Harmony Bliss busted out of a sweater, a bra and her panties in the December '07 issue.

STAYING WARM IN THE WINTER WITH BUSTY, COZY SCORE GIRLS

Dear SCORE,

Just when the ink is dry on my last letter, extolling the virtues of your sweater covers, you come up with your fourth sweater cover in 10 issues!

That blue turtleneck Harmony Bliss had on (December '07) had me hard immediately. No men's magazine caters to its readers like SCORE. I swear you publish the magazine with me in mind. Fall is here in the Northeast and winter is just around the corner. The only good thing about that is girls bust out their sweater collections.

SEND YOUR LETTERS!

If you have comments, criticisms or suggestions, send them to: SCORECARD, 1629 N.W. 84 Ave. Miami, Florida 33126. Or email us at: score@scoregroup.com

In the December '07 issue, newcomer Katarina bent all the way over to show what she's got. Zuzanna, another newcomer, laid back and spread her pink pussy and Luma got happy.

I can't wait to see what you guys have in store for the winter issues. Keep up the good work. I'll be waiting with hard-on in hand.—T.N., Ardsley, New York

Dear T.N.: You probably already know this, but we really busted out the sweaters in the February '08 issue. Our "All-Star Big-Tit Sweater Special" contained full-length pictorials in which Crystal Gunns, Morgan Leigh and Brianna Costello start out wearing sweaters, plus six pages of our favorite sweater shredders ever. It's still available on page 11 of this issue. And, yes, T.N., we do put together the mag with you—and all of our readers—in mind!

THE DECEMBER ISSUE WAS A "JACKTASTIC" ENDING TO A SO-SO YEAR

Dear SCORE,

I know a lot of guys have written in raving about the new art direction of SCORE. Personally, I feel 2007 was a little on the boring side. Don't get me wrong. All of it has not been bad. The July '07 layouts of Deena Duos and Corina Curves were outstanding. There were a few more highlights, too. There was one issue, though, that I kind of felt like I wasted \$10 on. There was not one

layout in the May '07 issue that I could get a rise out of. There were some attractive ladies in it, but I think the main problem for me is they were just wearing too much clothing. Case in point: Cynthia Romero. She has a hot ass and not a bad twat. I just wish I could have seen it better. At the opening of the spread, there was a fairly good shot of her ass in a thong, then it went downhill from there.

Another good example is the Alena Snow spread in the November '07 issue.

Eight bra shots, four nudie shots. Sorry, guys, but I just don't get turned on by women's bras.

The December '07 issue, though, is fucking jacktastic. The Katarina, Luma, Harmony and Zuzanna layouts have had me working overtime on my cock. A really good mix of tits, ass and spread shots. Mia Starr is probably my favorite. What a super ass she has and some pretty nice

Mia Starr busted out in the Dec. '07 issue.

pussy lips, too. I hope you feature her in 2008. These are the types of women that make my cock spit like a firehose.

I like to see women with big, fake tits, long pussy lips and curves. You know, a hottie. It seems in 2007, you were featuring more natural, average women, some with sagging breasts and rolls instead of curves. I know there are a few that like that kind of thing, but the December '07 issue is a good representation of what got me to start buying SCORE in 2001.

Whatever happened to Plenty Up-Topp? She was one of my favorites. I would like to see how she looks now and also see if her lips have gotten any longer.—Scott, via email

Dear Scott: We wish we could give you an answer, but in all honesty, we don't know what's happened with Plenty UpTopp. We've tried to get in touch with her but to no avail, and we haven't heard from her or about her in several years. Plenty, if you're out there, we'd love to hear how you're doing.

THE TITS IN TIGHT TOPS ARE BEST WHEN THE TOPS ARE REALISTIC

Dear SCORE,

Your "Big Tits In Tight Tops" pictorials never fail to get a rise out of me, and the one in the December '07 issue was no exception. That photo of Cindy Cupps is the best tight top shot I've ever seen. What made it even better is that I can actually imagine seeing Cindy wearing

It's easy to imagine walking in a mall and seeing Cindy Cupps dressed just like this.

With a dildo in her pussy and another in her ass, Emily Cartwright is sending an important message to **SCORE** Men: "Look at how tight my holes are! Imagine what they could do to your cock!"

that top in real life. Actually, the tops that all of the girls wore were very realistic.

When will we get to see more of Morgan Leigh in that white sweater she was wearing in the "Tits In Tight Tops" special?—D.M., Hallandale, Florida

Dear D.M.: There's a good chance that by the time you read this, you'll have already seen it. Morgan Leigh can be seen in and out of that white sweater in the February '08 issue. Don't have it? Order a copy on page 11 of this issue.

WHAT THE HANDS-FREE DILDO POSE SAYS ABOUT A WOMAN

Dear **SCORE**,

I've been reading in "Scorecard" and elsewhere that many of your readers don't like the dildo photos and would prefer to see the girls with their pussies unobstructed by toys, or simply fingering themselves. I usually would put myself in that group, but there are times when the dildos serve a purpose. Case in point: Emily Cartwright's spread in the December '07 issue.

In the picture on page 72, Emily is seen on her hands and knees with a big, flesh-colored dildo in her pussy and a smaller, metallic dildo in her ass. She is using the hands-free method to display both dildos. In other words, she isn't using her hands to hold the toys in her holes.

Such a picture sends a very important message to the viewer. That message is, "My pussy and asshole are so tight, they can grip a dildo by themselves." The message goes on to say, "If my pussy and asshole can do this to a dildo, imagine what they can do to your cock."

To me, that's what makes the hands-free dildo pose not "ridiculous," as some

readers have called it. It's not a big piece of plastic sticking out of a girl's openings. It's a message of great things to cum!—J.P., Trenton, New Jersey

BUSTY TEACHER DIANE POPPOS MAKES THE FANTASY REAL

Dear **SCORE**,

Diane Poppo as a sexy, big-boobed teacher (December '07) has to be every young man's fantasy come true. It was great for Diane to start the pictorial by wearing those eye glasses. I only wish she had kept them on throughout the whole pictorial. The other great thing is that Diane doesn't look like a stripper or porn star who's trying to play the part of a teacher. She actually looks like she could be a teacher. Her very subdued

Diane Poppo: every man's dream teacher.

hairstyle adds to the fantasy. The only downside to her outfit was her open, sandal-type heels. Even though they're not fuck-me pumps, I've never seen a teacher in those type of shoes. Way too sleazy. Most teachers wear demure, closed shoes or sandals with low heels.

I would imagine that there are many big-titted teachers out there who spend all too much time covering up their greatest assets, the ones that will really get their male students' attention. All I know is when I was in school, I always paid more attention to the hot teachers and never skipped their classes. Of course, I never had a teacher with tits like Diane's (unless you include the 60-year-old, matronly ones), but if I did, I would have never missed class. Of course, I would have been a bad boy all the time so she would keep me afterwards.

Thanks for this great jack fantasy. Diane was the highlight of the issue.—P.L., Tucson, Arizona

With her left tit resting comfortably on the guy's thigh, Charlee Chase takes a deep suck.

BLOW JOBS WITH A BOOB SHELF

Dear **SCORE**,

One of my favorite photos is when the girl rests her tits on the guy's legs while sucking his cock, creating a boob shelf. Charlee Chase does that pose to perfection in December's Xtra section.—R.D., Houston, Texas

SMILE AND THE WORLD JACKS

Dear **SCORE**,

The November '07 issue blew me away like an issue hasn't in a long time. This time there were not one, not two, but three women who made me a happy man. Nothing makes a woman more beautiful than a smile. Each of these ladies gave winning smiles.

Christy Marks, Iva and Jana wore their smiles—and very little else—in the November '07 issue.

First, there is Jana. What a gorgeous lady with a lovely smile. I liked her so much, I had to get the DVD *Busty Czech Babes*. Wonderful.

Then there was the return of Iva. We haven't seen her in your mag in over three years. Wonder what kept her away? Like you say, she loves all kinds of sex. I've seen her in various DVDs with men, women, and multiples. Even multiple transsexuals! What a wild woman!

Last, there was the debut of the very beautiful Christy Marks. I took one look at her and said, "Oh, my God! What an extremely beautiful young lady." Personally, I look at the face and smile before I look at the tits. This time, the entire package just blew me away. It will be a surprise if she does not win Newcomer of the Year. I may be speaking for many others when I say that I look forward to seeing Christy for a long time.

—R.C., Brooklyn, New York

SEVEN YEARS AND COUNTING...WE'RE STILL IN LOVE WITH CINDY

Dear *SCORE*,

Something tells me this won't be the only email you receive on this subject, but I just had to say what an absolute joy it was to see Cindy Cupps and read her interview in the November '07 issue just three short months after blowing the pages apart with her steaming bikini set in August '07.

I can remember the day I bought the January 2000

issue in which she first appeared (didn't it have Brittany Love on the cover?), getting to her layout and thinking, "Who is this doll? This is why God made me a boob man!"

I've since fallen more and more in love with her with each successive pictorial. I honestly can't think of any other model, ever, who sets my pulse racing in quite the same way when I see that she's in a new issue. The way she looks into the camera just makes the hair on the back of my neck stand on end and would even if she were fully clothed. I can't believe how unassuming she is for such an achingly gorgeous woman, and this just adds to her appeal. She also happens to have the most incredible areolae, which have never looked better than in the new pics. I could just suck on her tits for days without letting go.

Cindy has to be considered one of the greats and is a true ambassador for *SCORE* in every sense. My entry to win her bra is already on its way to you, and I'm gonna pray to the Boob Gods every night that I'm the chosen one. If I win it, I'm gonna sleep with it always. Sure, my wife might leave me, but I'll get over it.

Cindy, I hope to see you rightfully installed as 2007 Model of the Year and setting the pages of *SCORE* alight for many more years. You keep looking better than ever.

GET TO KNOW THE NEW E-CUP LATINA!
Some of you might recall that we had hoped to have Paola Rios with us in Eleuthera, The Bahamas for the filming of *Big-Boob Paradise* and the January '08 special issue. Unfortunately, flight snags got in the way of Paola traveling to Eleuthera. But when Paola couldn't come to us, we went to her! We hooked up with Paola in Buenos Aires, the capital of Argentina, for a full week of photo and video shoots that culminated with Paola's first video. It's called *Paola Rios: Bad Girl In B.A.*, and it lives up to the title. In six scenes, Paola gets very naughty!

PAOLA IS A KINKY GIRL!

In *Bad Girl In B.A.*, Paola shaves, bathes and wraps her natural sucklers in plastic wrap. She creams up her dark, pointy, areolae—some of the best we've ever seen—and even shows her dominant side by playing dominatrix. She uses a suction device on her nipples, turns herself into the most delicious dessert you've ever tasted and dildoizes herself into a loud, sticky orgasm. *Bad Girl In B.A.* is Paola's first and only video, and you can order it on page 105 of this issue. CINDY & CRYSTAL IN TITS & TUGS: WHICH GIRL TUGGED BEST?

Dear SCORE,

Cindy Cupps did a fine job in the DVD *Tits & Tugs*, but Crystal Gunns' performance was more erotic and creative. I especially loved it when she first tit-fucked her lucky stud while her bra was still on, creating a nice, tight squeeze around his quite swollen appendage. The positions/point of view used during Crystal's performance were superior.

I would have loved to see the male cum while they continued to thrust between Cindy's and Crystal's breasts or be milked dry by either Crystal or Cindy wrapping their breasts tightly around their erect cocks, pumping and draining them dry as a nice pool of semen collected at the base of their necks (instead of hand job ejaculation).

Also, Morgan Leigh mentioned she loves to tit-fuck. Do you think she would be interested in starring in a second video featuring hand jobs and exclusive, never-before-seen tit fucking? She did an awesome job with a dildo in the DVD *Big-Tit Glory Hole*. Perhaps she could be featured with Alena Snow.

I'd love to see Cindy Cupps in a different vignette. How about her dressed in a sexy nurse's outfit similar to her photoset in the November '07 issue? I love the sexy green bra, etc., she had on. Perhaps she could perform a slow, sensual oil massage on a very lucky male patient and herself, followed by some great tit-fucking.—S.G., via email

A COUPLE OF REASONABLE IDEAS

Dear SCORE,

I am a long-time reader of your publication and have a couple of ideas I think would enhance future issues.

1. Consider printing a deck of playing cards featuring your models as you did several years ago in *SCORE*. By spreading them out over several issues, readers will need to buy them all in order to have a complete deck.

2. Consider printing a special issue in anaglyphic 3-D. It's gimmicky and requires the use of special polarized glasses, but it would be very effective in showing spectacular curves.—Name and address withheld

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

THANK GOD FOR JINGLE JUGS

GIVE A LOVED ONE THE GIFT OF TITTIES & BEER.

Using the astounding technology behind the talking fish mounted on a plaque, a true boob genius has created Jingle Jugs, one of the greatest inventions of the last 100 years along with *SCORE* magazine.

"I thought America was crazy when I heard that they sold 18 million of those singing fish, Billy the Bass," said Dave Miller, founder of Jingle Jugs. "I said, 'If I could come up with some singing breasts, I'd be able to sell a heck of a lot more than those.'"

Dave made his dream a reality, and now sports bars and tit lovers around North America are snapping them up. These bouncing, shaking plastic tits are powered by either D batteries or a 120-volt AC power adapter. The Jingle Jugs can be hung on a wall or displayed on a flat surface with the enclosed easel. Jingle Jugs can be turned on by pressing a button, or it can be set to activate automatically by a motion sensor so anyone who walks by will turn it on.

When activated, Jingle Jugs jiggles in rhythmic motion to Boob Beat's favorite song, "*Titties & Beer*" by Rodney Carrington, the great country-western musician-comedian. Another version of the Jugs comes with recordable chips so you can play your own message (or get a girl to record one) as the boobs bounce. Next to a three-year subscription to *SCORE* magazine, Jingle Jugs is the perfect gift for the breast man. It comes with a red bikini top that can be removed to expose bare titties (suitable for fucking), or the top can be left on so it won't offend hypersensitive nipple haters.

Shown in the *SCORE* Studio with the Jingle Jugs is sexy newcomer Janet Jade (February '07), who easily out-guns it in every dimension, except you can't mount Janet on your garage wall like Jingle Jugs. For

The Jingle Jugs plays the song *Titties & Beer* when a person walks past its built-in sensor. When you walk past Janet Jade, you get a massive boner.

complete details, check out their site, JingleJugs.com.

By the way, this isn't just fun and games. Their traveling display, called "Jugs Across America," is helping in the fight against breast cancer, as well as promoting the mechanical mammaries.

Calling itself the world's only traveling breast museum, the tour stops at college football games and other sporting events around the United States. It consists of a convoy of vehicles, including a 53-foot-long semi-truck trailer that's retro-fitted inside as a combination bar, grill and art gallery that's open to the public and displays over 100 sets of Jingle Jugs that have been decorated by a group of artists. They love tits!

The Jingle Juggies have already donated \$50,000 to the Susan G. Komen Foundation, and it hopes to raise another \$100,000 during its cross-country tour. The Jingle Jugs Across America Tour is being billed as "bouncing to a city near you." Only in America, my boob brothers. Only in America.

The Jingle Jugs is hopelessly out-boobed by *SCORE* newcomer Janet Jade (44-inch bust & bra size 38DDD). However, you can't mount Janet on your wall.

BIG-BOOB PREJUDICE STRIKES AGAIN

A 33-year-old, big-boobed English tourist gambling at Christchurch Casino in New Zealand was told to leave because she was showing too much cleavage. The incident made headlines worldwide.

Are the managers of this casino insane? When will big-boob prejudice end? When will governments around the world draft laws to protect the civil rights of those who are blessed with more sweatermeat than the average woman?

The well-stacked tourist said she was shocked and hurt by the employee's request.

"She just said, 'You're causing offense because you're showing a lot of front. You need to cover up or you need to leave,'" the chesty gambler said.

She didn't leave right away and borrowed a zip-up top from a friend. She said she has worn her low-cut dress without any complaints. No complaints here.

"I was highly embarrassed and humiliated. There were girls at the casino wearing short skirts that are nothing more than belts. I feel I've been discriminated against for having big breasts."

Tera Cox has a message she wants to get off her chest.

TOO SEXY FOR HER FLIGHT

In a sickening example of sexy-clothes prejudice, a 23-year-old hottie dressed in a skimpy outfit was led off a Southwest Airlines flight to Arizona for wearing clothing that was considered too sexy. The story made international headlines.

Kyla Ebbert said a Southwest flight attendant (a girly man?) asked her to leave her seat while the plane was preparing to leave San Diego. Ebbert, a Hooters waitress and student, was headed to Tucson, Arizona. She said Southwestern told her she would have to catch a later flight.

"You're dressed inappropriately. This is a family airline. You're too provocative to fly on this plane," Kyla quoted the employee as saying. "I said, 'What part is it? The shirt? The skirt? Which part?' And he said, 'The whole thing.'"

Ebbert was eventually allowed back on the plane after adjusting her sweater, but said she was humiliated

and embarrassed in public. The attendant calmed down after Kyla made adjustments that included covering her stomach.

Southwest's CEO issued a public apology to Miss Ebbert and an invitation to fly on the airline: "From a company who really loves PR, touche to you, Kyla! Some have said we've gone from wearing our famous hot pants to having hot flashes at Southwest, but nothing could be further from the truth. As we both know, this story has great legs, but the true issue here is that you are a valued customer, and you did not get an adequate apology. We could have handled this better, and on behalf of Southwest Airlines, I am truly sorry. We hope you continue to fly Southwest Airlines. Our Company is based on freedom even if our actions may have not appeared that way. It was never our intention to treat you unfairly and again, we apologize."

Would Southwest Airlines deny April McKenzie a boarding pass if she dressed like this?

DISCRIMINATION AGAINST FLAT CHICKS? THAT'S A SWITCH!

Policewomen in Scotland are being ordered to wear yellow trousers with their fluorescent jackets if their chest measurements are under 36 inches so they will stand out better to drivers. Is there something wrong with yellow hot pants?

Female police officers of the Northern Constabulary (serving northern Scotland) claim the yellow trousers rule is sexual discrimination and singles them out as flat-chested. It does seem like small-boob prejudice.

"The women who have received this memo feel very aggrieved that they are being told to highlight the fact they have smaller chests than others by wearing bright yellow trousers," complained an anonymous policewoman. "This is insulting and embarrassing and appears to be sexual discrimination on the basis of chest size."

Police brass say the change complies with new European safety rules. A chief inspector sent out a memo explaining that male or female officers with chest sizes less than 36 inches have to wear both jacket and trousers, while officers with larger chests can wear only the safety jacket. (And their standard-issue trousers, of course. It's chilly in Scotland.)

"It's just another Euro law gone silly that we just have to abide by," said one observer. "There are women thinking this is discriminating against them because they don't have big breasts." Boob Beat salutes the policewomen of Scotland.

CELEBRATING 100 YEARS OF THE BRA

The Maidenform company is celebrating the 100th anniversary of the bra and the role that the company played in making the bra what it is today.

The word brassiere comes from the French word for "upper arm" and was coined by *Vogue* magazine in 1907.

Mary Jacobs patented her brassiere in 1914.

New technology is constantly changing how bras are designed and manufactured.

Dr. Joanna Scurr of the University of Portsmouth in England is one of the scientists leading the way.

"Bras are designed to support up and down movement," she said. "We found breasts move up and down, from side to side, and back and forward. Previous research has only looked at vertical movement, which we found contributes only 50% of the overall movement. Current bra design is inadequate, and I think it is putting women off exercising. There really are women who want to exercise but who don't have the bras to cope. It is only recently that bra design has turned to science. There was no research. It's like designing a car without first thinking, 'What is the purpose of this?' We need to think, why do we need bras? What do we need them to do?"

Studies show 60% of women suffer breast pain during exercise when their breasts bounce. This pain affects women of all cup sizes. Breasts actually move just as much during a slow jog as in a fast sprint, and breasts move in three dimensions including forward and back.

Dr. Scurr carried out a two-year study into the effects of exercise on boobs; 70 women were monitored during a variety of activities. Each woman walked, jogged and ran while wearing different types of bras. During the tests, Dr. Scurr took biomechanical and breast movement measurements. Breasts moved the same amount in and out, up and down and from side to side when the subjects walked. But when a woman jogged or ran, the movement changed to a figure-eight pattern with 51% of the movement being up and down, 22% side-to-side and 27% in-and-out. The findings indicate that the best support is from an encapsulation bra, which has separate molded cups instead of a compression bra that flattened the breasts to the chest wall.

In A-cup women, sports bras reduced breast movement by 53% and in G-cup women by 55%. Dr. Scurr is working with bra manufacturers in the UK to invent more supportive bras, and she believes the refinement of smart fabrics will result in a bra that literally transforms to a woman's breasts and activities. Science bounces forward!

Via Paxton is too sexy for her bra, which looks ready to explode. This year, Maidenform marks the 100th anniversary of the brassiere, which was actually patented in 1914.

"SQUIRT, THIEF!"

A shoplifter squirted her breast milk at a store detective when he tried to stop her from stealing. The woman exposed her tits and milked away after being caught at a co-op store in Leicester, England. The attack is the latest in a trend in which criminals try to get their DNA on officers so they can accuse them of sexual attacks. Sounds like a good news/bad news situation.

Natalie Fiore didn't lactate all over the place. She just got milky.

LICENSE TO WED

In an election bid for the leadership of the Bavarian Christian Social Union, a candidate suggested that marriages should dissolve automatically.

"I propose that marriages lapse after seven years," divorcee Gabriele Pauli told reporters in Munich. "This would mean that one will only commit for a fixed period and will actively have to renew your vows if you still want to continue."

Fraulein Pauli is a district administrator in the Bavarian county of Fürth and is a beautiful, twice-married MILF.

"Maybe people live better outside of marriage," Pauli said.

It's estimated that about 38% of Germans get divorced.

SEXY SAILORS: AUSSIE NAVY HAS BUSTIEST BABES

The Australian Defense Force has denied paying for breast enlargements so that female sailors could look sexy and said the military only pays if surgery is needed for psychological reasons. The Navy paid \$10,000 each for the sailors, aged 25 and 32, to have cosmetic breast enlargement. The plastic surgeon who performed the operations said the sailors claimed the breast enlargements were necessary for mental health reasons.

"I've had two female Navy officers who've got the Navy to pay for breast augmentation for psychological reasons," the doctor said.

A military spokesman said operations purely for aesthetics were against policy but were allowed in some cases for psychological reasons.

"The suggestion that taxpayers are funding breast operations for defense personnel to look sexy is not only wrong but insulting to the dedicated people who serve in our defence force. Where there are medical or dental reasons for a procedure or compelling psychological/psychiatric reasons that may result in a member being classified unfit to deploy on medical or psychological grounds, then we will certainly consider their needs in accordance with our policy." Huh? Wha'd he say?

We urge all armed forces of all nations to pay for breast enlargement for female personnel and then email their test shots to model@scoregroup.com.

The Australian Navy would kill to have Ariana and Dawn Stone swabbing their decks.

1,000 BIKINIS

More than 1,000 patriotic Australian women donned free bikinis on Sydney's Bondi Beach for a group photograph to win a spot in the *Guinness World Book of Records*.

"This was certainly one of the more spectacular world records that I've been invited to adjudicate on," said Chris Sheedy of Guinness World Records. "As an Australian myself, it's logical that any record involving sun, sand and surf should be held in this country."

Bondi lifeguards turned their headquarters into a dressing room to allow each woman to change into her bikini.

WHEN NEWCOMER SIMONE LEE WALKS DOWN THE STREET, EVERY PART OF HER IS MOVING!

"I like to think I've got something for everyone," said New Jersey secretary Simone Lee. "If you like pretty girls, I've been told I have a pretty face. If you like big butts, I've got a nice juicy one. And if you like big tits, which I know you do, mine are all-natural E-cups. My boss—he's in his 40s and pretty cool—tells me his two favorite parts of the day are when I walk into his office and when I walk out."

For her *SCORE* debut, Simone decided to wear one of her favorite business suits, something she often wears to the office. It came off quickly. "Hey, there are guys where I work who see me dressed every day," she said. "They want to see me naked, so here I am, boys! You're finally getting to see Simone Lee's big, brown titties. Enjoy!"

Simone looks sweet, but she fucks a lot. "I like it between my titties, I like it in my pussy and I even like it in my ass," she said. "When a girl has a pair of tits and an ass like mine, it wouldn't be right for her to hold 'em back, right? Guys love my titties, so I tell them, 'Fuck 'em!' They love my ass so I tell them, 'Stick that big ol' cock of yours right in there.' I'm a girl who aims to please her men."

**The two bank robbers had cash,

H-Cup Hostage

BY BILL GUNDY ILLUSTRATION BY OTIS SWEAT

Jenna had noticed the two cute guys at the counter across from her arguing about something while filling out their deposit slip. How could she help but notice? One kept staring at her. Well, more accurately, staring at her tits. By the time she had filled out her withdrawal slip, everybody in the bank had stared at them—her tits, not the two cute guys. Some had trouble looking away. They were, after all, head-turning headlights. Walter, the wizened security guard—80 if he was a day—always ogled her without reservation. Ol' Walter might have been a fossil, but he still loved to undress a hot woman with his eyes. Especially if the gal was, as he had once confided in her, "Healthy-like."

Jenna was healthy-like and then some. Standing at the counter in her Lycra hot pants and skin-tight halter top, women and men couldn't help but stare. The men all appreciated her body, and Jenna was pretty sure that a few of the women did, too. She had a sneaking suspicion that Annie at the teller window might like to get into her pants. The other women looked on in distaste, but Jenna didn't mind. No halter top ever created could do a good enough job handling her H-cup hooters, and despite their firmness, when unrestrained by a bra, they always attracted attention.

Jenna walked across to the teller windows to wait on line. She had on her fannie-bag, which rested comfortably on the swell of her heart-shaped ass. Her ass didn't get quite the attention her mammoth jugs did, but it was a damned good ass, and she was proud of it. Race-walking (no way could any sports bra allow her to jog; she'd knock herself out!) kept her in good shape. Since she considered sex an aerobic exercise, she imagined fucking kept her pretty fit, too. And she did a lot of that.

Annie was helping another customer, so Jenna stepped up to Lillian's window, glancing back once more at the two cute guys in line behind her. They were a few customers back, still arguing about something. They might have been brothers, except the one with the dark hair was taller with high cheekbones and a jaw that looked like it had been carved out of rock. The slight-

SWEAT

ly shorter guy, maybe five-11, had dirty-brown hair and a narrower face, like one of those guys you saw modeling tuxedos in rental shop window signs. Not quite GQ material but certainly not gay-looking like some of the tux model studs.

Lillian, not quite as old as Walter but getting there, scowled disapprovingly as Jenna leaned on the counter, her tits filling up the entire bottom third of the teller window. Jenna loved flaunting her tits this way. Lillian should have been the snooty town librarian, the way she looked and acted so prudishly. Jenna slid her withdrawal ticket beneath the glass—her boobs barely allowing room for the paper—and waited. Lillian counted out a hundred dollars, put it into an envelope and moved to pass the money back. Then her mouth dropped open and her eyes bugged out.

Jenna quickly looked down, expecting to see that one of her halter top straps had snapped and her tits had flopped out into plain view. That had happened once at the Kwik E Mart and nearly bowled over the shaky-handed teenager serving her a Slushee. But all Jenna saw when she checked was an expanse of

creamy cleavage and Lycra stretched to the breaking point.

"Nobody move!" she heard a man shout. "Nobody fuckin' moves, nobody gets hurt!"

Jenna moved. She half-turned to see that one of the cute guys had jammed a gun to the glass at Annie's window. Annie was quickly hustling bundled packs of bills into a sack. A trill of excitement ran up Jenna's spine, and despite the grim circumstances, she felt her nipples grow hard, biting into the Lycra, the textured fabric getting her even more excited. She caught the robber with the dirty-brown hair glance her way and flash a tight-lipped smile. A moment later, his dark-haired cohort backed away from the window, and the pair moved to leave. In the distance, a siren wailed, but it was too far away.

The pair of robbers exchanged looks and ran for the door. On the way, the dirty-brown haired holdup man swept Jenna up in one arm, slung her over his shoulder, and continued through the door without breaking stride. Jenna screamed and pounded him on the back, demanding that he let her go. His part-

ner threw open the door to their getaway car, Jenna was tossed roughly into the back seat, and the screeching of tires and the smell of burnt rubber filled the air. Before they could even see a cop car approaching, they were out of town.

"A wright," the dark-haired man said. "You watch her while I go get us some supplies. I'll be back as quick as I can."

It was dark out, and Jenna was sitting Indian-style on a ratty throw rug on the floor. Dale, the brown-haired one, nodded. They'd put away the guns and counted up their take in the hours before nightfall. Just over \$20,000 was piled on the table. But there was no food in the safe-house, and eventually, both men and Jenna had gotten hungry.

That left Dale and Jenna alone. The two bank robbers had treated her all right so far, she couldn't deny that. But all the while they had been cooped up together, she kept catching Dale looking at her. She recognized that look. If this had been a dance club instead of a decrepit, abandoned farmhouse, she probably would have shot him some longing looks of her own.

Jenna got up, stretched—posed was more like it—and came right over to the table, stunning the bank robber.

"Hey, where do you think..." he started, but Jenna just sat on the picnic-style bench opposite him.

"Hey," she said, "my ass is getting sore from sitting on the floor. Chill out, will you?"

Dale sized her up. Seemed to like her spirit. And he couldn't keep from staring at her boobs.

"Ass hurts, huh?" he said, half-grinning, half-leering at her. Jenna got back up and turned around, presenting her ass to him.

"Those boards are digging into me," she said. "Look!"

Panty-free, Jenna peeled down her hot pants and wiggled her buns for Dale, who she suspected was swallowing a man-sized lump in his throat and developing one in his pants. She looked over her shoulder.

"See?" she prodded.

Oh, he saw all right! He got up and came around the table. Her back was to him, but she was being bent forward, her tits pressing into the tabletop. Dale began rubbing the deep grooves in her ass, massaging them out. The feeling of his

Game Girl

HANNAH CLAYDON LOVES TO PLAY GAMES. HOW WOULD YOU LIKE TO PLAY SOME GAMES WITH HER?

"I love playing video games," said Hannah Claydon, who's making her second appearance in *SCORE* after fascinating us with her beauty in the March '07 issue. "I have Xbox and Playstation, and I can beat just about anybody. I'm really very good with my fingers." She's referring to her fingers on the remote of course. "And other things," she said, teasingly licking her finger. "I'm a hands-on girl."

You don't normally expect a beauty like Hannah to be into something that's considered geeky like video games. "I have a lot of surprises in store for a man who's interested in getting to know me," she said. Such as? "Well, I want to be a lawyer. A lot of people can't believe a girl with blonde hair and big breasts is smart enough to be a lawyer, but you know what they say. You can never judge a book by its cover." But just in case your main interest in Hannah is focused on her big tits and great body...well, she's okay with that, too.

"There are definitely times that I want to be respected for my mind and times when I want to be respected for my looks," she said. "If I'm on a hot date with a man I'm attracted to, we don't have to waste time talking about world events and making small talk. I want him to tell me what he's going to do to me when we get back to his place, and then when we get there, I want him to treat me like a sex object. Rip my clothes off! Suck on my tits and pleasure my nipples. Stick a finger in my pussy and tell me how you're going to fuck me. When we're done, when you're spent and I've had about a zillion orgasms, we can talk about politics and play video games. But when I'm horny, sex is the only thing I want."

DAPHNE
ROSEN, A
BABE WHO
HAS IT ALL.**

"I'm really not a very good pool player," Daphne said as she looked up from the ball she was trying to sink in the side pocket. "But I've been told I look very good bending over a pool table." From the front and behind, as you're about to find out in yet another pictorial that proves Daphne is one of the most fuckable big-tit porn stars ever. "I have this fantasy about being fucked in the ass while I'm playing pool," she said. "I wonder if I'd lose my concentration?"

This pictorial has it all: Daphne in a tight, white, wet top, Daphne in short shorts, Daphne showing off her tit-fucking skills and Daphne showing off her spectacular ass cheeks (as well as her tight asshole and pussy). Look at the big photo on this spread! Yeah, we're all tit men around here, but would any of us pass up the invitation to grab a chunk of Daphne's big butt and sink our dicks in either of her two holes? "I love the way the high socks frame my openings," she said. "If I were a guy, I'd want to fuck me! I just love how nice and big and round my ass looks, and I love how pink my pussy and asshole look. I'm sorry. I'm just proud."

There's been an ongoing debate in "Scorecard" over whether the models should use toys or simply spread their unobstructed pussies. In this pictorial, Daphne proves there's room for both poses. Yep, her pussy is spread and ready, and when you turn the page, you're going to see one of the best dildo shots ever: Daphne with a toy crammed all the way up her cunt. Enjoy, fellas.

H-CUP HOSTAGE

Continued from page 34

strong hands on her butt made her sigh. He was good with his hands. It made her wonder about the rest of him.

When Dale had thoroughly massaged the creases out of her sore ass, Jenna stood up straight and faced him. She'd felt the bulge in his pants against the back of one thigh while he'd been kneading her bottom. She wondered how long it'd been since he'd had a woman.

Jenna sat down again, not bothering to pull up her hot pants. She was eye to eye with his crotch now and pressed her palm to the rigid outline of his cock. Jenna undid Dale's belt and started fondling his manhood. He had a fat, veiny prick, and she was pulling it to her lips when Dale retreated.

"I ain't getting too close to you," he protested, his cock bobbing in the air. Though she knew he had to be desperately horny, Jenna also knew he was wary of her catching him off guard, maybe making a run for it. Just to reassure him, she stuck out her tongue and licked the head of his cock, teasing his piss-hole with the tip of her tongue. Dale was right to be wary. He was in no shape to run anywhere.

"Okay," Jenna sighed theatrically, though she was horny as hell and Dale

had a nice piece of meat swinging between his legs. She decided on another course of action. Lying back on the picnic bench, she yanked up her halter top, freeing her enormous hooters. Fully reclined, her feet planted on the floor like a weightlifter, she coaxed Dale closer.

Dale stood to the side of the bench, just above Jenna's head. She took his swollen dick in her hand and urged him even closer. His hard balls were wrinkled and tight, and she opened her mouth, engulfing his sac between her warm, moist lips. While sucking on Dale's nuts, she stroked his pole.

Dale opened his feet to better allow Jenna to tea-bag him. She was slathering drool all over his balls, and he was digging it. He'd been in county lock-up for the past eight months, and every minute of pent up sexual frustration was beginning to loosen now as Jenna jacked him off. He pulled back a little, his saliva-dripping nuts resting on Jenna's cheek. He eased the head of his cock into her mouth, and she greedily sucked three inches down.

Her tongue flicked the tip of his bone, and she sucked him hard and fast. Slowly, she pulled more of his dick into her mouth, and he groped her breasts, tweaking her nipples and squeezing them aggressively, the way she liked it. With her hands free, Jenna put one to use on herself, rubbing her swollen clit with

the pad of her thumb. She could smell her musky fragrance overpowering the stale scent of the room. Another inch of dick passed her lips as Dale's cockhead scraped the back of her throat. Man, this guy was hung!

Jenna was gulping down at least seven inches of cock, drool spilling out of the corners of her mouth as she strained to deep-throat the outlaw. His balls slapped her nose, and she tasted a trace of salty discharge that was leaking down her throat. She used one hand to spread her pussy lips and inserted first one, then two fingers, into her oozing hole. Her heels bounced as she arched her back, desperately trying to take the last inch of Dale's shaft.

"God, you've got huge tits," Dale mumbled. He was rocking on his heels, too, fucking Jenna's mouth and getting closer to blowing his wad. Jenna hummed around his man stick and the vibration traveled up the length of his schlong and signaled his balls that it was time to let go.

Jenna felt herself cumming. Her thighs were sticky with cunt sauce and her fingers were gummy with twat grease. She was groaning and moaning into Dale's member when she felt his balls contract so tight that they lifted off her face. Then she knew.

She rammed her cum-lubed fingers into her slot faster, working up to a second orgasm just as Dale's boiling slop flooded her mouth. Hot, gummy jizz coated her tongue and splashed against the roof of her mouth. Jenna gulped, swallowing down mouthfuls of spit and cum, frantically trying to keep pace with Dale's draining balls.

"Oh, yeah!" exclaimed Dale, cumming with all the force of a man who hadn't ejaculated in nearly a year. "Swallow it! Drink my jizz!"

Jenna closed her mouth to keep any of Dale's tangy cream from escaping her mouth. With one hand working her snatch, she gripped his fat prick with the other and short-stroked him, forcing his spasming cock to belch out another few gobs of nut butter. Gasping for breath and shaky-legged, he pulled his dong from between Jenna's semen-stained lips and squeezed the last drop of cum out of his cock. She stuck her tongue out so it wouldn't hit the floor and caught it.

"What the fuck is going on here?"

It was Dale's accomplice. He was standing in the doorway, a grocery sack

It's a good thing for the other 14 finalists for 2007 *SCORE* Model of the Year that the polls are closed because this pictorial might have stacked the deck irreversibly in Marilyn's favor. She won 2006 Model of the Year by a slight margin over Crystal Gunns, and as this is being written, she's involved in a four-way battle for the 2007 award with Crystal, Denise Derringer and Morgan Leigh. These pictures prove how great she is.

That this is one of the zaniest pictorials we've ever seen—dominatrix on a home gym—is irrelevant when you consider how amazing Marilyn's G-cups look. Check out the photo to the right. No wonder Marilyn has such small arms; it's impossible to do whatever that exercise is she's trying to do when her tits are getting in the way! In all these pictures, Marilyn proves what a slim-and-stacked marvel she is. "There's never been anyone like her," wrote E.G. from Rome, New York. "Her body is an impossibility."

"To be honest, I do not do a lot of exercise," Marilyn told us through an interpreter. "I seem to be able to eat anything I want and it all goes to my breasts. I am lucky in that way." So are *SCORE* readers, who know they have a true treasure in Marilyn. "I am flattered that they voted me Newcomer of the Year and Model of the Year. I would love to win again, but if I don't, I will not be disappointed. I am happy for what I have." And we're happy for everything Marilyn keeps giving us.

THE DIARY OF A FEATURE DANCER

BY CRYSTAL GUNNS

Hey, guys! I would like to start off by saying that this was the best year yet for the Gentlemen Club Owner's Expo, even though there was no Fan Fair. All of the big-busted features were upset that they weren't going to have a Fan Fair, but everything worked out.

Glamourcon, Chicago, Illinois

It all started on August 24th when I flew to Chicago to attend Glamourcon. I was a little hesitant to do the show because most of the girls there are Playmates and ex-Playmates. Chelsea Charms talked me into going, and I'm glad she did because I met a lot of fans I didn't know I had in Chicago.

I flew in Friday night and met up with Elektra and Chelsea and also with my webmaster, Cubeman. Cubeman does all of our websites. This was going to be a crazy seven days for me because I was rebuilding my website and I needed a lot of material.

Everyone arrived Friday night, and we all got together because we hadn't seen each other in a long time. We just stayed up and gossiped until around one in the morning. The next day, Glamourcon started at 11 a.m. and ended at six p.m. The convention was in the same hotel where we were staying, so that was good. Well, kind of. The hotel had no air conditioning because the night before, a storm took all the power down. Chelsea called me the

It was great spending so much time with Chelsea Charms at Glamourcon and the Expo. Every time I see her, I can't believe how big her boobs are!

day I was fly-ing in and told me that the hotel, the Crown Plaza at O'Hare Airport, was running on a generator.

So, the day of the convention, they brought out these huge fans so we wouldn't die of heat exhaustion. It was so hot, but with the big fans, it wasn't that bad.

Anyway, we all met at the convention center. Chelsea, Elektra and I had one big table that we shared. I thought that was a

good idea because our table had a little of everything.

Elektra was a little hesitant to share a table with us because of our big tits, but we told her she didn't have to worry; she's a tall, skinny, beautiful blonde. I also told her that when any guy got a picture with me and Chelsea, we'd

Doesn't that look like the most comfortable pillow in the world that Elektra's resting her head on?

send him to her next.

At Glamourcon, guys were allowed to bring cameras, but if they wanted

a picture with a girl, they had to pay \$10 a picture. That's what the three of us were charging. We were hearing from the fans that the other girls were charging \$20, but we didn't want to change our price because we thought we would get more fans. All of us were nervous because we had never done this before. Well, things started off slow but then picked up, and the fans were happy to see some big-busted girls there. By the end of the day, the three of us were happy that we were there.

That night, Elektra and Cubeman were tired, so Chelsea and I met up for dinner. We ended up going about two blocks away to a steakhouse. We had a couple of drinks, ate and then went back to the hotel. Then we called it a night because we had to

get up early for the convention and all of us were flying out to Vegas after Glamourcon ended.

Things went a little slower at the show Sunday. We had hoped

it would be busy, but it wasn't. But as the day was ending, one young fan had to fuck it all up. He had been there all day but didn't know he had to pay for pictures. He brought his camera thinking he could snap away for free. Security had told him he had to pay. He was following me around the whole day. At the end of the day as we were packing up, he kept asking me for one picture, and I kept telling him it was \$10. By that time, Elektra and Chelsea were laughing at him because they know I don't give anything away for free. Well, I had a change of heart, and no one could believe it. I felt bad for the young guy, so I told him he could take a picture. He was so happy. As I was posing for the picture, he was taking forever, so I told him to hurry because we needed to pack and catch a plane. Well, he started getting nasty and telling me to have fucking patience. I said, "Listen, you're lucky I'm giving you a free picture." After he took the picture, he was like, "Thanks, you fucking whore." Chelsea, Elektra and I jumped all over him. I got security and they took his camera away and threw him out. I always say, it takes just one asshole to fuck up your day.

Oh, and I almost forgot to mention this one guy who wanted to be punched and kicked in the balls! He was willing to pay \$50 for that. I told him I didn't know if I could because I'd never done it before. At

the end of the day, as Elektra, Cubeman, Chelsea and I were waiting for the shuttle to the airport, he came running around the corner, begging me to kick him in the balls! Everyone was egging me on

I felt like I never stopped posing for pictures at Glamourcon.

to do it, so I did it. I kicked him as hard as I could and kneed him as hard as I could. He gave me \$50 and told me thanks, I had made his day. He told me that was his fetish and he let girls do that to him all the time, but he never had a big-bust model do that to him. He

Me, Vixen LaMoore and Chelsea made for a fantastic threesome at the Expo.

thanked me for making his wish come true.

Well, what a weekend! Off to Las Vegas!

Expo Week, Las Vegas, Nevada

Elektra, Cube-man and I were on the same flight to Vegas, and we were all upgraded to business class, so that was fun. Elektra couldn't sleep, so we just sat up, read magazines and bullshitted with the girl next to us. We waited for Chelsea at the airport, then we got our luggage and took a limo to our hotel. Elektra went out to do Vegas, and Chelsea and I ordered room service and called it a night.

The first day of the Expo, we all met to

he was coming, we were excited.

There were a lot of vendors this year. I was surprised to see so many companies, club owners and features. The only big-busted model missing was Minka. Even big porn stars like Gina Lynn and Donna Doll were there.

And how could I forget to men-

pick up our badges. Believe it

or not, fans showed up even though there was no Fan Fair. Fans are not allowed in the Expo, but they were there this year. How they got in, I don't

know. There were some fans from Germany who are there for Fan Fair every year. They're very big fans of SCORE.

A lot of big-busted girls attended this year: Maxi Mounds, Echo Valley, Puma Swede, Kayla Kupcakes, Kayla Kleevage, Exotica and many more. The biggest surprise of all was Vixen LaMoore. We were so happy to see her. I

hadn't seen her in two years. She looked better than ever. And I was there, too. He's the guy who every year took pictures for SCORE at the Expo. When Chelsea

and I heard

tion Alyssa Alps? She works with Don Waite and helps him organize the Expo. It was great running into her. She looks great and is very happy.

After the Expo every night, Chelsea, T, Vixen, Cubeman, Razooly, who is Vixen's friend, and I would meet up for dinner. Some nights, we would have a couple of drop-ins, like Kayla Kupcakes, who is a riot. She is so out there. I always tell her she's three cans short of a six-pack! Then she'll laugh and say, "Crystal, you're so crazy." Dinner was our gossip time. We'd talk about the Expo and other things that happened to us.

After dinner, we'd go play the slots. Sometimes we won, sometimes we lost. On Tuesday, after the Expo and dinner, Vixen, Elektra and I headed over to the club owners appreciation party. I'd never attended it, but it seemed like all the features were heading over. It was pretty nice. They had food set out, and it was nice to meet some of the club owners so they could see how I looked in person. Elektra mingled, Vixen got drunk and I just hung out with my agent, who was introducing me to club owners. I had a really good time.

This was the best Expo ever. I only wish they'd had a Fan Fair. I'd never seen so many feature dancers in one room. I hope you enjoy all the pics from Glamourcon and the Expo. To see more pictures, you can log on to my website, CrystalGunns.com, or Chelsea's website, ChelseaCharms.com.

See you next time, guys!

YEAH, WE KNOW YOU WANT BERLIN BADLY. BUT ONCE YOU GET HER, CAN YOU HANDLE HER?

"All of my sexual encounters are kinky," said Berlin, who's from Louisiana and is now living in Hollywood, California. "I became a bondage and fetish model so I could live out my fantasies. I love to dominate men and women with my feet. I love putting on stockings or pantyhose and even a ball gag. I love being tied up tight, wearing slick latex, tight lacing, high heels...the higher the better!"

If you like to take control of a situation, Berlin is your girl. If you like to be told what to do, Berlin is your girl, too. "I love to be the top and the bottom," she said. "I adore being taken as much as I adore taking someone. Sometimes I'll make the first move, sometimes I'll wait for the other person, whether it's a man or a woman, to make the first move. That's the great thing about being a switch. But if you want me to take control, you'd better be ready for the ride of your life!"

Berlin is into a lot of things. She loves having her toes sucked while she works her pussy with her vibrator. "My perfect day begins with a chai latte and a cigarette, a long bath and then lacing into one of my corsets and putting on a vintage dress with heels before going out for a kinky night out. And when I wear one of my vintage bullet bras, the boys can't help but stare. They want me. But they can't possibly know what they're getting into!"

WELCOME, TERA, TO THE STACKED STATES OF SCORE NATION!

Dear SCORE,

SCORE (Sept. '07) and *Voluptuous*, (Aug. '07) made me so hard as I enjoyed stroking to Tera Cox. Thank you for bringing Tera to the SCORE Nation. I really enjoyed seeing her in a wet T-shirt. And, yes, she would be an instant winner at any wet T-shirt contest. Wow, talk about a future nurse!

Tera is one of the many reasons I love SCORE. *Playboy* mostly gets models, but you get girls next door, normal and not dolled up or Photoshopped. I was at a gas station today and saw the new issue of *Playboy's Voluptuous Vixens* and laughed. Nothing beats SCORE and *Voluptuous*.

Pass on a thank you to Tera Cox and to everybody at The SCORE Group for finding the most amazing girls next door. Life would be so boring without SCORE and *Voluptuous*.—Mark, via email

change a thing about Christy. She is, indeed, the new "Teen Tit Dream" and will, in my opinion, become the SCORE Newcomer of the Year, just like Sharday.—Name and address withheld

Dear Reader: Actually, we called Christy "Teen Tit Wonder" on the cover of the Nov. '07 issue and called her new DVD (available on page 105) Teen Tit Dream. Sorry if it's confusing. Big, young tits can mess up a hard-working editor's mind.

POTENTIAL SCORE GIRLS WHO ARE TOO SHY TO POSE

Dear SCORE,

Am I in the minority because I believe that for every SCORE model, there are a hundred girls walking the street who could pose and are just too shy? Hell, I've dated a number of girls who would look great in SCORE but just aren't professional models. The new "Tits In Tight Tops" feature could show everyday girls with huge tits showing off their clothed racks. This is my call to fellow readers to entice the girls next door to pose in SCORE. I know I'll try my best.—Tom, address withheld

Dear Tom: Thanks for writing, and we join you in your call. But you'd be surprised by how few girls really do have the stuff to be in SCORE. SCORE Girls are the elite, and while there are plenty of D-cuppers out there, very few girls are slim-n-stacked like SCORE Girls. We're talking about girls with small waists and F-cup (or larger) tits. That "incredibly stacked" babe you might have seen today? Chances are she wasn't more than a D-cupper. SCORE Men who have seen SCORE Girls in person know our girls aren't just stacked. They're mind-blowing!

HE NEEDS TO CONCENTRATE IF HE WANTS TO BE A MILLIONAIRE

Dear SCORE,

I see "Fantasy SCORE" has returned. I recently tried out (and passed the test) for the TV show *Who Wants to Be A Millionaire*? The tit man inside me is fantasizing about playing the game and, for every question I answer correctly, Meredith Vieira's breasts double in size. That would be a couple of beautiful handfuls by the end of the round.—K.M., Fort Wayne, Indiana

A full-page photograph of a woman with dark hair, wearing a bright red, shiny, halter-neck dress and matching high-heeled sandals. She is sitting on a wooden staircase with black metal railings. She is looking towards the camera with a slight smile. The background shows a wooden deck and some trees.

After The Party

ALL THAT DANCING AND PARTYING HAS PUT LILY IN THE MOOD FOR SOME SELF-SATISFACTION.

The last time we saw Canadian beauty Lily Valentine in *SCORE*, she had her pliable pussy lips firmly wrapped around a hard cock in the Xtra section of the Sept. '07 issue. This time, we have her all to ourselves. The party is over. Lily went home alone. She was hoping you'd be there, *SCORE* Man, but you weren't. So she needs to take care of herself. "My pussy is tingling," she said. "I really need it bad!"

Lily knocked 'em dead when she walked into the ballroom wearing that pink gown, and now that she's back home, she's ready to give you a thrill with her sexy face, DDD-cup floppers and trademark pussy lips. "I've always loved being watched," she said. "Did I ever tell you about the time I had sex on the tenth floor of a building in front of a bare window?" Yes, Lily, you have. "Just thinking about it makes me hot. My breasts pressing against the window while he fucked me from behind, and I knew people could see us." She sighed. "It was so hot. And I love the idea that men watch my videos and pleasure themselves while they watch me fuck other men." She pressed her fingers against her pussy and sighed again. "I showed some of my friends my scene in *Sleeping Sluts*," she said. "They said, 'Lily, we never knew!'"

Lily is all woman, and she isn't shy when it comes to sucking and fucking. "I like to start sex, but it's important that the man knows what he is doing when we begin our games," she said. "I like to be dominated and get lots of penetration in different positions. Sideways, on top, from behind. If I can do it two or three times a day, that would be great. But there is not always time, and when there isn't, I must take care of myself." Which she does, with skill. "I know my body," she said. "I have been over every inch of it. Wouldn't you love to be over every inch of it?" There's a question that really needs no answer.

Continued from page 80

tion, Tera Cox is SCORE's 2008 Model of the Year in training! Among a bevy of unbelievably breathtaking new beauties this year, Ms. Cox stood out and distinguished herself as an up and coming "Queen of Naturals."

2007 Model of the Year: Daphne Rosen. Her absolutely superior body of work over the past year earn her this title. The classic and illustrious beauty of Daphne Rosen, reminiscent of the 1950s pinups, only comes around a few times every hundred years. Ms. Rosen raises the term "Paragon of a Woman" to a whole new pinnacle.

Hall of Fame: Sharday. There is no equal. Wondrous, natural, feminine beauty with a personality to match. Sharday has it all. She epitomizes the memorable greatness which a Hall of Fame was created to display.—T.A., New York, New York

Dear T.A.: Thanks for voting. The winners of the 2007 SCORE Awards will be announced in the June '08 issue, on-sale March 25. Votes are starting to pour in, so here are some comments from other readers.

CLOSE CALLS AND EASY PICKS

Dear SCORE,

Newcomer of the Year: Paola Rios. Any of the naturals in this group are great, but Paola is the one most likely to still be a sensation years from now and talked about as one of the all-time greats.

2nd Place: Natalie Fiore.

Model of the Year: Bea Flora. This was the easiest of the categories to choose a winner since Bea and Marilyn are so far ahead of the rest that it is not even close.

Hall of Fame: Sharday. This was very difficult since I think six of the 10 nominees should be in the Hall of Fame. I'll have to wait for another year to vote for Sammie Black, Danni Ashe, Alyssa Alps, Jessica Turner and Dixie Bubbles.—G.P., Maple, Ontario, Canada

THREE NATURAL SELECTIONS

Dear SCORE,

Newcomer of the Year: Christy Marks. Awesome newcomer. The whole package is magnificent.

Model of the Year: Marilyn Sakova because she is so seductive.

Hall of Fame: Sharday. I never get tired of looking at her. One of the best ever.—M.B., via email

THE GIRLS OF HIS DREAMS

Dear SCORE,

Newcomer of the Year: Christy Marks. When I saw Christy Marks on the cover of the November '07 issue and her photo spread, my heart melted. An absolutely gorgeous smile and tits to die for. I think I finally found the girl of my dreams.

Model of the Year: Penny Porsche.

Hall of Fame Induction: Sharday. The most mind-blowing young lady over the past six years.—R.C., Brooklyn, New York

THE GOOD, THE BAD & THE UGLY

Dear SCORE,

The top 10 things I would like to comment on about SCORE:

10. Models not showing bush. This is a porn mag. If you pose, show bush.

9. Waste of space. In a recent issue, there was a letter that went on for two or three pages. It was about a guy banging some unknown big-titted girl. He was probably full of shit, and the letter had nothing to do with any SCORE model. I guarantee no one gave a shit about this guy's bullshit story.

8. Ines Cudna. Ever since she shaved her bush, she has not been the same for me. She might as well have gotten Bill Cosby's face tattooed over her pussy as far as I'm concerned.

7. Boob Olympics/Boob Cruise. I know, I'm the 100,000th person to write to you about this. But there are so many new girls who would be great to see in a Boob Cruise setting.

6. Sydney Simona. She is the new Via Paxton. Great body and tits, too.

5. SCORE 15th Anniversary issue. Excellent job. Covered everything.

4. Enough Euro/Brit babes. It seems like two out of every three girls are Eastern European or British. They all have big tits, but most of them are skanks and are nothing special. Let's see more black, Asian and exotic-looking girls.

3. *BootyLicious* mag guy. There is one guy who seems to be in every *BootyLicious* video and magazine sex scene. Tell him he is one lucky prick to be paid to fuck all those gorgeous asses. What a job! [Editor's note: He knows!]

2. Solo DVDs. I prefer boy-girl DVDs. I only buy solo DVDs if they feature a girl I know I love, like Ines Cudna or Marilyn Sakova. I would never buy a solo DVD for one girl I like and four others I couldn't care less about.

1. Elena from *Busty Island Girls*. The hottest girl ever in SCORE.—B.P., Toronto, Ontario, Canada

JUGS OF THE JUNGLE

DEENA DUOS BRINGS OUT THE PRIMATE IN US. SHE TURNS US INTO WILD ANIMALS. SHE DEENA, WE HARD.

If you had told us at the start of last year that Deena Duos would be one of our covergirls in 2007, we would've said you were nuts. But Deena's return and her appearance on the cover of the July '07 issue turned out to be one of the big events of the year. "She's more magnificent now than she was in the '90s," wrote C.J. Deena's response when she heard that she was our covergirl? "Oh, my God!"

Deena absolutely destroyed a maroon, button-down sweater in the July '07 issue, and now here she is again as the super-stacked jungle girl of our fantasies. "It's just so much fun to be back in the swing again and turning on men, entertaining them," she said. "For a long time, I seriously thought my modeling career was over, but now to be back and to see the reaction I've been getting is just so gratifying. I'm really very touched."

Latch onto Deena's giant jungle jugs and swing till you *schwing*. Bury your cock deep in her tight, juicy pussy and fuck her until your nut sac is ready to explode and her cries of pleasure are echoing throughout the jungle. "I live to make men happy," she said. "That's what my body is for. That's why I never hide my big tits. If you see me out in public, I might be dressed tastefully, but there's no hiding these boobs. Why would I want to hide them?" There's no reason at all. Scream it to the world, Deena. You're back!

in one hand and his gun in the other. Dale coughed out a laugh.

"Put the gun away, Frank. Nothing's going on."

"Sure as fuck looks like something's going on," Frank barked, dropping his piece on the table next to the cash. Jenna sat up and, using her thumb, wiped a spot of Dale's cum from her chin, the only spot she missed. She stared at Frank as she licked it off her fingertip.

"Awww, Frank," she teased him. "Feeling left out?"

Dale had reached into the paper sack and extracted a cold beer. He popped the tab and guzzled about half the can, his cock still hanging free, his pants down around his ankles. When he put down the can, Jenna grabbed it and drank. It was ice cold, and washing down the residue of Dale's hot cum made her cheeks flush.

Jenna got up, her hot pants twisted into a band around her thighs and her halter top like a choker around her neck. She peeled off the top and pressed her knees together. The hot pants fell to her calves, and she stepped out of them.

"What do you say, Frank?" Jenna cooed. "How long's it been since you fucked a girl?"

Frank swallowed hard. Jenna crossed her arms beneath her jugs and they pressed against each other, appearing even larger.

"Them musk melons for real?" Frank asked, staring right at them.

"Fuck, yeah, they are," Dale said. "Biggest fucking jugs I've ever seen!"

Frank didn't seem convinced.

"C'mon and see for yourself," Jenna said. She cupped her huge globes and hefted them, one in each hand. She lifted her right tit and puckered her lips, all the while maintaining eye contact with Frank. Her nipple, in a relaxed state after her recent orgasm, instantly rose to attention. Jenna licked it and ran her tongue in circles around the hard, pink nub. With Frank's obvious erection straining against his zipper, Jenna raised her other breast and began to lap away at that nipple. When both had grown erect, she did her best to press her knobs together so that she might accommodate both in her mouth, but her melons were too large. She could get them close enough to touch with her tongue, but she couldn't

manage to suckle both nipples at once. His willpower shattered, Frank rushed over to help out.

Frank was so anxious to get a hold of Jenna's twin nosecones that his hands trapped hers, and she twined her fingers in his while he attacked her boobmeat with a vengeance. Time in prison might have contributed to their excitement, but Jenna was pretty certain that both Dale and Frank were big-boob lovers, and her H-cup gazongas were as much of an asset to her plan as her hot ass and dripping pussy would have been had she not been blessed with such enormous sweater puppies.

Frank led Jenna and Dale into a back room where a bare mattress lay on the floor, like something straight out of a cheap porn film. The room smelled musty, unused, but not unpleasant. Dale carried a beer into the room with him, swigging from the can while his cock began to return to life.

Jenna helped Frank wrestle out of his shirt, pants and boxers, then made him lay on his back while she stroked his impressive penis to its full length and girth. Frank's long cock had a slight bend to it, and Jenna knelt over it, playing with it, enfolding it in her cleavage. She jerked him off with her tits for a while before he interrupted.

"It's been a long time," he said, his voice hoarse.

"Long time?" Jenna asked, not understanding what he meant.

"Since I fucked a girl," he admitted, and Jenna realized he was answering her question from before. Jenna knew what Frank wanted—no, needed—her to do. Holding Frank's cock between her bountiful breasts, she nodded her willingness to do it.

Jenna eyed Dale, whose own cock was fully engorged and appeared ready to go another round. She spread her legs and crawled up Frank's thighs, planting her sopping cunt lips around the head of his love snake. He entered her without hesitation, and Jenna's tight twat ground down on his prick until her lips were tickled by his bristly pubic hair. She began riding Frank horsey-style, while he struggled to control her bouncing jugs, which slapped together just inches above his face.

Finally, Frank gave up. He had no hope of gaining control of those titanic tits, and he simply let them bounce against his face, guiding her rosebuds into his mouth when they came close

enough, fighting for breath when he was thrusting at his hardest and they rested against his cheeks, smothering him. Frank was in boobman's heaven. He worshiped Jenna's cans with his whole face, licking, sucking, nibbling, even using his beard stubble to make her moan when he moved his face from side to side, lightly scratching her sensitive nips. She'd never had a man do that to her before, and she liked it.

Jenna saw that Dale, momentarily left out, was stroking his shaft. She pushed off of Frank's throbbing meat and turned around, allowing him to reenter her, his cock now stretching her pussy muscles in an entirely different way. She let out a little gasp, feeling the sudden new sensations coursing through her bringing her closer to orgasm.

She reached for Dale's hard-on and drew him to her. She took him in her mouth, sucking him so deeply that her cheeks hollowed around his crank. Dale put his hands on top of her head, and she wetly gurgled around his shaft, his balls pinned between his thighs and her chin when she deep-throated him.

Frank was gripping her ass tight, driving his hammer into her in the modified doggie position. Jenna pulled Dale down to his knees, his cock slipping out of her mouth. She pushed him back, so he had to hold himself up with his hands pressed to the floor. His cock thrust upward to meet nothing but air, but only for a moment. Jenna, with Frank buried deep inside her, leaned forward, and Dale's cock disappeared into the base of her cleavage. Rolling her hips and bouncing up and down on Frank's tool, Jenna was in prime position for Dale to tit-fuck her. Gyrate, she milked Frank's felonious fuck-stick with her slit, feeling his hands begin to tremble on her hips. Frank was trying to hang on, to keep a steady rhythm, but he couldn't. He pulled Jenna back onto his pole erratically, and she felt the tension in his taut thigh muscles. Dale, too, was on the verge of cumming, his hips thrusting upwards, firing inch after inch of swollen cockflesh into her boob tunnel. Jenna wasn't sure which one would hit the boiling point first.

A hot gush of jizz spread a warm fireball deep inside her. Frank had just erupted, sending a torrent of semen into her snatch. Dale almost immediately followed, his cum-reservoir surprising her. Dale sent a wave of spunk into the valley between her breasts. She felt his copious

load fill the gap between her mounds and rise above the tops of her breasts. His load peaked, then ebbed, tiny rivers of semen streaming back down her tits.

Jenna came, too, sometime in between Frank unloading his cum inside of her and Dale painting her juicy jugs with another pint of mansauce. When both guys fell back, exhausted, Jenna used Frank's shirt to wipe herself down. He didn't seem to mind.

Neither Frank nor Dale had a firm grasp on what had happened. Frank's hands were being cuffed behind him, and officers were barking orders at Dale. Jenna was standing in the corner, fully dressed, Frank's gun in her hand. She handed it over to a police officer. Outside, squad-car light racks pulsed red and blue.

She had tricked them! She'd sucked and fucked them exhausted, and the minute they had passed out, she'd gone and gotten the cops. Frank looked at Dale, who looked back but said nothing. The understanding was clear. The two of them hadn't gotten laid in months. She had those gorgeous tits and that ass. She'd known they would quickly fall asleep after a hard and intense bout of sex. She had totally played them.

Just before being led away, Frank heard one cop speaking to Jenna. He paused to listen.

"So, you didn't see where they hid the money?" the cop said.

"No, officer," she said. "One of them left for a while, then came back with the beer and beef jerky. I guess that's when he hid the money."

Frank exchanged a look with Dale, who shook his head, laughing to himself.

"Wrong day to rob a bank," Frank muttered to his partner.

"We should've taken the old broad hostage," Dale countered. "This never would've happened. No way I would've fucked that old bitch."

Both men halted in mid-stride. They took one more longing look at Jenna, silhouetted in the doorway. Her top-heavy hourglass figure—more like an hour and a half—started getting them hard again, even though they were both in handcuffs. She was by far the best piece of ass they'd never fucked.

They looked at each other and shook their heads. They had made a bunch of mistakes, but taking Jenna hostage instead of the old broad? That hadn't been one of them.

Angela & Christy **Lezzies** In Paradise

TAKE A HORNY, G-CUP BABE LIKE ANGELA WHITE, PUT HER ON A TROPICAL ISLAND WITH AN H-CUP TEEN WONDER LIKE CHRISTY MARKS AND THINGS ARE BOUND TO HEAT UP QUICKLY.

It was inevitable that Angela White and Christy Marks would pair up during the filming of *Big-Boob Paradise* in Eleuthera, the Bahamas. The girls couldn't keep their hands off each other all week. So when Angela decided to soak up some sun and saw Christy already sitting on the beach, popping out of a white bikini, she knew this had to be the time to turn this big-boob paradise into her fantasy-come-true.

Angela and Christy's lezzie seduction began quietly if not innocently. Angela laid down her blanket next to Christy's, and without even saying a word, she picked up a bottle of suntan lotion and started applying it to Christy's chest. Christy, being a teen sex goddess who's into women as well as men, immediately knew that Angela had more than SPF on her mind. Angela wasn't merely rubbing suntan lotion all over Christy's body. She was caressing Christy's body, rubbing it gently, softly, erotically. And then came the touch of Angela's mouth.

The girls' sexual temperature was rising under the midday sun. Christy grabbed a handful of Angela's tits and sucked them deep into her mouth. Angela reached under to play with Christy's pussy, then the girls kissed deeply, like lovers do. The girls knew there were other people on the island, other people on the beach, but for these moments, it was as if they were by themselves, enjoying each other's sensuality, taking in each other with no inhibitions, as big-boobed babes like Angela and Christy are wont to do in a place like *Big-Boob Paradise*.

TERA COX: GREAT FUCKING CREDENTIALS

IF TERA GOES ON TO WIN 2007 NEWCOMER OF THE YEAR, SHE'LL HAVE FUCKED HER WAY TO THE TOP.

Tera is one of the finalists for 2007 Newcomer of the Year, and doing the things she's doing in these pictures isn't gonna hurt her chances. The fact is, if Tera had simply shown off her F-cup tits and spread her pink cunt for the camera, it would have been enough. But Tera took it a step further by fucking and sucking in *Tits On Top* and *Pounding the Pledges*. That's an award-winning resume!

In *Tits On Top*, Tera has a three-way with giant-lunged April McKenzie and a lucky stud. In *Pounding The Pledges*, Tera gets hands-on, mouths-on, pussies-on fucking lessons from Gianna Rossi then engages in an eight-way with Gianna, April, Panther, Sabina Leigh and three guys. In this month's centerfold, Tera is seen with a hard cock splitting her pussy in half while she smiles for the camera. Yep, everyone loves a woman with a beautiful smile. Especially when that woman is smiling about getting fucked.

DENISE DERRINGER: HER JUST DESSERT

WHETHER SHE'S TAKING IT UP THE ASS OR SUCKING CREAM OFF COCK, DENISE HAS EARNED OUR RESPECT.

Reason No. 1 that when we announce the winner of 2007 Model of the Year in the June '08 issue, it should be Denise Derringer: She has huge tits. Reason No. 2: She takes it up the ass in two DVDs, *Tits-A-Poppin'* and *Big-Tit Glory Hole*. Reason No. 3: She fucks for *SCORE* and only for *SCORE*. Reason No. 4: She sucks whipped cream off of big, hard cocks. Are you convinced yet?

Look at the sloppy, dirty shit Denise is doing in these pictures. She could write her own ticket in mainstream porn, but she has chosen to remain loyal to **SCORE** and its readers. This is a girl who's totally into fucking in front of the camera, yet she does it only for us. So take another look at Denise with cream all over her tits as she fucks that dick. Turn the page and see Denise sitting on top of cock. Tell us she doesn't look like a Model of the Year. Go ahead. We dare you.
