SCORE CARD

A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.

The Nov. '05 issue was loaded with standout newcomers such as (left to right) Alexia Moore, Danielle Derek and Emma Tyson. Danielle and Alexia are making their encores together on page 50 of this issue. Also in the November issue, Denise Derringer (top right) showed off her fucking talents. Dee Dee Deluxx (bottom right) went solo in November, but you can see her fucking in the new video *Desperate MILFS*, available online at eBoobStore.com.

BRING BACK DANIELLE AND ALEXIA FOR A PUSSY SNACK

Dear *SCORE*,

Danielle Derek and her girlfriend Alexia Moore (November '05) look like they carry half their weight on their chests. They look like they get fucked hard every night. I love that they both spread their pussies and assholes wide open. Alexia does Danielle one better by snaking a finger deep into her own anus. Next time, you have to get them together for a photo shoot or a video to show them snacking on each others' pussies and making each other cum

Merilyn Sakova is a wonder. She would be a beautiful woman even if she sported more normal-sized breasts. I can understand her dilemma, that she has a lot of wonderful physical attributes that get lost underneath her mammoth mammaries. I'm sad to say I would be one of those bastards who couldn't stop staring at her chest.

Ashley Juggs is a gorgeous woman with exotic, sexy eyes and a ring in her shaved pussy. Very nice. The raised-skirt "Seven-Year Itch" photo is a keeper. Nice job by your photographer.

Auburn-haired Jana has sexuality oozing out of every photo. She is obviously enjoying herself. I'm betting a dollar that after the photo shoot was done, she used that dildo she was sucking on to get herself off.

Finally, the checkerboard micro-bikini with matching thigh-high stockings on Emma was very arousing. Too bad she did only the old *Playboy* poses, being discrete with her pussy. Hopefully, she enjoyed this experience enough to come back and show more.–Kevin, Saint Paul, Minnesota

Dear Kevin: Glad you enjoyed Danielle and Alexia. They're back for more in this issue. We brought them together for a full-length pictorial and interview, beginning on page 50. Plus, you can see them snacking on each other's pussies in a video version of the interview online at Scoreland.com.

WHEN EMMA SPEAKS HER MIND, IS HONESTY THE BEST POLICY?

Dear *SCORE*,

Emma Tyson (Nov. '05) is another superb English model. Her face and figure are absolutely striking. She could become the best *SCORE* Girl yet.

But including comments in her pictorial like "maybe I'll do this again and maybe I won't" serve no purpose except to depress those of us who want to be enthusiastic about her. If she does not like to be a sex object, obviously we will not see her again, but *SCORE* is not the place for her to editorialize about natural, although sometimes crude, male sexual behavior.

The *Playboy*-style photos of Emma were fine for now, and I realize they may have been the only way to get Emma in the magazine, but if we see her again, I hope you can convince her to bare all. You've had good success with other models who started this way.

I enjoy seeing Denise Derringer whether she is in Xtra or posing solo. All 35-year-old women should look half as good as she does.

Dee Dee Deluxx is hotter than most women half her age. She knows how to use a dildo and smile for the camera. I hope we don't have to wait seven more years to see her again. She'd be great in Xtra, too.–M.S., Newington, Connecticut

Dear M.S.: Dee Dee can be seen fucking and sucking in the new DVD/VHS Desperate MILFs, *available online at* www.eBoobStore.com. *She's also in the upcoming XXX release* Tit Attack.

HERE'S SOMETHING THE TRAVEL CHANNEL WON'T TELL YOU

Dear *SCORE*,

Do all of you big-boob fans know that one of the bustiest ladies in the world is situated at the Lake of Constance in Germany? This incredible monument, called Imperia, is the new landmark of the city of Constance and was created in 1993 by sculptor Peter Lenk.

I included a nice picture showing the monument. Nobody should say statues are boring.–A.K., Herdecke, Germany

Take a look at the tits on that statue! Imperia, the landmark of Constance, Germany, looks like she needs a big, hard cock.

SERVING UP A FANTASY *SCORE*

Dear *SCORE*,

I have a suggestion for Fantasy *SCORE*: Rachael Ray from the Food Network show *30-Minute Meals*. She has a beautiful face and a nice body, but if she had bigger tits (like DDs), she'd be a 10-and-a-half. Picture her naked, playing with food…mmmm!

Anyway, I love the Fantasy *SCORE* artwork by Duncan Gutteridge. Who doesn't, right? It is truly amazing how lifelike the women look. I can't wait to see the women in the coming months (and, hopefully, years).–S.S., via email

Merilyn (November '05) gets the big picture because she's been causing the biggest sensation lately. The November *SCORE* also featured super-sexy Ricki Raxxx spreading her juicy, pierced pussy. Kayla Kleevage packed her tits into a bra, then tit-fucked a dildo in *Buxotica* #119.

MERILYN FOR MODEL OF THE YEAR. AND WHERE'S KEISHA?

Dear *SCORE*,

After purchasing the latest issue of *Buxotica* and the November '05 issue of *SCORE*, and after my dick had settled down from all the work it had to do with these issues, I felt a need to tell you that these issues were some of the best *SCORE* has ever published. That says a lot because each issue generally is an improvement over the previous one.

It is not hard to keep the lubricant companies in business with pictures of Veronika sitting on a pole and being rammed by a condom-covered penis ("Video Pick of the Month," *SCORE*, November '05). Once I got to the Ricki Raxxx feature, it was time to work up another huge load of joy juice and let fly. Of course, my anal prong helped, too.

Danielle Derek has my nomination and vote for "Newcomer of the Year."

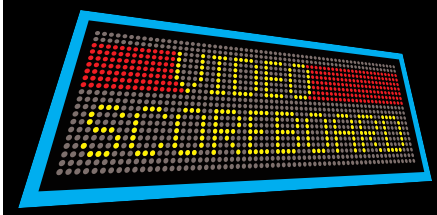

Bring on more of Merilyn and add her to the Model of the Year competition. She belongs in multiple issues.

I noticed that Keisha Evans was absent from the recent issue of *Buxotica*. In the previous issue, I could have sworn she said that she planned to continue appearing in men's magazines, and she should have been in *Buxotica* again. The fact that Kayla Kleevage made the cover helped a little. She's one fine lady who seems to season with age.

I noticed Minka was not featured as much as she has been in previous issues of *Buxotica*. Has she quit modeling? –M.J., New Orleans, Louisiana

Dear M.J.: Merilyn Sakova is not in the 2005 Model of the Year contest because newcomers are excluded from that competition. They have their own award: Newcomer of the Year, from which experienced models are excluded. Should newcomers be eligible for Model of the Year? Should everyone be eligible? Readers, what do you think?

Keisha Evans, who last appeared in the April '05 issue of SCORE, *has not quit modeling. Look for her again in an upcoming issue. As for Minka, there's no way she has quit, nor does she have any plans to quit modeling. She looked really kinky in the December '05 issue of* SCORE, *and she can be seen sucking, fucking and wrapping her huge tits around a hard cock in the new video* SCORE Xtra #12, *available on page 114 of this issue or at* eBoobStore.com.

DEPARTMENT OF CORRECTIONS

Dear *SCORE*,

I kept Cynthia Romero's *SCORE* debut photospread (November '05) nearby almost all day. Every inch of her is gorgeous. Bring her back soon, and pay her whatever she wants to get some shots of her spread-eagled and showing her pussy in a centerfold. Then double it to get her in a *XXX SCORE* video.

One question, though: The cover states her bust is 44, but your "Check List" inside says she's a 38. Those beauties are not 38s.

Consider this my early vote for Newcomer of the Year.–D.B., email address withheld

Dear D.B.: You're not the only one who pointed out that mistake. Chalk one up for the Ooops Department. Cynthia's bra size is 34DD, and her measurements are, indeed, 38-26-34. Does 38 sound impossibly small? Well, consider that Cynthia weighs only 127 pounds, and that the "34" in her bra measurement reflects the size of her ribcage. Also, consider that, as Cynthia said about her boobs, "they haven't stopped growing yet." So she might be an F-cup by now, which would make her a 40-26-34, at least.

Click here to continue

Stacked Cynthia's small ribcage accounts for her "small" 38-inch bust measurement.

ULTIMATE ANNIE SWANSON

ANNIE IS THE COCK-CRAZED GIRL-NEXT-DOOR!

Annie is also a 4'11", DDD-cup bundle of tits who has gotten *SCORE* Men hard since her debut in 2002. She finished second for Newcomer of the Year and, since then, has become even more popular, thanks in part to her hardcore scenes in *Voluptuous Xtra #5, Voluptuous Xtra #6* and *Voluptuous Xtra #11.* Now she has a video of her very own: *Ultimate Annie Swanson,* in which Annie gets herself off, gets another girl off, doubleteams a cock with breast friend Lilith and enjoys a deep pussy and mouth plugging from a professional porn stud. This is the Annie video you've been waiting for.

In *Ultimate Annie Swanson*, Annie is trying to figure out what to do with her life. The guy at the employment agency says Annie might like being a phone-sex operator, so Annie imagines herself as one. Nope. She'd be too horny all the time. How about clothing store manager? Annie imagines herself having sex with another busty babe (Ana, page 44 of this issue). Nope. Too distracting.

Finally, Annie decides that there's only one job for her: porn star. And she proves it by handling a porn stud's huge cock as if she was born to fuck. Which she was. And the proof is all over ***Ultimate Annie Swanson.***

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

BIG BOSOMS & SQUARE JAWS

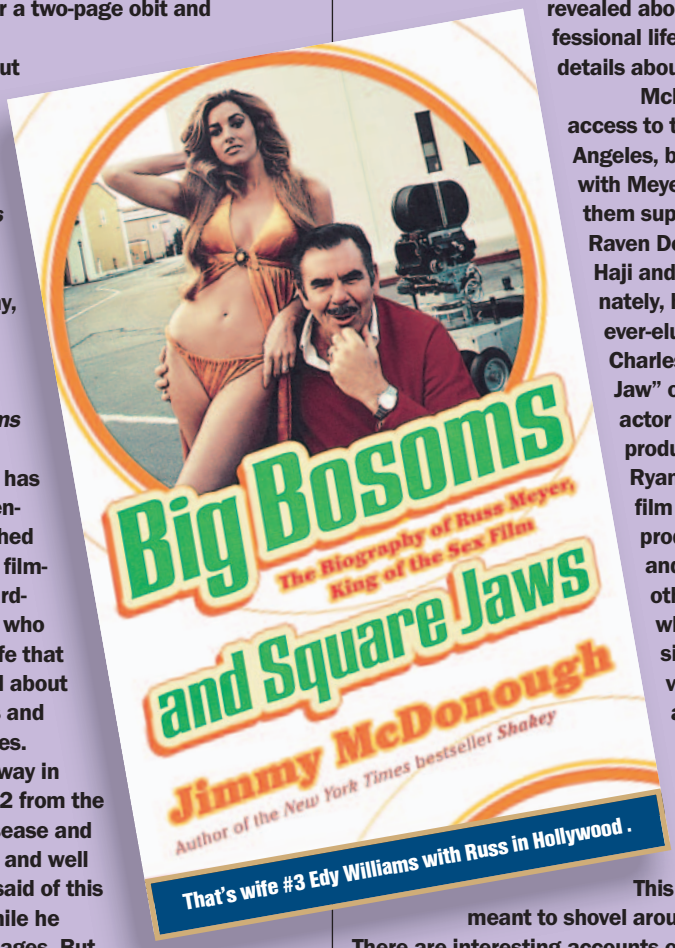

NEW BIO DETAILS RUSS MEYER'S WILD RIDE

He combined his two passions, huge tits and photography, and he had a wild trip doing it. He liked to provoke people. He referred to himself in the third person. ***Big Bosoms and Square Jaws*** by Jimmy McDonough is the newest book about big-boob cinema titan Russ Meyer. (See April 2005 ***SCORE*** for a two-page obit and career overview.)

A number of books about Meyer have been released over the past 10 years: ***The Very Breast of Russ Meyer*** by Paul Woods; ***Lips Hips Tits Power: The Films of Russ Meyer*** by Doyle Greene; and Meyer's autobiography, ***A Clean Breast,*** written under the pen name Adolph A. Schwartz.

What makes ***Big Bosoms*** different from all of these books is that McDonough has written the first comprehensive, scrupulously researched biography of this complex filmmaker, a hard-working, hard-womanizing bull of a man who lived the kind of fantasy life that other guys could only read about in pulp fiction paperbacks and men's adventure magazines.

If Meyer, who passed away in September 2004 at age 82 from the ravages of Alzheimer's disease and pneumonia, was still alive and well right now, he might have said of this book, "Nice work, kid," while he chewed and spit out the pages. But the chances are also good that Russ's inner circle of actresses and actors, film crews, business associates and fellow World War II combat photographers from the 166th Signal Photographic Company would simply have not spoken to McDonough at all, and the background work on this book would have gone nowhere. Such was Meyer's vise-like grip on what he would allow to be publicly revealed about his personal and professional life, especially the tragic details about his mother and sister.

That's wife #3 Edy Williams with Russ in Hollywood .

McDonough was denied access to the Meyer archives in Los Angeles, but he scored interviews with Meyer's intimates, among them superwomen Tura Satana, Raven De La Croix, Alaina Capri, Haji and Kitten Natividad (unfortunately, he couldn't locate the ever-elusive Uschi Digard), plus Charles Napier (the "Square Jaw" of the book's title and an actor in three of Meyer's films), production associates Jim Ryan and George Costello, film editor Richard Brummers, producers David F. Friedman and John Waters and many other unique personalities who were key in the expansion of the Meyerian universe. David K. Frasier, author of ***Russ Meyer: The Life and Films,*** also offered great support.

Overall, I think Russ would have liked this posthumous biography. This is not a tell-all expose meant to shovel around unearthed secrets. There are interesting accounts of how Meyer ran his on-location shoots–often near beat-up old towns in the California desert–like some kind of military stockade, sub-

jecting the cast to punishing stunts and forbidding them from doing the horizontal hula after work. Russ wisely exempted himself from this edict of chastity.

Russ put a certain type of superwoman on a pedestal, but he understood that when you do that, she can only look at you in one direction. Downward. So he placed himself on an even higher pedestal in order to create his own way of checks and balances in the battle of the sexes. And the battle of the sexes is ultimately what every Russ Meyer movie is about. The women are strong; the men are mostly halfwitted schnooks.

Big Bosoms is objectively written, for the most part. McDonough comes across as a true fan of Meyer's movies as well as of his early still photo work in the men's magazine business. His writing style has a hipster touch, and it's a difficult book to stop reading because of this intense, bigger-than-life presentation.

Describing Eve Meyer, Meyer's second wife (and business partner), who died in a plane crash, McDonough writes, "Her image somehow conjures up those desperate drive-in fumblings with Bertha Lou's brassiere as well as the smell of the best ballpark hot dog you ever gobbled down."

About Kitten Natividad, centerpiece of *Beneath The Valley of the Ultra-Vixens,* McDonough writes, "Kitten Natividad is one of Meyer's wackiest dames. The living embodiment of funky delirium a la James Brown's 'Hot Pants,' everything about Kitten was too much: outrageous body, 'is-it-a-wig?' hair, industrial-strength makeup and the most overheated line delivery this side of Edy Williams." (Edy was an actress in the boxoffice smash *Beyond The Valley of the Dolls* and Meyer's third wife.)

Some of Meyer's many legal battles with censorship groups get recounted. One of Meyer's worst enemies was Charles Keating, founder of Citizens for Decency Through Law. Keating would later be convicted of bank fraud in the Lincoln Savings and Loan case for

swindling thousands of people, most of them elderly. If there's proof that there can be some justice, it's that Meyer lived to see Keating go to prison for four years.

The last 50 pages are unrelentingly sad as Meyer begins his terrible downhill slide mentally and physically. He's beaten up by his busty girlfriend, Melissa Mounds, in an embarrassing incident that makes the newspapers. Letha Weapons tells McDonough about her brief time with Meyer which turns out to be another embarrassment when Meyer offers her an engagement ring only a few days after convincing her to stay at his house for a photo shoot.

"I never had even had sex with the dude," explained Letha, who didn't know Meyer's history and wasn't exactly bowled over by him at that stage of his life.

A brief hook-up with Pandora Peaks in the early 1990s doesn't get far. "I didn't have a problem being on Russ's arm and letting him have his glory," Pandora said. "I wasn't gonna be a romantic figure in his life. He might have presented me that way."

Somehow, an office assistant assumes the daily management of Meyer's DVD and video business and his extensive health care needs. She keeps Meyer's old friends away from him on the grounds that their presence would disrupt his twilight existence. It's a tragic ending for a man once so full of vitality and strength.

Big Bosoms won't have the last say about Meyer's life and movies, but it's a damned good say. Let's hope Hollywood doesn't decide to make a movie about his life as was once announced. They'll fuck it up. After all, Hollywood's brush-off of a young Meyer looking for a job in the movie business is what helped to shape his career path.

Big Bosoms and Square Jaws by Jimmy McDonough, Crown Publishers. 400 pages plus source notes, filmography and index, 55 black & white photographs. U.S. $26.95, Canada $37.95. Available at book stores everywhere or online at www.Amazon.com.

Angela White owns the Aussie boob market.

AUSTRALIAN GALS LIKE THEIR BODIES

A survey of more than 500 Australian women aged 18-35 indicates that Aussie women have a healthier body image than a decade ago. Eighty-nine percent liked their body "a little" or "a lot." When they were asked to pick the perfect female body from a list of celebs, most chose Catherine Zeta-Jones and Beyonce Knowles.

"It seems that the young women are rejecting the stick-insect kind of really thin ideal," said the creator of the survey. "It does suggest Australian women's body ideals may be approaching what would be considered to be a more healthy, normal, curvy weight, which is great news."

"The most disconcerting finding back then was that 42% of the already clinically underweight young women wanted to lose more weight," she added. "This new research does suggest that a more natural, realistic figure may be more desired by both women and men."

All we know is that if more Australian women looked like Angela White, we would be happier. But even Angela doesn't know any Aussie girls who are as stacked as her!

ERECT NIPPLES FOR DUMMIES

The Advertising Standards Authority in the United Kingdom launched a ridiculous probe into a Mazda 5 television commercial after receiving 42 complaints. The ad, which showed a female mannequin getting erect nipples after a ride in the car, has not found fans with women viewers.

In the commercial, a man puts four mannequins dressed in negligees into the car. When he lifts one mannequin out after the drive is over, her nipples are shown sticking out under the slip.

ASA spokesman Matt Wilson said, "Viewers complain that the ad is crude by blatantly saying this car will turn passengers on."

What's wrong with these 42 people? Are they insane, complaining about a non-issue like this?

ANGELICA RAVEN

What sexually satisfies Angelica Raven (Busty Becky) the best? Boob Beat aimed to find out.

"Being nailed really hard, really fast and really deep!" she said. "I love being spanked. I love the occasional 'forced' deep throat. I love talking and being talked to, dirty because I love the mental images combined with whatever I'm feeling. I love to role-play, although sometimes I can't help but giggle. Cock size is very important. If it's too small, then he can't hit the spots that get me off, and if it's too big, then I can't enjoy it. I prefer a guy who's got about seven-to-eight inches and is slightly above average in thickness but not too thick."

Angelica likes dirty, filthy talk.

PRINCESS OF PHOENIX

"Senorita" Princess is a bit over five-feet tall, weighs 115 pounds, measures 38-26-36 and wears 34DD bras. She was 13 when her tits began to get extra big, and they attracted the attention of male teachers.

"A lot of the girls were jealous, and the boys? Well, you know what boys are like," Princess says.

Princess is a dancer at Stevi Secret's Cabaret, 3432 South Central, Phoenix, Arizona (phone 602-305-8365). See more pictures of Princess at Scoreland.com plus a 48-minute titty video filled with breast action.

DATING BY NUMBERS

Researchers at University College in London are applying math to the science of gift giving. A team of mathematicians has created a "sequential calculation" as a model for dating.

The new study, designed to explore the schematics of gift giving in courtship, appears in the science journal *Proceedings of the Royal Society B.* The model's creator, a professor of University College London's mathematics department, says that this model reduces dating to pure numbers. The researchers assigned points to various courtship behaviors, including gift giving.

The computer considered the hypothetical facts and calculated which behaviors would result in the highest score for the male or female dater. The researchers varied the type of gift. In the mathematical model, a man presents a woman with a worthless, a valuable or an extravagant gift. An example of a valuable gift could be a bracelet that the woman could sell at a later date. An extravagant gift might be a ticket to a rarely-performed opera. (The experience itself is considered the gift, not the cost of the gift.)

The model showed that extravagant gifts had the highest score for both men and women. In the interpretation of the model's results, women feel confident that they have found a committed partner when they receive an extravagant gift, and men can avoid gold-diggers by giving only gifts that have no intrinsic value.

"The essential point we are trying to study is how you can make a courtship contract that has no real enforceability but still works," the professor said. "It's breach of promise that is the essential issue. The female can agree to mate, but there's no reason the male should stick to his promise to bring up the children. How can the female gain assurance that the male will stick around? One thing she can do is make him pay the cost of a courtship gift. She's trying to get him to tell her that his intentions are honest. But what he has to avoid is paying the cost of a gift and then having the female refuse to mate with him. What that female is doing is what we call gold-digging. The male has to deter the woman from gold-digging. That's the point about giving gifts that are essentially worthless to the female, so she cannot pocket the goods and rush off."

A University of Michigan psychologist said of the model, "It's interesting to look at, but I wouldn't make an inference about what to do in a relationship based on these models. If women are complaining about how men are in relationships, they should think about the hanging fly. The male hanging fly gives the female a gift–a large, dead insect–only to take it back after mating to be used in his next encounter."

So the results would seem to indicate that to score with babes, give your intended a day at a spa instead of a big-screen plasma TV.

BRIT BOOBS ARE GROWING

Bra manufacturer Bendon says British hooters have grown by a cup size in the past decade and could be changing the shape of the female spine. Ten years ago, the average bra size was 34B. Now it's 36C. Holy hooters, that's good news!

A spokesman said the company had noticed the change only over the past five years. Experts conjectured that the increase was due in part to the popularity of breast augmentation and fitted into a pattern of women gradually getting bigger.

Results from the National Sizing Survey indicate that women's busts and hips have grown by 1.5 inches since 1951. Waists have grown by a surprising 6.5 inches. Bendon also found that more than half of all women were wearing ill-fitting bras, despite publicized information that this can cause back pain and other problems. An osteopath on the General Osteopathic Council, said: "Breasts are growing, not only as a result of women getting bigger generally but across the board."

That's good news for you and me, unless too much meat is going to their asses.

STICK OUT YER DUKES

"Mine are definitely real," Jessica Simpson said about her sweaterfruit during her promotional tour for the movie *The Dukes of Hazzard*. "At school, my boobs were bigger than all my friends, and I was afraid to show them. Now I feel they make my outfits look better. They're like an accessory."

Joe Simpson, Jessica's father and manager said, "When we were in church work, my daughters wore bikinis and short shorts. People in the church got mad at me then, but we believe that what's in the heart is more important than what's on the outside."

Jezhabelle loves to watch porn.

A CHAT WITH JEZHABELLE

SCORE: Do you swallow?

Jezhabelle: Sometimes! I mean, I do, but I don't. Not because I don't like to but because I prefer to see it come out of the guy. I love to see a cock spurting cum. I have to tell you, my favorite part of watching porn is the cum shot. I have like a thousand tapes under my bed, and my favorite part of any scene is when the guy is cumming on her face. I love seeing it spurt out and splash all over her face and tits. I wear my pocket rocket out watching porn.

SCORE: No 12-inch rubber cock?

Jezhabelle: No. It's not the insertion thing that does it for me. It's the vibration that I love, and that's what gets me off. I masturbate every day. At least once a day, sometimes two times. I swear, I put my pocket rocket right on my clit, and in like two seconds, I can cum. During sex, it takes a long time because I have a little clit, and it's hard for the guy to get it.

SCORE: How do you get off?

Jezhabelle: Oral sex. And lots of tequila shots. Basically, all you have to do is get me drunk and I'm all yours. But, I'm not a sloppy drunk. I'm a happy drunk and a horny one. The more I drink, the hornier I get.

SWEAT

An easy job. Free food. A steady paycheck. And, suddenly, a pair of gigantic tits to fuck. They were life's...

Simple Pleasures

FICTION BY JARED GREENE • ILLUSTRATIONS BY OTIS SWEAT

"That's three Taco Largos and a side of Cheesy Nachos," Chet Lawrence said, handing the customer his food. "Have a nice day."

Chet glanced at his watch for the fifth time in five minutes and again scanned the lobby of the restaurant. He'd been working at Supertaco since high school and over the course of the last five years had worked his way up to manager. He knew he'd be more of a success story if he'd been working at a Fortune 500 company, but he was doing okay. The hours sucked, but the pay was pretty good, and in another couple of years, he'd become a district manager and his pay would triple. In the meantime, he'd make the best of the simple pleasures in his life. He looked at his watch again and then grinned as he saw her push through the lobby door.

She had fiery red hair that went just past her shoulders. Her skin was pale and dotted with freckles, and her lips were pink and full. Her eyes were downcast, but Chet knew they were brilliant green. She was about 5'4" tall, and she walked slowly, which was good because she had a chest that ballooned cartoonishly in front of her. It bounced and shook with every step she took. She wore tight, hip-hugger jeans that clung to her slender hips, suede boots and a midriff-baring, super-tight, green shirt that hugged every inch of her floating, bobbling breasts.

She came in every afternoon at 2:30, well past the lunch rush and long before dinner, so the place was usually empty. Chet had her all to himself.

Simple pleasures.

"Hey, Tracy," Chet said casually as she approached.

"Hi, Chet," she said, pointing her green eyes at him and forcing a smile.

"Any luck finding work?"

She shook her head. "No, nothing. They either want a million years of experience or a college degree. How can I get any experience unless I get a job? It just doesn't seem fair."

"Have you given college any more thought?" Chet said.

"No," she said. "High school was bad enough. I can't even think about college. But I've been out of school for a year now, and my folks are getting pissed. They told me today that I've got two weeks to find a job or they're kicking me out. I can't believe it. I've got nowhere to go."

Chet's heart leapt.

"Well, what about working here?" he said, trying to control how hopeful he knew his voice probably sounded.

Tracy snorted.

"Yeah, that's all I need," she said. "Serving tacos for minimum wage while your 16-year-old shift managers boss me around."

"No, I'm not talking about that. You're 18, right?"

"Barely, but yeah."

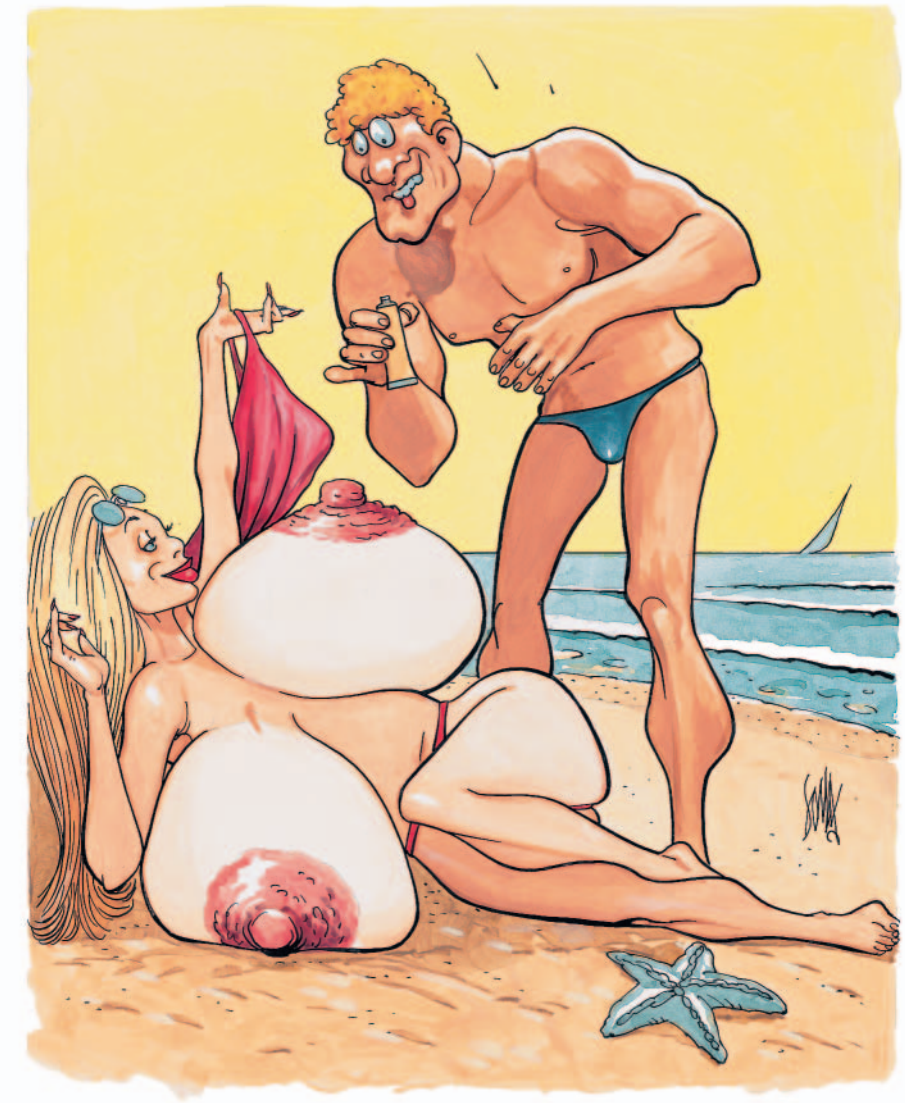

"Well, then, you're old enough."

"For what?"

"I'm looking for an assistant manager. I can train you in about four weeks. You'll earn two dollars above minimum wage for that time, then you'll get a salary, benefits…the whole deal. What do you think?"

Chet struggled to keep his gaze from sinking down to Tracy's breasts as he all but begged her to take the job. She thought for a moment and then smiled.

"Okay," she said. "I'll do it. Thanks a lot, Chet."

"I'd be glad to coat yer chest wif lotion, Miss Willyriser. But I think we'll need a few more tubes."

No, thank you, he thought, taking a quick glance at her giant globes as they hovered a half-inch above the counter.

"Oh, wait just a minute," he said, then he walked quickly to the back of the store. When he returned, he handed Tracy a paper bag with the Supertaco logo on it.

"It's your assistant manager's uniform," he said. "Unfortunately, they're not very flattering, and they only come in small, medium, and large."

Tracy took the bag and smirked.

"So," she said, "what size did you give me?"

Chet spoke in his most professional voice, again trying to control himself.

"I hope you don't mind, but I gave you small on the bottom and, um, large on top."

He felt his cock hardening and was glad he was standing behind the counter so she couldn't see his bulge.

"Well, that's just about right," she said, still smirking. Chet forced his eyes to stay on hers.

"Why don't you get here at eight o'clock tomorrow morning?" he said. "We don't open until noon on Sunday, so we'll have plenty of time to get you started with your training."

Tracy smiled again and held out her hand. Chet could've sworn she was puffing out her chest, too.

"Thanks again," she said. "You're really saving my life."

Chet took her hand and shook it. Tracy's boobs quivered and swayed slightly. He grinned.

"Glad to help."

When Tracy walked through the door the next morning, Chet couldn't help but groan appreciatively under his breath. The uniform consisted of maroon pants, a white shirt and a maroon vest and necktie. The pants fit perfectly, but the shirt and vest looked like they would explode at any moment. Tracy had only been able to button up the shirt about halfway, and the vest had a corset effect that pushed her huge breasts up until they were bubbling toward her chin. A fiercely deep channel of cleavage bisected her chest, and the whole spectacle of boob meat swayed and churned with each step she took.

"I couldn't put on the tie," she said. "I think this shirt's a little small."

Chet tried to look concerned.

BEACH BABY

A PUBLIC BEACH IS NO PLACE FOR A LADY AS SEXY AS CHRISTINE.

When one thinks about Christine Allure, one generally doesn't think, "Glamour Girl" or "Swimsuit Model." And we don't mean that in a bad way. We mean it in a good way. Because when we think about Christine Allure, we think about sucking on her H-cup tits and slamming her pink pussy. We think about the three previous hardcore layouts she's done in *SCORE* and the way she has so enthusiastically inhaled and sat on big, hard cocks. But on these pages, Christine is going to prove that there's a little bit of glamour girl in every *SCORE* Chick. Of course, you can still fuck a glamour girl.

While you're dreaming about being on a secluded beach with Christine, running wild and naked, consider Christine's romantic dreams. "I dream about wild sex almost every night, sometimes with as many as 20 guys," Christine said. "I don't think my body could handle it in real life, but it is fun to dream. I don't have a lot of girlfriends. I'm sure you can understand why."

Oil runs down Christine's naked body and toward her beautiful pussy, which aches to be filled at all times. She might look like a glamour girl in these pics, but don't be fooled. "The biggest cock I've ever had was 10-and-a-half inches long and pretty fat," Christine said. "My pussy is very tight, so it took a while to loosen me up. The guy also had a metal cock ring on, so it stayed very hard the whole time. And when he was done, it took quite a while for his cock to soften. It was a wild ride, and I don't know if I can handle anything much bigger." But you know she'd be willing to try. So just imagine, *SCORE* Men. You. Christine. A secluded beach. THE SCORE INTERVIEW

DANIELLE DEREK & ALEXIA MOORE

TWO BIG-TIT LOVERS TALK ABOUT THEIR BIG TITS!

INTERVIEW BY DAVE ROSENBAUM

Alexia Moore and Danielle Derek are the girls of your dreams. They're both young and beautiful. They both have classic SCORE *bodies: slim 'n' super-stacked. They're both really into sex, and they're both really into showing off their bodies.*

But here's what makes them even better: They're both into big boobs. Each other's, and other SCORE *Girls', too. To say that these girls, who both made their debuts in the November '05 issue, are into tits is an understatement. They live, sleep and breathe big tits. Of course, unlike most big-tit lovers, they also have big tits.*

Danielle (the girl on the left in the photo at right) is tiny everywhere but her chest. She's a northern New Jersey girl who describes her occupation as "model, dancer and aspiring porn star." Alexia, whose butt is as fuckable as her tits, is a New York City girl who enjoys horseback riding, show jumping and showing off her body in tight, little outfits. She says she never stops thinking about sex.

And boobs.

Especially the boobs that belong to Danielle, her bosom buddy.

These girls couldn't keep their hands off each other during this video interview that is now airing at Scoreland.com. *Good thing. Because in this interview, the words only tell part of the story.*

SCORE: Okay, the first thing we have to figure out is who's Danielle and who's Alexia, since you two look so much alike. So Danielle's the one with the big boobs, and Alexia's the one with the big boobs, right?

Danielle: *[Laughs]* Hers are a little bit bigger, though.

Alexia: No, they're the same. We both have big boobs.

SCORE: Danielle, how big are you?

Danielle: I'm a 34 triple-D.

SCORE: And Alexia?

Alexia: I wear a European size. It's 32 double-F, but in American, it's equivalent to a 34 triple-D.
SCORE: So, technically, you two girls are the same size.
Alexia: Yeah, and I tell Danielle that all the time. It's just that my back is really small. But our boobs are the same size.
SCORE: Forget backs. Just boobs.
Alexia: They're the same.
Danielle: Hers are bigger this way *[Holds her hands out in front of her chest]*, and they're bigger this way *[Holds her hands out on the sides of her body]*.
Alexia: We argue about this all the time.
SCORE: All the time? So, for example, you'll be sitting together having lunch in a restaurant and you'll get into a discussion about whose boobs are bigger?
Alexia: Yes, it comes up all the time.
Danielle: Every day. It came up on the plane ride down here.
Alexia: It's constantly something we argue about.
SCORE: On the plane?
Alexia and Danielle: Yep!
SCORE: Was anybody sitting with you?
Danielle: Well, actually, the woman sitting next to us got up and left.
Alexia: Yeah. We kind of annoyed her with our boob talk.
SCORE: How does a typical Alexia and Danielle boob conversation go?
Danielle: I usually start by saying, "I think your boobs are bigger," and she's like, "Oh, really, they're not." Then I look at them, and I'm like, "They are. You're a bigger cup size than I am," and then we start arguing about it, and most of the time she says, "No."
Alexia: I always say no. I think they're, like, exactly the same. They're just a little different shape because we're different, but they're the same size.
SCORE: Do you ever ask guys to help you settle the argument?
Danielle: We ask a lot of guys. We do bachelor parties together, and we always throw up that question. Nobody ever wants to answer.
Alexia: They're always like, "Ahhhh, they're big!" Guys are just so overwhelmed. We're both huge.
SCORE: Well, we have to settle this argument somehow, but how are we going to settle it?
Danielle: Well, are you a fair judge?
SCORE: I think so.
Danielle: So we'll show them to you. Will you give us a fair opinion?
Alexia: And honest?
SCORE: Sure, as long as the one who I

say is smaller doesn't get mad.

Danielle: I won't get mad. *[Danielle reaches back to untie her dress, but then Danielle and Alexia decide to take off each other's dresses. They're now topless.]* C'mon, hers are bigger. Even a little bit.

SCORE: Well, here's the deal. Alexia has a lighter complexion, which might make her boobs look bigger. And Alexia said they're different, but they're really not that different. You could be sisters.

Alexia: *[Laughing]* Perverted sisters! *[The girls mash their tits together.]*

SCORE: You know how we can find out for sure? We can have Alexia take Danielle's boobs in her mouth, and then Danielle can take Alexia's boobs in her mouth, and whoever gets more boobs in her mouth, that's how we'll know whose are smaller. Alexia, you go first. *[Alexia sucks on Danielle's left nipple, but that's all she can get into her mouth.]*

Alexia: I don't have a big mouth. I think you're going to win this one, Danielle. *[Danielle sucks on Alexia's right boob and gets more into her mouth.]*

SCORE: Body-wise, you're similar. And *SCORE* Men might disagree with me, but the best part of your bodies might be your waists.

Alexia: Thank you!

SCORE: And it's kind of funny that you're arguing over whose boobs are bigger because guys would never argue with each other over, say, whose balls were bigger.

Alexia: That's a funny argument.

Danielle: And guys could take out their balls…

Alexia: My friends always show me their boobs.

Danielle: Me and Alexia always touch each other's boobs. And people always want to touch my boobs because usually they're the largest, so they want to get in there and get a feel.

SCORE: Can you two please turn around for a second? *[Both girls turn around. They're now bare-assed.]*

Danielle: I have no ass.

SCORE: You *do* have a little ass. And Alexia, you have a handful of ass. When guys are with you, what do they go for first, your tits or your ass?

Alexia: Guys are into tits, of course, but a lot of guys are into asses, too, so they don't know what to do. They get confused. Their hands are everywhere. *[Laughs]* But I like them both played with a lot, so I'm happy when guys play with both my tits and my ass.

SCORE: Alexia, could you bend over on the bed? *[Alexia bends over.]* And Danielle, could you slap her ass?

Alexia: Oh, please, smack my ass, but really hard, and I mean hard! *[Danielle slaps Alexia's ass.]* Harder! I love that.

Danielle: *[Stroking Alexia's ass]* She has an amazing ass.

SCORE: Now maybe Danielle can bend over, and Alexia can slap her little ass.

Alexia: I really love her ass! *[Danielle bends over.]*

SCORE: Danielle, do guys like to manhandle your ass?

Danielle: Guys like to palm it. That's their big thing because they can get my whole ass in one hand. *[Alexia rubs hers hands all over Danielle's ass.]*

SCORE: Alexia, what does Danielle's ass feel like?

Alexia: It feels so silky, smooth. So soft. It's amazing. I could touch it all day. Of course, I'd have to touch her boobs, too.

SCORE: You two are really into each other, aren't you?

Alexia and Danielle: Absolutely!

SCORE: Well, are you more into girls or more into guys?

Alexia: Both. I have to have everything.

SCORE: Are you two girls happy with your boobs?

Danielle: I'm very happy with my boobs. They're so soft. They're fun.

SO YOUNG. SO NAIVE. SO STACKED. SO FUCKING JACKABLE.

"Guys tend to focus too much on my breasts," said Diana, a DD-cup teen from Denmark who is just beginning to discover the powers of her tits. "I don't care if guys look, but sometimes they stare, as if they can't believe what they're seeing."

Make no mistake: As these photos prove, Diana wants you to look at her tits. She's so proud of her rack that she rubs cream on it daily to keep her tits soft. And she loves sucking cock. And she loves having sex. "Sex is very important to me," she said. "I get irritated when I don't get enough." Yet, she doesn't dress to show off her chest. "If I did, guys would never look me in the eyes," she said. "I understand that men love big boobs, but I want them to know there's more to me than just my chest." Of course, Diana would never have to worry about how often she had sex if she showed off her tits a little more. "I know," she said. "But I don't want men to just want to have sex with my breasts. I want them to have sex with all of me. That's why I love these pictures so much. I get to show off every inch of my body."

Diana's posing is far more open this time than it was in the March '05 issue, when she made her international nudie mag debut. Last time, she spread her legs, but she didn't open up her pussy like she's doing here. "I don't know if you noticed, but last time, I was a little nervous," she said. "The first time, I did it because I wanted to try it. This time, I thought of it more like sex. I thought, 'How would I turn a man on if he was sitting and watching me?' So I did what came naturally!" And accomplished one thing: For a few seconds, she got us to stop staring at her tits!

SWEET KUPCAKES

SWEET TITS. SWEET PUSSY. SWEET ASS.

What's new with Kayla Kupcakes, who's making her first appearance in *SCORE* since 2002? Well, she's a hairdresser! That's right, Kayla is the proud owner of a hair salon called Beach Babies. It's right on the beach in Fort Lauderdale, Florida, and Kayla and her bikini-wearing friends want you to stop by for a cut and blow.

Did we say Kayla wants you to drop by her salon for a cut and blow? We meant blow dry, not blow job, although you'll be aching for release when Kayla's done trimming your locks. "All of the girls in my salon, including me, always wear bikinis," Kayla said. "So while I'm cutting your hair, my tits will be popping out all over the place, and your cock just might get hard." Might? With Kayla, it's guaranteed.

ALEXIA & DANIELLE INTERVIEW

Alexia: Yeah, but we have a problem. We like to buy bras that are too small because we can never find bras in our size, and the ones that are small really push us up and give us major cleavage. *[Alexia pushes her tits together.]*

Danielle: I'll wear a C-cup just to have more cleavage. *[She pushes her tits together and up.]*

Alexia: It's painful, but it looks so hot.

SCORE: What size should you wear?

Danielle: I'm technically a 34 triple-D, but I always get a 36C.

SCORE: Do you ever get tickets for that?

Danielle: *[Laughs]* We get out of tickets for that.

SCORE: Really? Have your boobs actualy gotten you out of tickets?

Alexia and Danielle: Yes!

Alexia: I have many times.

Danielle: If you know you're going to get pulled over, the trick is if you see the cop behind you, and you have a zip-on sweatshirt or a button-down shirt, you start getting undressed, but not obviously, so when he gets to the window, stuff is hanging out already. And one time, my bag was on the passenger seat, and I leaned over, and my boob fell out of my tank top. And I didn't get a ticket. All of a sudden the cop was like, "Keep going, girl. You're absolutely fine."

Danielle: Guys are very visual, and if it's right there in front of you…

Alexia: You can't look away. I can't look away. I see Danielle's boobs all the time, and I still have to stare at them.

SCORE: Danielle, excuse me for saying this, but you have a little waist, and I have the urge to pick you up by the waist and drop you on my cock.

Danielle: *[Laughs]* Guys are very rough with me because they're able to toss me around in bed. They can maneuver me. Lots of guys tell me that when they're with other women, they can't…

Alexia: Move them the way they want.

Danielle: In different positions, but I'm so tiny, they can pick me up and move me wherever they want, like against the wall. I wrap my legs around them, and they fuck me against the wall.

SCORE: What do guys like to do with you, Alexia?

Alexia: Well, a lot of guys pick me up,

FAMOUS FOR DEEP-THROATING UP TO 18 INCHES OF SAUSAGE. AND FOR HER HUGE TITS!

Lovers of mega-boobs will surely remember Florida stripper Honey Melons. She debuted in the July '97 *SCORE* by pouring champagne over her 48 inchers. This never-before-published, bikini-destroying pictorial was shot in the winter of that year. Honey made her mark for two things. Actually three. Two gigantic hooters and the ability to swallow 14-to-18-inch sausages and dildos. Without gagging!

"I can deep-throat a sausage like nobody else," Honey rightfully bragged to *SCORE's* editor eight years ago. "You can see it go down my throat, too. At clubs, I let them come over and put their hands down my throat so they can feel it go down, and they go crazy. Basically, if you put it in my hand, I'll swallow it!" Honey also used to throw birthday bashes at her home that turned into orgies. She was one wild chick.

and they think they can throw me around the bed, which is good. It adds to the excitement. It's better than getting stuck in the same position. Guys get really creative with us. Every second they're like, "Let's try this position," or "Let's try that."

Danielle: And they do it because we're smaller girls.

Alexia: We're so tiny, we can be moved at weird angles.

SCORE: You girls are like an amusement park!

Alexia: Yeah, that's it! I like that!

Danielle: We're very flexible.

SCORE: Why are you so flexible?

Danielle: Because I'm a dancer. Being flexible is a job requirement. I can do splits and I can do things with my legs.

SCORE: Can you get your legs behind your head?

Danielle: Not both. That's really hard.

SCORE: Can you show us? *[Danielle lays down on the bed and pulls her right foot behind her head, exposing her pussy.]*

SCORE: Wow! Alexia, what do you think about Danielle's pussy?

Alexia: I think her pussy is totally gorgeous, and it always tastes delicious. It's tiny. It's so cute, but it tastes so amazing.

SCORE: What does it taste like?

Alexia: Let me see. *[Alexia licks Danielle's pussy.]* It tastes so sweet. It's like candy.

Alexia: No. You know those Smarties? Those sugar candies that are so sweet? It tastes just like that.

SCORE: Nice pussy, Danielle.

Danielle: Thank you! It's very tiny. *[She pulls her leg behind her head again.]*

SCORE: Alexia, are you flexible?

Alexia: I am, but I'm double-jointed in my hips, so I don't even notice. People tell me I get in really weird positions.

SCORE: Well, Alexia it's only fair that Danielle tastes your pussy.

Alexia: Oh, sure! *[Alexia lays back with her legs spread and pussy exposed. Danielle kneels in front of it.]*

SCORE: Danielle, how is Alexia's pussy different from yours?

Danielle: Well, she has hair on top. A little stash going on. And her pussy is a little longer. Not bigger in a bad way. It's just that her lips are a little longer.

SCORE: Alexia has a little more of an innie while you have more of an outie.

Danielle: My pussy is a little more out in the middle.
SCORE: So does it take more work to eat Alexia's pussy than it does to eat your pussy?
Danielle: No, because when she gets hot, it's not hard to get her off.
Alexia: She knows what to do!
SCORE: How does Alexia's pussy taste?
Danielle: *[Licks Alexia's pussy]* She doesn't have a taste. It's just really nice. It's like a woman. Clean and pretty. It's not musky. It just tastes good.
SCORE: Now, you two are big fans of big boobs.
Alexia: Oh, yeah!
Danielle: Huuuuge boob fans! I'm a member of VanessaMontagne.com.
Alexia: I am, too.
Danielle: And I'm a member of Summer Cummings' website. I'm a member of Alexia's website.
Alexia: SexxxyAlexia.com.
Danielle: DanielleDerek.com
SCORE: Why are you a member of other girls' websites?
Alexia: I stare at their boobs all day. I'll be on the computer all day long just staring. I'm fascinated, and they turn me on so much.
Danielle: I do Google searches, and I'll type in "big-breasted women" or "big boobs" or "huge boobs."
Alexia: Then Danielle and I will describe everyone's boobs to each other and how hot they are.
Danielle: We'll say, "Did you see so and so's boobs? How big do you think they are? What do you think they feel like?"
SCORE: What would your Vanessa Montagne fantasy be?
Danielle: I would love to be with her and touch her boobs and her stomach. I want to taste her. Nothing too crazy. I just want to see what her body feels like. To see her on the computer is one thing, but to actually be with her would be like having a celebrity in the house.
SCORE: Have you two always been into big boobs?
Alexia and Danielle: Always!
SCORE: Do you prefer men or women?
Alexia and Danielle: Both.
Danielle: I love to go down on women, but then you need the pounding. You need the guy.
SCORE: So the guy needs to fuck hard?
Danielle: Right.
SCORE: No soft stuff?
Danielle: That's what girls are for. Girls are soft, sensual, but when there's a guy

involved, it's a totally different story.

SCORE: Who eats pussy better?

Danielle: Girls.

Alexia: But I've been with girls who don't know what the hell they were doing, and I've been with guys who know. I think it's just the person. I don't think it matters. They both can be really good and they both can suck.

SCORE: Alexia, how do you like your pussy eaten?

Alexia: My clit is so sensitive, I need someone to start slow and work into it, and then they can tear me up. I need them to start slow for a minute or so.

SCORE: Should the guy stay on your clit or move around?

Alexia: In the beginning, I need him to move around a little, because I'm so sensitive, it gets intense. He needs to move around, but then when I have an orgasm, I need him to stay on my clit.

SCORE: How about you, Danielle?

Danielle: I'm basically the same, but I like to be finger-fucked at the same time. I can cum so easily with that.

SCORE: How long will it take?

Danielle: It depends on how fast the guy is going with his hands and if his tongue is getting right at my clit. It's so embarrassing! Like, 30 seconds sometimes. *[Laughs]*

SCORE: Have you two ever been with a guy together?

Danielle: No. We've been with each other many times, but we've never thrown a guy into the mix.

SCORE: Why?

Danielle: We like different types, and it would have to be someone we were both attracted to. Someone who knew we were both using him for the night. Like, don't call me the next day. But if a guy can find a girl who's willing to have threesomes, he's not gonna let her go.

Alexia: Yeah, like, "Bye, I'm not gonna call you again." They're gonna want to call us all the time. But if the right guy comes along, we would.

SCORE: Well, we're running out of time, and I just found out that we only have a few minutes. So, the question is, can Alexia get Danielle off in five minutes?

Alexia: I'd like to try!

Danielle: Go, go, go!

[Danielle lays on her back and Alexia goes down on her, fingering and licking her pussy while Danielle gets more excited. To see Alexia licking Danielle's pussy, go to Scoreland.com. By the way, the girls were too preoccupied to say goodbye.]

Loaded Bra

DENISE'S E-CUPS ARE HER NOT-SO-SECRET WEAPON.

A lot has happened since Denise Derringer went solo in the May '05 issue of *SCORE.* She made her hardcore debut and got fucked in the ass in the video *My Boob Heaven.* She came back for more and enjoyed a pussy-and-mouth drilling in the video *SCORE Xtra #12.* But let's face it: with a chick like Denise, it's all about the guns she's carrying around in her loaded bra.

When Denise takes off her panties and bends over, she exposes the cunt and asshole that got fucked so hard in her first two hardcore flicks. But you're still staring at her tits, aren't you? "I know fucking is all about pussies and asses, and I did lots of that in my videos," Denise said. "But I know what my guys want. I know most of you guys would rather fuck my tits than my pussy or my ass, so I made sure I did plenty of tit-fucking, too. I want my guys to be happy."

"I know it's my tits that make me special," Denise said. "Let's be blunt about it: All girls have pussies and all girls have asses, but not too many girls have tits like mine. They're what sets me apart, and I'm proud of them. I like to dress them up in push-up bras that make them look even bigger and tight tops and dresses, which turns guys on even more. And you know what? When that happens, my pussy gets the reward!" Hard cock!

HOW TO CONVINCE MORE NATURALS TO DO HARDCORE

Dear *SCORE*,

In the (as-usual-fantastic) September '05 All-Naturals issue, you asked whether there should be three pictorials in *SCORE* Xtra. Two is enough for me, but I would like them to be a bit longer. Now, a pictorial is about six pages. Eight or 10 pages would be better, especially for threesomes.

The 2004 Newcomer of the Year is a natural. The Model of the Year is a natural, and so is the runner-up. But in *SCORE* Xtra, there are too few naturals. I know a lot of naturals don't want to do boy-girl. Maybe you can let some models who have done boy-girl convince the ones who don't want to do boy-girl that they should. Maybe they'd be willing to try a threesome with an experienced girl.–J.S., Belgium

Dear J.S.: If SCORE *Xtra is 16 pages, then with the front and back covers, 14 pages are left for pictorials. One must be an eight-pager; the other must be a six-pager. Due to printing restraints Xtra must be either 16 or 32 pages.*

In the glorious 1990s, Angelique (left) went tit-to-tit with the great Traci Topps.

HAVE OUR STANDARDS SLIPPED?

Dear *SCORE*,

Angelique (November '05) illustrates why *SCORE* was so much better in the 1990s. When you featured enhanced models, they were still extremely beautiful and classy. Think of other models from the 1990s like Tiffany Towers, L.A. Bust, Traci Topps, Tawny Peaks, Pandora Peaks and Alyssa Alps. Compare them to some of the non-natural models you feature these days, who do not come close to the women of the '90s. I think you have let your standards slide.

I can only think of a few non-natural models from the 2000s who will eventually warrant Hall of Fame status. They are Cindy Cupps, Lana Lotts and Crystal Gunns. I don't care if you have to go the XXX route. Just do not lower the standards of the models you feature.–J.G.P., Toronto, Ontario

MERILYN'S DEBUT: STUNNING

Dear *SCORE*,

I enjoyed the September '05 issue. All of my favorite girls were represented: Nadine Jansen, Nicole Peters, Sharday, Brandy Talore and Ines Cudna. All super individuals, in my mind.

Sharday is my favorite. I was happy to see her more than once in 2005 year. But the thing that surprised me was the debut of Merilyn. Oh my God! This girl is gorgeous. Please have her in every issue! Hypnotizing eyes, curvy hips, and stellar breasts.–G.C., via email

BRITISH *SCORE* GIRLS ROCK!

Dear *SCORE*,

What's up with all of the beautiful women from the U.K.? I doubt the United States will win Model of the Year for a long time.

I did a list of the UK models compared with rock stars from the UK.

Kelly Kay=Ringo Starr. Kelly is easily the biggest thing to come out of Liverpool since Ringo.

Linsey Dawn=Pete Townsend. She's got that fire in her eyes like she's gonna slam that Gibson into the drum set at any minute.

Nicole Peters=Eric Clapton. Nicole is a born natural. She's the master of tits like Eric is the master of the guitar.

Kerry Marie=Jimmy Page. No gimmicks, just killer tits and solos. I could have also made her Ozzy Osbourne because Kerry is a screamer in the videos *Busty Kerry Marie #1* and *#2*.

Susie Wilden=Rod Stewart. I guess Rod said it best: "Hot Legs."

Jessica Turner=Baby Spice. Jess will look 20 for the rest of her life. Excuse me, ma'am, I need to see your I.D.

Your models are my rock stars. Thank you to all the models around the world who make a simple man like me feel like an international playboy, at least in my mind and fantasies.–W.F., via email

CLOTHING VS. NUDITY: TEASE US, THEN PLEASE US

Dear *SCORE*,

The "Clothing vs. Nudity" comments in the November '05 *SCORE* ("Boob Beat") bring up some solid arguments for both sides. I can see both sides of the argument. But seeing the women dressed in tight sweaters, bras, tops and bottoms for a few pictures is as much of a turn-on as going immediately to the open legs, ass and pussy shots. One or two pictures with clothing allows one's imagination to take hold and helps start a good erection.

SCORE is dedicated to large breasts and all the pink one would want to see, plus insertion shots with men and toys. That makes the magazine so great. –Harvey, San Diego, California

Why "Pole Dancer"? Because Bianka is from Poland, and she recently left her job as a night-club hostess to do what she always wanted to do: dance naked in front of horny men. And we mean *naked.* "I love to fill my pussy with dildos while I am lying on stage," she said.

Bianka describes herself as a "slut" who will have sex anywhere at anytime. "I love for people to watch me have sex," she said. "More than a few times, I have walked out of a movie theater with cum in my hair. My boyfriends are always very happy." We bet. Because this pole dancer is always ready to dance on your pole!

Simple Pleasures

Continued from page 36

"Oh, I'm really sorry Tracy," he said. "I got it out of the 'Large' box. They don't put the sizes on the clothes. Unfortunately, that was my last uniform. I just ordered more from headquarters. Do you think you could get by with that uniform until the new ones arrive?"

"I guess so," she said, "as long as you don't mind my boobs hanging out."

"I can handle it," he said.

Tracy smiled and Chet did, too, mentally patting himself on the back for grabbing the shirt out of the "Small" box and then putting all the extra uniforms in the trunk of his car.

"Well, then, let's get started, Taco Man," Tracy said.

Chet spent the next two hours showing Tracy the basics of Supertaco: frying shells, cooking meat, cutting vegetables and heating up the sauces. All the while, he would catch every glance he could of Tracy's incredible cleavage as she turned, bent and leaned over. On one glorious occasion, she leaned over and pounded the top of a frying oil canister with her fist to get it securely fastened. For two minutes, her boobs shook, bounced and trembled until Chet thought he was going to have to change his shorts. But despite Tracy's distractions, by 10:30, they'd covered most of the basics of food preparation.

"Now come over here," he said, walking to a large, covered pot on the stove. He grabbed a long thermometer with a round gauge at the top and handed it to Tracy.

"This is the melted nacho cheese," he said, removing the cover to reveal the yellow-orange contents. The spicy smell wafted up into their noses. "It's been simmering since I got here this morning. We need to check the temperature to make sure it'll be hot enough by noon. Go ahead and stick that in."

Tracy leaned over the edge and sank the thermometer into the thick liquid.

"Ninety-five degrees," she said. "Is that hot enough?"

Chet had been looking at her chest again, staring deep into her amazing cleavage, and when he glanced up, she was already looking at him. *Dammit!* he thought. *Caught!*

Tracy straightened.

"You know, Chet," she said. "I didn't want to say anything, but I know

you've been staring at my tits ever since I got here."

Chet's gut twisted, torn between the embarrassment of being found out and the delight at hearing Tracy talk about her own boobs.

"I've always known how much you like my tits," she said. "In fact, that's why I've been coming here every day. Did you think it was for the food?"

Now Chet was confused.

"What do you mean?" he said.

Tracy moved toward Chet until her compacted bust pressed into him.

"I mean, I'm as turned on by my tits as you are," she said. "How could I not be? But you've tried so hard to not let it show. I like that. It turns me on to think you have a hard-on behind the counter whenever you see me."

Chet gasped as Tracy suddenly grabbed his hardening cock through his pants. She smirked.

"And from the way things feel," she said, "you have a pretty big burrito down there, Taco Man!"

Tracy leaned forward, mashed her chest against Chet and kissed him. Her pale pink lips pressed to his while her sweet tongue explored his mouth and her hand rubbed the bulge in his pants.

"Let me get out of this uniform," she said, pulling away from him. "Large, my ass! Nice trick, Chet, giving me the smallest vest you could find, knowing I have the biggest tits you've ever seen. Or, at least, are about to see."

She grinned, and quickly unbuttoned the vest. As each button opened, her massive shelf of tit-flesh dropped, and when the vest was finally off, her cleavage had lengthened by another six inches. Chet had never seen anything like what he was looking at now.

"I bet you've been dreaming of seeing these," Tracy said as she popped

open one shirt button, then another, each pop violently releasing more swollen skin until the last button gave way to reveal what looked like acres of white brassiere feebly attempting to control a hurricane of breast flesh.

Chet was speechless, unable to believe his good fortune or the mountains being so sexily revealed to him. His mouth watered as he saw Tracy's nipples poking through the bra fabric. She turned her back to show Chet the massive clasp heroically holding her mountains in place.

"Will you undo me?" she purred.

Chet eagerly unclasped the six hooks holding the bra closed.

"Thank you," she said, then she turned back around to face him.

"Well, Chet," she said softly. "Do you wanna see 'em?"

He could only nod dumbly and try not to drool. Tracy chuckled.

"Here you go," she said.

Tracy slowly peeled off the bra, revealing inch after inch of creamy breast until a hint of pink began to appear, then become a sunrise of saucer-sized areolae, deep pink and bumpy and crowned by thick, inch-long nipples. They had to be F- or G-cups. Chet didn't really know sizes, but these beautiful jugs looked as big as watermelons. Tracy smiled and tossed her bra to him. He desperately looked for a tag but couldn't find one.

"Double-H," she said proudly, as if she was reading his mind. "And that's just in the last six months. I used to be an E-cup. I've been growing like crazy. I guess I'm one of the lucky ones. The bigger they get, the more sensitive they get, too."

Tracy dipped two fingers into the cheese pot simmering beside them. She hefted the front of her left breast with her other hand and let the cheese from her fingers drizzle–thick and warm–onto her nipple.

"Oooh," she moaned. "That feels good. Are you hungry, Chet?" She held her breast up to him.

Chet's cock was begging for mercy, and he nearly dove into her chest. He clamped his mouth onto her nipple and began to lick and suck the cheese off of it. The spicy flavor mixed with the sweet taste of her nipple, which he could feel swelling and growing in his hungry mouth.

"Oh yeah, Chet," Tracy purred. "That's good. Now the other one."

Tracy repeated the process with her right breast, moaning as the warm cheese heated her up. Chet cleaned her right breast with his tongue just as eagerly while her nipples swelled and thickened. Then Tracy pulled away and sank to her knees.

"I'm hungry too," she said, fumbling at his pants and then yanking them down. "I want to eat your cock for lunch, Taco Man!"

Chet's hard cock sprang forward as it was released, nine inches hard and desperate for attention.

"Whoa!" Tracy gasped. "That's some burrito you've got there! Let me spice it up a little."

Tracy grabbed a handful of cheese and then slathered Chet's cock with it. Chet groaned as the warmth spread the length of his dick and then gasped as Tracy eagerly sucked him into her mouth, her tongue mercilessly cleaning his cockhead. With every swallow, her mouth squeezed him in a uniquely erotic way that was going to make him blow if it went on much longer. She finally released his cock with a *Pop!* and then mashed her huge, swollen jugs around it.

"Fuck my tits, Chet!" Tracy said.

Chet began to thrust in and out of the huge tits surrounding his dick, and Tracy got hotter and hotter as he did.

"Oh, yeah, that feels so good," she moaned. "So fucking good!" She looked up at Chet, her emerald eyes filled with lust. "I want you to fuck me, Chet! Fuck me right now!"

Tracy stood up and peeled off her pants without bothering to unfasten them. She pulled off her panties, kicked them aside impatiently, and then sat on the edge of the stove and spread her legs. Her pubic hair was as fiery red as the hair on her head, and her pussy was swollen and ready for fucking.

Chet pulled off his shirt, kicked off the clothes around his feet and sank his big dick into Tracy's pussy. She gasped.

"Oh, yeah, that's a big, hot dick!" she said. Chet pushed into her hard. She was nice and tight, and her full, pale lips pouted with lust as he filled her. Tracy grabbed her right breast with both hands and held it up to him, moaning as Chet began to hungrily suck and lick her nipple. Tracy's other breast bounced and swayed helplessly with the force of his thrusts.

"That's good," she said. "Oh, that's so good! Put that big burrito into me

over and over! Do it hard! Make me cum! Fuck my cunt!"

Chet felt her pussy muscles tightening around him as she got closer and closer to cumming, then Tracy's thighs suddenly clamped around him.

"Oh, fuck," she screamed. "I'm gonna cum!"

Chet broke her grasp and continued to thrust in and out of her pussy. Tracy groaned as she came hard, her pussy muscles clenching and squeezing desperately around Chet's cock as it prolonged her orgasm with its thrusts. Tracy squeezed and pulled hard at her nipples as she came. Her giant tits flopped all over the place as she gasped with pleasure.

Chet felt himself getting closer to cumming and sped up his thrusts while Tracy continued to moan and cum. As he felt himself go over the edge, Chet pulled out and sank his cock between Tracy's globes. He came hard. His hot jizz glazed the inside of her tits and shot out the top of her cleavage into the hollow of her neck. Tracy gasped when he came, as if she were cumming again.

When Chet was finished, he reluctantly pulled out from between Tracy's tits. She leaned her chin down and licked a spot of Chet's cum off the space between her pale cleavage.

"Mmmm," she purred. "That's much better than melted cheese. Do you think we should offer this as a new topping?"

Chet chuckled. "I don't know how popular it would be with the guys," he said. "Besides, we'd probably need about a gallon a day, and I don't think I'm up to producing that much."

Tracy smirked and wrapped her hand around Chet's cock. She stroked it slowly and firmly. Her huge breasts swayed heavily.

"Well, I think it would be very popular with the ladies," she said playfully. "So we'd better get started if we're gonna get a gallon out of you by noon!"

Chet sighed as his cock stiffened. He couldn't believe his fortune. As much as he had admired Tracy's amazing assets, he had never even entertained the thought of asking her out, no less fucking her right there in the restaurant. Now he thought about his situation.

A steady paycheck.

Tits in the Tub

RUB-A-DUB-DUB PETRA'S BIG RACK!

This is the second time around for Petra, a student from the Czech Republic who's looking even sexier, bustier and more beautiful than she did when she made her nudie modeling debut in the May '05 issue. So let's jump in the tub and get dirty while Petra cums clean!

CHECK LIST **PETRA** **BIRTHDAY:** September 24th **HEIGHT:** 5'7" **WEIGHT:** 134 lbs.
BRA SIZE: 36DD **MEASUREMENTS:** 40-26-36 **BORN, RAISED & LIVES:** Prague, Czech Republic
PREVIOUS *SCORE* APPEARANCE: May '05 **OCCUPATION:** Student/waitress **HOBBY:** Working with homeless people

Petra is attending a university in Prague, and she still hasn't decided whether she wants to be a doctor or a nurse. So, she's studying hard and paying the bills by working as a waitress and taking her clothes off for *SCORE*. "These pictures are a lot more fun than the last ones because this time, I got to play around a little," she said. "I think I look sexier, but maybe that is because I feel sexier."

We love how Petra mashes her naturals together while her pussy grips onto that blue dildo…hands free! If you recall, the last time we saw Petra, she penetrated her pretty pussy with her fingers only, but this time, she's going almost all the way! And we love how she bends over and pulls her pussy lips apart with both hands. Still, with a girl like Petra, it all comes down to two things: beautiful face and bountiful tits. "I am happy with the way I look," she said. As she should be.

VERONIKA FIRST LOOK, FIRST FUCK

NO WARMUP. NO GLAMOUR. JUST A BIG-TITTED BABE ENJOYING A BIG COCK...WHILE WE WATCH!

Here's something we'll never get tired of: a sexy, busty babe making her *SCORE* debut by fucking and sucking real cock. There's something really hot about a chick getting right to it. Oh, sure, Veronika, a factory worker from the Czech Republic, made her international magazine debut by going solo in the June '05 issue of V-Mag. But for us, she's fucking right away!

SCORE
DEBUT

Yes, we did say that Veronika is a factory worker. She works side-by-side with a lot of men, and she says she often notices the bulges in their pants when she's around. Now here's something you need to know: Veronika plans on showing these pictures to her co-workers. Veronika doesn't speak much English, but she did tell us, "I want to see their faces when they see me doing to this man what they always wanted me to do to them. And who knows? One of them might get lucky!"

MARKETA'S BUSTY ADVENTURES

Czech porn star **Marketa** (left) from *Hard SCORE* and *Busty Euro Maids* has done it again. In her self-titled third video, Marketa takes two different studs in raunchy girl-boy scenes, then two more guys in a filthy threesome. Plus, you can watch Marketa cum in solo masturbation, and **Simone** from *Zuzanna's Hardcore Hooters* makes her encore in this new release. This is super-raunchy hardcore. **XXX-RATED, XXX MIN., CHOOSE VHS OR DVD FOR ONLY $29.95 PLUS S&H**
