# SCORE CARD

Here are some pics we didn't show you in Oct. 2005's Biki-ni Busters issue. That's SaRenna Lee, front and back. Below, we have The Fantastic Five: (left to right) Iva, Veronika, Linsey Dawn McKenzie, Ines Cudna and Marketa. They make life a beach.

Here are two busty chicks who are getting better with age. Diane Diamonds is the MILF on the left. Julia Miles is on the right. Both starred in October '05.

## **OUR BIKINI BUSTERS ISSUE HAD HIM BUSTING HIS NUTS**

Dear SCORE,

I'm writing to tell you that I have been excessively enjoying myself, fondling my member again and again while staring at the huge, breathtaking, bikini-top busting boobs of SaRenna Lee, Crystal Gunns, Rachel Rocketts, Whitney Wonders, Casey James, Alyssa Alps, Amber Brooks, Minka, Angelique, Tiffany Towers, Busty Dusty, Candy Cantaloupes, and so on in the Oct. 2005 issue with Crystal Gunns on the cover. The rest of the magazine was okay, but pages 60-68 are absolute boob-hound heaven.—D.F., Diamond Bar, California

## **MODELS WHO GET BETTER WITH AGE? DIANE DIAMONDS IS ONE**

Dear SCORE,

When I first saw Diane Diamonds' debut layout in the October '05 issue, I almost shot a load in my pants. She is so hot! Fortunately, I managed to get my cock out and jack off to a very exciting cum over her. At age 54, Diane is ready to have a very successful career as a big-boobed model.

As I feasted my eyes on Ms. Diamonds, I started speculating about how young beauties like Linsey Dawn McKenzie, Nicole Peters, Kerry Marie, etc., will look at age 50. I hope they are still posing and thrilling your readers as they get older. They have many wonderful modeling years ahead.—R.T., Bensalem, Pennsylvania

## **...AND JULIA MILES IS ANOTHER**

Dear SCORE,

I didn't think it was possible, but Julia Miles (October '05) has actually gotten better since we first saw her back in 2000. Julia's tits aren't any bigger than they were back then (at least I don't think they are), but she exudes confidence and sexuality that weren't present when she was just a 19-year-old. I guess sometimes it's true that women get better with age.

Although I truly love Julia's tits and beautiful face, I'm really hypnotized by her pierced pussy. What I wouldn't give to wrap my mouth around that piece of jewelry and suck her pussy juices. I'm sure Julia would hold my head against her cunt.—M.S., Eugene, Oregon

Newcomer Patra (October '05) has honesty and integrity because she loves cock and isn't afraid to admit it. Isn't that refreshing?

## PATRA: JUST AN HONEST SLUT

Dear **SCORE**,

Sometimes when I'm reading my monthly copy of **SCORE**, I wonder where some of these girls get off acting like they're all classy and just like the girl next door. Meanwhile, they're shoving their tits into our faces and spreading their pussies as wide as they can go. My girl next door doesn't do that.

Then, once in a while, I come across a babe like Patra (October '05) who spreads her cunt, puts that fuck-me look on her face and doesn't claim that she fantasizes about finding a nice guy and having three children. She fantasizes about fucking. Patra, I'm a tall guy with a big cock, and I'd love to fill your mouth and fuck your tits with it.

Thank you for your honesty and integrity. Please come to Wisconsin. -L.M., Eau Claire, Wisconsin

## LET THE MODELS LOOK NATURAL

Dear **SCORE**,

I am a big fan of your magazine and have been for 10 years. That said, I have a huge problem with the quality of your layouts. The amount of airbrushing that I see in the pages is way too excessive. This has been an ongoing problem for the last two-and-a-half years. Up until that time, the airbrushing had been acceptable. The models used to look more natural in their settings. But now I'm not sure whether I'm looking at women or ghosts. You can barely see their skin. The models look as if they are fading away or vanishing. It is definitely a turn off.

I am aware that this is something that a lot of the adult magazines are doing now. But it does not mean that you have to follow fashion. Please return to the previous process of more subtle airbrushing as opposed to the newer process, which only robs the models of their beauty. -K.N., via email

## NEWCOMER OF THE YEAR ODDS AND SOME FREE LEGAL ADVICE

Dear SCORE,

Jimmy the Joik and all the other big-boob bookies are laying odds that make Bea Flora the favorite for Newcomer of the Year. A strong contender, yes, what with the big show she was given in the June '05 issue.

However, this punter will be belying up to the \$10 window and backing a succulent Scot: Diane of February '05 and October '05. Let's not mind having to take her cunt on trust. She's gleaming, golden and gorgeous. It's the oats and whiskey in Scotland that do it.

LDMcK as Model of the Year for 2004...bad choice.

Free legal advice, SCORE: Put your dough in a Cayman Islands company quick...in your dog's name. Why? You bozos have accused Ms. Poppo's attorney of having "dirty hands." [Editor's note: He's referring to the copy in the ad for The Diane Poppo Collection, which reads, "Her ex-husband shot this video in the couple's happier days and sold it to us before Diane's attorney could get his dirty hands on it." Of course, we didn't mean to imply that Diane's attorney is a crook or immoral, but we can see where our wording might be up to interpretation.]

Wassa problem? That's cool under laws on defamation in the U.S., where malicious intent behind published material has to be proven to win a defamation suit. But under British law, which offers strong protection against libel, that phrase is actionable dynamite. A British libel lawyer would have fun

with the literal meaning of the phrase—that the attorney didn't wash his hands properly—and then zero in on the inescapable implication that he was untrustworthy, inclined to wrongdoing, a crook, even.

A hard rain's gonna fall. Serves you right for letting a smoking pic back into the mag. Shame on you and on Cudna.

Meanwhile, September '05 confirms what we already knew: K.K., Sharday, Nicole P. and Nadine J. are the top broads.—B.S., London, England

## MERILYN & BEA: IN LDM'S CLASS

Dear SCORE,

The September '05 "New Naturals" issue of SCORE is one of the best put together issues I've seen. Very tasty pics of some of the modern classics, and the fucking newcomers!

I've found two new loves: Marilyn Sakova and Bea Flora. These two girls are as naturally beautiful as anyone who has ever graced your covers. I've been a Linsey Dawn McKenzie fan for close to 10 years, and very few excite me the way she does. You guys did Marilyn and Bea right by putting together some of the best pictorials I've seen. Fucking wow!—Jess, Little Rock, Arkansas

## DIM THE LIGHTS, GET RID OF THE GUYS' FACES & LET US READ

Dear SCORE,

Please continue showing all the excellent pictures in the main magazine and showing as little of the guy's face as possible in the Xtra section, with plenty of point-of-view pics of pussies, assholes and big tits getting boned by hard cocks. The only request I have is that you dim the lights in some of the spreads and feature more full-length articles. It's okay to stray a little from the subject of big tits.—E.S., Topeka, Kansas

# SCORE'S NEWCOMER OF THE YEAR 10TH ANNIVERSARY CELEBRATION

## REMEMBERING OUR FIRST NINE WINNERS. WHO WILL BE NO.10?

Five months from now in the June '06 issue of *SCORE*, we'll crown the 10th winner of the Newcomer of the Year Award. Who will it be? Marilyn Sakova or Bea Flora, the heavy favorites? Or maybe Summer Sinn, Amber Brooks, Cynthia Romero, Anna Jota, Panther, Joana, Alexis May or Claudia Kealoha will pull off a surprise. Whoever wins will follow in a great tradition of *SCORE* Newcomers of the Year. The rest of this issue is devoted to the 10 candidates for the 2005 award (and we encourage you to vote using the ballot later in this issue). These six pages are devoted to the nine previous winners who made the award as prestigious as it has become. It is an award whose past is filled with history, stunning upsets and, most of all, honor.

**ROCKI ROADS** 1996 NEWCOMER OF THE YEAR This stunning brunette, probably best known for her super-raunchy hardcore videos, will always be the answer to a trivia question: Who beat Linsey Dawn McKenzie in the 1996 Newcomer contest? Rocki also edged out future *SCORE* great Dawn Stone in a contest that started when readers, unsolicited, began sending in their votes for top newcomer of the year.

**BAROCCA** 1997 NEWCOMER OF THE YEAR This was the first year that we actually solicited votes for Newcomer of the Year, and the Brazilian bombshell was an overwhelming winner, receiving 4,278 out of 10,214 first-place votes. She beat out a quality group that included Carrie Lynn, Penelope Pumpkins, Sable Holiday, Faith Stevens, Heather Michaels, Dawn Phoenix and "Russian" Kathy.

## HALEY HILLS 1998 NEWCOMER OF THE YEAR

Haley would be the first Newcomer of the Year who'd go on to future big-bust greatness. She debuted with an interview in the March '98 issue, came back three months later with an on-stage pictorial and solidified her stake on the title with a sexy spread in the December '98 issue. But could Haley beat out an all-star cast of newcomers that included Sammie Black, Windy Leigh, Autumn-Jade, Charlotte and Lisa Marie Greener? The answer was yes, with Autumn and Lisa finishing second and third. In 1998, as in the past two years, we didn't have the readers vote by ballot. They just wrote in.

**VIA PAXTON** 1999 NEWCOMER OF THE YEAR A spectacular year for newcomers ended with Via, Kerry Marie, Sylvia Panda, Jessica Turner, Lorna Morgan, Diane Poppo and Annette Christianson (among others) vying for the top prize. Voting by ballot for the first time, readers narrowly selected Via, but what's noteworthy is how many of the finalists would have a lasting impact on the big-boob world.

**JULIA MILES**  
2000  
NEWCOMER  
OF THE YEAR

Another mind-bogglingly busty collection of newcomers contested the award in 2001, including Cindy Cupps, super-stacked Chelsea Charms, Ariana, Bettie Balhaus, Brittany Love and Jessica Justice. But none combined boob size with sex appeal like Julia, an innocent-looking teenager from Germany who would go on to become one of our most popular models ever... and not so innocent.

## SHARDAY

### 2001 NEWCOMER OF THE YEAR

As far as the editors of *SCORE* were concerned, there was never any doubt about who would win the 2001 contest. When Sharday debuted in the November '01 issue, the headlines that accompanied her cover picture trumpeted her as a "Teen Tit Dream" and "The Year's Best Discovery." *Fait accompli*. So, although Harmony Bliss, Inesse, Nadine Jansen, Susie Wilden, Desirae, Cassandra, Africa and Brandy Dean were all stellar newcomers, they really didn't stand a chance against the power of Sharday, who won in a landslide. Sharday also took home *Voluptuous* Model of the Year and would go on to win *SCORE*'s first Model of the Year award in 2002.

## CRYSTAL GUNNS

### 2002 NEWCOMER OF THE YEAR

The 2002 Newcomer of the Year contest turned out to be a two-girl race between the classically slim 'n' stacked Crystal and short 'n' naturally stacked Annie Swanson. Crystal shot out to a huge early lead, but Annie was swiftly gaining ground when the balloting closed. Said Crystal, "Winning Newcomer of the Year is a dream come true for me. What happens next?" Greatness.

## NICOLE PETERS

### 2003 NEWCOMER OF THE YEAR

Like the Sharday year, this was another year when there was never any doubt about who would win. Oh, sure, Ines Cudna and Brandy Talore have gone on to become great *SCORE* models (and they've both only improved with age). But Nicole belonged to a category inhabited by only the true superstars, such as Sharday and Linsey Dawn McKenzie. And it didn't matter that this British beauty had, at the time, never used a dildo in front of a camera or shown much pink. As one reader said, "Her breasts defy description." And it's almost always all about the tits.

## KELLY KAY

### 2004 NEWCOMER OF THE YEAR

Another classic *SCORE* battle emerged in 2004: slim 'n' stacked Keisha Evans vs. naturally slung teen Kelly Kay. In 2002, slim 'n' stacked won out, but this time, it was The Natural prevailing by a slim margin. Kelly, like Nicole a year earlier, hadn't yet posed explicitly or used a dildo, but readers adored her combination of youth and huge tits.

"Move over LDM!" one reader said. "We have a new winner for best rack on the planet."

## BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

### SEX IN THE OFFICE

#### MOST PEOPLE HAVE IT. DO YOU?

*Psychology Today* magazine conducted a survey about office sex, polling 62,000 people. And what a horny group!

Of those polled, 62% have had one office affair, and one-in-10 had four or more flings. 68% of women and 10% of men have had an affair with their boss to move up the ladder; 14% said they'd never consider dating someone from work; 42% were married or in a relationship when they hooked up with a co-worker; 7% of women have dated a subordinate, and 25% of men have dated a subordinate. What's in that water cooler?

The horniness goes on. Fifty-percent of the women and men got down with a co-worker in their department. Of those, 50% said their office fling lasted a year, and 65% said their affair was a way to get ahead and lasted long enough to get what they wanted. Forty-four percent of women and 35% of men have sexual contact at work.

More women have had sex with their boss on the premises. Forty percent had sex with a co-worker during work hours while 60% waited until after work. Eighty-two percent tried to keep their relationship a secret; 15% said they kept things low-key because of

It would be cock torture to work in an office sitting next to Cassandra. If you know a busty flirt as stacked and as hot as this cleavage packing executive, we want to photograph her for *SCORE!* Read all of the details on page 24.

company policy. 25% of women and 33% of men felt flirting with co-workers makes work more enjoyable.

Most of the women said they enjoyed getting their bosses to give them gifts, claiming they doubled their salaries or got expensive gifts, cars, cash and houses out of them. Seventy-four percent of the women say they play up their sexuality at the office while only 20% of the men flirt; 26% of the women and 80% of the men avoid flirting.

Seventy-five percent of the women feel they have benefited because a boss found them sexually attractive; 13% of the women felt unfairly passed over because a boss found them sexually threatening.

Fifteen percent work for companies where dating is prohibited; 7% say their employer forbids dating any employee. Seventy-eight percent felt they'd been treated unfairly in the workplace and lost promotions to those who had a personal relationship with the boss. Sixty percent believe a boss should not control over their social lives.

What does all this hardcore data tell us? For starters, there's a lot of fucking going on in the workplace or at least originating there.

Jezhabelle takes the time for a quick nip.

## JEZHABELLE: HUGE TITS, LITTLE CLIT

"I have a little clit," said Jezhabelle, a girl with two of the best tits in the U.S.A. "That's why I need a lot of attention. Lots and lots of spit, too. I like it drenched, sloppy and sloppy. Lick it, suck it, lick around it. Once I cum, fuck me silly. Depending on the guy, I like to be on the bottom. If he's not doing it good, I'll get on top. But once I've cum by oral sex, I'm good to go for the rest."

Thanks, Jezhabelle! This is very helpful information.

## SILLY CONE

Silicone gel-filled breast implants may be returning after a 13-year ban.

The United States Food and Drug Administration told manufacturer Mentor that its implants meet their criteria for approval, one of several steps on the way to a final approval.

Last spring, an FDA advisory committee voted 7-2 to recommend their usage with conditions. These conditions included ensuring that patients understand the implants may break silently; recommending that patients get regular MRI exams to check for those breaks; continued research studies to prove how long implants last in the body; and permitting only specially trained plastic surgeons to perform the operations.

## HOW I SPENT MY SUMMER VACATION, BY MICHELLE BOND

Liverpool's busty-girl-next-door Michelle (SCORE October '05) spent her summer working at Privilege, the world's biggest party club, near the small town of San Raphael in Ibiza, Spain. Privilege holds a weekly event called Manumission, a multimedia super-show that draws up to 10,000 people on its Monday night presentations between July and September and features trapeze artists, flame jugglers and stilt walkers wandering through the audience. Michelle is a showgirl and an entertainer at Privilege.

"The Manumission owners are such nice people to work for," Michelle said. "I couldn't believe I was there for five months, the time went so quickly. I worked again for Manumission this past summer in their entertainment group, but I didn't get my previous job back as a showgirl. I also danced for Judgement Sundays at a club named Eden and I worked for Angel Fingers doing head massages in all the big clubs."

Michelle is going full-time as a model in the U.K. and started a website a few months ago, Michelle-Monaghan.com. See a 30-minute video of Michelle being interviewed, modeling undersized bras and moisturizing her suckable 32F tits at [Scoreland.com](http://Scoreland.com).

Ivy stretches that fabric to the limit.

## IVY GROWS ON YOU

Ivy (August '05) says she's a 42EE-copper now. That means new bras again! Yet her body remains slim-n-stacked, the way she was back in 2000 when she first began modeling for *SCORE*.

For those of you who've asked where Ivy dances, we're happy to tell you that she shakes 'em at two clubs: the Klassy Cat and the Barrel of Dolls (which sounds like a Vincent Price movie) in Rochester, New York. Should ye venture forth to these funhouses and encounter Ivy, something the boob-maniacs from *SCORE* haven't done, tell her we sent ya.

Michelle Bond has spent two summers working in Ibiza, the Spanish island resort Brit party people love.

The fantasy French maid making up our messy bed and cleaning our room is busty Ines Cudna.

## MAID HOTEL

Cafes with waitresses dressed as maids are popular in Japan, and this popularity is now influencing the hotel industry.

Japan has a new hotel in which the subservient female staff wears French maid's outfits and refer to male customers as "Master." Our kind of place! The maid hotel is called My Sweet Home Moe Room. One night is priced at 25,000 yen (\$224 U.S.). It's located in Atami, an hour from Tokyo by bullet train.

Guests can fantasize that they are the owner of a mansion with their own maids who say, "Good night, Master," and "Good morning, Master." The guests' breakfast and dinner are handmade and served by the maids, and at night the maids serve cocktails at the bar. If a guest brings a swimsuit and wears it while having a bath, he can ask for a maid to join him. They're never going to make the Zagat list, but this is Boob Beat's kind of place.

## BOOB ROB JOB

Armed bandits in Rio de Janeiro, Brazil robbed a postal van that was transporting more than 400 breast implants.

No, the thieves were not big-boob hounds. Each Silimed-brand breast implant costs nearly \$400 US.

Because the implants are marked with a serial number, they can now only be sold for illegal surgeries by criminal surgeons. Rio is a major center of plastic surgery. Demand is the highest in July, during the southern hemisphere winter when women schedule surgery during the winter school holidays, preceding thong bikini beach season.

The proposed show had been retitled *The Complete Assholes' Guide To Life*.

## **OFFICE FLIRTS**

A Brit survey found that women believe flirting is good for their health and confidence at the workplace. Their survey of 5,000 women showed that three out of four women flirt with colleagues and 28% have hooked up for sex. Four out of ten have no qualms about getting busy with a co-worker. One in five said she would flirt with the boss to enrich her job prospects. That's one way to get into a new position.

## LUMA-CIZED

Luma (September '05) is in the courtyard of a house in Sao Paulo, South America's largest city. When our photographer asked Luma if she would like to wrap her legs around something big, stiff and hard, she did this pose. Sharp girl!

During the week, Luma works as a tour guide in Rio. On weekends, she'll be at the beach, busting out of a micro bikini top and matching thong. No wonder they're sex-crazed over there.

"Brazilian men really like the women with big behinds," Luma said via our translator. "Big breasts are not so popular here!"

## WOLF-WHISTLE WHILE YOU WORK

A British survey of 500 office workers conducted by a marketing company on the non-work related usage of company email revealed some interesting statistics. The most popular usage by males is flirting (27%) while females use emails to plan their social activities with friends (32%). Males admitted to spending more than 40 minutes each work day flirting or gossiping. They also used email to gossip about staff (18%), forward adult URLs (13%), contact friends (16%), organize their social life (11%) and forward jokes to colleagues (5%).

Females used company emails to plan their social life (32%), contact family members (18%), gossip about staff (15%), flirt at the office (13%), forward adult URLs (7%) and look for new jobs (6%).

## OFFICE FLIRTS: THE SEQUEL

According to a Tulane University study of 164 women ranging in age from their mid-20s to 60, 49% of MBA graduates polled admitted that they have tried to advance their careers by using emails to flirt with co-workers and supervisors, wearing sexy clothes at the office and, in general, flaunting their bodies.

But guess what? Women who brought their sex appeal

to the workplace made less money and got less promotions than women who did not. Women who said they never flirted earned salaries in the \$75,000-\$100,000 range while the flirting group earned \$50,000 to \$75,000.

The professor in charge of the survey said, "We argue that there are negative consequences for women who use sexuality in the workplace."

Maybe yes, maybe no, but it does brighten up the day.

Real-life businesswoman and part-time model Inesse actually does work in an office, but she doesn't do things like this, except in the *SCORE* studio and in our fantasies. In a better world, this would be required corporate policy.

Crisa's into Eastern concepts of sexual energy control, orgasm prolongation, erection elongation and other semi-mystical fucking techniques.

***HUGE TITS. JUICY PUSSY. PRETTY FACE. IS SHE UNSTOPPABLE?***

We called her the "Discovery of the Decade" when she debuted on the cover of the September '05 issue, so you could say that Marilyn is going for a more modest prize by trying to become the top newcomer of just one year. "But I really want to win," this Russian beauty said when we informed her by telephone that she's one of 10 finalists for the award. Then she said, "What do I have to do to win?"

Merilyn has probably done all she needs to do to win Newcomer of the Year. With her 25-inch waist and G-cup naturals, she's the odds-on favorite. But what might stack the deck even more in her favor is her super-sexy posing. Over the past half-decade, several top newcomers, such as Nicole Peters and Kelly Kay, started their *SCORE* careers with relatively tame posing. But Merilyn is already spreading and poking her beautiful snatch.

Will Marilyn become the third consecutive natural (and fourth in five years) to win Newcomer of the Year? Will she become the first Russian to win the prize? "I hope so," she said. "And if I win, you never know what I'll do next!"

When the security guard's fleet-fingered target showed up during the busiest shopping day of the year, he launched mission...

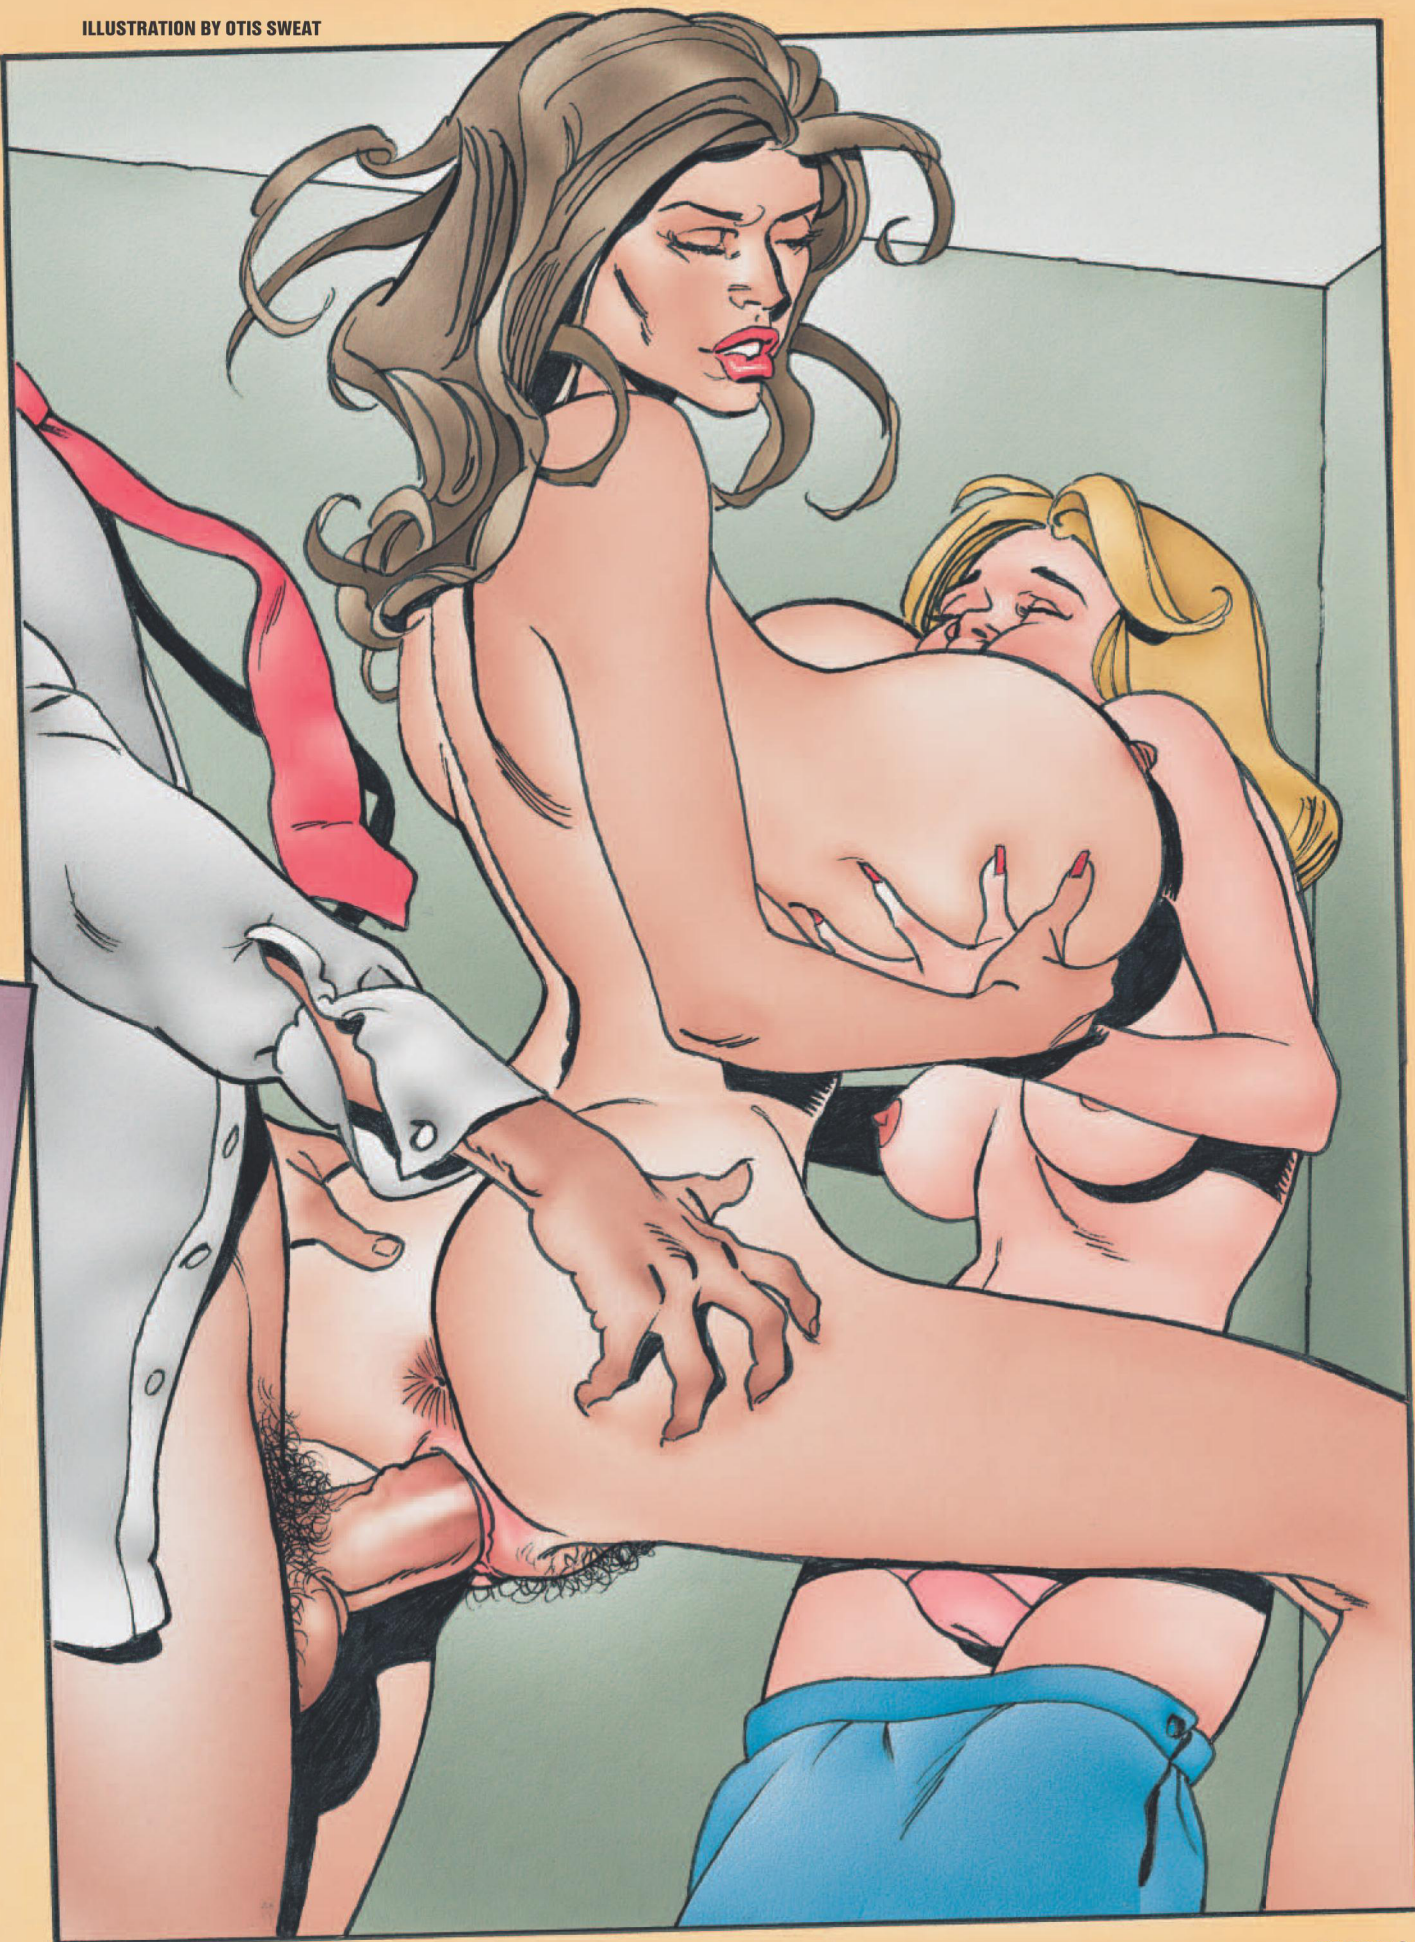

# UNDERCOVER UNDERWIRE

BY GIL BUNDY

My radio went off about an hour into my shift. Three in the afternoon to eleven at night, closing, assuming all went well. But it was Black Friday, the busiest shopping day of the year, and we were understaffed and overworked. I was doing my thing, blending in. I was trying to look disinterested in the shoppers while pretending to seek out something for my wife in Domestic. I had one of those two-way talkies, like plenty of working guys. Only I wasn't getting a direct-connect from somebody interrupting me during my day-after-Thanksgiving holiday shopping.

My caller was just across the department store floor, in Ladies Fashions. We had a suspected shoplifter working the floor, and I was the only guy around. Probably the first of many suspected five-fingered discounts we'd get before closing, if the past was any indication. And I knew it would be.

"It's *her*." I recognized the voice. Karen, who managed Ladies Fashion. And I knew who she was referring to. For weeks, we had noticed a repeat customer returning to the lingerie department, looking at a lot of items but very rarely buying anything. She took a lot of merchandise into the dressing rooms but only took them in to appraise them, not to try them on. Karen had access, to the dressing rooms, and she had assured me that this was a regular pattern. We figured it as a textbook shoplift scam: Bring a lot of sexy undies into the dressing stalls, take some time, pretend to be considering them and put almost

all of them back, swiping the ones she wanted. One of the oldest tricks in the book. I knew it well.

This 'lifter was different, though. We could never catch her actually taking anything. She was either so good with the store tags that she was too fast for us or she had some other system in place. But her scam wasn't going to go on forever. We'd marked her, and she was easy to pick out. She was extraordinarily attractive, with long, chestnut brown hair, and she always wore a big, oversized coat. We knew she was stuffing items into that coat. There was way too much *her* in that coat for it to really be all her. But today, we were going to bring her down. We were certain.

"On my way," I assured Karen as I crossed the floor swiftly, careful not to appear as if I was in any rush. Natural. This was why I ran the entire store crew. Another year and I'd be a manager for a whole mall. "Where is she?"

"Stall four, the one we set up. I directed her in. She's been inside for a minute or two. She took a whole bunch of stuff. She might be in there for a while."

"Good," I said. "I'll go through the employees' access and meet you in the viewing room."

The viewing room wasn't supposed to be used for surveillance, but this store was old and the employer was willing to risk the fines which would surely pop up if any customer sued us for sexual harassment or something. I met up with Karen, and we quietly walked inside and over to the partition of one-way glass that had been set up behind the mirror.

There she was, our prime objective. She still had her coat on and was holding up a bunch of bras and panties over her clothing to see how they looked. Actually, she had only a pair of bras, maternity bras from the looks of them. They were huge. But she also had some really nice, frilly sets of panties, not something a maternity girl would be slipping into in a thousand years.

"She snag the bras from Maternity?" I asked Karen.

"Yup. She look preggers to you?" Karen was staring hard through the two-way. I mean *staring*. She had this eager look on her face, like she really wanted to nail this woman for ripping off her department...or maybe something else.

"Nope," I agreed. The woman turned and bent down to retrieve a different pair of frilly panties, giving us a perfect view of her ass. She was wearing tight blue jeans and definitely did not appear to be knocked up. She had full, round hips, and I hoped Karen hadn't caught me staring at that rump with an appreciative smile. Not terribly professional of me, but sometimes, it's hard to resist the temptation. This was one of those times.

But when I glanced over, Karen had bitten her bottom lip and focusing on just what I had been focused on. Did she think that this thief was trying to hide anything in those jeans? I hadn't even seen a panty line; the denim looked like it had been spray-painted on. I found myself starting to get a boner and tried to concentrate on something other than that beautiful, round ass on our suspected shoplifter. I have to say, it was the first time I'd ever gotten a boner for a target.

"I guess these bare midriff tops just aren't for me."

If the Newcomer of the Year competition was based on sexuality alone, smoldering Anna Jota would be the hands-down winner. This beauty from Poland (the same country that gave us Ines Cudna, Bea Flora and December '05 covergirl Izabella) is a sex goddess.

"I love to fuck.

The kinkier the better," Anna said.

"I love fishnets, and I love being tied up and teased. So far, no man has been able to shock me. But I hope they will keep trying." Our guess: They will.

## ANNA JOTA

**BIRTHDAY:** January 29th **HEIGHT:** 5'4"

**WEIGHT:** 112 lbs. **BRA SIZE:** 34E

**MEASUREMENTS:** 40-24-34

**BORN & LIVES:** Warsaw, Poland

**PREVIOUS APPEARANCE:** July '05

**WEBSITE:** [www.busty.pl](http://www.busty.pl)

**HOBBIES:** Shopping, dancing, art

Anna's debut in the July '05 issue came a month after her buddy Bea Flora made a much tamer debut in the June '05 issue, proving friends aren't always alike. "I am the wild one," Anna said. "I am the one who will go up to a man and pick him up. Bea will wait for a man to approach her."

"I love to have a man's cock between my tits and in my ass," said Anna, who hasn't been shy at all about revealing her asshole for our viewing pleasure. "Bea loves it in her ass, too, but she just won't admit it. Me? I am an open book." We already have a good read on Anna: She's hot!

***CREAM YOUR PANTS AS  
SHE CREAMS HER TITS.***

"I do not want to compete, I just want to have fun," Cynthia Romero said when she made her worldwide magazine debut in the November '05 issue of *SCORE*. Uh, sorry, Cynthia. You—especially your big, natural breasts—are too delicious, too delectable not to be a finalist for Newcomer of the Year. "Okay," Cynthia said when we told her the news. "Then I might as well win!"

### **CYNTHIA ROMERO**

**BIRTHDAY:** February 18th **HEIGHT:** 5'5"

**WEIGHT:** 127 lbs. **BRA SIZE:** 34DD

**MEASUREMENTS:** 38-26-34

**BORN & LIVES:** Paraguay

**PREVIOUS SCORE APPEARANCE:** Nov. '05

**OCCUPATION:** College student

Cynthia's tits with cream on top? Sounds like a meal to us. "I love to rub cream all over my body," Cynthia told us in last month's "Boob Beat" column. "It keeps my skin soft." We don't think Cynthia was talking about *whipped* cream, but who cares? Cynthia winning 2005 New-comer of the Year would be her just desserts.

**SCORE

**FINALIST  
SUMMER  
SINN**

### **A COVERGIRL WHO GAVE A FUCK.**

It seems like yesterday that Summer made her worldwide magazine debut in the February '05 issue of *SCORE*. Summer was the covergirl, making her the first of five newcomers in 2005 who would be accorded the main shot on the marquee page. But Summer went on to do what Bea Flora, Amber Brooks, Merilyn Sakova and Cynthia Romero haven't done yet: fuck on film.

"I'm quiet and shy but I love to fuck," Summer said when we interviewed her in the October '05 issue. She proved she wasn't all talk with some dick-hardening fucking and sucking in *SCORE Xtra #11* and *Big-Tit POV* (both available on page 69). Those two videos (plus the pictures of Summer fucking in the June '05 issue) will, by themselves, earn Summer a lot of votes in the New-comer of the Year contest. The fact is, a lot of readers (are you one of them?) won't vote for a girl unless she inhaled and sat on a big schlong in a video. For those guys, only Summer, Alexis May and Claudia Kealoha are candidates for their votes. "Good!" Summer said. "Not that I had sex in those videos just so I could get votes. I truly love to fuck. But I hope guys like my big boobs, too." They do, and it's true: Even if she hadn't done XXX, Summer would be a top contender.

**SUMMER SINN**

**BIRTHDAY:** April 23rd **MEASUREMENTS:** 44-24-35

**HEIGHT:** 5'2" **WEIGHT:** 116 lbs. **BRA SIZE:** 34JJ **BORN & LIVES:** Boston, Massachusetts

**PREVIOUS SCORE APPEARANCES:** October '05 (interview), August '05 (with Crystal Gunns), June '05 (XXX boy-girl), February '05

**VIDEOS:** *Big-Tit P.O.V.* and *SCORE Xtra #11* (both XXX-Rated, available on DVD and VHS on page 69) **WEB SITE:** [summersinn.net](http://summersinn.net)

We have reached the halfway point of this issue and seen the first four finalists for Newcomer of the Year. Two more finalists—Alexis May and Claudia Kealoha—can be seen stating their credentials with big cocks in the Xtra section before we wind things up with the last four contestants. And there's only one thing we can say: Holy shit! Any year in which a girl like Summer isn't an easy winner has to be a great year.

## 2005 HARDCORE VIDEO ROUND-UP

**There's no holiday treat like one of these big-tit XXX videos!**

Here's the deal. The holidays are fast approaching, and you know what you want your family and friends to give you: a hardcore video featuring the big-boobed babes of *SCORE*. But it's just not going to happen. You're going to get a tie. Or a pair of shoes. Or an ugly shirt. Or a music CD. Something you have absolutely no use for. Fact: Aunt Becky is not going to buy you *Busty Hookers* or *My Boob Heaven*. You're going to have to buy them for yourself. But don't you deserve them? Haven't you worked hard over the past year? Shouldn't *you* be on your holiday gift list? Go ahead...treat yourself. You deserve it.

It has been said that no girls fuck like the Czech porn sluts, but we're going to take that one step further: no girls fuck like the big-titted Czech porn sluts, and E-cup natural Marketa is as nasty as they get. Now, before you get the wrong impression that *Marketa's Busty Adventures* is some kind of National Geographic documentary, we should point out that one of her adventures involves her fucking her pussy with a dildo, and her other three adventures involve Marketa doing all sorts of creative things with cocks. And in one scene, she gets two!

Linsey Dawn McKenzie

## MAXIMUM INSERTION

*Ultimate Linsey*, featuring LDM's first boy-girl scene, was our best-selling XXX video ever until this one came along. *Maximum Insertion*, featuring Linsey's second boy-girl, is threatening to break the sales record. Linsey shares the stage with busty Czech super-slut Veronika in the hardcore scene, but there's plenty more on the DVD version: nearly four hours worth of Linsey, including solo action (her tits and pussy truly get a workout) and a girl-girl with Ines Cudna. Overall, this is by far Linsey's filthiest video ever and her most jackable.

## Zuzanna's Hardcore Hooters

Big-racked Czech chick takes hard cocks between her tits and in her mouth, pussy and asshole. Sounds like you've seen that before? Well, with Zuzanna, no-holes-barred fucking is always new, because every time we see her doing something with a cock, it seems dirtier and nastier and more jackable than when she did it before. And this time, Zuzanna isn't alone in her quest to drain the balls of every hung stud in Europe. She's brought along some busty friends: Laura Lion, Dana and Simona. They all use their natural jugs as cum collectors.

## BIG TIT P.O.V.

Know how in most porn flicks, the camera angles make you feel like you're watching other people having sex? Well, in *Big-Tit P.O.V.*, you're gonna feel like *you're* the man fucking Sara Jay (far left), Lisa Lipps (near left), Claudia Kealoha and Summer Sinn. You're gonna feel like it's your cock they're sucking. You're gonna feel like it's your cock that's fucking their huge tits. You're gonna feel like it's your cock that's pounding their pussies and cumming all over their racks. Nasty dirty talk, especially by Sara, makes this a jack addict's dream.

## Busty Czech Babes

That's Veronika (left), one of 2004's top newcomers, looking down at her well-fucked pussy as some total stranger pounds away at it. Notice how he can't keep his hands off of her tits. Yeah, you wouldn't be able to keep your hands off of them, either. Veronika is one of five busty babes in this video. The others are Simona, Laura, Jana and Dana, but Veronika is by far the bustiest. There's no plot in this one. Just fucking. It'll take you back to the days when you went into a booth at the adult book store, slid a quarter into the machine and had at it with yourself.

## ULTIMATE ANNIE SWANSON

She's the girl-next-door gone wild. Short 'n' stacked Annie Swanson has been a **SCORE** superstar since she made her debut in 2002, and she's never been shy about fucking in front of the camera. But in this video, Annie takes on a big, professional porn cock in her horniest, most nut-busting hardcore scene yet. She also hooks up with newcomer Ana for a nasty girl-girl and joins Lilith for a wild girl-boy-girl three-way in a hospital bed. By the way, that's Lilith's tit that Annie is sucking on in the photo below. Notice how unselfish Annie is, sharing a hard cock with a friend.

In this issue, you will be asked to decide whether stacked Summer Sinn (near left) stacks up enough to be Newcomer of the Year. If you and anyone else watches this video prior to casting your ballot, then the contest just might be stacked in Summer's favor. Summer is the best kind of good girl: a good girl who loves cock between her tits and in her pussy, and her scene showcases those talents. This all-hardcore video also stars dirty-talking Brandy Dean (far left), Christine Allure (below right), Latia Lopez (below left), Daphne Rosen and Tara Moon.

## Ultimate Alexis May

Scottish cutie Alexis May is going to get a lot of Newcomer of the Year votes based on her ability to suck and fuck. The wonderful thing about Alexis is that when you meet her, she seems so sweet and innocent. And she is. But there's no reason sweet, innocent, big-chested chicks can't drain total strangers' nut-sacks, and Alexis is an expert when it comes to that. This video opens with Alexis playing with her tits and cunt, proceeds to her playing with another chick's tits and cunt and ends with her having her tits and cunt fucked. So there is a plot.

## Voluptuous Xtra #10

Here's another video that features a sweet-looking chick getting the shit fucked out of her. The sweet-looking chick is Brandy Talore, and the first time we met her, we could hardly believe she was going to pose nude, no less fuck on film. But she did. In this video, she's joined by an all-natural cast of dick suckers and fuckers that includes Emily Anderson (near right), Angelica Raven (far right), big-pussied big-cock lover Samantha Kay and Czech dick drainers Veronika and Marketa. It says *Voluptuous*, but this one's for *SCORE* Men, too.

## Voluptuous Xtra #11

Can't get enough of Annie Swanson? She fucks a super-hung stud in this one, too. Want to see how Lilith (near left) fares with a cock when Annie's not around to help her guide it into her pussy? Then this one's for you. Gutter-mouthed Wow Nikki, fresh newcomer Ana (far left), plumper Anastaisa and succulent Juliet also take hard schlongs like pros in this flick. But they're not pros, which is what makes *Voluptuous Xtra #11* so much fun to watch. This video is a little fleshier than *Voluptuous Xtra #10*, but it's just as raunchy. Real men love big-tit jack tapes.

## BOSOM#6 BUDDIES

This flick hit the shelves early last year, but it's still a top seller because of 2004 Newcomer of the Year Kelly Kay's only video scene to date. Kelly goes tit-to-tit with Bozena (far left), and the sight of her huge naturals bouncing and jiggling is worth the price of admission all by itself. But there's more, such as bosom buddies Kelly Madison and Lana Lotts (near left) showing just what friends are for, youngsters Angela White and Brandy Talore exchanging pussy juices, super-slung Chaz with Hannah Callow, and Brittany Love with Mary Carey.

# BUSTY HOOKERS

One of the guys here at *SCORE* (he will remain nameless to avoid persecution) thinks it wasn't very nice of us to refer to Kelly Madison (near right), Brandy Talore (far right), Carmen Hayes (below) and Alexis May as hookers. But we're not really calling them hookers. We're just saying that in this flick, they dress and fuck like hookers, which is an entirely different thing. So, for the record, the idea of Brandy, Kelly, Alexis and Carmen fucking for money is preposterous, and we will have nothing to do with anyone who suggests otherwise.

In one way, this is a strange video. It's all about a guy who fucks Charlee Chase (far left), Angie Sward (near left), Denise Derringer (below left) and Kitty Lynxxx (below) in the same day. But, upon closer inspection, what you'll discover is that this video is really about Denise making the raunchiest XXX debut imaginable. Not only does she suck cock and get tit-fucked. Not only does she take that cock as far into her needy pussy as it can go. She also gets ass-fucked like nobody's business in a variety of positions. And that's what *My Boob Heaven* is all about!

# SCORE Xtra12

Denise Derringer's ass got ravished so thoroughly in *My Boob Heaven* that she only allowed her mouth, tits and cunt to get fucked in her XXX encore. But that's okay. We like watching Denise getting fucked. We also enjoy watching Debbie Leigh (near right) and Minka (far right) getting fucked. We also like watching Claudia Kealoha, Charlee Chase and Kitty Lynxxx getting fucked. We also like the idea of getting away from the holiday hub-hub, locking ourselves in a room and jacking to big-tit videos. The coupon below is your ticket to a holiday treat. Enjoy.

### HOW ABOUT A BJ CONTEST?

Dear SCORE,

After reading Sara Jay's interview (July '05), I really would like to see her in a video blow job contest with two other like-minded contestants going down on super-hung guys at the same time.

Sara obviously prides herself on being the best blow job artist among her peers. The judging could be based on several areas like best ball-sucking, best

#### ALEXIS LOVE: MORE, MORE!

Dear *SCORE*,

So you've finally added Alexis Love to your Big-Boob Hall of Fame. About frigging time. It's a wonder this all-natural superwonder was ignored until now.

You mentioned that her one *SCORE* vid, *Love Story*, is one of your best sellers ever. Okay, fine. Now why don't you make it one of your best-selling DVDs ever? After all, the *SCORE Classics* DVD contains at least some of her *Love Story* video, and it's been remastered, too, so we get to hear her cooing instead of the VHS version with that woman belting out that song at the top of her lungs. A major improvement.

And if the *Love Story* DVD contained whatever footage that didn't make the final cut, that addition would make a

## **WHAT'S SO GREAT ABOUT BEA?**

Dear *SCORE*,

I can already tell that I am going to be in the minority here, but I don't see what the big deal is (or will be) with Bea Flora. Yes, she is very pretty. Yes, she has a great body. Yes, she's probably going to be 2005's Newcomer of the Year. But, at least for me, there's something missing with her. Maybe if she smiled every now and then, I might feel something for her. —R.W., via email

## **EMMA, CYNTHIA & CENSORSHIP**

Dear *SCORE*,

Some comments on your November '05 issue. Emma Tyson is another superb English model. Her face and figure are absolutely striking. She could become the best *SCORE* Girl yet if she wants to be. Including comments in her pictorial like "maybe I'll do this again and maybe I won't" serve no purpose except to depress those of us who want to be enthusiastic about her. She is a natural work of art, and I hope that we see more of her in more ways than one. If we see her again, I hope that you can convince her to bare all.

Same comments for Cynthia Romero, who is another great find with a natural body. I hope you can convince her to return and be less shy.

It is unfortunate that you're having trouble with censorship of the Xtra section. The sex police will never learn that they can censor but they cannot legislate their version of morality. As long as there are women willing to perform in an adult medium and there are men willing to view them, censorship will never work. Best wishes to you for continued success in *SCORE*.—M.S., Newington, Connecticut

***IN THE BEGINNING,  
THERE WAS JOANA.***

One reader called 2005 the greatest year ever for naturals. It was special from the outset. In the January '05 issue, Joana bared her charms.

**SCORE 77**

Joana is a 2005 newcomer by *SCORE* standards, but she made her magazine debut in the November '04 issue of *Voluptuous* and came only 85 votes shy of beating Kelly Kay for V-Mag's Newcomer of the Year. Not bad for a chick who posed just so she could make some extra money during tough times. And she figures to be in the thick of things for this award, too. Her tits are amazing.

## UNDERCOVER UNDERWIRE

Continued from page 36

"Did you see that?" Karen asked, and I had to admit I had not. I was still enjoying the view.

"What?"

"I think she just stuck a pair of panties into her jacket while she was bent over."

"You think so?" I wanted to be sure, and I wasn't. Karen said she was. We exchanged looks. That was enough. If we wanted, we could detain her and ask her to come to the private security office in the store. As the woman started to put the things back in order to return them to the counter, I slipped out, to intercept her before she skipped out on us again.

"Pardon me, ma'am?" I asked, gently touching the woman's elbow. She turned to give me a look.

"Yes?"

"Could you come with me? Please, don't make a scene. I'm store security, and we'd like to ask you some questions about your shopping experience here today."

I smiled, but she got the drift and walked with me past some oblivious customers and through the employees' entrance to security. I guided her into a private room where Karen was waiting. I gestured to a seat opposite from Karen, and the woman sat down. I tried to resist checking out her ass as she did, but I couldn't.

"What's this all about?" the suspect asked. The same first question everybody who ever found themselves in that seat asked. Nobody was ever guilty, until you nailed them.

"We believe you have some store merchandise you haven't paid for on your person, ma'am," I explained. "Am I correct?"

"You're full of shit," the woman said, annoyed. "I don't have anything on me that I haven't bought here before and nothing from today." Again, the standard lines. The usual bullshit.

I sighed, pretending to be bored. Karen was just looking, awed. I could understand. Karen was a cutie, a really bouncy, cheerleader-looking kind of girl, but this woman was stunning. Perfect skin, long hair and matching brown eyes, a great set of pouty, freshly painted lips. Without the men's jacket, she would have looked like a model.

Still, I had seen beautiful crooks before and continued on my spiel.

"Will you be maintaining that story if we bring in a female officer and do a full search?" I asked.

"You can search me yourself," the woman said.

"Would you mind taking off your jacket?" I asked. The woman stood, a smug look of satisfaction on her face. She pulled down the zipper and shrugged it off. My eyes nearly popped out of my head.

This girl could have been smuggling a halved watermelon in her shirt, and I wasn't terribly certain she wasn't. She tossed the jacket onto the table, but Karen and I both ignored it. We were staring at the brunette's tits.

Huge was an understatement. No way could the real estate beneath her sweater be filled with boobs. I didn't believe it for a second. If we got a search on her, we would find half the department tucked into those ridiculous cups, I was sure. Karen caught a look at the woman's chest and took a deep breath. It didn't seem to me she was having the same thoughts about what was under that stretched-out sweater as I was. At that moment, I wasn't sure what I wanted more, to be right about what I thought was shoved into her sweater or to be wrong and be witness to the biggest tits I'd ever seen.

I rifled the woman's jacket pockets and looked the jacket over. Nothing but car keys, sticks of bubble gum, a pack of tissues and a lipstick tube. Not a brand we sold at the store.

"Good enough for you, or do you want to keep going?" she challenged.

"Keep going," Karen said, piping up for the first time. Our top-heavy suspect locked eyes with Karen, and I distinctly got the idea that Karen and I were not on the same page.

"Okay, fine," the woman agreed, fixing her eyes on Karen. She reached down to the hem of her sweater and slowly pulled it up over her head, making a show out of shaking out her hair when it came free. She tossed the sweater on top of the jacket and stood there in only her bra and jeans. I swal-

lowed hard. There was no way this woman was stuffing anything into that bra that God hadn't given her. Now I could see why she was only interested in maternity bras and ordinary panties. This woman was packing a set of jugs that were, by a longshot, the largest set of hooters I had ever seen in my life. No wonder she'd never bought any bras here. Karen had once told me that the department carried up to an F-cup, and 44F was the most outrageous thing they carried in the lingerie department. And this woman probably couldn't fit into it. Definitely couldn't fit into it.

"Holy shit," Karen whispered to the woman. "Is that all you?"

The woman was standing there, hands on her hips, same smug look. If she wanted to sue us, she probably could have. But instead, she reached around behind her back, and I heard the distinct *snik* of bra clasps being undone. Four clasps, by the sounds of it. The woman brought her arms forward, and the bra dropped into her hands. Natural! Those fucking bazookas were all natural!

I stood up to try and regain control of the situation and hopefully save our jobs. Karen was sitting there, practically drooling over the woman's enormous cans. I went to hand the woman her clothes back, but she stopped me.

"What about you, Serpico? What are you smuggling in there?"

She reached out and put her hand on my crotch. I stepped back sheepishly. I had a hard-on that would have been noticeable all the way in Kitchens and Baths, and I couldn't believe she had just reached out and grabbed it.

"You hiding something, or you wanna come clean, too?" the woman said. "I showed you mine..."

I didn't know what to do but obey. The room was locked. If the woman wanted to put us on equal footing, maybe it would keep her from filing a complaint. I unzipped my pants and let them slide to the floor. Next, I kicked off my shoes and stepped out of them, leaving me standing there in my boxers. The woman gave me an expectant look, and I knew what she was waiting for. I peeled my shorts off and revealed the works. My pecker was sticking up, fully hard. Now it was her turn to flash me an appreciative smile.

"Wow, Paul!" Karen said, eyes wide and fixed on my johnson. I had practically forgotten she was there. "I had no

idea your cock was so big. If I had known, I would've..." She stopped as if she was embarrassed, but now she was looking at my cock the same way she'd been looking at our suspected shoplifter's mammoth rack.

"You're always watching me when I shop," the woman snapped at Karen. "I think you wanted to get me for something more than shoplifting. I'm right, aren't I?"

Karen turned beet red. The woman laughed, and came around the table. She lifted her breasts and stuck them in Karen's face.

"Go ahead," the woman said. "This is what you wanted, right?"

Karen closed her eyes and started licking Miss Supersize's nipples, which were big and round and getting harder by the minute. Karen lapped away at her milkers reverently, like she was worshipping them. It made my boner twitch just watching it. When Karen closed her mouth over the woman's erect nips and started fondling those massive mams, I came around behind her and pressed my rigid prick up against that big, round ass of hers.

"Ohhh," the woman said, startled. "You gonna tease me with that thing or really show me what it's used for?"

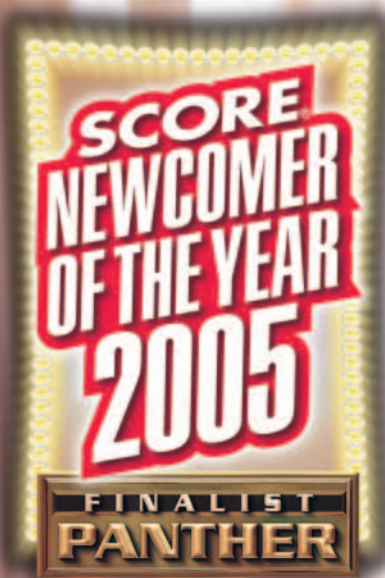

With Karen wetly slurping away at her tits, I reached around, unbuttoned the woman's jeans and tugged them down. As suspected, there was no room for so much as a thong between flesh and denim. Her ass was big and firm, and I grabbed her cheeks with both hands, angling for her pussy. I could smell her scent now. There was no question about it: She was dripping with excitement.

I found her slippery hole and pressed against it. Her lips were just as puffy down below as the ones on her face. They parted around my cockhead, and I gradually tucked my prick into her tight, snug love tunnel. She gave out a little purr, and I knew she was enjoying how much I had to give her when eventually I bottomed out in her snatch and my balls slapped against her slippery muff curtains. I was balls-deep into a suspected shoplifter's pussy, a total violation of all procedures. But at this moment, nobody in the room cared about procedures.

I started slow stroking in and out of her, watching the show in front of me. Karen had pulled her own sweater off,

and the woman was working Karen's C-cups into her own mouth. Karen's head was thrown back, and at first I thought that just this big-breasted stranger's mouth on her tits was making her ecstatic, but then I noticed that our suspect was fingerbanging Karen, who had slipped her skirt down around her knees and was holding her panties out to allow the woman access. Watching Karen's pussy getting fingered made me even harder, and I increased the intensity of my thrust into the suspect's cunt.

"Taste," the woman ordered, sticking her slimy fingers into Karen's mouth, making her suck her own syrup. Karen lapped it up hungrily and reached down between her partner's legs, massaging her clit. My balls beat a steady pattern off Karen's knuckles, and pussy cream was running down the front of my thighs, the backs of the woman's legs and dripping off my nuts. This gal was absolutely pouring lube.

"Eat it," she commanded, putting her hands on top of Karen's head and guiding it between her legs. Karen duti-

fully obliged, dropping to her knees, her face planted smack in the middle of the brunette's furry triangle. Now I could feel Karen's chin stopping the swinging of my nut sac. Remembering I was there, she groped my balls and took an occasional break from her cunt slurping to swab my balls dry before returning to her cunnilingus. Karen was obviously pretty good with the oral, because about two minutes of pussy-licking later, the woman started to twitch and spasm, grabbing Karen's head and pressing it tight into her gash. Karen was making noisy, wet sounds, and the woman's breathing went shallow before she jerked back against me and I felt a flood of fluid crawling down my legs.

Karen surfaced, her face looking like a glazed doughnut from the nose down. This girl was a pro at pussy licking. I never would've guessed it, although I guess I should've known, the way he sometimes talked about female customers. Karen grabbed the woman and they started French kissing, open-mouthed, swapping girl cum with each other.

My cock grudgingly slipped free from the woman's pussy, and I turned our willing suspect around. After hoist-

ing her up onto the table, I spread her legs, grabbing her knees and pushing them far apart, guiding my pole back in to her pink bull's-eye. I sunk my torpedo again and started rocking back and forth. Karen peeled off her soaked panties and got on top of the table, straddling the woman's face and watching me fuck her.

"Lick my pussy, baby," Karen cooed, reaching down and playing with all that breast meat. "Eat me like candy, honey." God, did this girl love girls!

"It's Lori, cupcakes," said the brunette, pinching both of Karen's nipples lightly as Karen positioned her slit above Lori's face.

"Eat me, Lori," whispered Karen. "Do me right."

Karen and I played with Lori's huge globes while Lori began snaking her tongue up into Karen's puss. With each twist and turn of it, I could see pleasure written all over Karen's face. Karen relinquished Lori's knockers to my hands, which looked nearly as tiny as Karen's trying to wrangle Lori's colossal breasts. Karen began fondling her own tits, pinching them and squeezing them. After a few minutes, she started humming—her lips pressed tight and actually humming—before her first

orgasm rocked her world. Karen let go of the woman's knobs and slapped her palms flat on the table, her head resting against my belly, as Lori sucked her box to climax.

Right then, all I wanted to do was kiss Lori so I could taste Karen's pussy juices, but that wasn't going to happen. After what seemed like a minutes-long orgasm, Karen put her hands against my chest and made to move off Lori's face, but she gasped and held on for dear life.

"You're not going anywhere yet, sweetie," said Lori, Karen's cunt sauce dripping off the sides of her face. She had stuck two fingers into Karen's twat and was working them around, making Karen moan.

Karen put her leg back down, and Lori wrapped her legs around me. Karen bent in close and started 69ing Lori around my pole. Watching the two go at it was amazing.

Karen looked up at me, her face drenched. Her hand was working Lori's clit furiously, and Lori's hips were bouncing up off the table.

"Feed me," Karen begged, licking a damp patch of my pubic hair. I gave Lori a quick downstroke for good measure, heard her grunt appreciation through Karen's mound hair, and slipped deep into Karen's tiny mouth. I had been working with Karen for more than four months but had never thought about hitting on her. I figured she had a boyfriend but had never asked. Man, what I had been missing!

Karen took about half my length into her mouth, guzzled Lori's goo off it, and started teasing the tip of my prick with the tip of her tongue. She pulled me out, licked my entire shaft like a popsicle, and jacked me hard while tonguing my nuts. She worked a good, clear drop of pre-jizz out of my pole and played with it with her tongue, touching it to the sticky bead and pulling her face away, leaving a strand hanging that eventually broke and hung off her chin. She took my whole tip in her mouth, sucked out what she could, then slowly mouth-crawled down my pole. It took her three tries, but finally she deep-throated me, her lips resting against my short hairs and my cock buried beyond her tonsils. She played with my nuts, holding my cock all the way down and alerting me to that funny feeling that meant my time

**WHATEVER YOU LIKE, BEA'S GOT IT!**

The girl you're ogling is possibly the most beautiful *SCORE* model ever. You'll be the judge of that. It's also for you to decide whether Newcomer of the Year is a beauty contest. But if, for you, it's all about the tits, Bea has a bundle of boobs, too.

Bea crashed the cover of the June '05 New-comer of the Year issue, and she also crashed your hearts. Reader R.P. called her "the most beautiful *SCORE* Girl ever." C.D. said, "I don't think I have ever seen a more stunning woman. All of your models have breasts to die for, and Bea's rack is better than nearly all of them. But what sets her apart is her model-like face, creamy, tanned skin and rich, dark hair. She is one in millions."

**WEBSITE:** [www.busty.pl](http://www.busty.pl) **FANTASY::** "I want to find a loving, caring man who will look after me. He doesn't have to be rich."

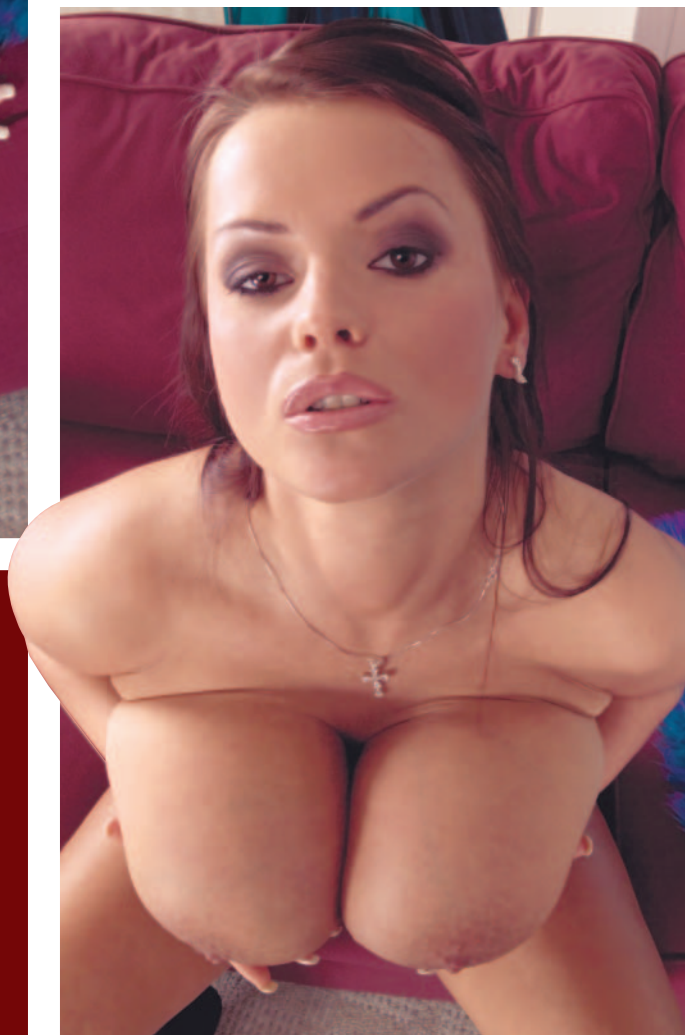

What does Bea have to say about all the commotion she's caused? Well, not much. "I know I have big breasts, and I think I am pretty, but I don't think I am anything special," she said. "I think what happens is that any time men see a pretty girl with big breasts, they lose their minds." True. But they don't lose their minds the way we've lost them over Bea. Honey, you're special.

## UNDERCOVER UNDERWIRE

*Continued from page 95*

was almost up riding the love-cyclone.

Lori started to squirm again, and Karen pulled off my dick just in time. I was about to blow and didn't want to cum just yet. Karen focused her oral talents back on Lori, and the pair both came again, rapid-fire, one after the other. When Lori blew off again, her body shook the table, and I could barely keep my hands on her jugs. When both had finished, I slipped back inside Lori but kept Karen's face right where it was. I started alternating, pulling out of Lori's sopping muff and then letting Karen gobble my rod, which was coated with Lori's ooze. Then I would go back to pounding Lori's hole.

It was unbelievable. Karen obviously loved cock as much as she loved pussy, and she loved pussy a lot, from what I could tell. As for Lori, I was wondering what kind of horny, big-titted slut she was, fucking a couple of people she'd never met before.

"Move back," I instructed, and Karen obliged. I straddled Lori's belly, and Karen watched while Lori pressed those gargantuan globes together, creating a flesh tunnel for me to titty fuck. Did I say tunnel? Lori's cleavage was like two mountains pressed together.

Karen wasn't eager to be left out of the action. First she began making out with Lori some more, but then she rested her head on top of Lori's heaving chest, and when my cockhead emerged between Lori's cans, she would suck the tip. She was fingering herself at the same time, and I started slowly banging Lori's boobs so that Karen could get at least a full inch or so into her mouth before I would pull out again. I did not know how much longer I might last, and I wanted to take this as far as I could. And, to tell you the truth, I was kind of proud of myself. Lori's tits were gigantic, the biggest I'd ever seen by a longshot, but they weren't exactly making my cock look small.

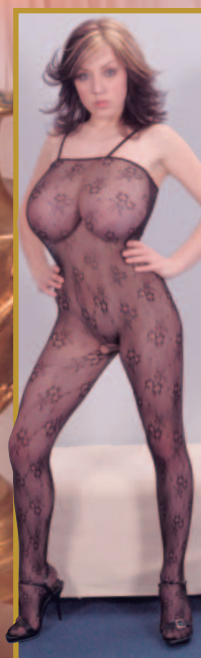

Finally, Lori started to sense that I was about to cum and started talking dirty, which sent me into overdrive.

"Suck his cock, cupcakes, he wants to blow his load all over my big tits," she ordered Lori. "Yeah, look at him. He wants to cum all over my tits. Fuck 'em, fuck my tits, I wanna see you cum! I wanna watch it pour out of you all

over my boobs! Fuck my tits and cum all over Karen's face."

The first gush of cum exploded into Lori's boobflesh valley, and some of it got through and squirted Karen on the chin. She was surprised, and seeing my jizz hanging off her lips was sexy as fuck. She licked it off and waited for more. Lori eased the grasp needed to hold those jugs together, and my prick slipped up a little, allowing my second blast to leave a stream across her right tit and even more splattering across her face. Some of it landed in her hair, some on her cheek.

"Blow that load, baby," she encouraged. "Shower us in cum! I want more! You gotta have more in those big balls of yours for us to share, don't you?"

I stroked between Lori's sweaty, cum-stained knockers, and more jizz spurted out. Karen started licking it up out of Lori's cleavage. Then there was another eruption out of my nuts when I wrapped my hand around my crank and rubbed one out.

Again, Karen was all over my cum, her tongue scooping it up out of Lori's valley like melted ice cream. I continued to pump my fist, my pecker spitting out a few more gobs of wad. Karen, whose mouth was filled with cum, opened wide and unloaded some into Lori's waiting mouth. I kept jack-ing, watching the two swapping spit and my nutsauce between them, their tongues sticky with the oil from my crankcase. Eventually, they each swallowed what they had.

The room was ripe with the scent of sweat and sex. We got dressed, and I handed Lori back her items. When I buckled my belt and put my walkie-talkie back on, Lori mock-frowned.

"Awww, no handcuffs?" she said.

"That's for after-hours," I shot back.

"I have nice handcuffs," Karen said, nibbling on Lori's ear. "Leather, lined with fur." Karen handed Lori a business card. "My home number is on the back. I'm hoping you'll call?"

Lori tucked the card into the cup of her bra, then winked. "Someplace I won't lose it," she said. She turned to me. "Guess I'm free to go?"

"Totally," I said.

"Good," Lori replied. "I gotta go home and shower if you two are going to be coming over after work."

I had known the three-to-11 shift was going to seem long. Now it was going to seem eternal!

AMBER  
BROOKS**

***COUNT THE  
REASONS THIS  
TEXAS FILLY  
DESERVES  
YOUR VOTE.***

Her name is Amber Brooks, she's from Houston, she's a swinger, she's a MILF, she's an exotic blend of Brazilian and Colombian, and she's a former lap dancer whose goal was to make guys cum. Now she's making *SCORE* Guys cum with a solo video on [Scoreland.com](http://Scoreland.com) that shows her vigorously fucking her F-cup tits and filling her pussy with a giant dildo while she's talking dirty and moaning.

Amber's reaction to becoming a *SCORE* Girl is exactly the reaction we love to hear. "I love being in *SCORE*," she said. "I love being someone's fantasy. I love walking down the street and having guys recognize me. Every-where I go, guys are screaming out my name. Not to mention all the attention I'm getting from overseas. It's crazy! I'm going around smiling like a new mama. I couldn't be prouder!" She has reason to be proud.

"I'd love to win New-comer of the Year," Amber said. "But I'm just proud to be a *SCORE* Girl." Amber's huge areolae, big, hanging tits and juicy, pink, pierced pussy are impressive credentials in her favor. Will you make her even prouder by crowning her Newcomer of the Year? Or is Summer Sinn your girl? Or maybe Marilyn Sakova, Alexis May, Claudia Kealoha, Anna Jota, Joana, Bea Flora, Cynthia Romero or Panther? The choice is yours. Review the 10 finalists, then vote by using the ballot on page 58 of this issue (page 105 in the UK edition). While you're at it, make sure you vote for Model of the Year and the Big-Boob Hall of Fame, too. If you don't vote in all three categories, your ballot won't be counted. Newcomer of the Year will be announced in the June '06 issue, on-sale March 28, 2006. And history will be made.
