A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.

Zoryna Dreams (left) and Lisa Phillips (above) are both favorites among *SCORE* Men, even though Lisa's modeling career was over by the time the first issue of *SCORE* was published in 1992.

OUR 15TH ANNIVERSARY ISSUE: ARE YOU DONE READING IT YET?

Dear *SCORE*,

Just finished reading the 15th anniversary issue of *SCORE* (June '07). You are to be congratulated for a job well done. Of all the issues of *SCORE* I have, and I have the whole run, this issue took me the longest to read. The interview with John Fox was a great idea, as was the year-by-year breakdown.

I do have a few minor quibbles.

I was disappointed that there was no photo of Zoryna Dreams. The one photo of Lisa Phillips should have been better. If not for the caption on the photo of her and Nilli Willis, I wouldn't have known it was her. The photos of Ba-

rocca and Bea Flora should've been full pagers. Did Whitney Wonders really deserve a full page?

Finally, I think there should've been an "In Memoriam" page showcasing the lovelies who have left us way too soon (Joey Karson, Lolo Ferrari and Kristy Kash come to mind).

I look forward to seeing what you will put together for the 20th anniversary issue.—Delmo "The Saint", Jr., via email

SCORE MAG: ALIVE AND KICKIN'!

Dear *SCORE*,

Happy anniversary! Wow, 15 years and you're giving us readers gifts! Thank you, *SCORE*. We should be the ones giving the staff and the *SCORE* Girls gifts since you have always been giving us what we wanted since 1992.

I am happy that your magazine has only gotten better.

I have heard of other mags, and they either retired, got cheap in quality or changed ownership. In my opinion, nothing can compare to you! You keep amazing me and exciting me as every issue has a new girl to enjoy and admire. Thank you for the times you have made me hard and made me shoot my load. No other magazine can do that for me.—Mark, via email

LEGENDS ARE GREAT, BUT IT'S THE NEW GIRLS WHO GET HIM OFF

Dear SCORE,

I'm a SCORE fan almost from your beginning. Your 15th anniversary issue made me realize that although I have had some great hard-ons and have shot some explosive loads of cum over my

The longtime **SCORE** Girls will always have a place in our hearts (and our hard-ons), but new girls like Brianna Costello and Morgan Leigh represent the future of **SCORE**.

favorite **SCORE** girls of the past, your recent models are even more arousing and exciting than their predecessors. That makes your future very bright.

It doesn't have to do with natural or augmented boobs because both types are equally cock-stiffening as long as they are huge. I think the difference is that your recent girls appear more relaxed and at ease than their predecessors about posing and spreading their pussies. The earlier girls' poses were more forced, less spontaneous. And when the model really looks as if she is enjoying herself in front of the camera, my own pleasure is greater as I masturbate over her. I hope this trend continues.

I know there are many big-boobed, gorgeous women out there waiting to be discovered, and I know **SCORE** (and *Voluptuous*, too) will discover more of them than any other magazine. I always enjoy the debut layouts as much as, if not more than, the return layouts.—C.J., Philadelphia, Pennsylvania

Dear C.J.: Thanks again for writing. It's loyal readers like you, Carl, who have helped make SCORE so successful, and we're grateful for all of you.

SEE A PICTURE. JACK. STOP. SEE A PICTURE. JACK. STOP. REPEAT.

Dear **SCORE**,

Okay, I give up! I started reading the June '07 anniversary issue two weeks ago, and I'm still only on page 71 (Donita Dunes hooking her fingers through her pussy jewelry and spreading wide). Why? Because there are so many great pictures in the magazine, and every time I get to one, I have to relieve myself.

I'm hoping to get through the magazine by the time you celebrate your 20th anniversary.—J.A., Batavia, New York

A NIGHT WITH CRYSTAL GUNNS, THE NO. 1 BIG-BUST ENTERTAINER

Dear **SCORE**,

This past St. Patrick's Day, I saw Crystal Gunns perform at a club here in Los Angeles. I took a friend, a woman, who's bisexual and wanted to check out a club with someone who had gone before. I was trying to show her the ropes, so we sat at the rail.

Crystal put on a great show. She was dancing with a row of Charms Pops sticking out of her cleavage. I pulled a

Crystal Gunns always likes to get wet and messy when she does a stage show.

Charms Pop from between her breasts with my teeth, and she took my friend's hands, placing them on her breasts so she could feel them. After the first show, I went to get a Polaroid taken with her. Crystal is a sweetheart. I told her that I always make sure to read her column and that I hated the fact that I couldn't get to Denver for the Boobapalooza she did with Maxi Mounds and Colt 45. She had nothing but good things to say about the ladies and SCORE. I even got a lap dance from this gorgeous woman. It's a memory I will always cherish.

My friend enjoyed the first show so much that we decided to stay for the second show, and it got even better. Crystal poured water over herself to cool herself down. As she sat before me, she took my hand and placed it on her wet hair and dragged it down her face and over her breasts. She then had customers pour hot wax from the candles on her mound and her ass, then she put a candle over her nipple and covered it with hot wax. Crystal was totally hot and wild.—Robby, Glendale, California

**NEW
RELEASE**

FIVE STACKED STUDENTS. ONE SEX-PACKED RUSH WEEK!

Tera Cox, April McKenzie, Sabina Leigh and Panther are the new girls on campus, but life isn't always easy when you're walking around with the biggest tits in the school. The other girls jealously make fun of you, and the boys treat you like pieces of meat. Gianna Rossi to the rescue! She's the president of Omega Boobs, and she wants to make these girls feel proud of their natural assets. So, she recruits Tera, April, Sabina and Panther to Omega Boobs...but first, they're going to have to survive rush week. And that means putting their tits to the test. In the new DVD *Pounding The Pledges*, the four pledges jump and bounce and run and clean floors (with their big tits hanging down, of course) and fuck and fuck and fuck! Do they have what it takes to be the newest members of Omega Boobs? Or will the only sorority that could possibly accept them end up rejecting them? Fellas, this ain't no animal house!

G-cup Sabina Leigh has been put in charge of taping Panther, who fucks a guy who simply needs to learn to appreciate the good things in life: big tits. Panther, whose rack is bigger than ever, shows off her cock-sucking prowess, then hops on top of the lucky guy's dick. Sabina never actually fucks, but she gets so turned on that she has to put the camera down and play with herself.

POUNDING THE PLEDGES

April McKenzie, yet another G-cup newcomer, is tired of washing floors and doing all that boring rush week stuff, so when Gianna's boyfriend shows up for a date, she takes matters—and the guy's cock—into her own hands. Of course, this is what Gianna had planned all along; she just wanted to see if April had the guts to fuck the sorority president's boyfriend. April has amazing tit-fucking skills, so we're sure Gianna's boyfriend gave her a good report.

Tera Cox, the F-cuppper who debuted in the Sept. '07 **SCORE**, has a problem. She tells Gianna that she doesn't know what to do with her tits in bed. Fortunately, Gianna has a hands-on approach to solving problems, so she calls in a surrogate guy to serve as her cock-prop for an impromptu lesson in tit sex. Gianna's a pro at this kind of thing—she's also one of the finest cock suckers we've ever seen—and before we know it, Tera is taking dick between her tits and doing all of the things that busty college chicks are supposed to do. Gentlemen, this is one heckuva three-way!

POUNDING THE PLEDGES

Being in a sorority is all about the parties, and what better way to end rush week than with an eight-way orgy featuring the five girls and three lucky fraternity boys. There's action all over the place as Tera, April, Panther, Sabina and Gianna celebrate by fucking and sucking and taking dicks between their tits and sloppy loads all over their huge racks. By the time everyone has cum, it's obvious that Tera, April, Panther and Sabina are no longer self-conscious about their chests. They're the proud owners of the best tits on campus and the new members of Omega Boobs. Meanwhile, you're the proud owner of a spent cock because you've spent the last two hours poundin' your meat to the pledges.

to ruin the mood, if you know what I mean. It's flat-out disgusting. THE SWEET SOUND OF EDITORS JACKING IN THE MEN'S ROOM

Dear SCORE,

Sorry if you've dealt with this question before, but I've wanted the answer for years. I'm a newspaper and magazine layout artist, and I know from experience that even while you're rushing to pull a front page together, there's always time to get involved with the story you're telling. I'm assuming working on SCORE isn't any different.

So there you are, a picture browser full of the most stunning photos, pages to be laid out, copy to be subbed, deadlines to be met, and you're really, really going for the subject of the latest feature. Do you have wanking breaks? "Sorry, boss, this one's exactly my type. Be back in 15 minutes?" Or perhaps you work in well-ventilated individual rooms with "DO NOT ENTER" lights on the locked doors? Or maybe this is where the 21st century working-from-home deal kicks in to everyone's advantage? You know, "I don't care what you're wearing or not wearing, send me those pages in a PDF file by lunchtime!"

If it's the latter, I take freelance commissions. I'm an expert with Quark XXXPress.—M.K., via email

Dear M.K.: Hey, we're professionals, and we take our jobs seriously! Most of the time, we don't even break for lunch. Usually we let the ball juice build up over the course of a day, then evacuate our nut-sacs when we get home from work (either over a couple of photos we snuck home or with our stacked girlfriends). But there are those times when we just can't resist. A photo is so hot that a bathroom break becomes a necessity. Or a model we have in the studio has our balls bursting. So, we go into a stall, close the door and jack to our heart's content. Which might explain why The SCORE Group is the only place in the world where the lines outside the men's room are longer than the ones outside the women's room.

2. In the Oct. '06 issue, on what holiday does Crystal get flowers from her fans?
3. Name the two **SCORE** Girls and feature dancers in the Gentlemen's Club Owners Expo photos with Crystal in her March '07 column.

Good luck, and hurry! All entries must be received by Sept. 15th. No email or faxes.

BIG, HAPPY HOOTERS

The most popular cosmetic surgery in the United States is now breast expansion, surpassing nose operations for the first time. A whopping 329,000 women got on the big-tit parade in 2006. Television shows like *Dr. 90210* are powering this spike. A new University of Florida study found that most women whose boobs have been augmented experience increased self-esteem and increased sexuality.

"This study shows that there are genuine psychological improvements that follow plastic surgery, and these issues must be understood and respected," an assistant professor at the University's College of Nursing told the *Gainesville Sun* newspaper. We knew that.

Most of the study's 84 subjects between 21 and 57 years old reported an increase in self-esteem and sexuality. The ladies' self-esteem rose an average of 24.9%, their sexual desire increased 78.6% and their sexual satisfaction increased 57%. Big titties do make women happy.

Ginger is a pretty girl but she wanted more. More cleavage. And she got it.

Imagine how much Susie Wilden would have to pay if tits were taxed.

VALUE-ADDED TITS

British strippers are very unhappy after being dealt a blow. To their purses. A judge ruled that exotic, erotic dancers, not the clubs that employ them, must pay a goods and services tax on their earnings.

High Court Judge George Mann sided with the Spearmint Rhino strip club chain, whose attorneys argued that the dancers, not management, were supplying a service to their customers and that the girls should pay the taxes on the fees they charged. The judge ruled that an earlier tribunal's decision that the services were supplied by Spearmint Rhino was incorrect. He said the dancers were liable to pay value added tax (VAT) for their customer fees, which can range from £10 for a semi-nude dance to £250 and up for an hour-long session. The judge said the dancers were performers "plying their self-employed trade at the club in their own right. It seems to be a very forced construction of events, if it is possible at all, to say the dancers are contracted as agents for the club."

A FEW OF ANNA SONG'S FAVORITE THINGS

Anna Song made her debut as the covergirl of the March '06 issue and appears in two DVDs, *Climax With Anna* and *Cum Along With Anna Song*. At this point, you know her better than her gynecologist does, but we don't know much about Anna the person. Hey, we're guys. So here we go with a partial list of what Anna enjoys. Who knows, these facts might pay off in the future if you're ever lucky enough to run into her. In Russia or somewhere.

WILL BIG, FAT, FUCKIN' TITS REPLACE IMPLANTS?

A medical technique in Japan might make implants obsolete. Researchers are calling it natural breast enlargement. Instead of inserting implants, a woman's own body fat is used. The fat is liposuctioned from one part of the body and injected into the breasts. Reportedly, there have been no major complications. Surgeons predict the procedure will become widespread. There are a few negatives. Cup gain is limited to two cup sizes, the procedure is expensive and the long-term side effects are unknown. German medical authorities approved the technique. It's now legal throughout the European Union, including Britain.

THEY DON'T LOVE YOU FOR YOUR VOICE, SAM

Officials of a Serbian town canceled plans to honor pop star and former men's mag model Samantha Fox with a statue after she failed to sellout a concert. The British 36D bra-buster, still hot at 41, performed in a town called Cacak and was upset that the half-full audience was more interested in her boobs than her songs. She exited quickly after the show and canceled a dinner with the Serbian minister of capital investments.

"The crowd made rude comments about my breasts," complained Sam, who is very well known among Eastern Europeans.

BRIT TITS UP

Brit tits are getting bigger. The average cup size in the United Kingdom is now a 36C, up from a B-cup 10 years ago.

According to a survey in *Now* magazine, the average woman in the United Kingdom weighs 142 pounds, fibs about her dress size and wears the wrong-size bra. Single women are more likely to lie about the condition of their bodies than married women, which is pretty typical of women worldwide. One in three says they are slimmer than they are and 35% are overweight. UK girls have the largest waists in Europe, measuring 34 inches. Fifty-percent of women wear the wrong-size bra and should motivate themselves to get a professional fitting.

If only there were more girls in the UK built like Nicole Peters.

HUGE DOWN UNDER

According to Australian plastic surgeons, the newest trend among Australian women is to get massive breast jobs. Australian plastic surgeons have to import large, 1000ml implants from the United States because they are not available locally. The average implant size has increased from 280ml to 375ml in the last five years in Australia. Some claim that hooterized actress Pamela Anderson is an inspiration for this surge.

Australian women want the biggest tits they can get. Can you blame them?

THE MEDICAL TRUTH ABOUT REDHEADS

If there's red on top, there's fire down below. At least that's what a sex researcher in Germany found after matching the sex lives of hundreds of German women to their hair color.

"The sex lives of women with red hair were clearly more active than those with another hair color. They had more partners and had sex more often than the average," the sex professor said. "The research shows that the fiery redhead certainly lives up to her reputation."

A female German psychologist said that it may not be the redheads themselves who are responsible for their hotter sex lives. It may be their effect.

"Red stands for passion, and when a man sees a redhead, he will think he is dealing with a woman who won't mess around and gets straight to the point when it comes to sex," she said. Sure. Blame it on men.

SEXY. SHE JUST IS.**

"I'm too innocent for kinky things," said Paola Rios, our newest all-natural teen-tit dream. Paola makes us think dirty thoughts. "All men think dirty thoughts!" she said. "One guy I was with asked me to put *dulce de leche* all over my tits, and he was jerking off while I was rubbing it on my tits. I dumped him after that!" Too late, Paola. That lucky guy had already done what we're dreaming about doing.

SCORE models come to us in all sorts of ways. Paola came to us from Paraguay in one of our favorite ways: She was discovered by another model, her friend and *Voluptuous* magazine favorite Romina Lopez. "Romina kept telling me about this American magazine called *Voluptuous* and showed me copies she was in. I was a little shy but very interested, so I told her to send my pictures to the magazine. The next thing I knew, here I was!" Turned out that Paola wasn't just a V-Girl. She was a *SCORE* Girl.

As these pictures prove, Paola immediately took to exposing every inch of herself for the camera. Look at how relaxed and sexy she looks as she bares her E-cups, rubs suntan cream into them and shows off her shaved pussy. "Some poses are difficult for me," she said. "They take courage because I'm a bit shy, but overall, I'm having fun modeling. I have enjoyed the experience. With Romina, we're good friends, and it has been interesting to see her pose because she has more experience. She makes it look so easy, especially the more daring poses that are difficult for me." Difficult? Paola, you're a natural!

The Quest Continues

His goal was to scale the world's greatest flesh mountains...
continent by continent!

FICTION BY JOE MONKS

ILLUSTRATIONS BY OTIS SWEAT

In part one of this story, published in the September '07 issue of SCORE, our blogger set out to fuck the bustiest naturals on all seven continents. After conquering Sharday in North America, Luma in South America and both Nicole Peters and Marilyn Sakova in Europe, he flew to the Middle East, where customs agents arrested him in Afghanistan.

 **Monday, June 11th**
Freedom!

After a dicey situation in Afghanistan, I am happy to report that I am en route to Africa, if only by the skin of my balls!

Having text-messaged a desperate plea for help, a customs agent brought me a visitor. Since I didn't know any-

body in Afghanistan, imagine my surprise when Ariana walked in!

Here I'd thought only guys were reading my blog, but Ariana had intended to stake her claim to owning the paramount pair of pendulums in Asia, and when she read about my predicament, she came to help. She explained that the

customs agents had detained me because of my copies of *SCORE*. Fortunately, Ariana was in several of those issues, had signed them and told the agents I would be more than happy to let them keep them. Boy, was I grateful!

But when Ariana looked over her shoulder, nearly closed the door and lifted her sweater, revealing a braless set of whoppers hard-nipped and ready for sucklin', I nearly creamed my jeans!

"Hurry, we don't have much time," she said.

She handed me my cell phone and let me snap a few pics. My cock was tearing into my pants, and I couldn't hide my discomfort. Double-checking for the agents, Ariana pulled off her shirt and sat in the chair I'd been interrogated in. She freed my engorged pole and slathered it with saliva. Once she'd lubed me up, she

pulled me into a bear hug, enveloping my hard-on in her boob-tube.

With fear shooting endorphins through me, I tit-fucked Ariana's jugs like a 15-year-old getting some from his first girlfriend. I wasted no time, unwilling to be caught in an act I was certain would land me in an Afghan prison. With Ariana looking up at me with those hazel green eyes, I popped my cork before the customs agents had finished ogling Ariana's centerfold. My ball nectar greased Ariana's skin and ran down her tits in streams of hot jizz. Ariana seemed shocked by the volume of my ejaculate and gazed wide-eyed as a trickle ran all the way down to her ruby-studded belly button.

"Somebody needed that real bad," she whispered, scooping up my cum and licking it off her fingers. What evidence

of our unsanctioned sex act Ariana couldn't eradicate orally she soaked up with her sweater. Just in time, too, as the agent in charge returned, carrying my passport, laptop and wallet. My heart was pounding. I hadn't even had time to zip my pants all the way!

Shortly afterward, I was happy as hell to be first on board Flight 2088 to Cairo, where I hoped the loss of my prized copies of *SCORE* would be eased by a smooth trip through customs.

Thursday, June 15th

At night, travelers in Cairo pretty much keep to the tourist traps. Me? I had a line on something a lot better. I may not have had an established *SCORE* model to

chase after in Egypt, but the online boob-lover's boards led me to a club called Harem, where bellydancing and traditional erotic performances were still practiced. There, I was told, I would find a specimen so magnificent, I could skip exploring the rest of Africa.

My online buddies proved to be right. Her dance name was Hehet, though later, she told me her real name was Chione. In Egyptian, Hehet means "goddess of the immeasurable," and when I was able to close my gaping mouth, I found the name to be perfectly fitting.

Hehet slithered on stage, her tits

getting there long before the rest of her. She was dressed in thin, silk leggings, a purple veil and an elaborate silver and sapphire headdress, but the most amazing thing was her bra. I mean, I guess it was a bra. It was more like a battle garment: huge, oval, steel cups that cradled her staggering jugs, attached by links of chain. I half expected her to carry a sword and shield.

But the tits...oh man, you guys, the tits on this babe!

Chione's hair rained down around her face to the tops of her boobs. I'd estimate that Chione was at least an H-cup, though she may very well have been a

triple-H or better. I have to admit, at first I thought her tits might be fake, which would have ruined it. And since Chione couldn't drop her top to allow me a closer look, I couldn't decide. But big was big, and after her performance, I slipped the swarthy bartender my card and \$50—American, of course—to pass along to her. Twenty minutes later, I was in her dressing room.

Chione was still clad in her stage garb. When I introduced myself, she slammed the door excitedly and asked me, in heavily accented English, if I really had contacts with American magazines that might help get her over to the States. (Okay, I embellished a little.) I showed her some of my pics from the trip. Luma and me in Brazil. Nicole Peters shaking her cans at me in Europe. The pics I took of Ariana at customs in Afghanistan. And now, here I was, looking for the best boobs in Africa.

"You don't need look any more!" Chione said.

I got the idea. She stood and arched her back, and those monster hooters undulated beneath their steel supports. Her emerald-green eyes looked me up and down.

H? At least a triple-H. Chione's breasts were unquestionably natural, though I told her I'd have to examine them myself. She invited me to.

I cupped Chione's breasts, one in each hand. Heavy, plump and silicone-free. I made a play of looking for scars, got on my knees, pushed them up and pulled them apart. I needed two hands to really lift them and test their weight. I think she got an inkling that I was going above and beyond when I fondled her nipples to hardness and continued to massage them well beyond the point where I'd ascertained how sensitive they were.

"You like?" she said.

"Very much," I said.

"You like to see rest?" she asked.

Did I?! I nodded, and Chione completed her striptease. This girl gave new meaning to slim-n-stacked. She had a belly-dancer's hips, making an hourglass figure look more like an hour and a half.

"What about you?" she asked, naked but for her silver headpiece.

"Me?"

Chione pointed and gestured for me to do a little stripping. Hey, if she

SEXY DENISE CAN STRETCH A BRA, A SWEATER & HER ASS TO THE LIMIT.

You've seen Denise Derringer filling her pussy with dildos. You've seen her sucking two cocks. You've seen her getting drilled in the ass by a huge hard-on. But you haven't seen Denise...in a sweater? Hey, to some men, the dildo-anal-tight sweater progression might seem backwards. But they're not *SCORE* Men. They're not the kind of guys who go nuts when they see an E-cupper stretching a sweater to the limit.

We love Denise. We love her because she's sexy and has huge tits. We love her because she'll do absolutely anything on camera (and love it!). And we love her because she does all of these naughty, sexy things just for us. Most chicks who do anal and three-ways? They're porn stars. But not Denise. She's a *SCORE* star who has never done hardcore anywhere else. So, before we show you Denise sucking down a dick again, we thought we'd get back to the roots of why Denise is sensational. Just check out these photos. No explanation is needed.

What's sexier, Denise with cocks in her pussy and ass or Denise busting out of a sweater? Or is it just a matter of what kind of mood you're in? "I love doing my sex scenes," Denise said. "I feel so hot and naughty. But I also love doing the glamour stuff like this. The way I see it, why I can't I do both?" There's no reason Denise can't do anything she wants to do. And, as you can see in the DVD *Big-Tit Glory Hole* and on these pages, Denise does it all!

We love the bra that Marilyn Sakova is wearing because it's so simple yet so sexy... thanks to her natural G-cup tits. Check out how thick her bra straps are. She needs those thick straps to help support all that boob meat! And notice how she's pouring out of the sides of her bra. This is one of Marilyn's everyday bras, something you might see her wearing if you were ever lucky enough to see her on the street. SaRenna Lee looks classy in a red, lace bra. Newcomer Tera Cox seems to need a bra fitting; honey, that one is too small! And talking about too small...Alena Snow is absolutely mauling her bra in a photo from an upcoming pictorial. All of these girls are testament to the magical allure of the bra.

wanted me naked, I was willing to oblige. Chione was on her back 30 seconds later, and I was all over those Nubian pyramids. I swear, she had mounds that put the camels I had ridden the morning before to shame.

Chione poured a honey paste on my dick and slurped it off while I straddled her mouth, allowing me to finger the pink slit hidden behind her thick thatch of jet-black pubic hair. When I began eating her pussy, she sighed and told me that no man

had ever done that before. *What the hell is wrong with Egyptian guys?* I wondered.

When Chione had cum twice, and I felt my bone reaching the rupture point, I turned around and we made out a little. We shared some of each other's honey, me tasting her sweet lube and she tasting her own naughty nectar. Her hands found their way to my cock, and this time she had no intention of backing off. Chione spread her legs and gyrated belly-dancer style until her nether lips reached the tip of my prick, kissed it and opened to take me inside.

No woman I've ever been with has moved quite like Chione. I doubt a gym-

nast could have done the things to my cock Chione did.

I couldn't allow this to go on without experiencing her on top of me, so I rolled onto my back. Chione knew exactly what I wanted. Like a serpent, she danced on my cock, twisting side to side, those breasty behemoths slipping in and out of my sweaty grasp.

The end came when Chione wiggled her hips ferociously, then let those jugs rest on my chest. Feeling her nipples touch my skin, the tops of her breasts pressing against my cheeks, broke me. I fired a load up her gash while she continued her seductive rhythm. When we finished, I was breathless.

Chione poured water into a basin, and we cleaned up. I promised I'd take her pics back with me and see what could be done about getting her a U.S. visa.

Guys, if ever there was a foreigner we wanted to overstay a visa, this is her!

Thursday, June 22nd

What a week! I've been traveling throughout Australia, hitting clubs like the Spearmint Rhino and Centerfold Lounge in Melbourne, all the way to Bad Girls, a joint in Fortitude Valley. I've seen some great natural titties, but for the most part, when it comes to big girls—and I mean *our* kinda big—the land down under has been sorely lacking. So, I decided to go hunting. Hunting one particular lovely who I knew could fulfill my fantasies of Australian mountain climbing: Angela White.

The problem? Angela was on a sight-seeing trip in North Queensland. But really, how tough could a gal with 36G jugs be to track down? No tour guide was going to miss a girl built like Angela.

Late yesterday, a guide not only remembered her but went on about her glorious knobs and tipped me to her likely destination for the following afternoon...today. I tipped him generously, then headed into the wildlands.

By midafternoon, I'd seen lots of birds, but no kangaroos and no Angela. I was looking for a place to rest when who should I bump into sitting by her lonesome? You guessed it.

I introduced myself and let Angela know what had brought me to Australia. She hadn't heard about my quest, but I shared anecdotes about my trip: Luma in Brazil, my romp with Nicole Peters

SHE CAN BE WILD & KINKY. SHE CAN BE SWEET & ROMANTIC. MICHELLE IS YOUR KIND OF GIRL.

Summer's here, and if you're lucky enough to be vacationing in Spain, particularly the island of Ibiza, you might want to keep a lookout for Michelle Bond. You can't miss her. Her girl-next-door beauty and her natural F-cups give her away. But don't expect to see Michelle wearing jeans. When summer comes, Michelle's a lot kinkier than that.

Michelle spends her summers working in Ibiza as an entertainer, head massager (we're talking about the head on your shoulders, not the one at the end of your cock) and the hugely popular super clubs such as Privilege. "Every week, they have something called Manumission, and about 10,000 people show up. They have trapeze artists, flame jugglers and stilt walkers going through the audience. It's a lot of fun and incredibly exciting, too. I love being a part of it."

Michelle loves the club scene, but she also loves kicking back and relaxing. "A quiet, romantic night in with a good meal, good music and a good man always gets me in the mood," she said. "I need to be romanced. Oh, sure, I like a quickie every once in a while, but the best sex is when there's a slow build up. All night, we're eating and drinking and looking at each other in that way, and we both know how the night's going to end up, but we're in no hurry to get there because we know that taking our time will make it so much better." A girl like Michelle can make us wait all night. When the time comes, we'll always be ready.

The Gunns Show

THE DIARY OF A FEATURE DANCER

BY CRYSTAL GUNNS

Hi, guys. Welcome back! This month, we are going to one of my favorite clubs and then back to The SCORE Group for something really special, something that I know you've been waiting for for a long time. So make sure you read till the end because you're going to want to know all the juicy details!

Thee Southern Belle
Charleston, South Carolina

I've been coming here for six years, and like I said, it's one of my favorite places to dance. Thee Southern Belle is located right near a naval base, and it has the nicest girls to work with. On weekends, the club gets between 200 and 300 customers at a time. It's a B.Y.O.B. club, but about three months ago, they opened a full liquor bar. It's a little different because the bar is attached to the club, but you can't bring your drinks into the club. There's a door that leads into the bar from Thee Southern Belle. It's like a lounge with tables and flat-screen TVs, so you can go

The new bar attached to Thee Southern Belle is one of my favorite places. The guys like it when I'm there, too!

back and forth all night between the club and the bar.

Well, this was exciting news for me because I always used to sneak alcohol into my dressing room because the club only allowed beer. But this time, every time I finished a show, I would just go next door to the bar, get a shot and then go back to the club. And the best part was that I didn't have to get dressed back into my street clothes. I could go there in my dancing outfit, which I'm sure a lot of the guys in the club liked. I think this was a good move by the owner of Thee Southern Belle because a lot of guys like to drink when they go to see naked girls. Don't you?

But the best part about coming back to Thee Southern Belle was that, as always, there were a lot of SCORE readers. The last time I wrote about the club, a guy brought in the magazine and showed it to the staff. The reason I know that is because I wrote about a bouncer named

Here I am going tit-to-tit with Maria, one of the dancers at Thee Southern Belle. Didn't I tell you this place has the prettiest girls?

Craig, and I called him my favorite bitch boy. Well, everyone was coming up to me and laughing about it. Craig couldn't believe I called him that. Anyway, Craig has been my favorite bitch boy for the last three years that I've been going to Thee Southern Belle, and that will never change. Sorry, Craig. You know I love you lots!

I had a great week. I always draw a big crowd whenever I come here, and they're always very supportive, especially my fans from SCORE. I love performing on Thee Southern Belle's stage. It's a big stage, and everyone crowds around it. My candle show is always a big hit. I burn about 10 candles and place them around the stage and let the guys pour the candle wax wherever they want on my body. Usually I can make \$150 to \$200 in tips just by doing that show.

I also have to give a shout out to my favorite DJ in the world, Kevin. He works so hard for me. He really gets the guys going. Kevin has been a DJ at Thee Southern Belle for a long time and has worked with me every time. Sometimes I even let him pick my music for a set because he knows what I like and he knows what's going to get

the crowd going. As all dancers know, that's very important so everyone has a good time.

This is a very feature-friendly club, especially if you're a SCORE model. The fans who come to see me always have a lot of stuff from SCORE for me to sign. They also always buy Polaroids and get dances from me. So thank you, SCORE readers. I'm always glad to make you happy!

One of the best parts of the week was hanging out with Big Brian. He's a bouncer who works there, and he looks like Butterbean from wrestling. He's this big, bald, white guy who doesn't give a fuck. He loves to show his big, fat balls, and he loves to fart on you. He cracks me up every time I'm there.

This week, Brian was the one who would pick me up from my hotel and take me to the stores to get my stuff for my shows. One

example I will give is when we were in the drug store CVS getting stuff. He would say to me,

"Come on, you hooker" and start grabbing my

tits in front of all these

old people.

He would call me a little

these names and I

would call him my pimp. Brian would be like,

"Hurry up, Bitch, you need to make me some

Hey, sometimes dancing is a messy job, but Alexis proves it's definitely worth it!

money tonight," and people were looking at us like we were crazy. I thought it was pretty funny, but I don't think the other people in the store thought it was funny. We would go to Wal-Mart, and he would stop people and ask them if they thought my tits were big and tell them they could touch them. A lot of people don't get his humor, but I think he is funny as hell.

Well, I can't wait to go back to Thee Southern Belle. It's always a joy when I go there.

Shooting at SCORE Miami, Florida

SCORE flew me to Miami on a Monday night, and I went straight to my hotel. I ordered up food and then went straight to bed pretty early because the next day was going to be a long one.

Okay, guys, here is a little secret. I never thought I would be back at SCORE because the last time I was there, I was telling everyone that I was going to retire. But I thought long and hard about it, and guess what? I'm not going anywhere for a long time!

A lot of my decision had to do with my fans. I have such loyal fans, especially my SCORE readers, that I wanted to

Daisy is like a lot of girls at a lot of the clubs I dance at. She just can't get over the size of my tits!

Here I am in the *SCORE* Studio in Miami, Florida, getting ready for my first photo shoot with a male model. That's Virginia in the second photo, helping to make me look sexy and beautiful. I love shooting at *SCORE* because they always pamper me. They make all their models feel like a star.

give you more of me. I also want to thank everyone who voted for me for Model of the Year. Even though I came in second to Marilyn, it was a tight race. Thank you for making it such a close race, and don't worry, we'll win it next year!

It was great walking into The *SCORE* Group on Tuesday morning. It's so great to see everyone I hadn't seen in a long time. I got to see Dave, who's the editor of *SCORE*, and Elliot, who is my baby, and Tushna, Peter Wall and Virginia, who put all

the hard work into my videos and photo shoots. I didn't get to work with Peter this time because he was on location shooting with another model. I worked with Hector, who makes me laugh because he has such a heavy accent when he talks.

But this visit to *SCORE* was also very nerve-racking for me. I was about to do something for the first time in my career: work with a male porn star. *SCORE* came up with a video idea called *Tits 'n' Tugs* and asked me if I'd be interested. I thought about it for a while—I really had to think long and hard about it—and said yes.

A lot of *SCORE* readers have wanted to see me with a guy for a long time. I will never do porn, but I would consider doing other stuff. I'd been thinking about it for a while and decided to do a little something for my fans.

Now here's one DVD box cover I never thought I'd see: me jacking off a male model! He seemed to be enjoying himself, and, surprisingly, I did, too. I hope you guys like it!

That day, I shot one photo shoot by myself, then I did a movie in which I am jerking off a guy and he is fucking me between my tits. I just want to let all my fans know how nervous I was. I didn't

even get to pick out the male model. *SCORE* did that for me.

His name was Jordan, and they told me I would really like him. When I walked into the studio and met him, he seemed like a nice guy. We talked, and he made me feel very comfortable. The funny part is that I have never worked with a male model before, and while I was eating my lunch, he was on the set, naked and playing with himself to prepare for the video. I mean, it's kind of strange to be sitting there eating lunch while some guy is standing 10 feet away jacking off.

I don't want to give too much information out because I want you to be surprised when the video comes out. One thing I have to say is that I really enjoyed doing it. I think what really made me like it is that I know all my *SCORE* fans will love it, too. Like I said, the name of the DVD is *Tits 'n' Tugs*, and if you go online to eBoobStore.com, you might even be able to buy a copy. My friend Cindy Cupps is in it, too, so you get both me and Cindy doing something you probably never thought you'd see us do. Cindy told me that she had a really good time, too.

I also have another deal in the works with *SCORE* that I really think you're going to enjoy, but I don't want to give that away. I always like to keep you on your toes!

Well, anyway, that was a long day for me. We shot from 10 a.m. to six in the afternoon. After all that shooting, I had to catch an 8:40 flight back home. But it was well worth it.

**HER FRIENDS CALL HER SHY. EVEN A BIT OF A PRUDE.
BUT SEXY SERAYA JONES IS READY TO CHANGE THAT.**

"My friends aren't going to believe this when they see it," said Seraya Jones, a DD-cup natural who, right here, is getting naked in front of people for the first time. Not counting sex, of course. "I haven't done much of that, either," said this student from London, England. "I'm the shy girl in my crowd. I don't even talk about sex."

Why is Seraya showing off her big naturals (and even sucking her own nipple on page 68) for our viewing pleasure? "Because I don't want to be the shy girl anymore," she said. "I want to break out of my shell, and I thought this would be a good way to do it." But how about those friends? "They are going to say, 'Seraya, is that really you? Do you have a twin sister or something?' And I'm going to laugh. After I'm finished blushing, of course!"

and Marilyn Sakova in England, and how Ariana bailed me out after I got detained in Afghanistan.

"You fucked all those girls?" she said, a horny look filling her eyes.

"Yes, I did."

"Wow! That must have been amazing. I love big tits. So, why were you looking for me?"

Taking out my camera, I said, "I've been all over Australia. I've seen thousands of boobs. But none like yours."

I ogled her cleavage. Angela was wearing a tight red shirt and matching headband. She wore a bra, though it was all but transparent beneath her sweaty T-shirt. I had a hard time believing Angela was surprised, but when I showed her that my digital camera was filled with only the best of the best, she was all too happy to go native right there.

Angela released her prodigious pontoons from her bra, and the underwire hummed like a musical instrument. So much tittlesh spilled over her cups that I wondered if perhaps it was time for her to consider a larger model.

"Larger?" she gasped. "I hope not. I had the gal who makes them for me leave some extra room already!"

I counted my blessings. Here was Angela White, she of the 36G jugs, sharing with me that her own custom bra-maker needed to expand her cups to secure those national treasures.

Angela stripped off her panties, and in the background, I noticed a kangaroo poke its head out from behind a tree. It watched as Angela strutted in the buff while I snapped away. Perspiration was flowing into the cavern between Angela's breasts, so I uncapped a cold bottle of water from my pack.

"What're you planning to do with that?" Angela said slyly, her voice sending shivers up my spine. I thought about it. There was plenty of water in the pack.

I tilted the bottle and poured icy water onto Angela's bare nipples. The reaction was instantaneous. Angela threw her head back and moaned while I directed the stream over her heaving jugs. Her nipples shot to attention and grew darker as they swelled. The water coursed over Angela's snatch, trickling through her glistening pussy folds. She parted her thighs slightly, exposing her clit.

Kandy Gets Randy

KANDY IS DOING SOMETHING SHE PROBABLY SHOULDN'T BE DOING. AND THAT MAKES IT BETTER!

We are pleased to inform you that the shit has *not* hit the fan as the result of Kandy Cole's debut in the Jan. '07 issue. You see, Kandy is a teacher (fourth graders) and if anyone at the school had seen her pictures in *SCORE*, Kandy would've been fired. But they didn't. So she's back. And asking for trouble.

"The people at my school have no idea about my pictures in *SCORE*, and if they do know, they're not saying anything," Kandy said. "I wouldn't be surprised if the principal knew. He's a little perv, always trying to sneak a peek down my blouse or up my skirt. And I once caught the janitor touching himself and looking at me. But that's okay 'cause I'm a freak, too. I love having this dirty side, the side no one knows about. I love knowing that I showed my tits, ass and pussy in a famous men's magazine."

For her second appearance in the world's greatest big-tit mag, Kandy has turned up the heat, spreading her horny asshole and (on the next spread of the International edition) poking her sweet, well-educated cunt with a fuck toy. "I'm thinking of taking up dancing on weekends," she said. "I mean, all men fantasize about the naughty teacher, and I'm their living fantasy. Stripping in some sleazy club on weekends and teaching nine and 10-year-olds during the week. That sounds like just the kind of randy thing for me!"

Angela opened her mouth to take a drink, then closed her lips around the bottle like she was giving head. I grabbed a hold of her tits and started working my mouth down the cool trail the water had left behind. Angela mewed like a forest animal while I nuzzled her boobs and gave her erect nips a thorough working over. Angela's yelp of pleasure startled birds from their nests. She draped her knees over my shoulders, enabling me to tease her clit with the tip of my dick.

Just as Angela began to cum, I drove my cock deep inside her. I shut my eyes and began a series of slow, deliberate strokes, driving my cock into her, steady as a drumbeat. I was aware of the rhythm of my cock-in, out, in, out-and Angela beating her palms against the table while her fingernails stroked my...

Waitaminit! Unless Angela had grown more arms, she couldn't be scratching me while I fucked her for all I was worth. Suddenly, things got very weird. The pounding grew even louder when I opened my eyes. The whole table felt like it was being shaken!

And it was. Only not just by Angela and me. What was pounding in time to the rhythm of our sex was a horde of kangaroos! I swear, there must have been a hundred of them watching us fuck, hopping in place to the beat of our sex!

Angela noticed them and urged me on. Not wanting to disappoint either Angela or our marsupial voyeurs, I started power-fucking Angela, making her tits heave and bounce. Every time I plowed into her hole, her whoppers shifted beneath my hands. It was almost impossible to corral those knockers, but I feared that if I didn't, they would slam into her face and knock her out. As Angela sent another flock of birds panicking into the skies, I felt my last reserves of restraint being drained, too. I gave Angela the last I had and pulled out, jacking jets of jizz onto her tits and face. Each cock-contraction pumped out another wad of man cream. It was a thorough drenching.

The ground still thrummed with the sounds of kangaroos hopping, but they'd gotten the hint the show was over. A few curious onlookers remained while I removed another water bottle and gave Angela a quick bath.

"So, where to next?" she asked.

That reminded me of the final and toughest part of my task, which still lay ahead. One continent remained: the most desolate, empty and harsh place on Earth. Antarctica. That, I told Angela, we could talk about later. I needed a shower.

And, since Angela had been happy to share water outdoors...

Sunday, June 25th

Antarctica.

It's fucking cold.

I mean, really fucking cold.

More later...

Monday, June 26th

Not much goes on in Antarctica besides research and a few people stepping off cruise ships just so they can say they've been here.

Did I mention it's fucking cold?

There are some places to eat and not much else. There also aren't many Antarcticans. Nobody lives here year round. Scientists and researchers usually spend some time working, then go home and maybe come back. So I let the guy who brought me ashore on a small boat fill me in regarding any babes that might be here. With only a few thousand people in Antarctica, mostly confined in a small area, the picture he painted for me wasn't too rosy. He told me there was a pretty busty American researcher working here, but she was in her 50s. Not that there's anything wrong with that, but...

My best bet seemed to be the U.S. outpost (which had about 2,400 people), the Brits' camp (they had something going on with the Italians) and the Swedes. The Swedes had a really small group, but he'd heard rumors about a gal there with a pretty impressive set of lungs.

A tour of the U.S. facility didn't give me even a sniff of success. There were some cute girls working—you know, the bookish types—but none with a really good pair to show off. I met an Italian named Lettie at the UK/Italian research facility, but while she had a nice bod, she wasn't sporting the kind of mounds that made themselves evident beneath her sadly understuffed sweater.

Two days wasted on this ice plane and I wasn't thrilled about my dwindling prospects. But then...

Tuesday, June 27th

God bless the Swedes...despite having the smallest and coldest outpost (they were cutting half-mile tunnels into

ice caves, for Christssakes!). The hot Swedish babe who led me on my solo tour was more than happy to hear about why I'd come to this frozen wasteland. I gathered that she had precious little company, and her silky, Swedish voice made me envision her as being hot even beneath the parka she wore that concealed everything. Anka was blonde, about 5' 9" and had the kind of mouth that was born to suck dick and talk dirty in Swedish. Even if she was flat-chested, I was intent on banging this stunner just to have something to show for this part of my trip.

The Swedes dig into the ice by using blowtorches. Some of the tunnels were being actively torched, some not. I accidentally veered into the wrong one while Anka stopped to talk to a researcher, and about 30 feet in, I saw a guy rushing to try to conceal what he had been doing. When Anka caught up, the guy turned totally red-faced. Anka laughed, though I couldn't see what the guy was trying to hide behind his back. She told the guy (in Swedish. Damn, that got me hard!) that he could take a break.

Then I saw it. The guy with the torch had cut the outline of a woman into the ice wall. A tall, really shapely woman. But the shocking thing was the caverns he had gouged out of the ice to represent her tits. It was as if he'd carved out spots where I could have stored my luggage.

"Uh...he wasn't, uh...planning to... you know...?" I asked.

Anka howled with laughter. "No," she said. "Nobody gets used to the cold enough to put their, ahem, into the ice to get off. No, this is how some of the guys have fun. A little ice-art to distract the guys on the second shift."

"He must have some imagination," I said, looking at the outline.

"Imagination?" Anka asked.

"Yeah. I mean, he was really embarrassed about you seeing it. He must really be horny for a girl with, uh, these kind of measurements."

"Oh, no, that wasn't what embarrassed him," she said. "Me seeing it, that's what did it."

"Why? Because you're a woman?"

"No," Anka answered, unzipping her parka. "Because that's a picture of me."

I was shocked. Anka opened her parka and stood there with her hands on her hips. With the zipper down, the parka was nearly pushed off her shoulders by the size of her gazongas. My eyes

LUBE TALK

We jack a lot. Every day. Two or three times a day. We're jacking pros. We know a well-lubed jack is better than a dry one.

Makes sense, doesn't it? Doesn't wet pussy feel better than dry pussy?

The question is, which lube should you use. And all lubes are not the same.

Eros Bodyglide never gets sticky, so you can glide up and down your pole. Eros Light Love Bodyglide is thinner, softer and more slippery. Eros Aqua Bodyglide is water-based, so cleanup is easy.

Then there's WET's quality line of lubes, including Light (for easy cleanup), Platinum (great texture!) and Original, the time-proven choice for jacking.

Pick one, and enjoy yourself, with yourself!

GET YOURSELF AN EIFFEL OF PARIS LORENZ. YOU'LL LOVE HER IN THE SPRING, SUMMER, WINTER & FALL.

Paris Lorenz is not French. Fact is, she's never even been to Paris, although she'd like to go there. But there are three important facts you should know about her: 1. She has big tits; 2. She's from the Czech Republic; 3. She's not shy. Take all of that information, put it all together and what do you get? Another busty Czech who isn't afraid to show it all and do it all in front of the camera. So, yes, Paris does fuck and suck for the camera. You can see her doing it online at Scoreland.com. And, yes, in her first pictorial, Paris is showing it all for our jacking pleasure.

**WE
LOVE
PARIS!**

"I am looking for a beautiful man with a big, beautiful penis," Paris said. *Uh-oh.* "But one of my favorite things to do is get all of a man's penis into my mouth, and I can't do that with a big penis. I can only do that if the penis is medium or small. But I am practicing." Practice on us, Paris. "I have had a lot of sex with a lot of different men. Am I a bad girl?" *Mais non!*

Are you getting the feeling that if a girl was born in the Czech Republic, is pretty and has big tits, it's a foregone conclusion that she'll end up doing porn? We are. The list is huge: Veronika, Iva, Petra, Marketa, and so on. "Many young Czech girls admire the girls who are in porn," Paris said. "They are able to take care of themselves, and they are not afraid to express themselves sexually." Are they your role models, Paris? "I do not know what a role model is," she said. "All I know is I want to be like them. I want to make love like them. I want to be every man's fantasy. I want to be a star." She's already off to a great start.

SEVEN SUMMITS

Continued from page 80

must have bugged out of my head because Anka just stood there, grinning at me. Then she moved to the spot where the ice art was. She slowly lifted up the front of her sweatshirt and revealed the biggest pair of natural wonders I've seen on any continent.

"With the blowtorches going, it's about 50, maybe 55 in here. If we're lucky, we might have 10 minutes to, how do you say, take advantage, before we need to get dressed again. You want?"

Anka laid her parka on the ground on top of a tarp and peeled down her thermals, exposing her arctic glaciers. Despite the cold, my temperature was rising, and so was my anticipation to get it on with this not-so-ice-goddess.

Forget what they say about cold and shrinkage. My cock was fully erect when I yanked down my blizzard gear and stood before Anka, my weatherproof pants balled around my ankles, like hers. Fuck the blowtorch. I could have cut a hole into the ice seven inches deep.

Anka spread her pale, creamy thighs and showed me a glimpse of warm pink hidden beneath a tuft of soft, blonde pussy fur. I pressed my cock against the top of her crevice, felt her hot muff melt around my dickhead and entered her.

It was like fucking a hot, velvet-lined tube. Anka's cunt gripped me and sucked me in to the hilt, and I lay on top of her, warming her skin with my breath. Steam rose off her nipples when I took my tongue away from them, and I had to make sure to suck them dry each time I drooled atop their peaks, fearful of my saliva turning to ice. These snowcaps were perfect as is. They didn't need any artifice to keep them rigid.

I plunged quickly into Anka's snug box, knowing that time was short. Anka ground her hips against me and purred in my ear, raising the hair on the back of my neck. She had the short, filed fingernails of a scientist, but when she reached down and stroked my balls with them, it sent hot sparks of fire through my crotch. If it had been 55 inside the cave when we started, it had to be 60 now. Sweat beaded on Anka's brow as she quaked with a fierce shudder. Her orgasm didn't seem to wane, and I wondered how long it had been since she'd gotten a good lay. What else was there to do in Antarctica in the off hours? Play Nintendo?

Anka's teeth were chattering, but all around her, her body heat gave off a ring of steam. Her skin was flush with heat, and her eyes were locked on mine.

"Don't stop!" she begged. "I'm going, going to...again..." and she did. Anka tightened with another bone-jarring orgasm, filling the cave with echoes of ecstasy. I was sure we were running out of time. If our 10 minutes weren't already up, Anka's moans and shouts were bound to bring somebody around.

I buried my face between those southern peaks one more time, feeling them part around my cheeks and trapping my head between them. Anka put her hands on them and shook them back and forth while I lapped up a bead of her sweat and got ready to bust my nut.

When I pulled out, and our bodies separated, the presence of the cold finally intruded. It felt like stepping out of a steambath into a meat locker. The shock tightened my balls right as I erupted, lathering Anka's fleshy icebergs with a stream of cum. Only my first spurt of spoo found its mark. With my knees knocking, I fired off three rapid squirts onto the ice wall beside us, coating the ice-art Anka's belly and concave thighs with jizz. I put my hand against the cave to steady myself, and the cold pricking my skin made me spasm and fire off another two squirts. Now the niche the researcher had cut into the cave to represent Anka's pussy was oozing my load. Breathing in ever-colder air, I finished cumming, and Anka helped me cover up again before hypothermia set in.

Anka looked at my cum, already turned to ice, staining her image. It made her giggle. With a few deft sweeps of the blowtorch, all evidence I'd been there had vanished.

"No matter," she told me. "Tonight, you can warm my skin with it instead of Hans' picture."

The Swedish research facility has a satellite Internet connection. Here in Anka's room, the reception is pretty good. But it's still chilly, so I'm headed back under the blankets. By the time this blog is uploaded, I'll have been doing some uploading of my own.

Antarctica's still fucking cold. But fucking and cold aren't necessarily mutually exclusive.

More importantly, I've done what I set out to do: fuck the chicks with the biggest natural tits on all seven continents. Mission accomplished! 🍌

**SLIM-N-STACKED, LENA LI IS THE CLASSIC
SCORE SWEATER GIRL...AND BRA FILLER!**

The last time we saw her in the Holiday '06 issue, Lena Li said, "I try to dress down because if I dress up, I get stares from people." Well, here's Lena dressed down in ordinary blue jeans and a sweater. But even in clothes that would look ordinary on most women, Lena looks extraordinary. That tiny waist and stacked rack? There's no hiding them.

Listen up! On her MySpace blog, Lena lists the top 10 tips for dating her. 1. Most men don't have the patience or the energy for me; 2. I am a closet romantic, which means I won't admit that I am a romantic; 3. I need attention, especially from a guy who claims to adore me; 4. I will tell you I hate cuddling, but I really do need it most of the time; 5. Act childish or child-like with me. Most of the time, I act like I am either eight or 12; 6. Tell me you miss me even if you saw me or talked to me five minutes ago; 7. Make me the No. 1 person in your life; 8. Don't ask me to do this and that for you. I won't. But if you don't ask, I probably will do it; 9. Surprise me with flowers all the time; 10. Never be late or cancel or re-schedule on me. I won't ever forgive you. Show up late for a date with Lena Li? Hey, we're not stupid!

There's a lot to love about this China-born beauty, who says her hair gets as much attention as her chest does, if not more. But admiring only the physical parts of Lena won't get you far. "I know you want to run your hands through my hair," Lena said. "I know you want to play with my boobs. Every man does. But what else do you have for me? I mean spiritually, not monetarily. I get bored easily, but if a man fascinates me, he can be mine forever. Can you be mine forever?"

RUNNING ON ALL CYLINDERS!

Dear SCORE,

If SCORE were a car, it would be a super car with 12 cylinders, and here they are: 1. Chelsea Charms; 2. Marilyn Sakova; 3. Nicole Peters; 4. Anna Song; 5. Linsey Dawn McKenzie; 6. Chloe Vevrier; 7. Brandy Talore; 8. Mary Carey; 9. Diane Poppo; 10. Angela White; 11. Desirae; 12. Cassandra.

I don't have any problem with your Xtra section like some other readers do. I just pull it out and keep it apart. I have two kinds of SCORE: SCORE and SCORE Xtra. You are specialists and we are readers (jackers). If I don't like your work, I must be a specialist, but I'm not. I don't like that people are giving so much criticism to my beloved magazine.—V.S., Begijnendijk, Belgium

WHY MERILYN SAKOVA ISN'T AS GOOD AS PEOPLE THINK SHE IS

Dear SCORE,

Thought I'd pitch in with a few thoughts on the May '07 awards issue. While I'd never be so churlish as to dispute or resent any winner, I have to ask, am I the only SCORE guy who doesn't love Marilyn Sakova? It seems like the whole world can't get enough of the Russian sexpot but, while I have the greatest respect for her (as I do for all of your models), she's never done anything for me from day one. I'm not just saying this to be controversial. I think my views are the result of a combination of things.

First, I've never been a big fan of the girl-next-door look. I like my ladies to have an air of sleaze about them, like they're thinking about sex 24/7. I don't find the innocent look to be a turn-on.

Is Marilyn Sakova (left) overrated? Is she the equal of Linsey Dawn McKenzie (right)?

Second, while I can appreciate Marilyn's incredible measurements, my personal tastes lie at the more voluptuous end of the spectrum. Huge boobs on stick-thin frames may drive most guys nuts, but to me, it just doesn't look right. You may wonder why I don't just exclusively read *Voluptuous*. Well, I started with *SCORE*. It does feature a lot of crossover models and I do like to see a nice set of augmented tits, particularly in nasty XXX.

My choice for Model of the Year was the incomparable Linsey Dawn, a woman so sexy, she ought to come with a health warning. Get her into a nurse's outfit again soon, please!

As to the question posed in "Boob Beat," yes, more models smoking, please! Any man whose girl hasn't blown him while she smokes a cigarette (mine has) hasn't lived. It's a sublime experience, although I don't smoke myself.—K.S., United Kingdom, via email

NATALIE FIORE: THAT'S AMORE!

Dear SCORE,

I loved the pictorial of Natalie Fiore (May '07). She is so hot and sexy. Also, those breasts of hers really are a breast lover's dream. I certainly hope we will be seeing more of her.

I would also like to request some more pictorials of Luma, that sexy, bodacious babe. And will we be seeing more of Marilyn Sakova?—Dan, via email

Dear Dan: Thanks for writing. Of course you'll be seeing more of Marilyn! She's one of those girls we can never get enough of. Marilyn was last featured in the September '07 issue, in which we compared her side-by-side to the greatest busty naturals ever.

Delotta Brown has a great ass, but we'd rather concentrate on her huge, natural tits.

models in the 1990s. Sure, there were some girls (but not many) whose tits were as big as Daphne's, but none of them had that ass, and if they had it, they wouldn't have had that slim waist. On top of all that, Daphne sucks cock down to the balls and takes it in her ass! Like I said, there has never been a SCORE Girl like her.—A.T., via email

HE WANTS ALOTTA DELOTTA

Dear SCORE,

No need for a SCORE Newcomer of the Year vote this year because we have a winner. Delotta Brown (May '07, Sept. '07) has this wrapped up already. I trust that we will see more of her.—Russell, Melbourne, Australia

Dear Russell: You can see plenty of Delotta in the new hardcore DVDs *Ridin' Phat Asses* (available at eBoobStore.com or by phoning, toll-free in the U.S. and Canada, 1-800-421-0760; elsewhere, call 001-305-662-5959) and *Bounce, Baby, Bounce* (available on page 114). Delotta is also featured in the July '07 issue of *BootyLicious* magazine, available now wherever you buy your adult mags. Delotta is, indeed, one of the few girls who is as welcome in a big-tit mag as she is in an ass mag (Daphne Rosen and Crystal Gunns are two others who come to mind).

A VOTE FOR JAYNA JAMES AS 2007 NEWCOMER OF THE YEAR

Dear SCORE,

Natalie Fiore definitely has my vote for Newcomer of the Year, although Jayna James (April '07) could easily displace her. Jayna would make a great Model of the Year, assuming that SCORE changes its policy on someone making a debut vs. having appeared before.

Were the "Island Girls" photos of Elena new? I might be losing it, but I could have sworn they were the same pictures that appeared in an earlier issue. Of course, with a body like Elena's, I wouldn't mind losing it with her.

The highlight of the issue was seeing Kelly Kay sucking on her breast and showing her shaved pussy.—Marvin, Springfield, Illinois

Dear Marvin: You're probably thinking about Elena's SCORE debut in the April '04 issue. The background in those photos—the beautiful Dominican Republic countryside—was similar, but Elena was poolside and wearing a very skimpy, red swimsuit.

As for Jayna James being a candidate for 2007 Model of the Year, sorry, but we have no plans to change our policy. Newcomer of the Year is for the new girls; Model of the Year is for the girls who are no longer eligible for Newcomer of the Year. Of course, we could change our minds if enough readers convince us that we should. After all, SCORE is your magazine, and these are your awards.

A PLEA FOR SCORE SEX DOLLS

Dear SCORE,

I see you are now selling Doc Johnson sex toys through your website and in SCORE, and I've noticed them being described as "The Official Sex Toy of SCORE Magazine." Given that Doc Johnson produces a range of toys molded from the pussies and asses of famous porn stars, is there any chance of getting them to develop a line based upon some of the gorgeous models from SCORE and Voluptuous? A check is here just waiting to be mailed for any toy based on Kayla Kleeveage, Angela White or Cherry Brady.—Craig, Dundee, Scotland

Dear Craig: No plans yet, but we'll see what the doctor thinks.

Melissa's Pool Party

DON'T WORRY ABOUT BRINGING THE CHIPS AND BEER. MELISSA MANDLIKOVA HAS HER OWN IDEA OF FUN.

Right now on newsstands everywhere, the first issue of the *SCORE* special *Bikini Busters* is on sale. It's packed with photos of big-titted babes in swimsuits, but Melissa isn't one of them. We saved her for *SCORE*. We couldn't think of a better way to close out an issue in the middle of summer than with a busty natural who really knows how to fill out a bikini top. So here's Melissa. A true bikini buster.

Earlier in this issue, Czech newcomer Paris Lorenz confirmed what Melissa told us when she debuted in the Dec. '06 issue: that many Czech girls, including herself, admire Czech porn stars such as Laura Lion, Veronika, Marketa and others. But Melissa still hasn't decided whether she wants to stay in school or pursue her own career in porn. "I am trying to become better at sex," Melissa said. "I am trying to find a man who can teach me how to do it the right way."

Okay, so now we're figuring that about a million guys out there are shouting, "Me! Me! I'll teach Melissa about sex!" Cool off, fellas! Relax. Check out these pictures of Melissa. Ogle her big tits. Drool over her juicy, young pussy. Come up with your best Melissa sex fantasy. Then let her have it. She's waiting.

BRANDY DEAN: POOLSIDE WITH A BUSTY SLUT

ON A HOT SUMMER DAY, SUN WORSHIPPING TURNS INTO COCK WORSHIPPING FOR AN F-CUPSCORE GIRL.

It's summer, and chances are, you're going to see lots of busty chicks at the pool, busting out of their bikinis. Chances are, none of them are going to be as well-stacked as F-cup Brandy Dean. But imagine...you notice her. You can't miss her. **SCORE** Girl Brandy Dean, at your pool, and she's heading your way. "Excuse me, honey," she says, handing you a bottle of tanning oil. "Would you mind helping me with this?" Your boner is growing in your shorts. Because you know who she is. You know how much she loves to fuck.

As you pour the oil onto her rack, you notice her staring at the bulge in your shorts, so you don't wait for an invitation. You pop her tits right out of her bikini top and start sucking on those hardening nipples. She doesn't wait for an invitation, either. She moans, then reaches down, unzips your shorts, pulls out your cock and starts sucking on it. Suddenly, you realize that this is going to be no ordinary day at the pool. Your cock is in the hands of one of the horniest **SCORE** Girls of all. And the temperature is rising!

JEM STONE'S **HARDCORE FUCKIN'** DEBUT

SURE, SHE WAS WILLING TO SHOW HER TITS AND SPREAD HER CUNT. BUT WHAT SHE WANTED TO DO WAS FUCK.

"It turns me on to know that guys are beating their meat over my pics," said Jem Stone, a British cutie who's making her **SCORE** debut in one of our favorite ways: by sucking and fucking real cock. Hey, save that beginner solo modeling stuff for the other girls. Jem knows what she wants. "Fuck, when I saw this guy walk into the studio, I said, 'Do I get to fuck that?' The girl in charge of the studio nodded, and I said, 'Well, I'm not going to wait. If you don't get your cameras rolling, I'm gonna fuck him without you.'"

Jem is a college student who is well on her way to becoming a porn star. You can order her first porno DVD, *Busty Cock Rock*, on page 114 of this issue. "I'm definitely going to get myself a copy," said Jem, who says one of her hobbies is going to the health club so she can check out "all the hot chicks and dudes." "I'm gonna get it, and then I'm gonna find a good-looking guy, and we're gonna watch it together and then we're gonna fuck. Hey, I know I'm young, but I'm horny all the time. And when I need it, I gotta have it."
