A female reader thinks Autumn-Jade would enjoy fucking in a dirty, smelly men's room.

AUTUMN-JADE WOULD ENJOY FUCKING IN DIRTY MEN'S ROOMS

Dear *SCORE*,

My husband and I get off to *SCORE* all the time. I masturbate to the hardcore section all the time. My sex toys get a real workout, and so does my pussy.

The Naturals issue (September '07) was so fucking hot. "Smokin' In The Boys' Room" with Autumn-Jade reminded me that my husband and I enjoy fucking in bathrooms when we're on the road. If we're horny, we don't care what kind of men's room it is.

I love the nasty smell of a men's bathroom. It makes my pussy so fucking wet. My husband jacks off all the time, and I'm always ready to help him. When we're in some dirty men's room, my husband sits on the toilet and I'm on my knees playing with his penis. My hus-

Stars of the September '07 Naturals issue: (from left): Anna Song dildozing, Tera Cox in a wet T, Bea Flora in fishnets, Delotta Brown self-sucking, April McKenzie proud of her rack and Natalie Fiore on the beach.

band has the perfect penis: long, thick and, best of all, uncut. I can't keep my hands or lips off his penis and balls. Then I put his juicy penis between my boobs and slide 'em up and down his fat penis. He loves it fast, too. The big, shiny head of his penis is going in and out of my cleavage. Then I lick the tip. Then I suck it and swirl my tongue around it. Yum!

My husband always moans as I'm sucking and jacking off his penis, and it's not long before he shoots his hot sperm into my waiting mouth. I love his hot sperm. After he shoots his load, I put his soft penis back into my mouth to get him hard so he can fuck my tight pussy and tighter asshole.

We love humping in a stinky men's room. We've fucked many times in bathroom stalls while men pee in the stall next to us. I love feeling like a porn slut and filthy whore when we have bathroom sex on the road. I love that musky odor in the men's room. Autumn-Jade really should try fucking in the men's room. I know she'll like it.—Arianna T., North Carolina

ALL-NATURALS ISSUE REPORT CARD: DID WE PASS OR FAIL?

Dear *SCORE*,

Time for my report card on your best issue of the year. If only every issue could be as great as the September issue, you would have a subscriber for life, no matter what my wife had to say.

The Autumn-Jade feature was as close to perfection as you can get. Bea Flora, Natalie Fiore, Anna Song, Delotta Brown and Ines Cudna are naturals who can keep returning to your magazine, and I'll keep buying it. April McKenzie and Tera Cox are good newcomers, but Winter Morgan is weak by *SCORE* standards and very average even for *Voluptuous*. Lily Valentine was alright for the Xtra section but nothing special for such a unique issue. It would have been a great opportunity to feature a stunning newcomer doing hardcore.

All the challengers to Marilyn ("Marilyn vs. The World") were well-chosen. They are all-time greats. For me Sharday, Linsey Dawn McKenzie and Chloe Vevrier are the best ever, in that

LUCKY READER WINS DAPHNE ROSEN'S BRA

Last time Daphne Rosen visited the *SCORE* studio, she personally autographed this beautiful, blue underwire bra.

And now, one lucky *SCORE* reader is the owner of that bra. His name is Bill F. from Marydel, Maryland, and now he can do whatever he wants to Daphne's bra.

Congratulations, Bill. And, for those of you who entered but didn't win, there's hope. Look for more bra giveaways in upcoming issues of *SCORE*.

order. Marilyn and Nicole Peters would be just behind them, followed very closely by Sammie, Kelly Kay and Devon Daniels. This is like choosing between eight perfect diamonds. They are all unbelievably perfect.—G.P., Toronto, Ontario, Canada

TUGGIN' HARD TO TITS 'N' TUGS

Dear SCORE,

Huge thanks for the top-class *Tits & Tugs* DVD. As soon as I discovered that Cindy Cupps and Crystal Gunns were going to be featured in some hot hand job action, I logged straight onto eBoobStore.com and snapped up my copy. The film is excellent.

How about an all-natural *Tits 'N' Tugs Part 2* featuring girls such as Sunshine, Romina Lopez, Diane Poppo, Marilyn and the greatest natural of them all, Bea Flora? Now that would be a record-setting DVD.

I really wanted to use this email to talk about the beautiful Bea Flora. I really admire the work you guys have done with this Polish beauty. My request would be for you guys to really feature more Bea Flora pictures and videos. I am so surprised Bea hasn't done a greater amount of work at SCORE as I can honestly say she is very popular in Europe.

The ultimate dream would be to see her in hardcore action, but I am unsure whether she will go down this road. How about a future DVD release, just like the ones featuring Kelly Kay and Nicole Peters?—S.C., via email

HE'S HOOKED ON SCORE

Dear SCORE,

It was Linsey Dawn McKenzie and Sharday who truly introduced me to SCORE. Then along came The Polish Princess, Ines Cudna, and I was hooked.

Tits & Tugs is already one of our best-selling DVDs ever, thanks to Crystal Gunns (left) and Cindy Cupps (right), both of whom do boy-girl for the first time on camera.

Hey, we don't really see the resemblance, but one reader says that Chavon Taylor (far left) reminds him of Sharda (middle). Well, they both are Puerto Rican, and they both have big, natural tits. As for Ines Cudna (far right), we don't need to compare her to anybody. She's one of a kind.

Before I became a *SCORE* reader, I purchased many different magazines, but none comes close to *SCORE*. It has something for everyone.

Can you include more posters, please? How about some tits-in-tight-tops posters, something I can hang at home or something not too revealing.

Thank you for Chavon Taylor (March '07). I call her my replacement Sharda because she's Puerto Rican and so sweet, young and innocent looking. But no one can ever truly replace Sharda.—D.N., Fresno, California

CYNTHIA ON VIDEO: AWESOME!

Dear *SCORE*,

I'm writing in regards to the letter by B.G. of Lexington, Kentucky in the September '07 issue. B.G. trashes Cynthia Romero for not being more relaxed in front of the camera. As a photographer, I can attest to the fact that every model is unique when they get in front of the camera. Some open up right away while others are stiff and emotionless, even in their second or third session.

For me, Cynthia is awesome. Her tits are huge, her legs are fine and she has a tight ass. I downloaded one of Cynthia's videos from Scoreland.com. In it, she teases the camera while wearing (barely!) a red bra. She oils up her huge tits,

then lays down on the bed to play with and squeeze her luscious Latina tits together. Unbelievable!

Come on, B.G.! Lighten up already!

I'm also totally smitten with big-tit lust for two of your newest discoveries. First is Paola Rios. I first saw her in the September '07 issue of *Voluptuous* and couldn't take my eyes off of her. Beautiful, full tits with a slender body, and what an ass! Then I received my October '07 issue of *SCORE*, and there she is again, this time outside in a great-looking blue swimsuit, which doesn't stay on long, and then those shots of her in the wet T-shirt, and then the playful ones as she is pouring and rubbing suntan lotion on her gorgeous body. More, more, more!

The second new hottie is sensationally stacked F-cupper Tera Cox. When I saw her wearing that wet T-shirt, my eyes bulged out as well as my cock. Now I see she is doing a new porn DVD.

[Editor's note: Tera can be seen in the hardcore

DVDs *Tits On Top* and

Pounding The Pledges, both available on page 130 of this issue.] She has such a down-home, approachable look, but when that bra comes off and her F-cups spill out, she's amazing.—K.B., Albuquerque, New Mexico

CYNTHIA'S BODY LANGUAGE SAYS ALL HE NEEDS TO KNOW

Dear *SCORE*,

Cynthia, don't you worry about the complaints about you not showing your pussy. Your body speaks volumes and to me it says "beautiful." Thank you for sharing with us and please come back soon and often. You are always a welcome sight to these eyes.—J.A., via email

Readers are debating Cynthia Romero's assets.

COMING SOON: We visited Argentina and spent an entire week with 2007 newcomer Paola Rios. Yeah, we know. Our jobs are really tough. But we do it all for you, **SCORE** Men. You'll be seeing the fruits of our labor in an upcoming DVD. Paola looked better than ever, and the video is going to be her hottest ever.

Marilyn Sakova (left) took on the world in the September '07 issue. According to reader S.S., she defeated most of her competitors but couldn't out-tit Nicole Peters (right), the greatest ever.

MERILYN TAKES ON THE WORLD, BUT NICOLE IS THE WINNER

Dear **SCORE**,

Regarding "Marilyn vs. The World" (Sept. '07), in which Marilyn Sakova took on seven of the greatest big-busters ever: Here are my picks.

Marilyn vs. Linsey Dawn McKenzie: This is a tough challenge for Marilyn, but in the end, I think she beats out her legendary opponent.

Marilyn vs. Kelly Kay: This challenge is very easy for Marilyn. She easily beats Kelly Kay.

Marilyn vs. Devon Daniels: Again, Marilyn easily beats Devon Daniels.

Marilyn vs. Sammie: This is very tough, but in the end, I'd have to give this to Sammie. Marilyn is better looking, but this isn't about that.

Marilyn vs. Sharday: Marilyn beats Sharday easily.

Marilyn vs. Chloe Vevrier: Marilyn beats Chloe, but just barely.

Marilyn vs. Nicole Peters: Marilyn loses big time. No offense to Linsey Dawn McKenzie (whom many consider to be the greatest natural of all-time), but Nicole Peters is the greatest natural of all-time. No other model even comes close. Marilyn, however, accounted for herself very well.—S.S., via email

A LETTER FROM A READER WHO SIMPLY ISN'T HAPPY WITH US

Dear **SCORE**,

First of all, your September '07 issue sucks, other than the fact that Bea Flora is featured in it. Marilyn vs. the world? Ha! No wins, four losses and three ties. Her record should be 0-7-0, but I felt like being charitable to her. Her ties were with Nicole Peters, Devon Daniels and Kelly Kay.

Another thing is that I feel like you guys have printed some people's letters and have left mine out at least six of the last 12 months, and I'm even talking about the fact that I sent a letter six months ago asking if you guys would ever do an exclusive all-Asian big-bust issue, publishing pictures of Minka, Kellei G., Kianna Dior, Mimi Myagi, Arianna, Ava Devine, Jade Feng, Sakura Sena and Lena Li.

Then there were also letters I sent describing how hard and excited my boner would get seeing Crystal and her massive cleavage on the cover of the February '07 issue, and how I couldn't stop touching my pants crotch in a liquor store while staring at Cindy Cupps on the cover of the August '07 issue. All these letters, I didn't see them published,

SCORECARD

Continued from page 8

and I'm a little bit upset over this, too.—Big Danny, Walnut, California

Dear Danny: Sorry if you thought we were ignoring you. We weren't. The truth is, we get hundreds of emails and letters each month at **SCORE**, and we only have room to publish a small percentage of them. We encourage you, however, to keep writing.

Here's a brief guideline to the things we ask ourselves when we're deciding whether to publish a letter in "Scorecard."

1. Will the letter be interesting to a large segment of our readership? Or is the writer simply telling us how many loads of cum he lost over a particular model?

2. Does the letter have any entertainment value? Will the other readers enjoy reading what this person has to say?

3. Does the letter provide any unusual or interesting information?

4. Does the letter ask a pertinent question?

5. Does the letter provide a unique or interesting point of view?

6. Does the letter address a controversial topic in an entertaining, interesting manner?

7. Is the letter from a person who hasn't been published lately or ever?

Generally speaking, letters that insult a particular model or models are not published. We will publish letters that provide productive criticism of a model, but letters that refer to a model as an ugly skank are generally not published. We don't think it's right to insult the models who give so much of themselves.

WHETHER HER CLOTHES ARE ON OR OFF, DENISE LOOKS AMAZING

Dear **SCORE**,

Once again, nice work with the October '07 issue. You really can't give us enough Denise Derringer. She is simply awesome. I thought she looked great with her clothes on, then I turned to the page with the dildo in her pussy and a string of beads up her ass! I'm already looking forward to the next time she's in **SCORE** with a big cock in her mouth (or maybe one in her mouth and one in her pussy). She's the best!

Paola Rios is a great find. It was nice to see her in both *Voluptuous* and **SCORE** in the same month, and the wet T-shirt she wore was a nice touch. Thanks to Romina Lopez for getting Paola to pose for **SCORE**. Paola has a great smile, a tremendous ass and those big, beautifully shaped natural breasts.

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

THE ART OF GIANT BOOBS

NO TRICK, JUST TREAT. IT'S HALLOWEEN HOOTER TIME!

"I like 'em bigger than my head, and I don't care how they got that way!" says artist Pauly about mega-boobs and the girls who have them, like Minka in one of Pauly's newest super-realistic, computerized pieces he sent to Boob Beat just in time for Halloween! Scary! Pauly doesn't use ink or brush. He's part of the new wave of digital artists who create works electronically and he says his heart and talents belong to the world of super-big tits.

"There's just more you can do with computer-enhanced art than you can with photos," said Pauly, who credits SCORE legend Otis Sweat as a major inspiration. "Like expensive sets that could never be built for a model; like a moonlit balcony with fireflies illuminating her breasts. I had a great art teacher in high school who opened my mind to surrealism, which allows you to think with no boundaries. What you would call 'thinking outside the box.'

I would do all these surrealistic things, working in a busty girl wherever I could. The human body is the most difficult thing to draw as we all know what it's *supposed* to look like and we can easily spot problems. The female breast is a problem to draw as much as the eyes. It can have many shapes. I like any pose that amplifies the breast size, specifically with the girl on her back or from underneath her tits."

Pauly has never met Minka, but her photos and videos have fueled his imagination.

"In Florida, I once met Kayla Kleevage at the Booby Hatch and SaRenna Lee at Gold Babys," he remembers. "Both of the girls were very sweet and giving of their time, and I've loved what they've done in SCORE."

Check out Pauly's paintings and other tricks and treats online at Artofpencil.com.

Minka is the inspiration for artist Pauly's Halloween Hooters painting.

VIXEN LAMOORE: THE QUEEN OF BIG TITS IN SUPER-TIGHT TOPS

"When I was 18 years old, I worked at Taco Bell making minimum wage, saved all my money and sold my car to get my first set of breast implants," said Vixen LaMoore, a girl whose love of gigantic tits has risen to heights undreamed of by most people. Everywhere she goes, people freeze in their tracks at the sight of her.

"Getting to have giant jugs is such a fantasy come true," Vixen said. All her life, Vixen has been mesmerized by huge tits. "It's like living in heaven every day, and it's good to know there are so many guys and girls who understand and share my dream. In my lil' hometown of Eureka in northern California, I'm very well known. I run about town every day showing off my wonderful, big boobies in my tight, sexy clothes. Guys look at my huge hooters and think I must need XL or XXXL tops, but I'm such a tiny girl that even with my extra-big tits, I still wear size small clothes."

Eureka is planning a Vixen LaMoore Day. We wonder what she'll wear for it.

Vixen LaMoore's taste in tops is a tit-man's wet dream.

SHAMELESS PLUGGINGS

Young and sweet Christy Marks looks like she's arrived in time to maybe slam-dunk SCORE's Newcomer of the Year crown. Christy was the November '07 covergirl and was part of a major group shoot in Eleuthera, Bahamas. She also has a new pictorial and interview on page 40 this month. It's been a busy time.

This has been a very good year for most-truly-excellent new models such as Alena Snow, Tera Cox, Paola Rios, Terry Nova and Candace Von, so we don't envy you guys one bit in making your pick for 2007 SCORE Newcomer of the Year. You have a tough decision. Last year's top Newcomer was Morgan Leigh, a Brit. The 2005 Newcomer was the incredibly slim-n-stacked natural Russian, Merilyn Sakova. 2004's winner was England's Kelly Kay. And 2003's winner was Nicole Peter, another Brit. Maybe Christy will be the first American in years to claim the title.

Christy Marks has an important message for the big-boob community.

Look closely. Sabina (*Pounding The Pledges*) Leigh is not touching her bra.

PLAYING BOOB PONG

A student at New York University has submitted her Ph.D. thesis on the subject of "intimate controlling" devices. The thesis was on how body-motion sensors can be used to control video games. She inserted hand-operated sensors in her bra to control a video game. When her left bra cup was touched, the paddle moved to the left; the sensor in her right bra cup directed movement to the right. She also placed sensors in her boyfriend's underwear.

"The project began as an exercise for networked objects," the student said. "I made a pong controller that was made from a bra. Touching the left breast made the pong paddle go left and the right breast made the paddle go right. I then found out about a phenomenon called gamer widowhood, where men essentially abandoned their wives to play video games. I wanted to create a type of video game that would center around a couple's intimacy and where two people would touch each other to play the game.

"The woman's controller is a bra with six sensors. The man's controller is a pair of shorts with six sensors. The man stands behind the woman, and each has access to the other's sensors."

This could revolutionize gaming. A guy could play a game and with his girl's tits at the same time.

BREAKING NEWS: WOMEN GET GROPED IN NIGHTCLUBS!

At least 80% of women surveyed in a new academic study say they have gotten groped while at nightclubs that had a "sexualized atmosphere" and where liquor was served. Wow, you learn something new every day!

"Sexually overt approaches in singles bars" is a new study published in *The Canadian Journal of Human Sexuality*. Researchers surveyed female university students aged 18 to 28. What a great job that must have been. The women said grinding from behind and ass-touching were the most common ways that men approached them. Was this a bar or a subway train in Japan?

The facts: 83.9% reported being victims of the grinding move and 68.3% reported being on the receiving end of pelvis-to-pelvis grinding. An amazing 82.5% have had their asses touched while 37.8% said their boobs were touched. A surprisingly high 25.9% said their genitals were touched. Did this stuff take place in a dark nightclub or was it in some gigantic hot tub?

But get this: 49.7% of the women initiated grinding from behind, 50.3% initiated pelvis-to-pelvis grinding, 31.5% touched man-ass, 22.4% felt chest and 8.4% touched male packages. So it isn't just a guy thing. The women said they did it for fun and games, not to initiate any serious relationships. And there's no doubt that the booze helped to power up their libidos.

So, what's acceptable? Well, 29.9% of the women were likely to accept grinding from behind while 29.2% accepted pelvis-to-pelvis grinding, 14.6% were okay with butt-touching, 3.5% were okay with breast touching and 2.1% accepted genital touching. Maybe the rest of the women who didn't accept such private touching clobbered the guys with beer bottles. Most of the women in the survey said that old-fashioned, traditional, non-sexual approaches such as talking and dancing were "the most desirable approaches in a singles bar setting" as opposed to being felt up or groped.

You don't need to be a scientist to figure that out.

Brandy Dean experiences an ass-grab while attempting to clean up an oil slick. A new study measures how women are approached in bars.

FAT-ASS FUCKIN' TITS

A team of scientists claims to have figured out how to remove fat from one part of the body and make it grow in another part.

"We don't think this is something that would be used for gross obesity but for reshaping the body for use with pockets of fat," said a doctor at Georgetown University Medical Center.

The group's findings are based on a naturally produced chemical messenger called neuropeptide Y, or "NPY." This chemical is associated with appetite and weight gain. NPY could also be a new tool for plastic surgeons if it does what it is theorized to do.

"You could take the fat from your buttocks and put it in your breasts and cheeks," the doctor told science journalists.

NPY attaches to a receptor in fat cells that is called neuropeptide Y2 receptor or Y2R. It activates fat cells and some of the cells in the blood vessels found in fat tissue. The scientists believe NPY helps the body lay down fat cells. The team put NPY into slow-release pellets. When they placed the pellets under the skin of thin monkeys, they grew pockets of fat around the pellets.

Theoretically, scientists could place these pellets in B-cup boobs and turn them into D-cups without doing anything extra. Kinda like a Chia Pet. Could it make your penis fatter, too? Hey, why not? NPY has not been tested in humans, but it's comforting to know boobs are on the agenda.

Scientists are working hard to make tits bigger with "fat magnets."

THE BOOB-JOB BRA

A "boob-job" bra designed for women who have implants is now being sold worldwide. The special bra is made for augmented hooters that are rounder, higher and stick straight out more than natural breasts.

Le Mystere's No. 9 bra was designed by a plastic surgeon in the United States when his patients complained about not being able to find bras that fit after getting breast implants. The bras are available in sizes 32C to 36E (still not big enough for many SCORE mega-busters).

"In recent years, the trend in breast augmentation surgery has been to use higher-profile breast implants with a narrower base and more projection, which means that traditional bras tend not to fit properly, as the conical shape of the cup doesn't allow the breast to sit comfortably," the surgeon said. "The usual oval-shaped underwire doesn't hold the augmented breast in place or offer the right level of support. Even normal straps and material aren't ideal."

After boob enlargement, many women buy as many as 10 new bras. Le Mystere designed their No. 9 collection to restock a woman's complete bra wardrobe. A strapless bra, a T-shirt bra, a lace bra and a sheer triangle bra are being sold.

These No. 9 bras factor in all of the physical changes that result from breast enhancement. The new boob-job bra features a mathematically designed cup with a spherical shape that matches the most-widely used implants. The underwire is also a complete semi-circle because ordinary wires are too wide to support the smaller base of an implant. The engineering science behind this new bra design is very sophisticated.

The bras are available at Harrods in London, starting at £60 (about \$100) and in stores across North America and Australia. For the scoop, log into LeMystere.com.

NEWCOMER BALLOT.**

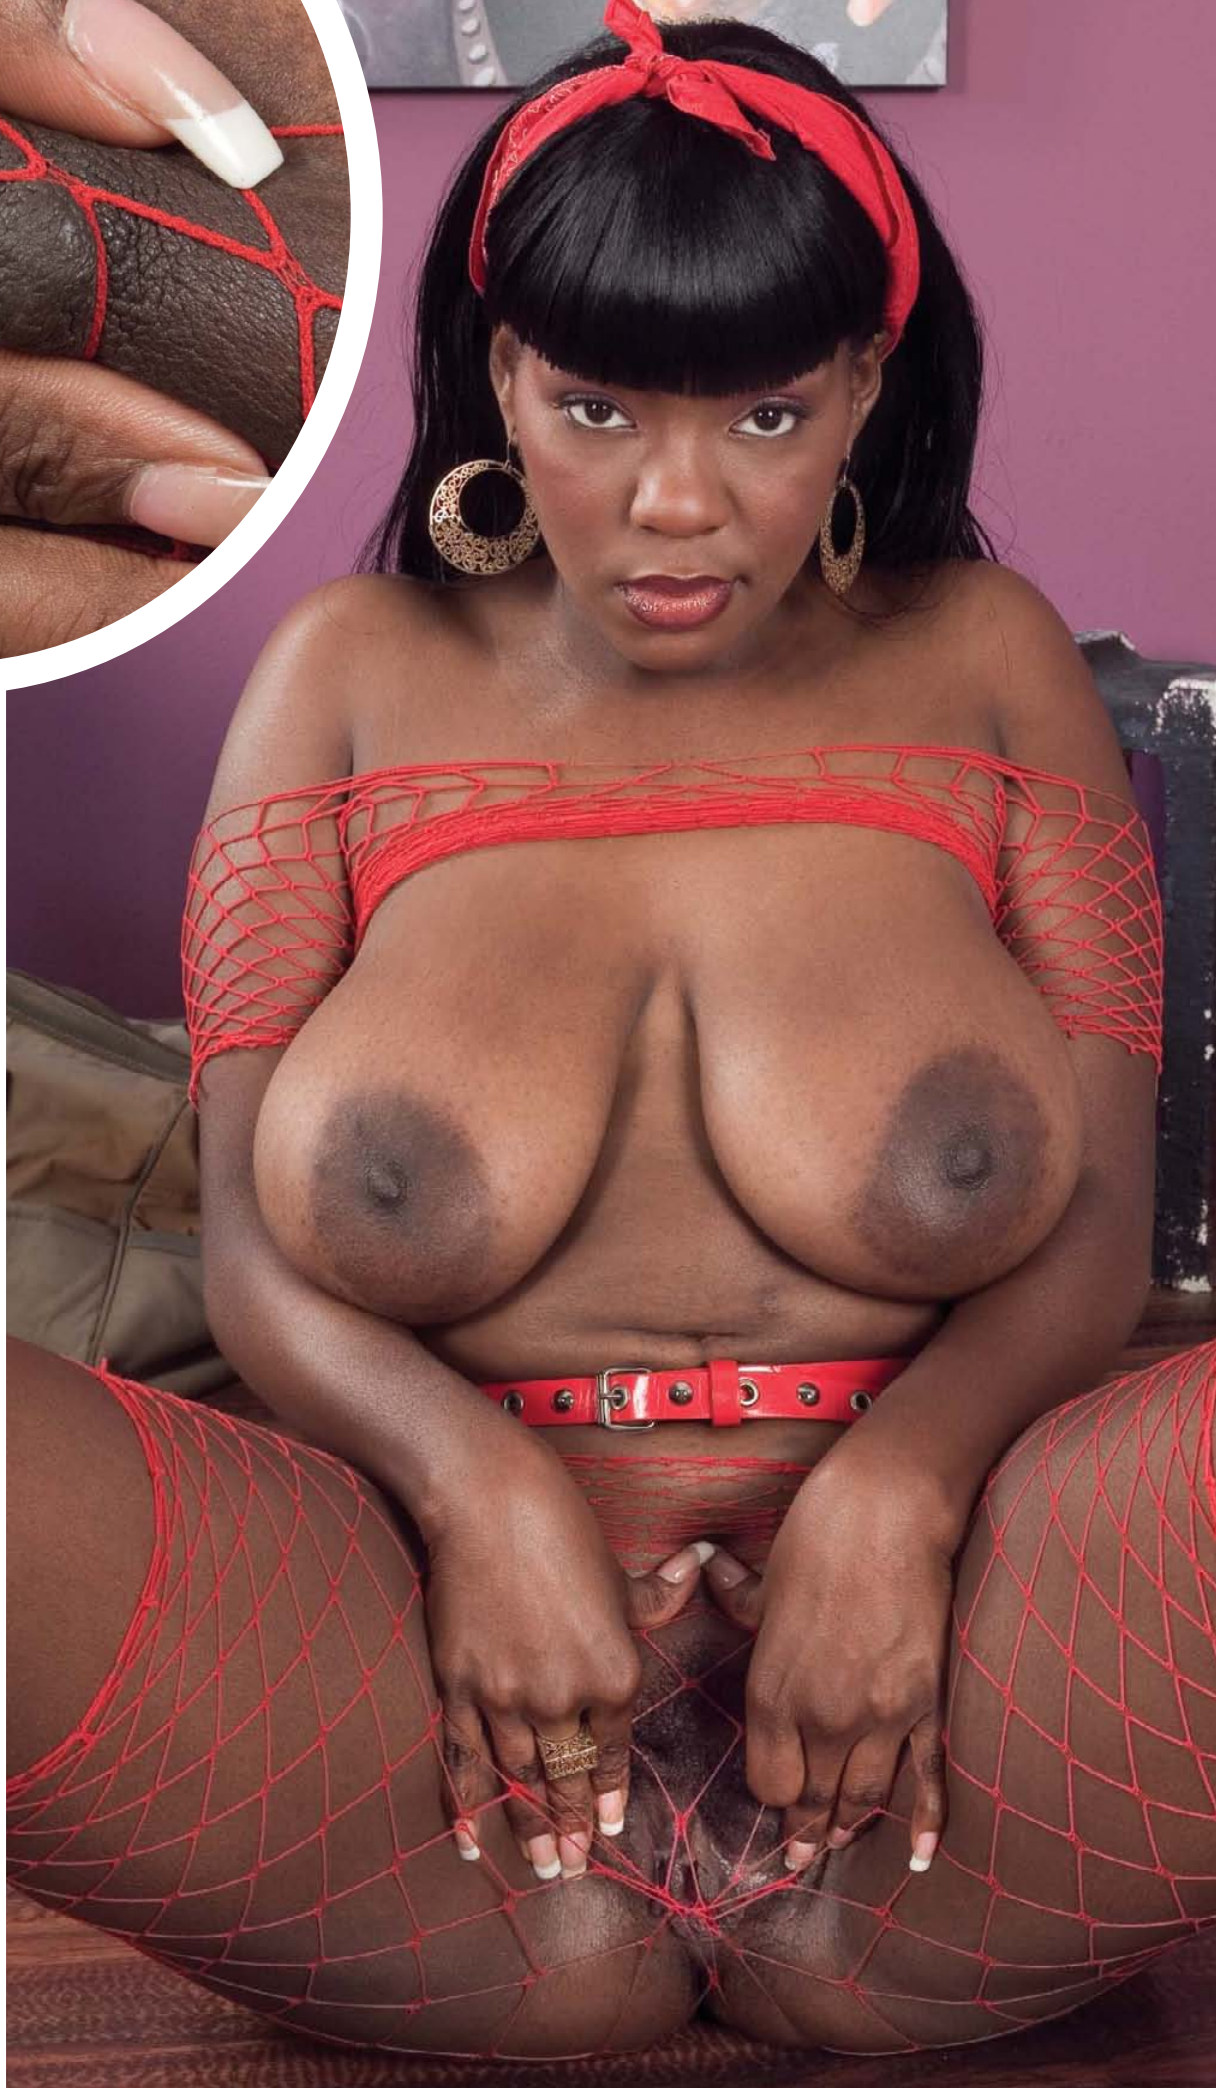

Our first candidate for 2007 Newcomer of the Year is also our newest candidate. Her name is Camille Morgan, she's a full-time student at a university in New Jersey, she has never posed naked for any magazine anywhere (although she did dance in a strip club for a while) and she's one of those rare girls who's incredible from any angle you look at her. Love big tits? Camille's are DDD-cup naturals. Like a big, round ass? Camille's packing in the rear. Obviously, she's beautiful. And sexy. And exotic. And awfully smart, too.

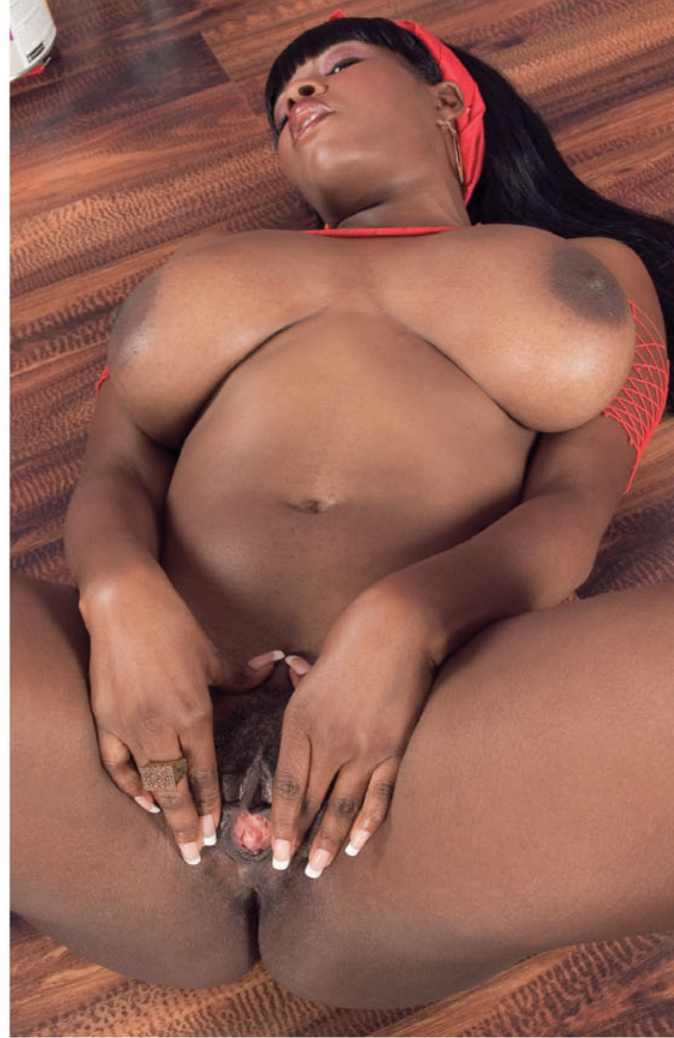

We'd love to boast that we found Camille, but that wouldn't be true. She found us through our new model-search website, BeAScoreModel.com. She had a good idea that she had what it takes to be a *SCORE* Girl, but she wasn't 100% positive. "Of course, I know that I have bigger boobs than most women, but when I looked at some of the girls in *SCORE*, I wasn't so sure." We were. We took one look at Camille's pictures and flew her down to Miami, Florida for several days of fun, sun and nek-kid modeling. "I had a wonderful time," Camille said. "I'd never modeled for a men's magazine, and I was nervous about what it would be like, but everyone was so professional and nice. I had the time of my life!" As these photos prove, Camille took to nude modeling right away. She's a natural!

CAMILLE MORGAN

BIRTHDAY: March 30 **HEIGHT:** 5'8" **WEIGHT:** 138 lbs.

BRA SIZE: 34DDD **MEASUREMENTS:** 40-27-38

BORN: Newark, New Jersey **HOBBIES:** Reading, going to the movies, hiking and shopping. "I'm definitely an outdoors girls. I love nature."

KINKIEST SEXUAL ENCOUNTER: "In a garage on a car, and the guy's girlfriend was in the backyard at their barbeque. We were gone for about a half hour, and when we came back, I think she knew what we had done."

Perhaps we jumped the gun by making Camille a Newcomer of the Year finalist when we haven't had the chance to assess readers' reaction to her. But we're pretty confident in our ability to judge a model (and your reaction to her), and we have no doubt that she's one of the top 10 newcomers of 2007. "I never really thought of myself as being anything special," Camille said, making us wonder once again if chicks like her own mirrors. "I've never really thought of myself as super-sexual. I mean, for example, I masturbate. Every girl does. But I just massage myself and rub my breasts. And I rarely go out of my way to dress sexy, although I have men telling me I'm sexy all the time. I don't have any fetishes. I've never had sex with another girl. I've never had a three-way. I'm as far from being a porn star as you can get. I'm boring." We're guessing that thousands of *SCORE* readers are going to disagree with that assessment... and cast their vote for Camille.

The **15** greatest **busty babes** in the world battle for the ultimate prize!

Morgan Leigh (below) was 2006 Newcomer of the Year. Minka (right) was 2005 Model of the Year. They're just two of the 15 reasons the 2007 Model of the Year Contest figures to be the most competitive ever. Any of the 15 finalists on these 10 pages are worthy of the award. Unfortunately for you, only one of them can receive your vote. So look them over. Then vote for your favorite on page 21.

Minka

Bea Flora

Crystal Gunns

Jade Feng

The list of SCORE Models of the Year reads like a who's who of big-tit greatness. Sharday won the first award in 2002. Julia Miles took home the top prize in 2003. Linsey Dawn McKenzie won in 2004. Minka won in 2005. Marilyn Sakova was 2006 Model of the Year, edging out Crystal Gunns. But 2007 was a great year for Crystal, who did her first boy-girl in *Tits 'N' Tugs*.

Karen Fisher

Summer Sinn

Denise Derringer

There has been a fascinating synergy to the Model of the Year voting. In 2004 and 2005, readers seemed to decide all at once that it was time to reward Minka and Linsey for their great careers. The readers' desire to treat the Model of the Year Award as a Career Achievement honor explains why there has never been a repeat winner.

Daphne Rosen

SCORE 35

Angela White

Brandy Dean

Cindy Cupps

If you're thinking about honoring a longtime *SCORE* model for career achievement, then you should consider Cindy Cupps (above right), who has been a favorite since she debuted in the January '00 issue. Cindy did a great girl-girl with Summer Sinn in *Ultimate Summer Sinn*, and she recently broke her boy-girl cherry with a scorching hand job and tit-fuck scene in *Tits & Tugs*. She's also responsible for discovering one of her main competitors for Model of the Year: best friend Crystal Gunns.

Penny Porsche

Penny Porsche (above) is one of the sexiest MILFs ever featured in *SCORE*. Marilyn Sakova (right) is the reigning Newcomer of the Year. And Deena Duos (below) has a great chance of winning, judging by the amazing reader response to her return in the July '07 issue. Whose turn is it to win this year?

The **SCORE** Interview

Christy Marks

The **18-year-old H-cupper** makes her bid for
2007 Newcomer of the Year

Interview By Dave Rosenbaum

Her name is Christy Marks, she's 18 years old, she's a student from a small town in Pennsylvania, and she's the next big thing in big boobs. It's not too often that a girl like Christy comes along, and when she does, we grab her!

If only we could be so lucky! Christy has big, natural H-cup boobs that are impossibly firm and impossibly heavy (your editor knows; he lifted them while swimming with Christy in The Bahamas). She's incredibly flexible and can actually

lock her legs behind her head (a very sexy skill, as readers found out when Christy debuted in the November '07 issue). And she loves big-boobed women, as we discovered when we took her down to The Bahamas for a photo shoot with Lorna Morgan, Terry Nova, Angela White and Gianna Rossi. Christy had a hard time keeping her hands off the other girls.

But there's a lot more to Christy than just big tits and sex appeal. She's one of those girls who seems almost un-

affected by the bad things in life. She has an amazingly positive outlook on things. As you're about to find out, modeling isn't just a job for Christy. It's a new experience. An adventure. Something to enjoy every day. And we think that attitude shows in her photos.

SCORE Men, you're going to be seeing a lot of Christy Marks in the coming months, and, hopefully, years. Her first DVD is in the works. She'll be one of the stars of the January 2008 issue of SCORE, which will be devoted entirely to the Eleuthera adventure. And we think she's the favorite to win 2007 Newcomer of the Year.

Now, sit back, relax and prepare to fall in love with Christy Marks. If you haven't fallen in love already.

SCORE: Well, gentlemen, we're here, sitting by the ocean, with the beautiful Christy Marks, who's about to make a serious run at 2007 Newcomer of the Year.

CHRISTY: I don't know about beautiful. The ocean has something on me.

SCORE: What?

CHRISTY: The ocean! The beauty of the ocean. You can't really compare physical, human beauty to that ocean over there.

SCORE: Christy, time out! Let me see your boobs.

CHRISTY: Okay. [She takes her tits out]

SCORE: You're telling me the ocean is more beautiful than your boobs?

CHRISTY: In my opinion, yes, but that's only because they're my boobs. I'm sure there are a lot of men out there who would rather look at my boobs than at the ocean, but not me. I'd rather see the ocean.

SCORE: Well, Christy, let me ask you this: How big are your boobs?

CHRISTY: They are 34H and counting. They're growing all the time.

SCORE: H-cup boobs, and they're all natural, correct?

CHRISTY: Yes.

SCORE: How much do you weigh, if you don't mind me asking?

CHRISTY: I fluctuate between 140 and 145 pounds.

SCORE: Now let me ask you this: How many women do you think there are in the world with H-cup boobs who weigh 140 pounds?

CHRISTY: I don't know. I've never seen any where I live. That's why I get hated on all the time. Not hated on but I get looks and comments. I

have to admit that I'm a bit unique in that department.

SCORE: You've never met a woman as thin as you with boobs as big as yours, have you? Is that what you're telling me?

CHRISTY: Not that are real, no.

SCORE: Christy, if I'm counting correctly, there are seven oceans in the world. So far, I've only seen one woman today,

and very few in my entire life, even working at SCORE, who have H-cup boobs and weigh 140 pounds, which means you are more unique than the oceans of the world.

CHRISTY: [Laughs] I don't know. I like the ocean.

SCORE: I like your boobs.

CHRISTY: Well, that's cool. I like my boobs sometimes.

SCORE: When do you like your boobs?

CHRISTY: I'd like my boobs if I was ever on a ship that was sinking. I think they'd keep me from drowning. I like my boobs when I'm at work.

SCORE: Work?

CHRISTY: I mean here, modeling. I really don't consider this work. Everyone's

so great, and I'm having so much fun. I think that's about it. Otherwise, I don't think about my boobs much, although I know a lot of guys do. That's cool.

SCORE: Do you like the way your boobs look?

CHRISTY: Sometimes. I get real self-conscious about them sometimes.

SCORE: Why?

CHRISTY: Because they're so big and out of control. They like to do things that normal boobs don't do.

SCORE: Like what?

CHRISTY: Like when I lay on my back, one goes one way and one goes the other way, so if you were to look at me from like a 360 point of view, it would look like I was a fish or a chameleon with one eye pointing one way and one eye pointing the other way, and to me, that's not completely normal. And they flop around all the time, especially if I don't wear a bra and sometimes even when I do. And because they make it hard for me to

find bras that fit, and because I get looked at all the time. But being here and meeting everyone at *SCORE*, I feel better about them. Not liking my boobs so much was back when I kept them to myself.

SCORE: So *SCORE* has made you feel better about your boobs. That's definitely a good thing!

CHRISTY: Yeah! I mean, I've always known that a lot of guys out there like big boobs, but there's something about the way *SCORE* treats them with respect, almost worships them, that I really like. I mean, I know it's my boobs that got me here, but it's like you respect the whole woman.

SCORE: Christy, you should love your own boobs.

CHRISTY: Well, some parts of me like them. My knees hate my boobs. My back hates my boobs. My shoulders and my neck hate my boobs. My personality likes my boobs.

SCORE: This is a hard thing for guys to understand. Almost every guy in the world would be happy if he had a 12-inch cock, and you're telling us that you're not thrilled with your H-cup boobs. It doesn't make sense to us.

CHRISTY: [Laughs] That's just dumb! You know why that's dumb? Because most guys when they see big boobs, they say, "Okay! I'm there," but there aren't a lot of women who would say, "I want that big dick!" No!

SCORE: No?

CHRISTY: Over eight inches is just a waste. It's too much. You can have a guy who's anywhere between six and a little below eight inches, and if he knows what to do with it, that's enough. Twelve inch-

es? That hurts. I mean, I wouldn't know because I've never had a guy with 12 inches, but I'd imagine that it hurts.

SCORE: You feel that way because you're so young.

CHRISTY: No, I feel that way because I'm tight and shallow.

SCORE: Which means, guys, that no matter how big your cock is, Christy will think it's huge. Christy, you're looking better with every word that you say.

CHRISTY: [Laughs] You don't understand! I just can't handle a big one. The photographer tried to give me a toy for a shoot today, and I thought it was ginormous. I refused to stick it in me because I knew it was going to hurt. There was no way. I had to get a skinnier one. I just don't like big ones.

SCORE: Maybe you should have more faith in the expandability of your pussy.

CHRISTY: Oh, it can definitely expand.

SCORE: What do you call your pussy, by the way?

CHRISTY: It doesn't matter. Cookie, pussy, bird, vagina. Whatever you'd like to call it, it can expand. It needs to. It's a force of nature. However, if it doesn't have to, I don't want to make it because it hurts. So I just leave it alone.

SCORE: So a 12-inch cock is too big.

CHRISTY: You know what? I have something to tell you.

Last time I was down here, we went on a photo shoot. There was a girl doing boy-girl beside me, and I was doing my regular solo shoot.

And there was this beautiful

piece of art. This man was just beautiful. And then he pulled down his pants. And his thing was so big! I just looked at him and said, "You know what? You're just a sculpture, but there's no way you're coming at me with that thing." [Laughs]

SCORE: How big was it?

CHRISTY: It was big. He was pushing at least 13 inches.

SCORE: Really?

CHRISTY: It looked like it. I didn't have a measuring tape, but probably. He was scary big. And the other girl, she was just taking it, and I'm doing my pictures and thinking, "Better you than me!" Because there was no way I was going to handle it. But, you know, all girls are different. Some girls like big ones. I'm just not one of them. But like I said, I like to look at them.

SCORE: Guys, if you have a 13-inch cock, then Christy isn't for you.

CHRISTY: They're pretty to look at. I'm just not built for that.

SCORE: Let's stop talking about cocks for a while. Let's talk about boobs. Yours are H-cups.

CHRISTY: Yes.

SCORE: You're 18 years old. When are you going to be 19?

CHRISTY: I will be 19 on October 13th.

SCORE: What do you want to get for your birthday?

CHRISTY: [Thinks] I don't know. I'm not a materialistic person. I came down here for a week and all I brought was a book bag with some clothes in it. I have all the things that I've really wanted lately. I have my snakes, I have my cell phone. I mean, the things I want, nobody could really give to me because they're sentimental things. Like, for instance, I would like all my nieces and my nephews and my family to be happy. Just stuff like that. Stuff that you can't really give somebody.

SCORE: So when you think about the things you want in life, none of them have to do with material possessions, such as cars.

CHRISTY: Not really. Just like everyone else, it would be nice to have a beautiful house and a private beach to walk on, but if I had the choice of living in a beautiful house on a beautiful beach or living in a middle-class home with my family and being happy, I'd rather be home with my family and happy.

SCORE: That's a cool way to think, especially for an 18-year-old.

**THERE'S NO QUESTION WHAT
ALENA SNOW'S CREDENTIALS
ARE FOR TOP NEWCOMER.**

The biggest tits in the 2007 Newcomer of the Year Contest? You're looking at 'em! So if the size of the rack is your main criteria for judging a busty model, then enjoy the rest of this pictorial, turn to page 21 and cast your vote for Alena Snow. Those babies busting out of her bikini are G-cups, and, oh, by the way, if you're looking for the most slim-n-stacked chick in the competition, that's Alena, too. This amazing Norwegian measures 44-28-36.

Alena's tits look incredible whether they're stretching a sweater, busting out of a bikini or completely naked. In fact, she might be responsible for the best "Tits In Tight Tops" photo of 2007, a mind-boggling pic on page 93 of the November '07 issue in which she plays librarian and stretches a thin, blue sweater to the max. "Hiding my chest in clothing is impossible, so I don't even bother anymore," Alena said. "I just wear whatever looks best and let you guys enjoy the view." It's one of the most spectacular views in all of Scoreland. *SCORE Men*, is it the best?

CHRISTY: It's not just the way I think. It's the way I am. I've never had a lot so I've never really wanted a lot. I'm not the kind of person who says, "Oh, look at that. I want that." I'm the type of person who tries to be happy with what I have, and so far, it's worked.

SCORE: So, Christy, here you are, 18 years old. Not old enough to drink in America. And you're on the cover of the November 2007 issue of *SCORE*, an international men's magazine. That's pretty big stuff. How does that make you feel?

CHRISTY: It's cool. You know, when I was at home after I started modeling for *SCORE*, I got a job up there dancing in a strip club. Stripping. You know, some girls try to make it sound like, "Oh, I'm an exotic dancer." No you're not! You're a stripper! It doesn't matter which way you say it, it's the same thing. So I went up on stage, and it just wasn't for me. I love to dance. It's something I do all the time. But I didn't like the negative male attention. The disrespectful male attention, like the name-calling and the grabbing. That probably sounds conflicting to what I do, but stripping is very different because it's direct. I didn't like the pawing and the, "Hey, bitch, come here!" And I had to quit because I was ready to hit somebody.

SCORE: How long did you do it for?

CHRISTY: You wanna hear how long I did it for? I went in and did my audition. I danced two songs. Took me maybe eight minutes. I made 39 bucks in eight minutes. They hired me, I left, and I came back two or three days later, and I was supposed to be there from about seven at night to sometime before two in the morning. Well, I stayed there for one dance, which was four songs, and then I left. I couldn't handle it. I mean, dudes looking at me, that's fine. I don't mind that. But it was the "Hey, bitch, come here. Where the fuck are you from?" Don't talk to me like that. That irritates me a little bit. I mean, if you were to say, "Hey, I really like your boobs," which I get all the time, instead of, "Hey, damn, bitch, you've got some nice tits." I'm sorry, but that's not for me. A lot of girls can take that and a lot of girls are okay with it, but me, personally, it irritates me, and I was about to shoot off my mouth so I left. But model-

Deep-throat blow jobs. Lusty ball-sucking. Wild tit-banging. All-positions fucking while a stunt cock slaps her bangable butt. If that sounds like your criteria for Newcomer of the Year, then Candace Von is your girl. Because other Newcomer of the Year candidates (Tera Cox and Delotta Brown) fucked in front of the camera in 2007. But nobody did it like Candace, a wild sexpot who'd be a porn star even if she didn't have big tits.

Candace fucked in the Xtra section of the December '07 issue and also in the DVD *Worship Dat Ass*. But let's say you're one of those guys who doesn't like watching the models get boned. Or let's say you don't care whether a model fucked for our viewing pleasure. Well, then Candace is still in the hunt for New-comer of the Year because her bikini, wet T-shirt, oiled-boobs pictorial in the August '07 issue was one of the most highly acclaimed of the year. Highly jackable, too. She's always that.

All of the girls had big, natural boobs. And all the girls agreed: Terry's boobs were the biggest!

Big tits, big ass, big legs...Terry's a big girl with an amazingly curvy frame. You just don't see girls like her too often (she's cut in the mold of Lisa Phillips and Lisa Miller). In Eleuthera, Terry was the girl whose bikinis never fit. She was the girl who the other girls—especially Angela White and Christy Marks—always had their eyes on. You'll be seeing lots more of her next issue. And if she doesn't have your vote yet, she'll get it then.

On a warm, sunny, typically beautiful day in Nassau, The Bahamas, Natalie Fiore got into the backseat of our rental van and started taking off her clothes. Of course, our photographer started snapping pictures. "It was so sexy knowing that all of those people were outside and I was inside doing naughty things," said Natalie, who was visiting from France. "I wanted to drop the window and flash them, but the photographer said, 'No, no! The people here are very conservative.' Well, they might be conservative, but I'm not!"

Natalie made a big splash when she debuted on the cover of the April '07 issue (she and Christy Marks are the only Newcomer of the Year finalists who landed the main cover shot in 2007), and her two-page spread to open her pictorial in that issue is one of our favorites of the year. Natalie has incredible boobs and a mature sexiness that will appeal to men who like their women with a little more experience...and who like their women to be a little more daring. She sucked her tits and spread her pussy while, outside, the tourists and locals had no idea what was happening. Natalie was happening.

ing for *SCORE*, I really like the people I work with, I like the places I go, it's beautiful, and when my pictures come out, it's fine because I won't have to deal with the disrespect. I'm sure people are going to be sitting at home in their house looking at the magazine and doing whatever males do, and some females will look at my photos and do what they do, because I know I like girls, too, but that's at their house. That's not up in my face. And that's fine. It's a compliment. It was just the up-front, in-my-face disrespect that I couldn't handle with dancing.

SCORE: You like to be admired in a respectful way, though, don't you?

CHRISTY: Oh, yeah. That's perfectly okay. I'm not conceited. I know I look good and I know I have a nice body and I know my pictures turn out great,

but I'm not like, "Oh, I'm so much better than you." I'm glad that people like the way I look and think I have a nice body. Otherwise, I wouldn't be here meeting all these people and going to all these nice places and having fun. But it's not like I'm going around thinking I'm better than anyone else.

SCORE: But you are different from most 18-year-olds. It has to be kind of exciting being 18 years old and doing this, doing things that most teenagers, most people, never get to do.

CHRISTY: Oh, yeah! I'm very excited. I'm very excited

just because I finally feel like I'm getting somewhere in my life. I finally feel like I'm accomplishing something, and when my pictures came out, a lot of my family members wanted one. My mom wanted one. I said, "Hey, Mom. I'm modeling for an adult magazine." And she said, "Oh. Which one?" I told her it was The *SCORE* Group, I love everyone I work with, and she said, "Oh." And I said, "Are you mad?" and she said, "No." I wanted to know her feelings about this because she just wasn't talking. Then she was like, "I'm your mother. I obviously want you to cover up, but if you have it and I gave it to you, I want you to use it. It's not illegal." She's okay with it. It's not what she would have chosen for me, but she wanted to see the magazine, and I was very excited when it came out. Like you said, it's something most people my age don't get to do. It's something I didn't think I'd ever get to do. That's one of the reasons it's so exciting.

SCORE: Well, being your age and going to exciting places is also something that most people don't do. Next issue, the readers are going to get to see you, Lorna Morgan, Angela White, Gianna Rossi and Terry Nova, another new-

comer, in Eleuthera in The Bahamas. You were with us for a week, and it looked to me like you were having a great time.

When I got there, you were doing a photo shoot in the water, and I've never seen anyone having such a good time. Now, did I understand correctly that before coming down to Miami to shoot, you'd never been in the ocean?

CHRISTY: Well, I lived in Florida until I was three and then I moved up to Pennsylvania, but I don't remember Florida. So I have no memory of seeing the ocean until like three months ago. I definitely wasn't in it until three months ago, that I remember. I definitely saw it when I was three years old, but I don't count that because I don't remember. And, you know, I live in a very small town. A country town. One stoplight. Pine trees everywhere, so when I come down here, it's just like, "Oh, my God!" I get excited and this really weird feeling happens that makes me really happy, just to see all this. I remember the first time I came down here, I was freaking out over the palm trees. I was hugging one! My friends were making fun of me, but that's okay because I was happy. I was hugging a palm tree.

SCORE: Do you think you're a girl who likes hot weather or do you like both?

CHRISTY: I like the hot weather, but I'm comfortable up north where I live. It's nice to visit here, but I wouldn't be comfortable here.

SCORE: You're a small-town girl.

CHRISTY: Yes. Plus, I wouldn't want to live here because I just get so much pleasure out of coming here. It's so beautiful. I enjoy it so much that I'm afraid that if I moved down here, I'd start taking it for granted. I wouldn't enjoy it anymore.

SCORE: That's a very mature attitude for an 18-year-old. When most people see something good, they want it all the time. They don't know to control themselves. They just want lots of it.

CHRISTY: Well, ideally, everyone wants a house on the beach where all the palm trees are, but no. I want to visit the house on the beach where all the palm trees are because every time I go back, I get amazed and excited all over again. Why lose that feeling when you can visit and get away from everything? When you're living here, where are you going to go to get away from the stress at home? Another place like it? In the snow? This is like a getaway.

SCORE: So you agree that you have to work to appreciate vacation.

CHRISTY: Oh, yeah. I definitely agree with that. I mean, I talk to people all the time because I'm just mad friendly. It's weird because I walk through the airports, and I have to go through three international airports when I come down here, but I'll talk to people, and

SOME OF THE NEWCOMER OF THE YEAR FINALISTS ARE BAD GIRLS. NOT PAOLA. SHE'LL JUST MAKE YOU THINK BAD THINGS.

"I am too innocent for kinky things," said Paola Rios, a Paraguayan beauty who debuted in the October '07 issue by getting her T-shirt all nice and wet and creaming up her tits. You know, 2007 might just go down in *SCORE* as the year of the wet T-shirt, and that's definitely a good thing. "I loved my photos," Paola said. "I wasn't sure how I would look when I saw myself in the magazine, but I was very happy. I hope the readers were very happy, too."

What a diverse group of Newcomer of the Year finalists we have this year, from mega-buster Norwegian Alena Snow to teen-tit dream Christy Marks to black-and-stacked Camille Morgan, Delotta Brown and Candace Von to Amazonian natural Terry Nova. And now, Paola, whose milk-chocolate-brown areolae and sexual innocence are sure to garner a lot of votes. Did we say "sexual innocence?" Damn right! When we asked Paola what satisfies her best sexually, she said, "I don't know." How often does she fuck? "I'm not telling!" she said.

You might ask, "How can a girl who spreads her pussy for all the world to see call herself sexually innocent?" Well, we're not saying she's sexually dumb. After all, when we asked her how important cock size is, she answered, "Tamaño no me interesa, que lo sepa a usar." That's Spanish for, "Size isn't important. Knowing how to use it is much more important." She also said "mirada penetrante!" gets her horny. That means, "Looking at me in a penetrating way." Penetration? Did she say penetration? We're in!

the other night, when I flew into Miami, I was somewhere on a layover, and there was a kid who looked so lost, and there was another kid who I guess was his cousin, and they were talking to me, and he was 18 years old, and he told me that he had never seen snow. And I was like, "What?" I remember when I was seven years old, and we had a really bad snow, I think it was '94 or '95, like five feet. It was up to my neck. My mom's boyfriend had to carry me on his shoulders back to the house because I couldn't walk through it. And snow's just so beautiful. You know, the hills, the mountains and the trees where I live? That's something I take for granted because I grew up there. But the palm trees, the ocean, the beautiful weather, that's something I never want to take for granted. You need things in your life like that to get excited about, things to look forward to.

SCORE: What do you like to do in your free time?

CHRISTY: Do you want the whole list or just a couple of things?

SCORE: Well, I know for sure that you like to go to McDonald's.

CHRISTY: McDonald's! I love going to McDonald's!

SCORE: Christy, McDonald's is full of calories. Where do they go?

CHRISTY: Here. [Points to her chest] To my boobs.

SCORE: Christy, there are about 20 Big Macs in there. Big Macs, Quarter Pounders. When you go to McDonald's, what do you like to eat?

CHRISTY: Oh, I know the whole Dollar Menu. There is the double cheeseburger, the regular cheeseburger. You can get two pies for a dollar. There's the small fries, the small drink. You have your McChicken. And then you have your Double Quarterpounder with cheese, extra onions, large Coke, no ice, and a large fries. You just gotta love McDonald's. I do.

SCORE: So let's say a guy picks you up for a date, and you say to him, "Where are we going?" and he says, "We're going to McDonald's."

CHRISTY: [Laughs] I'll be like, "Yes! Do you want to marry me?" No, not really, but it sounded like a good thing to say at the time. [Laughs]

Who will be the next entrant into our hallowed halls?

In 2007, the great SaRenna Lee became the 12th member of the SCORE Big-Boob Hall of Fame, joining Devon Daniels, Traci Topps, Busty Dusty, Tawny Peaks, Tiffany Towers, Pandora Peaks, L.A. Bust, Wendy Whoppers, Angelique and Niki Knockers. That's quite a lineup! Now, we're opening the doors of the Hall of Fame again. Who will become the 13th inductee? *SCORE* Men, that's entirely up to you!

Angel Eyes

Lili Xene

Jessica Turner

Danni Ashe

Getting into the Hall of Fame isn't easy. It shouldn't be. A spot in the hallowed halls of the *SCORE* Big-Boob Hall of Fame must be reserved for the best of the best: the babes who have played an important role in big-tit modeling history and will never be forgotten. For a nominee to get in, she must receive at least 30% of the vote...and you are allowed to vote for only one of the 10 nominees on these pages.

Dixie Bubbles

We were certain that both SaRenna Lee and Sharday—in their first year of eligibility—would garner enough votes for entrance into the Hall of Fame, but only SaRenna made it in. Why? Many readers were convinced that Sharday wouldn't stay retired. Well, a year has passed since Sharday's retirement, and there's no indication that she'll make a comeback. Gentlemen, feel free to vote for this superstar.

Sharday

Letha Weapons

Alyssa Alps

There are several new names on the ballot, including 2000 Boob Cruise favorite Jessica Turner and the legendary Danni Ashe. Lili Xene finished third last year and is back on the ballot, along with former *SCORE* columnist Alyssa Alps (above). Once again, we wouldn't be surprised if more than one nominee gains induction. But it won't be easy. Stepping into the land of the immortals never is.

Continued from page 85

SCORE: So McDonald's, yes, Burger King, no?

CHRISTY: Burger King's okay. I know their Dollar Menu, too. You have to go to Burger King once in a while just for variety. They recently added Rodeo Burgers to the Dollar Menu at the Burger King where I live. Yeah! It's like burger, bun, cheese, barbeque sauce and onion rings on the same sandwich. That's what I'm talking about!

SCORE: Do you realize that if you went on TV for McDonald's and said, "I eat at McDonald's four times a day and I look like this!" Burger King would be out of business. McDonald's would be selling five billion burgers a day. Every woman in the world would eat at McDonald's every day.

CHRISTY: Well, maybe not, because although I look the way I do and my boobs are just ginormous, and my stomach is a little pouchy, although I'd rather have it this way than too skinny because that's just not my style, but if you think about it, a lot of people would be like, "Wow! What a fake advertisement!" They wouldn't believe it. But I eat at McDonald's almost every day, and I know my boobs are getting bigger. They're already bigger than the last time I was here. Hey, remember when there was a lady who tried to sue McDonald's because she ate it every day and weighed like 300 pounds. I was like, "So stop eating it!"

SCORE: She wants to look like you.

CHRISTY: I know. [Laughs] But truthfully, I have a fast metabolism. I move around all the time. I'm young. But, you know, The SCORE Group shoots big girls, too, and I'm telling you, when they say big, beautiful women, these women are beautiful. I love all the girls I've seen at SCORE. Every girl that I've met is usually bigger than me.

SCORE: Their boobs are bigger? Christy, I don't think so.

CHRISTY: We're usually about the same size or I'm bigger in the boobs and they have bigger bodies, but these girls aren't as heavy or big as people make them out to be, and they're all really beautiful. Really beautiful.

SCORE: You know, Christy, my impression of you, and you can tell me if I'm wrong, is that you're a very positive person. You always try to look at the

bright side of things.

CHRISTY: I try to be positive. There are some circumstances in my life when I can't be. I'll be angry about something, and inside, I'll be mad as hell, but I'll be looking at you like, "Have a nice day." When that happens, I have to go take a time out. Take a shower. Go play with my vibrator to calm down. Something of the sort to make me happy. I can tell you, this morning I woke up, and I was supposed to do a shoot. Nobody was doing anything to me. For no reason whatsoever, everything was irritating me. I was just in a bad mood. But I try to keep a positive outlook on things. I'm the kind of person who tries to look at the whole picture instead of just the top-left corner. It helps me out a lot. I mean, I get mad over a lot of things, but I get over it. And, of course, there's my vibrator. I'll just take it out, lay down on my bed, use it for a while, have a good orgasm, and before I know it, I've forgotten what I was mad about.

SCORE: Well, just a little while ago, I asked you what you like to do.

CHRISTY: Oh, that's right! I like to dance. I love to dance. I dance all the time. It's weird. My whole family can dance except for one of my sisters. We tried to help her but it doesn't work. I love to draw. I love art. I love sketching. I want to go to art school at some point, but I have time. I like writing poetry. I can't recite it in my head because I have to think about it, but if you give me a piece of paper and a pen, I can sit down and knock out a two-page poem in like 10 minutes. I write music, although I can't sing. I can sing well enough to know what it's going to sound like with someone who can.

SCORE: What else?

CHRISTY: I'm great with computers. I know everything about them. If you take a computer apart, I can put it back together again. Ask me just about any question about computers and I can answer it. I know it sounds nerdy, but it's just something I really got interested in. I'm on the computer all the time.

SCORE: How about TV shows. You're a teenager. What do you like?

CHRISTY: I don't really watch a lot of TV. I like the original *CSI* and *South Park*, but I'd rather write or draw or work on my computer.

SCORE: Christy, I just have to ask you this question: Do you play any sports?

CHRISTY: Why do you have to ask me that question?

SCORE: Because I can't imagine you running around a field with those big boobs flopping all over the place.

CHRISTY: Well, it can be a problem. I used to play a lot of soccer and I still play once in a while, but you're right, they can be out of control, and there isn't a bra in the world that can keep them down. I watch a lot of soccer, though, when I can. My favorite team is Manchester United. They're in England.

SCORE: And with that, Christy, all of our readers in the U.K. fell even more in love with you.

CHRISTY: I guess I'm not like the typical teenager. I don't like the things that typical teenagers like.

SCORE: Okay, Christy, we're running out of time, and somehow, we still haven't talked about sex.

CHRISTY: Okay. Let's talk about it!

SCORE: What's the kinkiest thing you've ever done?

CHRISTY: I know what that is! I once gave a guy a blow job in a library. There weren't a lot of people around, but there were some. We were standing in the stacks, and I didn't see anybody, so I just got down on my knees and gave him a blow job. It was fun.

SCORE: You didn't get caught? No one saw you?

CHRISTY: No!

SCORE: How long did it take?

CHRISTY: Not long. I mean, he was pretty excited and nervous at the same time, and I wanted to do it, but at the same time, I didn't want to get caught, so I got him off fast.

SCORE: And you're into girls.

CHRISTY: Yes, a lot. I really had a good time in Eleuthera with all those beautiful girls. I'm just the kind of person who appreciates beauty in other people. I love men and women, but to me, women are different. They're softer and rounder and more romantic. They've got boobs! There's something about having sex with a woman that really gets me off.

SCORE: So you've had sex with women in your personal life?

CHRISTY: Yes, many times.

SCORE: Well, Christy, you're definitely a girl who we're going to enjoy getting to know in *SCORE* and in the new DVD *Teen Tit Dream*. and in the upcoming DVD *Big-Boob Paradise* with all the *SCORE* Girls. Thanks for being here.

CHRISTY: Thank you! I'm having the best time of my life, and I really love being a *SCORE* Girl.

Didn't we just tell you that there are some bad girls in this issue? Kylee Nash is one of them, and it seems as if she's been a very bad girl. She's gotten herself into a whole mess of trouble. What did she do? She's not saying, but we're guessing that it involves her F-cup tits and shaved, pink pussy that she loves to spread so guys like us can jack all over it. Can Kylee get out of jail soon enough to make a bid for *SCORE* Newcomer of the Year? Let's find out.

Looks like Kylee isn't too concerned about getting out from behind bars. She'd rather that somebody broke in and fucked her brains out. "I love to have my boobs played with and teased until I can't stand it anymore," she said. "I love to give head. I love to see the look on a man's face when I'm sucking his cock and getting it all wet. I love sliding it between my big tits and watching it go in and out. I love when a man cums all over my tits, but I really like it in my mouth. I swallow!"

Tits squeezed together. Leg back behind her head. Cunt spread and ready for cock. It looks like Kylee is getting serious about winning *SCORE* Newcomer of the Year. "I'd love to win," Kylee said. "And if you come to see me at the club in Phoenix, I'll show you just how much I want to win." Kylee knows: We men can be bribed!

The "Bra Busters" segment was a welcome sight. Some of these girls look amazing in the right bra. Daphne Rosen's boobs overflowing out of that purple, lace bra is truly a sight to behold, and Crystal Gunns in that low-cut bra...I am left speechless. Tera Cox looked great, too. Her cleavage on page 50 is a thing of great beauty.

Last but not least, Brandy Dean in the Xtra section was smokin' hot! She has a great set of tits that I could stare at all day, but I really liked how she sucks a dick. The centerfold of her with just the tip of a cock in her mouth was fantastic, and thanks for keeping her hanging tits in the shot. Brandy looked like she was having a good time, which always helps the pictures look better for some reason.—K.D., via email

Dear K.D.: We agree about Brandy. She's a finalist for Model of the Year.

Denise Derringer (above) and Paola Rios (below) got us hard in the Oct. '07 issue.

zines. Your model selection throughout is second to none.

I have just recently been reading the October '07 issue of *SCORE* and have a few comments to make. First off, let it be known that I am a big-boob man. But, like so many other men, I also enjoy all of the other aspects of a woman's body. The curve of the waist. The shape of the hips and ass. The innie/outtie of the pussy lips and the gracious curves of well-shaped legs. I think every layout should include at least one head-to-toe, full-body photo so as we can appreciate the full beauty of the model.

Again to the October issue, page 71, the full view of Kandy Cole leaning against a counter...great! What a beautiful school marm, and we can appreciate her beauty to its fullness: her beautiful face, large boobs, the contour of her hips and the beautiful shape of her outstanding legs. Bravo to the photog!

The same goes with Paola Rios on page 31 and page 33 and Michelle Bond on page 54. I would love a full page of Paris Lorenz.

Lastly, you show the vivacious Melissa Mandlikova on page 107. Very good layout, but again, I would love a

HE'S NOTICING A GOOD TREND

Dear SCORE,

Not that I'm keeping track or anything, but your Denise Derringer cover (Oct. '07) was the third in eight issues that featured one of your models wearing a sweater. I hope these issues are your best sellers. Let's face it, guys. When you date a girl, you get the girl clothes and all. It's your job to get the girl out of the clothes.

I've been blessed to date a slew of big-breasted women, and when we went out on a date and they were wearing sweaters, I was the envy of every guy who saw me. But more importantly, I did everything in my power to entice that girl out of her sweater. Just watching a huge pair of knockers sway in a sweater gets me hard. A lot of my dates who later became girlfriends would wear a tight sweater because they knew what it did to me.

Keep those sweater covers coming. They bring back great memories...I mean memories! Besides, any serious SCORE reader knows that once they open the magazine, those girls will be popping out of their sweaters and naked soon enough.

P.S. Throw me a bone. Give me some wool sweaters in the future.—T.N., Ardsley, New York

Sweater shredders graced the cover of our March '07, July '07 and Oct. '07 issues. Is that a good trend?

HE ONLY HAS EYES FOR SCORE

Dear SCORE,

Admittedly, I'm a newbie here. I've only been a reader since 1994! So when reading the October '07 issue's praises of the 15th Anniversary Issue, two things struck me: Crystal Gunns' signed issue and Mark's email ("SCORE Mag: Alive And Kickin'!).

Back in 1994, there were eight big-bust mags at the newsstand. I've been reading SCORE since 1998. I don't know if the other guys still publish. Who cares? And since SCORE is big boobs, you guys could do more model-signed issues. I'm sure you'd have a lot of takers.

Also, isn't it time to expand your awards categories?

1. Best XXXtra. Self-explanatory.
2. Best Dressed. I know. Remember the debate on should models even be wearing clothes in their pictorials? Some say they should. Does Denise Derringer in that sweater not scream, "Hell, yes!" Maids, nurses. You know, a little recognition of the creativity of the models fueling our fantasies.

Finally, No. 3: How about The Models' Model of the Year. Give us a little SCORE behind the scenes. Or you could include the staff. I mean, you guys ask us to make a choice every year. What model do you think brightens up your offices and studios? Fess up! We love the models. Give us their opinions.

Or don't change a thing. Either way, we win.—J.F., Corpus Christi, Texas

NEVER ASK A LADY HER AGE

Dear SCORE,

I would like to know why you don't say how old the models are in SCORE, but it does say their age in *Voluptuous*. Knowing a girl's age is a big turn-on for me when I'm wanking over them.—Peter, Portsmouth, England

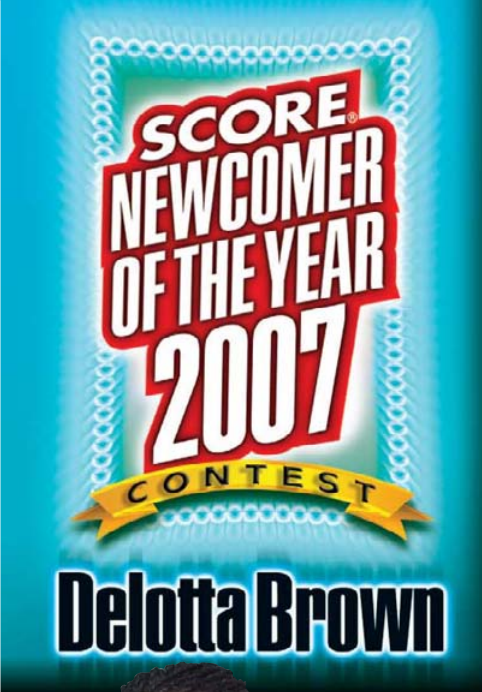

Dear Peter: Not listing the models' ages in SCORE was an editorial decision we made about two years ago out of respect to the many models who don't want their ages revealed. Several of them actually asked us not to print their ages. And, let's face it, you wouldn't ask a woman how old she is, right? We haven't followed suit in *Voluptuous*, but we might.

HE ASKED FOR MORE KYLEE, AND WE'RE ALREADY DELIVERING!

Dear SCORE,

Oh, my God! Kylee Nash (July '07) has to be one of the hottest and sexiest

HUGE TITS, BIG ASS, SMALL WAIST, BEAUTIFUL FACE. THERE'S ALOTTA DELOTTA BROWN FOR ANY SCORE MAN TO LOVE.

All of the girls in the Newcomer of the Year Contest have their own reasons for being here. They all have at least one attribute that makes them special. Delotta Brown has several attributes. H-cup naturals, for one. Then there are her big, brown, tea-cup size areolae. And her big, broad ass that earned her a pictorial in the July '07 *BootyLicious*. And her fucking-and-sucking skills that earned her a spot in the DVDs *Buxom Sluts* and *Bounce, Baby, Bounce*.

Any of the single attributes we just mentioned would make Delotta a viable candidate for this year's top honors, but when you add them all up, it's easy to see why we think Delotta should be a top contender for Newcomer of the Year. It's not that we're biased. We just think that when you objectively look at Delotta's huge naturals and amazing areolae and great ass—the total package is what we're trying to say—there really isn't any other conclusion to reach. She knows it, too. When we asked her what the best part of her body is, she said, "My body! The whole thing. It's impossible to choose. It's flexible. It's got a beautiful hue. I've got a nice stomach, small waist, big breasts and a nice ass." And she's not boasting or being conceited. The pictures tell the whole story. We asked Delotta how she feels about being a finalist for Newcomer of the Year, and she said, "I'd love to win. But if I don't win, I'll be okay."

"I like to be first, but I know I'm not always going to be first," Delotta said. "When I do something, I like to do it all the way, like sucking cock. I'm a perfectionist. I'm a Virgo, so I want things how I know they should be." Delotta is the way all *SCORE* models should be: stacked, beautiful and sexy. "I'm happy that men think I'm sexy," she said. "But c'mon, guys, how sexy do you think I really am? It's time to put your vote where your mouth is!"

women I have seen in *SCORE*. Those are the nicest set of tits I have seen. Please tell me you will have more of her. Those are the kind of tits I could play with for hours and not get tired of them.—Todd, via email

Dear Todd: Today must be your lucky day! There are brand-new pictures of Kylee Nash beginning on page 97 of this issue. She's one of the 10 finalists for 2007 Newcomer of the Year. Does she have your vote?

THE REAL, SCIENTIFIC (WE THINK) REASON MEN LOVE BIG TITS

Dear *SCORE*,

In the *Diane Poppo's Collection* DVD, Diane is asked by *SCORE*'s editors why she thought men liked big tits. She replied that men like big tits because it reminds them of when their mothers suckled them as youth.

Nothing could be further from the truth. Most men do not associate their mothers with any sexual desire whatsoever. Most contemporary anthropologists believe that the fact that heterosexual men like tits is based on the following theory: When most female mammals are in heat, they present themselves before the male, lifting their tale, exposing their female sexual organs and wafting their sexual pheromones in the direction of the male of their species. This practice has occurred for millenniums.

Contemporary men go to gentlemen's clubs and have women present themselves before them, thereby arousing them. Men require a visual key for sexual arousal. Women have always seduced men through a visual presentation, which is why women dance before men. Women, on the other hand, require an oral key, such as having a man speak sweet nothings in her ear. When men seduce women, they do it orally, through words. This is why male singers who sing love songs drive women more crazy than the most handsome movie stars. Nothing drives women more nuts than a man who sings about how much he loves her.

Males of all mammalian species require the female to present herself before them. Presenting the round, globular female buttocks before the male of the species has been the key to arousing the male. This same technique occurred with

humans. However, since humans had a huge brain and had the ability to communicate, humans started speaking to one another, especially during the sex act. This helped increase intimacy and the concept of what we now call love. Humans now had the ability to engage in additional acts of lovemaking, including what we now call the missionary position. People started to engage in face-to-face lovemaking in order to increase intimacy.

However, in the original forms of the female sexual presentation, which were established for hundreds of thousands of years, the female would present her buttocks to the male. The female buttocks were round and globular in shape, and just seeing this would cause the male to go bonkers. Once men and women started to make love while facing each other, the male needed something to help him get sexually aroused. He no longer had her succulent ass as a visual key to become aroused. The human male needed something on the front of her body in order to become aroused, something globular, like the female ass. Women, who for various random genetic reasons, had big tits, became very popular, and they ended up having many children, thus propagating their big-tit genes. Over time, women with bigger and bigger tits became more and more popular. Men who wanted to love their women in a face-to-face position would love to visually get off on her big tits.

Someone needs to explain this concept to Diane. The idea that heterosexual men are attracted to big-titted women because of the fact that they suckled their mother's breasts while young is, frankly, out of fashion. The contemporary anthropological theory of why men love big tits makes much more sense than the old Freudian theory about men being denied suckling or weaned at an early age.—J.C., via email

AN IDEA WHOSE TIME HAS CUM

Dear SCORE,

I have an idea for some bonus footage on SCORE and *Voluptuous* hardcore DVDs. I like hearing a girl talk dirty and about what they like about sex, and I think it would be cool to have some short interview clips with the girls right after they've performed their sex scenes. Maybe have them just talking to the camera with cum still dripping off their tits or chin. Just let them talk about how it went for them, like how hard they got

pounded, how big the guy's cock felt, how good his cum tasted or how much they hope us guys watching them get off on it. I'd even like hearing the guys say something about how great it was to fuck their *SCORE* Girl partners. I want to hear about what great blow jobs Desirae gives and how tight Brandy Talore's pussy feels or how good it feels to tit-fuck Annie Swanson or how loud Angelica Raven moans and screams when getting laid.—Talk dirty to me! Thomas, New Jersey, via email

HE FELL IN LUST WITH LUST

Dear *SCORE*,

I love female lust. All of us guys know we have lust for these gorgeous ladies, but I love to see these women show lust in return for the guys. We realize that these ladies are not showing lust for us specifically but for the guy they are appearing with in the video scene. The guy is our surrogate, standing in for us. We love it when the lady not only has female lust for the guy but actually has the ability to show and demonstrate this female lust.

So how does a woman show and demonstrate such intense lust? Through her behavior towards the guy but also through her speech. I have always thought that the sexiest ladies are the most intelligent, and smart women have the incredible ability to look into the camera and talk in the most sophisticated, dirty and nasty way imaginable. Such nasty ladies talk like a smart, well-dressed businesswoman, looking right into the camera and telling the viewer, P.O.V. style, how she is going to suck every drop of jism out of our balls. I love smart, dirty, articulate, nasty, sophisticated, filthy, educated ladies. These ladies, with their choices of words and by displaying their desirable bodies, can drain a man's balls.

Look at how successful phone sex has become in the last 15 years. This success has come about by women, using just words over the phone, being able to extract load after load of semen from men's nuts. *SCORE* can have smart ladies looking right into the camera and telling us how much they want our cock. This formula works big-time. If these ladies could talk about how much they loved having a big, hard cock driven into their pussy and how much they enjoyed it, this could be an additional thrill to the viewers of your videos. Seeing these just-fucked ladies with a glazed-eye look,

telling the camera how much they crave having a big, hard cock fill up their pussies, is something I'd like to see.

I once saw a couple of video interviews you did on Scoreland.com with Kayla Kleeveage and Lisa Lipps. Both ladies are thoroughly uninhibited and very intelligent. Both ladies started out by talking sexy and dirty, but the interviews digressed into talk about bra sizes, etc. I was disappointed that the interview didn't pursue the obvious dirty and nasty path that these ladies had established by themselves. Clearly, they had indicated that they wanted to talk in a dirty, filthy, sleazy and uninhibited fashion. These interviews could have proven to be entirely jackable material. I would have asked both of these wonderful ladies how many men they have fucked in their lives, on and off screen, what was the biggest cock they ever were penetrated with and other dirty and nasty questions.

Sara Jay has possibly become the number one adult performer for myself, a lover of beautiful ladies with big tits. Sara is very attractive, but many ladies in the adult industry are more beautiful. Sara has a great, voluptuous body, with big tits and beautiful, flaring, feminine hips and ass. However, other ladies have similar characteristics. What sets Sara apart from these other wonderful ladies is her totally unabashed, uninhibited raw sexuality. Sara demonstrates and projects unrepressed female lust. When Sara performs in these scenes, she comes across as a lady who really appreciates the guy, a lady who really wants to be in this scene. She projects her raw female lust for the guy and his big cock.

The hottest ladies in the world are women who voluntarily join swing clubs, seeking men with big cocks. Nobody is paying these women to do this. These ladies crave big cocks and refuse to be held back as they set out upon their quest. These ladies are sexual predators and the thought of them arouses me very much. Sara Jay reminds me of these ladies. She will be held in my high esteem and respect for all time.

**SCORE®
NEWCOMER
OF THE YEAR
2007
CONTEST**

Tera Cox

SHE HAS EVERYTHING IT TAKES TO BE THE NEXT NEWCOMER OF THE YEAR: BIG TITS, PRETTY FACE AND A WILLINGNESS TO FUCK.

If you're a man who reads from the back of a magazine, be forewarned: This year's *SCORE* Newcomer of the Year Contest is extremely competitive and is packed with chicks who are going to make your job very difficult. And if you're a guy who reads from the front, well, you already know the task you have at hand. Well, it just got tougher. Tera Cox made a big splash when she debuted in the Sept. '07 issue, and her recent sexploits have added to her credentials.

Tera's recent sexploits include a three-way with Gianna Rossi and a stud in the new DVD *Pounding The Pledges* (available on page 130 and a wild eight-way at the end of that movie. She also teamed up with April McKenzie to fuck a lucky dude in the DVD *Tits On Top* (also available on page 130). So if Tera's combination of F-cup tits, shaved pussy and youthful sexuality wasn't enough...well, you get the idea. The fact is that for a lot of *SCORE* Men, the tiebreaker—and sometimes the dealbreaker—comes down to whether a girl has fucked in front of the camera. If that's your dealbreaker, then Tera, Delotta Brown and Candace Von are your only choices for Newcomer of the Year. They've all fucked!

So there it is, *SCORE* Men: a full year of incredible newcomers. You can rest assured there'll be many more great, new big-titted babes in 2008, and we can't wait to see them. Next month, we'll take a break from our usual format of newcomers and favorites to take you down to Eleuthera in The Bahamas for a special issue that will remind you a little of *On Location Key Largo* and a little of great Boob Cruises of the past. Because there's nothing quite like big boobs on the beach. But for now, review all of the girls in this issue, turn to page 21 and make your choices for New-comer of the Year, Model of the Year and the Big-Boob Hall of Fame. You wouldn't want to disappoint the girls, would you?

PUMA: "I'M MAKING UP FOR LOST TIME!"

WHEN SCORE FIRST ENCOUNTERED THIS SWEDISH SEX BOMB, SHE DIDN'T WANT TO EVEN SHOW HER PUSSY!

Puma Swede made her international magazine debut in the Holiday '04 *SCORE* and her video debut in *Private Stuffers*. Fresh from Stockholm, Sweden, she was modeling as Johanna and had some pretty strict guidelines about what she would show and what she wouldn't show the world. Strict? Man, it was like being on a first date with a girl from a convent. Her legs were glued together!

Now look at Puma! Yeah, stick that pink tongue out for cock, baby! After Puma's debut, we told her to call us when she was ready to roll. Two years later, she was ready. Her glamour girl image was a cover for the real Puma. A dirty girl and proud of it! "He was probably nine inches and thick," Puma said about this scene from the new DVD *XXXtreme Big-Tit P.O.V.* "It was almost too long, but it was good."

KITTY LYNXXX: THIS ANGEL IS IN BOOB HEAVEN

KITTY NEEDS A BIG COCK AND A LOAD OF CREAM. SHE'S GOING TO GET BOTH... 'CAUSE SHE DESERVES IT.

Kitty and Charlee Chase fucked Jean in a hot threesome in the Holiday '05 issue. They sucked on his knob and balls, then opened their pussies for a tag-team fuck session. The girls had a chance to suck on each other's tits while they were getting banged by Jean. In the Dec. '07 issue, Jean pounded Charlee. Now, Charlee's away so Jean drills Kitty. You need a scoreboard for this horny trio.

Kitty is an easygoing exotic dancer who tours around the USA and rides a Harley. In the DVD *My Boob Heaven*, she's horny and decides to ride Jean's cock. Jean wants to fuck Kitty because he remembered what a good time he had dumping the contents of his nut-sac all over Charlee and Kitty. As for Kitty, she just loves to ride. Jean's in boob heaven. So is Kitty. And so are we.
