Sharday (above left), "a true **SCORE** Girl with an angelic face and killer tits," hopes to win Model of the Year for the second time, but she'll have to beat bosom buddies Maxi and Minka (above right).

PICKING THE WINNERS OF THE SCORE AWARDS: IT AIN'T EASY

Dear **SCORE**,

As usual, picking winners of the **SCORE** Awards from your fine talent pool is difficult, since they are all winners, but here are my picks.

Newcomer of the Year: Alexis May. Alexis is the girl-next-door who likes to fuck. You can take her home to meet the folks, and they'll never know what you do with her behind closed doors. She is gifted with big, natural tits on a petite body. With her raven-colored hair, cool-blue eyes and bright, red, kissable lips, she has the face of an angel. With her generous tits, pretty pussy, and just-right ass, she has the body of a devil woman. She loves to be nude and enjoys having sex on camera.

Model of the Year: Sharday. She doesn't

dance in nude clubs and doesn't do porn. Who cares? She is a true **SCORE** Girl with an angelic face and killer tits. I love her bald pussy and big, round ass. She is the girl-next-door who you dreamed of playing doctor with.

Big-Boob Hall of Fame: Europe DiChan. I doubt that she will win because there are bigger names here, but Europe is as hot as any of them and probably more approachable, too. She did a lot to advance **SCORE** in the 1990s, and I know she helped

SCORE a lot on the Boob Cruises, too. She has a great face. I love her voluptuous curves.

When she looks at the camera, you see a friend and a lover at the same time. — M.S., Newington, Connecticut

Dear M.S.: Thanks for voting! The winner of Newcomer of the Year

and the 10th inductee into the Big-Boob Hall of Fame will be announced in the June '06 issue, on-sale March 28th. The winner of Model of the Year will be announced in the July '06 issue, on-sale April 25th, as will the 11th Hall of Fame inductee (as long as the second-place finisher in the voting receives at least 30% of the total votes).

Having "the sexiest overall package" landed Claudia Kealoha one reader's vote for 2005 Newcomer of the Year. Europe DiChan (bottom left) is up for induction into the **SCORE** Big-Boob Hall of Fame.

CLAUDIA, MAXI MOUNDS & ANGELIQUE SHOULD WIN IT ALL

Dear **SCORE**,

Newcomer of the Year: Claudia Kealoha. She may not have the biggest bust, but she has sexy lips, wide hips and the sexiest overall package.

Model of the Year: Maxi Mounds. She's a sexy, wonderful Amazon dream. She's the sweetest performer I've ever met. She's down-to-earth and fun.

Big-Boob Hall of Fame: Angelique. The hottest Latina I've ever seen in **SCORE**.—R.G., Glendale, California

**Joana's hypnotic face and dick-sucking
lips could land her Newcomer of the Year.**

JOANA FOR TOP NEWCOMER

Dear **SCORE**,

Newcomer of the Year: Joana. A toss-up between Marilyn and Joana. They both have it all: beautiful face, slim waist, natural tits. I chose Joana because of her almost hypnotic, gorgeous eyes.

Model of the Year: Kelly Kay. No contest. All one has to do is look at one of her photo shoots, and the other entrants become superfluous.

Hall of Fame: Candy Cantaloupes. She's a walking sex-machine with looks that could stop Big Ben.—D.D., Birmingham, England

A VOTE FOR AMBER AND MAXI

Dear **SCORE**,

Newcomer of the Year: Amber Brooks. Hot, hot, hot. I didn't think Texas could get any hotter until I saw her. Wow!

Model of the Year: Maxi Mounds. Great lady, very personable, very pretty and amazing boobs.

Big-Boob Hall Of Fame: Europe Dichan. Friendly, and sexy. Biggest set I've ever had the thrill of having my face between.—T.E., Spokane, Washington

ANGELIQUE: MAGNIFICENT

Dear **SCORE**,

Newcomer of the Year: Bea Flora. Physically, she and Marilyn are tied, but her gorgeous face puts her above any

competition. Not since SaRenna Lee and Sharday have we been blessed with such beauty.

Model of the Year: Sharday. I know that you have tried very hard to get Sharday in a video, and now I'll give it a try. Sharday, you are an angel from the highest mountains of heaven, and we, your die-hard fans, have but one wish, and that is to see you blessing a camera with your visual delights.

Hall of Fame: Angelique. The greatest model of all time. Thank you, Angelique, for such a magnificent career.—Sturg, Detroit, Michigan

SUMMER'S XXX CANDIDACY

Dear SCORE,

Newcomer of the Year: Summer Sinn. Hot and does hardcore. No contest.

Model of the Year: Minka. It's about time she took home the prize.

Big-Boob Hall of Fame: Dixie Bubbles. She was always one of the best.—J.B., Van Nuys, California

MERILYN: ONE OF THE GREATS

Dear SCORE,

Newcomer of the Year: Marilyn. Greatest SCORE discovery since LDM, Sharday and Bea Flora.

Model of the Year: Minka. Should have been Model of the Year many years ago. What a body!

Big-Boob Hall of Fame: Angelique. Sorry to see one of the best big-titted models go.—M.V., Las Vegas, Nevada

STAR TREK, CREAM-SPLATTERED TITS AND SUCKY PRINTING

Dear SCORE,

Call me a nut, but I enjoy *Star Trek Voyager*. Is there any chance of seeing one of my favorite SCORE Girls—Minka, Julia Miles, Linsey Dawn McKenzie, Vanessa Montagne, Pandora Peaks, Rocki Roads, Harmony Bliss—wearing a *Star Trek* uniform, holding a phaser or a tricorder and posing in a setting like the bridge or somewhere that could be another planet?

I'd also like to see my favorites splattering their enormous boobs with white skin cream and looking at the camera, their enormous boobs covered in white cream, with an expression of open-mouthed surprise.

My final words are that the print quality of SCORE sometimes gets a little shaky. I recommend that you go back to the exact paper, ink and printing techniques employed in the 1990s and the early 2000s. Your magazine is being very

badly let down by the current printing.—John, Wigan, England

Dear John:

Thanks for your comments, especially about SCORE's print quality. We've

One reader ran out of lube over Petra (Holiday '05). Petra's lube is natural.

been on the case for a while, and we think we and our printer have solved the problem. But keep us on our toes: If you notice a decline in print quality, let us know. And then we'll be sure to let our printer know.

As for the Star Trek-type theme, check out Crystal Gunns suited up as a starship warrior (complete with gun) in Buxotica #98, available online at eBoobStore.com or by calling, toll-free in the U.S. and Canada, 1-800-421-0760.

HE RAN OUT OF LUBE BECAUSE OF PETRA

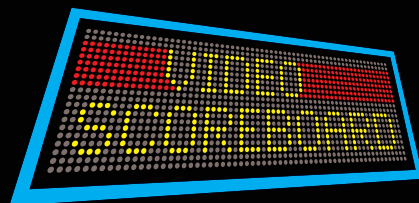

Dear SCORE,

The Holiday '05 and January '06 issues had some of the best quality and quantity of big-titted women SCORE has featured in a long time.

I ran out of lubricant over Petra's pictures in the Holiday '05 issue. The Czech Republic and Poland have some terrific young talent. Of course, no one can top our Russian Newcomer of the Year, Marilyn Sakova.—Mitch, Las Vegas, Nevada

[Click here to continue](#)

If there's life on other planets, we hope it's as sexy as Crystal Gunns. Here she is from Buxotica #98.

KELLY KAY & FRIENDS INVITE YOU TO STROKE!

Jack Fact: A dildo is a busty girl's best friend. **Jack Fact:** Most busty girls strum the clit-tar at least once a day, usually before going to sleep. **Jack Fact:** Even when buying a 12-inch, cock-shaped, flesh-colored latex vibrator with realistic veins, life-like skin, a hanging scrotum and a motor more powerful than a V-8, a busty girl will still refer to it as "a facial massager." **Jack Fact:** Busty girls jack it more per day than men. These Jack Facts, and much more, are visually illustrated in the new video *Busty Jack Girls*, starring Kelly Kay, Joana and some of the juiciest knockers in the world.

British honey Kelly Kay (above), the 2004 Newcomer of the Year, heads up a squad of all-natural Euro-busters we've discovered in our never-ending breast quest. Usually when we approach a sexy girl with ample sweatermeat and ask her to pose completely naked, plus stick a vibrator in her pussy, we step back in anticipation of an oncoming left hook. Not with these sweethearts! They were more than happy to fuck their cunts with buzz buddies while their big hangers jiggled and splayed as only real tit-flesh can.

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

ANGELA WHITE'S HOOTERS

SHE WANTS TO SERVE 'EM UP...WITH BEER!

In the March '06 issue, we mentioned in Angela White's pictorial how she wants to get a job at one of the new Hooters restaurants opening up in Sydney, Australia so she can proudly wear the restaurant's distinctive tanktop and booty shorts.

Our fearless editor Dave called Angela to find out more about what's shakin' with her down under. Idiomatic copyright laws prevent us from showing Angela in an actual Hooters uniform, so she was nice enough to send us some photos of what she'd look like in something similarly uplifting.

"Unfortunately, none of my friends had any orange shorts, so I had to just go with my black shorts," Angela said.

How many beers would you order from this girl until you blacked out in an alcoholic coma?

SCORE: What are you doing lately, besides breaking hearts?

Angela: I'm working at a Surf & Skate store selling surfboards, skateboards and clothing. It's fun, and

because it's a really youthful store, we get a lot of really cute skaters and surfers coming in. Yum! It's only a temporary perv because I plan to go back to school and study soon.

SCORE: Why do you want to be a Hooters girl?

Angela: I've wanted to be a Hooters Girl since I was 12 years old. I thought having cute girls wearing next-to-nothing and serving beer and wings was the coolest concept ever. Of course, now I know that there are cooler concepts (like having big-breasted women strip naked in magazine layouts). When my family and I came on a holiday to America in 1999, I made them go to Hooters with me. I remember chucking an absolute fit over it because they weren't too keen. I said that there was no way I was coming all the way to America and not going to Hooters! So after I chucked a tantrum and got my way, we went to the Las Olas Riverfront restaurant in Fort Lauderdale, and I bought my first Hooters tanktop, which I still have. I buy a tanktop from every one I visit, and I keep them all. I guess I wanna be a Hooters Girl because

it would be a fun environment to work in. I love the food, and I'd get to be around cute women. The only thing better would be if you guys came out with a chain of

restaurants called *SCORE* where all the women actually had big tits and they served all the food butt-naked!

SCORE: Do you run into many people who have seen you in *SCORE* or *Voluptuous*?

Angela: I have run into a few people. I really like it when I do because I enjoy the attention. I like the guys who will come up and talk to me instead of just pointing and staring. I don't bite—outside of the bedroom!—and I'm happy to have a drink with a friendly fan. When I was dancing at a strip joint on the Gold Coast of Australia, I met an English guy on holiday who recognized me, and he took me out to lunch. He was so sweet that when I went to London, I made sure I met up with him again. I know you want to hear all the dirty stories about what we did, but I'm going to leave that to your imagination. So come up to me and say hello if you ever see me. You never know what might happen!

SCORE: Have you ever had sex with a guy who saw you in *SCORE* or *Voluptuous*?

Angela: I've had sex with people who have known about my magazine and DVD appearances, and they usually try extra hard to impress me in bed. I don't complain!

SCORE: What's your favorite thing about being in *SCORE* and *Voluptuous*?

Angela: My favorite thing is definitely when I get to see the finished product. I still get a buzz every time I get a copy of a new layout or DVD and I get to see myself dolled up and looking hot. Sometimes I still can't believe that I'm good enough to be in the pages of *SCORE* among such amazing and famous models.

SCORE: Tried anything new or unusual sexually lately?

Angela: I'm always looking for new things to try, within reason. My problem is that I think I've tried everything. I can't

think of anything I haven't done. Got any suggestions?

SCORE: Here's one. A lot of readers have asked if you're ever going to do boy-girl in *SCORE* or *Voluptuous* and in a video. What's your answer to that? Are you ready to play?

Angela: My answer would be to stay tuned. Of course, I don't know for certain what the future holds, but I have been contemplating doing boy-girl hardcore, and it is something that I would like to do.

So, please, Mr. Hooters Australian Franchise President, give a sexy, button-popping young girl a job at one of your fine, new establishments. She can sell many chicken wings and pitchers of beer for you. You can contact Angela at BustyAngelaWhite@hotmail.com.

THE ABSOLUTE WORST PICKUP LINES EVER SAID TO SCORE GIRLS

You don't need lame pick-up lines to break the ice with *SCORE* girls. They've heard them all, anyway. We asked four *SCORE* models for the most ridiculous, brain-dead pickup lines they've ever heard.

Brandy Talore: "If I was a lost puppy and followed you home, would you keep me?"

Michelle Bond: "It's my birthday. Can I have a kiss?"

Bre: "Did your mother feed you cornmeal? Cause them things look like some good butter biscuits."

Mercedes Mounds: "Hi, my name is John. Have you ever dated a bathroom?"

BOOBERAMA AT STEVI SECRET'S CABARET

A *SCORE*-Model Booberama broke out at Stevi Secret's Nude Cabaret in Phoenix, Arizona.

The feature stripper during one recent weekend was XXX ball-drafter Brandy Dean (*SCORE Xtra* #6 and #11). Between strip shows, Brandy was available for Polaroids, auto-graphs, tit chit-chat and those ever-popular, erection-making couch dances.

The breastivities expanded the next evening when hot chick Summer Sinn (*SCORE Xtra* #12, *Ultimate Summer Sinn*, and *Big-Tit P.O.V.*) joined in. Summer wasn't officially dancing at the club, but she was there all night and good to go for autographs, pix and all that stuff. Add in Stevi's own busty house star, Princess (Senorita Princessa), from October '05 *Voluptuous* and there was enough titty jiggling and shaking that night to set off a Richter Earthquake Meter.

The girls were kind enough to pose for a *SCORE* photo, tits out. Stevi Secret's Nude Cabaret is located under the big fuckin' NUDE sign at 3420 South Central, Phoenix, Arizona, USA. Telephone: 602-305-8365. To see who's going to be appearing next, log-on to SteviSecret.com and go to the Nude Cabaret link. Thanks, ladies!

Princess, Summer Sinn and Brandy Dean at Stevi Secret's Cabaret.

Bettie Ballhaus is now a popular cabaret entertainer in Germany.

BETTIE BALLHAUS

A model since she was 16, Germany's Bettie Ballhaus (last seen in the December '05 issue of *SCORE*) performs a crowd-pleasing act at cabarets, dance clubs and private parties. Her tour is called "Bettie Ballhaus and the Erotik Devils Super Big Tits Show," the Erotik Devils being two other Teutonic go-go hotties who assist Bettie.

In one part of her show, Bettie gets a guy to lie down on the floor barechested. She places a sheet of paper on his chest, paints her bare boobs, then gets on top of him. The paper is turned into one of her "brust paintings."

The show can be booked in Germany through the agency DiskoShow.de. Bettie's newest personal website, Betties-Club.de, was closed, but it should be back on-line now.

BOOB BEAT'S BOOB BLOOPERS

At left, Maxi Mounds teaches Minka to be a good girl. Otherwise, she'll get a much harder spanking. Linsey Dawn McKenzie is left hanging in the loo during a photo shoot. Hold on, Linsey, we're almost there! At left, bottom: Their breast weight drove Ted's legs through the floor, but he valiantly smiled for the photo before screaming in agony.

SHAMELESS PLUGGINGS

During her first visit to the *SCORE* Studio in Miami, Penny Porsche holds open a copy of the February '05 *SCORE*, her debut issue. Penny has a video interview online at Scoreland.com.

GOT TITS?

Or know someone who does?

**MODELS
WANTED**

We're looking for attractive, slim 'n' stacked (DD-cup or bigger) women to photograph at the *SCORE* studio in Miami, Florida. Models get to appear in the pages of *SCORE* and will receive generous compensation. Big-tit finders will get a generous finder's fee, and every *SCORE* reader will look upon you as their hero!

HERE'S HOW

STANDARD MAIL: Send a minimum of four photographs—fully nude head-to-toe front, side profile and back, and one nude from the waist up—along with the model's name, age, address and contact information to: **Director of Photography, The SCORE Group, 1629 NW 84th Ave., Miami, FL 33126**

EMAIL SUBMISSIONS: Four JPEG photos, shot in the same way as above, along with the model's contact information can be emailed directly to: **model@scoregroup.com**. Photos are for evaluation purposes only. No photos will be published without a valid model release and model's consent.

WALL OF BREASTS

A Dutch designer has created a wall of fake breasts to help male shoppers buy bras that fit their wives or girlfriends. The wall has rows of silicone breasts in all sizes jutting and thrusting forward. A pretty clever idea, if you ask us. Not that anyone has.

"Most men have selective memories," said Wendy Rameckers, who works at the Piet Zwart Institute for Retail and Design in Rotterdam. "They know all about their car but never seem to know their wife's bra size. When trying to buy a sexy bra for their wife or girlfriend, usually they point to other women in the shop or, when asked about size, they say, 'A handful.'"

Using the wall of breasts, men now have a fighting chance to buy the right size and not look stupid. They can pick out a bra they want to buy for their girlfriend or wife and place it on the dummy breasts that most matches her size. Will this idea spread to other European countries and North America? It's too clever to go bust.

BOOB JOB: THE MOVIE

Movie producers New Line Cinema, home of *Nightmare on Elm Streets*' Freddie Kruger, has hired writer Michael Markowitz to write the feature-film comedy *Boob Job*. The movie is about a guy whose life is ruined when his wife gets breast implants.

"It's a be-careful-what-you-wish-for comedy, which is my favorite kind," said Markowitz, who was the executive story editor of the Ted Danson's TV show *Becker*. "It's going to be about relationships and love."

If *Boob Job* is written as well as *Becker* was, it should be a box-office hit.

**BIG TITS, A PIERCED PUSSY,

IT'S TIME FOR ANOTHER PARTY
WITH EXOTIC ASHLEY JUGGS.**

Hey, what's this? Another party with Ashley Jiggs? Didn't we celebrate with the DD-cup Floridian the last time we saw her, in the November '05 issue of *SCORE*? "When my clothes come off, it's always a party!" said Ashley, who credits her exotic looks to being a combination of one-quarter Jamaican, one-quarter Italian and half Spanish. "I love having a good time when I'm posing, so when the photographer suggested balloons and gumballs, I said, 'Bring them on!'"

"I loved playing with the gumballs," said Ashley, who took these pics at Danni.com. "They felt so cool on my body, and they were rolling all over the place. I think they went places where no men have gone!" Hmmm, now where would those places be? "I guess there's really no place like that on my body," she confessed. "I didn't get my pussy pierced for nothing, you know. I want men to go there after they have fun with my boobs!"

ALL IN

BY C. B. WYLER

The gunslinger was banging the heavy-breasted saloon slut so hard that the rickety frame of the girl's bed creaked like it was about to break every time it pounded the shabby room's paper-thin wall.

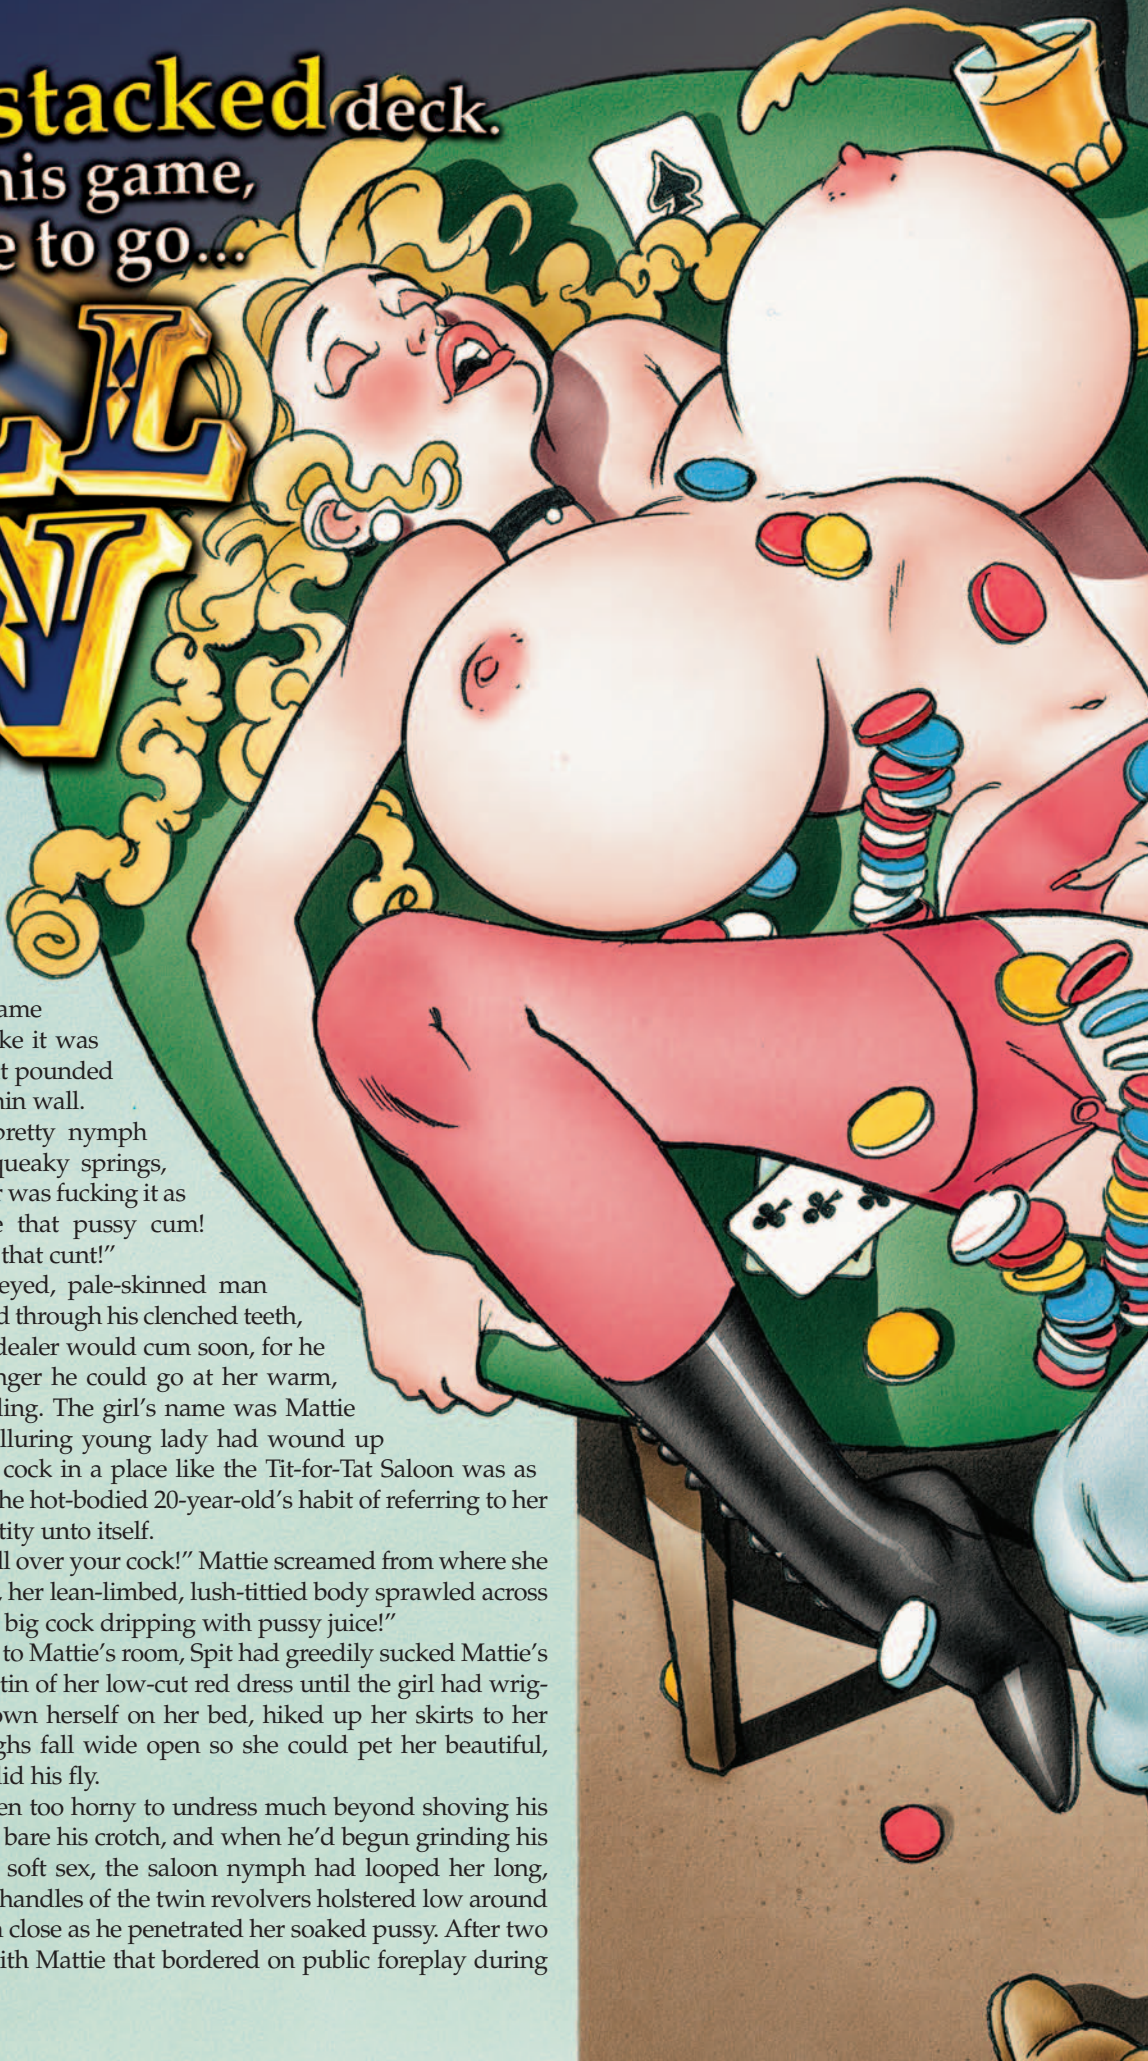

"Fuck it harder!" the pretty nymph shouted over the bed's squeaky springs, even though the gunslinger was fucking it as hard as he could. "Make that pussy cum! Shove your cock deep into that cunt!"

The gunslinger—a dark-eyed, pale-skinned man named Spit Jagged—groaned through his clenched teeth, hoping the saloon's busty dealer would cum soon, for he wasn't sure how much longer he could go at her warm, wet snatch without exploding. The girl's name was Mattie Flood, and how such an alluring young lady had wound up dealing poker and teasing cock in a place like the Tit-for-Tat Saloon was as much a mystery to Spit as the hot-bodied 20-year-old's habit of referring to her pussy as if it were some entity unto itself.

"Make that cunt cream all over your cock!" Mattie screamed from where she was laying flat on her back, her lean-limbed, lush-titted body sprawled across the bed. "I wanna see your big cock dripping with pussy juice!"

When they'd first gotten to Mattie's room, Spit had greedily sucked Mattie's big tits through the slick satin of her low-cut red dress until the girl had wriggled free of his grasp, thrown herself on her bed, hiked up her skirts to her navel and then let her thighs fall wide open so she could pet her beautiful, blonde cunt while Spit undid his fly.

Like Mattie, Spit had been too horny to undress much beyond shoving his pants down just enough to bare his crotch, and when he'd begun grinding his hard cock against Mattie's soft sex, the saloon nymph had looped her long, stocking-clad legs over the handles of the twin revolvers holstered low around Spit's hips, then pulled him close as he penetrated her soaked pussy. After two days of non-stop flirting with Mattie that bordered on public foreplay during

SWEAT

their marathon poker game, the gunslinger had been ready to cum for her long before they'd gone to her room.

THE GAME hadn't started out seriously, mostly because the Tit-for-Tat Saloon was the sort of place where men didn't mind losing a few bucks to the angel-faced dealer with the quick, cardsharp's hands and the massive, wet-dream tits.

But now and then, a high-stakes game evolved out of the penny-ante eye-candy show, and this time, Mattie had been ready for it.

She and Spit had taken the other players' money over the first two days, clearing the table for their winner-take-all bout...and a pot Mattie had sweetened by stripping off her petticoats and tossing them on the table, declaring them good for one fuck. The scents of Mattie's arousing perfume and aroused pussy had clung to the undergarment, and the sleep-deprived gunslinger had to fight back an irrational urge to whip out his cock right there and jack off all over the busty girl's underwear.

Instead, Spit calmly set down his

cards before hauling his big, blue guns from their holsters and placing them atop the petticoats, adding the stink of gun oil and cordite to the aroma of naked pussy. Although the saddle pistols were over a decade older than the 25-year-old gunslinger bearing them, the modified revolvers were the grim workhorses of Spit's grim trade, and thus he'd been risking far more than the \$10,000 on the table for this chance to get up Mattie's skirts.

Spit had been just as sure he'd win that final hand as Mattie was sure he'd lose it, yet he'd had last-second doubts when he looked at Mattie's breasts and wondered if he'd gotten so horny for her tits that he'd miscalculated things. Showcased in a plunge-necked, off-the-shoulder dress that gripped her enormous spheres, Mattie's mounds were, like the rest of her complexion, milk-white due to the countless hours she spent inside this dim, whiskey-soaked saloon. Spit privately wondered, along with the rest of the crowd, what her nipples looked like, and he hoped he'd have the chance to find out.

What Spit didn't know was that for

the past two days, Mattie had passed him choice cards, making him an unwitting accomplice by sacrificing key hands to him to squeeze out the other players. Mattie had been treating Spit's winnings like a personal piggy bank...a bank she'd intended to smash in this final showdown hand.

So, when there'd been nothing left to do but expose their cards to one another, Mattie had laid down the pretty spread she'd manipulated out of the deck: a trio of 10s and a pair of Aces, a hand she called Tits-n-Asses.

She had leaned forward to rest her pert chin on her fist and her big titties on the table as a panoramic backdrop for her Full House, using her frontal anatomy to gloat over a hand she'd known was a winner before Spit had turned a single card. Aware that much of the large, powder-pink corona surrounding her swollen nipples had peeked up over her dress' low threshold, Mattie had watched the gunslinger haul his dark stare from her chest so he could flip over his loser cards.

Mattie had every reason to be confident, for she'd been using her distractingly big and beautiful breasts to hide the fact that she'd been marking select cards with nearly imperceptible creases and tears. Thus, she'd known Spit was holding the six of clubs, two of spades and nine of spades, as well as two other cards with identities that were mysterious to Mattie but were part of a finite number of unmarked cards that couldn't be combined with Spit's to beat her.

Spit revealed the anticipated six of clubs, but then he started turning up Jacks and didn't stop until there was a knave of every suit cluster-fucking the six. Mattie gaped at Spit's Four-of-a-Kind, a hand that trumped her house full of Tits-n-Asses and realized that the gunslinger had knowingly played with her stacked deck for countless hands to bait her into making this all-in move. And when she did, Spit had swapped out his mismatched garbage for the Jacks he'd hoarded away and disguised by duplicating Mattie's marks on two of them, completing the bait-and-switch while she'd been making a show of slipping off her petticoats. So while Mattie was getting off on flashing her legs, ass, and, briefly, her pussy at the male onlookers who'd hung around to see the longest, highest-stakes game of poker the Tit-for-Tat Saloon had ever

SHE'LL FUCK OTHER GUYS AND LET YOU WATCH. AND THEN SHE'LL HAVE SOMETHING LEFT FOR YOU, TOO.

When we first saw Heather Lane, our first reaction was, "She's a MILF version of Harmony Bliss." They're both blonde. They're both slim-n-stacked. They have similar bodies and breast shapes. Facially, they're similar, too. But then we realized that there's a very important difference between Harmony and Heather. Harmony is more of a glamour model. Heather? "I love to show off my cunt," she said proudly.

SCORE 35

When your friendly *SCORE* editor conducted a video interview with Heather (it will appear soon on Scoreland.com and 40Somethingmag.com), he noticed that Heather couldn't keep her fingers out of her pussy. Sure, she loved showing off her E-cup tits, but her pussy was the focal point of her universe. "I'm horny all the time," said Heather, who's American by birth and lives in Puerto Rico with her husband. "I used to think that was bad, but as I got older, I realized it's good. Now I'm not afraid to take care of my pussy."

Our studio was filled with the sounds of Heather moaning and cumming when she fucked and sucked for the *SCORE* and *40-Something* cameras. Meanwhile, her generous husband was sitting off to the side with his cock out of his pants, watching and stroking as his beautiful, busty wife satisfied a stranger's cock. "There was a time in my life when I would've thought that doing something like that made me a whore," Heather said. "Now I know that there's nothing wrong with having a good time, as long as nobody gets hurt, and if my husband gets off on watching me with another guy's cock in my mouth or cunt, that's okay, too. Some women sneak around on their husbands. I would never do that. I'm the dream wife: big tits and a constant desire for sex!"

TAMARA
LEE HAS
IT ALL.**

Later in this issue, when Cynthia Romero shows her stuff, we're going to point out an intriguing aspect of life: the fact that our dicks get hard when a chick is showing something she isn't aware she's showing. These pictures of Tamara Lee, a popular big-titted model in the late 1980s and early 1990s, bring up another intriguing aspect of life: the fact that when a chick who seems sweet, pure and innocent does dirty things on camera, our dicks get harder than they would if an apparent slut was doing dirty things on camera. Look at these photos of Tamara, which were taken when she was only 21 years old. She has the face of an angel, and yet she's baring her tits and pussy to us all. *Schwing!*

Facially, Tamara looks as if she could be a teacher or a nurse. She looks as pure as the driven snow. But glance down. Her D-cup naturals are out. Gaze further down. She's spreading her pretty, pink pussy for your cock. And consider this: She appeared in over a hundred movies in which she sucked cock, got fucked and allowed men to shoot their loads all over her chest. This princess—this angel—was the subject of millions of jack fantasies. Sure, you could've brought her home to Mom and Dad. And she would've sucked you off on the way over.

Will Summer Sinn's sexy posing and boy-girl spreads earn her enough Newcomer votes?

Will her combination of big, natural tits and amazing beauty win enough votes for Bea?

SCORE Awards Update It's too close to call!

Online vote could make the difference.

The voting for SCORE Newcomer of the Year, Model of the Year and the Big-Boob Hall of Fame is coming down to the wire. Marilyn Sakova, Minka and Angelique are leading in their respective categories, but the Internet votes—comprised of ballots cast by Scoreland.com members—haven't been counted and could ultimately make the difference.

Marilyn is leading Amber Brooks, Bea Flora and Summer Sinn for Newcomer of the Year. The winner will be named in the June '06 issue, on-sale March 28th.

In the voting for Model of the Year, Minka has a small lead over Maxi Mounds, her *Mega-Boob Olympics* partner, with Nicole Peters, Ines Cudna and Sharday following close behind. That winner will be announced in the July '06 issue, on-sale April 25th.

Angelique is running tit-to-tit with Nikki Knockers in the Hall of Fame voting, followed by Dixie Bubbles and Toppsy Curvey.

But the Scoreland.com vote could easily change things. As [Scoreland](http://Scoreland.com) editor Elliot James pointed out, "Over the past few years, the online voters have differed from the magazine voters. The online voters tend to side with the models who have done hardcore, which could lend a significant boost to Summer Sinn in the Newcomer voting and to Minka in the Model of the Year voting.

"On the other hand," Elliot continued, "Nicole and Ines have popular websites connected to [Scoreland](http://Scoreland.com), and that could give them a boost. The Hall of Fame voting is tougher to call regarding the [Scoreland](http://Scoreland.com) vote because so many [Scoreland](http://Scoreland.com) members are newcomers to the big-boob scene and, therefore, not as familiar with the candidates."

Two things are still to be determined:

MERILYN: LEADING THE NEWCOMER VOTING

Will having the biggest tits give Maxi Mounds her first Model of the Year?

Can Nicole Peters parlay girl-next-door looks and natural floppers into a win?

Is this the year that long-time **SCORE** favorite Minka wins Model of the Year?

"It would be a tragedy if Minka lost because of a procedural oversight."—**SCORE** Editor

1. How many models will be inducted into the Big-Boob Hall of Fame? Three models were inducted during each of the first three years of the Hall's existence, but this year, only one model—the lady with the most votes—is guaranteed induction. After that, only models who receive at least 30% of the total vote will be inducted.

"Currently, Angelique has 30.2% of the vote and Nikki Knockers has 29.7% of the vote," said **SCORE** editor Dave Rosenbaum. "That means it could be all or nothing for one of these girls, and the also-rans, such as Dixie and Toppsy, could be the spoilers."

2. What role will disqualified ballots play in the voting? Numerous email voters for Minka and Harmony Bliss had their ballots disqualified because they disregarded the rule that requires voters to place votes in all three categories.

"The rules are clearly stated on the ballot," Rosenbaum said. "What seems to be happening is that the models, on their respective websites, are encouraging their fans to vote for them but are forgetting to tell them to vote in all three categories. It would be a tragedy, indeed, if Minka lost because of a procedural oversight."

What will happen? Tune in, beginning next issue.

Can Angelique gain entrance into the Hall of Fame in her first year of eligibility?

Will Nikki Knockers get 30% of the vote and earn Hall induction?

hosted, Spit was metaphorically fucking her every which way.

NOW, WITH a \$10,000 bulge in his pocket and his cock shoved inside Mattie's luscious kitty, Spit was fucking her for real. He heaved hard enough into the ecstatic girl's cunt to force both of her huge breasts to roll out of her low-cut dress and swim back and forth on her chest in time to Spit's thrusts. Mattie closed her blue eyes and opened her red mouth as she orgasmed.

"Oh, you're making that pussy cum so good! Keep fucking it just like that!" she said. "Please, don't cum into that cunt just yet! Let me fucking cum!"

But as the bed hammered the wall and Mattie screamed her filthy bliss, Spit's growing sense that something wasn't right was confirmed by the creak of a heavy footfall just outside the room. Spit straightened as his hands dove for the Navies at his sides, but Mattie's thighs were still hooked over the pommels of his big, blue guns, effectively blocking his draw. When Spit tried to

untangle himself from her firm, silk-soft legs, Mattie tightened her grip, her sad, blue eyes focused steadily on his.

"I'm sorry," she whispered, terrifying Spit over what was going to happen next because she seemed to mean it.

Mattie winced with unexpected pleasure as Spit, unable to pull his cock from her pussy thanks to her grip, suddenly erupted two-and-a-half days' worth of cum, painting her supple chasm in a series of volcanic blasts. Yet even as Spit involuntarily bucked his hips to ejaculate his heavy load into Mattie's quim, the door was kicked open by a giant clutching a Peacemaker.

Spit recognized the big man as Finny Bonner, a miserable sonofabitch whose function at the saloon hadn't been clear up until now. Upon seeing the gunslinger cumming between Mattie's thighs, something snapped in the giant, and his ugly face turned even uglier. He let out a snarl before moving with a terrifying speed across the room, then crashed his gun's pommel against the base of Spit's skull, sending the gunslinger careening into a starry, starry night of pained unconsciousness as his limp cock fell out of Mattie's used cunt and to the mattress.

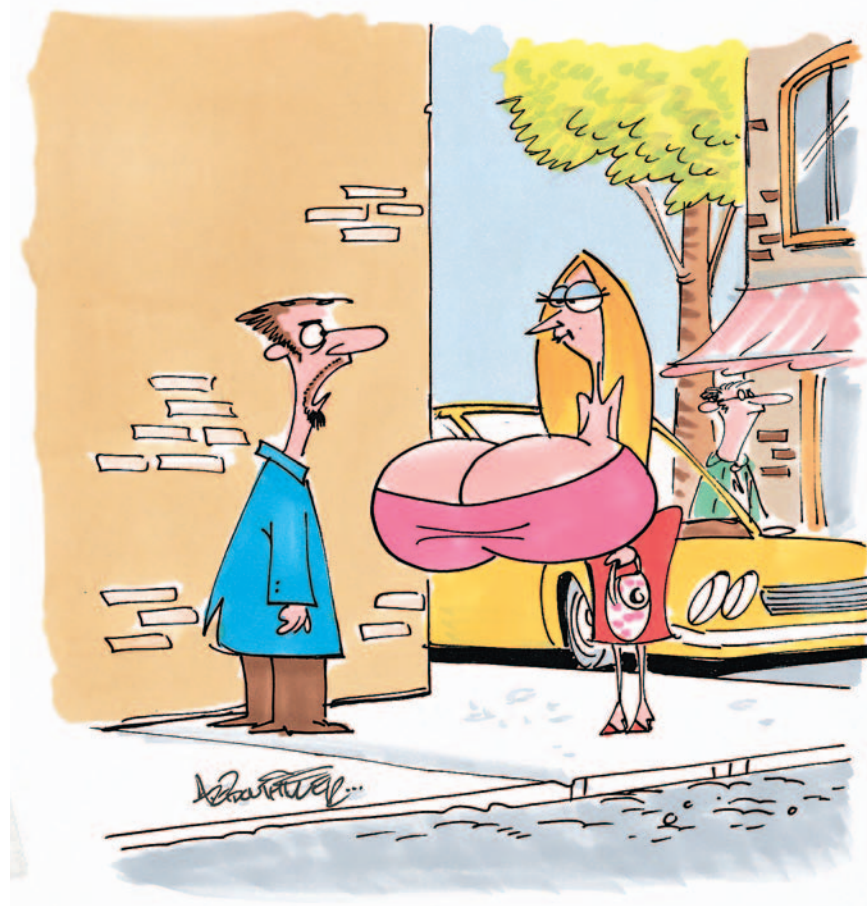

IN A vast gambling hall called The Avalon, Mattie, resplendent in white, stood out like an island of virtue in an otherwise drab and smoky sea of vice. From her hat and choker to her stockings and shoes, from her gloves and garters to her skirts and waistcoat, the busty, 20-year-old gambling prodigy had adorned her snow-white body in a frothy array of silks, satins, felts and velveteens. The only three hues that disturbed Mattie's ivory splendor were primary colors: the long, yellow hair pinned up provocatively beneath her hat; the dark, vibrant red of her suggestive lips, and the clear, blue swatches of noontime sky trapped within her large eyes.

And yet, Mattie's fertile curves gave her a raw sensuality that she'd accented by wearing neither a blouse nor a bodice beneath her little waistcoat, allowing her full breasts to rest against her slim waist in all their abundant glory. One silver clasp held the coat closed at her navel, laying bare the deep canyon of her milky cleavage, the round contours of her creamy mounds and tantalizing pink hints of her large nipples partly cloaked beneath her thin, white jacket.

She was up \$50,000 and was sitting at the big table, where the smallest chips went for \$100 a pop. The Avalon drew the elite names of the sporting circuit, and Mattie—so far from the Tit-for-Tat—was beating the odds against an entire pantheon of gambling gods while a growing audience of admirers watched. At first, they had gathered to view her chestal charms, but now her play was mesmerizing them.

While Mattie was winning, Spit Jagged was sitting less than a hundred feet away. Anonymous among the dense crowd of gamblers swarming The Avalon's gaming tables, the gunslinger was lingering at the bar, content to watch Mattie bet the \$10,000 wad she and Finny had stolen from him as a stake to secure her place on the greatest circuit of poker players in the world.

Spit poured an envelope of aspirin powder into his double-shot of whiskey, stirred it with a finger and grimaced as he belted back the bitter drink in one throw. It had been three days since he'd been robbed of his money and guns and left to rot at the Tit-for-Tat Saloon, and yet his head was still aching from the wallop he'd taken.

"Leave it to you to get a boob-job after I dump you."

Sheer Ecstasy

SOMETIMES, EVEN A NAKED MODEL DOESN'T KNOW EXACTLY WHAT SHE'S SHOWING US.

cYou're sitting in a bedroom. There's a girl lying on one bed. She's naked. Big tits out. Pussy spread. Dildos. Then there's another girl sitting on a second bed. She's completely dressed in a tight top and a short skirt. Both girls are beautiful. But as naked as that first girl is, all you want to do is get a look at the clothed girl's stuff. That's what these pictures of Cynthia Romero are all about.

There's plenty of spread pussy in every issue of *SCORE*. In the Xtra section, there's plenty of spread-and-fucked pussy, too. And, yet, you guys have been dying to get a look at the pussy of one of the few girls who hasn't shown pink in *SCORE*: Cynthia Romero, a South American beauty who confesses to being a bit shy. And that's why we think that what you're about to see in this issue's centerfold is as hot as any spread, dildo-stuffed pussy picture you've ever seen. We'll give you a clue: It has something to do with Cynthia's sheer panties.

We always want to see what we're not supposed to see. If a chick is all covered up, we need to see her cleavage. If she shows us her cleavage, we need to see her nipples. For some reason, it's hotter when a chick is showing stuff she doesn't think she's showing, like when she gets out of a car and shows a little more thigh than she intended. But pussy? Isn't that the one part of a woman's body that she has total control over, the one part that we can't see if she doesn't want to show it to us? That would seem to be the case. But, as you and Cynthia are about to discover after you turn to the center-fold, when a girl wears sheer panties and spreads her legs, the things she thinks are covered aren't always covered. So, get ready for your first look at Cynthia's pretty pussy!

"I LIKE MY BREASTS TO BE FREE," SAID E-CUPPER SAMANTHA SANDERS. "I ENJOY BEING NAKED."

"This is the most clothing my breasts have worn in a long time!" said Samantha Sanders, a regular girl from England with far-from-regular tits. "I hardly ever wear a bra, even when I'm showjumping." That's right, Samantha rides horses in shows. "I always get the judges' attention," she said. "When I'm practicing, I like to wear tiny T-shirts with no bra and let my horse gallop real fast so my breasts bounce up and down."

Samantha turns her tits loose in the new hardcore DVD/NHS *Cream My Tits* (available on page 81). In her scene, Samantha makes a picnic out of her tits. She covers them with whipped cream, then invites a guy to feast on them. Of course, Samantha gets some whipped cream on the guy's cock, too, and she sucks it off. When the cream is gone, Samantha offers up her tight snatch for dessert, and after a thorough plugging, she enjoys a helping of man-cream...all over her chest.

Spit's condition hadn't been helped any by the events that had followed his painful awakening: a frantic pursuit of Mattie and Finny Bonner to this man-made oasis along the Old Spanish Trail.

Spit rested his agile hands on the Colt Navy revolvers he had recovered from Bonner. Over the last three days, Spit had suffered like an addict over the loss of his pistols. Out West, guns were the great equalizers among men, and with the weapons in his abnormally capable hands, Spit had, over the last seven years, been greater than equal. Yet somewhere along the line, he'd also become irretrievably reliant on the guns, and when they'd been stolen from him, he'd become frightened and weak. Although he had the pistols back, the experience had left Spit shaken and oddly resentful of the revolvers.

As for Bonner, Spit had left the man unconscious in his room at the Hotel Tintagel. The gunslinger hadn't had much of a plan when he'd tracked Bonner down, but it'd turned out he hadn't needed one, for the giant had been so busy playing a seedy game of solitaire with himself that he hadn't even heard Spit steal into the suite. Thus, he was completely taken by surprise when the handle of one of Spit's recovered guns came cracking down upon his thick skull.

With Bonner out cold, Spit had stopped and stared at the man's playing cards. Beneath thin coats of varnish, lurid red and black inks had been used to print not only pips and indices but also pictures of Mattie Flood striking poses that started out at as merely suggestive at the deuces and treys and grew progressively more erotic as the card values increased. By the face cards, Mattie's posing was intensely explicit. Spit had sheathed his guns to carry the cards to a desk and spread them out, and he quickly realized that the deck was divided into four 13-part serial pictures of Mattie, one for each suit:

In the clubs set, Mattie had made herself up to look like a prudish and bespectacled spinster who finds relief with a copy of *Real Romance* magazine, a liberal application of Castor oil and the handle of a whiskbroom.

In the spades set, Mattie got herself

**SANA FEY
WANTS TO
KNOW,
"CAN YOU
KEEP UP
WITH ME,
GUYS?"**

She has deep-throated Sean Michaels' 12-inch and taken giant cocks in her tight ass (which has somehow remained tight despite numerous poundings). She also sailed on two Boob Cruises (1997 and 1998) and danced with the Colorado State Ballet. Multi-faceted Sana Fey has done it all, and her smoldering combination of red hair, big, firm tits, slappable, bangable ass and fuckable pussy is something we'll never get tired of.

**RED
HOT!**

"I'm very sexual," Sana said. "I have to have it five times a day. You can call me a nymphomaniac. When I'm on the road, I always carry a couple of vibrators with me just in case there are no guys around. Even if I'm with a guy, there's no way he can keep up with me. I know a lot of guys think, 'If I was with Sana Fey, I'd be fucking her all day and night,' but there's a big difference between what guys think and what they can do. For example, I'm really into anal sex. I've had some of my best orgasms anally. I think it's just the whole fact that the guy's in the wrong hole! It's so naughty! I've always wanted it in my ass. I used to fantasize about it. But it's hard for me to find a guy who loves it as much as I do. Most guys want to cum all over my tits or fuck my pussy. They don't want to take the time to fuck me in the ass the right way, and that's why I say most guys can't keep up with me. Like, most guys are exhausted after they fuck me in the ass, but a few minutes later, even if I've had a screaming cum, I'll be sucking his cock and wanting it all over again."

Every *SCORE* Man knows how to fuck a big pair of tits. But not every *SCORE* Man knows how to fuck a girl's asshole. Sana's here to give us a lesson. "I like my asshole to be oiled," she said. "I always have something sitting next to my bed to lube up my ass really well. Then, I have to be good and relaxed, and everything will happen. The key is to be very relaxed. That's why if you try to shove your cock into a girl's ass too fast, she'll tense up, and then you'll never get it in. There's no way you're ever going to get your cock in a girl's ass if she doesn't want it there. So take it slow. Make sure she's lubed up, then ease your cock in a little at a time. She'll love it!" But, in all likelihood, not as much as Sana loves it. She's an ass-fucked, big-titted babe who can never get enough. And we can't get enough of her!

up in a cowgirl outfit and plays a wicked game of horsey on a saddle until she's discovered by a ranch hand who promptly mounts her from behind for a ride, pulling out of her pussy in time to cum all over her ass.

In the diamonds set, Mattie had dressed herself up as a maid trying on her mistress' frilly lingerie and jewelry, only to be discovered by her employer, who is so aroused by how alluring her servant looks in her clothes that she winds up eating Mattie's pussy.

In the hearts set, Mattie had posed as a cute debutante lying in bed, surrounded by flowers and candy from admirers and growing so horny over the love letters she's reading that by the time one of her suitors shows up, she yanks out his already hard cock and then sucks on it until he cums all over her enormous breasts.

There were also a pair of Jokers: Mattie, nude but for a jester's cap, showing off her huge breasts and lush pussy; and, Mattie, also in motley, also nude, staring over her shoulder while spreading her ass as if she's waiting for an ass-fucking.

Finally, there was the design that backed all of the cards: a blue-tinted image of Mattie seated in an overstuffed leather chair positioned before a grandfather clock and a fireplace, her legs thrown wide, her top shoved down, her skirts bunched at her waist, and a look of gleeful surprise on her face as she holds the cards to a breast with one hand and uses a finger on the other hand to tease her clit.

Spit had sensed right off that there was more to these cards than met the eye. Thanks to their game at the Tit, he knew that while Mattie had every right to be proud of her slender but incredibly buxom body, she wouldn't have gone to so much trouble and expense with a photographer and a printer to make naughty vanity playing cards unless she had an ulterior motive. However, it hadn't been until Spit was restacking the cards that he'd located the marks. Once he knew what to look for, they were so glaringly obvious that Spit was surprised the professional gamblers back at The Avalon hadn't caught them.

Perhaps they'd been preoccupied.

THE GUNSLINGER had been at The Avalon, standing far enough away so she couldn't see him but he could see her around some bodies, when Mattie had first sat down at the high-stakes table. He'd seen her produce one of her custom decks before asking the other players' permission to use them, claiming the cards were cut smaller for her little hands.

Once they'd gotten over their initial shock, the gamblers had, of course, checked the decks by running their fingers over the edges to see if they'd been crimped with a stripper's edge, and then, when they'd found none of the tapering that makes cards narrower at one end than the other, they'd rubbed two of the cards together, held them up to the light, and prodded them for other signs of tampering before declaring the deck legitimate.

After that, Mattie promptly lost a quick succession of hands before intentionally making a fool of herself when she'd gotten the deal by calling for a high-low game of Peep-and-Turn. Glancing at the dirty cards in their hands, the other players had smiled pityingly at each other before one of them spoke up a little condescendingly for the rest.

"If you want, Miss, we'll play a round of Flip with you, but we like to keep things simple here. The game's always Five-Card Draw, pass and out, no openers, no special hands, no wild cards, no freezeouts, and no limits."

"Well, hell, don't I feel silly? Five-Card Draw's fine by me," Mattie had said, and then she proceeded to take the hand. Within two hours of having sat down, she had driven off the original players and owned the table. Although she kept killing off players, there was no shortage of fresh meat eager to sit in on the beautiful big-titter's game and play with her cards.

As it turned out, Mattie had only trusted Bonner with a little more than \$200 of Spit's money, but the gunslinger had taken it anyway, converting the cash into two \$100 chips upon returning to The Avalon. He had to wait hours for the right moment to strike, but when it did he moved fast, hitting the table as soon as the chair immediately to the left of the new dealer was vacated.

By now, there were few men willing to lose their shirts in an effort to strip Mattie of hers, so Spit didn't have any trouble claiming the empty seat at a

table of players, all of whom were legends on the circuit.

Mattie, maintaining her poker face, showed neither surprise nor recognition when Spit appeared out of nowhere. Although she had to be aware from the guns lashed to Spit's hips and the pair of \$100 chips he plunked on the table that he'd taken Bonner out of commission, Mattie only smiled wanly while watching Spit ante up one of his chips. Only when the girl noticed the way Spit eyed the cards being dealt did her mask of bland calm crumble with the realization that he'd deciphered her custom cards.

The answer to the riddle of Mattie's raunchy deck lay hidden within the tinted image on the backs of all the cards, which, although they looked identical, had subtle differences. The finger Mattie had used to stroke her clit gave away the suit (index finger indicating clubs, middle finger spades, ring finger hearts, pinkie diamonds).

In addition to the finger-clit-tell, the clock behind Mattie's image in the pictures gave away the identity of the numbered cards, Aces through Tens, not by the long minute hand pointed at the clock's six, but rather by the less-obvious hour hand, which drifted from the clock's one-minute tick mark just past the top of the hour to its two o'clock hash.

Finally, face cards were revealed by the spread of Mattie's fingers over the cards held to her tits; an index finger slightly separated from the others meant a King, middle finger a Queen, ring finger a Jack, pinkie a Joker.

The gunslinger barely looked at his cards, and instead eyed Mattie hotly, running his gaze down between her massive breasts and then back up to her beautiful face. Mattie blushed, at first from the memory of their hot-and-hard coupling days earlier and then with rage when Spit did the only thing he could do to stay in the game: throw his only other chip into the pot before the draw, betting everything he had on the cards that had been dealt him.

To Mattie's dismay, those cards were a pair of Kings with an Ace kicker. Because table rules wouldn't allow him to be frozen out by getting over-bet, Spit could stand pat with his cards while the other players would have to meet his \$100 to stay in. Any raising they wanted to try against each other would go into a side pot.

From the backs of the cards in the other players' hands, Mattie knew she had no chance of filling out her own inside straight, and, since she couldn't bluff Spit, she folded. The girl could only watch as the only two players with cards that could have taken the hand folded, allowing the gunslinger to take the pot and keep himself in the game.

Spit wasn't a good gambler, but he had quick hands and sharp eyes, and he knew enough about the mechanics of a crooked game to know how to lose big in order to win bigger. At this point, Mattie should have quit, but she'd worked too hard for this opportunity to let it go now. Besides, a massive crowd had poured into the already packed Avalon as word spread that two unknowns were taking apart the sporting fraternity's biggest names. Surrendering would doom her to becoming an obscure, if colorful footnote, to a game destined for legend. Winning, or at least making sure Spit lost before she did, was vital, and so she stayed in, taking her share of hands until there were no more takers filling the empty chairs, leaving her and Spit alone.

Now, Mattie and Spit both knew, the game was about to really begin.

BUT FIRST, Mattie had to get the edge back on her side of the table. She had no intention of playing what amounted to Five-Card Stud with a draw, where every card was, in essence, visible. Certain she could take Spit in a square game of poker, Mattie was desperate to get her marked deck off the table, so, as was her right, she demanded a fresh deck but claimed she'd exhausted her supply of custom cards. Picking a chip up out of the kitty, she purchased a new deck from the house and grinned sweetly at Spit when a new, unmarked pack was brought to their table.

She was up over \$75,000 and Spit had amassed more than \$25,000—amounts only silver barons and railroad tycoons would risk. But to Mattie's horror, even though they were no longer playing with marked decks, Spit kept winning. The gunslinger seemed to sense when she had cards and when she didn't, and even though Mattie hemorrhaged money trying to intimidate Spit out of the game with huge raises, her bluffs dwindled her pile of chips until she had less than a thousand dollars left.

**Justa
Dream**

**WAS SHE REAL? OR WAS SHE JUSTA DREAM?
A LOOK BACK AT ONE OF THE FIRST OF THE
FANTASY-BREADED FEATURE DANCERS.**

Veterans who trekked to strip clubs in the early '90s to see such mega-boobed strippers as Letha Weapons and Busty Dusty may remember this little lady named Justa Dream. She began dancing when she was 20 years old and billed herself at 90MMM-20-31. Yeah, yeah, we know, but ya gotta let women have their way.

Also known by the stage name Ivory Coast, big-haired, big-nailed Justa was popular for her extreme flexibility. A contortionist, she could wrap both ankles behind her neck and spread her pussy at the same time with the greatest of ease. She was also known for what she called her "Justa Handshake," in which she'd squish her hooters together to extract a bill from a tipper's hand. Other giant-chested entertainers did that crowdpleasing trick, too, but they didn't have a name for it. She was also fond of another popular mega-boob gag: grabbing a club customer's baseball cap off his head and hanging it on one breast, as if her tit was a living hatrack. This photo set was shot in September 1991 while Justa was on a club tour in Southern California. She stopped performing and modeling in 1993. The word on the melon-vine was that Justa got married.

ALL-IN

Continued from page 82

Sensing the end was near, the crowd went deadily quiet when Mattie shoved all of her chips into the center of the table before sitting back and sliding her cards down her bare, alabaster cleavage. Spit watched her slip the cards into her jacket and run them over one of her rock-hard nipples.

"How about we open up a side pot I can raise into, Spit?" she said.

Spit scowled. "You're already all-in."

"What would you say watching me suck my own boobs'd be worth to you?" Mattie asked, smiling as the audience let out stunned cries at this turn of events. Undoubtedly, they were eager for Spit to take the big-breasted girl's twin markers.

"Why don't you tell me?" Sit asked.

Mattie, knowing she was being ogled by hundreds of pairs of eyes, pushed aside the lapels of her waistcoat to let both of her lush pink nipples pop free. She smiled crookedly as she opened the silver clasp holding her jacket closed, letting her huge udders tumble free. Mattie smiled proudly as the audience cheered wildly, then she wiggled out of her jacket.

"Five thousand?" she asked.

Spit's cock throbbed as he peered at Mattie through the smoky gaslight, then he tossed \$5,000 worth of chips into a separate pile.

"I'll see your titties, Miss Flood," Spit said before scooping up an even bigger stack of chips and adding them to the side pot, "and I'll raise 50,000."

Mattie grinned. "What's that worth in anatomy?"

"To stay in, I'd think 50 grand entitles me to watch you finger your pussy."

Her confident smile broadening, Mattie stood up, swept off her hat, and then unhitched the eyehooks of her skirt before letting the long garment slide down her legs. Beyond the garter belt and delicate white suspenders holding up her stockings and the lacy white choker wrapped around her neck, Mattie's body was bare as she picked up her cards and stepped up onto her chair and, from there, onto the table.

"Seeing pussy isn't as nice as fucking pussy, Spit," Mattie said, walking across the table and then easing herself down in front of the gunslinger. Her spread legs were draped over the table's edge

and her feet rested on the arms of Spit's chair. Mattie held her pretty pussy open so the gunslinger could stare into her hot, wet sex.

"How about we stop fucking around and you go all-in on me?" she said. Mattie leaned forward and then ran her middle finger over her throbbing clit. "Don't you want to slide your big stake into this jackpot?"

The gunslinger's dark stare traveled upwards from the tangles of soft blonde pussy hair between Mattie's perfect legs so he could study her face.

"Well, Mattie, I know what I get if I win, but if I lose, what do I get for having staked your bet?"

Mattie frowned. "Look at it this way. You've had a peek at my boobs and pussy, but I haven't seen your cards. How do I know you're not holding a loser hand? How about if you win, you get the main pot. I'll be cleaned out and you'll walk off with a fortune. But if I win, I get all the cash from both pots, and you can have what's left as a sort of booby prize."

"So it's either the jackpot or your honeypot?" Spit said. He gave Mattie a smile. "Guess I'll call."

Mattie flipped her cards to reveal two Aces and two Eights with a Jack kicker. An audible murmur rippled through the crowd at the infamous Aces-and-Eights spread known as the Dead Man's Hand after the cards Wild Bill Hickok had reputedly been holding when he was shot.

Spit stared in disbelief at Mattie's hand and the incredible pair of breasts upon which it rested, then he crumpled his cards in his fist, a signal of defeat that brought a roar of cheers from the mob. Mattie, overjoyed at having talked the gunslinger into laying everything on the line, laughed as she threw her

cards in the air with tit-jiggling abandon. The gunslinger stood up and dropped his cards next to Mattie's hip so he could rest both hands on the girl's silky white flanks and run his tongue over one of her tender nipples. Mattie let out a whimper of pleasure and surprise as Spit licked her tits, then closed her eyes and reflexively wrapped an arm around Spit's head to hold him close as she breathlessly whispered, "What're you doing?"

"Collecting," he said.

"Right here?" Mattie asked, though she'd reached down to help the gunslinger unbuckle his belt.

"No offense, Miss Flood, but the last time I went somewhere private with you, things didn't work out so well."

Spit gasped when Mattie wrapped her slender fingers around his naked cock and gave it a rough squeeze. Mattie laughed, and her bright-blue eyes studied the enthusiastic crowd of men watching her about to get fucked. She slid her feet to the floor then spun around to bend her pale body over the card table. Both of her vast breasts plopped with a clatter onto the huge pile of chips. Mattie moaned as Spit ran the bloated tip of his cock over her pussy, and she screamed exultantly when he entered her from behind, her breasts scattering the puddle of poker chips across the table and knocking the deck of cards off its edge like confetti. Mattie pressed her head to the table's green felt surface, her cheek sliding along the soft material as she arched her back to grab a tit with one hand and her clit with the other so she could vigorously stroke both while Spit fucked her.

The gunslinger grunted and his hips ground to a halt when Mattie straightened against him, keeping their bodies joined while she softly asked over her shoulder, "How'd you manage to win so many hands against me?"

"You have a tell," Spit said, panting into her ear.

Mattie froze. "I do not!"

The gunslinger wrapped his arms around Mattie and grabbed both of her massive breasts, fondling her pert pink peaks between his fingers while saying, "You should wear padded bodices. Whenever you have a good hand, your nipples get really firm. The better the hand, the firmer they get."

"Here I thought you kept staring at my chest because you liked my boobs!" Mattie said.

"How else would I have picked up your tell?" Spit said.

"Well, you could've fingered my pussy. It gets wet when I have a good hand, too," Mattie said as Spit pushed her back down onto the table and then grabbed her hips to hold her steady while he fucked her.

Between Spit's quick hard cock and Mattie's lightning fast fingers, the busty gambler began shuddering. Her blue eyes opened wide as she moaned and began climaxing. Only slowly did her pretty eyes focus on the crumpled-up cards beside her—the hand Spit had thrown down without showing. Mattie's went wider when she saw the cards that Spit had dropped: an Ace of Spades, King of Spades, Queen of Spades, Jack of Spades, 10 of Spades. A Royal Flush. It was a once-in-a-lifetime hand, and yet he'd thrown it away in order to fuck her.

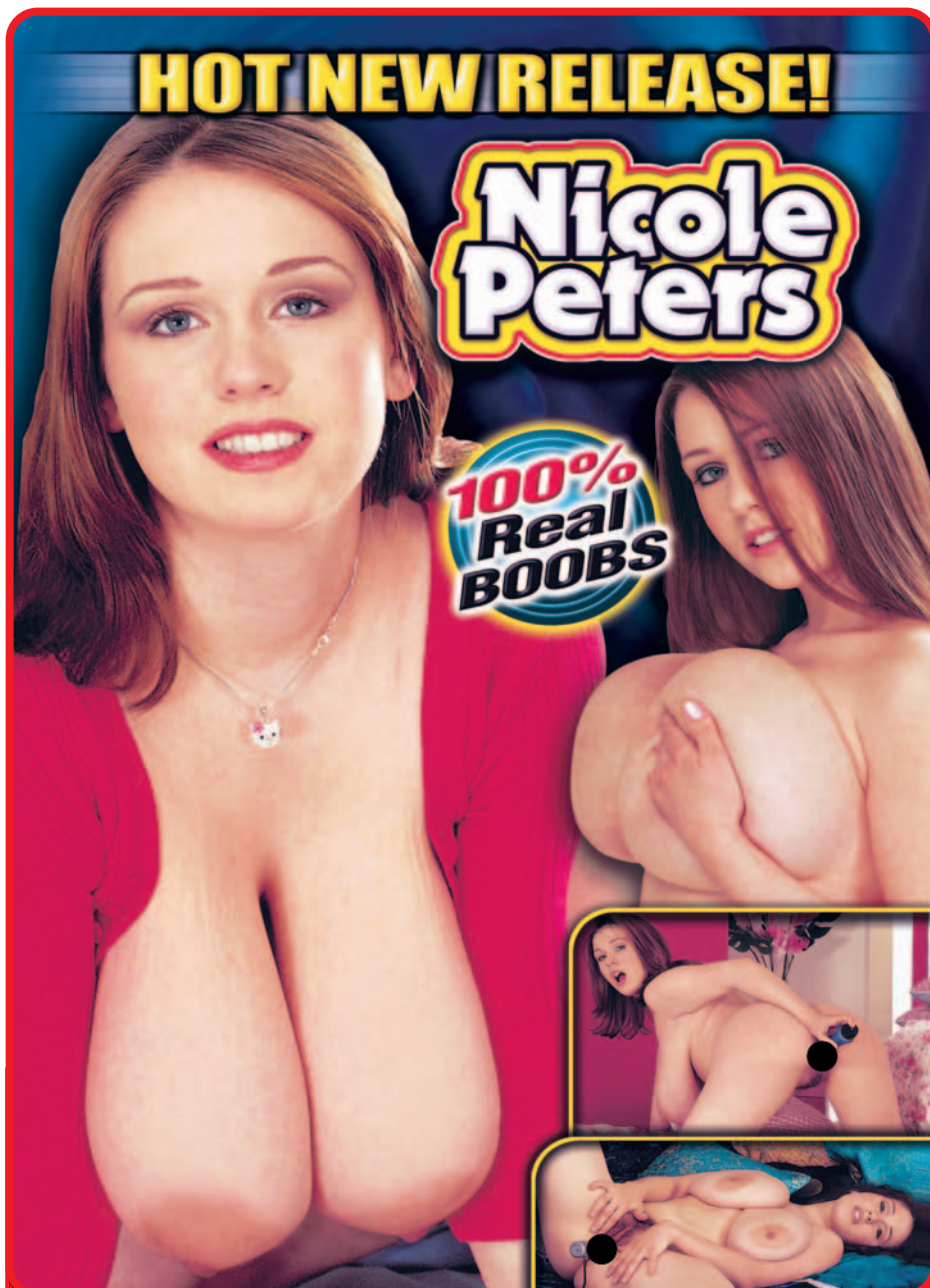

Before she could process this, Mattie trembled uncontrollably as she came. Before Spit could unload in her, Mattie pushed him away and then flipped onto her back on the card table.

"Squirt between my boobs!" she demanded. Mattie clamped her hands to her breasts and snuggled them together, writhing while Spit repositioned himself so he could shove his cock between her tits. He groaned as Mattie used her pale mounds to jerk him off. When Spit's pumping hips came to a stop in mid-stroke, Mattie gave her immense mounds a hard shake that made the gunslinger grunt and send geysers of cum shooting out over the top of her cleavage.

Even with Fort Baker so close by, this vice-ridden little settlement in such a remote valley of the Nevada desert—a place called The Meadows for its artesian springs—probably didn't have much of a future, to Spit's thinking, but the gunslinger had to admit that Las Vegas' present was pretty nice. He watched Mattie moan happily beneath the torrent of cum spattering her tummy and tits, her pussy and thighs.

With the crowd hollering in the background, Spit sagged exhaustedly over Mattie, grabbed a handkerchief from his coat and mopped his cum off her. But Mattie shook her head, intent on smearing Spit's hot spunk all over her clit with one hand and all over her nipples with the other.

"What cums on my tits," she said, "stays on my tits!"

*Cum
As You
Wish*

THERE ARE MANY WAYS TO GET OFF ON JADA. TODAY, SHE'D LIKE YOU TO CUM ON HER TITS.

The last time we saw Southern California lap dancer Jada, in the July '05 issue, she talked about the incredible powers of her pussy. "Best in the world," she said after revealing her ability to coax copious amounts of cum out of guys' balls when she's grinding on top of their packages in clubs. "It's tight, wet and hot, just like you want it." This time, for her third appearance, Jada wanted to talk about the two things that got her into *SCORE* in the first place: her big, firm, suckable E-cup tits. "They're all that and more," she said. "I love making guys cum with my tits."

When Jada is talking about using her tits to make guys cum, she's not just talking about wrapping her puppies around a guy's hard-on and pumping up and down until he shoots. Yeah, she'll do that, too, but that's the easy way. "I love to stuff my titties in a guy's face and make him suck on my nipples," she said. "I love to lightly rub my nipples along his shaft, then make believe I'm going to suck his cock, then use my nipples again. I love to take the head of his cock and push it into my tits so he can feel how soft and firm I am. I love to make him watch me sucking on my own nipples and fucking my titties with a dildo. I've had guys who got so turned on by my titties, they didn't even have to touch them and all of a sudden, they were spurting their juice all over the place. I love to lick it off my tits."

The thing about Jada is that as much as we love her big tits, her pussy looks so pink and tight and fuckable that we have a hard time keeping our eyes off of it. And since Jada always brings her toys along when she comes to *SCORE*, the focus of our cockal attention almost always strays to that fuckable spot between her thighs. "Believe it or not, I've had guys who were so fascinated by my pink cookie, they hardly paid any attention to my tits," Jada said. "They weren't *SCORE* Men, of course. I've run into some *SCORE* Men, and the great thing about them is that they pay attention to my tits *and* my pussy. They're gentlemen. They know how to please a girl. So I always go out of my way to please them."

MERILYN: ABSOLUTE PERFECTION

Dear SCORE,

How do you find such perfection? I saw Marilyn and was blown away. What a perfect body. A side shot of her taking a deep breath would, I'm sure, finish off most guys. She has such a lovely, flat stomach. She also has the most perfect snatch ever. All this and a great looker, too. I can't imagine a better specimen of woman.—George, via email

Marilyn takes a deep breath, which, according to George, should finish you off.

PRAGUE: HOME OF BIG-TITTED BABES WHO SUCK & FUCK

Dear SCORE,

I was in Prague last June, and I have never seen so many girls with such big breasts. It was the best attraction in the city. I was on a group tour of 20 traveling with my 76-year-old mother, and one day she said to me, "Dear, I've noticed the women have large bosoms here." I almost died laughing because she was right, and it was obvious to everyone. —J.V., via email

SOMETIMES, YOU CAN'T TELL A VIDEO BY ITS BOX COVER

Dear SCORE,

I recently bought the DVD *Voluptuous Xtra #11* solely on the strength of Annie Swanson being clad in black stockings on the cover. But when I played the movie, she wasn't wearing stockings.

Now, logically, in order to get those pictures of her dressed in stockings on the DVD, there obviously is a movie or a photoset of her somewhere wearing black stockings. But when are we going to see it? And should I ask for my money back on this DVD for it having been sold to me under false pretenses?

I also bought the DVD *SCORE Classics* on the strength of Angel Eyes wearing stockings on the cover, yet in the movie, there wasn't a stocking to be found. And the DVD *Busty Hookers* has Brandy Talore and Alexis May on the cover dressed in stockings and garterbelts. They start out wearing stockings and garters in the movie, but when they get down to hardcore, they strip out of their stockings before the guy has a chance to get inside them. What a turn-off for him and me.—M.W., via email

Dear M.W.: The photo of Annie in the corset and black stockings on the cover of

Annie Swanson wore this on the *Voluptuous Xtra #11* DVD cover but not in her scene.

Alexis May's rock-hard nipples made this tit-fucking picture even more jackable.

Voluptuous Xtra #11 has no video counterpart. The matching photoset has not yet appeared in SCORE or Voluptuous. Great care is always taken to ensure that a box-cover photo matches the model's clothing, hair and make-up as well as her overall physical appearance in the movie. In some cases, there may be no matching stills shot back-to-back with a video session. There are a few times when there isn't a perfectly exact match-up between photo and video wardrobe, such as the two DVD covers you specify. We apologize if you thought there was an attempt to misrepresent a movie.

HOW TO IMPROVE SCORE

Dear SCORE,

I would like to see in SCORE:

1. More hairy pussies (preferably close-ups). Nicole Peters' hairy bush is absolutely gorgeous.
2. More aroused nipples. Alexis May on page four of the June '05 Xtra section has perfect nipples.
3. Full-page close-up boob shots. It's a big-boob mag, after all.
4. Close-up, spread-open, just-fucked pussies in Xtra. -B.R., Bournemouth, Dorset, United Kingdom

**"AT FIRST I WASN'T
USED TO TAKING MY
CLOTHES OFF FOR
STRANGERS, BUT
NOW I ENJOY IT."**

It's hard to believe that over three years have passed since sweet, innocent Nicole first appeared in these hallowed halls of huge hooters. Writes G.L. of Blytheville, Arkansas, "Nicole is my all-time favorite. I have been a fan of big-busted models for 20 years, and I tell you that she is the best-looking, best-built of anyone I have ever seen in any magazines, videos or websites." Nicole's videos have now been compiled into one DVD called *Nicole Peters*. She offers up the massive tits that everyone loves in scene after scene, and sticks pussy toys in her bushy snatch.

A photograph of a woman with long brown hair and a surprised expression, sitting on a couch. She is topless, showing large breasts, and is holding her hands near her groin. She is wearing a black strap around her left arm.

In her spare time, Nicole keeps busy with her artwork. She has completed over 50 paintings. "It's always been a hobby of mine," she said. "I didn't wake up one day and decide I wanted to paint, it was just something I did throughout my childhood." To aspiring artists, she offers this advice: "If you want to paint, just don't let anything hold you back. If you haven't been to art college, don't worry. I don't think you need qualifications to paint. I don't have any!" Talented girl, isn't she?

"I've got quite a narrow back," Nicole said. "I'm a 32 to 34 around the back. In cup sizes, I can wear a double-F or a G. It varies from bra to bra depending upon the designer." (Those are British bra sizes she's referring to.) In the amazing shot above, Nicole poses hands-off so we can drool like rabid squirrels while seeing those amazing hooters naturally hang and splay without interference. "I'd like to be well-known, like Jordan or Linsey Dawn," Nicole said. "But I don't think that will happen. We'll see. My dream is to be a famous artist." We hope your dream will come true, Nicole. You made our dreams come true.

KIANNA DIOR'S BIG-TIT FUCK FEST

LET BUSTY, ASIAN, MASSAGE-PARLOR WHORE KIANNA DIOR SUCK OUT YOUR NUT-NECTAR!

What's a good way to kill your lunch hour? A quick bite? Browsing the shelves of a book or video store? Sitting by a fountain and watching the girls walk by? For one *SCORE* Man, it's getting a happy ending from Kianna, the big-titted Asian last seen in the June '05 *SCORE*. He gets his cock sucked and tit-rubbed and his balls licked, and then he slides his bone into some quality poon. A man could do no better. He goes back to work uplifted, refreshed and invigorated. Kianna's worth every cent.

The relaxing encounter depicted in these photos also takes place on film in the brand-new release *Big-Tit Fuck Fest* (available on page 7 of the main mag). Also starring in all-new fuck scenes are Sara Jay, Harmony Sweet, Rebecca Love and Veronika. And the DVD extra is a video interview with Rebecca conducted by *SCORE*'s editor that's nearly as hot as a hardcore scene. As for Kianna, watching her in action as a massage-parlor hooker had us ready to call and book an appointment for ourselves.

DEAUXMA THE MILF-WIFE TREATMENT

IF DEAUXMA WAS YOUR WIFE, SHE'D SUCK YOUR COCK. SHE'D MILK YOUR DICK WITH HER PUSSY.

In the movie *Hard SCORE #2* (scenes from which were featured in the February '05 *SCORE Xtra*), happily married MILF Deauxma sucks her chauffeur's cock and lets him fuck her tight asshole. In these pictures, we see Deauxma having the kind of sex that you might have with her if you were lucky enough to be her husband or boyfriend. "I can't take it in my ass all the time, can I?" Deauxma said. "That wouldn't be healthy. Fortunately, my tits and mouth and cunt can keep any man happy."

"My favorite position is having it anally doggie-style," Deauxma said. "My second-favorite position is having it in my pussy doggie-style. I love being pounded from behind while my huge boobs sway back and forth. I love when a guy slaps my ass really hard and drives his cock all the way into me so I can feel his balls against my cunt lips. Then I love when he pulls out, and I flip over and he shoots his creamy load all over my tits. How long do you think you could last, **SCORE Man?**"
