SCORE BOARD

A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.

Did Natalie Fiore (above left) deserve to be April's covergirl? Or should it have been Jayna James?

THE READER'S LETTER WE NEVER, EVER THOUGHT WE'D RECEIVE

Dear *SCORE*,

I am probably in the minority here among your readers, but I think you feature way too many newcomers. Don't get me wrong. Newcomers are great if they cut the mustard, but you often make the mistake of compromising too many fresh faces at the expense of putting out a subpar product.

Take the April 2007 issue. I thought your first three issues this year were solid, but this one was less than stellar. Four newcomers, with one stealing the cover, and only Jayna James, in my opinion, deserved to be in the magazine. Meanwhile, a *SCORE* legend like Kayla Kleevage does your best spread of the year so far in an appearance that was long overdue. To borrow from football coach Denny Green, "If you want to crown Ms. Fiore's ass, THEN CROWN HER! But she was what I thought she was," and that was mediocre at best. She couldn't hold a candle to Jade Feng or Alena Snow, let alone compete for Newcomer of the Year for '07. Maybe she is suitable for *Voluptuous*, but she's not suitable for *SCORE*.

Anyway, instead of using too many newcomers as filler, I think you should limit yourself to one newcomer an issue. I think you should fill the remaining space with models like Kayla Kleevage who are long overdue for some pub: Sana Fey, Mary Carey, Corina Curves, Lovette, Ava Devine, Maxi Mounds, Plenty UpTopp, Shay Sights, etc. Where have all these lovely ladies been?–B.B., Madison, Wisconsin

Dear B.B.: You must be in the minority because yours is the first letter we've ever received about publishing too many newcomers. We usually try to present as many as four in an issue, although usually we stick to two or three. And our standards are always very high. But, readers, what do you think? Are there too many newcomers in SCORE*?*

NATALIE FIORE AND DELOTTA BROWN: TWO STARS ARE BORN

Dear *SCORE*,

"A Star is Born"? You got that right. Natalie Fiore (April '07) is spectacular, and the two-page introduction to her debut pictorial was the most cock-hardening opener I've ever seen. What a sexy, mature beauty, and what a great photo of her on page 109 with her natural beauties framed by the curtains. More!

I agree that your other natural newcomer in the issue, Delotta Brown, ranks right up there with the bustiest naturals ever, and she's definitely one of the sexiest. In my mind, I'm still super-imposing my cock into her cleavage in that photo on the last page of her pictorial in which she's bunching up her breasts and licking the imaginary tip that's popping through the top. Dare I say that Delotta, not Natalie, should've been your covergirl?–G.P., Fort Myers, Florida

THIS GUY IS TELLING US WHAT *SCORE* MEN ALREADY KNOW

Dear *SCORE*,

I've had the opportunity to date a lot of big-breasted women, and I've had the good fortune to be able to titty-fuck all of them. I was wondering if it's the same for all breast-men. Are the majority of girls with big racks letting their guys plow their titties, or do some girls balk at this idea? Do I just have the touch? What's the percentage of girls who let their guys blast their sweater puppies? Just curious.

Take it from me, there is no better feeling in the world than getting a titty-fuck. I have a loving wife who has the assets to do the job, and she does it well, knowing how much I enjoy it, but I had a girlfriend about 10 years ago who had the greatest rack known to mankind, and she used to ask me all the time if I wanted to "have sex with her boobs." Hell, yeah! She would get this smile on her face and watch mesmerized as I plowed her titties. And the things that came out of that girl's mouth. Legendary!

I just hope all of you have the opportunity to titty-fuck once in your lifetime. It's the greatest visual ever. I've dated

Delotta Brown (April '07) ranks up there with the bustiest naturals of all time.

Daphne Rosen (above left) and the legendary Nilli Willis are two busty Israelis.

plenty of small-breasted women and it was great, but there was always that one act they couldn't perform. Dating a girl with huge knockers, knowing that if you play your cards right and things get intimate, you'll have a good chance to be blasting away at those huge sweater mountains, is the ultimate high.–Tom N., Ardsley, New York

DAPHNE-COLT SWEATER DEBATE

Dear *SCORE*,

In the article with Daphne Rosen's pictorial in the March '07 issue, you said, "For those of you who remember (or still have) Colt's historic sweater pictorial, we'd like to know your opinion." Guess that's my cue!

First, I've waited years since Nilli Willis' departure for another busty Israeli to take the stage. Daphne Rosen's body is very qualified to fill Nilli's space. As for whose pictorial was better, Colt 45's or Daphne's, I can't decide. With both buxom beauties, you get the feeling that one D-E-E-P breath and those tops wouldn't stand a chance (although Colt's massive titties did look like they put more of a strain on the fabric). *SCORE* will just have to put these two busters in a tit-to-tit challenge and let the fans decide. Please!

Thank you for the "Tits in Tight Tops" pictorial. You people get it. Big busts straining against too-small tops and bras is a fantasy in the making! Denise Derringer might explode out of her *SCORE* halter top! Sweet!

Also, thank you for the pics of Montana. Her hair, sparkling eyes, big, full boobs, snug young-girl pussy and great womanly ass have been missed. I hope she is living her dream of working in radio.–B.G., via email

SCORE GIRLS ARE THE NICEST? HEY, WE ALREADY KNEW THAT!

Dear *SCORE*,

I attended the Exotic Dancer Fan Fair (March '07) and while everyone was very nice, the nicest (as well as the prettiest) models were *SCORE* models. In particular Crystal Gunns, Cindy Cupps and Summer Leigh.

As I discovered on two Boob Cruises, *SCORE* doesn't just have the most beautiful girls. It has the nicest as well.–D.B., Austin, Texas

WE THINK THIS GUY'S IN LOVE

Dear *SCORE*,

Please tell Laura Fairchild (April '07) that even though she doesn't show her pussy and obviously will never do hardcore, in my mind, I've already fucked that sweet cunt and dropped my load all over her big tits several times. She might try to act sweet and innocent, but in my mind, my cock is between her tits.–J.B., via email

PLEASE SHOW ALL OF NICOLE

Dear *SCORE*,

At last, the long awaited reappearance of Nicole Peters (March '07)! But what do we get? Close-up pictures of the type we've seen many times before.

Can you please, please show this beautiful girl in full-length poses, standing, kneeling, partial back view, etc. She does have legs, doesn't she? Is your photographer so overcome by Nicole's beau-

Nicole Peters (March '07) has great tits. She also has a bit of a gaping pussy.

VIXEN LAMOORE DOESN'T HAVE TO TAKE HER CLOTHES OFF...

Dear *SCORE*,

I've enjoyed *SCORE* for many years, and it seems that every time Kayla Kleevage (right) appears, I write to you to say how thrilling she is. She gets more exciting with every appearance, and her tits exemplify everything *SCORE* stands for. Special compliments to Kayla (right) for her choice of that sexy red dress in the April '07 *SCORE*. If any dress should be in an exotic dancer's wardrobe, that's it.

On the subject of sexy outfits, I never thought I would shoot several loads over a model whose entire layout shows her wearing a variety of revealing tops while never actually letting her tits pop out. Vixen LaMoore's wonderful "On The Town" layout really surprises me by how often I jack off over it.

Compliments to Summer Sinn for the finest XXX layout you also published in that edition. Doing XXX convincingly in still photos requires a special allure and a special talent. A girl can get away with a mediocre performance in a live-action DVD if the editing is good. Ms. Sinn has that special allure and cock-handling skill that makes her layout so very arousing.–C.J., Philadelphia, Pennsylvania

Dear C.J.: Here are some shots of Vixen that didn't make the final cut for her "On The Town" layout. On second thought, maybe we should've run it 10 pages!

Final details are not yet in place, but among the candidates for the Bahamas trip are SCORE Girls with the following initials: L.M. and N.F. Stay tuned!**

Kelly Kay shaved off some pubic hair so we'd have a better view of her pussy.

ty and stupendous breasts that he has to get in close?

You'll just have to publish more (many more!) pictures of Nicole to make amends. Also, as she was overdressed in so many of the pictures, can you please make the pictures of her totally nude and (fingers crossed) totally shaven?–K.B., Gourock, Scotland

SCORE CAUSES AN OIL SHORTAGE

Dear *SCORE*,

Delotta Brown (April '07) is one of your best *SCORE* debut women in a very long time. I couldn't get oiled fast enough to spank my monkey to her huge areolae.

By the time I got to one of my all-time favorite big-titted models, Kayla Kleevage, I was able to work up a huge woody and started to slowly oil myself in anticipation of dropping another load on this fantastic woman. Kayla seems to get better each time she appears.

Thanks for showing the comparison shots of Wendy Whoppers and Morgan Leigh ("Scorecard"). They both have the *SCORE* figures I look for.

Kelly Kay has been one of my favorite big-titted women in *SCORE*, even though she did not show a lot of pussy. Her clean-shaven pussy improved her image in my mind by 100%.–David, Kearny, New Jersey

Dear David: Kelly has been very busy lately. Find out more about what she's been doing in "Boob Beat" on page 21 of this issue.

THE GIRLS NEED FUCK MACHINES

Dear *SCORE*,

Fuck machines seem like a good theme for an entire edition of *SCORE*, doesn't it? All the models seem to be comfortable with at least a little dildo play in their layouts these days, and most men aren't at all interested in seeing some of the ugly males featured in the XXX shoots. Why not one edition with fucking with all the different kinds of machines available…and the girls, of course, giving their reviews so we know which machines really are the best.–J.B., via email

ANOTHER DAY WITH ANGELA?

Dear *SCORE*,

I was wondering if we might be seeing an encore to *A Day With Angela White* in the near future? Angela is just divine, and there is nothing better than being able to watch hours of her at home. I did enjoy seeing her in motion with Brandy Talore in *Busty Ladies of Oil Wrestling,* but there is something special about having her alone. Please ask Angela to make another movie with just her for hours.–David, via email

Dear David: At this time, there are no plans to do another Angela White solo movie, but we'll keep it in mind.

MORGAN LEIGH STEALS THE SHOW IN *BIG-TIT GLORY HOLE*

Dear *SCORE*,

I recently purchased the *Big-Tit Glory Hole* DVD. I was expecting great performances from all the female models, especially Denise Derringer and Daphne Rosen. But one model stood out with flying colors, namely Morgan Leigh. Great breasts on such a slim body and a cute tush. She performed with great emotion during her solo scene, plus there were great, low-level views by the photographer, showcasing her enormous breasts and cleavage. Her performance with the dildo almost seemed believable.–S.G., via email

Dear S.G.: Almost? Morgan thanks you for the compliment, but she said, "I definitely get off whenever I do a masturbation scene. I wouldn't do this if I didn't enjoy it.

Lucky hubby wins Denise Derringer's bra

Love is a wonderful thing, ain't it? Even more wonderful is a wife who doesn't mind that her husband reads (and most likely jacks off to) *SCORE*. And even more wonderful than that is a woman who enters the "Win Denise Derringer's Bra" contest in the March '07 issue because "I want it as a gift to my husband."

This is the kind of thing that can make a grown man weep with gratitude. It's the kind of thing that makes us wish all women were like Cathy C. of Whittier, California.

Do you believe in karma? Hey, we don't know if we do, but we do know that the least-selfish person in the contest had her name picked at random from the hundreds of entries in the contest. Cathy, we hope your husband enjoys Denise's bra, and we hope you enjoy watching him jack off into it.

Hey, Cathy, by any chance, you wouldn't be able to fit into that bra, would you?

Who will win Daphne Rosen's bra?

Daphne Rosen was thrilled to personally autograph this bra the last time she visited the *SCORE* Studio.

"I guess whoever wins it is going to jack off into it, right?" she said, smiling. "I hope so. That's what I would do if I was a guy and I won a busty girl's bra."

For the record, Daphne now stuffs her cans into a G-cup bra. Also, for your information, the bra we're giving away (right) is the exact bra she's wearing at the beginning of an upcoming Scoreland.com hardcore video.

Want to win Daphne's bra? Then all you have to do is write on a piece of paper your name, mailing address, email address and the statement, "I am over 18 years old and want to win Daphne's bra." Then sign it and mail it to: Win Daphne's Bra, *SCORE*, 1629 N.W. 84th Avenue, Miami, FL 33126.

Sorry, no email or fax entries for this contest. The deadline is July 15, 2007.

BUSTY COCK ROCK

FIVE HORNY, STACKED BABES TURN UP THE XXX VOLUME!

MILF balldrainer Vicky Vette takes cock up her ass and a cum facial from her son's college roommate. A man with a big hose wants to put out the fire in Jada Fire's butthole. Jem Stone is a buxom British beauty who learns how to convert centimeters into inches. Cock inches! Petra has modeled with dildos in *SCORE* for several pictorials the past few years. Now she's ready for real man-meat. Jessie Lee is a German babe who's wasting no time fucking and sucking in front of the camera. Three hardcore debuts. Two anal slammings. These busty babes will rock your cock!

Good things come to those who wait. Petra is a pre-med student from the Czech Republic who has made three solo appearances in *SCORE*. Honestly, we never thought she'd do hardcore. "I used to be shy. I didn't have a lot of confidence," she said. But look at her now! Petra's sucking cock and riding dick on camera like she was born to do it. "I don't know if I want to be a doctor anymore. I want to be a porn star."

Vicky Vette

Everyone's favorite big-titted anal MILF does it again in a scene that could have only come from the dirty minds of your *SCORE* editors. Vicky plays a mom who goes to visit her son at college. When she gets there, he's sitting around his dorm room with a bunch of friends. The son and his friends go to class, leaving the son's roommate behind with Vicky, who quickly makes the most of her visit by eating his cock and taking his young dick up her ass.

We didn't have to wait long for this sexy waitress from Germany to start fucking and sucking in front of the camera. Jessie Lee and her DD-cup naturals debuted in the May '07 issue of *SCORE*, and here she is, spread and porked! Judging by her scene in *Busty Cock Rock*, Jessie can have a long future in porn...if she wants it. "I loved doing it on camera," she said. "It's so dirty!"

BUSTY COCK ROCK

Jessie Lee

"I'm a very versatile girl," Jada Fire said when she debuted in the Dec. '06 issue. "I love sex. I love a hard cock. One, two, even three at once." Jada went solo in that issue, but we knew we'd soon be seeing her doing what she does best: welcoming cock into her mouth, cunt and asshole. "Men can never decide if they want to fuck my tits or my ass," she said. "Hey, why not both?"

SCORE VIDEO PICK OF THE MONTH

BUSTY COCK ROCK

Jada Fire

Jem is a Brit teen who told us, "I don't have much interest in posing for solo pictures. When I take my clothes off, I want to get shagged. My pussy reacts instinctively to it. It gets naked and wants to get fucked." Jem's pussy gets what it wants in this scene. As for Jem's first appearance in *SCORE*, you're looking at it right here. Love at first sight?

BIG BOOBS IN THE NEWS

DEAL OR NO DEAL?

IF IT'S KELLY KAY AND HER MUM, JANE, DEAL!

Millions of British television viewers saw *SCORE* Girl Kelly Kay and her mother Jane beat the banker for 50,000 pounds on *Deal Or No Deal.*

While Jane was playing, Kelly sat with her mother and even spoke to the banker during the game. Together, they made an unbeatable pair. Jane missed Kelly's 21st birthday to appear on the show, but her win made up for that.

Although Kelly and Jane didn't discuss their busty assets with host Noel Edmonds, eagle-eyed tit lovers recognized Kelly as a six-time *SCORE* model and the star of BustyKellyKay.com. Not surprisingly, this revelation generated a lot of interest on British TV and in the newspapers, especially the part about Jane and Kelly posing nude together for the November '05 *Voluptuous*. Video of that photo shoot is part of Kelly's first DVD, *Alone With Kelly Kay.* (A solo of Jane was just published in *40Something* magazine, *SCORE* Special #147).

Kelly and Jane are now the most famous mother-daughter modeling team in the U.K. The family that poses together sticks together and deals together.

"Kelly and I do a lot of things together," Jane said. "I'm helping Kelly decorate her house at the moment, and we always seem to wear the same clothes."

Kelly noted, "My mum would go to London with me for my shoots. The photographer was always telling her what a great body she has, so after months of persuasion, she agreed to pose with me. I think Mum has a great body, and I thought it would boost her confidence."

Jane told reporters from *The Sun,* "I only appeared in a brief scene with Kelly, and it was topless and tasteful. The photographers were complimentary about my looks and asked me if I would be interested in joining in. At first I thought there was no way I would do it. I suppose I just got wrapped up in the whole thing. I was used to seeing Kelly pout at the camera and thought she looked great. No one could deny what a great body she has, a body that I gave her. I thought that posing with her would be a boost to my confidence, and I was right. It felt so good having my make-up done professionally, the photographers telling us how good we looked, and just the studio atmosphere made me feel so empowered and sexy. It was very glamorous. We knew men liked staring at our figures, so if you've got it, why not flaunt it?" Why not, indeed?

"The way I saw it, I go topless on the beach with Kelly, so why not do it in front of a camera?" Jane proudly said.

TEENAGED BRA-BUSTER BLOSSOMS INTO A WOMAN

Stacked beauty Anna Song returns in this follow-up to her first DVD, *Climax With Anna*. *Voluptuous* magazine readers voted Anna hottest Newcomer of the Year. When you see this DVD, you'll see why. Her big, natural cakes will jack you up!

JUG FURNITURE

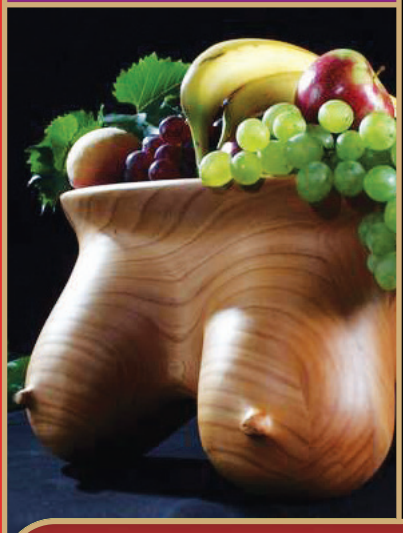

Woodworking expert Mario Philippona lovingly designs a wide range of wooden furniture in the shape of female breasts and legs. That's where the term "chest of drawers" comes from. One of the cabinet maker's latest pieces is a fruit bowl in the shape of realistically sculpted, life-sized wooden breasts. It's called Titty Fruity, perfect for melons.

Mr. Philippona's work includes a wine-glass cupboard in the shape of boobs, a table supported by legs and a bedside drawer. He creates his breasts and legs molds from real models.

"I established my design and cabinetmaking shop in Maasland in the Netherlands, in 1993," he said. "I try to work in an ecologically sound way, employing timber from my own region. In my sculptural work, the most attractive shape of the female body inspires me. My passion for wood and the form of women have led to this sculpted sexy furniture."

Mario's furniture can be seen on the Net at sexyfurniture.nl. He should try creating some furniture based on *SCORE* models' titties, but it wouldn't be cost effective, considering the cost of the extra wood. Imagine a bowl based on Cindy Cupps' breasts.

Mario Philippona makes wood furniture and other household accessories shaped like boobs and legs.

German hookers are being retrained to become geriatric nurses. Great idea! Put them in the same room as horny old dudes with heart conditions!

ANGELS OF MERCY

Play-for-pay girls in Germany are being given the chance to retrain as geriatric nurses. About 30 hookers are taking a two-year training course for auxiliary nurses in North Rhine, Westphalia. The ingenious plan is aimed at both easing a chronic shortfall in German nurses and to offer an alternative to the sordid world of hooking.

One of the founders of the program, sponsored by the European Union and a Protestant church, said, "They are very good at dealing with people. They don't get squeamish and have absolutely no fear about touching or being touched. Competition in prostitution is fierce today, and the days when one could make a decent living out of it are long gone, especially once they hit their 30s."

We should add that many hookers have highly developed sponge-bathing and groin-massage techniques.

IT'S HARD ATTACK TIME ALL OVER AGAIN

Imagine Adam Carolla and Jimmy Kimmel of *The Man Show* opening up a burger place, and you've got the Heart Attack Grill restaurant in Tempe, Arizona.

The restaurant's motto is, "Taste…worth dying for." It serves massive, grease-packed hamburgers with names like the "Triple Bypass Burger" and "Flatliner Fries" that are deep-fried in lard. You might as well just eat cholesterol.

The restaurant's owner calls himself Dr. Jon and wears a doctor's coat. Dr. Jon calls his waitresses "nurses" and has them dress as fantasy nurses in miniskirts, stockings and stripper shoes. They wear stethoscopes around their necks, crosses on their nurse caps and chest-clinging tops. In other words, they dress like they're posing for *SCORE*. Sometimes they even jump into the arms of the customers, which alone could cause a hard attack, if not a heart attack.

Believe it or not, the Arizona Board of Nursing asked the Arizona attorney general to write to Heart Attack Grill to advise Dr. Jon that only a person who holds a valid and current license to practice professional nursing can use the title Nurse. A spokesperson for the Center for Nursing Advocacy said, "It's not only the Heart Attack Grill. It's the whole 'naughty nurse' image. It's the constant association of sex and nursing that we object to. And it creates an environment where people actually think that nurses are people you can have anonymous sex with, these brainless sluts." We're stunned that people think of nurses this way. The board decided it would not take any action against the Heart Attack Grill.

Doc Jon countered, "As men, we had our civil rights ripped from us in the early 1980s when the women reporters had a right to go into a male locker room after the big game. Women have hair salons, tea parlors. Why do men not have places to go? Why can't I have a place with fries dipped in lard and Marlboros and sexy gals dressed in a fantasy outfit? And if the fantasy happens to be a nurse, who does it offend?"

He says the Heart Attack Grill is "a real guy's place." Alpha Male Mondays is advertised as "For every party of four carnivores or more, we extend the opportunity for the Alpha Male to show his obvious superiority over lesser men." By eating an entire "Triple Bypass Burger."

To placate its foes to a degree, the restaurant's website has a disclaimer stating that the Heart Attack Grill's nurses are not real nurses, lest confused Tempe locals in need of medical treatment ask to be taken to a hamburger shop. "We're not trying to disgrace anybody," a waitress said. "I think nurses are great. It's a wonderful profession. If I had a better stomach, I might go into it myself."

Check yourself into HeartAttackGrill.com. Your stomach will thank you.

If Autumn-Jade worked as a waitress, she would serve lots of heart attacks.

BREAST FACTS: MORE BOUNCE TO THE OUNCE

A *SCORE* and *Voluptuous* model recently participated in a top-secret boob bouncing experiment for a university research department. Her contribution may help to revolutionize the multi-billion-dollar bra industry. When we get the okay from her, we'll reveal her identity and what she did in the lab.

There is a lot more to tit bouncing than people realize. Right now, dedicated men and women with fancy degrees and credentials are studying the movement of flying knockers with the same zeal that you have.

How do scientists measure breast bounce movement? There is, in fact, a mathematical formula to measure this phenomenon. The natural bounce quotient (NBQ for short) is the average distance that both nipples move during each bounce divided by the average distance that the sternum moved during each bounce. The higher the NBQ, the bouncier the subject's breasts. Women with very big breasts may have a lower NBQ because their breasts are so heavy that they don't move as much. Women with a higher cup size tend to have a higher NBQ, and those with a smaller cup size tend to have a lower NBQ.

The bounciness of a woman's breasts is determined not just by the size of the boobs but also by how firm they are. This formula is critical to scientists creating better, more load-bearing bras. There is also the bounce quotient. The bounce quotient is the bounciness of a girl's boobs when wearing a bra. When a girl's NBQ is divided by her bounce quotient while wearing a bra, the result is the bounce minimization of that particular bra. The higher the bounce minimization factor, the more the bra reduces bounce. The lower the BMF, the less it reduces bounce. It's enough to drive you nuts but it's helping scientists make better bras. We could go on for pages but you get the pointers, right?

A fast shutter speed helps to freeze the bouncing hooters of Lorna Morgan, Kerry Marie, Chloe Vevrier and Chaz in this photo from the set of the movie *On Location Key Largo*.

ROGREVIEWS: *SCORE SEXPLOSION*

On the Internet, Roger T. Pipe of RogReviews.com is a well-known critic. Here's his review of the hardcore movie *SCORE Sexplosion* starring super-busty jiggle-mates Penny Porsche, Kayla Kupcakes, Summer Sinn, Danielle Derek and Karen Fisher: "This is a movie for tit lovers by the guys who know big tits the best. *SCORE* is the world's leading producer of big-boob material. If you love big tits, then this is a quality rack-flick. The women are sure to make your hearts race. There is a lot of great tit footage. We get to watch boobs get oiled up, lotioned up, sucked, squeezed, fucked and shaken every way possible. The pop shots end up coating those hooters in gonad gravy, which is exactly where the audience wants it. When these babes get through, there won't be a dry lap for any tit-loving porn fan out there."

BOOBS AND PUSSY GALORE

Actress Honor Blackman, Goldfinger's right-hand woman Pussy Galore in the 1964 James Bond flick, had problems getting movie roles early in her career because producers thought her boobs were too big. The actress, who also played adventuress Cathy Gale in the British TV show *The Avengers*, revealed that her agent once told her to deemphasize her gifts.

"She told me, 'For God's sake, do something about your tits!' I was taken to the Queen's couturiers, and two ladies measured me, supported me, pushed me, patted me and stroked me. Eventually I emerged a wiser and somewhat firmer young woman." Still busty, too.

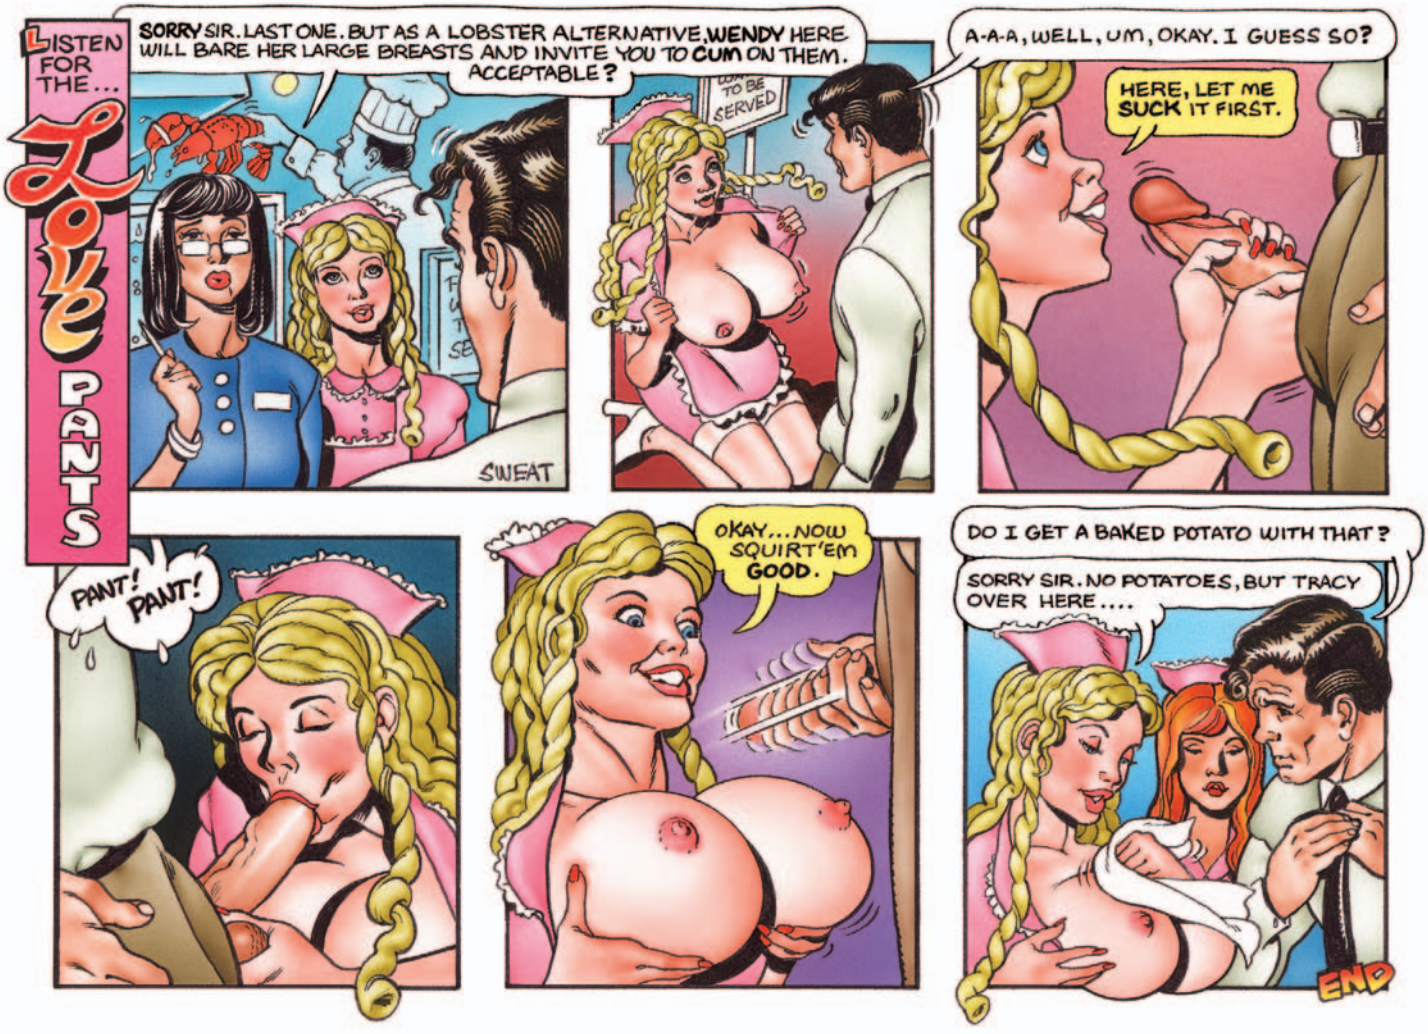

HOW TO MEASURE HER TITS

Every few years, we go over the basics of boob measuring, strictly as a public service to you, the boob lover. Before you begin, please note it's important to get permission from the young lady, unless you have a good attorney.

First, hold the tape measure beneath her shoulder blades and measure around her ribcage, directly under the bust. Add five inches to the result. That's the right bra size. If the bra size works out to an odd number, go up one inch to the next even number. Then measure around the fullest part of the bust. Don't pull the tape too tight. Subtract this number from the band size, noting the difference in inches. This number is used for the cup size, using these guidelines: A one-inch difference is a size A, two inches is a B, three inches is a C, four inches is a D, five inches is a DD or E and six inches is an F. Easy, eh?

Measuring the bustlines of girls for bra fittings is a very serious science and is not to be taken lightly. Anyone who thinks it's all a big joke should just get the fuck out of here.

TIT-FUCK TRYOUTS

Two boob experts decide to produce the world's hottest big-breast challenge. They seek out five of the nastiest *SCORE* and *Voluptuous* magazine models and convince them to enter their contest. The girls are pitted against each other in compeTITive cock sucking, fucking and tit-fucking. Let the breast-sex games begin. Who will jiggle her way to the top?

EMILY CARTWRIGHT: BIKINI BUSTER

Emily Cartwright (May '07) of Preston, Lancashire is stuffed into her extreme bikini, exactly what we like girls to wear, no matter the climate. She has a beautiful body made for bikini busting. Now that summer's here, make room for those bikini-covered hooters!

As you can see, her skin is very fair, and she burns in a snap, so she has to lather the goo on heavy. We wouldn't mind seeing her tits all creamy. She's been modeling since 2001 but only now decided to "wear the air."

Emily was 13 years old when her tits began growing big, and she was 24 when they reached their current size, 36H. Emily's favorite bras are half-cups by Fantasie and Freya. She was the bustiest girl in school, and she would get into trouble for showing too much cleavage. Some jealous bitches gave her a hard time, but she overcame their prejudice. When Emily goes out to party, she enjoys wearing "anything very tight and see-through."

Emily Cartwright told *SCORE*'s editors that she learned how to give deep-throat blow jobs by studying porn vids.

TAKE A DIP IN THE POOL WITH HORNY CANDACE VON, THE ULTIMATE WET T-SHIRT GIRL.

For Candace Von's first appearance in *SCORE*, we could've shown her with her DDD-cups wrapped around a cock. Candace would've happily obliged. After all, she's a porn star. But there are some things that, to a tit man, are even hotter than tit-fucking. Even hotter than blow jobs and pussy fucking. Here's one of those things: a busty babe in a wet T-shirt. Turn the page for yet another thing.

Candace has had her mouth, tits and pussy fucked in numerous porn films, yet here she is on the second spread of her pictorial, and her panties still haven't come all the way off. Why? Because it's almost summer. Because few things are better than the sight of big, wet naturals in a too-small bikini. And because she'll show her lovely pussy soon enough!

There we go! Naked tits! Spread, pink pussy. “This is what I’m used to,” Candace said, “although I can’t say I was totally surprised when the photographer asked me to keep my bikini on for so long. Guys love to be teased, and guys who love big tits like the tease more than most. Men who like pussy want to see pussy. They need it in their faces. Men who like big tits like how big tits look in certain things. They like the promise of things to come. And I always deliver on my promises!”

THE *SCORE* INTERVIEW

Karen Fisher

"I have my shy side and my wild side. This is my wild side."

Get to know both sides of this *SCORE* favorite.

Interview By Dave Rosenbaum

Karen Fisher is a **SCORE** *Man's kind of girl. She's beautiful, of course, with her classic all-American good looks: blue eyes, long, blonde hair, F-cup tits, a narrow waist and a big, broad, fuckable butt. But she's the girl-next-door, too. The kind of girl who will very willingly fuck and suck on camera but then get a little bit embarrassed about watching herself on video.*

This is our second full-length interview with Karen. The first appeared in the Holiday '02 issue underneath the headline, "JUST AN ALL-AMERICAN BIG-TITTED MILKER." Karen told us, "People who knew me in high school can't believe what I do. I was painfully shy. I grew up in the conservative suburbs with conservative parents. I was a jeans and T-shirts girl."

She's still a jeans and T-shirts girl. But is she still shy? Let's find out…

SCORE: Hi, Karen, and welcome back to *SCORE*. The first time I met you was in 2002, and I interviewed you for the Holiday '02 issue.
KAREN: I remember that.
SCORE: Back then, you were lactating. Are you still?
KAREN: Sometimes. Barely.
SCORE: You used to have lactating sessions in which you sold your own milk Do you still do that?
KAREN: Not anymore. I don't have enough milk in my breasts to do that.
SCORE: So if there are any guys out there who have a cup of your milk…
KAREN: It's a collector's item. But it probably isn't good anymore.
SCORE: So your life has really changed since the last time I interviewed you.
KAREN: It has. A lot has happened.
SCORE: Good stuff? Bad stuff?
KAREN: Good and bad. Mostly good.
SCORE: What's the good?
KAREN: I moved to Florida from Oregon, so that's nice. I'm living in the sun. Nothing really spectacular has happened to me over the past five years, but I'm having a good time. I like the sun. It's too rainy in Oregon.
SCORE: The sun looks good on you. And you have blonde hair. Blue eyes.
KAREN: Kind of bluish-greenish, depending on the day.

SCORE: Aren't you glad that I noticed? Out of every 10 guys you meet, how many notice your eyes first?

KAREN: Not very many. *[Laughs]* Most guys notice my boobs unless I'm hiding them. But when they're out there, they're the most noticed.

SCORE: You know, the first time I met you I said, "Karen seems kind of shy." But you're not, are you?

KAREN: I'm not shy once I get to know someone. I have my shy side and my wild side. This is my wild side.

SCORE: Now, there's a great video on Scoreland.com in which I held what we called a "Post-Fuck Interview" with you after you did your boy-girl scene in *SCORE Sexplosion*. And although you seemed a bit embarrassed about watching yourself having sex, you couldn't take your eyes off the screen. Had you ever seen yourself on video before?

KAREN: No. I've started to watch a few of my scenes but I was like,"This is just too weird." I look at my layouts but to watch the video is weird.

SCORE: Your scene in the DVD *SCORE Sexplosion* has some great tit-fucking action. Is that something you do often?

KAREN: Not really. You'd think I would do it more, but I don't.

SCORE: Are you telling me guys don't want to fuck your tits?

KAREN: Most guys don't even ask, which is strange because my breasts are what most men are attracted to.

SCORE: You need a *SCORE* Guy.
KAREN: *[Laughs]* Yeah, maybe I do. Usually men who are attracted to me like large breasts, but for some reason, they don't try to tit-fuck me.
SCORE: Do you like tit-fucking?
KAREN: Yeah. It's fun.
SCORE: Would you ever say to a guy, "Fuck my tits"?
KAREN: Sure. I probably have.
SCORE: When you're having sex with a guy, he'll never cum on your chest?
KAREN: It's not that it's never happened. Just not that much. Most guys just cum in my pussy.
SCORE: In your mouth?
KAREN: *[Laughs]* No, not really. Well, it depends on how much I like the person, but in general, no.
SCORE: Ridiculous. In *SCORE Sexplosion*, you start your scene by masturbating with a removable shower head. Do you ever do that in your personal life?
KAREN: I have, but it's tricky. You need one of the shower heads where you can twist it to get a more powerful stream. The other kind still feels good, but it can't finish you off like the adjustable ones can.
SCORE: You know the jets in a swimming pool? Can they get you off?
KAREN: Sometimes. Hot tubs work bet-

ter because they're a better height and the jets are stronger.

SCORE: You've done all this?

KAREN: *[Laughs]* I did it once at a resort. There was an area where the hot tub was, and then there was the pool, and I was just sitting there watching the people in the pool, but really I was getting off with the jets. And it worked!

SCORE: In *SCORE Sexplosion*, you give the guy a great blow job. You get lots of his cock into your mouth. Good suction. Where'd you get your technique from?

KAREN: I don't know. I just figured it out, I guess.

SCORE: And you do a great job sucking his balls. Do you have to be careful when you're sucking a guy's balls?

KAREN: No, not really. I just suck. I don't think you ever have to be careful. I've never had a guy say, "Too much suction on the balls."

SCORE: Sucking balls: like it or dislike it?

KAREN: I like it. I like the way it looks on video, especially in my scene. It looks cool.

SCORE: When you see yourself on video, are you surprised by the size of your boobs?

KAREN: Actually, sometimes I think they look smaller. But sometimes I do think they look big.

SCORE: What's the best way way for a guy to get you off without going down on you?

KAREN: Stimulation on my clit with his fingers or tongue. Fingers in my pussy is good, too.

SCORE: One finger? Two fingers?

KAREN: Two fingers is good.

SCORE: How about having your nipples played with?

KAREN: I like it as long as you're not too rough. Don't tug on them or bite them. I'm not really into pain.

SCORE: What's your favorite position?

KAREN: I don't really have a favorite. I like them all. When I'm doing a video, I like the positions in which I'm comfortable and can really enjoy the sex, like reverse cowgirl.

SCORE: You're pretty comfortable with being naked, aren't you?

KAREN: Yes.

SCORE: How about having sex in front of people?

KAREN: Maybe in front of a few people, that's fine, but an entire crowd? No. It all depends on the situation. If it felt right, four or five people would be okay. Like, when I'm doing a video, like *SCORE Sexplosion*, there really aren't a lot of people watching, just three or four, which is good.

SCORE: What do you like best about having sex on camera?

KAREN: It's exciting. It's kind of kinky.

SCORE: Let's discuss cock size. What's big to you?

KAREN: I know all women say this, but for me, it's true. If you're ridiculously small, yes, it matters, but once you're to a certain size, it doesn't matter. Some guys have really big ones and they still don't know what they're doing. Experience and knowing what to do with it counts more than size.

SCORE: Well, let's go up the scale of inches, and as I name a size, you can tell me whether it's too small, too big or just right. Ready?

KAREN: Okay.

SCORE: One-inch cock.

KAREN: *[Laughs]* Oh, that's too small.

SCORE: Three-inch cock?

KAREN: *[Hesitates]* Too small.

SCORE: You hesitated there!

KAREN: You need to show me a ruler because I'm trying to picture what three inches is. Is that like the size of my middle finger?

SCORE: I don't know. Probably. *[Hands Karen a tape measure]*

KAREN: If he was thick enough, he'd probably be okay.

SCORE: Four-inch cock? We're talking hard now, by the way.

KAREN: Four inches you could probably get by with.

SCORE: Five-inch cock?

KAREN: Five inches is good. That's fine.

SCORE: Eight-inch cock?

KAREN: Eight inches is probably as big as I want to go. I don't like too big. Too big hurts.

SCORE: Eleven inches?

KAREN: I don't think I've ever seen one that big, so I would have to try it to be able to say for sure.

SCORE: Well, I have this package of dildos. And here's a big one. *[Tosses it to Karen]* Can you measure it for me?

KAREN: *[Takes out a tape measure and measures the dildo]* Ten inches. And it's five inches around.

SCORE: Is that too big?

KAREN: I think so. I don't think I could take that all the way in. *[Eyes the dildo]*

SCORE: Wanna give it a shot?

KAREN: *[Laughs]* I knew this was coming. Sure!

Jewel of India

BUSTY KYM IS A TREASURE. BUT PLEASE DON'T TELL HER PARENTS WHERE YOU FOUND HER.

Well-known fact: England is home to some of the biggest natural racks in the world. The biggest, according to a recent study. Lesser-known fact: Chicks from India have very big natural tits. They just tend to be very conservative and don't show them off. Fact: Kym is an English babe of Indian descent. She has big tits.

SCORE DEBUT

"My parents would never talk to me again if they knew about this," Kym said. "My father would probably have a heart attack, and my brothers would be talking about their sister the whore who disgraced the family. But I don't think there's anything disgraceful or dirty about a beautiful body. If my body can make men happy, that's a wonderful thing. There's not enough happiness in this world."

Kym loves spreading happiness. "I've been told that I give great blow jobs," she said. "And men have been known to stay buried in my breasts for hours on end." Of course, Kym's parents don't know that. "I'm sure my father thinks I'm a virgin. But how could I have remained a virgin for long? There's so much love to share!"

ON A SCORCHER OF A DAY IN SOUTH FLORIDA, CINDY CUPPS' BODY WAS STILL THE HOTTEST THING AROUND.

Good news, *SCORE* Men. The long winter is over and summer is almost here. But we have some bad news for you, too. Chances are that unless you visit South Florida and run into Cindy Cupps on the beach (yes, that *is* possible), you will not see a single babe who does justice to a bikini like Cindy does in the above photo. You can look long and hard, but it just won't happen. Women with EE-cup tits and 24-inch waists are simply not commonplace. But then again, who said Cindy wasn't special?

Cindy's girl-next-door charm makes her special. The 18-inch difference between her waist and chest makes her special. The fact that this is Cindy's 14th appearance in *SCORE* since 2000, putting her up there with the all-time greats, makes her special. And the fact that Cindy looks so damn hot in these photos, even though these pictures were taken on a day when it was too damn hot in South Florida (high 90s, oppressive humidity) is testament to what a special model she is. "When I stepped into the hot tub, I said, 'It's not much warmer than the air temperature!'" Cindy said. "But it was fun because shooting for *SCORE* is always fun. It's like home." And Cindy is always welcome.

THE DIARY OF A FEATURE DANCER

BY CRYSTAL GUNNS

Christmas Week
Gallagher's, New York City

I have four words for this place: I love this club!

Gallagher's is my favorite club. Not only do I love the staff but my most loyal fans are in New York, too. These are my true fans. They've been with me from the start. They were dedicated fans even when I only had been in one *SCORE* pictorial. I've been featuring for six years, and every time I come to New York, they always come to see me. Some of them have never missed a show.

Gallagher's has me once a year, always during Christmas week. Joe is the general manager, and he is the best boss to work for. Cheryl is the house mom who always helps me out whenever I need something. The girls are beautiful and sweet. And one of my favorite bouncers, Steve, works there. Whenever I have a problem with someone, he's always right there to help me. This club always looks out for me and always makes me feel at home.

Gallagher's serves alcohol, so the dancers can go topless only. The club does get a lot of drunks, but most of them are happy drunks. The club has two stages: the main stage and the bar stage. The main stage is rarely open, so the features do their shows on the bar stage. The bar stage is in the middle of the bar, and most of the time, around 60 to 90 customers sit around it. So once you have danced your three songs, you get off and go around the bar. Once in a while, a drunk guy tries to touch you or tries to pull off your G-string, but that only happened once to me all week.

Bob is a sweet guy and one of my biggest fans. He came to see me twice while I was dancing at Gallagher's in New York.

This week was great. The weather was nice, in the 60s, which is unusual for New York City in December. All my fans came to see me, and we partied. I also got a lot of gifts. My fans always bring me cool gifts around Christmas. I got diamond earrings from John. Delmo did another sketch of me which came out beautiful, like always. David got me a spa package, and Joe got me a CD holder, a blanket for the stage, body spray and a day planner for 2007. I also got some boxes of chocolate from other people. Oh, and I almost forgot to mention Hector, who is really not a fan of me. He's a friend of Casey James, and he gave me a DVD set of *The Jeffersons*. He knows that is one of my favorite old sitcoms, so every year, he gets me a new series.Thanks, guys!

I also buy gifts for my fans. Usually, I go out and by a whole bunch of stuff and do a grab bag with them. This year, I did it differently. I went out and got something for each individual person. I got them gift cards to Red

Just laying back and relaxing in the back room at Gallagher's!

Lobster, Dunkin Donuts, Starbucks and other places.

Of course, all of the fans who come to see me are *SCORE* readers. They like that I come to New York once a year so I can sign all of the new stuff I'm in.

But I am a little mad at one of my fans, and he knows it. He reads *SCORE*, so I must mention him. Every year, he brings me a cheesecake, but this year he didn't. His name is Wayne, and he wears a badge that says, "Official Tit Inspector." I was so disappointed. I look forward to my New York cheesecake every year. I said to him, "What, are you trying to put me on a diet?' and he said, "No, don't say that." He told me he'd make it up to me next year and bring me two. But he knows I love him.

Delmo, one of my fans, drew this for me as a Christmas present. Can you imagine me as a superhero?

I want to mention one of my fans who is very loyal to me. His name is Bob, and he is a huge fan of me and *SCORE*. The first night he came to the club, we talked about my column. He told me he loved it and wanted to be in it. I had forgotten my camera at my family's house, so I told him that if he came back the next day, I would take pictures of us. He was so excited and took the model release home to sign. The next day, he was back at the club with all the paperwork and ready to shoot some photos. How could I say no to a huge fan who comes to see me every year? I truly love my fans. Without them, there would be no me.

Also, for all my fans out there, if you want to pose in a photo with me and be published in *SCORE*, I'm all for it. Just come to see me when I'm in your area and tell me you're interested in being in *SCORE*. My column is not all about me. It's also about my loyalty to my fans. Make sure you bring your driver's license or photo I.D., though, because you'll have to sign a model release. Sorry, but those are the rules!

The end of my week at Gallagher's is always sad. I am only in New York City once a year, and that's the only time I get to hang out with my coolest fans. It's also sad because I'm from New York, and all my friends and family are there. When I feature at Gallagher's, I don't stay in a hotel. I stay at my family's house, and that makes it more like home.

What a great Christmas week! It's great to be with people who really care about you, and it's great to celebrate Christmas with your family and friends. I can't wait till next year when I'll be back at Gallagher's again.

Oh, by the way, stop bringing me all those boxes of chocolate! I already gained weight. Now I have to lose those extra five pounds. You know who you are, John and Phil!

Justice (far right) is one of the dancers at Jaguars Gold. She and her mother, Sharon, opened a bar nearby.

Jaguars Gold
Odessa, Texas

I call this club the Whatever You Want To Do On Stage Club. It is such a laid back and fun place to work. I have been coming here for six years.

Jaguars Gold is a chain in Texas. I have worked at almost all of their establishments. This one is in Odessa, Texas, which some of you might know from the TV show *Friday Night Lights*. I always love coming here because my two favorite girls dance here. Their names are Casey and Justice, and I've known them for a long time. Like I've mentioned in past columns, I usually don't become close with the house dancers, but these two girls are special. We hang out every single day I'm in town. I even hang out with their kids.

The staff is so welcoming at this club. They even have a house mom who cooks dinner and brings it in for the girls. Nicolai is the general manager and the DJ on the weekend. He helps make the features so much money when we're on stage.

Okay, let's get down to the good stuff. In Texas, there is this one weird rule. When the dancers are on stage, all of the customers must sit at least six feet away. There's tape on

Casey always takes me to the best restaurants when I'm in Texas.

Here I am in my dressing room at Jaguar's. Unfortunately for the customers, this is the most naked I'm allowed to get on stage. Legally, that is!

the floor all the way around the stage, and the customers can't cross it. Well, Jaguars Gold doesn't always follow that rule. They're very laid back, like I said, but they've been raided by vice a few times. Customers, dancers and staff have all been arrested. But the club wants the features to do good shows, and the place gets so packed, it's hard to move around.

The DJ, bouncer and I have a code when I go on stage. When the lights get brighter and the DJ says "Christina Marie," the bouncer gets me off the stage and starts throwing T-shirts into the crowd. The reason for this is that all the guys are piled around the stage and the place gets so packed, all the customers violate the six-feet rule. But if the club is giving away stuff on stage and there are no dancers on stage, then the club doesn't get into trouble.

I really don't do dirty shows. The most I do is light candles, let the wax build up and let the guys pour it anywhere on my body. Okay, now I'm going to tell you guys a little secret, but I will not mention names. The week after I left, another feature, who's a porn star, came in after me. She's actually one of my friends. Well, she did her show on a Wednesday, and everything was fine. But on Thursday, she was arrested for sucking a customer's dick on stage! She stayed in jail all weekend and was released on Sunday. Some customers, dancers and staff were arrested, too. The girls were arrested because when they're dancing for a customer, they have to stand three feet away. But no one pays attention to that rule, and they grind the customer. The customers went to jail because of the law against soliciting a prostitute. That's why I'm careful on stage. Texas law is crazy. The police have the right to raid the club every 30 days.

Justice dressed as a tequila bottle 'cause she knows it's my favorite drink!

Fortunately, there are a lot of *SCORE* readers in Texas, and I have a lot of fans whenever I go to Jaguars. I didn't get arrested, and I had a great time meeting everyone!

While I was there, one of my friends, Justice, dressed as a tequila bottle because she knows that's my drink of choice. So you know I had to take pictures of that. Also, this is a B.Y.O.B. club. Customers have to bring their own alcohol because the club only sells soda and juice. Well, Justice and her mother, Sharon, opened a bar not far from the club. Sharon used to be a house mom at the club. She's very cool. So I would go to Sharon's bar to play pool and have a couple of drinks. Sometimes we even went during the day.

Casey and Justice are really good friends. Casey doesn't like to shop, but when I come in to town, we shop. She hates when I'm in town because I make her spend money! She always takes me to good places to eat, too. Every time I leave, I miss those two.

That's all for this month. I'll see you at the clubs!

Is there a doctor in the house? Actually, most guys want to give me free mammograms!

Sweet tits!

IN OR OUT OF A SKIN-TIGHT TOP, HARMONY SWEET HAS A PAIR THAT GETS HER NOTICED.

We return once again to the subject of clothing. On pages 52-59, we saw Cindy Cupps destroying a string bikini. On these pages, we see Harmony Sweet, one of our favorite naturals, wearing a short, denim skirt that any girl could wear and a pink top that any girl could wear. But something tells us that if Harmony went walking down the street, her E-cups bouncing up and down in that getup, she'd cause massive hard-ons all over the fucking place.

"Stuff that so-called 'normal' girls can wear looks a lot different on me," said Harmony, who in the September '06 issue mauled a C-cup bra. "I mean, I'm an administrative assistant in a big office, and I have to dress properly, but the rules are different for me than they are for the other girls in the office. The ones with small breasts, that is. If they wear a white top with a bra underneath, it's no big deal. But if I do the same thing and my bra's a little too tight, then every eye in the office is going to be on me all day."

Harmony says she's been called into the boss' office a few times to discuss her "inappropriate style of dress." She protested that several girls in the office were wearing even less than she was. "The rules are different for big-breasted girls than they are for small-breasted girls," she said. "I've always known that. If I show cleavage, I'm probably showing more boob than most other girls have! But I've learned to live with that. Those other girls didn't get to be in *SCORE*. AUSSIE ANGELA WHITE WAS BORN TO PLEASE. SHE KNOWS ALL THE RIGHT MOVES.

It was during a recent lunchtime meeting that associate editor Elliot James said of Angela White, "She must be hot as fuck in bed." It was during that same meeting that editor Dave pointed out that Angela is one of the few models to have fucked her pussy with a dildo on the opening spread of a pictorial (Dec. '03). And here's red-hot Angela again getting red-hot right away!

Here's how much Angela loves to spread and show her pussy. About a year ago, we asked Angela to have a friend snap a bunch of pictures of herself at home and around town in Sydney, Australia. She did, and the wonderful results can be seen in "At Home With Angela White" in the Holiday '06 issue. But even though we didn't ask Angela to take off her clothes, she did. She spread her pussy, too. "I just couldn't resist," she said. Man, how we love hearing those words from a woman like her. But there just aren't many women like her!

What A Rack-quet!

Even when Cyndee played singles, everyone stared at her doubles

FICTION BY JOE MONKS ILLUSTRATIONS BY OTIS SWEAT

The water in the tub was hot, but Cyndee couldn't unwind. Her trainer, Gerhard, had brought in a masseuse, but that hadn't helped relieve the stress, either. *Maybe if she'd just listen to his advice and forget about the letter for the time being…*

But she couldn't. The letter sat there on the lid of the toilet where she could still read the first few lines.

TO: Ms. Cyndee Tresty

Cyndee closed her eyes and crossed her arms as best she could in the too-narrow tub. Too narrow for *her*, at least. Cyndee had a hard time crossing her arms anywhere. She folded them beneath her titanic knockers–truly unsinkables–and let the hot water flow over her tits as much as possible. This, too, was tough, because to get her nipples underwater, she would have had to lay with her head underwater, too. Her tits were simply *that* big. Too big, it seemed, to be a tennis player.

Cyndee got out of the tub, frustrated, grabbed all four of the hotel towels (didn't any hotel in the world have a towel big enough to wrap around her upper body?) and walked inside, barefoot, her gravity-defying tits still dripping. She flipped on the TV, ESPN. She wondered if they were going to say any…

Yup. There she was, racing cross-court in her match against Serena at the French Open. The turning point, in more ways than one. She wondered how much they

would show, although she knew: They'd show as much as they could.

Cyndee had seen it a thousand times, but she still had to watch. There was Serena's shot to the deep corner. No way anybody could return that shot, much less with a winner. But Cyndee had. Tits straining against her industrial-strength bra, she reached the shot on her forehand side, and leverage did the rest. With jugs like hers, once she got the momentum going, any shot could be a killer, and this one was. She blasted a rocket up the line that Serena hopelessly watched go.

And then, it happened.

Cyndee's mamms had been going in one direction, Cyndee in the other. Her bra, unable to defy the laws of physics, had torn in two. The eight, thick anchor hooks in the back gave out, and the cloth around her thick underwire had torn loose. Her boobs had spilled free, and one of them had shot right out of her spandex top. The crowd at Roland Garros had been stunned. The match, being broadcast to about a gazillion people, had suddenly become a peek-a-boo show. While she'd struggled to reign in her wayward whopper, the crowd clapped politely. Damned French and their obsession with titties you could fit into a champagne glass. So what if Cyndee's tits would overflow a 7-11 Double Gulp cup?

Now, the president of the WTA was threatening to ban Cyndee from Wimbledon if she couldn't guarantee that she could keep her cans under control. If she didn't sign the waiver attached to the letter, despite being ranked No. 2 in the world and winning the French Open, she was out.

Cyndee lay down, caressing her humongous hooters and making her bright, pink nipples go hard. They jutted out from her expansive mounds, and soon Cyndee found a way to put the letter out of her mind. She fingered her nipples, pinching and squeezing them until they were as hard as the graphite frame of her tennis racquet. *Hmmnn*, she thought, *now there was an interesting idea.*

Cyndee yanked The Hammer (her pet name for the racquet) out from under the pillow and grabbed a brand-new tennis ball from the bedside table. *Oh, yeah,* she thought, *this is the way to do it.* She opened the towel and left it beneath her, pressing the rough, fuzzy tennis ball against her clit. Oooh, that sent a sensation running up and down her well-toned legs. Instantly, her pussy started to get wet. She turned the ball over and over, making the light green covering dark with girl grease. Pretty soon, the ball was soaked with her juices. She pressed it hard against her puffy lips, closing her legs and rolling over, getting onto all fours. Squeezing the ball between her thighs as tight as she could, she thrust her hips down into a pillow like she was fucking it. *Too bad Gerhard hadn't sent up a straight guy to rub her down,* she thought.

Cyndee's pendulous breasts swung as she used the tennis ball to get off, her pussy spasming and twitching until she couldn't hold onto the ball any longer. She parted her thighs, and the orb dropped onto the towel with a wet splat.

Cyndee was so revved up, she didn't want to stop after just one cum. She positioned the head of her racquet deep between her legs and held it in place with her ass cheeks. Her tight buns grasped it firmly, and Cyndee started grinding her snatch against the base, pressing into it harder and harder so that it spread her cunt lips and the nub of her clit was rubbing against the rough, rubber grip.

"Oh, fuck, fuck yeah!" Cyndee moaned, gripping the handle with one hand and increasing the pressure on her sensitive center. She started to get off, slowed, then went back at it furiously, unwilling to put her orgasm off any longer. When the feeling came over her, she sat back, the cool curve of the graphite head snug up against her asshole, the shaft of the racquet tucked between her oozing vag lips. Her tits thrust forward, Cyndee came with a massive flood of syrup running down her thighs, staining the towel. Gripping her heaving boobs, she squeezed her nipples just enough to send a last shudder up her spine.

Tomorrow, she told herself, she'd go out and kick some serious ass.

On the morning of the first round of the Barcelona Kia tournament, the final tuneup before Wimbledon, Gerhard arrived with some new bras–shipped from her custom bra-maker back home–and a huge roll of…duct tape?! Cydnee couldn't believe it.

"I am not taping my boobies

down!" Cyndee protested. "They can't make me!"

"No, they can't," Gerhard agreed. "But if you pop out again, they don't have to let you play Wimbledon. And if you can't play at Wimbledon…"

"I can't win the Grand Slam," she finished, downtrodden.

The Grand Slam. Winning the four major tournaments was within reach. She'd breezed at the Australian Open and won three other tournaments before beating Serena at the French Open. Next up after Barcelona was Wimbledon, the granddaddy of them all. She'd dreamed about winning the Grand Slam since she'd been a little girl. Well, little everywhere except in the boobs department. She'd never been little there.

"But if they don't swing," she protested weakly, "my backhand and forehand won't be as good. I need my boobs to be in sync with my body."

Gerhard stepped forward and gestured for her to remove her top. Reluctantly, she did, and Gerhard started taping her breasts so that they would stay snug inside her bra. While he was biting off a long strip of tape, Cyndee reached down inside his shorts. She stroked his cock while he spent an excruciating 20 minutes taping her tits. Then he turned her around and slipped the new custom bra over her head. This bra was a one-piece, a thick underwire with no hooks in the back. At Roland Garros, one of those hooks had nearly taken a ball boy's eye out, it'd ricocheted out of her top so fast.

Cyndee reached back and continued to stroke Gerhard as he fought to get Cyndee's trademark Spandex top back over her head. Cydnee's first-round match was only an hour and a half away. Once the skin-tight top was back on, Gerhard yanked Cyndee's skirt down and her panties with it. Cyndee gasped–Gerhard never touched her like this before a big match!–and felt his beefy cock tease its way into her wet canal. She wanted it almost as much as she wanted the Grand Slam.

Cyndee ground her ass hard into Gerhard's muscular thighs, his cock buried to the short hairs up her love tunnel. She reached between her legs and fondled his heavy balls, churning up the tide of cum she anticipated would soon be flooding into her.

"Do it, Gerhard. Fuck me, baby. Fuck me good so I can go…go out…go out and…"

She couldn't finish. But Gerhard was finished, and she felt like her insides had just been injected with a warm stream of fire. Before she even stopped climaxing, Gerhard padded her bulletproof chest and whispered in her ear, "Your forehand and backhand seem fine to me." Then he was gone, leaving her to prepare for the match.

But with her tits strapped down, Cydnee's game was off. She struggled through her first-round match against an unranked opponent, needing three sets to advance. She didn't play any better in the next three rounds, but the quality of her opponents wasn't up to par, and she managed to get by.

She barely made the finals, but on a sunny Sunday afternoon, she was down four games to love in the second set and playing steadily worse. She had needed a tiebreaker to win the first, and now it looked like the second set was going to slip away. She walked to her bag between games, grabbed a water bottle and sat down.

Then, something happened. Somehow she hadn't noticed it before, but the crowd was chanting. She turned around. There, up in the crowd, somebody had written on a big piece of cardboard the words: SET THEM FREE! Below the slogan was a cute little caricature of Cyndee as she had been at Roland Garros, tits jiggling wildly as she ran.

Now, the rest of the crowd had taken up the chant. "Set them free! Set them free!" rained down from every section of the stadium. Elsewhere in the stadium, somebody had taken up their own sign, printing in big, bold letters a play on her name: WE LOVE BRESTY! With a heart for the word love.

Cyndee knew what she had to do. She reached under her top, beneath the cups of her bra, and tore away the sweaty duct

"They come in small, medium and large, sir. We don't have any 44s."

tape Gerhard had painstakingly labored to apply. *If I can only make it through this set*, she thought. If only her bra could just hold on for six games, then she could play at Wimbledon, maybe ranked No. 1 going in.

Determined, her breasts swaying to and fro, she took two balls from a ball boy who had a hard-on so obvious, she thought it might tear a hole in his shorts. She stuffed one ball deep into her pocket so that when she ran, she would feel it where it counted. Then she tossed her first service ball high into the air and unleashed the full weight of her juggernauts into it.

Ace! The crowd erupted. Six games later, with Cyndee hoisting the Barcelona trophy high overhead, her boobs straining against the soaked cotton of her top, the cheers were deafening. The following morning, the Barcelona papers reported that chants of "Breasty! Breasty!" could be heard from half a mile away.

Roger Hobbs was not pleased as he waited in his office at the All England Lawn Tennis Championships facility in Wimbledon, England for his meeting with the world's No. 1…freak show.

Talented Cydnee was, but the traveling caravan of media and the circus atmosphere, all because of the No. 1 player's huge breasts, was certainly not what he wanted for Wimbledon, the world's greatest sporting event. He'd had enough of seeing the coverage on ESPN and the front pages of the London tabloids, plus, of course, the parade of pictures on page six of the local rag. There was no shortage of photos. But he wasn't going to allow another Roland Garros, or even Barcelona. No, today, Hobbs was going to put a stop to it.

Cyndee and Gerhard sat down, and Hobbs launched into his tirade. Cyndee had heard it before, but it sounded particularly harsh today. She noticed all the newspapers and magazines on his desk. All featuring her. The color photograph from this morning's paper showing her with both of her breasts exposed was particularly sexy. On the cover of *Tennis* magazine, a fan was holding up a sign reading "CyndEE #1!" The man had highlighted the EE, though it had been a long time since she had been a mere EE-cup. Still, lots of fans liked highlighting her boob size on posters, so she never corrected the error. *Too bad my name isn't Sarah*, she thought. The guys would have

a field day adding a second big, bold H to the end of her name.

Gerhard was protesting loudly, but Hobbs had lain down the law. If Cyndee pulled another stunt like she had at Barcelona–despite her tits not being exposed for a change–she would be disqualified. Not only that, she would be banned from Wimbledon for the following year's tournament. Cyndee gasped.

"B-but you can't do that!" she yelped, jumping to her feet. She quickly put her arms down at her side. Her tits had nearly slipped under the cups of her everyday bra. Hobbs tapped the marble placard on his desk.

ROGER HOBBS PRESIDENT WTA

The message was clear. With heat rising in her face, Cyndee started to say something else, but Hobbs held up one hand and stopped her.

"Dismissed," he said curtly. "We have rules of decorum at the All-England Tennis Club, and you will follow them."

Cyndee's face flushed with anger. Hobbs looked up distastefully, noticing Cyndee's nipples, which were as plain through her blouse as the buttons that adorned it. Gerhard's hard-on was pretty obvious, too.

"And point those things somewhere else," he said, ushering Cydnee and Gerhard out the door.

Outside, Cyndee said, "What are we going to do? You saw how I played at Barcelona without these." She cupped her gigantic jugs and gave them a shake. "I'll never win with my tits strapped down! I can't!"

Gerhard thought for a moment, then smiled at her.

"I have an idea," he said at last. "But let's wait for the right moment.

Cyndee won her opening match, but it took three sets and another uncharacteristic tiebreaker to do it. Her opponent, Andrea Vloptskekova or something equally unpronounceable, had been ranked 296th in the world.

Cyndee got only slightly luckier in the second round when her opponent had to retire because of a sprained ankle. That was also a three setter, and Cyndee had only been up 3-2 in the third.

Worst of all, the heavyweights still lay ahead. Maria, Serena, Lindsay…any one of them could knock her off the way she was playing. And Hobbs, sitting at center court for each of her matches, was obviously loving it.

The papers were having a field day,

too. When she'd stormed off the court after the skin-of-her-teeth first-round victory, the back page of *The Sun* had read "TESTY BRESTY?"

The rest had followed suit. Stuart Scott on ESPN had fun with the double-entendres, noting Cyndee had two more "big challenges" to overcome and had "huge mountains to climb" if she wanted to win her third straight major.

Most alarmingly, her opponent in the next round had breezed so far. Had lost only one game. Hadn't yet lost a set. It was time for Gerhard to share his plan.

Listening to the idea while Gerhard massaged her bottom, kneading her ass cheeks deep into the muscles (his own hard muscle buried between them and slow-stroking her to the point of climax), it sounded zany. But as Gerhard made her breasts heave with another orgasm, it seemed worth trying. Besides, she had nothing to lose. She'd been down a set in the third round when the match was postponed because of rain, so Gerhard's plan seemed worth the effort.

As Gerhard explained it, Hobbs, who had one time fancied himself a player, was a gambler. When the tour played in Monaco, he was at the casinos religiously. During the U.S. Open, he spent two days before and several afterward in Atlantic City. When the tour headed out west to San Diego for the Acura Classic, he took time to hit Las Vegas. Gerhard was certain he wouldn't be able to resist their offer.

Cyndee requested the meeting on the off day before the third-round matches would be continued. She went into Hobbs' office wearing her shortest miniskirt, one of her most garish Spandex tops (one of the ones that only covered one shoulder, which she could not wear in competition) and no bra at all. When she walked into Hobbs' office, he did a double take. The fact was, she looked more like a prostitute than one of the best players in the world.

"What on earth…"

"I have a proposition for you," Cyndee said.

"Oh?"

"You played. You know what it's like out there," she began.

Actually, Hobbs didn't know what it was like at all. He'd played on the circuit for maybe five months, never got ranked, and his claim to fame was beating Vitas Gerulaitis at some exhibition event somewhere in Asia. But Cyndee

Here comes Summer!

Morgan Leigh & Daphne Rosen

If you haven't noticed by now, we've got summer on our minds. Candace Von gets wet and breaks out of her red bikini on pages 28-35 of this issue. Cindy Cupps absolutely destroys a string bikini on pages 52-59. Yes, the weather is heating up, and before you know it, hot-bodied babes will be showing their stuff on beaches and at pools everywhere. And nobody can do justice to a swimsuit like a *SCORE* Girl. Here comes summer! And here *cums SCORE* Men!

Autumn-Jade

Donita Dunes

If you are magnificently fortunate, one day this summer, you will look up from your beach blanket and see Autumn-Jade's huge hangers (facing page) hanging over you. Dream on? Not quite, because Donita Dunes (left) wore exactly the swimsuit she's wearing here on Boob Cruise 2000, and hundreds of men were witnesses to it. Nicole Peters (right) is a conservative girl, so it's a conservative two-piece for her and her J-cups. But there's nothing conservative about Maxi Mounds, Kayla Kleevage, Minka, SaRenna Lee, Casey James and Plenty UpTopp, all of whom squeezed into tiny bikinis for this historic photo taken during the shooting of *Mega-Boob Olympics*. What a vision!

Crystal Gunns

Linsey Dawn Mckenzie

L.A. Bust

SCORE Girls do things to bikinis that other girls can't. That extreme bikini Crystal Gunns is wearing (far left) might cover most of a B-cupper's breasts, but on Crystal, it barely covers her nipples. Tiffany Towers (this page) is wearing a one-piece that a C-cupper might get away with wearing on a public beach, but if Tiffany went out in public wearing that getup, every lifeguard on the beach would be popping wood. Linsey Dawn McKenzie and L.A. Bust are wearing typical store-bought bikinis. But their bodies aren't typical!

A *SCORE* Girl's tits stretch a bikini's fabric, but there's only so much stress a piece of cloth can take. Merilyn (left) says she has never been able to walk into a store and buy a bikini off the rack. So, she has to go to the beach (on those rare warm Russian days) and hope nobody minds that her breasts are popping out all over the place. Would you mind? Isn't this a sight you'd pay good money to see in person? Well, it *is* summer. Maybe you'll just get lucky!

KAREN FISHER

Continued from page 44

SCORE: By the way, what do you like to do in your spare time?
KAREN: *[Lubes up the dildo and starts working it into her pussy]* I like to travel. I like to ski. I like to play tennis. I like to go to the beach.
SCORE: You like to play tennis?
KAREN: *[Works the dildo in a little more]* Yeah. I just started playing when I moved to Florida.
SCORE: Are you any good?
KAREN: Not yet. I'm working on it.
SCORE: The sight of you bouncing around a tennis court must be amazing.
KAREN: I guess so. *[Works the dildo in and out of her pussy while she's talking, but she seems distracted]*
SCORE: Is the dildo as far in as you want it to go?
KAREN: Yeah, that's about it.
SCORE: Remember, the dildo was 10 inches. Now hold the tape measure at the tip of the dildo and measure the distance between there and your pussy. That way, we can see how far into your pussy it went.
KAREN: *[She does]* Five inches. I got five inches in.
SCORE: How does it feel?
KAREN: It feels fine. And I think it's a good thickness.
SCORE: So five inches long, five inches thick is good for you?
KAREN: Yeah, I think so. Any thicker would probably be too much.
SCORE: What's the best thing about having big boobs?
KAREN: I can look at them whenever I want. I can touch them whenever I want. I like to show them off. It's fun. I'm fascinated by big breasts. I must've been breast-fed when I was a baby.
SCORE: Do they turn you on?
KAREN: Yeah, they do. My own don't turn me on, but I like looking at other women's breasts. They turn me on.
SCORE: You know, Karen, let me ask you this question: Let's say one of us *SCORE* Guys is in the mall walking around, and we see a girl who's walking around with her cleavage hanging out. Did she wake up in the morning and say to herself, "Hey, I think I'm going to show off my tits today"?
KAREN: Well, probably. Sometimes that thought goes through my head, too. Of course, with some clothes, my cleavage is going to do that anyway, but if I have

a night out or something, I definitely wear clothes to accentuate my cleavage.

SCORE: Let's say you're shopping, and you're wearing something low-cut, and you ask the grocery aisle guy for some help. And the entire time you're talking to him, he's staring at your boobs. He's answering your questions, but he's staring at your boobs.

KAREN: Something like that just happened to me. I was at the movies, and I was ordering popcorn, and this teenage boy behind the counter didn't look at my face once the whole time. He was just looking at my cleavage, and I thought it was pretty funny.

SCORE: Did you say anything to him? Did he say anything to you?

KAREN: No. What was he going to say? He would've gotten fired. But he was definitely zeroed in on my boobs.

SCORE: He probably figured, "I'm never going to see her again. I might as well zero in on her rack."

KAREN: Especially teenage boys who have never seen big tits before.

SCORE: For some reason, I have this vision of you sitting in the movie theater eating popcorn, and the popcorn keeps falling into your cleavage.

KAREN: *[Laughs]* That happens a lot. And then I have to fish it out.

SCORE: And you just dig the popcorn out of your cleavage while you're sitting in the theater?

KAREN: Yeah! *[Laughs]*

SCORE: You'll be with a date…

KAREN: And the popcorn will fall into my cleavage, and I'll just get it out. Popcorn has gotten lost down there.

SCORE: If you did that while I was with you, I'd have to help you out.

KAREN: That's okay. If I'm with a guy I like, I'll let him help me.

SCORE: Well, Karen, I last talked to you in 2002, and now it's 2007. Let's say we don't see you again until 2011. What are you going to be doing with yourself in four years?

KAREN: Don't ask me that! I don't know. Having fun, I hope.

SCORE: Are you a party girl?

KAREN: In moderation. I'm not really a party girl, but I like to be active. I have a lot of interests. I like to party sometimes.

SCORE: You really are kind of shy, but it also seems like you're ready to bust out and go crazy.

KAREN: Yeah, I guess that's true. I'm kind of two things at once. I'm a nice girl and a bad girl. Isn't that what every man wants?

Forever Minka

TIT MEN WILL NEVER STOP ASKING FOR PICTURES OF MINKA. AND SHE'LL NEVER STOP THRILLIN'!

We're men, and by nature, we get tired of things very quickly. We always need new toys to play with, new girlfriends to fuck, new *SCORE* models to jack over. There's a saying at *SCORE* that "newcomers drive the magazine," and yet, there are times when that just isn't so. When Minka appears in *SCORE*, the rules change. Our hunger for new disappears.

This is Minka's 24th appearance in *SCORE*, and yet each time we see her, she looks different. Last time, in the July '06 issue, she celebrated winning Model of the Year by filling her pussy and asshole with toys. This time, we're seeing a more exotic side of this exotic beauty. And check out those memorable tan lines! "I have been getting a lot of sun," Minka told us with a wink. "Of course, I always wear a tiny bikini."

The gigantic tits. The impossibly slim waist (which is 33 inches smaller than her chest). The eye contact when she's doing the dirtiest thing. The "me so horny, you so horny" look. "I love to make men happy," she said. "But I also love when men make me happy. Do you want to make me happy?" Always, Minka. Forever!

WHAT A RACK!

Continued from page 82

knew he fancied himself a retired pro and his ego would enjoy the comment.

"You and me. One on one," Cydnee said. "You win? I withdraw from Wimbledon and don't come back."

"And if you win?" he asked, as if this wasn't even a remote possibility.

"I play the tournament my way, for as long as I make it through."

Hobbs sat back, looked Cyndee up and down, stared at her wonderful watermelons and chuckled.

"You're on," he finally agreed, sticking out his hand.

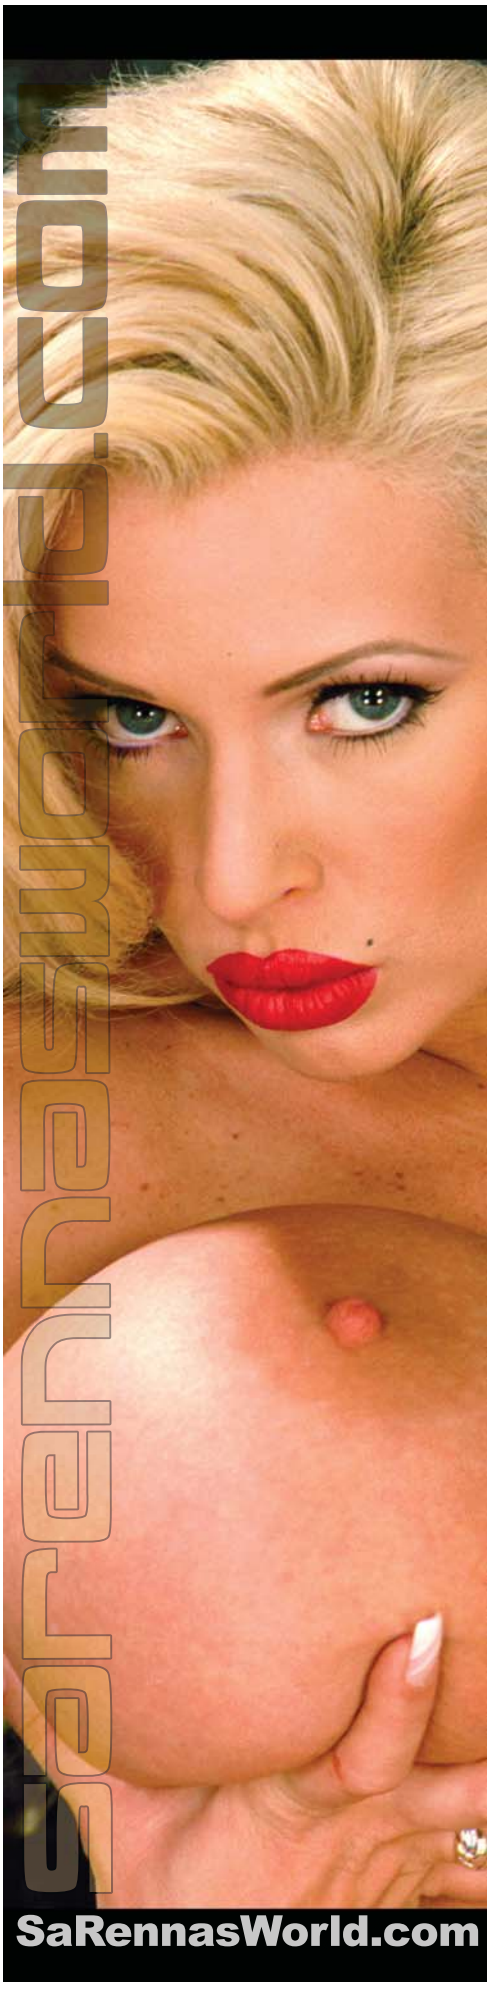

Cyndee took it, leaning over his desk. Hobbs couldn't help but stare down into the gaping chasm between her massive melons. His eyes lingered as they shook hands and Cyndee's tits shook. When Cydnee left, Hobbs seemed full of himself, even smiling. But in a few hours, Cyndee swore, he was in for a surprise.

The court was indoors, private, a practice court for the tournament. Hobbs wore white shorts and shirt, Wimbledon's traditional uniform. Cyndee wore her loosest practice bra: a Lycra tube top that showed off a canyon of cleavage that put that hole in Arizona to shame. As Gerhard had once told her, his hands trying to corral her sweater-stretchers, "Now these are a national monument!"

Hobbs seemed thrilled with himself after winning the first game. But once Cyndee warmed up, and rattled off four straight games, he started getting nervous. Every time he won more than one point in a row, Cyndee slowed things down, stopping by the net to readjust her boobs. Hobbs was left swallowing hard as Cyndee lifted her tube top up under her chin, taking her time and easing first one tit, then the other, back into place.

This was one of Cyndee's oldest and thinnest practice bras. When she pulled it back into place, Hobbs couldn't help but see her swollen, erect nipples staring right back at him. After using her twin-cannons to overpower him with a backhand up the line to win the first set, Cyndee coquettishly skipped over to the chair to take a break. Hobbs, dumbfounded, was standing between the net and the side judge's chair, where Gerhard was watching.

"Here, do me a favor," Cyndee said,

handing the rattled Hobbs a bottle. It was filled with icy cold water and had a squirt-top.

"Yes?" He clearly didn't understand.

"Spray me down, silly. I'm roasting in this! Come on!"

Cyndee pulled the Lycra away from her breasts, waving it so that air got under it. Hobbs was sweating, too, but not from exertion. Hesitantly, he began to spray Cyndee's chest. The ice water instantly turned the top transparent and made her nipples stand up at attention. She finally took the empty water bottle out of Hobbs' hand, and before they walked back onto the court said, "I win this one, you can massage them for me." She swatted him on the ass as she jiggled to her side of the court.

Six straight games for Cyndee. Hobbs had only managed a few, feeble points. He had double-faulted at least five times, lost hold of his racquet once, and froze in place charging the net when Cyndee came rushing up to do the same. Cydnee thought he looked like a deer caught in headlights, but her headlights were more like Klieg lights.

"You can start now," Cyndee said, sitting down between sets.

"Start?"

Hobbs looked like he didn't know where he was. Cyndee pointed to her jugs and lifted the tube top, then her bra. She started caressing her sweaty globes, closing her eyes and licking her lips. Her thumbs worked over her nipples, and she squeezed her thighs together. Hobbs, obviously remembering their side wager, got down on his knees to fondle her buoyant balloons.

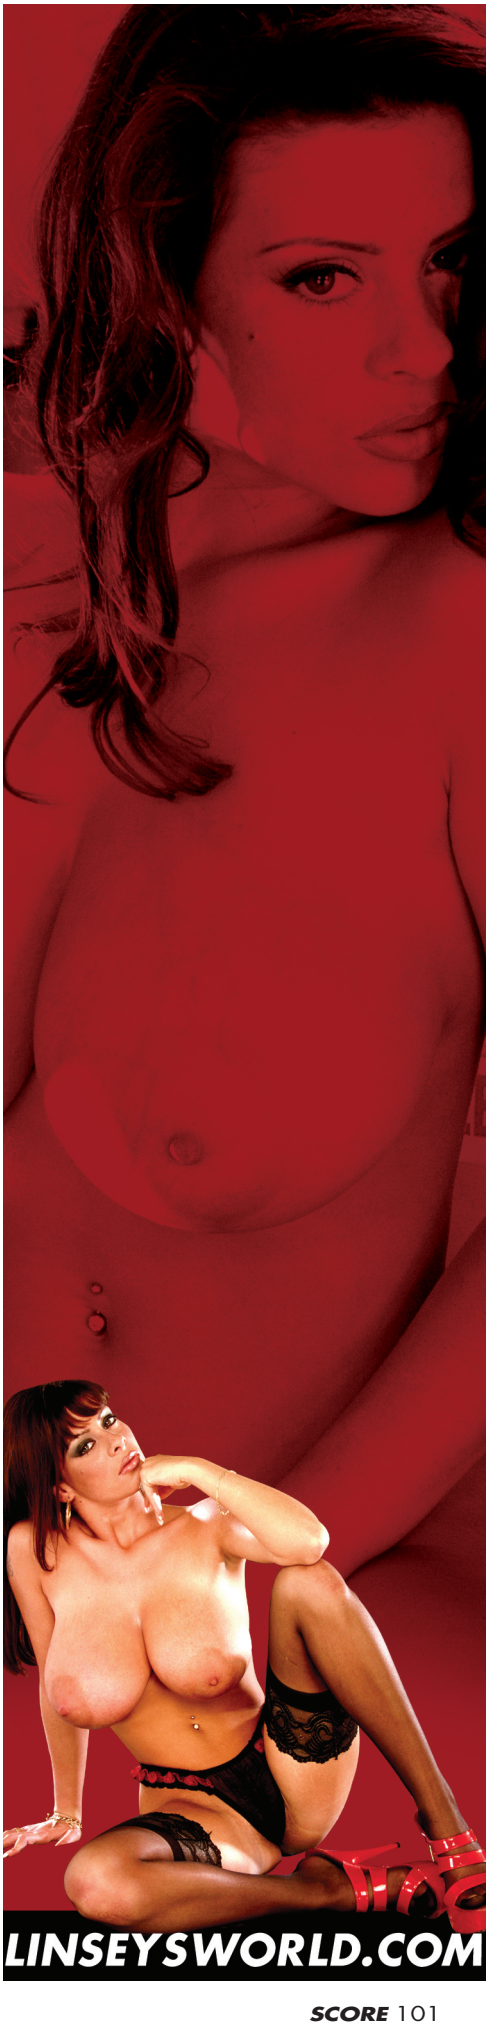

"Don't be shy," cooed Cyndee. "You can kiss 'em. Go ahead…give 'em a little tongue…"

Hobbs bent his head to her chest, and his tongue slowly crept around her areola, tasting the sweet tang of her sweat. He'd just begun to suck her nipple when Cyndee sat up and pulled her tingling breast from between his lips. Hobbs looked forlorn.

"Five minutes is up! Time for the third set!" she said.

Hobbs, on his knees in the shade of her hooters, watched as Cyndee took her sweet time first pulling down her bra and then the spandex. Then she stopped.

"Who needs this, right?" she said, peeling the stretch top over her head and tossing it to the ground. With her arms extended above her head, her breasts left Hobbs breathless.

One. Two. Three. The games piled up. Hobbs actually managed to win one, largely on a double fault after Cyndee lost sight of the ball when her breasts blocked her view, and an unforced error. But Cydnee came right back, winning the next game. She was leading in the fifth when the inevitable happened. Her old, tattered and very thin practice bra finally went to over-the-shoulder-boulder-holder heaven. Hobbs gasped. Cyndee took the two balls Gerhard had tossed to her and prepared to serve. He couldn't believe it. Cyndee was going to finish playing him topless!

Cyndee looked at the one ball in her hand and instead of shoving it into her pocket, wedged it between her mounds. Then she served. The serve wasn't hard or fast, but it went right by Hobbs, who was so transfixed watching Cyndee's knockers bouncing around that he couldn't follow the ball.

He never returned another serve.

Gerhard left. Cyndee sat in the chair at courtside, packing her things. Hobbs came over and offered his hand. Standing in front of her, Cyndee noticed the profile of the bulge in his shorts. She looked up at the broken man as he stared down longingly at the gazongas she had teased him with between sets. *Well*, she thought, *always nice to have friends in high places. Hard places.*

And besides, she was horny!

Cyndee reached past Hobbs' extended hand, grabbed his shorts and tore them down to his knees. She was impressed. Hobbs' knob was shiny with pre-cum and his shaft was as hard as steel. For a stuffed-shirt dork, he sure had a huge cock. Cyndee stroked it, then eased it into her mouth. Hobbs put his hands on the side of her head and worked his cock in until it tickled her tonsils. Cyndee urged him to blow his wad, to fill her mouth with jizz, but Hobbs held off. When Cyndee let his twitching prick slip out from between her pouty lips and looked up at his face, she understood.

Grinning ear to ear, Cyndee sat up tall in the chair and grabbed Hobbs' pole, drooling all over it before securing it between her cans for the titty-fuck of Hobbs' life. Cyndee bounced up and down in the chair–getting boob-banged was one of her favorite things–and the friction around Hobbs' cock did the rest. Hobbs groaned, gripped Cyndee's frantically swinging jugs and shot a torrent of hot ball cream off the bottom of her chin.

Hobbs' jizz was so warm and copious that Cyndee lost her grip on herself, and when Hobbs' manhood slipped free from her cleavage, he spurted glob after glob of spunk across her chest. The sheer volume of his ejaculate sent Cyndee over the edge, and she climaxed without even touching herself.

Finished, Hobbs stood, cum dripping off his flagging cock, the rest of it coating Cyndee's boobflesh. Cyndee grabbed her top and seductively wiped the jizz off Hobbs' dick, giving it a quick kiss on the tip. Then she picked up her things and rushed off to the locker room, glazed in cum.

She had a match to prepare for.

Cyndee rolled into the finals, where she won the first set, 7-5, but lost the second, 7-6. She was trailing in the third, 4-2, and the extra match she had played against Hobbs had left her drained. The fans were doing their best, regaling her with rousing choruses of, "Breas-ty! Breas-ty! Breas-ty!" and "We want tits! We want tits!"

Cyndee dug down deep and blasted an ace past her opponent. Maria couldn't even get a racquet on it. Cyndee went to serve her second point, and then, the unthinkable happened.

She heard it before she felt it. The slow, weary groan of fabric ripping. Shredding. Cyndee managed to serve a second ace before her right boob broke free, followed by her left. The crowd thundered its applause at the ace and then roared as Cyndee's boobs, clearly unfettered beneath her skin-tight white top, slowly came to rest. Across the net, Maria's jaw dropped. Cyndee found herself wondering if Maria was strictly into men or if, just maybe…

But there was no time for that now. Cyndee asked for time, which the flabbergasted side judge granted, staring. The crowd's noise was deafening, and a familiar refrain cascaded down from the upper decks.

"Set them free! Set them free! Set them free! Set them free!"

Gerhard rushed over and quickly assessed the damage, looking down the back of her shirt. Then the chant changed.

"Luck-y! Luck-y!"

Cyndee looked into Gerhard's face. It was grim. Tape wasn't going to fix this. Nor would a box of safety pins. She would either start forfeiting points or…

"Fuck it," Cyndee said. She thought

about her match with Hobbs and the delicious tit-fucking she had gotten afterward. Hadn't she won? Hadn't she earned the right to play this match the way she wanted to? Why was she wasting time? If she finished this thing quickly, she could have Gerhard's thick cock blasting hot cum across her bare breasts within the hour.

Without warning, she plunged her hands into her top and yanked out the ragged material. The crowd cheered wildly. Cyndee strode out to the court with her breasts swaying to and fro. With every point, the crowd grew more manic. When Cyndee two-handed–not to mention two-breasted–the final forehand winner, there was pandemonium. She had done it! *They* had done it!

The sight of Cydnee jumping up and down at center court after winning sent a line judge, two ball boys, and a number of spectators to the restrooms. Flash bulbs popped. Hobbs came down from the stands to present the trophy.

With the TV cameras and newspaper journalists all waiting for the big photo op, Cyndee kissed the trophy plate and then, exultantly, lifted it over her head. The crowd gasped and then roared again. Thrusting her prize into the air had caused Cyndee's white top to lose its tenuous grip, and her prized breasts popped out for all to see. Roger Hobbs went a little pale and made as if he was going to help her pull her shirt back down, but the fans booed. Hobbs eyed Gerhard, who shook his head.

Cydnee looked at Gerhard and smiled, then brought a nipple up to her mouth and sucked it. The crowd got louder. Cydnee thought she saw a dark spot in Gerhard's pants. Then she sucked on the other nipple. More roars. She jumped up and down again, and her tits shook like the San Francisco earthquake. She looked over at Maria, who was standing nearby with the runner-up's trophy, clearly drooling and absentmindedly rubbing her crotch. Cyndee had waited for this moment all her life, and it was worth the wait.

The U.S. Open was only two months away. Her dream of winning the Grand Slam was in reach. But first, she wanted to enjoy this victory.

And the post-match party.

She glanced at Gerhard and Hobbs. A three-way seemed to be in order.

Then she looked over and wondered what Maria was doing later.

Maybe even a four-way.

JESSICA MONROE

NEW TITS

GET TO KNOW A KNOCKOUT BEAUTY WHO'S READY AND WILLING TO OPEN RIGHT UP FOR US!

"I like a caring, gentle man with a good sense of humor," said Brit babe Jessica Monroe, our last of three newcomers in this issue. We like big, beautiful blondes with E-cup tits. Hey, that's a perfect match! "I don't like it when men treat my boobs like they're not attached to my body. Caress them. Suckle them. Be nice to them. They're my boobs! They'll make you feel very good."

SCORE DEBUT

Some readers have pointed out the recent spate of beautiful British models who'll show their tits but won't take off their knickers. Obviously, Jessica doesn't fall into that category. "I couldn't imagine not showing everything," she said. "Posing for *SCORE* makes me very excited, and I want to share my excitement. Does looking at me excite you?"

Jessica lists her hobbies as reading, horseback riding and "spending some quality time with my favorite dildo." We don't have any pictures of Jessica reading or riding horses, but you can see her with the dildo in the new DVD *Private Stuffers #2*. In it, she proves that not all beautiful British girls are shy.

DANIELLE DEREK BUTTHOLE'S-A-POPPIN'!

POP IT IN HER MOUTH. POP IT IN HER PUSSY. POP IT IN HER ASS. POP-SHOT HER BIG TITS. SHE LOVES IT.

Danielle Derek's tits are huge. That's an understatement. Those babes are FF-cups, and they seem to be growing by the day. But Danielle's tits are the only part of her that's big, and as you ponder these pictures of this 102-pound beauty fucking and sucking (in outtakes from the new DVD *Tits-A-Poppin'*), you might find yourself wondering, *How can that little mouth stretch around such a big cock? How can that tiny cunthole accommodate so much meat? And how can that brick of a dick fit in her tight asshole?*

As Danielle proves in these pics and in *Tits-A-Poppin'*, she was born to fuck. Any other use of her life would've been a fuckin' waste of 43-23-31. In *Tits-A-Poppin'*, Danielle tries to act all professional for the record company executive who has the ability to make her tits pop out of her top. "Oh my God, I'm so embarrassed," Danielle says, but within moments, his cock is plundering her mouth, tits, pussy and asshole and cumming all over her rack. Because this much is true: If Danielle's holes fit, fuck 'em.

JADE FENG NEEDS HOT SAUCE ON HER TITS

IT DOESN'T TAKE A GREAT VOICE TO LAND A RECORD CONTRACT. AT LEAST IT DOESN'T IN A* SCORE *VIDEO.

This edition of *SCORE* Xtra features two babes who unveiled their newly super-sized racks in the January '07 issue, much to the everlasting delight of big-tit lovers ever. Danielle Derek was one. Jade Feng was the other. We will be forever thankful to both of them because they both went the proverbial extra mile to ensure that we'd have gigantic racks to jack over. And here's Jade going the Xtra mile in her scene from the new DVD *Tits-A-Poppin*. We think she fucks better than ever with her expanded chest.

In *Tits-A-Poppin'*, Jade is an aspiring singer hoping to capture the attention of a big-time record producer. "I like fruit, I like hot sauce," Jade sings. It's godawful, and the record man knows it. Fortunately, he's focused on her chest and realizes big tits mean big sales (hey, look at Jessica Simpson, and she has no talent at all). Before long, Jade is practicing her oral skills on the producer's dong and showing off her breathing techniques. "Oh, fuck me!" she breathes. So he does. Turn the page for hot sauce on Jade's tits.
