Cindy Cupps was the covergirl of the August '07 issue—and justifiably so—but there was more great stuff inside, like Candace Von in and out of a bikini and Danielle Derek with a cock in her ass.

WHEN CINDY'S ON IT, YOU CAN JUDGE A BOOK BY ITS COVER

Dear SCORE,

The girlie magazines are wrapped in plastic on the store shelves in my town, so I pretty much have to judge the book by its cover. When I saw one of my all-time favorites, Cindy Cupps, on your August '07 cover and read that another fave, Minka, would be featured inside, I knew I was in for at least two thrilling experiences. And when I got home, I sure wasn't disappointed. Both Cindy and Minka were absolutely cock-stiffening, as they always are.

But I was very surprised that my greatest hard-ons and most explosive cums were caused by Candace Von and Danielle Derek. It doesn't get any hotter than Candace in and out of her wet T-shirt and tiny bikini.

And I have seen many oral and anal photos, but I don't recall very many as exciting as Danielle's. I especially love the shots where Danielle is sucking the guy's cock while her SCORE-class tits are hanging out over the top of her sexy white dress. I guess the photographer deserves credit, too.

One thing that usually disappoints me about boy-girl layouts is that the man

often blocks my view of the girl. Of course, I buy the magazine to see the girls. Danielle's layout avoids that pitfall very successfully. And you made an excellent editorial decision when you gave us a full two-page photo of Danielle taking the cock up her ass while using her fingers to hold her juicy pink cunt wide-open and treating us to an in-depth view.—M.R., Bensalem, Pennsylvania

NEW LOOK, NEW GIRLS, MORE FULL- PAGE PHOTOS THAN EVER

Dear SCORE,

Congratulations on the new look of SCORE! I have enjoyed SCORE for many years but never so much as when I picked up the February and March '07 issues. You have always had great models and photographs, but the layout of these two issues is brilliant.

I sensed that something was different when I opened the February issue with its

centerfolds of Gianna Rossi and Crystal Gunns, as well as the full-page photos of Alexis Silver (page 97), Ricki Raxx (page 89) and Veronika (pages 73-74). The final two-page spread of Brianna Bragg blew me away.

Daphne Rosen's spectacular cover of the March issue confirmed the new look. While her sweater pictures were impressive, the full-page shot on page 48 was the best. Other highlights were the centerfold of Nicole Peters and the outstanding spreads of Harmony Bliss (pages 94-95) and Chavon Taylor (pages 110-111). I look forward to seeing both of them in forthcoming issues.

Hooray for the new look!—Name and address withheld

Dear Reader: Glad you like it! And we hope you enjoy Harmony Bliss's newest photos on pages 54-61 of this issue. She's a real sweater shredder!

Brianna Bragg made sure we saw everything in the February '07 issue.

NEVER ENOUGH NEWCOMERS

Dear SCORE,

In the August '07 "Scorecard," someone wrote that you were featuring too many newcomers, and some did not belong in SCORE ("The Reader's Letter We Never, Ever Thought We'd Receive"). I definitely disagree with this reader and urge you to feature the current number of newcomers.

Newcomers give us the variety SCORE is known for. Seeing the big-titted models from past issues is great, too, but too much of some of the earlier models is overkill. If, for example, Minka was featured every month, that would get old after a while.

You have the right mix now in SCORE, so don't change anything at all.—Eric, San Diego, California

OUR 15TH ANNIVERSARY ISSUE: A CASE OF BOOB OVERLOAD?

Dear SCORE,

I do not really know how to comment on the June '07 15th Anniversary issue of your magazine. It was a great history lesson in big-boob stardom, and I'm glad you gave hundreds of models a shout out. But a lot of the pictures were too small, and having so many pictures on each page was boob overload for my eyes, if there is such a thing. I couldn't decide where I wanted to look. The one

According to B.B. of Wisconsin, we made the right decision when we made Linsey Dawn McKenzie our 15th-anniversary centerfold.

Deena Duos never looked better than she did on the cover of the July '07 issue. Corina spread wide inside.

thing you nailed like a freshman on prom night was giving LDM the centerfold. She was the show stealer of the 15th Anniversary.

When you went back to normal for the July '07 edition, I couldn't have been more impressed. It was so awesome to see Deena Duos lighting up the cover. I might go as far as saying that it was the best-looking cover so far for 2007. Her spread was amazing, and I was reminded why she is a legend.

I couldn't believe my eyes when I turned to Corina Curves' layout. I asked for Corina two months ago, and you guys really delivered. She is so fucking sexy. Despite the return of Ms. Duos, Corina's spread was the best of the issue.—B.B., Madison, Wisconsin

THIS GUY'S IN LOVE WITH KYM

Dear SCORE,

I've been buying SCORE and *Voluptuous* for a number of years, but your

August '07 issue had me beside myself with lust.

The highlight of the issue was unquestionably Kym, who I first saw in your sister mag. What a beauty! Exotic looks, soft, sexy curves and just about the most perfect tits ever. I know you are going to catch hell because she doesn't show her nookie, but she is so fine, she doesn't have to show pink or her nookie to get me off. Please feature her again.

The bikini pictorial ("Here Comes Summer!") had me busting a nut, particularly Crystal Gunns. Few things are as exciting as what seems like acres of breast flesh bulging from behind impossibly tiny triangles, the model's areolae teasingly showing. Man! Crystal's bikini shot made my supply of lube run dangerously low.

—B.P.,
Palm
Coast,
Florida

Kym didn't show her pussy, but she was still the highlight of the Aug. '07 issue for one man.

BRING ON THE HARDCORE!

Dear SCORE,

I think hardcore sex is a turn-on, and I'm sure most guys would agree. I've seen a few letters against the XXX pictures, but I say those people should just ignore the hardcore if it bothers them so much and let the rest of us enjoy it.

Chavon Taylor looks great sucking cock and taking it into her tight pussy in *Bounce, Baby, Bounce!* That faraway look she gets when she's fucking makes me believe she really enjoys it and is getting lost in the moment, like any hot piece of ass should. Gianna Rossi is smoking hot. She also goes after a cock like she means business. Alexis Silver, Brianna Bragg, Whitney Stevens and Kerra Dawson are all very good in *Tit-Fuck Tryouts*, too.

So ignore the critics of the hardcore. They are in the minority.—W.R., via email

ALEXIS SILVER MUNCHES MEAT SO YOU CAN BLOW YOUR TRUMPET

Dear SCORE,

You know what I love about SCORE? Beautiful babes with big tits and beautiful babes with big tits having sex. That photo in the July '07 issue of Jada Fire sucking cock is super.

"I love giving head," Chavon Taylor told us. "Why else would I do it?" So we can jack?

All videos may be purchased at eBoobStore.com or by calling 1-800-421-0760 (U.S. & Canada) or 001-305-662-5959 (International).

COMING SOON: Patience is a virtue, SCORE Men, so you might have to wait a while for this one. But we took five naturally busty babes to an exotic island and filmed a hot new video. Two hot new videos, in fact. Lorna Morgan and Christy Marks were with us. So were Terry Nova, Angela White and Gianna Rossi.

Who is the hottest? Alexis Silver, of course. Love the photos of Alexis fucking and munching on the swinging sirloin. Please, more pictures of Alexis puffing on the trouser trumpet and getting her beautiful pussy fucked into ecstasy. Her DVD *Tit-Fuck Tryouts* is the greatest. Oh, and the lensmen...excellent work, boys!

P.S. to W.W. of Cornwall, United Kingdom: You are an absolute moron. Instead of buying SCORE, why don't you stick with Tinky Winky, Dipsy, Laa-Laa and Po?—L.M., San Jose, California

Dear Readers: Confused? In the July '07 "Scorecard," reader W.W. of Cornwall expressed his outrage over Danielle Derek being body-painted inside and on the cover of the January '07 issue. He called it an "outrage." Also (and we swear we had to look this up), Tinky Winky, Dipsy, Laa-Laa and Po are characters in the British children's television show *Teletubbies*.

Minka's tits are huge, of course, but her long, hard nipples are often overlooked.

MINKA: THE BEST ASIAN EVER

Dear SCORE,

The August '07 issue had two of my favorite women featured, and both of them have definitely gotten better. Cindy Cupps has always been a classy lady, and Minka has been the best Asian to appear in SCORE since it began.

The "Scorecard" letter asking you to feature fewer newcomers must be from someone who is not interested in seeing new women. Featuring more than one newcomer keeps the magazine interesting and exciting. Granted, some of your newcomer choices have been questionable, but when that was the case, the readers let you know, and you did not feature that particular woman again. —Alvin, New Jersey

MAKE THE BIG BOOBS DANCE

Dear SCORE,

I would really love to see your magnificent girls doing boob dances in videos, like in an Oriental style with pearls or golden stuff on their outfits. The girls strip off to the beat and make their boobs dance and turn before they finally land around the cock of a very lucky guy.

I can also imagine more original dancing sequences, like one by a pool with girls wearing those great string bikinis they often wear, dancing and then getting naked and fucking the guy. And why not some new burlesque sequences?—S.P., via email

EVERY ISSUE IS A FANTASY ISSUE

Delotta Brown

Lily Valentine

DELOTTA BROWN - 34H

Delotta has the biggest rack of the five girls in the new DVD *Buxom Sluts*, and she knows how to use it. She loves to tit-fuck, and she makes a cock disappear when she wraps her brown bombers around it. Then she treats the lucky stiff to a sloppy blow job that gets him ready to shove his cock deep inside her wet, pink cunt. Delotta rides that dick hard, and where does the cum shot end up? On her huge naturals, of course!

LILY VALENTINE - 36DDD

Video of this horny, French-Canadian student is extremely rare, which is why *SCORE* Men will want to get their hands on a copy of *Buxom Sluts* (her only other first-run hardcore scene is in *Sleeping Sluts*). Lily has the body and sexual energy to be a big-time porn star, and the fact that she has shot so little video makes her even more special. She enthusiastically jacks, sucks and gobbles cock, then opens up her meaty pussy lips for a hard banging...all while looking right into the camera. Is Lily a slut? Maybe. But she's definitely buxom...and horny.

SCORE DVDs

CHAVON TAYLOR - 34E

Just eight months after debuting in the March '07 *SCORE*, this short-and-stacked cutie from Massachusetts is well on her way to becoming a big-time porn star. Watch her scene in *Buxom Sluts* and you'll know why. Chavon has the body and face of a teenager and the sexual expertise of a mature woman as she sloppily downs a hard cock, stares into the camera while she gets fucked and enjoys a load all over her tits.

TRISH BAILEY - 40DD

This Arizona cutie is a naturally stacked plumper whose tits and sucking-and-fucking ability are worth a look, even if you like your girls slim-n-stacked. Trish looks so young and innocent...until she has balls-full of cum all over her tits!

GABRIELLA MICHAELS - 40F

Gabriella is tall and stacked, and she's quickly proving her ability in sucking and fucking cock. Gabriella is wanton sexuality defined, and she certainly fits the title *Buxom Sluts*. So you might buy the DVD to see Lily Valentine and Delotta Brown. But there's lots more here, too.

SCORE'S ANNIVERSARY ISSUE: WORTH DRIVING 60 MILES FOR

Dear SCORE,

The 15th Anniversary issue of SCORE (June '07) hit the stands with its freebies and free Scoreland.com access. I remember going to three of my liquor stores, and they all had sold out. I remember that day clearly since I traveled about 30 miles each way trying to find the magazine and finally got my hands on it. It was a glorious day for me as a SCORE man. The magazine was fantastic and was truly enjoyable. SCORE will always be on top for me when I'm getting my mags.—M.M., San Francisco, California

Dear M.M.: Thanks for going so far out of your way to buy the 15th Anniversary issue. We're glad you enjoyed it.

SCORE GIRLS ON THE GO

BUSTING OUT AND ON THE LOOSE, THEY'RE HARD TO HOLD

LOOK OUT! PUMA'S BOOBY TRAPPED!

It's one trap you want to fall into! This issue marks a full year since Puma Swede was interviewed in the December '06 issue. Damn, where does the time go?

"I'm a boob freak, so I love my boobs," the Scandinavian snow queen formerly known as Johanna told our fearless editor Dave during her first visit to *SCORE*. "And then my dirty mind. I have a good sense of humor, too. I like practical jokes and sex, so it's a good combination. I'm pretty spontaneous. I like doing whatever. I don't consider, 'What's going to happen if I do this?' I just do it. And I love traveling. That's one of my favorite things. And I love partying and the beach and the weather down here in Miami."

With that point-of-view, Puma was back in her favorite state recently for shows at the famous Booby Trap, alternating between their Pompano Beach and Hallandale Beach clubs during her appearance. Our man Mario of MarioFotos.com and the Hot Dancer directory snapped Puma naked in her dressing room between rounds of Puma getting naked and spreading her pussy and butthole on the stage of the Booby Trap while the dollars cascaded like confetti on New Year's.

See Puma get shafted in two DVD's, *Big-Tit Tune-Up* and *XXXtreme Big-Tit P.O.V.* And if you prefer solo videos, *Private Stuffers 1 & 2*.

Puma Swede always has a good word for *SCORE*, and this month she wrote it down for us.

Germany's Bettie Ballhaus is now giving TV viewers a hard time.

BETTIE IN THE BALL HAUS

Bettie Ballhaus (July '07) is keeping very busy in 2007 as one of the late-night Sexy Sports Quiz hostesses on the German Sports Television call-in show *D:SF Sports Quiz*. (In the States, D:SF would be the equivalent of ESPN; the Entertainment and Sports Programming Network.)

On the show, Bettie wears boy shorts, halter tops, high heels and other hottie wear. She exhorts the TV viewers at home to phone in and try to win money. Sometimes they win, sometimes they don't but the ratings must be going through the roof with Bettie and her friends. The U.S. and the UK TV networks should pick up the concept. We couldn't understand Bettie's non-stop, fast-paced presentation in German, but this babe could conduct auctions with her rapid-fire talking and do a great job. Those D:SF boys over in Deutschland picked a winner in Bettie. We figure a good percentage of the audience is tuning in just to jack off to Bettie and the other stacked *Sports Quiz* girls. That's what we would be doing.

KYM: MUSIC TO OUR EYES

Kym (August '07) wants to become a success in the music biz. The 20-year-old clearly has natural talent. This photo proves it.

"My goal is to be successful in whatever I do in life," said the lassie from Canterbury, England. "I used to manage a retail store, and I did very well. I'd go to work wearing tight, scooped sweaters over a push-up demi-bra, a tight miniskirt and high heels. But that was just a job to make a living. I'm a trained singer. I love to sing. Several years ago I played the part of Carmen in the musical *Fame*."

Kym's favorite night is Saturday, when she goes out clubbing.

"My favorite music is bashment, a style of Jamaican music, and hip-hop. I'm currently working on a new music project called Dirty Pop. Dirty Pop is a music genre smashing the world. I'm excited about making my first single."

And taking her clothes off for SCORE dudes?

"I like to pose when I have the time. Guys are always telling me what a beautiful body I have, but I don't tell any of them that I pose nude. I thought about doing full-sex photos with a boyfriend and contacted one of your photographers, but I changed my mind."

Kym's fantasy is to have a three-some but won't say if it's with two guys, two girls or a guy and a girl.

Kym has big things ahead of her. We're glad she decided to share them!

By the Boob Gods! Candace Von stretches out that dress beautifully.

CANDACE VON: NEW YORK CITY BIG, JUICY TITTY GIRL

The other day, your editors went out to lunch. The place was packed with ugly girls. Just our luck. Why couldn't one of the customers look like Candace Von?

Born in New York City, and living in Los Angeles, Candace (August '07) maintains a loyalty to her hometown by remaining a Knicks fan. She likes to go dancing and shopping in her free time.

"Los Angeles closes up really early," Candace complained. "New York goes all night."

Her sexual fantasy is, get this, "a beautiful girl with a nice, big butt to smother me." That's a first: a hot girl who'd like to be ass-smothered by another hot girl.

"I'm starting to get recognized," Candace happily said. "The other day, a guy came over to me and said, 'You're Candace Von!' He didn't ask. He knew it!"

THE BREAST ART OF PAULY

Loving huge boobs is a passion, an obsession. Those with artistic talent get to express that obsession on paper and canvas, and nowadays, on a computer hard drive. Pauly is one of those die-hard tit-men.

"My heart and talents really belong to the world of tits. Big tits," said Pauly, a Florida-based artist and musician who's been showcased in *SCORE* several times, beginning with the March '97 issue. "I grew up influenced by Otis Sweat. He understands sensuality and sexuality as opposed to pure glamour. You can really inject sex into a picture if you know a little psychology. I am such a fiend for big tits that when I pass a woman who does not have them, my personal mantra is, 'No tits and I move on.' I design my girls' tits to be attractive to women. In fact, I design all my works, with few exceptions, to be attractive to women, not men. The true test is to have a woman review the works and say to me, 'Well, it doesn't turn me on, but it's beautiful.' I definitely create women that are such a rarity in real life that you may only see one like her every eight months or so...girls that make you freeze in your tracks and just stare to record the vision in your head because, sadly, she will soon be gone. More women need to understand how sexual the breast is. All her life, the true outstanding element of a woman's femininity is her breasts. They are physically out into space in front of her like two ambassadors, not hidden like her vagina."

Spoken like the true breast-man that Pauly is. Pauly's latest artworks, clothing and other creations are on display at www.cafepress.com/big_breast_art, www.cafepress.com/bustybutterfly and www.artofpencil.com.

Artist Pauly loves big boobs and is a lifelong tit-man. He credits *SCORE*'s art master, Otis Sweat, as a primary influence on him.

JESSIE LEE: AN EXOTIC BLEND OF EURASIAN SWEATERMEAT

Jessie Lee (May '07), a German café waitress, saw some of our German editions called *Hot SCORE* and wrote to the editors, who passed her letter over to our studio. The letter in part read, "I am interested in modeling for magazines and videos. I don't know the first thing about how to do these things, but I am willing and able to do what you need."

Jessie Lee is German and Chinese.

Jessie's parents produced an exotic blend. Her mother is German and her father is Chinese. The customers at Jessie's restaurant, who she says are mostly older people, have no clue that she posed naked with vibrators or ate the cock of a British porn stud in the DVD *Busty Cock Rock*.

"Sometimes I am dying to tell them, but that is not realistic," she said. "Even the manager does not know. I think when I quit this job, I will leave *SCORE* magazine in his office, opened to my pictures. Then he can see what he missed."

More big-boobed waitresses should do what Jessie had the nerve to do and break out of the boring box they're stuck in. Hey, you busty waitresses, contact us at model@scoregroup.com, or log onto the site BeAScoreModel.com for complete details. We'd love to hear from you.

Flashback to Linsey Dawn McKenzie's 18th B-Day in December '96 *SCORE*.

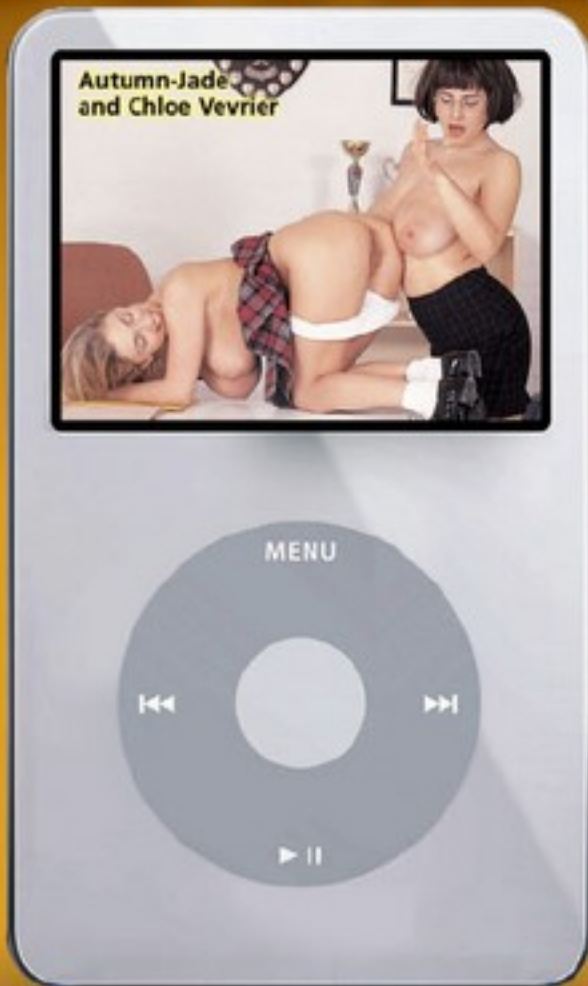

BOOBALICIOUS EVENTS IN *SCORE* MAGAZINE HISTORY

Eleven years ago, in the December '96 *SCORE*, a long-awaited major event happened. Flashback to that edition: "At *SCORE*, we've been waiting for this moment for over two years," wrote editor Bruce Arthur. "Editor-in-chief John Fox first met Linsey two days after her 16th birthday. Though only a teenager, Linsey had a bust reminiscent of Chloe Vevrier, and John put a big red circle around August 7, 1996 on his calendar: Linsey's 18th birthday. A month before the big day, we arranged with London photographer John Graham to celebrate Linsey turning legal with a photo shoot." Patience is a virtue.

This is a photo that didn't make it into that now-historic layout. LDM holds up the August 7, 1996 *Sport* newspaper announcing her birthday, prior to that moment when her bra came off.

"When I saw Linsey Dawn McKenzie in *The Sport* for the first time, I thought, 'Wow, there's another girl out there who has boobs as big as mine,'" *SCORE* Girl Kellie Garnett said. "So from then on, having big tits was a positive experience for me!"

STACKED DECKS: THE ART OF EROTIC PLAYING CARDS

If I had known Mark Rotenberg was writing a book about the history of adults-only playing cards, I'd have sent him a deck of *SCORE* magazine playing cards. (Our cards were giveaways in the Dec. '02, Holiday '02, Jan. '03 and Feb. '03 editions.) But I didn't know until his publisher sent a copy. One of America's best-known collectors of vintage erotica and girly stuff, Mark was a contributor to *SCORE* in 1998 with his photo feature, "The Rotenberg Archives."

Stacked Decks is Mark's new hardcover book about the history of erotic playing cards. Reproductions of playing cards going back to 1807 from Mark's collection of over 20,000 cards are printed in color over 192 pages, covering such categories as pin-up art, men's magazine models, glamour photos, strippers, comic art and even lesbians, girl-wrestling and hardcore sex, proof that our grandfathers and great-grandfathers were just as horny then as we are today. I especially liked the cartoon cards by 1950s magazine cartoonist Bill Wenzel. The commentary by Rotenberg provides insight into the origin of his collecting habit.

"When I was a kid, I can remember traveling with my parents by car to Miami and stopping en route at a rest area on the New Jersey Turnpike," writes Rotenberg. "There, in the men's room, I spied a wall-mounted vending machine filled with all the items any traveling man could want: a comb, a three-pack of condoms, a little box of tissues and a miniature deck of playing cards...with nudes on them! Oh, happy day! Fifty-two naked ladies. I could put them in my pocket and no one would ever know. I popped a quarter into the slot and bought my first deck of erotic playing cards." *Stacked Decks* is published by QuirkBooks and is available through Amazon.com.

Stacked Decks is a new book about "stag" playing cards and their history. It rates an ace.

SHE CUMS FROM FRANCE

French *SCORE* and *Voluptuous* models are non-existent, so Natalie Fiore (September '07 *SCORE* and the DVD *Natalie Fiore Naughty In Nassau*) is a woman all of France should be proud of. Her beautiful, big, natural 36DDD boobs are her pride and joy. Viva Natalie! Viva France! Viva Les Bon-Bons!

Natalie says the funniest pick-up line a guy has ever tried on her is, "Are those real, baby?" Now that's a cheesy line you'd think would annoy Natalie, but that's not the case.

"This comment is so funny because I know they're real," she said. "I just find it to be cute."

Natalie likes to be ogled. "If a man is staring at me like he's undressing me with his eyes only, then that's it. He's got me."

At 18, Natalie had sex with a man 15 years older than her.

"It was wonderful because I was so anxious to become a woman, so I felt relieved."

Her most memorable sexual encounter?

"I was in an elevator, and the man unbuttoned my shirt, put his hands on my tits and pushed me against the wall. He grabbed my ass and made me his."

Natalie found *SCORE* while surfing the Web. She checked out the talent search info in *Scoreland.com*, and then contacted us. Viva Natalie!

A babe who sprays her tits with champagne owns our hearts. And our livers.

She doesn't speak much English. In fact, she doesn't speak *any* English. But in any language, Czech newcomer Katarina Dubrova translates to sexy, beautiful and busty. The E-cup tits, like her lush, red hair, are all natural. The smile is genuine. "Katarina was smiling when I approached her on the university campus and smiling throughout the shoot," our photographer reported. "She's a sweet girl."

**Sweet
Katarina**

Sweet and smiling when she's exposing her tits for the first time in any magazine, sweet and smiling when she's opening up her fresh, pink cunt for your viewing and jacking pleasure. That's Katarina, who told our Czech-speaking photographer, "I love doing new things. This is something I had thought about doing before, but I never thought I would have the chance. I think it's great!"

Will we ever see Katarina again? Or was this appearance in *SCORE* a one-time thing? Katarina wouldn't say, although she did suggest to our photographer that she was afraid of her parents finding out about these pictures. We think she should relax. Not worry about it. She's doing a great thing for men everywhere. Just by smiling. Spreading. And being herself.

Fantasy Honeymoon

She thought they were spending the weekend alone. He had other ideas.

FICTION BY JACK VAUGHN • ILLUSTRATIONS BY OTIS SWEAT

From the passenger seat, I looked out at the snowy mountains and smiled. College finals were over, and I had nothing but vacation ahead of me. Although Scott and I had already been married for a few months, we'd postponed our honeymoon because of my classes and his job at the advertising firm. But now we were off to his boss's cabin for a whole week, and I couldn't stop fantasizing about skiing in the open air before ending each day with incredible sex in front of a fireplace.

I looked over at my husband. At 30, he was more than 10 years older than me, but I still thought he was just about the sexiest man alive. I have to admit that I'm quite a nympho sometimes. Maybe it was compounded by the relief of classes finally being over, but suddenly I got this crazy urge to pull off to the side of the road so we could start our vacation a little early.

He glanced at me and smiled before turning his attention back to the road.

"Something on your mind?" he asked.

"Oh, nothing," I answered, squirming in my seat as a familiar wetness in my panties indicated just how excited I was becoming.

He laughed. "I don't believe you."

I squirmed some more, wondering if I could hold out until we reached our destination. "Let's just say I'd be a happy girl if we could trade this car for the nearest available bed."

He winked. "Don't worry. We're almost there."

"Mmm...I don't know if I can wait," I answered, spreading my legs enough so that I could put one hand down the front of my shorts.

He laughed again. "Apparently not. Here, let me help you with that."

Holding the steering wheel with one hand, he reached across with the other and took

my place, gently pinching the folds of my labia before rubbing his strong fingers around the opening of my pussy. I panted for more and he stuck one finger in. Then he took it out, gave me a wicked smile and withdrew his hand.

"That's just a sample," he said. "I have lots more planned for you."

I whimpered in disappointment, but something in his voice only turned me on more. I knew that Scott had some sort of surprise planned for me, but I had no idea what it was, only that it had something to do with his boss's cabin, and whatever it was, I was in for one hell of a treat. I thought of his fingers teasing my pussy and wanted him so bad, it hurt. I even thought about digging the vibrator out of my suitcase and giving myself a little something to tide me over, but my suitcase was on the luggage rack on top of the car. Thinking of the luggage rack reminded me of something else, and I swore under my breath.

"What's wrong?" he asked.

"The skis!" I said. "I don't believe it, but I can't remember if we brought the damn skis!"

He chuckled. "You laid them by the car and told me to load them up. But when you weren't looking, I put them

back in the garage. What do you think about that?"

I couldn't believe what I was hearing. "You did what?"

He glanced at me, then returned his eyes to the road.

"I put the skis back," he repeated, then with an evil grin, he added, "You'll be much too busy getting your brains fucked out for skiing, my dear."

Just that fast, my anger melted and I felt my excitement return. Again, I was tempted to suggest we just pull off to the side of the road so I could mount his lap in front of the passing cars. I shook my head. What was I thinking? We had to be almost to the cabin by now. Couldn't I wait just a little longer?

He saw me squirming, and with that same twinkle he asked, "Is anything wrong, babe?"

"I was just looking forward to skiing," I pretended. "Not that I wasn't looking forward to other things, but I figured there'd be plenty of time for both."

"I didn't know you were such a fan of skiing," he said.

"I am," I said. "It's great exercise. Besides," I joked, "I could stand to lose some weight."

He glanced at me with a raised eye-

brow. The idea that I needed to lose weight was ridiculous, even to me. I've always had a slender waist and sleek legs, despite a melon-sized rack that's probably what attracted my husband to me in the first place. Not that I can blame him. My boobs have always been my favorite part of my body. They're triple-Ds and well-shaped, even when I don't wear a bra, and I'm just the sort of girl who loves to flash them when I'm in the right mood. Despite their size, my boobs are incredibly sensitive. Sometimes I can get off just by my husband squeezing and licking them, or when I'm by myself, if I lift them up and suck on my nipples.

I squirmed in the seat and tried to tide myself over with every dirty fantasy I could muster, idly stroking my tits through my tank-top until my nipples were swelling through the fabric. I plucked them a little, but it was killing me not to have sex, and I was relieved when we finally pulled up to the cabin. Then I saw other cars in the driveway.

"Are you sure this is the right cabin?" I said.

Scott just grinned and hopped out, pulling down our suitcases with his strong arms. I looked back at the cabin again. There were four cars in the driveway, and I could see lights and activity through the windows. I shook my head in confusion.

"I thought it was supposed to be empty," I said.

"I never said that," Scott said. I saw his devilish grin coming back, but this time it made me angry.

"Yes, you did!" I insisted. "You said we had your boss's cabin for the week-end together!"

"And we do," he answered calmly, "but I never said we had it to ourselves."

Then I realized what he meant, and I was speechless. My mind drifted back to the Christmas party a few weeks before, how after a few drinks I found myself making out with Kirsten—the wife of Scott's boss—and blurting out my kinki-

est fantasies while the men watched and Scott laughed and shook his head. I'd been so embarrassed later. We hadn't talked about it since then, and I'd thought maybe Scott had forgotten.

I was trembling as we approached the door. It opened before we got there, and we were greeted by Bill, Scott's boss. I'd never seen him out of a tie before, but now he looked relaxed and handsome in a T-shirt and jeans. He had a drink in his hand, and he gave us both an easy grin as he held the door open.

"Scott, Melody, it's about time you got here," he said.

Scott winked and we went inside. There were three young men I'd never seen sitting in the living room, along with Bill's wife. Kirsten looked ravishing in her clingy, black dress as she got up to greet us. She gave me a hug, then kissed Scott on the cheek. Her lips lingered a little too long and I started to feel jealous, but it only intensified my excitement when I thought of what they might have in store for me.

"You're late," she teased. Before I could say a word, she took my hand and tugged me upstairs. Over my shoulder, I saw Scott flash me a sly, knowing look. "You two can sleep in here," Kirsten said, guiding me to a big bedroom at the top of the stairs. "The rest of us are sleeping downstairs."

"Really?" I asked, surprised that she and Bill weren't taking the main bedroom for themselves.

She giggled and casually pushed the door shut. "Hey, you're the guest of honor, aren't you?"

I blushed again. "I don't know. Am I?"

"Sure you are!" Kirsten came a little closer, and I could feel the slinky heat of her body brushing against mine. "Scott told us how you two never got a chance to go on a honeymoon and how hard you've been working on your classes. Plus, Bill is always saying how hard Scott works at the office. We just figured the two of you could use a break."

My heart was pounding. I wondered how much Kirsten already knew about my husband's plans. But then I felt her lips on mine, and all my questions vanished. She was every bit as soft and inviting as I remembered, and I shuddered with pleasure as her hands delicately traced my back, then slipped under my shirt and caressed my hardening nipples. I'd never been attracted to women before, but Kirsten was different. She

Tits-A-Poppin'

"I LIKE FRUIT. I LIKE HOT SAUCE," JADE SINGS IN THE DVD TITS-A-POPPIN'. YES, JADE SINGS!

Okay, we're tit-men, but check out Jade Feng's foot in this photo. Her middle toe is longer than her big toe. Jade tells us there is a special meaning to that. "I rate my sex drive at 9 or 10 out of 10. You can tell from looking at my 'Roman Toe.' It is the secret to know if a girl is horny all the time. All the horniest girls have a second toe that is longer than the big toe. That's my secret. Now you know, too."

SCORE 37

Now back to this "fruit and hot sauce" business. In *Tits-A-Poppin'*, Jade is a Chinese pop star who sings a song on the stage of a nightclub about liking fruit and hot sauce. The hidden meaning? It's the kind of hot sauce that we squirt out of our cocks. A record producer catches Jade's show and invites her back to his hotel room...so he can warm her throat with his meat-mike!

What's Jade been up to lately? Anything as exciting as posing naked and making hot, horny videos and photos at *SCORE*? "I attended the Portland Erotic Ball in October, and I'll probably attend again," she said. "I wore a sexy corset made with Chinese fabric that made my boobs look extremely huge. The event organizers even gave me a VIP ticket!" No surprise. Huge boobs open many doors.

THE DIARY OF A FEATURE DANCER

BY CRYSTAL GUNNS

*Here I am clowning
around with Summer
from Big Earl's
Goldmine in Des
Moines, Iowa. We got
drunk and silly!*

Hi, guys. Welcome back! This month, we're going to a new club and then to one of my favorite clubs. It was a hectic two weeks, but as you are about to find out, I had a great time.

The Body Shop Rock Island, Illinois

The Body Shop is a brand-new club that opened just six months before I got there. I really don't like to go to new clubs because you never know what to expect. Sometimes it's good to hear from other features that have been there so you know what you are getting yourself into. The only reason I agreed to go here is because it is owned by the same person who owns Big Earl's Goldmine in Des Moines, Iowa.

This was my first time in Chicago. I've never featured there before. After I posted on my website that I was going to Illinois, I got a lot of responses. I was a little nervous once I got there, but once I walked through the doors, I saw one of my friends who worked at Big Earl's Goldmine. Her name is Cameo. I was all excited. I asked her what she was doing there, and she said that because I was featuring there this week, she decided to come down and work with me because she always makes money when I dance. Oh, by the

way. She has big tits, too! During the day, Cameo and I hung out. We went to the gym, had lunch, went tanning and went shopping.

Well, I was happy. The Body Shop is a pretty nice place, and the best part about it is that it has a bar. Two bars! The dancers can only go topless, though, because alcohol is served. It's a pretty big place that can seat a lot of people. The staff and the girls are very nice.

I featured there Wednesday through Saturday and did 12 shows all together. It was a pretty fun week. I met a lot of new fans who I didn't know I had. One of my biggest fans drove in from Chicago to see me. His name is Carmine. Usually when I'm in Des Moines, he does the drive to see me, but he was excited to see me in Illinois. He stayed overnight in a hotel because he shot pictures of me for three hours in my hotel room. No, not for free! I charge him by

the hour and have him sign contracts so he can't sell the pictures. They're only for his private use.

I must admit, Rock Island is beautiful. The scenery of the parks and the Mississippi River is beautiful. I'm not one to go out during the day because I like to sleep, but I did this time because the scenery was just breathtaking.

Friday turned out to be a very special night for me. I met a married couple that brought along a friend. The wife came up to me after my show and told me that her husband had been diagnosed with Lou Gehrig's Disease and had been given only a year to live. He was a retired firefighter. Well, to make matters worse, the year was up. She asked me if I would take a Polaroid picture with him, and of course, I said yes. She didn't want me to tell him I knew about his disease, and at first, I didn't believe her. I thought she just wanted me to give her and her hus-

band some attention. But when I went to their table, he was very sick. He could barely speak. The reason they came to the club was because he's a big fan of big tits and knew me from SCORE.

Well, I ended up giving him free Polaroids and one of my newest SCORE covers signed to him. I ended up hanging out with them all night, and they were so fucking cool. I asked the wife a lot of questions. She was handling the situation so well and laughing all night. They've been together over 30 years and have two kids and grandchildren.

Well, as the night came to an end, I was starving. The other guy they were with was the wife's brother, and he said he was a chef. They invited me back to their house for food. I was skeptical at first, but for some reason, I felt comfortable enough to go. I brought a friend with me, and you know what? I'm glad I

Elektra had to keep her eye on (left-to-right) me, Ashton and Summer when we went out. She definitely had her hands full!

Ashton drove two hours to hang out with me in Des Moines. As you can see, that girl has a great ass!

went. We hung out until five in the morning and ate shrimp, and they barbecued turkey burgers. I must say, this was the proudest thing I have ever done. I learned so much about him and his disease. I will never forget this couple and how I made his dream come true by going back to their house and letting them take pictures of me. I will always keep them in my heart and prayers. They taught me a lesson about life: that it is not to be taken for granted. Enjoy the people you love every minute of the day. I dedicate this article to you, guys. You know who you are.

Big Earl's Goldmine Des Moines, Iowa

I left Rock Island and went right to Big Earl's Goldmine. I had only one day off, Sunday, but actually, I had to drive two hours to Des Moines, so it wasn't much of a day off!

The good part about it was that on the way, there was a huge outlet mall, and of course, you know I had to stop and shop for a couple of hours. Also, my friend Cameo was driving her car, so she stopped and shopped with me, too.

By now, all my fans should know that I love coming to this club. It's a tough week because I have a six-day booking with 21 shows, but I have so much fun at Big Earl's.

Tina is the lady who runs the club, and I have been featuring for her for the last

six years, so she kind of lets me get away with murder. I usually don't end up doing all 21 shows, but I do make a lot of money for the club. I had a lot of guys who came in to see me and buy VIP dances. That makes me and the club a lot of money. I must say, some of my favorite fans are at Big Earl's.

I must mention one of my fans. His name is Andy. He is a pilot for a private airline company. He always comes in about two or three times when I'm at Big Earl's and hangs out with me. He has been doing that for the last four or five years. The best part is that on my last day there, he always takes me out for sushi. Andy hates sushi and always orders something else, but

I always make him try a piece. I'm trying to convert him! Andy, I just want to say I love you and you are one of my best fans, and when you read this article, send me an email. Another reason that I love this place is

because I truly love the girls there. Not only are they fucking hot, they are so nice. I know when I feature at Big Earl's, I'm not only going to make a lot of money, I am going to party with my girls. Every time I'm in town, Elektra, who is a porn star (she dances there when she's not on the road) and I go out on Wednesday and party our asses off. Tina owns a limo service, and she gives us a car to have for that night. I usually have three shows that night, but I only do one at around eight o'clock, then I'm out hitting the town around 10. This is what I mean when I say that the owners of Big Earl's are cool. No club would let you miss two shows and give you a limo so you can go out and party. Well, that night, Tina gave us the stretch Hummer, and we had my favorite driver, David.

This time it was just me and Elektra. Summer, Sydney and crazy Ashton came, too. I was so surprised to see Ashton there because she lives two hours away and came by Greyhound bus just to party with me. Ashton used to dance at Big Earl's before she moved. She's one of my best friends out there. We used to get into so much trouble when we hung out. She likes to drink, like me, and every time we went out together, we would end up beating people up, and then the cops would be called! So we have nicknames. I'm Scrappy #1, and she is Scrappy #2.

Well, Elektra, who is the mom of the group, had her hands full that night. She had to babysit us. We went to the Liar's Den and then The Loft. I got so drunk, I don't remember much about that night, but I do have some pictures. The only

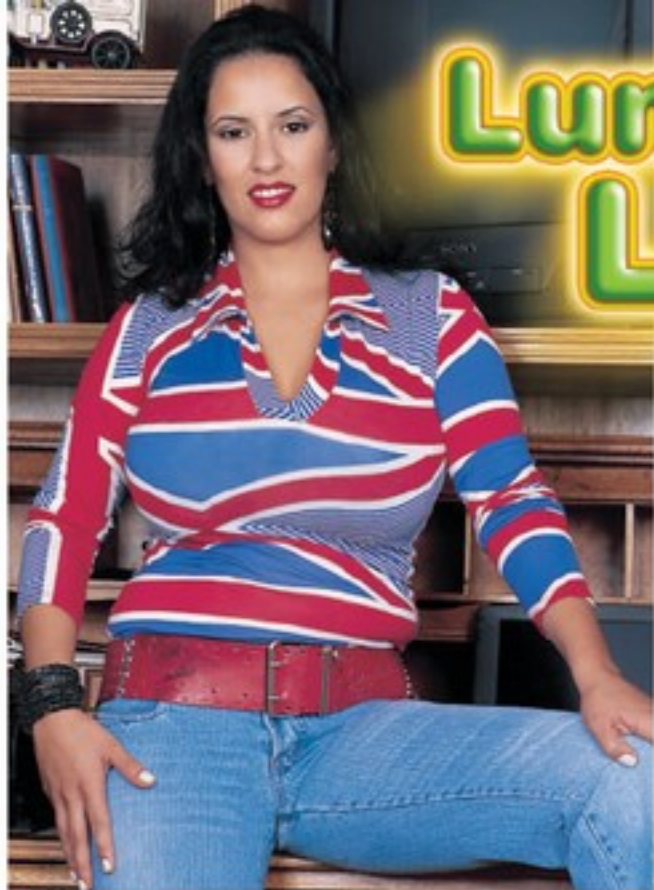

thing I remember is doing shot after shot. The next morning, I woke up, and I was half-naked on Elektra's couch. I know I must have had a great time!

That's it for this month. Don't forget to check out my new DVD, *Tits & Tugs*. My friend Cindy Cupps is in it, too. And you're not going to believe what Cindy and I did for the first time! More soon!

This is the only way Elektra can keep me under control!

Luminous Luma

THE GREATEST NATURALLY BUSTY BRAZILIAN EVER LIGHTS UP OUR LIVES. SHE GETS HER ENERGY FROM A STRANGE PLACE.

When Luma last appeared in the October '06 issue of *SCORE*, we asked, "Who is the greatest naturally big-titted Brazilian ever, Luma or Sylvia Panda?" The letters came pouring in, and the results of this unofficial, impromptu poll are clearly in Luma's favor. More than 1,000 readers voted, and 58.2% of them voted for Luma...luminous Luma, who can light up a room just by walking into it...chest-first, of course!

Last issue, we introduced H-cup newcomer Christy Marks. Although Christy is American and Luma is Brazilian, they have something in common: a weakness for McDonald's hamburgers. "I love them," Luma said. "Fortunately, I can eat a Big Mac and it goes right to my chest." Christy (whose boobs have grown since her debut) says the same thing. So we're wondering: Is there something in the burgers that makes boobs huge?

This McDonald's-boobs connection is something we're gonna have to investigate. "My girlfriends can't believe how much I eat when I go to McDonald's," Luma said. "A Big Mac, a large order of fries, a Coke. They say, 'How come when we eat junk, it all goes to our bellies, and when you eat junk, it all goes to your boobs?' I don't know what to say. I'm lucky, I guess." Lucky...and the greatest Brazilian natural ever. "Thank you," Luma said. "Brazil has such beautiful women, so that makes me proud." We'll raise a Big Mac to that!

DAMN RIGHT WE ARE! AND GUESS WHAT? THIS TIME, HARMONY BLISS ISN'T JUST TEASING.

It looks like 2007 is going to go down as the year *SCORE* Girls did things we never thought we'd see them do. Now playing on page 20 of this issue: the DVD *Tits & Tugs*, featuring Crystal Gunns and Cindy Cupps giving hand jobs and tit-fucks. Coming soon to a TV near you: a new DVD featuring Harmony Bliss jacking off a cock and fucking it with her FF-cup rack. Are we surprised she did it? Shocked. And very happy.

After a while, you simply become resigned to the fact that some things are never going to happen. Harmony made her *SCORE* debut in the December '01 issue. That's exactly six years ago! "I just thought the time was right," Harmony told us. "A lot of people have been asking me for it, so I decided that I was finally comfortable with doing it." And? "I had a great time! Remember when I told you I'm not a raunchy girl? Well..."

SCORE Girls bust out
of anything they wear!

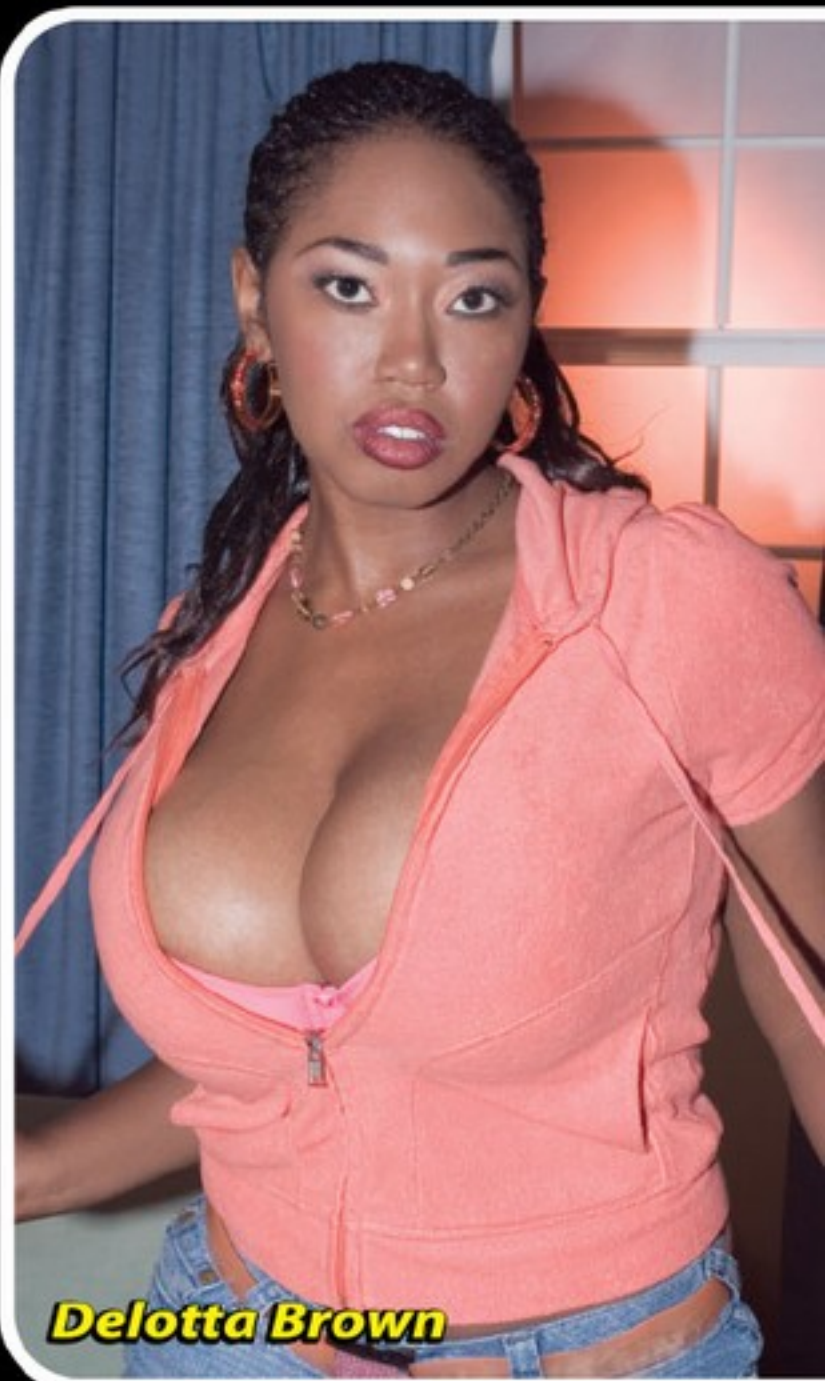

SaRenna Lee

We interrupt our monthly display of big, fat, naked tits to bring you something many of us find just as jackable: big, fat, naked tits dressed in tight tops that are bursting at the seams. We're well aware that some of you out there want to see the tits naked and nothing but naked. But we suspect, judging from our mail, that those readers are in the minority. We suspect that many of you are now stretching your shorts at the seams.

The great thing about these photos is that if you were to see one of these *SCORE* Girls in public, she might be wearing what she's wearing here. Another great thing is that these photos serve as points of reference. All of us have seen stacked chicks in public. But, even in clothes, do they measure up to these *SCORE* Girls? We think not!

BIG TITS IN TIGHT TOPS

Have you ever seen a chick destroying a tight, knit top like J-cup Cindy Cupps is on this page? We're sure that many of you just dropped a load. And could you possibly resist the invitation from H-cup teen newcomer Christy Marks (right), who wore that top while touring South Beach in Miami, Florida? Gentlemen, if you want more "Tits In Tight Tops," let us know. And if you don't...well, you're in the minority.

HONEYMOON

Continued from page 36

was the same age as me and just as much of an exhibitionist. She had platinum-blond hair and a sweet, stunning body—tight waist, perky tits, cute ass—and our brief make-out session at the Christmas party had left me convinced that she was one girl who knew how to use her tongue.

We kissed and kissed until my pussy was sopping, then she giggled and tugged my tank-top off, staring enviously at my huge boobs. "God, I love these," she said, cupping them almost reverently in her hands before tenderly massaging my pink nipples with her tongue. "They're so big."

Kirsten was beautiful, but her tits weren't nearly as big as mine, and I could tell she was jealous. She squeezed and sucked on my nipples until my head swam, then she stared at me hungrily as I peeled her dress down to her waist. Her perky C-cup tits sprang into view, and I rubbed my own massive boobs against hers. Kirsten moaned and pulled me closer, kissing my neck.

"Your tits feel so wonderful," she moaned. "Let me taste your pussy now."

I just nodded. I'd never gone this far with a woman before, but I was dizzy with lust, and I couldn't wait to feel Kirsten's expert tongue between my thighs. She pulled off my shorts and my sopping panties and sat me on the edge of the bed, purring as she rubbed her face against my neatly-shaven pussy. Scott had gotten me pretty worked up in the car, and my juices were really flowing by now.

Kirsten flashed me a look of crazed desire then buried her mouth in my crotch, alternately gently and roughly probing my folds with her tongue. Then I felt her tongue go into my pussy, flexing against my G-spot, and I had to cover my face with a pillow to muffle my screams of ecstasy. My thighs shook and I came and came, but Kirsten panted and just kept licking me.

"You taste so good," she said before moving her tongue to my clit and filling me with her fingers.

I must have cum at least two or three more times before she stood up. We kissed again, then Kirsten reminded me that I had a room full of men waiting. She helped me get dressed by offering

"I have a few favorite parts of my body. I love my eyes and my legs, but my absolute favorite has to be my tits. I love how they look. I love what they can do for a man."

When we first saw Emily in the May '07 issue, she was sporting a Bettie Page hairdo and wearing a bullet bra, fishnet stockings, a vinyl corset and stiletto heels. Here, we get to see Emily with the regular girl-next-door look...even though Emily is anything but regular. "I like to wear clothes that show off my tits," she said. "That way, I have a better chance of getting the bigger dicks. I love to be noticed. I love to shock people. In and out of bed."

She's a girl who learned everything she knows about giving blow jobs from watching porn, needs to have sex twice a day and loves watching a big cock slicing between her tits. "I try to catch it in my mouth," she said. "Then I get it wet so it can slide between my tits better. But that just gets the cock ready for my ass. Fucking me can last all night long. HONEYMOON

Continued from page 68

me a tight dress that barely covered my boobs, then we both touched up our makeup and went back downstairs.

Scott grinned when he saw me. Bill smiled, too, and said, "It's about time."

All the men were standing, sipping drinks and getting ready for dinner. I took the opportunity to size them up. As I'd thought when I came in, the three men chatting with my husband and his boss were strangers. All of them looked to be in their mid-20s, and all of them were handsome. As I looked at them, I could tell that they were looking back, freely admiring my body. I noticed that no one made an effort to introduce them to me, and my heartbeat quickened. Three perfectly anonymous men. Just how many of my nastiest fantasies did Scott intend to help me fulfill?

I turned to look at him, but my husband was getting an eyeful of Kirsten instead. She and Bill went into the kitchen to finish preparing dinner, and at one point Bill playfully lifted up her dress, giving everyone a nice view of her shapely ass in a black G-string. Kirsten blushed a little but did not seem to mind and batted her eyes at my husband. A feeling of jealousy returned, but there was something incredibly exciting about it, too, and that excitement only grew as I felt the eyes of the three anonymous men openly appreciating how my tits were nearly bursting out of my dress, my hardened nipples poking through the thin fabric.

Dinner was a blur, after which the men went to a table by the fireplace to play cards. I was surprised by this, but I sat down to watch and Kirsten playfully sat on my lap, her hand rubbing my thigh suggestively. The men were playing poker. I was barely watching them at first, my mind spinning with thoughts of what else might be in store for me later. But gradually I realized just how much money was being tossed around the table and got worried.

My husband works hard, but he's by no means as rich as Bill, so I was a little worried when the stakes grew higher and all the other men folded, leaving just Bill and my husband squaring off over their cards. I could sense a friendly rivalry between them, then Kirsten whispered in my ear, "Scott's really cute!"

My jealousy and excitement piqued.

"Bill's not so bad either," I said.

Meanwhile, the stakes on the poker game had been raised so high that Scott had nothing left in his wallet, but still he refused to give up.

Bill chuckled. "You don't have anything left to bet with," he told Scott. Then he turned his eyes and looked directly at me, straight at my tits. A pleasant shiver ran through my body.

Scott looked at me as well and winked. Then he turned back to Bill and said, "How about a night with my wife? If you win, that is."

I was speechless despite the flood of excitement between my legs.

Bill smirked. "And if I lose?"

My husband turned to Kirsten, and I saw her tremble at his attention. "How about the same thing? A night with your wife, to do as I please."

Bill appeared to consider the matter. He looked at me again, and I felt my legs turn to water.

"Just to be clear," he said. "If I win, I get to have sex with Melody. Do whatever I want to her. And," he added, gesturing to the other players, "since I feel sorry for these guys, they can have her when I'm finished."

My heart leapt in my throat. Was he serious? The other men were looking at me now, too, undressing me with their eyes. Instead of making me nervous, their attention turned me on like nothing I could remember.

"Your hands are shaking," Kirsten said to me.

I realized she was right. I looked at my husband. I could tell he wasn't going to ask me what I thought about all this because he already knew. My husband was using me like a poker chip, and I was surprised to find that I liked it!

"Meanwhile," Bill went on, "you can have Kirsten if I lose." He winked. "I'm sure she won't mind."

Scott considered Bill's offer awhile longer, then smirked. "Done."

Bill nodded and laid down his cards. "Flush," he announced. The other men laughed. I looked at Scott and realized instantly that he'd lost. "Well, my boy?" Bill asked. "What do you have?"

Scott laid down his cards. Two pair. "I thought you were bluffing," he said. He didn't sound very upset.

Bill laughed, left the money where it was and stood up. The other men stood up, too.

"Tell you what," Bill said. "I'm feeling generous tonight. Why don't you take

Kirsten upstairs for a while anyway, then join us later?"

Scott nodded. "Sure, Bill. Thanks."

Beside me, Kirsten giggled and hopped up.

"Gotta go!" she said.

I watched her walk over and sit on Scott's lap. My husband winked at me one last time, then he started kissing her. Right in front of everyone, they made out and ran their hands all over each other's bodies. I watched with wide eyes as Scott brushed the strap of Kirsten's dress off her shoulder and gave the fabric a little yank, exposing her boob. She had her hand on his crotch and was rubbing it, then he took her nipple in his mouth and started sucking.

Kirsten moaned. "Mmm... that feels so good..."

Watching them, I felt both humiliated and excited at the same time. I couldn't wait to see what happened next. Bill was watching them too, and he just laughed.

"Alright, you two," he said. "I'm sure the bed will be more comfortable."

Kirsten hopped up and dragged my husband behind her.

"Scott," I started, but they walked right past me. My heart was pounding as I watched them start up the stairs, Kirsten's dress half-off before they vanished from sight. I could only imagine what they were about to do. The other men stared after my husband with envy, then they turned back to me.

Bill was standing in front of me now. "Well," he said, "a deal's a deal."

I couldn't believe it! The deepest fantasy I'd shared at the Christmas party—to be fucked by anonymous men while my husband had sex with someone else—was actually about to come true. I was speechless, but Bill knew exactly what to do. Hoisting me onto my feet, he kissed me and ran his hands freely over my body, and I moaned in reply. Then he literally tore my dress off, and when I saw all the men staring at me, I swooned in pleasure. I could feel their eyes on my tits, just enjoying the sight of them.

With a swipe of his arm, Bill cleared off the table and lifted me up, kissing me again before massaging my tits and jerking at his belt. His hard cock sprang from his jeans, purple and throbbing with power. As I lied on the table, completely naked, the other men approached us and made a circle around me. All of them were dropping their pants.

"Please," I whispered. "Please fuck me now. Fuck my pussy!"

Bill grinned and spread my legs, rubbing the swollen tip of his cock against my pussy until it sobbed in anticipation. Meanwhile, two of the anonymous men advanced on my huge tits and rubbed their hardened rods over my nipples, while the third guided his cock into my mouth. Thrilled, I worked my eager tongue over his shaft, still waiting for Bill to fuck me. I sucked on the cock that was in my mouth, getting it all wet and fondling the balls. I had never felt hornier and naughtier in my life.

Bill teased and teased me until I just couldn't stand it anymore, greasing his entire rod with my juices, then he slowly guided himself inside me. I arched my back and squealed in delight, then he started pumping me while the other men rotated between my tits and my mouth. Bill's dick pounded me like crazy, so big and hard I could barely stand it. Then he licked his thumb and started rubbing my clit too and I came and came in wet waves, groaning and pleading for more. After a while, Bill tugged his cock from my pussy and let another man take his place, moving to my mouth instead. I couldn't believe how delicious he felt and how wonderful and liberating it felt to be used. The men kept switching positions, their hot cocks moving up and down my body. Soon I couldn't even tell which man I was sucking and who was squeezing my melons, but it didn't matter. They circled me over and over again, the anonymous men drilling me until they eventually shot their loads on my tits. One by one I satisfied them all, closing my eyes and drifting on waves of pleasure. When I opened them, I saw Scott and Kirsten standing in front of me. My husband had his arm around Kirsten's waist like they were lovers. Both were naked, and Kirsten was stroking my husband's hard dick while they watched me.

The last anonymous man emptied his load on my tits just as Bill was advancing for another round, his cock just as swollen as before. He shoved himself all the way in while I cupped my tits in my hands, squeezing and rubbing them, my hungry eyes moving from Bill to Kirsten and my husband. With a sly look, Kirsten sank to her knees and wrapped her lips around my husband's cock, working him over until he bulged in her mouth. Then she guided him to a nearby chair so I could watch as she mounted him, panting and bouncing on his enthusiastic rod.

Meanwhile, Kirsten's husband continued to fuck me like there was no tomorrow, rubbing my clit and making me come so many times I could barely keep from passing out. I know it sounds crazy, but as I watched Kirsten and my husband fucking in the chair, I felt like I was a part of their intense pleasure too! They looked beautiful fucking each other, and my husband's groans and Kirsten's orgasmic sighs only made Bill's cock feel even better. Bill drilled and drilled me, then he pulled out his greasy cock and lowered it to my asshole.

I'd never had anal sex before, but my body was so relaxed that his cock slid right in. I gasped in surprise, startled by how tight and good it felt. He was very gentle at first, then he sped up. Using his free hands, he rubbed my clit some more, then wiggled two fingers into my pussy while he continued to fuck my ass. My eyes widened and I screamed with joy. I felt so full that I came even harder than before just as right in front of me—my husband howled and shot his load into Kirsten's body.

Bill continued to fuck my asshole, and to tell you the truth, it felt so good, there was no way I wanted him to stop. I'm sure Bill thought I'd had it in my ass many times before because he seemed to be fucking it so easily, but the truth was, his was the first cock in my ass. I really couldn't believe that I had given him my anal cherry, but right now, I didn't care. Bill drilled my ass a few more times, then he gently withdrew his cock from my asshole and brought it to my tits, stroking himself until he emptied on my melons again.

I just laid there, unable to speak, grinning with delight at what I'd done. Scott and Kirsten lay in each other's arms, panting for breath, while exhausted—but very satisfied—men lay all around me. It made me feel good to see him so happy too, especially with someone as sexy as Kirsten. As they curled up together, my husband gently stroked her ass and Kirsten writhed, both of them slowly gathering their energy for another round of fucking.

By now, the anonymous men had stroked themselves back to hardness, too, and one of them approached without a word and guided his cock into my asshole. I whimpered in delight, realizing that this was going to be the best honeymoon ever. Time alone with my husband could come later. But now, I just wanted the gift of cock.

**Oh,
Zuzanna!**

**WHEN A CZECH BABE IS NAMED ZUZANNA,
YOU KNOW SHE HAS TO BE GOOD...AND BAD!**

Excuse us, but when we hear the name "Zuzanna," we think sloppy blow jobs, asshole reaming and cum all over a big-titted babe's face. We think Zuzanna, star of *Zuzanna's Anal Rampage* and *SCORE Cock Drainers*. But that's not *this* Zuzanna. This is the new Zuzanna, a barmaid from the Czech Republic who just might live up to the legend of her namesake. "Why not?" she said. "It would be fun."

For the record, Zuzanna Rubinova *does* give sloppy blow jobs, *does* take it up the ass and has *had* many loads of cum all over her face. She told us so, through a translator. You see, Zuzanna might look kinda sweet and innocent, but she's a barmaid at one of the toughest bars in Prerov, Czech Republic, and things can get pretty raunchy late at night. "I have gone home with many drunk customers," she said. "I nurse them back to good health!"

Zuzanna told our interpreter that she is looking forward to showing these pictures to her regular customers at the bar. "I am sure they will not be surprised," she said. "They know I have talked about doing it, and they know that I am a naughty girl." But do they know about the sloppy blow jobs? The ass-fucking? The cum all over her face and tits? "Many of them know," Zuzanna said...and now we all know how they know!

A READER ACCUSES THE SCORE AWARDS OF BEING FRAUDULENT

Dear SCORE,

Thank you for having Deena Duos (July '07) again. I've been a reader since 2001, and nothing sells a magazine better than its cover. Deena Duos is hot and a real sweater shredder. I really wonder how she looked with those extra 88 pounds because I'm a voluptuous lover, too. Well, I guess it's up to Deena as to how she feels comfortable.

I was surprised that Daphne Rosen didn't win Newcomer of the Year because she has the complete package. I'm starting to think the votes are a fraud because I think fans might be voting more than once. How can anyone beat Ines Cudna and Bea Flora, the Polish powerhouses? Marilyn Sakova was a much-deserved winner, though. She defines slim-n-stacked.

I guess what I'm getting at is that I can see how Linsey Dawn McKenzie and Sharday are the best of the best, but Nicole Peters, Minka and then Morgan Leigh...they don't have the complete top-to-bottom package. My favorites are Sharday, Ines Cudna, Daphne Rosen, Kelly Kay, Linsey, Crystal Gunns and Bea Flora. Don't get me wrong. Nicole and Morgan are still among my Top 20.—D.N., Fresno, California

Dear D.N.: Rest assured that we do our best to prevent people from voting twice in the annual SCORE Awards. Assuring that every single vote is made by a different person is absolutely impossible (after all, we don't have voter-registration cards and voting booths), but we are confident that the awards have not been corrupted.

BUSTY PETRA GETS HER DUE

Dear SCORE,

Just wanted to give a big thumbs up to Petra (Sept. '07). She often seems to be overlooked by those who write in.

Petra has a fantastic, all-natural and curvy body with a clear peaches-and-cream complexion that I love so much. But I think what I love most about her is the awesome smile she has in many of her pictures and that devilish twinkle in her eye that shows she really enjoys posing for naughty pictures. Her from-behind doggie-style shots always make me groan with lust. As actor Nicolas Cage says in the movie *Face Off*, there is a

peach I could eat for hours. She is a true beauty in every category.

I also want to show my appreciation for Natalie Fiore. We've been seeing a lot of her lately, and I've enjoyed every set. Keep 'em coming!—S.S., via email

WELL, IT WAS ZORYNA, RIGHT?

Dear SCORE,

Thanks for printing my letter about the former Zoryna Dreams' stay at my apartment (SCORE, Sept. '07). Of course, your "That sure looks like Zoryna to us" wasn't exactly the ringing endorsement I was hoping for.

Besides seeing another of my letters in print, I enjoyed the debut of April McKenzie, the welcome return of Bea Flora (I can't get enough of that gal, and I loved the fishnet bodysuit), more of Natalie Fiore in Nassau (she's great!) and Tera Cox. She's pretty cute. I'm sure we'll be seeing more of her soon.—D.W., New York, New York

Dear D.W.: Sorry if we somehow offended you with the Zoryna Dreams comment. We really did mean it as a ringing endorsement: The photos you sent in did look like Zoryna to us—we don't doubt it at all—and we envy your chance to spend three days with her.

WHY THIS MAN READS SCORE

Dear SCORE,

I know from reading the letters section that some readers don't want to see hardcore in SCORE and others want more glamour in the photography. I am definitely not one of those people.

Let me make this clear: I have no desire to make any SCORE Girl my girlfriend or wife (although I'd gladly fuck most of them), and have no romantic inclinations toward them. The average girl you see on the streets is not a slut. But I don't want my SCORE Girls to be average. I want them to be well-above-average in tit size and sluttiness.

That's why, to me at least, there's nothing hotter than a SCORE Girl desperately sticking her tongue out to get a taste of a cock that's slicing between her tits, taking a big, strange, hard dick in her ass or looking into the camera with a hot, sticky load dripping down her chin to her rack. Is this the kind of girl I'd bring home to momma? No, but like I said, when I read SCORE, I'm not looking for a girl to bring home to meet my parents. I'm looking for a girl to jack to.

I read SCORE when I have a hard-on. When I'm in the mood for romance or

Hot for Teacher

DIANE POPPOS KEEPS ABREAST OF OUR EDUCATIONAL SYSTEM, STRIVING TO MAKE TEACHING AN UPLIFTING EXPERIENCE.

If one of your teachers had been Diane Poppos, maybe you would have liked school a whole lot better than you did. That's an unusual teacher's aide she's got there. This is one of many classes at SCORE University. The students have to raise their hands to get a jacking pass. The principal has been known to pull Miss Poppos into the supply room and fuck the daylights out of her. Miss Poppos knows what you're thinking. Hell, she put those thoughts in your head!

"I started wearing different clothing to accentuate the rest of my body rather than just my breasts, which is hard to do when you're a 34H and size seven or eight on the bottom," Diane said. "I like to wear very low-cut shirts, preferably without a bra if I can keep my boobs in, and short skirts because I have long legs, too. I'm not just about boobs, you know. I've got legs, too. I love wearing spiked, high heels. I have cute feet. I get a lot of compliments on my feet."

The photo above is great stroke material because it shows what Diane would look like with your cock sliding between her beautiful mounds of tit-flesh. It would have been much less effective if she had used one of those lousy ladies' toys that look like flashlights. "I like seeing a man's cock going between my breasts and the head peeking out the top," said Miss Poppo, the woman who really defined the term MILF in 1999. "It feels good, but I don't think you have to be 12 inches long to make a girl feel good!" For that opinion, we give Diane a straight "A"!

conversation, I call my girlfriend (who has big tits, too). Some people say SCORE Girls aren't sluts. Well, to me, that's a big insult to what the girls are doing.—M.L., Wantagh, New York

"EXCUSE ME, MISS, BUT IS THAT A BIG RACK IN YOUR SWEATER?"

Dear SCORE,

Nobody is a bigger fan of SCORE than I am. But I never thought I'd hook up due in part to SCORE.

The day before, I had picked up the March '07 issue. It had a pictorial called "Tits in Tight Tops." I had this on my mind when I went to lunch that day. I entered a crowded restaurant in Manhattan. The hostess told me there were no empty tables, but I could have a seat at the bar if I could find one. There was one open seat at the end of the bar, and a woman was sitting on a stool to the left.

As I approached the seat, I could tell that the woman was pretty cute. I sat down, and she turned toward me. I was stunned to see that she was wearing a baby blue wool turtleneck sweater that contained a rack that was fighting the sweater for superiority, and the sweater was losing! She was adorable.

She smiled and said she was saving the seat for her girlfriend, but she said, "It looks like she's blowing me off, so take a seat."

"Hi, I'm Tom," I said.

"Hi. Lisa."

I ordered a beer and a burger from the bartender and hoped Lisa's friend would blow her off. We made some small talk during lunch and seemed to be hitting it off pretty well. I had a hard time keeping my eyes off her boobs, and then she said to me in a playful manner, "Hey, Tom. How come in an entire restaurant, you decided to take this seat? Is it because I have big boobs?"

Playing it cool, I said, "I hadn't noticed. Do you have big boobs?"

She laughed and put her hand on my thigh. If she had moved it a couple of inches to the right, she would have touched my railroad-spike of an erection. Going for it, I said, "It's the sweater."

She looked at me quizzically. Then I said, "Actually, I had noticed your boobs, and I buy this magazine every month, and this month they have a pictorial devoted to tits in tight tops. I just

picked it up, and it reminded me of you. Big boobs in a sweater are my biggest turn-on."

She moved her hand further up my thigh. "Oh, I don't believe you," she said.

"No, it's true!" I said. "That's my biggest turn-on."

"That I believe," she said, arching her back. "I just don't believe they have a magazine devoted to it."

"Well, it's not devoted to that," I said. "It's a big-boob magazine."

She arched her eyebrows, and we went back to eating our lunch. We continued to hit it off, and as lunch was winding down, I figured I had to make my move. But Lisa beat me to the punch.

"Hey, Sweater Man," she said. "This magazine you mentioned. It's on the newsstands now?"

"Yeah," I said.

She said excitedly, "Let's go see if we can find it."

This was the kind of treasure hunt I had in mind, with the treasure buried in her swaying sweater. I hurriedly paid for our lunches, and we stopped outside the restaurant. Luckily for me, New York City has newsstands and magazine stands on almost every block. We quickly found a magazine stand and went inside. I looked on the racks, and there it was: the March 2007 issue of *SCORE*. I paid for it, and we walked outside. As soon as we got to the street, Lisa grabbed the magazine and said, "Damn, look at this girl's rack!" She was referring to Daphne Rosen on the cover. "I think she's bigger than me!"

"She has nothing on you," I said, meaning it.

She said, "I live a couple of blocks from here. Why don't we go to my apartment, and then I can get a better look at this magazine?"

I played it cool. "Yeah, I suppose we could do that."

When we got to her apartment, she offered me a beer, and we sat down on her couch. She hurriedly took the plastic cover off the magazine and began to leaf through the pages. She got to the "Tits In Tight Tops" section and said, "These girls are stacked! I could see how this could turn you on."

She turned a couple of pages and got to the XXX section. I could see she was getting turned on.

"Jesus, two well-endowed people getting it on," she said, shaking her head. She leaned over, kissed me passionately and said, "Hey, what's your second-

biggest turn-on?"

"Big tits out of a sweater," I said.

"I think that can be arranged," she said. "Why don't you take off your jeans and briefs, and I'll put on a little show."

Not wanting to be a rude guest, I complied, and when I sat back down, she caught a glimpse of my erection.

"Oh, my God!" she gasped. "I never got a chance to tell you my biggest turn-on. It's playing with a big, thick cock just like that. Why don't you stroke it for me and I'll start the show."

She then reached under her sweater, took off her bra and dropped it on the floor. She then cupped her left breast and proceeded to lick her nipple through the sweater. Her nipple immediately pock-marked the sweater, bulging it out an inch. She looked at me and smiled. I was beating my cock faster.

"Slow down," she said. "I want some of that for myself."

I did as I was told. She then cupped her right breast, pulled it up to her mouth and licked the nipple. The sweater practically exploded where she was licking it, and then she smoothed out the sweater with her hands. It was all I could do to contain myself.

"So, I take it you want my all-natural 40 double-Ds?" she said.

I nodded my head. She moved towards me and got down on her knees.

"What's your third-biggest turn-on," she said.

"Having those 40 double-Ds wrapped around my cock," I said.

"That's what I thought you'd say, but first I have to have a taste of that cock of yours," she said.

She took as much of my cock into her mouth as she could. I watched as she gave me an expert blow job. A couple of minutes later, she took my dick out of her mouth and said she could finish that job

another time.

"Here's what you asked for, Sweater Man," she said. She straddled me, then lifted her sweater so her boobs fell out, one on either side of my cock. It was my turn to be impressed.

"God, those are beautiful," I said.

"I'm probably too shy to pose for your magazine, but I could give you a boob-fuck you'll remember for a lifetime."

I nodded, and she began to massage my dick.

"Look," she said, "just like in your magazine, two well-endowed people getting it on. You like watching me titty-fuck you, Tom?"

I was busy watching the action, so I just nodded. She began to increase her tempo, bobbing her titties up and down on my dick.

"Be sure to tell me when you're about to cum," she said. "I want to suck you off. I want every last drop of cum out of that big dick of yours."

"Yes," I grunted. I don't know what the record speed is for titty-fucking, but she was setting it. She continued to fuck my dick with her tits.

"Blast it down my throat," she said.

"I'm gonna cum!" I blurted out.

Lisa then grabbed my cock and stuffed as much as possible in her mouth. When I said I was gonna cum, I meant it. I didn't think there was any way she could take it all down her throat. Yet, as I blasted it in her mouth, I could see she was swallowing it all.

She finished her last gulp of cum, looked up at me and said, "Huge cock, huge load." She smiled. She then leaned back, picked up the copy of *SCORE* and said, "I'm too shy to pose nude, but I could certainly see posing for the 'Tits in Tight Tops' pictorial."

Trust me, that was the best \$11 I ever spent.—T.N., Ardsley, New York

TWO'S COMPANY. THREE'S A PARTY FOR THIS NEWCOMER.

"I love having threesomes," said DDD-cup house dancer Mia Starr, who's closing out this issue in a big way by making her *SCORE* debut. "There's nothing better than having a woman and a man to please me." In other words, men, she's done it.

Mia, who lives in Southern California, looks great in and out of a bikini. Her big, meaty tits look great. Her ass looks highly fuckable. "I'll do almost anything," Mia said. "I once had sex on the top of a car in a parking lot while the parking-lot attendants were watching. When I'm having a threesome, I love sucking on the guy's balls while he's fucking the other girl. I just love sex!"

Since Mia loves to fuck, will we see her fucking anytime soon in a *SCORE* DVD? "I don't know," she said. "I haven't decided. I mean, I know I love to be watched, and I did a scene with Harmony Bliss, and I loved playing with her big tits and eating her sweet pussy. And at the time, I wouldn't have minded if a guy jumped in and joined us. But I don't know. What do you guys think?" We think it's time to jack, Mia. And you're just the right girl to do it to.

CANDACE VON: TIT-FUCK BASIC TRAINING

SPIT ON THE COCK. SUCK IT. STICK IT BETWEEN YOUR TITS. FUCK IT. HEY, CANDACE IS ALREADY AN EXPERT!

Something's going on here. Something's not right. It seems as if officer trainee Candace Von is stuffing her shirt and trying to sneak illegal contraband into the barracks, and Drill Sergeant Tit Sucker wants to know what it's all about. "Oh, I see," Sgt. Tit Sucker realizes after he has Cadet Candace lift her shirt. "Those are big, brown tits in your shirt. And they're all natural. Let me inspect them."

Basic training—and being around so many hot, sweaty, muscular men—has Cadet Candace all horny, and the second Sgt. Tit Sucker places his hands on her DDD-cup tits, Candace knows she has to suck his dick and have it between her tits and deep inside her cunt. “We’re not going to get in trouble, are we?” Cadet Candace asks as she rides up and down on Sgt. Tit Sucker’s cock. Ready to blast his load deep inside of the super-stacked cadet, Sgt. Tit Sucker responds, “Don’t you worry. It’s all part of basic training.”

CHARLEE CHASE: WIFE GETS SLOPPY THIRDS

HER HUSBAND'S DICK HAS ALREADY FUCKED TWICE THAT DAY, BUT CHARLEE DOESN'T CARE. SHE NEEDS IT.

It's been a long, hard day for the hero of the DVD *My Boob Heaven*. When he got to work, his mega-boobed boss Denise Derringer insisted that he fuck her in the ass. Then he went to the gym to work out and ended up sticking his dick in the mouth and pussy of stacked cutie Angie Sward. And what happened when he got home? Well, his big-titted wife Charlee Chase wanted some, too.

Charlee has no idea that her hubby's dick has been all over town. And she doesn't care. She just wants it. And what happens when Charlee and her husband are done fucking? Well, generous Charlee offers to share him with her best friend, Kitty Lynxxx. Because let's face it: That's what friends—and hard cocks—are for, right?
