Lily Valentine (right) exposed her big tits and big-lipped pussy for the first time in the October '06 issue. You can see her fucking and sucking on camera for the first time in the new DVD *Sleeping Sluts*, available on page 114 of this issue.

Rukhsana (far left) and Lynn (left), both of whom debuted in the Oct. '06 issue, are two newcomers who ensure a bright future for big-tit modeling. So says C.J. from Philadelphia, Pennsylvania.

LILY VALENTINE, RUKHSANA & LYNN: GREAT THINGS AHEAD

Dear SCORE,

Although I enjoy jacking off over the return layouts of my long-time SCORE favorites, like Minka and Crystal Gunns, it is your debutantes who ensure that the long-term future of big-boob modeling is very bright.

Lynn, Rukhsana and Lily Valentine (October '06) have such wonderful nude careers ahead of them in your pages, and I am especially thrilled by Lily's statement that she is not adverse to fucking for the camera. I hope to see her in SCORE Xtra very soon. I'm sure she'll rival even the delightful fucking-and-sucking photos of Heather Lynn in the same Oct. '06 issue.

By the way, of the return layouts, Summer Sinn's is breathtaking.—C.J., Philadelphia, Pennsylvania

Dear C.J.: Lily is a woman of her word. You can see her fucking and sucking on camera for the first time in the new DVD *Sleeping Sluts*, available on page 114 of this issue. It's also available in VHS and PAL-UK versions. If you'd like to see a preview of Lily's first hardcore, check out the Xtra section of the Holiday '06 issue of *Voluptuous*, at newsstands now or at eBoobStore.com.

WILL MINKA WIN MODEL OF THE YEAR A SECOND STRAIGHT TIME?

Dear SCORE,

I hope SCORE will again nominate Minka as a candidate for 2006 Model of the Year. It will be interesting to see if the popularity of Minka, who has the world's most-perfect breasts, will make her the first to win this most-coveted title two years in a row. My vote will be for her, for sure.

As for the question, "Should the girls look at the camera in hardcore scenes?" I definitely prefer that the girls look at the camera. It makes me feel like the stud for that moment. Minka's erotic scenes are the best examples. She looks so innocently at the camera while sucking off a big cock.—J. K., via email

Dear J.K.: Minka,

2005 Model of the Year Minka is trying to win the crown again. See Minka and the other finalists on pages 92-99.

the 2005 SCORE Model of the Year, is also a finalist for 2006 Model of the Year. You can find out the names of the other nine finalists on page 92 of this issue. And you can place your vote for Model of the Year, Newcomer of the Year and the SCORE Big-Boob Hall of Fame on page nine. Please vote!

THREESOMES ARE GREAT IF EVERYBODY'S GETTING ACTION

Dear SCORE,

Regarding the October '06 Xtra section, it was interesting that the second model's name was Sierra in all the text up to the "Check List," in which she suddenly became Carmen. She looked good no matter what her name is, anyway. But I really loved Heather. The more MILFs in hardcore, the better.

Regarding "Score-card," I agree with K.S. that threesomes are great. The important thing is that all of the people are in contact with each other and actively involved.

Regarding the preg-

**The official sex toy of
SCORE MAGAZINE!**

**Nicole Peters' all-naturals tits are so big,
when she sits just so, her nipple practically
rubs against her clit. That's truly amazing!**

gers question: the more, the better. If you feel such pictorials would be better in *Voluptuous*, that's fine since I subscribe to both magazines.

And I have a strong disagreement with F.R.'s condemnation of Devon Daniels' and Alexis Love's hanging breasts. Long hangers are just about the best shape for really big breasts.

Speaking of which, take another look at the Nicole Peters photo in the Video Club ad on page 114 of the October '06 issue. It looks like Nicole can get into a position in which her nipple is rubbing against her own hairy snatch. That is magnificent. Can you run more photos of her doing that, maybe even deliberately pulling and pushing her breast into her pussy, ideally so that her nipple rubs her clit? It takes really nice hanging, long breasts to do something like that.

Loved the Rebecca Love-Holly Halston pictorial. But please have the models do actual cheek-hollowing-hard nipple sucking, not just licking.

And one general request: more anal, and more anal toys or finger insertions in single-model layouts and lesbian photo spreads.—W.M., St. Louis, Missouri

Dear W.M.: Regarding the Sierra/Carmen pictorial in the Oct. '06 Xtra section, the pictures are of Sierra. Carmen was in the Xtra section of the September '06 issue, and we mistakenly neglected to change the name in the "Check List" box for the Oct. '06 issue. Sorry for the confusion.

Heather Hooters naked (above left) was one of the highlights of the October '06 issue. "At Home With Penny Porsche" (above right) was another highlight...at least for some **SCORE** Men.

THE THRILL OF JACKING TO PICS OF CLOTHED SCORE GIRLS...

Dear **SCORE**,

I'm sure there will be readers who will complain about seeing Penny Porsche fully clothed and in her home ("At Home With Penny Porsche," **SCORE**, Oct. '06). The fact that she is not naked will be the issue. I had mixed feelings about that when I first looked at the feature, then I let my imagination take hold, and it was all I could do to not empty a full load over her pictures. I did have some help from a previous issue in which she is showing her extended clit.

While Heather Lane qualifies as a MILF, seeing her shaved pussy with a hard dick inside was enough for me to create another blast. I needed to recover from this before I went on with the other women in this issue.

As a long-time fan of Heather Hooters, I was delighted to see her featured again. She is definitely one of my all-time favorites.—Melvin, Los Angeles, California

...ISN'T SHARED BY EVERYONE

Dear **SCORE**,

Just when I was enjoying a great issue of my favorite magazine, the dreaded "At Home" feature snuck back in and ruined everything ("At Home

With Penny Porsche," Oct. '06). What a letdown that was!

Listen, guys. I can see plenty of clothed women on the streets of the city where I live. Stop wasting pages on this clothed bullshit. Hopefully, the return of "At Home" was just a brain fart on your behalf.—B.D., Dallas, Texas

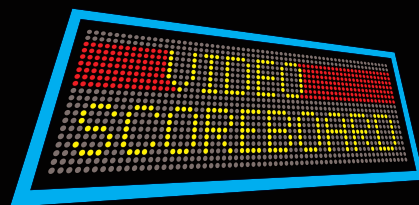

A PLEA FOR MORE POPPOS

Is there any chance Diane Poppo will return to model for **SCORE**? I have purchased several DVDs from

eBoobStore.com, and they are all excellent. However, *The Diane Poppo Collection* has to be the greatest of all time, especially the red-hot interview. Just watching Diane's naked, swinging breasts had me reaching for the lube.

Please try and get Diane Poppo involved with *SCORE* again. I would love to see a "day in the life of" type DVD in which we follow Diane around her house on a typical day, watching her shower, bathe, oil up her tits and do the housework or whatever.-S.C., via email

Dear S.C.: Diane is always welcome back at SCORE but is currently in a state of semi-retirement from modeling. Will Diane return? Hey, you never know.

WEIGHING IN ON THE "SPLIT" CENTERFOLD: IS IT NECESSARY?

Dear *SCORE*,

I'm writing to put in my two cents about a subject that A.C. from Queensbury, New York wrote about in the November '06 "Scorecard." I totally agree with him about the centerfold issue. It totally sucks that the Xtra section cuts the centerfold shot in half. It's kind of hard to look at because I also like the Xtra section and don't want to remove it.

I still do not understand why the government (I'm guessing) forces you to put it directly in the middle of the magazine. Other mags are not forced to comply with this rule, so why are you?

I guess it's more important to me that you continue to feature hardcore in the magazine than where you put it. But it

Top 10 DVDs of 2006

MERILYN & NICOLE WERE THE GIRLS. YOU WERE DA MAN!

Adult videos are getting hotter and harder. Video watchers are demanding more, more, more from their favorite starlets. But *SCORE* Men have always been different, and in 2006, you proved, once again, that it's still all about the tits. Sure, plenty of *SCORE* Girls fucked and sucked on film this year, and much of the action was super-hot, but three of the five best-selling DVDs of 2006 featured solo *SCORE* Girls. And if you couldn't have an unobstructed view of your favorite *SCORE* Girl, you wanted to imagine that you were the man pleasuring her. Once again, in 2006, *SCORE* Videos delivered.

1

MERILYN

Busts Out!

The 2005 *SCORE* Newcomer of the Year's first video was No. 1 on our Top 10 "Video Scoreboard" six months in a row and continues to be a best-seller, even after the release of Marilyn's encore video, *Merilyn Sakova 2nd Cumming*. Although Marilyn didn't fuck and suck in *Merilyn Busts Out*, her two hours of explicit tit-play and pussy poking firmly established her place among the greats.

2

Nicole Peters

For 10 issues in 2006, Nicole Peters had a place on our Top 10 "Video Scoreboard" with her first full-length film, *Nicole Peters*. She was at No. 1 for three issues and No. 2 for two issues as viewers enjoyed their first private sessions with the J-cup girl-next door. One reason for the DVD's popularity: When we met Nicole, she was shy. But, as *Nicole Peters* proves, she's not shy anymore!

3

TIT ATTACK

Minka. Lisa Lipps. Dee Dee Deluux. And Brittany O'Neil. It's doubtful that any big-tit hardcore video in history has contained more tit-flesh-per-chick than *Tit Attack*, which spent seven issues on our Top 10 list. No surprise there. *SCORE* Men know where to turn for true super-stacked babes in hardcore action, and the presence of 2005 Model of the Year Minka was a big drawing card, too.

4

BUSTY HOOKERS

We took *SCORE* Girls Brandy Talore, Carmen, Kelly Madison and Alexis May, dressed them up as sleazy streetwalkers and turned them loose on the streets of Miami. The result was one of our sexiest and raunchiest videos ever, filled with car blow jobs and sleazy, no-tell motel sex. *Busty Hookers* never reached No. 1, but it did spend three issues at No. 2 and continues to be a top seller.

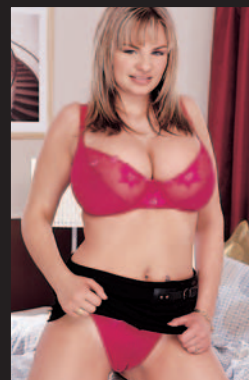

5

Alone with Kelly Kay

The third of five solo videos in the year's top five isn't really a solo video, and Kelly wasn't always alone: On the DVD, the 2004 New-comer of the Year poses nude alongside her sexy mom, Jane. *Alone With Kelly Kay* is special because it contains the hottest modeling Kelly has ever done. This 42-26-36 Brit has come a long way from the days when she wouldn't show us her pussy hair.

6

Linsey Dawn McKenzie
**MAXIMUM
INSERTION**

One of the bestsellers of 2005 carried its momentum into 2006 and remains hot. The reason is clear: *Linsey Maximum Insertion* is highlighted by only the second XXX boy-girl scene Linsey Dawn McKenzie has ever done. Actually, it's girl-boy-girl, as Linsey shares a cock with Czech *SCORE* Girl Veronika (who's no stranger to dick). Also featured: a stunning girl-girl with Ines Cudna.

7

**SCORE
Xtra12**

Question: What was the only hardcore video to hit No. 1 on our Top 10 in 2006? Answer: *SCORE Xtra #12*, featuring the incredible tit power of Denise Derringer and 2005 Model of the Year Minka. Also featured: Claudia Kealoha, Kitty Lynxx, Charlee Chase and Debbie Leigh. Plot? You want plot? Forget about it, buddy. This DVD is for men who like no-nonsense, big-tit hardcore.

8

U
BANG
'EM

Watching a guy fucking a big-titted babe is no longer good enough for some *SCORE* Men. They want to feel like they're in the middle of the action, like they're the one fucking the *SCORE* Girls. With its first-person point-of-view camera angles, *U Bang 'Em* made you feel like you were da man fucking Penny Porsche, Heather Lane, Sara Stone and Rebecca Love. Enjoy the ride.

9

**SCORE
SEXPLOSION**

Four blondes and a brunette in XXX fucking-and-sucking made this one a top seller. The opening scene, in which Penny Porsche fucks a guy in a pool, is alone worth the price of the video because of the underwater shots. This video also features the boy-girl debut of long-time *SCORE* Girl Kayla Kupcakes. Plus, Summer Sinn, Karen Fisher and petite-but-stacked Danielle Derek.

10

BIG TIT
P.O.V.

This was our first "you-da-man" point-of-view XXX movie, and it remains a popular seller. But even if you don't care about the first-person camera angles, you'll still want to see super-stacked **SCORE**vixens Lisa Lipps and Summer Sinn doing everything they can to coax cum out of a cock. This was also Claudia Kealoha's first hardcore video, and it remains one of Sara Jay's nastiest.

Busty girl-next-door Kendall Caine pulls down her 34DD bra to expose her fresh, perky and sweet girls.

BUSTY AMATEUR KENDALL CAINE

"A lot of guys think girls with big tits don't have sensitive nipples," said Kendall Caine from Texas. "That's definitely not true with me. The bigger my tits get, the more sensitive my nipples become. I love when a guy spends a good, long time nibbling and sucking on my nipples."

Single and dating, Kendall is 5'3", 122 pounds and wears 34DD bras. She has that freshness, friendliness and sexy cuteness every dude loves.

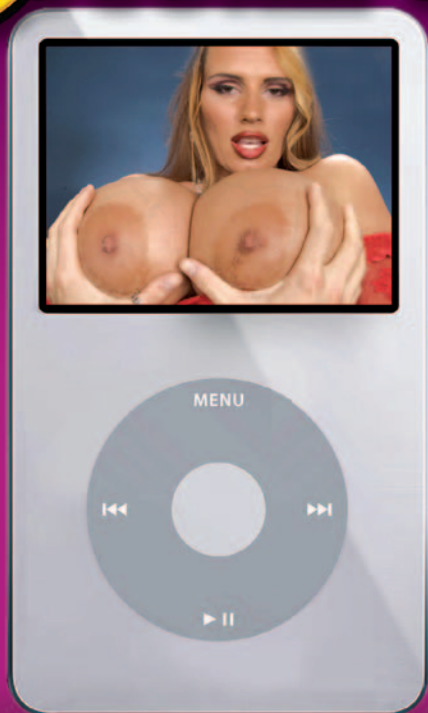

"I'm a pretty average girl-next-door," Kendall said, obviously ignoring her well-above-average endowments "My neighbors all call me the 'Doll Next Door.'"

See a video of this busty amateur at Scoreland.com. Kendall strolls around poolside in a tiny bikini, then goes inside to fill her tight, young pussy with a big fuck-stick. Good stuff.

Kendall says she has "an entire chest of toys and goodies at home" and cums "daily unless I'm too tired from a long day."

Tired? At 22 years old? Nah!

CHRISTINE ALLURE: SEXY BARTENDER

Last seen as a bikini beach girl in the February '06 issue, Christine Allure, in her own words, "serves up a mix of lounge and liquor for your audio and video enjoyment" as the Internet's "Sexy Bartender." And she sure is.

The Sexy Bartender teaches you how to make a mixed drink while playing her trancey mix of lounge and experimental music. In short video clips, busty mixologist Christine gets behind a well-stocked bar and shows how to mix Martinis, Mimosas, Cosmopolitans and other ultra-lounge thirst quenchers. She never spills one little drop on her big top. Bottoms up!

Stir it up and log onto TheSexyBartender.com and start your mixing tonight. Christine's mini-video clips are also available to download as podcasts from iTunes.com.

Christine Allure, aka "The Sexy Bartender," is one busty babe we'd like to do a load of body shots with.

CASSANDRA: Sex. What else?

Having two Kellys must remain only a fantasy. Can you imagine twins?

KELLY KAY: SEEING DOUBLE

Any tit-lovin' man would take two Kelly Kays in a Liverpool minute. But let's not get greedy. It's a magical thing that the one (and only) Kelly accepted our invitation to expose that beautiful, luscious body for the benefit of breast-men worldwide.

It seems hard to believe that over two years have passed since Kelly showed us her birthday suit in the *SCORE* Studio for the October '04 issue. At first, she was the typically reserved, topless-only model. Now she has lost her bashfulness (and her panties) and is stroking her snatch with big-girl rubber cocks on video. If only we had saved the first pair of panties she slipped off. However, one of her bras is locked away at the *SCORE* office.

"I always had the biggest tits in school," said Kelly, who turns a grown-up 21 years old on November 29th. For her birthday, we sent Kelly a T-shirt imprinted with "My Eyes Are Up Here!"

"When a girl is built like me, she is always aware of her boobs. Always," Kelly said. "These two big things attract a lot of attention. I used to wonder about all the fuss when I was growing up. Now I am used to it. People stare. Blokes nudge each other and make comments. Girls say mean things. As long as the guys want to see them, I'm going to show them because I enjoy seeing myself in magazines and on my website. My mum is very proud of me! She has been very supportive. Some mums would not be."

The DVD *Alone With Kelly Kay* features nine scenes of Kelly in striptease, playing with her flesh melons and spreading her pussy with her hands and stuffing it with dildos. The extras include a backstage video, a slide show and a behind-the-scenes video of Kelly posing for a pictorial with her proud, 47-year-old mother, Jane. A mommy can't get more supportive than that.

"Without a doubt, Kelly is the most sensationally busty model I have laid eyes on," wrote G.S. of Yorkshire, England. "Beautiful eyes, angelic face and boobs that I lose myself in." Eyes? Quick! What color are they?

TITS IN TIGHT TOPS!

No one fills out a top like a *SCORE* Girl. From left to right, Luma has the best chest in Brazil unless someone else comes forward; Marketa keeps her sucklers uplifted; and Brandy Talore.

HOOTER SHOOTERS

The wildest device we've ever seen for dispensing shots is the Hooter Shooter. It's a breastplate that's designed to look exactly like a pair of bare tits, and it's worn by a cocktail server. With these falsies strapped to her chest, the server looks like she's topless, and in the dim lighting of a club, the fake boobs have an amazingly realistic appearance.

The nipples are connected by tubes to containers that eject a measured ounce shot of liquor into the mouth of the thirsty patron when the waitress pushes a small hand pump. This novelty is like a show in itself. Whoever came up with this idea is a booze-boobing genius.

The creators of Hooter Shooters suggest these sales lines to say to alcohol-friendly boob-hounds: "Would you like to try one of my tasty tit-ties?" "My Hooters are flavored. Would you like to try the right or the left?" and "Would you like to suck on my Hooter for ___ dollars?"

The manufacturers suggest that waitresses try to avoid rowdy customers who attempt to squeeze, bite or grope the Hooter Shooter unit so it doesn't get damaged. You know it's happened already, somewhere.

The same company also makes a booze dispenser called The Johnson Juicer for female customers to get a squirt in the mouth, but we won't go into the details about *that*. Club managers, especially strip-bar personnel, might find Hooter Shooters a tit hit with their customers.

For all the details, log onto HooterShooters.com, where you can download a demonstration video and see male and female booze cruisers sucking it down straight from the jug, so to speak.

Who was the year's best new big-tit star? You decide!

Rukhsana
(October 2006)

Lily Valentine
(October 2006)

For many *SCORE* readers, it's all about the newcomers. As long-time *SCORE* Man C.J. of Philadelphia, Pennsylvania said, "Although I enjoy jacking off over the return layouts of my favorites, it's *SCORE*'s debutantes who ensure that the long-term future of big-boob modeling is very bright." Judging from *SCORE*'s bumper crop of newcomers in 2006, big-tit lovers can look to a bright boob future. But their task—selecting the Newcomer of the Year—won't be easy.

Candy Manson
(April 2006)

Daphne Rosen
(Holiday 2006)

In 2005, Marilyn Sakova was an easy winner of Newcomer of the Year, defeating a spectacular crop of newcomers that included Bea Flora, Amber Brooks and Summer Sinn. This year, the field of 10 finalists is again outstanding, and it was made tougher by the late arrival (Holiday '06) of a bigger-and-better Daphne Rosen. Technically speaking, Daphne isn't a newcomer (she fucked in the October '04 issue), but her overall look has changed so much, and her tits are so much bigger, that she is, in many ways, a new woman. Morgan Leigh (page 27) was also in *SCORE* years ago, but she, too, has undergone a radical change, putting on several inches of boob-meat.

(August 2006)

Three years in a row, *SCORE* Newcomer of the Year has gone to a naturally stacked model, with Marilyn winning in 2005, Kelly Kay taking home the honors in 2004 and Nicole Peters running away from the field in 2003. Will teen beauty Anna Song (left) make it four in a row for naturals (and four in a row for newcomers born outside of the United States)? Sydney Simona, Gianna Rossi, Lily Valentine and Brianna Costello can also help keep the naturals' streak going. But the competition is imposing: Daphne, Morgan and Rukhsana are all formidable.

with our
families
instead of in a motel
room in North Carolina!"

Snow had begun falling again, making Richard Welton grit his teeth. Looking out the small airplane window, he feared the worst. Another announcement from the captain. Another delay before they took off.

He'd already had enough of the delays. Two 45-minute "shifts in schedule" had occurred when he had been sitting in the terminal. To make matters worse, after eight p.m., there was precious little open in the Charlotte airport, and the restaurant/bar had been so packed, it had taken him most of the first delay just to get a scotch and soda, guzzle it down and return to the gate, only to be informed of another delay due to the bad weather. Flight 1616 from Charlotte to New York's JFK International, was getting nearer and nearer to being cancelled, and Richard knew it.

"What's wrong now?" Richard huffed in annoyance, catching the attention of one of the flight attendants, a youngish girl with honey-blonde hair. Richard had been hassling this one stewardess since boarding and then during the interrupted taxi out onto the runway, where they'd been sitting now for the better part of an hour.

"Nothing we can do about the weather, sir. Just relax and we'll try to get going shortly," she replied, but her face was lined and tense, too. She knew something, he thought, but she wasn't about

to cough it up.

Richard ground his teeth harder. He'd been looking forward to this trip for months. His parents were hosting Christmas. His sister and brother-in-law would be there. His nieces, who he hadn't seen in months, would be there, too. And, his mother assured him, so would two of his sister's co-workers he'd met a few months earlier. He was very much interested in seeing them again. What was the brunette's name again? Darci? Nice ass and great big tits and the eyes that kept dropping down to his crotch. Richard found himself shifting in his seat, the beginnings of a boner forming.

"Ladies and gentlemen, from the flight deck, this is Captain Mike Parks. We have been informed of increasing snow and severe conditions moving in from the west. I'm sorry to tell you Flight 1616 to New York City is grounded for this evening. We're going to taxi back to the gate, and you'll be able to make arrangements for a rescheduled flight out in the morning."

That was it. The crackly speaker transmission ended. Throughout the plane, disgruntled passengers made their disappointment known. Robert caught the eye of the harried stewardess and said, probably a little too loudly, "Well, if you people would have gotten us in the air without the two 45-minute delays, maybe we'd be spending Christmas

The girl cringed and turned her face away, red with embarrassment. Other passengers seconded the sentiment, but some frowned and looked at Richard. After all, it was Christmas Eve, and certainly a blizzard wasn't the pretty, young stewardess' fault.

The shuttle bus trip to the local hotel (booked solid with unexpectedly waylaid holiday travelers), check-in and getting his bags up to his room took nearly two more hours. By the time Richard walked through the door, it was after 10, and he was seething mad. He'd been stuck with a single room on the eighth floor, serviced by an elevator that moved about as fast as a dying elephant. The soda machine at the end of the hall was empty. The room forbade smoking. The one saving grace was that it had a refrigerator with a cash bar, and the hotel manager told him that room service would be staying open until two a.m. to accommodate the last-minute arrivals. Richard went to the refrigerator to take out a tiny, overpriced scotch bottle and fill a tumbler with ice, but the tray was empty. No, not empty, filled only with water. Richard tried twisting the temperature-control knob to increase the cooling power. Nothing. Every-

thing inside the fridge was warm. He slammed the door and stormed down to the lobby.

Richard waited, noticeably impatient, as an elderly couple had the hotel manager reserve a cab for them the following morning, and then as a woman took inordinately long to ask for change for the soda machine on her floor. Finally, Richard explained to the manager that he wanted to switch rooms, and why. "No go," he was told. Every room was booked. Richard was raising his voice, telling the hotel manager he had better do something to fix the problem, when the manager lowered his voice.

"Listen, pal. I don't have to do anything. You don't want the room? I can give it to somebody else. The only reason you have a room is because one of the flight crew gave it up, probably to drink all night in the lounge and forget about assholes like you. That's my offer. Take it or leave it."

Richard was caught off guard. The desk manager looked as tired and irritated as Richard was about missing Christmas at home. With his family. With Darci, the brunette with the nice jugs. He shook his head, said everything was okay and decided to go get a scotch and soda in the lounge. Hell,

Amanda clamped her lips around Richard's tool, slurping and working her way towards his pubes. She fondled his balls, humming as she sucked his cock.

he thought, it was Christmas, and he was being a total asshole. Maybe he could find the guy who'd coughed up the last room and offer to split his digs for the night. Maybe the hotel had a cot, at least.

The lounge was nearly empty. It didn't take him long to spot the only person present who was wearing the airline's gray-and-blue uniform. *Oh boy*, Richard thought as he approached. Of all the people in all the bars in all the blizzards...

"Please tell me you're not done," Richard said, pulling up a stool and pointing at the nearly-empty glass. The stewardess with the honey-blond hair that hung around her shoulders turned to look at him. Her expression soured as she looked him up and down, as if he were a piece of trash.

"Hey, I'm here to apologize," Richard continued. "I've been waiting for this trip to see my family for weeks. I was a jackass on the plane. I just wanted to say I'm sorry."

She gave him a thin smile. "I was headed home, too," she said. "So much for Christmas on Long Island."

Richard signaled for the bartender. He ordered a Dewars and water. The stewardess had an amaretto and Coke. After some small talk, they each had another. And another.

By last call, Richard had nearly forgotten why he'd come into the lounge. Amanda—she had told him her name between rounds—was sizing up a sofa in the abandoned hotel lobby, and Richard was sizing her up.

"Hey, why don't I get a cot sent up, you can crash in my room," Richard said. "I found out the only reason I'm not on that couch is you, anyway."

"Your room?" she said. "Okay, I guess. You don't look too dangerous, and it beats sleeping on a couch in the lobby. Lead the way."

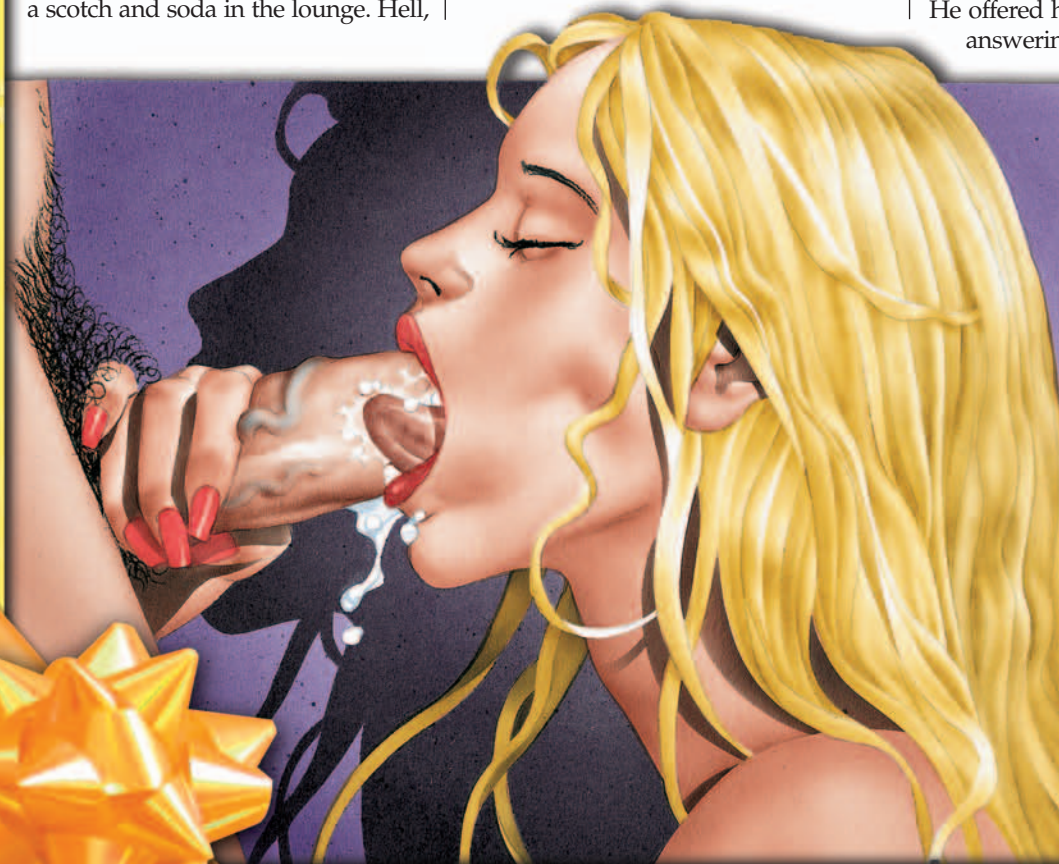

Amanda grabbed her flight bag, and they went up to the eighth floor. He offered her a nightcap, but before answering, Amanda stretched and

took off her jacket. Richard couldn't help himself.

"Wow!" he exclaimed. He had just gotten a look at her bustline, and his eyes nearly popped out of their sockets. Amanda giggled. Thankfully, he thought. Now it was his turn to be red-faced. "Uh, I mean..." he tried.

"No big deal. I'm used to it," she said. She took the glass and sipped. "I started developing back when I was in sixth grade. First girl in school to start getting her boobies. I didn't stop getting them until I was 20."

Peggy Sue's Got Hooters

...AND A GREAT BODY, AND A PRETTY FACE, AND THE DESIRE TO SHOW HER STUFF TO ALL OF US.

Now that you've seen the top 10 big-titted newcomers of 2006, it's time for you to set your eyes on a new rack. Our first newcomer of 2007 is...well, we'll let the late, great Buddy Holly sing it for us. "Peggy Sue, Peggy Sue. Pretty, pretty, pretty, pretty Peggy Sue. Oh, Peggy, my Peggy Sue. Well, I love you girl. Yes, I need you, Peggy Sue." Love? Yes, we love her pretty face and big, natural E-cup tits. Need? Yes, we need to find a private place right now so we can lose our first load of man-sauce over this German beauty who told us, "I am so proud to show my body in *SCORE*."

Peggy Sue discovered *SCORE* when she saw a copy of our German edition, *Hard SCORE*, and realized she had the body (and the gumption) to show her stuff in an international men's magazine. "My job is very exciting sometimes," said Peggy Sue, who works as a financial advisor, "but the people around me are very stiff." Well, of course they're stiff. If you had a chick like Peggy Sue in your workplace, your cock would be stiff all the time, too. "No, not like that," said Peggy, laughing (which looks good on her because it makes her tits jiggle). "There are many people where I work who only think about money. They don't know how to have fun. I thought it would be fun to pose for *SCORE*, and I was right. It was!" And what was the most fun? "Flirting with the camera!" she said.

Okay, about the title of this pictorial: "Peggy Sue's Got Hooters." A lame take-off on the name of the 1986 movie *Peggy Sue Got Married*, in which a reasonably voluptuous Kathleen Turner time-travels to the past and gets to make up for her past mistakes. "It is my favorite American movie," Peggy Sue said. "In the movie, she goes back to the past, but she realizes she likes how her life turned out. That's going to be me. I don't plan on having regrets. Like posing for *SCORE*. I'm having the most fun I've ever had!"

Wang Dang Sweet Jade Feng!

JADE FENG SATISFIED HER PERSONAL BREAST FETISH BY SUPER-SIZING HER DD-CUPS TO K-CUPS.

When Jade Feng debuted in the February '03 issue, she was the first Chinese-born natural to appear in *SCORE*. Now Jade has supersized, and she looks like she's ready to stretch that sweater to the ripping point. Why the change? In 2003, Jade spent some time at the *SCORE* Videos booth during the Adult Entertainment Expo and met Vixen LaMoore, Minka, Maxi Mounds and Kayla Kleeavage. They made a huge impression on her.

"I am about 44-27-36 and I should wear a 36K bra, but no companies I know of make that size," said Jade, who has become a bra and boob authority over the years. "I have to buy bras like a 44DDD, which is about the same as an F-cup, then I have to cut the main back-band to make it shorter. Finally, I have to sew the hooks back on to complete it. I can also wear a 38F, but it is too tight!"

"I like to really tease a guy before he gets anything," Jade said with a coy smile. "I like to give him an erotic dance and slowly strip. I'll masturbate and play with my huge boobs. When he's looking like he's really getting hot, then I let him suck my clit and make me cum. After that, I need to be fucked hard. Then I like the guy to fuck my boobs. I can smell my sweet pussy juice on his cock. I'll continue to masturbate while he cums all over my tits." Four years ago, Jade didn't make any hardcore videos at *SCORE*, but this time she did. With *two* studs. Look for more info in an upcoming issue. Meanwhile, enjoy the new Jade.

Watching Penny Porsche

SHE ACTS LIKE SHE DOESN'T KNOW YOU'RE WATCHING. HEY, MAYBE SHE DOESN'T KNOW.

It's another glorious day in paradise. You're sitting by the pool, soaking in the rays and eyeing the huge-titted MILF who's sunbathing a hundred-feet away...the huge-titted MILF who's wearing a skimpy bikini that her tits are practically destroying. She turns over onto her chest and undoes her bra top, giving you a stunning view of bountiful side cleavage. Yes, it *is* another glorious day in paradise.

You put on your darkest sunglasses and open a book, pretending you're not watching Penny as she turns back over, takes out some sun-tan lotion and starts oiling up her chest. Your cock is tenting your swimsuit as you peer over the top of your novel, wondering if she's putting on a show for you, or if she even realizes that she's putting on a show. The oil glistens on her skin, creating a glare that strikes your eyes even from as far away as you're sitting, and what she does next shocks you. She takes off her top. Your wood is about to burst.

She must know you're watching. She *has* to know. But she never looks your way as she kneads her giant jugs, nipples hard, then pulls her panties aside and starts diddling her clit that, even from a distance, you can tell is large and erect. She sits up, takes off the rest of her bikini, lies back down again and rubs her pussy furiously. She's moaning. You can hear her. And since there's nobody else around, you decide, *What the heck?* You pull your cock out of your pants and start jacking. That's what she wants, isn't it? It *must* be.

THE DIARY OF A FEATURE DANCER

BY CRYSTAL GUNNS

*This is Dave, the SCORE editor.
Need to rest your head, Dave?*

*That's me with Tushna, who's in
charge of the SCORE Studio.*

*Elliot James, who writes "Boob
Beat," is really into boobs.*

I always have fun when I'm shooting for SCORE magazine. SCORE is the only magazine I have shot for in the last four years. When I first came onto the scene in 2001, I shot for a lot of magazines, but SCORE is the only one I liked and the only one I keep coming back to. So if you ever see my pictures in another magazine, you know they're old. The only place to see my new pictures is in SCORE!

So, I was looking forward to my first shoot at the SCORE studio in a while. I arrived in Miami on Sunday morning and had the whole day to fool around, so I met up with my friend and roadie, Anthony. I checked in at my hotel not far from The SCORE Group, then me and Anthony drove up to Fort Lauderdale to

meet his

brother and fiancé. I had a great day, and Fort Lauderdale is beautiful.

We all met up on A1A, which runs right by the beach, but I went shopping, of course. There's a whole bunch of stores along the road across from the beach, and I went into a lot of them. Did I buy anything? Well, the people in one store must've known I was visiting and wasn't from around Fort Lauderdale because they tried to rip me off. They wanted \$220 for a shirt and a skirt with rhinestones, which was way too much. Of course, me being from New York, I wasn't having it. I offered her \$190 in cash and told her I wasn't paying tax because I was giving her cash. I won that battle...after a while.

After shopping, the four of us went and ate at a bar on the beach. I only had one drink, believe it or not. I ordered a frozen blue curacao margarita with no salt, and when me and Anthony saw the menu, we couldn't believe that they were charging \$14.95 for a drink. Well, it was the best \$14.95 I ever spent. When I ordered it, I asked for extra tequila, and the bartender said, "Trust me, you're not going to need it." I said, "Trust me, lady," and she said, "Okay."

Well, that bartender knew what she was talking about because she brought

back these things, and I was like, "Holy shit!" They serve their drinks in fish bowls, and it was like 10 margaritas, not one! I was using two straws just to try to drink it. It was enough for four people, at least, and all four of them would've gotten drunk. My roadie finished his, but it was too big for me, and we started ordering food just so one of us would be able to drive back. We ate like \$150 worth of appetizers. Shrimp cocktail, calamari, everything, just to sober up. We hung out until around seven o'clock at night, and I called it a night because I knew the next two days of shooting would be long and hard. But my day off in Fort Lauderdale was a lot of fun.

The next day, I got up around 7:30 because I knew I had to be at the studio by 8:30 a.m. for hair and makeup. I always love seeing the whole SCORE Group crew, especially Peter Wall, who I think is the best photographer out there. He always makes me look good. Of course, Virginia, the studio hair and makeup artist, is also great.

It was a very long day. I shot two still sets for the magazine and one video, and I didn't get out of the studio until 6:30 that night. I am usually a faster poser and Peter is a faster shooter, but SCORE is shooting things differently now. I can't tell you the secret or what is different, but trust me, you guys will love the difference. You will have to check out my next layout to see what I am talking about. The bottom line, though, is that each shoot takes a lot more time because of setting up the lighting and checking the exposures, and even the way hair and makeup is being done is a lot more elaborate.

Even though I was tired, that night, I went to South Beach to shop. I am not in Miami often, and SCORE is about only 10 miles from South Beach,

Vicki Nicole was at SCORE the same time as me. She's stacked!

and I wanted to take advantage. I went to Guess and bought two tank tops, then I went to Banana Republic and didn't buy anything, then I went to Sunglass Hut. I'm big into huge shades, but they didn't have anything I liked. Bummer. Then my roadie and I were driving around, trying to find Ocean Drive, which is the famous street on South Beach that goes by the beach, and we got lost and ended up going on the highway back to SCORE. Well, we were stuck in construction traffic for two hours, just bumper-to-bumper, and we had no idea how to go any other way, so we ended up eating

at Hooters at 10 o'clock at night. So much for our night on South Beach, although being at Hooters and being the girl with the biggest boobs is always kind of interesting. These girls are walking around with their short shorts and their little T-shirts, and then I walk in with my big boobs. It's gotta be a little interesting for them, too.

The next morning, I got back to work, shooting more pictures and filming more videos for SCORE. I don't want to give away the different shoots, but I will tell you about my favorite shoot.

My favorite one is me on roller skates with a tight, pink one-piece, showing off my ass and tits. They made my hair look like feathers. To be honest, I looked like Farrah Fawcett! The funniest part was that

I fell on my ass around 20 times because I thought I was cool and I thought I knew how to skate. Too funny! The crew in the studio put on my *Flashdancer* CD, and I just got into it. I had the best time. I felt like I was 10 years old again.

All the rest is a surprise. Hopefully, it will keep you thinking about what's to come, but just to give you a little hint, you will be surprised when you see my new photo shoots. I have to tell you that in five-and-a-half years of shooting, I think these are going to be my best photo shoots ever. Oh, and one big surprise: I did a shoot with a lot of bras, and one of you is going to get the chance to win my signed bra.

Me and my roadie at Hooters. I had the biggest hooters there!

I think I'd look better than these girls on the Hooters menu.

I also shot two new videos. I really don't want to give them away, either, but I will tell you that I really got into them. As years go by, I am starting to get more comfortable in front of the video camera. I remember the first video I ever shot for *SCORE*, *Busty Dildo Lovers #2*. I was so scared, I didn't even want to use a dildo. I mean, I was really nervous. But now I'm having a great time in front of the camera, and I think it shows.

Well, the day ended for work, but the night was still young. I was supposed to fly out of Miami that night, but the shoot ran late, and I changed my flight for the next morning. John Fox, the owner of *SCORE*, had asked me on Monday if I wanted to go out for dinner with the *SCORE* crew, but I had to decline because I was flying home Tuesday night. But since I had changed flights, I was able to go to dinner.

John couldn't make it, so I went out with a bunch of other people from *SCORE*, including Tushna, who runs the studio, her husband; Elliot James, who writes the "Boob Beat" column; and Dave Rosenbaum, who's the editor. Oh, Anthony, my roadie, was there, too. I thought it was very nice of John to buy me dinner. Not many owners of magazines would treat their models like that.

We all ended up at the Macaroni Grill, and we ate and drank and hung out for about two hours. I had such a good time with everyone. It was fun to talk to everyone and catch up on what's going on, not only at *SCORE* but in the entire world of big boobs. I only get to see them once or twice a year, especially Dave and Elliot. We took some pictures, and ate and drank some more, and had a great time. Elliot, especially, really knows about everything, so we just sat and talked about boobs for a few hours. I betcha we were the only ones in the restaurant having that conversation!

So that's how my two days at *SCORE* went. I had a blast, and you're gonna have a blast, too, when you see my pictures and videos.

See you next month. And don't forget to check my monthly dancing schedule at CrystalGunns.com.

Big Boob Hall of Fame

CONTEST

Who will be the next entrant into the big-tit pantheon?

Devon Daniels, Traci Topps and Busty Dusty were the first three members of the **SCORE** Big-Boob Hall of Fame. In 2004, Tawny Peaks, Pandora Peaks and Tiffany Towers were voted in. In 2005, L.A. Bust, Wendy Whoppers and Alexis Love were invited into the club. Angelique and Nikki Knockers got the call last year. The **SCORE** Big-Boob Hall of Fame now has 11 members. Who's next?

Getting into the Hall of Fame has never been more difficult. First, the entrance requirements have become more stringent. In previous years, we've guaranteed entrance for the top vote-getters. This year, we'll induct only the models who receive at least 30% of the vote from you, the readers. And you can only vote for one of these 10 girls (see the ballot on page nine). Second, the recent retirement of all-time greats Sharmay (above left) and SaRenna Lee (right)—and “On the Road” columnist Alyssa Alps’ first nomination to the Hall—has made the competition tougher for the seven return nominees who failed to attain entrance in the past. But, then again, getting into the *SCORE* Big-Boob Hall of Fame was never supposed to be easy. This is an exclusive pantheon reserved for those models who have made a lasting impact on big-boob modeling...the girls who will be remembered long after they have hung up their bras. Do Sharmay, Alyssa SaRenna and any of the other girls on these pages fit that criteria?

SARENNA LEE

CANDY CANTALOUPE

ALYSSA ALPS

TOPPSY CURVEY

EUROPE DICHAN

Sharday was Newcomer of the Year in 2001 and our first Model of the Year in 2002. SaRenna is perhaps the model most associated with *SCORE* and was honored with the cover of our 10th anniversary issue in June 2002. Although Lisa Phillips' modeling career preceded *SCORE*, the Amazonian beauty remains one of the most-beloved naturals never. Candy Cantaloupes and Dixie Bubbles narrowly missed out on getting voted into the Hall of Fame last year. Alyssa Alps was not only our long-time columnist, she was also one of the most popular big-titted feature dancers ever (and a stunning woman who combines brains with beauty). Toppsy Curvey is one of the bustiest *SCORE* Girls ever. Europe Dichan sailed on several Boob Cruises and has always been closely associated with *SCORE*'s signature event. Wendy Whoppers is the epitome of slim-and-stacked. And few stacked beauties are as exotic as Lili Xene.

This year's 10 nominees for the Big-Boob Hall of Fame were selected by our board of directors, consisting of *SCORE* Chief John Fox, editor Dave Rosenbaum, columnist Elliot James and UK photographic legend John Graham. But the final vote is yours. Do Sharday, SaRenna and Alyssa deserve to be first-ballot inductees. Will they take so many votes from each other than none of them will received the required 30% of the votes to get into the Hall? Think long and hard about your decision, readers. Then vote for your favorite on page nine of this issue.

JIZZ THE SEASON

Continued from page 36

Richard believed it. Amanda's knockers stretched, even with the top two buttons undone, what he was certain was a men's size-40 shirt. The seams of her underwire bra were visible through the material, and he could see a floral pattern on the reinforced-strength bra. Richard was a tit man. A really *big* tit man. He'd been into big boobs since he was a teenager. But even staring right at Amanda's gazongas, he couldn't begin to estimate her measurements up top. 36DDD? No way, she had to be bigger than a triple-D. Maybe an H-cup? He had never seen H-cup tits in his life.

Amanda stood up. She was trim in the waist, but just right in the hips. How had he not noticed those tits and that ass passing him in the plane, walking up and down that skinny little aisle? He took a gulp of scotch, not caring that some splashed over the rim of the glass.

"You try the shower yet?" Amanda asked, moving towards the bathroom. "I'm gonna take a shower. It's been a long day. Thanks for the drink."

She closed the door, and he heard the water running. Richard's mind whirled. What kind of night things did a girl with hammers like that squeeze into? He finished his drink and got up. Uncomfortably. *Holy shit!* Had that been there all along? He had pitched a tent in his pants that was so obvious, she couldn't possibly have missed it. Now he felt more like a 15-year-old teenager than when he'd blurted "Wow!"

He noticed something. Amanda's flight bag sat beside the bed, unopened. She had gone to take a shower and hadn't remembered to bring in any clothes. Would a hotel towel, or even two, be big enough to cover those tits when she stepped out? He was pondering that question when he heard the bathroom door crack open and Amanda's voice behind him.

"Hey, you gonna stand around in there all night, or you wanna come in and conserve some hot water?"

Richard spun around. Amanda was leaning out, her skin pink from the hot water. Steam was coming through the door, and she leaned out just enough so he could see the tops of her unfettered knockers. Then she pulled back inside, leaving the door open and her invitation hanging in the air.

Richard jumped out of his clothes like they were on fire. His cock, thick and fat, veins popping with the force of his erection, slapped against his abdomen as he ran to the bathroom. He could feel hot, humid air pouring out as he entered. Amanda peeked around the shower curtain, and her eyes trailed down his chest and held on his cock.

"Get that thing in here!" she demanded. "Looks like you've got a lot of soap-ing up to do!"

Richard stepped into the hot spray, and Amanda handed him the soap. As Richard worked up a lather, Amanda's already sudsy hands found his pulsing member. He took in a breath when her hands wrapped around his engorged pole, and he stared in amazement at Amanda's mammoth mams. They were so big that they pressed against one another naturally, giving her the deepest cleavage he had ever laid eyes on. Her breasts were firm and her nipples jutted out from large, dark areolae. This, Richard thought, had to be heaven. Flight 1616 must have gone down, and now he was in the afterlife. He had always loved big, dark nipples, and Amanda's were the size of coasters. And, clearly, Amanda was not merely an H-cup. Not by a long shot.

"Suck them," Amanda cooed in his ear as she stroked his soapy prick. Amanda hunched her shoulders, and her tits rose towards his face...as if she needed anything to enhance their size!

Richard pressed his lips to her plum-colored nipples. Her nips felt as hard with excitement as his dick did. Amanda, it turned out, had hyper-sensitive nipples, and Richard thought that must've been because her farthest outreach of skin was constantly stretched to the breaking point.

He turned her around, reluctant to let those gargantuan globes out of his sight, but with her back to him, he could press his raging erection into the soft cleft between her ass cheeks and reach around with the soap and lather up her boobs from top to bottom. His arms barely made it all the way around, and when he slipped his hands beneath her tits and hefted them, he swore they weighed as much as bowling balls.

"You noticed I got a butt, too," Amanda said, looking over her shoulder and leaning her head against him as she enjoyed the tit massage. "Spread my cheeks a little bit. Yeah, that's it."

Richard took his hands off of her hoot-

ers and cupped her bottom. He did as she instructed, separating her firm buns, and found his prick finding the way to its destination without any effort. Amanda was just tall enough for his cock to go a-knockin' at her back door, and Amanda seemed to want it just that way.

"Oh, god, you're big," she whispered, pulling his hands around her to resume the erotic titty fondling.

Amanda soaped up her hands, reached behind her and slicked up his cock. Then she pulled her own ass cheeks farther apart, farther, far enough for the tip of his cock to be pushing right up against her asshole, slick and coated in foamy suds.

Amanda gasped when Richard's cock infiltrated her butthole, slowly taking more of his dick inside her dark tunnel. When she had taken as much as she could in this position, she took hold of the towel rack at the back of the shower and held on tight, bouncing on the balls of her feet. Richard, whose thumbs and forefingers had been working Amanda's nipples, grabbed her huge, soaped-up tits firmly in each hand, holding on to as much of her boobflesh as his big palms could cover, and thrust up into her, sinking his cock into her asshole until his thighs slapped hers.

"Yeah, give it to me!" Amanda whined as Richard's cock pounded into her ass. "Give it to me hard and deep!"

Richard had no problem with either command. He rammed his hard-on up Amanda's tight ass and groped her mountains for support. His balls slapped wet and noisy against her cunt lips. When she could manage it, Amanda would take one hand off the towel bar and reach down between her legs, alternately frigging her cunt with two fingers and then grabbing his balls and pressing them against her pussy hole. Each time she squeezed his nut sac, Richard felt waves of pleasure flow up his shaft, and as the water temperature started to drop, Richard could hold out no longer.

"Feel that?" he asked Amanda as she cried out with an orgasm. "That's me cumming. Oh, yeah, I'm gonna fill your ass with cum."

Richard grunted as he thrust deeper into Amanda's asshole. Amanda shook with an orgasm so intense, she nearly yanked the towel rack out of the tile wall. When he had spent his wad, Richard pulled out of Amanda's ass and let the lukewarm water wash over his

April

**A BEAUTIFUL
BLONDE WITH
A GREAT BODY
& A NICE RACK
FINALLY MAKES
HER FIRST SOLO
APPEARANCE.**

The last time we saw April Arikssen in the April '99 issue, she and bosom buddy Adara Michaels were doing their thing on stage at Club Vogue in Columbia, Missouri. Since then, April has won more hot body and calendar contests than we can list here and has made numerous TV appearances, but she hasn't been in *SCORE*. So, we dug through our expansive archives and unearthed this buried treasure: previously unpublished photos of April.

April and Adara Michaels called themselves "Scandalous." The fact that we've let so much time pass without publishing these pictures is scandalous, too. Nonetheless, April has been very busy. Her expansive list of credits is amazing. Former member of the Swedish Bikini Team. Co-host of the cable TV show *After Hours*. Hot Body International Model of the Year. *Easyriders* magazine cover and calendar girl. And now, with her first solo appearance in these pages, *SCORE* Girl. Proving what we've always known: beautiful, busty blondes with great bodies never go out of style.

JIZZ THE SEASON

cock, cooling him down. Amanda held herself steady, bent at the waist, as Richard's cum dribbled out of her ass and down her thighs. Richard stepped back, angled the showerhead and sent a cascade of cool water running over her backside and between her cheeks. Amanda rinsed off Richard's jizz and stepped out onto the bath mat, trying to catch her breath.

"It's a good thing I spend most of my days working on my feet," she said, grabbing a fluffy towel and staggering out of the bathroom. "After that ass fucking, I won't be able to sit for a week! That was fucking awesome."

Richard wrapped a towel around his waist and followed her out to the bed, where Amanda lie sprawled at an angle, her wet hair staining the bedspread dark. Richard walked over to the edge of the bed, stood between her legs and stared down at her body. Amanda's pussy was framed by a neatly trimmed thatch of blonde pussy hair, damp and matted from the shower. Her pussy lips were thick and puffy. He stared down longingly at her glistening, moist muff, and bet that he would be able to see her slit clear across the room the way her mound stood out.

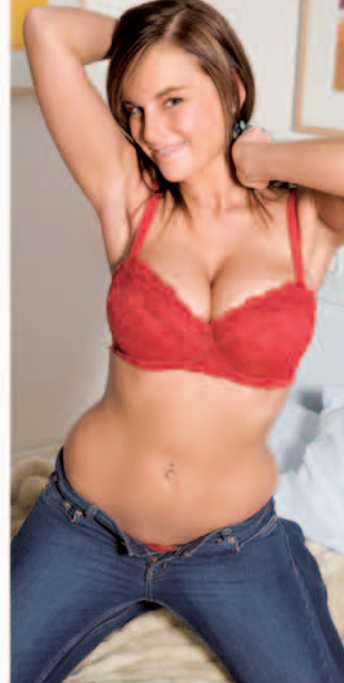

"You want anything?" he asked, making his way towards the fridge. Amanda's legs scissored around him, holding him in place.

"Yeah, how about some more of this," she teased, pulling off his towel.

Amanda had apparently noticed Richard paying attention to her pussy and noticed the tell-tale signs that something beneath his terry-cloth towel was eager for another round. As Richard's cock began to grow hard a second time, Amanda bathed the tip of his Johnson with her saliva, rolling her tongue around the head of his penis and willing it back to attention.

Richard turned to face her, rested his big hands on the back of her head and guided Amanda's mouth down his shaft. Amanda clamped her lips around Richard's tool, slurping and working her way toward his pubes. She fondled his balls with both hands, humming while she sucked his cock. The humming sent vibrations right down through Richard's nuts, and Amanda soon had his pole as

KANDY COLE LOOKS SO SWEET & INNOCENT. SHE'S A TEACHER! BUT LOOKS ARE DECEIVING.

When the rack-next-door belongs to a cute chick with DD-cups, that's nice. When it belongs to a chick who recently started her career as a teacher in an elementary school, that's extra special. "I used to be really wild," said saucy Brit Kandy Cole, perhaps forgetting that posing for a nudie mag counts as *still* wild. "Then, when I decided I wanted to be a teacher, I settled down. Well, kind of."

**KANDY
IS RANDY**

Kandy said that when she started going to college, "I fucked everyone, and I mean everyone. Guys, girls, threesomes, I didn't care. I lost my virginity when I was 18, my tits were still growing and all I wanted to do was fuck. My parents made the mistake of sending me away to a uni in London, and the first thing I did when I got there was pierce my belly button. Then I got really daring and pierced my left nipple. Then my right one. When I got all A's in my first year of courses, I treated myself by shaving my pussy the rest of the way and piercing my clit. And that's when I got really wild. I'd be sitting in class, and my pussy would be tingling, and my nipples would be on fire from the piercings. All I wanted to do was fuck." But then what happened? "This lasted for about two years, and then I had to declare what I wanted to do with my life, and I decided I wanted to become a school teacher. And school teachers can't behave the way I was behaving, so I had to slow down. I figured, 'Well, if I slow down little by little, by the time I'm ready to teach, I'll be a good, proper lady.'" Well, good luck!

Even though she was fucking less than she had been during her first two years at the university, Kandy was still horny all the time. "That's when I discovered masturbation and fantasy," she said. "I started diddling myself instead of other guys, and when I was up teaching a class, I'd look all proper, but in my mind, I'd be thinking, 'My nipples are pierced, and my pussy is wet and shaved.' And, believe it or not, the mental orgasm was enough. So now that's how I get through my days as a teacher. I might look proper, but I'm a raging naughty girl inside. Isn't that what all men want?"

hard as it had been while he'd been ass-fucking her in the shower.

Richard pulled Amanda's legs up around his hips, angling her twat just right for penetration. He gripped his meat with his right hand and used the middle finger of his left hand to work Amanda's clit while his cockhead split her lips. Amanda squealed when Richard probed her tight, slippery spot, first teasing it with the tip of his dick and then giving her an inch, withdrawing, giving her an inch and holding it steady before pulling out again.

"Put it in me!" Amanda begged, squirming on the bed. "I want your cock inside me, all the way! Please!"

But Richard was in no rush. He put his cock inside her, wiggled it around side to side as much as he could in her tight folds, then took it out. He slid it only in her crack, from the top of her slit to the bottom of her ass and back up, nudging her swollen clit with it. Finally, when Amanda was clutching the bedspread so tight he thought she might shred it, he plunged his whole length into her pussy, and she came instantly.

Amanda was moaning and groaning, the intensity of the foreplay having put her right on the edge. But as she slowly came down from her cum, Richard was just beginning to work up toward his. He entered her slowly, fucking her with long, slow, deliberate strokes. Amanda's fingernails dug into his back as he fucked her through her orgasm, and her forehead dug into his shoulder. She was panting, and her hips were rocking to meet his thrusts. Richard gradually intensified his rhythm, drawing a little wheeze of hot breath on his cheek as he pounded away at her snatch.

Amanda moaned, her legs tightening around him the faster he went. Richard increased his pace. His balls were feeling the pressure, swinging against her ass, damp with her pussy nectar, now leaking down her ass and onto the blankets.

"Where do you want me to fuckin' cum?" Richard whispered into Amanda's ear, pressing his full weight into her now, mashing her enormous jugs between the both of them. "Do you want me to pull out and jizz all over your tits?"

"Oh yeah, I wanna see it!" Amanda cried. "Cum all over my big tits!"

Win **SCORE** Model of the Year and you can proclaim, "I am the greatest big-titted model in the world." The award is considered so prestigious that last year, Minka rallied her fans to vote for her. They did, and Minka won 2005 Model of the Year. Who will be crowned 2006's best?

Minka

Linsey Dawn
McKenzie

Bea Flora

Penny Porsche

You'll be the one who decides who wins Model of the Year. Vote on page nine, but first review the models and their credentials. On the previous spread, we saw Nicole Peters, whose video was one of the best-sellers of 2006. Cynthia Romero is a superb natural whose posing is getting sexier. Minka celebrated winning Model of the Year by putting on a spectacular bra show. On this spread, Linsey was 2004's Model of the Year. Bea Flora is one of the most beautiful *SCORE* models ever. As for Penny Porsche, check out her pictorial on pages 52-61 for a full view of her credentials!

Kelly Kay

Amber Brooks

Here's an amazing trio of Model of the Year finalists. Kelly Kay was 2004's Newcomer of the Year, and she wowed us with her explicit posing in the DVD *Alone With Kelly Kay*. Then she got pregnant and proudly displayed her belly (and engorged tits) in *Chesty Preggos*. Amber Brooks, a runner-up for 2005's top newcomer, had us saluting the flag with her red-white-and-no-more-blue-balls pictorial in the Nov. '06 issue (and her video debut in *Private Stuffers*). And then there's the odds-on favorite, 2005 Newcomer of the Year Marilyn, whose two DVDs dominated the Top 10.

JIZZ THE SEASON

Continued from page 91

Richard pulled out, and Amanda grabbed his thighs, guiding him on top of her. Richard started stroking, but Amanda had something else in mind.

Yanking his hand off his crank, Amanda guided Richard's cock into the valley between her boobs and slapped her hands against them, pushing them together. Richard drove his slick shaft into the tight boob-tunnel and started tit-fucking her. Amanda's hands were so small against the sides of her cans as she pressed them together to form a virtual pussy, lubed with her own sweat and slit cream. Richard fondled Amanda's nipples, pinching and rolling them between his fingers. Amanda was so well-endowed that she could work one of her nips into her mouth while holding Richard's cock snugly between her boobs without losing any of their fleshy grip on his piston.

"I am gonna blow such a fucking load," Richard said, nearing another orgasm. "I am gonna glaze those big fucking tits of yours!"

"Do it!" urged Amanda. "Cum on me! I wanna see you do it! I wanna feel you do it! I want your cum all over my tits!"

Richard stood upright on his knees and stroked his dick. Cum streamed out of his knob, landing thick and pearly white against Amanda's skin. Milky jism oozed into the crevasse between Amanda's melons. Richard jacked sperm onto her nipples, into the soft crease beneath her left tit where her underwire left a nearly permanent indentation. He coated Amanda's chin, and his last few drops of discharge dribbled onto her tummy.

"Oh my god!" Amanda said. "You came so much! Has any girl ever been able to swallow all that?"

Richard grinned her, exhausted. "If we get up early enough, maybe you can try for yourself."

Amanda bit her lip. Then she stuck out her tongue, licking up some of the cum that had landed on her chin. "If I give you a blow job for Christmas, what are you gonna give me?"

"Well," said Richard. "You've been such a naughty girl. I'm sure I can think of something."

"Not a bad Christmas after all, huh?" Amanda asked.

"If we're lucky," Richard said. "Maybe it'll keep snowing."

does suck that the Xtra section is cutting the centerfold in half because I also enjoy centerfold layouts.

Why don't you put the centerfold on the two pages before the center of the magazine? Then you can replace the centerfold pages with the shots on pages 56 and 57. The only drawback I can see to this is that it might upset the people who remove the Xtra section so they can take out the centerfold and hang it on a wall or something. But that's too damn bad because I'll bet more readers would agree with A.C. and me rather than those who don't like the Xtra section. The only way we'll ever find out is if you take a survey.—T.E., Liberty Missouri.

Dear T.E.: The placement of the Xtra section in the center of the International edition of SCORE has nothing to do with government laws or restrictions. It has to do with printer restrictions. The Xtra section is printed separately from the rest of the magazine, and it can only be inserted in the part of the main magazine that is bound by a staple: the middle two pages (in the case of SCORE, pages 58 and 59). Otherwise, it'll fall out when the magazine is turned over.

Of course, that means we have two choices for the main-mag centerfold: we can split it in half with the Xtra section (as we've been doing for over a year), forcing readers to remove the Xtra section if they want to see the entire centerfold, or we can do away with the centerfold and put something else, like editorial copy and a "Bra Shot of the Month" on pages 58 and 59 (as we used to do). Of course, we could place a centerfold-style photo on pages 56 and 57 (the two pages preceding the centerfold), but that wouldn't be a traditional centerfold: you wouldn't be able to pull it out. Then again, maybe a lot of you don't care about whether you can remove the centerfold. So, let's do what you suggested and take a survey. There are two choices:

1. Keep things as they are: centerfold on pages 58 and 59, Xtra section splitting the centerfold in half. If you want to see the centerfold, you need to remove the Xtra section.

2. Centerfold-style photo that you can't pull out on pages 56 and 57, editorial matter and a "Bra Shot of the Month" on pages 58 and 59, Xtra section in the middle.

Whaddya say, readers?

By the way, readers of our International edition are still getting an obstructed centerfold: the hardcore centerfold shot in the Xtra section. But do you want more?

THE SCORE DATING SERVICE: AN IDEA WHOSE TIME HASN'T CUM

Dear SCORE,

I was looking at your models and started wishing I could meet them or someone like them (as many readers do). And I was thinking you guys should come up with a dating service for guys (or gals) looking to date busty women.

It is hard for me to date because I am busy with school and other things, and it is hard for me to find the right person, not to mention hoping she is busty. I gave up my job and place to go back to school and pursue an M.D. degree and had to move back in with my parents and brother. This also makes it hard to date since almost all women are looking for guys who already have a good job and their own place.

It seems SCORE finds genuinely nice women who are not materialistic, in addition to being gorgeous and busty. -Name and email address withheld

Dear Reader: Yes, we do find nice, gorgeous, busty women who are not materialistic. And we can sure relate to your goals and needs. But running a dating service is just not what we do. But don't worry, man. As soon as you become a doctor, the busty babes will be all over you. Or you could become a plastic surgeon and create your own busty models. Make sure you send them our way after you're done creating, of course.

"ME, JACK MAN. YOU, MERILYN"

Dear SCORE,

Once again, you guys have outdone yourselves. I thought I had seen it all with Linsey Dawn McKenzie, but Marilyn Sakova looks even more slim and stacked. I am so glad you are giving her so much coverage. She is hotter than hell.

I have a great video idea for your web-

site BustyMarilyn.com. Remember the classic Scoreland.com video "Boobahontas" with Linsey? Well, I would love to see the same video featuring Marilyn. I would love to see the tight, bulging bikini, the huge, oiled breasts and the prolonged pussy playing.

Also, do you guys plan on doing hardcore with Marilyn in the future? I respect her decision if she doesn't want to do it, but we would all love to see her do the dirty. Just imagine: Marilyn's breasts covered in cum! Too good to be true!—Sean, via email

Dear Sean: Speaking for the entire staff at SCORE, we'd love to do hardcore with Marilyn in the near future, but so far, she has turned down our advances.

As for Marilyn doing hardcore on video (which is obviously what you're referring to), we keep asking (begging, actually), and Marilyn keeps saying no. This kind of surprises us because Marilyn's solo posing has been so explicit (she even fills her ass with fingers and toys in the new DVD Marilyn Sakova Second Cumming), so maybe, one day, Marilyn will say "yes" to hardcore. Remember how long we had to wait for Linsey's hardcore debut (six years)? Other models, like Sharday, Nicole Peters and Kelly Kay have never done hardcore. But we'll keep asking, and if Marilyn does hardcore, you'll be the first to know.

WHERE DOES MERILYN RANK?

Dear SCORE,

There are lots of all-natural stars from your fine magazine, and Marilyn is one of the all-time greats. But even though Marilyn is very hot, she's only No. 3 on my list of the all-time great naturals:

1. Chaka T.
2. Via Paxton
3. Marilyn

I love Chaka T.'s hair (on her head and between her legs). And I love Via's huge tits, wide ass and skin color.

There could also be a case made for Lenka. There are just so many sexy, all-natural women to jack off to.—C.W., Pinehurst, North Carolina

Dear C.W.: No. 3? Not bad, considering Marilyn has been with us for a little over a year. Readers, where do you rank her?

PAINTED BEAUTY

DIDN'T THINK IT WAS POSSIBLE FOR DANIELLE DEREK TO GET ANY HOTTER? THINK AGAIN!

She is a living doll. A perfectly gift-wrapped tribute to the possibilities of big-titted female beauty. Danielle Derek, "wearing" a painted-on corset, panties, stockings and garters lovingly crafted by artist Marcio Karam of MKarts.com and PaintedHotties.com, is everything any SCORE Man could want. And any SCORE Girl, too. "I love my boobs," Danielle said. "I love big tits. And I had such a blast having my body painted. I felt so sexy and like such a star." She is a fuck toy. Petite and stacked. Imagine looking under your holiday tree and seeing her.

Artist Marcio Karam spent nearly two hours painting Danielle. Tough job, hey? Can you imagine having to spend two hours staring at Danielle's tits, pussy and ass? "I take it pretty professionally," said Marcio, who frequently paints women at his studio in Pompano Beach, Florida. But few, if any, are as sexy as Danielle. "She was special," Marcio said. "She really enjoyed the process." To see the entire "Painting of Danielle," step-by-step, turn to "Boob Beat" on page 21.

A blonde woman with large breasts is the central figure. She is wearing a bikini top and bottoms that are designed to look like slices of watermelon, complete with green rinds and black seeds. She is holding a large, realistic-looking red dildo in her right hand, which is positioned near her groin. She has a surprised or excited expression on her face, with her mouth open and eyes wide. She is wearing large, green, circular hoop earrings. The background is dark and out of focus.

Some people are all talk. Not Danielle. When we met her in 2005, she said she wanted bigger boobs. *Check.* Danielle now has a super-sized rack. She told us she wanted to be a porn star. *Check.* Danielle made her XXX debut in the DVD *SCORE Sexplosion* and now takes cock in all of her horny holes (you'll be seeing her getting tit-and-ass-fucked in a soon-to-be-released *SCORE* DVD). What's next for Danielle? "Lots of surprises!" she said. It's going to be a great year.

CANDY MANSON BUSTY MECHANIC

NEED YOUR CAR FIXED? SHE'S YOUR GIRL. WANNA FUCK SOME TITS & PUSSY? SHE'S YOUR GIRL, TOO.

Whaddya expect when you're a busty rookie mechanic whose tits are bulging out of your top and whose panties peak out when you slide under the car you're fixing? Candy Manson expects a little respect, that's what, but her pushy, horny customer isn't giving her any. He doesn't care whether she can fix his car. He wants her to fix his cock. "Your tits are hanging out," he says. "What do you expect me to do?" Finally, Candy gives in. After all, she works in a full-service shop.

HER TITS ARE BIGGER THAN EVER, HER PUSSY AND ASSHOLE ARE AS TIGHT AS EVER. TRY 'EM!

"I was sort of born for sex," said Daphne Rosen, who's making a run for SCORE Newcomer of the Year with her new look and superb sexual skills "Fate dealt me a hand that I basically had no choice. My mouth is very talented. I can obviously give a great titty fuck. My pussy, I've heard, is absolutely amazing. My asshole is very accommodating. Both my holes are very tight at the beginning, and then inside, they apparently give the cock a real hug. Sometimes it's hard to last with me."

Daphne is a sexual amusement park. Fuck her mouth, fuck her tits, fuck her pussy, fuck her ass, and it doesn't matter if you're hung like a porn star or like a rodent. "My pussy likes to accommodate all sorts of cock, so whether the cock is big or small, it figures it out and suctions right around it." Amazing. Daphne's pussy is as smart as her mind.
