCORE: In the back room?

Amber: In the champagne room. She had her pussy pierced three weeks prior, so she took me to have it done. Now I can't cum without it.

SCORE: Lick hard or lick soft?

Amber: Hard! I can't stand that soft bullshit. I don't like feminine men. I don't like lovemaking. I've never been able to cum when somebody was making love

to me because I lose my concentration. I thinking about my hair and my nails and how I look. But if you're fucking me, you've got my concentration.

SCORE: How long does it take to make you cum?

Amber: If you know what you're doing, three minutes. Maybe even less than that. And then I go to sleep.

SCORE: What?

Amber: [Laughs] I've been known to do that. A guy will make me cum, and I'll say, "That was great," and they're like, "I'm ready," and I'm like, "Go for it," and I'm like...[Snores]

SCORE: You let guys fuck you while you're asleep?

Amber: Yeah!

SCORE: I don't know where to go with that. Do you like breast stimulation?

Amber: I like getting titty fucked. I just recently started liking it. I was with a guy who had a huge dick, and he wanted to titty fuck me, and I was like, "Go ahead. Get it over with," and all of a sudden, I looked down and said, "Wow! That kinda looks cool." And he was doing all the work, and I was freed up, and then he came all over me, and it just turned me on.

SCORE: How big was he?

Amber: At least nine inches in length and five inches in girth. He was big.

SCORE: Should a guy fuck you first or eat your pussy first?

Amber: Guys don't usually fuck me. I fuck them. I'm a top person. But most guys like that, and most guys who didn't think they liked it end up liking it.

SCORE: Because they can see your tits?

Amber: Exactly. And if I'm on top, I get to cum faster, so they like that.

SCORE: Do you talk dirty during sex?

Amber: All the time. There's no point in having sex if you're not talking shit. Like, "Fuck me harder. I want you to cum all over my face. Put your big, fat dick in my wet pussy."

SCORE: Is pussy the word you use?

Amber: Or cunt. I like cunt because it's such a nasty, filthy word.

SCORE: Who should say it?

Amber: Oh, I want him to call me a whore. I love that. Just say, "You're my fucking dirty whore" and slap my ass. Whooo! [Laughs] "Eat my cunt." And this guy, while I was sucking his dick, would say, "I wanna put my warm, sticky nut all over your face," and that just turned me on.

SCORE: Is cumming on your face good?

Amber: Yes, but don't cum in my hair. If

you nut on my face, I can just wipe it off.

SCORE: Most boob guys go for the tits, of course.

Amber: And that's where 95% of guys want to cum when they're with me.

SCORE: For how long have you had your tongue piercing?

Amber: A long time. 1993. I had all my piercings before it was cool. I was the non-trendsetter back then. People would say, "Eww, look at you." Now I'm like, "Look at you all!"

SCORE: You're not easy, are you?

Amber: You know what? I just don't like to be disrespected. Guys have a tendency to just walk up to me and say rude stuff, and if it's disrespectful, I just go off on them. If I'm sitting there with a family member or my son and they come up to me and say, "Hey, bitch. What's up?" I'll say, "Who are you talking to?" They'll say, "You have some big ol' titties. I'd like to fuck them." You think you can just walk up to me and talk to me that way? No! You can make a comment, like, "You have some great titties," and walk off. I'm alright with that.

SCORE: What do you like to do when you're not having sex?

Amber: Being a mom. Going shopping. House decorating..

SCORE: Are you a sports fan?

Amber: Yes.

SCORE: What do you like?

Amber: Basketball. I root for the Rockets because they're in my hometown, but I love the Lakers. They're such a dramatic team. They're like a car wreck. You can't help but look.

SCORE: Football fan?

Amber: Yes. I root for the Eagles.

SCORE: Do you masturbate?

Amber: Every day. I just play with myself and watch pornos. I usually get the craving in the afternoon. I have a dildo, but I think I bought it too big because sometimes it irritates me. It's eight inches in length and really thick, and I didn't realize how big it was until I got it out of the package. I use it when I'm really horny, but other than that, I'm happy using my fingers. I can do myself fine with my fingers.

SCORE: Well, Amber, we're really horny now, and the readers probably are, too.

Amber: Good!

SCORE: So this might be a good time to say goodbye and thanks for becoming a SCORE Girl.

Amber: Thank you! I've had a blast! And you know what they say: You never forget your first time!

Rebecca Love

SHE'S THE GIRL NEXT DOOR...& SHE'S A PORN STAR.

Porn star. Country girl. Feature dancer. TV star. That's Rebecca Love, a bubbly bundle of sex and tits whose road to *SCORE* took her through 30 states. "I came in every one!" she said. "If I wasn't fucking someone else, I was fucking myself!"

REBECCA LOVE BIRTHDAY: March 30th

HEIGHT: 5'2" WEIGHT: 115 lbs. BRA SIZE: 36DD

MEASUREMENTS: 40-24-36 RAISED: Upstate New York

LIVES: California OCCUPATION: Porn star/feature dancer

Don't get intimidated by Rebecca just because she has appeared in over 50 porn films. She's really a down-to-earth girl. "I love to curl up with popcorn and watch movies at home," she said. "I like my men big and Teddy Bearish. Not muscular. Just soft." But not soft in bed. "I love getting fucked in the missionary position," she said. "That way, I can concentrate on my orgasm. And I love tit-fucking. I love when the guy sits down, and I kneel in front of him, and he holds my tits together, and I can hold his shaft and just go down on it."

Although Rebecca's face, tits and pussy made her a *SCORE* Girl, her personality landed her on *The Howard Stern Radio Show* and the TV show *Blind Date*...in which the producers hooked her up with a virgin! "I wasn't getting any action that night," Rebecca said. "We had a great date. He was the kind of guy I'd bring home to mom and dad, but he told me he was a virgin, and you can't bring me home to mom and dad. We got into the hot tub, and he was so frigid, he didn't even try to touch me." But Rebecca enjoyed her appearance on *Blind Date*. She enjoys everything she does. "I was born to be a porn star," she said. "I was stripping to pay my way through college, and the first time I saw a porn star at the club, I knew what I wanted to be. I *needed* to be a porn star, so I headed to California. Now life is good. But sex is better."

KELLY MADISON IS A BUSTY HOOKER

SHE'LL DRAIN YOUR WALLET AND SHE'LL DRAIN YOUR BALLS. SHE'S WORTH EVERY PENNY.

You're driving along when you see her standing on the corner. She's tall. Huge tits. Wearing a black mini-skirt that barely covers her pussy, stilettos, and a pink, see-through top. Right away, you know she's not waiting for the bus. She's waiting for you...or any other sucker who drives along. Want a piece of her ass? Well, is there an ATM machine nearby?

Kelly Madison is a cock-slurping, cash-for-gash whore in the new video *Busty Hookers*. Brandy Talore, Carmen and Alexis May are also practitioners of the world's oldest profession. See them dressed like sluts and fucked like sluts. Pop a bunch of loads for just \$39.95...a helluva lot less than the girl on the corner will charge ya.

VERONICA KNIGHT **AWARD-WINNING FUCK**

SHE TAKES COCK IN HER MOUTH. BETWEEN HER TITS & IN HER PUSSY. THE ENVELOPE, PLEASE!

Miss Nude International Redhead. Miss Nude World International's Best Breasts. Miss Nude Porn International's Best Newcomer. All of those titles are very impressive, but they really don't mean shit when a girl's got her mouth and pussy stuffed with cock, as Veronica Knight (aka Austin Kincaid) does here. A beautiful, big-titted babe is getting banged. Nuf said.

Veronica has won a lot of awards, but did that occur to our rent-a-stud while he was pounding her cunt? "The only thing that crossed my mind is that Veronica has a tight pussy, a velvety soft mouth and great tits," said Adam, the guy who's fucking her. And, while she was fucking, did Veronica think she was all that because she's an award winner? No. "I just thought, *This really feels good*," she said. And then Miss Nude International Redhead wiped the cum from her chin.
