**A PUBLIC FORUM FOR READERS' LETTERS,
COMMENTS AND SUGGESTIONS.**

Cindy Cupps (far left) and Crystal Gunns yanked cock in the November '07 SCORE, but that issue will long be remembered as the one in which Christy Marks (center) debuted.

WHEN IN DOUBT, ALWAYS HEAD FOR THE BUSTY NEWCOMERS

Dear SCORE,

When I saw the cover of the November '07 issue, I didn't know where to go first, "CINDY CUPPS & CRYSTAL GUNNS JACK YOU OFF" or "TEEN TIT WONDER H-CUP NATURAL CHRISTY MARKS." Being a man who usually goes for the new stuff, I quickly paged through the magazine until I got to Christy's pictorial. "Young, Stacked and Amazing!" Damn, you got that right!

I don't know where to begin in praising Christy. I could start with her pretty face and youthful looks, but we all know that would be bullshit. My eyes went right to those big tits, and that's where my first load of cum landed. Then, after I recovered, Christy totally naked with her legs behind her head and her pierced pussy and ass spread for all the world to see...amazing!

You asked, "Is the 2007 Newcomer of the Year Contest over?" Well, unless

you've got something up your sleeves for the last two issues of the year, it is. Nobody can beat her.

Oh, by the way, I did finally get to the jack-off photos of Cindy and Crystal. Very nice. In one of the photos, Cindy is bending so low over that cock, she might as well have taken a slurp. Maybe next time.—M.P., Kingston, Ontario, Canada

Dear M.P.: Christy is one of the leading contenders for 2007 Newcomer of the Year. If you haven't voted, there's still time...but hurry. The deadline for voting is December 15th. The awards ballot can be found on page 54 of this issue.

CHRISTY: OFF TO A GOOD START

Dear SCORE,

Time will tell as to whether Christy Marks becomes an all-time great, but she's definitely off to a promising start. Right away, she's proudly spreading her legs and showing off her pussy and asshole, something Nicole Peters, Kelly Kay and Ines Cudna didn't do for a long time. I predict that before long, Christy will be swallowing man-sausage on DVD, confirming her claim to greatness.—L.P., New Hyde Park, New York

ALENA SNOW MADE HIS BUSTY LIBRARIAN FANTASY COME TRUE

Dear SCORE,

Cindy Cupps is one of my all-time favorite models, and it was really great to jack off to her in the November '07 issue. And I hope I'm one of the first readers to welcome Christy Marks to my No. 1 magazine. What an exciting nude modeling career this young beauty has ahead of her. Also, Daphne Rosen's boy-girl spread is super hot. Daphne is rapidly rising on my list of favorites.

But the most cock-stiffening layout I have seen in recent months is Alena Snow's. Both in and out of her tight sweater, shiny white bra, short skirt and wonderful, sheer panties, Alena fulfills every fantasy I have ever had about a sexy librarian. And I have fantasized a lot since my high school days. We had a very beautiful young librarian, but her boobs didn't even come close to equaling Alena's magnificent twin beauties. And our librarian dressed

very conservatively, which made me and my friends try to imagine what she'd look like if she dressed more sexily. Now I know, and I plan on buying a few copies of **SCORE** with Alena's layout for two of those close friends who are still living nearby.—Name withheld, Camden, New Jersey

CINDY CUPPS GOT HIM UP, AND THEN SHE GOT HIM UP AGAIN!

Dear **SCORE**,

I was very depressed last week after my best friend's death. Then I bought the November '07 issue of **SCORE** and jacked off over Cindy Cupps, and my spirits were lifted along with my cock. I guess that explains why Cindy is such a great favorite of mine.

However, my real thrill occurred after I came. Usually, I have to wait a couple of hours before I can get it up again after a cum. But Cindy is so thrilling that I got hard again within minutes, so I enjoyed her for a second time almost immediately after the first time.—Carl J., Philadelphia, Pennsylvania

Cindy Cupps (Nov. '07) proved to be the cure for a reader's depression. You'd have to be dead not to get it up for her!

Sexy brunette Deborah Blue and bikini-bustling Brianna Bragg made the November '07 issue a keeper, as did the sight of Jana filling herself with plastic fuck objects.

GREAT BOOB JOBS, SEXY LADIES, HORNY THREESOMES & MORE

Dear *SCORE*,

Czech model Jana (November '07) had her breasts augmented, and my compliments to her surgeon. If the text hadn't indicated it, I wouldn't have noticed that she was augmented, and I'm a natural-breast connoisseur.

You said Deborah Blue is "one of the sexiest women to have ever appeared in *SCORE*," and I agree. Her dark brown hair perfectly frames her lovely face, with some of the most dramatic features ever. I could stare into those eyes while kissing those luscious lips all night long.

Brianna Bragg is terrific. Tall, skinny and naturally busty.

Tera Cox and Gianna Rossi in a threesome? That's one of the sexiest hardcore spreads you've ever published.

Finally, Christy Marks was worth the wait. You saved her for the last pictorial, and I can't put it down. She has a great face with nice hair, and her slender body with huge, natural tits turns me on like crazy, but her best feature is that beautiful pussy. I love the darkly pigmented labia, capped with a piercing. That makes me think she likes to fuck about as much as I want to fuck her.—E.B., Berkeley, California

CENSORED OR UNCENSORED? IN THE UK, YOU CAN GET BOTH!

Dear SCORE,

I am an avid SCORE reader in the UK, and always buy your great magazine every month. When are the UK and Irish fans going to see the harder, stronger SCORE Xtra section become available?—H.T., Sheffield, England

Dear H.T.: You can already see it...but first you have to know where to look. First of all, the uncensored version of SCORE—with the Xtra section—is sent to all subscribers no matter where they live. As for buying SCORE on the newsstand in the UK and Ireland, we distribute both the uncensored Xtra edition and the censored UK edition there. The UK edition is sold through Smiths and Menzies. Independent news agents get the Xtra edition.

NICOLE IN THIGH-HIGHS, PLEASE!

Dear SCORE,

In October's "Boob Beat," there's a photo of Nicole Peters wearing what can only be described as the sexiest pair of PVC thigh-high boots I've ever seen. This item of ladies' apparel has always registered high on my personal bonerometer, so naturally, I have to ask if we'll be seeing the layout from which that picture was taken in SCORE in the near future. Please don't say it's in Scoreland only. I could join if I wanted to, but I've always found my SCORE and V-Mag subscriptions give me ample jacking material. I can also read them in the bath!

I've gotta ask why I can't get hold of a SCORE T-shirt for love nor money? I don't understand why you stopped supplying 'em. I mean, think of the free advertising. I'd pay good money for one, so how about bringing them back?—K.S., via email

Dear K.S.: The bad news:

The great Nicole Peters can be seen wearing these sexy boots in the February '08 issue of V-Mag.

Marilyn Sakova (left) and Bea Flora (right) have some of the greatest natural tits of all time. But readers are in disagreement over whether they're two of the greatest models ever. Some are bothered by the fact that Marilyn and Bea don't smile too often. Others are just happy to see them naked.

So far, that pictorial of Nicole has only appeared on NicolePeters.com. The good news: The pictorial will make its print debut in the February '08 issue of Voluptuous, on sale December 18, 2007. Meanwhile, here's another photo from that set to tide you over.

As for SCORE T-shirts, we cannot sell our apparel because Scores nightclub owns the apparel rights to the name. We found this out back in the 1990s when we began to market our apparel and got a letter from Scores. Seems they incorporated just months before we did, though we began business way before them. We are free and clear to give apparel away for promotional use, which we do once in a while with models and contest winners. We wish we could sell them, but we can't.

THE MYSTERY OF BEA & MERILYN

Dear SCORE,

This is in response to the question, "What's not to love about Marilyn?" I don't know either. Maybe she seems so serious sometimes and it shows in her pictures, but she can't help it if she's serious about her career. Besides, we've all seen her smile before.

For some reason, it doesn't seem to bother me if a model doesn't smile a lot. Bea Flora is another example. Both models are very sensuous, glamorous and tantalizing. Marilyn has finally mastered the art of sensuality. Bea had already mastered it. Some people don't like to be mystified or kept guessing. Bea and Marilyn are two of the most mystifying, beautiful models.

Marilyn has gotten better with every pictorial, including being more glamorous and more creative. Models like Ms. Sakova keep me mystified, and I like it!—S.M., Baltimore, Maryland

Merilyn Sakova Second Cumming

It's no surprise that the 2005 Newcomer of the Year and 2006 Model of the Year also had the best-selling big-tit DVD of 2007. Demand for Merilyn on DVD and video seems to never diminish (her first video, *Merilyn Busts Out*, was the No. 1 video of 2006, and *Merilyn Sakova Take 3* is already a best-seller). It doesn't seem to matter that the G-cup natural hasn't done hardcore. The way she plays with her breasts and stuffs her tight holes with fingers and toys is more than enough to get any big-tit lover off. She continues to be a natural sensation.

SCORE SUPERNATURALS

Linsey Dawn McKenzie, Autumn-Jade, Ines Cudna, Nicole Peters, Kelly Kay and Merilyn Sakova, all on one DVD? "Are you fucking kidding me?" big-tit lovers around the world seemed to be saying as they scooped up copies of *SCORE Supernaturals*. Again, no hardcore or girl-girl in this one, but nobody seemed to care. This is truly an all-star lineup of the best-of-the-best, and even if you didn't spend hours jacking to this DVD (although you surely did), you wanted to have it as a prized collectors' item.

Big Tit GLORY HOLE

Would you stick your cock through a glory hole? You would if you knew Denise Derringer (below), Daphne Rosen, Danielle Derek or Jade Feng were on the other side! Denise, Daphne, Danielle and Jade each suck off two men through glory holes, then the guys come around to the other side of the wall and fuck their tight little holes (Denise, Daphne and Danielle all take it up the ass). Dirty? Sleazy? You're damn right it is. But these girls will do anything for cock. Another reason *Big-Tit Glory Hole* sold big: the video debut of Morgan Leigh (left).

4

Knockin' Nipples

Lovers of natural stacked babes were treated to one of our hottest girl-girl videos ever. One of the best lineups ever, too. Eden and Bozena (below far left) knocked nipples. Devyn Devine and Kerra Dawson (below middle) snacked on each other's snatches. Real-life bosom buddies Joana and Crisa (below right) helped each other get off with dildos. The other pairings were Monique L'Amour and Sunshine and super-stacked Sapphire and Samantha Sanders in a matchup of epic proportions. Tits, tits and more tits, with no man-ass getting in the way.

5

Sleeping Sluts

We tapped into an unusual fantasy in *Sleeping Sluts*: girls who like to pretend that they are being watched by Peeping Toms. The girls then go inside their houses and pretend they're asleep while their boyfriends fondle their tits and start to have sex with them. The video was kinky and hot, and it also happened to contain some of the sexiest natural newcomers around, including Trisha Banks (below left), Lily Valentine (below right), Kerra Dawson and Monique L'Amour. Not into the sleeping fantasy? Well, there's enough hardcore action here to keep any big-tit lover satisfied.

6

MERILYN Busts Out!

It's truly incredible that the best-selling big-tit DVD of 2006 had enough staying power to be the No. 1 big-tit DVD of 2007. But such is the power of Marilyn Sakova. Over the past year or so, a debate has broken out among *SCORE* Men as to Marilyn's place among the greatest big-titted models ever. We're not going to take a stand on this debate (we think it's enough to say that she's one of the all-time greats), but the numbers don't lie, and the DVD sales numbers say this: Marilyn might be the best.

BREAST SEX

Two hours. Twenty-four girls. Nothing but tit-fucking. If that sounds like your dream video, you're not alone. *Breast Sex* is a collection of our greatest tit-fucking and tit-sex scenes ever. In other words, there's no new material on the DVD. But thousands of *SCORE* Men jumped at the chance to have all of these scenes together on one DVD...to have a DVD that contains nothing but the sex act they love best. Of course, an all-star lineup including Lisa Lipps, Brandy Dean, Haley Hills, Daphne Rosen, Summer Sinn, Minka and Denise Derringer didn't hurt.

8

Nicole Peters

It says something about how much *SCORE* Men love big tits that four of the top 10 DVDs on this year's list are solo videos. This in an age when hardcore has become harder than ever. But *SCORE* Men are realists. They know that Nicole Peters will probably never do hardcore. And, so, if they want to see her on DVD...if they want to see her sucking on her tits and jiggling those heavy hooters and playing with her pussy, they're going to have to watch her go solo. The opportunity to see Nicole Peters in motion...what big-tit lover can pass that up?

9

SCORE SEXPLOSION

We could have called *SCORE Sexplosion* "Big-Titted Blondes Get Fucked Hard" because four of the five girls in this hardcore DVD are blondes: Penny Porsche (below right), Danielle Derek, Kayla Kupcakes and Karen Fisher. The sole exception is Summer Sinn (below left), and no clear-minded lover of big racks is going to shut her out of the party! This DVD is notable for two poolside scenes: Penny Porsche fucks and sucks in a pool and Danielle Derek fucks and sucks next to a pool. Dive right in!

BIG TIT TUNE UP

So, you go in to get your car fixed, and the mechanic is a chick. A beautiful, big-titted chick. At first, you're concerned about what kind of service you're going to get, but you quickly find out...full service! In *Big-Tit Tune Up*, five busty mechanics, including Savanna Synn and (left to right) Gianna Rossi, Karen Fisher, Candy Manson and Puma Swede clean your pipes and give you the lube job of your life. They fuck and suck on dirty garage floors. Why? Because they want cock so badly, they don't care how they get it. They're simply that horny.

FOR HIS MONEY, IT'S MERILYN

Dear SCORE,

I want to touch on the subject of Marilyn Sakova again as I think she is one of the greatest big-breast models, if not the best. I did not come to this conclusion easily as there are so many great and beautiful SCORE models that choosing a favorite is a nerve-racking business. I also love, Linsey Dawn McKenzie, Nicole Peters, Kelly Kay, Sharday, Anna Song, Natalie Fiore, Alexis May, Autumn-Jade, Africa, Cassandra, Chloe Vevrier, Gianna Rossi, Ines Cudna, Lorna Morgan, Luma, Orsolya, Veronika and Yanine Diaz. All natural, mind-blowing beauties, and each with her unique and enduring charms. Which girl is best, of course, is up to individual taste. However, for my money, I would pick Marilyn for top model.

I find it insulting that someone would suggest that Marilyn should get a tattoo artist to color in her nipples. Outrageous! The woman is perfect! Yes, I agree her nipples are light colored, but they are still gorgeous as they are. I guess I just want to assure Marilyn that she has a gorgeous face and body and that no changes are necessary or wanted.—D.R., via email

SHOULD SCORE GO ALL NATURAL?

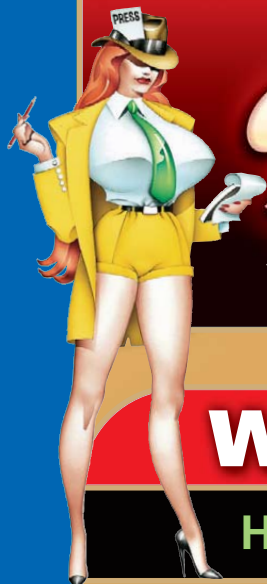

Dear SCORE,

Just want to tip my hat to you with regards to the September '07 issue. Great idea to have an all-naturals issue of SCORE. In fact, I would love to see SCORE go all natural only with an occasional exception for a particularly beautiful and natural-looking augmented girl from time to time.

In the September issue, you featured eight of my all-time favorite models. April McKenzie and Natalie Fiore were a fantastic start. Then you had two new girls I'd been dying to see more of, Tera Cox and Winter Morgan. You finished off with three fantastic models who have well-deserved large fan bases, Lily Valentine, Bea Flora and Anna Song. Then, like a cherry on top, you have the always beautiful Petra. Any one of these women alone are worthy of devoting a million photo sets on. They are the epitome of feminine beauty.

In the past, I've been used to seeing two, maybe three, such models per issue,

WIN TERA COX'S SIGNED BRA!

HER HOOTER HARNESS CAN BE YOURS TO CHERISH

In the September '07 *SCORE*, we saw that newcomer Tera Cox could win any wet T-shirt contest she entered. Tera is 5'2", 145 pounds and 42-32-38. Our kind of numbers! She wears different-sized bras for different moments and places. She's said that at a club or at a party, she might stuff her wonderful hooters into a DD bra to obtain the wildest cleavage mounds possible. Tera is one of the candidates for Newcomer of the Year. The ballot is on page 54 of this issue, but hurry. Time is running out to vote!

Does Tera play sports?

"Not really," she said. "My boobs are too big. I would probably get black eyes if I even tried to run!"

A pictorial of Tera also appeared in the August '07 issue of

Voluptuous (she was the covergirl). In the November '07 *SCORE*, Tera and Gianna double-teamed an erection in the Xtra section. She also rides wild in the orgy scene from *Pounding The Pledges* in the Xtra section of the November '07 *Voluptuous*. Tera is in the DVDs *Pounding The Pledges* and *Tits On Top* (both XXX), and for those of you who hate the hairy man-butt, she flies solo with a big joystick in *Busty Big-uns*.

Now here's your chance to own a signed bra that barely supported Tera at the *SCORE* Studio. Just look at these photos of her wearing and signing it. Don't you want this baby mounted on your garage wall? Sure ya do! Simply write your name, address, email address and the statement, "I am 18 years of age and I want to win Tera's bra" on a sheet of paper and mail it to Win Tera's Bra, *SCORE*, 1629 N.W. 84 Avenue, Miami, FL 33126. Multiple entries will not increase your chances of winning. No purchase necessary. Sorry, no email or fax entries for this contest. Entries must be postmarked by January 15, 2008. Offer prohibited where Tera and her bras are not allowed.

As proof of authenticity, we offer you these photos of succulent Tera Cox wearing and signing the brassiere that one lucky reader will win. Enter today!

ALERT STRIPPERS CATCH COUNTERFEITING CROOK

A fan of strippers who used his computer to make fake \$100 bills so he could buy lap dances at a strip club has pleaded guilty to counterfeiting charges.

Sharp-eyed strippers at Deja Vu in Nashville, Tennessee, were leery of the funny money and called police after a customer spent \$600 of the phony dough. He told cops he got the money when he sold gold coins for \$1,400. U.S. Secret Service agents determined that counterfeit bills with the same serial number had been passed elsewhere. When they went to his home, a family member told agents that an image of a \$100 bill had been on a computer there.

Another rotten crook stopped cold by alert, socially aware lap dancers. Let this be a lesson to others. Don't ever cross a stripper. Now this lawbreaker will be getting prison lap dances from cellmate and new pal Big Mutha.

Don't ever try to pass counterfeit currency to a stripper. They know cash!

DEDICATED SCORE MAN WINS ALL-EXPENSES PAID DREAM VACATION OF A LIFETIME

One of the highlights of SCORE's 15th Anniversary bash on Scoreland.com was the chance to win an all-expenses paid vacation at SCORE in Miami, Florida. The winner was Roger M. of Indiana, a SCORE reader since 1997.

Roger had the red carpet rolled out for him when he visited us this past summer. After being shown around the SCORE building and meeting head honcho John Fox and the staff, Roger spent the day with November '07 covergirl and all-around new super-sensation Christy Marks, who greeted him at the front door when his taxi rolled up in the morning. Boy, did he luck out. What a prize that was! He also helped out with Christy's photo shoots both in the studio and on location in Miami Beach and had a blast. He even hung out with Miss Marks between photo shoots, having lunch and taking ice cream breaks. Roger also won \$300 worth of SCORE DVDs plus assorted merchandise including shirts and baseball caps.

Congratulations, Roger! Thanks for the years of support. It couldn't have happened to a nicer, breast-lovin' guy.

Here comes
Janet!

WE'RE GREETING THE ARRIVAL OF JANET JADE, A STACKED NATURAL WHO'S A KNOCKOUT.

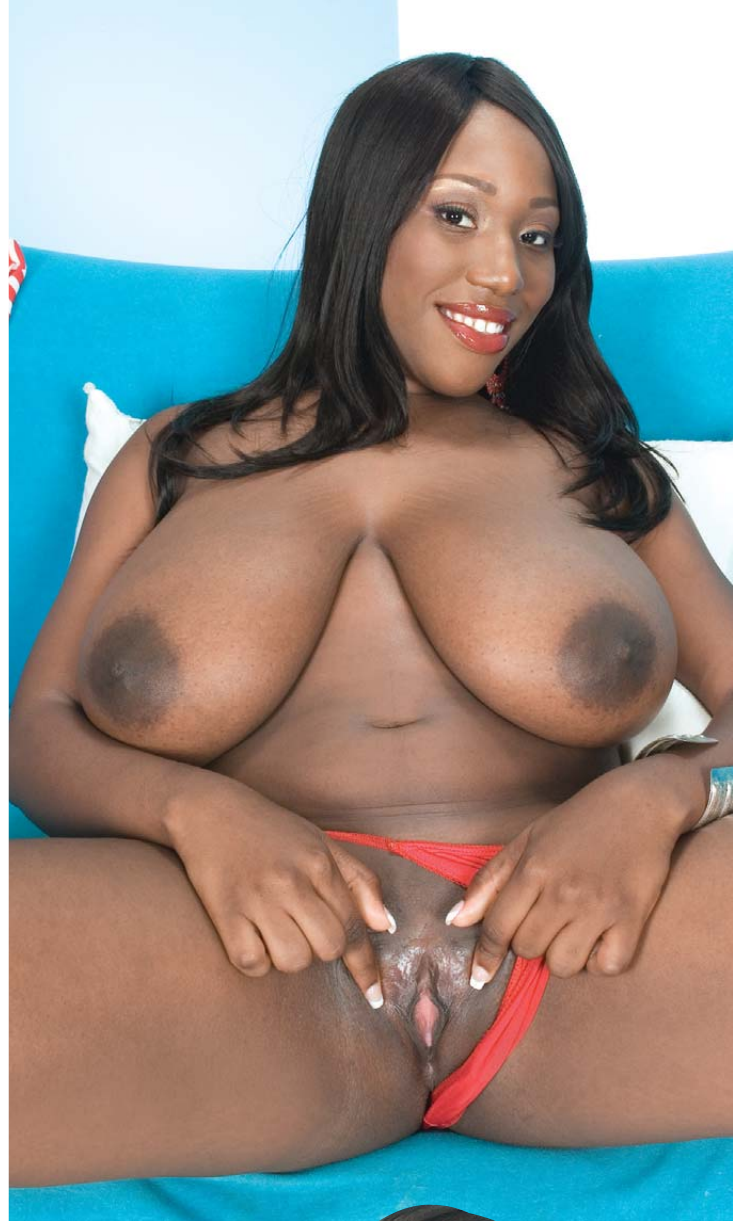

She arrived at the *SCORE* Studio dressed like the girl next door (check out the photos above), and when she started taking off her clothes, we knew we had a winner. Janet Jade and her DDD-cup naturals are about to take the big-tit-loving world by storm, and although this is only the second issue of 2008, if a better newcomer comes along over the next 11 issues, she's going to be really spectacular.

As you can see from the photos on the opening spread, it doesn't matter whether Janet is dressed casually in jeans and a top or being sexy and glamorous after having her hair and makeup done. She's incredible. "I loved being a model for the first time," Janet said. "It was fun being pampered and being the center of attention. It made me feel special." Janet *is* special. She has that rare combination of beautiful face and curvy, fuckable body (her measurements are 44-30-36), but let's face it, it's her tits that make her a *SCORE* Girl. They're big, firm, beautifully shaped and really heavy.

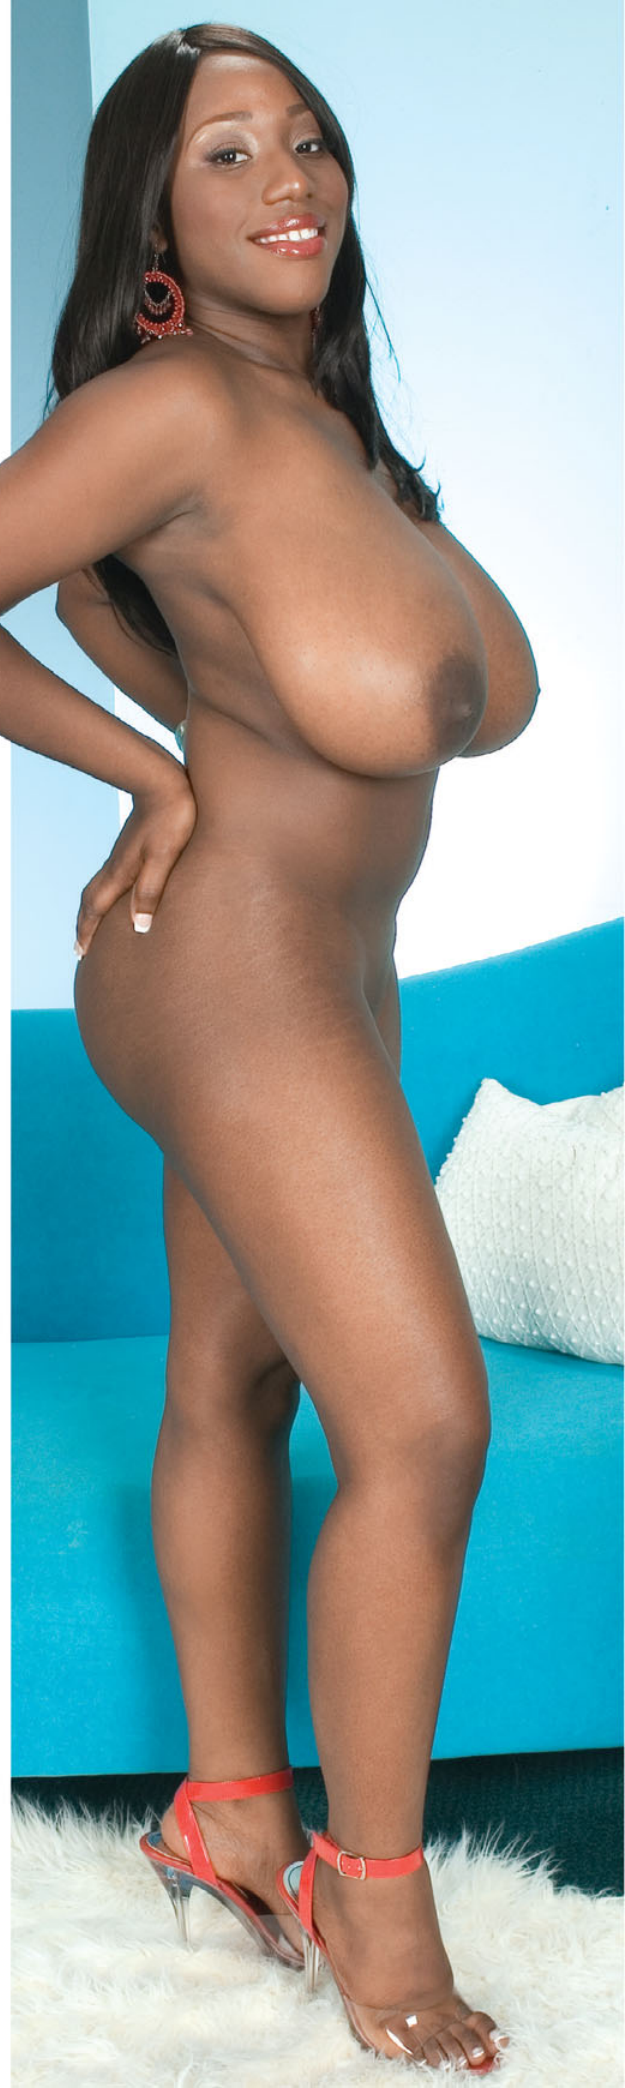

As Janet spreads her fresh pussy and ass and lets her tits hang down, here are a few facts about her. She lives in Detroit, Michigan, where she was born. Although she's a student, she admits to spending too much time watching TV (her favorite show is *Big Brother*). Her favorite sport is basketball, and she normally doesn't wear a bra or panties. Another fact: You're going to be seeing a lot more of her.

Desperate to find the gift he'd promised his son, nothing would stop him from...

Cumming Through for Christmas

By Bill Gundy

Twas the night before Christmas, and Ken was beginning to panic. His sister had told him it would be futile, that the odds of him finding the single hottest toy in America with less than 24 hours to go was a pipe dream. He hadn't listened. Jeremy had asked for only one toy for Christmas, and Ken had promised to get it for him.

The fact that work had been nuts and he was pulling double shifts and hadn't been able to devote time to buying presents—handing his mother and dad a pile of cash and letting them be his surrogate shoppers—weighed on him now like the snow that had been falling since day-break. Getting out of the cab and trudg-

ing up to the doors of one of his last-chance stops, he tried without success to stomp the white stuff from his boots. There must have been eight inches on the ground. In the streets, the snow plows were losing the battle. As dusk gripped the city, Ken grew more concerned that despite all the toys Jeremy would open come morning, he'd still have to break the news to his son that he hadn't come through with the toy he most wanted.

Leaving that thought behind like the weather outside, Ken made a beeline for the toy department. The big-box department store had a formidable toy selection, and the floor was packed with last-minute shoppers. The line at check-out

stretched a mile. Grimacing, Ken sought out a helpful employee.

He found a young woman trying to stuff tumbled Lego sets back onto a shelf decimated by careless shoppers. *Nice ass*, he noticed, walking up behind her. He waited a moment, admiring it, before she stood up. Heckuva set of tits, too, he saw when she turned to face him. She did not look happy.

"What?" she said.

"Uh, you wouldn't happen to have a Mr. Magic action figure, would you? The one with the wand and..."

She cut him off. "You kidding? You waited until Christmas Eve to try and get one of those?" Her tone was of contempt.

"Well, I just figured that maybe..."

"That maybe what? We hid some just for last-minute guys like you? Fat chance. I sure hope you didn't promise anybody one."

Ken felt like he'd been kicked in the nuts. What a bitch! She was still prattling on, stalking off towards a door marked EMPLOYEES ONLY. Ken had had enough. Before she disappeared through it, he followed her. To hell with the sign. When she turned to see him there, surprised, he let go his response.

"What you need," he spat, "is to get laid. If you can find somebody who can tolerate your shitty attitude." That said, he reached for the door, leaving her stunned and shocked.

"Hey," she said, halting him. He wondered if she was about to call security. Instead, she put her hand on his arm. "I'm sorry. It's been awful today." She pressed closer, and her left hand brushed his crotch. So she had noticed him staring at her ass. "And," she whispered in his ear with just the slightest touch of tongue, "I don't think I'm the only one who needs to get laid." She gave his johnson a squeeze.

They crabbed sideways into a storage closet. Ken immediately slipped his hands underneath the tight sweater she was wearing. Her "Hi! I'm Naomi!" name tag folded into the cloth as Ken got a good look at the size of her jugs. Naomi had to top out at triple-D, and her lacy Victoria's Secret underwire was barely holding its own against her enormous flesh mountains.

Naomi's long fingers snaked down into his pants and strained to free his trapped member. Ken's cock was bent hard to the right, his waistband having done its job to keep it in his pants while he had been standing out on the toy department floor. Now, though, Naomi freed it, and all seven-and-a-half inches of his cock pointed at her tits like a compass needle.

Ken had barely unclasped Naomi's boob holster when she dropped to her knees, his jizz missile entering her fleshy silo. Naomi crossed her arms beneath her roiling cleavage, snugly encasing his prick between her tits.

Ken rested his hands on the back of Naomi's head, and her chin tilted down until the tip of his cock was receiving more than just lip service. Naomi opened her ruby-painted lips and let a strand of

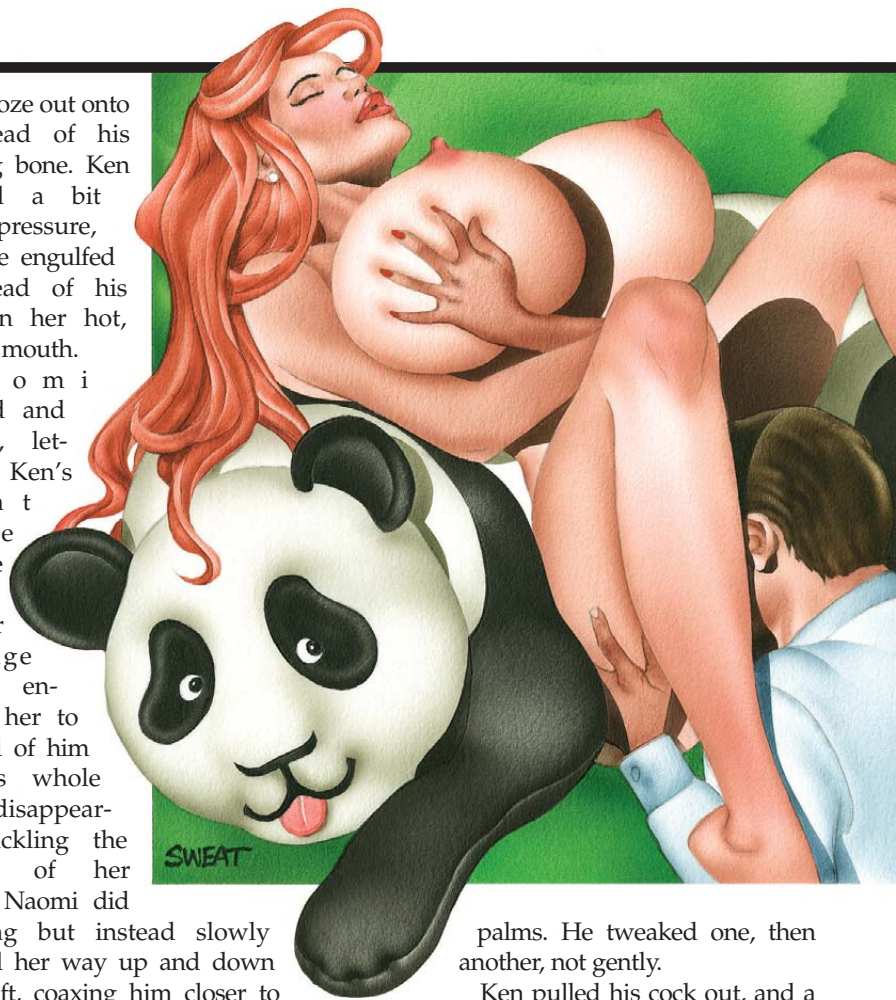

drool ooze out onto the head of his bulging bone. Ken applied a bit more pressure, and she engulfed the head of his shaft in her hot, willing mouth.

Naomi slurped and sucked, letting Ken's meat escape through the walls of her cleavage and enabling her to take all of him in, his whole cock disappearing, tickling the depths of her throat. Naomi did not gag but instead slowly worked her way up and down his shaft, coaxing him closer to orgasm.

Not wanting to be accused of not holding up his end of the bargain, Ken summoned up his will and extracted his throbbing beef stick from Naomi's mouth. He got her on her feet, spun her around and made short work of her skirt and panties. Thongs, his favorite. His cock twitched.

Ken found Naomi's nether lips just as wet and ready for fucking. He entered her hard and fast, making her gasp. She grabbed hold of a shelf piled high with returns as he plowed her from behind. The sight of her ass clenching with every thrust provided an even better view than he'd gotten earlier. He fondled her bouncing breasts as they heaved, making his head swim. Naomi thrust back at him just as hard as he was giving it to her. Their thighs slapped together, and Ken's balls thrummed against the dewy fuzz at the base of her cleft.

Naomi yelped, but just once. Then she rested her head against the shelf and shivered, her cunt muscles sending vibrations through Ken's shaft and right up his spine. Naomi's orgasm did everything but cause his cock to burst. Her nipples had turned rock-hard against his

palms. He tweaked one, then another, not gently.

Ken pulled his cock out, and a wobbly-legged Naomi gladly took the opportunity to rest her butt on a shelf. Ken grabbed his cock and took aim. Seeing what he intended to do, Naomi cupped her breasts and pressed them together. Ken stabbed his prick into the warm, tight fold and ejaculated. The fury of Ken's spurts caused a gob of man cream to erupt out of her cleavage like a volcano, hitting her chin and running down her neck. Ken kept going, driving his cock in between Naomi's heaving whoppers until his nuts felt like they were pumping out air.

When Ken's spent dick came free, Naomi had sperm running from her throat to her belly with a huge puddle beginning to ooze from her breasty canyon. She found a torn stuffed animal and used it to wipe herself off before rising to plant a kiss on Ken's lips.

"Sorry I couldn't help you find Mr. Magic," she said, her tongue parting his lips and running across his teeth. "But thanks for helping me find him."

She winked, re-engaged her bra after a brief battle to get it over her tits and left him to find his way out. Ken made a mental note to shop here when Jeremy's birthday came around.

By the time Ken fought his way out of the cab and through the snow that had been plowed along the curb, it was nearly seven o'clock. He hadn't imagined it would take so long to reach Sloane's, his favorite toy store growing up. But the weather had crippled transportation, and he'd barely gotten to the door before a woman behind the glass was trying to lock it. She pointed to a CLOSED sign she was putting up, but he pleaded his case through the glass. A sizeable lump of snow cascaded down on top of his head from the awning, and she gave in.

"Thanks," Ken said, gulping warm, store air. "I'll make this quick. You got a Mr. Magic action figure, I got \$500 in cash for you."

The girl's eyes bugged out. The doll, popular as it was, sold for \$29.95. From the back of the store came a voice.

"I'm outta here, Beth. Have a Merry Christmas. Get home safe!" She responded in kind. She hadn't said "No," which

Ken felt was a good sign. From the back, the sound of a door slamming echoed.

Ken was certain they were alone.

"Five bills for a Mr. Magic? You serious?" Ken's heart leapt.

"Absolutely," he assured her. She pursed her lips.

"I got one in back that got returned. I think it was missing one of the little doodads. The magic book or something. But if you wanna take a look, you're more than welcome to have it."

"I'll take it!" Ken said. The girl led him to the counter and told him to wait. A moment later, she returned, empty handed and looking unhappy.

"It isn't there," she said. "Maybe Rick put it back on the shelf. Come on."

They walked down an aisle to a children's play area. Huge stuffed pandas stood before a castle arch display. All sorts of Mr. Magic toys—ones Jeremy already had—were piled high. But none of the new Mr. Magic action figures. Beth reached around on the top shelf. Ken watched, checking her out. She was tall and leggy, probably about five-foot-nine. When she reached up, her shirt didn't stay tucked in because her breasts were too big. What Ken saw of her bra cups was impressive.

"Gimme a boost," she directed, trying

to reach the back of the shelf. Ken gripped her hips. Beth's heart-shaped rump was right in his face, and he took full advantage. Ken supported her, gradually working his hands until he was palming her ass. She searched but to no avail. As Ken helped her down, his hands traveled from her ass to her hips, over her ribs and along the outer curve of her jugs. She couldn't help but notice.

When she turned, crestfallen, Ken hadn't left her personal space. They stood almost eye-to-eye.

"Somebody must have taken it," she said. "I can't believe it."

Ken could feel her disappointment. She'd just lost a \$500 Christmas bonus. And he'd just struck out in his last at-bat. But they were still alone together.

Ken got adventurous. He put his hands back on Beth's hips then slowly brought them up until he was cupping her breasts. She bit her lip but didn't stop him. She stepped closer, pressing her tits into his palms, shifting side to side to cause more friction across her nipples, now beginning to poke through her shirt. Ken grabbed it by the hem and pulled it up. She raised her arms to let him remove it.

The bra was a half-cup that lifted her boobs up and pressed them together. One nipple crept over the cup, and Ken pressed his tongue to it, wrapping his lips around it. Harder it grew, and her dark areola puffed up, pale to pink to rose-colored. She had large, wide nips, and when he opened his mouth, his tongue teased the goose-bumpy ridges, making her sigh with anticipation. She folded Ken in her arms, pressing his mouth to first one boob and then the other. Beth obviously had a thing for tit-worship and a glorious set of sweater-stretchers to bow down before.

Ken toted her over to the nearest giant panda. He laid her across it and undid her pants, peeling them off her lean, muscular legs. He wadded her panties into a ball and tossed them aside,

The Ultimate Sweater Girl

THIS GREEN SWEATER WILL NEVER BE THE SAME NOW THAT CRYSTAL HAS WORN IT. SHE DESTROYED IT!

There are sweater girls (think Marilyn Monroe and Jayne Mansfield) and then there are sweater shredders, girls who do justice to a sweater like nobody else can. Sure, we love seeing Crystal Gunns naked. We loved seeing her jacking off a cock in the DVD *Tits & Tugs*. But these photos of curvy Crystal in a tight, green sweater absolutely blow our minds.

Crystal seems to have become *SCORE's* Official Covergirl of February issues. Her February '07 cover was one of our most-talked-about and eye-catching ever, first because she wasn't making eye contact with the camera (a rarity on men's magazine covers) and second because of her orgasmic expression and the way her tits were popping out of her bra. We think you'll agree that this issue's cover is just as memorable.

The way the *SCORE* Model of the Year Contest works, you're really only supposed to consider a girl's work during a given calendar year. So, these photos of Crystal shouldn't influence your decision about whether to vote for her for 2007 Model of the Year (if you haven't voted, see page 54). But we can't blame you if they do. And, along with Crystal's fabulous bra pictorial in the Feb. '07 issue and her first boy-girl tit-fuck and tit-wanking in the DVD *Tits & Tugs*, plus her status as *SCORE* columnist and spokesperson... well, maybe Crystal's time has finally come. After finishing second for 2006 Model of the Year, maybe this will be the year Crystal takes the top prize. She'd be deserving. "I was flattered that I finished second last year," she said. "But now I want to win!"

"Sure, men stare when I'm wearing something tight. They stare a lot," Penny said. "But I've never had a man say no to the question, 'Do you want me to take my top off?' I mean, what straight man says, 'No, wait a second, I want to see you in that sweater a little while longer.' I'm not saying men don't get turned on when they see me in a tight sweater. I'm just saying there's something they want more."

Penny's right: Tight tops and sweaters are great, but they're even better when they're the appetizer prior to the main course. And MILFy Penny willingly serves up heaping helpings of big tits, spread pussy, giant clit and hardcore fucking and sucking. So, if you want to see Penny in a tight corset, check out the April '06 issue. If you want to see her tits bulging out of a string bikini, check out the January '07 issue. But if you want to see Penny giving all she can give, then these photos and the hardcore DVD *SCORE Sexplosion* are for you. Now, does anybody out there want her to put her clothes back on?

DRESSED TO THRILL

GLAMOROUS RUKHSANA WANTS TO KNOW, "ARE YOU HARD YET?"

The "Start 'em Clothed" vs. "Get 'em Naked Fast" debate among *SCORE* Men will never be settled, and we suspect that this issue of *SCORE* will add fuel to the fire. The debate is complicated. Penny Porsche raised our dicks when she got naked on the first page of her pictorial in this issue. But now, here's the beautiful Rukhsana raising our dicks again in a yellow dress. Clothed or naked? Who can decide?

"I enjoy the tease," Rukhsana said. "I like getting dressed up for a man and letting him imagine what it's going to be like when he gets my clothes off. To me, life wouldn't be nearly as much fun or stimulating if people walked around naked all the time. Where would be the anticipation? Where would be the surprise?" So, put Rukhsana on the side of "Start 'Em Clothed." Right now, whatever she says goes.

Yeah, *SCORE* is a nudie mag, but where else are you going to find pictures of the bustiest babes in the world wearing tight, sexy sweaters? Nowhere, which is why we feel it's our duty to present specials like this one. Besides, like we said, it's cold outside, it's winter, and what better way to stay warm than to cuddle up to a soft, warm, big-hootered honey wearing a soft, warm sweater? So grab a cup of hot chocolate, *SCORE* Men, and get ready to get off to the hottest sweater shots ever.

SABINA LEIGH

As spectacular as *SCORE* Girls look naked, it never fails to amaze us how incredible they look in tight tops. That purple sweater Minka (left) is wearing? The one that looks like a crop top? Well, it *isn't* a crop top, at least not on chicks with average-sized tits. But Minka's legendary knockers stretch that sweater so far, it *looks* like a crop top. Check out how pointy newcomer Christy Marks' huge naturals look in that thin sweater. She's ready to poke right through!

ASHLEY JUGGS TAKES GREAT PRIDE IN MAKING THINGS VERY HARD FOR SCORE MEN.

Ashley Juggs. You know her. You love her. Born in Maryland, the sexy offspring of a Puerto Rican dad and an Italian/Jamaican mom, she was a military brat and lived in different locations until she finally settled near Orlando, Florida. While a college student there, she realized that with her body and boobs, she could pursue higher education while also inspiring breast men to sprout rock-hard dicks.

During her college days, Ashley began dancing at strip clubs to pay her bills, like many girls before her. She quickly became a popular dancer at the local clubs around Orlando, such as Club Juana, the Diamond Club and the Doll House. Ashley doesn't shake her tits on stage anymore, but the guys who sat in those dark rooms with a dollar in one hand and a drink in the other will never forget Miss Juggs.

but there are eight in one issue. Fantastic! If I were some Middle Eastern sheik choosing women for my harem, these eight models would be at the top of my list. The only thing better than seeing them all in one issue of *SCORE* is if they were all here right now in my bedroom.—S.S., via email

HE LOVES *BUSTY ISLAND GIRLS*

Dear *SCORE*,

I'm writing because of the unbelievable, incredible *Busty Island Girls* DVD. I'm a guy who only wants videos that have fucking, but when I saw the preview pictorial in *SCORE*, I had to have it.

The first thing I noticed while watching it is the incredible big-bust to small-waist ratio of all the girls, especially my favorite, Elena. She is, in my mind, the best find since Ines Cudna. The way her tits seem to be perfectly glued to her body is something to see. It really ticks me off that more *SCORE* readers aren't writing about this girl or any of the other *Busty Island Girls*. What is wrong with these people?

Another thing I noticed is that the pictures of the girls that I've seen in the

Elena is one of the stars of *Busty Island Girls* and, says a reader, a very underrated model.

BRIANNA IS RIGHTFULLY PROUD OF HER ASSETS. WE HAD A HARD TIME GETTING HER TO KEEP HER SWEATER ON.

"I like to show my boobs a lot," Brianna Costello once told us. "My boobs are my best friends, so anytime I get to let them hang out, it's great. Anytime I get to keep my boobs out of my bra, that's how I want it to be." Brianna, who is making her third appearance in *SCORE*, gets to turn her puppies loose on the final four pages of this pictorial, but for now, she's keeping them encased in a tight sweater (we could practically hear the seams stretching) and one of the kinkiest bras you've ever seen.

"I love this bra!" Brianna said. "I can tweak my nipples and keep my bra on. I can see why guys would like it. But don't you want to see me naked?" Yeah, we do, Brianna, but this is a sweater issue, and we're willing to take our time. "It's the funniest thing," she said. "When I used to dance, I'd get almost as many tips when I had my clothes on as when I took them off. One time, I walked into the club on a night off. I was just wearing a sweater, and the guys in the club went crazy. I ended up going on stage for a song!"

A close-up photograph of a woman with large, light-skinned breasts. She has long brown hair, heavy purple eye makeup, and bright pink lipstick. She is wearing a pink top and large, ornate earrings. Her right hand, adorned with a large pink ring, is resting on her left breast. The background is a blurred indoor setting with a metal railing.

Now that her tits are out, Brianna can talk about sex. "I'm an easy cum," she said, laughing. "I cum from fucking, I cum from getting my pussy eaten, I even come from the bidet water going up my pussy. I cum in a lot of other ways, too. Eat my pussy. Finger my clit. Stick your cock between my tits and fuck them. That might not get me off, but it's a good start, and if you finger me while you're doing it, I just might cum. Every man loves an easy girl!"

SMITTEN FOR PAOLA AND TERA

Dear SCORE,

I'm totally smitten with big-tit lust for two of your newest discoveries. First is Paola Rios. I first saw her in the September '07 issue of *Voluptuous* and couldn't take my eyes off of her. shots of her in the wet T-shirt and the playful ones as she is pouring and rubbing suntan lotion over her gorgeous body. More, more, more!

The second new hottie is incredibly stacked F-cupper Tera Cox. When I saw her in the September '07 issue wearing that wet T-shirt, my eyes bulged as well as my cock. Now I see she is doing a new porn DVD with other super-stacked new cuties. She has such a down-home, approachable look, but when that bra comes off and her F-cups spill out, she's amazing. My order is already in for *Pounding The Pledges*.—K.B., Albuquerque, New Mexico

Dear K.B.: As you pointed out, Tera can be seen in *Pounding The Pledges* along with Gianna Rossi, Sabina Leigh, Panther and April McKenzie. You can also see Tera sucking and fucking in the DVD *Tits on Top* (April is in that one, too). As for Paola, she's the star of the new DVD Paola Rios: *Bad Girl In The B.A.* Find out more about Paola's DVD on page seven. FISHNET TEASE

TEASE? IZABELLA KNOWS YOU CAN SEE EVERY INCH OF HER BODY IN THESE PANTYHOSE.

Is Polish beauty Izabella naked in these photos? Or do the fishnet pantyhose count as clothing? It depends on your point of view. Certainly, Isabella isn't nearly as covered as Crystal Gunns and Brianna Costello are in the opening pages of their pictorials. But she's less naked than Penny Porsche is in her opener. To some men, fishnet hose are the closest a girl can get to being naked without being naked.

With a face and a body like hers, it's no wonder Izabella's luck has changed since we last saw her. At the time, she was unemployed, and her idiot boyfriend had broken up with her because he thought her tits were too big. Well, she found a new job in a bank. "I finally feel appreciated," she said of her horny male boss. And although she doesn't have a boyfriend...well, she doesn't want one. "I have many men, and I am having a lot of fun." We can just imagine how much fun they're having with her.

BEA MIGHT BE KINKY, BUT HE'D RATHER SEE HER IN THE KITCHEN

Dear SCORE,

While it's always a time for excitement and celebration when a new photo set appears with Bea Flora flaunting her unbelievable, wood-stiffening 42-inch rack, the kinky S&M thing (Sept. '07) just didn't do much for me. I'd like to see the breathtaking Bea in a more down home, down-to-Earth setting. For example, progressively stripping out of a white shirt, white bra, blue jeans and white panties.—Rufus, via email

TOO MANY BUSTY MODELS IS A NICE "PROBLEM" TO HAVE

Dear SCORE,

Years ago, despite many outstanding models, readers could identify and follow their favorite great model such as Lorna Morgan, Devon Daniels or Shar-day, to name just a few. These days, it has gotten harder to focus on just one or two favorite models due to your vast array of newcomers and veterans. This is a good problem to have and is a credit to you and your staff.

Also, I've noticed that many new models come from many parts of the globe. The former Eastern bloc and the UK have become a great source of models. But we are now seeing some lovely models from France (Natalie Fiore) and even Paraguay (Romina Lopez, Paola Rios).—Jack, via email

TO TATTOO OR NOT TO TATTOO?

Dear SCORE,

It seems like you're getting better while your competition keeps getting worse. But I do have a question regarding your models and many others I have seen elsewhere. What's up with all those fucking tattoos?

I realize it's a trendy thing to do throughout all of society right now, and maybe a small, tastefully done tattoo can be attractive, but so many models have big, hideous-looking art on their bodies, and it's not a turn-on at all for me. The same holds true for a lot of the male performers you have in your hardcore sections, but I don't care as much. I'm not looking at them, anyway. I still think it looks ridiculous to be covered with tattoos, but the guys are ugly, anyway, so who cares? So I'd like to request and sug-

gest that you find models without all the ink, or maybe you can wipe out the tattoos with your computer programs or what a lot of people still refer to as air-brushing.—T.H., via email

Dear T.H.: Thanks for your comments. We have also noticed that adult models and the population in general have more tattoos than ever before. We feel that to have or not have tattoos is a personal choice, so we don't reject a model for that reason alone. At least we haven't yet. We also feel that having tattoos shows a free-spirited attitude that goes hand-in-hand with a girl's openness and willingness to show her naked body to the world. Tattoos certainly are not a requirement, but girls who have them tend to be at least a little bit "wilder" and more receptive to the idea of posing nude and that's always a good thing.

As far as removing tattoos with electronic trickery, we try to keep photo manipulation to a bare minimum here. What you see is what you get. Also, a lot of our models do both photos and videos, and tattoos can't be removed from video (well, they can, but it's a painstaking and very time-consuming process). So, if we wiped them away on a model's pictures and then readers saw the tattoos on the girl's videos, it would be pretty obvious that some alteration had been done to the photos. We welcome any and all attractive girls with big boobs. Tattoos optional.

ANOTHER VIEW OF TATTOOS

Dear SCORE,

I know that a lot of readers object to the tattoos on many of your models' bodies. I have no problem with tattoos (I can take them or leave them, as long as they don't cover too much of the girl's body), but there's one body decoration that I enjoy very much: piercings.

I'm not talking about pierced ears, and I really don't have much use for pierced noses and lips. But whenever I see a model with a pierced belly button, tongue or clit, my first thought is, "That girl definitely loves to fuck!" And I think in most cases, that's the message she's trying to send.

Donita Dunes, a former Boob Cruiser, is a great example of this. She is one of the horniest porn stars I've ever seen, and she has piercings in her tongue, navel and clit. She's a great cock sucker on film and she takes it up the ass with abandon. She also likes to use the little hoops she wears on her pussy to pull her pussy lips apart.

Please show more girls with pierced tongues, navels and pussies.—G.B.,

**CLOTHED OR NAKED,
SOMETHING ABOUT
MORGAN LEIGH NEVER
FAILS TO GET US HARD.**

Time is running out for you to vote for *SCORE* Newcomer and Model of the Year, so we thought this might be a good time to remind you that the 2006 Newcomer of the Year, Morgan Leigh, is a finalist for 2007 Model of the Year. We should also point out that Crystal Gunns figures to be one of her main competitors, and in this issue, both Crystal and Morgan are seen in tight, sexy sweaters. So don't ever accuse us of not being fair!

Looking at these photos, we found ourselves asking, "Does this girl know how to take a bad photo?" From a technical standpoint, Morgan is one of the greatest *SCORE* Models ever. She just knows how to get our rocks off. And, of course, from a body standpoint, she's almost without equal.

A full-page photograph of a blonde woman with large breasts and a visible anal piercing, posing outdoors near water. She is wearing a red lace top and a red beaded necklace. Her hands are placed on her large breasts, and she is looking directly at the camera with a slight pout. The background shows a body of water and a distant shoreline with palm trees under a cloudy sky.

Sure, Morgan has the total package: gigantic, pointy tits, a tiny waist and a fuckable pussy. But it's the way she puts it all together that makes her special. The way she handles her tits just so. The way she tweaks her nipples just so. Her sexy gaze into the camera, her dick-hardening pink-pussy spreads. Somebody might beat out Morgan for Model of the Year. But it won't be easy.

CUMMING THROUGH

Continued from page 36

her thighs falling open over the panda's black-and-white flanks and exposing her tiny, pink jewel. Ken ate the stranger's muff with reckless abandon, cramming his tongue up into her tight honeypot and causing her to arch her back, forcing her cunt to grind into his face.

After Ken had licked her to two orgasms, he yanked down his trousers and pulled out his athletic fuck-puppet, his pole sinking into her velvety depths while she crossed her ankles behind his back and held on for dear life.

Ken slow-stroked for a good five minutes, turning his hips to hit spots inside Beth's snug tunnel that made her squeal. She tore out a clump of faux panda fur during one orgasm, and Ken could feel her ass practically crushing his balls, she was pressing against him so hard.

Before her last orgasm, Beth began fondling her boobs, pulling her nipples and kneading her hooters, lifting them to her lips so she could suckle them. Ken was in heaven watching her pawing her breasts, getting herself hotter and hotter.

"I love having big tits," she sighed, her face pinching with the throes of an impending climax.

While she writhed with her own cum, Ken held off—he needed only a few seconds—and pulled out. Beth cried out with disappointment when his thick shaft vacated her love tunnel, but Ken had other ideas. Grasping her ass in both hands, he lifted her off the panda's back and pressed his cockhead to the puckered prize of her back door.

"Ohmygod!" she screamed as the head of Ken's prick forced its way into her asshole. With her sphincter tightening, Ken unleashed a torrent of jizz into her ass. It was like her ass muscles had gone into lockdown. They'd seized around his joint, and he thought it might take a crowbar to loosen them again.

"Oh fuck! Fuck, you're cumming up my ass! Oh fuck, oh fuck, yeah!"

Encouraged by her approval of his unannounced anal invasion, Ken rocked his hips, barely able to move his pole but causing more cock sauce to boil out of his tingling nutsac. Ken had never fucked a girl with an ass this tight. He wondered if her anal cherry had remained unpopped until now.

Tits still jiggling, her muscles finally relaxed, Beth released Ken's flagging

pole. She extended a finger, dragged it through her ass crack and sucked off a warm wad of jizz.

"You ever think about working in a toy store? We're looking for another assistant manager," she said.

Ken shook his head. He helped her back into her rumpled clothes and stopped long enough while hooking her bra to give each of her nipples one more kiss. She purred, then pulled her shirt back on. She apologized about the action figure and let Ken out. Most of the storefronts had gone dark this late on Christmas Eve, but at the end of the block, a neon sign with a three-letter advertisement drew him.

Ken was already a double-Scotch and soda into his wallowing when the blonde in the full-length leather trenchcoat stepped into the nearly empty bar and shook snow out of her long, silky hair. She shrugged out of the coat, sidled up to the bar and ordered. Johnny Walker black, neat. The blonde set her coat down on the stool to her left and sat, leaving only a single empty stool between her and Ken.

She slapped a twenty-dollar bill on the bar, and downed a gulp of Scotch. She looked happy despite her tired appearance. One round later, there was no longer an empty stool between her and Ken, and after opting out of a nightcap, she offered him a lift home.

The blonde's name was Lynn, and she drove a big SUV that gave Ken hope they'd be able to make it home. The snow had been relentless, and Lynn was forced to crawl the neighborhood at 15 miles per hour, following taillights and Ken's directions. Soon enough, Lynn couldn't help but drift. She was constantly correcting her direction, the hilly road that wound to Ken's house not having been plowed.

"There," Ken directed. "Ease in there. Scenic overlook. We'll chill out here for a while until the plows go by again."

Lynn pulled over and threw the SUV into park, turned off the motor and left the heater running. It was warm in the cab; cozy and close. Lynn shrugged out of her coat, and Ken saw her tits jut up against the steering wheel as she struggled. He helped her wriggle free, and she had her mouth over his before the words "Thank you" had reached his ears.

Ken hadn't fooled around in a car since college, but eight years hadn't made him any less adept. He pulled

Lynn on top of him, his hands clutching her ass, dry-humping her through the constraints of denim and her leggings.

Ken hoisted Lynn over the front seat and followed behind her. She was already hitting the button, leveling out the recliner. Ken lifted her shirt, amazed to see the amount of titflesh her corset-style bustier was holding back. Lynn's tits were enormous, and when he slipped the last inch of lace out of the bustier's rings, her melons bounded out in all their glory.

"Holy shit!" Ken exclaimed, and Lynn giggled while pulling his face down between her mamms and smothering him there. Ken's hands had fondled lots of big tits before, but Lynn had world-class knockers, and Ken spent a long time paying attention to them.

Lynn couldn't get enough of Ken's boob play. While he lapped at her nipples and caressed every inch of what seemed like an acre of breast meat, Lynn pushed down her leggings and fingered her twat, occasionally sticking her salty fingers into his mouth for a taste of pussy before kissing him hard.

If he had to guess, Ken would have tagged Lynn as having a 40G rack. Having slobbered all over it and gotten Lynn's fat-as-cherries nipples standing at attention, he could resist no longer. Ken mounted Lynn's midriff and grabbed handfuls of tit, sandwiching his cock between them.

Lynn had to help. Ken was having a hard time despite his big hands. Lynn pressed together the sides of her boobs, which only made them stick out farther. Ken pounded her cleavage canyon, his balls dragging across her flat tummy and slapping against the bottoms of her jugs.

Ken braced himself on the back of the seat to give Lynn's breasts everything he had. He shoved aside a plastic bag of small boxed items and jackhammered her tits while she urged him on.

"I want you to cum on my face," Lynn pleaded, her voice passionate and dreamy. "Cum on my face and my tits."

Ken felt the sensation creeping through his balls that forewarned of an impending orgasm.

"I'm going to shoot all over you," Ken said. Lynn touched the tip of her tongue to her top lip in expectation of what was to come. "Oh, get ready!"

Ken let go of Lynn's firm tits, but their sheer weight parted them and exposed his bloated shaft. His veins rippled with the intensity of his hard-on, and Lynn's

eyes grew saucer-wide as the first geyser of spoooge shot out of his cock.

Ken stroked out spurt after spurt, and Lynn caught a mouthful before he pulled back and let his love lava gush across her gazongas. Lynn's boobs were doused in cum, spreading as gravity pulled the pools of jizz down the swell of her jugs.

Amazed at the volume Ken had discharged, Lynn used her sticky fingers to scoop up still-warm rivers of cum into her mouth. Gasping for air in the now-stuffy SUV, Ken sagged to the side, allowing a sweaty, slimy Lynn to sit up and examine herself.

"What a rush!" she exclaimed. "You cum like a fucking fire hose!"

"I got a thing for nice tits," Ken confessed to her.

Lynn had only just wiped hers clean when he pressed his palms to them again. Ken sighed, reminded that soon, he would be home without the gift he'd looked for.

"What's wrong?" Lynn asked.

Ken explained about having to go home empty-handed, how in the morning he'd have to let Jeremy down. Lynn started to giggle. Then to laugh.

"What?" he demanded.

She turned on the dome light and reached into the back, into the bag Ken had shoved aside earlier and withdrew...

"Guess who happens to be the representative for Mr. Magic?" Lynn said.

Ken was dumbfounded. His mouth was hanging open when Lynn stuck her tongue into it, and they made out for a full minute before coming up for air, Ken grabbing onto her tits.

"Hey," he asked. "What are you doing for Christmas?"

Lynn shrugged. "Going back to the hotel. Watch *Miracle On 34th Street* on cable, I guess."

"I've got a better idea. C'mon, let's go before we get snowed in here."

Lynn got behind the wheel, and Ken held his two toy treasures. Since his divorce, he hadn't spent Christmas with anybody but his parents and Jeremy. Bringing home Lynn...well, Mom loved everybody, and Pop was going to take one look at Lynn and enviously elbow Ken in the ribs. In the morning, Jeremy would be able to play with the toy he wanted more than anything else. And maybe Ken would get to play, too.

Ken believed Christmas might cum just a little bit early for him and his big-titted new friend.

SLIM-N-STACKED DAYLENE RIO IS THE KIND OF GIRLFRIEND EVERY MAN WOULD LOVE TO HAVE.

Tight sweaters, tight tops...now how about a tight dress! Newcomer Daylene Rio wearing a tube-top dress that shows off every inch of her 42-26-38 body seems like an appropriate way to end an issue dedicated to the glory of big-titted babes in and out of clothing. Which is what every issue of *SCORE* is about, right? "I wore this dress to go shopping one day," Daylene said. "The manager at one of the stores actually made me leave."

A full-page photograph of a woman with long, dark hair, heavy eye makeup, and red lipstick. She is looking directly at the camera with a slight smile. She is unclothed, showing her large breasts, and is wearing a silver, crescent-shaped necklace. Her hands are positioned near her breasts, and she is wearing a ring on her left hand. The background is a plain, light blue wall.

We're not even going to discuss the idiot manager who threw Daylene out of his store because her dress was too tight. It'll just make her angry. Instead, let's focus on the key facts about this Latina newcomer. Daylene is a house dancer at a strip club in Los Angeles, California. She decided to get naked for *SCORE* because she wants to be a porn star, and we think she's off to a great start. You'll have to be patient, men, but we do have photos and videos of Daylene doing the nasty.

"I'm always horny," Daylene said. "I go to bed horny and I wake up horny. It seems like whenever I wake up in the morning, I have one hand on my tits and the other on my pussy, so I just take it from there! Of course, it's even better when I wake up to a hard cock to suck and fuck. Those are the best days of all." Sounds like Daylene is our dream girl. "If you like busty girls who dress to show off and love to have sex," she said, "I'm your girl!"

CLAUDIA: ME FUCK BUNNY, YOU STUNT COCK

TO SOME MEN, PARADISE IS A BEAUTIFUL ISLAND IN THE BAHAMAS. TO OTHERS, IT'S FUCKING A GIRL'S ASS.

What's jungle boy doing in a professional studio? What's a jungle girl doing wearing clothing that looks like she bought it at a Victoria's Secret "All Slut Clothing Must Go" sale? And why the fuck are we asking these questions when a babe like Claudia Kealoha is gobbling down cock and showing off her pink cunt and pointy nipples for our viewing pleasure? Why the fuck, indeed.

These photos are from fuck bunny Claudia's scene in *SCORE Xtra #12*. She can also be seen sharing a cock with Summer Sinn in *Ultimate Summer Sinn* and playing teacher to a naughty student in *Big-Tit P.O.V.* You might want to check out those videos. You also might want to turn to this month's centerfold and see how many times you can coax cum out of your cock. Claudia, upside down, getting fucked silly. It's a beautiful thing.

CHAVON: THE SCIENCE OF GETTING YOU OFF

HEY, IT AIN'T ROCKET SCIENCE WHEN CHAVON TAYLOR IS USING HER TITS, MOUTH AND PUSSY ON YOU!

Chavon is a very smart girl. Working in her laboratory, she invents a concoction that turns any man who drinks it into a sex-crazed boob maniac. Now, we don't quite understand why a scientific concoction is necessary to turn somebody into a sex-crazed boob maniac, but, hey, whatever it takes to get Chavon's tits out of her top and her mouth around a cock is perfectly okay with us.

We've rarely seen a girl—especially a teenager—whose mouth looks so natural around a cock as Chavon's. Brandy Talore comes to mind. We're showing so many pictures of Chavon blowing dick because she has so many fascinating ways of doing it. Like we said, she's a bright girl. A horny one, too. And a determined one. Some day, she's going to be a cosmetologist. For now, she's fucking and sucking her way to porn glory. Why has she been so successful? Gentlemen, it doesn't take a scientist to figure that one out.
