A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.

SCORE Girls who would be on anyone's list of the greatest super-stacked babes: Maxi Mounds can barely lift her heavy hooters to her mouth for a suck. Casey James can tit-fuck a tree. Colt 45 has a great rack and a dildo-eating pussy. Crystal Storm is sexy when wet. Keisha Evans has amazing pillows.

A READER'S LIST OF THE TOP MEGA-BUSTED BABES EVER

Dear **SCORE**,

I like **SCORE**'s new format of a 116-page main mag and a 16-page Xtra. This gives the right balance to the many varied tastes of your reader base. Your publications continue to improve through active listening to your readers.

I was reading the Holiday 2005 issue and was quite intrigued by the readers who gave their Top 20 lists of natural models. However, even a Top 50 would prove a challenge given the great, natural **SCORE** models over the years.

So, what could be harder to do? Well, how about a Top 20 of your "enhanced" models. Have you considered an all-enhanced issue of **SCORE**? This would appeal to those fans who love big breasts regardless of their origin.

Here's my Top 20 Enhanced list, in no particular order:

1. Maxi Mounds. If size really does matter, then this super-endowed lady has to make any list.
2. Chelsea Charms. Same reason as Maxi. Lovely face and smile to boot.
3. Keisha Evans. Big, amazing boobs. Fairly new. This up-and-coming gal deserves more exposure in **SCORE**.
4. Crystal Storm. She has an ever-

present smile, lovely, blonde hair and lovely, huge breasts.

5. SaRenna Lee. An incredible woman with a fantastic figure and a fun personality, too.

6. Busty Dusty. Too bad she has retired. Gone but never forgotten.

7. Casey James. Wonderful, big titties, and she always knows how to show them off.

8. Minka. Huge bust on such a small gal. A **SCORE** icon.

9. Colt 45. Lovely, long, blonde hair and great boobs.

10. Traci Topps. Always has been one of my favorites. Words can not describe her appeal.

11. Kayla Kleevage. A smart business lady who can handle figures...especially her own dynamite figure.

12. Pandora Peaks. Those peaks will always be in **SCORE** fans' memories.

13. Dixie Bubbles. More than just great bubbles. A tremendous model.

14. Angelique. Made me want to move to Brazil.

15. Lisa Chest. Low hangers with huge areolae. Fondly remembered.

16. Nikki Knockers. Those knockers still hit **SCORE** fans senseless.

17. Plenty UpTopp. Really lived up to her name.

18. Topsy Curvey. Great hair, face and smile to match her outstanding, super-stacked body.

19. Wendy Whoppers. Her big whoppers made everyone king.

20. Deena Duos. Her duos were spectacular.-Jack, via email

CLOTHED TITS: GREAT FOREPLAY!

Dear **SCORE**,

In the February '06 "**SCORE**Card," a letter-writer commented on the nudity vs. clothing issue. I'd like to offer my two cents worth.

Seeing a big-boobed beauty in a sexy outfit for one or two photos on the first page of her layout heightens my anticipation so that when I turn the page and see the girl's great tits and juicy cunt, I have a stiff erection and an explosive cum.

The February '06 issue has two wonderful

examples of such exciting photos: Christine Allure in her white bikini with her nipples poking through the fabric and Denise Derringer in her sexy, red dress and even sexier bra and panties. I've had some great hard-ons and shot some great loads over both Christine and Denise. My actual cums take place over their nude, wide-open poses, but my erections were enhanced by those opening photos.

And thanks for Kayla Kleevage. Most models with huge boobs have rather unimpressive nipples. Kayla possesses the best of both: huge tits and very prominent, perky nipples.—M.R., Bensalem, Pennsylvania

The hard-on created by Christine's bikini shots gets us ready for her open cunt.

KEY LARGO DVD STATES THE CASE FOR BIG TITS IN CLOTHES

Dear SCORE,

Seeing women clothed in tight sweaters, form-fitting dresses, under-sized blouses and mini-skirts is as much of a nut-buster as being blindfolded and touching their naked bodies.

Case in point: the *On Location Key Largo* DVD when the women arrive at the house and walk up the stairs. Kerry Marie is wearing a mid-drift top, braless with her erect nipples straining to escape. Her ass is accentuated by her hip-hugging shorts and her heels.

The prime example of why I enjoy seeing lovely women with mind-blowing, naturally large breasts is Chaz mov-

The *On Location Key Largo* video and photo event provided us with several opportunities to see big-titted models in and out of tight, alluring clothing. When Kerry Marie went hitchhiking, she knew that wearing a tank top and cut-offs would get her a ride. Then she hopped in and showed her stuff in the back seat. Chaz stuffed her whoppers into a halter top, then turned them loose!

ing up those stairs. The snug bottoms she's wearing floored me as she switched her hips seductively and strutted up the staircase. Full mast was achieved as I studied her awesome tits, draped in a red, mid-drift top, braless, M&M-sized nipples poking out for freedom, her massive mammaries showing incredible buoyancy while being flimsily restrained in her curve-complimenting top. We know we are going to get to the goodies, but before the main course, how about an appetizer?

A photo of the model, preferably standing, to gain a perspective of her body, fully clothed in an outfit she wears regularly, is great.—R.K., Chicago, Illinois

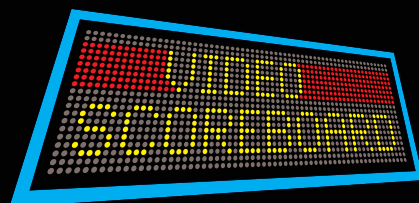

Dear R.K.: You're not the only SCORE Man who feels this way. Read on.

SEEING DENISE DERRINGER IN A RED DRESS MADE HIM CUM

Dear SCORE,

I've seen Denise Derringer before and have shot a number of loads over her, but I've never seen her as sexy as she is in the February '06 issue. I mean, when I lose control and shoot a load in my pants over the first page of her layout, in which she's in her red dress and bra and panties and hasn't even shown her tits yet, that's pretty wild. And you can imagine what happened to me later when I feasted my eyes on Denise's magnificent twin beauties, juicy cunt and delightful ass.

If there was ever a model who could make me cum when she and I are both fully clothed, who else could it be but

Denise? There's none better.—C.J., Philadelphia, Pennsylvania

Dear C.J.: You seem to be in the majority among SCORE readers. But not everyone wants to see the girls clothed.

WHAT'S THE POINT OF A NUDIE MAG IF THE GIRLS ARE CLOTHED?

Dear SCORE,

I enjoy your magazine, but a few improvements could be made:

1. As one of your readers mentioned, some of the photos in recent issues are turning out blurry. Maybe you need a new printer. Plus, the paper may be poor quality. We pay good money for a quality men's magazine, and this situation happens fairly often. I hope this problem is corrected soon. *[Editor's note: We think we've corrected it, but please keep us on our toes.]*

2. Regarding the Newcomer and Model of the Year winners that will be published in the June and July issues, make these two issues double-issues so not only will the winners have a full photo layout, but the first, second and third runners-up will, too.

Continued on page 101

One reader shot his load when he saw Denise Derringer (Feb. '06) in a red dress. Another just wanted tits and pussy.

Rebecca Love

Rich fuckin' bitch Holly Halston (Aug. '03 *SCORE*) likes nothing better than to abuse her floor-scrubbing, redhaired maid, Rebecca Love (March '06 and this issue's Xtra section). Rebecca turns the tables on Holly at poolside after one too many snotty commands. The false social order created by capitalism is brought to its knees, literally, as they ravish each other's overheated cunts. Rebecca unleashes the big strap-on cock that she has dreamt of sticking into Holly's bitchy snatch since she began her job as a high-heeled maid. Some buttohole and perky nipple licking is also on the schedule. So that's how the rich live.

Alexia Moore and Danielle Derek (they did a rare double interview in the February '06 issue) could spend the entire day in bed sucking on and playing with their hooters and shaved snatches. Said Alexia about Danielle, "I think her pussy is totally gorgeous, and it always tastes delicious. It's tiny. It's so cute, but it tastes so amazing." Danielle fucks Alexia's asshole with an anal probe.

Charlee, the sexy blonde from *SCORE Xtra #12*, and Kitty Lynxx shared one cocksman in *My Boob Heaven*. That wasn't enough. They still had the hots for each other. This time, these horny little sexpots share a big rubber dick and do everything that bad girls like to do to wet pussies and sensitive nipples. We have seen many oversexed twat lovers. These two get big gold stars.

Now that they're *Busty Snatch Club* members, they're insatiable for more nipple sucking and clit lick-ing. *Busty Snatch Club* also includes a scene with pussy-crazed Russian redhead Kathy going down on Charlotte, who's as submissive as they cum.

EURO BOOB COVER-UP

NEW RULES BAN BARE MELON MOUNDS

Voluptuous barmaids in Europe and the men who drool over them are busting at the seams over a new European Union rule that may force them to cover up their precious mounds of jigging, bouncing breast flesh.

Employers must make sure their outdoor workers are protected against the risk of sunburn. This includes big-jugged barmaids who heft those big jugs of brew in Europe's outdoor beer gardens.

The EU's newly legislated Optical Radiation Directive, called "the tan ban" by its opponents, was created to minimize employees' exposure to potentially cancer-causing sunlight.

Bavarian beer maids typically dress in a traditional costume known as a dirndl, a dress with a tight, low-cut top. Bar managers have been told that the dirndl will have to be replaced because it offers no

protection against what the directive calls natural sources of radiation. They'll face penalties if they don't protect workers from the threat of sunburn or skin cancer.

"This is European law-making at its most pedantic," the mayor of Munich said. "A waitress is no longer allowed to wander round a beer garden with a plunging neckline. I would not want to enter a beer garden under these conditions." Well said, Mayor.

A spokesman for the Bavarian Hotel and Restaurant Union said, "I have spoken to lots of waitresses, and none of them have told me that sunburn in the décolleté area has ever been a problem."

"This is an attack on the traditions

of a region," said an angry spokesman for Oktoberfest, the biggest beer-blitz blowout in the world.

Boob Beat considers this cover-up to be one of the worst examples of boob prejudice encountered to date.

BOOB BLOOPERS WITH HONEY MELONS

"The layout with Honey Melons (February '06) was a flashback that I really enjoyed. I wasn't expecting those photos and new ones as well," wrote R.C. "I used to catch her shows all the time back in the day, and I'm sorry that she retired."

In this amazing sequence shot in 1997, Honey ("I moan for the bone and scream for the cream.") uses her skills at deep-throating to stuff a foot-long sausage down the hatch. It's a cryin' shame that she never did a SCORE hardcore video with a real man-sausage.

Honey's deep-throat skill is demonstrated in this amazing sequence.

Brandy Dean gives good phone. This XXX pictorial ran in April '05.

PHONE SEX PHUCK-UPS

Senior citizens in Iowa who called a phone number for answers about a new Medicare prescription-drug program got connected to a phone sex line instead. Talk about a phuck-up!

Several thousand letters with the phone-sex number were sent across the United States to people asking about Medicare's drug program.

"When things go wrong, why does it always have to be a place like this?" moaned an insurance company spokesman. "Why can't they route you to Grandma's Daycare?"

The phone number listed on the letter was one digit off from the correct number.

In St. Louis, Missouri, callers who dialed a phone number published on an outdated form for passport information were connected to a \$3.99-per-minute sex line. The government had cancelled the number, which was then idiotically reissued to the sex service.

New Jersey motorists who called a toll-free number for info about handicapped license plates reached a phone-sex operation instead. The mix-up happened because the Motor Vehicle Commission has the newer 888 toll-free area code, but its number was mistakenly listed with the old 800 prefix.

THE ABSOLUTE WORST PICKUP LINES EVER SAID TO SCORE GIRLS

When it comes to lame pick-up lines, *SCORE* girls have heard them all. Here's another sampling of what not to try in pursuit of super-busty babes.

Amber Brooks "Hi, my name is Marc. I'm your future ex-husband."

Kelly Kay: "Do you sleep on your chest? Mind if I do?"

Cindy Cupps: "I lost my number. Can I have yours?"

Summer Sinn: "Sit on my face and I'll guess your weight."

What do Autumn-Jade's huge boobs tell scientists about her character traits and personality? According to one Japanese researcher, there's a whole lotta shakin' goin' on!

CSI: CLEAVAGE SIZE INVESTIGATION

A woman's breasts will tell you a lot about her character, Japanese mammary maven Dr. Mitsugu Shiga said.

Boob Beat wonders if Dr. Shiga knows Italian sexologist Piero Lorenzoni (October '05 "Boob Beat"), who compared hooter shapes to fruits in order to analyze a woman's personality. Or is this a case of two brilliant minds making the same magnificent discovery?

Shiga claims breast size is a

fair indication of the degree of female hormones the body produces. After having worked out what sort of character a woman has, he can also calculate her attitudes about sex.

Shiga's method involves calculating the distance from the base of the throat to the tip of the nipples, which becomes Distance A. Distance B is the length between the tips of the nipples of both breasts. Distance C is the space from the center of the navel to the point of the breasts. Depth, roundness, perkiness and sag-giness of the breasts is also important to the method.

So what does it all mean?

Women whose Distance A is longer than their Distance B and Distance C: They have regular builds and are the most common in Japan. They are obedient and seen as the ideal wife. They are good for child bearing.

Women whose Distance A and Distance C are both shorter than Distance B: Tall, slender women. Many are naive, nervy and spoiled. They yearn for affection and smother their lovers, which can backfire.

Women whose Distance B is shorter than their Distance A and Distance C: They have heavier bodies with bulkier breasts. They are easygoing and romantic. They are hyper-emotional. A large percentage have lots of children.

Women whose Distance A and Distance B are about the same, but both are less than Distance C: These are women with long torsos. They have abundant male hormones working inside them, which makes them more muscular and taller than other women.

Mr. Shiga's titty theories may need some work, but research on the right subjects (such as Autumn-Jade), using a tape measure and a raging hard-on, must be a great way to spend an enjoyable afternoon. We're going to medical school.

BOOB PREJUDICE CLAIMS VICTIM

In a story that made international headlines and is an example of the kind of boob prejudice that *SCORE* has been leading the fight against, a 16-year-old English teenager had breast reduction surgery after claiming that her fellow schoolgirls bullied and harassed her about her 36K boobs.

To put a K-cup in perspective, Nicole Peters wears a J-cup bra. The teen's knockers were reduced by 11 cup sizes to 36D. She said the bullying began when she started secondary school.

"As soon as my breasts appeared, they started to ruin my life," the girl told reporters. "I would hide them in baggy clothes and was constantly aware of people staring at me. By the time I reached secondary school, I was a 36D. Girls would call me horrible names and say I was a slapper. They accused me of having breast enlargements and being on steroids."

The girl said she was even physically attacked twice. Seven girls surrounded her on the way into school and punched and kicked her.

"It was just because of the size of my breasts," she said. "I was hoping that somebody would be my friend and take me for who I was, not what I looked like. When I woke up after the operation, it was an amazing feeling. I felt normal, like a teenager. I don't have women and old men staring at me. I have younger boys staring at me now, and that's the only

attention I want."

Cherry Brady, who campaigns against breast-reduction surgery at CherryBradyOnline, said this about the story: "It's too bad her parents, her doctor and the people around her didn't give this young, impressionable girl a positive message about herself: that they believe she is perfect and beautiful regardless of what other people are saying and that she is a very special girl. The best thing they could have given her would have been the psychological, verbal and social skills needed to deal with the cruel way people treat each other."

This girl should have been posing for *SCORE* when she turned 18, like Angela White did. Imagine Marilyn (below) succumbing to this kind of

treatment. Boob prejudice must be made a criminal offense, or we'll continue to lose more busty teens to these filthy butchers.

HOT BRAS

Triumph International in Japan has created a heated bra. The bra pads are filled with a reusable, eco-friendly gel that can be heated in a microwave or with hot water. A long strap flows down the back and is meant to be wrapped around like a boa to keep the neck warm.

"We hope this will not only help prevent global warming but also provide a little fashion chic to the office," a Triumph spokesperson said.

Is there something wrong with the hands of a stranger?

Vixen LaMoore says any bra is nuthin' without the stuffin'.

BRA WALKERS

Participants in the first Scottish moonwalk will wear decorated bras as they walk during the night.

The Moonwalk will take place in Edinburgh, Scotland in June. About 8,000 bra-clad power walkers, both women and men, will cover a half- or full-marathon around the city.

The Walk's organizers are aiming to raise £1,000,000 (about \$1.7-million U.S.) at the event to support breast cancer-care projects. Walks are held around the world.

THE VOTES ARE IN!

Who was 2005's No. 1 big-titted newcomer?

One day, when big-tit lovers look back upon 2005, they will do so with fond memories. They will marvel at the quality and quantity of new, stacked talent that emerged in the pages of *SCORE* during the calendar year. As reader J.G.P. from Toronto, Ontario said, "This was the best year ever for newcomers. Unfortunately, you only get to vote for one." Faced with the task of picking just one winner among the 10 finalists for Newcomer of the Year, reader S.M. from Sheffield, England said, "Wow! That was the hardest thing I've done since passing my driving test!" Of course, marveling at big-breasted beauties is a lot more fun than taking a driving test...as evidenced by the record 18,456 readers who cast ballots in this year's Newcomer of the Year Contest. You voted my email, by snail mail and even on the Internet at Scoreland.com. And now, the big moment has arrived. The envelope, please...

4TH PLACE Summer Sinn, 2,037 votes

We've been seeing a lot of this sexy, personable GG-copper from Boston, Massachusetts since she made her debut on the cover of the February '05 issue. In addition to making five appearances in *SCORE*, she also showed off her fucking-and-sucking prowess in the DVDs *Big-Tit P.O.V.* and *SCORE Xtra #12*. Then she was given one of *SCORE*'s highest honors: her own *Ultimate* video, *Ultimate Summer Sinn*. "Summer is hot and she does hardcore," wrote J.B. from Van Nuys, California. "There was just no contest." Summer fucked her way to the top!

3RD PLACE

Bea Flora, 3,113 votes

How great a year was 2005 for *SCORE* newcomers? Well, when Polish beauty Bea Flora debuted on the cover of the June '05 issue, we thought we were looking at the 2005 Newcomer of the Year. She was so magnificent that she stole the cover from 2004 Newcomer of the Year Kelly Kay, who was crowned in that issue. But there was more greatness to come in 2005, and Bea, who one reader called "quite possibly the most beautiful *SCORE* Girl ever," finished a close third in the voting. "To me, it's all about the tits and the face," wrote L.S. from Tampa, Florida. "Nobody comes close to Bea."

2ND PLACE

Amber Brooks,
3,221 votes

"Amber is just amazing, possibly the most sensual woman I have seen in *SCORE*," wrote N.A. from Richmond, Virginia. "If you could combine the best parts of Dawn Stone and Linsey Dawn, the beauty of Amber Brooks would result. She has radiant eyes, pliable and pendulant breasts and a nice, plump rear. Not only is her body unforgettable, she is amazingly beautiful, even clothed." Amber reminds us of a huge-titted version of actress Demi Moore, but what really connected with readers was Amber's enthusiasm about being a *SCORE* Girl...an enthusiasm that culminated in her rallying the fans at AmberBrooksOnline.com to vote for her. She's a *SCORE* Girl who absolutely loves being a *SCORE* Girl.

1ST PLACE

Merilyn Sakova, 5,973 votes

In a spectacular year for newcomers, Russian beauty Merilyn Sakova was the most spectacular of all, possibly the most spectacular of all-time. Her "overpowering combination of beautiful face, ideal body and massive tits," as J.V. wrote from East Windsor, New Jersey, simply overpowered the competition.

NEWCOMER
OF THE YEAR
2005**

Merilyn is the first Russian to win New-comer of the Year and the third straight natural to cop the award (Kelly Kay in 2004 and Nicole Peters in '03). Is she the greatest of all? Wrote B.D. via email, "Merilyn is the most slim-and-stacked babe of all time. No offense, Linsey, but Merilyn is now the new definition of top heavy. Her immense orbs are like small planets. And unlike some newcomers, she's not shy about spreading her hot pussy and ass for our jacking pleasure." Enthused M.V., "Once in a long time, someone like Merilyn comes along. Merilyn tops all of them." These photos truly say it all. Merilyn's chest-to-waist ratio is amazing. But there's more.

If Marilyn just had a beautiful face, G-cup tits and a flaring waistline, it would've been enough. She still would have won Newcomer of the Year. But Marilyn topped things off with some super-sexy posing in which she showed off and plugged her glorious fuck holes...something Kelly Kay and Nicole Peters didn't do for a while after their debuts. "And if I win Newcomer of the Year, you never know what I'll do next," Marilyn promised in the January '06 issue. Well, Marilyn is celebrating winning Newcomer of the Year with her first video, *Marilyn Busts Out*. She has a new website, BustyMarilyn.com. With this wondrous babe, the sky's the limit.

SLIPPERY SLOPES

◆◆◆ BY ED LERNER ◆◆◆

Dan skidded to a stop at an overlook that encompassed the entire valley below. It was the perfect afternoon for skiing. The slopes were uncrowded, the snow was fresh and the air was calm. Skiing was his escape, and he needed it now more than ever. After the scandal erupted, the press had excoriated him, his company teetered on the brink of bankruptcy and the media vultures couldn't wait to pick at his carcass. He had never been more miserable.

And it was all a fabrication, a "scandal," he thought for the 100th time as he unsuccessfully tried to forget it and concentrate on the beauty of the scenery.

He had started his company on a shoe-string budget. Over the years, his Bedtime Boutique ("Naughty Nightwear for World-class Women") had become one of the largest catalog lingerie outlets in the country. Unlike the anorexic twigs who paraded on fashion designers' runways, Bedtime's models were spec-

tacularly endowed: full breasts, narrow waists, flared hips. Women with figures that enhanced everything his company offered, from bras to bustiers, from girdles to garter belts, from nylons to negligees. These models

were living showcases for his wares, and Dan—once featured in a trade magazine as the world's best boss—prided himself on his staff's loyalty.

But then Marietta—Naughty Marietta, as she billed herself in the catalogs—demanded not only an obscene raise in her modeling fees but also twice the exposure of all the other models. In response, Dan did the only practical thing. He fired her.

And then she went to the press with the story that Bedtime Boutique was a front for a major drug and call-girl cartel. She got her boyfriend, a flack who worked for a scandal rag, to write up her story in lurid detail. No facts, no proof, just suggestion and speculation. Then the wire services picked it up, followed by the cable news stations. Dan never had a chance.

He was dogged by the tabloids, and his protestations of innocence left a cloud over his head, even when it

turned out that he was innocent. The scandal was Page One news. His eventual vindication was buried deep inside the newspapers.

Dan was ready to dissolve the business. But then there was Max. Maxine, or Maxima, as she was known in college, thanks to her street smarts and 4.0 grade-point-average. It was Dan who had come up with the concept for Bedtime Boutique, but Max made the business work. There was no romance between Maxima and Dan, just professional respect and deep friendship.

It was Max who'd told Dan he needed a vacation, Max who'd rented the slopeside chalet for him under an assumed name, Max who'd told him to take a week to get his head together while she considered the possibilities for Bedtime Boutique's future.

So there he stood, trying to focus on the striking view but stewing inside.

"I'm falling! Watch out!"

Before he could turn around, Dan was plowed into from behind. He felt arms around his waist, felt his skis pop from his bindings, and rolled 10 feet down the trail, still entangled in an extra set of arms and legs.

"Hell of a way to meet someone," he said lightly. "My name's Dan."

"I'm so sorry," said the woman he had become tangled up with. "Genie told me to stay on the bunny slope, but did I listen? Noooo. I'm such a klutz. Are you okay?"

"Fine, but if we stay in this position any longer, we might end up engaged."

They laughed. He helped her to her feet. Up the hill, her skis lay next to his.

"I'll get them," Dan said as she brushed herself off. After he'd put his own skis back on, he grabbed hers, skied down to where she waited and got his first look at her.

She was a vision, all in white, from boots to bibs to jacket to knit cap. Square-cut black bangs peeked out from below her cap and ended above her coal-colored eyes. Her skin was dusky, her nose chiseled, her lips a red-orange hue, her cheeks dusted with blush. She looked exotic, almost like...

"Cleopatra," she said, holding her poles in one gloved hand and extending the other.

"Beg pardon?" Had she been reading his mind?

"Cleopatra. You Dan, me Cleopatra. And don't call me Cleo."

He took her hand. "Okay, so long as you don't call me Danny boy."

Both of them laughed again.

"So who's Genie?" Dan said.

"My girlfriend. We're on vacation from our bank jobs. Genie promised she'd teach me how to ski, and I said great. So what does she do? She heads for the expert slopes and leaves me in ski school. Know why they call her Genie? It's spelled G-E-N-I-E. "Remember the story of the genie in the jug? Well, she's got two jugs. Makes other women's boobs look like pimples."

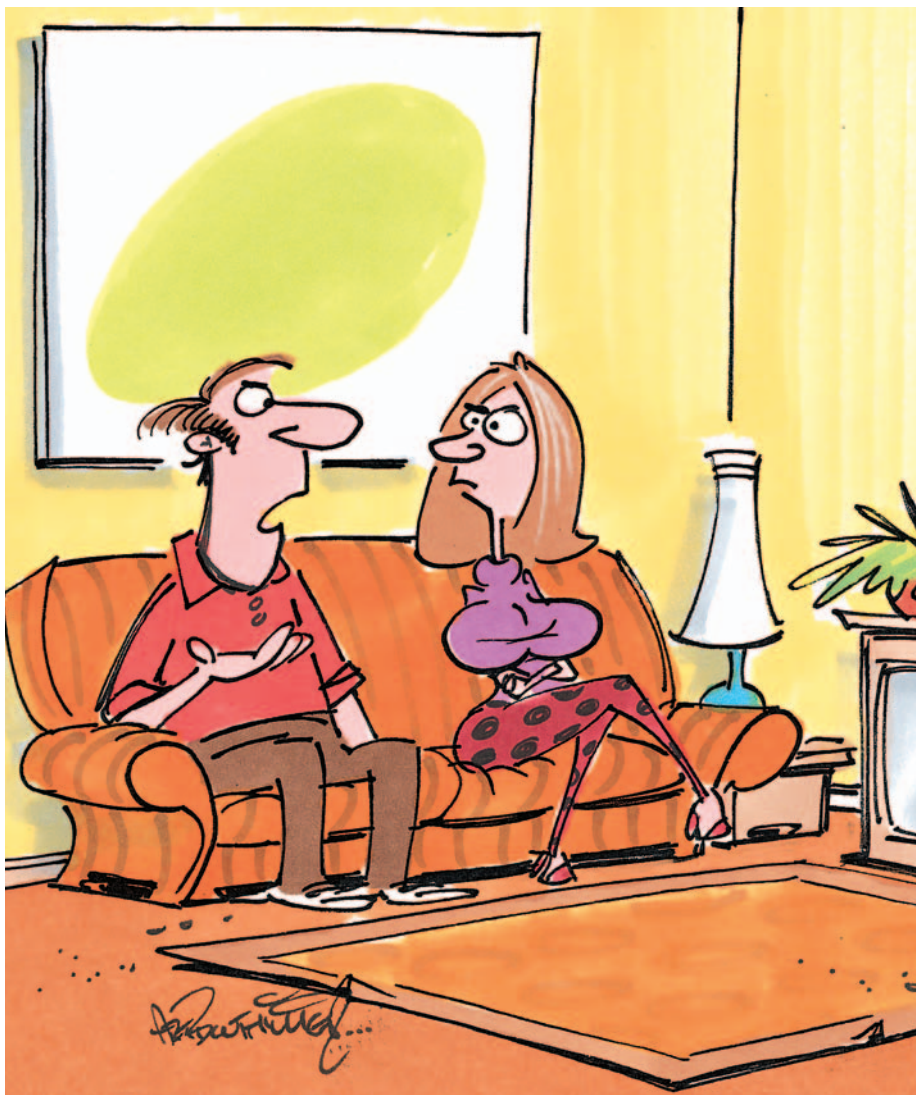

She laughed at her joke. From what Dan could see, Cleopatra was pretty properly endowed herself.

"Ouch," she said. Her smile quickly disappeared.

"What?"

"I think I twisted something."

Dan was seized with a sudden inspiration. "I do massage therapy," he said. "Maybe I could help you?"

*"How can you say I'm not sensitive?
Didn't I cry when you squeezed my balls last night?"*

**FINALLY,
CHERRY!**

**G-CUP CHERRY BRADY IS FINALLY A
SCORE GIRL. AND IT'S ABOUT TIME!**

"That's the most spectacular news I've heard all year!" Cherry Brady said when we told her that, after making nine appearances in *Voluptuous* magazine, she was about to become a *SCORE* Girl. "Since I started modeling, I have become quite a fan of *SCORE* and am even addicted to 'Boob Beat.' I know I'm best described as voluptuous, but there's room for me in *SCORE*, too!"

DEBUT**

A full-page photograph of a woman with large breasts posing outdoors in a tropical setting. She is nude, with her head tilted back and eyes closed, basking in the sunlight. Her hair is dark and voluminous. She is holding her right breast with her right hand. The background is a lush green jungle with various tropical plants and trees. The lighting is bright and natural, creating strong highlights and shadows on her skin.

What big-tit lover wouldn't make room for Cherry...in bed or otherwise? The fact is, Cherry's measurements say she's made for *SCORE*: Natural G-cup tits. A 28-inch waist. So what kept her out of *SCORE* during the three years that she was becoming a V-Mag favorite? Perhaps it was her hourglass figure—big tits, small waist, big, round ass—that's most preferred by V-Mag's readers. Perhaps it was her wife-next-door looks. Cherry doesn't look like a stripper or a porn star, even though she does take it in the ass in *Ultimate Cherry* and *Voluptuous Xtra #8*. Cherry is a regular girl with an amazing body. And these pictures do justice to her in a very *SCORE* way.

In addition to being one of our favorite babes, Cherry is also one of the most vivacious models ever. She loves being naked in our magazines. She wrote her own script for the DVD *Ultimate Cherry*. She's actively fighting to wipe out breast reductions from the face of the earth at her personal website, CherryBradyOnline.com, which contains myth-shattering information. Now she's a *SCORE* Girl. "And I can truly say that I am proud!" she said. Cherry, we couldn't be any prouder to have you!

Summire's Cumming Again!

IN AN EVER-CHANGING BUSTY UNIVERSE, THERE IS ONE CONSTANT: SUMMER CUMMINGS.

Big-titted babes appear and disappear. Summer Cummings keeps going. It's hard to believe that eight years have passed since she and her ex-partner, Skye Blue, sailed with *SCORE* on Boob Cruise '98. Boob Beat columnist Elliot James remembers being called up on stage by them in 1999 during their show at the now-defunct Wild J's club in Las Vegas. "They laid me on the floor and dry-humped me," Elliot said. "I didn't shoot my load in my pants, but it took all the energy I had not to. My back is still fucked up."

Summer was fresh out of high school when she started dancing at a topless bar in Reno, Nevada. Then she went to San Francisco, stripped at the Mitchell Brothers Theater and became fascinated by the fetish world. Summer moved to Vegas and met Skye Blue at the Palomino Club in 1994, beginning a relationship that made them the world's best known big-tit duo until they split up a few years ago. In 2004, Summer signed a movie deal with producer/model Elizabeth Starr.

FROM RUSSIA, WITH LOVE AND LUST, COMES ANNA SONG. WE'RE SINGING HER PRAISE.

Earlier in this issue, Marilyn Sakova was crowned 2005 Newcomer of the Year. A year from now, we will announce the 2006 Newcomer of the Year. And if the award was based on the first six months of the year, Anna Song would be heavily favored to win. We don't need to tell you why. The pictures of this barely legal F-cuppper from Russia (the country that gave us Marilyn) tell the whole story. Well, almost the whole story. Because just when you thought Anna couldn't get any sexier, along comes her debut DVD. It's called *Climax With Anna*, and it's the most jackable, fuck-free big-tit flick we've ever seen.

Anna, who reader D.J. from New York called "a younger, more stacked version of Michelle Bond," burns up the screen in *Climax With Anna* with tit-tugging, tit-sucking and dildo-plunging pussy action that belies her age. "Her pussy dexterity is amazing," *SCORE* Editor Dave Rosenbaum said. "She really knows her way around her own cunt. You know how some chicks look like they've never seen a vibrator or played with their pussies before? Anna handles her pussy the way Tiger Woods handles a putter, which is amazing considering she's been with only one man in her life. Anna doesn't just shove a dildo inside her pussy. She places it there, as if she knows exactly which spots to hit, then she moves it around lovingly. She doesn't finger her pussy. She caresses her pussy walls. It's a beautiful thing." Just like Anna, the unofficial front-runner for 2006's top newcomer.

DEPENDING ON THE DAY, JENNY JAMES WILL EITHER GIVE YOU A LOAN OR A BLOW JOB.

On weekdays, Jenny James works in a bank, where she dresses in conservative business suits. Shirts buttoned up to her neck. Skirts down to her ankles. Full-bottom panties. Minimizing bras. On weekends, Jenny never wears a bra, wears G-strings, walks around with her nipples poking through her tops, masturbates first thing on Saturday and Sunday mornings and doesn't consider the weekend complete until she's met at least one potential fuck-mate and has cum at least three times. "I'm a walking contradiction," she said.

A woman with long, dark, wavy hair is lying down, looking towards the camera with a slight smile. She is unclothed, showing her large breasts and pubic area. She is wearing white lace underwear. Her right hand is resting on her left breast. The background is a solid blue color.

Which Jenny is the real Jenny: the Monday-through-Friday businesswoman or the Saturday-and-Sunday sex kitten? Conservative Jenny? Or the Jenny who's showing off her tits and pussy on these pages? "Why does it have to be one or the other?" she said. "I just happen to be a woman who knows how to focus on what she's doing. During the week, I focus on work. On weekends, I focus on shagging." Her tits help her get what she wants. "Men love big tits," she said. "Any man who doesn't love big tits is lying. If I wanted, I could use my tits to advance further in my professional life. But I'm not going to do that. I'm not that kind of girl." At least not on weekdays.

KINKIEST SEXUAL ENCOUNTER: "I once had two guys sucking on my nipples and another guy eating my pussy at the same time. That's it. No cock. They were exquisitely pleasuring me."

HOBBIES: "Dancing, riding horses and doing wild, crazy things on weekends that the people who I work with would never expect me to do."

An hour later, Dan and Cleopatra were in his chalet with their jackets and caps hanging on hooks and their boots dripping on the tile entryway. Both still were wearing their zip-up bibs and turtlenecks, but they'd taken off their insulated socks. Cleopatra's hair was long and straight, ending between her shoulders and her waist, and her bib did little to hide her curves. She unzipped it to her waist as she settled on the living room sofa. Her turtleneck was red, and the contrast emphasized the thrust of her breasts as they pushed beyond the white bib.

Dan flicked a switch, and the gas fireplace lit up. "All the comforts," he said.

"Speaking of comfort," Cleopatra said, indicating her neck.

Dan stood behind her and began working on her neck and shoulders.

He'd never had any formal massage training, but once a week, he and Max would treat themselves to a massage, and he knew the routine.

"Oh, that's good," Cleopatra mumbled. "You're very good, Dan. Here, let me make it easier for you."

She slid the straps down and leaned forward to give him access to her back. He started working on her again, but he wasn't thinking of her back.

"Do you mind?" she asked as she slid out of her bibs, leaving herself dressed only in a sweater and longjohn bottoms. "Do my back?"

Cleopatra lay down on her stomach, and Dan knelt astraddle her, then rubbed her back as he admired the swell of her buttocks. She looked over her shoulder.

"You must be hot in your bib," she said. "It's okay by me if you take it off."

Soon they were both in their turtlenecks and longjohns, and Dan returned to working on Cleopatra's neck. He had

to force himself to hold his hips above hers. If he lowered himself, there'd be no telling what might come up.

Cleopatra pulled her turtleneck up to her arms, revealing the back of her bright-red bra. It looked especially inviting against her jet hair and tawny skin, and Dan could see that the clasps of the bra were straining for release. Part of the strap seemed to be frayed.

"I'm feeling better already," Cleopatra said. "His thumbs and fingers kneaded her neck, back and sides. "Could you undo my strap so you can get all my back?"

With trembling fingers, Dan unhooked Cleopatra's bra and kneaded the flesh that had been beneath the strap. He couldn't help but sneak a peak at the label on her bra: 36F. He felt his cock getting harder at the mere thought. It was funny how simply seeing a bra label could turn him on. He worked her back harder, trying to concentrate on the job at hand. Cleopatra held her breath when he squeezed and let it out when his fingers relaxed.

"I'm feeling much better now," she sighed. Then she looked over her shoulder. "Would you mind getting up?"

Dan stood and Cleopatra sat up. Her sweater was raised high above her chest and her bra was balancing precariously on her breasts. She sat on the edge of the cushion and fixed her eyes upon his as, suddenly, she lifted her bra to expose her breasts. She smiled as his eyes grew wide at the sight of her large, dark, perfectly round areolae.

"Rub me here?" she asked, her voice pure, sweet and innocent as her index fingers made circular motions on her areolae. Her nipples were getting harder, and so was Dan's cock.

With awe that bordered on reverence, Dan knelt on the floor before her and stroked his hands down the front of her breasts. He felt the hardness of her nipples, then slid to the sides of her breasts and gently pressed them together. His fingers confirmed that these magnificent mammaries were totally natural, and his eyes told him her nipples were perfect in every way. He felt his mouth turning dry, and when he heard her whisper, "Please," he brought his face to her cleavage and kissed her quivering flesh. He pressed his head deep into her tits, then began kissing his way to one of her nipples. With his ear against her chest, he heard her heart beating faster.

TAKE MERCEDES FOR A TEST DRIVE. HUG HER E-CUP CURVES. PARK YOUR COCK IN HER PUSSY.

Let's welcome back Mercedes Mounds and her wonderful 5.5-inch, pancake-sized areolae. If you followed our last two annual reports about the *SCORE* booth at the Adult Entertainment Expo in Las Vegas or saw the photos and videos at Scoreland.com, you'll remember how popular Mercedes was as she greeted *SCORE* fans with tight titty hugs.

Last year, the *SCORE* Girls at the Expo (Crystal Gunns, Vixen LaMoore, Kandi Cox and Mercedes) put paper stickers over their areolae to comply with the no-nudity rule. The guys who crowded the *SCORE* booth went out of their minds over that, and it's all caught on tape. A full-time friction dancer and maker of hard-ons at Sapphire's in Las Vegas, Mercedes likes, in no particular order, the New York Rangers and other hockey teams, Oldsmobile 442s, Gina Gershon, bowling and painting. Certainly a wide range of interests. Mercedes knows how to attract a lot of attention, too. "When I leave the house, I usually wear tight jeans, push-up bras, babydoll blouses and four-inch heels," she said. "And one thing I definitely do every morning before I go out is shave my pussy. I mean, you never know who you're gonna run into!"

Mercedes loves using her generous curves to get men hard, and she'll have you sporting wood when you see her put on a private show in the DVD *Busty Dildo Lovers #6*. She starts out wearing a tight pants suit that she quickly strips off. Then gets down on her knees, stares at the camera and kneads her big jugs through her bra before tossing it off to better massage her flesh mountains. All warmed up, she sucks on a cock-shaped fuck-tool to lube it up good before plunging it into her pussy, all the while talking dirty and begging for your dick. Mercedes plugs her pussy faster until she cums, then she licks her pussy juice off the mock-cock. "My tits and pussy were put on this world to make men happy," Mercedes said. "So get on and take me for a ride!"

As he kissed one breast, his hand stroked the other. His fingers flexed in her flesh. His lips found one nipple as his fingers found the other. As he sucked on one, he stroked the other, and both became equally hard. He looked up and saw Cleopatra's eyes closed and her mouth open, her tongue wetting her lips. He kissed up the slope of her breasts, to her neck, her chin, and finally her lips. Their tongues danced as his hands pressed her breasts together and his fingers found her nipples again. Then he sucked on her nipples again.

Cleopatra tilted his face back to hers and said softly, "Do you have something I could suck on, too?"

Dan stood up, his erection pressing against his longjohns. As much as he wanted to keep sucking her tits, he could never turn down a blow job.

"I see you do," she said. She pulled down his underwear and released his cock, which sprang right into her mouth. She held his butt cheeks tight and pulled his groin further into him until she had him balls deep in her mouth. He could actually feel her breath on his balls. Then she let him out on the upstroke and ran her tongue up and down his cock before wetting his balls once again. She took a mouthful, then another, and sucked, then she took his eight inches deep into her mouth.

Dan lowered his head, opened his eyes and saw her returning his gaze as her mouth worked miracles. An hour ago, he'd been feeling sorry for himself. Now, she'd turned him into the luckiest man alive. He held the side of her head, returned to his knees and brought her lips to his. Their mouths met, their tongues touched. When Cleopatra's tongue and sweet breath found his ear, Dan thought he would explode.

Dan's mouth moved again to her breasts, her nipples and then to her navel. He kissed the slight swell of her abdomen and began lowering her longjohns. Her pussy was exposed to him and his tongue. Cleopatra took off this last remnant of clothing and wrapped her legs around Dan's head, drawing his tongue deep into her pussy. In seconds, his face was covered with her cunt juices.

Cleopatra moved forward and eased Dan back until he was lying on the car-

pet, then placed her wet pussy directly over her mouth. He stuck his tongue deep inside of her, then she slid down his body and mounted his cock, moving her hips up and down as her breasts swung gracefully before his face. With each plunge, he drove his cock deeper into her pussy. He cupped her tits and drew her nipples to his mouth as she elevated herself and he drove his hips up and down, losing himself in the very lushness of her.

Cleopatra pulled away and returned to the edge of the sofa. One hand beckoned him as the fingers of the other touched her lips.

"Here," she said. "I want you to cum in my mouth."

Dan stood, then stuck his cock between her lips. When he came, she swallowed every drop of his cum. When she released him, a small pool of sperm spilled from her mouth and down her cleavage. She scooped it up with her fingers, placed it on the tip of his penis and returned it to her mouth. Then she leaned back and rubbed a few stray drops of cum into her tits.

"I should call Genie and let her know where I am," she said as her fingers fondled his weakening cock. "It's getting dark. She's probably back at our room by now. Think I can invite her over?"

Dan knew he didn't have to answer.

When Dan opened the door, barefoot but dressed in jeans and a pullover, he knew that Genie was the perfect name for his new visitor. She was nearly as tall as he was, with long, golden hair and a bright smile. Whereas Cleopatra had dressed in white, Genie was dressed all in black: high-heeled boots, jeans and a sweater with a deep V-neck that revealed cleavage just as impressive as Cleopatra's. Genie had a bottle of wine in one hand and a small overnight bag in the other.

"Can't come empty-handed," she said, handing Dan the bottle and walking into the living room, where she saw Cleopatra sitting on the sofa, still naked. "Going informal, I see," she said, tossing her friend the bag. "You might find something in there you like."

Cleopatra smiled, then took the bag and disappeared into the bedroom.

"Do you have an opener in there?" Genie asked, nodding toward the kitchen and noting Dan's apparent immobility at the sight of her. "Or are

"I like my boobs touched very lightly and delicately, with a lot of fingertip rubbing all around my breasts, up and down and around the areolae," said Michelle Bond, who doesn't have to beg to get that treatment. "I like gentle tonguing and gentle, firm sucking of my nipples. I need a man who knows how to handle my breasts." For a demonstration, check out Michelle's video interview on Scoreland.com, in which she says those words in her soft Liverpoolian accent. How often do guys hit on Michelle? "Not much during the week, but if I'm in a club, a lot of guys try to pick me up," she said. "I have no trouble attracting men."

Michelle was 13 years old when her boobs started getting big. She was 22 when she first posed for *SCORE*. The No. 1 question that many readers have about Michelle is whether she'll ever ride the fleshpole in these pages. As you know, she has no qualms about sticking a dingus in her pussy or talking about sex. "I don't know," she said. "Probably not. Some people might not understand this, but there's a big difference between sticking a dildo in my pussy in a magazine and having sex with a flesh-and-blood human being. But I don't ever want to say never to anything."

we going to just stand and stare at each other?" Then she laughed and said, "I'm kidding, Dan. I'm flattered, really. Now, let's break out some glasses. Cleopatra tells me you're good with your hands."

A half-hour later, they were on the sofa, sipping their wine, when the bedroom door opened and Cleopatra emerged. Had wine still been in his mouth, Dan would've choked. She was wearing a black negligée over a strapless, red, satin bustier that pushed her breasts up and barely covered her nipples, a red garter belt, sheer black stockings and high-heeled shoes. No panties.

"I see you like my outfit," Cleopatra said, noticing Dan's obvious approval.

But there was more to Dan's liking than the way Cleopatra filled out her sexy outfit. Every piece of clothing she had on had come from Bedtime Boutique. Dan's mind spun. The company he would soon dissolve had provided the garb for this Nubian goddess.

Genie broke Dan's spell. "I hope you've left something for me," she said. She turned to Dan and said, "Excuse me, nature calls," but she went into the bedroom, not the bathroom.

"You like?" Cleopatra cooed as she sat next to Dan.

"I can't even begin to tell you," he said. Cleopatra leaned forward to kiss him and slid his hand inside her negligée, where he felt her breasts.

"You're really bankers?" asked Dan. "As beautiful as you both are?"

"Tellers," Cleopatra said. "Entry level. About as low as you can go. A girl's gotta eat." Her hand strayed to his crotch, then she leaned down and took a suck of his hardening cock. "Like I said," she said as she came up for air.

A few minutes later, Genie rejoined them, wearing still more articles of clothing from the Bedtime Boutique catalog. She stood in front of Cleopatra and Dan as if for inspection, and she smiled as she saw the shock on Dan's face. Her golden tresses were jeweled and piled high on her head, and her wispy bangs fell almost to her eyes. A leather choker encircled her neck, gold bracelets adorned her arms and rings graced her fingers. Her legs were clothed in pale-pink harem trousers: billowy, slung low

Spencer's Gifts

JULIAN SPENCER'S GIFTS ARE HER DD-CUP TITS AND BUILT-TO-RIDE ASS. SO UNWRAP HER.

Please excuse the tacky headline. Gazing at Julian Spencer, who's making her third appearance in *SCORE*, makes our brains go fuzzy. You see, it's not just that she has a great body (which is evident from these photos). It's that she knows how to use it. "I like sex to be an adventure, and I like it as often as possible," she said. "For some reason, it seems I'm always the one who initiates sex. I like a man who takes his time and pleasures me first. I'm pretty adventuresome."

"I hate a selfish man in bed," Julian said. "When I first meet a guy, I get turned off if he's overly aggressive. Pick-up lines don't work with me. A nice smile and a hello work just fine. I like a man who can carry on a conversation during a date without the awkward silences that make both of us self-conscious. I like going to sushi bars on dates. It becomes very raw and oral, kind of like a taste of what's to come. And if he's done everything right, and I'm in the mood, which I usually am, the rest of the night is going to become very raw and oral, too. Men have told me I'm a great cock-sucker." Tits. Ass. Mouth. They're all Julian Spencer's gifts.

on her hips, elasticized at the ankles, and totally transparent. He could see where her legs met and that she was shaved clean. No hair on her pussy.

But it was her breasts—those bounteous, beautiful tits—that ultimately riveted his eyes. Genie was wearing a red vest made of silk, and the front was linked by two thin, golden chains, one at the top, the other at the bottom. The vest's lower inside corners barely concealed her nipples; the curved bottoms of her tits and the valley between them were on full display. Whereas Cleopatra personified Dan's romantic dreams, Genie was the representation of his more exotic fantasies.

"Hello, Master," Genie said.

She turned around and modeled her outfit, which was transparent enough to reveal the womanly curve of her ass, too. She sat down next to Dan, on the other side from Cleopatra.

"You're not real, you're a dream," he said. "Both of you. This can't be happening to me."

"This can," Cleopatra said, and she slipped off Dan's shirt while Genie worked on his jeans. Before he knew it, he was stark naked between two young women whose beauty would have put his own, former catalog models to shame. He had no idea that his clothing could look so good on anyone.

Cleopatra slipped off her negligée and knelt on the carpet between Dan's legs. Genie knelt alongside him on the cushion and held his cock to Cleopatra's lips. When her friend's mouth had engulfed Dan's hard-on, Genie sucked on his balls, so when he looked down, two beautiful, sexy, super-breasted women had their mouths around various portions of his cock and balls. Then Genie stood up, unfastened the lower chain on her vest and lifted the corner off the nipple closer to his face.

"Peek-a-boo," she said.

Her nipple was the color of cantaloupe, bordered by a slightly darker areola. He traced a finger around it, felt its hardening center and took it into his mouth. As he did, he felt Genie's fingers teasing his pubic hair as Cleopatra continued to work on him with her mouth.

When Dan released her nipple, he saw that Genie had discarded her vest and was now presenting her other

breast to him. He sucked it, too, before burying his head between her mounds.

Genie drew back and stood on the sofa, straddling Dan's thighs and facing away from him. He eased her transparent trousers down over her ass, and she leaned forward, exposing her sex to his hungry mouth.

Soon the two ladies traded places, but with Cleopatra facing Dan. His tongue burrowed into her pussy and his hands reached up to her breasts as he felt Genie's tongue taking a tour of his balls. When Genie's mouth finally closed on him, his own mouth closed on Cleopatra's clitoris. She squealed once and came as she pulled his head even tighter to her downy muff.

Genie, naked now but for her choker and jewelry, sat on one side of Dan as Cleopatra sat on the other. As if on signal, they leaned toward him and lowered their heads to his crotch.

"Mine," said Genie.

"No, mine," said Cleopatra.

And they repeated their playful litany as they moved his cock from one mouth to the other.

Genie mounted him first, sitting on his lap facing him. Cleopatra, meanwhile, knelt next to Dan and began unfastening the hooks on the front of her bustier. With each hook, more of her luscious breasts were revealed, and a renewed thrill of discovery coursed through Dan. As his hands fondled Genie's breasts, his mouth sucked in one of Cleopatra's.

"Genie's jealous," said the blonde, who lifted herself off Dan's lap to kneel on the cushion beside him and press her own breasts to his face, whereupon Cleopatra mounted him in the reverse-cowgirl position. Dan reached around to cup her breasts, and again, his hands and his mouth were filled with natural, gelatinous flesh as his erection bathed in Cleopatra's wet cunt.

Dan leaned forward, easing Cleopatra onto the carpet, and without breaking contact, moved around and started fucking her doggie-style. Genie knelt behind him and tickled his testicles as they bounced forward and back with his thrusts. Then it was Dan's turn to lie on the carpet as Genie mounted him cowgirl fashion. Cleopatra removed her bustier, leaned forward and smothered Dan's face with her breasts. Cleopatra swung her shoulders from side to side, slapping Dan's face with her breasts and sliding her brown nip-

ples across his mouth. Meanwhile, Genie leaned forward and held Dan's hands to her breasts. She ground her hips into his cock, groaned once and came loudly.

Now it was the ladies' turn to bring Dan to climax. While one fed him her breasts, the other trapped his tool between hers and stroked. When both had had their turn, they stood him up and knelt in front of him. They nibbled each side of his erection simultaneously, then took turns alternating their oral attentions from cock to balls. When Dan said he was about to explode, the ladies lifted their breasts.

"So, Master, do you like to ski downhill?" Genie said. "How do you like these slopes?"

Dan couldn't take any more. He shot his load onto their breasts and into their mouths. Seconds later, Genie grabbed Dan's still-spurting erection and pulled it to her lips as Cleopatra's fingertips took the cum that had fallen onto their breasts and placed it on their nipples. When Genie released her hold, she and Cleopatra licked his cum from each other's nipples before returning their tongues and lips to his penis.

Genie looked up at Dan's face and said, "Did we please you, Master?"

Still trying to catch his breath, he answered, "Yes. But I wish I had two of these, one for each of your mouths."

"I have a confession to make," Dan said later as the three clinked their glasses. He wore a robe. The ladies were still naked. They sat at the circular kitchen table, a half-empty wine bottle in the center.

"And what might that confession be?" Cleopatra said.

"I'm not really a massage therapist."

"You could've fooled me," Cleopatra said, glancing at Genie.

"I own the company that made the lingerie you were wearing."

The girls said nothing.

"You know, Bedtime Boutique," Dan said. "The scandal was a total fabrication, by the way. The media didn't see fit to headline that. Just so you know."

Cleopatra glanced again at Genie, then said, "I have a confession to make, too. I'm a world-class skier."

Now it was Dan's turn for the dumb expression. "Could've fooled me," he offered, lamely.

"We did," admitted Genie. "Both of us. We kind of set you up. See, we're job

applicants." She gestured toward their lush, lovely bodies. "You're looking at our résumés."

Dan couldn't speak. Finally he stammered out, "But I've been thinking of dissolving the company."

"We know," Genie said.

"You know?" Dan said. "How?"

There was a knock on the door.

"That must be our other roomie," Cleopatra said as she stood and walked to the front door.

The door opened, and Dan couldn't believe who he was seeing. "Max?" he said. "What the hell are you..."

Maxine, aka Max, aka Maxima, tossed her coat on the sofa and strode into the kitchen with Cleopatra. "Hi, boss," she said. "What do you think of your new models?"

"You arranged this?" Dan said.

"Guilty as charged," Max said.

Genie found another glass and poured some wine as Max sat at the formerly empty fourth chair.

"Okay, Dan, here's the plan," Max said. "I needed to get you revitalized, and I figured that my two best friends from college were just the ticket. Now we need to revitalize Bedtime Boutique. Slicker catalogs, wider range of selections, plus—get this—a kind of how-to section of fantasy scenarios to go with each featured ensemble. There's no place to go but up. What do you think?"

She sipped her wine as Dan looked from one woman to the other. Finally, he looked straight at Max, his expression soulful. "I think I love you."

"I've always loved you, boss," Max said. "I also think I'm a bit overdressed for the occasion."

She began to unbutton her blouse, and Dan realized, for the first time, that Max would have made a perfect Bedtime Boutique model. But he also realized that from this point on, he didn't want anyone else looking at her.

"Girls," Max said, "How about you get dressed and disappear while I stake my claim on your new boss?"

When she and Dan were alone, Max continued her slow disrobing until she was naked. She sat on his lap and placed his hand on the swell of a breast.

"These aren't bunny hills," she said with a loving smile. "They're expert slopes. Think you're up for them?"

She wiggled her hips against his hard cock. "Hmmm, I think you are," she said. "Now, how about we both do some downhill cruising?"

Big Boob Hall of Fame

These are the women who dominate our big-tit jack fantasies. How many millions of loads of cum have been spent over the nine legends on this page? Who can deny that these girls represent exactly what *SCORE* magazine is all about: slim-n-super-stacked beauty. Over the past three years, you have helped us fill the *SCORE* Big-Boob Hall of Fame with these worthy ladies. And although the Hall of Fame doesn't exist as a physical entity—a building which we can walk into and honor big-tit greatness—it exists in the halls of our minds and the balls of our scrotums. “*SCORE* is a special magazine because it doesn't just feature the models once and then ask them to move on,” *SCORE* publisher John Fox said. “It builds relationships with the models, and in doing so, it builds relationships between the models and the readers. Our girls are like great athletes. They build fan bases. They are worshiped and admired. And this is their shrine.”

*Big

Hall of
Fame*

Back in the July '04 issue of *SCORE*, when Angelique last appeared in *SCORE*, we proclaimed that she was "a lock for the Hall of Fame." We also said that big-tit lovers will mourn the day she's eligible for the Hall because that will mean she has hung up her bra forever. Well, that day arrived last year...and our prediction was correct. As M.V. from Las Vegas, Nevada said, "I'm sorry to see one of the best big-titted models go." But now that Angelique has retired, it's time for us to honor the woman who reader Sturg from Michigan called "the greatest model of all time." Angelique is the newest member of the *SCORE* Big-Boob Hall of Fame.

Many readers have called Angelique the best Brazilian *SCORE* Girl ever, and it's hard to disagree with that statement. But Angelique, who sailed on two Boob Cruises, is more than just a great Brazilian model. "She is the greatest big-boob model of all time," wrote T.C. via email. "She is a Brazilian goddess." Angelique appeared in *SCORE* 15 times and was unusual among the big-tit legends of the 1990s in that she did hardcore. Another unusual aspect about Angelique: She had two careers. We thought she had retired forever in the early 2000s, then big-tit lovers rejoiced when she returned on the cover of the Oct. '02 issue, looking as sexy as ever. But, this time, she swears she's hanging up her bra forever. "I just think it's time to move on," she said. "When I came back in 2002, I was afraid that I had worn out my welcome, and I was gratified by the reception I received. Now, I know that I am finished modeling, and I am honored and humbled to be voted into the *SCORE* Big-Boob Hall of Fame." Angelique is the 10th member of the Hall. Will the 11th be inducted this year, or will we have to wait until 2007? The new rules dictate that a nominee must receive at least 30% of the votes to get inducted. Angelique received 33.46%. Did anyone else break the 30% barrier? Tune in next issue to find out.

Dear *SCORE*,

Have any of your photo editors ever noticed how sometimes you accidentally reverse some of your photos?

As I was going over some of my all-time favorites, I suddenly realized how some of Bea Flora's photos are backwards. Her hairline is actually on her right side, meaning our left when looking at the photo the way it's suppose to be printed. But sometimes you have her photo flipped around showing her hairline on her left (our right).

And it's not just with her. It has happened to some of your other gorgeous babes. So, next time, we boob lovers would greatly appreciate if your photo

BIG HOOTERS ARE GREAT, BUT A SMILE MAKES THE DIFFERENCE

Dear *SCORE*,

I recently picked up the January 2006 issue of *SCORE* and was disappointed. Each of the finalists for 2005 Newcomer of the Year had a pictorial, but there were very few smiles. Bea Flora never smiled and Marilyn had only a partial smile. Others barely smiled. I can't vote for a winner if she does not smile, no matter what kind of a knockout body she may have. Smiles make all women beautiful. -R.C., Brooklyn, New York

KEEP THE BOYFRIENDS AND HUSBANDS OUT OF THE PICTURE

Dear *SCORE*,

Luscious pics of Lorna Morgan in the February '06 issue. I don't think she has ever looked better.

Only one problem: My enjoyment of the pictures was considerably impaired by the mental image of her lucky boyfriend's/husband's cock plowing in and out of the pussy she's so delightfully

When a beautiful girl like Bea Flora smiles, the world is a much more beautiful place.

Maybe we made a mistake discussing Linsey's 2001 marriage in *SCORE*. Fortunately, however, she got divorced.

spreading throughout the set. I thought we'd been through all this when Linsey Dawn McKenzie got hitched a while back. Though I wish Lorna every happiness, please, no more details about the models' personal lives.—Karl, via email

Dear Karl: Thanks for writing. You're obviously a long-time reader because you remember the Linsey controversy in the October '01 issue. Looking back, we probably overdid it with Linsey (running an interview with her and her husband), but regardless, ignoring her marriage would've been impossible. After all, we're not only a jack mag, we're really the authority on big boobs. But maybe we should have just mentioned Linsey's marriage in passing.

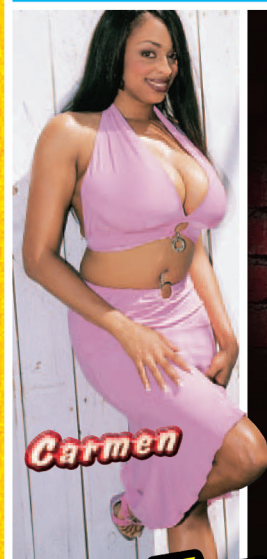

As for Lorna, her pregnancy/baby has been common knowledge on her website for some time. She openly discusses it with her fans. In addition, her boobs showed all the telltale signs of pregnancy: increased size, darkened areolae. Again, we think we would've looked bad (and really dishonest) if we hadn't mentioned it.

Please be assured that, for the sake of your jacking enjoyment, we try to avoid discussing models' boyfriends and husbands. But in certain cases (Linsey, Lorna, Kelly Madison) in which it's common knowledge, doing so seems impossible.

2005 MODEL OF THE YEAR: WHO WILL WIN THE CROWN?

Editor's note: *SCORE*'s 2005 Newcomer of the Year is announced on pages 26-35 of this issue. Who will be the Model of the Year? Find out in the July issue of *SCORE*, on-sale April 25th. Here is a selection of comments from readers regarding the candidates.

Sucking on a cock could help Brandy Talore win SCORE Model of the Year.

Dear SCORE,

Minka. In the big-bust/adult world, she is a superstar, a legend in her own time. She is the biggest-busted, most beautiful, sexy, dedicated, athletic, prolific model.—B.B., Hamden, Connecticut

Dear SCORE,

Kelly Kay. The most sensationally busty model I have ever laid eyes on. Beautiful eyes, angelic face, sensational body and boobs that I lose myself in.—M.G.S., Yorkshire, England

Dear SCORE,

Denise Derringer. She has made my blood boil from Day One. *My Boob Heaven*, SCORE Xtra #12. Keep it going!—J.M., Phoenix, Arizona

Dear SCORE,

I'm amazed that so many readers only go by breast size when picking Model of the Year. Looks count. Linsey Dawn is the best-looking model. That's a fact.—B.R.B., Marlton, New Jersey

Dear SCORE,

Brandy Talore: A sexual dynamo. I'd love to take her home to meet my mother.—T.R., Fort Morgan, Colorado

Oh, Kay!

LET'S TAKE ONE MORE LOOK AT OUTGOING NEWCOMER OF THE YEAR KELLY KAY. SHE HAD A VERY GOOD YEAR.

You know how in the Miss America Pageant, the outgoing Miss America hands the crown to the new Miss America? Well, this is *SCORE*'s version of that tradition. Earlier in this issue, Marilyn Sakova was crowned 2005 Newcomer of the Year. And this is the girl she's following in the bra-strap of: 2004 Newcomer of the Year Kelly Kay. Next issue (cover-date July '06), we'll crown the 2005 Model of the Year, and Kelly is one of the finalists. But now, it's time to honor a great girl who had a great year. "I loved being Newcomer of the Year," Kelly said. "I met so many people and had so many men come up to me for autographs, and I think being Newcomer of the Year made me more confident as a person, too. It definitely made me more confident as a model." The proof of that is in her pictures and in her new videos.

A full-page photograph of Kelly Kay posing on a dark grey couch. She is wearing a pink bikini top and has her pink bikini bottom pulled down to her ankles. She is wearing black and white high-heeled sandals. She has blonde hair and is looking directly at the camera. The background includes a potted plant on the left and a window with sheer curtains on the right.

When we first saw Kelly in the October '04 issue of *SCORE*, she generously displayed her F-cup tits but wouldn't take off her panties. My, how Kelly has grown! In the DVD *Bosom Buddies #6*, she went tit-to-tit and clit-to-clit with *Voluptuous* favorite Bozena. In *Alone With Kelly Kay* and *Busty Jack Girls*, she vigorously dildo-izes her pussy as if she's been doing it all her life. Plus, in the November '05 issue of *Voluptuous*, she posed side-by-side with her sexy mom, Jane. And, now, Kelly has some news to report. "I'm pregnant!" she said. "But don't worry, guys. I'm going to keep on posing."

Kelly was about two-months pregnant when these photos were taken, and we've taken more photos of Kelly pregnant (you can see many of them at BustyKellyKay.com). Plus, we shot video of Kelly preggos, and you can see that in the upcoming DVD *Chesty Peggos*. That film also features—get ready for this!—Annie Swanson. “I love being pregnant,” Kelly said. “I feel so sexy, and my breasts just keep getting bigger. I didn’t think they could get any bigger, but they have!” We didn’t think Kelly could get any sexier...but she has! She has been a Newcomer of the Year we can all be proud of!

REBECCA LOVE FUCKING COUNTRY GIRL

REBECCA LOVES TO MAKE LOVE. BUT IN THE DVD BIG-TIT FUCKFEST, SHE GETS OFF ON RAW SEX.

"I'm the mascot for all country girls," said Rebecca Love. "They say that country girls love to fuck, and I'm living proof. I've always loved to fuck. I love to make love, too, but I love to fuck. There's nothing like a dirty fuck." In these pictures, and in the new DVD *Big-Tit Fuckfest* (available on page 20 of the main mag), upstate New York cutie Rebecca Love doesn't make love. She fucks. She sucks cock and takes a load of cum all over her DD-cup tits, too. And she smiles while she's doing it!

"Making love is nice and slow and romantic," Rebecca explained. "Fucking is just that raunchy, hardcore, grab onto the hips, slam into her, spit, grab, nails, you know? Slam your dick into me! Cum all over my titties! And that big, hard cock is slamming into my juicy, wet cunt. I never suck balls when I'm making love. I suck balls when I'm fucking. I spit all over my guy's cock, then I eat it. I suck my pussy juice off his dick after he fucks me. Yeah! In *Big-Tit Fuckfest*, you'd better believe I fuck!"

DEE DEE DELUXX CHEATING HOUSEWIFE

WHEN HER HUBBY'S AWAY AT WORK, THIS BUSTY MILF SUCKS AND FUCKS STRANGE DICK.

"I'm totally into cock and ball worship," said Dee Dee Deluxx, who worships her boyfriend's cock and balls in the new DVD *Tit Attack* (available on page 114 of this issue). Dee Dee plays a cheating housewife who's ballsy enough to hide her cock-friend behind the bed until her husband leaves for work in the morning. When he does, her H-cup tits and slick, shiny cunt come out to play, and Dee Dee shows us exactly why mature women are all the rage these days. Dee Dee is one hot fuck!

Dee Dee, formerly known as Malibu Slick and Chrissy Maxxx, returned to *SCORE* in the November '05 issue after a seven-year absence. Now we can't get enough of her. In addition to her suck-and-fuck session in *Tit Attack*, Dee Dee also stars in the new *40Something* video *Desperate MILFs*. Reported the stud who was lucky enough to fuck her in both films, "Dee Dee's cunt is tighter than most 18-year-olds", and her tits felt great around my cock." Said Dee Dee, "Thanks. I exercise my cunt every day!"
