SCORE CARD

A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.

All **SCORE** Girls should be slim-n-stacked like Lena Li (Oct. '07), according to reader D.A.

WHEN IS A BIG-TITTED GIRL NOT A SCORE GIRL? LOTS OF TIMES!

Dear **SCORE**,

I am a tit-man for life. I can't even look at a flat-chested woman. What's the point? Anyway, I bought the Oct. '07 edition with Lena Li inside. Oh, my God! Now that's how a **SCORE** girl is supposed to look! Slim and stacked, not fat and sloppy.

Which brings me to my next point. Just because a woman has huge breasts

Is that really a bra Brianna Costello is wearing? Hey, why not? It's doing all the things a bra is supposed to do, right? As for Sharda, right, she destroys big bras. Look at what she does to a tiny one!

doesn't mean she's a **SCORE** girl. A lot of these women are big-boned, so therefore they have big breasts. But it is not cute in the least bit looking at them. And we all know for a fact that you exaggerate their weights. I read some of their measurements and start laughing.

Feature more women like Lena Li and less pudgy, sloppy, fat, ugly, big-breasted women. In fact, just do a whole issue with Lena. That'll solve everything. -D.A., Laurel, Maryland

WHEN IS A BRA NOT A BRA?

Dear **SCORE**,

The "Bra Busters" pictorial in the October '07 issue was pretty good. The only prob-

lems were as follows: That really wasn't a bra that Brianna Costello was wearing, and the shirt that Fae was wearing covered too much of her bra. Other than that, the best picture was of Sharda with her breasts pouring out of both sides of her little bra. Also, Morgan Leigh. Now that's a bra!-G.J., Clifton, New Jersey

BRANDY DEAN KEEPS HER BIKINI ON WHEN SHE'S FUCKING

Dear **SCORE**,

Thanks for picking up the slack with all the bikini and tits-in-tight-tops photos you've been giving us lately. I just want-

Paola Rios gets wet, Brandy Dean doesn't take her bikini off before sucking and Melissa Mandlikova shows off.

ed to make sure you knew that some of us noticed and appreciate it. There are two things I love: Seeing a big-titted girl in a bikini and a tight sweater and seeing a big-titted girl getting fucked. They might seem like totally different things, but they both get me equally hard.

In the October '07 issue, Melissa Mandlikova's big naturals popping out of that blue bikini got my balls pumping, as did Paola Rios in that skimpy one-piece and wet T-shirt. But the highlight was Brandy Dean in the Xtra section: wearing a bikini, then fucking! Oh, my God! That has to be your all-time greatest pictorial.—D.S., Jacksonville, Florida

DENISE DERRINGER FIRES HER LOADED GUNS. WE BLAST AWAY!

Dear SCORE,

Wow! Two letters of mine printed in a row! That's great. Here's what I thought about the October '07 issue.

What a great shot of Denise Derringer on the cover, stretching the hell out of that top. It looks like she's one deep breath from shredding that top like a She-Hulk! The highlight of the issue has to be Denise's "Loaded Guns" pictorial. She gets better with each appearance. It's really a shame that New York City is a shadow of its former strip-club self. I'd love to meet Denise in person, but it probably won't happen here as the clubs that used to showcase features no longer do so.

Brandy Dean: If you haven't considered it already, you might want to release a "Best of Brandy Dean" DVD. Who would suspect that such an innocent-looking gal was such a pornstess.

Crystal Gunns' column is

The Oct. '07 cover of Denise Derringer got many readers off to a fast jacking start.

always a must read, like "Boob Beat."—D.W., Bronx, New York

WE'RE THE BEST, NATURALLY

Dear SCORE,

How do you keep doing it? Your magazine keeps getting better. I subscribe to *Voluptuous*, but I look for SCORE on the newsstand, and, as a result, I see your competitors as well. It's obvious to me that your models are treated with more respect, displayed with better lighting, make-up and hair styling and are happier to be modeling for our pleasure.

Since I love naturally busty women, I eagerly await your annual Naturals issue and am pleased to say that the September '07 issue blew my mind. Every pictorial was great.

Autumn-Jade is one of my favorite models. I am a member of Autumn-Jade.com, so I was thrilled to see her pictorial. She looks as good as ever.

Ines is another favorite, and three dildos in her at once was an extra treat.

Anna Song still has what it takes to get me super hard, and Natalie Fiore is incredible. You should feature her as much as possible.

The interview with the spectacular Delotta Brown left me wanting more. She has a great body and the issue's sexiest lips.

The three debuts were all great. I liked April McKenzie and Winter Morgan, but Tera Cox was the perfect end to the issue.

The Xtra section was especially good,

with Petra looking great and Lily Valentine being so sexy in clothes that get peeled off, then getting fucked in so many hot poses. And I loved the idea of "Marilyn vs. The World." Each page was climax-worthy, but the side-by-side comparison of Marilyn and Sharday does me in every time.

But the *creme de la creme* was your cover feature, Bea Flora, exposing her privates while wearing a fishnet bodysuit with vinyl bondage accouterments.—E.B. Berkeley, California

SCORE GIRLS WHO GIVE BJ's TO STRANGERS & TAKE IT IN THE ASS

Dear SCORE,

Just added *Big-Tit Glory Hole* to my collection of superb SCORE DVDs.

Danielle Derek is amazing. She is drop-dead gorgeous from head to toe. Her puffy nipples, tight tummy and juicy boobs are amazing. She makes love with a frenzied enthusiasm that is inspiring.

The rest of the DVD is great. With Denise Derringer in it, you've got two of the top five big-tit models in one vid (the others, in my humble opinion, being Vixen LaMoore, Lisa Lipps, and the best of them all, Minka). Daphne and Jade are no slouches, but it's hard to get past Danielle.—Gargantua, address withheld

FROM "JUST SHOW YOUR TITS" TO "HERE. TAKE THIS DILDO!"

Dear SCORE,

There have been a number of models in SCORE lately that I would like to see

Danielle Derek showed off her natural sexiness and horniness by fucking two complete strangers in the DVD *Big-Tit Glory Hole*. Danielle is quickly becoming one of the best big-titted porn stars ever.

OUR TOP 10 BEST-SELLING DVDs

1 POUNDING THE PLEDGES

No surprise that this is No. 1 with newcomers Tera Cox and April McKenzie eating and fucking man-salami. Gianna Rossi leads a cast of five.

2 TITS & TUGS

We never thought we'd see Crystal Gunns and Cindy Cupps jacking cocks and taking them between their tits on DVD. But here they are!

3 TITS ON TOP

More fucking and sucking from Tera Cox and April McKenzie, who share a hard-on in one scene. We can't get enough of these girls!

4 SCORE XTRA #12

We kinda suspect that Denise Derringer's sweater-shredding October '07 cover resulted in the sudden rush of sales of this XXX DVD.

5 SCORE XTRA #11

Summer Sinn, Brandy Dean, Daphne Rosen and three more SCORE Girls use their tits and cunts as cock massagers and cum extractors.

6 SCORE SUPERNATURALS

Linsey Dawn McKenzie, Nicole Peters, Kelly Kay, Kerry Marie, Ines Cudna, Autumn-Jade and Marilyn Sakova all in one tit-packed video.

All videos may be purchased at eBoobStore.com or by calling 1-800-421-0760 (U.S. & Canada) or 001-305-662-5959 (International).

COMING SOON: Our trip to Eleuthera, The Bahamas resulted in more than the issue you're holding in your hands and the new DVDs *Big-Boob Paradise* and *On Location Big-Boob Paradise*. It also resulted in some of the scenes you'll see in the new DVD *Lorna Morgan: Now & Forever*. We'll announce the release date soon.

more of yet have not. Several that come to mind include Alena Snow, Keisha Evans, Morgan Leigh and the reintroduction of Deena Duos.

I like to follow the career of a model and see her again (say every six-to-eight months) over a two-to-three-year period, depending, of course, on the model and her availability. There will always be exceptions; more frequent for the super-models like Marilyn, Nicole Peters and (hopefully) Christy Marks.

I also like to follow a newcomer from her first tame photos (no pink) into more revealing poses in the subsequent pictorials and videos as she becomes more relaxed and open.—J.Z., address withheld

Dear J.Z.: We always try to include a mix of newcomers and established favorites in SCORE. As for the models you mentioned, Alena Snow returned in the Holiday '07 issue, Deena Duos and Morgan Leigh will return shortly and Keisha Evans seems to have dropped out of sight.

ALL OF THE GIRLS WERE GREAT, BUT CRYSTAL STOLE THE SHOW

Dear SCORE,

Commendable work on the August '07 issue. The Xtra section was the hottest of the year. Danielle Derek continues to show why she should win Model of the Year. Her body is to die for, and the looks she gives the camera are mesmerizing. Jade Feng also made a strong statement, reinforcing her place as one of the top newcomers of 2007. The pigtails were an interesting look for Jade, and I certainly have no complaints.

Karen Fisher has the best ass ever, doesn't she? She lit up the pages with her back-side poses, and I enjoyed reading her interview, too.

Cindy Cupps was the cherry on top of a great spread of SCORE girls in bikinis. Congratulations to Cindy for getting a deserving cover.

Minka's appearance was timeless, but is there ever a time when we can't say that? Fantastic call on the title of her spread: "Minka Forever."

I've been critical of the frequency of newcomers in SCORE lately, but this month is certainly an exception. Chavon Taylor, Kym and Jessica Monroe could all be nominees for top newcomer. They were that good.

Finally, the show-stealer of the issue, Crystal Gunns. Out of all the sensational spreads in the magazine, Crystal manages to blow away the competition with a single photo! Unreal! She looks so hot destroying that extreme bikini. Gentlemen, slowly but surely, Crystal Gunns is establishing herself as the greatest of all time of SCORE magazine.—B.B., Madison, Wisconsin

WILL MERILYN AND NICOLE EVER SUCK AND FUCK ON CAMERA?

Dear SCORE,

Is there any chance at all, in my lifetime, that either Nicole Peters, Marilyn Sakova or both would agree to hardcore sessions (photos and video) with one of your young, well-hung studs? Ideally, these sessions would include hot oral, vaginal and anal intercourse, orgasms, titty-fucking, etc. I cannot imagine a larger event.—Jim, address withheld

Dear Jim: There's always a chance. Nicole seems to be the less likely of the two to do hardcore as her posing has, in general, been less explicit than Marilyn's. We probably have a better chance of seeing Nicole and/or Marilyn in a future Tits & Tugs.

ANNA IS GREAT

Dear SCORE,

Anna Song is one of your most stunning discoveries ever. Please provide us with a steady stream of her solo photosets and videos... until you can convince this beauty to share her magnificent body on camera with a man.—R.F., address withheld

Crystal Gunns in an extreme bikini stole the show in the Aug. '07 issue.

THE PARADISE POST

Reporting from the scene of
Big-Boob Paradise, Eleuthera, The Bahamas

The girls get ready to shoot the opening scene of the DVD *Big-Boob Paradise*.

Dateline: Eleuthera, Bahamas. Five naturally busty models—Lorna Morgan, Christy Marks, Angela White, Terry Nova & Gianna Rossi—invade this island paradise for seven days of sun, surf and the kind of erotic big-boob photography that *SCORE* has become famous for.

By DAVE ROSENBAUM

Soon after *SCORE* began publishing in 1992, we embarked on our first big on-location shoot: a trip to Eleuthera, Bahamas in July of that same year. That trip is most remembered for being the first time we photographed Chloe Vevrier, and Eleuthera has always had a special place in our hearts.

Over the years, exotic location shoots have come to define *SCORE*. Combining busty

girls with sultry island backdrops has become a tradition that we have drawn a lot of inspiration from. We did it on five Boob Cruises, then twice in the Florida Keys for *On Location Key Largo* and *Mega-Boob Olympics*.

It was when we were producing our 15th Anniversary issue (June '07) that it really hit us just how long it had been since our last big on-location project. And just how much we missed the challenge, excitement and special imagery that these projects

had brought to *SCORE* in the past. So, to kick off our next 15 years, we decided to go back to the future. Back to Eleuthera, where it all began.

To produce this special issue (and the videos *Big-Boob Paradise* and *On Location Big-Boob Paradise*), we traveled to this island in the Bahamas and spent a week in an absolutely gorgeous tropical paradise shooting an all-star cast of *SCORE* models. We reunited with one of our all-time favorites, the ultimate busty girl-next-door, Welsh beauty Lorna Morgan.

All the way from Sydney,

We found one of the most beautiful beaches in the world for a morning shoot with Christy.

When Christy assumes this position, it's hard to decide whether to admire her or fuck her!

Christy never passes up a chance to show off her H-cup naturals.

Australia, we brought Angela White literally halfway around the world. From the Czech Republic, we flew in Terry Nova, a relative newcomer, but a model we definitely are looking forward to getting our hands on...in a strictly professional sense, of course. Gianna Rossi flew the redeye from Seattle to Los Angeles to Miami to join us. And if the '92 trip was the coming out party for Chloe Vevrier, this trip that honor goes to new SCORE contract girl Christy Marks. Christy, and her magnificent 19-year-old rack, hails from the great

state of Pennsylvania.

The logistics of a trip like this? Not an easy task, especially in this era of restricted air travel and heightened security. But you don't have to worry about that. Just prepare for an adventure in big-boob paradise.

For you geography buffs, Eleuthera is a 100-mile long, string bean-shaped island located 200 miles due east of Miami. Miss it and your next stop is Africa. The island runs north-south, and we rented a terrific estate on the leese of the island's

Their day of shooting is over, so new bosom buddies Christy and Angela dance off some energy!

THE F NOT GETTING OLDER. THE F GETTING BETTER.

Five busty babes, one little island.
Here's everything you ever wanted to know about our week in paradise.

This past July, our trip to Eleuthera, Bahamas, was the centerpiece of a week-long Internet event at Scoreland.com called "On Location Eleuthera." During the course of that week, we received numerous letters from Scoreland members about the logistics of this one-of-a-kind project. What follows is a selection of questions from members and our answers.

How did you pick the five ladies you selected for this trip?

In agonizing over the model selection for *Big-Boob Paradise*, we had a few goals in mind.

First, we were looking for naturally endowed models who would prove equally attractive to both *SCORE* Men and V-Men.

Secondly, we wanted to take this opportunity of shooting offshore in the Bahamas to work with some of our best international models. The newest version of the United States government's 2257 regulations forbids U.S.-based companies from shooting any models that do not

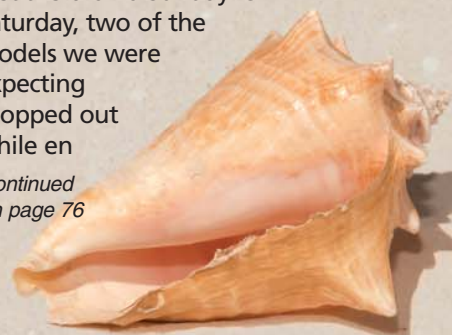

have U.S. identification on U.S. soil. In other words, to be compliant with this law, we cannot fly non-American models like Angela, Lorna or Terry to our Miami studio to photograph. However, it is legal for us to shoot them at an offshore location. As for Christy Marks, she is from Pennsylvania, and we had no such concerns. She's a sensational new model, and we wanted to take this opportunity to shoot some really spectacular photos and videos of her.

Gianna Rossi is also American, and her story

as to why she was on this shoot is probably the most interesting one. With absolutely no disrespect meant to Gianna, she was a last-minute substitute and, as it turned out, it was an absolute blessing that she came along. Everything turns out for the best, right?

The crew and most of the models were scheduled to depart Miami for Eleuthera on a Sunday. On Saturday, two of the models we were expecting dropped out while en

**A VOLUPTUOUS

LANGUAGE: BODY
LANGUAGE.**

We didn't know what to expect when Terry arrived in the Bahamas from her native Czech Republic. We knew she had enormous, natural tits, and that was reason enough to bring her to Eleuthera. But we also knew that she didn't speak English. The first two times she shot for *SCORE*, she was photographed by our Czech-speaking photographer. But in Eleuthera, we didn't have a single person who could communicate with her in her native tongue. Trouble? Maybe.

A woman with long dark hair is lying on her back on a boat. She is wearing a blue lace-trimmed strapless bikini top. Her eyes are closed, and she has a relaxed expression. The background shows the boat's interior and the water. A text box with a rope border is in the top right corner.

Unable to communicate with Terry, we wondered how the photo sessions would go. How would we tell her what poses we wanted her to do? As it turned out, Terry was a natural who didn't need direction. We didn't have to ask her to be sexy. She just is. And those tits... they were even bigger than we'd thought they would be!

These photos were shot on the boat dock at the southeast side of our island paradise. They show a woman who is fully confident about her sexuality, who oozes sex with every step she takes (just ask the other girls, who were amazed by Terry). A woman whose body language speaks volumes for her.

northern tip. Our mission on Eleuthera was to produce gorgeous photography of gorgeous, busty SCORE Girls. You'll be the judge of whether or not we were successful. We think we were.

And now, let's look back at a magnificent week on this magnificent island.

I stepped off the boat and onto the dock at Gun Point, Eleuthera, and the first thing I saw was Christy Marks, spread wide, sun sparkling upon her glistening, shaved pussy, huge tits splayed. Right away, I knew it was going to be a good week.

The sun was shining down from an almost-cloudless sky, but at that point, the scenery was secondary to me. Christy was playing with her big tits. I really was in big-boob paradise.

An hour later, after dropping off my bags at the house, I was once again standing on

that dock as Christy completed her photo shoot. She was in the water, H-cup tits floating. Like I said, it was a beautiful day in Eleuthera.

"Hey, Mr. Dave, come on in," Christy shouted in my direction.

One thing you should know about Christy: She calls everyone Mr. This or Ms. That. John Fox, the publisher of SCORE, is Mr. John, his wife is Miss Sue and I'm Mr. Dave. I'm pretty sure Christy is just trying to be respectful, but when a young girl addresses you like that, you feel old.

But Christy was about to make me feel young. I waded into the water. Carefully. I wasn't sure how wet I should get, despite the presence of natural, H-cup, teen tits just a few feet away. *Man, those fucking babies are huge*, I thought. There's just something about being outside that makes big tits look even bigger. I don't know what it is, but I think you know what I'm talking about. Listen,

beautiful scenery isn't the only reason we keep visiting these places.

Christy swam over to me and said to the photographer, "Hey, Jose, take our picture!" Jose did. Then, just on an impulse, I decided to pick up Christy, figuring the water would make it an easy lift. But here's the thing: lifting a 140-pound girl is one thing. Lifting that same girl when the weight of her tits keeps shifting in the water is another. If Christy weighs 140 pounds, then her tits make up about 20 of that, and I'm not exaggerating. Boob flesh kept bouncing into my chest. I was a happy man.

So that's how my week in Eleuthera began, and it seemed as if wherever I was, Christy was there. At meals, she was the one who would never stop talking, asking everyone questions and talking about how beautiful Eleuthera is and reminiscing about life back home. She was the one who asked of the other four girls, during dinner one night, "Have any of you ever lost something down your bra?"

I felt like a "Big-Tit Roundtable" discussion was about to break out.

"I have," Christy said, and then the girls all started sharing their stories of lost treasures down their treasure chests. I just shut up, ate and listened, wishing all of you guys could've been there to hear it.

The worst thing about Eleuthera for Christy was that there was no McDonald's on the island. The girl usually eats McDonald's four times a day. In Eleuthera, she was surviving on a diet of conch salad, conch chowder and conch whatever. I'm pretty sure that conch isn't on the menu at any of the McDonald's in Pennsylvania. Or any McDonald's anywhere in the free world.

The second-worst thing about Eleuthera for Christy was that the Internet connection was so slow. This girl is really into computers, something I found out one afternoon when she started telling me, in great detail, that the problem with the slow Internet connection in our beach house wasn't the speed of the connection. It had something to do with the registry, or something like that. I don't know. I do know that Christy knows more about com-

The Making of Big-Boob Paradise

*Lorna, Christy, Angela, Terry and Gianna

BIG BOOB PARADISE

ALL HANDS ON CHRISTY!

The most talked about scene in the DVD *On Location Key Largo*, filmed in 2001, is the one in which Chloe gets her body oiled by Lorna Morgan, Kerry Marie and Chaz. When we decided to relive the scene in the new DVD *Big-Boob Paradise*, we had to decide who would get oiled. Christy was the lucky girl.

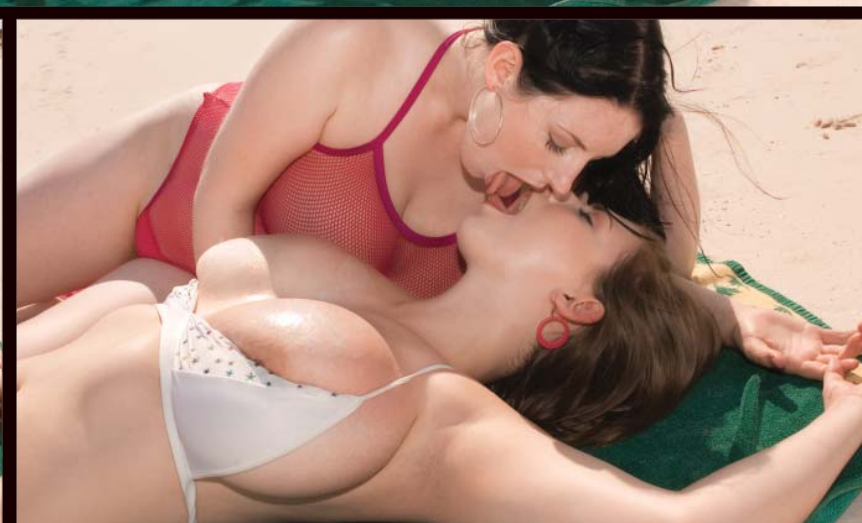

TWO GREAT VIEWS OF BOOBS

The most popular photos in *SCORE*'s history were taken during the shooting of *Mega-Boob Olympics*. They're overhead and underneath shots of Kayla Kleevage, Maxi Mounds, SaRenna Lee, Minka, Plenty UpTopp and Casey James in a circle. We couldn't resist the chance to re-create that photo with Christy, Lorna, Angela, Gianna and Terry. Terry spied on Lorna in the video's bathroom scene.

BIG BOOB PARADISE

ANGIE GETS HER WISH

Big-tit-loving Angela White wanted to get her hands on Christy Marks' H-cups from the second she saw them, and all week she was looking forward to her scene with Christy. The sexual temperature between the two rose until shooting day arrived and Angela and Christy finally went at it. Angela was so into Christy's boobs that we had to ask her to spend a little time on Christy's pussy (which she did, very willingly). But Angela wasn't the only one who wanted to get her hands and mouth on tits. Christy turned out to be Angela's equal in titty tugging-and-sucking, and the scene turned out to be one of our best girl-girls ever.

BIG BOOB PARADISE

HOT STUFF IN THE HOT TUB

The hot tub outside our house in Eleuthera was a hot spot all week, and Terry, Lorna and Gianna turned up the heat on the day *Big-Boob Paradise* was filmed. Gianna and Terry are known to be more explicit in their posing than Lorna, but on this day, Lorna got right into the spirit of the action. Like we've said, there's nothing like a tropical paradise when you want to turn up the heat. Now, turn the page to order *Big-Boob Paradise*.

**ONLY A SCORE MAN
COULD HAVE ENJOYED
ELEUTHERA AS MUCH AS
ANGELA WHITE DID.**

The term "like a kid in a candy store" doesn't normally apply to the big-titted models themselves, but it was certainly an apt description of Aussie sweetheart Angela White during her week in Eleuthera. This boob-loving babe saw big tits everywhere she looked, and she was looking every chance she got!

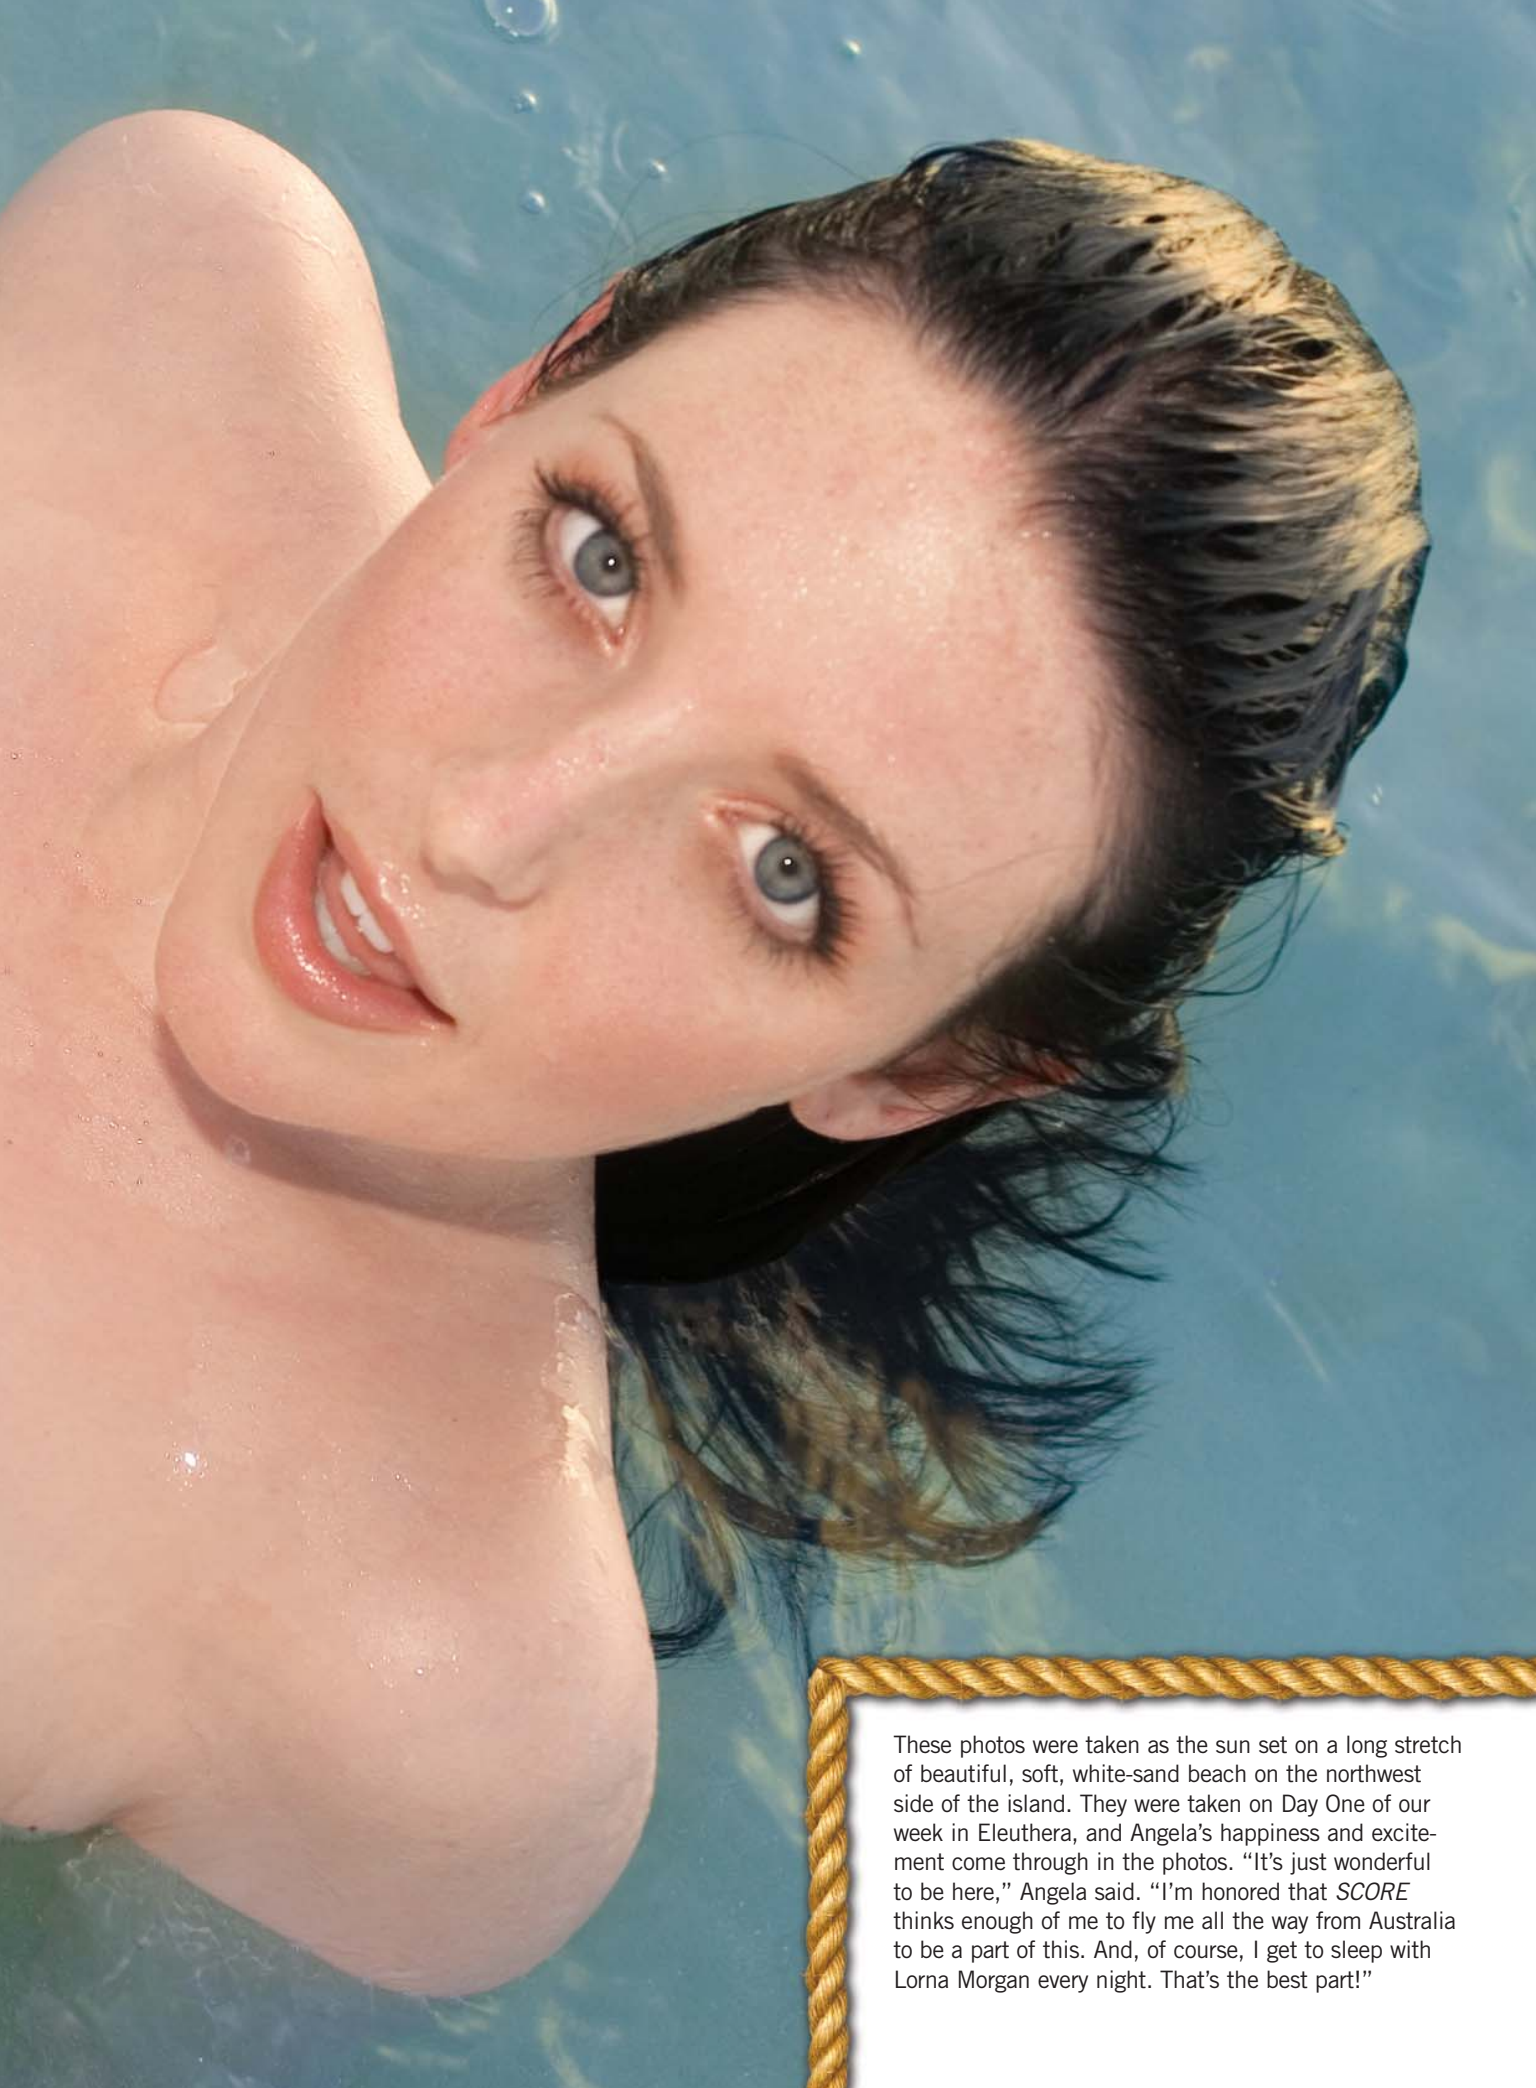

Angela was starstruck when she met Lorna Morgan and thrilled when we told her she'd be sharing a bed with Lorna. She couldn't stop staring at Terry Nova's Amazonian body. She wanted to hear all about Gianna Rossi's XXX-rated adventures. And she was amazed by newcomer Christy Marks' teen H-cup tits. But Angela brought her own treats to the candy store, too: firm, beautifully shaped G-cup tits that seemed to be bigger than they were the last time we saw her, a sexy attitude and a bright smile.

These photos were taken as the sun set on a long stretch of beautiful, soft, white-sand beach on the northwest side of the island. They were taken on Day One of our week in Eleuthera, and Angela's happiness and excitement come through in the photos. "It's just wonderful to be here," Angela said. "I'm honored that *SCORE* thinks enough of me to fly me all the way from Australia to be a part of this. And, of course, I get to sleep with Lorna Morgan every night. That's the best part!"

puters than I can ever hope to know. That stereotype about big boobs, small brain? Not true with Christy.

The best thing about Eleuthera for Christy? Everything else. Being in the Bahamas for the first time. The beauty of the place. Being around so many people she quickly grew very attached to.

"Hey, Mr. Dave," she said one afternoon as she lay in the hammock with her legs spread, pussy open to the sky. "Come lay here with me."

Listen, guys, I wish I could sit here and tell you that I jumped into the hammock with Christy and banged her brains out. But I can't tell you that. Duty called. I was helping with a shoot.

Hey, there are times when this job really does feel like work.

PARADISE WITH A PORN STAR

Snapshots from a week with Gianna Rossi, the porn star in this group of big-titted models who invaded the tiny island of Eleuthera:

Scene One: I'm in Miami International Airport, having just cleared security. Gianna's somewhere in the terminal. She arrived several hours ago from Los Angeles. But, even though I'm nearly 100% positive that Gianna is the hottest babe in the airport and the one with the biggest tits, I'm not sure I'm going to be able to find her right away. You see, Gianna Rossi doesn't dress like a porn star (see Paris Hilton). She dresses like a regular girl. But there she is, curled up on a seat in the waiting area wearing baggy jeans and a white top. If a passerby was to see her, he'd say, "There's a pretty girl." But when Gianna gets up to say hello, my eyes immediately go to her tits in that semi-tight top. There's no hiding those babies.

Scene Two: Gianna is taking her turn hosting a day of our [Scoreland](#) web special when, suddenly, it starts to rain. And I mean really rain. The clouds have opened up, and it looks like this mini-video is going to have to be postponed.

But Gianna has other ideas. You see, she's wearing a white T-shirt with no bra. And Gianna knows what happens when a busty girl is wearing a white T-shirt with no bra and it starts to rain.

Showtime!

What happened? Well, the pictures are

A rare sight: Gianna in a bikini. Most of the time, whether she was modeling or lying on the beach, she was buck naked.

Gianna got caught in a sudden rain shower, and the wet T-shirt show was on!

The many looks of Gianna Rossi. Even early in the morning, doing her hair, she's a walking wet dream.

THE PARADISE POST

on pages 42 and 43. But let me tell you this: I've heard people talking about "hardened porn stars" who are only in porn for the money and no longer have fun. Gianna definitely isn't one of them.

The more it rained, the more Gianna played. She couldn't stop laughing and dancing and prancing around in the rain, and the wetter she got, the happier she got. Our videographer kept telling her, "Take off your shirt, Gianna!" while I was thinking, "No, no! Don't do it! Keep the shirt on! This is the greatest wet T-shirt contest ever!" And Gianna, bless her heart, kept that T-shirt on for four full minutes. Because she really knows what guys want.

You know, here at *SCORE*, we spend a lot of time and energy getting girls naked. But this time, a little bit of cotton did the job.

Scene Three: Going for a swim on the beach outside our house on Gun Point.

It's the middle of

the day, and when I walk out of the ocean, I see a cock-hardening sight: Big, naked tits splayed on the sand. It's Gianna. She's sunbathing. I feel like jumping on top of her right there.

Gianna naked on the beach—walking along the shore, swimming and sunbathing—was a constant sight during the week. She always seemed to be the one who finished her photo shoots the fastest (she is, after all, the one with the most experience in front of the camera; she doesn't need to be told how to pose; she just does it), and she was the one who would head straight down to the beach to soak in all the beauty of this island paradise. Somehow, I got the idea that she appreciated it more than anyone. And she did. She told me so.

"The beaches are beautiful in Los Angeles," Gianna said, but they're nothing like this, and the water is never as warm. I'm just loving it."

Scene Four: My interview

with Gianna, which you can see in the DVD *On Location Big-Boob Paradise*. It was going fine, but it wasn't really special until we started talking about sex. Then Gianna leaned in, looked me straight in the eye and said, "What's the one word that's on your mind right now?" I looked at her and said, "Ass." I said that because at that point, I really wanted to fuck Gianna's ass. Gianna laughed, and from that point on, there was chemistry in our back-and-forth that made the interview electric. Check it out. You might learn something, such as how to get into Gianna's ass if you ever run into her one day. Here's a clue: Be forward and romantic at the same time.

Scene Five: Early in the morning, Gianna and Terry with me and photographer Peter Wall on a magnificent, secluded beach on North Eleuthera. The idea of the photo shoot, which will appear soon in *Mamazon*, was that they were both dominant, big-titted Amazons who didn't give an inch to anybody. "I'm the shit!" Communicating the concept of this shoot to Terry, who doesn't speak a word of English, wasn't easy, but Gianna managed to communicate through body language, and the shoot was a definite success.

The truth is, our week in Eleuthera was a success, too. Gianna can take a lot of the credit for that. See "The Coconut Telegraph" for more details about how Gianna saved our asses.

NINE-DOWN IS "BIG TITS"

Lorna Morgan holds a special place in my heart. More than six years ago, she was the first person I interviewed for *SCORE*. It was down in Key Largo, Florida for the *On Location Key Largo* shoot, and I was nervous. So when I saw her for the first time this week, I wondered if she'd remember.

She remembered.

"We did a crossword puzzle one night," Lorna recalled. "The *Sunday Times*, right?"

That's right. I looked down her shirt while we tried to figure out nine-down.

Six years later, Lorna was looking better than ever. A little more mature. A little more voluptuous. Motherhood looked good on her (she was pregnant when she appeared on

THE BAHAMAS. A GREAT PLACE TO RELAX. LET'S WATCH CHRISTY RELAX!

On the southwest side of our island paradise was a park-like area with a rope hammock. It was on that hammock that we would often find teen-tit dream Christy Marks relaxing after a shoot. She seemed so comfortable lying there with her tits splayed and her legs spread that we thought, "Hey, let's photograph her there!"

If you've ever laid in a hammock, you know that they can be a bit difficult to negotiate. You also know that hammocks have a lot of give and allow you to contort your body into some unusual positions. How unusual? You're about to find that out when you check out this month's centerfold. Put it this way: Christy is one of the most flexible models we've ever seen—perhaps *the* most flexible—and the things she could do in that hammock defied the imagination.

Photographing Christy in the Bahamas was a joy. She was only 18 at the time, and before she became a *SCORE* Girl, she'd done very little traveling. Now, in a few months, she's been to both Miami, Florida and Eleuthera (a place most people never visit in their lifetimes). "I'm having the best time ever," Christy said. "It's so beautiful here, I just want to soak it all in." While we soak in Christy.

the cover of the February '06 issue of *SCORE*). Her tits were fuller, and her face was glowing. Hmmmm...I wondered if she was pregnant again.

"Not yet," she said.

Our interview in Key Largo, Florida, took place poolside. In Eleuthera, I interviewed her on the second-floor balcony of the house because it was the only place where we could escape the mosquitoes and no-see-ums that seemed to have a thing for Lorna. We talked about her career, about her many on-location shoots, and it occurred to both of us that whenever *SCORE* shoots Lorna, it's for a special occasion. *On Location Portugal*. *The Boob Cruise*. *On Location Key Largo*. And now *Big-Boob Paradise*.

"I love shooting in all of these beautiful places," Lorna said. "It's so much more fun and stimulating than shooting in a studio."

Lorna clearly warmed to the occasion. Although she was older than the other four girls in Eleuthera, you wouldn't have known that when her clothes came off. I remember the day that we were shooting all five girls on the beach outside the house. They were all naked, and I was just amazed by how full and firm Lorna's breasts still were.

"Look at her," I said to John Fox, standing next to me. "She's still great."

He nodded his head, but he didn't say anything. I think he was speechless.

The thing about a woman like Lorna is that you never know if you're seeing her for the last time. When will motherhood take a firmer grip on her time? And a woman like Lorna...she's such a perfectionist that you know that when she starts taking the slightest dissatisfaction with her body, she'll call it quits. Was this the last time we'd see and photograph Lorna? Hey, maybe it is, maybe it isn't, but we just have to be thankful that we've had her for seven years.

"Who knows what will happen next?"

Lorna said. "I'm just happy to be here and to know that so many guys still want to see me."

The guys aren't the only ones who want to see Lorna. As you're about to find out, Angela White was really happy to see her. So was Christy Marks. To us, Lorna is a sex object, but to girls like Angela and Christy, she's an icon. The

Angela's morning routine: a shower, a shave and a check of her email.

Yeah, it's true that Angela loves showing off her tits, but she'd much rather be spreading her legs.

Angela loves playing games with her boobs. This one is called "bury the nipples in the sand."

Christy is flexible, but can she touch her feet to her nipples like Angela can? We're guessing she can.

One of these days, we hope to replace that banana with a real cock.

THE PARADISE POST

respect they had for her was palpable.

Or did they simply love her tits, too?

Lorna is unusual as far as models go in that she's very proactive when it comes to her photo shoots. What I mean is, she wants to know everything about a particular shoot well before it happens. Each night, we would post, next to the kitchen, a schedule of the next day's shoots with times and locations. But it wasn't enough for Lorna to simply know that she had to be in a certain place at a certain time. She wanted to know what she'd be wearing. She wanted to know who her photographer would be (we brought three photographers and one videographer to Eleuthera, along with two makeup and hair specialists). She wanted to know what the purpose of each shoot was.

But she wasn't asking these questions to be difficult. She was asking them so she could be prepared. To Lorna, it's not enough to just show up on time, get naked and

smile. She wants to make sure each photo is as good as it can possibly be.

Prior to our interview, Lorna said to me, "So, what are you going to ask me."

I gave her a general idea of what the topics of our conversation would be, then explained that I didn't like to come to an interview with a pre-set list of questions. I liked to let the interview take its own course.

Lorna smiled and nodded, but I could tell she wasn't happy about that.

I went back out onto the porch and made sure I knew exactly what I wanted to ask her.

Key thing to know if you're gonna be with Lorna: Be prepared.

SCORE GROUPIE WITH BIG TITS

"Hey Lorna!"

She turned around.

Ooops! It was Angela.

"Hey, Angela!"

She turned

around. Ooops! It was Lorna.

I've never thought of Lorna Morgan and Angela White as look-alikes. But, then again, I'd never seen them in the same place at the same time. In Eleuthera, Lorna Morgan and Angela White were being mistaken for each other all the time. But, hey, if you're gonna have double vision, you might as well have it with these two girls.

As it turned out, Angela—the only Aussie in the group—and Lorna—the only Brit in the group—became instant friends. Instant bedmates, too. Listen, I don't know what went on between these two at night. Maybe nothing, but I can keep fantasizing about it, can't I? But these two girls became close.

Very close, as it turned out. They slept in the same bed, which, in all honesty, isn't that much different from you or me getting to sleep with Lorna. Minus the boner, of course. You see, outside of you and me, there isn't a bigger big-tit fan—and certainly not a bigger *female* big-tit fan—than Angela. Ask her about a model and she'll tell you all about her. Ask her about Lorna and...

Well, here's the deal with Angela and Lorna. Angela meeting Lorna was like a person meeting the baseball or soccer player he's always idolized. Sleeping with the great Lorna Morgan was like a dream-come-true for Angela, like a kid from New York getting to take batting practice with Yankees star Derek Jeter.

"I cuddled with Lorna last night," Angela said to me one morning. She couldn't have been smiling any wider.

According to Lorna, Angela was doing quite a bit of cuddling each night. And one night, Angela woke up with her head on Lorna's boobs. Fortunately, Lorna didn't seem to mind. In fact, she seemed to like it.

"She's lovely," Lorna said of Angela.

Angela was always amazed by Terry Nova's super-voluptuous body. And by Christy Marks' huge naturals. And she seemed intrigued by Gianna Rossi's porn career.

"You know, Angela," I said to her one day. "Of all the models I've met since I became SCORE editor, you're the one

WISH YOU WERE HERE!

Merilyn, Anna, Melissa, Bea and Paola just couldn't make it to big-boob paradise.

MERILYN SAKOVA

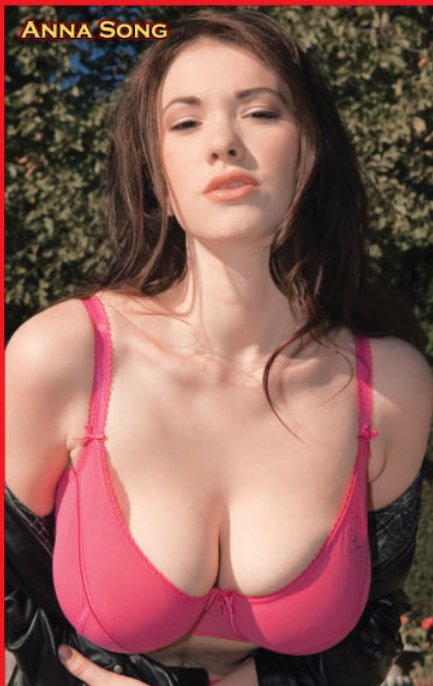

PAOLA RIOS

When planning a photo shoot in an exotic, tropical location such as Eleuthera, Bahamas, you have to deal with a certain reality: Despite their best efforts, not all of the girls you invite will make it to the party. That's especially true in this era of tighter restrictions for international air travel. So, we made a long wish list and hoped that most of the girls on our list would find their way to Eleuthera. Unfortunately, Merilyn, Paola, Anna, Bea and Melissa didn't.

ANNA SONG

BEA SUMMER

MELISSA MANDLIKOVÁ

Anna has become a **SCORE** favorite because of her lovely E-cup floppers, beautiful face, gorgeous body and explicit posing. We looked forward to photographing her in the tropics, but her travel situation was simply too difficult. Anna, who is Russian, currently lives in France, resulting in a three-way visa complication. Anna tried to solve it, but to no avail.

ANNA SONG

Her bags were packed. She was ready to go. In fact, new German sensation Bea Summer was at the Munich airport and ready to board her flight to Miami, Florida. Just one problem: Her temporary one-year passport was no longer acceptable to United States Immigration. So Bea went home, and we were deprived of our Eleuthera newcomer. But there's good news: Our photographer in Germany is providing us with brand-new photos of Bea, such as the ones you're seeing here.

BEA SUMMER

This E-cup Czech sexpot destroyed a bikini in the October '07 *SCORE*, and we were looking forward to seeing her bust out of more bikinis in Eleuthera. But with Melissa, as with Anna Song, visa complications were too big an obstacle to overcome, and Melissa stayed home. We hope to catch up with her soon in Prague.

MELISSA MANDLIKOVA

Getting a travel visa for a model who lives in Russia is nearly impossible. We've photographed Marilyn in Russia and Spain and hoped she'd be one of the centerpieces of *Big-Boob Paradise*, but we knew that getting her out of Russia was a long shot. It was, and what could have been a historic pairing of Marilyn and Christy was denied.

PAOLA RIOS

It was summer in Eleuthera when we went to the Bahamas, which meant it was winter in Argentina, where Paola was flying out of. A snowstorm closed the airport, and when Paola missed the first leg of her flight, she had no hope of catching the other legs. Foiled in our attempt to bring Paola to Eleuthera, a month later, we went to her. These pics are from our week with Paola in Buenos Aires. Stay tuned for more.

who I was most certain would one day do boy-girl."

"I know," she said. "There are a bunch of times when I thought I was going to do it. I think I will, one day. I'm just waiting for the right time."

She said it in her pretty, Aussie accent that could charm your pants off. And when she said it, her pants were off!

BODY LANGUAGE

What's it like to be around a big group of people for an entire week on a secluded, tropical island and not be able to communicate with any of them? What was it like for Terry Nova during our week in Eleuthera?

I can imagine it must have been a little lonely, although I don't know. Terry always looked like she was having a good time, but she also always looked like she wanted to say something but couldn't say it...because none of us would understand what she was saying.

I had never spoken to Terry before my arrival in Eleuthera, and when you get right down to it, I still haven't spoken to her. When Terry made her *SCORE* debut in the July '07 issue (and returned in the Holiday '07 issue), we had a translator (her photographer) ask her questions in Czech and translate her answers. But in Eleuthera, we didn't have a single person who spoke more than a few words of Czech. Poor Terry. Poor us.

But Terry didn't exactly get the silent treatment. You know how when people try to communicate with a person whose language they don't speak, they'll speak extra slowly, as if speaking slowly can break the language barrier? There was a lot of that going on. A lot of body language, too. And, believe me, Terry has a lot of body language.

Terry's 42-28-36 body with F-cup tits—I think they might be more like H-cups because she's definitely as busty as Christy Marks—was the talk of the island. And that's saying something! The girls were all amazed by Terry's figure: huge, full tits; a big, bangable ass; thick, curvy thighs. And, on top of all that, a curvaceous waist. "Built like a brick shit-house" might be a cliché, but it's an appropriate description of Terry's body. I caught Angela White drooling over her several times.

The great thing about Terry is that she

doesn't need to be told how to be sexy. She understands the power she has over men, and she knows how to give them just the right look, do the right thing. I don't think she's ever seen the movie *Cool Hand Luke*, but she didn't have to be told to get her tits all wet and soapy and rub them against the window and make as if she was tit-fucking an automobile for a scene in *On Location Big-Boob Paradise*. She just did it.

Lesson learned from Eleuthera: Put a big-titted model anywhere near water and she knows what to do.

I loved walking up the stairs behind Terry. She always wore booty shorts, and that was quite a view.

I would've said, "Nice ass!" But she wouldn't have understood me.

Or maybe she would have. You see, I was always wondering whether Terry understood more than she was letting on. She seemed to smile or laugh at many of the right times when somebody said something funny. Or maybe she was just seeing that everyone else was smiling or laughing, so she did the same.

Words Terry definitely understood:

Hello.

Tits.

Pussy.

You know, I really got a kick out of watching our male videographer pushing his tits together in order to tell Terry that she should push her tits together. Terry always laughed at that stuff. Then, of course, she'd push her tits together. There's an international, unspoken language of sex and big tits. And Terry is fluent in both of them.

ISLAND MEMORIES

There were always bras all over the house. Wherever you looked, bras. And I probably don't need to tell you this, but I'm a bra guy. I love everything about them. Even the tags, as I pointed out in *Voluptuous* magazine recently. I can't tell you how many times I felt the urge to pick up a bra and check out the tag.

Bras and bikinis on the floor. Bras and bikinis pouring out of suitcases.

Busty girls walking around in bras and bikinis.

Girls walking around totally naked.

You see, here's what happened. The girls got used to being naked for their photo shoots. So, they'd walk back to the house after a photo shoot without bothering to put their clothes back on. Perfectly normal, right?

Well, yeah. Except for one thing. You

see, it's one thing, to me at least, for a model to be naked on the set. It's an entirely different thing for her to be casually walking around the house naked. I can't quite explain it. It's just a feeling that I have in my groin.

I mean, there's Christy Marks, lying on a hammock, totally naked, spreading her pussy for a photo shoot. Hot? Yes.

And there's Christy Marks just walking around the house, topless, bending over, tits bouncing all over the place. Very hot.

There's Lorna Morgan, standing on the dock, posing for the last few shots of the day as the sun disappears over the horizon. Hot? Yes.

And there's Lorna Morgan, sitting on the couch with Angela White, both of them dressed but their cleavage pouring out of tight tops. Very hot.

Meanwhile, I'm supposed to act professionally. I'm popping wood in my shorts, and I'm supposed to act professionally. Not easy.

The best times were always for the group shots. One big-titted babe is fun, but a bunch of big-titted babes...well, that's a dream. The girls seemed to like each other from the start—a good thing, because the house was big, but not *that* big—and they got along well. I'd often catch them shooting the breeze on the porch or surfing the Internet together. On the afternoon that we shot a bunch of scenics for our *Scoreland* special, they were often playing with one another's tits. And comparing them.

"I think Terry's boobs are bigger than mine," Christy said to the other girls as we stood around the gazebo overlooking the ocean.

"I don't know," Angela said. "I'm gonna have to see."

And then Angela proceeded to lift and weigh Terry's and Christy's boobs.

"I still don't know," Angela said. "I think I'm going to have to suck them."

No cameras were rolling. Nobody was taking any pictures. This was just Christy being Christy and Angela being Angela.

And Terry being Terry, too. I can't tell you how many times I caught her checking out her own tits or with her hands wandering down to her crotch.

"Terry looks bigger here than she does in the two sets we've run of her in *SCORE*," I said to Angela one day. "You think she's had a growth spurt?"

Angela looked down at my crotch.

"I think you're having a growth spurt," she said.

Then she laughed and walked away.

There are always logistical problems with a shoot like this. After all, we were on an unfamiliar island, far away from home, far away from the comforts of home. The girls...well, the only Americans in the group were Christy Marks and Gianna Rossi. Terry is from Prague. Lorna is from Wales. Angela is from Australia, half a world away. Even in a beautiful island paradise like this, the girls can get homesick. They can pine for life's basic comforts. The inconveniences of island life can get old.

A slow Internet connection.

Cell phones that only work if you stand in a certain spot next to the gazebo at a certain time of day.

Convenience stores that aren't too convenient and aren't always open.

Different food. Different people. Different beds.

Mosquitos. No-see-ums.

But then, there are times when everything makes sense. When you realize why you're in a place like Eleuthera. When you realize there's no place like it in the world.

It's early in the morning. The sun is just about to come up. The girls have been awake since four o'clock, showering and having their hair and makeup done. Nobody wants to be up this early. And then there's the ride: In an old, beat-up truck and a rental car that saw its best days 10 years ago, over rocky roads that can't even be called roads. They've never been paved. *Bumpity-bumpity-bump.*

The girls are wondering, *What are we doing out here? Why did we have to get up so early in the morning? Why couldn't we shoot this at the beach next to the house?*

We park the cars. Get out. Unpack. The girls realize we're not "there" yet. We still have to hike a few hundred yards to the beach. The first light of the morning is visible over the horizon. We hike between two cliffs, over sawgrass and more rocks.

And then the girls see it: the most beautiful, pristine stretch of beach they've ever seen in their lives, that most people have ever seen in their lives. The morning sun sparkling off the tropical water. The white sand. Perfect. Spotless. Untouched.

The tops come off. A few girls run across the sand and start playing in the water. The others stand and stare at this magnificent sight. They're in paradise. And some things are worth going out of your way for.

route. One was a new German model, Bea Summer, who you will be seeing for the first time on pages 59-69 of this issue. She was on her way but was turned back at the Munich airport when she went to board her flight to Miami and was told her temporary one-year passport was no longer acceptable to U.S. Immigration.

The other model who dropped out at the last minute was Paola Rios, the busty, young, South American hottie. She was departing from Buenos Aires, Argentina, and the airport was closed for an extended period because of snow and fog. Because her flight itinerary had multiple connections, when she missed the first leg, it was curtains for her joining us. We caught up with Paola in Argentina about a month later, but that's a story for another issue.

So it was Saturday, the day before we were leaving, that we reached out to Gianna. We have photographed Gianna quite a lot over the last year and love her looks, her sexual energy and her enthusiasm. She's even our video spokesmodel on the website BeAScoreModel.com. When we finally tracked her down in Seattle, Washington, where she was visiting friends, she agreed to join us. "I've never been to the Bahamas!" she told us, but the problem was that her passport was back home in Los Angeles. So Gianna hopped a flight to Los Angeles, then a redeye to Miami via Charlotte, North Carolina. We found her sleeping in the departure lounge at Miami Airport, travel pillow still in place. We had never been so happy to see her.

Gianna's experience and professionalism turned out to be a great asset on this shoot. The other girls really admired her statuesque physique, and more than one was hoping to get to know Gianna on an intimate basis before the week was over. As for the girls who couldn't make it, we have made alternative plans to shoot them in the near future, so even though we were disappointed we didn't get the chance to see them in the Bahamas, you can still look forward to seeing them in *SCORE* soon.

One more thing you may find interesting about the model selection: We were also considering Marilyn Sakova, Melissa Mandlikova and Anna Song for this trip. However, these three were

BIG BOOB PARADISE

Gianna Rossi

**YOU'RE NOT DREAMING, SCORE MEN.
YOU'RE IN BIG-BOOB PARADISE.**

Wow! Have you ever seen a more beautiful sight? We're talking about Gianna, not the spectacular Bahamian water and clear-blue sky in the background, although the combination of busty girls and tropical locations is one we'll never get tired of. Not when the girls look like Gianna.

The wraparound porch on which Gianna is showing off her beautiful tits and fuckable pussy was on the west side of our house in Gun Point, Eleuthera. It was the place where the girls spent a lot of their free time sitting around and talking, enjoying the Bahama breezes and a cool drink. And, on many occasions, watching Gianna walking naked on the beach the porch overlooks. "I've never been to the Bahamas, so I'm really enjoying this," Gianna said. "We don't have beaches like this in L.A."

The last time we saw Gianna, in the Nov. '07 issue, she was sharing a cock with Tera Cox, her co-star in the DVD *Pounding The Pledges*. The time before that, she was also getting fucked. So our journey to Eleuthera presented a rare (and unexpected; see "The Coconut Telegraph" on page 15) opportunity to get to know another side of Gianna. The glamorous side. These pics prove that even when she's not fucking, Gianna is a great *SCORE* Girl.

knocked out of consideration by their inability to obtain visas to travel.

The five girls who didn't make it—Merilyn, Anna, Melissa, Bea and Paola—can be seen on pages 59-69 of this issue. Even if they weren't in Eleuthera in body, they were there in spirit.

Of course, it's their bodies we wanted!

Almost all of these photos were shot outdoors. Didn't you have to worry about passersby or locals who wouldn't take kindly to what you were doing?

Eleuthera is a big island with not a lot of people, so it's possible to be on a beach for hours—an entire day, even—and not see a single person. On the other hand, the beach house in which we were based and the portion of the island on which we shot was directly across an inlet from one of the most populated sections of Eleuthera (Spanish Wells). So, yes, we had to be careful.

One thing a lot of people don't realize about the Bahamas is that the residents of most of the islands tend to be very conservative about nudity. Yes, they're laid back when it comes to their "island time" lifestyle, but most beaches in the Bahamas frown upon full—or even partial—nudity in public places.

So we had to be careful. If the girls saw a boat (or even a ferry) approaching, they would quickly cover up or duck the exposed parts of their bodies under water (we can't count how many times photographers and models got soaked from the wakes of passing motor boats). Many of the video and photo shoots were conducted on portions of the beach house's property that weren't visible to passersby. By Day Two, we knew that the late-afternoon ferry from Eleuthera to Nassau came by every day at around four o'clock. Time to cover up, girls!

But we very quickly became aware—because the property's caretaker told us so—that our five busty girls had become the talk of Spanish Wells. We imagine there must have been several horny, big-tit-loving residents perched on their porches or the upstairs of their houses, peering down upon our little section of the island through binoculars and telescopes. It's not every day that five super-busty girls like Terry, Angela, Christy, Lorna and Gianna visit a place like Eleuthera! But we didn't get a single

complaint. Neither did the caretaker

And maybe, just maybe, we picked up a few new subscribers in Eleuthera!

Okay, guys, five girls, one little island. Which girl was the horniest?

That's a tough question. All of the girls are horny in their own way, so let's go girl by girl.

Gianna Rossi: You'd think she would have been the horniest one because she's the only one who fucks and sucks on camera. Then again, she's the one who gets the most cock. She was also the only one of the five girls who, in her free time, would go down to the beach, take off all her clothes and swim and sunbathe nude. And she was the one who, during a video interview with SCORE editor Dave, said, "Where's the dick?" The truth is, Gianna usually doesn't bring up the subject of sex, but when it does come up, her face lights up as if to say, "I'm ready if you are!" After a while, we got the impression that she was almost always thinking about sex.

Christy Marks: Christy was the youngest of the group at 18, and 18-year-olds tend to be very horny. She was also the one most likely to lay back and spread her legs just for the sake of spreading her legs. And the one most likely to mash her big tits in your face. Like Angela White, she loves men and women...sexually and personally. Christy's one of those girls with whom it's hard to tell if she wants to fuck you or just talk to you. Or maybe she wants to do both.

Lorna Morgan: Lorna was the quiet nasty girl of the group. You could tell that even though she won't have sex on camera, she must have wild sex behind closed doors, away from the cameras. You could tell by the way she walked, the way she talked, the way she dressed her big tits and bangable bum in tight outfits even when she wasn't doing a photo shoot. You could tell by that look in her eye, the glint that says, "I'm a bad girl if you want me to be."

Terry Nova: Terry was tough to judge because she doesn't speak any English. But she got this mischievous glint in her eyes at even the suggestion of sex. She was the one who could be seen most often checking out her own rack, as if she was fascinated by it. She was the one who wore tight booty shorts that went right up the crack of her ass. She was the one who opened her mouth in just such a way that said, "I want to fuck you. I

want you to stick your dick between my tits." Hey, she's a Czech chick. And we all know they love to fuck.

Angela White: Angela is, without a doubt, the most overtly horny girl you've ever seen. She's like a guy in a woman's body. She loves to fuck. She loves to talk about sex. She loves cock and pussy. She's fascinated by big tits. She loves to eat pussy. She tells us that she loves to suck cock. It's a pretty fair bet that Angela was the horniest of this bunch. And that's saying something because this was a very horny bunch.

Were you all in the same house, SCORE staff and the girls? What was that like?

To answer your first question, yes, the girls and the SCORE staff lived together in the same house all week. It was a rather large house, but with five busty babes and a staff of 12 people, things could get very tight at times...and that was a good thing!

So, what was it like to live in the same house for one week with Lorna Morgan, Angela White, Christy Marks, Gianna Rossi and Terry Nova? Very pleasant. And, like I said, very tight...as in the tight squeeze in the hallways when we were trying to get past Christy or Terry and their huge boobs! Or the tight squeeze at the dinner table when Angela White turned to ask me a question and her big flesh pillows brushed against my arm. And the tightness that developed in your editor's shorts while watching Terry Nova walk up a flight of stairs, her booty shorts creeping farther up her ass crack with every step.

Dinner...for some reason, food tastes a lot better when the scenery consists of five pairs of big, natural tits that are barely contained in tight, low-cut tops (hey, it's hot in Eleuthera, so the girls weren't wearing much...or anything at all!). And meals are a lot more enjoyable when the conversation starts with Christy saying, "Have any of you ever lost something down your cleavage?" or Gianna says, "Hey, I just got off in the shower!" And then an entire conversation about cleavage lost-and-found and diddling in the shower breaks out!

These girls are very comfortable being naked, and in the Bahamas, people don't wear a whole lot of clothing, anyway. So the girls were always walking around the house naked, tits flopping all over the place, asses just begging to be slapped. And whenever one of the girls dropped something on the floor...well, you know

what I'm talking about. There were a lot of beautiful views that week.

So, what was it like to be in a house with five busty girls for a week? Well, to borrow from the title of our video, it was big-boob paradise!

I'm sure the girls didn't spend all their time shooting those great photos. What did they do in their free time?

Lots of things, although their days were pretty packed. We started shooting each morning at sunrise and didn't finish until sundown. By that time, everyone was pretty pooped. But the girls did have free time at night, and we also made sure they had time during the day to enjoy this beautiful, tropical island.

So, what did they do in their free time?

Gianna Rossi spent most of her free time sunbathing on the beautiful stretch of white beach next to the house (completely naked, of course!) and going for long walks and swims. Gianna had never been to the Bahamas, and she was soaking up every drop of sun...which looked absolutely incredible on her naturally tan body.

Terry Nova spent a lot of time in her room learning English. She came to the Bahamas knowing very little English—just a few words here and there—and she desperately wanted to talk to all of us. So she laid chest-down on her bed, opened up her Czech-to-English dictionary and studied hard.

Lorna Morgan and Christy Marks both spent a lot of time on the Internet. Christy, in particular, is a real computer geek, and she enjoyed checking out her emails from fans, surfing MySpace and YouTube and basically just looking around. Lorna checked out her email from back home and showed everyone her young son's website (he's already doing some modeling, proving that the apple doesn't fall far from the tree).

Angela White enjoyed soaking in the hot tub, hanging out on the beach and reading. She's also a social butterfly and could almost always be seen chatting with somebody...or trying to catch another feel of Lorna's boobs!

Middy naps—either in their rooms or on a blanket on the beach—were a popular activity. So were group talks on the porch outside the house. When the girls had free time, they often spent it watching another girl's photo shoot. Some of the greatest big-tit models in the world were with us. And they could all learn something from one another! 🌈

Lorna Morgan

IT WAS TIME TO GO ON LOCATION. AND THAT MEANT IT WAS TIME TO CALL LORNA MORGAN.

A *SCORE* on-location shoot in an idyllic setting wouldn't be the same without Lorna Morgan. She joined us on Boob Cruise 2000 and starred in the videos *On Location Portugal* and *On Location Key Largo*. Six years after that memorable shoot in Key Largo, Florida, Lorna joined us again in Eleuthera. But how would she look? Would the Lorna who showed up in the Bahamas be the same Lorna who we've fallen in love with over and over again?

We wondered. But we needn't have worried. Lorna is still fabulous.

Women often grow more comfortable about their sexuality with age, and that's certainly true with Lorna. She presents herself with an air of confidence that tells you she knows she has a body that turns men on. Check out her photos from the late 1990s and early 2000s and you'll see a young woman who's playful and innocent, sexy but a bit reserved. Check out these photos and you see a woman who's eager to put herself out there for our enjoyment. Lorna knows what she wants.

A close-up photograph of a woman with dark hair and a coiled spring earring. She is smiling and looking towards the camera. Her large breasts are prominent, and she is holding one of them with her hand. The background is a blue sky and a tree trunk.

Lorna is looking horny, and her tits are better than ever. They're bigger, fuller, and her areolae have darkened. She lifts and squeezes her tits as if she's offering them to us (rather than just showing them off). "I guess I've learned a lot," Lorna said. "Experience is often a good thing. I'm just happy that after all these years, *SCORE* still asks me to come to these beautiful places. Eleuthera is just glorious." And much more glorious with Lorna gracing it.

JADA: BIG-BOOB, ASS-FUCKING PARADISE

TO SOME MEN, PARADISE IS A BEAUTIFUL ISLAND IN THE BAHAMAS. TO OTHERS, IT'S FUCKING A GIRL'S ASS.

We briefly interrupt our visit to Eleuthera, Bahamas, to take you on a side trip to the seedier side of town...a side of town where girls like Jada Fire willingly and wantonly suck dick, get their cunts fucked and take dick deep in their ass pipes. "I'm a little girl, but I can take it up my ass as good as or better than any girl out there. But when I'm sucking you off, you might forget about my ass."

So here's what you do: Close your eyes. Imagine that you're in the beautiful Bahamas. Warm breeze. Calm waters. Blue sky. And Jada Fire is working her mouth all over your knob. Her tongue is licking your balls, and she's taking your shaft deep inside her throat. Then she wraps her big tits around your hard-on and moves them up and down. But don't cum yet! Jada's pink pussy is open for your fucking pleasure. And when you're done with her cunt, stick it deep in her asshole. Yeah, feel the warm breeze. Cum all over Jada's rack!

Jack Aids

Bringing you the best in
self-pleasure technology!

"I bang porn stars...but
nothing gets me off like
my Monkey Spanker."

-Johnny Rod

What do guys who fuck models for a living use to jack?

The all-new Monkey Spanker, of course. It's the latest and greatest thing in jacking from Britain where it's become the No. 1 selling jack aid. The Monkey Spanker is guaranteed to deliver super-strong orgasms. Hear what porn stud Johnny Rod has to say about this amazing new jack aid.

SCORE: So, let's get right down to it, Johnny. Is this just another man-vibrator gimmick? We've seen those before. They usually aren't as good as advertised.

Johnny: No, the Monkey Spanker is the best jack aid I've ever used. I use it between shoots to keep my cock stiff and ready for action. I'm not exaggerating when I tell you that it is better than the real thing!

SCORE: Come on! You spend your days with your cock in some of the

best SCORE girls around. You expect us to believe that you use this thing?

Johnny: I really do use

it! It's small and lightweight

and easy to travel with. It's like the pocket rocket for guys.

SCORE: So would you recommend it to our readers?

Johnny: Totally. If you don't have one, get one. You'll use it all the time. It feels so good, you won't know the difference!

SARA JAY: FUCKING FOR THE LOVE OF COCK

SARA DOESN'T WANT YOU TO ROMANCE HER. SHE WANTS YOU TO STICK YOUR HARD DICK IN HER MOUTH.

"I know what I want. I wanna get laid, and I'm honest," Sara Jay said. "I don't want a relationship. Just cut the bullshit. I want sex. Maybe I just wanna suck your cock. I've done that, too." Hey, is that any way for a nerd to talk? Well, maybe when the nerd is a big-titted babe named Sara Jay. And, in all honesty, Sara isn't a nerd. We just wanted to see her give a blow job while wearing glasses.

An ass like Sara's really should be fucked. It should be spread and lubed up so you can stick your hard dick balls deep in it. But Sara doesn't take it up the ass, and we're just gonna have to accept that. We're going to have to accept the fact that she gives the best blow jobs in the world and fucks like nobody's business and is proud to be a fuck slut. We think she should be proud.
