A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.

Sharday (left) proved that some bras are woefully inadequate in the May '03 issue of *Voluptuous*. In the April '06 *SCORE*, Kayla Kupcakes fulfilled every *SCORE* Man's stacked hairdresser fantasy.

BIG-TITTED SCORE GIRLS WHO CUT HAIR AND CLEAN TEETH

Dear *SCORE*,

SCORE has always provided something for everyone. Sure, we all love big tits, but you also give us mouthwatering pussy close-ups, bra shots, clothed breasts and, of course, hardcore sex. More DP and anal, please!

I would love to see more themed pictorials like "Big Tits in Tight Clothes" (April '06). That's what breast-men like to see. Also, I think it's hot to see *SCORE* Girls squeezing into bras that are too small (like the pictures I saw of Sharday in *Voluptuous* years back).

And you guys must have read my mind. I've always wanted to see a pictorial where the model is dressed as a hairdresser. Kayla Kupcakes (April '06) filled that role perfectly. I love going to get my hair cut, just to see my hairdresser's cleavage as she stands in front of me and I have nowhere else to look. She's not quite *SCORE* material, but she's attractive nonetheless. I'm also hoping for a layout featuring a dentist or dental hygienist (featuring Marilyn Sakova, Ines, Autumn-Jade or Bea Flora).

As far as the Big-Boob Hall of Fame, there are many who deserve to be

inducted: Lisa Chest, Dixie Bubbles, Topsy Curvey, Deena Duos, Jay Milo, Melody Foxxe, Becky Sunshine and Valerie Fields.

Finally, I'd like to protest one thing: obscuring the centerfold with *SCORE* Xtra. I love Xtra, and I don't want you to drop it, but I don't pull out this bonus section, and I hate the way the centerfold looks cut in half. Maybe you can put Xtra towards the back of the magazine or just do away with the two-page centerfold. Who likes to have to turn their magazine, anyway?—A.C., Queensbury, New York

Dear A.C.: Thanks for writing and

for your comments regarding the centerfold. As many of you know, for the past several issues, we've been presenting a centerfold in the main portion of the North

Were we trying to say that Ines Cudna should have been Model of the Year by putting her on the cover of the July '06 Model of the Year issue?

American edition and inserting the Xtra section in the middle, effectively cutting the main mag's centerfold in half and forcing readers to remove the Xtra section if they want to see the main-mag centerfold. Until now, we haven't received any letters protesting this new format. So, readers, we're asking you: Do you like the new centerfold format? Would you rather that we did away with the main-mag centerfold? Unfortunately, inserting the Xtra section anywhere but in the center of the magazine is impossible.

HERE'S A GUY WHO'S GIVING US WAY TOO MUCH CREDIT

Dear *SCORE*,

Were you guys trying to send a subtle message by putting Ines Cudna on the cover and in the centerfold of the issue (July '06) in which Minka was named Model of the Year? When I saw Ines' picture on the cover next to the headline, "Model of the Year Special," my heart leapt because I thought the readers finally got it right. You can imagine my disappointment

Well, at least I know—and I think the editors know, too—who should have won Model of the Year.—B.G., Spartanburg, South Carolina

JULY '06: THE BEAUTY ISSUE

Dear SCORE,

The July '06 issue of SCORE should have been called "The Beauty Issue." I've never seen so many beautiful, busty women in one issue.

Covergirl Ines Cudna is, of course, stunning, and the picture of her sucking on a purple dildo set me off. You got it right by calling her "Beauty Queen." The "Busty Snatch Club" members, Vida Sadora and Sara Stone, are as beautiful as they are sexy. Lizzie Mills truly is a "Living Doll." Mila is a prime example of exotic beauty. And newcomer Laura Fairchild knocked my socks off.

Don't think I didn't notice that another beauty, Danielle Derek, was taking the lead pipe in the Xtra section. Great issue, guys.—K.F., Seattle, Washington

Five beauties from the July '06 issue: Ines was pretty in purple; Laura spread but didn't show; Lizzie played with a toy; Sara and Vida played with each other; and Mila displayed her natural beauty.

Kate (March '06) let us see what she looks like clothed and naked. Any complaints?

THE CLOTHING VS. NUDE DEBATE: WHY NOT A LOT OF BOTH?

Dear SCORE,

Once again, you guys at SCORE have gone above and beyond the call of duty. I was really glad to see your pictorial of Kate (March '06). She is a totally drop-dead gorgeous woman with the biggest set of up-turning titties I've ever seen. I am dying to see more of her.

I would like to comment on the clothing vs. nude controversy. I think every pictorial should ensure that we get to see the girls completely nude in at least a third of the pics.

However, I am one of those people who likes to see the ladies in sexy undies and outfits as well. So I guess I am saying that a little more total nudity would be great, but only one or two clothing pictures are just not enough for me, either.—Dan, via email

GIRLS WHO LOOK INTO THE CAMERA WHILE SUCKING COCK

Dear SCORE,

Regarding the question in "Scorecard" in the July '06 issue, "Should the girls look at the camera in hardcore scenes?" I definitely prefer when the girl looks at the camera as it makes me feel like the stud for that moment. Minka's erotic scene in the December '05 SCORE Xtra was the best example. She looked so innocently at the camera while sucking off a big cock.—J.K., New Jersey

THE NO-HANDS DILDO POSE IS THE STUPIDEST THING EVER

Dear SCORE,

Nothing looks more ridiculous than a beautiful woman with a hunk of plastic hanging out of her for no reason. Rarely in your shoots is she using it. It's just there, hanging out of one of her pretty holes for no reason I can think of. I can't tell you how many pictorials were ruined for me because of this.

Yeah, I know. Some like it. Well, from what I can tell, those are the only people you wish to cater to because many of my favorite models had not one shot without a ridiculous piece of plastic hanging out of them. Is she using it to pleasure herself? No way. Is she even touching the silly device? Nine out of 10 times, no. It's just hanging out there like a flag on a golf green. Ridiculous.

I don't know where this simply stupid style of model shoots came from, but I sure do wish it would die. Pull the plastic out of all of those fine models.—R.R., via email

DOES ANYONE WANNA SEE A GUY GETTING ASS-FUCKED?

Dear SCORE,

I really enjoyed the DVD *My Boob Heaven*, but is there any chance of a cream-pie film or photo shoot? I know it's highly dangerous, but it is amazing to see. I'd love to see Lisa Lipps doing such a shoot. I don't care if the guy cums in her pussy or her ass. It looks amazing.

You had an interview with Chantz Fortune (February '05), and I was amazed at the girls-doing-guys-with-a-strap-on stuff. Anyway, I tried this out with my girlfriend, and it's amazing. Any chance of you showing a photo shoot in SCORE?—S.M., via email

Dear S.M.: Thanks for writing, but we're going to have to pass on both of your ideas. It would probably upset a majority of the Boob Brotherhood if SCORE ran a pictorial of a guy getting nailed up the A-hole by a girl. Just a suspicion on our part. As for a cream-pie shoot (for the uninitiated, that's when a guy cums in a girl's pussy or ass and the girl squeezes the cum out of her), that's something we haven't had many requests for. Most of our readers prefer to see the cum shot on the girl's tits. Is there anybody who wants to see a cream-pie shoot or video? By the way, for health reasons, most girls who do porn don't want a guy cumming in their pussies.

Continued on page 88

Disgusted, frustrated reader R.R. asks, "Why is that piece of plastic hanging out of Crystal Gunns' pussy?" Crystal dildooed herself on the beach in the August '06 issue.

PRIVATE STUFFERS

YOUR ONE-ON-ONE WITH EIGHT SCORE GIRLS IS ABOUT TO BEGIN!

This one's for you...and only you. There's no reason to get jealous, *SCORE* Man. In *Private Stuffers*, eight stacked *SCORE* Girls aim to please only one man: you! Nobody else is fucking them. Nobody else is playing with their treasure chests. Everything they're doing, they're doing for you. *Private Stuffers*, available now on DVD and VHS, contains private sessions with Amber Brooks (in her video debut), Crystal Gunns, Lena Li (also making her video debut), Danielle Derek, Alexia Moore, Sara Stone, Kayla Kupcakes and slut-in-the-making Johanna. Enjoy the show. It's your show!

Alexia Moore

"How bad do you want to rub your cock all over my big, juicy tits?" Amber Brooks asks at the start of her scene. She's wearing the same blue, low-cut dress that she wore in the December '05 issue of *SCORE*. She unstraps her dress, revealing her F-cup puppies, and asks, "Don't you wish you were right here?" Yeah, we do! Amber fucks her tits with a giant dildo, expertly dildo-izes her pussy and cums so loudly, you might want to turn the sound down.

 **Kayla Kupcakes**

Kayla Kupcakes (above) is wearing a skimpy blue bikini with plenty of bottom cleavage when her scene opens. She takes off her top and rubs a ton of cream into her tits, which are big enough to handle plenty of cream. Kayla plays with her pussy for a while, then takes out her secret weapon: a purple dildo that she uses to fuck her tits and well-drilled pussy. This chick is obviously no stranger to big cock. Danielle Derek (below) is a slim-n-stacked chick who can't keep her fingers off of (or out of) her tight, little cunt. Danielle invites us in for plenty of closeups of her pussy and asshole.

 **Danielle Derek**

Alexia Moore is standing in a garage, wearing a white men's tank-top. She pours water over it. She takes some scissors and cuts her shirt to shreds so her nipples poke through. Then she attaches a dildo to a power drill and fucks her tits. Her fingers do the walking over her pussy. Johanna is now porn star Puma Swede, but she was a shy girl when she shot this scene. A dirty-talking shy girl.

Johanna

Long-haired Asian beauty Lena Li made her *SCORE* debut in the Aug. '06 issue. This is her first video. This bathing beauty soaps up her entire body and gives us great views of her big tits, little ass and tight pussy. Lovers of thick, meaty pussy lips will love Lena. Everybody loves Sara Stone, a dirty-talking porn girl who tit-fucks herself, spansk herself with a dildo and fucks her cunt hard.

Crystal Gunns' scene is truly special. When it opens, Crystal is out on Biscayne Bay in Miami, Florida, riding a jet-ski. Her tits are barely contained by a red bikini. When Crystal rides ashore, she takes out a pink dildo. "Don't you wish this was your cock?" she says? "I do." Crystal is still straddling the jet-ski while she sucks on the dildo and fucks her tits with it. "Don't you wish this was your cock spanking my big tits?" she says. The action then moves to a blanket, where Crystal spreads her legs and satisfies herself with the dildo. This is a must-see scene, and *Private Stuffers* is a must-see flick for big-tit lovers.

BOOB BEAT

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

BUSTY COPS!

A NEW APPROACH TO LAW ENFORCEMENT

The old-fashioned police methods of extracting a confession from suspects (torture, beatings, electric shock, playing George Michael songs over and over) are a thing of the archaic, barbaric past. There's a new school of thought in the United Kingdom about police interrogation methods, and hopefully this system will migrate to North America. With our encouragement, busty Kerry Marie is at the forefront of this revolutionary technique.

Here's how it works: The prisoner is strapped to a comfy chair while, 10-feet away, Kerry slowly takes off her busty constable uniform, gets into poses that show off her secret weapons and caresses every concealed inch of her luscious body.

After about 20 minutes of this treatment, the prisoner either confesses all he knows or he becomes completely, irreversibly insane and no longer a menace to society. Before long, another hardened criminal is spilling his cowardly guts and happy to sign a confession to anything, including the St. Valentine's Day Massacre in 1929.

If any prisoners give Kerry any kind of crap, she clubs them with her dildo. No one really wants that, so they stay in line.

By the way, Kerry is now a certified massage therapist after

over a year of instruction. For real!

"I passed my course, so I am now a fully trained beauty therapist and masseuse," Kerry told us.

Who wouldn't take a full-body massage or a full-body beating from this lovely Bobbie?

Crime fighting has a new weapon: Constable Kerry and her 34HH guns.

MEET AMBER DIAMOND

Curvy and stacked, Amber Diamond posed for the November '05 issue of *Voluptuous*. Born March 6th, Amber is 5'8", 138 pounds and measures a mouthwatering 44-28-38. She loves going to the mall to spend the afternoon or evening shopping or window-shopping, sometimes by herself, sometimes with her girlfriends. But Amber doesn't glam it up. She likes to wear tight shorts or a mini-skirt, heels and a tight baby-tee with a girlie slogan (like "My eyes are up here"). She lives near Los Angeles, California. Let's hope Amber decides to stick around and model a few more times.

Amber Diamond has a lot of potential to be a top boob model.

This sweet, little baby doll dreams of the day when her breast wishes will come true. Can Doctor Pete help?

TOO YOUNG?

The Australian Medical Association (AMA) wants to ban women under 20 from getting boob jobs because, it says, teenage bodies have not developed enough to have the procedure. A doctor from the AMA said that women under 20 should not be allowed to have implant surgery.

Another doctor from the Australian College of Plastic Surgeons disagreed, saying there should be no age limit.

"It's not for us as plastic surgeons to regulate," he said.

An increasing number of teen girls around the world, influenced by graphic reality TV shows such as *Dr. 90210* and trendy magazines geared to female fashion, are getting plastic surgery, including boob jobs, often as birthday presents from their doting parents.

CHINESE BUSTIN': ASIAN EXPANSION REPORTED

The Beijing Institute of Clothing Technology released a report claiming that the average chest circumference of Chinese women has hit 83.53 centimeters (33 inches), up nearly one centimeter from the early 1990s. Better up than down.

The growth trend is partly credited to women eating more nutritious foods and personal improvements in physical fitness.

This wasn't news to Chinese manufacturers, who have been producing bras with larger cups to fill the demand. Many underwear and lingerie companies have created sub-brands specializing in larger bra sizes, and they have built special counters in retail stores to showcase these bigger bras. Hong Kong-based Embry Group even halted production of small-sized bras for some of its lines.

"We don't produce A-cups for some bras with larger chest circumferences now as demand is low," an employee said.

"At the same time, we increased production of C, D and E-cup products and also found sales booming."

A saleswoman with the popular Triumph brand said she's surprised to find that many Chinese women under 20 years old need bras with C, D or even E-cups.

"It's so different from the past when most young women would wear A- or B-cup bras," she said. "You would never expect those thin women to have such nice figures if they are not plastic."

Another Chinese underwear manufacturer said, "For a time, we only made A and B-cup bras for many categories of products, but now C-cups have become a major focus, especially in big cities like Shanghai and Beijing."

Similar reports of increases in average breast growth have also come from the United Kingdom, North America and Europe. It looks like the women of Earth are getting bigger chested. We're not complaining. Keep growing, we say!

Yum! Jade Feng was the first big-boobed Chinese natural to pose for *SCORE*. She's also on video in *Stacked & Packed* #4.

THE ABSOLUTE WORST PICK-UP LINES EVER SAID TO SCORE GIRLS

Don't try using smart-ass pick-up lines to score with *SCORE* Girls. They've heard everything. We asked four *SCORE* models for the dumbest, lamest pick-up lines they ever heard, and this is what guys have tried on them.

Anna Jota:

"I have good Polish sausage to give you."

Joana:

"What time do your legs open?"

Ana:

"That shirt is very becoming on you. If I was on you, I'd be coming on you, too."

Lana Del Amore:

"Can I lick your armpit?"

U.K. SEX CENTER

Developers plan to open a multi-million dollar sexual theme park near London's Piccadilly Circus. Backers say the London Academy of Sex and Relationships, scheduled to open next spring, will not be a sleazy sex museum but an educational, multi-media attraction that will teach visitors to become better lovers and provide valuable information about disease and sexual problems. Sounds good to us.

Located within the Trocadero entertainment center near Soho, London's famous red-light area, the \$8.3-million project will feature "high-tech and interactive exhibits." A spokesman said it was "committed to avoiding the sleazy image that the sex industry usually conjures."

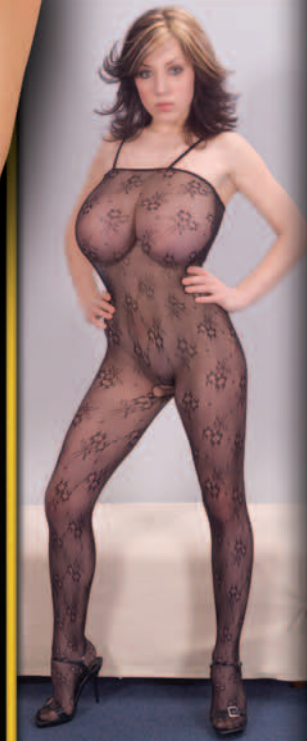

That's a shame, in our opinion. Why do people insult sleazy sex museums?

In 1992, L.A. Bust never suspected that someone would build an \$8-million sex center in Piccadilly Circus.

Stick 'em up high!

Brianna Costello holds up her favorite magazines, *SCORE* and *Voluptuous*, in the models' swanky dressing room at *SCORE*. Brianna just debuted in the September '06 *SCORE*. We discovered her in Las Vegas during the 2006 Adult Entertainment Expo, and now she's looking like one of the top contenders for 2006 Newcomer of the Year.

Nice bra, Brianna!

CHEST HARASSMENT

A Scottish woman who had a boob job is suing her boss for staring at her too much.

The 26-year-old employee of a car-rental company in Cardiff, Wales went from a B-cup to a DD-cup. When she returned to work, she found that she had become the center of attention. She claims her supervisor suggested she pose for a calendar and allegedly said, "You will have to close your cardigan unless you want me to talk to your breasts."

Big deal! *That's harassment?* Sounds like a compliment.

An employment tribunal will decide what action will be taken. Let's hope they're tit-men. Or tit-women. We say, "Off with her sweater!"

YOU'RE FIRED

A former employee of a Hooter's franchise in Auburn, Alabama is suing for sexual harassment and for employer retaliation. He claims he was fired after complaining about a female corporate trainer who allegedly suggested that waitresses have sex with customers for extra money.

The former assistant manager says he was sacked when he reported a waitress trainer who allegedly told the girls that they were "the ones with the pussies and you are in control because of that. If you need the extra money, go ahead and suck a dick or fuck a customer if the money is right." Where, under the table?

The man filed his lawsuit after receiving a "right to sue" letter from the U.S. Equal Employment Opportunity Commission. The man said in his lawsuit that he contacted corporate officials after the waitresses complained about the comments. After he contacted the corporate office, he was fired by the owner, who told him, "I'm top dog. You don't call corporate. You no longer have a job here."

BOOB EXAM SCAM

Police in Lauderdale Lakes, Florida arrested a 76-year-old senior citizen who had the balls to go door-to-door carrying a doctor's bag and offering free breast examinations to female residents.

Two women in their 30s fell for it and allowed him to examine their boobs in their apartments. One woman realized that he was not a real doctor after he touched her breasts and pussy. She phoned police, but the phony doctor had already left her apartment to examine another woman.

He was arrested and faces criminal charges of lewd and lascivious conduct. 🍷

THE DANCER NEXT DOOR

NIKKI JAYE NEEDS SOME HELP PAYING HER TUITION. WOULD YOU LIKE A LAP DANCE?

She's the dancer-next-door. She's the student-next-door. She's a statuesque, slim-n-stacked chick who stands 5'10" tall and packs a pair of F-cups into her bra. "I like long, romantic dates that start early and end the next day," Nikki said. "But I'm impulsive. A guy once came up to me and said, 'Nice shoes. Wanna fuck?'" It worked. We had a very long, unromantic date."

Nikki is going to college and dancing to pay her tuition. Since there aren't too many strip clubs in Brockton, Massachusetts (where she lives and goes to school), we'll let you figure out where she works. "Once, one of my teachers walked into the club," she said. "I panicked! I hid in the dressing room until he left. Can you imagine giving a lap dance to one of your teachers?" Sure! She would have guaranteed herself an A in the class.

Nice tits, nice ass, nice waist, nice legs, nice shoes. "Very funny," Nikki said. "But I appreciate the compliments. A man can get very far with me by just being nice." A woman can, too. "My fantasy is to have an orgy with Jenna Jameson on my birthday," Nikki said. "I'd use a strap-on on her, then I'd have her tie me up, lick me all over and command me to have an orgasm on cue." You can cum on cue, Nikki? "I can do a lot of things," she said. "And most of them have to do with sex!"

THE BOOBY PRIZE

***She had a treasure chest,
and he had to keep her from losing it.***

BY LANDON DIXON

• ILLUSTRATION BY OTIS SWEAT

"You're with me today, buddy boy," Connie said, tapping my shoulder.

I scarfed down the rest of my donut, chugged my coffee and turned around. Connie Sullivan was one of the on-air personalities at FemNet, the network for females. She was a slick-looking babe with bouncy brown hair, sparkling brown eyes, and a slim, trim body that was packaged in a red, satin blouse and ruffled, black mini-skirt. She was sadly lacking, however, in the breast department, which for a titman like me was a definite no-no.

"Oh, yeah? Which show?" I asked, gathering up my camera gear.

She flashed a smile. "*Doctor on the House*," she said.

I groaned. *Doctor on the House* was a reality/medical/Good Samaritan show in which the network put up the bucks for some broad to get an elective surgery procedure not covered by Canada's Medicare program. I'd lensed a couple of shows: a woman-whale desperately seeking, and getting, a stomach staple before she exploded and a chinless wonder who received a "Carol Burnett" courtesy of FemNet's pharmaceutical sponsors.

"Aw, don't look so sad, Jake," Connie said, touching my cheek and pouting. "This one you're going to like."

I snorted. "Blow-job artist in need of knee replacements?"

"You'll see," she said. "Bring the van around front, okay?"

About a half hour later, we pulled up in front of an apartment building on Alexander. Not Vancouver's nicest neighborhood, but not its worst, either. I turned on the camera and its sun-gun, shouldered the equipment and framed Connie in front of the door. I gave her the thumbs-up. She wet her lips, pasted on a smile and knocked on the door. It opened as far as the security chain. A voice squeaked, "What..."

"Eva Koslo?" Connie gushed in her best put-on TV voice. "You need a medical procedure that would normally cost

you an arm and a leg. Unless...there was a Doctor on the House!"

The door flew open, and I almost dropped my camera. Standing in the glaring light was a woman with the biggest pair of tits I'd ever come face-to-floppers with outside of a strip club. They were absolutely huge. FFF-cuppers, minimum. The girl chested out at 50 inches, at least. Then the sad reality of the situation hit me like a ton of bricks: this breasty babe probably wanted her lovebags lopped.

Sure enough, Eva was sick and tired of her 20-gallon jugs and desperately wanted a reduction. Since that was considered elective surgery in British Columbia (a crime against humanity, in my house), she'd emailed a plea and picture to the producers of *Doctor on the House*. And now her medical prayers had been answered.

We set up in the living room. I placed my video camera on a tripod and got a good view of young Eva. She was cute with long, straight, black hair tied back in a ponytail, a pair of big, expressive blue eyes, a thin body and a massive set of mammaries. They were tarped by a heavy, black sweater, like she was trying to hide them.

The bulky sweater was the first thing I asked her to shed.

"Jake's right, Eva," Connie said. "Do you have something that shows off your breasts a bit more? You know, for the camera, to highlight your plight."

Eva retreated to a bedroom and returned wearing a tight, white tank-top. Her cleavage was popping out of the shirt, and her low-hanging, braless boobs bulged the thin fabric to the breaking point. I moved back behind the camera and had the jugsy girl give me a side-shot...a breathtakingly mountainous side-shot that dwarfed even British Columbia's natural beauty. Then I had her bend forward with her hands on her knees, and her gigantic tits almost avalanched out of her skimpy top. If I had my way, in the next shot, she would've been pulling her tits out of the shirt and demonstrating her self-sucking ability, like I'd seen in *SCORE*.

"Okay, that's enough," Connie said as Eva hefted her hooters for the camera to give some indication of their tremendous poundage.

The two women sat down on the couch, where Connie interviewed Eva. Eva said that her rationale for wanting to radically downsize her chest was back

pain, neck pain, the pain of shopping for clothes that actually fit, the aggravation of unwanted attention and comments, not being taken seriously by men, jealousy from women, etc, etc...the list of negatives seemed endless. She seemed to see nothing positive about having one of the greatest pairs of tits I'd ever seen.

But in all honesty, I wasn't shedding tears over Eva's self-esteem problems. I was weeping at the thought of that bountiful, all-natural babe being mutilated by some plastic surgery butcher. All that glorious tit-flesh lost forever!

I was snapped out of my thoughts by Connie's cell phone tootling "The Bitch is Back." When she hung up, she said, "I've got to take care of something back at the station, Jake. Why don't you get some shots of Eva's bare breasts? That's okay, right, Eva? You knew about that?"

Eva sniffled and nodded, her head hanging down. Connie left. Eva sighed, stood up and turned her back to me, then reluctantly pulled off her tank-top. She was tanned all over. I had to encourage her, but eventually she turned back around. Her arms were folded across her mammoth chest, and she had a sullen expression on her pretty face.

I zoomed in on Connie's twin mounds of brown flesh. Her whoppers covered most of her stomach and filled all of my lens. I looked up and said, "Can you take your arms away, please?"

She bit her lip and slowly brought her arms down to her sides, her shoulders drooping. I gaped at the hottie's fully exposed chest like I'd found the treasure of the Sierra Madre. Her baby whales swum off her breastbone, immense, sporting inch-long, burnt-sugar nipples and even darker areolae that were large enough to set a beer stein on. It was an absolutely jaw-dropping, dick-hardening sight, but the poor girl just didn't seem to realize it.

"They're spectacular!" I said. I immediately realized I shouldn't have said that, but it was too late.

She glanced up at me, a hopeful flicker in her soulful blue eyes, her face warming crimson. The look in her eyes turned questioning, but at this point, I figured I had nothing to lose.

"You should be truly proud," I said. "Most women would kill to look as beautiful as you do. And most men would kill to look at someone as beautiful as you, like I am."

She smiled softly. I could tell by the

We've all seen her: the sexy babe at the local pool hall. When she bends over the table to take her shot, she could use her hands to throw a couple of balls into the side pocket because everybody's too busy staring at her ass. But not you. You're rushing around to the other side of the table to get a look at her rack...and we're not talking about the thing that's used to put the balls in order. We're talking about the all-natural D-cups that are plunging out of her top. Those D-cups belong to Bianka. No, she doesn't play pool. But we're allowed to dream, aren't we?

Bianka is from Poland, the country that gave us Ines Cudna, Bea Flora, Anna Jota and Izabella (Bianka did a girl-girl with her in the July '04 issue). Bianka told us that there are billiards rooms in Poland, but she has never played pool. She's just watched and been watched. "It would be fun to play pool naked," she said. "But I do not know how long the game would last." Not too long. There'd be lots of fuck-ing going on. *"Eight-incher in Bianka's middle pocket!"* Rack 'em up!

Gianna Rossi

“TAKE ME *ANY* WAY YOU WANT ME!”

**This newcomer has her limits...
but not many**

INTERVIEW BY DAVE ROSENBAUM

Less than two years ago, Gianna Rossi was the big-titted secretary down the block. She took a bus to her nine-to-five job, didn't notice that all of the guys at work were staring at her and had a sex life that could best be described as less-than-active.

That all changed in a hurry. Now, Gianna is one of the most sought after big-titted porn stars in the world; an enthusiastic, raunchy DD-cuppper who can swallow a cock down to the bone (or at least try her best to do so) and take a thick cock between her tits or deep in her pussy...and love doing so. This is a girl who has definitely found her calling life.

Gianna recently visited The SCORE Studio for two days of solo posing and fuck-and-suck action (look for her in an upcoming video). Between takes—and after getting fucked very hard—Gianna sat down with SCORE and talked about her new life. She alternated between being a little shy and...well, you're about to find out.

SCORE: Hi, Gianna. How are you?

GIANNA: Not bad. How about you?

SCORE: I'm doing good, although I didn't almost get fucked off the bed a couple of minutes ago like I heard you did. Is that true?

GIANNA: *[Laughs]* Maybe. You'll just have to watch the video and find out.

SCORE: Well, can you give us an idea of what happened when you almost got fucked off the bed?

GIANNA: Well, what usually happens when you almost get fucked off the bed? It just gets so good that

you don't even know where you're going with it and you end up really close to the floor.

SCORE: So, you guys were slamming?

GIANNA: Oh, yeah.

SCORE: Was he on top?

GIANNA: He was on top, but I was

fucking back. *[Laughs]*

SCORE: Has this happened before?

GIANNA: Yes, a couple of times. Even more than that.

SCORE: So when guys have sex with you, they really get into it and so do you.

GIANNA: I like to make it fun. It just

depends on who I'm fucking, but for the most part, yeah. I like to fuck.

SCORE: You're in the right business.

GIANNA: I'm in the fucking right business, okay?

SCORE: What does your shirt say?

GIANNA: "My eyes are up here."

GIANNA ROSSI BIRTHDAY: June 6th HEIGHT: 5'10"

FAVORITE TV SHOWS: *That 70s Show*, *America's Next Top Model* SEXUAL FANTASIES: Being tied up and teased

SCORE: Really. You have eyes? *[Gianna laughs]* Guys stare at your tits a lot, don't they?

GIANNA: For the most part. But some of them do realize I have eyes.

SCORE: Blue eyes.

GIANNA: Ahhhh! That's nice. You weren't looking at my boobs?

SCORE: I was, but I took a two-second break to look at your eyes. Very nice blue eyes. You don't have to wear anything across your forehead that says, "My tits are down there," do you?

GIANNA: That's true.

SCORE: So, Gianna. The boobs. How big?

GIANNA: Thirty-six double-D. All natural. I grew them myself.

SCORE: Can we see them? Please?

GIANNA: Sure. Why not. *[Takes off her shirt]*

SCORE: Do you like them?

"I haven't always had big boobs. I didn't grow them until the end of high school. But I have them now, and I like them."

GIANNA: I like them. Do you like them?

SCORE: Very much. They hang very nicely on your chest. They slope. The nipples point up. Very nice.

GIANNA: Thank you.

SCORE: Have you always liked your big boobs?

GIANNA: I haven't always had big boobs. I didn't grow them until the end of high school, so they didn't help me then, but I have them now, and I like them now.

SCORE: How big were your tits in high school?

GIANNA: I was still a little above average for high school. I guess a C-cup. But they just kept growing and growing. *[Breathes deeply, causing her chest to rise]*

SCORE: You were a C-cupper until you were 18?

GIANNA: Around that time. Then they went to a D, then a double-D, which is what they are now.

SCORE: When you were a C-cup, were you happy with them?

GIANNA: You know what? I was actually embarrassed that I had them, just because I wasn't used to having any at all, so it was a shock to me. It took a while to get used to.

SCORE: Had you been an A-cup or a B-cup?

GIANNA: I was flat. I used to get that song, "Roses are red, violets are black, why is your chest as flat as your back?" Stuff like that. I remember some little boy sang that to me.

SCORE: So you went from nothing to this.

GIANNA: Gradually, yes.

SCORE: How old were you when you were a D-cupper for the first time?

GIANNA: Maybe 19. Maybe even 20. I was a large C for a while, then I was a D.

SCORE: What happened?

GIANNA: I don't know. Actually, I've always been satisfied with what I had, so it's never been an issue with me, good or bad.

SCORE: Did your life change at all when you got really big boobs?

GIANNA: Not necessarily. Maybe men were more attracted to my chest, but for the most part, no. Plus, it's not something they've acted upon. They're just always staring, but they don't really say anything to me.

SCORE: Let's change the subject. How did you get into porn?

GIANNA: It just happened. I met an agent when I was walking home from work and eventually decided to give it a try.

SCORE: What were you doing?

GIANNA: I was a receptionist. Just a regular nine-to-five chick for a construction company.

SCORE: For a construction company? Guys must have been going out of their minds at that company.

GIANNA: I don't know.

SCORE: Guys were drooling and you didn't notice? How'd you meet an agent while walking home from work?

Amber Waves of Boobs

AMBER THE BEAUTIFUL HAS OUR FLAGS FLYING HIGH!

Amber Brooks, who finished third for 2005 Newcomer of the Year, is making us feel patriotic with that flag she's got wrapped around her F-cup breasts. So let's salute her. Let's take our cocks out of our pants and give her the *SCORE* eight-inch salute!

Amber's first DVD, *Private Stuffers* (see a preview on pages 12-17), has just been re-released, and we decided to celebrate by taking her to the beach for her first outdoor shoot. "It was a blast!" Amber said. "The best part was that people were watching from a distance, and I think they saw what I was doing. I *hope* they saw!"

Sex on the beach is something Amber hasn't experienced but would like to. "There's something very sexual about being naked like this in the daytime on the beach with the waves coming in and the wind blowing," Amber said. "When I laid back and spread my legs, I kept thinking about some guy taking his cock out and fucking me right there. He fucked my tits and came all over me. Then I blew him to get him hard again, and he fucked me. You know me. I always have to get mine!"

NOVEMBER 2006 AMBER BROOKS

THE DIARY OF A FEATURE DANCER

BY CRYSTAL GUNNS

Hi, guys! We're going to a couple of places this month, and they couldn't be more different. So let's start out in America's heartland...

**BOISE,
IDAHO**

What can I say about Boise? It's kind of weird. The club

I'm dancing at this week is called Night Moves. The place is owned by a guy named Chris, and he's the guy who started the infamous Art Night.

Let me explain. In Boise, dancers can't go nude, and that's bad for business. Well, Art Night was Chris' way of getting around the town's regulations. He'd put pads and pencils on every table, and the guys would draw the girls dancing nude on stage. See? It isn't exotic dancing. It's art! Chris got away with it for a while, but now the town is busting his ass, so Chris is going to court. I gotta say, it's weird dancing on stage and looking down and seeing guys drawing. Some of the artists weren't very good. Some of them were just drawing stick figures with big boobs!

I got to Boise on Thursday afternoon, and my first show was Thursday night. The club is huge and a little weird. When you first walk in, there's a sex store, and as you

keep walking, there is a bar that serves soda and food. Then there are two huge pool tables in one area, and when you leave that area and keep walking, you get into the club. There are two main stages and the DJ booth, and then there are these diner-like booths. Of course, there's a

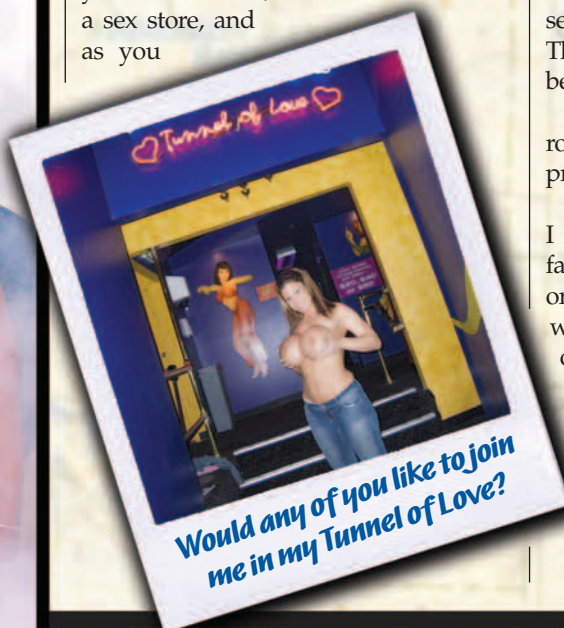

lap dance room, but it has benches, not chairs or couches. Strange, but it really doesn't matter because the lap dancers aren't allowed to make contact with the customers. I just straddled over the guys and shoved my boobs in their faces.

As for the girls, there are only about seven of them, but they're all gorgeous. This is one of the top three clubs I've ever been to for pretty girls.

Oh, one more thing: My dressing room was really cute. I even had my own private shower.

To be honest with you, the only reason I love to come to Boise is to shop. My favorite place is Cracker Barrel, believe it or not. We don't have one where I live, so when I go to Boise, I always order stuff out of Cracker Barrel's country store and have it sent to my house. This time, I bought two ceramic swans to put by my pool, statues of a boy and a girl holding a rock for an area around my deck and a green ceramic plate that says "Delicious." Anyway, back to the club. I don't have

too many fans in Boise. Maybe seven fans showed up to see me specifically the whole time I was there. But I still sold a lot of Polaroids. I don't think the guys there had ever seen big tits before. I guess they don't have girls like me in Boise!

They didn't officially have Art Night while I was there (although they still had pencils and pads on the tables), but I still went nude for every show, and the guys went crazy the first night when I poured candle wax in my kitty-cat and in my butt. I love doing that! It feels so good, like a tingling feeling. The trick is to squeeze out the wax fast enough so it doesn't get hard. I don't think the customers were expecting anything like that because there are no nude clubs in Boise.

Another show that amazed them was my paint show. I painted my tits and put the imprint of them on a T-shirt and gave it out to the loudest guy. I only had one T-shirt to give out, so guys were taking off their shirts and asking me to "autograph" them for them. I think I might have made some new fans!

Next-door to Night Moves was a bar, and it was a real dive. The first night I walked in, there was a pool tournament going on, and everyone stopped and looked at me. It turned out to be a cool place, though, and I kept on going there between my shows for shots of Tequila! Every night they had karaoke night, and on my last night in Boise, I got up in front of everyone and sang a song.

On my last night in Boise, Chris and the other girls played a huge trick on me. I was doing my last show of the week, and I was going to do a water show in the shower on stage. Well, after my show, each girl came up on stage, one by one, with pitchers full of ice and poured them on me. There were about 10 pitchers of ice, and boy, was I cold!

After my last show Saturday night, I stayed in Boise for two more days because I didn't want to fly all the

Ooops! Did I just violate the no-touching rule?

way home to New Jersey just to fly back across the country to San Francisco for my first. I had a lot of fun those two days. On Sunday, some of the girls from the club picked me up and took me to the mall, and we had lunch. The only bad part about that was the customers in the mall. I guess they'd never seen anyone with boobs like mine, and a lot of them made really rude comments. I can take the stares but not the comments.

On Monday, I slept late, then washed my clothes to get ready for San Fran. I'm going to dance at the famous Market Street Cinema, and I have no idea what to expect.

How'd you like one night in the Bangkok Room with me?

How come I'm always the one with no clothes on?

Well, I'd heard that it was under new management and the club had changed, so I said okay and gave it a shot. Still, I wasn't so sure until I got there. Well, I walked into the place, and all of the employees were new except for maybe a few. The Market Street now has a DJ booth, which it never used to have. There used to be this guy who'd just throw on a CD and let it play for the whole half-hour I was on stage. This time, though, each of my shows was between 12 and 15 minutes, and I actually got to pick out my songs.

And before I got on stage, they read my credits, which is something they never used to do. The dressing rooms are also totally different. They used to be in the basement with the roaches and the mice. Now they

I had my own room in Sin City at the Market Street.

Here I am with Greg, the new GM of Market Street.

SAN FRANCISCO, CALIFORNIA

What a change! I danced at the Market Street Cinema over a year ago and swore I'd never go back. The general manager begged me to return, and I told him you wouldn't catch me dead in that place again. So maybe you're wonder-

ing why I did go back.

And before I got on stage, they read my credits, which is something they never used to do.

The dressing rooms are also totally different. They used to be in the basement with the roaches and the mice. Now they

actually have a dressing room for the features upstairs, and it's a lot nicer and much cleaner.

The first night, I met the new general manager, George. He was wearing a suit, which nobody used to wear at the old Market Street, and so was the rest of the staff, including the bouncers, which they never used to have. When I met George, I told him what a horrible reputation this club has but that I'd

heard it had changed since he came on board.

We sat down, and he told me the rules and

what would happen if I didn't follow them. And I was saying to myself, "This place never had rules."

One rule that surprised me was that the customers can't touch us anywhere, no exceptions. Not even in the lap-dance booth. Then he showed me around the club, and a lot of the rooms that used to be used for dances didn't exist anymore. They had finally opened the back of the club, which is called Sin City. It's a huge area. When I walked into Sin City, there were separate sections depending upon what the customer wanted to pay. I was happy when he told me that the features have their own room for private dances. Wow! I knew this was going to be a better week than the last time I was here.

I was excited that this guy named Mike was still working there. I hired him last time to help me out and walk me back and forth to the condo where I was staying. If anyone has ever been on Market Street, you'll know why I needed a bodyguard.

The work week for dancers in San Francisco is very long. I worked from Wednesday to the following Tuesday with four shows a day, and the first show started at 12:30 p.m., so there was no sleeping-in for me!

George wants to bring in some high-end porn stars, and I told him that would be hard because of the club's rep. He also informed me that he is doing renovations to the club and it'll take about three years to get the club the way he wants it to be. The

seating at the Market Street Cinema is weird. It's an old movie house, and George wants to break down the movie-theater seats and put in tables and couches. I can't wait to see it.

I always do well when I come to this club, and this time I did even better because my birthday was only a week away. Among other things, I got a Macy's gift card, a bracelet, roses and perfume. Thanks, guys! Best of all, I had a really good time dancing at the Market Street Cinema. What a surprise!

I also always gain a couple of pounds when I come here because San Francisco has excellent

food. My favorite was the all-you-can eat Chinese buffet. They had sushi, too, and it's only \$9.95 a person. And at night between my 8:30 and midnight shows, Mike and I

would go to

the bar down the street, play the juke box and just talk. So it was a great week at the Market Street Cinema. Would I go back? Definitely!

See you next month! I'm going to Florida and back to SCORE!

The stage at Night Moves in Boise has lots of mirrors.

I'm not just an exotic dancer, I'm an acrobat!

I celebrated my birthday in San Francisco.

Ooops! I might be violating the no-contact rule again!

And the star of the show is...Crystal Gunns!

I get a different view of places than most people!

BETHANY BUSTIN

A NEVER-BEFORE-PUBLISHED PICTORIAL OF ONE OF THE GREAT SCORE GIRLS OF THE '90S. BETHANY GETS WET!

Fourteen years ago, Bethany Bustin spent a week with the *SCORE* team on Eleuthra Island in the Bahamas. One of her first pictorials was a homage to the James Bond movie *Thunderball*. Sitting on a yellow air tank on a gorgeous, deserted beach, Bethany nearly busted the zipper of her yellow and black diving suit. A sun lover, her tan lines rival those of Minka and Lacey Legends. In this set, submerged for years in the *SCORE* archive, Bethany proves that some chicks just can't keep out of the water.

Deena Duos was the bra-destroying cover girl of Bethany's debut issue of *SCORE*, July '93, an edition that's long sold-out but still available through back-issue magazine dealers and eBay sellers. That Deena cover foreshadowed things to cum for the Minneapolis native because later on, Bethany worshiped Deena's massive hooters in an oily outdoor grope session published in the March '94 issue. That edition, featuring Becky Sunshine on the cover, is also sold-out, but both sets are posted on the [Scoreland](#) website. "I'd never been with another girl as busty as Deena," Bethany said. "Deena had the biggest boobs I'd ever touched in my life—they were just enormous—and I've met lots of dancers over the years." Bethany would also pose with superstar buster Letha Weapons.

"I feel awkward sunbathing topless in a public place. That's why I had the tan lines," Bethany said. Although she has enjoyed an impressive career, Bethany has not enjoyed the attention showered on other stars. Her debut in the early '90s was overshadowed by the emergence of mega-boobed dancers such as Candy Cantaloupes, Angelique, Wendy Whoppers, Joey Karson, Tawny Peaks, Pandora Peaks and many more. Although Bethany is sexy and has a great rack and an entertaining stage presence, she was a tweener in an era of massively chested babes. In 2001, Bethany made a rare television appearance as a guest on an episode of the *Jenny Jones Show* titled "Other Girls Can Eat My Dust, I Have The World's Sexiest Bust!" From these pics, it's hard to disagree. She does!

look in her eyes that she had never heard any man say this to her.

"Put your shoulders back," I said. "Good. Now put your hands on your hips. That's right. And spread your legs further apart."

Eva did everything I asked, transforming herself from a droopy wallflower into a bold, brazen mamazon. She knew it, too, and thrust out her chest even more, if that were possible.

"There you go," I said, glancing at my viewfinder. "Now you just need a little make-up, and you'll be perfect."

"Make-up?" she said.

I quickly broke out a brush, a jar of foundation and approached Eva. She looked a little frightened when I poised the brush directly over her overhanging bazooms, but I kept pouring on the praise, building her self-esteem and body image by reciting all the benefits of having giant tits. I told her it was a crime against nature for a breast-blessed woman to disfigure herself. I feathered the brush over her left nipple (to cut down on the glare, of course), and her nipple got harder. I caressed her other nipple, and her lips trembled.

"Oh, Jake," she moaned.

I dropped the brush and brazenly grabbed her massive mams. We both moaned. Her tit-skin was as smooth as satin. My damp hands shook as I kneaded that firm, luscious flesh. I crawled my hands up to her nipples, fingering the tips of her tits. She gasped and grabbed onto my shoulders.

"Suck my tits, Jake!" she said as I rolled her rigid nips.

I bent my head and captured her erect nipple in my mouth, then I hungrily sucked on it.

"God, yes!" she cried.

I swirled my tongue all around her nipple, coating her pebbly areolae with spit. Then I sucked on her glistening nipple again and pulled on it with my mouth. I tongued and sucked on her other nipple while I groped her amazing breasts. My head moved back and forth between her heaving breasts, biting into her nipples and tugging on them with my teeth.

"I can't take anymore!" Eva gasped. Her whole body was shaking as if she were cumming. Her mega-tits were super-sensitive to the touch.

I forced myself to pull away from her tits for a moment and unzipped my pants. She quickly shimmied out of her jeans and panties. I nudged her down onto the couch, and she laid back and looked up at me, staring at my twitching cock as her outrageous boobs splayed on both side of her chest. She pushed her tits together and said, "Fuck me!"

This wasn't the shy, self-conscious, angst-ridden girl who I had met just an hour ago. This wasn't the woman who was so excited about getting her beautiful tits chopped off by some filthy butcher. This was a wanton, tit-proud sex goddess blessed with a treasure chest that she now knew she could use to lure any man to her bidding.

I did her bidding, diving onto her chest and pushing my cock into her pussy. I plunged in balls-deep, all the while staring at her chest, mauling her mounds or sucking her nipples.

"Yes, fuck me!" she screamed.

I frantically pumped my hips, sawing my raging dong back and forth in her tight pussy. Her boobs filled my hands and mouth. I torqued it up another notch, pounding my cock into her twat as the wet smack of our overheated bodies filled my ears and the tangy-sweet scent of her body spray and pussy filled my nostrils. She shut her eyes, wrapped her arms around my neck and whimpered. Then she shivered and jerked as her orgasm flooded her body. I fucked her harder.

"Fuck almighty!" I roared, jisming deep inside her as I clung to her wonder-tits for dear life.

I collapsed on top of her and fell asleep on top of her natural pillows.

By the time Connie returned, Eva and I were cleaned up and fully dressed. Connie sniffed the air as if she somehow sensed that something had happened. Then she and Eva sat down and continued with the interview that had been interrupted.

"For how long have your breasts been a burden to you?" Connie asked.

"For a long time," Eva answered. "But maybe I shouldn't have considered them to be such a burden."

I could see the surprise in Connie's eyes, but then she said, "Well, any woman can see how they'd be a burden. How do you live with them?"

Eva smiled, shot me a fleeting glance and said, "I guess I never had anyone

J.J. Lane is a busty housewife from England whose favorite TV show is *Desperate Housewives*. "Although I wouldn't exactly call myself a desperate housewife," J.J. said, smiling. "Not anymore. I got my boobs when my sex life with my husband started to sag, and it's been unbelievably good ever since. He can't keep his hands off of them! Any woman who thinks men don't love big boobs is kidding herself. I'd swear my husband's dick has grown since I got them."

J.J. used to be a C-cupper. Now she's carrying around E-cups. "I used to dress very conservatively," she said. "Now I dress to show off my babies. My 16-year-old son hates it. He says, 'Why can't you dress like the other moms?' I hate to tell him that the other moms aren't having sex with their husbands every night and the other fathers are all lusting after me. I know. Ever since I got my boobs, I'm always getting hit on." We can see why. "Unfortunately for you guys, I'm a faithful wife," she said. "But I can cheat in my fantasies!"

who appreciated them. Maybe if I did, I'd like them more."

Perhaps Connie sensed that the interview wasn't going as she thought it would, so she said, "Okay, that's a wrap." Then she turned to Eva and said, "Make sure you're at Dr. Gliberman's office by eight o'clock tomorrow morning, okay? We'll film the examination and hopefully get you on the table that afternoon. Won't that be great?"

"Great," Eva said half-heartedly.

"And try to appear as nervous as possible. Make believe you're having second thoughts. It builds the tension." She turned to me. "Can you take a cab back to the station, Jake? I need the van."

Connie disappeared, leaving me behind to pack my equipment. Which I did. Then I unpacked the equipment that was in my pants.

"I was hoping you weren't going to have to leave," Eva said as she fluffed up her breasts with her hands.

Eva stripped off her jeans and panties again, then made a slow, seductive show of rolling up her tank-top. Her tits yearned to burst free, but the saucy girl kept her top half-on, stretched tight across her nipples. The stunning contrast of that mass of hot, brown skin pushing against white, straining fabric made me hard again.

Eva smiled and rubbed her stomach, then moved her small hands up underneath her tits. Breast-meat overflowed them. I panted like a St. Bernard as she slowly pushed her top up higher, freeing her mams in a landslide of flesh.

Her breasts hung loose and large, and I rushed forward and grabbed them. But she wasn't finished tit-teasing me just yet. She sank to her knees, gripped my reinvigorated pole and started stroking. I groaned, tilted my head back, then snapped it back down again. I didn't want to lose sight of those naked knockers, especially if their magnificence was going to be history the next day.

Just the thought of the operation that Eva was about to undergo made my cock shrivel for a second, but Eva got it hard again by sticking out her tongue and tickling the tip of my throbbing dick, then bouncing my cock-head up and down on her tongue. I took the black, velvet scrunchie out of her hair and riffled my trembling fingers

through her silky tresses as she licked my shaft. I shoved my cock against her plush lips and growled, "Suck it, baby!"

Eva stared up at me with her blue eyes, her giant tits dangling out of her rolled-up top and almost touching the floor. She engulfed my cock in her warm, wet mouth, and I clutched her hair. My eyes kept moving between her melons and my lip-locked cock.

"Mmmm," she moaned, sending a thrill racing up my spine as she took another swallow of dick. "All this because you love my tits?"

Before I knew it, my cock was buried balls-deep in her throat. Then, with my cock as far into her mouth as it could go, she snaked out her tongue and licked my balls. I almost came in her mouth, but she loosened the pressure on my cock until I had time to calm down. Then she bunched up her tits, let my balls sit on top of her cleavage and gave me another strong sucking. She slid her lips back and forth on my pulsating prick, her tongue scouring my shaft.

"I wanna tit-fuck you," I said.

Eva spat me out like I'd said a bad word. She hung her head, becoming once again the misguided girl who saw her bountiful boobs as a burden rather than a blessing.

"I've never done that before," she said. "I mean, no man has ever asked to fuck my tits before."

"Then the men you've been with are all idiots," I said. "I want to fuck your tits more than I want to fuck your pussy. I want my cock between your tits more than I want it in your mouth."

She looked at me as if I was kidding, but I took hold of my cock and placed its bloated hood under Eva's chin.

"Remember," I said. "Your breasts are something to flaunt, not hide. You want to share them with others who appreciate them for what they are, who think more of you because of them, not less."

She blinked, smiled and let me slide my cock between her tits. My cock quivered when it touched her soft chest, and my entire body shook when Eva wrapped her tits around my cock. It disappeared in a mass of suffocating flesh.

I bent my knees and started moving my hips, gently tit-fucking the heavy-chested doll. It was slow, satisfying work at first until Eva spat into her cleavage, greasing the motion. I slid my cock back and forth in her tit-tunnel faster and faster, my swollen cap winking for air at the top of her chest.

ALL THE VIDEOS YOU WANT, NEVER A LATE FEE!

"That doesn't feel bad, does it?" I said.

"No, it feels great!" Eva said. She stuck out her tongue to lick my tunneling cock-head.

I gritted my teeth and brushed Eva's hands away, roughly grabbing onto either side of her tits and pumping her cleavage. She kept flicking her tongue against my cock-head. I was sweating like a pig, but I kept churning, giving and getting the tit-fuck of my life.

"I'm cumming!" I moaned. My body jerked and my balls exploded. White-hot spunk blasted out of my cock and splashed Eva's tits and face. She kept her head down and took it like a woman, lapping up and swallowing my jizz. When I was spent, she rubbed my cum into her tits.

"That was wonderful," she said. "I never knew my breasts could do that to a man."

"Well, now you know," I said. "And now you have to do something about it before it's too late."

Connie and I were at Dr. Gliberman's office early the next morning. We set up, then chatted about breast reduction with the not-so-good Doctor while we waited for the stars of the show to arrive.

Finally, at 8:30, Eva made her entrance, looking absolutely spectacular in a form-fitting red dress and red stilettos. Her world-class knockers spilled out of the front of the thin garment, and her nipples pierced the fabric. My jaw almost fell to the ground.

"Hi, Eva," Connie said, looking the new Eva up and down. "Are you ready to begin?"

"No way," Eva said, puffing out her chest even further, something I didn't think was possible. "I'm not getting my boobs reduced."

"Yes!" I silently exulted

"What?" Connie said.

Eva smiled at her, winked at me and nodded at Dr. Gliberman. Connie was seeing the new Eva for the first time: a confident, in-control, big-titted girl who suddenly wasn't the least bit afraid of sticking out her chest and facing the world headlights-on.

"You heard me," Eva said, then she looked right at me. "Somebody set me straight. Just in time."

She walked over to me and grabbed my hand.

"Come on, honey," she said. "I need another ego boost."

**GIRL-NEXT-DOOR
BRANDY TALORE'S BIG
TITS AND SWEET FACE
ARE ALWAYS AT YOUR
SERVICE. SHE'S A
SCORE GIRL WHO
AIMS TO PLEASE.**

"I was a tomboy when I was younger," said midwestern cutie Brandy Talore, who's back for her seventh appearance in *SCORE*. "I was a cheerleader and stuff, but I was boyish about it. I put my hair in a ponytail and never dressed provocatively." That changed quickly. "When I got into high school and grew up and got a little more feminine, I realized that when you have big boobs, all the boys like you and all the teachers like you." Now, all the *SCORE* Men like her. "Good," she said. "I like being a *SCORE* Girl."

We've seen Brandy as a glamour girl. We've seen her with other girls. We've seen her as a cock-sucking busty hooker. And now we're getting to see her as a busty maid. "I don't know why guys have such a thing for maids," Brandy said. "Do you fantasize about some big-breasted girl running around your house, going through your things?" That's kind of it...the big-breasted girl running around our house part, that is. The other part is..."her doing whatever you want, right?" Brandy said, lifting a nipple and taking a suck. "Well, I can do that."

We've known Brandy since 2003. Back then, we didn't think this fresh-faced cutie would ever suck and fuck cock on video, like she does in *Busty Hookers*, *Voluptuous Xtra #10* and *Hard SCORE*. "Neither did I," she said, "but I'm having a blast, and I want to keep doing this for a long time. I've always liked being the center of attention, and there's no better way to do it. Even a pictorial like this, when I'm by my-self...it's sexy, it's fun and I get to show off. What more could any girl want?" And what more could any man want than a maid like Brandy?

MORE BUSTY NURSES NEEDED

Dear SCORE,

I've been waiting for seven years for you guys to finally do-up Dawn Stone as a nurse (March '06). Denise Derringer was good as a nurse (*Buxotica* #119), but Dawn topped that easily. I wish you'd have done her hardcore stuff as a nurse like you did with Taylor Wane (May '05). Remember, we're into fantasy. That's why we join sites and buy mags and videos. Without fantasy themes and outfits, it all looks the same.—E.W., via email

Dawn Stone wore a "traditional" nurses outfit. Denise Derringer wore black. Taylor Wane tended to a lucky patient.

Diane Poppo's 'bra-bustin' pictorial in the July '06 issue was a welcome change.

hope there are more pictures of Nikki for future issues. And I can't get tired of seeing Minka.

When I got to the Diane Poppo bra feature, I thought it was a pretty neat change-of-pace for a woman who has been in the magazine several times, generally nude. Seeing her in different bra shots was a turn-on for me. Of course, there will be readers who will be completely negative about seeing women with clothes on. This issue was a good example of a mix of naked and clothed women. Those who do not want to see clothes can always skip that section of the magazine and still have enough naked and insertion shots for their liking.—Jeff, Phoenix, Arizona

PENNY'S CUNT AND SYDNEY'S NIPPLES MADE APRIL SPECIAL

Dear SCORE,

You have surpassed yourselves with the April 2006 edition of SCORE. A real treat for a nipple and pussy fan. The close-ups of Penny Porsche are the best cunt shots I've ever seen. Sydney Simona's nipples are out of this world, and her delicious, pink pussy cries out to be licked. Mariana is one of my all-time favorite models, too. NO MATTER HOW YOU SPELL HER NAME, MS. KNOCKERS IS GREAT

Dear SCORE,

You told me quite some time ago when you printed an email from me that a pictorial of Niki Knockers was coming soon. You finally delivered (July '06), although you couldn't have known she was going to end up in the Hall of Fame, so that one shouldn't count, and you should still owe us at least one more.

It doesn't seem that long ago, but I first met Niki 10 years ago. I have had the privilege of meeting numerous feature dancers and porn stars in my 34 years, and I can honestly say that Niki is the most genuinely sweet and real person I've ever met. She's such a beautiful woman on the outside, but even that beauty cannot compare to what is on the inside of this remarkable woman.

I was lucky enough to have corresponded back and forth with her for five years before her retirement, plus I would talk with her at her live appearances, which I would drive to from a couple of states. Even when I was having problems, she was always supportive, helping and caring. That smile of hers could light up any room she was in. Her retirement still saddens me, but at least there is this Hall of Fame to honor this still-young and always-beautiful and precious woman.

One complaint, however, and it is one I have emailed you about before. You continue to spell her name with two Ks. She spells her name Niki. I have proven that to you by sending a picture of the signed card from her and can send you letters she has written to me. It seems disrespectful to not spell her name the way she spells it.

I said that I would not subscribe until you again featured Niki. I am a man of my word. I just got out of the hospital and regained the use of the right side of my body, and within two weeks, you will have my subscription order. Niki, by the way, has helped me with my rehab. Seeing her pictures and remembering her many words of encouragement and her belief in me has helped a lot.

—Don B., San Diego, California

YOUR OPPONENT TODAY IS A FORMER SCORE MODEL OF THE YEAR WHO PACKS A PAIR OF H-CUP TITS INTO HER TENNIS WHITES. JUST TRY TO KEEP YOUR MIND ON THE GAME!

We've seen a lot of Julia Miles since she made her *SCORE* debut in the May '00 issue. This is her 15th appearance, making her among the most prolific *SCORE* Girls ever. She won 2000 Newcomer of the Year and 2003 Model of the Year. Twice she has fucked for our viewing pleasure, in *SCORE Xtra #5* and *Ultimate Julia Miles*. So, for this pictorial, Julia decided to do something different. "I don't want the readers to get bored with me," she said. "So I said to the photographer, 'I love to play tennis. Let's go out on the court!'"

Some of the views of Julia in this pictorial are mind-boggling and make us understand why Julia says, "I'm not very good at tennis, even though I play a lot, but for some reason, whenever I play against a man, I win." Julia said she has never taken off her whities and revealed her tits and pussy on a public court, but she did say, "A white tennis outfit makes my boobs look even bigger, and since I can't find a sports bra that fits, I usually wear my everyday bras, and they don't keep me from bouncing. Nothing does." So, if you ever find yourself on a tennis court with Julia, you can try to follow the bouncing ball. But we're betting that you don't stand a chance.

GIANNA ROSSI

Continued from page 50

GIANNA: I got off the bus and he approached me. Pulled over to the side of the curb. I ignored him because I figured he was just some random dude. I don't have any problem with guys coming up to me, but I don't like guys just sitting there and staring. I just figured he was trying to hit on me, so I kept walking. He followed me for a couple of blocks, and I decided to either stop before I got home or run. So I stopped and talked to him, and he told me he was an agent for a modeling company. He didn't inform me it was for nude modeling. I got more information as the days went by, but I wasn't really interested. But a year later, I ran into him again. Same spot. Same situation. Same job, getting off the same bus, and I just decided to give it a chance. It was a lot easier than I expected it to be.

SCORE: Was your first time solo?

GIANNA: It was actually a boy-girl.

[Gianna slurps as if she's sucking a cock]

SCORE: There was obviously a blow job involved.

GIANNA: And some sex.

SCORE: Had you thought about doing porn before?

GIANNA: Oh, hell no.

SCORE: Ever seen a porn film before?

GIANNA: I had, but I never imagined myself doing one.

SCORE: Were you really into sex before you got into porn?

GIANNA: No. I was very shy. I would never initiate sex. I was always very submissive. Not very knowledgeable. I remember... Well, I'm not going to say.

SCORE: Why?

GIANNA: Well, I was just thinking that it reminds me that before I got into this, I had barely given one guy a blow job. I was really shy about anything to do with sex. It's just really odd how I am now. I'm not shy anymore. I can sit here with my tits out and talk to you. Back then, I'd be covering up.

SCORE: The first time you did hardcore in front of the camera, did you know what you were doing?

GIANNA: I kind of just went with the flow and was confident in what I was doing. Or at least I looked confident in what I was doing.

SCORE: What was your blow job technique back then?

GIANNA: Real simple.

SCORE: Just the head, huh?

GIANNA: Yeah.

SCORE: That's the worst.

GIANNA: Don't worry, I get all the way down now.

SCORE: Your first time on camera, the guy had about a seven-inch cock?

GIANNA: About that big.

SCORE: And you got about an inch into your mouth?

GIANNA: More than that. When you have some guy's hand behind your head, pulling you in, there's nowhere for his cock to go but down. It went all the way down. It was deep-throated.

SCORE: But now you're doing it easily.

GIANNA: I wouldn't say that. I'm just not afraid to try more or test something or do a little flick here or a jiggle there.

SCORE: So you were inexperienced at sex at the time. How long ago was this?

GIANNA: I've only been performing for about a year now.

SCORE: How many guys have you fucked in porn over the past year?

GIANNA: I've done a couple of scenes with the same guy, but I'd say 60-plus.

SCORE: So from barely one guy...

GIANNA: Well, I'd been with two guys.

SCORE: You know, Gianna, there's a girl from our new magazine, *BootyLicious*. Her name is Naomi, and you once did a scene with her. Before she got into porn, she'd had sex with only one guy.

GIANNA: Nice.

SCORE: She was with the same guy for four years. Then she broke up with her boyfriend, got into porn and did about a hundred guys in three or four months. This is interesting because when guys think about porn girls, they're probably thinking, "Oh, she must've been such a slut. She was fucking everybody."

GIANNA: You should never assume.

SCORE: Okay, so two men before you got into porn. Sixty men on camera since you've gotten into porn. How many men in your private life since you've gotten into porn?

GIANNA: Two.

SCORE: So off-camera, you're still the same shy, selective Gianna as always.

GIANNA: Yeah, I'd have to say I am. Not necessarily shy, but selective.

SCORE: More outgoing?

GIANNA: Not in general. Maybe my sexuality has been more fulfilled because I've experienced more things, but I'm still the same person. I'm very casual, outgoing. A kicked-back person.

SCORE: When you have a day off, what do you like to do?

GIANNA: I'm a homebody. I like to hang out with close friends. I like to dance, so if I get into a mood where I need to go out, I'll go to a club and dance. But for the most part, I'm just normal, whatever normal is to me.

SCORE: That's what guys want: a normal girl who gets wild in the bedroom.

GIANNA: That's me.

SCORE: Shaved or unshaved?

GIANNA: I wasn't shaved this morning, but I am now.

SCORE: Have you ever been a stripper?

GIANNA: No. No. Nothing against it. I just haven't gone that way.

SCORE: Let's say that two years ago, somebody said, "Gianna, what do you want to do with your life?" What would you have said?

GIANNA: I want to get married and have a kid. Maybe not. I don't know what I would have said. Probably, "Whatever happens, happens. I'll take it as it comes."

SCORE: What if somebody asked you that question now?

GIANNA: I think I have a little more of a business mentality now. And, honestly, that thing about family was probably true, but I've become more selfish. I'd like to have more time for me before I start a family. I'm just living life.

SCORE: Do you always wear a bra?

GIANNA: No. It kinda depends on how I'm feeling that day. You know what's really weird? For some reason, I won't wear a bra if I'm horny. It's just a sexual thing, I think. I'll wear a really, really tight shirt with no bra.

SCORE: Are you trying to attract guys when you do that?

GIANNA: I don't know if that's what it is, but I just kinda realized it as I was talking to you.

SCORE: Hey, Gianna, why don't you analyze yourself. When you're walking around with your nipples poking through a shirt, what does that mean?

GIANNA: *[Laughs]* It means I need some fucking big dick between my legs. That's what it means. *[Laughs]*

SCORE: What's big?

GIANNA: At least five or six inches.

SCORE: That's not big.

GIANNA: To who? To you? You take more than five inches? *[Laughs]* And I said at least. Hard. And then thickness, I like it if it's about *[makes a circle with her thumb and index finger]*. So what else do you want to know about me?

SCORE: What's your favorite thing to do in bed?

GIANNA: Have sex. Or sleep. [Laughs]

SCORE: Let me try a more creative question. Let's say you're with a guy, and you're calling the shots, and he has to do whatever you want him to do. What's he doing?

GIANNA: It depends on my mood. I'm a Gemini, so I have two sides. Sometimes I like to be dominant, and I like to be on top of the situation and just get mine. Fulfilling his needs as well, of course, but I want it how I want it. But other times, just take me any way you want me. Whatever you want to do.

SCORE: Shove my cock all the way down your throat?

GIANNA: Shove your cock down my throat. Deep in my pussy. However you want it.

SCORE: Tit-fuck you and then cum?

GIANNA: If all you want is my tits, that's fine.

SCORE: What's the easiest way for a guy to not get invited back?

GIANNA: I would have to say...well, I don't know.

SCORE: Not get it up.

GIANNA: [Laughs] I wouldn't even say that. I've never been in a situation where I wasn't into him, because if I'm not, I'm not going to be in a compromising sexual situation with him. If a guy's not trying, though, he's outta here.

SCORE: But off the porn set, you've only been with four guys. How many girls? Not porn. Regular.

GIANNA: Not porn? Only two.

SCORE: Are you into girls?

GIANNA: I appreciate their beauty.

SCORE: Was this a long time ago that you were with girls?

GIANNA: I never got into chicks until I was into porn. I'm finally discovering my sexuality. I'm having fun with it, too. I appreciate women's beauty. You know what's really weird? I love a woman who can seduce me, but I don't want to eat her out. Is that being a selfish lover? [Laughs] Have you ever felt that way?

SCORE: Have I ever wanted to just lay back and have my cock sucked and not eat pussy? Yeah, quite often.

GIANNA: [Laughs] Well, hey! That might be kinda selfish, but I don't like to eat pussy. I'll rub one out for you, but I'm not going to go down on it.

SCORE: But women have on you.

GIANNA: Yes. And I liked it. But I'll finger them or play with them with a dildo. I just don't like to eat pussy.

SCORE: Do you like how pussy looks?

GIANNA: Not very appetizing. With

women, to me, it's just the sexual energy. I don't know how else to describe it. I mean, women are very beautiful, and they just have a certain energy to them that's very sexual. I'm attracted to that.

SCORE: You wouldn't describe yourself as bi-sexual?

GIANNA: Not necessarily, but maybe I am and I just don't know it. Right now, I feel that I'm pretty much straight.

SCORE: So just cock for you. Is your ass on the menu?

GIANNA: No. Not on film.

SCORE: In real life?

GIANNA: I've had anal sex with one man in my life.

SCORE: And you didn't like it?

GIANNA: *Au contraire.* I liked it a lot. I expected the worst. It turned out to be really good.

SCORE: What did you expect?

GIANNA: For it to hurt like hell. But it was a very, very nice experience. It felt good. It was very stimulating. I just never thought of the asshole as being very sexual. I didn't look at it and the first thing I thought was, "That's going to be great." The first thing I used to think was, "Exit only." [Laughs]

SCORE: So you were with this guy. He was fucking you at the time?

GIANNA: No. What happened was, I was on my period and didn't really feel like doing it. It's not my style to let a guy fuck my pussy when I'm on my period, but I really wanted to fuck him, and I didn't feel right giving him bloody pussy, so I just told him to put it in my ass. And he said, "What?"

SCORE: What kind of lube did you use?

GIANNA: Spit. I sucked him off, then he spit in my butt, then he popped it in.

SCORE: Didn't he take his time?

GIANNA: Yeah, he did take his time, but the lubrication was the spit from the blow job and him spitting on my butt.

SCORE: What did you like about it?

GIANNA: How it felt. Honestly, at first, it didn't feel the greatest, but once it goes in through that little hole, whatever it is, it feels really good.

SCORE: How come your ass hasn't been on the menu on video?

GIANNA: I'm just going to keep that for myself.

SCORE: Well, Gianna, we always have to keep some things for ourselves. And guess what? We're done. This interview was more pleasurable than anal sex, wasn't it?

GIANNA: [Laughs] It was. Thanks for having me.

Laura Busts Out

LAURA LION NOW HAS A BIG, NEW RACK TO GO WITH HER BEAUTIFUL FACE AND WELL-FUCKED ASS.

Busty Czech babe Laura Lion is stunningly beautiful. What's also stunning about her is the way she can take man-pipe in her ass. This chick has been fucked in the ass more than just about any girl we've ever met, and we've met many. Laura treats her asshole like most women treat their pussies. But, as Laura recently decided, life isn't only about being an anal porn queen. "I wanted to be a *SCORE* Girl," she said, "so I decided to do something about it."

Laura has appeared in *SCORE* once before, but that appearance was brief: a page of photos for the release of the DVD *Busty Czech Babes* in the July '05 Xtra section. That taste of being a *SCORE* Girl made her want more. "I looked at the other girls in that issue and saw how big their breasts were," Laura said. Hers were natural D-cups, big by real-life standards but small by *SCORE* standards. So Laura paid a visit to Dr. Big Tits and came out with *SCORE*-sized E-cups.

The “old” Laura can be seen getting ass-slammed in the new DVD *SCORE Cock Drainers* (available on page 20 of this issue). The new Laura plans to keep taking it up the ass, but she has a new attitude. “The other day, I was with a man, and for the first time, he didn’t want to fuck my ass. He wanted to fuck my tits,” she said. “I kept waiting for him to move to my ass, but he never did. He came on my tits, and I loved it. I finally felt like a real *SCORE* Girl!”

This one has been a bestseller forever. In the first video devoted to her, the 2003 Newcomer of the Year creams her natural J-cup tits, dildo-izes her pussy, tries on some bras, takes her floaters out for a swim and fingers her snatch. All this and an interview, too. This collection of videos exposes every inch of Nicole's body as we see her in erotic solo posing with and without a fuck-stick. Nicole cums like crazy. **X-RATED, 80 MIN., DVD OR VHS FOR \$24.95 PLUS S&H**

SUMMER & CLAUDIA 1 ROOM, 1 COCK

SUMMER SINN & CLAUDIA KEALOHA DON'T MIND SHARING...AS LONG AS THEY BOTH GET TO CUM.

Summer Sinn (wearing the purple top) and her "husband" (don't worry, he's not really her husband) check into a sleazy hotel with their friend, Claudia Kealohe. They need two rooms, but only one is available, and that room has only one bed. What are they going to do? Make "hubby" sleep on the couch? No way! Of course, there's only one cock available, too, and Summer and Claudia happily share it in this scene from the DVD *Ultimate Summer Sinn*. Isn't it nice when friends get along?

It's the dude's idea that the three of them share a bed, but Claudia and Summer quickly realize that it's a good idea. They ravage his cock with their hungry mouths and huge tits, and both of them offer up their tight, wet cunts for deep plungings. Who gets more cock? Who cares? The load of jizz ends up on Summer's rack (hey, it's her video), but Claudia doesn't mind. She gets to lick it off, and she does so with gusto. Summer and Claudia fall asleep sticky and happy.

RUB-A-DUB-DUB. KAREN WANTS YOU TO SHOOT YOUR LOAD ALL OVER HER F-CUPS IN THE TUB!

Karen Fisher is taking a bubble bath, and she wants you to watch. See her pouring warm water over her F-cups tits. Check out how she rub-a-dub-dubs her sweet pussy. Uh-oh...Karen's getting horny, which is a good thing because your cock has been hard for a while. She invites you to step into the tub with her and sample her soft, luscious tits and hard nipples. She gets down on her knees to suck your cock. Think she's going to suggest that the two of you dry off and go to the bedroom?

Nope, Karen isn't going to suggest that the two of you dry off and go to the bedroom. In the new DVD *SCORE Sexplosion* (available on page 8 of the main mag), she wants you to fuck her right in the bathtub. So fuck her pussy on the ledge. Turn her over and slam her from behind while her big ass sends waves of warm water over your balls. Stick your dick between her big tits, and don't worry about cumming all over her. You're in the bathtub. Karen will clean up the mess.
