A PUBLIC FORUM FOR READERS' LETTERS,
COMMENTS AND SUGGESTIONS.

Big-titted MILF Penny Porsche figures to be a top contender for 2006 **SCORE** Model of the Year, especially after her recent pictorial in the April '06 issue and her fuck-and-suck in the DVD *U Bang 'Em*. One reason for her popularity is her huge clit.

PENNY'S FROM HEAVEN

Dear **SCORE**,

Your April '06 Penny

Porsche feature and inter-

view helped me spurt several

times. Seeing her extended clit was enough to create a second blast very quickly. Is Penny a candidate for Model of the Year? If not, she has my nomination for next year. That "fuck-me" look of hers is priceless.

Once I recovered from Penny's feature, along came the LDM "Fabulous Floaters" feature. This woman is in a class of her own, and I welcome any number of times you want to feature her. -D.J., Fox Valley, Illinois

Dear D.J.: Penny was a **SCORE** newcomer in 2005 and, therefore, not a candidate for Model of the Year, which was won by Minka (see the July '06 issue). But we accept your nomination and can assure you that Penny will be a top candidate for 2006 Model of the Year, especially after her hard-

core showing in the new DVD *U Bang 'Em* (available on page 26) and in this issue's Xtra section.

READER'S COMPLAINT: FUCKING & SUCKING CAN GET STALE

Dear **SCORE**,

As someone who worships what **SCORE** does, it pains me to send a critical letter, but lately I've become pretty jaded by the Xtra section. I love hardcore, but there's too little variety in Xtra to keep me interested. It's the same one man, one female set-

up, very little anal and a boring after-math cum shot at the end. It's gotten so I'd rather the space be used for more solo sets. At least in those, the model is doing my mental bidding. C'mon guys. Freshen Xtra up a bit!-K., via email

Dear K.: Thanks for keeping us on our toes. We'd like to hear any ideas you and all other readers have for freshening up the Xtra section. We're all ears!

Did Kayla Kupcakes as a cock-sucking hairdresser freshen up April's Xtra section?

Ashley Juggs (above) graced the May '06 issue, as did Heather (below left), but is Samantha too voluptuous for SCORE?

THUMPS UP TO ASHLEY JUGGS & DEAUXMA, DOWN TO NICOLE

Dear SCORE,

I always enjoy seeing Ashley Juggs (May '06) in SCORE. She typifies what a SCORE model should look like. Ashley has super tits, but there is more to her than that. When she looks at you with those big, dark eyes, you know you're hooked. She has a lovely smile and a nice figure. Her bald, pierced pussy is one of the best I have ever seen in SCORE. I wish you would show more of her pussy and her big, firm, round ass. Ashley's pictorial was too short.

Deauxma is an extremely hot SCORE model. Few models half her age have an exquisite face and body like she has. Even fewer enjoy being photographed nude and having sex more than she does. She passes her enthusiasm on to us. I would love to see her with a black stud or two studs at the same time. Her pictorial was also too short, and I hope you can give her more pages next time.

Although Heather Lane is not the prettiest model to ever appear in SCORE she is not bad, and I encourage you to include older models whenever possible. I think that most women are at their most beautiful in their 30s and 40s.

Your legacy pictorials of Tamara Lee and Justa Dream were a little disappointing in that they were not adver-

tised as such on your back cover (Justa) or contents (Tamara). I thought for a second that these women were making comebacks. It would be nice if you could emphasize up front that these photos are from your archives.

I have mixed feelings about Cynthia Romero's pictorial. She has the face and figure of a SCORE Girl, but we still get only *Playboy*-style photos. I have gotten spoiled and expect more from SCORE. You have done well in the last few years to get models like Nicole Peters, Kelly Kay and Ines Cudna to bare all. I hope that you can do the same with Cynthia. If not, perhaps *Playboy*-style models belong in *Playboy*.

Samantha Sanders is too heavysset for SCORE. She would be more at home in *Voluptuous*. I know that I may be cruel, but it also appears that Nicole Peters has put on some weight. I would love to see her lose a few pounds and shave her pussy, but that is up to her.

It is nice to see Sana Fey again after too long an absence from SCORE. I hope we continue to see her, perhaps in Xtra, too.—M.S., Newington, Connecticut

YEAH, IT'S A BIG-TIT MAG, BUT WHERE ARE THE STOCKINGS?

Dear SCORE,

What has happened to the world of adult models? Have they all forgotten what stockings are for? We're lucky if one model in each issue of SCORE or in each SCORE DVD is wearing stockings. It's just scandalous! Don't they appreciate just what stockings do for a girl, that they make her look twice as sexy and

Lizzie Mills was a stockings-clad love doll in the July '06 issue of SCORE.

Sydney Simona made her **SCORE** debut in the April '06 issue and returns this month.

Swanson clad in black stockings on the cover, I ordered it, only to find that in the DVD, she isn't actually wearing any at all. Yet the supposed stills from the video have her plump thighs encased in the sexiest pair of black stockings and a garter belt.

Also, Amber Brooks has the most gorgeous body of any model, but she would look absolutely ball-crushingly horny if you could persuade her into a pair of black stockings just once. And what's the deal with Bea Flora? Doesn't she ever open her legs on camera? —M.W., via email

Dear M.W.: So far, Bea hasn't spread her legs for a photo shoot. But we're hoping. As for DVD covers, sometimes it's impossible to find a photo that matches the action in the DVD. We apologize for the confusion.

THE SCORE SALUTE: A HARD-ON, SOME OIL & A BLAST OF CUM!

Dear **SCORE**,

SCORE truly never, ever stops amazing me. It continues to get my cock so hard that I might get a permanent hard-on. Every issue brings more greatness.

The April '06 issue is a great example. Sydney Simona is one of the truly slim-

horny? So come on, **SCORE** models, and pull on the stockings for us guys.

I shall never forget my disappointment, when, having seen *Voluptuous Xtra* #11 advertised with Annie

THE AMAZING MINKA PLAYS TENNIS: GAME, SET, MATCH, RACK!

Dear **SCORE**,

Is it really true that Minka still plays tennis? I just can't imagine those huge mega-tits in a tight tennis dress bouncing around a tennis court. Actually, I can imagine it. I just can't believe it's true.—J.R., San Diego, California

Dear J.R.: It's true, and we have the pictures to prove it. Minka was a star tennis player in South Korea before emigrating to the United States. She says she recently began playing seriously again. Thanks to MinkaXXX.com for the pics.

OUR TOP 10 BEST-SELLING VIDEOS

1 MERILYN BUSTS OUT

The opportunity to see Marilyn Sakova's spectacular naturals swinging and swaying on video is far too inviting for **SCORE** Men to resist.

2 NICOLE PETERS

The question that's going to be asked a lot: Who's better, Nicole or Marilyn Sakova? Nicole states her case here with tit-and-pussy play.

3 LINSEY'S WORLD

All the scenes on this solo video were scripted by the members of LinseysWorld.com. These men know their Linsey Dawn McKenzie.

4 ALONE WITH KELLY KAY

Breaking last issue's record, all of the top four videos are solos. Actually, Kelly isn't always by herself. She also poses naked with her mother!

5 BUSTY SNATCH CLUB

There are many reasons to join this club. One of the best is the scene in which Holly Halston and Rebecca Love suck on snatch by the pool.

6 VOLUPTUOUS XTRA #8

Features six naturally stacked chicks in fuck-and-suck action. The highlight for us: hourglass-figured Cherry Brady taking cock in her ass.

7 TIT ATTACK

Minka shows why she won "Model of the Year." Nobody fucks, sucks and tit-fucks like her. Also, Lisa Lipps, Dee Dee Deluxx and Brittany O'Neil.

8 BUSTY JACK GIRLS

Kelly Kay is just one of the naturally stacked *Busty Jack Girls* in this one. The others are **SCORE** favorite Joana, Crisa, Tina, Florri & Petra.

9 SCORE XTRA #7

Hey, how did this video sneak back onto the Top 10 list? Is it because Autumn-Jade, who was in the March '06 issue, fucks and sucks here?

10 ULTIMATE SUMMER SINN

She plays with herself. She sucks Cindy Cupps' cunt. She has a threesome with Claudia Kealoha and a guy. And she has her own, private fuck.

All videos may be purchased at eBoobStore.com or by calling 1-800-421-0760 (U.S. & Canada) or +1-305-662-5959 (International).

COMING SOON: **SCORE** *Cock Drainers* is in the works, and if it's anything like the original Czech girls' DVD it'll be packed with the fucking and anal action they are famous for. Also, the upcoming XXX DVD starring Danielle Derek and Karen Fisher is called **SCORE** *Sexplosion*.

Dressed in a tight, thin sweater, Vixen LaMoore makes heads turn and cocks rise.

and-stacked babes. She is my new favorite, and I love jerking off to her pics. Your photographers are always looking out for us, and I thank them and everybody at SCORE.

Since the early 1990s, we haven't had any great magazines. *Playboy* is a joke. It is all airbrushed pics and picky editors. Until you guys came along, we had other big-boob mags with crappy photo quality and crappy selection.

Remember, every time a guy gets a hard-on, we are saluting you all! I salute you every day.—Mark, via email

THE REASON SCORE GIRLS ARE CALLED SWEATER STRETCHERS

Dear SCORE,

I purchase SCORE every month, and one of the first things I look for is if the girls are wearing sweaters. There is no bigger turn-on than a big-breasted woman wearing a sweater. I have dated some SCORE-worthy girls—unfortunately, all of them too shy to pose—and when they dressed in a sweater, instant boner.

It doesn't even have to be a thin sweater. Put a well-endowed woman in a ski sweater and heads will turn every time. I have enjoyed the last couple of issues immensely. Keep up the good work, and when in doubt, open more pictorials with women in sweaters. —Tom, via email

MERILYN SAKOVA & NICOLE PETERS: CLASH OF THE TITANS

Dear SCORE,

Nicole Peters is the best model ever. Marilyn Sakova is great, too, but, I just received Nicole's video [Nicole Peters, available on page 115] and can't watch it enough. I love her big, all-natural tits, and I love jacking while she spreads her legs and fingers her pussy.

My favorite thing about her body is her hairy bush. I would love to bury my face and cock between her legs. I also would like it very much if you could get a picture of her ass like the girls of your new magazine, *BootyLicious*.

Continued on page 101

Who do you prefer, Nicole Peters (left) or Marilyn Sakova (right)? Voluptuous magazine is currently having readers decide who has the best tits in the world in Big-Breast Challenge II.

Once again, Marilyn proves that...

BIGGER IS BETTER!

B-cup Ella couldn't keep her hands off Marilyn's G-cups

Ella, a Russian girl, had always been proud of her breasts. Their firmness. Their perkiness. The way they fit her sexy body. Then she met 2005 Newcomer of the Year Marilyn Sakova and realized that not all women were created equal. Ella and Marilyn both have 25-inch waists, but their similarities end there. Marilyn has G-cups. Ella has B-cups. "It doesn't seem fair," Ella said to our translator as she stared at Marilyn's miraculous body. "How come she got so much and I got so little? Are they really real?"

SCORE readers know that Marilyn's tits are natural. Anyone who has watched Marilyn's first DVD, *Marilyn Busts Out* (available on page 22), and has seen Marilyn's tits swinging and swaying has no doubt that they're real. But Ella couldn't believe her eyes. "Go ahead," Marilyn said, used to astonished onlookers. "Play with them." Ella, who is into women *and* men, didn't need to be asked twice, and before our photographer knew it, an impromptu photo session was taking place. "Ella couldn't keep her hands off of Marilyn," our lensman said. "She was truly worshipping Marilyn in the way that so many of us wish we had the opportunity to worship her. The difference between the girls' bodies was astonishing. Ella is not flat-chested by any means. She's a B-cupper bordering on wearing a C-cup bra, so she's probably average in breast size. But Marilyn made her look flat-chested, and after a few minutes of playing with Marilyn's breasts, Ella obviously didn't mind that she was Marilyn's physical inferior. All she wanted to do was play." Marilyn loved the attention and invented some breast games of her own, like the leg-scissor breast squeeze she's demonstrating here.

Ella not only sucked on and played with Marilyn's tits, she also gave Marilyn her first on-camera pussy licking, giving us hope that Marilyn will one day allow a guy to lick and fuck her pussy for our viewing pleasure. Ella's verdict: "Marilyn has the biggest and most beautiful breasts I have ever seen. I only wish I had breasts like hers so I could play with them and suck on them whenever I wanted. Her pussy tasted wonderful, too. It is no wonder that so many men adore her." So, after reluctantly separating from Marilyn and putting her clothes back on, Ella had come to the conclusion that *SCORE* Men reached a long time ago: bigger is definitely better!

VIXEN & CHELSEA: CHEST INCREDIBLE!

TWO HUGE PAIRS BUST UP ADULTCON

Why did we send a snapper to the two-day Adultcon #9 show in Los Angeles? Because Vixen LaMoore and Chelsea Charms promised to attend. And they did.

Unlike earlier Adultcons, not as many big-name porn stars attended. But that didn't deter or depress the loyal fans who came for autographs and DVDs.

"Wow! I had a lot of fun!" said Vixen in her sexy, baby-doll voice. She traveled to Adultcon from Eureka, California, where she is the Tip Top Club's commander-in-cleavage.

"One of my high points was getting to

spend so much time with Chelsea Charms," Vixen said. "Chelsea was right in the booth next to mine. The very first thing we did was take down the curtain between us. We made one big-boob booth! For anyone who is a true big-tit fanatic like me, I think seeing Chelsea Charms in person is mandatory. There's no question that for her tiny size, Chelsea has the biggest tits in the world.

"And it's true, her tits are still growing bigger and bigger. Is that the sexiest fantasy in the world come true, or not? She was just so friendly, playful and fun with me. She's smart and professional, and she's great with everyone.

"I'll tell you a secret. Do you want to know how to have Chelsea just love you? Be nice to her and she'll drown

you with attention. She ignores guys who come on with demands or attitudes. It was such a dream come true for me to get to spend two days next to her!"

Now, Chelsea, if you'd pose again for *SCORE*, that would be our dream come true.

Adultcon #11 is scheduled for the L. A. Convention Center on September 23 and 24th. Check Adultcon.com for the details and a list of the guests.

**DOWN MAMMARY
LANE WITH SATIVA**

SCORE magazine reader and Scoreland.com subscriber Juggzee tells your friendly neighborhood Boob Beat columnist, "In my dirty old days in New York City, I had the good fortune to see, and have my lap danced upon, by Sativa [aka Savida, February '98 *SCORE*] in a number of venues. The Harmony Burlesque was a favorite. The *cognoscenti* know what a dollar could buy you there back then. But she also performed at the now-shuttered Pussy Cat Lounge in lower Manhattan.

"After the Harmony was closed and torn down as part of the Disney-fication of the Times Square Area, she worked a loft strip joint in Chelsea," Juggzee continued. "And then there was a place in downtown Brooklyn, the former bar of the Saint George Hotel, where she performed. It was a den and a dive. Magnificent! There were a number of dancers there that Sativa introduced as her sisters, but unfortunately, the resemblance was mostly from the neck up.

"I got to know Sativa pretty well. She used to wink her butt-hole at her customers during her act. Years later, one of her 'sisters,' a woman named Queen whose primary asset was below her waist, told me Sativa had twins, married a dentist and was living in New Jersey." Thanks for the mammarys, Juggzee!

SCORE reader Jugzee remembers the tits and twat of Sativa, aka Savida.

TOUCHY FEELY

Sándor Karvai is a 31-year-old man in Budapest, Hungary who has been blind since birth. For years, he listened to his friends constantly talking about boobs, but he'd only touched the breasts of his wife.

"Everybody always talks about boobs," he said. "Even my wife always kids me, saying, 'Wow! I wish you could see her boobs!' I had enough of it, so I talked with my wife about how I could 'see' other boobs. She told me that since I see with my hands, I should touch a few breasts because if I could see, I would probably look at girls, so I had the right."

What a great wife. He asked his favorite radio host, Kenny, for help, so the DJ arranged for two chicks, Sandra and Viktória, to come to the studio so that Katvai could feel up their tits on the air.

"It was a wonderful experience," Katvai said. "What's more, one had real and the other had silicone breasts, so I got to know both kinds."

Karvai said he loves his wife as much as he did on their first date and was satisfied with his brief boob-copping.

Breast scientists warn that a sports bra is essential for big-titted chicks.

BAG THE SAG

Breasts don't have a lot of internal support, which is why jogging and similar activities are thought to cause sagging. Over nine-million British women could be permanently damaging their boobs by exercising without a well-made sports bra, a research team from Portsmouth University warns.

The researchers discovered that breasts moved in a three-dimensional figure-8, going up and down, in and out and side to side, and that unrestricted movement strains delicate tissues and ligaments.

The study suggested that as a woman runs one mile, her breasts bounce 135 miles. Each breast moves independently of the body by an average of nine centimeters per step that is taken on a treadmill. This movement puts too much stress on the breast's outer skin and connective tissues (known as Cooper's ligaments), leading to damage.

The research team found that breast movements resulted in pain, discomfort and a more permanent stretching of the Cooper's ligament, which leads to irreversible sag. It

claims that wearing an ordinary T-shirt bra reduced bounce by 38%, but wearing a sports bra made by the company Shock Absorber (which sponsored the study) reduced bounce by 78%.

The head researcher, a female doctor, said women need to be aware of the effects that exercise has on improperly supported breasts.

"People rightly spend time and effort to get the right footwear for exercise, and it is equally important to wear the correct sports bra," she said. "Proper support for breasts will reduce the stretch to the Cooper's ligament."

Some fitness consultants believe that limiting jogs to a few times a week and alternating between jogging and walking briskly could help prevent or delay a woman's breasts from sagging. In either activity, a good sports bra is essential.

Skipping rope gets Annie Swanson's big boobs bouncing wildly.

Everyone knows that the beer-goggles effect works. The tipsy twosome above know it works. But exactly how does it work? The brainiacs of science claim they know.

DEMYSTIFYING THE BEER-GOGGLES EFFECT

The beer-goggles effect is an alcohol-fueled phenomenon that turns people into hook-up partners, depending on how much booze the beholder (or beer holder) has swigged. We've all known chicks who, when they were drunk, put out for guys they never would've fucked when they were sober. Everyone knows the beer-goggles effect works, but how does it work? Scientists now claim they have it figured out. It's a sobering revelation.

The complex equation they've come up with factors in the level of light in the room, the drinker's own eyesight, the amount of smoke in the room and the distance separating the two people involved. Alcohol doesn't even have to be involved for the beer-goggles effect to occur.

"There are other influencing factors at play, too," said a Professor of Clinical Optometry at the University of Manchester, England. "The formula shows that a person with poor vision who's talking to someone in a very smoky bar will be experiencing a beer goggles effect close to someone who has consumed eight pints in a smoke-free and well-lit room."

The equation results in a score that measures the beer-goggles effect on a

person. A score of less than one means that there's no beer-goggles effect; the unappealing person you're looking at remains unappealing. A score between one and 50 indicates a slight beer-goggles effect. A score of between 50 and 100 indicates a moderate beer-goggles effect. A score of more than 100 indicates a severe beer-goggles effect. A person with normal vision who has consumed five ounces of alcohol and sees someone five feet away in a smoky, dim room will score 55. Increasing consumption to eight ounces (which means smashed) increases that score to 140, a severe beer-goggles effect. In other words, just about anyone will look hot.

Another study at the University of Glasgow found that there is no difference in the beer-goggles effect between men and women. Men and women find the faces of the opposite sex 25% more attractive when they are drunk than when they are sober.

So, basically, if you wake up one morning and find yourself lying next to a flat-chested ugly chick, blame it on a severe beer-goggles effect. And if you find yourself lying next to a flat-chested pretty chick, blame it on a moderate beer-goggles effect. Either way, you've had too much to drink.

WISE FANTASIA

"Do strippers really enjoy what they do?" a **SCORE** reader asked. Big-titted Fantasia has the answer. Trust her.

"Being a stripper myself, of course I have all good things to say about strippers," says vixenish Boob Cruise graduate Fantasia (ChateauFantasia.com and MySpace.com/chateaufantasia is where to find her). "Strippers love their jobs. Sometimes they may have a bad day or be tired, but I would think that if they are baring their naked bodies in front of total strangers, they must like it some. It's a turn-on for most girls to know that men get turned on by them or the other way around, plus they make good money.

"Probably 90% of guys get very turned on by going to strip clubs. It's a big fantasy tease. Many men are so turned on that they have to leave and run home to their wife or girlfriend and fuck her brains out. In reality, I'm sure that most women don't mind when hubby has a boys' night out, then comes home to her."

Fantasia stays fit by practicing karate, lifting weights and swimming naked. Too bad we don't live next door. 

Fantasia used to work in an office. What a waste of talent, if you ask us.

Synn City

NO MATTER WHERE YOU ARE, YOU'RE NEVER FAR FROM SAVANNA'S JJJ-CUPS.

If you're standing in a cemetery and find yourself getting horny, you might be in Synn City. If you're in the mood to get smothered by a gigantic pair of hooters, you might be in Synn City. If you need your nails done by a huge-breasted manicurist, you might be in Synn City. And if you're ever in Fort Lauderdale, Florida, you're definitely in Synn City. That's where JJJ-cup newcomer Savanna Synn lives.

Savanna Synn, who undoubtedly has the biggest tits in this issue, once had sex with a guy in a cemetery. "It was kinky and spooky and very exciting all at the same time," she said. Savanna's into some offbeat stuff. She's a dominatrix who's specialty is smothering guys with her tits and making them beg to fuck her huge rack. But she's also the working-girl-next-door who has her own business as a manicurist in Fort Lauderdale, Florida. Check out those nails if you want to see what kind of work she does! By the way, Savanna is our second huge-busted newcomer in the last two years who was born near Boston, Massachusetts. The other is Summer Sinn.

"I love my big tits because of how they make men behave," Savanna said. "Sometimes a guy will reach out to grab them, and I'll take a step back and said, 'No, bad boy! You're going to have to ask nicely.' Then I'll have him get on my knees and beg, but I still won't let him touch them. I'll slap him with my tits and tell him what a bad boy he is, and only after he promises to worship every inch of my big tits do I let him touch them. Then he never wants to let go, but I make them. I'm always in control." We weren't in control when we saw Savanna for the first time. We grab our cocks and rushed to the men's room for some quick relief. We were in Synn City!

INTERVIEW BY
DAVE ROSENBAUM

**Amber
Brooks**

What's it like to have big tits? Well, let's face it: The only way to find out is to either have big tits or ask a big-titted SCORE Girl.

We did the last thing. We brought together four of SCORE's biggest-breasted and most popular girls for a special roundtable discussion about being the owner of a huge pair of tits. Our panel:

Crystal Gunns. Former SCORE Newcomer of the Year and busy feature dancer. FF-cup tits on a 42-26-34 body. A new pictorial of Crystal begins on page 107 of this issue, and you can see more of her (including her busy tour schedule) at CrystalGunns.com.
Amber Brooks. One of the most

**Crystal
Gunns**

popular newcomers of 2005. F-cup tits on a 46-28-38 body. Catch her online at AmberBrooksOnline.com or in the January '06 issue of SCORE.

Vixen LaMoore. FFF-cup tits on an improbably small 44-24-34 frame. She manages the Tip Top Club in Eureka, California. She was last seen in the August '04 issue of SCORE, and you can see her online at VixenLaMoore.com

Summer Sinn. Another of the top newcomers of 2005, she can be seen in the DVDs Ultimate Summer Sinn, Big-Tit P.O.V. and SCORE Xtra #11, as well as online at SummerSinn.net.

Thanks to all of these girls for participating. As you're about to discover, our conversation was very educational.

SCORE: Let's start out on a positive note. What's the best thing about having big breasts?

CRYSTAL GUNNS: You can get anything you want. You go out and you meet guys and you get what you want. Guys love big boobs, so I get expensive dinners, jewelry, trips. Just about everything you can name.

AMBER BROOKS: The best thing about having big tits is the attention and the power. When I walk down a street or walk into a room, all eyes are on me.

VIXEN LAMOORE: I'd say the best thing about my big ol' titties is the company they give me. No matter where I go, I've got my two best friends with me, and they never complain. Every morning when I wake up, there they are, warm, round and soft. I give 'em a great big squeeze, and I know it's gonna be a great day!

SUMMER SINN: The best thing about having big breasts is the attention I get. When you have breasts as big as mine, you'd better like having all eyes on you at all times, and I love it. It's like Amber said. When I walk down the street, people notice me, and when I'm in a room, I stand out.

SCORE: Okay, so what's the worst thing about having big breasts?

SUMMER: The weight. I mean, GG-cup tits weigh a lot, and I have

to carry them around all the time! A good bra helps, but the fact of the matter is I'm always aware of my boobs.

CRYSTAL: The worst thing is that I can't go anywhere without people making comments or being rude. When I'm in the supermarket, people make rude comments. When I'm in the mall, people make rude comments. It's like they think I can't hear them, or maybe they want me to hear what they're saying.

AMBER:
I guess
the

best thing about having big breasts is the worst thing, too: the attention when you're with your family or children. People are always looking at me and making comments, and that can be tough when I'm trying to be just Amber, not Amber Brooks the SCORE Girl with big tits.

VIXEN: I agree with Summer. It's the weight. All my life I've wanted big and bigger boobs, but I'm pretty much a tiny

girl, nearly five-feet. I really wish someone would invent a lighter giant-sized implant. If I could find a lighter giant-sized implant, I'd go out and get myself the biggest tits in the world. I mean it!

SCORE: Our scientists at the SCORE Studio are working on

you into trouble?

VIXEN: You mean titty trouble? [Laughs] One time, I was at an amusement park in Orlando, and I wanted to go on their big roller coaster. I waited and waited in line, and finally it was my turn to get into the coaster car. Well, the lil' car had an over-

it as we speak! Have your breasts ever gotten any of

the-shoulder restraint bar. I got in, and the attendant came by to push the restraint harness down, and *boing, boing, boing!* The harness kept hitting my huge hooters and wouldn't lock down! I never got to ride that coaster!

SUMMER: I was in Boston waiting for the T. I got on the train, and the doors closed on my tits! I was in a bent-over position, and tons of guys came over to help me. I wonder why? [Laughs]

CRYSTAL: My boobs have never gotten me into trouble like that, but they've caused trouble with my family. They didn't accept them when I got them and they still don't accept them. My grandfather's very old-fashioned, and he doesn't understand why I did what did. My godchildren have questions about my breasts, too. If I could change any one thing about my big breasts, it's the way my family has dealt with them. I'm very close to my family, and it hurts.

AMBER: I was once arrested for beating the shit out of a guy who tried to pull my shirt down. He now has a nice six-inch scar on his neck to remind him of me for the rest of his life. I guess he didn't get the memo: All Latin girls keep box-cutters in their purses! But don't worry, guys. I won't get mad at you for staring at my tits, just for grabbing them without my permission.

SCORE: Hopefully, all SCORE readers are gentlemen and know that you don't grab any part of a woman's body without her permission. Okay, Amber. Try this one: Have your breasts ever gotten you out of trouble?

AMBER: Hell yeah, I've gotten out of a lot of traffic tickets! Cops are absolutely suckers for girls with big tits, and since I usually wear tight T-shirts, they get an eyeful the second I roll down the window. I haven't run into any female cops yet, fortunately.

CRYSTAL: Same thing with me. A couple of months ago, I was coming home from a club, Al's Diamond Cabaret in Reading, Pennsylvania. I was so tired, and when I hit the New Jersey line, I was driving 75 in a 50 zone. The cop pulled me over, and I had my seatbelt on, and I was wearing a tank top. I was so nervous, and he said, "Do you know why I stopped you? You were going 75 in a 60 zone." He was looking at me kind of strangely. I said, "I'm so sorry," and then he asked me for

THE GIRL NEXT DOOR

YOUR GIRL-NEXT-DOOR ISN'T AN UGLY, FLAT-CHESTED FATTY. YOUR GIRL-NEXT-DOOR LOOKS LIKE MELISSA CAREY.

This is what the girl-next-door of your dreams looks like. Pretty face. Big tits. Bangable ass. Every morning when she leaves for work, you peek out the window to see what she's wearing. Every night when she comes home, you time your arrival so you can talk to her. But Melissa Carey, who's making her first appearance in *SCORE* since 2003, isn't a dream. She's somebody's girl-next-door. And she's fucking him!

"The guy who lives next door to me isn't much to look at, but he has a good personality, and, most importantly, he had the guts to ask me out," Melissa said. "I don't think I'll ever marry him, but we have great sex, and sometimes when he wakes up in the morning, I'm not next door. I'm next to him in bed!" So, what's Melissa's message to *SCORE* Men? "If you have the hots for the girl-next-door, go for it! Maybe she'll be like me and say yes!"

SAM SPRINGS HAS A CONFESSION TO MAKE. SHE'S BEEN FUCKING FOR GRADES.

Sam looks so sweet, so innocent, so pure. Sure, this is the second time she's showing her tits and pussy in *SCORE* (the first time was in the August '05 issue), but there's something about her that looks pure as the driven snow. But don't be fooled. "I've been a bad girl," Sam said, flashing us a sly smile and pinching a nipple. "I've been fucking all my professors at the university."

TEACHER'S PIET

In the August '05 issue, Sam told us she wanted to be a rebel and wanted to do something that would get her into trouble. She wondered how naughty it would be if she bedded one of her professors. "Well, I've kinda made a habit of it," Sam said. "I shagged my literature professor during the first week of school, and it was so much fun, I couldn't stop. I decided it would be fun if I shagged all of my professors each semester, even the really old ones. I know I'm not supposed to do that, but aren't they the ones who are supposed to know better? Besides, there's something very sexy about sitting in class, knowing that you had sex with the professor and nobody knows except you and him." Sam plans to snag her next prof by wearing the outfit she's wearing in these pics to class. That professor doesn't stand a chance.

SEXUAL FANTASIES:

my license and registration, then he asked me if my license was clean, and I said I was coming back from dancing at a club. So he went back to his car, and there were two officers, one on each side of my car, and I thought I was going to get in trouble for the dark, tinted windows on my truck. But then I looked down and saw that one of my boobs was bulging out of my shirt from the seatbelt. The officer came back and gave me a warning, and I know it was because my boob was hanging out.

VIXEN: I guess we've all gotten out of tickets because of our boobs. One time,

I was driving in Los Angeles, and I got pulled over by the California Highway Patrol for not wearing a seatbelt. Lucky for me, I was wearing my usual very tight, very low-cut blouse. I stuck out my big tits as far as I could, and when the officer came up to my car, I could see that he was very surprised by the size of my titties. I batted my eyes and told the officer in my soft, sexy voice, "Can't you let me be excused from the seatbelt law? As you can see, I already have my airbags fully deployed!" He was so embarrassed and holding back his laughter that I never did get that ticket!

SUMMER: Same here! "I'm sorry for speeding, Officer!" [Laughs]

SCORE: Incredible! None of you have ever gone to traffic school, and you all

have perfectly clean licenses. Big-boobed girls must be the best drivers in the world! I guess you've already kind of answered my next question, but I'll ask it anyway: Do you think you've ever been treated differently because of your breasts?

CRYSTAL: I think I get treated unfairly when I go shopping. When I walk into an expensive store like Cache, nobody runs to help me. Another woman will walk into the store, and she won't have big boobs, and the salesgirls will run to her. And I'm like, "Big mistake because I have a lot of money." And one time, Chelsea Charms and I went to dinner in Vegas, and the maitre d' sat us in a corner where nobody else was. I guess he didn't want any attention on us. And at the airport, they must think I'm carrying something in my boobs because I always get stopped by security. They say, "We're going to have to feel under and between your bra," and I'm like, "Do whatever you want to do."

AMBER: I've been treated unfavorably and favorably because of my breasts. Like Crystal said, some salesgirls will ignore me because of my breasts, but then some salesman will come running to me. I've had doors opened for me, literally and figuratively, but I've also had people make negative assumptions about me because of my breasts.

VIXEN: I learned a long time ago that the way you treat people goes a long way to how they'll treat you. I think my big breasts are just so beautiful, and I think some of that love comes through in my personality. I like being nice and courteous to everyone, and when someone sees that I'm friendly, they usually want to be friends, too. You'd be surprised to see how many people like having a friend with really big tits.

SUMMER: Not getting speeding tickets is the most favorably I'm treated because of my breasts. And men are more likely to open doors for me.

SCORE: What's the funniest thing that's ever happened to you because of your breasts?

VIXEN: Once I was at the food court at my local mall. I was wearing a super-stretchy top with about 90% of my cleavage showing. I was sitting at a table having my lunch when a young mother sat down at the table next to mine with her baby in her arms. She hadn't noticed me yet, and she unobtrusively began to open her top to nurse

AND HOPE SHE'S NOT HAIR TODAY, GONE TOMORROW.**

Usually, there's no doubt about what we notice first when we look at a *SCORE* Girl: her big tits. And, certainly, newcomer Lena Li has a wonderful pair of DD-cups. But, if you haven't noticed, there's something that truly sets Lena apart: her hair!

Lena's hair nearly reaches the floor, and since she's 5'8" tall, that's a long way down. "I haven't cut my hair in 12 years," said this exotic beauty who was born in Taiwan and now lives in Los Angeles, California. "It started out as something fun to do when I was in high school, but now it's part of my identity and the part of me most men love most. Oh, sure, they love my breasts, but hair fetishists, and there are a lot of them, go crazy over my hair. Even I get turned by my own hair. I mean, I'll just sit on it, because it's so long, and that'll get me hot. And there's nothing I love more than when a man runs his hands through my hair."

Lena has the classic *SCORE* slim-n-stacked body with big tits, a tiny waist and a small-but-fuckable butt. "Men like to manhandle me," she said. "They love to wrap their hands around my waist, pick me up and have their way with me. I like it, too. When a man wants to please me and knows how to please me, there's nothing I won't do for him. Other than cut my hair, of course. But what man would ask me to do that?"

The Lady In Red

BETTIE BALLHAUS LOOKS GREAT NO MATTER WHAT SHE'S WEARING...OR NOT WEARING!

"The Lady in Red," a popular song from the 1980s, goes, "The lady in red is dancing with me, cheek to cheek. There's nobody here. It's just you and me. It's where I wanna be." What *SCORE* Man wouldn't want to be cheek-to-cheek with Bettie Ballhaus, who looks startlingly beautiful in these pictures taken by the folks at Danni.com. "I love wearing red," Bettie said. "It makes me feel so elegant and so sexy at the same time. The idea of dancing cheek-to-cheek with a wonderful man while wearing a red dress is so exciting!"

It's appropriate that Bettie is wearing red in these pictures because her road show is called "Bettie Ballhaus and the Erotik Devils," the Devils being the two super-hot chicks she tours with. Bettie has a lot of devil in her, too. In one part of her show, Bettie has a guy in the audience lie down on the floor, barechested. She places a sheet of paper on his chest, paints her bare boobs, then gets on top of him. The paper is turned into one of her *brust* paintings. Not a bad souvenir from a night at the club, but Bettie's on-stage performances lead us to one question: Will she ever get the piece of paper off the guy's chest, open up his pants and do boy-girl? She laughed at the question. "I see what you are getting at, but sex is too personal for me to do it on-stage or in a magazine," she said. "Besides, I would rather that your readers keep imagining what a devil I can be!"

Saturday With Eindy

**A LAP DANCE
FROM CINDY
CUPPS MIGHT
BE THE BEST
WAY EVER TO
SPEND A RAINY
AFTERNOON.**

It was a rainy, cold Saturday afternoon in the Sunshine State when your *SCORE* editor drove over to Chee-tah III in Pompano Beach, Florida. The objective: to enjoy some lap dances from house dancer Cindy Cupps. She knew we were planning to drop by, but even if she hadn't, Cindy would've been easy to spot because she had the biggest, best-looking tits in the place, hands-down, and she had a crowd of guys waiting to enjoy her pleasures. So, like everyone else, your editor waited his turn.

After 40 minutes, Cindy, dressed in a one-piece mini, cut deep to show off her famous cleavage and fuck-me stripper heels, led her admirer to the VIP room. "Sit right here," Cindy said, then she began to do what she does best. Cindy settled down in his lap and grinded her crotch against his. Her skin was like buttered velvet, her EE-danglers hypnotizing. She stuffed her tits in his face, then wrapped her tits around his head. The mirrored room made it easy to see Cindy from all angles. Finally, another thrust of Cindy's hips. An explosion from your editor's groin. Think back to the best lap dance you ever had, and then multiply it by three. That's Cindy.

her baby. As the baby went about his business, happily nursing, he looked around the food court, until he saw me. The little baby froze with his mother's nipple still in his mouth, and it was very obvious that the lil' guy was looking right at my giant milk-bags! Then the mother looked up to see what had distracted her baby, and before she could think, a "Wow!" came out of her mouth. I gave her a big smile, just to let them both know I'm used to being stared at. The young mother smiled back at me and said, "Boy, he's got to think you're Thanksgiving dinner!"

CRYSTAL: I was walking in the Westchester Mall in New York with my girlfriend, and I don't remember what I was wearing, but it was summer, and there was this couple, and he gave me a double look. Well, his woman turned around and smacked him in the face in front of everybody. The funny thing is, I hadn't even noticed him looking at me. My girlfriend said, "Did you see what happened?" and when I turned around, they were fighting.

SUMMER: I once had a little kid come up to me and ask me if they were "float-ies" for the pool. I laughed and told him they weren't, although I gotta admit, they would keep me from drowning if I was in trouble!

AMBER: Probably the funniest thing that has happened to me was the naming of my boobs. A long time ago, one of my friends picked up my bra and said, "Wow! The cups of your bra are so big, they look like big bowls. You know, bowls for your soup and your salad." Hence, soup and salad are the names of my breasts. So I get a lot of my friends saying to me, "Hey, how are soup and salad?" or "Can I have some soup and salad?" It's really never ending.

SCORE: Amber, I'd like to pour some of my own, personal dressing onto your salad and eat a few bowls of soup.

AMBER: [Laughs] See?

SCORE: How do people who've never met you generally react when they see your soup and salad for the first time?

AMBER: Generally pretty good. They just always ask a lot of questions, and they always ask to feel them and want me to pull them out, which I normally do. The most memorable reaction had to be from a gay guy. He couldn't stop

staring and begged me to show them to him, which I did, and then he said, "If I ever go straight, you'd be the woman that I would do it for." Best compliment I've ever received.

CRYSTAL: It depends on who I'm being introduced to. If they were warned beforehand, they usually react okay. Otherwise, you never know. I think some people think of me as a freak or think what I do for a living is not acceptable. And I live in a rich town where all the husbands are rich and the wives don't work, and most of them don't talk to me at all.

SUMMER: People whisper a lot of stuff, so I don't know what they're saying. I get a lot of stares, too.

VIXEN: I've had plenty of guys who got so tongue-tied, they couldn't say a word. And I remember this one poor dude. I was laying out by the pool at Mandalay Bay in Las Vegas and wearing the tiniest bikini. The top just barely covered my areolae, and my boobs were hanging out of the bottom of the top. I guess it was just all too much for him because he walked by and gave me a long stare, and he just kept on staring and walking until he walked right into the pool. And he was wearing shoes, a watch and a full set of clothes!

SCORE: It's amazing the effect that big tits have on men. Do people automatically assume you're less intelligent or a bimbo because of your breasts?

CRYSTAL: Absolutely. When I tell people that I have a business and marketing degree, they say, "How come you're not doing something with it?" But my family was poor, and dancing is what put me through college. Plus, I can't make nearly as much money doing what I went to school for.

VIXEN: You know what? I really don't care much about what people think because I'm really not all that smart. It's like the movie *Harvey* with James Stewart. That's the movie with the giant, invisible rabbit. Well, in that movie, Mr. Dowd says, "My mother told me that I could be ever-so-smart or ever-so-pleasant, and I prefer pleasant." That's me, too.

SUMMER: People automatically think I'm stupid, which I'm not, because I have big breasts. It's like they think my breast size and brain size are somehow related. If you ask me, that's not very smart of them.

AMBER: You know what? I've been called a lot of things, but bimbo isn't one

of them. Maybe that's because people are sometimes a little intimidated by me. I don't know. And who knows what they're thinking, but they'd never say it to my face.

SCORE: Let's move on to another subject. How hard is it for you girls to find clothes and bras that fit?

AMBER: Not too hard, but then again, I like wearing my tops tight.

SUMMER: I have a really hard time finding bras that fit. They either have to be custom-made or sports bras. There's no way I can just walk into a normal store and find a bra that fits me. Either the cups are too small or the straps are too big.

CRYSTAL: Finding clothes for everyday life is really tough. I usually just throw on a big T-shirt and a sweatshirt to shop. I buy my shirts at The Gap because they run extra large. The problem is that when I wear them, I look pregnant. Bras really aren't that hard for me to find. I go to Macy's and buy Bali bras. They make an F-cup. I like to buy Gs, but they don't make them. I can usually shoehorn myself into them.

VIXEN: Guys look at my huge hooters and think I must need XL or XXXL tops, but I'm such a tiny girl that even with my extra-big tits, I still wear size-small clothes. I test every blouse I buy for stretch. Lots and lots of stretch. I love to bargain shop, and my favorite place is the garment district in downtown Los Angeles. Everyone gets a thrill out of watching me try on tight, stretchy tops. Bras have never been a problem for me, either. I shop at a store in California called Ross. I buy bras that were made for big women, like size 42DDD. Those bras cost only \$3.99. Then I call up my friend Tiffany—she's a seamstress—and we have a big bra-customizing party. Tiffany cuts the 42-inch bras down to 32 or 34 inches, and the cups on those bras are about as big as parachutes, which fits me just fine.

SCORE: I think I know how you're going to answer this question, Vixen. Do you usually dress to show off your chest or to hide your chest?

VIXEN: Well, some people like cars, some like computers and others like sports. I love showing off my big boobs in public. Showing off my huge hooters is who I am. I never cover up with baggy, oversized clothes. I think big tits are just about the most beautiful thing there is, so what's to hide? All my clothes have to be tight, tight, tight, and

the tops must be low-cut, and my skirts have to be cut all the way to my pussy.

CRYSTAL: I'm just the opposite. I hide my chest in big Ts and sweatshirts. When I go to the mall, I wear a big ski jacket and zip it up, so I look big all around. My friends always say, "You always hide your chest. You'd never know how big your boobs are." Then when they come to my house in the summer, they're like, "Oh my god! I never knew your boobs were that big!"

AMBER: In everyday life, I dress very conservatively, especially when I'm with my son. Big shirts or running suits, which are my favorite. But when I go out at night, the less the better. Tight shirts and tight jeans.

SUMMER: I'm the same. It all depends on where I am or where I'm going. I wear a lot of tight things because I really don't have a choice. Just about any top is going to be tight on me. Usually, though, I wear tank tops or sweaters and jeans.

SCORE: Do non-busty women treat you differently because of your breasts?

SUMMER: Yes! At that same waterpark with the little kid, security came over to me and told me because of all the complaints from the mothers, I had to wear a T-shirt over my bikini for the rest of the day. That was absolute jealousy, and I felt that they were being prejudiced against me.

CRYSTAL: I get treated differently by women in my personal life and at the clubs. I'll hear the smaller-chested dancers saying to their customers, "I can't believe she did that to herself." They think I'm different just because I have big boobs. I don't know if it's jealousy or culture shock. When I lived in New York, I never got bothered.

AMBER: I get the text-book looks from non-busty women, but as far as me hearing anything, no. But then again, I've been told a lot that I'm very intimidating, and my reputation for the last 10 years and counting is that I'm a fighter, and a dirty one at that, so women have never posed a problem for me. As far as jealousy is concerned, I don't have to deal with it. The boyfriends and husbands who are getting yelled at because they got caught looking at me are the ones who have to deal with that! It just makes me laugh. As I see it, I'm breaking up one happy home a day!

VIXEN: You know what? Like I said before, it really just comes down to

KAREN FISHER IS AN ALL-AMERICAN GIRL WHO'S PROUD OF HOW SHE LOOKS. SHE'S BUILT FOR SEX.

Sometimes, unfortunately, we lose track of girls. Take Karen, who last appeared in the January '05 issue. We thought we'd lost her. Then, a few months ago, we opened the day's mail and saw new pictures of Karen. "Would you be interested in shooting me again?" Karen asked. "I think my boobs have gotten bigger."

We were shocked to discover that Karen, who was born and raised in Portland, Oregon, is now living in *SCORE*'s backyard in Pompano Beach, Florida. "I got tired of the rain and cold in Oregon," she said. "It's beautiful there, but I'm a warm-weather girl. I don't even like when the temperature gets below 50. Plus, I don't like wearing a lot of clothes, and one of my favorite things is having sex in the pool or the ocean, and you can't do that in Oregon without freezing your you-know-whats off! Until I came to Florida, my fantasy was to have sex on a beach, but now I've done that lots of times!"

While Karen was with us, she posed solo outdoors at this rock-pile near the *SCORE* Studio, and had sex in a tub. You'll see the pictures in an upcoming *SCORE* Xtra and in the new *SCORE* Sexplosion DVD. "Having sex in the hot tub was really fun, first because I love doing it outside and second because the guy was really into my body. This might sound funny to *SCORE* readers, but not all men like a girl who's built like me. I've seen lots of girls with big boobs and little butts and lots of girls with big butts and no boobs, but not a lot of girls have big boobs and big butts like me. Let's face it: I'm big all over!" Karen has gained two inches on her ass and two inches on her chest since we last saw her. "I'm a lucky girl," she said. "I eat a lot, but my weight always goes to the right places. Do you like the way I look?"

being, as nice as I can be to everyone I meet. When I'm nice and respectful, that's pretty much what I get back. Oh, sure, I get the occasional "Freak" muttered behind my back, but that means nothing to me. I know who I am, and this is my life to live.

SCORE: Okay, girls, final question: Do men treat you differently in bed because of your breasts?

CRYSTAL: I don't know. I've had guys who said, "Can I stick it between your tits?" but I don't know if it was my tits or being good in bed that turned them on so much.

AMBER: I know exactly what it is. Sometimes I'll wonder, *If I just left my breasts here and left, would I even be missed?* But just like with all boys, once they play with them for a while and get it out of their system, they move on to other parts of my body. They'd better!

SUMMER: Most guys just get overwhelmed and don't know what to do. Ninety-nine percent of the time, they haven't been with someone with big breasts like mine. They kind of fumble around for a little bit, then they try to figure out what to do with them, although I've had some guys who just ignored them, like they didn't know what to do!

SCORE: What should they do?

SUMMER: Play with them. Suck on them. Stick your cock between them. My favorite is to pour lots of oil on them and make them nice and slippery so a guy's cock slides right between them.

SCORE: Okay, Vixen, you're last. Do men treat you differently in bed because of your breasts?

VIXEN: Of course! For me, you just have to play with them a lot longer because there's just so much more to get around to. When it comes down to big-breast bedplay, my motto is that there's never enough. Sucking, rubbing, oiling. Bring it on! My two big babies can go all night long. I agree with Summer. I love oiling up my big titties and having a guy slide his cock between them and fuck them hard. How about you, girls?

CRYSTAL: Sounds good to me!

**SYDNEY, YOU CAN WASH OUR CAR.
AND WE'LL JACK OFF WHILE YOU DO IT.**

You guys all know what autoerotica is, right? You do it all the time (or at least we hope you do). Jacking off. Pulling the pud. Spanking the monkey. Well, Sydney Simona, who made a smashing debut in the April '05 issue, takes autoerotica to a whole new level. When she gets a fancy automobile all wet and soapy, then runs her 40-24-34 body all over it, she makes an automobile erotic and compels us to engage in long sessions of autoerotica.

Okay, enough of those hokey plays on words. Let's play with Sydney's tits, especially those long, thick nipples that have quickly become her trademark. Reader L.V. from Massapequa, New York wrote, "I'm guessing that Sydney never has a hard time getting men to pay attention to her nipples because there isn't a straight man on the face of this earth who'd ignore those beauties. Sydney has great tits, but it's her nipples that will make her place in history." And what history is that? Autoerotic tit-worshipping history, natch.

"I loved taking these pictures!" said Sydney, who's a college student at a university in Texas. "I loved getting my body all wet and soapy and rubbing it all over the car. I felt sexy taking these pictures because I knew the readers were going to like them." And if you like these photos of Sydney washing a car, you're going to love the video. Yeah, we said video, but you can't buy it in stores or from the Video Club. The full-length video version of this shoot is available online to members at Scoreland.com. Log on. And engage in some autoerotica.

SCORECARD

Continued from page 11

As for Nicole's video, it is a must-buy. I have many favorite parts of her movie, and two of them are when she is trying on bras and panties and when she says she likes to masturbate with candles and hair brushes. I was wondering if you could do a layout with her using candles and brushes to masturbate.

Nicole's layout in the January '06 issue of *Voluptuous* was one of her best ever. My favorite pic was when she was on her knees with her breasts pushed up and her tongue licking between them.

If you could get Nicole and Marilyn together, it would be one of the greatest layouts ever. Marilyn always make me wonder if she is better than Nicole. If she ever grows a bush or if I see a video of her, I think I would be torn between the two women. They both keep me jacking for hours.

Anna Song is another great Russian, and if you could get her and Marilyn together, I'm sure I would have to order a second magazine, as I do with any magazine that has Marilyn or Nicole.

I want to let the readers know that I had the pleasure of meeting Crystal Gunns in January. She may never win Model of the Year, but she could definitely win Feature Entertainer of the Year. She also gives the best lap dances, and if you're like me and don't get embarrassed easily, get on stage with her as I did.—S.M., Texas, via email

Dear S.M.: Marilyn's first video, *Marilyn Busts Out*, is available on page 22 of this issue. Anna Song also has a new video called *Climax With Anna*, available on page 24.

MINKA: LOOKS GREAT SUCKING

The April '06 issue of SCORE was another classic. Kelly Madison and Penny Porsche were both great, but once again, Minka was the highlight of the issue. WITH SCORE BABES LIKE JADA, WHO NEEDS Hardcore?

Dear SCORE,

Had to email you, having just viewed Jada's incredible pics in the May '06 issue. Who needs hardcore when you have ladies like Jada? I've loved her since her first appearance, and this latest set is probably the most dick-hardening solo pictorial I've seen in my nine years as a SCORE devotee. I won't even ask you to put her in boy/girl because, frankly, she doesn't need to. No offense to Kelly Kay, but if readers voted her as 2005 Newcomer over Jada, there's something wrong with the world.

I contacted you recently with some comments about SCORE Xtra. I also have a few thoughts about what I'd like to see in the main mag:

1. Extend "Scorecard." After the girls, reading my fellow readers' views is my very favorite thing in the mag.

2. Bring back "The Jack Report." It was a highly original and entertaining column which I really enjoyed.

3. Have occasional competitions. I'd like the chance to maybe win some goodies now and then.—K.S., via email

A BOOB MAN'S DREAM: GIRLS WHO SHOW LOTS OF CLEAVAGE

Dear SCORE,

I'm writing to discuss something that I think needs discussing these days. I'm talking about how much cleavage chicks are showing these days. Perhaps I see a lot more of it because I live in a sunny climate, but it's just incredible.

When I see a stacked girl who's showing a lot of cleavage, she might as well be showing me her pussy, because all I want to do is fuck her tits. I mean, is there a SCORE Man out there who wouldn't rather fuck tits than pussy? Girls are completely unabashed about showing their tits, but they'd never walk around with their pussies out.

When I see a girl with a lot of cleavage showing, my mind gets all fuzzy, and it's all I can do to get home for a jack session with her picture in my mind's eye. I'm sure a lot of girls would cover up if they knew what their cleavage does for us boob men, or maybe they wouldn't. Maybe the fact of the matter is that some girls would show their pussies if they could, too.—R.C., Laurel, Maryland

**PUT ON BIKINI, ADD SUN, TAKE
OFF BIKINI, SEE WHAT HAPPENS**

Dear SCORE,

Scattered throughout your May '06 issue are several wonderful shots of Minka with tan lines. Talk about cock-stiffening! Too bad that the photos are too small. How about a full layout of this fantastic beauty *sans* bikini after a day in the sun wearing her bikini? And, of course, lots of full-page photos and closeups, too.

Better yet, how about a whole special edition titled something like, "Bikini Babes Sans Bikinis"? Imagine such favorites as Nicole Peters, Kerry Marie, Kelly Kay, Bea Flora and Marilyn plus, of course, more Minka, all nicely tanned except where it counts: on the boobs, pussy and ass. The cums would be tremendous, not only for me but for thousands of other appreciative readers as well.—C.J., Philadelphia, Pennsylvania

CLOTHING: A WASTE OF SPACE

Dear SCORE,

I'm disappointed to see that in the past several issues, *SCORE* seems to have succumbed to the vast minority of very vocal readers who want to see the girls in clothing. I am referring, of course, to the feature "Working Girls" in the March '06 issue and "Big Tits in Tight Clothes" in the April '06 issue. To me, these features, which consisted mostly of your beautiful, awe-inspiring models in clothing, are a waste of space.

Let me explain why. I live in a major metropolitan area, and every day, I see many busty women in clothing. What I want more than anything, though, is to see them naked, without their tight clothes and sweaters on. *SCORE* gives me the opportunity to see the women of my dreams totally naked. That, in fact, is what *SCORE* is for.

There are millions of beautiful, busty women in the world. The average issue of *SCORE* has only 132 pages. At best, that wouldn't be enough space to unclothe all of the girls who need unclothing. When pages are wasted on pictures of clothed girls, there's even less space.—W.S., Atlanta, Georgia

A Day At **BOOB** Beach

THERE'S NOTHING LIKE SUMMER LOVIN' WITH CRYSTAL.

The long winter is finally over. Summer is almost here. And you know what that means: scantily clad chicks sunning and funning at the beach. But it's unlikely that any of the girls you'll see at the beach (or your local pool) this summer will look as good as Crystal Gunns, the 2002 Newcomer of the Year and one of our favorite *SCORE* Girls ever.

How would you react if you looked across the net during a game of beach volleyball and saw Crystal Gunns with her FF-cup guns falling out of a way-too-small bikini, then pressed up against the net. "I stink at beach volleyball, but for some reason, I win whenever I play," Crystal said, smiling because she knows exactly why she wins, especially when she plays against men. Can you imagine Crystal serving? Tossing the ball high in the air, then reaching, reaching to hit it as her tits bulge. Or jumping at the net for a slam? Game, set, match, whatever!

After a hectic game of beach volleyball, Crystal loves to shed what's left of her bikini, roll around the sand, then oil up her body and relax by playing with her pussy. If there's a dildo packed away in her beach bag, so much the better. "I much prefer lying on the beach to doing anything strenuous," said Crystal, who we haven't seen naked outside since her debut pictorial in the March '02 issue. "These photos were probably my most favorite ever because I got to be outside and have fun and do something different. It's fun to mix things up once in a while." Crystal will get the chance to mix things up and do something different in her upcoming new role as a *SCORE* Girl. Stay tuned for more info. And enjoy your summer at the beach, daydreaming about Crystal.

PENNY PORSCHE **U BANG HER!**

IN HER NEW DVD, PENNY TAKES YOUR COCK FOR A RIDE. NEXT STOP...HER MOUTH, TITS & PUSSY!

"I'm fascinated by sex," MILF Penny Porsche said in her interview in the April '06 issue of *SCORE*. "I can get myself off in 30 seconds." Penny does need to get herself off in these pictures from the new video *U Bang 'Em* (available on page 26 of the main mag. She has this guy to do it for her. Or you to do it for her. You see, we got our video cameras real close to the action and shot from the you-da-man point-of-view so you can imagine that it's your dick that Penny's sucking and fucking.

Penny has F-cup tits, an accommodating mouth and a huge clit. "I love it," Penny said. "It's nice and sensitive, and it makes me cum real fast." Penny also has a very pink pussy, although she wishes it was pinker. You know how chicks are. Always wanting to be better, but Penny's as good as they get. "Best fuck I've ever had," said our porn stud. "Penny's tits felt really soft on my cock, and her pussy is tight and shallow. Plus, she knows how to have fun. It's always fun to fuck a girl who wants to cum." Penny always wants to cum. "Of course I do," she said. "Otherwise, what's the point of fucking?"

CHARLEE CHASE NEVER ENOUGH COCK

IN MY BOOB HEAVEN, CHARLEE CHASE FUCKS TWICE. SHE WOULD'VE HAPPILY DONE IT A THIRD TIME.

You gotta love a chick who has been in *SCORE* four times, and in three of them she's had a cock in her pussy and cunt. You gotta love a girl who can get her legs behind her shoulders while she's sucking dick. You gotta love Charlee Chase, star of the XXX-Rated boy-girl flick *My Boob Heaven* and the new girl-girl sextravaganza *Busty Snatch Club* (both available on page 115 of this issue). "I just love sex," Charlee said. "I prefer cock, but if there's only pussy available, fine. As long as I get to cum."

In *My Boob Heaven*, Charlee plays a horny housewife whose husband has been out all day fucking. Charlee arrives home with some sexy lingerie and models it for him. Of course, she doesn't just want to show off her clothes. She wants cock! And even though the poor guy has been shooting loads all day, he has no problem getting it up again for Charlee. "I've never had a problem with guys getting it up for me," Charlee said. "Besides, who would know? I suck their cocks so hard, they can't help but get a hard-on." By the way, after Charlee gets satisfied in *My Boob Heaven*, she gets a call from her horny friend, Kitty Lynxx, and the two of them fuck Charlee's hubby. We saw outtakes from that scene in the Holiday '05 issue. And, chances are, one day, we'll see Charlee fucking again. Because that's what she does best.
