Sharday said farewell to *SCORE* Men in the December '06 issue. The next stop for this all-time great natural is the Big-Boob Hall of Fame.

WITH HEAVY HEARTS, *SCORE* MEN SAY FAREWELL TO SHARDAY

Dear *SCORE*,

Usually, seeing a new issue of *SCORE* at my local newsstand gets me excited in anticipation of a new bunch of girls to spend my time with, but upon seeing the cover of the Dec. '06 issue, my heart sank: "SHARDAY'S LAST PHOTOS". Say it isn't so!

Having said that, her final pictorial was fabulous, and I enjoyed the career retrospective. I hope Sharday knows how much pleasure she's given so many people, and if she doesn't know, I'm telling her now. Thanks, Sharday. You're one in a million.–E.P., Chicago, Illinois

Dear *SCORE*,

I'll never forget the first time I bought *SCORE*. It was the November 2001 issue, and I picked up a copy after seeing her on the cover.

I love Sharday, and although I'm sorry to see her go, the thing I love most about her is that she's the one who introduced me to *SCORE*. If I had never seen her on the cover of that November '01 issue, I might have never become a *SCORE* Man for life.–C.K., Fort Lee, New Jersey

SHARDAY'S RETIRING? OH, WELL.

Dear *SCORE*,

So, Sharday is retiring, right? I guess that means we'll never see her with a dildo in her cunt or a cock between her big, floppy tits. Too bad. She could've been one of the great ones.–J.D., Venice Beach, California

WHEN HE LOOKS UP, ALL HE SEES ARE PUSSY, TITS AND FACE

Dear *SCORE*,

As a first-time subscriber to your magazine, I was totally knocked out by the debut pictorial of Laura Lion in the Nov. '06 issue. I also enjoyed that "looking-up" camera angle shot of busty MILF J.J. Lane in her *SCORE* debut on page 74.

I'd like to see more "looking up" photos, only with the legs spread a little more. It's a total turn-on for me when all I see is a long-haired face looking down, tits and pantied pussy hanging over my face, ready to slather me.–J.B., New Castle, Delaware

A LAP DANCE FROM EXOTICA

Dear *SCORE*,

I saw the letter from V.L. of Brooklyn, New York in the Dec. '06 issue about his lap dance with Crystal Gunns ("A Lap Dance From Crystal"). There's only one problem: Where's the photographic proof? I mean, anyone could just say they were with her.

Anyway, I'm writing to tell you that the sweetest, sexiest and most willing to please big-titty babe is Exotica. I got to

From any angle, November '06 newcomer J.J. Lane is a mature babe we'd love to fuck.

share the experience of a lifetime with her. She took me to big-boob paradise.

I met Exotica at the Spearmint Rhino Gentlemen's Club in City of Industry, California on the night of May 7, 2005. Before we got started with my journey to paradise, I told her about how I would watch her on TV talk shows in her bikinis and get naked and masturbate while staring at her. This really turned her on, plus the fact that she could feel the big bulge in my crotch.

She began to rub my crotch and sighed, "Oooooh, baby, you're hard!" Then she bit her lip, smiled and noticed my wedding ring. I told her all about my domestic situation, and she looked at me and said, "You poor guy. She's neglecting you. And you're handsome and hunky looking." Then she said, "I'm gonna give you the experience of a lifetime. I'm gonna love you way better than she ever could."

She took off my shirt, loosened my belt and top button and went to work. She let me suck on her tits while she rubbed my body and my boner, and then she finished the job by jerking me off between her big boobs. I lost quite a load thanks to her wonderful-feeling boobs.

She was so nice about the experience, and she charged well below what I thought I would pay. That's what I mean. She's just so sweet and wonderful. I just love her.–Big D., Walnut, California

One reader says Exotica gave him the best lap dance ever. *SCORE* Men got a look at her sexy stage show in the January '01 issue.

The December '06 issue had something for every big-tit lover. In the Xtra section, Lisa Lipps got fucked by a hard cock. The newly raunchy Puma Swede spread her pussy and asshole. Newcomer Morgan O'Dell pulled off her panties and proved that Brit chicks will spread. And Nicole Tyler afforded us another look.

Dear Big D.: Thanks for sending along the visual proof or your lap dance with Exotica. Unfortunately, we can't print the pictures without a model release and I.D.s from both you and Exotica. Sorry, but those are the rules. But we definitely envy you! Sounds like you had a great night. As usual, we invite SCORE *Men to share their encounters with* SCORE *Girls.*

A BRIT WHO'S GLAD TO SPREAD

Dear *SCORE*,

When I saw Morgan O'Dell in the December '06 issue, I had to write and tell you that you have finally found someone in England, besides Linsey Dawn McKenzie, who is willing to debut in *SCORE* and show all. While a lot of the women from England are beautiful, this *SCORE* reader expects more than tits-only in a magazine of this caliber.

Puma Swede spreading did wonders for me. When she appeared as Johanna, she was great. Now with her pussy and insertion shots, she is fantastic. Bring her back, guys.

Seeing the final photos of Sharday was a sad day for me. Her appearances in *SCORE* have been some of the best. I definitely will miss seeing her and look forward to voting her into the Big-Boob Hall of Fame. The anticipation of seeing Sharday in an issue always made my wait for the next month's release even better. I am sure that I have dropped loads of cum over the years.

My heart stopped when I saw Lisa Lipps in Xtra. And "Editor's Choice" Nicole Tyler made the issue worth the cost.–M.V., San Bernadino, California

HAND JOBS, MILFS & HOOKERS

Dear *SCORE*,

I've subscribed to *SCORE* and *Voluptuous* magazines for a couple of years but have just subscribed to Scoreland.com. It is amazing, the best database for huge tits on the Internet. Well done for BootyLiciousMag.com, too. I have a major weakness for two things: huge tits and black asses.

A couple of ideas I had:

1. Change the Xtra section in *SCORE* to P.O.V. style so you feel like you're fucking the girl.

2. Hand jobs. More would be great. That set on Scoreland with Brittany O'Neil was fantastic.

3. Introduce a bit of taboo. More MILFs being fucked by young studs and a hooker series.–S.B., via email

SCORE MEN TALK, & WE LISTEN

Dear *SCORE*,

I have been a *SCORE* reader for a year and have had a couple of letters published in "Scorecard." Take it from me, there is no men's magazine that does a better job listening to its readers than *SCORE*. Do you think *Playboy*, *Penthouse* etc. care about what their readers want to see? Because of this forum, whether it's full nudity, titty fucking or girls in sweaters, you give us what we want. –Name and address withheld

THIS GUY SIMPLY DOESN'T WANT TO SEE DICKS IN WEIRD PLACES

Dear *SCORE*,

I was reading the "Scorecard" section of the excellent Nov. '06 issue when I came across the letter from the guy expressing his desire to see pictorials of guys getting dildo-ized in the ass by *SCORE* Girls ("Does Anyone Wanna See A Guy Getting Ass-Fucked?"). In your reply, you rightly rejected that idea, suspecting it would probably upset a majority of the readers. I know that I would be upset. Those pictures would not be appro-

***SCORE* Girl Brittany O'Neil is very skilled with her hands, and she recently showed off those skills by jacking a hard cock on Scoreland.com. The P.O.V. angle adds to the erotic appeal of this photo, don't you think?**

priate for *SCORE*. Yet I can't help but notice that the advertising parts of your magazine have little pictures of "chicks" with dicks, namely those transsexual-transvestite phone-sex ads. I don't believe those are appropriate for *SCORE*, either, being an eyesore for straight readers of the magazine, which I'm sure are the majority. Those ads could at least be shown without the pictures.–E.S., Topeka, Kansas

Dear E.S.: You might not believe it, but there are obviously SCORE *Men who are attracted to those ads. Otherwise, why would the advertisers keep running them?*

WHERE DOES MERILYN RANK? ANOTHER READER GIVES HIS LIST

Dear *SCORE*,

Where does Merilyn Sakova rank among the greatest naturals ever? Not an easy question, but if you wish to rank Merilyn with the list you gave in the September '06 issue, I'd honestly rank her fourth. Now, she ranks first on many lists, but on the one you gave, she's fourth behind Nadine Jansen, Nicole Peters and Kerry Marie. Merilyn barely edges out Danni Ashe, and that's a close call.–L.M., via email

Continued on page 69

Who is the best natural in the history of *SCORE*? According to reader L.M., the top four are Nadine Jansen (above left) and Nicole Peters (above right), followed by Kerry Marie (below left) and Merilyn.

Fuckin' Mo Titties

ALEXIS SILVER, SIERRA, CARMEN & PANTHER GET DOWN WITH HARD DICKS!

If you've beat your ever-loving meat to the *Black & Stacked Xtra* series, you're gonna stain your ceiling when you see *Fuckin' Mo Titties,* the new DVD starring five naturally stacked babes: Sierra, Carmen, Panther, Alexis Silver and newcomer Goldie. Five horny, super-slung black chicks swallow bone to the balls, tit-fuck hard cocks and get their shaved cunts fucked in every possible position. And they do it with looks on their faces that say, "I love cock. I can't get enough of it. And I want you to shoot your load all over my big, chocolate tits." So go ahead. Do it. Get ready to head uptown.

Panther

DD-cup Panther (March '06) wakes up and sees a stranger in a ski mask fingering her pussy. *Uh-oh!* Turns out it's her boyfriend playing out his fantasy. "Yeah, that is kind of kinky," she decides as she whips out her tits and wraps them around his dick. "But I like this game." The game involves fucking Panther's tits, mouth and pussy (and also includes Panther hungrily lapping at the guy's balls). The game ends with cum all over Panther's rack. Good game.

Alexis (Feb. '07) is doing some gardening in a very sheer T-shirt and decides to turn the hose on herself. Dick-stiffening wet T action is followed by the kind of fucking and sucking that has made Alexis a porn great. A sloppy blow job while her tits hang down. Reverse-cowgirl dick riding with her shaved pussy. And, to top it all off, Alexis reaching over her shoulder and jacking a load onto her tits.

Alexis Silver

Sierra (June '05) has a way of making every scene new. Looking spectacular in a cleavage-revealing dress and stockings, she puts on a tit show for her stud, tantalizing him with her F-cups and shoving them in his face. When she's got him hard, she offers up the kind of deep-throat blow job she's become famous for, followed by a lusty fuck, and jacks him off onto her tits.

SCORE VIDEO PICK OF THE MONTH

FUCKIN' MO TITTIES

F-cup Carmen (Sept. '06) invites over a guy she met in a big-tit chat room and offers him a taste of the real thing. She gags on his cock while sloppily deep-throating him to the balls, enjoys a tit fuck, then gets her cunt slammed in every imaginable position, including her specialty: legs behind her head in the pretzel position. She's still in that position when she jacks him onto her tits.

Fuckin Mo Titties

Goldie is a *Voluptuous* newcomer who's tired of being compared to Cassitty, so she sets out to prove she's better. Does Goldie give a better hands-free BJ? Does she tit-fuck better? And when she says, "Come on, shoot it all over me," do you shoot more than you did for Cassitty? It's time to find out.

CLOTHES SHOPPING WITH KELLY KAY

Kelly Kay (June '06) was shopping for clothes in Liverpool recently for her website, BustyKellyKay.com. The salesgirl at one store was fascinated by the size of Kelly's humongous tits. The clerk said she'd never seen a girl as big-boobed as Kelly. She was tiny-busted herself, Kelly said.

The clerk asked Kelly questions about how she feels about her tits: Does she like them, how big are they and when did they get so big? Kelly felt that the salesgirl was jealous because she said she wished she had half of what Kelly had, but she didn't want to get a boob job. She asked Kelly if she knew of any natural supplements or nutrients she could take to promote breast growth or any exercises she could do to stimulate them. Kelly wanted to help, but she just didn't have an answer, having never needed the stuff. Kelly's been blessed.

The clerk helped Kelly pick out some hot clothes, and Kelly never mentioned that she modeled for *SCORE* magazine. Yes, the roll of the genetic dice can be cruel to some women and generous to others.

There are times when Kelly Kay has to wear clothes, but we definitely prefer her with the hooters out.

Africa did not succumb to the pressures of a weasel boyfriend who wanted her to get a boob reduction.

AFRICA: NO BREAST REDUCTION, EVER!

"Around the time I was 19, I started liking my figure," revealed Africa Sexxx (September '06 *SCORE*). "Not really the breasts, but just how the whole package came together. And then some guy told me that more than a mouthful was a waste. That's why I appreciate you guys.

"Seriously, though, I was going to get a breast reduction after that. My boyfriend told me he liked me better as a double-D cup. He talked me into it. I made an appointment and everything. I was all set to go. Then, the day before the appointment, I said to myself, 'You know, if he doesn't like my titties, he can just go find a smaller-breasted woman.'"

Well said, Africa. Guys who tell their girlfriends to get boob-reduction surgery are nothing but scum. If only more big-boobed women thought and behaved like Africa, what a better world it would be.

THINGS YOU SHOULD KNOW ABOUT ALEXIS SILVER

Star of the new triple-sex DVD *Fuckin' Mo Titties,* Alexis (*SCORE*, February '07) is one of the hottest porn chicks to ever tent your shorts. She blows out a 34E-cup bra. Here's some more stuff about her that you should be aware of.

Lives: Leeds, England

Favorite brands of bras: Rigby & Peller

Favorite style of bras: "Balconette with a matching thong."

What kind of sex do you like best?: "I like hard sex. Trust me, I won't break."

What size cock do you like?: "Six inches and over. Thick."

What type of foreplay do you like?: "Kissing & stroking."

Do you watch adult videos?: "No, that's for guys. But I love being in them. I've done over 200 scenes in the U.K. and in the States."

What kind of chick-stick do you own?: "I own The Deluxe Rabbit. It's fantastic." (The Deluxe Rabbit is made by Doc Johnson).

What is the most sensitive part of your breasts? "The sides are the most delicate. They're very ticklish."

How long do you want to know a guy before you go to bed with him? "It depends on how well we get on and if there is chemistry."

Where do you like a guy to cum? "It depends. It's all good. Sometimes I will stick out my tongue and wait for him to cum in my mouth. Yes, I swallow. Other times, I like it when a guy explodes on my tits. Then I'll use my fingers to wipe the cum off and pop it in my mouth, licking it all off. Yummy!"

Alexis Silver sucks. We mean that in a good way.

Sam Springs brings the cookies. You supply the cream.

SAM SPRINGS: SECRET MODEL

Your dedicated columnist likes Sam Springs a lot because she attends college while she drops her panties for our beloved *SCORE* magazine readers. At 19, Sam is just learning about life. Fortunately, part of that learning process includes taking off her dress and bra under the watchful direction of our drooling cameramen, individuals who appreciate plaid mini-skirts and high heels.

"Every chance I can get, I like to go out with friends. I love going clubbing and basically having a mega-time," said Sam, your typical British cupcake.

Unfortunately, Sam doesn't have any gal-chums as busty and as curvy as she is. We asked her because we're always on the hunt for new girls.

"My friends actually call me Sammy," she said. "I'd thought about using that as a modeling name. Samantha sounds a bit too formal."

Little do Sam's friends suspect that she poses nude. She's been keeping it a secret and doesn't tell all during casual conversations. But Sam hints at it by wearing push-up bras under a tight, low-cut blouse and titty-tops with no bra. She has to be careful walking through a crowd dressed like that. More than a few times, an errant hand has reached out to try to cop a forbidden feel.

CANDY BRA: EAT IT!

The two-pound Candy Bra doesn't offer much support, but it can be tasty as long as you're not diabetic.

This bra is made out of hard, real candy strung together. Women can also wear the Candy Bra with the 6.5-ounce Candy G-String and Candy Garter Belt.

They're available from a variety of producers through Amazon.com. Sweet! Just don't break a tooth.

Sugartits, anyone?

BOOBS ON BIKES

Thousands of people lined Queen Street, the main drag of Auckland (New Zealand's biggest city) as 25 topless porn stars paraded by on motorcycles and two army tanks for the "Boobs on Bikes" parade.

Local Auckland politicians tried to prevent the promotional stunt, created by Kiwi adult producer Steve Crow. The crowd was said to be bigger than the one at the city's Christmas Santa Parade. Mayor Dick Hubbard said he would review local laws to prevent any more topless parades from being organized in Auckland. Spoilsport!

"It does nothing for our image, it does nothing for our city and I just think it gives us indecent exposure around the country and around the world," Auckland city councillor Scott Milne complained to TV New Zealand.

Citizen reaction varied from the pros to the cons. Wrote one local, "Our politicians spend too much time protecting us from ourselves. What an absolute bunch of old farts the Auckland city councillors are!" Said another with the opposite viewpoint, "It is degrading to both the women who are in the parade and the men who are perving at them."

TEST YOUR BOOB I.Q., WIN *SCORE* FOR A YEAR!

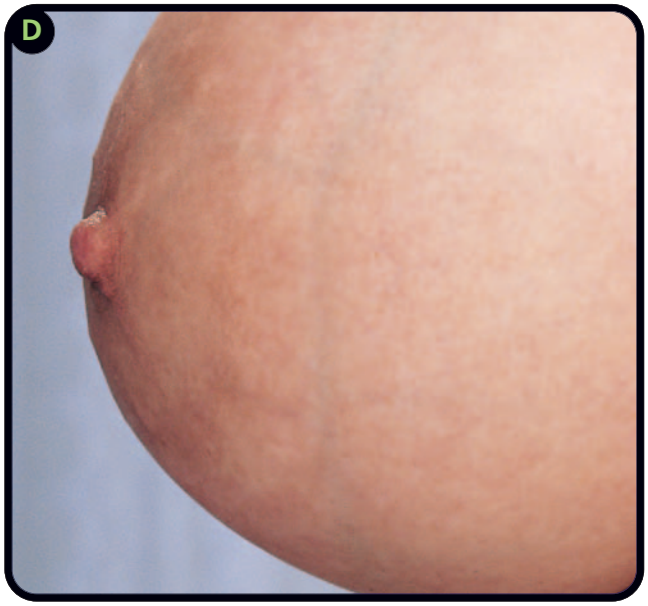

Think you know everything about tits? Then prove it. Correctly identify the owners of these beauties and you'll not only be acknowledged as a boob master, but we'll give you a **free one-year subscription to *SCORE***.

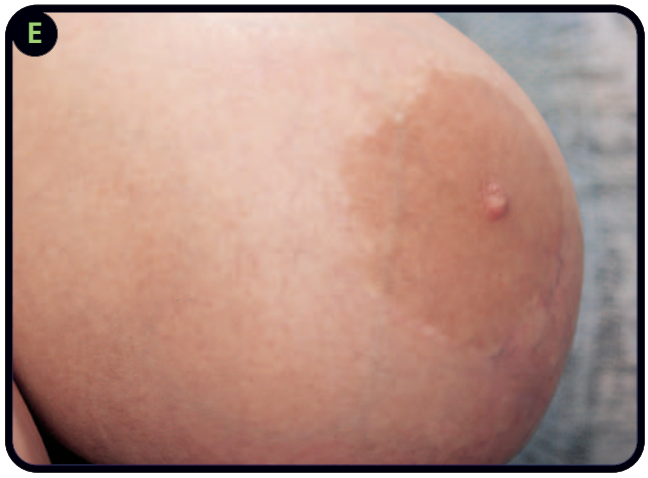

Send your answers, along with your name and address and the statement, "I am over 18 years old," to: Boob I.Q., *SCORE*, 1629 NW 84th Avenue, Miami, Florida 33126. Or email your answers to score@scoregroup.com. The first to correctly guess all six girls by March 1, 2007 wins the free subscription.

IT'S A MATTER OF SUPPLY & DEMAND

A Finnish district court ruled that 25,500 Euros ($32,000) is too much money for a woman to charge a man for playing with her tits. The court jailed a couple in their 20s for more than a year for charging a senile 74-year-old man 25,500 Euros to touch the woman's boobs 10 different times.

"Based on general life experience alone, it is indisputably clear that a 25,500 Euro charge is disproportionate to the compensation in question," Judge Hasse Hakki said.

The judge would not decide the proper financial value of the compensation. The retiree filed charges against the couple, even though he told the court he voluntarily paid their fees. So, how much *is* too much?

SEXPO: EROTIC EDUCATION FOR MEN

The four-day 2006 Seoul Sex Education Expo, named "Sexpo," provoked major controversy in this ultra-conservative nation, but it opened anyway despite the complaints.

"The event is primarily focused on educational programs rather than the sensational exposure of sex and provides sex education," Park Seung-gak, the Sexpo's main producer, told reporters.

The Sexpo organizers canceled their scheduled striptease and lingerie shows because of strong objections by various organizations, including women's rights groups. The organizers claimed that the shows were also canceled due to a visa snafu because the foreign models and performers arrived in South Korea with tourist visas instead of entertainment visas.

The Korean Women's Associations United said Sexpo should deal more with sexual matters beyond the basic sex act itself and focus on such issues as sexual dysfunction and gay and lesbian subjects.

SCORE DEBUT

BIG TITS. GREAT ASS. BEAUTIFUL FACE. HANNAH HAS SOMETHING FOR EVERY MAN. SHE WANTS *YOU* TO HAVE SOME.

"Let's dance" reads the T-shirt that beautiful newcomer Hannah Claydon is wearing. We'd rather *watch* Hannah dance. "That's not going to fly with me, boys," said this beautiful Brit who's attending a university in London, England. "I love to dance with a partner, and I definitely don't like men who sit on the sidelines and watch life pass by." Hey, Hannah, give a *SCORE* Man a break! We can't think of anything better than standing on the sidelines and *watching* you pass by. "How about a romantic evening with me with lots and lots of sex? I promise, it'll be a night you never forget."

Hannah is your fantasy girl because there's more to her than a runway model's face and a great pair of DD-cups. If you love your ladies short and stacked, Hannah is just five feet tall. If you like girls who've got it coming and going, then check out Hannah's tight, firm, round butt. "For some reason, the men who are attracted to me notice my rear before they notice my boobs," Hannah said. Sweetie, that's about to change. "I guess I'd like men to love me for my mind, but I know I can't help that. That's how men are." Exactly, Hannah. And we're staying that way. "Okay," she said. "And by the way," she said, smiling, "it's okay for *SCORE* Men to look."

THE DIARY OF A FEATURE DANCER

BY CRYSTAL GUNNS

Me and Chelsea had a blast out in Vegas. I still can't believe how big her boobs are. Dancing with her is always kind of interesting because it's impossible to get too close to her!

THE 2006 GENTLEMEN'S CLUB OWNERS EXPO & FAN FARE LAS VEGAS, NEVADA

What a crazy week! I featured in a club, ran to the Gentlemen's Club Owners Expo during the day and went to events at night. Wow! But it was all worth it, and I had a great time, as you're about to find out.

I arrived in Las Vegas on Sunday night, and one of the managers from the Cheetah Club came to get me with a big, purple van that had the word Cheetah across it and ladies in bikinis. He dropped me off at my hotel, The Artisan. I didn't do much that night because there was no one in town yet. Chelsea Charms and my webmaster, Cubeman, weren't getting in until Monday afternoon. Cindy Cupps, who was going to be staying with me all week, wasn't getting in until Tuesday night.

Monday was a great day. I did nothing but dance at the Cheetah and hang out with my webmaster. Everybody in the club was great to me. I explained to them that I would have to leave between shows to run to Mandalay Bay for the Expo. Mike Beasly, who is one of the managers at the Cheetah, said he had no problem with that. He even said he would provide transportation for me to and from Mandalay. Thanks, guys!

I had three shows a day–one p.m., four p.m. and seven p.m.–so it was kind of hard to run back and forth every day, but I managed to fit everything in. Elliot James of *SCORE* got me a press badge, so I got to walk around, taking pictures for *SCORE*. Thanks, Elliot!

I didn't think I would make a lot of tips at the Cheetah because my shows were during the day, but I

Listen, guys, I have really big tits, but Chelsea's are just incredible!

There's nothing like hanging out in a club, having a beer with friends and resting your tits on the table. That's Jane, who loves Dick a lot! Cindy Cupps is next to her, and I don't have to identify Chelsea!

was wrong. Since Fan Fair was on Friday, a lot of my fans were in town, and I ended up doing really good. All of my fans who had never seen me perform before got to see me on stage. They even got to see Cindy and me do a show together. Cindy got away with murder because they hardly ever put her on stage! She just got to walk around and do lap dances for everyone whenever she wanted to do them. Lucky Cindy! Lucky for the guys who got lap dances.

I guess a lot of you want to hear about Cindy and I dancing together. We had done it just once before, about four years ago in Florida. Las Vegas clubs are topless only, but we still put on quite a show. We did a "Little Girls" show in which we came out wearing little girls' outfits and danced to "Girls Just Wanna Have Fun." Then we did a song called "I Want To Suck On Your Lollipop," and Cindy and I handed out lollipops that looked like dicks and pussy lips. Finally, we danced to "Nasty Girl." We played with each other's tits, then we went up to each guy around the stage and stuffed our tits in their faces and beat them up with our titties! That's four huge tits in their faces! Of course, we played with and sucked on each other's tits, too.

As for the Expo, it was great to see people I hadn't seen since last year's Expo, like Frank, Dave, Allen and Crazy Franky, to name a few. But the best surprise of the week for me was when Dick and Jane showed up for my one o'clock show at the Cheetah one day. They had told Chelsea and me that they couldn't make it this year, and we were both sad. Then, during one of my shows, I was dancing on stage, and out of nowhere, I saw Jane holding up money by the tip rail. Well, I screamed and started hugging her. Boy, was I excited!

The Expo started on Tuesday, and that was a busy day. I hung out with Chelsea Charms and T, who was also there to shoot pictures for *SCORE*. That night, Chelsea, T and I went out to the Rum Jungle with Echo Valley and some other people from the radio station I had appeared on that morning to promote my shows at Cheetah's. Echo, Chelsea and I always get a lot of attention, especially when Chelsea and I have a couple of drinks!

After dinner, we met up with Cindy in front of Mandalay Bay. We hung out for a while and gambled with Ron Jeremy, the porn star. Ron and I played blackjack and Cindy played roulette. Playing blackjack with Ron was hysterical because he kept falling asleep, right at the table! I'd be like, "Ron, it's your turn. Do you want to hit? What do you want to do?" So he'd hit or fold, then he'd fall back to sleep! Finally, Cindy took him back to his room, and I kept playing blackjack. At around two o'clock in the morning., after winning a little money at the tables, me and Cindy headed back to our hotel.

Wednesday afternoon was so much fun. At the Expo, Chelsea and I got so drunk, it was funny. We found this booth that had little electric scooters with coolers in the back, and we raced each other

How's this for all the tits you could ever dream of! I'm at the bottom. Chelsea, Jane and Cindy are on top, making a boob sandwich!

When the four of us walk into a room, people notice. Chelsea's tits got there a few minutes before we did!

around the place. We got in trouble with security, but we didn't care. We just kept on riding our scooters. Chelsea and I kept falling to the ground because the scooters were so small, and my pants were coming off!

Unfortunately, there weren't a lot of girls at the Expo this year. The only big-busted girls were Cindy, Chelsea and me. Echo Valley only hung out with us at night, and she did Fan Fair. Oh, wait! Kayla Kupcakes was at the Expo, too. And Exotica was there, looking beautiful as always.

See, the thing is, Chelsea and I are there every year together, so we have a routine. We always find the booth that has the liquor, and we stay by that booth the whole week. Usually the people running the booth don't complain because we cause so much commotion that we get so many people to come by. This year, it was even more fun because we had Cindy Cupps and Jane with their big tits there, too. Chelsea and I jumped on the stages that were set up by people's booths and danced. The people didn't care because we were attracting attention.

It's a tradition that Chelsea and I pay for Dick and Jane's dinner one night because their wedding anniversary is the week of Expo. They got married in Vegas five years ago, and Chelsea and I have been taking them out for the past three years. That night, we just went to a bar in Mandalay Bay and had drinks. We just horsed around and took some pictures.

Thursday night after dinner, me, Dick, Jane, Cindy and Chelsea rented a Hummer and went to the airport to pick up a friend. Cindy and I moved our stuff from the Artisan to Mandalay Bay, and we were happy because that's where everybody was staying.

Well, Friday came, and that was Fan Fair day at Sapphire's from noon to five o'clock. Some of the girls that were there were Echo Valley, Kayla Kupcakes, Cindy, Minka, Devon Michaels, Summer Leigh and Nina Mercedez. Chelsea

I was so happy to see my bosom buddy, Jane, at the Expo.

Charms couldn't make it. It was pretty busy this year. Mostly the same fans as usual. Candy Man was there. He's a guy who goes around with a suitcase filled with candy and lets the girls take what they want.

I ended up going to Minka's booth

This one's for you!

ASHLEY JUGGS WANTS YOU TO SIT BACK. RELAX. TONIGHT, SHE'S ALL YOURS.

"People think I'm a prude just because I don't show pink," said Ashley Juggs, who's making her fourth appearance in *SCORE*. "I don't think that's fair. I mean, how many girls expose their tits in an international men's magazine, and I show my butt and my shaved nookie, too! Besides, I don't think a girl has to show pink to be sexy. I know that a lot of men get off on looking at my pictures, and I know why: Because they know that I can please them."

"I read the letters guys send to *SCORE*," Ashley said. "I saw the one from that guy who thinks I should never be wearing clothes, and there was another who wants to see me playing with a dildo. I have a better idea. How about taking your cock out of your pants, getting it nice and hard and imagining that I'm right there, wrapping my big tits around your cock? How about imagining that I'm moving my tits up and down your shaft, and I'm sticking my tongue out and licking the head. Does that do it for you, guys?"

Ashley has it all, everywhere. Great tits, a round, firm ass and long, shapely legs…it's all there, just for you. Got any fetishes? Ashley's into foot worship, and she loves having her toes sucked. She usually shaves her pussy in the shower, but she enjoys having a man shave it for her. As for her boobs, she calls them "the center of my universe. A man should always start by adoring them and licking them. I never have to ask!"

Sweater S-t-r-e-t-c-h-e-r!

MARVEL & JACK AS DAPHNE GIVES NEW MEANING TO THE TERM "SWEATER GIRL."

When Daphne Rosen showed up at our studio, showing off her new, super-sized body (complete with mind-blowing G-cup tits), we wasted no time rushing her into the Holiday '06 issue. We knew that the "new" Daphne had to be a candidate for 2006 Newcomer of the Year. When Daphne showed us the tight, red, short-sleeved sweater that she bought before coming to Miami for her shoot, we knew that we were looking at what she'd be wearing on the cover of a future issue of *SCORE*. Well, feast your eyes, men!

This pictorial of Daphne in a sweater has stirred memories and sparked a debate here at *SCORE*. The memories are of a pictorial in the January '02 issue, in which Colt 45 stretched a pink sweater to the max. The debate is over which pictorial is better: Colt 45's or Daphne's? For those of you who remember (or still have) Colt's historic sweater pictorial, we'd like to know your opinion. Colt's sweater showed off more cleavage while Daphne's is longer and tighter. But this much is certain: "If I went out in public wearing this sweater," Daphne said, "necks would snap!"

An hour into the shot, Daphne asked our photographer, "Are you ever going to ask me to take off my sweater?" In all honesty, we don't recall any *SCORE* Girl taking so long to show her tits. Five pages! Especially when that girl fucks and sucks (and takes it up the ass from two guys) like Daphne does in the new DVD *Big Tit Glory Hole* (available on page nine). She's anything but shy, but about that sweater… "Doesn't it look absolutely amazing? she said. "I love it. You know, I really love to fuck. But I guess I'm just a titty girl at heart!"

Huge, twin masts, an open sea & days to fuck away. He was ready for the ship's...

MAIDEN VOYAGE

BY ED LERNER ILLUSTRATION BY OTIS SWEAT

HELP WANTED—FEMALE: FIRST MATE, private yacht, NYC to Annapolis, MD. Age 18-35, willing to assume shipboard and companionship duties, no experience necessary.

So read the lead in the classified ad that I put in the New York and New Jersey newspapers for my first-ever blatant attempt at sex at sea. I figured that it didn't take much to read between the lines, but then again, I wanted a first mate who could read between the lines…and fuck between the sheets!

I held interviews on board the boat, the 54-foot *Sea-Duction*. The most qualified applicant knew almost as much as I did about yachting, but the poor girl looked like she belonged at the Westminster Kennel Club…on the other end of the leash. Another had a smattering of boating knowledge, but her chest reminded me of a pair of fried eggs with the yolks broken. When I met Lucia, though, I knew I'd hit the jackpot.

Lucia was of Latin descent, short in stature but broad where it counts: in the superstructure. She had long, curly, black hair, olive skin, black eyes and a pair of dark-red lips that would look lovely wrapped around my foremast. As for that superstructure, well, boaters refer to life vests as Mae Wests, but let me tell you that the buxom screen icon had nothing on Lucia. She was Mae West without the vest. And then some.

It was mid-August. Lucia would be entering her junior year at the University of Maryland, and she'd never cruised before. She said this would be an adventure for her, and she was eager to get aboard. I cautioned her that *Sea-Duction* wasn't a speed boat. She was a trawler yacht, cruising at about eight knots, which meant that it would take four days to get to Annapolis.

"That's great,"she said. "That'll give us lots of time to, you know, get to know each other. And when we get to Annapolis, I'll call one of my friends from school to drive me back to

SWEAT

College Park. But what about you? All I know so far is that your name is Tony."

"What else would you like to know?"

"Your full name?"

I told her.

"Is the boat new?" she asked?

"New to me. This is going to be her shakedown cruise." I didn't plan on telling her what I planned on shaking, although by the look in her eyes, I suspected she knew.

"Where are you bound for after you drop me off?" she said.

"I really can't say."

"Are you rich?"

I just smiled.

"So, Tony, what do you do for a living that you can afford a boat like this?"

I grinned. "If I told you…"

"Right, right, I know the rest," she said. "All right, my Italian captain. Might you be connected?"

"I really can't say."

"How about government? Secret agent? CIA?"

"I really can't say."

"Man of mystery then. Okay, Tony, how do I know I'll be safe at sea all alone with you?"

"That I *can* say."

I reached into my pocket, pulled out my wallet and handed her my captain's license, totally valid.

"Not safe like that, silly," she said.

She reached into her purse, pulled out a foil wrapper and held it up.

"I mean safe like this."

She said she knew nothing about seamanship, but she was obviously proficient at *semenship*.

"Now, I may be a novice," she said, "but I do know some things about boats. I know, for example, that you've got a dinghy." Big grin.

"I do at that."

"And would there by some chance be a cockpit on this boat?"

"There is now."

Lucia reported right on time at 0600 hours, and we headed out for an offshore run to an anchorage inside an inlet halfway down the Jersey coast. In the pilot house, I explained to her the rest of the itinerary. Tomorrow, we'd anchor at Cape May, New Jersey's southernmost harbor; next day, up the Delaware Bay to the Chesapeake-Delaware Canal; and one day later, we'd be in Annapolis. For her, right on schedule; for me, unbeknownst to Lucia, two days ahead of when I had to be there.

Once we were at sea, about three miles offshore, I put *Sea-Duction* on autopilot, left Lucia on lookout and went below to the galley to fix us some breakfast. When I came topside again, I almost dropped our omelets when I saw that she had dispensed with her early-morning sweats and was attired (or nearly so) in a thong bikini with a top that looked like it had been made for a Barbie doll. I swear, it looked like it was barely able to cover her nipples. She laughed at my reaction, and her breasts wiggled, almost right out of her top.

"You expect me to be able to eat breakfast with you looking like that?" I said. "I'll miss my mouth."

She licked her lips. "Guaranteed, I won't miss my mouth."

We sat on the watch berth, she nibbling at her eggs as I wolfed down mine. By the time I was done, she had eaten barely half.

"Sea does wonders for one's appetite, doesn't it?" she teased, glancing toward my empty plate. "And I just love the up and down motion. Of the boat, that is."

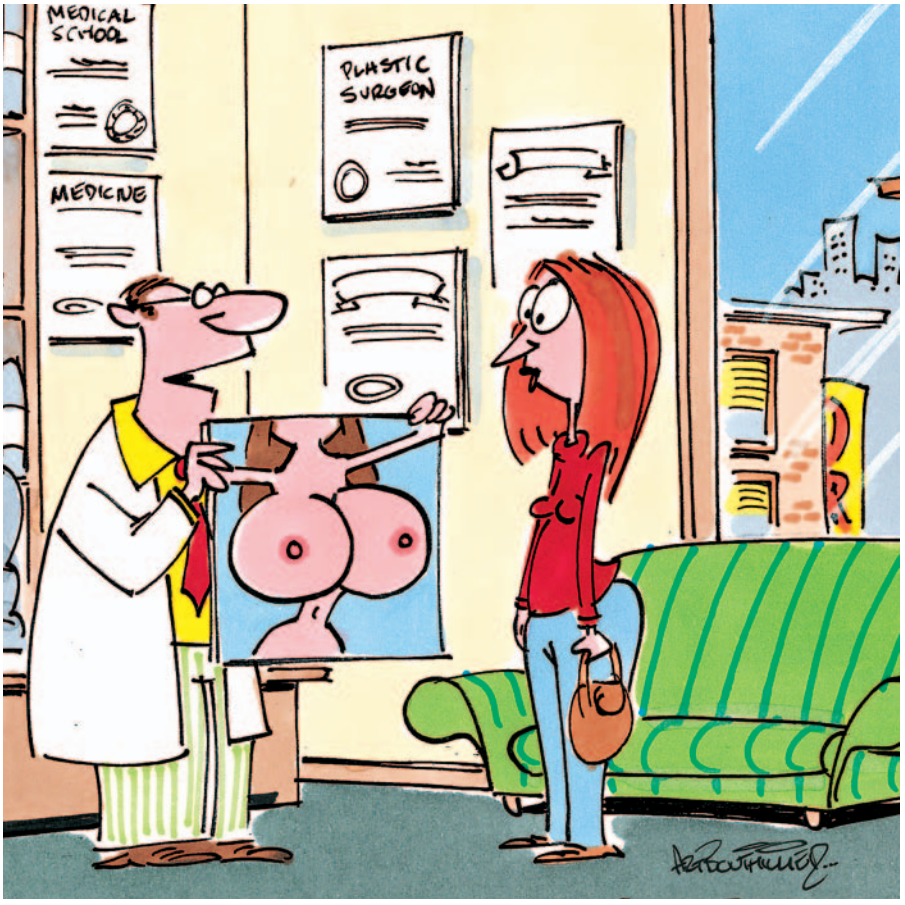

She grinned, finished her eggs and put her plate next to mine. To do that, she had to lean across my lap. The effect of gravity on her breasts took my breath away, as did the fact that her top was tied around her neck with a thin strap and around her back with another one. Simple bows, and I was suddenly eager to show off my skills with knots. She rested her breasts in my lap as she said, "How's about casting off my lines, skipper?"

I untied her top, and she turned over. Her head rested on my lap, and her amazing breasts were totally free. Her tan lines ended where the tiny top had been, leaving a triangular, light-olive border around her large, dark nipples, nipples that screamed to be sucked. I stroked Lucia's breasts and gave her nipples delicate pinches as they hardened between my fingers and thumbs. Soon, she was sitting on my lap, holding her breasts up high as I lowered my head to suck on those beautiful, brown-tipped Latina melons.

Lucia kissed me, pulled off my shirt and had me unfasten my shorts and lie face down on the watch berth. Her hands expertly pulled down my shorts and briefs, leaving me totally naked.

"I'll bet you've never had a boob massage," Lucia said.

Nicole's BIG Day

SHE WOKE UP AND LOOKED DOWN. WHAT SHE SAW AMAZED HER AND WILL AMAZE YOU, TOO.

You've seen a lot of Nicole Peters. You've seen her so many times, you can probably draw her naked body from memory. You've seen her so many times that right now, you might be wondering, *What in the world can these guys show me that I haven't seen before?* Well, get ready. Take a deep breath. Because while it's true that you've seen Nicole 10 times before in the world's greatest big-tit mag, you've never seen her rack looking so big, so luscious, so fuckable. So turn the page.

If an ordinary picture is worth a thousand words, then this one is worth a million. “There are just some days when my breasts are bigger than usual, and this was one of those days,” Nicole said. “I knew it first thing in the morning. My bra was feeling tighter, and I could feel the straps digging into my shoulders. My breasts are really quite heavy, you know, but I don’t think they’ve ever felt quite as heavy and big as they did on this day.”

Nicole can't explain her one-day growth spurt. "I knew I couldn't be pregnant," she said. "It wasn't my time of the month. I hadn't eaten anything different the day before. The weather was normal. Sometimes my breasts get bigger when it's humid out, but it was nice. I don't know what happened, but I'm certain that if I went shopping for bras that day, I would've been looking at buying a K-cup, and they don't sell those over the counter!" And for a good reason: there are only a handful of women in the world who are built like Nicole and can fill out a centerfold like she does on the next spread. "Being in *SCORE* has made me realize how blessed I am. I'm a lucky girl." No, Nicole. We're the lucky ones.

MEET ALICIA DiMARCO, PROOF THAT SOME GIRLS GET BETTER WITH AGE.

Alicia is a 40something newcomer, she's a personal assistant in Chicago, Illinois (where she keeps the men in her office hard with her tight, form-fitting tops and sexy, ass-hugging skirts) and her fantasy is "to have sex on the board-room table with the CEO and his assistant. It would be fun to have sex with them during office hours, then walk back into the office and see the shocked looks on people's faces. By the way, the CEO's assistant is a woman."

Alicia isn't shy. She's a strong, confident woman who has experienced enough of life to know there's nothing wrong with being sexy. "I don't always wear a bra," she said. "I usually wear one, but if I'm wearing something sheer and see-through, then I won't. There's no sense spoiling the view! I'm very proud of my nipples." Rightfully proud. "I get a lot of attention when I'm out, especially if I forget to wear a bra and panties." Forget? Alicia smiled. "I like being full of surprises. I like looking conservative but being naughty. It turns men on. It turns *me* on. And that's what counts."

SHOOTING BIG LOADS OF CUM MEANS YOU'RE JACKING BETTER

Dear *SCORE*,

I wanted to reply to some of the questions K.S. posed in the Dec. '06 issue ("Why Backhand Jacking? Why More Cum? Why, Why, Why?") about my letter in the July '06 issue.

First, I sincerely hope I helped a few of you jackers out there to enjoy better, stronger orgasms. When I first wrote my tips, I never thought I would read a response quite like K.S.'s.

First off, I am not obsessed with the amount of cum that I shoot. I am just a single, divorced guy who enjoys looking at beautiful naked women and jacking regularly. I enjoy masturbating, and I like to cum hard. Shooting a big load is a by-product of cumming hard. I hope there are a few of my brothers in arms who can come to my defense on this subject. If you took the time to employ my tips, you would understand what I am talking about. Did you know that women can ejaculate, too? So ask yourself: Why do women want to squirt?

K.S., you were a bit confused about the backhand technique. Let me describe it in a bit more detail. What you want to do is put your thumb on the top of your cock. Put the palm of your hand over the head of your cock. You want to use your two middle fingers to rub your frenulum in a circular clockwise movement, like a woman does when she does the roundy-round on her clit. Doing this circular movement on your frenulum should make your palm go from side to side on the head of your cock. This is a very intense technique, and it does take some time to master. If the backhand is too uncomfortable for you, and you are worried about making a mess when you jizz, maybe my tips are not for you.

I do my jacking lying on my bed, holding *SCORE* in one hand. If there are any "Scorecard" readers who have anything positive to say about my tips, I would love to hear them.–S.H., via email

and hanging out with her manager, Woody. Woody wanted to take me to a nightclub in Boulder Station that he had taken me and Elliot James to back in 2005. So he and Minka picked up Cindy, Kayla and me and drove us to the club. We hung out until around three o'clock in the morning. We drank and danced so much! Minka was happy I was there so I could dance with Woody. He loves to dance, but Minka doesn't like to dance because she gets tired. The name of the band we saw was Yellow Brick Road, and they were great. We loved them. Woody knows them well, so they called us up on stage with them, and we rocked with them for a song. Afterwards, the band took pictures with us for Minka's website, MinkaXXX.com.

What a night! Kayla Kupcakes ended up hooking up with one of the band members. You know Kayla. She falls in love with everyone! We didn't see Kayla and the guy for about a half hour. I'm not going to tell you what happened. I'll leave it to your imagination!

On Saturday, I went to the topless pool at Mandalay with Cindy and Echo. We hung out there all day, and you can imagine that we got our share of attention. I was wearing a G-string and a top, and when I took my top off, everybody was like, "Yeah!" That made me feel pretty good. But then Echo walked in and took her top off, and everybody went crazy! I said, "Hey, she has bigger tits than me." Needless to say, a lot of guys kept coming up to us. It's a good thing Chelsea wasn't there. Can you imagine the scene she would've caused. I swear, every time I see Chelsea, it seems like her tits have gotten bigger!

I spent my last night in Vegas at Penn and Teller's magic show. What a great show! At the end of the show, we got to meet and greet them. Later on that night, we went to another club, and danced our asses off and then called it a night around one a.m. Sunday morning, dead tired, I caught my flight and went home. It was a long week but a great week, and I'm definitely looking forward to doing it again next year. Thanks to everyone for all their help and for hanging out.

See you next time!

Star

BACK HOME IN ROMANIA, SHE'S JUST JOANA. BUT WHEN SHE BARES HER TITS FOR *SCORE*, SHE'S A GREAT ONE.

On a recent Tuesday morning in Bucharest, Romania, an American tourist walked into the coffee shop that Joana manages and, upon seeing her, said, loud enough for the rest of the patrons to hear, "I know you!" At first, Joana looked around the room and blushed. Then she looked down and re-buttoned the middle button on her white shirt, which seemed to have popped open. Then she looked back at the customer, who had a star-struck look in his eyes. And for the first time, Joana, the girl next door, realized she was a star.

These photos were shot on the Costa del Sol in Spain, where our photographers did their best to make Joana feel like a star. But once she got back home, Joana went back to being "just Joana." Girl next door. Manager of a coffee shop. The girl all the men privately swooned over. Then the American tourist walked in, and everything changed. "At first, I was embarrassed," she said. "Most people at home don't know that I have posed for magazines. I showed the man to his table, and he sat down and ordered coffee. I guess he realized he had spoken too loud because he seemed embarrassed, too. But then he asked me for my autograph! I felt so special!"

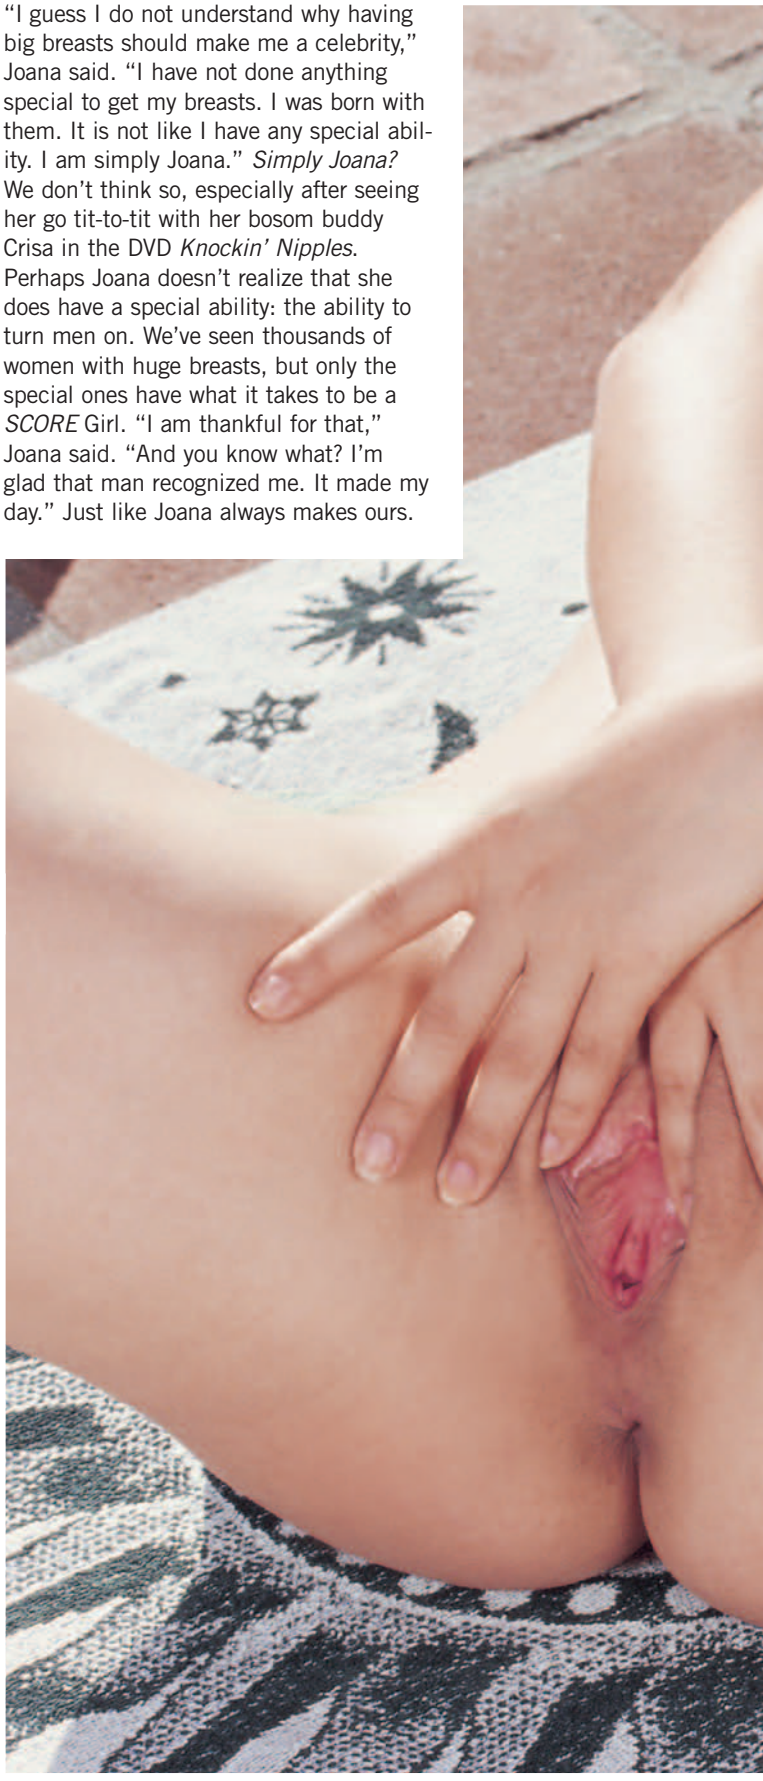

"I guess I do not understand why having big breasts should make me a celebrity," Joana said. "I have not done anything special to get my breasts. I was born with them. It is not like I have any special ability. I am simply Joana." *Simply Joana?* We don't think so, especially after seeing her go tit-to-tit with her bosom buddy Crisa in the DVD *Knockin' Nipples*. Perhaps Joana doesn't realize that she does have a special ability: the ability to turn men on. We've seen thousands of women with huge breasts, but only the special ones have what it takes to be a *SCORE* Girl. "I am thankful for that," Joana said. "And you know what? I'm glad that man recognized me. It made my day." Just like Joana always makes ours.

MAIDEN VOYAGE

Continued from page 52

From her bag, she pulled out a small bottle of baby oil and rubbed it over her breasts, then began her massage. First, she pressed her breasts on my bare feet. I squirmed a little as her nipples tickled my toes. Then she moved them up my calves, legs, butt and back. At Lucia's direction, I turned over, my erection pointing due north.

Lucia rested the lower portion of her breasts on my face, her nipples out of reach of my mouth, and smiled down at me through her cleavage. I almost popped right then and there. She proceeded to slide those love pillows down my neck, chest and belly until they reached my cock, then lifted a breast and perched it on the tip of my dick. My erection was hard enough to hold up her heavy breast, and I'm not bragging.

Lucia moved her breasts all the way down to my feet before returning them to my crotch. She took my cock between her tits and lifted and lowered them around it. The oil on her breasts added a wonderful sensation to the mix, and I nearly lost my load again. But Lucia stopped, paused a few seconds and took me inside her mouth. She knew what she was doing, despite her young age. Her oral skills were as well developed as she was, and I figured that her college major was creative foreplay.

"Your turn," she said, releasing me. "Change places."

We did, but I had no breasts to rub over her. She solved that dilemma quickly. "Ever give a tongue bath?" she said.

I began at her toes, kissing and licking them, then tracing a path with my tongue up one of her legs until I reached her buttocks. Her thong made her look like she was wearing nothing at all. I kissed and licked her ass cheeks, and then she drew her knees up and lifted her ass into the air. I pulled off the thong and continued my tongue action, down one crack and into another. Her squeals told me I'd found the right spot, but I continued up her back to her neck and probed her ear. She shuddered and turned onto her back. My tongue found hers, then traveled down to her breasts. I held one of her tits in two hands, squeezing it, and sucked on it so hard, her nipple puckered like a raisin. Then I sucked the other tit.

Thank goodness for no traffic and

autopilots. The boat held steady. I was on my back again on the berth. Lucia had put a condom on me and was now riding me as if I were a pony. Her breasts swayed in front of my face, and I held onto them as her hips went up and her nips went down, right into my mouth.

I couldn't hold back any more and grunted as the first jolt of electricity shot through my groin. Lucia jumped off me, pulled off the rubber and guided my spurts of cum onto her breasts and into her mouth. Her lips and tongue worked my rod over, and all the while her eyes were fixed on mine. I hadn't known until then that a girl could smile with a cock in her mouth.

The boat rocked lazily as it steered south, and Lucia, feet flat on the deck with her legs spread for balance, lay her head in my lap, her tongue lapping up whatever drops of cum she hadn't been able to catch.

Life was good.

Right on schedule, we motored under the Chesapeake Bay Bridge, up the Severn River and into Annapolis Harbor. It was a weekday, and there was room to tie up in town, in the man-made lagoon known to the locals as Ego Alley.

After making a call on her cell phone, Lucia announced that a girlfriend would be by to pick her up in the morning, and then she gave me a going-away lay that ensured I wouldn't forget her. As we parted the next day, she kissed me and wished her "man of mystery" a smooth trip to wherever he was bound. She also gave me her cell number in case I was ever back in the area and needed a first mate for another run, even if it was only to the nearest anchorage and back. I apologized for not being able to give her my number in return.

She winked and said, "I understand, Mr. Secret Agent Man."

Lucia sashayed away to her friend's car, not realizing that she didn't understand at all. Reluctantly, I threw her number away, something no sane man possibly would have done under normal circumstances. But these definitely weren't normal circumstances.

What I couldn't tell Lucia was that this wasn't my boat at all. I didn't even own a boat. I was no mob figure or government spy. Plus, I was poor as the proverbial churchmouse. I made my living ferrying boats from North to South in the

BIG TITS IN TIGHT TOPS

SCORE Girls bust out, even when they're dressed!

You see them in your local shopping mall and in restaurants: chicks with big tits, straining their T-shirts and sweaters to the max. And every time you see them, you think, *I wonder if she has what it takes to be in SCORE?* Well, *SCORE* Men, here are your reference points: Five pages of *SCORE* Girls dressed in tight, sexy tops…tops that, incredibly, accentuate their cock-hardening curves instead of hiding them. We start with 2005 Newcomer of the Year Merilyn Sakova (left). Key fact: G-cups. Key question: Does that tank top she's wearing do anything to hide the fact? Obvious answer: No! That outfit she's wearing even accentuates her 40-25-36 curves. So, yeah, we know a lot of you guys out there only want to see your favorite *SCORE* Girls naked. But with support from Merilyn, is it any wonder that Italy won the World Cup?

Christine Allure

Okay, so if *SCORE* Big-Boob Hall of Famer Traci Topps (far left) walked down the street wearing that top, she'd get arrested and you'd walk into a light pole. But we couldn't resist showing you one of the most spectacular tits-in-tight-tops photos we've ever seen. As for Devon Daniels (left), that tight sweater she's wearing reveals absolutely *nada* of her boob flesh, but the natural boob silhouette created by her bullet bra is dramatic. Look at where her neck is. Gentlemen, her neck is in the right-center of the photo, and the tip of her tits is almost at the far-left border! Truly stunning. The other two girls on this spread, Christine Allure and Ines Cudna, could easily walk down a city street wearing what they're wearing in these photos. In fact, Ines said, "I wear this top a lot on hot summer days." And what happens? "Men whistle," she said. "I've caused an accident or two."

BIG TITS IN TIGHT TOPS

For some *SCORE* Men, the pictures of Denise Derringer getting ass-and-pussy fucked in this month's Xtra section will get them off. And for some, all they'll need is this: Denise in a tight *SCORE* crop top, straps strained to the busting point, hard nipples poking through, a vision of big-tit perfection. Girls like Denise are rare. Chances are you'll never see a chick like her in your local mall. Which is why we'll never get tired of looking at pictures of *SCORE* Girls in tight tops. Yes, we love to see them naked. We love to see their hard nipples and succulent flesh. But big tits in tight tops feed the fantasy. They put everything in perspective and help us realize how special these girls really are.

SCORE Mammary Lane

MONTANA

SHE WAS A HOTTIE WITH A BEAUTIFUL BODY. SHE WAS ONE OF THE FIRST *SCORE* BABES. BUT HER AMBITIONS WERE AIMED AT A DIFFERENT GOAL.

In 1992, Montana was a super-sexy babe with an apple-pie complexion and red hair that set her apart from most dancers, who are usually blondes. She interned at a radio station in Minnesota when she wasn't modeling or traveling as a feature dancer. She wanted to get into broadcasting, and working part-time at a radio station was one way to get her spike-heeled foot in the door. She was also a writer, and long before Alyssa Alps and Crystal Gunns began their *SCORE* columns, Montana wrote a column for us. She did it all.

In one of the rare times that a *SCORE* model interviewed another *SCORE* model for a full-length article, Montana spoke with Tawny Peaks for the July '93 issue of *SCORE*. Tawny's first pictorial as a feature dancer accompanied the interview. "I had the pleasure of meeting Tawny a few months ago when we were both in Sanibel Island, Florida, shooting photo layouts for *SCORE*," Montana wrote. By October 1993, Montana had ended her travels as a feature dancer. Fourteen years later, this collection of photos from her various pictorials serves as a tribute to this red-haired vixen. On that street of busty dreams called Mammary Lane, Montana–freckled, lovely and always super-sexy–is a *SCORE* Girl to remember.

fall and back again in the spring for the rich folks who have summer and winter addresses and want to have their boats ready to play on when they arrive. My southern contact, the dockmaster in Fort Lauderdale (where I was to deliver *Sea-Duction)* had told me that I'd be picking up some VIP in Annapolis to join me on the rest of the cruise to Florida. The VIP was due tomorrow, which gave me 24 hours to stock up on supplies, give the boat a good cleaning and fill the larder with food. I'd never ferried this particular yacht before, but after four days of working on it, I knew that this was a vessel I could live on and be very happy for at least, oh, forever.

I got a mooring in the harbor for the night. The next morning, bright and early, I was back in Ego Alley, waiting for my rider. I don't know what I'd been expecting, but what I saw walking toward me took my breath away. Think Nordic statuesque. Think fashion model with mammaries. Think six-feet tall, legs that came up to her armpits, long, platinum hair and breasts that could never be called boobs, sweater meat, fun bags, or any other slang. They were Breasts with a capital B, and they were made to be worshipped.

They were encased, barely, in a halter top with a low, square-cut bodice. Below the top were acres of white skin, ending well beneath the navel at her low-slung, nearly legless dungaree shorts. An outfit like that almost demanded high heels for the fantasy effect, but she wore sensible boat shoes, sunglasses and carried a duffel. At that moment, if you'd asked me about Lucia, I'd have answered, "Lucia? Lucia who?"

When the VIP stopped alongside the boat, she dropped her duffel bag, raised her sunglasses to the top of her head and focused her pale blue eyes on my staring brown ones.

"Good morning, Captain," she said. "Permission to come aboard."

She knew boats and boating etiquette, and I smiled broadly at her, a smile she barely returned.

"Permission granted," I said. "Welcome aboard. My name's Tony."

I took her duffel and then her hand as she stepped onto the deck.

"Selene," she said. No last name. No

WHAT HAPPENS WHEN THE ALL-AMERICAN GIRL GETS NAUGHTY? HARD-ONS HAPPEN!

Harmony Bliss thinks of herself as the girl next door. She calls herself a "shy bookworm" and, at the same time, a "horny exhibitionist." And here, for her seventh appearance in *SCORE* since her debut in the December '01 issue, we're seeing another side of Harmony. The kinky side. "I love this outfit," she said. "It makes me feel so naughty. I mean, most of my breasts are covered, but then my nipples are poking through the holes. Isn't it great?" It sure is!

"I'm not a raunch girl," Harmony said. "I don't have any really raunchy stories to tell like some of the other girls have. I'm just a dancer and a model and a reader of *SCORE*. I'm really like a lot of the guys who have been reading *SCORE* for years." But as this picture of Harmony proves, she's not like *any* guy we've ever seen. Tits hanging invitingly. Pussy pulled open. "I was always very quiet and reserved growing up, which is probably why the adult world attracted me so much," she said. "When I was growing up, I was into school, studying, reading and my pets. That was it. But now..." She's a walking sex fantasy.

MAIDEN VOYAGE

Continued from page 92

pleased to meet you, no go to hell, nothing. Her name, though, seemed to fit. My memory of mythology told me that Selene was the moon goddess: pale, distant, and cool. She picked up her duffel and said, "Can you please show me to my stateroom?"

I led her below deck to the master stateroom in the bow.

"I'll either bunk in the starboard stateroom or on the watch berth in the pilot house, depending upon whether we're tied to a dock or at anchor," I said.

She nodded and told me she'd see me topside after she'd unpacked.

When she reappeared, I started the engines, and Selene undid the lines without my having to ask her. When I called down from the flying bridge, she drew the lines in, and we were free of the dock. Fifteen minutes later, we were steaming south on the Chesapeake. Selene joined me as I steered us into the channel. She traced our route on my navigation chart, her long, blonde hair reflecting sunlight as the breeze caressed it. As she leaned over the chart, I had trouble keeping my eyes from straying toward a sight that was more canyon than cleavage.

I asked her if she lived in Annapolis. She smiled distantly and said, "I really can't say." Why was she bound for Fort Lauderdale? "I really can't say." I asked if she was going to Florida for business or pleasure, and she said, "I really can't say." She smiled, and I promised I wouldn't ask her any more personal questions, as much as I wanted to.

"I do know my way around boats a little," she said, "so whenever you need help with something, don't be shy about asking me."

I asked her where she got her experience, and she just smiled and said, "I really can't say."

Now I knew how Lucia felt. But somehow, the effect didn't come off the same. Whereas I'd been coy, Selene was being cool, like her mythical namesake.

As we cruised down the Chesapeake toward Norfolk and south, Selene showed no hesitancy in contributing her share to the operation of the yacht. She could plot navigation courses, communicate on the VHF radio, maintain the engine logs and do other things nautical. In addition, she and I shared cooking, cleaning and laundry duties equally and

without any gender bias. We made a fantastic team, but although I felt we were growing closer, Selene always kept a polite wall between friendship and intimacy. Occasionally, I'd catch her looking at me with a serious expression on her face. When I did, she'd smile, blush a little and look away. *What was that all about?* I wondered.

We took our time. We stopped for a few days' layover at Solomons Island, Maryland and Carter Creek, Virginia, where we biked, hiked and treated ourselves to dinner ashore. And yes, we still slept alone. There was never an indication of sexual interest from her, and I was becoming resigned to the idea of a total platonic, working relationship. Not that I didn't spend a lot of time fantasizing about that rack at night as I was trying to fall asleep.

When we got underway again, we'd just tucked into the mouth of a river feeding into the bay when a sudden squall kicked up and we picked up a distress call from a sailboat caught in the storm with a snapped mast. The coordinates placed the foundering vessel less than a mile away. With a glance at Selene, who merely nodded, we weighed anchor, fought our way through the torrent and picked up the family from their swamped and sinking boat. I radioed the Coast Guard that they were safe, and an hour later, the cutter arrived to take them aboard. Meanwhile, Selene had given them towels and dry clothes (some mine, some hers), then fed them all and comforted the two kids while we waited for the Coasties and watched the storm dissipate. Alone again, back at anchor and getting ready to settle in for the night, I had just hopped into my sleep shorts when I heard Selene call me from below.

I found her in the master stateroom, sitting on the queen-sized bed, her back against the cushioned headboard, wearing make-up for the first time and nothing except a sleeveless, knee-length, black negligée that tied only at the top. Her legs were together, with one knee raised and exposed. The negligée's gossamer fabric caressed her breasts, and the folds radiated across and down from her nipples. Her smile was now all sun, no trace of moon.

"My hero," she said as she drew one half of the negligée aside to reveal a nipple that was nearly as light as her skin but grew subtly darker as it approached the areola.

I wanted to fall on my knees and wor-

ship her, for Selene was truly a goddess. Instead, I replied with the only thing I could think of, lame as it was: "My lady."

I knelt on the bed and crawled to her. As our lips and tongues met, my hand paid tribute to her exposed mammary perfection. My fingers explored every inch of her tit flesh.

I kissed Selene's lips, face, ears and neck and continued down the soft slope of her breast until my lips found her nipple. I kissed around it, smelled a trace of rose perfume and kissed her hardening nub. My lips encircled it and gave it the gentlest of nips, and my mouth closed around it.

She sighed and had me lie down between her legs with my head in her lap. She drew aside the other half of her negligée and leaned over, resting her breasts on my face. She rubbed them from side to side, allowing me a look at her angelic face as she separated her magnificent tits and rubbed them alongside my head.

When I turned over and my face fell between her legs, I saw that Selene's short, downy pubic hair was almost as light as the hair on her head. The rose scent was here, too. I cupped her ass cheeks in my hands and lifted her hips so my tongue could probe deeply.

"Oh," she sighed as she ground her pussy against my face.

At Selene's urging, I lay on my back, and she mounted me in the 69 position. She lowered my shorts and slipped one hand between my legs to caress my balls as the other encircled my hard cock. I felt her hair fall across my thighs before I felt her lips on me. She kissed every inch of my crotch and then devoted herself to sucking my cock as I pulled her pussy to my mouth for more tonguing.

Her negligée was still on, and I had to move it up her back in order to fasten my mouth to her delicate, butterfly-winged labial lips. My hands traveled up her sides to cup her breasts through the fabric. Soon, those succulent breasts were sandwiching my erection, and the muscles in my butt tightened as Selene caressed my cock with her breasts and traced her nipples up and down its sensitive underside.

It was natural to go from this to the doggie position, and as I eased my cock into her pussy, Selene reached back to pull one of my hands to her tits. When we fell onto our sides, like a pair of spoons, both of my hands were holding her breasts, gently. I didn't want to hurt

them but couldn't allow them to escape. Not that they wanted to escape. Selene was showing no reluctance at all. Quite the opposite.

Selene turned onto her back, but instead of entering her, I buried my face once more into her pussy. Surprised, she gave a cry and came. Then I fucked her pussy with my cock, our tongues buried in each other's mouths, and after a few minutes, I took my cock out of her cunt and straddled Selene's chest. She pushed her breasts together. As my cock-head peeked above her cleavage, I could feel her tongue lapping at it.

"Closer," she said. "Bring it closer to my mouth. I want to suck it again."

My cock was in her mouth, and a pillow was underneath her head to give her a better angle for sucking. I was ready to cum, but I wasn't sure of Selene's intentions. I looked down at her face as she released me to say one word: "Yes."

I went into an immediate and powerful orgasm, spraying my spunk onto her face and into her mouth. She took it all, and when I was spent, she rubbed my cock all over her face as if she were cuddling a pet, then returned it to her mouth, all the time looking up at me with an expression on her face that totally blew me away. Finally, she rested my cock on her lips and smiled up at me.

We stayed that way for a few minutes, catching our breath and enjoying the moment. Then she said, "You're trying to hide a grin. What?"

"Just a stupid thought," I said. "Like, why would a lady pack a negligée in a duffel bag?"

"One never knows," she said. "As the Girl Scouts say, be prepared."

My cock was bobbing up and down on her lips as she spoke. She smiled, and my cock rested on her teeth. Then she opened her mouth ever so slowly and let it slide inside.

Oh, yes, life was good.

For the rest of the cruise, we slept in the same bed, whether in the master stateroom or on the double watch berth in the pilot house. When we arrived at *Sea-Duction's* dock in Fort Lauderdale, I was genuinely grieved to see Selene leave. Not grieved. Devastated. I still didn't know who she was or where she lived, only that once she left the boat, I'd probably never fuck her again or maybe even see her again.

We stood on the dock and watched Jerry, the dockmaster, as he walked to-

ward us. Selene turned to me, shook my hand and with formality, told me how much she'd enjoyed cruising with me. Then she said goodbye, picked up her duffel, exchanged a look with Jerry and walked out of my life.

"Good cruise?" Jerry asked.

"What word is infinitely better than good? That woman is amazing. What can you tell me about her?"

He walked me into his office. He sat on the corner of his desk and I sat in the chair facing him, my back to the door.

"Her name is Selene, and she's just gotten a divorce from a very crooked, very big-time lawyer in D.C. Abused her emotionally. Really a horrible guy. If a scorpion saw him, it'd run away. A dog bit him once, and the dog died."

"Okay, okay, I get it," I said. "The scumbag's not the issue right now. Tell me about her."

I'd known Jerry for years, and I knew that he was stretching this out. And enjoying every minute of it.

"Hmmm," he said, frowning as if trying to remember. "Let's see. Her home's here in Lauderdale. It used to be their home until the settlement, which was finalized last week in D.C. You were bringing her home from that. I know that in return for her promise to keep mum about her ex-husband's abusive behavior, she gets the villa, a generous monthly check…"

"And the boat" came a silky voice from behind me.

I turned and saw Selene, smiling.

Jerry announced, "My cousin Selene. Your VIP."

I looked from one to the other, confused, then forgot all about Jerry as Selene's arms encircled me and her lips locked on mine.

"Sorry for the deception, Tony," she said, "but I had to learn certain things about you for myself without your knowing who I am. See, I'm thinking of taking *Sea-Duction* on a cruise down through the Caribbean and making a swing around the Gulf. I'll need a good captain, and you've more than proved yourself to be that. In many ways. So, will you be my captain?"

I was so blown away, so happy that for once, I didn't know what to say.

"And if I can persuade you to stay in Florida, you can live aboard the boat, take her out whenever you want," she said. "Of course, if you'd rather live in the villa instead…"

Did I mention, life is good?

MEET CHAVON TAYLOR, A BUSTY TEEN WHO'S GONNA MAKE IT BIG BY MAKING YOU BIG.

"The first time I had sex, I hooked up with a guy who was two years older than me," said Chavon Taylor. "We did it in a car. I know, pretty ghetto, right? I should have and could have waited. I just thought I needed to catch up with my friends. I sure am catching up now!" What Chavon means is that she fucks a lot, not only in her personal life, but in videos. Coming soon to the *SCORE* Video Club, a stacked teenager fucks a mean cock!

Chavon was born in Waltham, just outside of Boston, Massachusetts, but she's always had her eyes on the bright lights of Los Angeles, California, where she lives now. "I'm a party girl," said Chavon. "My perfect evening is one where I can get all decked out with my girls, looking fly as hell, then go to some huge house party while having the bomb-ass time. I don't like to go on formal dates. The dates I like are when a guy brings me to a party or a club or someplace that's really happening, and then we go somewhere and fuck afterwards. For me, fucking is almost always part of having a good time." But don't expect Chavon to make the first move. "I like when guys take over," she said. "But sometimes guys are shy and girls are just horny. If I want dick, I'm not going to stand around and wait for it all night. I'm going to go and get it! I've even done it on the bathroom floors in clubs."

Young. Pretty. Big, natural tits. Loves to fuck. We have a feeling that Chavon is going to follow in the footsteps of Brandy Talore, another stacked *SCORE* Babe who made it big in porn. "I'm not always going to do this," Chavon said. "One day, I want to be a cosmetologist and do makeup for the stars. But for now, I'm having a fucking blast!"

DENISE DERRINGER'S GLORY HOLES

DENISE DOESN'T CARE WHOSE COCK SHE'S FUCKING AND SUCKING. SHE JUST NEEDS IT BAD...IN ALL HOLES!

When *SCORE* favorite Denise Derringer's scene opens in the new DVD *Big Tit Glory Hole*, she's in a dark, mysterious chamber with graffiti on the walls. Hands are poking through holes in the wall and feeling up her E-cup tits. Suddenly, two cocks come through the holes, and horny Denise decides to suck them. Crazy shit is happening here. "Are you gonna come around and fuck me?" Denise asks, then she takes another deep suck of both cocks. "I want you to come over here and fuck me."

CHECK LIST

DENISE DERRINGER **BIRTHDAY:** December 16th **HEIGHT:** 5'5" **WEIGHT:** 133 lbs.
BRA SIZE: 36E **MEASUREMENTS:** 42-27-36 **PREVIOUS *SCORE* APPEARANCE:** July '06 (boy-girl); Feb. '06, Nov. '05 (boy-girl anal), May '05, Oct. '04; Jan. '04 **VIDEOS:** *Big Tit Glory Hole* (XXX-Rated, avalable on page nine); *SCORE Xtra #12* (XXX-Rated, available on page 115) and *My Boob Heaven* (XXX-Rated, available at eBoobStore.com)

Two appearances in the Xtra centerfold in 10 months is unusual, but when she's sucking cock while getting her ass slammed, she's earned it. Besides, we love the fact that Denise does such dirty, raunchy hardcore (no-holes barred and all), and she's only done it for *SCORE*. "Oh, I want it in my ass," she moans as one cock prepares to move from her tight cunt to her tighter asshole. And by getting what she wants, she gives us what we want.

KAYLA KUPCAKES CUM SEXPLOSION

THE SECOND TIME AROUND, KAYLA REAFFIRMS HER XXX PROWESS. WERE THERE EVER ANY DOUBTS?

After 11 years of never fucking on film (but fucking quite a bit in her cock-filled personal life), Kayla Kupcakes has become a bit of a regular in the Xtra section. In the April '06, we saw her fucking and sucking for the first time on the premises of Beach Babies, the hair salon she owns in Fort Lauderdale, Florida. And here she is again, this time in a scene from the DVD *SCORE Sexplosion*. "He had a big cock, and he fucked me hard," Kayla said. "Now I'm wondering why I waited so long!"

A review of SCORE *Sexplosion* on the Internet noted, "Kayla doesn't fuck like a first-timer, especially when she is on her back with those massive mounds shoved together around his meat." Said Kayla, "He fucked my pussy so hard, I was walking funny for days. And he came so much, I was still picking it out of my hair the next morning, even after taking a shower." As for business at the hair salon..."Since I started fucking in videos, it's never been better." Glad we could help, Kayla.
