A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.

We crowned the 2005 Newcomer of the Year in the June '06 issue, and nobody was surprised that Merilyn (center) was the winner. Bea Flora (far right) finished second in the readers' voting, while Amber Brooks (near left) finished third.

NEWCOMER OF THE YEAR MERILYN: CAN WE TOP HER?

Dear SCORE,

What a pleasure it was to open the June '06 issue of SCORE and find that my selections for Newcomer of the Year and Hall of Fame were both voted as the winners in both categories. But I was somewhat surprised to see who the other finalists were in both categories.

Merilyn has to be one of the all-time greats of your magazine and will more than likely be Model of the Year for 2006. Bea Flora was my initial choice for Newcomer of the Year when she first appeared in SCORE, but after comparing her with Merilyn, I switched. How will you top this one, SCORE?

Angelique deserves to be in the Hall of Fame. She is one of your all-time great Latinas and my favorite since her first appearance in SCORE.

Now I am anxiously awaiting the Model of the Year results and hoping that my favorite, Minka, is selected. This should be her year.—E.B., San Francisco, California

Dear E.B.: Looks like you went three-for-three in the voting! Minka was named 2005 Model of the Year in the July '06 issue (available from the back-issues ad on page 11).

That bra-busting pictorial is one of her best ever (it's packed with bra shots) and a great way to celebrate her well-deserved honor.

As for how we're going to top Merilyn, we don't know, but we're going to try.

SO MANY GIRLS, NOT ENOUGH MAN-JIZZ TO GO AROUND

Dear SCORE,

When the June '06 issue arrived, it was all I could do to rush home, take out my hard-on and release a massive backload of cum when I opened the maga-

zine to the Newcomer of the Year. While I was slightly disappointed to see that Bea Flora only got 3,113 votes against 5,973 for the winner, Merilyn Sakova, seeing Merilyn's feature made me work harder for another blast of cum. I was surprised to see Amber Brooks in second place.

"Wow!" is all I can say when seeing Summer Cummings again. If these pictures are recent, man, has this lady ever improved with age. Unfortunately, I didn't have any more cum to shoot.

Hopefully, we can expect more of Summer, even without Skye Blue.—Jon, San Francisco, California

MERILYN: A WORK OF ART

Dear **SCORE**,

I missed out on some issues during a five-month span, and little did I know I missed out on who is now my favorite **SCORE** Girl for life, Merilyn Sakova. Merilyn is probably the best there ever will be. I guess it's the sexy, flared-out hair. That's just me.

I am an artist going to the Academy of Art in San Francisco. I wake up to naked people almost every day because of class and all. Then, one day, it hit me like a brick wall! I'm an Illustration major, damn it! I can do more than draw the same people over and over again. So I give you this piece of art of Merilyn for you at **SCORE**, Merilyn and other readers. I hope you enjoy this illustration. I took it to heart to make it look as close as possible to her likeness, and I hope she enjoys this illustration. —M.M., via email

SOME OF OUR GREATEST FINDS...FOUND US! **ARE YOU NEXT?**

**MODELS
WANTED**

Harmony Sweet, Sharday and Inesse, all **SCORE** stars, mailed us their photos. We did the rest. Do you have what it takes to be a **SCORE** Girl? Show off your assets! We're looking for attractive, slim 'n' stacked women to photograph at the **SCORE** studio in Miami, Florida. Models get to appear in the pages of **SCORE** and receive generous compensation, plus all of the perks that come with being known as a **SCORE** Girl. Be a star!

HOW TO FIND US

STANDARD MAIL: Send a minimum of four photographs—fully nude head-to-toe front, side profile and back, and one nude from the waist up—along with the model's name, age, address and contact information to: **Director of Photography, The SCORE Group, 1629 NW 84th Ave., Miami, FL 33126**

EMAIL SUBMISSIONS: Four JPEG photos, shot in the same way as above, along with the model's contact information can be emailed directly to: **model@scoregroup.com**. Photos are for evaluation purposes only. No photos will be published without a valid model release and model's consent.

extras and solo scenes. I would love to see more shower scenes. I love the model interviews, but a clip of these models showering before or after a scene is what I call getting to know them. I own all the *Busty Dildo Lovers* volumes, and shower scenes would really set them off.

Also, if you can get Annie Swanson and Brandy Talore together in a lesbian scene, you would send your No. 1 fan on a trip he'd never come down from.—Sturg, Detroit, Michigan

Dear Sturg: We'll see what we can do about getting Annie and Brandy together for some hot sex. For now, though, you might enjoy watching them get hot and oily on the mat in the DVD and VHS Busty Ladies of Oil Wrestling, available online at eBoobStore.com or by calling, toll-free in the U.S. and Canada, 1-800-421-0760. Elsewhere, call 305-662-5959.

CE N'EST PAS JUSTE! NO FAIR!

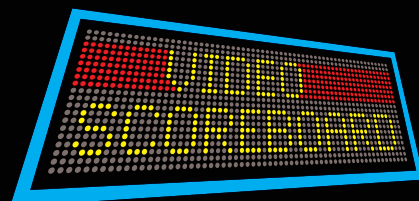

Dear SCORE,

How can you be so cruel as to admit that you have a French edition of *SCORE* ("Scorecard," April '06) and not tell us how to purchase it or subscribe to it? I like to keep up with my French language skills, and I cannot think of a better way to do it than to read a French version of my favorite big-tit magazine. I called your toll-free number for videos, DVDs and back issues and ordered a few DVDs, but they would not sell me a back issue of *Hard SCORE* in French.

Can you tell me who the distributor of your French edition is? I will write or call them in French and offer whatever currency they want: Euros, Francs, Ecus, Piastres or whatever.—Bob (Rob rt-Jean in French), via email

Dear Bob: Unfortunately, the only way to get the French version of SCORE is to go to France and buy one. But believe us when we

**Devon Daniels
& Lisa Phillips**
on Great Exuma Island

ON A HISTORY- MAKING DAY, TWO OF THE GREATS CAME TOGETHER.

For one memorable week in July of 1988, Devon Daniels and Lisa Phillips inhabited the same island in the Bahamas. They ate at the same tables, swam in the same ocean, sunned on the same beaches and were photographed by the same person: the legendary John Graham. The very fact that two women like this could inhabit the same universe, let alone the same island, is mindboggling, and Graham knew it. So, one afternoon, he brought Lisa and Devon together for a photo shoot that would end up getting buried in our vaults for decades, but is now seeing the light of day as a tribute to the greatness of these ladies. If an ordinary picture speaks a thousand words, these speak millions.

The contrast between these two women is startling. Devon, who was 20 years old at the time, stood 5'1" and weighed 110 pounds. Lisa, who had turned 18 two months earlier, towered over Devon at 5'10", 140 pounds and had a physical presence that matched her take-charge attitude in front of the camera. What's amazing to consider, however, is that even though Devon was nine inches shorter than Lisa, her breasts were nearly the same size: Devon wore an E-cup bra while Lisa wore an EE-cup bra. "Devon was very laid back," Graham said, "while Lisa couldn't help but be noticed. Yet, they got along grandly and spent a lot of time together that week. I think whenever two naturally busty girls like this are together, there's a natural bond, and that was there."

The photo on the previous spread of Lisa resting her tits on Devon's shoulders is spectacular. The photo on the facing page, which shows their stark difference in height, is truly mindblowing. "They were memorable girls, and that was a memorable afternoon," said *SCORE* chief John Fox. "Fortunately, we were able to capture it on video, too, as a lasting testament to their extraordinary greatness." See it online in the members area of Scoreland.com and revel in the glory of two of *SCORE*'s greatest naturals ever at the peak of their womanhood.

JANE'S BIG-BOOB VACATION

BUSTY READER VISITS THE EXOTIC DANCER EXPO

For this "Boob Beat," your friendly neighborhood columnist turns over his mouse to a great-looking gal who loves big boobs as much as you and I do. The

amazing Jane Dior (of the well-known Internet couple Dick and Jane) attended the 13th annual Gentlemen's Club

Owners Expo and the two-day Fan Fair in Las Vegas for another fun-packed adventure

with the world's biggest-breasted superstars. Now she's back to SCORE. I love Jane. She's the best. This brunette stunner is close friends with many SCORE models. A businesswoman with a stacked rack of her own, Jane is not a magazine model or exotic dancer, but she is respected and loved by all the girls. So, take it away, Jane.

It was the best of times, it was the

worst of times. That is the best way to sum up the recent history of the big-bust feature dancer scene. It does not take a rocket scientist to see that more big-bust feature entertainers are leaving the industry than coming in. This is not just a recent trend, but one that has been steady over the past five years.

The week in Vegas kicked off with a terrific start for us. No sooner had we retrieved our luggage from the baggage carousel at McCarran Airport then we ran into our pal Chelsea Charms. We exchanged big hugs and decided to share a limo from the airport to the Mandalay Bay Hotel, where the Expo was being held.

We had so much catching up to

Texas Barbie Bennett (SCORE Nov. '03) attends Expo every year.

do, funny stories to exchange and gossip that we could hardly wait until dinner that night, but we all needed to get up to our rooms and freshen up. We knew we had a very long week of big-boob fun ahead of us.

That first night, we went to dinner at the Rum Jungle with Chelsea and our dear friends, SCORE Man "T" and Chelsea's webmaster, "Cubeman." We were all wishing that our "breastest buddy," Crystal Gunns, was there with us, but Crystal wouldn't be flying in until the next day.

T suggested that we go to Hogs and Heifers, the bar that the movie *Coyote Ugly* was modeled after. One of the things they make the women do there is take off their bras, and then they hang them on the wall. Well, fortunately, I was not wearing a bra, but Chelsea was a sport and gave them one of hers. Needless to say, they will never have another bra that big hanging on their bar wall!

The next day began with a lot of anticipation, as well as one hell of a hangover. Last year, Chelsea, Crystal and Texas Barbie Bennett (SCORE Nov.

'03) were gracious enough to allow me to hang out at the Charming Ventures booth with them, but this year, because Chelsea decided not to have a booth, and because I was sporting my brand-new, huge tits, I decided to dress the part a little more. I mean, let's face it, I *am* an exhibitionist, and there might not be a better place on Earth to realize that pursuit than at the Gentlemen's Club Owners Expo.

Finally, Crystal arrived. Whenever we hang out together, we have a blast. Now we had an entire week in Vegas to be crazy. The next three days at the Expo were fabulous because we got to see so many people who we just don't get to see very often.

The first person who comes to mind is Maxi Mounds. There is always too much time between visits with her and not enough time to catch up, although we certainly try. Maxi's body looked amazing.

Alexis Amore (*SCORE Xtra #8*) has attended Fan Fair for several years.

Clockwise from top left: Crystal Gunns and Dee Dee Deluux beckon, Chelsea boobheads Maxi Mounds, Christine (*SCORE* July '01) and Devon Michaels (*SCORE* Feb. '05).

One of the things we love about this event is no matter how much time we go between seeing one another, whenever we all get together it's as if we all live on the same street and see each other every day. There is a sorority amongst the big-boobed sisters, and since the first day I met these amazing women, they have welcomed me.

One of my best buddies in the business is the breathtaking Brittany Love. We'd met at the Expo before, but about three years ago, we wound up seated at the same table at a wedding reception and discovered we had some mutual friends. We have been great friends ever since. Two years ago, Britt won the Big-Bust Entertainer of the Year Award. Alas, despite protests from staff member Echo Valley, this award, won in the past by such stars as Minka, Lisa Lipps and Kayla Kleevage, was discontinued this year, along with other awards. This news was unexpected.

An Expo spokesperson explained that the Big-Bust Entertainer of the Year Award was only one of a dozen awards that were discontinued to make the Awards show a more manageable length and that any decisions of this nature, as difficult as they are to make, are only done in the best interests of the Expo. That's understandable, but for the big-boobed models, the cancellation of the Award was a big disappointment.

While several friends weren't there, such as Lovette (last year's Big-Bust Entertainer of the Year Award winner) and beautiful Vixen LaMoore (see her in the DVD *Busty Dildo Lovers #3*), a couple of newcomers attended their first Expo.

Delightful Lolly Topps (*SCORE* Dec. '05) made her debut and even had her own booth. Canadian model Rebecca Jade was there as a fan, and her huge boobs couldn't be

missed. *SCORE* model Dee Dee Deluxx (from the DVD *Tit Attack*) was also parading around the Expo with that outrageous body of hers, leaving bewildered fans speechless in her wake.

A year ago, Dick and I met Summer Haze, and we continued our friendship with her this year. Chelsea, Crystal and I were hanging out a lot with Summer at her booth for much of the Expo portion of this event before the Fan Fair kicked in over the weekend. She is absolutely terrific and sexy as all hell.

One day, Summer, Crystal and I went to the topless pool to try to even out our tans. Imagine that! We had a great time, and hanging out together was definitely one of the high-lights of our trip.

You could take instant photos with incredibly built Chelsea Charms and other busty superstars at Fan Fair.

By the time the Expo was over, we had all done some serious partying, and we were all having a lot of fun catching up on the past year. Most of us couldn't wait for the Fan Fair portion to start on Friday. Fan Fair is where all of the girls get to meet and greet their fans, and there are no women in the industry as friendly as the big-busted girls. They really enjoy this part of the week.

Over time, the bikini contest has featured fewer girls that a *SCORE* reader would appreciate. This year, the event was changed from a bikini contest to a dance contest with the usual substantial cash prize. We love this idea. In the past, girls would walk out on stage in swimsuits, but this year the girls all got to get up there and show the world why there is nothing like going to see them live in a nightclub.

At Fan Fair, there was a terrific "Big-Boob Row." Maxi Mounds

posed for numerous Polaroids with her fans, as did Summer Cummings. Summer is so damned sweet, and she has one of the best bodies on the planet. Minka was there, looking like huge-boobed perfection, and Dee Dee Deluxx attended her very first Fan Fair. I assisted my buddy Crystal, who was next to Chelsea. The row ended with Echo Valley and Kayla Kupcakes (*SCORE* Feb. '06). Kayla flew into town just to be part of Fan Fair.

Editor's note: The 2006 Expo will be held August 22nd to 24th, '06 at the Mandalay

Minka (far left) and Maxi Mounds show off their profiles in cleavage during Fan Fair 2005. Both mega-boobed superstars have attended the Expo and Fan Fair for years.

"We are going to do Fan Fair again this year," Expo president Don Waitt told SCORE right before we went to press with this edition. "This year we will offer one pass, the VIP Pass, that will get fans a ticket to the Thursday night Awards Show at the Wayne Newton Theatre at the Stardust Casino, plus a pass to the Fan Fair during the day on Friday. It will most probably be held at the Sapphires club again. There will also be a special Feature Entertainer Showcase on Friday night. I invite all the dancers and models to contact me about attending Fan Fair."

NOT JUST TITS

LIZZIE GOLDSMITH IS AN ALL-AROUND BEAUTY. BUT IT'S HER BIG TITS THAT GET ALL THE ATTENTION.

Lizzie is a teenager who wants people to take her seriously. "Unfortunately, men's eyes eventually wander down to my chest, and that ends it," said this university student from Brighton, England. "I don't know what happens to men, especially university boys, when they see a woman with big breasts. They lose their minds, and everything changes." What changes? "All of a sudden," she said, "they think I'm a bimbo. All they want to do is shag me."

Lizzie wanted to become a fashion model. "Then my boobs grew three sizes between the ages of 16 and 18, and that was that," she said. "Now I want to use my brain to make a living, but I haven't met a man who can look me in the eyes for three seconds." Which is surprising, because in addition to having great tits, Lizzie is beautiful. "Thank you for saying that," she said. "I mean, I'm proud of my breasts. Otherwise, I wouldn't have modeled for a magazine like *SCORE*. But it seems like no matter what I wear, men's eyes go directly to my chest. It's as if I don't even have a face." That's called boob radar, Lizzie. It's something many men, especially *SCORE* Men, have. "I guess the fact that I'm in these pages means I'm resigned to men loving me for my breasts," she said. "And that's fine. But please! There's a lot more to me than just tits."

LIZZIE GOLDSMITH

BIRTHDAY: October 22nd

HEIGHT: 5'7"

WEIGHT: 128 lbs.

BRA SIZE: 36DD

MEASUREMENTS: 40-26-36

BORN, RAISED & LIVES:

Brighton, England

OCCUPATION: Student

HOBBIES: Horseback riding, going to the beach, reading romance novels and sitting in the good seats at the opera.

SEXUAL FANTASY: "I really don't have one. I like to have normal sex with normal guys who know how to treat a woman right and know how to have a good time. Most of the boys I know at school aren't like that, so I think I'm looking for an older man to help me broaden my horizons."

Germany had the World Cup. But Stephanie and Tori had...

World Cups

“Why don’t you just scalp the thing?” Tori asked me. She was sitting across from me at the little outdoor café up the street from our hotel in Berlin. We were just finished with dinner, and I was still trying to convince her to go to the game with me the next day because I didn’t want to sit next to somebody I didn’t know.

Tori had gone to the semi-finals game with me, though, and that had been enough. The Olympia Stadium, which normally held 66,000 fans for soccer matches, had an announced attendance of 74,316, and they were expected to squeeze in a few more people for the

finals. Tori, who liked Germany fine—especially since the trip was free—didn’t much care to go back.

“Why don’t you just come with me?” I asked her.

“Because tomorrow,” she said, stabbing a big chunk of strudel, “they’ll be packed tighter in that stadium than your tits are in that bra.”

Tori was right. I’d found a bra at a boutique that afternoon, and since I never find anything to fit me off the rack, I had bought it and worn it. But German sizing wasn’t quite American sizing, as Tori had warned me. Right now, my tits were like two watermelon halves being pressed together.

They were attracting a lot of attention. While the bra was probably a full size too small for my natural H-cup

boobs, it still felt pretty comfortable. It sure made me look great in my stretchy, lycra top. Every time I looked up, I noticed a guy somewhere in the café or passing on the street staring. And not just at me. Tori had some set of hammers on her, too. She was better than a triple-D cup herself.

We’d met because of our tits, actually. Both of us had been waiting for custom orders at the counter at Isabella’s on West Webster Street in Chicago. We’d started talking, found out we liked the same clubs, restaurants...everything Chicago. Now we hung out all the time. When I found out that I had won the contest to travel to Germany, all expenses paid, to see the World Cup soccer tournament, I called Tori to invite her to come with me.

WE TWISTED AND WRITHED AGAINST STEPHEN'S
LUMBER WITH OUR **SPIT-SLICK BOOBS**,....

"Free trip to Germany?" she had asked. "Baby, I am there!"

It had been really exciting at the last game, even though they couldn't kick it into a goal the size of a tractor trailer to save their asses. How can you go 90 minutes and only score one time into that thing? Still, when this one skinny guy finally did kick it in the right place, the whole stadium went berserk. Then the little guy started running around and taking off his shirt and waving it around, and it was like New Year's Eve in Chicago. Only in Germany.

"Good thing we never played soccer in gym class," Tori had said, holding on to me for dear life. "You know what would have happened if either of us had to pull off our shirts and run around? I practically had to paint my school gym shirt on. They didn't make any in my size, even then."

Wow! Running. My boobs would have smacked me in the face and knocked me out if I had to run around like that little skinny guy did.

"It isn't gonna be tough to sell a ticket here," Tori said, sucking the last of her strudel off the fork while a teenage

boy gawked at her from the next table. He looked away when I noticed him and put his napkin in his lap. I could tell he wasn't displaying good manners. He was hiding his hard-on. He was pretty cute, for an 18-year-old, and knowing that he was touching himself because watching Tori suck on strudel made him hard got my pussy itchy. I thought about how many times that boy would get off if Tori and I took him back to our room. Man, I needed some cock. Young guys might cum quickly, but they could get it up over and over again. Right now, my pussy was aching for something like that.

"Just make sure you get something out of it," Tori reminded me. "Those things are like gold here."

That much was true. We were staying at the Hotel Adlon Kempinski, the best hotel in the city. It was huge, seven floors and something like 350 rooms, and right by all the touristy places, like the Brandenburg Gate. Since it was right in the center of the city, you could pretty much go anywhere. And Tori wanted to go everywhere. She just didn't want to go to the stadium.

It was Tori's turn to take our meal voucher to the register, and when she wound her way through the narrow space between the tables, plenty of guys turned their heads to check her out. Tori was wearing a skirt that showed off her ass, and, of course, anything she wore showed off her boobs. That teenage kid nearly choked when Tori winked at him. She'd noticed him, after all.

I took a few steps away from the café. It was quieter up the block, and I noticed a building on the corner. Two men were talking with a good-looking blonde who could have been a St. Pauli Girl. She was wearing one of those tight, white, low-cut blouses, and her arms were folded under her breasts, which were bouncy, juicy looking and poking out over the top. One of the men laughed and said something in German, and she laughed back, and if I saw correctly, let a little nipple flash at him. The men walked away, and she waved them off as another man came up the street.

I took another few steps and listened. I liked the sound of German, even if I didn't know a word of it. The girl in the window said something, then disappeared inside. The guy was good looking. Blonde with short hair and broad shoulders and really powerful looking legs. Even in his slacks, his legs were really built. I kinda hoped he would turn around so I could sneak a look at his ass. He had a hand in his pocket, so I couldn't tell anything because of the way the material was pulled, but I bet he had a pretty nice cock in those pants. Now I knew it had been too long since I'd gotten laid. Right now, I would've been willing to take both the teenager and this guy back upstairs and let them fuck my brains out until daylight, I was so horny. I thought about going back to the café, maybe dragging Tori into a stall with me and letting her help me out. If the stalls weren't so damned tiny.

The guy must have noticed me looking because he smiled and came over. Even though he had a German accent—which was way sexy—he spoke English, which was cool.

"This one's a bit pricey," he said, winking. I looked up. I thought he was talking about the café.

"Not so bad. But I'm not paying."

He laughed. I liked his smile. He was definitely a cutie.

"I should think not," he said. "So

"I'm sorry, Mr. Harris. There's no way I can get you custody of her boobs."

"I'm always hearing girls with big boobs complaining about how hard it is to find a bra that fits," said Harmony Sweet, who's back for her sixth appearance in *SCORE* and her second in the all-naturals issue. "I tell them, 'Why even bother finding a bra that fits? Don't you know that your boobs are going to look a lot bigger in a bra that's too small?'" Harmony demonstrates the proof of that statement in this photo, as her E-cup naturals bulge out of a bra that was designed to hold C-cups. "I'm like spring," she joked. "I'm busting out all over!"

In the top photo on the far side of the left page, we get a side-angle view of Harmony's bulging tits. In the bottom photo, we see her in a classic *SCORE* pose: tits visible even from the back. And in the big photo to the right, we see Harmony physically illustrating the glories of bottom cleavage. "I'd never walk around in public with my tits hanging out like that," she said. "I'd probably get arrested. But I've definitely been known to wear crop tops where you can see the bottom of my bra or, if I'm not wearing a bra, the bottom inch or so of my tits. As you can tell from my last pictorial, I've overcome my shyness." Shyness? No way! The last time we saw Harmony, she was fucking a hard dick in the Nov. '05 Xtra section. She also fucks in the DVD *Big-Tit Fuck Fest*.

A full-page photograph of a blonde woman with large breasts sitting on a patterned couch. She is holding a large, flesh-colored dildo in her mouth and another similar dildo in her right hand, which is resting on her lap. She is looking directly at the camera with a slight smile.

Harmony's sexual fantasy is "fucking in the rain on top of the Colorado mountains." She added, though, that she has no intention of fulfilling this fantasy because "I'm a little afraid of heights, and who wants to fuck in the rain? Still, it's fun to think about." Hey, it's fun to think about fucking Harmony anywhere in any weather. "I usually get to call the shots with guys," she said. "They don't care, as long as they get to fuck me. And that's why it's great to have big tits!"

A full-page photograph of a woman with dark, wet hair, sitting in a bathtub. She is looking down with her mouth slightly open, and she is using a pink electric shaver on her pubic area. Her legs are spread apart, and there is a large amount of white shaving foam on her skin. The background shows white tiled walls and a green towel.

SCORE'S 20 GREATEST NATURALS

**We named them in 2001.
Now we're doing it again!**

Lorna Morgan

Alexis Love

SOME NEW NAMES ARE ON OUR NATURALS HONOR ROLL.

Back in the September 2001 issue, we named the 20 Greatest Naturals to ever appear in the pages of *SCORE*. It was a labor of love that resulted in one of our best-selling—and most controversial—issues ever. Now, five years and many great, new naturals later, the time has come to update that list. Who, now, are *SCORE*'s 20 Greatest Naturals? Which girls made the cut?

Nadine Jansen

Chloe Vevrier

Autumn-Jade

Lisa Phillips

Twelve of *SCORE*'s 20 Greatest Naturals from the September '01 issue kept their spots in our Top 20: Linsey Dawn McKenzie, Chloe Vevrier, Lisa Phillips, Danni Ashe, Diane Poppo, Sammie Black, Lorna Morgan, Kerry Marie, Jessica Turner, Autumn-Jade and *SCORE* Big-Boob Hall of Famers Devon Daniels and Alexis Love. Eight didn't make the cut: Via Paxton, Jeannine Oldfield, Rhonda Baxter, Carrie Lynn, Annette Christianson, Sylvia Panda, Charlotte and Nilli Willis. Their absence on the list is indicative of the quality of the naturals who have come along since 2001.

Marilyn Sakova

Ines Cudna

Bea Flora

Anna Song

Devon Daniels

A photograph of a woman with long dark hair, wearing a blue lace-trimmed bikini top, lying on her side on a plaid surface. She is looking back over her shoulder with an open-mouthed expression.

Kerry Marie

The eight "new naturals" who cracked our 20 Greatest Naturals list are 2005 Newcomer of the Year Marilyn Sakova, 2004 Newcomer of the Year Kelly Kay, 2003 Newcomer of the Year Nicole Peters, 2001 Newcomer of the Year Sharday, Nadine Jansen, Bea Flora, Ines Cudna and Anna Song, a top contender for 2006's honors.

A photograph of a woman with blonde hair, lying on her back on a dark blue textured surface. She is smiling and looking towards the camera. Her large breasts are prominent in the foreground.

Jessica Turner

We're expecting some controversy over our selections. After all, we made some difficult choices and actually considered turning our Top 20 into a Top 25. In the end, we decided that expanding the list would water-down the prestige attached to being on it. But what do you think? Were we hasty in placing Anna Song on our list after only two appearances in *SCORE*? Although Danni Ashe is, undoubtedly, one of the most famous big-tit models ever, does she have the boob-power to warrant a spot in the Top 20? Did we make a mistake by removing from the list such favorites as Rhonda Baxter, Jeannine Oldfield and Via Paxton? Did Inesse, C.J., Brandy Talore, Carmen and Luma, all of whom were featured in last year's "The New Naturals" issue, deserve a spot in the new Top 20? Sure, you can take issue with our new Top 20. But now that you've had the chance to review the 20 ladies on these 10 pages, you can never doubt their individual greatness.

Danni Ashe

More

 Eyeful

BEA FLORA HAS IT ALL, BUT UNTIL NOW, SHE HASN'T SHOWN US EVERYTHING. TAKE A GOOD LOOK, MEN.

Are you seeing what we're seeing? We're talking about the full-page picture to the left, and, yeah, that is Bea's pussy peeking out from her sexy World of Wicked dress (clubwicked.org). Beauty and FF-cups are what Bea's all about, but that picture is special because we've never seen Bea's pussy before.

We gotta say, we're getting awfully good at getting girls to show us their pussies when they don't think they're showing us their pussies. Cynthia Romero did it in the May '06 issue. She didn't realize how sheer her panties were, and when she laid back and spread her legs, she gave us an eyeful of her pussy through the fabric. As for Bea, she probably should've known that a short dress and crotchless panties weren't going to cover her goodies. And maybe she did. "I do not think I am ready to do the kinds of sexy poses with my legs spread," she said. "But I love to tease."

EXPLORING AFRICA

**THERE'S NO DANGER ON
THIS VOYAGE. JUST BIG
TITS AND A PINK PUSSY.**

Way too much time has passed since the beautiful, slim-and-stacked Africa has graced our pages, so let's review her from head-to-toe. Don't fret. Africa will play with her amazingly pliable G-cup tits and spread her ultra-pink pussy later in the layout. For now, though, let's appreciate Africa's curvy body. Her ribcage measurement is only 32 inches, on top of which she packs eight inches of tit. Her waist is only 26 inches. "Other than my boobs and my height," she said. "I'm a small girl."

Africa loves posing in front of the camera, whether she's by herself, as she is here, or with some friends, as she is in the DVD *Black & Stacked Xtra #3*, when she shares a cock with her bosom buddy Cassitty. She once told us, "When I think about doing a hardcore boy-girl video, I think to myself, 'What are you doing having sex on camera?' It's so strange doing something so personal and private in front of a camera for all these people to watch. But once the camera starts rolling, I really get into it. Sometimes I forget the camera's even there." Africa obviously got into it here, licking her nipples and spreading her pussy for all of us to see. "Whenever I see myself in pictures, I'm amazed by two things," she said. "How big my tits are and how pink my pussy is. I think I'm a lucky girl."

Here's something that'll amaze you if you check out the "Africa vs. Cassitty Big-Tit Challenge" on Scoreland.com: how far down her throat Africa can get a cock. "All the way down!" Africa said, smiling. "I have to admit, though, that I was trying extra hard that day because I wanted to show Cassitty that I could deep-throat better than she can, and she can really deep-throat! The guy's cock was big, at least 10 inches, and it was really hard, and we both swallowed it to the bottom. I think it was a tie, but that's up for you guys to decide." Hey, we're not fools enough to get into trouble by telling one girl she doesn't suck cock as well as another girl does. That's in the same category as a girl asking, "Does this dress make my ass look too big?" Africa laughed. "I went down to the balls," she said. "And you can't go any further than that!"

what's the charge?"

"I don't know, actually. My friend, Tori, took care of it."

"Tori, eh? Two of you? Well, that's gotta cost a pretty penny."

"Well, like I said, I don't pay attention to that stuff."

Just then, Tori showed up and said hello to my new friend. He looked her over, which I thought was a bit forward. He had kinda looked me over, too. But maybe that was just Europeans. They were supposed to be more liberal anyway, right?

Then he asked the same questions of Tori, and she got really, really mad and grabbed me by the arm. We took off in the other direction, leaving him standing there, looking upset.

"That was pretty rude of you," I said.

"Rude of *me*?" Tori said. "He thought we worked there."

"At the café? Why would he..."

"No, the brothel! You were standing in front of a brothel, Stephanie! He was asking how much for *us*."

"What a bummer!" I cursed. Just thinking about him had me getting creamy. Man, I had no idea how horny I was. Now I was gonna have to go back to the hotel, probably sit around the bar for a while, then go upstairs and masturbate. Damnit. I would have done that guy for free, even knowing that he thought I was a pro. Shit, you even could've called it a compliment!

Sure enough, a half hour later, I was sipping a Kahlua and cream while Tori had disappeared somewhere. My pussy still felt wet, and I couldn't get that guy out of my mind. Talk about a surprise when he showed up in the bar to apologize.

Stephen, as I found out, was from Berlin and was a rabid soccer fan. He bought me another Kahlua and cream and got himself a Dinkel Acker.

"I wish you would let me make it up to you for what I said," he insisted. I remembered what Tori had said, to get something out of it. I put my hand on his thigh. My lips brushed his ear.

"Why don't we go upstairs and talk about it?" I said

Stephen grinned, and in two minutes, we were upstairs, and I was help-

AT HER.**

Any time is the right time for a visit from British beauty Fleur Rose, who was last seen in the Sept. '03 all-naturals issue. Too much time has passed. "I've been a busy girl," Fleur said, coyly refusing to tell us what she's been busy at.

"But for me, getting buck-naked in front of the camera is like a habit. Every once in a while, I get the urge to take off all my clothes so men can fantasize about me and I can fantasize about them. The other day, I ran into an old friend who reads *SCORE*, and that made me think, 'I'm gonna ring up the guys at *SCORE* again.'" We're glad she did. Fleur's still looking great.

We're tit-men. Fleur is a pussy girl. "I can't keep my hands off my pussy," she said. "Sometimes I'll be sitting somewhere, like in a restaurant, and I'll look down and see that my hand is on my crotch. Or I'll be driving along, and I can't help but start playing with myself. The photographer kept saying, 'Honey, concentrate on your tits,' but what can I say? My nipples are very sensitive, but my pleasure points are in my pussy." That's for sure. We saw Fleur's pussy getting fucked in the DVD *Voluptuous Xtra #4*. It's worth a look.

ing him pull my shirt off over my head. My head wasn't the problem, though, and he couldn't help noticing.

"God, they're enormous!" he said, putting his hands on them.

"You like them big?" I asked, reaching behind me to undo the industrial clamps that held it shut. "Big like this?"

I pulled the bra free, and the full weight of my tits poured into his palms. He lifted them as if he were weighing them and looked like he was in heaven.

"Lifelong tit man." He breathed hot onto my nipples. He pressed them together and flicked my hard peaks with his tongue. He moved his head side to side, giving my gumdrops a worthy tongue-bath, alternating from sucking to licking and back to sucking. By the time he took his mouth off my knockers, saliva was running down them and into my cleavage. I fell back onto one of the hotel's enormous double beds and let him take off my pants. When he saw that I wasn't wearing any panties, he whistled and planted a kiss right on the crown of my trimmed, fuzzy vee. I ran my foot up his leg and pressed the arch against his bulge. Underneath my foot, he felt big and thick. I couldn't wait to get my hands and mouth on his cock. I like thick. I like thick a lot.

I used my toes to grip his zipper and tugged it down while he unbuttoned. He stepped out of his pants and moved between my legs. I put my feet up on his chest, and he massaged them while I dragged them down to his crotch. I pressed my feet together. His cock was outlined through the fabric of his boxers. *Oh yeah, I thought, he has some sweet piece of big, long German sausage hanging down there.*

"Let me see it," I told him. "Take out that dick and come up here and show me how much you like my big titties."

Stephen tugged down his boxers, and his enormous pole bounded free. It was magnificent. I could already feel my cunny getting sloppy on the bedspread, and I didn't care. For \$800 a night, the cleaning crew could deal with a little pussy juice in the morning.

Stephen straddled my waist and laid that big jizz stick of his into the cavern between my hooters. I pressed my tits together, adding to the pressure on his

meat. His prick was fat and veiny, and I felt him rubbing against my tit tunnel fast and raw.

"Fuck my tits," I said. "Blow your cum on my boobs!"

Stephen was loving it. A few times, I pulled his rod out and spit into my hand, lubing him up. I have a thing for guys cumming on my tits. It drives me crazy. With breasts as big as mine, sometimes they prefer titty-fucking to me giving them blow jobs. Stephen looked to be one of those kinda guys.

"Come on, Stephen. Cum on me. Shoot your cream all over my tits! I wanna feel your jizz on me. Come on, do it! Shoot all over me!"

Stephen's cock twitched, and a shot-glassful of spooze gushed out into my cleavage. I felt warmth run up under my chin, and then more of his love sauce shot out, and I got a splatter of it on my lips and cheek. I pressed my mounds together, and he jerked his cock over and over, filling my valley with sperm. I sucked his sauce off my lips and tasted his jizz, and my pussy absolutely flooded.

When he finished, I let my boobs spread apart, sticky with cum. I fondled his prick, getting my fingers nasty with his load, licking it off and then stroking a few drops more out of him. I sucked the last bit of ooze out of his cockhead and swallowed before he collapsed onto the bed next to me.

A half hour later, I got a towel, wiped down and came back to bed. Stephen had centered himself on the mattress, having tossed off the bedspread. He flicked his tongue out over his top lip, and I knew just what he wanted. I straddled his face and felt his tongue part my bikini-trimmed snatch.

Stephen had an expert tongue, and in no time, I had splashed his face with my first orgasm's worth of slit honey. He guzzled down my nectar and prodded my butt with his thumb while eating me out, and when he finally penetrated my ass, I coated his face from the nose down with my cunt oil. He had me cumming again, a third time, and I was leaning back, my back arched, when I felt something wet like a finger trace up my spine. Stephen bucked his hips, and I felt it again as his tongue stabbed into my soupy hole. Then I realized what it was. That was Stephen's monster cock,

ONLY BIG-TITTED NATURALS HAVE THE ABILITY TO PLEASURE THEIR OWN TITS.

Take I-cupper Autumn-Jade. She loves when a guy bites her nipples, but sometimes when she's by herself and in need of a little tit-loving, she just lifts up her nip to her mouth and takes a suck...or a bite. "Biting and sucking on my own tits get me so wet!" she said.

Chaka T.

Just as all guys have a special way that they want their cocks blown, all girls have a special way they want their nipples licked and sucked. So, it's educational to pay attention to how they mouth their own tits. The legendary Carol Brown likes to lick the tip of her nips. Beate enjoys latching onto the tip of her nip and tugging. Chaka T. loves having both nips licked at the same time. Angela White is an aggressive sucker who wants you to get all of her nipple into your mouth. Cherry Brady's heavy hooters need to be hoisted and licked.

Perhaps you've seen the photo on the facing page of Cassitty sucking both of her nips at the same time, but we're showing it for those who haven't seen it...and because we can't get enough of it. Cassitty's double-sucking talent is unique; we've seen only a handful of girls who can do it, and we've never seen a girl do what Cassitty does in the May '04 issue of *Voluptuous*: hands-free suck on both of her nipples while riding a cock. Yet, whether it's one tit or two, the sight of a busty natural sucking on her nips never fails to get us rock-hard. Suck on, ladies!

poking me in the back.

I'd had enough. I climbed off Stephen's face and took his penis in both hands, wrestling it to my lips. I could still taste his sticky gunk, salty and strong, on his skin. I took in a huge mouthful of cock and began jacking his shaft with one hand.

I noticed the lights flick on and heard Tori gasp in the doorway. Without taking Stephen out of my mouth, my cheeks bulging with cock, I winked at her and waved her over. She got to the end of the bed, and I took Stephen's tool out of my mouth, strands of spit hanging off the tip.

"Wanna share?" I asked her, pointing his hard-on in her direction. "There's plenty for two."

Tori was a little drunk and didn't ask any questions. She got down on her knees and let me put the tip of Stephen's cock in her mouth. She only reluctantly let me take it back, and then we started to kiss each other around Stephen's big bone, up and down the length of his shaft all the way to his balls and back up again. When I let Tori hold onto his pole and put my hand underneath her skirt, I could feel her damp in the panties.

I didn't want to make Stephen cum again, not just yet. Not that I wouldn't have minded a mouthful of his sperm running down my throat, but Tori had just gotten here, and I wanted her to get a little action, too. I let Stephen's slobber-lubed dong slap down against his belly while I worked Tori's top and skirt off. She was wearing a pair of low-cut girl's briefs, and the spot over her pussy hole was transparent, she was so wet. We hopped onto the bed, and I maneuvered Tori down on all fours, her round ass staring Stephen right in the face.

"Help her," I ordered.

Stephen grabbed the waistband and slowly drew Tori's dripping panties off, moving in close to nibble on her full, tanned ass cheeks while he did so. From where I was, I could see a silky strand of pussy dew hanging down from between Tori's pouty lips. Stephen noticed it, too, and took the liberty of freeing it with the tip of his index finger and sucking it off when Tori turned around

**SPECTACULAR F-CUPPER
NADINE JANSEN IS MORE
THAN A WOMAN TO US.**

When Nadine Jansen debuted on the cover of the February '01 *SCORE*, the headline trumpeted, "Best Tits Ever!" More than five years later, this German bombshell is making her fourth appearance in the all-naturals issue. On page 43 of this issue, she is officially designated as one of *SCORE*'s 20 greatest naturals...a designation that was obvious to anyone who has ever set eyes on her. "It is a great honor," Nadine said. "I feel humble." But, as these pictures prove, Nadine has no need to be humble.

These photos, taken by the folks at Danni.com, are quite possibly Nadine's most spectacular ever. She's showing more pussy than we've ever seen her show, and her F-cup rack seems larger than ever. And, Nadine looks more breathtakingly beautiful than ever. Compare these photos to the one of a young, fresh-faced, hippy-girl Nadine that appeared in the February '01 issue. Track her progression in each *SCORE* pictorial, and see how she has gone from young, innocent, 21-year-old girl to glorious sex goddess in the full bloom of womanhood. "I am much more confident in front of the camera than I used to be," Nadine said. "When I started, I was self-conscious, but all the wonderful letters I have received from men who have seen my pictures have changed that. I still do not think I will have sex with a man in front of the camera, but now when I pose, I feel sexy and sure of myself. Thank you for making me one of *SCORE*'s greatest naturals." We didn't do anything, Nadine. You did it all. And thank you for being you.

to face him.

Tori and I knelt on either side of him, pressing our globes together. We pawed each other's melons, playing with them, pressing our nipples against each other, then finally licking and sucking each other's tits. Stephen played with any boob that was free, and we let our four massive mountains dangle in his face for what seemed like half the night before I felt ready to get back to it. I reached down while Tori let Stephen suckle one rosebud a moment longer, finding his cock rigid and ready to go.

"You first," I told Tori, giving her a playful slap on the ass.

Man, Tori has a great ass! I got behind her and helped her wriggle backwards, guiding Stephen's pecker up against her pink-velvet entrance. Tori rocked against it a few times, then plunged back, her shoulders resting against my chest, impaled on Stephen's erection. Tori gasped with the intensity of it. I grabbed her hips and cupped her ass while she rode him. Stephen manhandled her big cans, kneading them and working over her nipples until she cried out that she was going to cum. Just before she did, Tori turned to me and through her clenched teeth said, "He is so fucking good!"

Tori came, and her box rained fluid onto Stephen's matted crotch hair. Tori slipped off his greasy pole, and she rubbed it on her breasts before she turned it over to me to finish off the poor boy.

I straddled Stephen's hips and let his length fill me. My pussy was so well-lubed that I could have worked Stephen's flagpole for days. Tori stuck her slimy tits in my face, and I sucked her sex oil off them, tasting her tangy sauce and the remnants of Stephen's dried cum on her. I bounced up and down on Stephen's prick like he was a hobby horse, and the more I did, the closer I got to beating him to another orgasm. Tori was playing with my tits, and Stephen was groping hers. I didn't have anything left, and I came as intensely as I have ever cum before, with Tori or anybody else. Usually, I cum fast, but this one lasted and lasted and lasted. I felt it in my hips and back, I felt fire in my tits while Tori suckled my

swollen nips. I came so hard, tears leaked out of the corners of my eyes, until finally, I couldn't take it any more and had to pull that beautiful fuck stick out of my pussy.

Tori and I were totally spent, but we weren't going to leave Stephen hanging. That big bratwurst of his had a little more left to give.

Tori and I faced each other over Stephen's pole, and I opened my mouth and started drooling all over Tori's cans. When they were slick with drool, I pointed to mine, and she did the same. Then we pressed our breasts together around Stephen's cock and started grinding our tits around his prick. We twisted and writhed against Stephen's lumber with our spit-slicked boobs and started making out, Stephen's trapped shaft thrusting up between us.

"Get ready, Stephanie," she said. "Get ready 'cause I'm cumming!"

A geyser of thick, white jizz splashed across our chests. Before I could grab Stephen's spitting cockhead, Tori took a full spurt across her chin, and we were both splattered with cum as we struggled to get control of that big rod. We were both laughing, coated in spunk, when Stephen's manhood finally gave in, the last of his nutsauce draining out in a dribble onto his belly. While Stephen watched, Tori and I licked the cum off each other, Tori getting the last of it off Stephen's belly. She showed him her tongue, coated in semen, before swallowing it down. I could've sworn I saw his cock flicker again.

Stephen had dressed, and Tori was out of the shower. I was still sweaty, and my thighs were sticky while I waited for her. Had Stephen not been there, we probably would have showered together. The way we had left the one bed, we'd certainly be sharing the other tonight.

"Got plans tomorrow?" I asked.

"I'll be home, watching the game," he said. "Why?"

"If you stick around, I think we can find you a better seat...at Olympia Stadium. Deal?" Then I showed him the tickets to the game.

Stephen began to unbutton his shirt.

"Good boy," I said, turning on the hot water. "There's still some ball to be played before the game."

As I closed the shower door, I heard Tori giggle. Then she said, "Oooh!" and I started getting soapy. 🍋

Brianna Costello

SAY HELLO TO THE TWINS, BETTER KNOWN AS BRIANNA'S F-CUPS. GLAD TO MEET YA, LADIES!

The F-cup beauties (she calls them "the twins") bursting out of that bustier belong to Brianna Costello, a corn-fed Kansas girl whose burning up strip-club stages and horny laps up and down the California coast. She thinks she might want to become a porn star, but she isn't certain. "I love to have sex in daring places, and the most daring place would be on a video where everybody can see me, right?" she said. "I'll probably do it, but I don't know."

Speaking of having sex in daring places, Brianna once gave a guy a blow job on the roller coaster at the top of the Stratosphere Hotel in Las Vegas. We know plenty of people who won't even go on that coaster, no less suck some guy off while they're on it. "It was fun!" she said. "We were going around in circles at like a million miles an hour, and we were like a thousand feet up, and I had his cock in my mouth. It didn't take long for him to cum, of course."

Wanna suck on Brianna's tits and fuck her pussy? Then put on your best accent—English or French will do—and whisk her off to a foreign country. Before you know it, she'll be begging for your pole. "I don't know why, but there's something about an accent that makes my nipples hard and my pussy wet," she said. "And I think being in Europe is so exciting, so having sex with a man with a beautiful accent in a beautiful park in Paris, would be like a dream come true for me." For us, too. Hey, Brianna. *Parlez-vous* titties?

tell you that, as long as you're buying the English-language version of SCORE, you're not missing out on anything. The French version has the same girls, the same pictorials and, in most cases, the same pictures.

HEY, SCORE, STOP WITH THE LAME EXCUSES & SHAPE UP!

Dear SCORE,

I generally think you have a great magazine and I never miss an issue, but I have to concur with M.W. ("Scorecard," May '06) complaining about box covers not matching the video scenes. I'm afraid your explanation to M.W. was simply inadequate. You explained, "In some cases, there may be no matching stills shot back-to-back with a video session." C'mon, guys. That is nothing less than a lame copout!

You have the ability and the responsibility to ensure that video stills for a movie are part of the video production session. Your magazines, as well as your videos, are some of the most expensive on the market. The very least you can do is put out the highest quality mags and videos comparable to what you charge.

You guys in the industry need to realize that there are serious fans and connoisseurs who demand the quality and attention to detail they come to expect from big names such as SCORE.

Your magazine is one of the best, but every now and again, we find an editor (or whoever makes decisions on what gets printed) who gets a little lazy, and the results are models whose nails are not done, poor focus, substandard models, a model in SCORE who belongs in Voluptuous, models in Voluptuous who belong in XL, and some models who don't belong anywhere in print. You guys really need to get this stuff right. Stop with the lame excuses already.

Quite frankly, I was a little miffed at your explanation to M.W. You know damn well that people use box-cover photos to determine which videos to buy. If you don't think so, why don't you place a photo of Mother Theresa on the cover of a Linsey Dawn McKenzie video and see how many you sell? Pictures on the box should accurately reflect what is shown in the actual video, just as what is shown on the magazine cover should accurately reflect the model's attire and layout inside it.

Do what you want, but just keep in mind that your hardcore fans are the ones keeping you in business.—T.A., New York, New York

HE HAS A THING FOR SHORT GIRLS WITH BIG TITS (SO DO WE!)

Dear SCORE,

When are you going to have a short issue? I love to see the short-and-stacked ladies. By short, I mean around 5' or so, maybe 5'3", but no taller.

Speaking of short, I was wondering why I haven't seen one of my all-time favorite short-and-stacked girls, Whitney Wonders? She is so hot. I had to replace *Thunderboobs* because I kept watching it over and over, and I wore out the tape. Thank God for the invention of the DVD, but I will probably melt it or something.

I was lucky enough to see Whitney in Denver, Colorado, but I can't find anything new from her. She looks as good now as she ever has. Please don't hold out on me. I know you have some old photos around some place. And if she is still dancing, why can't you do a new photo shoot?—T.G., via email

Dear T.G. We don't have any unpublished sets of Whitney, but here's a photo of her to tide you over.

Whitney Wonders is the epitome of short-and-stacked. Hey, what's she hiding?

WARNING TO GIRLS WHO DON'T SUCK COCK: DON'T READ THIS!

Dear SCORE,

In regards to a smile being so pretty, yes, it's true. However, I'll go one better. Open up that hot and sexy cockhole and stick out your tongue, curled at the tip. Let us all know you're ready to do your job and suck some cock. A woman who doesn't suck cock is almost as worthless as a guard dog that doesn't bark. They should all be rounded up and stuck on an island so as not to let their disgusting attitudes influence honest women.

SCORE'S HALL OF FAMERS MADE A TIT-MAN FEEL REAL GOOD

Dear SCORE,

The nine wonderful photos of the Hall of Fame models who introduced the great layout of the newest member, Angelique (June '06), reminded me of my first experience with SCORE.

In the mid-1990s, I was diagnosed with moderate clinical depression for which the doctor prescribed medication. By coincidence, as I waited for my prescription to be filled, I made an impulse purchase of SCORE in a store next-door to the pharmacy.

I discovered that your girls lifted my spirits better than the meds did. That wasn't all they lifted! Over the decade or so since that day, each and every one of your 10 Hall of Famers has delighted me

and given me many pleasurable cums. My first favorite was the sweet and lovely Traci Topps.

My compliments to your staff members who spent time going through your files to select these nine top-quality photos. Each photo reveals the magnificent charms with which each gorgeous model has thrilled me over the years. And welcome, Angelique, to the world's foremost honor society.-C.J., Philadelphia, Pennsylvania

BOOB-FOCUSED SCORE COVERS, AND A WORD ABOUT THE PAPER

Dear SCORE,

I just returned home after a train ride into the city to pick up the May '06 SCORE. I saw my letter in print, and here I am writing!

The April '06 SCORE had the best print quality I've seen for a while, and the models and layouts were good, too.

Great, great shot of beautiful Ashley Juggs on the cover of the May '06 issue. I could jerk off to that alone. It's great to see Ashley again. Keep the tit-oriented cover shots like that coming, and your reader base will increase dramatically. The perfect tit shot should always:

1. Emphasize the roundness of the girl's boobs.

2. Show the stark contrast between those big, fat, round, bulging globes and the flat, smooth, sculpted, even inwardly curving stomach.

Anyway, my latest (and hopefully final) comment on the print quality is that my conclusion is it's the paper itself,

not the ink, that's the problem. I can see the grain (or whatever you call it). I recommend a different grade of paper.—John, Wigan, England

THE NUDE VS. CLOTHING DEBATE CONTINUES. WILL IT EVER END?

Dear *SCORE*,

I have ways to improve *SCORE*.

1. Show more totally nude, full-frontal shots.

2. Please do away with the stockings, girdles and lingerie pictorials. After all, *SCORE* is a nudie magazine, and in my opinion, an entire pictorial without any total nudity is wasted space. In fact, I think that the part of a model's photo layout with lingerie is also unnecessary. We subscribe to *SCORE* for totally nude shots of your models. Don't give in to the readers who like stockings, lingerie, etc. Let them go through the Sears catalog or some other publication that will meet their fantasies. One or maybe two partially nude photos are okay, but after that, let's get down

to total nudity.

3. You aren't telling us the models' ages and dates of birth anymore in the stats. You've stopped doing it

Some readers don't want to see the models, such as Anna Song (above), in a bra and panties. They want to see them naked, as Anna is below left. Where do you stand in the clothing vs. nude debate? Do you like the tease, or do you want total nudity?

just in the past eight or nine months. Please start telling us the models' ages and dates of birth (month and year).

And some questions:

1. In the June '06 issue, you mentioned that you think the problem with blurry photos has been corrected. Well, I don't think it has been totally corrected. Some of Marilyn's photos looked too light and a little blurry.

2. According to my calculations, SCORE will have its 15th anniversary next spring or summer. Are you planning a special issue in honor of the event?—Harold, address withheld

Dear Harold: We celebrated our 10th anniversary in the June 2002 issue, and we'll celebrate our 15th anniversary in the middle of 2007. Of course, we wouldn't let such a significant and happy event pass without something special. As for no longer publishing the models' ages, we're just trying to be gentlemen. You wouldn't ask a lady her age, would you?

THE BATTLE OF THE BRAS: MERILYN SAKOVA VS. BEA FLORA

Dear SCORE,

I can't wait to see a showdown, size vs. size, in a sexy wrestling match between Marilyn Sakova and Bea Flora. That would be just as hot as when Devon Daniels took on Lisa Phillips in "The Battle of the Bras," but please allow them to put each other in a bear hug so we can see who outstacks who. I bet each of them would like to know.—C.P., via email

NICOLE, MERILYN AND ANNA: THE ULTIMATE THREESOME

Dear SCORE,

Nicole Peters, Marilyn Sakova and Anna Song are my three favorite models, and I would feel as if I died and gone to heaven if you could put them in a lay-out together.

Aside from their beautiful breasts, I love each one for different reasons. Nicole: I love her bush and her innocent demeanor. As for Marilyn and Anna, I love how they were not as shy as Nicole was when she started and went straight to doing poses that could make any guy just about cum from just looking at them: spreading or shoving fingers or toys in their pussies and asses.

An ass like Marilyn's I could lick and fuck forever, as I do when I jack off to her pictures. Anna is just so young and hot. What's not to love? All three girls are just too pretty for words. As for ass shots, I think you guys should have a picture of each girl on her hands and knees with her ass in the air.

I also think you should do the same with pictures of the girls spreading their pussies with the girls looking up at the camera with their mouths open, waiting to swallow a load of cum. I also can't wait to see Marilyn, Anna or even Nicole do hardcore.—S., via email

Dear S.: Neither can we, but will it ever happen? We hope so, and we'll keep asking them to do hardcore. For now, though, we have a question for readers: What's your ultimate Marilyn, Anna Song or Nicole Peters fantasy? Let us know by sending your fantasies to the address below.

SEND YOUR LETTERS!

**NOW THERE
CAN BE NO
DOUBT:
MERILYN
SAKOVA IS
ONE OF
SCORE'S
ALL-TIME
GREATS.**

We've seen a lot of Marilyn Sakova since she made her worldwide magazine debut in the September '05 issue, and for good reason. The 2005 Newcomer of the Year is one of the most spectacular big-tit naturals ever, possibly the most spectacular, judging by your response to her. For this, her sixth appearance in the world's great boob mag, we flew Marilyn down to sunny Spain and told her to bring her bathing suits.

**Bathing
Beauty**

Merilyn had never traveled outside of her native Russia and was more than happy to leave the cold, snowy Russian winter for the beautiful, warm weather in the Costa Del Sol. "Is this my prize for winning Newcomer of the Year?" Merilyn said as she slowly removed this one-piece bathing suit that she made sensational. "I never want to leave!" We never wanted her to leave, and Merilyn modeled for a bunch of poolside and beach pictorials that are being posted at her popular new website, BustyMerilyn.com. These are the most stunning photos of Merilyn we've ever seen. The photo below shows how slim-and-stacked she really is. Her waist is tiny. Her tits are splaying back into her chin. The look on Merilyn's face says she loves what she's doing. "This is the most fun I've ever had taking pictures," she said.

There's no doubt that Marilyn deserves her spot on our updated list of *SCORE*'s 20 greatest naturals (see pages 42-51 of this issue). But where does she rank among the greatest naturals ever? Most *SCORE* Men will agree that Linsey Dawn McKenzie, Chloe Vevrier, Devon Daniels, Nicole Peters and Sharday are in the running for the No. 1 spot, and after viewing these photos, we can't imagine that Marilyn isn't in the Top Three. What's your opinion? Now that you've seen Marilyn indoors and out, where does she belong among the greatest naturals ever? Or is it too early to make that judgment? Send your letters to "Where Does Marilyn Rank?" c/o *SCORE*, 1629 NW 84th Avenue, Miami, FL 33126. Or email us at score@scoregroup.com. Let the debate begin!

CARMEN HAYES **FUCKED FOR A BUCK**

IF A BUSTY HOOKER LIKE CARMEN WAS STANDING ON YOUR CORNER, YOU'D REACH INTO YOUR POCKET.

Carmen Hayes really knows how to suck and fuck. We discovered that in the videos *Hard SCORE #1* and *Black & Stacked Xtra #3*. But does she suck and fuck well enough to work the streets and offer up her mouth and pussy for cash? "You're damn right I do!" Carmen exclaimed. "If I had to suck cock to pay the rent, you'd better believe I could be living on the waterfront!" As if to prove it, Carmen plays the part of a big-titted hooker in the DVD *Busty Hookers*. Hey, guys...want a date?

This lucky guy can't get his money out of his pocket fast enough for a pay-per-spew shot at Carmen's mouth, pussy and tits. Carmen's got a pro's mouth, and she proves it by expertly swallowing her john's balls and teething on his cock. Carmen's cunt is surprisingly tight for a hooker's, too, and he enjoys plowing it in a variety of positions, knowing he's getting his money's worth. But will Carmen be standing on the same street corner the next time he has a hard-on? Who knows? But maybe Brandy Talore, Kelly Madison or Alexis May, the other three stars of *Busty Hookers*, will be. With hookers like these, a man could go broke.

VERONIKA TWO OF HER FAVORITE THINGS

SHE LOVES HAVING PLENTY OF COCKS FILLING HER HOLES. SHE LOVES WHEN YOU WATCH AND JACK.

It doesn't seem right, does it? A beautiful, naturally busty babe like Veronika, and just about every time she's in **SCORE**, she's got a cock in her mouth and cunt. After debuting solo in the Sept. '04 issue, she fucked a guy in the Feb. '04 issue and shared a cock with Linsey Dawn McKenzie in the Feb. '05 issue. And here she is again, in another three-way, except this time she's with two cocks. "I don't mind that you always want me to fuck," Veronika said. "Cock is my favorite thing!"

"It is fun to suck a cock while another man's cock is in my pussy," Veronika said. "It is even more fun to do it while I am looking right into the camera. It makes me feel like such a bad girl." Let's face it, Veronika: It makes you feel like a slut, and you love feeling like a slut. "I am looking into the camera while a man is in my pussy and in my mouth, and I am thinking, I hope all the men out there have their cocks out and are pulling on them. I hope they know how much I want their sauce." Their sauce? Strong words coming from the mouth of a lady. "My favorite part of this scene is when they shot their sauce all over my tits," Veronika said. "I wanted to lick it all off. So I did!" Enjoy your reward, Veronika. We'll just watch and jack.
